All Authority is useless without the volitional consent of the individuals under it and human acceptance of Authority is too often nonexistent because of involvement in the Interlocking System of Arrogance. Individuals under Authority Arrogance who reject Authority do so with devastating results which causes:

- ✧ Crime
- ✧ Violence
- ✧ Slavery
- ✧ Terrorism
- ✧ Tyranny
- ✧ Revolution
- ✧ ETC.

The only possible way to stabilize a nation under the Laws of Divine Establishment is for it to have a stable backbone. This is the key to human function and that key is Authority.

Authority Arrogance is the enemy of the Freedom needed for uncoerced volitional choice, privacy, property and unregulated LIFE. Privacy is destroyed through the Arrogant involvement in gossip, maligning, judging, bitterness, all Mental Attitude Sins and Mental Attitude Arrogance. This Arrogance is blatantly visible today in the 4<sup>th</sup> estate, the MEDIA, which has been propagandizing and controlling what people hear and see in order to manipulate them into false actions and the acceptance of EVIL and its Human Good production. The media starting UNTRUE rumors is a sign of degeneracy and the result is the fragmentation of the lives of those who function in the media who are involved in these processes who only desire power and stimulation for their approbation lust. Freedom under the 1<sup>st</sup> and 2<sup>nd</sup> amendments is very important but NO ONE has any right to gossip, slander, malign with untruths and those in the 4<sup>th</sup> estate, the media, in all aspects of entertainment and news reporting MUST HAVE INTEGRITY AND BE RESPONSIBLE FOR FOLLOWING the Laws of Divine Establishment and the Divine Institutions and today they are not. This is a tragic usurpation of Authority and thus a destruction of all aspects of American Freedom. In addition Freedom is also destroyed through the individual's and nation's malfunction under the Divine Institutions. This is the true Evil basis for and nature of homosexuality, transgenderism and homosexual marriage because it destroys the principles and functions of the Divine Institutions. This is all an Arrogant attack against Authority so that the principle becomes obvious, that Freedom without Authority is Anarchy but Authority without Freedom is TYRANNY.

Authority Arrogance results in the destruction of Freedom through crime with the “pushing” of individuals into drug addiction. Drug addiction is MURDER of the soul and destroys the ability of a person to use his volition. It takes away a persons sense of responsibility and destroys the proper use of his volition. Communist domination techniques involve their attempt to saturate their enemies with illicit drug use and is blatantly obvious in the United States of America in the 21<sup>st</sup> century. Drug addiction, violence, [Crusader Arrogance](#), the attempts under [Self Righteous Arrogance](#) of the individual trying to superimpose their will on others in activism is all interlocked with Authority Arrogance. This is clearly demonstrated in the destruction of Free Enterprise where the government seeks to destroy capitalism with redistribution of wealth by STEALING the money from the rich and giving it to the useless scum poor. Inevitably this results in everyone becoming poor as those who work hard to prosper see the futility of doing so and stop. It is the rich under capitalism which makes it possible for prosperity to exist in a nation as it once did in the United States of America.

At Salvation Adjustment to the Justice of God new believers enter into a new and special situation requiring growth which is the reason in scripture they are called children or infants. All initial Authority in life can be related to childhood. It is by means of intrinsic Arrogance that legitimate Authority from God is rejected resulting in disorientation to life. The most basic authorized, delegated, legitimate Authority from God is parental in the home. Rejection of this Authority is disorientation to life and entrance into the Interlocking System of Arrogance and this inevitably results in serious maladjustments in life. This easily and invariably results during times of national degeneration when there are excesses involving Freedom and the abuse of Freedom involving illicit use of drugs, illicit sex, etc. It is the SPIRITUAL malady which results in national degeneration and both individual and collective Divine Discipline punishment

from God. The only way a nation in this state can be preserved when this degeneracy reaches a saturation point is that the pot containing their sublimation system has to be broken and remolded. In order to preserve the nation when this rejection of Authority is locked in and generalized in many of the people, these people must die in mass.

Any person with great Authority allegedly has great power such as a President, General Officer, or Department of State head, etc., but the extent to which the one possessing the Authority is influenced and advised by others to that extent he is weak. In the United States of America people are elected to government positions and Authority but the people who often are elected are not the ones with the power and Authority. The ones with the real Authority and power are the ones who advise and influence these elected officials persuading them, making decision for them and totally directing their functions. As a result the elected people, in positions of supposed power, become very weak as a result of being influenced by flattery from those under them who advise them. These individuals are weak because they have believed the LIE of Evil and are then subjected to flattery, to which they succumb. As a result of believing the Lie and rejecting Absolute Truths they are Arrogant and very open to this flattery. Unfortunately, there are always influence peddlers of all kinds surrounding the person in charge who is supposed to have the Authority but in reality it is these peddlers who actually have the power not the elected person. Any person with Authority must be very careful that he uses his Authority properly and that he is not erroneously influenced by friends, pseudo friends and those whose personalities attract him and whose compliments he enjoys. If one believes any LIE from Evil, any part of the plan and policy of Evil and its production of “good” devised by Satan, he is very weak no matter how talented or brilliant he might be. Believing the LIE and having [Scar Tissue of the Soul](#) added to Arrogance takes the most talented people who ever live and destroys them and the system they are functioning in. Julius Caesar was one who survived this but later he died in a weak moment of emotion and trust under the influence of the Senate of Rome. None of us can survive believing the LIE of Evil because even truly great people have fallen as a result of it. Jews had Authority as client nation to God and were elected to privilege and by application, their election comes to the believer in the Royal Family of God in this Church Age. Believers do not have the secular Authority of the President of the United States of America nor of the Senate, Congress, a Governor or even a Mayor but they do have the greatest Authority in this world today. This is privilege under the doctrine of election and the Authority and power to change Human History which is vested in the Righteousness of God imputed to all believers at Salvation Adjustment to the Justice of God. This Absolute Righteousness from God gives the potential Authority, power and privilege to change history by the INDIVIDUAL Believer accumulating a maximum level of Metabolized Bible Doctrine into his Stream of Consciousness of the Soul. By his reaching Maturity Adjustment to the Justice of God he receives the blessings and status of the Invisible Hero. However, if the believer is distracted from the Absolute Truth of Bible Doctrine then 2 things will happen:

- He will build Scar Tissue of the Soul from degrading his Spiritual Life in Reversionism and become entangled in the Arrogance complex.
- Between Scar Tissue of the Soul and Arrogance he will always believe the LIE from Evil and thus will be distracted from the Protocol Plan of God and will not use his personal Authority to advance to Maturity Adjustment to the Justice of God thus failing to

contribute to the pivot and fail in assisting the deliverance of his nation.

Anyone can be distracted by flattery, discouragement, crusading, reform, dynamic personalities and getting one's eyes or focus on material things, other people or self. If, however, one is consistent in Perception, Cognition, Incultation & Metabolization of Bible Doctrine he may fail occasionally but he will ultimately use his prerogatives and Authority properly to reach Maturity Adjustment to the Justice of God. The believer has Authority but it is not to dictate policy to the world and overtly change things or pass laws. This has already been done by those believing the LIE who pass laws which hinder business, attempt to take personal protection from citizens, prevent profits in business, destroy the military, obfuscate Law Enforcement and judicial functions, create big government and shrink the importance of people and free enterprise business. Under the doctrine of Election by being professional, the believer having this Authority and power of decision as Royal Family of God, must be sure he avoids the distortion of this power which comes from distraction, Arrogance, believing the LIE or joining crusades to help mankind. IF he fails to use his Authority and power properly in the Plan of God he becomes like a weak ruler who is influenced erroneously and does not wield effectively the Authority he should possess. In this failing he will drag his nation to its own destruction.

THE BELIEVER MUST GUARD HIS PRIVILEGE CAREFULLY BY NEVER QUITTING AND NEVER ALLOWING ANYTHING TO DISTRACT HIM FROM HIS Post Salvation Epistemological Rehabilitation from consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine. No one is perfect and all believers will fail because the Old Sin Nature does not diminish in its functions with age or time in grade in the Christian Way of Life. In addition every believer is continuously vulnerable and susceptible to the intrusion of Arrogance into his life. There are so very many ways in which one can become Arrogant with some being obvious and some not, and any involvement in the Interlocking System of Arrogance will ultimately destroy the Authority the believer possess as Royal Family of God. Being distracted from Bible Doctrine is tantamount to being unprofessional and when the believer abuses his Authority or is distracted by the LIE from Evil, his Authority can stimulate his involvement in Arrogance and this is what will ultimately destroy him. The greatest men in history have failed in this way including Moses, Elijah, David, Paul, and many others so the individual believer cannot ever think that he cannot or will not fail at some point. Once the Arrogance complex is established in one's soul, no matter what one's talent or ability may be, it falls by the wayside and Arrogance becomes the base of function to launch into either [Self Pity](#) or Self Righteousness inevitably fusing these 2 into a [Guilt Complex](#). Most People do most things based on a guilt complex and try to make up to God or other people for their failings. Some are embarrassed by having wealth and many are ashamed to dress in such a way so as to show their wealth. This is one thing which will destroy any believer. Many truly great businessmen become liberal or communist because they have a guilt complex from a degrading down through the stages of Reversionism to [Black out of the Soul](#) and [Scar Tissue of the Soul](#) and their Arrogance combines with these to produce extremely deleterious results in their Spiritual or secular Life.

### **Weak Believers, Emotion & Authority Arrogance**

It must be emphasized that the [Weak Believer's Reversionism](#) is related to lack of Authority orientation. He is under control of his own Old Sin Nature as a result of his entanglement in Arrogance and Reversionism and has degraded his soul function by [Emotional Revolt of the Soul](#). Any intensive training system in any area of life suppresses this Arrogance in both believer and unbeliever. Weak believer reversionists seek to build a [Mutual Admiration Society](#) to gain the support of others who are also Anti-Authority. The weak reversionist believer rejects the Authority of both Bible Doctrine and the Pastor Teacher and as a result he does not serve or obey the mandates of The Lord Jesus, The Christ. Being under Negative Volition to Bible Doctrine he has no motivation or momentum to advance in the Plan of God. It is inevitable that this weak reversionist, involved in Arrogance, will be a slave to his emotion and serve only himself. (2Cor 6:11-12) Even the greatest bible teachers can have no positive effect where emotion is the believer's criterion for spirituality and Arrogance is the motivator for participation. All emotional reversionists are motivated by their own Arrogance and therefore completely lack [Authority Orientation](#). When a believer is motivated by Arrogance he is soulishly blind and non-perceptive in his soul. Arrogance invariably belongs to those Christians who are ignorant of Bible Doctrine and they, being under [Blind Arrogance](#), may not even be aware they have entangled their soul in it. Involvement in any level of Arrogance makes one susceptible to flattery and false teaching. Believers ignorant of Bible Doctrine are impressed by overt personalities which they emphasize in their thinking and life and this results in their easily succumbing to flattery. It is blatantly clear then that Fundamentalist Christianity has traded its doctrinal heritage for emotion as the criteria of spirituality and Arrogance as the motivator of the soul and this is clearly demonstrated by the holy roller tongues movement and faith healing movements of the 20<sup>th</sup> century. If the believer is Self Righteous he is also subjective in his learning of Bible Doctrine and will pick what he likes and reject the Authority of the totality of Bible Doctrine and of the Pastor Teacher presenting it. He uses his own Authority to choose what doctrines he agrees with and those which stimulate his emotions and thereby enters a state of mental and emotional revolt in the soul. This is resisting bible doctrine with which one does not agree and is the extreme danger of entering into the function of a Plurality of Pastors to learn Bible Doctrine.

### **Self Discipline & Blessing vs Authority Arrogance**

Believers who are growing up in the Spiritual Life very often don't even realize that God, sitting on his throne, wants to provide them with all the enjoyable things in life but in order to be qualified to receive them they must first advance to the point of having capacity for these materialistic things of life. This clearly explains that the Plan of God for believers started in Eternity Past and goes all the way into eternity future. Every believer MUST also know that he has Eternal Security in order that God, in his matchless grace and perfect plan, can match up his miserable life with the most amazing blessings any person or angel ever dreamed possible. It is a **SHOCK** to the fallen angels and Satan and all unbelievers and Negative Volition believers in his world when a believer receives his Escrow Super – Grace blessings as a result of reaching the status quo of [Maturity Adjustment to the Justice of God](#). The incredible thing about all this is that it comes through that which the vast majority of Christians lack, Self Discipline and the resultant [Genuine Humility](#). The ironic thing is that MAN most often uses

all of his genius and ability to avoid both discipline and Authority. It is obvious then that Arrogance, as the foundation for the Plan of Satan, EVIL, is what causes one to try to avoid what makes life most wonderful and most enjoyable, self discipline. Enforced discipline under systems of Authority exists to develop [Enforced Humility](#) and train the individual's functions and to remind him that he has potentially great things coming in his life if he will simply function under a system of discipline and respect for Authority. In life, especially in the Spiritual Life, by submitting self to discipline, both enforced and self discipline, blessings WILL come to each and every believer. The believer is always free to submit to or reject discipline and in the Spiritual Life when he rejects it he becomes subject to Warning, Intensive and eventually Dying Divine Discipline. It is, therefore, apparent that the most difficult thing in life for people to learn is DISCIPLINE in life.

It is the malfunction of the believer's use of the [Faith Rest Drill \(5 stages\)](#) which results in human reactions in the form of the [Motivational Arrogance](#) of [Mental Attitude Arrogance](#), Sinning and bleeding heard Human Good production. All malfunctions of the Faith Rest Drill involve inconsistency, irrationality and unreasonableness as a result of being motivated by Mental Attitude Arrogance and Sins such as [Jealousy](#), [Bitterness](#), vindictiveness, implacability, Self Righteousness or Self Pity. Malfunction of the Faith Rest Drill includes the rejection of Authority as:

- ✧ Police Authority when stopped for a violation in traffic.
- ✧ Pastoral Authority when doctrine is resisted.
- ✧ Commanding officer Authority when one is full of Self Pity and Arrogance.
- ✧ Teacher or Professor Authority when participating in a classroom situation.
- ✧ Many other areas of Authority in life.

Authority is rejected when people fail under pressure and this failure is called [FEAR](#), which true meaning is *absence of normal rational thought*. Mental Attitude Sins are erroneous, irrational thoughts and the people involved with them will reject Authority yet make demands of the one in Authority inconsistent with their rejection. This is like trying to explain something to a woman who becomes immediately emotional and irrational. This often occurs when pressure is applied to the individual and they move into Self Righteous Arrogance or [Self Centered Arrogance](#). They have their focus totally on self and when they look at self it is with fear and cowardice. Then because of their Arrogance their focus bounces away from self and they cannot keep their focus on self and must look for someone else, a patsy, to blame for their failures. This bouncing from self to others results in Self Pity, feeling sorry for self, and never thinking rationally even for a moment. Their Self Pity Arrogance and selfcenteredness DEMANDS that they stop focusing on self as a failure and find someone else to blame for their failures thus never taking responsibility for their personal decisions. This one whom they blame is very often the one in a leadership position who has the Authority over them. When confronting this type of discontent in a group of irrational rebels the one in Authority must never back off and attempt to appease them but must always speak and act forcefully and control them.

### **Authority Arrogance & Hangups in the Soul**

[Authority Orientation](#) and the principle of Authority removes the excuse for having Arrogant

hangups in the soul. Many people destroy their capacity for life and their ability to have any true friends when, in their souls, they constantly think “I am better than this person and am going to out do this person in some way”. This is the Arrogance of man under the functions of the Old Sin Nature and it results in Arrogant [Hangups](#) in one's soul. People often think they are inadequate unless they can do some things better than anyone else. To offset this in life there exists the principle of Authority which is designed to negate, limit, suppress and destroy Arrogance in the Stream of Consciousness of the Soul. The person who says or wants to say “I did this better than anyone” is ridiculous. In any field of function in life, the concept is to LEARN principles and functions, not out perform others. This principle is demonstrated in the *proper* function of military training. When a man enters the military he is there to learn how to do something right and how to properly function under Authority as part of a team, not to outdo others in his unit.

Authority and its proper exercise is dependent on the ability of the individual to think under pressure and for him to have moral courage, which is the ability to make the right decision under that pressure and to have the physical courage to act based on those decisions. These principles apply under delegated Authority and apply in all cases especially in the Local Church where the Pastor Teacher must be able to think, study and teach Bible Doctrine rather than run around trying to be a good example or use his personality to impress the congregation. Congregations NEED people who disrupt things in the Local Church so that the others, who are truly not under consistent Positive Volition to true accurate Bible Doctrine Teaching, can be enticed to leave the local church to find whatever false or pseudo doctrine they desire. Since the 1970's and much more so today, Arrogance and personality have substituted for proper leadership and the proper function of teaching in the Local Church and in fact in every aspect of life in the United States of America. Authority must be able to think under pressure and when Authority is in a state of cowardice, it is therefore unable to think and Authority cannot ever function effectively in this state and this status results in anarchy. There have been several examples of anarchy running rampant in current history in United States of America in the early part of the 21<sup>st</sup> century with the wall street sit in, riots in Ferguson MO, Baltimore MD, in the burning of a Wisconsin town by revolutionary Marxist democratic party motivated groups, student protesters occupying college campus' and many others to date. This has occurred in other places, like the taking over of a segment of Portland Oregon by Marxists, and the trend continues and is becoming greater and more destructive as each day, month and year goes on. The interesting thing in these situations was that in Ferguson MO for example, the organization of the Oath Keepers stepped in to help legitimate business maintain their security and this shocked the rioters and was RESENTED by the Law Enforcement and political Authority in the area. In Baltimore MD., Law Enforcement personnel from other states were brought in to the areas of rioting and then abandoned in these areas by unionized transportation drivers sympathetic to the rioters and had to fend for themselves, having to WALK through these areas without any backup in order to get out. In addition in the demonstrations and riots in many cities of the country the rebels have been calling for de-funding of the police which would bring to this country total anarchy. The United States has today a cowardly government with cowards as its representatives in government and IT MUST AND WILL CHANGE and it is very likely going to be a very messy process.

## **Family, Children, Parents & Authority Arrogance**

More people's lives are ruined by rejecting parental Authority than almost any other thing in life. Children who live with parents and reject or resent the policies of their parents and then violate them often scar their souls for life. The only hope for these people is Bible Doctrine. There are 3 Categories of Fragmentation of one's life which always interlock with Authority Arrogance:

- [Impulsive Arrogance](#)
- [Institutional Arrogance](#)
- [Conspiracy Arrogance](#)

Parents as the first Authority in life are to teach and train children by first teaching them language with which they then communicate policy and principles to the child as a student. [Humility](#) is required in every system of learning since the student must accept the Authority of the teacher in order to learn. The teacher or the Authority may be present as a human teaching an individual or class, it may be a video or an audio recording, or a book or manuscript of some type and the student MUST accept the Authority of that system before he can learn anything from it. People generally cannot think clearly, rationally, nor according to the Laws of Divine Establishment or in terms of the Divine Institutions because no one has ever taught them these principles during their childhood. Today in the 1<sup>st</sup> quarter of the 21<sup>st</sup> century the system of public education has been deliberately corrupted so as to teach distortions of the principles of the Divine Institutions to the children so that they reject Divine Establishment concepts out of hand. Parents who have Humility are teachable and this humility should and must be passed down from parent to child through the training process under humility.

In life, the first war in the soul is between Arrogance and Humility where the child in Arrogance attempts to reject parental Authority and resists parental teaching but the child who has been properly trained and has developed humility accepts parental Authority and thus learns from parental teaching. The Child as a “Vessel of Honor” is molded by Positive Volition towards parental Authority and teaching while the child as a “Vessel of Dishonor” is molded by Negative Volition towards parental Authority and teaching. As a result the child with Humility in his soul, being a vessel of honor, learns how to say NO to many of the temptations of life in their formative years. However, the Arrogant child becomes involved in the [Arrogance Skills](#), the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred along with [Emotional Revolt](#) with active, unrestrained trends toward lasciviousness, lawlessness, violence, etc., and are therefore destroyed in childhood. The “Vessel of Honor” is molded with good manners and thoughtfulness of others, respect for privacy, property, the rights of others, etc., all aspects of the [Laws of Divine Establishment](#) and principles of Metabolized Bible Doctrine. Above all else the “Vessel of Honor” is trained to respect all systems of Legitimate Authority. The “Vessel of Honor” accepts all Legitimate Authority in Humility while the Vessel of Dishonor rejects these things as a result of being in a state of Arrogance. When the children reach puberty or the status of personal accountability and begin to make their own decisions in life, the vessels have been formed into these 2

categories, Humble and teachable vs Arrogant and unteachable. From this point on in life the only hope for the “Vessel of Dishonor” is Salvation Adjustment to the Justice of God and Regeneration through Faith Alone in The Lord Jesus, The Christ Alone. By a positive decision at Gospel Hearing for Salvation Adjustment to the Justice of God the Believer is placed into the Protocol Plan of God. Here he receives equality of privilege and opportunity for execution of the Spiritual Life as a member of the Royal Family of God in this Church Age BUT is now under the Authority system of GOD, to which he is directly responsible.

The Humility response is positive to the Authority system where the head of the family is the husband and the husband is the chief one in the family to train and in fact must train both the wife and the children. The wife then has Authority with the husband to train the children according to his instruction of her. This is where Humility in the child is first developed as they recognize the Authority of the mother and father in the family. Children must respond to their parents whether the parent is good or bad. Then when children enter public or private school, now having teachers as Authority, a principle which no longer exists in the American education system, they must never be smart asses with a teacher nor with their coaches or anyone else in the school hierarchy. Their first employment engagement puts this maturing child under the Authority of the boss no matter who he is or how poor or good a boss he is. It is totally improper to ever undermine the Authority of the boss in any organization and if a person is dissatisfied with a position under a boss he can simply resign or quit his job and go find another boss to be under. Universal military training is very good in fact necessary for all males since it establishes proper Authority orientation for them. Women’s social organizations are in fact ‘gangs’ and as such have no Authority structure and therefore function under Anarchy and Arrogance from their very inception. Marriage requires the woman to subject herself to the man and to RESPECT him and his position of Authority in order to have true love for him. The woman as a responder becomes Arrogant by seeking the approbation of many men before or even after marriage. This desire for satisfying her approbation lust is a part of the system of Arrogance which brings weakness into the life of the woman and destroys her Spiritual Life. A woman has true love in her soul when she seeks the approbation of only one man. If she does not center and focus on the Love for this ONE man then she will NEVER execute the Spiritual Life and be under Divine Discipline for her entire life. A woman should never agree to marry a man unless she can respond to and respect him and can set aside her approbation lust and desire to be recognized by all the other men in her periphery. She must totally give honor and respect to her husband in thoughtfulness and sensitivity. If she cannot do this to only ONE man then she SHOULD NOT MARRY. The Man, as her husband, gives her all the honor she will ever need and if he cannot do that he should not marry her. Marriage can become a trap if these principles are Ignored. Some women will never know true love because they have approbation lust for attention from more than one male or from some other function in their life.

Authority Arrogance results when there is a failure to make the transition from Authority in the home to Authority in life where the [Enforced Humility](#) of the home should have led to the development of [Genuine Humility](#) for life. Authority Arrogance is also where legitimate Authority from God is rejected and results in disorientation to Life and is devastatingly

detrimental to the individual and the nation. Rejection of the Absolute Truth of Bible Doctrine by the believer results in strong delusions as a result of involvement in the Cosmic Dynaspheres. Very Few recover from this and rejection of parental Authority is why young people so often leave home with an adult body and a child's soul. The most difficult transition in life is from childhood and Authority in the home to adulthood and Freedom in life. Arrogance + Rejection of Parental Authority guarantees disorientation to life and lack of capacity for happiness or blessing. Authority and the Laws of Divine Establishment are the great tests in human life just as they were in the Garden of Eden. Authority response or reaction is always tested by someone who is a complete jackass who has Authority over the individual. One's attitude toward Authority is the secret to success in social, business and personal life. Overt Rejection of Authority in life results in rejection of the inner Authority in the soul and this destroys the persons self discipline and Genuine Humility. The Soul is an ORGANIZATION in one's personal life with its emotion, volition, norms and standards, viewpoint and is in fact the area for development of one's own personal [Organized Humility](#). Proper function under this system leads to capacity for life and happiness in life. The individual's Volition, functioning under the Organizational Humility of his own soul, based on his response to Enforced Discipline, produces the Enforced Humility of his Soul and if used properly leads to the development of Genuine Humility from personal Self Discipline. Therefore, when one rejects outside Authority he is also rejecting his own inner Authority and lacks self respect and self discipline and will try to compensate in some way for his failure to effectively run his own life. Lack of Enforced and Genuine Humility in life results in preoccupation with self which rejects Authority outside of self and therefore that individual cannot properly use any Authority which God may have given him.

### **Pseudo Solutions vs True Solutions to Authority Arrogance**

Authority Arrogance is total dysfunction with reference to Authority and is what prevents the believer from fulfilling the Plan of God for his life and using the full benefits of Logistical Grace. If one does not like the person who is over him in Authority he will most likely not follow the mandates of their Authority. If one is preoccupied with self he will reject Authority in any area of life. Arrogant thinking is the downfall of any Spiritual Life and Humility as a way of life involves Authority orientation which the believer must have to construct the [Edification Complex](#) in his Soul. Enforced Humility is the result of one's RESPONSE to the pressure which Authority uses to bear down upon the individual with mandates for their function. Authority arrogance is the result of REACTION to this same pressure from Authority. Enforced Humility, therefore, is a result of a person being under Authority and accepting that Authority and its mandates under a system of what can be called Enforced Discipline and functioning to the requisite level. Genuine Humility is what is developed in the Soul when a person submits voluntarily to Authority and recognizes the purpose of mandates for function and from his own self discipline functions under those mandates to the highest possible levels whether the Authority figure is present or not. He recognizes his lower position with regard to another or takes in a maximum of Bible Doctrine under conditions of enforced discipline and then develops self induced discipline, to function to the best of his ability, all VOLUNTARILY. Genuine Humility toward GOD comes from the accumulation of maximum Metabolized Bible Doctrine in the SOUL which RESULTS from proper function under and in response to Authority

in a situation of ENFORCED HUMILITY, namely Bible Study or Class. This doctrinal intake will motivate a proper response to Authority under Enforced Humility. Enforced humility is what God or any other Authority uses to provide each of us with MOTIVATION to stay under the rules OR provide appropriate recompense for the stupidity of not doing so in the form of Divine Discipline, Jail Time or flunking one of my classes in university. Genuine Humility toward GOD from Metabolized Bible Doctrine in the soul motivates a response to the Enforced Discipline of Authority in life which provides Enforced Humility. Genuine Humility overall must be a result of proper function under Enforced Humility provided by the proper function under Enforced Discipline resulting in the development of Self Discipline while being under some Authority in life such as bible study or Local church attendance. Therefore, Enforced humility is REQUIRED in life as a positive volitional response from being under Enforced Discipline when under outside Authority, such as bible study or in military service, or any other Authority structure in life. This motivates the development of Genuine Humility as a volitional response produced from Self Discipline and Self Regulation, in the believer toward God and in both the unbeliever and believer toward all Authority in general. Enforced Humility is the response of volition in the recognition of Authority in life and subordination to it without any hangups or Arrogance. Genuine Humility will then eventually develop from self discipline and self regulation bringing with it the capacity for Love, Life, Happiness and Blessing. These three, Impersonal, Unconditional Love, Enforced Humility, and Genuine Humility set the stage for the function of volition as one's personal Authority in life.

If a person is involved in the Interlocking System of Arrogance, picking out some failure they have had in the past in order to help them extricate themselves from Arrogance is useless since this person is UNTEACHABLE. No one can be taught anything by anyone when they are saturated with Arrogance. When it comes to dealing with petty failures in life, timing is of critical importance. Most petty failures are the result of a major failure in the soul such as involvement with the Interlocking System of Arrogance or the Interlocking System of Antagonistic Emotional Hatred often beginning with the [Motivational Arrogance](#) of [Mental Attitude Arrogance](#) and sin such as ANGER, ie. losing one's temper. When a person becomes angry and loses his temper he is no longer rational and therefore has become unteachable. Most often this type of person must be put on neutral ground in order to cause them to be under Authority and taught. There must be an unfamiliar Authority, which is respected, for the Interlocking System of Arrogance to be moved aside and for the person to have any objectivity. When one has Authority he must never single out those under him when they do things which irritate him because if he does then he is failing in leadership. When this occurs the one in Authority must get to the cause of the problem of why these people do things to irritate him. He must discover why they assume they can get away with doing these irritating things, and then challenge the Arrogance of the person or persons initiating the irritations. In situations of leadership and Authority there are exceptions and if one is not being respected or one does not have attention from those under him then he must immediately straighten them out. This situation is the Interlocking System of Arrogance challenging organizational Authority.

Arrogance resents those in Authority who are tough and demanding when they are under such

Authority or those who are considered obnoxious in some way. People often assume that a stereotype personality goes with a particular position of Authority and when one does not match the presumed Authority stereotype, his subordinates fall immediately into Arrogant reactions. Never trust personal judgment about someone in Authority when they are first encountered. One can develop instant antagonism in this case and the fact that this occurs and there is in instant personality conflict shows that his Arrogance is Blind Arrogance, Mental Attitude Arrogance or [Institutional Arrogance](#). If one has had rapport with someone in Authority in a company and someone else comes along and takes their place with a totally different personality and the rapport is gone there is again very often instant antagonism. When properly motivated with [Grace Orientation](#) and [Humility](#) it will reflect itself in [Integrity](#) and this is the great safeguard against Arrogance. Unfortunately, most people have enormous excesses of Arrogance without any integrity to counter balance it. Integrity accepts Authority without making issue of personality, attire, grooming or attractiveness whereas Arrogance makes an issue of all these superficial qualities while reacting to the Authority.

Under the concept of False Doctrine the accuracy of Bible Doctrine is rejected by the Arrogance of the person hearing it. Under the principles of Bible Doctrine and the Grace Plan of God, God has never given the woman Authority over adults in the Spiritual Realm. This is God's order of things and not demeaning or degrading. In contrast the woman has been given the spiritual gift of Helps which is absolutely fantastic in the spiritual realm. If there is one thing that Arrogance resents in others more than anything else it is the fact that others possess Authority or power in some form or hierarchy in life occupying a higher position than they. Arrogance always resents anything that smacks of Authority and anything that has responsibility for enforcing or carrying out policies. One of the worst things Arrogance does is to fail to evaluate people in Authority with regard to their ability. Blind Arrogance inevitably sees some flaw in their appearance or some personality failure that is then immediately resented. This is not only disorientation to life but it is often destructive to the person who does it. There was one truly great man who was constantly rejected by Arrogant people simply because he was very physically unattractive, the Apostle PAUL.

Authority Arrogance fails in the recognition that all people are HUMAN and all have an Old Sin Nature and when there is incompatibility of Old Sin Natures these people are not ever going to be satisfactory to the Arrogant one. Some of these will inevitably have Authority over the Arrogant individual who will dislike them instantly and intensely to the extent that he will fail to respond to their Authority and to that extent will fail in his Spiritual Life. Lack of Self Discipline and Self Regulation is also lack of Enforced and Genuine Humility in life and preoccupation with self and results in lack of teachability and therefore inability to engage in effective Post Salvation Epistemological Rehabilitation from Perception, Cognition, Incultation, Metabolization of Bible Doctrine. Unfortunately, a great many times in life, the only thing which brings respect for the one in Authority is either use of VIOLENCE or their Physical or personality ATTRACTIVENESS.

The 2 greatest areas of attack on Freedom under the Authority of Law are both related to Arrogance, one is on the society in general and the other on the spiritual life of the individual.

The United States of America has been a wonderful nation in the past but that is PAST. Today the Arrogance of the representatives and a vast majority of the people in the nation motivates them to try to place themselves above the Law. Believers must remember [1Pet 5:5](#), 'God makes war against the Arrogant believer'. Therefore, the easiest way to incur the discipline related to Arrogance is to put self above the Law. The easiest way to accomplish this is to engage in ANY Sexual sinning. The Supreme Court of Heaven punishes all cases of the "Above the Law Syndrome", whether related to sex outside marriage, crime, demonism, government, politics, etc. A Degenerate nation can only escape total destruction through making Adjustment to the Justice of God, fortunately, this solution does not have to include the entire nation. This begins with the individual as an unbeliever, making Salvation Adjustment to the Justice of God through Faith alone in The Lord Jesus, The Christ alone. Then these Believers must execute the Spiritual Life of the church Age and reach Maturity Adjustment to the Justice of God by means of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. This Post Salvation Epistemological Rehabilitation is the only way to advance spiritually and such perception demands Authority Orientation. The Solution for believers begins with [1John 1:9](#), the [Rebound Procedure](#) being used on a consistent basis. Unfortunately ingrained Arrogance always totally thwarts both of these solutions.

Freedom is never isolated and it is combined with and interrelated to other concepts forming 1 complete and interrelated category. Freedom as a principle of the Laws of Divine Establishment and the [Royal Family Honor Code](#) functions integrally as a complex of principles. Volition of the individual is the basis for all Freedom and must remain uncoerced and uninfluenced at all times. Privacy is a part of Freedom and is a principle related to the Royal Family Honor Code and the royal priesthood of the Church Age believer where in privacy the individual can exercise his volition properly. Property is a part of Freedom and is a principle related to the Laws of Divine Establishment for the function of life to ensure privacy and enable volition to function. Authority is a requirement for proper function of Freedom and is the protective umbrella for Freedom protecting the Freedom of EVERY person in a society or organization. Freedom without Authority is anarchy and Authority without Freedom is tyranny. There cannot be an attack on any one of these categorical aspects of Freedom without destroying all Freedom. Socialism as an attack on property destroys Freedom. Slavery as an attack on personal self determination, volition, destroys Freedom. Gossip as an attack on privacy destroys Freedom. Concepts concerning the Arrogance of the pseudo "dignity of man" destroys Authority, the protection for Freedom. Freedom for the unbeliever can be lost through demon possession, drug addiction, erroneous or false thoughts or fears that one might lose some system of personal security. Therefore the most subtle attacks on Freedom eliminate by rejection either the Royal Family of God Authority or Laws of Divine Establishment Authority.

There are many ways to lose Freedom but lack of Authority Orientation is the greatest and is as important as Freedom itself. There is Divine Institution Authority in Volition, Marriage, Family and Government and economic, educational, judicial and team Authority and all have been destroyed in the United States of America today. Marriage is a state of Authority not a state of happiness and whether a person is happy in marriage or NOT depends on the 2 people involved and their capacity for happiness just the same as when they were single. Neither is

some aspect of temporal success happiness because all happiness related to successes depends on having capacity for it. Capacity begins where all teaching, especially regarding Freedom must begin, with Orientation to Authority. No one ever starts with Freedom but always with Authority which is the secret to Freedom and Authority guarantees the Freedom of EVERYONE not just some nor just the one having Authority. If everyone does not have Freedom eventually NO ONE has Freedom. Therefore, Authority is defined for us by the Laws of Divine Establishment and Divine Institutions provided as doctrinal principles in the scripture. The general rejection of the Laws of Divine Establishment in this nation has clearly resulted in a consistent LOSS OF Freedom. The most significant demonstration of the cause for America's loss of Freedom is the many women who enter marriage and suddenly realize that they must OBEY their husband but they cannot, and their bliss and happiness is instantly ended. If the woman had gone through a tough disciplinary system somewhere in her life or been properly trained by her parents then she would be able to SUBMIT to Authority properly. All marriage is a state of Authority but for most people entering marriage it is ONLY a means to obtain legalized SEX and demonstrates how stupid people are. Once you understand what marriage truly is then you can either have happiness in it OR great unhappiness commensurate with your level of Arrogance. If you are unhappy as a single person you will be unhappy when married and thereby take some one else with you into unhappiness. If you do not or cannot orient to legitimate Authority then you cannot orient to Freedom and you cannot have any happiness in life. This is an additional overwhelming reason why universal military training is so very important in any nation because it compensates when legitimate Authority is no longer exercised or taught in homes or when it no longer exists in schools. When you see mob functions such as exist when there is a 'demonstration' or a 'march' this is a TOTAL rejection of Authority. Generally these Mobs are very animated in their function because this is the ONLY Freedom they have ever really had and that freedom is totally out of control. This was clearly observed with the Iranian student demonstrators in the United States in the 70s against the Shaw of Iran and the recent revolutionary demonstrations which have burned a town in Wisconsin in 2020. When a people lack Freedoms they have to express some facsimile thereof in [Fanaticism](#). This always returns to Man's basic problem, the Old Sin Nature and Arrogance providing the temptation and motivation to resist or reject Authority.

### **Ultimate Limitation on Power**

The reality in life is that Power and influence are totally meaningless because the more one has the more one is susceptible to the Interlocking System of Arrogance and this inevitably involves great misery and unhappiness and most accumulations of great POWER usually end in great tragedy. The GREEKS in their development of Drama in the 5<sup>th</sup> Century BC caught on to the principle that EVEN THOUGH ONE CAN ACHIEVE THE HIGHEST LEVEL OF SUCCESS AND BE A NOBLE, POPULAR AND GREAT FIGURE IN HISTORY HE WILL ALWAYS HAVE A TRAGIC FLAW WHICH **WILL** COME TO THE FRONT TO DESTROY HIM! The tragic flaw is of course some level of involvement in Authority Arrogance or any of the other 80+ aspects which allow entry into the Interlocking System of Arrogance. People have always and still now worship power and idolize Evil because of residence and function within the Cosmic Dynaspheres. These people will never have capacity for Freedom nor happiness and without the understanding of the Absolute Truth from Bible Doctrine or the Laws of Divine Establishment

and Divine Institutions, they are always impressed with the wrong things.

True Reality is that ALL human beings who possess any level of absolute power have their absolute power limited by DEATH. All dictators, with all of their power, including the dictator of the Revived Roman Empire in the future, have all been and all will be overtaken by TIME and by this means God has put a limitation through time on their power. Therefore, there is a limitation on all human power, greatness or success because of the linear progression of TIME and the greatest and worst of any people always face the ABSOLUTE of DEATH! Therefore there are 2 definitive time limitations on human power:

- DEATH
- Divine Judgment apart from death

If the power of great dictators had been perpetuated throughout history and time had not limited them with DEATH then today there would be NO Human Race or the Human Race would be under total slavery to EVIL. God's provision of both TIME and DEATH, where sooner or later EVERYONE dies no matter his power or success, is a definitive protection for the Human Race. It is TIME which catches up, destroys and changes everything in the Human Race with the inevitable LOSSES in personal and collective life. Therefore the individual believer MUST make the best use of his TIME by making Perception, Cognition, Incultation and Metabolization of the Absolute Truths of Bible Doctrine FIRST PRIORITY in his life. No matter how great a human being may be with regard to power and success and no matter what he achieves in life there is a TIME LIMIT to him and his successes and the ABSOLUTE is DEATH.

### **Humor, Control & Power**

Slander is the function of both those who have POWER and those who are weak and have no understanding of or ability to relax and see humor in life. Humor is a great weapon in the hands of those who can think and think with absolute truth from Bible Doctrine. ([John 1:14](#), [Rev 13:6](#)) When one is involved in any level of arrogance and does not see humor in anything or cannot even laugh at himself he tends to malign and slander those who are beyond his power even those with a sense of humor. People with too much power generally have no sense of humor and those people saturated with EVIL who have a sense of humor are generally extremely dangerous. Arrogance + Power and Authority cannot laugh at anything because Arrogant preoccupation with self always takes self too seriously and this inevitably can lead to [Psychotic Arrogance](#). However, all the vast power of the KOSMOS, this world cannot control the believer with maximum Metabolized Bible Doctrine in his Stream of Consciousness of his Soul, and if that power kills him then the believer goes to the interim state in heaven and he cannot be controlled there either. Therefore, **for the mature believer, EVIL has no control over his life EXCEPT as the believer himself might allow it by making wrong decisions from a position of weakness.** The mature believer is therefore beyond the power of EVIL because of the POWER of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul, furthermore he is beyond the Power of EVIL in DEATH because of his Interim life in heaven.

## **Gate #42 – The Arrogance of a False Scale of Values**

There must be a scale of values in the individuals soul for proper function in normal society and is should be related to the Laws of Divine Establishment, the Divine Institutions, and the moral code of scripture. Scale of Values Arrogance is the arrogant individual holding onto a Scale of Values not appropriate for the historical position he finds himself in. One's system of values must be based on the Laws of Divine Establishment and Divine Institutions or Bible Doctrine or Both with volition making consistent decisions based on this Scale of Values during his Life. If the believer fails in any way he must use his volition to consistently and instantly activate the [Rebound Procedure](#) in order to ensure rapid recovery. The believer loses this capability and the status of value development and in fact destroys a good Scale of Values by moving into functions under the [Arrogance Skills](#) and entering into [Self Justification](#), [Self Deception](#), and eventually [Self Absorption](#). Arrogance skills involvement becomes the greatest distraction to the Christian Way of Life because they focus one's attention and his life on his own abilities, intelligence or talents and disregard Grace allowing him to reject responsibility for his own bad decisions and actions. There must also be a proper Scale of Values which will significantly vary for victorious function in warfare when involved in combative warfare, [Clandestine War](#) or intelligence organizations or functioning in counter insurgency and counter intelligence which are totally opposite to and untenable with normal, proper function in society. This second scale of values is designed to bring the client nation to victory and GLORIFY GOD IN THIS VICTORY. Sins of normal society are, therefore, no longer sinful when committed in the function of clandestine war, counter insurgency and for counter intelligence organizations to preserve the client nation to God. Lying, cheating, deceit, killing, subversive action, etc., are no longer considered sinful when the survival of the client nation is at stake. There are 3 chapters in 2<sup>nd</sup> Samuel which deal with authorized, proper and effective functions when involved in counter insurgency and intelligence organizations. ([2Sam 15, 16, 17](#))

## **Gate #43 – The Arrogance of Morality**

While the presence of or involvement in a state of morality is NOT spirituality, the ABSENCE of morality can destroy spirituality. Spirituality is on a higher plane than morality but does not reject morality as occurs in antinomianism. This is the great danger of [Legalism](#) which is Morality and Arrogance combined. Therefore, Morality, on its own, is not a bad thing but IT IS for the entire Human Race and is part of the Laws of Divine Establishment functions. However, Morality minus [Virtue](#) == [Self Righteous Arrogance](#) the legalistic syndrome while Morality plus Virtue == a [Problem Solving Device](#) of the Protocol Plan of God. Therefore, without Virtue First morality is invalid and useless because it is Self Righteous Arrogant Morality and a fragment of the Arrogance Grenade which will destroy one's life and becomes [Motivational Arrogance](#) from Evil. Therefore, Morality is a part of Christianity but is also for the Unbeliever and Morality protects human freedom for both believer and unbeliever under the

Laws of Divine Establishment. Morality has a Bright Side which is found in the Laws of Divine Establishment but it also has a Dark Side found in Interlocking System of Arrogance or Interlocking System of Antagonistic Emotional Hatred. When involved in the [Arrogance Skills](#), [Self Justification](#) results in the person feeling that they are never wrong which pushes them into [Self Deception](#) and eventually leads to [Self Absorption](#) and the cycling through these skills leads them into LEGALISM and Sin. Therefore the Dark Side of Morality includes Arrogance, Legalism and [Christian Activism](#). Morality Arrogance involves the [Self Righteous Arrogance](#) of superimposing or attempting to superimpose one's own false standards on others. When a system of Morality created by Arrogance is superimposed on the Laws of Divine Establishment, True Morality or Christian Spirituality, there is developed the Arrogance of Morality interlocked with [Crusader Arrogance](#). True morality demands that everyone have a RIGHT to privacy, property and to make decisions without coercion. This makes it possible for evangelism to occur and the Local Church to exist giving the individual the CHOICE as to whether to make Salvation Adjustment to the Justice of God and become involved in Perception, Cognition, Incultation and Metabolization of Bible Doctrine OR NOT! Morality Arrogance is how Liberal Government is driven. This is the Ralph Nader or Nancy Pelosi or the general democratic party functions in life and why they all are so saturated with the Influence of Evil. Evil as the Plan and Policy of Satan in Cosmic Dynasphere I has Self Righteous Arrogance leading directly into Morality Arrogance. All Arrogance can convert good Christian service into bad Christian Service. Morality in the Divine Dynasphere is a Virtue based on Grace, while morality in the Cosmic Dynasphere is Arrogance based on Evil leading to Self Righteous Arrogance, Legalism and total loss of the true perspective of the Christian Way of Life. The Believer under Morality Arrogance can be involved in Christian service but it will count only for wood hay and stubble at the Judgment Seat of Christ and therefore be destroyed. Christian service only has meaning when the believer is residing in the [Divine Dynasphere](#) and is only truly functional when the believer has reached [Maturity Adjustment to the Justice of God](#).

Morality is without strength in Cosmic Dynasphere I, the Interlocking System of Arrogance and the only strength of Morality is [Virtue](#) and all Virtue resides in the Divine Dynasphere. Morality + [Pride](#) results in character weakness and degeneracy. Morality becomes the source of hypocrisy and legalism, of taking the influence of Evil and using it for the production of Human Good. Morality PLUS:

- ▲ Mental Attitude Arrogance, Pride, is [Inordinate Ambition](#)
- ▲ [Negative Volition Arrogance](#) is preoccupation of self and rejection or neglect of Bible Doctrine causing degradation down through [Reversionism](#) and movement into the Interlocking System of Antagonistic Emotional Hatred.
- ▲ Blind Arrogance is Self Righteousness
- ▲ Crusader Arrogance is social action and all things anti-establishment and anti-God.

As a [Functional Virtue](#) morality is only found in the [Divine Dynasphere](#) and it must only be directed toward mankind. Morality cannot be directed toward God and when it is it results in Legalism and preoccupation with self and loss of the whole concept of Grace. True Morality in the Divine Dynasphere is based on [Enforced and Genuine Humility](#) which allows a rapid advance in the Spiritual Life but in the Interlocking System of Arrogance, morality will

eventually expand degeneracy. Degeneracy, as a result of involvement in the Interlocking System of Arrogance, comes from one of 2 antithetical mechanisms, morality or immorality. Moral degeneracy might be demonstrated by a person who tolerates homosexuals and the obvious problem is that the only difference between the homosexual and those who tolerate them are a few sexual sins. Immoral degeneracy is obviously demonstrated by the one who engages in these promiscuous or perverted sexual activities.

In addition, Love is only virtuous in the Divine Dynasphere. God invented the Divine Dynasphere to exclude all areas of Arrogance and Human Love to be exclusive with regard to other individuals. Any form of love in the Cosmic Dynaspheres is Arrogance, hypocrisy and superficiality just as morality in the Cosmic Dynaspheres is Arrogance and legalism. Because Impersonal, Unconditional Love extrapolates Honor and Integrity from the individual who loves when residing in the Divine Dynasphere it totally disregards Arrogance, malice, vindictiveness, etc., from others toward self. Virtue for the believer includes Morality directed toward MAN. Worship is true Virtue when directed toward GOD while the worship of man is Arrogance and idiocy.

Morality Arrogance is where people assume that morality is Christianity when in fact it is not. Christianity condones, respects and adheres to morality under the Laws of Divine Establishment but a pseudo or false morality can result from preoccupation with self. When this Arrogant morality system is superimposed on establishment morality or becomes a substitute for function in the Divine Dynasphere it is a disaster and results in Self Righteous Arrogance along with legalism and is a pseudo morality. Morality Arrogance is preoccupation with false standards developed from pseudo morality to the exclusion of true morality and its purpose in the Modus Vivendi of protection for the Human Race. Morality Arrogance is the Arrogant function of Self Righteousness or preoccupation with false standards as a result of Negative Volition Arrogance toward the ABSOLUTE TRUTH of Bible Doctrine or the Laws of Divine Establishment and Divine Institutions. This is the superimposition of a false and personally developed standard of pseudo morality over a true and collective standard of morality for the Human Race and is therefore related to both Blind Arrogance and Crusader Arrogance. The Cosmic Dynaspheres, which are Satan's power systems for ruling this earth, can and enthusiastically support pseudo morality. Morality must be combined with Integrity to have any value in life. Morality is NOT the Christian Way of Life, but is the way of life for the Human Race. Morality minus Integrity is Arrogance while Morality plus Integrity in the Royal Family Honor Code is part of the dynamics of the Christian Way of Life. True Morality in life is related to an Honor Code of Integrity of the soul and under true morality one does not treat people based on how they merit that treatment but on the Integrity in one's soul. Under Impersonal, Unconditional Love for Mankind believers must switch from Arrogance to Objectivity and relate their own behavior and thinking to their own integrity based on Metabolized Bible Doctrine in their Stream of Consciousness of their Soul.

Therefore, morality without Virtue is found only within the Cosmic Dynaspheres and is Arrogance and Antagonism and motivated from the influence of Evil to produce Sin, Crime and Human Good. The ONLY Morality which counts in the Christian Way of Life is Morality based

on Virtue + Integrity and can only be found in the [Divine Dynasphere](#). There can be NO Virtue, Honor, or Integrity apart from the Divine Dynasphere, even for the unbeliever. Morality without Integrity is like Life without feeling. Unbelievers who have Integrity and Honor function in a limited fashion in the Divine Dynasphere under the Laws of Divine Establishment. The Unbeliever, therefore, enters the Divine Dynasphere through the [Authority Envelope](#) where they develop [Enforced](#) and [Genuine Humility](#), the underlying foundation for all Virtue, and this explains why some unbelievers have great Virtue but are still unbelievers. However, there can be a Morality with all levels of Arrogance, especially Self Righteousness outside the Divine Dynasphere. Morality without Integrity is always involvement in the Cosmic Dynaspheres thus is Legalism and / or Lawlessness and leads to Crusader Arrogance, Socialism, Welfare Functions, Social Action, etc.

True Morality establishes stability in society however in Cosmic Dynasphere I, the Interlocking System of Arrogance, as occurred with LOT the nephew of Abraham, morality leads to degeneracy similarly to immorality in the Cosmic Dynasphere. Ultimately LOT, who was very moral, became degenerate and engaged in incest with his daughters and was just as degenerate as the men of Sodom in their homosexuality. The function of morality in Cosmic Dynasphere I, the Interlocking System of Arrogance produces hypocrisy, self righteous Arrogance and an Arrogant facade of conformance to social precedence without honor or integrity. Morality in the Cosmic Dynasphere is weak and results in degeneracy from overt conformity to law or social precedent, while in the Divine Dynasphere it is a Virtue and powerful and fortified by conformance to the Absolute Truths of Bible Doctrine. Pseudo Morality is no substitute for Honor, Integrity and Virtue, and Impersonal, Unconditional Love is the key to avoiding this. Morality without Virtue is the guarantee of malfunction in the Spiritual Life. Spiritual dynamics do not involved personality change but involve the establishing of honor and integrity in the soul and through the function of Impersonal, Unconditional Love while residing in the Divine Dynasphere. This IS morality, Virtue, Integrity and Honor in the Spiritual Life. The function of Impersonal, Unconditional Love is reverse concentration in the application of Metabolized Bible Doctrine to situations in life, the establishing of Bible Doctrine priorities and decisions which conform to Bible Doctrine standards. This IS the spiritual panacea for human relationships.

### **Believers & Unbelievers in Morality Arrogance**

While the believer or unbeliever functions in this category of Arrogance, they do so in their own pertinent sphere of life. The Arrogance of Morality occurs because it is almost impossible for humans, who constantly see degeneracy and lasciviousness, to think of the person who is involved with Morality Arrogance as anything but GOOD. However, this type of person is truly influenced by and saturated with EVIL, as Evil is in its pure form. This Self Righteous Arrogant person is so preoccupied with self that he thinks of self as ALWAYS RIGHT. When linked with Crusaderism this person is totally devoted to imposing his false standards on others. This Arrogance also rejects [Establishment Authority](#) and establishment morality. Unbeliever Morality Arrogance is found in the person who as an unbeliever has a false sense of morality and favors confiscation and redistribution of wealth, wants to save all unborn fetus', etc. The believer functioning under Morality Arrogance, on the other hand, substitutes a system of

morality for the Spiritual Life and for the [Filling of God the Holy Spirit](#). This system of Arrogance creates a person totally under the influence of EVIL. It often results in crusading for a “cause” by the use of false systems such as violence and terrorism. Because it is the rejection of establishment principles of morality and substitutes a false system of morality this invariably results in [Psychopathic](#) behavior.

In Pride or [Mental Attitude Arrogance](#) the unbeliever substitutes a personal and false standard of morality for the true morality standard found in Laws of Divine Establishment. All morality for the unbeliever is related to the Laws of Divine Establishment and the Divine Institutions. Thus Morality Arrogance is blatantly illustrated by the United States federal government trying to solve social problems instead of trying to protect the freedom and rights of individuals. Therefore Morality Arrogance rejects the authority of the Laws of Divine Establishment including patriotism as well as rejecting and subverting the proper functions under the Divine Institutions. Unbeliever Morality Arrogance is illustrated by the individual who, on the basis of his false standards of morality, refuses to sign up for the draft and military service when his country is involved in war and calls himself a “conscientious objector”, this is Morality Arrogance. The believer can also fail in this way and refuse military service and to sign up for the draft and they both therefore enjoy the privileges of freedom without taking responsibility for freedom because of Arrogance; many times this is actually personal cowardice. Believers entangled in the Interlocking System of Arrogance always reject spirituality by Grace and it being the absolute status of the Filling of God the Holy Spirit and its recovery after carnality through the [Rebound Procedure](#) and always subscribe to some system of pseudo spirituality by human effort works. All legalism is Arrogance and rejection of true spirituality. This also includes the concepts of tithing in substitution for spiritual giving or speaking in pseudo tongues in substitution for true worship.

The concept, which is today held by the majority of people, that Life begins at conception involves Self Righteous Arrogance, the [Arrogance of Ignorance](#), [Crusader Arrogance](#), [Arrogance of Emotion](#), [Negative Volition Arrogance](#) and is against all aspects of the Laws of Divine Establishment and involves Cosmic Panacea’s, Religious Group actions, [Pseudo Intellectual Academic Speculations](#) and is most definitely part of Satan’s System of Evil. Morality in the Cosmic Dynasphere is the basis for establishing strong influence over individuals through Evil and is therefore corrupted, destroyed and parleyed into Human Good production from Evil.

### **Morality Arrogance vs Laws of Divine Establishment**

When a system created by Arrogance and self righteousness is substituted for or superimposed on the [Laws of Divine Establishment](#) morality or on Christian spirituality which is the absolute status of the Filling of God the Holy Spirit, the result is the Arrogance of Morality. Morality is not the means of function under the Laws of Divine Establishment but it is the result of such proper adherence and function such as:

- ▲ Paying taxes no matter how high or immoral etc.
- ▲ Serving in the military
- ▲ Respect for and entering Law Enforcement functions
- ▲ Serving in the government honorably

- ▲ Avoiding criminality
- ▲ Being honorable in marriage and parenthood
- ▲ Recognition of the privacy of others
- ▲ Respect for property and common rights of others
- ▲ Respect for another's Freedom

The Laws of Divine Establishment are the greatest system of morality ever to exist and when they are violated the individual or group so involved has become Arrogantly Immoral just as when anyone interferes with the privacy, property or freedom of others. This is why we have been given the Decalogue (ten commandments) whose subject is FREEDOM (not sin), and its purpose is to properly define freedom and relate it to some sins and some other functions which destroy freedom.

### **Interlocking of Morality Arrogance**

This is a Motivational Arrogance of Mental Attitude Arrogance and it rejects privacy and the principle of Live and Let Live. All Morality is based on Privacy and demands all people have their Privacy. **Criminal Arrogance** rejects the morality of both property and the right of others to pursue happiness. Psychopathic Arrogance is totally divorced from reality and the Laws of Divine Establishment morality and thus rejects all legitimate morality from sociopathic and psychopathic thinking and behavior. Crusader Arrogance always rejects the morality of establishment freedom. Negative Volition, **Institutional**, Crusader, **Conspiracy**, **Political**, **Client Nation**, **Authority**, **Unhappiness**, and **Iconoclastic Arrogance** all distort morality by being eclectic, picking and choosing what doctrinal or personal principles will be followed and using selfcenteredness as the norm for morality rather than the word of God. This is a basic failure of fundamental Christianity which has related their personal Arrogance, which is a system from Evil, to morality. When Evil is added to morality then morality loses the purpose of morality and becomes the **LEGALISM** which is found in Bible Colleges and Christian schools. When the believer substitutes morality for spirituality he then rejects the Grace policy of the Plan of God and accepts his own prejudices for the Christian Way of Life.

Morality is not the means but the result of spirituality and the Christian Way of Life. It is the result of OBEDIENCE to the TRUTH derived from Bible Doctrine including the Laws of Divine Establishment and Divine Institutions. Therefore, true morality is the result of complying with Bible Doctrine and / or the Laws of Divine Establishment and Divine Institution truths under the Filling of God the Holy Spirit. Both the Filling of God the Holy Spirit and the Laws of Divine Establishment and the Divine Institution's authority are systems of **Enforced Humility** which include:

- ▲ Parents over children
- ▲ Husband over wife
- ▲ Government and Law Enforcement over citizens, Management in business over labor
- ▲ Professor in classroom over students
- ▲ Coach in sports over athletes
- ▲ Pastor Teacher in Local Church over congregants
- ▲ ETC.

As a part of the function under the Laws of Divine Establishment and Bible Doctrine principles for the local church, orientation to authority in all of these categories especially that of the Pastor Teacher in the local church is part of TRUE morality.

Therefore Spirituality and the truths of the Laws of Divine Establishment and Divine Institutions were designed by God for both believer and unbeliever in order to produce morality associated with [Humility](#) and [Integrity](#). The constitution of the United States of America will never be able to function properly unless the unbeliever is just as moral under the Laws of Divine Establishment and Divine Institution functions as believers under Metabolized Bible Doctrine in the Stream of Consciousness of their Souls. Therefore, Morality does not belong ONLY to the believer but to the whole Human Race. It is the only basis for recognition of common rights such as privacy and freedom. No system of morality which involves the function of Arrogance is a true system of morality. All systems of morality which include Arrogance on the part of the individual make it an immoral system. **Morality + Any Arrogance == A System from Evil.**

### **Morality Arrogance in Government**

When congress in Arrogance passes laws or institutes rules under bureaucracies which are rules or laws concerning what individuals can do or not do and are designed to regulate social functions, which in fact are supposed to be OPTIONS for individuals in life, this is a system of gross Self Righteous morality and locked in Arrogance and is a direct part of true EVIL. This is an ongoing function in the American government which dramatically infringes more and more on freedom on a day by day basis. It is the true and legitimate responsibility of government to protect business from crusaders and crusader Arrogance just as it is the function of government under divine law to protect business from criminality. This means that believers OR unbelievers can be patriotic, moral and honorable OR unpatriotic, immoral and dishonorable. Unfortunately, very often, the unbeliever has more integrity and honor than the fundamentalist believer because of the believer's involvement in Morality Arrogance.

### **Morality and the Christian Way of Life**

Once the believer enters into the Cosmic Dynaspheres, the best he can only be is MORAL, but morality without integrity from the [Divine Dynasphere](#) and without Honor is LEGALISM, Arrogance and Self righteousness and in the Cosmic Dynaspheres morality is therefore, NON-VIRTUOUS. Morality only has honor and integrity inside the Divine Dynasphere. In the Divine Dynasphere, morality is Virtue and produces sensitivity, honor and integrity and is wonderful to behold. Morality in the Cosmic Dynasphere is minus Virtue and instead is concentrated Self Righteousness. Self Righteous Moral people are always hypersensitive to they own feelings and totally insensitive to the feelings of others. This is always accompanied by the blind siding involvement in Morality Arrogance, where one is proud of the morality he has developed but this is hypocrisy without Virtue. Morality is not spirituality because anything the unbeliever can do is not part of the Christian Way of Life. The Christian Way of Life is a supernatural way of life and demands a supernatural means of execution through the absolute of spirituality which is only the [Filling of God the Holy Spirit](#). Morality is conformity to the Laws of Divine Establishment including the authority, ethics, motivations, character, conduct, honor and integrity contained therein. It is also conformity to all of the Divine Institutions including

volitional freedom, marriage, family and government. It is imperative to understand that Christianity is not a morality system but a PERSONAL relationship with God beginning with personal faith alone in The Lord Jesus, The Christ alone. All the dynamics of Christianity and the Christian Way of Life are not related to the individual believer but to the ministry and the Filling of God the Holy Spirit producing something higher than morality in each and every believer.

Morality has definitive limitations which are ignored by Arrogance. It cannot provide salvation and Arrogance seeks salvation by works not by Grace through faith. It cannot provide spirituality, which in fact is the ABSOLUTE status of the Filling of God the Holy Spirit, and Arrogance seeks this also by systems of human effort works called legalism and again ignores Grace. It cannot advance the believer in the Plan of God or in the Spiritual Life, which can only occur through persistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Inculcation and Metabolization of Bible Doctrine which requires the Filling of God the Holy Spirit and function under the Grace Apparatus for Perception. Arrogance again seeks and bases pseudo spiritual advance on, guess what, human effort works or production, from the influence of Evil. Arrogance bases spirituality and spiritual advance on morality and acceptable human effort works. Legitimate Christian production in witnessing, prayer, and other aspects of the Christian Way of Life, RESULT FROM the Filling of God the Holy Spirit and consistent spiritual advance in the Protocol Plan of God. Therefore, Arrogance says production is the MEANS of spirituality while God says production is the RESULT of spirituality and spiritual advance.

### **Morality Exposed**

Morality protects human freedom making possible evangelism and the proper functions of the Local Church. It is not a substitute for salvation nor spiritual growth in the Plan of God. Morality is not spirituality but spirituality includes morality. Morality fulfills the proper functions of the Divine Institutions of volitional freedom, marriage, family and government. The Interlocking System of Arrogance distorts morality into a system of unreality which opposes the Plan of God. Arrogance is the enemy of the Laws of Divine Establishment, the [Divine Institutions](#) and the Christian Way of Life. Only Self Righteous Arrogance uses morality as a means of spirituality or substitutes [Personal Ego](#) for the honor and integrity found within the Laws of Divine Establishment and Divine Institution's Modus Operandi. [Humility](#) in life is the key to morality and there is no true morality apart from humility. The Authority delineated by the Laws of Divine Establishment is the norm for humility in life for both believer and unbeliever and the Filling of God the Holy Spirit is the STATUS of humility in the believer. Both are, in reality, [Enforced Humility](#). Enforced humility recognizes one's volition and his ability to respond to authority or reject it. When one gets out of fellowship through any sin he is no longer under humility in the Spiritual Life. Those who choose to dodge the draft, refuse military service, cheat on income tax all have some aspect of the Arrogance of morality and lack honor or integrity and have no humility which is essential for true morality. Self discipline derived from and based on personal volition or from function under the Filling of God the Holy Spirit in Christianity provides self imposed or Genuine Humility and all true morality is based on self discipline developed under the enforced discipline and enforced

humility. True Morality demands that both believers and unbelievers be law abiding citizens of the client nation, patriotic and dedicated to the doctrine of freedom and the authority needed to guarantee the freedom of all. Jehovah Witnesses, as an example, are very immoral and evil and anti-Christian because they are anti-government and their whole system is based on Arrogance and having no humility.

### **True Morality & Humility**

True Morality cannot exist without humility. The authority delineated by the Laws of Divine Establishment and detailed in the Divine Institutions including that of the Pastor Teacher of the Local Church who dogmatically teaches Bible Doctrine, are systems of enforced discipline designed to develop enforced humility. Everyone will, at some point have to face the issue of whether he will submit to the authority of someone who he dislikes, disagrees with or resents. If one makes an issue of the person over the policy of the organization or doesn't carry out the policy effectively, then he has substituted false morality for the true morality of the Laws of Divine Establishment.

Self discipline is the basis for concentration on anything in life. The one who has self discipline has humility. The one with humility and self discipline is also a great lover. This one can be a great administrator or a professional in any profession because he can concentrate. He learns to concentrate by making decisions to concentrate. As long as one can concentrate he is under genuine humility and this makes him great in whatever area his job may be. When one makes self discipline a habit it offsets the Interlocking System of Arrogance which can also become a habit. With consistent Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine the Interlocking System of Arrogance will always lose out. This intake of Bible Doctrine inevitably causes radical personality changes in those who focus on humility, objectivity and **Flexibility**. This results in true morality in life. When one is miserable all the time he is involved in the Arrogance of selfcenteredness and **Self Righteousness** and **Self Pity**. This results in a lack of the ability to concentrate on what is important in life. One is truly Arrogant if the only person he can respect in life is self. The same self discipline which is used to concentrate and learn Bible Doctrine is the genuine humility for the application of Bible Doctrine to adversity or even to prosperity. Without genuine humility one cannot ever apply Bible Doctrine. Genuine humility is therefore derived from functioning under self discipline and this is the operation of the **Faith Rest Drill (5 stages)** in concentration to apply Bible Doctrine. Courage as a Virtue is self discipline combined with genuine humility resulting in the ability to think under pressure. Arrogance cannot think or concentrate whether under pressure or not. People who cannot concentrate under pressure are cowards, and cowardice is simply lack of the ability to THINK under pressure. The thinking of **Divine Viewpoint** using the Faith Rest Drill <sup>(5 stages)</sup> and Doctrinal Rationales requires Genuine humility and concentration and will bring the positive believer through all the disasters and crises of life.

True morality based on the Laws of Divine Establishment is for both believer and unbeliever and one of the worst fragments of the Arrogance Grenade for the believer's life is Self Righteousness interlocking into Morality Arrogance. Morality in itself is GOOD not bad and it

is converted to BAD by distortion of its purpose under Arrogance. There are therefore, 2 categories of Morality:

### True Morality

This is based on the Laws of Divine Establishment, and in similar fashion is designed for both believer and unbeliever. It is related to responsibility to government, society, legitimate authority, law, parents, wife to husband and vice versa, teachers, coaches, etc. It is a wonderful and a legitimate system but it is NOT the Christian Way of Life. However every Christian must be MORAL in the true sense but the problem with Christians is that they think, or are led to believe, that MORALITY is the Christian Way of Life, and as a result they enter into the Interlocking System of Arrogance so fast it is pitiful. They never learn the principles of forgiveness based on GRACE involved in the [Rebound Procedure](#) and as a result spend their entire lives trying to do as many good deeds as possible in the Cosmic Dynaspheres to satisfy God, thus serving Satan and not the Lord. True morality is a guardian of the Human Race and protection of freedom thus providing for evangelism and the right of all to hear the gospel and uncoerced respond to it or NOT and take in Bible Doctrine if so desired OR NOT! True Morality is also the basis for proper the functions within the 4 [Divine Institutions](#).

True Morality is many things today and is more that what is in the Decalogue of the Mosaic Law. It includes as illustrations:

- ▲ Paying taxes
- ▲ Serving in the military
- ▲ Respect for Law and Law Enforcement agencies
- ▲ Recognizing privacy
- ▲ ***Respect for freedom and willingness to give one's life for freedom***
- ▲ Recognition of the sacredness of property and human life

All of these demand that the subject of MORALITY possess [HUMILITY](#) and that Morality being always related to freedom moves the individual to:

- ▲ Make Salvation Adjustment to the Justice of God through faith in The Lord Jesus, The Christ
- ▲ Learn and metabolize Bible Doctrine and grow in Grace

Arrogance distorts this morality into salvation and spirituality by human effort works and the bullying and tyranny which comes from [Personality Arrogance](#). Self Righteous Arrogance establishes false Norms and Standards out of the true Norms and Standards of the Laws of Divine Establishment Morality. This Pseudo Morality is part of the fragmented life of the believer living in the Cosmic Dynaspheres and is used by apostate Christians as a substitute for the true Modus Vivendi of the Christian Way of Life. In general believers are ignorant of Bible Doctrine as members of the Royal Family of God and the true tragedy is that they are, by and large, ignorant of the significance of the [Laws of Divine Establishment](#) and [Divine Institutions](#) and their function in protecting and preserving the Human Race.

Not Salvation Adjustment to the Justice of God, nor spirituality nor blessings come from morality and thinking they do is the LEGALISM such as is found in religion. Because morality

is for both believer and unbeliever it is NOT the Christian Way of Life and therefore, [Virtue](#) derived from the [Filling of God the Holy Spirit](#) and [Metabolized Bible Doctrine](#) in the Right Lobe of the Stream of Consciousness of the Soul is higher than Morality and is the basis for the Christian Way of Life. The Protocol Plan of God can only be executed by the believer understanding and using the [40 assets](#) given by God at Salvation Adjustment to the Justice of God and NOT by being an Arrogantly super moral person.

When the whole realm of true morality and Virtue is generally ignored and destroyed in life this individual becomes a totally unstable disoriented person. Therefore, the Influence of Evil from consistent residence in the Cosmic Dynaspheres is the real enemy of true morality and true Virtue. All true morality is based on Virtue and when there is morality without Virtue it is the moral degeneracy of Arrogance. This is why the Laws of Divine Establishment are so important for all individuals to gain an understanding of HUMILITY and the BASIS for and KEY to true morality. Therefore, Establishment Authority is the NORM for development of Humility in life by both believer and unbeliever and the Filling of God the Holy Spirit is the BASIS for developing Virtue in life for the believer. True morality cannot be divorced from the fundamental Virtue of humility but the Arrogance of Cosmic Dynasphere I robs morality of its Virtue. Once Virtue is removed from morality it is replaced with Arrogance from Self Righteousness and once there is a strong Self Righteous society a system is established for REACTION to Self Righteousness. Self Righteousness is hypocrisy and Arrogance but Reaction to this is the toleration which becomes Moral DEGENERACY in the Interlocking System of Arrogance. This is illustrated by the Self Righteous American society before World War II which totally rejected Homosexuality and it was unimportant at that time to have laws prohibiting this because society cast these people out. Then the Self Righteousness was replaced by the toleration of the 60s and 70s and now since the 80s Americans have been living in a system inundated with both Moral and Immoral Degeneracy. This occurs by means of the involvement of the society in arrogance which breeds one form or another of [Fanaticism](#). Once one becomes a fanatic the only field of morality which is acceptable is his area of fanaticism but all other fields are then tolerated and Degeneracy begins.

### [Pseudo Morality](#)

The Self Righteous Arrogance of inordinately moral people is demonstrated as they come to God with their “moral” Way of Life and expect him to accept it for salvation or spirituality. They distort the wonderful thing known as Morality into a system of [Motivational Arrogance](#) under Legalistic Religious Self Righteous Arrogance which cannot be the source of Salvation nor of spirituality. ([Matt 19:16-26](#)) This is a distortion of the concepts and principles of morality used by BELIEVERS in the Cosmic Dynaspheres, in the various stages of [Reversionism](#). Especially when they are involved in Emotional Revolt of the Soul, Black Out of the Soul, Scar Tissue of the Soul, and Reverse Process Reversionism where they interfere in the lives and motivations of others. These believers are MORAL but their morality is distorted into a system of or motivated by Evil and from it comes cruelty. Religious Self Righteous Arrogance is clearly demonstrated by the Roman Catholics persecuting Jews in Spain during the Inquisition. This was the result of the thinking and motivation of very MORAL people and yet they burned at the stake first JEWS and later Protestant Christians. When Self Righteous Arrogance is added

to morality it results inevitably in the cruelty of persecution. Self Righteous Arrogance distorts human morality into the production of Human Good works from the influence of EVIL, from the source of the Cosmic Dynaspheres in opposition to the Protocol Plan of God. For Christians this involves relating the mechanics and principles of salvation and at times spirituality to Morality rather than to Faith ALONE in The Lord Jesus, The Christ ALONE or regarding spirituality which is the absolute status of the Filling of God the Holy Spirit. As a result many Christians are led to believe that they will receive blessing from God for being strictly and unwaveringly moral and good. Unfortunately for these people, Salvation is not the result of morality, legalism or any Human Good production and many Christians in the 1<sup>st</sup> century AD were distracted by JEWS who came in after Paul and the other Apostles and Pastor Teachers and convinced these new believers, especially the gentile believers, that they were NOT really saved unless they kept the Mosaic Law.

Keeping the law, being strictly moral, is not spirituality and does not provide for one's Salvation Adjustment to the Justice of God, but it was and still is a false system of salvation and spirituality for both believers and unbelievers and probably the greatest ever known. In ½ of the books of Romans and Galatians there is a clear description that NOTHING can be ADDED to faith in Christ for making Salvation Adjustment to the Justice of God. In Arrogance Man always wants to do something to EARN his salvation so that he can feel he deserves it and also wants to do something to be qualified to be spiritual. However, it is only the WORK of God which is sufficient and acceptable to God and it was the imputation and judgment of human sin in the humanity of The Lord Jesus, The Christ on the cross, and his Substitutionary Spiritual Death as payment for them, which is all that was necessary to provide the potential for Salvation Adjustment to the Justice of God for every person. There is also the work of God the Holy Spirit making gospel information clear and real to the unbeliever in his spiritual death under Common Grace. Many believers want to add to salvation by faith ALONE, with commitment, lordship, baptism or inviting Christ into the garbage dump of their HEART, ETC. This state of total confusion is total Arrogance and the Christian side of involvement in the ultimate cause of the 5 cycles of Divine Discipline on their nation. This confusion is ultimately the result of the fragmentation of the life of a maximum number of believers who have pulled the Arrogance Grenade Pin and jumped willingly into the Interlocking System of Arrogance and as a result, under the influence of Evil, follow the trends of their Old Sin Nature in controlling the soul.

In communist china when the communists took over there were still missionaries there but they were not focused on the absolute truths of Bible Doctrine. The communists went to the mission complexes and solicited the cooperation of the missionaries telling them they would get rid of petty crime, drug abuse, prostitution and gambling houses and the missionaries agreed to cooperate NOT having TRUTH as their background but being focused on Morality as the Christian Way of Life. These missionaries could only think in terms of HUMAN MORALITY so they told the people to cooperate with the communists and surrender their weapons to them because they would help them. The missionaries were involved in Legalistic Self Righteous Arrogance and could not see the principle and picture of ORGANIZED EVIL and made an issue, just like all disillusioned fundamental Christians do, of PERSONAL MORALITY. The problem

NOT seen by these missionaries and most of the people in the United States of America today is that when someone comes and says they will take these immoral problems away from society they will also be taking away FREEDOM. Freedom belongs also to the drug abuser, the prostitute, the criminal, the gambler, and ALL of those who do not engage in these immoral activities, TO ACCEPT THE Substitutionary Spiritual Death of Christ on the cross for their personal Salvation Adjustment to the Justice of God. These missionaries in china and most fundamental Christians in the Unites States of America today cannot see the simple point of Bible Doctrine in Category I Truth of the Laws of Divine Establishment and Divine Institutions. Therefore, this Morality minus Virtue is Self Righteous Arrogance and a fundamental PART OF EVIL. Morality provides the ability and RIGHT of the believer and unbeliever, whether moral or immoral, to live side by side and respect the privacy and freedom of each other. The Christian Way of Life is not morality it is a divine system of Virtue which is FAR greater than Morality and under Virtue the individual takes cognizance of the Old Sin Nature while Morality does not. The missionaries to the Chinese could not understand or associate doing something to cause pseudo morality, with EVIL. The communists did in fact close the prostitution houses, the gambling houses and the Opium dens thus the people could not go there any longer. However, the communists opened schools and required attendance to indoctrinate the people, especially the children into accusing even their parents who opposed communism in the Chinese people's courts and thus cause them to be executed.

Fanaticism and Inflexibility are part of arrogance and many believers fall into this as a result of involvement in Self Righteous Arrogance where they first develop a system of inflexible morality MINUS Virtue. In this system with their inflexibility they then become Cosmic Dynasphere Evangelists, as believers, being zealous, inflexible and implacable. It is inevitable that the more inflexible one becomes the more inconsistent one's life becomes. Self Righteous people virtually and invariably deny the existence of the Old Sin Nature and their own constant sinning. Once the Self Righteous believer becomes impressed with how wonderful he is because of his MORALITY, which is minus Virtue, he becomes inconsistent and very hypocritical. Unbelievers who are pulled into the Cosmic Dynaspheres and who become closely involved with pseudo morality without Virtue, Zeal without Knowledge and implacability and inflexibility inevitably become eligible for Cosmic Dynasphere Evangelist status. Any satanic evangelists MUST practice Hypocrisy which is the natural result of being MORAL without Virtue in Self Righteous Arrogance and Crusader Arrogance. (Rom 16:18, Matt 7:15) This is the legalistic trend where people become involved in MORAL Degeneracy and are considered to be great believers while in fact they are fragmented losers in the Christian Way of Life.

S

### The Protocol Plan of God, Morality & Virtue

In the Protocol Plan of God, Spiritual Self Esteem motivates the development of Virtue Love by leading into Spiritual Autonomy where Problem Solving Devices 7 & 8 are completed. When the Integrity Envelope is completely embraced in all of the aspects of Motivational Virtue this is the Virtue necessary to support and provide strength for morality as Functional Virtue which is directed toward MAN. This is where the believer can use his royal priesthood to solve his own problems. Impersonal, Unconditional Love for Mankind cannot occur when there is only morality. MORALITY minus Virtue == Self Righteous Arrogance and Self Righteous people are

not good lovers or good for anything. Impersonal, Unconditional Love for Mankind depends on the complete development of all the [10 characteristics of Spiritual Adulthood](#) and moving through Spiritual Autonomy. Therefore, Morality plus Virtue == the Problem Solving Devices of Virtue Love in the Christian Way of Life. However, Morality is designed by God for the ENTIRE Human Race to stabilize society and to give every individual privacy, freedom, sacredness of property and life. Neither moral or immoral people solve their own personal problems and the unbeliever can be very moral but morality cannot provide either salvation or solutions to the problems of his life. There is NOTHING WRONG WITH MORALITY and the proper function of the Laws of Divine Establishment and Divine Institutions are dependent on it however morality is not a Problem Solving Device.

Therefore, it is the Protocol Plan of God, with the [Royal Family Honor Code](#), which produces something HIGHER than morality by consistent residence of the believer in the Divine Dynasphere, and this is Virtue. In the Protocol Plan of God, the believer progressively develops the [10 Problem Solving Devices](#) and builds their [Edification Complex of the Soul](#) which results from consistent residence within the [Divine Dynasphere](#) the POWER system of God. The Christian Way of Life is, therefore, far greater than Morality. Morality is in fact the proper function of the entire Human Race living under the [Laws of Divine Establishment](#) and [Divine Institutions](#). Virtue is the result of the believer consistently living in the Divine Dynasphere and attaining the 3 stages of the [Sophisticated Spiritual Life](#):

- ▲ Spiritual Self Esteem
- ▲ Spiritual Autonomy
- ▲ Spiritual Maturity

The key to developing Virtue is residence consistently within the Divine Dynasphere under the enabling power of God the Holy Spirit with the momentum developed from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul. Therefore, Christianity does not reject morality but assigns it its proper place so that the Christian Way of Life requires Virtue to be first and this must be added to Morality to avoid LEGALISM and the resultant fragmentation of one's life. In addition, [Grace Orientation](#) must be added to morality and without it the life of the believer will be fragmented by his pulling the pin of some aspect of the Arrogance grenade. Some unbelievers can be fantastically moral and by adding the Virtue from the Laws of Divine Establishment and Divine Institutions to their morality become truly wonderful people who very often outshine the believers with their fragmented lives. The believer with a fragmented life is not living and executing the Protocol Plan of God for his life and is not living in the Divine Dynasphere. Virtue begins as residence in the Divine Dynasphere with Virtue Love as:

- ▲ Personal Love for God as motivational Virtue
- ▲ Impersonal or Unconditional Love for Mankind as functional Virtue
- ▲ Advanced Personal Love for God, Occupation with the Person of The Lord Jesus, The Christ, as the priority solution to life.

Morality Arrogance is ignorance and the interlocking with Self Righteous Arrogance by the believer who has pulled the pin of the Arrogance Grenade and substituted Morality for his

Christian Way of Life as a result of temptation from the Area of strength of his Old Sin Nature. By making morality the focus of his life, his area of strength in his Old Sin Nature distorts morality into legalism. This requires, or results in, total ignorance of Bible Doctrine and entanglement in Self Righteous Arrogance to substitute, under the influence of Evil, human morality for divine Virtue. Therefore it is Arrogance from Cosmic Dynasphere I which robs morality of its true divine purpose and substitutes Self Righteousness. Self Righteous Arrogance establishes false Norms and Standards to add to its distortion of Morality which makes morality LOOK bad when in reality it is great BUT ONLY IN ITS PROPER Frame of Reference. Self Righteous Arrogance superimposes false standards on MORALITY and then demands everyone follow this pattern. The proper Frame of Reference for morality is the believer being HUMBLE and functioning under true humility. For the believer this is ONLY developed by residence and function at Gate #3 of the Divine Dynasphere, [The Authority Envelope](#) where both ENFORCED and GENUINE HUMILITY are developed which keep the believer from fragmenting his life. It is imperative what the believer remember always that *“God makes war against the Arrogant”, because Arrogance is the basis for the Plan of Satan, EVIL, which takes morality and distorts it into a system of LEGALISM which excludes Grace and is outside the true Christian Way of Life.* The Arrogance of Morality assigns functions and purposes to morality which GOD never intended in his invention of Morality for the Human Race and which the Human Race cannot survive without. Therefore, Morality must always be accompanied by Humility and any entrance of Human Good production efforts for Salvation, spirituality, blessing from God is a blasphemous trinity of a fragmented Christian life.

#### **Gate #44 – The Arrogance Regarding Eternal Security**

At Salvation Adjustment to the Justice of God through faith alone in the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone, God the Holy Spirit creates a replacement Human Spirit for the one Adam lost for the Human Race. At that point God imputes to that Human Spirit Eternal Life and there is nothing any person or any other creature can do to separate the believer from his human spirit and that eternal life. This is Eternal Security which is the foundation for [ALL HOPE](#) and CONFIDENCE in the Christian Way of Life. To suggest that there is something the believer can do to gain, or worse yet, to lose Eternal Life as a result of his own good deed efforts or failures through sin is absolute total Arrogance. At Salvation Adjustment to the Justice of God the imputation by God of Eternal Life to the regenerated Human Spirit is a PERMANENT arrangement. Any Thinking other than this can and does destroy all proper motivation for advancement or growth in the Spiritual Life. The disoriented believers who think in these terms always succumb to the pressures of adversity and assume their sufferings are greater than the Plan of God. Eternal Security is what provides ABSOLUTE CONFIDENCE in the Plan of God knowing that one's failure or success cannot cause faltering of the plan and cannot result in one ever losing his SALVATION. The [Arrogant Pride](#), of thinking that there is some sin one can commit or failure one can engage in for which God will kick one out of his plan and eternal heaven, is the epitome of Arrogance and a complete

lack of understanding of the [GRACE](#) principles upon which the Plan of God is based. SIN IN THE ANGELIC CONFLICT IS INCONSEQUENTIAL AND IS NOT AND CANNOT BE AN ISSUE in the Plan of God and in fact is not part of the Plan of Satan though use by him constantly when it occurs to distract the believer from the Plan of God. ALL human sin has been judged at the Cross in the Humanity of The Lord Jesus, The Christ who paid the penalty with his Substitutionary Spiritual Death for each and every one and at Salvation Adjustment to the Justice of God believers are all cleansed from all prior sins and then given the option of using the [Rebound Procedure](#) for all subsequent sins. Therefore, as a result the believer is forgiven all named or acknowledged sins and purified from all unnamed sins, ([1John 1:9](#)) therefore, SIN IS NOT EVER AN ISSUE IN THE Plan of God. The issue for all mankind is making a choice between the Plan and Policy of Satan called EVIL vs the Plan and Policy of God called GRACE, choosing the Divine Good production of The Lord Jesus the Christ in his Substitutionary Spiritual Death for sin vs the Human Good production one can engage in under the Plan of Satan. Unfortunately for many people, Pride rejects Grace and Accepts Evil.

Therefore, the most arrogant people in the world are those who think they can lose their salvation. They have the colossal nerve to think they can commit a sin which Christ had not paid for, which God the Father cannot forgive and which will cancel out the Plan of God. This is the epitome of Arrogance but even under these conditions they cannot lose their Salvation after they have made proper [Salvation Adjustment to the Justice of God](#). The believer enters into salvation by a GRACE means from the work of God and he cannot change that by adding to it nor subtracting from it. The Indwelling of God the Holy Spirit ([1John 2:27](#), [Gal 5:17-18](#)) given to him at salvation is a guarantee that he has Eternal Life and eternal salvation and NO ONE can ever take this from him. The believer has Eternal Security because of the regeneration of his Human Spirit by God the Holy Spirit at Salvation Adjustment to the Justice of God and thereby is born into the family of God and cannot be BORN OUT OF IT. The believer, when he says or thinks some sin he has committed will cause him to lose his salvation, is indicating that he is the BIGGEST JACKASS IN CHRISTIANITY AND ALSO THE MOST ARROGANT JACKASS. He is so full of Arrogance that he thinks he can commit a sin which is GREATER THAN THE PLAN OF [GOD](#). To think that he, all by his little self, can commit a sin which will cancel the plan or promise of God is the most arrogant thing imaginable. It demonstrates that he has his head stuck so far up into the WRONG part of his anatomy that he cannot see daylight and to recover at all he MUST get away from his focus on SIN. Just because some sins are shocking to believers does not mean God gets shocked by those sins. The believer must face the reality than in Eternity Past God decided to create and as a result of being omniscient he knew everything which would and could occur as a result of that creation. HE KNEW, so long ago that the human mind cannot comprehend how long ago that was, that every BELIEVER would constantly fail. YET HE STILL CREATED. He has known about all one's personal sins long before the individual ever existed and ever committed them and at that time, LONG AGO, He made provision for them with the Substitutionary Spiritual Death of Christ on the cross way back in Eternity Past. How arrogant must a person be to think he can disturb this plan, a plan which he cannot even truly begin to comprehend?

## **The Shepherd & The Lamb**

When the lamb gets out of the fold and wanders into the mountains HE IS STILL A SHEEP. When the believer gets out of fellowship and gets into carnality he is still a believer, a member of the Royal Family of God, having been born into this family by his own choice to make Salvation Adjustment to the Justice of God and he still has his Eternal Salvation and Eternal Life, this is his Eternal Security. ([Eph 1:4-6](#), [John 10:27-30](#), [Rom 8:32](#), [Rom 8:38-39](#), [Ps 37:24](#)) Once one chooses Salvation Adjustment to the Justice of God through faith alone in the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone God provides **39 Irrevocable Assets** for his life and **NOTHING** can change this EVER! These are uncancelable assets for the believer's life and since God is Perfect these assets are perfect and since God is permanent these assets are permanent thus NOTHING and NO ONE can ever change or cancel them, NOT EVEN GOD HIMSELF. It takes an incredible level of Arrogance to think that some sin one could commit will cause him to lose his salvation or that he has already committed such a bad sin that God cannot save him in the first place. This is the incredible Arrogance involved in the thinking that anyone can do something for which GOD cannot have a solution. There is nothing worse than the SORRY believer who thinks he must WORK and EARN his way into Heaven and into the Plan of God. The Plan of God is a GRACE based plan therefore making this a complete inconsistency in thinking. In this area of Arrogance the believer MUST be very careful to consider only HIS OWN status and not that of any other person since focus on the Eternal Security status of others will be what instantly puts that believer INTO THAT SAME STATUS of ARROGANCE. [1Pet 1:4-5](#) tells us that EVERY lamb, whether residing in the fold or having strayed out of the fold, has an inheritance and this will be presented to the believer lamb at the [Judgment Seat of Jesus Christ](#). The Shepherd, The Lord Jesus, The Christ, leaves the flock in safety and goes and seeks the one who has gone astray. When the believer gets out of fellowship, as long as he lives in this status, the Lord is SEEKING HIM. He is seeking to stimulate or convince this failing, carnal believer, to get back in fellowship, back to the fold of the flock. If this believer persists in staying OUT of the Plan of God out of Fellowship with God then the Lord will simply spank him. He will be spanked literally to the point of DEATH which brings this lamb permanently back into the fold, face to face with the Lord in heaven where he cannot stray ever again. The only way to recover from going astray and return to the fold for the lamb is the use of [1John 1:9](#) the [Rebound Procedure](#). The Shepherd who is SEEKING the straying lamb is The Lord Jesus, The Christ offering him the opportunity to get back into the fold, but even this straying lamb will be with the Lord after his death. ([John 10:1-21](#), [John 10:27-30](#))

## **Gate #45 – The Arrogance Regarding Equality**

People who think in terms of equality in the Human Race are saturated with and totally entangled in the Interlocking System of Arrogance and they demand rights which they cannot understand nor fulfill. Freedom GUARANTEES inequality as a result of volitional functions with regard to the drive of the individual to Fail or Succeed. Big government, little people and

liberalism produces Arrogance and Arrogance assumes the prerogatives of God and destroys Freedom with a ploy called EQUALITY. In essence Equality can be considered a synonym for EVIL and equality is NEVER an Issue in life but VOLITIONAL Responsibility always is. Generally, the people in the United States of America are totally willing to sell their heritage of Freedom for a mess of pottage called security under the false principle of Equality. They are willing to give up Freedom for a free ride on medical coverage or welfare, guaranteed wages from labor unions, etc. There is one thing which completely destroys the youth of a nation and that is the young being taught to think in terms of security in place of Freedom. This totally destroys them from the inside out. Thinking in terms of security is for the WEAK MINDED elderly individuals but considering how many people of all ages in the United States of America think in this way what does that say about this once great nation? As a believer there is absolutely NO EXCUSE for ever thinking in these terms. Freedom is the primary issue of life and in fact it is the KEY to the resolution of the Angelic Conflict Appeal Trial and the reason the Human Race exists in the first place. The believer should relish being free to try new ideas, experiment in life and advance OR DECLINE and try to make a living in a variety of ways which may interest him personally. Today the young want a guaranteed income and that everyone should be made equal. People constantly and erroneously think that everyone who does the same job should get the same pay, and if they made the same salary as great business men or professionals that they would then be equal. This is total Arrogance and these people cannot ever substitute this Arrogance for true ability and cannot ever be as good as the one who works for his advances in life. The people who talk about equality are the truly Arrogant ones of the society. They don't actually mean that they want equality but, in reality, they want something for nothing so that they can prove their superiority to those who have far greater ability than they. This is a huge soul hangup above all others. No one can really get ahead in any area of life in this manner.

Arrogance, being the basis for Satan's policy of EVIL, is divorced from reality. Evil always thinks in terms of equality while God under GRACE with its divine standards thinks only in terms of SUPERIORITY AND INFERIORITY. Equality is tied to opportunity and consideration under the law by the United States constitution and in this sense it is related to the fundamental concept of the American War for independence which was Freedom. In essence this means that everyone is treated equally, fairly and justly under the law (unfortunately this is no longer the case) and that equality is having the OPPORTUNITY to advance as far as one can go based on one's own motivation and ability OR NOT and as a result then decline into oblivion. By using Freedom some people will advance to greatness and some not at all and as a result one can unquestionably see that Freedom ALWAYS creates greater inequalities than had previously existed. Great Inequalities are essential in the preservation of the Human Race since only a few in the Human Race have the ability to take care of the rest of the Human Race. When there is Freedom in society, this means that those with ability advance to where they can take care of those who cannot advance. THESE are the ones with honor, integrity and virtue who function under the concept of taking care of the weak and infirm and punishing the slothful and criminal. People in the United States and especially believers have lost their identification as being a part of the Royal Family of God. They should be advancing to Maturity Adjustment to the Justice of God from accumulation of maximum Metabolized Bible

Doctrine into the Stream of Consciousness of the Soul but are instead are involved with Emotionalism, social gospel and even socialism. Equality is not now nor has it ever been the objective of Freedom. THE BELIEVER MUST GET IT THROUGH HIS HEAD, Freedom leads to greater inequality and being a believer in the Royal Family of God and a Royal Priest will lead to the greatest inequalities ever in both his life in time and in eternity in heaven. However, inequality in heaven does not mean imperfection and every believer in eternity will have both a Resurrection Body of perfection and maximum Metabolized Bible Doctrine in his soul for maximum capacity to enjoy everything in his status quo in heaven to the maximum. In life and history those people who talk most about demanding equality have already recognized their inferiority and Arrogance and as a result are very disturbed about it. In the garden, the woman had both an authority problem and an equality problem and this same occurrence is clearly demonstrated in the women's lib movement today. She made inequality and authority an issue as a result of her Arrogance. Inequality never is a problem nor an issue in the Grace Plan of God and it does not hinder happiness or success in life if the person is functioning under Humility.

### Equality and Eternity

The believer in The Lord Jesus, The Christ, despite all of his failures, even to the point of involvement in Reversionism resulting in the Sin Unto Death, will have a resurrection body and be in a perfect place provided by perfect God, HOWEVER, there will be NO EQUALITY. As a consequence the idea of equality in this life on earth is meaningless and people are not even happy when they are said to be equal under the law. However, equality is, in reality, not ever an issue in life, but Freedom is, and must always be, the PRIMARY issue in life. Freedom is the basis for being able to choose for or against Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus, The Christ alone. No one is ever equal to others in life and the only way to approach equality is through Arrogance especially Pride and even this, in fact, results in greater inequality. This same false system of rationalism which brings into the thinking the idea of equality today, brings greater Arrogance and thinking in terms of superiority tomorrow. When laws are passed which try to say people are equal and try to solve social, political, and economic problems by legislation, these same laws will say tomorrow that these lawmakers are superior people and the result is the creation of destruction, anarchy, unrest and ultimately tyranny. Observe the fundamental support of the "black lives matter" and "antifa" groups by the democratic party and the Chinese communists in 2020.

Property is an essential part of Freedom and there cannot be Freedom or motivation under free enterprise unless one owns personal property. The success of others in life should bring to everyone delight not envy and it should provide motivation under Freedom and free enterprise for personal achievement. This has been a part of the American way of life since the inception of the United States of America but it has faded out today. All motivation in any system of Freedom or in any government under Freedom is based on the fact that one can use his personal free will to advance OR retrogress and he is what he is based totally on the function of his own self determination. Equality comes along and says that one is supposed to be the same as everyone else and that there is no such thing as aristocracy nor success, a concept which is in truth absolutely ludicrous. This is how communism comes along and gives

Arrogance to the common man and the scum of society and they, having Arrogance, are thereby very susceptible to manipulation and conquest. Function in the Plan of God is based on Volition and Freedom of Choice and some individuals will enter the Plan of God and some will not. Therefore, as a result of the individual's decisions, some will go to Heaven and some to Hell (the Lake of Fire) after their life on this earth is ended. Some in the Plan of God will advance in the Spiritual Life through consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine and some will not. Therefore some will receive **Super – Grace** or **Ultra Super – Grace** blessing in time and some will not. Therefore, some will receive UNIMAGINABLE temporal as well as eternal blessing and reward and **some will not** but ALL believers in Christ will be face to face with the Lord when their life is over. There is no equality in the Plan of God but there is Freedom. The **Laws of Divine Establishment** provide the Freedom necessary to allow the unbeliever to accept The Lord Jesus, The Christ as savior or **NOT**. The Laws of Divine Establishment also provide the Freedom to allow the positive believer to advance in the Spiritual Life through maximum Perception, Cognition, Incultation & Metabolization of Bible Doctrine or move into the Apostasy of Reversionism and failure. The Laws of Divine Establishment provide the Freedom to allow the believer to maintain or continue the mature Spiritual Life to glorify The Lord Jesus, The Christ to the maximum **OR NOT**. The entirety of the Spiritual Life as a function of the Plan of God to resolve the Angelic Conflict all depends on Freedom and self determination. With this Freedom there must be duly constituted authority which protects Freedom and without authority Freedom cannot continue. Today, in our society, there must be a return of authority in the realm of the control of children in the home, control of crime in Law Enforcement, and legitimate control in government, military functions, business, and especially in education, in order to allow individuals to properly function in life under Freedom. One must use his Freedom and self determination and always take responsibility for his personal decisions, and as a believer, he must have motivation to continue momentum in the Christian Way of Life.

### **Equality Myth**

There never, ever, is equality in life in any area. Freedom of opportunity is EQUALITY OF OPPORTUNITY but this Freedom always results in the greatest inequalities which make some believers strong and some weak, some individuals successful and wealthy and some poor and failures. Any time there is true Freedom with opportunity this Freedom is the sphere of operation for life and function and some use the Freedom to go down in life and some to go up. Everyone who wants equality, the blacks, Hispanics, moslems, etc., in reality, their Arrogance only really wants superiority. When they are given equality of opportunity and Freedom some sit on their asses and collect socialistic welfare payments and others work hard, advance in their Status Quo in life and do extremely well. From the beginning, the United States Constitution has said neither RACE nor CREED nor Religion is ever an issue and to make one of these an issue demonstrates and advertises one's Arrogance.

Freedom cannot exist without the umbrella of authority. In addition, Freedom and Equality cannot coexist and Freedom cannot guarantee nor manufacture equality in the Human Race. When one has true Freedom he is free to advance as far as his desires and ability will legally take him BUT he is also free to be a bum, a criminal and a failure in life. This does not occur

today in the new American system since the government supports the bums today with the profits from the producers and true criminals are rarely properly punished. The government by supporting the bums solicits, and in fact gains, their support in destroying the Laws of Divine Establishment and the [Divine Institutions](#) in the United States of America. When the Laws of Divine Establishment are removed from a society then inevitably tyranny replaces them. Equality destroys Freedom and certain events, such as the gas rationing in the 70s and required health care insurance in the early 21<sup>st</sup> century, seek to make everyone equal and this destroys their Freedom. The government in the United States has sought to destroy Freedom in every aspect of life and society for many decades and this is the reason the scum get away with rioting and looting during “demonstrations” and why American faces the greatest crime wave of its history. Invariably in every society some use Freedom to advance and some to retrogress under the principle of self determination and each has the right to go their own way as long as they are not involved in crime and not interfering with someone else’s Freedom in some way.

Freedom is the reality of life while equality is the great myth of life. As long as one understands Freedom as part of the Laws of Divine Establishment with its authority under the Divine Institutions, he is functioning properly in life. When he says no to Freedom he starts to build up [Scar Tissue of the Soul](#) since Freedom is a part of the Absolute Truth found in the Bible Doctrine principles of the Laws of Divine Establishment. By this rejection one then increases his level of Arrogance and can only believe the LIE of every EVIL satanic system involving socialism, welfare state functions, even communism. The LIE is equality, socialism, welfare, communism, religion, islam, etc. This is what happened to Thomas Jefferson and with his concentrated Scar Tissue of the Soul, he compromised Freedom and came up with the erroneous theory that “all men are created equal” and must be equal in all aspects of life. Freedom is truth and equality is a LIE. People believe the LIE today because the scum are Arrogant not because of [Logistical Grace](#) support from God but as a result of support from government under the principles and functions of EVIL. Freedom ALWAYS guarantees inequality not equality. Especially in heaven there will be phenomenal inequality and some will have great blessing and decoration for their Resurrection Body and some none. Equality is the device of the Arrogant and is the disorientation of the sociopath while Freedom is the motivation of [Grace Orientation](#). Forced equality is the policy of dictators and tyrants but also the basis for Satan’s Cosmic Dynaspheres, the pseudo millennium of socialism and the welfare state. Freedom is an Integral Part of the Policy of God in the creation of the Human Race to resolve the Angelic Conflict and is dogmatic and [Inflexible regarding the Essentials of life](#) and reality, while being flexible and pliable regarding the non essentials of life. Therefore, Freedom is common sense orientation to reality including [Respect for Authority](#), privacy and property. Under the Laws of Divine Establishment Freedom and authority are mated and one cannot exist without the other. In the Spiritual Life, Freedom without the authority of Bible Doctrine is [Antinomianism](#) and Authority without Freedom in the Spiritual Life is [Legalism](#).

Again, Freedom and Equality CANNOT coexist. This is where Arrogance begins and why people and this nation both have now failed. The plans of nations operating under the principles of Evil and the conspiracies of people functioning under Evil are always directed against human Freedom. In Arrogance the liberal, by his plans based on EVIL, seeks the

equality of mankind which is in fact a non-reachable distorted dream. That Arrogant nation seeks to fulfill its plans by conquest and tyranny based totally on EVIL. This is the motivation and design behind both Russian and Chinese Communism. The principles of both equality and tyranny attack Freedom. Man is supposed to use his Freedom to advance or fail, to be Humble or Arrogant, to be carnal or spiritual. Freedom is the reality while equality is simply a myth. Equality is the device of EVIL and the battle cry of the degenerate. Attempts at forced equality is the policy of tyrants and the conspiracy of the Arrogant, and today is the national domestic policy in America based totally on EVIL. Under the Laws of Divine Establishment, Freedom and Authority are 2 sides of the same coin. Where authority is rejected Freedom cannot exist. For the people of any nation to have capacity for Freedom they must be mature. Immature people are led around by others who are functioning under EVIL or are degenerate and they distort Freedom and eventually destroy it. The greater the participation of the people in Arrogance based on Evil the greater the national degeneration and more there is a loss of Freedom.

There is and always will be a differentiation of classes in any society and this is due to differences in drive and ambition based on Freedom and its proper function. Those who are successful result in a type of aristocracy, especially in the client nation. All systems of aristocracy start out historically based on ability, integrity and honor but eventually, after the 3<sup>rd</sup> generation, turn into something involving the degeneracy of Arrogance when the people cannot stand the prosperity they have inherited and develop a hollow shell of Arrogance. This is what happens in any system of aristocracy and is not only true in nations where there are monarchies but also in the free nations such as the United States of America. There is an American aristocracy hidden under terms couched in liberty and Freedom with the worst description being EQUALITY. Equality as a myth is the sworn enemy of Freedom and there never has nor will be equality in the Human Race from birth to death. Equality is the communist system of propaganda for conquest and they speak of it to the poor, appealing to their Arrogance, there by causing social upheaval. In every society those most prone to Arrogance are always the lower classes and this is the dominating status in the lower classes and the system by which communism has successfully conquered 2/3 of the world today. It is a system directly from Satan and links communism directly to Satan.

### **Provision and Maintenance of Freedom**

Therefore, Equality is a myth and is SATANIC in its origin and is and has been used by communists to break down a nations internal Freedoms for conquest while they, themselves, have never believed in equality but only use it to conquer others. Some peasant or student in Iran or Iraq cannot ever run their country like the Shaw of Iran did. You cannot ever even think that some bum in a tenement housing project can run a business and be responsible for a big payroll and see that thousands have jobs, this is the totally sloppy, stupid thinking of Reversionism, pettiness, Jealousy and all aspects of Arrogance. The most Arrogant people in the world are the poor down trodden people who always make an issue of their social status or their race. On the other hand people like George Patton and Douglas MacArthur, who were totally confident in their own abilities, were universally criticized as being Arrogant but were in fact not even the slightest bit Arrogant. The bums and scum on the American streets, the

hippies, gangs, many Hispanics and blacks today are totally Arrogant. Today, people have no clue as to what Arrogance or love really is until these have been defined by scripture. Many Christians today and in the past have gotten involved in revolution and even think today in terms of socialism, which always has been and is now for the United States self destructive, as the answer for this nation. Americans have been destroying themselves internally as a nation and will certainly have a great destructive disaster in the near future as a result of the systematic destruction of their Freedoms from their involvement in Arrogance.

The Laws of Divine Establishment always emphasize Freedom, Self Determination, and INEQUALITY. Equality becomes the lying propaganda of the revolutionist seeking to sway public opinion and gain power and control over the masses by exploiting their Arrogance, strong delusions, and their lust patterns. The believer should know, that all Freedom is provided and preserved through military victory and all Freedom for Americans has been purchased on battlefields where the blood of military men has been shed so that all the people have the privilege of being evangelized and coming to church and growing in grace and knowledge of The Lord Jesus, The Christ, OR NOT! Freedom is a principle of Bible Doctrine and the invention of God so that the Human Race can fulfill its divine purpose and destiny in the resolution of the Angelic Conflict. (See "[The Angelic Conflict](#)", by R. B. Thieme Jr.) The greatest problem in this United States of America is that Freedom and equality cannot coexist and equality is the enemy of Freedom and the liberal controlling interests in the government believe equality is to be valued over Freedom. The concept of Equality is an integral part of a system of conquest and the destruction of Freedom for the development of tyranny. Believers are to be totally free to advance by Perception, Cognition, Inculcation & Metabolization of Bible Doctrine or be retrogress under Negative Volition toward Bible Doctrine and enter reversionism. There is, therefore, as a result of true Freedom in both time and eternity, great inequality in time on earth and this will also be true in eternity in heaven. By this nation ignoring the fact that Equality is a way to destroy Freedom and is a myth and Freedom is a reality, the key to human life and is an invention of God, America has put itself on the brink of a great national crisis.

#### **Gate #46 – The Arrogance of Inversion**

Inversion as a technical theological term is a situation where the responsibilities and thus the resultant blessings of one or a group are turned over to the one or group toward which those responsibilities were to be directed and the redirected responsibilities are then toward the first individual or group by the second.

#### **The Inversion Defined**

The Inversion is a situation in human history whereby the Jews, (or any believer or client

nation) as a result of consistent Negative Volition, especially with regard to the “Big Blot Out” concerning The Lord Jesus, The Christ, have been placed under the 5<sup>th</sup> cycle of Divine Discipline by God and have lost the responsibility for preservation, protection and dissemination of Bible Doctrine to gentile groups. This Jewish Inversion has occurred 2 times in history. The first was the Babylonian captivity of Jeremiah’s Day when the surviving Jews from the Chaldean invasion of Judah were taken to Babylon as slaves and the priest nation of Israel was totally removed from its function for God. At that time, for a relatively short period of 70 years, the Persians and other gentiles took over the responsibility for the preservation, protection and dissemination of the Gospel of Christ and Bible Doctrine in general. Today the Church Age is the “Great Inversion” as a result of the Jews again expressing [LOCKED IN Negative Volition](#) toward the God of Abraham, Isaac and Jacob and engaging in the Big Blot Out totally rejecting everything concerning the 1<sup>st</sup> advent of The Lord Jesus, The Christ. The Inversion results from the Jews losing their status of Priest Nation to God and ONLY gentile nations being able to take up the responsibility regarding Bible Doctrine. In essence the responsibilities and position of the Jews and Gentiles is reversed or “Inverted”. In effect gentile believers have taken the responsibility from the Jew with regard to representing God to the world and have been given the charge of being Royal Ambassadors for Christ in this Church Age. This period of Inversion began in 70 AD and in this Church Age the Inversion has thus far lasted approximately 2000 years.

The Inversion finds gentiles without the spiritual heritage of the Old Testament Scripture not only Accepting by faith alone The Lord Jesus, The Christ and his Substitutionary Spiritual Death but advancing to Maturity Adjustment to the Justice of God. ([Is 65:1](#)) All the while, Jews, with total divine revelation in their Old Testament Scripture heritage, reject Him as Christ, Messiah, the savior, and enter into [Black out of the Soul](#) and [Scar Tissue of the Soul](#) as a result of moving into [Reversionism](#). The Inversion is composed of regenerate gentile believers vs the majority of Jews as unbelievers. In the Inversion the believing gentiles possess the Righteousness of God and the unbeliever Jews possess only their own Self Righteousness. By this, the Inversion sets up a contrast between the Righteousness of God imputed to gentiles at [Salvation Adjustment to the Justice of God](#) and the Self Righteousness of the Jewish unbeliever who rejects Christ. God only excepts His Absolute Righteousness and rejects the Self Righteousness of the Jews which is one of the basic manifestations of Arrogance. The Inversion results in the God of Israel blessing the gentiles and punishing the Jews. Punishment by Inversion results from Jewish [Self Righteous Arrogance](#) and [Mental Attitude Arrogance](#) especially involving [Jealousy](#) toward the gentiles. When there is jealousy in the Stream of Consciousness of the Soul it is a symptom of a far greater involvement in the Interlocking System of Arrogance. Jealousy is a [Petty](#) sin and derived directly from Evil but it is not the originator since NO ONE can be jealous without either some other Overt or [Blind Arrogance](#).

Therefore, when the Jews reject The Lord Jesus, The Christ and blot out the 1<sup>st</sup> advent from their soul they are punished by Inversion where there is salvation and blessing for those they scorn from their Arrogance. They scorn the gentile knowing he does not have their background or heritage and that he is not as smart as they are. However, in Inversion, the gentile believer receives blessing from God and the Jew as an unbeliever receives cursing as Divine Discipline

because of his Negative Volition. In Inversion the Jews become jealous of the gentiles even though they only have themselves to blame for the situation. This always occurs during adverse situations in life and the Jews, like all people in general, always find a patsy when they are in trouble and always blame others but it never occurs to them to blame themselves.

### **Arrogance of Inversion**

Inversion Arrogance occurs when the gentile believer as part of the Great Inversion assumes superiority over the Jewish unbeliever because the Jews, in effect, are branches of the olive tree of the Plan of God which have broken off. Because God has disciplined the Jew there are spiritual 'RED NECK' gentile believers who look down their noses at the Jewish unbeliever in effect saying the Jews are getting what they deserve because of the crucifixion of Christ. Believers must recognize that it was God who put that judgment of the 5<sup>th</sup> cycle of Divine Discipline on Israel in AD 70, and this discipline had to do with a lot of things but NOT the crucifixion of Christ. The crucifixion was a result of Jewish involvement in the Interlocking System of Arrogance and in fact was a REQUIREMENT of the Plan of God for providing the potential for Salvation for Mankind, and demonstrates GOD in his perfect Plan using all situations to advance his plan. This involvement in the Interlocking System of Arrogance is the exact same thing occurring in the United States of America even more so today because the United States of America has assumed the status and responsibility of Israel at this point in the Church Age as a Client Nation to God. As a result of this same Interlocking System of Arrogance involvement, if Jesus came to the United States of America today, he would be crucified just as he was in Israel some 2000 years ago. The Jews are under Divine Discipline and God needs no help in that discipline and it is Arrogance to think one can help God in this area by condemning or ridiculing the Jews and becoming Antisemitic. Gentiles are not saved because they are better than Jews and the fact is that Racial Jews are far superior to gentiles. Race has nothing to do with salvation and certainly does not have anything to do with the 5<sup>th</sup> cycle of Divine Discipline and the Inverted position of the Jews today. In fact, it is unfortunate that RACE is not the issue with regard to Divine Discipline because the melting pot of races, the United States of America, today is on the very brink of the 5<sup>th</sup> cycle of Divine Discipline itself and this could then be blamed on Racial Difficulties here.

The fact of history is that gentiles are inferior and therefore the inferior gentiles are saved only because of the Grace Plan of God and when Jesus of Nazareth, The Christ was on the cross all the sins of every human being dead, alive, and yet to be born, were imputed to Him and then JUDGED in his humanity. Because in this judgment the Substitutionary Spiritual Death of Christ as payment for these sins propitiated God the Father all sin was FOREVER removed as an issue in the Human History part of the Angelic Conflict Appeal Trial. As a result of this all of mankind has the option of moving into the Plan of God. Because of the expression of Positive Volition at God Consciousness the individual is given under the Grace polity of God, the opportunity to hear the Gospel of Christ, the GOOD NEWS that sin is not an issue for Salvation Adjustment to the Justice of God. As a result of Positive Volition expressed again at Gospel hearing the individual is able to enter the Protocol Plan of God by faith alone or acceptance of the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone. This salvation for each of person, Jew or gentile does not involve in any way human effort, ability,

talent or ‘works’ of any kind and is certainly NOT a result of any imagined superiority one may think he has over others. The mechanics of salvation for man from condemnation by God was planned by God the Father, was executed by The Lord Jesus, The Christ and is revealed and empowered by God the Holy Spirit, for each and every believer, JEW OR GENTILE.

If the root of the tree is Jesus of Nazareth, The Christ, a JEW, who saves the gentile and sustains him as a believer under Logistical Grace, obviously no gentile can make any claim to any level of superiority over the Jew. The principle and fact of Logistical Grace which should bring Humility to the believer, counteracts Arrogance in the Stream of Consciousness of the Soul and therefore must be clearly understood by every believer. It is the root of the tree, The Lord Jesus, The Christ, who sustains both the gentile and Jewish believers in life under Logistical Grace and therefore no one has any right to any Arrogance especially regarding the position of the Jew being under the 5<sup>th</sup> cycle of Divine Discipline. The Logistical Grace Rationale can prevent the believer from entering the Interlocking System of Arrogance and also get him out when he fails and fall into it. The Logistical Grace rationale thus becomes the first stage of sanity and recovery for the believer in the Interlocking System of Arrogance.

The imagined superiority of gentiles over Jews reached a peak in the dark ages resulting in severe persecution of the Jews. The word of God clearly states that, “Whosoever believes” and this eliminates any imagined or real superiority in this life with regard to the procurement of salvation. Arrogance produces a Legalistic Self Righteousness which becomes a distraction to any Grace blessing the believer may receive and especially Logistical Grace. All Grace blessings come to believers by way of the Justice of God which directs them to the imputed Righteousness of God given to each believer at Salvation Adjustment to the Justice of God. This imputation of Absolute Righteousness is a Grace imputation and is judicial since man does not actually have a home for it in his being. No believer ever receives any blessing because he is superior in race, intellect, physical strength or beauty, economic status, social status, gender or any other system. The believer receives ALL Grace support and blessing from the Justice of God because of WHO and WHAT God is and the blessing is imputed directly to the Righteousness of God which is in every believer from the instant of his Salvation Adjustment to the Justice of God. In fact, each part of the Equation of Hope Plan of God has a support factor which relies on the Grace of God and totally eliminates any presumed ‘deserving’ by the believer.

### Grace Support for Jew & Gentile Believers

In the Equation of Hope Plan of God, the X Radical is where every human being simultaneously receives Soul Life and Adam’s Original Sin resulting in Human Life and condemnation. This provides the potential for salvation and when one receives the doctrinal information regarding the Gospel of The Lord Jesus, The Christ he has his first Confidence (hope) of Salvation Adjustment to the Justice of God. In this part of the Plan of God he has been given by God support from the Laws of Divine Establishment principles and Divine Institutions and the freedom provided therein. Man therefore has the freedom to be evangelized and then make a decision without coercion. If he refuses to accept the Substitutionary Spiritual Death of Christ he is not penalized by any legitimate government or

individual group under the Laws of Divine Establishment functions.

The Y Radical begins after Faith Acceptance alone of the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone and is where the new believer benefits from the first Judicial imputation of all his personal sins to Christ on the cross which results in the judicial imputation of the Righteousness of God as a result of FAITH alone in Christ alone. This sets up the Grace Pipeline and provides the [Logistical Grace](#) rationale whereby believers must understand the RESPONSIBILITY of God for their support and the mechanics of how and why it occurs. As a result of the Logistical Grace support from God for the believer's entire life on earth after salvation, he has the POTENTIAL for spiritual advance to [Maturity Adjustment to the Justice of God](#) and when he receives and metabolizes all the Bible Doctrine necessary he has the second Confidence (hope) of incredible blessings awaiting him upon his reaching spiritual maturity. In this portion of the Spiritual Life he must have support from the Laws of Divine Establishment and Divine Institutions and the freedom they provide to enable him to take in Bible Doctrine on a consistent basis. Along with this he also receives Logistical Grace from God for the explicit purpose of keeping him alive and providing for his needs, including the Doctrines or thinking of Christ, ([1Cor 2:16](#)) to allow him to make the advance to Maturity Adjustment to the Justice of God.

The Z radical begins after reaching Maturity Adjustment to the Justice of God through the accumulation of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. In this phase of the Spiritual Life the believer continues to have the Laws of Divine Establishment, Divine Institutions and the Logistical Grace support from X and Y Radicals of the Plan of God. Added to this are the unimaginable benefits of Spiritual Maturity as Super or Ultra Super – Grace Blessings for his support and enjoyment under 6 magnificent categories. It is the Eternal Life imputed to the believer at Salvation Adjustment to the Justice of God when combined with the Super – Grace blessings of Maturity Adjustment to the Justice of God which results in the potential for incredible blessing in eternity which will glorify God forever. The doctrines acquired in moving toward and after reaching Maturity Adjustment to the Justice of God give the believer the Confidence (hope) of actually receiving these Eternal Blessing and Rewards as imputations to his Resurrection Body above and beyond the fantastic blessing of just receiving the Resurrection Body.

Therefore it is clear that in the Plan of God there are the Laws of Divine Establishment, Divine Institutions, Logistical Grace Blessing support, Super-Grace Blessings in 6 categories and Eternal Life provided by God, so that at each step in the Plan of God each support factor is added to the prior ones in order to sustain the believer in the Plan of God in this intensified stage of the Angelic Conflict Appeal Trial. Therefore, the ROOT of the TREE, The Lord Jesus, The Christ ALONE, supports the believer, he does not support the root, and HE depends on the Plan of God but the Plan of God DOES NOT DEPEND ON HIM. The obvious rational conclusion is that to assume superiority over the Jew (or anyone else for that matter) for any reason and despite their being under the 'Great Inversion' as a result of the 5<sup>th</sup> cycle of Divine Discipline, is complete Arrogance on the part of the believer.

## The Great Inversion

Therefore, the 'Great Inversion' is defined as a reversal of position between Jew and gentile regarding client or priest nation status and the contrast is between the Age of Israel and the Church Age. This is, in fact, a reversal of position between Jew and gentile both individually and collectively. ([Rom 11](#)) The Jewish age found Israel as priest or client nation to God and gentiles were to be evangelized by Jews. The Inversion in the Church Age finds gentile nations as client nations to God and both the Jew and gentiles to be evangelized by gentiles. The Inversion of the Church Age included The Lord Jesus, The Christ as God of Israel, the God of Abraham, Isaac and Jacob, blessing gentile believers and punishing Jewish unbelievers sometimes to the intensity level called a holocaust. There are several categories of Inversion in this Church Age:

- ✧ A == reversal of the client or priest nation status where gentiles ONLY become client nations to God during the times of the gentiles in the Church Age or the Age of the Royal Family of God.
- ✧ B == reversal of relationship with God where gentile believers are Royal Family of God while Jewish unbelievers have no relationship with God.
  - There are always marvelous exceptions when any Jew believes in The Lord Jesus, The Christ and this must be encouraged and is delightful and thus Jewish BELIEVERS not involved in the Inversion but also become members of the Royal Family of God in this Church Age.
  - In the Church Age for every Jew who believes in Christ there are thousands of gentiles who do so, whereas, in the beginning of the Jewish client nation in the exodus there were Jews who vastly outnumbered gentiles as believers.
- ✧ C == reversal of position where gentiles by faith in The Lord Jesus, The Christ possess the Righteousness of God and Jews by rejecting the Lord and following and adhering to the rituals of the Mosaic Law possess only Self Righteousness.
  - The great spiritual heritage of the Jew is not in the ritual of the Mosaic Law and the ritual merely illustrates the bible doctrine which is the heritage but the Jews, in a form of [Religious](#) legalism, reject the doctrine and accept the only the ritual. They scoop off the ritual which they still follow today in Self Righteousness and reject the doctrine. However, the gentiles believed the doctrine thus they have the Righteousness of God and the Jew only their own Self Righteousness.
- ✧ D == reversal of the order where gentiles under Salvation Adjustment to the Justice of God become Royal Family of God while unsaved Jews are completely excluded from the family of God and where the times of gentiles precedes the restoration of Israel in the millennium.

The uniqueness of The Lord Jesus, The Christ is in the Hypostatic Union and he is God but also true humanity blended together. The Jews, during the life of Christ on earth, actually saw him, but still, even in seeing him, rejected him and therefore tripped over him and then got up and kept going their own way. They saw him in the flesh, he was completely documented and explained in their spiritual heritage of the Old Testament Scripture in his uniqueness of virgin birth, Hypostatic Union, ministry on the earth, teaching Bible Doctrine, his trials, crucifixion and Substitutionary Spiritual Death and ultimate physical death fulfilling the prophecies of

Isaiah. Then his resurrection, ascension and session at the right hand of God the Father; and yet seeing all this, for the rest of their lives they still rejected it and he became their stumbling block.

### **The Stumbling Stone and The Great Inversion**

The Lord Jesus, The Christ is the precious stone of salvation, who provides Absolute Righteousness to the believer, which the Jews stumble over while they are pursuing the perfect adherence to the Mosaic Law which produces for them negative Self Righteousness. The Jew stumbling over the STONE is in their rejection of The Lord Jesus, The Christ and is where the necessity for and beginning of the Inversion comes from. The Rock of Salvation was given to the Jews as the Christ in Hypostatic Union. These Jews at that time were out chasing the Mosaic Law trying to be saved by keeping the law so that they stumbled over the Rock of Salvation and therefore to this day continue to be stuck with minus righteousness. The gentiles came along seeing the Rock of Salvation and said this was what they had been looking for. They then, through nonmeritorious faith alone, believed in the Substitutionary Spiritual Death of Christ and received by judicial imputation the Absolute Righteousness of God. The gentile having no heritage or background in the Spiritual Life suddenly has all the value and the Jew with all the background heritage suddenly has nothing.

The Old Testament Scripture has everything in it that God intended for the Jew to have and everything is explained regarding anything he would ever need or ever face. ([Is 28:16](#), [Is 8:14](#)) The only thing not given the Jews were the doctrines concerning the intercalation of the Church Age. Everything the Jew would ever need for fulfilling the [Equation of Hope Plan of God](#) was provided for them and explained in the Old Testament Scripture. This emphasizes the reality of the ministry of God the Holy Spirit in verbal plenary inspiration for both Isaiah and Paul along with all the other writers in both the Old Testament Scripture and the New Testament Scripture.

It is the objective of Satan to frustrate Eschatology (prophecy) and his plan is to destroy the Jew in Human History and thereby hinder any possibility of any Jew being alive at the 2<sup>nd</sup> advent or living through the tribulation or even living in the Church Age. This would prevent God from fulfilling his unconditional promises to the Jews and thus provide a WIN for Satan in the Angelic Conflict Appeal Trial. Therefore, antisemitism is a major part of the master plan of Satan to destroy the Jew and frustrate the future Eschatology of Israel. God has said that when Christ returns to the earth He WILL fulfill the promises to the Jews including giving them the entire middle eastern nations of today as their lands. It is Satan's objective to cut off this Eschatology for the Jew and anyone who becomes involved in antisemitism has simply become a pawn in the master plan of Satan. Any involvement in antisemitism is acceptance of and function totally within Evil and a major part of Inversion Arrogance. It is true there will be on occasion in history Big Blot Outs and therefore Inversion Divine Discipline for Jews but always remember, GOD does not need any help to discipline the Jews and any involvement in Inversion Arrogance with persecution of Jews is always involvement in Satan's conspiracy to frustrate the Plan of God. True Jews have always been and still are those who are regenerate through Salvation Adjustment to the Justice of God while false Jews have the genes of

Abraham, Isaac and Jacob but have rejected Christ and thus are in the Big Blot Out and eventually this becomes their judgment of Inversion. Only by Adjustment to the Justice of God through faith in Christ can any Jew enter into the pattern of heritage provided by Abraham, Isaac and Jacob. Therefore, the Jew has no advantage in life or history *unless* he believes in Christ, however, Grace is never canceled for any Jew thus there is hope for all Jews in all dispensations.

### **Divine Discipline for the Inversion**

What one wants, strives for, cheats for, lies for and performs all sorts of functions from Evil to acquire, instead of getting, he receives Divine Discipline and the person who follows Grace principles comes along and acquires all these things without any effort on his part. Part of the Inversion Divine Discipline is the resultant **Jealousy** which occurs because of this. Inversion Divine Discipline always takes what one wants and gives it to someone he does not like. This is a beautiful type of Divine Discipline and is what people functioning under Arrogance get from God. Inversion Divine Discipline takes a person who is proud of some ability or attractiveness they possess and makes someone else much greater than they with ½ of their abilities. If one is a ‘plugger’ in life there is very little chance of his becoming involved in Inversion Divine Discipline. However, if one has any propensity for **Pride** or Jealousy he will feel, sooner or later, the sting of Inversion Divine Discipline.

There is constant talk about how wonderful the people in this country are and then they can be seen beating each other while standing in line for gasoline or engaging in riots and rampant looting in places like Ferguson Missouri or seeing them “sit in” as occurred in New York City or burn to the ground cities like in Wisconsin. In any client nation, once the pivot shrinks the worst animals in the world, the sophisticated, cultured, nice people of the client nation, begin to run amok and destroy what is around them. These are animals in their souls and it is an easy transition from cultured liberalism to animalism. When any client nation goes down in history the internal collapse is AWESOME to observe, and the horrible things which happen are unimaginable. There are historical records of just such a collapse from Josephus regarding the siege of Jerusalem in AD 70. This is what happens to sophisticated people when Arrogance becomes the initiating factor leading to Inversion and then moving them from Inversion to destruction. Inversion Divine Discipline resulted, for the Jews many times in history, as a result of their rejection of the Gospel of Christ after understanding the Gospel from their Old Testament Scripture heritage, so that behind this rejection is always Arrogance. Arrogance rejects Absolute Truth and Arrogance, as the sin of Satan, is how He resisted the truth. The Jews understood the Gospel of Christ before they rejected it and they were brilliant also having the greatest spiritual heritage of any nation in history but in their rejection they entered an intense period of Inversion Divine Discipline.

The Integrity of God judges the Big Blot Out in both time and eternity and does not need the believer involved in the Arrogance of Inversion nor anyone involved in Antisemitism to help him. First in sequence is Divine Discipline judgment on the Big Blot Out. Such Divine Discipline demonstrates that Israel heard and understood what they heard and rejected it as stage 1 of **Black out of the Soul** leading to **Scar Tissue of the Soul**. Having rejected the

Gospel, which they understood, they came to believe the LIE that there was no 1<sup>st</sup> advent and this is the Big Blot Out and results in maximum Scar Tissue of the Soul. The Big Blot Out is dramatized by the 'Great Inversion' and is also found in the Old Testament Scripture in which the reversal of position between Jew and gentile became the basis for punishing the Jew and blessing the gentile.

There is ongoing severe divine judgment on the Jews as a result of the great Inversion:

- Jews and gentiles change roles in the Plan of God.
  - The Jews had perfect spiritual heritage and by the time a Jew reached age 7 he had been thoroughly inculcated with the Gospel of Christ. The Jewish child thoroughly understood the Gospel and as he grew older totally rejected it and each time he rejected it he developed more Black out of the Soul and built more Scar Tissue of the Soul. What he started out understanding in the Gospel, after Scar Tissue of the Soul developed he no longer understood and therefore accepted only the LIE of legalistic false teaching.
  - The gentile had no spiritual heritage from the Old Testament Scripture and its prophets and teachers but at God Consciousness expressed Positive Volition and thus God was OBLIGATED to provide the Gospel. Many times the Gospel was presented to the gentiles by Jewish missionaries such as Daniel but most often in the Old Testament Scripture by other means. When the Gospel was presented to the gentile who had expressed Positive Volition at God Consciousness, he most often accepted the Substitutionary Spiritual Death of Christ and responded instantly with Positive Volition and because of this he entered into the Equation of Hope Plan of God and again God was required to provide more information as biblical doctrines.

Such a person is very well known in history, Cyrus the Great of Persia and his people advanced to Maturity Adjustment to the Justice of God and had the light from Perception, Cognition, Inculcation & Metabolization of Bible Doctrine and with it had great blessing, instead of the cursing of the unbeliever Jews, who at that time were under the 5<sup>th</sup> cycle of Divine Discipline in the Babylonian captivity. Thus, there was the gentile accepting what the Jew rejected and exploiting it to the point of receiving maximum blessing while the Jew by continuous rejection only knew the extent of the wrath of God in time to be continued forever in eternity when he died as an unbeliever. As a result the Jew became Jealous of the gentiles who fulfilled this principle. The Jews were Jealous of Cyrus, Nebuchadnezzar and the Assyrians after Jonah. These are prophecies of judgment expected to occur when Jews fall into the Big Blot Out. When they reject The Lord Jesus, The Christ and blot out the 1<sup>st</sup> advent in their soul they are punished by Inversion where there is salvation and blessing for those they scorn with their Arrogance. Arrogance thereby distorts Truth into something which becomes false in their souls and despite this scorn and their Arrogance, the gentile believers have blessing from God and the Jew because of Negative Volition loses out. God wants to bless Israel but the Point of Reference for all mankind is the Justice of God and God is always fair and even uses the Jealousy of Israel and turns it around onto themselves as their discipline. Therefore the punishment for Jews occurs by means of Inversion HOWEVER, involvement in Inversion Arrogance will put the gentile believer into the line of fire of that discipline as a result of

taking on the prerogative of God to persecute, condemn or judge the Jew while he is under the discipline of the 5<sup>th</sup> cycle.

This Inversion produces a special kind of Divine Discipline which is Divine Discipline by Inversion. If one is or has been in love with another and has lost them because of Arrogance and then looks down on or criticizes the individual who has won this true love from him and becomes Jealous, vindictive, implacable and thus motivated for revenge with regard to that individual, this brings him to Bitterness and this is judgment by Inversion. Arrogance is the ONLY system which has its own mechanism of judgment initiated by the one who enters into Arrogance. Saying or thinking one is better or can do something better than other people is in itself punishment by Inversion and he becomes his own worst enemy and harbors sins from his Arrogance involvement. One of the worst things ever to happen to a smart person is to have one of inferior mentality outdo them in some way, at some time, some how. This is what happens to Israel throughout every generation because of the Big Blot Out having as its foundation, Arrogance.

What Israel was responsible to do in prior dispensations, gentile nations have responsibility for today. Inversions are always used for Divine Discipline and create tremendous systems of Divine Discipline by taking away something which one has formerly had and removing his purpose for life. This brings on attitudes which can cause incredible Self Induced Misery from entanglement in the Interlocking System of Arrogance especially from Jealousy. When the offer of Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus, The Christ is rejected Arrogance takes the rejector on an ego trip and he develops and functions under a self devised system of Self Righteousness involving a myriad of human effort works as the basis for pseudo salvation. When the Jew does this he moves away from his heritage and then the gentile comes along without any background and no heritage from the Mosaic Law, the The Old Testament Word of God nor the Prophets and he, by simply expressing faith alone in The Lord Jesus, The Christ alone, receives what the Jew bypassed in his Arrogance. This therefore establishes the principle of judgment by Inversion.

Since AD 70 there has not been and will not be Israel as a client or priest nation to God until the 2<sup>nd</sup> advent of The Lord Jesus, The Christ at the beginning of the millennium. The great Inversion which occurred on occasion in the Old Testament Scripture times continues throughout the entire Church Age and Tribulation. There is, continuing today, a reversal of position where gentiles by faith in Christ possess the Righteousness of God and Jews by rejecting Christ and keeping the rules of the law and following the rituals of the law possess only Self Righteousness.

### **Divine Discipline for the Arrogance of Inversion**

The more one says no to the truth like Amenhotep II did during the Exodus, the more he builds layer on layer of Scar Tissue of the Soul which intensifies his Arrogance and therefore, the greater the Arrogance build up, the greater the acceptance of the LIE from Evil. Blindness has happened to Israel but it can also happen to any believer when he rejects doctrine or any unbeliever who rejects the Laws of Divine Establishment or Divine Institutions. When this then

results in those of inferior status taking over for those of superior status in Inversion Discipline and then the inferior ones condemn and ridicule those who have lost their position or status, these inferior ones are then subject to discipline themselves for their function in the Arrogance of Inversion.

This is not always recorded in detail but it can be found it in the study of Daniel, Jeremiah and Jonah. As a result there will be in heaven gentiles in every generation of Human History who found The Lord Jesus, The Christ as savior through faith in Christ totally apart from client nation Israel as a result of Amenhotep II consistently rejecting the Doctrine of the Gospel of Christ. This is what has resulted in Inversion Divine Discipline for the Jews throughout Human History. When Israel failed to function in sending out missionaries for evangelizing of other nations where Gentiles had Positive Volition at God Consciousness, God never would let this Positive Volition die without giving the opportunity for faith in alone in The Lord Jesus, The Christ alone and he used other means and circumstances in order to reach these people with the Gospel of Christ. This Inversion which occurs whenever the Jews are in apostasy and have built up collective Arrogance results in Jealousy and many other aspects of [Mental Attitude Arrogance](#) with small petty Mental Attitude Sins and with its origin in Arrogance is most certainly not petty in its ramifications. In the rhetorical and logical order of [Rom 10:20](#) emphasis is placed on the salvation of the gentiles apart from the client nation function of Israel and is a part of the principle resulting in Inversion. This therefore emphasizes Inversion and reminds Israel that even though they are in the Plan of God, when they reject the Plan of God, GOD will get along perfectly without them. This then also reminds Church Age believers that they have no right to say in Arrogance that God cannot get along without them or that if they fail, the Plan of God may also fail, so they must do some specific things to ensure that the Plan of God continues because of their personal efforts. This is Arrogance and puts the believer so involved in line for his own Inversion Divine Discipline. This Divine Discipline for both Jew and the gentile believers should remind every believer that he has NO RIGHT to judge the Jew just because he is under a prolonged Divine Discipline of the 5<sup>th</sup> cycle of Divine Discipline.

Inversion Arrogance has 2 parts to consider. First, consistent rejection of the ABSOLUTE TRUTH of the Gospel of Christ or any aspect of Bible Doctrine can result in Inversion Divine Discipline where what one desires is given to one of less ability. Second, when one receives blessing which should have been received by another as a result of the other being under Inversion Divine Discipline, and then persecutes, criticizes, condemns this other, as often occurs in Antisemitism, this one then receives his own intensive Divine Discipline as a result of the Inversion Arrogance of assuming the prerogative of God for disciplining the rejector. Both must be avoided by the advancing believer.

## Gate #47 – The Arrogance of Evil Obsession

### Achtung Minden (Attention, Mines)

There are 3 Arrogance Skills but the believer does not always enter into the use of the Arrogance Skills in life in the established order. Unrealistic Expectations makes one vulnerable to Disenchantment and Disillusion. Role Model Arrogance makes one vulnerable to the feet of clay syndrome. Iconoclastic Arrogance makes one vulnerable to the “Lucifer” syndrome which is an interaction between power and approbation lust and is one of the most disastrous things which can occur in the Spiritual Life. Lucifer’s fall began with a thought which was encapsulated in the Arrogance of Egocentricity within the 3rd Arrogance Skill, Self Absorption which came from the tremendous approbation he received from millions of angelic creatures. (Is 14:14) He began thinking in terms of revolt against God long before he did any true revolting. This was the result of Satan's Unrealistic Expectation that he could actually overthrow the most high God in total self absorption. He thus started with the 3rd Arrogance Skill of self absorption and then moved to the 1st Arrogance Skill of Self Justification which was his egocentric Arrogance combined with Self Deception. His leading the Prehistoric Angelic Revolution was designed to establish justification for his power and approbation lust. When one comes to realize how to seize power and then uses it to turn it into glorification of one's own self in approbation lust the course of action is then an Evil OBSESSION, and whomever possesses it must Justify it.

Anyone as smart as Satan cannot enter Obsessive Evil without Justifying what he is doing. Since the Fall of Satan and with the fall of man in the garden, motivation in rational creatures both Angelic and Human has generally centered in functioning under the Arrogance Skills. Self Justification is clearly demonstrated in Satan’s Appeal of the sentencing by God of Himself and all the Fallen angels to the lake of Fire after the Trial for his Rebellion and also, subsequently, his capturing of the rulership of this world from Ish (Adam). Mankind was placed here to resolve the Appeal of the Judgment of Satan under the legitimate function of PERSONAL FREEDOM, Individual Privacy and uncoerced Volition. In the Garden Adam and Ishah had only 1 Prohibition to test their volition, the Tree of the Knowledge of Good and Evil, which was the physical representation of Satan’s Plan and Policy to rule Angelic Creatures and ultimately this World during the Appeal Trial. The ONE thing that man did not need under a creation relationship with God through the Love of God was knowledge of this satanic plan and policy of Good and Evil. The moment that Ish and Ishah (Eve) partook of the Fruit of the Tree of the Knowledge of Good and Evil, thereby choosing the system of Good and Evil over the system of Grace from God, they also earned the condemnation of God which He declared in his warning to them, 'Dying you shall die'. Ish and Ishah could have lived an unending life in the garden having everything provided by the Love of God under the system of GRACE. However, as a result of their choosing Satan’s plan they died Spiritually and no longer had a personal relationship with God and would therefore eventually die Physically. This spiritual death of man thus turned the Rulership of the World over to Satan who had objectives for creating a perfect world just like the one created by God in the garden and promised by God for the Millennium. He wanted a perfect environment with a perfect government but he wanted it totally APART FROM God.

For Satan, Self Deception was the assumption that his creative genius and maximum angelic power under his plan and policy of Evil combined with creature admiration would somehow overcome the most high God in Human History. His Self Absorption eventually assumed that even in his failing to prevent the Virgin Birth of Christ, which was Prophesied to Adam and Eve, by the attempted destruction of the Line of Christ from Adam and Eve, he would have the power to head off the Substitutionary Spiritual Death of Christ on the cross by motivating the religious leaders to Stone Jesus to death. Apparently he forgot that The Lord Jesus, The Christ controls Human and Angelic History. Then at the cross God the Father imputed all human sins to Christ and all were Judged in his humanity and the payment of the Substitutionary Spiritual Death of Christ was accepted by God the Father. This resulted in making SIN, a function of the soul stimulated by temptation from the Area of Weakness of the Old Sin Nature, a NONISSUE for mankind in the Angelic Conflict Appeal Trial. The issue for all mankind remained the Plan of God, GRACE vs the Plan of Satan, Evil, Divine Good production under the Grace system vs Human Good production under the Evil system, residence and function in the Power system of God the Divine Dynasphere vs residence and function in the Power systems of Satan the Cosmic Dynaspheres. This provided mankind the option of choosing for God or Satan by accepting or rejecting the Substitutionary Spiritual Death of Christ on the cross, the Basis for Salvation Adjustment to the Justice of God. Satan's self absorption syndrome and Evil Obsession is alive and well today as he continues to oppose the Plan of God and all believers who advance in the Spiritual Life to Maturity Adjustment to the Justice of God.

### **The Pattern of Evil Obsession**

Evil obsession combines Role Model Arrogance with Unrealistic Expectations and as a result leads to the [Feet of Clay Syndrome](#), the shock of one's created Idol not being able to live up to the standards of perfection required by his Unrealistic Expectations. This starts out with a negative reaction to the feet of clay of the Idol which begins with that Evil power of Unrealistic Expectations and then further reacts with a greater negative reaction and results in function in Iconoclastic Arrogance. This destructive function begins with malice, admiration turned into hate, revenge, vituperation, vilification, violence and eventually even murder. This Evil Obsession requires Self Justification, which then results in Self Deception, and ultimately leads to and requires Self Absorption. This is what provides the Energy for the Iconoclastic Arrogant destruction of the self made Idol. Self Absorption is an endless source of energy for Evil and keeps the soul cycling through the Arrogance Skills. Self Absorption results inevitably in intensification of the Evil Obsession.

The Discovery of a NEW Evil power in negative reaction to the self created Idol is the result of [Legalism](#) which produces a Lifestyle under this power including [Crusader Arrogance](#), [Self Righteous Arrogance](#), and any and every category of Arrogance. This Crusader Arrogance develops a pseudo self esteem which creates an idol of perfection out of self. The power derived from Iconoclasm results in a sense of perfection for the iconoclastic individual. Then, having occupied the idol's vacated pedestal in a state of Self Righteous Arrogance this new found system of power from Iconoclastic Arrogance becomes Crusader Arrogance in action. This results in destruction of the Spiritual Life. ([1John 1:8](#) + [1John 1:10](#)) This is necessary to bolster the Arrogance which confirms that the iconoclast is never wrong. This is the function

of Self Deception which strengthens Self Absorption and provides extra motivation and the expanded energy for the Evil Obsession. This Self Deception combines with the Evil of Legalism to justify the destruction of all of those in disagreement with the standards set up by the iconoclast. This escalates to the point of indescribable persecution, to the extent of deprivation of privacy, freedom, confiscation of property, murder very often all in the name of the Lord. This level of Evil Obsession is the Torquemada Syndrome, or the Nazi Holocaust Syndrome, or the Stalinist or Mao Tse Tung Communist Syndromes.

Rapid spiritual decline results from this Obsession and it all develops rapidly from Iconoclastic Arrogance. Iconoclastic Arrogance sweeps all the traces of the former idol from the pedestal replacing him with the iconoclast. Once a believer gets into the System of the Arrogance Skills he moves rapidly through [Reversionism](#) and functions constantly under the last 5 stages of Reversionism which systematically and totally destroy all the Doctrine which has ever been metabolized into the Stream of Consciousness of the Soul. ([Phil 3:18-19](#)) Ultimately the Legalistic Believer in [Reverse Process Reversionism](#) cannot be distinguished from the Unbeliever. The Fall of Lucifer, Son of the Morning, sets the pattern and precedence for all of this. ([Is 14:12-14](#), [James 4:6](#), [1Pet 5:5](#), [Luke 4:5-7](#), [John 12:31](#), [John 14:30](#), [John 16:11](#)) What the believer as an iconoclast fails to recognize and appreciate is that "God makes war against the arrogant believer but he gives GRACE to the humble believer". ([1Pet 5:5-6](#)) Lucifer as ruler of this world has placed himself on a pedestal as a role model for all producers of Human Good. Human Good is the basis for the condemnation of the unbeliever at the Great White Throne Judgment, those being the only humans involved at the Last Judgment. ([John 3:18](#)) Sin is not ever the issue in eternal condemnation since The Lord Jesus, The Christ has already been judged for and paid the penalty for all the sins of humanity. Satan believed, in Arrogance, that he could defeat God. His attempts included cutting off The Lord Jesus, The Christ from the lineage of Adam through David by angelic genetic infiltration of the Nephilim to corrupt the genetics of the Human Race. Through antisemitism he attempts to destroy the Jews thereby preventing fulfillment of the unconditional covenants of God to Israel. From his pedestal above all others he continues using the 3 Arrogance Skills, Self Justification, Self Deception, and Self Absorption to attempt to fulfill his plan and policy. Satan is in business to produce a system of Good equal to or better than God, his product is Human Good under his policy and plan of EVIL in the form of socialism, communism, welfare functions, bleeding heart do good liberalism, etc., aimed at the betterment of mankind and production of a pseudo millennium before the 2<sup>nd</sup> Advent of Christ. The total absence of Human Good is one of the greatest characteristics of the Millennial reign of The Lord Jesus, The Christ. Evil Obsession therefore gains momentum through other thoughts encapsulated by Evil, and this system must be wrapped in the Arrogance of Human Good production and Legalism.

### **Establishment & Spiritual Solutions to Evil Obsessions**

There are true solutions to all things in life and false solutions. The true solutions are Establishment Solutions to Evil Obsessions based on Limited Government with [Virtuous](#) People which is the product of the principles of Divine Establishment delineated in the Word of God. In this manner Freedom spawned by virtue is protected by limited Government as the Servant of the people and the Guardian of Freedom. There are also Spiritual Solutions to Evil

Obsessions based on the mechanics provided by the Integrity of God in Eternity Past and clearly delineated in the New Testament Scripture epistles including the use of the 2 Power Options of the [Filling of God the Holy Spirit](#) and [Metabolized Bible Doctrine](#); function under the [4 Spiritual Skills](#) which include development and deploying of the [10 Problem Solving Devices](#) and execution of the [Protocol Plan of God](#) by the believer reaching [Maturity Adjustment to the Justice of God](#). This results in Maximum Glorification of God based on his provision of maximum blessing in time to the Mature Invisible Hero in the client nation.

### **True Solutions**

The Elative conclusion exemplifies the position which the believer must take in solving all problems and pressures in his life. The solutions of God are the only solutions for the believer and human solutions are NO SOLUTIONS at all. For the believer, Evil Obsession involving Iconoclastic Arrogance and other aspects of [Functional Arrogance](#) as a lifestyle destroys all ability to make proper decisions and destroys all values based on Bible Doctrine. The Key to the Evil Obsession is based on functions in the Interlocking System of Arrogance and under the Arrogance Skills along with Emotional Arrogance destroying Love and replacing it with Hate. When functioning under Evil Obsession Arrogance the believer will fragment and totally destroy his Spiritual Life. The Arrogance of Unrealistic Expectations provides vulnerability to Role Model Arrogance and this provides vulnerability to the Feet of Clay Syndrome. The Feet of Clay syndrome therefore provides entrance into the “Lucifer Syndrome”. This is the pattern of the Egocentric Arrogance of Satan’s fall elucidated in [Is 14:14](#) and demonstrates Self absorption and his development of the Interlocking System of Arrogance and Arrogance Skills.

The primary solution to Evil Obsession Arrogance begins with Faith alone in The Lord Jesus, The Christ alone thereby the unbeliever making [Salvation Adjustment to the Justice of God](#). After Salvation Adjustment to the Justice of God the new believer must engage in and set as first priority his Post Salvation Epistemological Rehabilitation by consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. This enables him to function in the Spiritual Life and advance in it through use of the Spiritual Skills including especially the Problem Solving Devices to execute to completion the Protocol Plan of God by reaching Maturity Adjustment to the Justice of God. Evil Obsession Arrogance can only be halted by the Spiritual Mechanics provided by the Integrity of God in Eternity Past and by function under the portfolio of [IRREVOCABLE Assets](#) provided for each believer at Salvation Adjustment to the Justice of God. In the execution of the Spiritual Life in time the believer must advance consistently through the [Stages of the Spiritual Life](#) in order to avoid Evil Obsession Arrogance.

### **Gate #48 – The Arrogance Involving Psychopathic Disorders**

Psychopathic Arrogance is one of the most devastating fragments of the Interlocking System of Arrogance Grenade and extremely destructive to both the temporal and spiritual life of the individual. Psychopathic Arrogance is cultivated by decisions related to self based on

Selfishness, [Self Righteousness](#), [Hypersensitivity](#), ETC., which produce intensified [Motivational Arrogance](#) as any aspect of [Mental Attitude Arrogance](#) with its Mental Attitude Sins. Psychopathic Arrogance is therefore a total loss of Reality Orientation.

MANY believers who are psychopathic are characterized by a volitional drive toward unreality. Their Arrogant thinking results in irrationality and psychosis and generally starts with a Mental Attitude change so that the result of cultivating Arrogance from childhood results inevitably in psychosis. Arrogant preoccupation with self then squeezes out reality from the life and this leads to a drive toward a false object like when a psychopathic individual falls in love with someone in their periphery and makes them the object of hallucinatory fantasies. As a result of the pursuit of this object with fanatical love this arrogant psychopath loses all reasoning power and moral stability. This is the psychopathic believer under the influence of EVIL in the Cosmic Dynaspheres pursuing a false object with irrationality, unpredictability and abnormal behavior. There is also true psychosis and pseudo psychosis. ([Ps 38:8](#)) When a person is totally influenced by EVIL within the Interlocking System of Arrogance he will have the symptoms of mental illness. Psychiatrists will upon analysis of this person classify this as some sort of mental illness and as true psychosis. This is in fact pseudo psychosis and requires proper recovery with the use of the [Rebound Procedure](#) and consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine, for the believer, or Salvation Adjustment to the Justice of God for the unbeliever. However, there will be Divine Discipline as added pressure for this person over and above his psychosis. Psychopathic Arrogance is total divorcement from reality, [Egocentricity](#), total subjective preoccupation with self with the emotions controlling reason, and a total imbalance and instability in the soul. This is [Emotional Revolt of the Soul](#) and is stage 5 of Reversionism interlocked with Psychopathic Arrogance. In the normal person the emotion is designed to be a responder to things which are appreciated by the intellect of the soul. Therefore the intellect is supposed to control the emotion in the soul. This blends the emotional life with the intellectual life maintaining proper balance. In the psychopathic person this normal subordination of emotion to intellect is not present due to the individual declining down through [Reversionism](#) to the point of stage 5. The psychopathic personality lacks the ability to realistically orient to the object of their emotional reactions. This produces an arrogant preoccupation or drive toward a false object and through intensification of this drive reason no longer governs their actions. This is the psychopathic person who thinks they are in love with their doctor, the female bartender or anyone who is casually in their periphery and who gives them the least bit of attention. Pursuing this false object with pseudo love fanaticism the arrogant psychopath loses all objectivity and reasoning power. The psychopath under the influence of the Interlocking System of Arrogance pursues the false object with irrationality and UNPREDICTABILITY. Psychopathic Arrogance has no capacity for true love and this lack of capacity becomes preoccupation with self gratification and rejection of all authority. A teenager, when he demands rights from his parents and consistently violates their authority and ignores the teaching of his parents, will inevitably accelerate his advance into the realm of Psychopathic Arrogance. These people are so totally divorced from reality that they can never survive any major disaster.

### **Terminology of Psychopathic Arrogance**

**Psychopathy** – is a general term for mental illness, mental disturbances or mental disorders. Specifically, this is used for mental disorders characterized by Emotional Instability, perversity of conduct, undue conceit, undue suspicions, lack of self control, lack of social orientation, lack of truthfulness and lack of common sense. This is extreme abnormal sensitivity or having susceptibility to strong religious emotion.

**Psychosis** – refers to Mental Diseases or Serious mental derangement

This has no legal implication like the term INSANITY.

**Prepsychotic Personality** – Is both a subjective and inhibited individual.

These Individuals chronically worry, are always stubborn, intolerant and inflexible and lack any sense of humor. They are characterized by rigidity, acting with a neurotic defense plus Self Righteous Arrogance and perfectionism alternating with **Guilt**. They are irritable, peevish, querulous, habitually complaining thus interlock with the **Arrogance of Complaining**, unable to concentrate, depressed and full of paranoid ideas. Being filled with Anxiety and **Fear** they tend toward hypochondria as morbid anxiety about one's own health and conjure up imagery of all sorts of personal illnesses.

### **Rational vs Irrational Arrogance**

Rational & Irrational Arrogance are fragments of the Arrogance Grenade as Motivational Arrogance or Motivational Degeneracy because Rational and Irrational Arrogance are involved with processes of thinking. In all cases of Arrogance involvement it involves a system of thinking first. When there is THOUGHT occurring in Cosmic Dynasphere I it is Rational Arrogance and when there is Emotion occurring this is Irrational Arrogance. This is inevitably the result of the interlocking of many aspects of Mental Attitude Arrogance and its Mental Attitude Sins as Motivational Arrogance derived from Evil and is totally aberrant thinking.

### **Psychopathic Arrogance & Love**

Egocentricity is typical of most psychopaths and they become involved in complete and total selfcenteredness and subjectivity. The person involved in psychopathic Arrogance relates all things to self and is totally self centered with no reality except self and what self desires. True love and friendship are absolutely impossible for the arrogant psychopath. They can be extremely pious and make absurd claims for spirituality which they often say gives them supernatural powers. Very often these people, in their pseudo spiritual realm, hear the voice of God telling them to do things. In Christian schools the female often hears the voice of God telling her to go and tell some boy she is infatuated with that he is supposed to marry her. This is emotion controlling the soul and overriding the mentality of the Right Lobe of the Stream of Consciousness of the Soul. Any believer can become psychopathic through the Interlocking System of Arrogance tying Emotional Arrogance into Reversionism.

### **Psychopathic Arrogance & Medicine**

Today the medical community considers that psychopathic conditions are only the result of chemical or metabolic imbalances. They reject the concept that people can make decisions which will result in their thinking changing and thus entering into psychopathic conditions. In reality many people become psychopathic because of their own decisions in life. Normally the

Intellect controls the soul and the emotions. When this does not occur and decision are made so that emotion dominates and is running the soul and not being responsive to the intellect, this is a psychopathic condition. The normal subordination of the emotion to the intellect is not occurring because of involvement in the degeneracy of the Interlocking System of Arrogance and the apostasy of Reversionism which includes Emotional Revolt of the Soul.

### **Characteristics of the Psychopathic Personality**

**Medical Instability** == an imbalance in human biology the absence of biological equilibrium, where there is therefore a medical or physiological instability.

**Spiritual Instability** == where there is an oscillation from [Self Righteousness](#) in prosperity to [Self Pity](#), self-sacrifice, self-inflicted torment in adversity or pressure situations interlocking with [Negative Volition Arrogance](#). This instantly OPENS the doors of Reversionism and the Interlocking System of Antagonistic Emotional Hatred, Cosmic Dynasphere II into which the individual will inevitably move IF he remains under Negative Volition and in the Interlocking System of Arrogance long enough. Self Righteous Arrogance and Self Pity in oscillation result in soul instability and fuse to form a Guilt Complex of perpetuated sinfulness which when [Scar Tissue of the Soul](#) is added from deep involvement in Reversionism, it restricts the believer to believing only the LIE of EVIL from the Cosmic Dynaspheres. This results in certain social or racial groups being patronized such as blacks, Hispanics, orientals, homosexuals, etc., in order to give them a special place in society because they are black or white, red or yellow, homosexual or transgender, etc. The reality of life is and should be that people should only be given special consideration because they EARN it from their personal performance. There is nothing that ruins a great man more or faster than unwarranted accolades of greatness infiltrating his soul producing Arrogance.

**Egocentricity** == regarding everything having to be focused on Oneself with LOCKED IN Selfcenteredness therefore only making decisions to enter Arrogance. From this [Arrogance of Thought](#) results neurosis or psychosis directly related to the Interlocking System of Arrogance. This psychopathic personality lacks the ability to realistically relate to the object of their emotional reactions.

**Egoism** == an excessive LOVE of Self which divorces the individual from reality resulting in mental disorders.

**No Self Evaluation** == lack of objectivity therefore no ability to evaluate self effectively having no mirror of [Metabolized Bible Doctrine](#) in the soul in order to reflect on themselves.

**No Bible Doctrine** == the interlocking with Negative Volition Arrogance and entrance into Reversionism results in the eventual erasure of any Metabolized Bible Doctrine which existed in the soul.

**Disorientation to Reality** == having no societal objective standard to live by.

These individuals have no way to see who or what they really are and then use their volition to make the needed corrections. This is the arrogant preoccupation with self, which intensification of this preoccupation or drive results in reason NOT governing actions. The person who tends to being a sociopath or psychopath will constantly be looking for something to stimulate his emotion. If instead they would search for a greater vocabulary, they could solve part of their problem because this would give them greater capacity to think and if this

vocabulary was the result of Bible Doctrine intake it would be a source for their solutions. In these individuals Self Gratification becomes a substitute for honor and integrity and possessing any capacity for life. Here there is an interlocking with [Sexual Arrogance](#) as well.

It must constantly be remembered that insanity can be and often is based on Arrogance and in a book by the Psychiatrist [A. A. Taroui MD](#) “Psychopathic Personality and Neuroses”, the chapter “Neuroses in Light of Rational Psychology” says, “psychopathic personality is a disease of the emotional life”. She has said, in total agreement with biblical principles, that the normal person controls his emotion from his intellect. This blends the emotional life into the intellectual life for appreciation. In the psychopathic personality the normal subordination of the emotion to intellect is deficient or totally lacking therefore results in the person becoming psychotic or neurotic. Emotion takes over for the intellect and in psychoses and neuroses this is the emotion controlling the intellect, this is the Emotional Revolt of the Soul occurring in Reversionism. Therefore the characteristics of psychopathic personality include:

- ▲ Imbalance
- ▲ Instability
- ▲ Egocentricity
- ▲ Entrapment in the Interlocking System of Arrogance.
- ▲ Eventual entrance into Reversionism
- ▲ Ultimate Self Destruction

The Psychopathic Person no longer entertains any subordination to any person or system, and he is generally one who has never been under leadership but only manipulated under bureaucratic management. Today even children are managed and not led by their parents and schools no longer have the ability or legal right to provide leadership. There also very often results in a definitive imbalance in the Psychopathic Person resulting in an absence of biological equilibrium which results in physiological instabilities which cause medical dysfunctions. This is Psychosomatic Illness which has developed a whole category of people who are not ill from physiological dysfunctions but still seek and find medical help for their psychologically caused imbalances and perceived pains. When any person has any tendency toward inordinate preoccupation with self it becomes very easy for them to start into the psychopathic trend of thinking he is ill and this is one of the signs of his divorcement from reality obvious today. [Self justification](#), part of the Arrogance Skills, leads to unreality and once one moves into any area of unreality, which any involvement in Arrogance predisposes him to, then he is a potential psychotic.

The psychopathic personality lacks the ability to realistically evaluate the object of his emotional reactions producing a further Arrogant preoccupation with self and a drive toward a false object. Intensification of Egocentricity in the believer and the drive toward a false object means reason no longer guides his thinking, decisions or actions, especially not from Bible Doctrine. The pursuing of a false object with a pseudo love [Fanaticism](#) interlocks into many areas of the Arrogance complex. This may begin with simple Self Justification when principles of Bible Doctrine are heard but it eventually leads to complete divorcement from reality. This Psychopath, under the influence of [Cosmos Diabolicus](#) and Evil from demon influence, as an

attack on the processes of thought and reason, pursues his false object with irrationality and unpredictability. When this occurs in an entire society, which it has been in the United States of America, that society eventually destroys itself and these Self destructive societies take on many varied characteristics. In order to appreciate what happens to these varied categories of self destructive societies one simply has to consider the DEAD SEA. This is a monument to a THRIVING great civilization of the Pentopolis which gradually moved into total moral and immoral degeneracy. However, Degeneracy does not come instantly but requires the preoccupation with self which occurs first by the collective involvement in the Interlocking System of Arrogance. In the Pentopolis this eventually manifested itself with weird divorcements from reality such as the appearance of misogynists and along with this homosexuality and phallic idolatry which eventually resulted in it being destroyed and set under the dead sea. Therefore, the DEAD SEA is a monument to the fact that a normal civilization, within a couple of generations, can become abnormal, psychotic and totally destroy itself.

The Psychopathic personality also has no capacity for love and cannot maintain an interest in a single member of the opposite sex for prolonged periods of time. They also can not keep friends very long either and as a result of Self Justification from the involvement in the Arrogance Skills they always assign blame for any failures in romance or friendship to the other person. The United States of America for many decades has been developing a collective psychopathic culture with strong preoccupation with self and failure to see others as individual persons. Therefore, an indicator of a peak in Cosmic Dynasphere I involvement is Psychopathic Arrogance and the fragments of the Arrogance grenade resulting from this tears the temporal and spiritual life of the individual trapped here completely apart.

Involuntary Psychosis which begins with depression and then moves into paranoid ideas results in developing a prepsychopathic personality, where one is so preoccupied with self he cannot extricate self from it. He gradually becomes subjective and inhibited as a result of total indifference to Bible Doctrine thereby activating the Arrogance Grenade. The prepsychotic personality becomes very rigid and represents a neurotic defense mechanism with an Arrogance related to perfectionism and Guilt at the same time. Arrogant Preoccupation with self makes this person irritable, peevish, unable to concentrate, depressed, full of anxiety and he thus tends toward being a hypochondriac. This Arrogance has an ambivalence with a desire for both DEATH and LIFE which is a total divorcement from Reality. Psychopathic Arrogance also suffers from ILLUSION and HALLUCINATION and an involuntary paranoid reaction finds this arrogant person in the Cosmic Dynaspheres maliciously critical and always blaming others for what he perceives as their failures and justifying himself while harboring personal hypersensitivity. His involuntary paranoid reactions interlocked from Motivational Arrogance may include:

- ▲ **Jealousy**
- ▲ Lack of forgiveness
- ▲ Resentment
- ▲ **Bitterness**
- ▲ Delusions of persecution

▲ Etc.

This Arrogance may deny or reject a desire or lust but at the same time express it through delusion or hallucination thus creating ambivalence in Arrogance. Schizophrenics can consciously resist an impulse or lust but because of demon influence in the Cosmic Dynaspheres they often carry out the desires in some alternate action such as human sacrifice in phallic idolatry. Psychopathic Arrogance therefore, ultimately lives in a world of fantasy with the unrestrained expression of one's Arrogance and lusts so that he rejects his experiences or actions based in EVIL in the world of reality, claiming no responsibility for them or claiming that they did not even occur. Thus his World of Fantasy justifies actions resulting from functions under EVIL in the world of reality. This is the result of his retreating from the morality of the world of reality, so that he justifies his functions under EVIL in the World of Fantasy. This psychopath is selfish, ungrateful, narcissistic, exhibitionistic, egocentric, demands much and gives little and has no true capacity for life. The psychopath obviously then cannot regard anyone as a true person. Therefore, there can be totally antithetical forms of Psychopathic Arrogance where these individuals want attention and are boastful flippant argumentative, with wandering thought patterns, and can be easily bored and lack sustained interest in anything in life.

The believer in psychotic Arrogance distorts the functions under the Grace Apparatus for Reception, Retention, Recall of Bible Doctrine for Resistance to the Strategies of Satan. The Reception of Bible Doctrine is distorted into acceptance of ONLY what the arrogant believer wants to hear or is interested in. Retention, which is metabolization of Bible Doctrine into the Right Lobe of the Stream of Consciousness of the Soul, only occurs, IF IT OCCURS AT ALL, with regard to ONLY what the Arrogant one decides he will retain or accept. Recall of Bible Doctrine is put into a situation where Arrogance relates Bible Doctrine to both auditory and visual hallucinations. This is the Arrogant believer who has moved into Psychopathic Arrogance who claims to hear the voice of God. All believers living in the Cosmic Dynaspheres come close to or do become involved in Psychopathic Arrogance as they become more and more divorced from reality. As this occurs unchecked in any way there is only one absolute which can bring them out of their illusion, hallucination and psychosis or neurosis, and that is DEATH. DEATH is an absolute and by the time the believer gets to the Sin Unto Death Divine Discipline their life has been completely wasted.

The key defect found in Psychopathic Arrogance is the lack of control of the emotions by the intellect in Emotional Revolt of the Soul. In the normal person the intellect always knows whether the emotional responses are adequate and appropriate or not and is able to maintain a balance. The action involving this regulation is diminished or absent in the psychopathic personality. The psychopath loses all proportionality between stimulation and reaction. Emotion being controlled by intellect results in stability and appreciation while psychopathic persons, in pursuit of their false objects by emotional reaction, can instantly change from an overwhelming love response to unreasonable hatred. ONE CANNOT EVER TRUST OR DEPEND ON A PSYCHOPATH who is totally unstable and can be a friend one minute and a deadly enemy the next. This is typical of psychopaths because they relate everything only to self.

Insanity, therefore, in many cases, is simply enmeshment, entrapment, entanglement in the myriad parts of the Interlocking System of Arrogance. True love and friendship is unknown to the psychopath and they love only to the extent it is to their advantage and provides their needed gratification.

However, most criminals and insane individuals are so because of the use of their free will to become so. These people have used their volition, more than any others, erroneously and refuse to take responsibility for how they have used it. They are the ones who, with their volition, are always selfish and self centered and only think of self and never think of anyone else and are totally hypersensitive about what people think of them and totally insensitive of other people's needs. These individuals can become insane or criminal overnight and this is a part of the megalomania resulting from persistent involvement in the Interlocking System of Arrogance. When one observes insane individuals he must remain cognizant that they most likely got this way because of Arrogance and the use of their own volition to become involved in Arrogance. All people who are having difficult times in life have made their own decisions to get into these difficult times. All Arrogant people, therefore, make decisions to engage in Arrogance functions.

Therefore, the most basic cause for any form of psychopathic or neurotic personality is VOLITION + Arrogance. This is Self Centered Arrogance that is completely divorced from reality and involves the decisions which relate one to a self centered way of life. This is therefore Egocentric involvement in the Interlocking System of Arrogance as the most basic cause for Psychopathic behavior. There may be times when one may encounter some insane psychopathic individual who develops a fixation and preoccupation with him. This individual's preoccupation with one is only exceeded by their preoccupation with themselves. They are reduced to such a LOW level of reasoning power that they can only think of 2 things, self and the object they are preoccupied with, the object of their fanatic system of psychopathic concentration. **Beware!**

### **The Result of Locked In Arrogance**

Therefore ALL insane people get into the Interlocking System of Arrogance because they are totally self centered and choose to be so. This can be spotted developing in children who say they will do what they want any way they want no matter what the parents tell them. This is insanity brought about by volition over time and the rejection and defying of authority. The only thing insane people care about is themselves and what they want to do and this is how they become divorced from reality and go from being sociopathic to neurotic and then finally psychotic. Outside of chemical psychosis no one can become insane and disoriented to society without doing it to themselves through volitional action. The treatment generally used for these people is very poor and even criminally insane people are released back into society in relatively short order today. The increases in psychoses in society is a manifestation of the increase of normal people becoming divorced from reality. When this occurs the client nation is systematically destroying itself. In the past decades there have been very few people left in the United States of America who actually relate to reality and today in the 21<sup>st</sup> century it is vastly worse. The cure for this is the same as the cure for or recovery from the Interlocking

System of Arrogance. It requires for the unbeliever Salvation Adjustment to the Justice of God and for believers consistent Post Salvation Epistemological Rehabilitation and the use of the [Rebound Procedure](#) whenever failure occurs in the Spiritual Life. The only other option is DEATH, the ultimate Absolute Solution!

In the Interlocking System of Arrogance a person cannot enjoy social life, prosperity or any blessing in life. Therefore, once a person enters into the Interlocking System of Arrogance he is potentially completely ruined. The Interlocking System of Arrogance is the most ruinous of things in life for the believer and is much more of a factor in the mental imbalance of psychosis and neuroses than any other cause. Once a person enters the Interlocking System of Arrogance he will move from one entry gate or Arrogance system to another until he is ground down to nothing. God has prepared for believers great protection and recovery from this trap of Arrogance but it **REQUIRES a concentrated and consistent use of positive volition toward Bible Doctrine**. However, the believer who does not recover from this trap ultimately goes down through all the stages of [Reversionism](#) until he dies a horrible, miserable death under maximum Divine Discipline. No matter what he does in life he never has good relationships in business or any other aspect of life nor in any organization, romantic or social life and his life is ruined by his own volition. This is the key to understanding the underlying cause of the degenerate society in the United States of America and the solution is only found in the historical punishment of the 5 cycles of Divine Discipline OR consistent Positive Volition toward Bible Doctrine starting with the Gospel of The Lord Jesus, The Christ.

Being in the Interlocking System of Arrogance for a long period of time results in unbearable suffering from Self Induced Misery and eventually Divine Discipline which will intensify Psychopathic Arrogance and therefore bring further increases in both. Psychopathic Arrogance also results in a distortion of Bible Doctrine from the use of one's own volition. Lacking the ability to evaluate anything in terms of historical or spiritual reality then results in a necessity to retreat into the emotional patterns of Reversionism. As this occurs these believers reject or deny the vocabulary, thought patterns, categories and concepts related to reality or distort all of this into a system of subjectivity or unreality. This results in the body changing because of the changes in the thinking from the brain. This individual loses the control of his mind over his body because of lack of properly oriented thought or distortion of thought into subjectivity and divorcement from reality and this results in his compensating emotionally. This in fact puts the neurotransmitters of the brain out of balance and this is what medicine discovers in examination of this person and is True Psychosomatic illness. All self centered people inevitably destroy the ability of the mind, brain and body to produce the normal functions which protect their physical and mental health. Medicine can help with the physical health but only change in volition can correct these kinds of mental health issues. Under the Interlocking System of Arrogance the psychopathic believer is irrational, unstable, unpredictable and is often in a dream world until some great catastrophe brings him back to reality or destroys him. This is the purpose of Divine Discipline in these cases. There is no possibility of this person under Psychopathic Arrogance having either integrity or honor no matter what his past performance has been. This person can be pious and religious and often claims these attributes and that he is close to God. This has nothing to do with the reality of relationship with God but only with

his hallucinations.

One of the hardest things for a believer to do and one of the greatest tests of flexibility is for him to be able to change his opinions when he is wrong. One must be divorced from the Interlocking System of Arrogance in order to do this. Once the thinking goes wrong degeneracy begins to set in and it does not require immorality nor criminality but only that one enters into the Interlocking System of Arrogance. Arrogance always divorces the believer from reality especially where God is concerned. In the human realm divorcement from reality is categorized as psychopathic, psychotic or insanity. In the spiritual realm divorcement from reality is an even greater problem and as a result of involvement in the Interlocking System of Arrogance the believer becomes focused on the Evil of Satanic policy and functions. Arrogance motivates antithetical functions as well and this is where self centered people are hypersensitive about self and insensitive about others. They react to all things in life involving self and are involved in a system of oscillation between [Self Righteousness](#) in Prosperity and [Self Pity](#) in adversity. Since this oscillation does not settle too long in one aspect or the other, the hypersensitivity about self increases and sensitivity with regard to reality and others decreases and this is very often how believers reach the point of committing suicide. This total selfcenteredness and total insensitivity about what anyone else thinks or feels is also what occurs in forgetting the victims of crime. The believer, in these circumstances, becomes so focused on self that it is inevitable that there comes a time when he cannot stand being in the Interlocking System of Arrogance any longer and will then attempt to take his own life. Involvement for some in the Interlocking System of Arrogance and its degeneracy results in their thinking being distorted to the point that they become involved in drug or alcohol abuses. The desire to legalize marijuana is one of the great signs of vastly increased degeneracy in this nation despite the fact that it has been clearly demonstrated to be a brain cell destroyer and is at least 20X more potent than it was in the 60's and 70's. The additional irony here is that crusaders caused tobacco companies to be taxed almost out of existence while marijuana has been shown to be 5x more likely to cause lung cancer than tobacco cigaretts. This is clearly a lack of focus on reality by the people of this nation.

Locked in Arrogance also results in a psychopathic personality in which their Arrogance is parlayed into illusion and hallucination. This Prepsychotic believer possesses the Arrogant hypersensitivity of imagining being slighted where none has occurred. Being totally fragmented in his soul he AVOIDS any aspect of REALITY. Arrogance thus becomes the catalyst for the paranoid reactions of [Mental Attitude Arrogance](#) including:

- ✧ Lack of forgiveness
- ✧ Resentment
- ✧ Delusions of persecution.
- ✧ Manic Depressive Psychosis
- ✧ Schizophrenia

In the manic – depressive the manifestations of psychosis is more obvious and many times there are paranoid hallucinations in both phases. Arrogance as a catalyst in Manic Depressive psychosis thus becomes obvious and this believer is characterized by alternating between Mania

and Mental Depression:

- Manic phase – the believer is very self righteous and self satisfied and arrogantly aggressive, exuberant, even appears to be an extrovert, critical of others, childish, proud, intolerant of criticism, irrepressible, uninhibited, effusive, and often unconventional in speech and manner. His Arrogance in the manic phase is characterized by hostility toward members of his own family and thus combines Arrogance with unreasonable and unprovoked ANGER. There is also a strong oscillation of Emotion with very Self Righteous and officious battle some attitudes telling everyone how to run their personal business and the hallucinations of manic excitement are usually Arrogant illusion.
- Depressive phase – the believer has physical complaints which have no physiological basis. This phase is characterized by a lack of confidence, lack of a sense of destiny, inadequacy and inability to stay with any job. He has a desire for violence, crime even murder often committed by believers usually involving a loved one. Very often this person attempts Suicide and the one involved with Psychopathic Arrogance can develop the psychosis of Schizophrenia.

Arrogance as a catalyst can lead to Ambivalence and / or Schizophrenia:

- Schizophrenia – a total loss of contact with reality by the disintegration of one's personality resulting in erratic sequences of behavior in the believer such as the alternation of love and hate, affection and hostility. These believers are full of hallucinations expressive of Ambivalent Arrogance which may deny or reject a lust or desire but simultaneously express that lust or desire through delusion or hallucination. Schizophrenia may explain how a person may consciously resist Evil influence but because of involvement in the Cosmic Dynaspheres he may function in phallic idolatry including human sacrifice.
- Ambivalence is uncertainty or fluctuation caused by inability to make a choice. There is therefore a spiritual Ambivalence where the believer cannot decide between the Divine Dynasphere and the Cosmic Dynaspheres. Ambivalence can be defined as the simultaneous desire to say or do opposite things. Psychologically Ambivalence is the coexistence of both negative and positive feelings toward the same person, object or action. The Ambivert, therefore, is a person whose personality is intermediate between Extrovert and Introvert. Psychopathic Ambivalence is the person living in a world of fantasy with unrestrained expression of LUST and Arrogance related to the Cosmic Dynaspheres. This results in his rejecting his sinful experiences, his moral and immoral degeneracy in the world of his reality. He finds [Self Justification](#) in a fantasy world for sin done in the world of reality. He, therefore, retreats from the reality and virtue of the world of reality. This results in justification of his actions, sinful, moral or immoral in his world of fantasy thus using his world of fantasy to justify his functions under EVIL in real life.

There is the ultimate possibility in Christians under psychopathic Arrogance of Suicide. The Manic Depressive is vulnerable to motivation to suicide having mental states of alternating extremes of mania and depression. The Schizophrenic is vulnerable also having a psychotic condition characterized by withdrawn, bizarre and sometimes delusional behavior plus

intellectual and emotional deterioration. Believers who are consistently involved in the Interlocking System of Arrogance become prone to manic depressive or schizophrenic mental diseases and in some cases they DO commit suicide. However, the Christian who commits suicide HAS NOT LOST HIS SALVATION because there is NO SIN which can cancel the 40 assets received by the believer at Salvation Adjustment to the Justice of God one which is Eternal Security.

### **Classifications of Psychopathic Arrogance**

Psychopathic Arrogance can be classified under 5 categories or as having 5 trends.

- Hysterical
- Untruthful
- Amoral
- Sexual
- Fanatical

Criminality is one of the greatest causes of inadequacy resulting in the stress known as psychosis and religion is another great cause. Imposed stress, primary inadequacy and acquired debility are the means by which Arrogance is parlayed into insanity. Insanity is Arrogance totally divorced from reality and no one survives when divorced from reality. All it takes to make the arrogant person insane is the pressure of great national or natural disaster or catastrophe.

### **Psychopathic Arrogance & Reversionism**

Psychopathic Arrogance is the emotion totally out from under the control of the intellect so that it does not blend with the intellect at all. This is primarily due to involvement in the Interlocking System of Arrogance and the Stages of Reversionism especially Emotional Revolt of the Soul. Therefore, the believer who enters the Interlocking System of Arrogance and becomes involved in psychopathic Arrogance inevitably winds up in moving down through all stages of Reversionism. The Divine Discipline for psychopathic Arrogance comes from 2 sources and thus is double Divine Discipline on top of double Divine Discipline. Anyone involved in psychopathic Arrogance is still responsible for their actions directly to God. Society is mixed up about this and how to deal with these people, generally having a failure to understand that these people are locked into selfcenteredness. When they become involved in Psychopathic Arrogance they are so involved with themselves they commit a tremendous number of sins and crimes against others dealing with selfcenteredness, selfishness, total indifference and thoughtlessness toward others. Thus this is always a Reversionistic problem and those in psychopathic Arrogance cannot take in Bible Doctrine therefore they have a combined involvement within the Interlocking System of Arrogance and Reversionism.

It is possible to recover from the Status Quo of Psychotic Reversionism. However, the ones who do recover are those who have had normal lives in their past. Those who are and have been involved in and cannot get out of Blind Arrogance cannot ever recover from this category of Reversionism. Their Arrogance makes it so they can only think about themselves and they want you to understand them and will follow you around and constantly talk to you so you can understand them. These people are vicious maligners and pathological liars and constantly

react to every situation in life. Psychoses are not always that bad and people have and can recover from them but when they are involved in Blind Arrogance they cannot recover from this or anything else and in fact they don't even know they are involved in Arrogance. A person often enters psychosis by becoming self centered, anthropocentric, Arrogant and disguising this with pseudo humility and simply needs to reorient their volition with a positive approach to Bible Doctrine.

### **Causes & Recovery from Psychopathic Arrogance**

Environmental difficulties such as extremely adverse circumstances in Early Childhood where parents do not regard their children as people but as status symbols or burdens can result in the child becoming psychopathic. Some are pushed to carry the family name to success and encouraged to compete in academics and athletics and every area of life where success is the only acceptable outcome. These are parents who often derive what little happiness they have from the achievement of their children and do not regard them as persons to be trained and loved. The undue pressure which these parents put on the child often divorces the child from reality so that he will retreat into a fantasy world and there will develop psychopathic and neurotic dysfunctions. However, there are other considerations for the development of Psychopathic Arrogance such as in diabetics or other debilitating disturbances of health but these are very often overrated so that the fact is ignored that Believers, and in fact all individuals, generally become psychopathic as a result of consistent personal bad decisions and Cosmic Dynasphere involvement. Therefore, Psychopathic Arrogance is the volitional DRIVE toward unreality. Children have an option of trying to escape adverse circumstances in their childhood by use of their imagination and / or [Defense Mechanisms](#) (if they have imagination and have not substituted drug abuse for imagination). Society can also put inordinate pressure on Children to achieve and out do their contemporaries in every area where their failure is totally unacceptable. Under the undue pressure for success with no option for failure the normal childhood is gone for the children of today. This phenomenal pressure on children to succeed and achieve beyond their contemporaries has resulted in young people no longer knowing what they want to do in their life and are very late in selecting a profession or business or occupation function in life. As children they are pressured to train for something and succeed in it and some 75% of the people in society today have been trained for something for which they have NO CAPACITY to function effectively in.

The psychopathic believer is therefore invariably, a product of his OWN Arrogance and many bad decisions from a position of weakness resulting from constant residence in Cosmic Dynasphere I. Once locked in Arrogance occurs the believer enters into various mental disorders, sometimes gradually and sometimes rapidly, and it can be so gradual that it is not even recognizable. In this state the believer cannot recover through the Perception, Cognition, Incultation and Metabolization of Bible Doctrine following the Rebound Procedure UNTIL he has had PROPER psychiatric treatment including proper medication. Psychiatry has at its disposal pharmacological preparations which simulate normal reality for the mentally disturbed individual so that psychotic individuals can function normally. Prayer does not reverse the process which results in a believer becoming psychotic and the answer to Psychopathic Arrogance is NOT PRAYER. For a believer to become psychotic it takes a LOT OF TIME and a

LOT of Selfcenteredness and entrance into and persistent residence in the Interlocking System of Arrogance resulting in a totally fragmented life and involvement in all the destructive things related to Arrogance. This begins as the result of Motivational Arrogance including much of Mental Attitude Arrogance, especially Self Righteous Arrogance and in fact results in an interlocking and entanglement in all the areas of the Interlocking System of Arrogance, Cosmic Dynasphere I and THE BELIEVER DOES NOT GET THERE OVERNIGHT. The psychotic person under the properly administered and regulated medication to normalize his mental functions can then use the Rebound Procedure and engage again in Post Salvation Epistemological Rehabilitation through Perception, Cognition, Incultation and Metabolization of Bible Doctrine. However, it is possible for a person, expressing Positive Volition at God Consciousness and Gospel Hearing who has a genetic or pre-salvation environmental mental disorder, who is consistent in Post Salvation Epistemological Rehabilitation to have his spiritual growth alleviate his mental dysfunction. It is also possible that spiritual growth of the psychotic individual under medication could alleviate his problem as well. The difficulty comes from the fact that spiritual growth requires NORMAL MENTAL CONCENTRATION under the Filling of God the Holy Spirit and this is very likely not possible when a person has divorced himself from reality as a result of a totally fragmented life.

However, as a result of entering by choice into a prolonged process of living within Cosmic Dynasphere I under [Motivational Arrogance](#) and [Functional Arrogance](#), it is unreasonable to expect God to instantly reverse the situation which has been compacted and compressed from hundreds or thousands of decisions from a position of WEAKNESS. Therefore, the Road to recovery from Psychopathic Arrogance demands at least 4 principles:

- ▲ [Rebound Procedure](#) must be used without which there can be NO spiritual growth. ([1John 1:9](#))
- ▲ Privacy of the Priesthood must be maintained for spiritual growth and using the Mechanics of the Rebound Procedure.
- ▲ Proper Medication prescribed by a COMPETENT PHYSICIAN
- ▲ Persistence in Post Salvation Epistemological Rehabilitation from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine inside the Divine Dynasphere.

This is the LONG ROAD back through consistent Post Salvation Epistemological Rehabilitation, however, if illicit drug use has been involved and is a source of the psychosis and too much of the brain circuitry has been destroyed recovery MAY NOT BE POSSIBLE and the case is hopeless apart from the Grace of God repairing that brain circuitry. The human Brain is the vehicle which GOD uses for the believer's personal spiritual growth and its normal function is necessary to accomplish spiritual growth and function within the Protocol Plan of God. This is a double warning for the believer against involvement in the Interlocking System of Arrogance and also against drug abuse. Volition will pull the pin of the Arrogance Grenade and if Drug Abuse is part of that Modus Operandi then this believer is in very serious trouble and many times these wrong decisions regarding drug abuse result in the believer becoming completely mentally incompetent. In addition, proper medical treatment requires analysis, often hospitalization or commitment to qualified institutions for effective treatment and must not be

rejected.

## **Introduction to Functional Arrogance**

Functional Arrogance involves the ACTIVITY or OVERT functions derived from Evil within the Interlocking System of Arrogance which is the result of involvement in the Thought Processes of **Motivational Arrogance** also derived from Evil. When one is involved with the some aspect of Mental Attitude Arrogance such as **Jealousy** he will then function toward people motivated by this Jealousy to produce a **Public Lie** to defame or destroy them. Some aspects of Functional Arrogance include **Revenge**, **Inordinate Ambition and Inordinate Competition** to form **Conspiracy** and also Slander, Gossiping, Maligning, Judging, **Crusader Arrogance** resulting in Christian Activism which may include the destruction of property, civil disobedience, violence, and even **Murder**. Functional Arrogance may also include involvement in aspects of asceticism which can include the commitment of heresies, extreme self-denial, self-mortification, abstinence from normality, and abnormal austerity.

Functional Antagonism in the Interlocking System of Antagonistic Emotional Hatred is also derived from Evil and results in becoming Antagonistic with strong emotional hatred for Christ, God, Grace and Bible Doctrine as a BELIEVER. It is involvement with Motivational Arrogance derived from Evil which drives the believer into an Operational or Functional Modus Vivendi which is Functional Arrogance or Functional Degeneracy from Cosmic Dynasphere I involvement or the Functional Antagonism in Cosmic Dynasphere II.

## **Gate #49 – The Arrogance Regarding Repentance or Rebound**

Being born with an Old Sin Nature man will continually engage in personal sin as violations of the standards of the Grace Plan of God. At physical birth, imputed to each human being with life is the culpability for Adam's Original Sin, thus eliminating the greatest area of potential Arrogance in life where one could think his personal sins caused his condemnation by God and are too great for the Plan of God. No one is ever condemned by any sin he commits and when he ultimately commits his first sin he has already been long condemned, in fact the commission of personal sin is the RESULT of his condemnation at birth and never the cause. If a person, especially a Christian, thinks he can commit some sin to warrant condemnation from God, by extension, he can think he can commit a sin for which God cannot forgive him and which would cause God to REVOKE his status of Salvation. This is true Arrogance and can drive the believer to resist or reject the principle of the **Rebound Procedure** (**1John 1:9**) for forgiveness of personal sin.

The mechanics of recovery from carnality for the believer must be understood and inculcated as quickly as possible after his making **Salvation Adjustment to the Justice of God**. The precedent for the **Rebound Procedure** is the unlimited atonement resulting from the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross which was total payment for all human sins. This means that Salvation Adjustment to the Justice of God MUST be because of Grace, through nonmeritorious faith in Christ alone. Rebound as an adjustment to the Justice

of God in recovery from carnality can then result in Restoration of the Soul to fellowship with GOD under the [Filling of God the Holy Spirit](#). This can occur because of Grace through simply naming or acknowledging one's sin, which has already been judged and paid for by Christ, directly to GOD. The [Problem Solving Devices](#) of the Protocol Plan of God are only capable of being used by the believer when he is in fellowship with God and under the Filling of God the Holy Spirit within the [Divine Dynasphere](#) the power system of God. Therefore, the Rebound Procedure is the 1<sup>st</sup> Problem Solving Devices immediately available to the believer after Salvation Adjustment to the Justice of God. Sin is the mechanism, brought on by the Area of Weakness of the Old Sin Nature's temptations, by which the believer loses fellowship with God and the Filling of God the Holy Spirit and allows the Old Sin Nature to control the soul. The Rebound Procedure, the 1<sup>st</sup> Problem Solving Device, is the only Problem Solving Device that the believer is able to use while outside of the Divine Dynasphere and not under Filling of God the Holy Spirit. This is possible because the believer is part of the family of God and in the Church Age, the Royal Family of God, and is a Royal Priest responsible personally to God for all priestly functions. Therefore, when a believer commits sin he is not to go through any other type of priest or ritual system to approach God for atonement. As Royal Family of God he must go directly and personally to God and cite the court case regarding the sins he has committed, requesting absolution based on a precedent case. The precedent case is the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross, where he received the imputation of all human sins and was judged for them and his Spiritual Death paid the penalty for all human sin. This mechanism allows the believer to regain the Filling of God the Holy Spirit, which is [Problem Solving Device #2](#) and [Spiritual Skill #1](#), and begin again to use the other 8 Problem Solving Devices and the rest of the Spiritual Skills to function and advance in his Spiritual Life. Rebound is NOT a LICENSE to SIN but is the Grace provision from God for the perpetuation of the Spiritual Skills in the believer's life and advancement in the Spiritual Life with the resultant execution of the Protocol Plan of God. The PROCEDURE called rebound ([1John 1:9](#)), which entails Citing, Acknowledging or Naming sins directly to GOD, results in forgiveness of all Sins and involvement in Evil from the responsible believer. If the believer uses the 'rebound battalion' to recover from carnality then he can move the reserve battalion of the Filling of God the Holy Spirit back into position which will begin to reform the [Forward Line of Troops of his SOUL](#). In the procedural function of Rebound there is no place for PENANCE, Auto-flagellation, GUILT Arrogance, PROMISES to God, PURCHASING INDULGENCES, or any other human effort. The Bible says simply to NAME, CITE the CASE, ACKNOWLEDGE, THE SIN IN AGREEMENT WITH THE JUSTICE OF THE JUDGMENT OF GOD and forgiveness is guaranteed to be forthcoming.

There are 2 Categories of Sin which must be considered when facing one's failures before God. Known Sin which is activity in the realm of Hamartiology which is understood to be sinful and recognized as having been voluntarily produced by one's choices. Unknown Sin which is activity in the realm of Hamartiology which is not understood or recognized to be sinful which one again has voluntarily produced or any sinful activities which have been forgotten. The believer must study Hamartiology to be able to effectively use the [Rebound Procedure](#) for recovery in his spiritual life. The [Forward Line of Troops of the Soul](#) is put in place beginning with setting up the first battalion of Rebound. [Denial](#), which is a [Maladaptive Defense](#)

Mechanism, is described in [1John 1:8+1John 1:10](#) and is one mechanism to securely place the believer under the [Arrogance Skills](#) and out of the Protocol Plan of God. Part of the blessing mechanism of the Rebound Procedure is the total faithfulness of God to always forgive the believer's sins when he functions under the principles of Rebound and NAMES those Sins privately, objectively and unemotionally to Him. If, however, the believer enters into any function under the Arrogance Skills and the Interlocking System of Arrogance he also eventually will enter the 8 stages of [Reversionism](#) which are much more difficult to recover from. [1John 1:9](#) is the experiential forgiveness related to the believer's post-salvation life where the Spiritual Life is set back and discontinued (at times permanently because of Locked in Arrogance) until rebound takes place.

Simply stated if the believer follows the procedure outlined in [1John 1:9](#), or [1Cor 11:28-31](#) of naming sins directly and privately to God, God then forgives him for all sins, named and unnamed sins as a result of ALL of them having already been judged and paid for on the cross by The Lord Jesus, The Christ. Often the believer may not name all sins he has committed, some being related to "Wrongdoing" and some may be actually unknown to him. However, God is said to also Purify or Cleanse from all wrongdoing, unrighteousness (all things in violation of the principles of God) and all unnamed sins. God does this regarding Wrongdoing because the believer may not understand the ramifications of wrongdoing as some of the sins he has committed and these may be something such as involvement in some aspect of Arrogance. As a part of the Royal Family of God on earth when someone wrongs the believer he must put the situation into the jurisdiction of the Supreme Court of Heaven for resolution. He is to become the plaintiff of the case and relax and be comforted in the fact that JUSTICE will be done. God WILL deal with the problem and the believer may be vindicated or he may be punished depending on the facts of the problem, all of which God alone knows. It is, therefore, much better to lose out in some situation and allow God to handle and administer the punishment, but in order to do this one MUST leave the situation totally in the Lord's hands. Without Advanced Personal Love for God, [Occupation with the Person of The Lord Jesus, The Christ](#), which is functionally available ONLY to believers in [Maturity Adjustment to the Justice of God](#), sooner or later, other people will make one miserable but this can occur only because this believer has his focus on the people and not The Lord Jesus, The Christ.

### **Neglect of Rebound**

Neglect of the use of the Rebound Procedure results in a life outside of the Plan of God thus a life of constant misery since God knows what irritates each person the most and under [Divine Discipline](#) provides it for him in excess, in an attempt to get him to wake up and return to the Plan of God. A perfect example of the personal nature of Divine Discipline and the intensity with which it can be provided is in [1Cor 11:30-32](#). Accuracy in use of the [Rebound Procedure](#) is necessary because one is, in effect, being honest with self about self and if he cannot be honest with self about self he is a dishonest person for the rest of his life and miserable all the time. The believer must be honest with self and get away from the unreality of things, in order to break out of the [Arrogance Skills](#) which can be the basis of one's dishonesty. If he is not honest with self then he must rationalize self constantly just to live with himself. People dishonest with self never take responsibility for their own bad decisions and because of this

they must find a scapegoat for their decisions thus spreading dishonesty to others and blaming others for their personal problems and faults. As a result of blaming others, these others must be maligned and judged because they are a challenge to the [Self Deception](#) of one's involvement in the Arrogance Skills and this causes a deep involvement in many areas of the Interlocking System of Arrogance. The [Rebound Procedure](#) is the only mechanism which will allow the believer to continue the beneficial intake of Bible Doctrine and develop the Mirror of the Soul which results in his being able to judge self effectively on the basis of the Word of God. Having thus seen self as one truly is, he may then develop and deploy the [10 Problem Solving Devices](#) under the Grace process. The only power that can truly break Arrogance in the soul is the [Power of God the Holy Spirit](#) which was given to each believer at the point of Salvation Adjustment to the Justice of God and can ONLY be retained and or regained by use of the [1st Problem Solving Device](#), Rebound. The punishment for the unbeliever, which is not Divine Discipline which is only for the believer, but is based on judgment from the Supreme Court of Heaven as a result of his ignoring the Divine Institutions and Laws of Divine Establishment. However, even when God is judging a whole nation in this way, believers can still have Happiness, Contentment, Stability and Prosperity IF they are constantly in FELLOWSHIP and under the Filling of God the Holy Spirit.

The use of the [Rebound Procedure](#) is essential in order to remain under the Filling of God the Holy Spirit and make any spiritual advance and therefore it is not a license to sin but it is adherence to COMMAND LEVEL ORDERS to advance in the Spiritual Life. Without the Rebound Procedure the believer would never be under the Filling of God the Holy Spirit and would therefore be involved in continuous sin becoming perpetually carnal and eventually moving directly into [Reversionism](#) where he would react to his own carnality and enter into the production of [Human Good](#) from the strong influence of Evil while residing in the Cosmic Dynaspheres. There is nothing as bad as a person who in [Self Righteous Arrogance](#), reacts to his own life, or persists in raising hell in a lascivious lifestyle. On the other hand, the worst [Legalists](#) are the ones who react to their former activities in life and in so doing try to convert everyone they meet to their legalistic standards. The case is clear and it becomes painfully obvious that for many believers, they were nicer as unbelievers when they did not have a life complicated by the Filling of God the Holy Spirit vs their functions under control of the Old Sin Nature.

### **Rebound & Problem Solving**

Again, the true function of Rebound does not encompass remorse, godly sorrow, auto-flagellation, emotional pleas in penance, and these are not solutions to sin but do result when [Emotion](#) is made the primary criterion of the Spiritual Life. The Divine Solution to sin does not solve the sin problem by adding new problems to the original. (Example) A Believer Sins in [Jealousy](#), taking him out of fellowship and out of the Plan of God. Instead of using rebound to name jealousy to God and receive forgiveness ([1John 1:9](#)) he adds to it with [Bitterness](#) and this intensifies the original Jealousy sin by this addition and because he is minus rebound or in some way involved in pseudo rebound. Then he adds more to it with vindictiveness and implacability and again is minus correct rebound function. As this goes on he further adds Malice and does not function under true Rebound Procedures. This then leads him to [Revenge](#)

Modus Vivendi and still there is no rebound function. Consequently with the snowball effect in play this leads to his complete entanglement in and function under the [Arrogance Skills](#) and as a result the problem of Jealousy has driven him through perpetuated carnality to the point of Loss of ALL gains in the Spiritual Life and to LOSER Status as a Believer susceptible to the [Dying Divine Discipline](#) of the Sin Unto Death.

Therefore, the believer cannot solve any problems in his life without [Problem Solving Device #1](#), Rebound, naming or citing sins directly to God. No believer can solve problems in life by the use of any level of Arrogance in the Spiritual Life, ([Rom 12:2-3](#)) and the fastest way to accomplish this is to distort the Rebound Procedure. The most vulnerable point in the Spiritual Life is when the believer approaches [Spiritual Adulthood](#) and begins thinking in terms of Bible Doctrine and then becomes susceptible to the ‘thinking distractions’ of trying to solve problems with other problems. Only when involved in and functioning under the [Arrogance Skills](#) does a person seek to solve a problem with the addition of another problem. (Example) One cannot ever solve the problems of loneliness or betrayal with Sex, Alcohol, or Drugs. When the believer becomes involved with getting even with people by trying to engage in Revenge or malice, etc., this results in a totally miserable life. The Most miserable people in the world are those believers being punished by the Supreme Court of Heaven. Therefore, a person should NEVER make Salvation Adjustment to the Justice of God by faith alone in The Lord Jesus, The Christ alone UNLESS he is ready for GOD to really straighten out his thinking and his Life.

When the believer gets into a combination sin of Arrogance and Emotion such as occurs with [Jealousy](#), this creates the irrationality of problem solving incompetence where one is trying to solve the problems of life or correct sins with more problems or sins. This leads to composite sins and failure to deploy and use the Tandem Problem Solving Devices of the [Integrity Envelope](#) of Personal Love for God the Father and Impersonal – Unconditional Love for Mankind. This believer functions under the 3 Arrogance Skills of Self justification, Self Deception, and Self Absorption for his own [Self Destruction](#).

### **Rebound & Wrongdoing**

Wrongdoing involves sticking one's nose into other peoples business. This involves the whole realm of civil disobedience whereby one is placing self above the laws of the nation because of his presumed position in the Spiritual Life. It encompasses [Crusaderism](#) and [Christian Activism](#) where one is using his ideas and position to force others to conform to his thinking. It is also [Vigilantism](#) where one places self outside the law in order to extract vengeance for a perceived wrong. It is paramilitary violence involving taking up arms outside the military or police establishment to control crime inside a nation or crime to a nation from outside. In addition, violations of the Principles of Freedom are part of this as well and one must understand that Freedom without Authority is Anarchy and Authority without Freedom is Tyranny both which ultimately destroy freedom. To avoid Anarchy, Freedom must have Values; and to avoid Tyranny, Authority must have [Virtue](#). Freedom without responsibility is Apathy and Apathy is related to Arrogance and indifference and loss of values. [Rom 13:1-7](#), explains that Civil Disobedience and Social Engineering Laws which mandate functions under national law which superimpose the principles of Christianity or some satanic ideology onto all people are totally

wrong and also destroy Freedom. It is Utopian Socialism which is stealing money from those who work for it and giving it to those who would vote them into power. This is the ongoing Status Quo of the government and politicians in the United States of America today. This is WRONGDOING!

### **Rebound & Arrogance**

The Rebound Procedure is designed to eliminate any Arrogance one may develop about his personal sin, any guilt complex regarding sin and also any need for penance or trying to do something for God to make up for one's failures or sin. IF one fails, after rebound, to forgive someone who does some wrong to him, he is not able to handle human relationships and is unable to switch to **Impersonal – Unconditional Love for Mankind**. If the believer fails this test on the momentum line, he then enters into Cosmic Dynasphere I, through the **Motivational Arrogance** of **Mental Attitude Arrogance**. If he thinks that he is the most miserable person on the earth even though he is a believer in The Lord Jesus, The Christ, he has a significant problem in his Spiritual Life. If he has this kind of problem, he has incredible levels of garbage loaded into his Stream of Consciousness of the Soul. If he has garbage loaded into his Stream of Consciousness of the Soul, he does not want Bible Doctrine solutions because they are God's Solutions but he wants the Self Centered Solutions of Arrogance. As a result of this occurring in Christian marriage one will not fulfill the mandate of **Eph 4:31**. Forgiveness for real or imagined injustice is a function of Impersonal – Unconditional Love for Mankind resulting from residing in the Divine Dynasphere and Believers in the Cosmic Dynaspheres have no ability to function under Impersonal – Unconditional Love. This failing results from preoccupation with self, divorcement from reality, lack of capacity for Love and these believers are functioning in the Interlocking System of Arrogance and have NO ability to forgive. Impersonal – Unconditional Love for Mankind is a function of the Honor and **Integrity** of the **Royal Family Honor Code** in the Divine Dynasphere only. Being thoughtless is NOT a sin in and of itself but it leads to sin and Arrogance. When one involve self in Sin and Arrogance which takes the believer OUT of the Plan of God, the Righteousness of God changes focus on him to condemnation and the Justice of God punishes through the Love of God expressed by the Grace of God. **Bitterness**, a also combination of Arrogance and Emotion, is one of the most destructive functions of the soul especially with regard to marriage and the Spiritual Life. Bitterness, Jealousy, and much more Motivational Arrogance will combine and systematically destroy the Believer's Spiritual Life. Bitterness can come from Jealousy as an extrapolation of it with Arrogance and Emotion combining leading to this Spiritual Life destruction.

If the believer must hurt in order to come to the point of using the Rebound Procedure then God the Holy Spirit is only in control of his soul temporarily because he moves immediately back into the Arrogance system after rebound. The one reason that the United States is in such desperate trouble today is that Believers in The Lord Jesus, The Christ have either rejected the **Rebound Procedure**, are ignorant of it, and / or have tied it into some other area such as **Guilt**, thus desiring or requiring some form of Penance to gain forgiveness. They are more involved with how they feel about sins rather than what God the Father has done to isolate the problem of Sin and provide the solution for it in the Substitutionary Spiritual Death sacrifice of The Lord Jesus, The Christ for ALL human sins. It is essential that after Rebound the believer

must follow the example given by Paul as he described how he dealt with his [Reversionism](#), “[forgetting those things which are behind](#)” and moving on to further advance in the Spiritual Life. When one fails to use the Rebound Procedure he fails to recover the Filling of God the Holy Spirit and unfortunately there can be NO Spiritual Life without the 2 power options of the [Filling of God the Holy Spirit](#) and [Operation Z](#), the Grace Apparatus for Perception. When one fails to use rebound he is proclaiming his Arrogance and insulting God saying that God alone cannot complete the function for forgiveness and purification from personal sins but must have help from the sinner. ([1John 1:9](#), [1Cor 11:28-31](#))

Arrogance is the most destructive function in human life relationships. The lust patterns of the Old Sin Nature when involved with Arrogance has a system and those functioning in the Interlocking System of Arrogance think in terms of:

Wealth without honor

Success without integrity

Promotion without ability

Approbation without humility

Love without virtue

Sex as the desire for personal gratification without happiness nor compassion for the partner

The believer should realize that ALL sinful activity, including the sins of the Interlocking System of Arrogance, require the function of Volition and the DESIRE to produce Sin. Rebound is the beginning of the solution, also requiring volition, which keeps one from being caught up with the reality of the problem and instead enables one to see the reality of the Solution as Metabolized Bible Doctrine and the return to the Spiritual Life.

### **Rebound, Testing & Divine Discipline**

For the believer who is not involved in continuous personal sin and neglect of rebound, testing will catch or overtake each believer for various reasons but this will never be anything which is unusual for mankind. The only kind of testing which is for the believer is only that which is from and about mankind. God has therefore promised to protect the believer from demonic or satanic attack and because of this protection the believer cannot be demon possessed as a result of having the Indwelling of God the Holy Spirit from the point of his Salvation Adjustment to the Justice of God. However, the believer can be demon OBSESSED or under a saturation of Demon Influence because of rejection of Bible Doctrine and as a result of developing [Black out of the Soul](#) and [Scar Tissue of the Soul](#) from [Locked in Negative Volition](#) in Reversionism and intensification of Arrogance which results in VOLUNTARILY believing the LIES of Satan within his Cosmic Dynaspheres. In addition this Arrogance will manifest itself in [Self Righteousness](#) in prosperity and [Self Pity](#) in adversity or when under pressure.

There is NO credit with God in toughing it out through the Divine Discipline resulting from Carnality. This is a state of Arrogance derived from energy of the flesh or human efforts and glorifies self not God. Human strength uses Arrogance instead of the [Humility](#) demanded for spiritual strength. The choice regarding solutions to Divine Discipline is always between the

Arrogance of toughing it out and the Humility of using the Grace application of the principles of Rebound. Those who understand rebound and reject it and try to compensate for sin by their own efforts will accumulate Divine Discipline to the point of incredibly miserable physical death. In essence, in the Plan of God, the believer is preserved alive to become a witness for the prosecution in the Angelic Conflict Appeal Trial against the satanic proposition that the love, justice and righteousness of God do not work together. When he is no longer of any value as a witness then God removes this believer from this life and takes him home to be face to face with the Lord. Those who do not understand rebound have no other means of withstanding divine discipline. Therefore, Human Strength relies and feeds on Arrogance while Spiritual Strength demands humility. No matter how strong one's nature is, humanly speaking, there is no credit with God for toughing it out through Divine Discipline and one must always refer back to the Elative Conclusion "Human solutions are no solutions and the only solutions are God's solutions". The only credit one can have with God is with reference to how strong he is in the execution of the Spiritual Life of the church age. Human solutions glorify Self while Divine solutions glorify God. If one succeeds on human power, efforts or ability he glorifies Self while if he succeeds on divine power and Grace Orientation he glorifies God.

According to the [Postulates of Integrity](#), Disadvantages and Maladjustment to the Justice of God do not and in fact cannot cancel the Advantage, GOD. One cannot ever commit any sin nor enter into any system derived from Evil and change the Integrity of God. One cannot ever commit any sin, even those which shock him personally, which can cause him to lose his salvation because God being immutable cannot change which he unconditionally has given. One does not have any ability to upset God by anything which he thinks, says, or does. The Integrity of God is infinitely greater than any spiritual failure or malfunction on the part of any believer, the reality is that the individual believer is just not that important before God. Thinking that one is able to upset God or that he is of great importance in God's Plan or even in this meager life given to him by God, is the epitome of Arrogance in the believer who is totally disoriented to the Integrity of God. One should not ever think that he is so important that he can do anything, including commit any sin, and as a result lose his salvation. This is making an issue of self and ignoring the Integrity of God. Arrogance is highly inconsistent and when believers involved with Rebound Arrogance confess to God they overemphasize their importance to God when they should be emphasizing God's importance to them in salvation and the rebound Adjustment to the Justice of God in the Spiritual Life.

### **Gate #50 – The Arrogance of Blindness to Self**

All believers have some level of Arrogance that is hidden to themselves, most often as a result of one's sins and Modus Operandi becoming more refined than they are with other Negative Volition believer's. The believer MUST realize that no matter how far he advances in the Spiritual Life from infancy to Maturity Adjustment to the Justice of God and even beyond, he will, while in this life, still FAIL occasionally if not constantly. Blind Arrogance involves and

interlocks with [Self Righteous Arrogance](#) and is a partial divorcement from reality which destroys common sense, good personality, integrity, etc. Blind Arrogance is the vanity of the believer being divorced from the reality of Bible Doctrine leading to his conclusion that he is victorious, mature, spiritually great because of some unique experience or sacrificial Modus Operandi or system of [Human Effort Good Works](#). Therefore, Blind Arrogance is one of the greatest destroyers of people. This often occurs when a believer becomes involved in daily prayer which results in them becoming totally Arrogant and thinking themselves very special in fulfilling this “obligation” to pray. This and any other [Legalism](#), Apostasy from [Reversionism](#), Degeneracy from Interlocking System of Arrogance entanglement or any of the myriad of Influences of Evil, all contribute to Blind Arrogance. Blind Arrogance interlocked with Self Righteous Arrogance with total preoccupation with self is the beginning of total divorcement from reality. This believer has lost all common sense, which is orientation to reality and is the solution to unreality. Blind Arrogance interlocks with [Psychopathic Arrogance](#) and may result in psychoses or neuroses which are total divorcement from reality and nearly impossible to recover from. There is NO integrity in Blind Arrogance since it is built on being right, good, and [Moral](#). Blind Arrogance as divorcement from reality is one’s thinking that he is becoming closer to God because of some effort he performs or talent he possesses. This is the allegation of the Believer who claims unique experience in the field of [Emotion](#), self sacrifice or self righteousness or some other personal effort. Blind Arrogance when interlocked with [Legalism](#) includes attempted superimposition of personal standards on others and then judging those others based on those standards. This is where legalistic believers try to get others to function as they do in life. These legalistic believers are assuming that as long as they don’t violate their own personal standards they are close to God. ([Matt 19:27](#)) Some assume there is NO Old Sin Nature, if they even know of it’s existence. This is a system of salvation or spirituality or maturity by [Human Effort Good Works](#) related to individual Arrogance or through some special activity resulting in their becoming more spiritual through something like speaking in pseudo tongues. Whereas God’s standard for maturity and qualification for special blessing in time is ONLY advance in the Spiritual Life through maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. Blind Arrogance is, therefore, a substitution of personal standards over divine standards for salvation and / or spiritual growth. It is Blind Arrogance for a believer to imply he has achieved maturity through some unique experience or that his life is more important than someone else’s. Blind Arrogance is an offshoot of the [Scar Tissue of the Soul](#) resulting from [Negative Volition Arrogance](#) and the apostasy of [Reversionism](#). It is developed during periods of prosperity from Self Righteousness and Legalism. In the unbeliever it can be developed through engaging in some system of salvation by human effort good deeds. Saul of Tarsus was the top in that field as a Judaiser and if salvation could have occurred because of legalism then Saul would have been the ONLY saved person on the face of the earth. Legalists always like to put themselves above everyone else and when the legalistic Jews heard the statements of the former legalistic superiority of the Apostle Paul, they must have been totally distraught since all legalism is based on a very strong driving [Motivational Arrogance](#) of [Mental Attitude Arrogance](#). This Arrogance drives the legalist to go higher and further in their setting of standards for their false personal Frame of Reference. It is the assumption by the believer that he has arrived at the pinnacle of the spiritual life because of something HE HAS DONE.

While in a state of continuous carnality the Corinthians considered themselves experts in doctrine. They assumed that they had enough and didn't need anymore and were resentful of repetition. This explains [1Cor 3:1](#) and furthermore implies a status of perpetual carnality for these believers. These were great intellectual believers who were willing to vehemently and emotionally defend their position. In their Arrogance and along with their great intellect they inserted [Emotionalism](#) into the doctrine they were taught which is not part of the Spiritual Life of the Church Age believer and this was their ultimate weakness.

Every human manifests his inherent Old Sin Nature some time after birth with his first personal sin and thereafter he never stops sinning until he dies. Man will sin as long as he lives and to think otherwise is in itself deep involvement in the Interlocking System of Arrogance. ([1John 1:8](#)) Even Believers who have reached Advanced Maturity Adjustment to the Justice of God and receive Ultra Super – Grace Escrow blessings such as Moses, Paul, Jeremiah, Isaiah, etc., all sinned at some point AFTER reaching Advanced Maturity Adjustment to the Justice of God. The Lord Jesus, The Christ on the cross paid the bill for all human sin and provided the option for eternal salvation and man can only accept or reject it and this is the PURPOSE of and OPPORTUNITY given to every person in the Human Race. Mankind is here for the specific purpose and given the opportunity to say YES or NO, through faith acceptance or rejection of the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross and there MUST BE FREEDOM for man to do so. Therefore, God provided the Laws of Divine Establishment and Divine Institutions to ensure this freedom will continue to exist. This is the great error of Blind Arrogance since no one can earn nor work his way into the Grace Plan of God but must only make a FAITH decision. No believer is ever saved because of his talent or because God had a special job and had to use him, nor can he lose salvation because of his shocking horrendous sins. Consequently, as a result, it is clear that most salvation testimonies by believers are tied up with all sorts of Arrogance and do not in any way glorify or reflect the Grace of God. Salvation is not ever earned, deserved nor worked for and the only dramatic thing about salvation is who and what The Lord Jesus, The Christ is and what he did in substitution for us on the cross some 2000 years ago. All other systems and efforts directed to this end involve Blind Arrogance.

Also very often the believer in Blind Arrogance assumes that the Plan of God stands or falls on the basis of his behavior, success or failure and it depends on him as a believer, as a result he interlocks with [Institutional Arrogance](#). Blind Arrogance is tantamount to failure in spiritual growth from ignorance of Bible Doctrine because spiritual growth requires testing and growth from the application of Bible Doctrine under the 5 Stages of the [Faith Rest Drill](#). Advancing believers must face tests and other believers may give this believer a correct doctrine principle in their statements, having an advanced understanding of the Bible Doctrine, but then give an erroneous application which becomes a distortion of the truth. With the distortion of Bible Doctrine comes the principle of [Self Righteous Arrogance](#). Arrogant people cannot ever apply Bible Doctrine even though they may retain a great deal of academic understanding of it. Entanglement in Arrogance causes the believer to have a failure to have true norms and standards based on [METABOLIZED Bible Doctrine](#) in the Stream of Consciousness of the Soul

thus a failure to have developed [Virtue](#), integrity or honor and totally lack the ability for application of Bible Doctrine. Blind Arrogance is the opposite to or the antithesis of [HONOR](#) and Honor is Integrity plus Loyalty to doctrine and thus to the Lord for all in the Royal Family of God.

### **Blind Arrogance & Self Righteousness**

When involved in Blind Arrogance many believers imply or allege that they have reached Spiritual Maturity through some unique experience or system of asceticism, sacrifice or Self Righteousness which no other has achieved. This system which is basically a “spiritual king of the mountain” process is now very popular in [Legalistic](#) fundamental Christian circles. This is the sincere holy roller who alleges to speak in tongues or have an ecstatic experience where he alone has advanced in the Plan of God. It can also be any form of selfcenteredness in the believer who assumes that his [Morality](#), [Human Good production](#), social activity, [Opinions](#) or experiences are more important than anyone else's. In this system very often a [Self Righteous](#) person dominates a group of believers through this legalism. It is very close to and associated with [Personality Arrogance](#) and [Conspiracy Arrogance](#) where a self righteous person dominates a group and sets up false standards for a group or “cell” and by running down the local authority he dominates the group using some system of legalism and [Fanaticism](#). If people say NO long enough to the Absolute Truth of Bible Doctrine, the [Laws of Divine Establishment](#) or the [Divine Institutions](#) they will exercise their voting franchise in the system of government of nations like the United States of America, for any fool and accept any idiotic platform and still think they are right when in fact they are totally wrong. This has been clearly demonstrated by the election in the United States of America of Barak Obama 2 times and Joe Biden being allowed to steal an election being totally mentally incompetent and mentally incapacitated and also by the people of this nation actually electing a mental vegetable to the United States Senate, John Fetterman in Pennsylvania. Through all of this these individuals will be unaware of their own Arrogance even though they make terrible decisions and follow leaders saturated with and functioning totally under the principles of Evil. They assume, by their poor attire or some system of self sacrifice or using certain types of language or their being nice to deprived people, that they have [Humility](#), are very humble, and therefore are great people, while in reality, this is a form of the hidden Arrogance which is EXTREMELY devastating. Their Self Righteousness is, in fact, the origin of Blind Arrogance and their Legalism is the principle of Blind Arrogance. This believer then looks into the cracked and splintered mirror of what little Bible Doctrine may be remaining in his soul and never sees his own Arrogance and thus enters and rapidly declines through the stages of the apostasy of [Reversionism](#) and the degeneracy of the Interlocking System of Arrogance. Therefore, advancing believers must always avoid following ANY PERSON and only follow doctrine and the principles of the Laws of Divine Establishment and the Divine Institutions.

Legalism puts the believer into Blind Arrogance which can involve any form of Salvation, Spirituality or Spiritual Growth or Advancement by Human Effort Works, Human Good production from Evil. Having Nothing of Absolute Truth in the soul results in this believer being sucked into Blind Arrogance from soul blindness. Blind souls are always on a quest in a [Frantic Search for Happiness](#) searching for alleviation of their own Self Induced Misery as a

result of their devolvement in Reversionism. Blind souls are pleasure seekers and hop from person to person, situation to situation trying to find happiness and they abuse almost everything normal in life to try to solve this unhappiness problem. This believer will inevitably move from [Motivational Arrogance](#) to [Functional Arrogance](#) as he progressively becomes more entangled in the Interlocking System of Arrogance. However, the one thing a believer still possesses, even when there is NOTHING of the substance of Truth in the soul, a functional VOLITION which still makes decisions, albeit mostly Bad Decisions, from a position of TOTAL weakness as a result of lacking [Metabolized Bible Doctrine](#) to make good decisions based on. Human personality cannot cope with life when there is nothing in the soul and this type of individual can lean on others and seek counseling but will still end in this life with NOTHING. Arrogance in one's thinking, whether he is aware of it or not, leads to irrationality and destroys personal capabilities and resents those capabilities in others. What one destroys in his own soul he will look out and see in others and then become [Jealous](#) of the characteristics he has destroyed in himself. This is how blind inconsistency begins in the believer moving him into Self Righteousness and Jealousy then to Self Pity all parts of Motivational Arrogance. Lacking Spiritual Self Esteem, Spiritual Autonomy or Spiritual Maturity this believer has a ZERO soul and therefore converts any aspects of [Morality](#) into Self Righteous Legalism. This believer lacks VIRTUE from not functioning in the [Integrity Envelope](#) of the Divine Dynasphere and tries to take his morality and superimpose it on others as Legalism. Therefore, NOTHING, spreads to NOTHING and Arrogance evangelizes for Arrogance and the result is terrible collective Self Righteousness. This invariably leads into [Crusader Arrogance](#) and this NOTHING in the soul must be fed and when one has a sufficient number of converts then he gathers them and looks outside and finds something to attack from his stand of morality and Self Righteousness. This is the blindness of the believer who makes unknowing bad decisions from their own volitional functions and destroys themselves with constant Self Induced Misery and thinks, based on their misery levels, that they are under incredible Divine Discipline. They think in their [Disillusionment](#) that they are under attack by Satan himself. The irony here is that these idiotic believers fail to recognize that Satan is a CREATURE and can only be in 1 place at a time. For these types, who start with Blind Arrogance and progress down through degeneracy and apostasy in the Interlocking System of Arrogance and Reversionism, Divine Discipline is the last stage of misery for them because the majority of their misery is Self Induced. What starts with a Blind Arrogance gradually builds up from the initial neglect or indifference to Bible Doctrine and progresses into an Antagonism toward Bible Doctrine, God and anything related to Christianity as they invariably move into the Interlocking System of Antagonistic Emotional Hatred.

Believers must constantly evaluate their Scale of Values to determine or reemphasize what is their first priority in this life. If they have Bible Doctrine as Priority #1 they then have a proper Scale of Values in their soul. For the believer in The Lord Jesus the Christ, Bible Doctrine must precede everything and take precedence over everything in life and the day that it ceases to do so everything falls apart in life. Maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul is the means of acquiring the perfect happiness, [Problem Solving Device #9](#), which believers are to designed to share with God as they approach and move into Maturity Adjustment to the Justice of God. Many believers turn

away from the doctrine which will bring them this perfect happiness and if they, in any way, do achieve any happiness in Reversionism it turns out to be Minus H, the very temporary pseudo happiness developed in the Cosmic Dynaspheres. This is just another part of the Cosmic Dynaspheres and is the type of happiness which makes the believer twice as miserable as he was before he had the object, position or individual which he sought and thought would bring him happiness. Once his Scale of Values changes there is nothing to hold a believer to Bible Doctrine and he inevitably leaves doctrine and falls rapidly down through the 8 stages of the apostasy of [Reversionism](#). The only solution to this is the consistent use of the [Rebound Procedure](#) and then consistent Post Salvation Epistemological Rehabilitation for continued spiritual growth. The only possible way for spiritual growth to occur is through the soul and the only way to have spiritual growth is to ADD words and vocabulary concerning Bible Doctrine and the Plan of God to the soul and these MUST be meaningful and lead to the understanding of the concepts, principles and policies of God and the categories of Bible Doctrine. As this develops then Bible Doctrine becomes more and more important and there will be many times when the believer is tested regarding the various areas of Bible Doctrine he has accumulated. When the believer begins to think he is objective then his Achilles Heal will be displayed and he will be tested in that area. This testing may bring to him [Hypersensitivity](#), [Self Pity](#), irritation or resentment of some perceived injustice, and this may cause a change to begin in his Scale of Values were derived from Bible Doctrine and now begin moving to a new 'False' Scale of Values in the forefront of his soul. First, he becomes more important to self than he ever should be and this is his entrance into Blind Arrogance which is a source of great personal weakness leading to a complete change of attitude regarding many subjects and aspects of life.

Blind Arrogance invariably results in entanglement in many aspects of the Interlocking System of Arrogance and then the individual calling it something else like 'spirituality'. This Blind Arrogance can be the result of Self Righteousness and achievement in some field which is a traditional taboo rather than a biblical mandate. All of these things form the environment for Arrogance where the person can call self spiritual or mature because he adheres to these false principles, when he is not anywhere near these states. This person can believe his imagined status and persuade others to believe him also. [Self Righteous Arrogant](#) people all practice some type of asceticism or self deprivation wherein their function as a part of what they consider spirituality is complying with a system of taboos. Not only is this not spirituality but is, in fact, the degeneracy of the Interlocking System of Arrogance. This person has total subjectivity and distorts everything into systems of his personal success and creates false standards which ultimately destroy his ability to function under great pressure. In Blind Arrogance the believer inevitably becomes a legalistic self righteous person thinking he is better than others as a result of his erroneous and false Norms and Standards. Everyone develops their own personal standards and everyone has an Old Sin Nature but the believer's focus in life must be never to judge others but only consider his own position. Salvation, Spirituality and the supposed attainment of Spiritual Maturity by human effort works are all part of false assumptions under Blind Arrogance. Each person must live their life only as unto the Lord and never become involved with trying to determine how someone else is functioning in their life. Blind Arrogance always includes [Sincerity](#) which is a facade for hypocrisy. Arrogance and

Emotion out of control are the source of sincerity and instability, and sincerity is not by any consideration a Virtue. An emotional decision has no meaning and verbal or overt dedication as an emotional reaction means absolutely nothing in the Christian Way of Life and it merely expresses Emotional Reversionism, Pseudo Intellectualism and advertises that this person is trying to use others for their own advancement. This often occurs in any organization where people declare their total undying loyalty to the leader and this is the idiocy of public dedication and reaffirmation of faith.

There is never a situation where the believer is to degrade himself in the Spiritual Life in any way EVER. GREAT people are never degraded and in their souls they have principles of Absolute Truth, honorable character and integrity so that they cannot be degraded. The reality of true greatness is that not even being forced into degrading circumstances can degrade a great person. Only when involved in Blind Arrogance can one be degraded by degrading circumstances and this is a matter and sign of the Mental Attitude Arrogance of PRIDE. It is a sign of Arrogance when one feels degraded when put into a circumstance where others attempt to humiliate, ridicule or criticize him in some way. The day a person cannot learn from legitimate criticism and bonifide correction is the day they have lost all contact with the reality of life. The Lord Jesus, The Christ demonstrated this fact by the washing of the feet of the men who followed him and this did not detract from the greatness of the Lord nor remove his integrity. It did not remove anything from his soul and he continued to be even greater than he was before. Therefore, THERE IS NO CIRCUMSTANCE IN LIFE WHICH CAN DEGRADE THE BELIEVER UNLESS HE HAS THE INGREDIENTS FOR DEGRADATION ALREADY IN HIS SOUL. Poise and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul will carry every believer through every circumstance of life. There is also an analogy presented by the washing of the disciples feet by the Lord as well. The disciples had bathed before coming to the last supper and this is an illustration of their salvation. The idea is ONCE BATHED always bathed and this is the same for salvation, since ONCE saved always saved. Therefore, they did not have to bathe again in the upper room. It is Blind Arrogance to think that one can do something to gain salvation OR do something to LOSE IT. The washing of their feet is analogous to the Rebound Procedure which must be consistently used after Salvation Adjustment to the Justice of God to recover from any failures as sin.

Intensity in one's personality generally goes with Arrogance and intense people are most often very subjective and very Arrogant and don't even realize they are Arrogant. They never relax nor smile and as a result life is very difficult for them. This is the Arrogance of Emotion dominating the soul and it brings with it erroneous conclusions as to what constitutes the Plan of God. This is emphasis on personal experience not spiritual growth through Perception, Cognition, Inculcation & Metabolization of Bible Doctrine. The Emotional Arrogance of the holy roller Christians who associate spiritual advance with an obsolete, canceled spiritual gift called "tongues" is Blind Arrogance. Every person involved in the holy roller or tongues movement is a victim of Blind Arrogance. They are the most Arrogant SOBs on the earth today. They often use academically understood Bible Doctrine principles to bring others into line and manipulate people by throwing doctrine at them. However, it is not ever a believer's position to manipulate people, that is the ministry of God the Holy Spirit. Make no mistake,

when someone in authority tells an underling to do something this is NOT manipulation and NOT Blind Arrogance. When a husband sets a policy in the family the wife must adhere to it, PERIOD. Blind Arrogance is always self centered and becomes ‘what one does’ which is most important and also what is or is not spiritual. It always establishes false standards from which false conclusions arise with regard to what constitutes spirituality and other functions. It is acceptable for others to agree with and follow standards another sets up, whether they are valid or false, if they desire to do so, but this other never has a right to try to force those standards on others in Self Righteousness.

### **Requirements for Blind Arrogance**

The **Reversionist** under the influence of Evil (**1Tim 6:3-5**) is under blind Arrogant and has no true understanding of any of the principles of Bible Doctrine. Blind Arrogance is where **Mental Attitude Arrogance**, **Reversionism** and **Emotionalism** all derived from Evil meet. (**2Tim 3:2-5**)

Blind Arrogance:

- ✧ Rejects the principle of live and let live as self determination.
- ✧ Tries to tell others what they should or should not do.
- ✧ Causes great misery because those people involved cannot explain what is happening to them in life since without Bible Doctrine they cannot understand their Divine Discipline.
- ✧ Is the erroneous conclusion sponsored by Evil that the Plan of God stands or falls based on what THEY do, how THEY behave and it never occurs to these people that the Plan of God stands or falls on who and what God is ALONE.
- ✧ Emphasizes man and is thus anthropocentric instead of Christocentric.
- ✧ Results in maximum selfcenteredness in the believer who assumes that his eclectic morality, production, opinion or experiences are more important than anyone or anything else.
- ✧ Is the irrational conclusion that the Plan of God has failed because he has failed.
- ✧ Establishes false standards and comes to false conclusions with regard to spiritual greatness.
- ✧ Assumes any friendliness from the opposite sex is love.
- ✧ Interlocks with **Personality Arrogance** where the Self Righteous anthropocentric personality emerges as part of being involved in the Interlocking System of Arrogance.

Blind Arrogance can result in many erroneous assumptions including:

- ✧ **Legalism** in all its aspects
- ✧ Salvation must occur by means of personal human effort good deed works where unbelievers have their minds blinded so that they cannot accept the Grace principle of the gospel of The Lord Jesus, The Christ.
- ✧ Spirituality by works in the same way.
- ✧ Maturity by works also in the same way.
  - Here the **Emotional Arrogance** of the holy rollers is an example and they associate spiritual advance with an obsolete canceled spiritual gift, “Speaking in Tongues” which they take totally out of the context of its purpose.

These are all signs of the influence of and function under the principles of Evil. The self centered Arrogance of a believer who assumes that his life or activities are more important than those of anyone else has been refuted in [Phil 2:14-16](#). It is total Arrogance to assume that the Plan of God depends on any individual person since being a PLAN OF GOD, it CAN and DOES ONLY depend on God and never on anything any individual creature may think, say or do. There is also the Pastor Teacher who assumes that his ministry stands or falls as a result of something HE does which is totally Arrogant since ONLY GOD can dismiss or promote any man in the ministry.

All Arrogance is simply inflexibility concerning the [Nonessentials](#) of life which builds false Norms and Standards in the conscience of the individual's soul. The believer must never try to live based on the Norms and Standards of another person but must live based only on his own Norms and Standards and must therefore develop an accurate conscience and Frame of Reference with which to build correct norms and standards. This requires daily inculcation of Absolute Truth which for the believer means consistent Perception, Cognition, Inculcation & Metabolization of Bible Doctrine. The [Weak Believer](#) suffers from Blind Arrogance and has been evangelized into weakness by others who are also weak and his weakness is intensified by emulating weakness. To avoid emulation of weakness and the resultant intensifying of one's weakness requires accumulation of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. When this occurs consistently and results in a maximum level of Bible Doctrine in the soul it is the ONLY acceptable function which causes the believer's advance to [Maturity Adjustment to the Justice of God](#). This advance is accompanied by a total overhaul of the conscience so that the Frame of Reference and Norms and Standards line up with the Christian Way of Life and [Divine Viewpoint](#) thinking. This believer can then function on the basis of the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul and under the [Royal Family Honor Code](#) so that neither [Legalism](#) nor [Antinomianism](#) is compounded into persistent sinfulness. Therefore, the Person involved in Blind Arrogance is totally intolerant, inflexible, subjective and extremely hypersensitive. This type of person in a Local Church may enter Blind Arrogance and then decide the Pastor Teacher no longer has a biblical message and then seeks to force his opinion on others by conspiring against the pastor. If this is accomplished in a Local Church, or any organization, the church or the organization is thereby destroyed. This [Conspiracy](#) will distract those who are positive to Bible Doctrine and this type of conspiratorial person must be totally and permanently removed from the organization, ANY organization.

Blind Arrogance keeps the believer from yielding to the superior standards of God's policy of GRACE. Grace is always related to Bible Doctrine never to [Human Effort](#) WORKS. Blind Arrogance always rejects the principle of live and let live as a basic principle of life which is the foundation for [Humility](#) which is the basis for developing [Virtue](#) and capacity for life. This is the believer stuck in [Reversionism](#) who sets up his own standards rather than yielding to the superior standards of the Plan of God. It is interesting to consider that every believer has entered into a CONTRACT with, the "Capitalist of Eternity" ([Matt 20:1-15](#)), The Lord Jesus, The Christ, but it is a contract ONLY for Eternal Life and when he rejects the standards of God

and his Plan of Grace during his life on earth, therefore, all he gets after his life has ended is Eternal Life. IF the believer adheres to the standards of the Grace Plan and Policy of God during his life on earth, maybe he will and maybe he will not, after his life has ended, he gets the contracted Eternal Life but also the bonus of *greater or SURPASSING – GRACE rewards* as his escrow eternal blessings as a result of fulfilling the Plan of God.

### **Blind Arrogance and the Woman**

God regards each “lady” in the Royal Family of God as being of extreme value and because of this they must be shown the proper deference. It is the Divine Viewpoint which counts in everything and no matter how insignificant or obnoxious a female believer may be on any given occasion SHE is important to GOD. This principle of Bible Doctrine must be kept in mind for true Royal Family of God sensitivity. This is the believer being sensitive to the Divine Viewpoint and operating on that basis and ONLY Blind Arrogance ignores the fact that all members of the Royal Family of God are equally important to God. All believers must keep in mind and always remember that when one assembles with others in the Royal Family of God for any reason, they are all of the highest quality in the sight of God and therefore, this must be one’s perspective in his attitude toward them. God never has nor will ever encourage the believer to form separate judgments from his own standards. “Love for the brethren” is simply having a Relaxed Mental Attitude toward each and every believer and functioning under Problem Solving Device #8, Impersonal – Unconditional Love for Mankind. When a woman has been divorced, generally, the reason for her divorce is that she could not get along with anyone and was involved in Egotistical Arrogance. She suffers from Blind Arrogance which causes her to become a Trouble Maker. This is not necessarily true of widows but very often when a woman is divorced, no matter how sad her story is, the reality is that she is a fantastically egotistically Arrogant woman and has never, in all her life, thought about anyone else except herself and is spoiled in the true sense of it. Then, after her divorce, she is now a trouble maker for many, whereas before she was trouble for only one man, and for him now he is thankfully free and hopefully wiser.

Women, generally, have a great propensity for Arrogance, as a result of this being the reason for Ishah’s deception in the Garden, and are carried away with their own self importance, their own brand of Legalism and that their Personal Opinions are more important than any other’s opinions in life. The manner in which they attempt to or in fact do superimpose their opinions on others is a great fascination and forms a whole pattern of Arrogance. The Lord Jesus, The Christ in trying to shake the disciples out of their saturation in Blind Arrogance predicted his Substitutionary Spiritual Death and then his resurrection. The disciples, even though they had been with him for 3 years, understood only the mechanics of Salvation Adjustment to the Justice of God. Were it not for the resurrection on the 3<sup>rd</sup> day the disciples would have died and gone to heaven without a single one of them having any reward or decorations as a result of their knowing NO Bible Doctrine at all. It was the resurrection which snapped the disciples out of their stupidity and Blind Arrogance. Salome wanted to bypass the objective of the 1<sup>st</sup> advent of Christ, his Substitutionary Spiritual Death on CROSS, and take part in the Crown which in the Plan of God is the objective of the 2<sup>nd</sup> advent. She failed to see the cross must come before the crown and her pride and approbation lust caused her to only listen when Jesus

spoke about the future kingdom and she wanted her 2 boys to be in the top tier of the new kingdom. Salome's Blind Arrogance totally ignored what Jesus had just said to them and she interrupted Him with a stupid request for the kingdom of the 2<sup>nd</sup> advent. This was Arrogance, legalism and idiocy in view of what Jesus had just taught all of them. If man can do ANYTHING to provide salvation then there is and can be no salvation. Man APPROPRIATES salvation by faith alone in the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone but man cannot provide anything toward salvation. Blind Arrogance is a combination of the Mental Attitude Arrogance of [Pride](#) and the influence on the thinking of Evil and is totally minus any Bible Doctrine. In this particular case the doctrine had just been taught but had not been accepted by these people because of their Blind Arrogance.

The woman in her dialogue with Satan who was indwelling her favorite pet, the serpent in the garden, was socially unfaithful to her authority, Adam, and also spiritually unfaithful to her divine authority The Lord Jesus, The Christ. She suffered from Blind Arrogance and was the first case of Arrogance in Human history. She rejected Adam, her right Pastor Teacher, The Lord Jesus, The Christ, and Bible Doctrine as her authority. Her stupidity, Arrogance and rejection of authority caused her to assume she was smarter than anyone and that she could be as smart as GOD. A person under Blind Arrogance is always easy to deceive and they represent the quintessence of stupidity. Like Satan the woman was filled with Blind Arrogance and she threw over her temporal and spiritual authority and Arrogance blinded her into total [Self Deception](#), moving her directly into the function under the [Arrogance Skills](#). ([Gen 3:1-6](#)) This is the occupational hazard of the woman even today.

### **Blind Arrogance & Reversionism**

If the believer is not influenced by Bible Doctrine but retrogresses in the Spiritual Life and becomes [Reversionistic](#) he is constantly influenced by Evil and God must administer [Divine Discipline](#) while Satan tries to offset the Divine Discipline with pseudo prosperity. God will take this useless believer down and take his pseudo prosperity from him and make him miserable to the point of taking him out this life under the abject dying misery of the [Sin Unto Death](#) where he will be transferred to heaven and be face to face with the Lord but will have an unimaginably miserable time getting there. Believers must, as Royal Family of God, understand why they are here and what life is all about and their purpose in the Angelic Conflict and if they fail in this understanding they will find themselves in Blind Arrogance.

[Reverse Process Reversionism](#), the final stage of Reversionism, is where all norms and standards and values are completely destroyed and erased from the soul and one then becomes occupied with everything which is antithetical to spiritual values. Any Category I Love of Basic or Advanced [Personal Love for God](#) is replaced by Blind Arrogance. Instead of having Category I Love, but still having the vocabulary regarding loving Christ, these believers are in fact involved in [Egotistical Arrogance](#). In Category II Love or Romance, there are a myriad of false lovers and in Category III Love there are many false friends. However, there is no Blind Arrogance with the advancing or mature believer. The Reversion Recovery outlined in [Heb 6:1](#) is impossible without the consistent daily function under the [Grace Apparatus for Perception](#). It is also impossible when religious Reversionism is perpetuated and Blind Arrogance takes over.

([Heb 6:4-6](#)) Reversionism often leads to Perversion ([Rom 1:26-27](#)) and when collective in a people produces national disintegration. ([Rom 1:29-32](#), [Hos 4:1-6](#)) In addition Reversionism also intensifies suffering ([Ps 77:1-10](#)) and all the “good” things in life are remembered but are now out of reach. God’s standards for [Spiritual Maturity](#) and His required qualifications for blessing are the same for every believer and only depend on one’s advance in the Spiritual Life through accumulating maximum Metabolized Bible Doctrine into the Stream of Consciousness of the Soul. There are MANY signs of Blind Arrogance and it is a subtle amalgamation of [Mental Attitude Arrogance](#), especially Pride plus the strong influence of Evil. ([Matt 19:27-30](#))

There is an occupational hazard for all members of the Royal Family of God in Blind Arrogance. Categorical Arrogance may involve sin but in combining it with [Reversionism](#) it forms a concentrated system from Evil. The strong influence of Evil and the [Mental Attitude Arrogance](#) of Pride meet to form this occupational hazard for believers called Blind Arrogance. For the believer Blind Arrogance is a hindrance to and frustration of his spiritual advance to Maturity Adjustment to the Justice of God. The believer under Blind Arrogance, when given a little [Authority](#), very often somehow concludes and emphasizes how important he thinks he is, and this is Arrogance, [LEGALISM](#), and Reversionism all tied together under the strong influence of Evil. This is what caused the fall of Satan and also Ishah (the Woman), the first member of the Human Race to have Blind Arrogance. This is the believer who understands Salvation Adjustment to the Justice of God but is concerned mostly with his own personal reward in eternity and has assumed that his importance in the Plan of God is so great that God cannot get along without him and as a result he will be given a very special place in heaven. This believer has lost the perspective of Grace in emphasizing what he has done for the Lord rather than what The Lord Jesus, The Christ has done for him. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul often displaces certain failings in the life of the believer but the believer who has made no Positive Volition doctrinal decisions has nothing on which to base having the potential for receiving any rewards in time or eternity. This type of believer is saved, since Blind Arrogance does not take away salvation, but his Blind Arrogance does neutralize salvation so that all he has is Eternal Security and nothing else.

The concept of ‘Godliness’ is also distorted by reversionists under the influence of Evil, ([1Tim 6:3-4](#)) and they have a form of pseudo godliness from Blind Arrogance which is another distortion of Grace. Pseudo godliness is a form of Blind Arrogance where Mental Attitude Arrogance and Reversionism meet under the influence of Evil. ([2Tim 3:2-5](#)) This involves a denial or rejection of Bible Doctrine and is a distortion of doctrine as a result of the believer being under the influence of Evil and involved in Reversionism in what basically amounts to a phony life. When involved in the Interlocking System of Arrogance most often a person is aware of his Arrogance but when one is under Blind Arrogance he is not even aware of his overriding self centered pride. This is something many believers may have and not even know they have it and it is the mechanic of the sin and ultimate fall of Satan. This person falls into Blind Arrogance because of his rejection of Bible Doctrine placing him in Reversionism under the influence of Evil at some point in his past, which then continues on through his entire life. One does not have to have or be anything special to be involved in Blind Arrogance and having great wealth, success, beauty, etc., are NOT necessary to have this fault in the Spiritual

Life. Blind Arrogance can be an automatic involvement because ALL PEOPLE IN Reversionism ARE Arrogant starting with [Negative Volition Arrogance](#) and because of not knowing they are Arrogant they are in Blind Arrogance. If a believer assumes HIS priorities are greater than GOD'S then HE IS Arrogant. The focus in the Spiritual Life must be on the fact that God's priority for one's life is Bible Doctrine and when anything is allowed to come BEFORE Bible Doctrine then a system has been set up with false priorities and false involvements in Blind Arrogance.

All Arrogant people are stupid, and Arrogance, itself, is a state of stupidity because it is inflating self beyond one's ability or capacity. It is a truth that [Reversionistic](#) believers ARE Arrogant and some will have Blind Arrogance and morbid [Obsessions](#) with regard to controversies. Beyond Blind Arrogance there hides in the reversionist the most heinous Mental Attitude Sins from [Mental Attitude Arrogance](#). Reversionism thrives on pseudo controversies and the reversionist likes to be involved in controversies and stir up controversy because of [Jealousy](#), by instigating slander or implacability. Being under the influence of Evil, Reversionism is fanned into a great flame with controversy. The reversionistic believer under the influence of Evil always is a trouble maker, using his mouth to start trouble between people and always has his nose in the business of others being always upset, disturbed, Jealous or in some other way reacting to someone. When as a result of these controversies instigated among other believers Jealousy results, it inevitably produces all sorts of Mental Attitude Sins, verbal sins and even overt sins.

### **[Human Good & Blind Arrogance & Pride](#)**

[Human Good](#) is not, will not and cannot ever be acceptable to God, and to assume that it is, is Blind Arrogance and ignorance of Bible Doctrine. ([Is 64:6](#)) Human Good is the production under the plan and policy of Satan, we were first made aware of this as the Tree of the Knowledge of *Good and Evil*, a prohibition for man in the Garden. Human Good is always linked with Arrogance resulting in boasting and [Guilt Complex](#) reactions. Arrogance is the underlying basis for the Plan of Satan known as Evil with its GOOD production. Human Good is the PRODUCTION of the Plan of Satan, Evil, and therefore cannot be part of or in any way involved with the Plan of God which is GRACE which has Divine Good as its production. Therefore, Human Good does not, will not, and in fact CANNOT, save mankind. ([Eph 2:8-9](#), [Titus 3:5](#), [2Tim 1:9](#)) Therefore, anything any person can do by his own efforts or from his own talent or ability, cannot ever bring him Eternal Life and Eternal Salvation. [Salvation Adjustment to the Justice of God](#) is only according to the predetermined plan of Grace prepared for man long before Human History began. Spirituality is also not a matter of how GOOD a believer can be or how extensive his GOOD DEEDS can be, but is given to each Church Age believer at Salvation Adjustment to the Justice of God as the [Filling of God the Holy Spirit](#), and only maintained by the Grace process of [Rebound](#). Human Good was not judged at the cross and is not to be judged until the resurrection of believers in each dispensation and at the end of Human History and the Angelic Conflict Appeal for unbelievers, because it is the base production in the Plan of Satan, Evil, which must continue, being the foundation of the Angelic Conflict Appeal Trial. The area of weakness of every Old Sin Nature produces the temptations to sin, all which were judged in The Lord Jesus, The Christ on the cross. The area of strength

of every Old Sin Nature produces Human Good all which was rejected at the cross and reserved for these areas of future judgment. What we call “Human Good” is an integral part of the plan and policy of Satan for ruling this world and therefore cannot be judged in order to allow the Angelic Conflict Appeal to be completely resolved by demonstrating its futility. The Human Good of all Believers in the Family of God will be judged as by fire, at the Judgment Seat of The Lord Jesus, The Christ for the Royal Family of God of the Church Age, and for the other members of the Family of God when they are resurrected, so that it will be separated from the believer prior to his admission to Eternal Life with God. ([1Cor 3:11-16](#), [Rom 5:10](#), [2Cor 5:10](#)). The Human Good of unbelievers will be the basis for their judgment at the Great White Throne Judgment or Last Judgment and this is where the final instances of Human Good are removed and then with the unbeliever will be relegated to the Lake of Fire. There will be no Human Good in eternity BECAUSE IT IS PART OF THE PLAN OF SATAN, and one very often wonders why people cannot just check their desires for Human Good production at the door and allow others to just be relaxed in life.

Blind Arrogance is something which attacks people and throws them into Reversionism while they contend that they are NOT Arrogant and not in Reversionism. [Rom 4:2](#) tells the believer that there are never any reasons for him to brag to God about what he can do or has done. [Eph 2:9](#) explains salvation cannot be by works of any kind by anyone at any time. Generally people lead in life with their [Pride](#) and there inevitably is some area where one is totally blind to their own pride, this is Blind Arrogance. This is easily exposed in anyone by finding that which puts pressure on the pride of that individual and stimulating it. This pressure causes pride to be pushed down or compressed in the soul and as it goes down this pressure pushes up whatever will relieve, for that individual, the pressure on his pride. This can include judging, maligning, gossip, jealousy, vengeance, vindictiveness, cowardice, implacability, I am right everyone is wrong, etc. It is extremely important to keep this principle in focus as this is only one of the things which can cause a person to move away from Grace. Pride expresses itself in the believer in such a way that when someone else is supposedly doing great things for God and this is recognized by others, then the prideful have to exceed what that one has done. These attacks on pride set up false scales of values and lead to multiple levels of Human Good production. All Human Good produced by the believer in time drives him into the Interlocking System of Arrogance via Blind Arrogance.

Even the believer thinking he has any grounds for boasting is the great enemy of Grace and must be eliminated from the life. Since this kind of Arrogance is, in this case, blind, it does not see itself as Arrogant but calls itself, “sensitive” or some other false name but whatever it calls itself it IS Blind Arrogance. The only way to uncover and remove it is through maximum Metabolized Bible Doctrine accumulated into the Stream of Consciousness of the Soul so that by the time the believer reaches [Maturity Adjustment to the Justice of God](#) it should be pretty well cleared out of the soul. When the believer finally gets to [Intermediate Maturity Adjustment to the Justice of God](#) and has received Super – Grace B or Bravo Grace support in the no man’s land between the status of Maturity Adjustment to the Justice of God and [Advanced Maturity Adjustment to the Justice of God](#), this is where the real pressure is in the Spiritual Life. Then this believer having real pressure and difficulties in life from every aspect of the Cosmic

Dynaspheres directed against him, with Blind Arrogance removed, will clearly realize that he is totally dependent on God. This is when being a recipient of Bravo Grace is more than just a title or principle of Bible Doctrine but becomes a reality of life. This results because this believer will carry, with his bravo grace blessings, total concentrated [Occupation with the Person of The Lord Jesus, The Christ](#) as maximum Category I, Personal Love for God. Therefore he will know the source of everything in life and will relax and stop competing and being Hypersensitive and hating people and getting upset about people. The believer must, however, remain extremely alert so that when someone comes along with their brand of Human Good Production, he avoids being carried away in Arrogance along with them. Believers must remain very careful about following friends instead of Bible Doctrine and must make sure they continue to maintain the right Bible Doctrine established priorities in life.

### **Grace & Blind Arrogance**

That the Plan of God only depends on God is a fundamental concept of GRACE. It is the Arrogance of a believer who sets up false standards and then complies with these standards and by his compliance with these false standards concludes that he is a great believer which places him securely into Blind Arrogance. The GRACE principle points out to the discerning believer that, in reality, IN THE PLAN OF GOD THE HUMAN BEING IS ZERO / (0). The believer must be able to get to where he can listen to the nice things people say about him and not take himself seriously. If he begins to take self too seriously he then becomes an intense personality and this is Arrogance. Once a person takes self too seriously the next step is Arrogance, either overt or blind.

The believer involved in Blind Arrogance is the one who rejects the Grace means of salvation and the progress, maturity and blessing in the Spiritual Life, which is the result of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. Greatness and Service in the Spiritual Life are both based on [Grace Orientation](#) and that is based on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and the use of the inner resources provided by the [Assets](#) from God and maximum Metabolized Bible Doctrine. In effect, for the Royal Family of God in the Church Age, greatness is being under the authority of Bible Doctrine. This results in avoidance of both Blind Arrogance and the Influence of Evil and this greatness has nothing to do with having a high ranking position or exercising authority over others. Therefore, divine standards demand that all believers be under and orient to the [Authority](#) of Bible Doctrine for their greatness. Thus is clear the reality of the principle of the function of the [Grace Apparatus for Perception](#) to establish the inner dictator of the soul to control the believer with maximum Metabolized Bible Doctrine which insulates him from the influence of Evil and protects him from Blind Arrogance. No matter what one's station in life is, whether having maximum authority or no authority, every believer must come under the authority of Bible Doctrine. It is an absolute dogmatic truth that a single thought can make or break any believer and greatness lies in the soul not in service or any other function in life. Many Christian organizations are guilty of collectively functioning under Blind Arrogance because they infer that a believer can be or is great ONLY based on his EFFORTS or WORKS, his production as a Christian. Bible Doctrine indicates that these types are not in any way spiritual but suffer from Blind Arrogance. The true dynamics of life are not ever based on overt activity but

always found in the activity in the soul of the believer. Since it is THOUGHT which can make or break one, therefore, it is the value and importance of what one thinks which is all that matters. Today, in the United States of America, Bible Doctrine oriented thinking is GONE from American society. The vast majority of believers know little if any biblical doctrine after [Salvation Adjustment to the Justice of God](#) and both they and the unbelievers are oblivious to the importance of the Laws of Divine Establishment and Divine Institutions as doctrinal principles for the protection and preservation of mankind. This is what has given the United States a national Blind Arrogance with so little common sense and so many ridiculous things occurring in the nation today. This nation, as a [Client Nation to God](#), has failed in every possible way and many of these failures are the direct result of this Blind Arrogance. Believers under the influence of Evil, having rejected Bible Doctrine, like Peter and Salome, have ignored the doctrine of resurrection and are spiritually blind. They all, the 12 disciples and Salome, ignored the allegations of the resurrection and everything Jesus had taught and were anxious to do something to turn things upside down. They all wanted to do something to change the situation of their times and none understood the true issue of the importance of ONLY consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. This is what is occurring in the United States of America TODAY!

### **Blind Arrogance, Volition & the Sovereignty of God**

Free will in man never detracts from the Sovereignty of God under the Grace Plan and Policy of God. If the believer has made a Grace appeal from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul then under that same Grace policy the Sovereignty of God says to him “What do you wish”? Under Grace, Free will complements and glorifies the Sovereignty of God and it is Blind Arrogance which is in opposition to the Sovereignty of God. Considering the 2 blind men, The Lord Jesus, The Christ as God made an issue of their free will by asking them what they desired *because* their volition was oriented to the Will of God and Plan of God and was focused in being nonmeritorious and therefore totally compatible with Grace. These 2 blind men were [Grace Orientated](#) and were the antithesis of being under Blind Arrogance. These men asked for something which neither they nor anyone else could do for them, to be healed of blindness. There is only one way to follow Christ after Salvation Adjustment to the Justice of God and that is to be consistent in the Perception, Cognition, Incultation & Metabolization of Bible Doctrine resulting in maximum Grace Orientation and therefore, advance to Maturity Adjustment to the Justice of God. Once the believer has a command post of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul he is then free from the influence of Evil and thus from Blind Arrogance. He sees with the perceptive Grace eyes of the soul and fulfills the phrase that the last shall be first in reward and blessing. Peter was influenced by Evil and would be rebuked while the 2 blind men from Jericho were influenced by Bible Doctrine and were given perfect sight and many other [Super – Grace](#) blessings. Peter followed Christ in Blind Arrogance and the 2 blind men followed Christ in Grace Oriented [Humility](#) and this difference is the result of being influenced by Bible Doctrine vs being influenced by Evil. Peter had physical sight but was blind in the soul paying no attention to the doctrine that Jesus had taught. Therefore a believer involved in Blind Arrogance goes from misery to more misery while Grace oriented humility goes on to great blessing, promotion and success in the Spiritual Life.

### **Blind Arrogance & the Rebound Procedure**

Since volition is involved in both known and unknown sins the believer, therefore, always makes free will decisions to get out of the Divine Dynasphere and therefore he MUST also make free will decisions to get back into the Divine Dynasphere, God's Power System for the Church Age. The Decision to reenter the Divine Dynasphere is based on the GRACE function of the **Rebound Procedure**. There is NO Arrogance involved nor legalism, no feeling sorry for sins, no penance, and the only requirement is the simple naming, citing or acknowledging the sin to God, which is in effect agreeing that God's Judgment of those sins in Christ was efficacious. (**1John 1:9**) This is all that is necessary for the believer to avail himself of forgiveness from God. NO EMOTION, no concern, just follow the procedure. God's provision of a means for the believer to avoid becoming involved in Arrogance, Cosmic Dynasphere I, resulted in all personal sins never being imputed to any human being for condemnation but were all collected with all the sins of ALL others and imputed to The Lord Jesus, The Christ on the cross. This is the basis for the Rebound Procedure, and Sin being once judged is always judged and never to be judged again. Believers who function without rebound suffer from Divine Discipline which is an issue ONLY because of Sin taking the believer out of the Plan of God. This is unbearable suffering and is the Status Quo of the believer in Arrogance. The Solution to all failure in the Plan of God is the use of the Rebound procedure however there is a universal opposition to Rebound among believers and this results from Blind Arrogance.

### **The First vs The Last & Blind Arrogance**

The believers who are guilty of and persist in Blind Arrogance are last with regard to blessing in time and have no rewards in eternity. In Blind Arrogance they will be minus their Escrow Super – Grace blessing including Dying Grace and minus their Escrow Surpassing – Grace blessings for eternity. The only thing these believers have is what they have from Salvation Adjustment to the Justice of God, namely Eternal Security and the inheritance of Eternal Life and their ultimate distribution of a Resurrection Body, because they are functioning under Blind Arrogance and influenced by Evil. Those who through maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul have Grace based **Humility** and **Grace Orientation** are moving toward Maturity Adjustment to the Justice of God and will if persistent in these functions be PLUS their Escrow Super – Grace blessings and receive fantastic Surpassing – Grace rewards for eternity. They will enjoy true inner happiness, contentment and stability from **Sharing the Happiness of God**, Advanced Personal Love for God as **Occupation with the Person of The Lord Jesus, The Christ**, as a result of possessing Maximum Metabolized Bible Doctrine for application to any and every situation in life. This also brings with it maximum capacity for life, love and happiness, and all the great temporal blessings, blessing by association, historical impact and results in this believer leaving this life by way of **Dying Grace** blessing. These are the FIRST and the LAST. The LAST Apostle was Paul and he will be FIRST with greater blessings than anyone else in history except possibly David who will have one of, if not the, highest award in heaven. Paul, however, will be the greatest decorated believer of the Church Age. These “Last” have been and will be influenced primarily by maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

In illustration, it will be “[UNION](#)” labor who are the first in industry today becoming the last. They are in fact the best illustration of Blind Arrogance. This is what has been permitted in the United States of America and what was also in ancient Rome. Free, non-union or Scab Labor illustrates [Grace Orientated](#) humility and they will be first. In this way parallelism is established between labor unions and [Legalism](#) on the one hand and [Grace Orientation](#) and non-union labor on the other hand. The labor unions are saturated with Blind Arrogance and [Institutional Arrogance](#). In the illustration which Jesus gave concerning the capitalist, the management freely CHOSE to treat the part time workers in GRACE by paying all the workers the same wage. This is advocating both Free Enterprise in business function as well as [Surpassing – Grace](#) Blessing where God determines eternal rewards only on the basis of his policy. Labor unions are saturating American businesses today more than ever before and are always anti-establishment and anti-free enterprise, just as the American government is in its domestic and foreign policies anti-freedom. The labor unions always judge the capitalist by their union standards which are false, based on Evil and totally [Legalistic](#) rather than GRACIOUS. NO ONE receives rewards for eternity on the basis of his own legalistic standards but only on the basis of the GRACE standards of God. Believers in [Reversionism](#) and under the influence of Evil are like the labor union men in Blind Arrogance and have erroneous standards for the Christian Way of Life. Consider the [Grace Orientation](#) of the Capitalist and recognize that if the Union Labor had not bargained for their salary in the first place, maybe they would have come away with double pay. GRACE is related to Bible Doctrine and never to human effort works so that the believer focused on Grace Orientation rather than Blind Arrogance will receive blessing and reward BEYOND any possible imagination.

Therefore, rewards for believers in eternity depend on the policy of God and not the Arrogant, Legalistic, anthropocentric standards of Evil and blind fundamentalism. Arrogance is always critical of Grace; Salvation Grace, Rebound Grace, Logistical Grace, Super – Grace, Ultra Super – Grace, Dying Grace and Surpassing – Grace and when this occurs Arrogance reflects Evil. The “FIRST”, those under the influence of Evil, have Blind Arrogance, Arrogant thinking as a result of [Locked In Negative Volition](#) resulting in [Black Out of the Soul](#), and function under their own false Norms and Standards, rather than by Divine Standards, derived from Grace and Metabolized Bible Doctrine. The “LAST” are those who through Metabolized Bible Doctrine in the Stream of Consciousness of the Soul have true Grace Orientation therefore true Grace Humility. These last are the Mature believers who avoid the influence of Evil in time and will be the First who are rewarded under [Surpassing – Grace](#) blessings.

### **[Blind Arrogance & Mobs](#)**

Mobs cannot think, reason nor accomplish anything worthwhile in life. Mob activity and mob rule is totally antithetical to the Laws of Divine Establishment by which one gains and keeps freedom. Mobs are the historical illustration of mass Blind Arrogance. Mobs destroy freedom, privacy, property, especially authority and hinder spiritual growth. Mobs are anti-authority, anti-discipline, anti-establishment, anti-revival so that one cannot have a mob and have a Spiritual Life revival. Typical of a mob is non authorized persons sticking their noses into some other’s business, violating privacy and freedom as in the case of the disciples regarding the 2 blind men who approached Jesus for healing. This is typical of MOB Blind Arrogance.

Blind Arrogance is always guilty of judging, gossiping, maligning and sticking its nose into the business of others. Nosy people who invade one's privacy ARE [Reversionistic](#) and influenced by Evil and guilty of Blind Arrogance. No one has any right to stick their nose into another persons business except parents with regard to children and any other areas of society where Legitimate Authority is in place and legitimately placed over another. If the judgment of the mob had prevailed the 2 blind men would have been ignored because Blind Arrogance always censors, criticizes and reprimands others. However, Jesus recognized these 2 men as [Grace Orientated](#) persons, in contrast to the disciples who are rebuking them as persons in Blind Arrogance and gave them consideration.

### **Blind Arrogance & The Immature Believer**

The greatest occupational hazard of the NEW or immature believer is Blind Arrogance. The fact is that all immature believers have some level of Blind Arrogance and if enough time elapses without spiritual growth then Blind Arrogance saturation is inevitable. The only means of offsetting Blind Arrogance is the daily function under the [Grace Apparatus for Perception](#) to move up in the Spiritual Life. The Blind Arrogance trap for the immature believer is quite easy to succumb to without the consistent function of Perception, Cognition, Incultation and Metabolization of Bible Doctrine under the [Filling of God the Holy Spirit](#). As a result of entry into Blind Arrogance any believer, including the Pastor Teacher, is subject to judgment, condemnation and the resultant Divine Discipline from God. Blind Arrogance hinders and frustrates spiritual growth through involvement in systems of [Legalism](#) and pseudo spirituality but it also takes a negative or limited view of Bible Doctrine communicated in the local church. This person always has some kind of limitation in his soul as to how much or what category of Bible Doctrine he will take in from his Pastor Teacher. He takes a limited view and qualifies what the Pastor Teacher communicates either agreeing or disagreeing with it. However, most disagreement with doctrine is based on preconceived notions which inevitably are in error, out of line and apostate and Blind Arrogance always prefers a zone of preconceived notions over what the Scripture actually teaches. Therefore, Blind Arrogance guarantees that the effected individuals will be influenced by Evil rather than by Bible Doctrine. This may come in the form of Ascetic Reversionism where if salvation is desired along with spirituality one must never engage in SEX and must live in celibacy and squalor. Blind Arrogance follows the pattern of the fall of Lucifer resulting in the involved believer being locked into Reversionism and the accompanying 3 stages of [Divine Discipline](#). The best summary of Blind Arrogance is [Matt 19:27-30](#), [Matt 20:1-15](#), [Matt 20:16-29](#), [Matt 20:30-34](#). Therefore, Blind Arrogance neutralizes the purest and highest authority given by God in Human History, Bible Doctrine. People involved in either superiority or inferiority complexes are always involved in Blind Arrogance. There is no such thing in the believer who has reached Maturity Adjustment to the Justice of God but he lives between these with absolute CONFIDENCE in Bible Doctrine.

## Gate #51 – The Arrogance Regarding Impulsive Power Abuse

This is the ABUSE of Divinely Delegated Legitimate Power or Authority in life. This is the case for most people in life, including believers, who are given authority and power but cannot handle either. Once one has authority with power he cannot be personal and subjective but must switch to being totally impersonal and objective with those under his Authority. Many people cannot handle authority because they simply become Arrogant which leads them to self-centeredness. People all have the power in their own volition to say YES or NO to anything in life but this power is corrupted by the influence of Evil and temptation from the Old Sin Nature. Many individuals cannot ever be great leaders nor successful in life because their volition is corruptible by every category of Arrogance, Sin and all aspects of Human Good Production under the influence of Evil. (1Kings 13:4, 1Kings 18:40, Matt 18:23-35) One cannot ever handle power correctly if he is petty when in any position of authority. The secret to leadership or being a great lover or having prolonged happiness and blessing is to straighten out the priorities of the soul and the ONLY way to straighten out the soul is through consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

### In Illustration:

Elijah prosecuted against Israel to God and wanted to go right on with the authority he used to kill the prophets of Baal and use this authority and judge Israel. Since he could not find anyone who would listen to him when God came to him he went over all the human courts directly to God and in his judgment he stated accurate truth and then distorted it into falsehood. Arrogance always takes truth and distorts it to align with one's own purpose and advantage. **1Kings 19** was an accurate statement of facts but it must be remembered that Arrogance distorted these facts into something false. Elijah was so Arrogant that he not only wanted to kill the 450 prophets of Baal, which he DID, but also to kill all the Jews involved in the cult of Baal. He went to God and as a prophet said KILL THE WHOLE BUNCH OF JEWS involved in this Evil cult. At this point he was a mad dog and this is what Arrogance does even to a believer who has reached Maturity Adjustment to the Justice of God who is caught in the Interlocking System of Arrogance.

David used his power and authority to place Uriah the Hittite into a position during battle where he would certainly be killed so David could have his wife and so no one would know he had been raping her and she was pregnant with his child.

Peter used his power and authority to encourage LEGALISM in Antioch as the hypocrisy of Racial Discrimination against Gentiles. (Gal 2:11-13)

Power, unfortunately, can corrupt anyone within the realm of function of his volition. The abuse of power destroys leadership and management in any organization and the people who have leadership or management ability, IF they are Arrogant, destroy their own abilities. Power CAN corrupt in marriage, the family, parents, husbands, all individuals and most certainly in government. Whether or not one has any social authority in life he still has the potential for power and in fact all do have limited power and some degree of free will. In

marriages there can and will be no major problems in this area of power, position and authority when the husbands make all the decisions in the married life.

At times establishment authority is often ghastly and it is very easy to react to this but if one reacts with Arrogance he is totally out of line. While one may not have the criminal mentality in these situations it is difficult to distinguish him from the criminal. This Arrogance bypasses the Laws of Divine Establishment authority in favor of personal retaliation, vengeance or breaking the law and believers are commanded to uphold the law. Being a mature believer does not insulate one from the Interlocking System of Arrogance especially Impulsive Arrogance. Being a mature believer does not mean one can handle authority outside of his spiritual gift and gaining any extraneous authority and power can often result in total entanglement in Arrogance.

Power and authority linked with Arrogance is destructive to both the individual and the nation. Linking power and authority to genius can result in the use of the power for the benefit of others but also can result in incredible tyranny. Extreme power and authority converted into Grace only occurred through one person in this dispensation and that was Saul of Tarsus, the Apostle Paul. However, at one point for a short time he also abused his power by falling into religious reversionism and abusing what he was given by God. Having maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and using it properly will result in blessing for a lifetime and also for eternity. Doctrine linked with and distorted as a result of entanglement with any aspect of Arrogance will drive the believer into the apostasy of [Reversionism](#) or the total degeneracy of Interlocking [Motivational Arrogance](#) with [Functional Arrogance](#) which will, inevitably, destroy him. Therefore when the believer allows his thinking to imagine that he did something to earn or deserve the blessings he has from God, this is his ultimate downfall.

Impulsive Arrogance results from interlocking with aberrant functions within [Authority Arrogance](#). When one constantly functions under the principles of the Cosmic Dynaspheres and then gains authority or power, his inevitable abuse of it is the entrance into Impulsive Arrogance. This is one who has always rejected and resented authority over him and when he gets some authority he invariably abuses it. This person has no capacity to properly use authority and always makes a poor parent, manager, boss, officer, etc. Impulsive Arrogance as direct abuse of any authority one possesses occurs because without integrity developed from consistent Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine he cannot switch from Personal – Conditional Love to [Impersonal – Unconditional Love](#) for Mankind. This makes it impossible to sustain any personal relationships in life because the switching to Impersonal – Unconditional Love for Mankind is the means of sustaining all Personal – Conditional Love relationships in life. This also makes it impossible to properly exercise authority since objectivity and Impersonal – Unconditional Love for Mankind are essential in order to enable one to deal with those under his authority. Those under authority must always be given the freedom to respond to the authority and not coerced into doing so. This freedom also comes from their switching to Impersonal – Unconditional Love. The function of wielding Authority in life requires a very delicate balance demanding Objectivity,

Integrity and Impersonal – Unconditional Love. No one can ever exercise authority without total objectivity toward those under his command and this objectivity toward others requires switching to Impersonal – Unconditional Love. When in authority one may often need to retain people under him who are very effective in their positions, but otherwise totally useless or obnoxious, for the good of the organization. This requires a focus toward them of Impersonal – Unconditional Love and Objectivity. Impulsive Arrogance, on the other hand, avoids Impersonal – Unconditional Love and INTEGRITY but moves into [Mental Attitude Arrogance](#) especially [Pettiness](#). This is where authority is being used simply to gain power, position or acquire personal wealth. Under Impulsive Arrogance, the one in authority does not use his position in leadership to advance the policy or purpose of the organization and this always results in a disaster. This has been the United States government since the “election” of Obama, and clearly demonstrated by the underhanded tactics of the democratic party toward Donald Trump and is vastly worse today during the Biden “administration”. Failure under Impulsive Arrogance results in interlocking with [Institutional Arrogance](#) and is the disorientation to life of thinking the organization cannot get along without one or is discriminating against him. This is the person who succeeds in an organization and distorts this into a system of [Pride](#). On the other hand, it can be a person who fails in an organization but assumes that he did not get enough breaks to succeed there as others had. Authority in any institution is designed to organize and maintain focus of those in the organization on fulfilling a policy and purpose for that organization, therefore, when one has authority in an organization he must recognize that he is responsible for the decisions he makes and his decisions MUST line up with the policy and purpose of the organization. When one has authority, the proper use of that authority is for the benefit of the organization in general and those under him specifically. Having authority does NOT mean one has the power of ability to destroy those under him, nor is he to make them fear him, nor is it a popularity contest, but he is to keep their welfare in mind at all times and focus their functions on fulfilling the policies of the Organization. Therefore, for the one in authority, being disciplined by God helps in the process of LEARNING to take responsibility for personal decisions and actions.

People constantly try to attain or grab power as their basic function in life because they want influence over others. People want influence and impact in life and to be recognized for their influence and this is a function of Arrogance. Arrogance stimulates the Grab for POWER in all situations. These are often the Believers who in giving their “bragamonies” are testifying for Satan in this the most critical stage of the historic phase of the Angelic Conflict Appeal Trial. The power, derived from the Functions of Arrogance, puts these believers directly in line with Satan and his fall as a result of HIS Arrogance. The function of the Church Age Believer is to become an INVISIBLE Hero at [Maturity Adjustment to the Justice of God](#) and reach the point of Maximum Glorification of God. This is where believers as Invisible Heroes have Maximum influence in history without interference from Arrogance. The more people are divorced from reality, the more they dream, the more they are involved in the Interlocking System of Arrogance, the more they have an image of self importance and therefore the greater is their megalomania and the less their ability to assume and handle authority. Impulsive Arrogance as abuse of authority is rejection of the proper function of authority and overlaps into everything in life. Being involved in Cosmic Dynasphere I, the Interlocking System of Arrogance one is

already preoccupied with self therefore in his thinking he places himself above any system of authority. This is intensified by the thinking that those in authority over him are inferior to him and, in his rationalization, he thinks they are not as good as he is, thus he is interlocked with [Egotistical Arrogance](#). This intensifies to the point of becoming both Authority and Impulsive Arrogance where he rejects all authority over him and abuses the authority he has. The abuse of legitimate, authorized, delegated power or authority, such as the husband abusing authority over the wife, is using authority to become tyrannical. This is the believer going from [Humility](#) to Arrogance by not being able to handle the authority which he has been given. This is what occurs when using any delegated power for personal advancement or approbation rather than for fulfilling the purpose or policy of the organization which has given it to him. People prone to [Pride](#) and [Self Righteousness](#) always abuse the authority they possess and also abuse those under that authority. Those who reject authority above them cannot ever use authority over others. Strict discipline in childhood is what builds respect for authority and lack of discipline results in lack of this essential respect.

With high levels of authority there must be great [Flexibility](#) and discernment in all situations. Misuse or abuse of authority means one is entangled in Impulsive Arrogance where decisions he makes are inevitably wrong and violate the principles or purpose he is supposed to be standing for. The believer should be cautious of accepting great temporal authority because it can result in his becoming susceptible to [Inordinate Ambition](#), having grandiose ideas regarding how to save the organization or even the nation or the entire world. The combination of Impulsive Arrogance and Self Righteousness inevitably results in fear and failure. Any involvement in Arrogance always interlocks with Self Righteousness and this is especially true of Impulsive Arrogance. Every believer is vulnerable in any area when he stops using the [Faith Rest Drill \(5 stages\)](#) and goes out on his own to solve his own problems. If one has any authority in any organization this becomes very easy to do and thereby becomes [Self Righteousness](#). Recovery from Impulsive Arrogance and any resulting [Criminality](#) is extremely difficult and often a very prolonged process.

When one votes in an election for a person to fill a high government or organizational office he must look at what the track record of the individual is when they had authority in a lower office or position. Rapidly acquired Impulsive Arrogance always acts on emotional *impulse* rather than rational policy and this is what results in the abuses of authority in lower positions being apparent. The only thing to save a believer like this is to use the Essence of God, Plan of God or Logistical Grace [Rationale](#) through the [Faith Rest Drill \(5 stages\)](#) and to back off and resist doing anything about those who have already been discredited. Many people cannot handle temporal authority and if they adopt the view that violence means power these people are then vulnerable to the intimidation of a greater power. When the believer resorts to violence after a victory from The Lord Jesus, The Christ he is deeply involved in Arrogance.

Some believers have responded magnificently to the word of God up to a point after which they become haters, maligners, liars, etc., because they were given more authority than they were capable of handling. One of the greatest distractions in the Christian Way of Life and greatest deterrent to advancing to Spiritual Maturity or maintaining Spiritual Maturity or

momentum in the Spiritual Life is to give a believer great authority because this often results in their developing this Impulsive Arrogance. Authority changes people more in life than almost anything including even great disasters. The amount of authority any individual can take varies considerably and some can take on none and some can take on a great deal, but to be given more than one has capacity for will always result in his personal destruction. When one has excessive authority above his capacity he is blinded, most often, by Impulsive Arrogance. Impulsive Arrogance blinds him to the doctrinal conclusions he should make in pressure situations whether these situations are from prosperity or adversity. When one is given authority, either Impulsive Arrogance makes him weak or he develops a sense of responsibility commensurate with the authority he has and therefore, functions effectively and properly.

The bureaucrat in [Matt 18:23-35](#) deserved nothing and was a rat and embezzled from the king's treasury and he would have found a bureaucratic way to find and steal money from others to repay the king. (Sounds like the government of the United States of America Today!) Under free enterprise capital is to be used to invest not to PAY TAXES ON or WITH. Bureaucracy is impossible and irrational since it cannot recognize that a person or company cannot pay a tax when they are being strangled by the regulations of the bureaucracy. This bureaucrat was in Cosmic Dynasphere I and abused his authority and was a [PETTY](#) tyrant. The King was a gracious man and canceled a \$10,000,000 debt but the petty man could not appreciate that graciousness. Believers in Cosmic Dynasphere I or II have no capacity for appreciation and no genuine thanksgiving and cannot see the integrity or honor of the one who functions toward them under Grace. This is an interlocking with [Mental Attitude Arrogance](#), [Negative Volition Arrogance](#), [Institutional Arrogance](#), [Self Righteous Arrogance](#), [Conspiracy Arrogance](#), [Psychopathic Arrogance](#), [Ignorance Arrogance](#), [Unhappiness Arrogance](#), [Iconoclastic Arrogance](#), [Emotional Arrogance](#), *ETC*.

Therefore, intensification of authority in any area of life can initiate Arrogance and misuse of this authority and the Arrogance related to it distort its function so that it is then used to produce [Pettiness](#). Impulsive Arrogance as a direct abuse of any authority one possesses occurs because the believer fails in the development of [Integrity](#) from consistent Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine and he cannot switch from Personal – Conditional Love to [Impersonal – Unconditional Love](#). Arrogance always misjudges the intentions of others assuming what is not occurring is in fact what is intended. It is possible to become so suspicious in your mind that suspicion plus Arrogance destroys any possible discernment. People involved in violence and mob action do not understand the implications of their actions. Mobs whether just or unjust in their cause lose their cause in the violence that often results. What the mob cannot understand is that it is always a well organized oligarchy which controls the mob using them and then discarding them when those in control gain the power they are seeking. Therefore it is obvious that a mob has no discernment and there is nothing good about them because they cannot think, discern nor respond to any authority.

When Maturity Adjustment to the Justice of God is reached the believer must never assume that being in this advanced Status Quo gives him any right to assume authority, it does not. When

one has authority and knows it and is Arrogant he is instantly neutralized no matter how good his leadership skills may be. The neglect of Bible Doctrine and the intrusion of instant authority very often will lead to Arrogance and this will be the devastation of this believer's life. He has Bible Doctrine one moment and in the next, with the intrusion of authority, the doctrine may be instantly gone and this believer then becomes a monster. Authority is often given to fulfill some purpose but when the authority is abused or misused by bringing Arrogance into the picture, the authority linked with Arrogance destroys the purpose for the authority in the first place.

When the believer is distracted from [Bible Doctrine Orientation](#) and [Grace Orientation](#), and when he malfunctions in the 4 application stages of the [Faith Rest Drill \(5 stages\)](#) because of Impulsive Arrogance it results in an abuse of temporal power. In time of victory or prosperity it can be Impulsive Arrogance producing [Self-Righteousness](#) which motivates abuse of authority. In time of pressure and adversity this same Arrogance will motivate [Fear](#) and [Self-Pity](#). Arrogance always abandons and ultimately erases doctrine in the soul and replaces it with principles of Evil and no matter how much doctrine has been stored there, it is inevitably abandoned rather than applied in reverse concentration. Arrogance sets aside the stages of the faith-rest drill and begins to operate in the sphere Evil known as [Power Politics](#). Arrogance produces [Pettiness](#) and combines it with power lust to produce violence lust and once violence is accepted as the means of solving problems the believer has, in effect, accepted his own doom. A nice guy under the influence of the Cosmic Dynasphere I, the Interlocking System of Arrogance and power lust can become an instant monster. Violence lust means, in any situation or conflict, one is either in or out so that if he wins a fight he is IN but if he loses a fight he is OUT. Once one resorts to violence to solve problems he must remember some day someone, inevitably, will engage in greater violence and WILL beat him. Once he abuses power and authority by resorting to violence he becomes a slave to the system of power politics and therefore vulnerable to intimidation by greater power and authority.

### **Doing your Job as unto the Lord**

When no one in authority asks for one's [Personal Opinion](#) in an organization and he forces it on others he is becoming Arrogant possibly as a result of his being right. This is using one's personal authority to "buck the tiger" and criticize or overshadow those in authority above him. In any organization one's job is to carry out the purpose and policy setup by those in control and who have authority in that organization. One's job is to make the purpose and policy work in an organization in which he is involved. He is to be professional when on the inside in the organization. The principle is that when a company pays one's wages his job is to fulfill the purpose and policy of the company within his sphere of activity. He is free to leave the company but not to undermine it since this would be a distortion of authority. A husband has no right to abuse a wife EVER in any way because this is abuse of authority. In marriage the husband gets his way by gaining respect from a wife and by being firm and just. When one has authority he must look to see what the source of his authority is and all LEGITIMATE authority is established and delegated by God himself.

All capacity for life is related to authority and any rejection of duly constituted authority is

Arrogance and the most Arrogant people in the world are [Revolutionists](#). Arrogance in thinking, [Motivational Arrogance](#), results in Arrogance in action, [Functional Arrogance](#), and the Arrogant ones in a government will take over a good government and turn it into tyranny as can be readily observed in contemporary American history. Revolution is collective, mutually constructed Arrogance and it destroys capacity for life in every area and usually results in a reign of terror. Arrogance on the job or in a profession with rejection of authority will manifest itself in preventing the enjoyment of social life since Arrogance in any form always destroys capacity for life. Therefore, one cannot ever inordinately criticize duly constituted authority on the one hand and have a good life on the other.

### **Impulsive Arrogance & The Woman**

When a woman wants to put herself into some position of authority she becomes a dominate female like a homosexual dyke and rules weak little women or men. It is very difficult to give to a woman great authority and have her maintain her equilibrium. Once a woman is successful in any field, Arrogance can creep in and she can become very impressed with what she is doing, with her ability, (this also applies to men but more so to the responder, the woman) and as a result loses her ability as it is replaced with great Arrogance. Arrogance substitutes human ability for divine blessing from the Integrity of God and in the process Grace is obscured and thus the Integrity of God is blasphemously obfuscated.

Paul stated that there was an Arrogance problem in the Local Church at Corinth, especially with the women. This was the reason regulations were put into place regarding women speaking and teaching in the local church. A woman teaching in the local church to adults is abusing the teaching authority she has been delegated and this destroys her responsiveness. This is directed from the highest authority and was designed to place the women back under authority and within Authority Orientation in the [Authority Envelope](#). No one can learn Bible Doctrine, nor anything else for that matter, while talking and it is rude and a rejection of the authority of the one communicating. One cannot even talk to oneself in the soul and be able to concentrate and learn anything. When women react in life they generally talk and when they react and do not talk they have turned inward and are berating themselves and they cannot do this for very long before they start talking. Most conspiracies in a church are led by women and in the process of this revolt she must find a man to carry her will. Arrogance is a very easy thing for women to succumb to especially as they become aware of their power over men as a result of their being a responder to the man. They discover their potential for beauty which becomes obvious at an early age in life and as a result they become very susceptible to flattery. It is possible for a woman to be much smarter than some men but not her “Right Man”. Too often, and tragically, a woman has the power to destroy a man’s function in life by vicious infighting where all perspective is lost and Arrogance expresses itself by insane [Jealousy](#), [Bitterness](#) and vindictiveness. In this way the woman loses her beauty and nothing can ever cover the lines of Jealousy, Bitterness, implacability and vindictiveness. As a result these women very often die poorly being vindictive and Jealous in their [Reversionism](#).

The ambitious woman has to be subjective in life to survive under this [Ambitious Arrogance](#). In the Plan of God the woman has practically NO authority in life except over children. The

ambitious woman is the one who, from her Arrogance, wants to be well thought of in life. Unfortunately, no woman can ever have true beauty if she does not and cannot respect the authority of those over her in any area including her husband, boss, pastor, etc. When a woman is submissive she is beautiful inside and out. When a woman becomes involved with feminism she loses all her beauty. A woman cannot grow up if she rejects authority and in fact women are generally less inclined to accept authority because this is part of the curse on the woman since the fall in the Garden. In women the Old Sin Nature + Arrogance causes her to want to overthrow the authority of anyone over her. Women are designed by God as responders and the greater the potential for response the greater the potential for reaction. Women respond better to justice than to love because they respect the power and authority of justice more than love. When a woman reacts to the one she loves, she should NEVER hook up with a stranger EVER. When a woman reacts she loses all respect for all authority and accepts no authority but her own. The only thing to bring her back into line is JUSTICE never love. She will accept justice as a Frame of Reference since justice is free to both punish and bless. Discipline and authority are essential for learning and therefore, spiritual advance requires both for taking in Bible Doctrine from the one who has the authority to teach it.

The longer the woman is in a position of authority in life, gradually, over a period of time, she will bring her authority home with her and lose the ability to respond to her husband. By teaching others or being in authority over others she will lose her femininity and responsiveness. This does not apply to women teaching children in the home or in schools. When she teaches adults or is in authority over adults she uses authority in such a way that she abuses her responder functions and then cannot respond to a man physically or soulfully in any way. This is the worst thing that can happen to a woman, loss of her responsiveness. Without a responsive woman there is and can be no civilization and especially NO client nation. A woman cannot exercise authority over a man and at the same time respond to him. A woman cannot punish her children while reacting and when administering punishment she must be calm, collected, cool and totally objective.

Whenever a person is going to be deceived he will be flattered first and the woman would not be vulnerable to flattery with maximum Metabolized Bible Doctrine in the Stream of Consciousness of her Soul. There are too many variables in the problems of anyone's life to solve apart from Bible Doctrine. The variables of the problems for the woman are intensified and multiplied since she is designed to and must respond all of her life. No woman can live beyond her capacity and when she tries to she rapidly enters into [Reversionism](#). Everyone in life, both men and women, have to discover their capacity and stay within it, unfortunately, very often ambition pushes one beyond his capacity and as a result destroys him. One must never be influenced by anyone else in this regard to go higher in life. Many reach a level of personal capacity in life and then, very often, try to go beyond this and as a result the accumulated and intensified variables in life destroys him. A woman living beyond her capacity loses her femininity and as she moves beyond her capacity and gains too much authority over men she rejects the authority of those over her. Therefore, any Arrogance involvement will inevitably lead to insubordination which will result in a disaster in her life.

### **Proper Use of Authority**

In any position of leadership, authority or rank the person must be sensitive to the needs of those under him. He must be wise, observant, sensitive and understand the needs of the people under his authority. He must avoid at all costs using his position for self gratification. Arrogance and [Scar Tissue of the Soul](#) will make the one in authority insensitive to the needs of others. The one in authority must provide and protect the freedom needed to allow those under authority to respond rather than be coerced into obedience. This comes only as a result of the objectivity of the one in authority switching to [Impersonal – Unconditional Love](#). The difference between greatness and failure in people who have great authority and are powerful is whether they are petty or not. A person with great authority lacking [Pettiness](#) is usually a very great person and this was the case with General Dwight Eisenhower. Eisenhower was great because he lacked pettiness and as a result rose above all his peers. The complete opposite of Eisenhower was the British General B. Montgomery. Impulsive Arrogance avoids Impersonal – Unconditional Love and [INTEGRITY](#) and moves into [Mental Attitude Arrogance](#) and [Pettiness](#). Pettiness includes the improper use of authority to gain or acquire things for one's personal benefit or aggrandizement.

Authority is a dangerous thing and must be properly oriented by involvement in the judicious application of enforced discipline so that it results in the development of self discipline resulting in [Enforced and Genuine Humility](#) in those under the authority. True Leadership and Arrogance are incompatible and will always separate and it is Leadership which usually is lost resulting in the one in charge being a bully over others. The Leadership Pastor Teacher establishes his authority through his accurate expository teaching of Bible Doctrine. This Pastor Teacher must lead with Doctrinal orders derived from information contained in his study of the scripture thus giving each individual in his congregation knowledge of his personal job in this Angelic Conflict. Generally speaking, One's job, ultimately, is execution of the Protocol Plan of God. The Protocol Plan of God for the Royal Family of God is never a system for self promotion yet believers are constantly involved with self promotion since they are constantly involved with the [Arrogance Skills](#).

[Institutional Arrogance](#) interlocks with Impulsive Arrogance and is always directly related to life because in some way everyone is under some system of authority in all areas of life. This can be demonstrated in social life where on a crowded dance floor one must exercise good manners. Without the self discipline authority in the dancers one person may think the floor is all for him and constantly bumps into all the dancers. Once a person enters the Interlocking System of Arrogance from any entrance gate he will always cause trouble in any organization. Therefore, in any organization when problems arise Arrogance is found in efficient, inefficient and dishonest people. Therefore, all organizations have 3 things which challenge Arrogance:

- ✧ Authority
- ✧ Policy
- ✧ Objectives.

### **Your Opinions & Authority**

Arrogance is what rejects the Power System of God, the [Divine Dynasphere](#), the Protocol Plan

of God with its Bible Doctrine, Laws of Divine Establishment and Divine Institutions and moves the individual believer outside of this system. When the believer moves outside the system of the Protocol Plan of God he is subject to [Divine Discipline](#), which is punishment or uncomfortable encouragement from God and / or from society to return to the system. He must accept the system and the authority of any organization he is involved with in order to have any degree of happiness in life. When under any system of authority where the policies are stupid, to attack the policies is to attack the authority and by this means destroy any possibility of advance in the system. Everyone, at times, has taken the attitude that he is better, smarter and has better policy ideas than the authority over him. In fact having maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul makes it most likely true, but knowing Bible Doctrine and all of these other things in themselves makes this believer vulnerable, at times, to entering the Interlocking System of Arrogance. The believer must avoid at all times being involved in [Self Righteous Arrogance](#) and by this involvement destroy any possibility of being able to fix the broken situations around him. He must remember that all people have the right to be WRONG about anything or everything. He must avoid Self Righteous responses to the wrong things he encounters in life. He must not react to the situations found in his nation as a whole or in his own personal life and social environment.

Arrogance and Ignorance both abuse authority whereas obedience infers subordination and submission to authority because the single best way for there to be any restraint on Arrogance is through [Authority Orientation](#). When given an option of expressing one's personal views or [Opinions](#) on any subject, at any time, by supervising authority, and they are rejected, one must still use his position to carry out the policy and purpose of the organization despite being in opposition to them. In one's job the responsibility is not to agree or disagree with the purpose or policy of the organization but to fulfill them or vacate the position. One always has freedom to separate from any organization's policies with which he disagrees but he does not have a right to criticize them or undercut the policy or authority in the system. He has no right to be conspiratorial and criticize, condemn or try to usurp the authority of those in positions over him. One absolutely no right to undermine the authority of those over him and then stay in the organization he does not agree with. Therefore, NO ONE has any right to function in any organization under any aspect of Arrogance. If this is one's mode of function then, when he is given any level of responsibility, he will never be able to handle it.

All wimpy weak personalities hide their Arrogance behind their fake or pseudo humility but are definitely Arrogant. It is very difficult for a person in [Reversionism](#) and involved in Arrogance to recover because he must get under the authority of someone else and this is a crushing blow to his Arrogance. However, there will come a point in the recovery process from reversionism where enough Bible Doctrine will remove enough of the Arrogance and replace it with respect for the authority that initially caused some short concentration on doctrine on a daily basis. Therefore, when in reversionism it is very difficult to submit to the authority of another because of Arrogance. Only when one begins to recover from reversionism is there any possibility of reviving friendships and the personal love for another. The system of reversion recovery emphasizes objectivity in LEARNING in which one's preconceived ideas and opinions

must be set aside. Everyone who has ever walked into a local church where Bible Doctrine was properly emphasized and strictly taught has had preconceived ideas which did not comply with Bible Doctrine. This again requires self regulation from self discipline which is needed to set aside inculcated preconceived notions and receive what the word of God has to say. This is essential if one is to set aside [Human Viewpoint](#) thinking and the satanic doctrines from Evil and replace them with [Divine Viewpoint](#) thinking from Metabolized Bible Doctrine accumulated into the Stream of Consciousness of the Soul. The consistent self discipline and self regulation developed as [Genuine Humility](#) from Positive Volition toward Bible Doctrine is how life is regulated to accept and subordinate to the authority and the teaching of someone else.

If self discipline is consistent and properly oriented then the greatest trap of the Spiritual Life, being involved in competition with the Pastor Teacher, can be avoided. Competing with the Pastor Teacher is the [Jealousy](#) and [Pride](#) of the believer who sets self up to judge what is being taught and who is teaching it. This is the kind of competition that inevitably keeps a believer from advancing in the Spiritual Life. This is the believer who gets close to Spiritual Maturity and thinks he knows the whole realm of doctrine or at least more than the Pastor Teacher, and as a result falls right back down into Reversionism. These believers are Jealous, Petty, Proud asses and cannot ever compete with a properly prepared Bible Doctrine oriented Pastor Teacher who is in the local church. When one has enough self discipline to pay attention to what is taught and accept it and ignore anything which makes him want to compete, then this believer is moving constantly ahead in the Spiritual Life. Competing with the Pastor Teacher puts the believer out of the race to Maturity Adjustment to the Justice of God.

### **Unfairness in Authority**

When there is an unfair or obnoxious “boss” in charge in a situation or organization this is, in fact, a great blessing for those under him. He will be the means by which one learns to control himself, exercise self discipline, stick to the job and to learn about authority and respect it. In 1976 too many men were leaving the military services because they could not understand the gap that occurs in peace time military where authority is turned over to civilians so that, at least in theory, military dictatorships are avoided. In these times and under these circumstances the civilian authorities often set up policies which are ridiculous and many men cannot handle them and therefore don’t endure through these times. The principle is that if one cannot stick it out in the uncomfortable situations of life then he won’t be able to stick it out in any situation in life especially the high pressure circumstances of disaster and will float from place to place looking for a soft berth or an easy job. When one functions under these erroneous concepts he forgets that God keeps all believers alive and takes care of them in the world of Satan no matter what the situation may be. Believers often complain about their job because they have no respect for authority, no understanding of life, no capacity for life and have not deployed advanced Personal Love for God, [Occupation with the Person of The Lord Jesus, The Christ](#) because they have not achieved Maturity Adjustment to the Justice of God. They have the idiotic and erroneous idea that someone, somewhere has it easier than they do but this is not ever true and everyone has varied problems in every field of life and every field has incompetent IDIOTS at the top. When one thinks how he or others feel about a boss is more important than any other aspect regarding his function on the job,

especially if this boss is obnoxious or overbearing and disliked, and he thinks that this boss should be removed and a nicer boss put in his place; THIS IS ARROGANCE. One's [Personal Opinion](#) about anyone who has authority over him is totally inconsequential. No one can be a good leader until he has gone through a period of life where he has learned to respect the authority of another whether the other has been good or bad, liked or disliked in his position.

Therefore, it should be clear that the believer's responsibility to the Lord does not imply irresponsibility to establishment authority. Exhibiting irresponsibility to establishment authority is always demonstrated by the person who becomes instantly proud, vain or megalomaniacal when given more authority than he can handle. ([Rom 13:1-3](#), [Matt 22:21](#))

### **Impulsive Arrogance & The Vigilante**

An Impulsive Arrogant reaction is what causes people to become dishonest, non-patriotic and enemies of the establishment. There are a myriad of ways for a person to become dishonest in relationship to a federal government saturated with EVIL. This is reacting against Evil by producing one's own Evil, An Example:

The abused citizen who is a victim of some criminal act and who is not vindicated or justly served by the law may react by personal or individual vigilantism. See the "Death Wish" or "Obsession" Movies. He may also join an organization which takes the law into its hands for revenge or vengeance.

The overriding principle here is that 2 Wrongs NEVER make a Right and when one rationalizes that this is acceptable he has entered into the Interlocking System of Arrogance. The religious fanatic John Calvin took over the civil authority of Geneva Switzerland to force his morals and norms and standards on the people and was guilty of TOTAL entanglement in the Interlocking System of Arrogance. He formed a vigilante committee and executed people who did not agree with his sermons. A strong believer, positive to Bible Doctrine, must be alert to avoid Impulsive Arrogance and trying to get all other believers in his periphery to conform to his doctrinally established norms and standards. This is how vigilante functions begin. When Impulsive Arrogance combines with [Self Righteousness](#) and the believer is tempted to react under Impulsive or [Institutional Arrogance](#) he would do well to limit himself to imprecatory prayer **ONLY IF** he is a mature believer and on solid spiritual ground to do so or else to simply use the [Faith Rest Drill](#) (5 stages) if he is not. In either case this puts matters into the hands of the Lord and the functions of the Justice of God and the Supreme Court of Heaven.

### **Impulsive Arrogance & Child Abuse**

Child abuse and cruelty which results from Impulsive Arrogance is perpetuated by resentment and developed Arrogance from one generation of abused children into the next generation. In childhood [Defense Mechanisms](#) will allow the victim of child abuse to survive the various forms of this trauma. In the adult, especially after [Salvation Adjustment to the Justice of God](#), there is no place for these defense mechanisms in the life of the believer who should be protected by his development and deploying of the [Problem Solving Devices](#) onto the [Forward Line of Troops](#) of his soul. No matter how difficult things were in childhood or in life at any time, one cannot ever become so down in life that he loses out in life. This will allow the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred to combine in

the reactions of the victim of the child abuse, which will daily create more garbage in the soul to add to the garbage existing there from the abuse. The Garbage in the Subconscious from any abuse must be buried with the memories of the abuser far out at sea and forgotten. (This is not to say that you should attempt to find and bury your abuser and does not give license for retaliation.) Sins by parents perpetrated on children, nor of wife or husband bashing, do not solve the problems resulting from prior abuse. Arrogant preoccupation with self excludes reality by adopting [Maladaptive Defense Mechanisms](#) instead of developing and deploying the Problem Solving Devices of the Spiritual Life on the Forward Line of Troops of the SOUL. The victims of prior abuse often blame everyone in their periphery for all their problems in life and they develop a very strong [Self Righteous Arrogance](#). The abuse victims who do not replace the Maladaptive Defense Mechanisms with Problem Solving Devices make very cruel parents. Cruelty begets cruelty when there is lack of Problem Solving Devices in the Stream of Consciousness of the Soul of the believer or Laws of Divine Establishment and Divine Institution principles in the soul of the unbeliever. Temporal Judgment on those who abuse others is the function of the Supreme Court of Heaven but if the abused person reacts only one time he enters himself into the Interlocking System of Arrogance or the Interlocking System of Hatred indulging in either Arrogant or Emotional sinning and thereby brings down the judgment of the Supreme Court of Heaven upon himself.

### [Destruction of Humility](#)

Children have natural humility and child abuse destroys this and along with it teachability. This is replaced, as a result of the vacuum formed in the Stream of Consciousness of the Soul, with every form of Arrogance from the Interlocking System of Arrogance. If one reacts to injustice, whether real or imagined, he enters into the Interlocking System of Arrogance especially with [Bitterness](#) and Malice and the Lust for [Revenge](#). If, as a child, one is around parents who are always complaining about things in life being wrong then this develops into a habit which the child picks up and as a result everyone except himself, becomes wrong in everything.

### [Emotional Abuse of Children](#)

Emotional Abuse of children occurs where parents use their authority and seek control of the child through the Evils of the Interlocking System of Antagonistic Emotional Hatred complex. This includes the use of or inducement of:

- ✧ Fear
- ✧ Anxiety
- ✧ Worry
- ✧ Threats
  - loss of toys
  - killing of pets
- ✧ Using Guilt as a punishment

These inevitably result in the child developing and even exhibiting

- ✧ Anger
- ✧ Hatred
- ✧ Animosity

- Tantrums
- Insensitivity
- Hypersensitivity
- Judging
- Maligning
- Vituperation
- even Rage

Authority and Love should be what is used to manipulate children but NEVER [GUILT](#) since guilt does not instill a true sense of responsibility in the child. Sensitivity toward others should always be taught and instilling responsibility for actions by the spanking of the child using reasonable corporal punishment when necessary should always occur since this removes GUILT and when this does not occur it induces neuroses. With the proper use of Parental Authority, Children must be taught about punishment under the Law of Volitional Responsibility and made to understand their failures and the reason they were wrong and then disciplined with the result that the failures are totally forgotten. The ramifications of Divine Discipline as punishment for the believer must be also taught so that both eliminate the potential for emotional abuse of future children.

### **Gate #52 – The Arrogance of Self Indulgence, Pleasure or Lasciviousness**

Antinomianism or Lascivious Lawlessness is Self Indulgent Arrogance and includes deviations in life ranging from fornication to murder. Antinomianism or Lascivious Lawlessness is pseudo happiness related to gratification of the body with a search for approbation, power, prosperity, social life, social or professional status, etc., none of which are substitutes for [Sharing the Happiness of God](#), Problem Solving Device #9. Lasciviousness often results from guilt which shifts a person from emphasis on his soul to emphasis on his body and Lascivious Sins emphasize the pleasures of the Body.

The Old Sin Nature trend toward Lascivious Lawlessness is the basis for Immoral Degeneracy which entangles the individual in [Sexual Arrogance](#), [Criminal Arrogance](#) and other levels of the Interlocking System of Arrogance. Teen aged children beginning in the 1980s were in great danger and needed above all else straight Bible Doctrine teaching but today there is almost NO PLACE for them to even acquire it. Principles from Bible Doctrine are not a part of the home life, not found as establishment and divine institution principles in the schools, and especially NOT provided in the majority of the Local Churches which they do not, in any case, attend. The period, beginning in the 1980s, was the time of “JUST SAY NO”, however, the problem was that unless the person was a believer with some Metabolized Bible Doctrine in the Right Lobe or an unbeliever functioning strongly under the Laws of Divine Establishment and Divine

Institutions, they would not and could not ever say NO to anything. This occurs because ARROGANCE gravitates to becoming Pleasure Mad. There is nothing wrong with having pleasure and enjoying life or having leisure time in life BUT arrogance demands nothing but entertainment. This is clearly demonstrated in the necessity for the majority of individuals under the age of 50 to have instant gratification in everything. It has developed over the past 40+ years to the current generations having a NECESSITY to have and carry a CELLULAR PHONE or VIDEO GAME to entertain them constantly or to receive instant information from others and instant feedback on what information they dispense to others! These were the children in Junior High school and this has moved down into the Elementary school level and also encompasses young adults in their 20s and 30s at a minimum and they all are the people who become drug addicts. Public School is today and has been for some time, a ZOO, for keeping the little monsters out of the parents hair for a day. No children in public schools are learning ENGLISH nor MATH, nor anything about any decent literature, or the past history of their own nation. This is a strong reflection regarding the fragmentation of the lives of children based on the Arrogance of the Previous generations, their parents, the YUPPIE HIPPIE generation of their grandparents who focused in their lives on their own pleasures and opulent accomplishments. The United States of America has been in GRAVE danger since the 60s and this was exacerbated in the 80s and now may bring about the total destruction of the nation in the early 21<sup>st</sup> century.

The underlying principle is that Freedom without authority is anarchy and authority without freedom is tyranny. So that freedom without the authority from Bible Doctrine is antinomianism and authority without freedom from Bible Doctrine is legalism, therefore, authority and freedom must be balanced in the Spiritual Life to avoid Legalism and / or Antinomianism as Self Indulgent Arrogance.

### **Immoral Degeneracy & Self Indulgent Arrogance**

Lascivious Lawless Antinomianism unchecked by the believer using the [Rebound Procedure](#) results in Immoral Degeneracy. Immoral degeneracy is polarized fragmentation toward the lascivious lawless trend of the Old Sin Nature where believers are capable of sins involving antinomianism. Immoral Degeneracy among believers is expressed in categories of sin involving licentiousness, self-indulgence, and lawlessness. ([2Tim 3:4](#)) Licentiousness expresses the polarized trend of the Old Sin Nature in Sexual Arrogance and Sins, chemical sins and Criminality including rape, robbery, murder, burglary, embezzlement, con games, pimping, prostitution, kidnapping, blackmail, pilfering, and shop lifting. Immoral degeneracy follows the same pattern as moral degeneracy in post salvation Fragmentation going from Implosion to Explosion to [Reversion](#). Contrary to the thinking of Legalistic [Religious](#) believers, Christians who commit the sins of Lawless Antinomianism are saved. They have simply lost the possibility of receiving their escrow blessings for time and eternity if their pattern of life persists without correction. However, they will suffer under divine discipline. These Christians react to the judgment, maligning, and slandering of religious legalism and as a result they all

too often cut themselves off from Bible doctrine which would lead them into the Protocol Plan of God. Religious Legalism erroneously contends that believers who commit these sins involving Lawlessness and Antinomianism and who perpetuate this fragmentation into Reversionism are really not saved in the first place because they didn't add something, like lordship or commitment, to their faith in Christ. This is a totally false premise and assumes that God has not anticipated these failures when he provided the potential for salvation to this individual in the first place.

The attitude of the Lawless Antinomian believer is generally characterized by reaction. As the object of gossip, slander, maligning, and judging by other legalistic believers, they react to this self-righteous arrogance. They often associate Christians with Self Righteous Arrogance so that they reject Bible Doctrine or a local church or a ministry that could be helpful to them. Thus, because this category of believer associates self-righteous arrogance with legalism and Bible Doctrine and with confused pastors, they therefore reject all churches and pastors, as well as Bible doctrine, the only things that can actually help them. ([Eph 4:14](#)) The believer involved in Lawless Antinomianism often moves into criminal fragmentation ([Eph 4:28](#)) which includes larceny, embezzlement, blackmail, burglary, robbery, pilfering, shoplifting, kidnapping, child abuse, aggravated assault, assassination, murder, rape, etc. However, the reality of the Christian Way of Life is that Christ died in substitution for all these sins as well therefore, anyone guilty of these crimes can believe in Christ and receive eternal life BUT they must still take responsibility and pay for their crimes according to the common law regarding their violations. However, these former criminal believers still have the same trends in their Old Sin Nature, so unless they engage in consistent Post Salvation Epistemological Rehabilitation and learn the Problem Solving Devices they will fall back into these trends, back under the control of their Old Sin Nature and move again in the direction of polarized fragmentation of their trends. ([Eph 4:17-28](#)) Becoming involved in the Interlocking System of Arrogance and moving invariably through the stages of Reversionism this believer, who develops [Scar Tissue of the Soul](#), becomes motivated to engage in Immoral Degeneracy. ([Eph 4:19](#)) In fact, Scar Tissue of the Soul provides the basis for motivation and function in both moral and immoral degeneracy from polarized fragmentation. Only the [Problem Solving Devices](#) of the Protocol Plan of God can provide solutions for these problems of polarized fragmentation.

### **Gate #53 – The Arrogance of Alcoholism or Hangover Arrogance**

Habitual Drunkenness as a form of sublimation and escape from reality, places one immediately into the Interlocking System of Arrogance. People get drunk because they are concentrating on themselves and the 'rosy glow' they are getting from the alcohol. This is very closely related to [Emotional Self Centered Arrogance](#). A distraction resulting from one's past must be recognized as what it is, superficial, and as a distraction it is therefore not necessary to renounce it. When one overreacts to whatever in his past has caused his distraction and then he renounces it he builds up arrogance instead of spiritual momentum. He then becomes proud

of having renounced or given up something which distracts him from what he considers is the proper Christian Way of Life, possibly what distracts him from Perception, Cognition, Incultation and Metabolization of Bible Doctrine. The believer must never overreact to that which distracts him from Bible Doctrine because this brings on the potential for a huge failure. One loses a second battle when he overreacts to any distraction because it then becomes “I” will give up this or that thing for doctrine. The smart person says OK it was ‘I’ who screwed up and missed bible class and it is stupid to give things up when I am such a fool. Therefore, it simply is arrogance to give up things which distract one from doctrine since by this action one will have recognized the problem but solved it in the wrong way. When something distracts a believer from consistency in the intake of Bible Doctrine the blame must fall directly on the believer himself not the thing which distracts otherwise this will build the greatest case of arrogance imaginable. This arrogance becomes apparent when the doctrine which is taught in repetition is ignored because it has been heard before. There is more [Pride](#) and [Self Righteousness](#) in fundamental Christianity than almost anywhere else and it comes from over reaction to failures or distractions. When one engages in these overreactions he has made self the weakest person around since Arrogance involvement inevitably makes him more vulnerable to Sin, Crime, and Human Good production under the principles of Evil than anything else. The believer must be extremely careful in giving up things in life because when it concerns sins he has committed very often he gives up one brand and then he picks up another that is far worse. Salvation Adjustment to the Justice of God is through Faith alone in The Lord Jesus, The Christ alone and the one involved in illicit or inordinate use of alcohol, drugs, sex or any other sublimation does not have to give it up to obtain salvation nor to be a Christian. The reality of the Christian Way of Life is that as the believer advances in the Spiritual Life with consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine these things will be put aside naturally as maturation in the Spiritual Life occurs.

#### [Gate #54 – The Arrogance of Complaining](#)

Moses had to face and deal with the toughness of Pharaoh, with his persistent [Negative Volition](#), while the people of Israel depended on the man, Pharaoh, to lessen their work burden instead of depending on the Lord. Pharaoh’s response to the people was [Ex 5:17-18](#), more work and less material to accomplish the tasks with. The Jews responded then during the attempts of Moses to extricate them from slavery in Egypt by Complaining and with criticism of Moses, although Moses was simply doing what the Lord had told him to do, so that the result was that:

- ✧ Pharaoh puts in place a new building policy to make it harder on the Jews to comply
- ✧ The Jewish leaders are beaten when they cannot meet the requirements of this new policy
- ✧ The Jews in Complaining to Pharaoh were thrown out from his presence
- ✧ Then they turn and Complained to Moses and criticize him

This results in some discouragement for Moses because the problem of freeing the Jews had now been made 2x as bad as before BUT Moses does not himself Complain but takes the whole thing directly to the Lord because of his promises. The Promises of God are based solely on his essence and when God makes a promise he cannot ever go back on it because of his Immutability as part of his essence. For Moses to stand under this incredible pressure from Pharaoh and from the Jews took great spiritual growth and spiritual strength. The Jews Complained and Pharaoh said no, but Moses just had to stand still and relax. God can provide this inner peace, inner happiness and inner stability under the pressures and trials of life IF the believer will stand still and watch the deliverance of the Lord, the problem is maybe he will and maybe he will not! He will receive deliverance, IF, he will use the [40 assets](#) given by God at Salvation Adjustment to the Justice of God and again, maybe he will and maybe he will not!

The Jews during their exodus in the desert with Moses Complained that it would have been better if they had died by the hand of the Lord while still in Egypt. They felt sorry for themselves and were filled with [Self Pity Arrogance](#) and they Complained about missing the food which they had in Egypt which included anything anyone could find dead which could be cooked and eaten. They were expressing [Negative Volition](#) and were not using the [Faith Rest Drill \(5 stages\)](#) at all. When the circumstances of Life change the believer there is something wrong in his life. The promises of God for the believer include a vast variety of principles involving Divine Provision:

- ✧ God provided for the Jews while they were Complaining and murmuring under his Grace Policy and God received the Glory for it and the same is true for believers today.
- ✧ God did not tell Moses to straighten them all out and get them in line, it is the sole prerogative of God to correct the wavering path of all believers.
- ✧ Their provision of FOOD as Manna did not depend on the people of Israel but on the Lord and NOTHING given to the believer ever depends on ANYTHING he is or does.
- ✧ ALL of the abilities and successes of the believer in life do not depend on who or what he has made himself to be but on who and what God has CAUSED him to become.
- ✧ Any greatness of the believer is from what God has done for him which is the only thing which makes him great.
- ✧ The believer does not ever earn nor deserve any of what God provides for him in time or eternity.

The Jews were receiving marvelous gifts from the Lord yet they Complained about the gifts and even expressed a strong desire for that which was left behind under SLAVERY in Egypt. In their provision of Food by God in the form of Manna, where no matter how much they gathered there was always 1 omer available for each person each day. In their 1 year of travel across the desert the last test of their ability to rely on the [Faith Rest Drill \(5 stages\)](#) before their War for the promised land was related to WATER and again they FAILED. ([Ex 17:1-7](#))

Divine Discipline for believers occurs AT THE TIME and AS A RESULT of failures to function in the Plan of God because of ANY transgression or sin which takes the believer OUT of the Plan of God. Instead of the Jews thanking the Lord for the testing and thanking him for his promised deliverance they Complained against Moses. They had eyes on Moses instead of thinking of the source of all their deliverance, the Lord himself. Believers out of fellowship, out of the Plan of God, always manufacture their own misery and then run around and blame it on everyone else by interlocking into Transference Arrogance. The Jews here made the wildest accusations against Moses and what did Moses do. He did not Complain to the Lord about his plight in trying to lead these Jews but he prayed earnestly to the Lord on their behalf. Moses struck the rock and water came out. Moses knew that God did not depend on human faithfulness but that the Lord's faithfulness ONLY depended on His integrity and not how humans functioned. God delivered the Jews even when they were rejecting his provision by whining and Complaining in Arrogance against Him and Moses, this is GRACE.

If the believer depends on his circumstances in life for happiness then he will NEVER have it. The whole purpose of the Spiritual Life after Salvation Adjustment to the Justice of God is to DIVORCE the believer from the circumstances of his life with regard to his happiness, contentment and stability. The Jews were trying to get back into slavery and they desired the food of slavery which had been things which the Egyptians would never consider eating. They disliked the freedom which God had provided for them wanting to return to what was familiar and what they considered security, SLAVERY. They disliked the Manna which he provided as their food and wanted to return to eating dead carrion, rats and snakes. Moses had over 2,000,000 adults in his congregation and for 40 years he heard NOTHING except Complaining from them. The principle of function in the Plan of God is that when believers operate under the Plan of God from their own FREE WILL they will have contentment, stability and happiness but when they operate outside of the Plan of God from their own FREE WILL they will only create misery for themselves. Thus, at times, the Spiritual Life becomes an issue of Complaining Arrogance vs the Faith Rest Drill (5 stages). (Num 11:1-9)

Despite being told that the land was good and prosperous when the Jews reached the land after one year of traveling through the desert they would not go up over the hill and into the land. They were paralyzed by FEAR from Mental Attitude Arrogance which neutralized and totally immobilized them. Instead of going into the land they went back into their tents and gathered in small groups and Complained expressing Verbal Sins resulting from their Mental Attitude Sins all which began with FEAR. They Complained against the Lord and maligned Him saying He hated them despite their KNOWING from their experience after leaving Egypt all he had done to preserve them. This was the inconsistency of being entangled in Mental Attitude Arrogance which causes the thinking to be completely inconsistent. They had a total loss of the true perspective of their situation as a result of these Mental Attitude Sins which included:

- ✧ Hatred
- ✧ Jealousy
- ✧ Pride

- Envy
- Bitterness
- FEAR
- Anger
- Anxiety
- and many others

This type of believer then and today ceases to be effective for Christ and is useless to him. These types of Mental Attitude Sins occur and are emphasized first in this failure of Complaining then verbal sins and finally overt sins inevitably become part of it. What one really is, is what he thinks and what he thinks is what he will say and what he thinks and says is much more important than what he does but it drives what he does. These principles are generally ignored in Christian circles and are the primary things which ultimately rob believers of their power from the [Filling of God the Holy Spirit](#). ([Prov 23:7](#))

Dathan and Abiram Complained among the people of Israel at that time and used God's idiom of “Milk and Honey” thereby ridiculing and maligning God because Egypt, in the context they were referring to, was in fact a land of slavery and poverty for the Jews. They were inconsistent in their accusations to Moses in saying that Moses brought them out to kill them and also to rule them. ([Num 16:12-15](#)) All believers are responsible to the Lord for all of their own personal functions. Moses could not rule the Jews and Kill them at the same time. Usually, arrogantly Jealous and ambitious people Complain about what they truly want, which, as in this case, is to satisfy their Power lust and Inordinate Ambition to lead and rule the people, and therefore malign and criticize those who are ruling and leading the people. The Jews had said, being involved in Complaining Arrogance, that they did not want to go into the land and try to conquer it because the giants would KILL their children who would not have a chance against them. They rationalized and used their children as an excuse to not go into the land because of their own FEAR, just as believers today use their children as an excuse for ignoring or neglecting Bible Doctrine teaching. Then for 38 more years these Jews moved around and lived in the desert until that entire generation died and THEN their children, whom they had used as an excuse to NOT go into the land, would in fact be the ones to inherit what God had promised, THE LAND. ([Deut 1:26-28](#))

The reality is that some believers simply “mark time” all their lives and each must ask this question of himself, “Am I marking time, moving in place, with lots of action but never going anywhere?” This is the way many people and many Christians go through life and when one is marking time he is in fact retreating because he is not advancing. This is the category who are constantly Complaining, the old timer Christians who Complain, who are simply marking time. Because these 2<sup>nd</sup> generation Jews had not learned any Bible Doctrine, even from their experiences in 38 years of living in the desert, they were marking time until intensive testing comes again and when it did they again fail. People who mark time in life don’t benefit from experience and these 2<sup>nd</sup> generation Jews had 38 years of experience and learned nothing from it. When one “marks time” in life he can only think in terms of the good times of the past in

his life. Here the Jews could only think of Egypt where there were vines, pomegranates, figs, all the “luxuries” of life and also SLAVERY so that they actually could not even partake of these things. When they were at Kadesh Barnea they had freedom minus the other accoutrements of life, but also MINUS WATER, a necessity and the logistical grace test for them. Slavery plus luxury was a false consideration and there is no luxury in life which is worth slavery. The reality was that in their situation of slavery they did not have these luxuries but ate what was basically garbage and lived in total squalor but what they remembered was the glamour of Egypt available to Egyptians only, which they had not experienced but only heard a distorted perspective of from their parents in the 1<sup>st</sup> generation. Therefore, the ‘old timers’ of the 1<sup>st</sup> generation had communicated a false perspective of marking time to the younger generation resulting then in their FAILURE under testing. This is the essence of Complaining Arrogance.

### **Weeping, Wailing & Complaining**

The believer cannot ever correct any pressure or adversity situation in his life when weeping, wailing and Complaining about some terrible thing which happened to him. This is like the frustration weeping of the older Jews because the new temple was not as great as Solomon's temple. ([Ezra 3:12-13](#)) This is also like the weeping of drunkards which is a disorientation to life and reality. ([Matt 8:12](#), [Matt 25:30](#), [Luke 13:28](#)) Weeping which goes on for very long time, weeping, wailing and grinding of teeth is entanglement in Arrogance. ([Num 14:2](#)) The fact is that Complaining is simply weeping with words and [Self Pity](#) is feeling sorry for self and these are all dishonoring to the Lord. Therefore, weeping and Complaining and engaging in Self Pity Arrogance is NOT normal and not rational and certainly NOT a spiritual life function. Believers very often make excuses and rationalize not going along with the Plan of God and therefore are like the Jews who wished they had died in Egypt or the desert but were afraid to go into the land and die for their freedom. They said they were afraid for their wives and children but the children who were never hurt for 39 years living in poverty in the desert and are those who would eventually enter and conquer the land under Joshua and Caleb. Then despite all this whining and Complaining they suddenly get organized and want to vote in a new leader to replace Moses. They could not be decisive about going into the land but they could be decisive about NOT going into the land and running back to slavery in Egypt. ([Num 14:2-4](#), [Deut 24:16](#), [Num 14:21-38](#))

### **Characteristics of Complaining people**

Weak Believers first weep and wail with NO JOY and then persist in Complaining to whomever will hear them. Complaining which is weeping with words instead of tears invariably causes these believers to fall head long into Self Pity Arrogance and when a believer gets to a place of Self Pity, then, whatever he thinks or says is dishonoring to the Lord. The believer who goes through this routine of Weeping, Complaining and Self Pity is NOT normal nor rational and uses any excuse to NOT do what the Lord has commanded. When a person is afraid to do something it is always very easy to find some reason to EXCUSE his FEAR. ([Num 14:1-3](#))

### **Mental Attitude Arrogance, Reversionism & Complaining**

As a result of persistent Negative Volition and thus being unable to draw on the Bible Doctrine which has not been stored in the Right Lobe of the Stream of Consciousness of the Soul due to neglect or rejection of it, very often the believer, like ASAPH in the Old Testament Scripture, just KEEPS ON Complaining to God. Asaph could not call on Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of his Soul so he had to go back and evaluate the situation historically looking at the first national crisis which came to the Jews after their liberation from Egyptian Slavery. For the Jews as they left Egypt under the guidance of Moses after **400 years** of slavery their first crisis was to come to the shores of the Red Sea with Mountains to the north and south and the swamp lands of the great body of the red sea to the east before them. Coming from the west was the Egyptian 1st Armored Division led by Pharaoh himself with 600 chariots. Here are the Jews at the Red Sea just out of slavery without any means of self defense, no weapons, no tactics, no logistics. They, at this point, realize that they are trapped and they kept on being afraid and this was a Mental Attitude of Fear resulting in them screaming in total panic. They began to immediately Complain to Moses and express from their Emotional Revolt of the Soul that they would have been better off as slaves and they will now be killed by the Egyptians. Typical of Reversionists, the Jews turned and Complained and blamed MOSES for their perilous situation. These people are hopelessly in despair as in Psalms 77 where Asaph expressed his Reversionism. They in fact considered that they would rather have been a LIVING DOG than a dead LION. Moses finally got them to shut up and stood before them and said “Stand still and watch the deliverance of the Lord, the Lord will fight for you today.” Then they say to Moses that he has manufactured out of his mind, a plot to take them from Egypt so that they can all die in the desert. They Complain that MOSES CAUSED them to be taken from Egypt when in fact they chose to do it from their own free will. It is amazing how people do things which get them in trouble from their own free will choices and then consistently blame these things on others as a result of the Arrogance of Complaining interlocking with Transference Arrogance.

When believers are under only Human Viewpoint thinking, they may be saved but are not qualified for leadership because the Right Lobe of the Stream of Consciousness of their Soul is saturated with Human Viewpoint from the LIE from of EVIL rather than Divine Viewpoint from the Absolute Truths of GRACE and Bible Doctrine. If they had Divine Viewpoint they could go directly to the Lord with all their concerns and allow him to correct the situations. Like tumbleweed which has no roots this is the believer without roots in Bible Doctrine. They cannot see Divine Good when it comes to them in the promises and doctrines of God. Having not seen nor understood these promises and doctrines they cannot use them when pressure comes to them. Therefore, believers without roots in Bible Doctrine live a dried up life of useless experiences and inhabit the parched places in the desert and a salt land of NO effective production in the Spiritual Life. Thus, irrationality plus Arrogance under pressure leads to Self Pity and later these Jewish BELIEVERS did not want to die at Kadesh Barnea, without water but Complained to Moses about it, opposing him and rejecting him. Everything they remember was from when they were slaves and the slave mentality when under pressure forgets the importance of freedom and thus remembers ONLY the things of slavery, which they hallucinate

into pleasures, rather than the tyranny of it. Because of forgetting the tyranny of slavery they enter into a state of revolt against their leadership. Instead of passing this test by the use of the [Faith Rest Drill \(5 stages\)](#) they failed by constantly Complaining about their circumstances. This is the slave mentality where by they ignore the principles of freedom and instead are willing to accept slavery to enjoy a few things in life selling their birthright of freedom for some accouterments of life. Freedom is the status of uncoerced and uninhibited human volition and the uncaused cause of human function and involves the principle of live and let live. It is legitimate self determination and exemption from necessity and is self fulfillment and the privilege and franchise of the Human Race with complete exemption from arbitrary control. However, it does not include the right to Complain against God's Provisions for Believers.

### [Mental Attitude Jealousy & Complaining](#)

[Jealousy](#) never stands alone as a Mental Attitude Sin from [Mental Attitude Arrogance](#) but is the cause of other Mental Attitude, Verbal and even Overt Sins. Much discord between individuals and in groups is caused by Jealousy and if one looks long enough at someone in Jealousy he WILL inevitably find something to malign or judge and this is DISCORD. When one is Complaining about someone else it is most often motivated by Mental Attitude Jealousy and there cannot ever be true Category II, romantic love or Category III love as friendship, when Jealousy exists. Jealous persons are therefore sowers of discord in every aspect of their lives and they always eventually involve themselves in maligning others. Jealousy is self destructive and though it is not the greatest of Mental Attitude Sins it is the strongest of Mental Attitude Sins while [Pride](#) or [Egotistical Arrogance](#) is the greatest. ([Job 5:2](#), [Prov 14:30](#)) Jealousy is according to [Prov 27:3-4](#) the heaviness of a stone around one's neck and is closely related to the suppression of pride which is part of a trigger mechanism producing both false motivation and discord. ([Phil 1:15](#))

Prior to the revolution of BC 926 the northern kingdom of Sumeria was very Jealous of the southern kingdom of Judah and this is what started the revolution. ([Is 11:13](#), [2Sam 19:40-43](#)) In David's day the 10 northern tribes were Jealous of the 2 southern tribes and when David visited Gilgal the representatives of the northern kingdom Complained that he was not spending enough time with them. Jealousy is also the source of psychotic conditions, ([Job 5:2](#), [Prov 14:30](#)) and if one remains Jealous long enough he will first assimilate the character of mental illness and then become mentally ill. [Prov 27:3-4](#) explains that Jealousy is one of the strongest of the Mental Attitude Sins and is a great motivator of both personal and collective [Revenge](#). ([Prov 6:34](#)) Jealousy is a blasphemous Mental Attitude Sin, taking real or imagined wrongs against an individual or group out of the hands of the Lord and attempting to intrude on the divine prerogative of Divine Discipline using vengeance as the vehicle. ([Deut 32:35](#), [Rom 12:19](#)) Jealousy caused Joseph to be sold into slavery ([Acts 7:9](#)), it rejects the authority of the bible and bible teaching ([Acts 13:45](#), [Acts 17:5](#)), and even produces distortions of Bible Doctrine resulting in False Doctrine. ([1Tim 6:4](#)) It is so great as a sin that [Numbers Chapter 5](#) provides a whole special Levitical offering for it alone. Jealousy is not a lone sin but a cluster which results from and in complex motivations and a strong influence from Evil. ([Hos 4:4](#))

### Complaining & Bitterness

**Bitterness** destroys the believer's life and will inevitably destroy a marriage even though there is no divorce. It begins with whining and Complaining and once it is launched in the soul all love is pushed out of the soul. Bitterness launches anger which is an aspect of **Emotional Revolt of the Soul** as part of the believer's **Reversionism**. Bitter people NEVER take responsibility for the cause of their bitterness and will never, from that point on in life, ever take responsibility for their failures. Anger is irrational and in this irrationality the only content this individual is willing and ready to recognize and hear is that which reinforces their pseudo righteous indignation. Anger inevitably becomes wrath when Hatred is added to it and this is the basis for reactionary anger based on bitterness. Clamor and slander are the logical results of Wrath and it causes the building up of a house of cards in Arrogance where the slanderer sets himself up as perfect, where in reality he is in a much higher and greater echelon of sin and failure. These all lead to Malice which is the lust to hurt someone, to inflict suffering and injury on another, which eventually can lead to violence. (**Job 7:11, Job 10:1**)

### Complaining & Psychotic Personality

The **Prepsychotic** Personality is both subjective and inhibited and these Individuals chronically worry, are always stubborn, intolerant and inflexible and lack any sense of humor. They are characterized by Rigidity, which acts as a neurotic defense, along with **Self Righteous Arrogance** and perfectionism alternating with **Guilt**. They are irritable, peevish, querulous, habitually Complaining, unable to concentrate, depressed and full of paranoid ideas. They are saturated with anxiety and tend toward hypochondria as morbid anxiety about one's own health whereby they constantly are conjuring up imaginary illnesses thus obviously locked into **Emotional Revolt of the Soul**.

### Complaining & old age

When addressing the Interlocking System of Arrogance and the various categories of Arrogance there are multiple interactions which lead to problems related to OLD AGE:

- ✧ Lack of mental acuity in the mind if Bible Doctrine has been neglected.
- ✧ Disorientation to life from the standpoint of success standards.
  - Not having realized one's dreams of success in life one will look at his life in the light of FAILURE as a result of not having met his life's goals or standards with this being the great danger of involvement in **Disillusionment**.
- ✧ An increase in Mental Attitude Sins with great emphasis on vindictiveness.
- ✧ Alpha Phobia and a perceived lack of security.
- ✧ Lack of or reductions in the ability to concentrate.
- ✧ Too much time for Complaining because of lack of motivation, lack of Right Lobe activity, and lack of engaging in something "SIGNIFICANT" in one's life.
- ✧ Taking a LONG time to decide anything.
  - Planning and executing a 5 mile ride into town is a problem for old age.
- ✧ Being OUT OF PHASE with the younger generations or the current daily occurrences in society.
- ✧ Having a dangerous trend toward hyper criticism of EVERYTHING.

All of these result in a strong propensity to Complain constantly instead of living life as unto the Lord and recognizing his provisions for one's OLD AGE.

### **Childish Believers & Complaining**

(gr) Nepios, meaning childish or fragmented, as per [Eph 4:14](#), is being totally entangled into the Cosmic Dynaspheres of the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred and coming to a dead end in the Spiritual Life, never being able to reach [Maturity Adjustment to the Justice of God](#). This believer can never become an invisible hero and is never able to glorify God as a result of an inability to execute the Protocol Plan of God. This results in personality changes causing personal flaws to become a permanent part of one's life. The fragmentation of one's life resulting from entanglement at various levels in the Interlocking System of Arrogance is never resolved by the use of the Rebound Procedure, [Problem Solving Device #1](#). This believer may not be displaying the characteristics of entanglement in the Interlocking System of Arrogance at all times but whenever something puts him under pressure these flaws will pop to the surface as a result of his lack of spiritual advancement. This believer will have his life changed as a result of being deeply entangled in the Interlocking System of Arrogance and thus he will be saturated with Self Pity or Self Righteous Arrogance and frustrated by Interlocking with the [Arrogance of Unrealistic Expectations](#). He will become a chronic Complainer and people out of courtesy will stand by and listen to his whining and Complaining but make it a point to NOT engage in future interactions with him. In addition to and as a result of being a chronic Complainer he will add manipulation of everyone possible in his periphery by trying to make people feel guilty about HIS situation which has resulted in self induced misery. Manipulators, like [Arrogant Crusaders](#), are always trying to change those around them and they never understand that ONE CANNOT CHANGE ANYONE ELSE BECAUSE ONE CAN ONLY CHANGE SELF AND ONE CAN ONLY CHANGE SELF FOR THE BETTER THROUGH BIBLE DOCTRINE. Under the involvement in [Rejection Arrogance](#) and although there is no reason in the Plan of God for Self Pity Arrogance, some people, though they have not hurt for many years, still think about when they were hurting and constantly Complain about that. This is the entanglement in the Interlocking System of Arrogance of Self Pity or Self Righteous Arrogance with Transference Arrogance and [Rejection Arrogance](#) so that the believer becomes weak from the fragmentation of his life through his entanglement in Complaining Arrogance. ([Lam 3:25-26](#))

Many of these believers are like little children, they are adults who act like children, they like those who sit in the market places and sulk and Complain because their friends are not treating them like they want to be treated. ([Matt 11:15-17](#)) These are people whom one CANNOT ever please, and when doing nice things for them, they don't like or appreciate it, and when being harsh with them, they feel offended. Whether you are smiling, happy, weeping or wailing, nothing pleases them and they are IMPLACABLE and are children with small [Petty](#) minds. These believers, like little children are constantly Complaining so that their friends say that they tried to make them happy but it did not work. John the Baptist was said by Jesus to be the greatest believer to that point in history and HE WAS CONSTANTLY RIDICULED AND CRITICIZED. Both John and Jesus were constantly criticized despite all the fantastic things that they did but even they could not please all men. Legalistic religious believers and unbelievers

of that time and even now, today, criticize the principles of Bible Doctrine, like little children who cannot be pleased by anything they do not understand or agree with. Many times believers who are weak in Bible Doctrine do not listen to the Bible Doctrine presented to them but only to the Complaining and criticisms of those in opposition to it. They are not impressed with the Bible Doctrine but only with the criticism presented by those who oppose it. Those who are impressed with the criticism of Bible Doctrine must beware because God will tie their lives up like pretzels and the greatest doses of Divine Discipline are given to those believers who criticize Bible Doctrine and to those who follow along with and agree with that criticism.

### **Examples & Results of Complaining Arrogance**

During the Exodus of the Jews, Korah was responsible with 250 others to teach Bible Doctrine to the congregation of Israel, some 2,000,000 adults, after they left Egypt. He and they wanted more prominence and power therefore they Complained to the people against Aaron whom God had made leader of the priests. He tried to incite the people to remove Aaron in order for them to gain more power and prominence as spiritual leaders in Israel. ([Num 16:8-11](#))

The Logistical Grace provision of God for the people of Israel during the Exodus included food which he provided for them for 39 years every day but there was Complaining by the people concerning this ‘Manna’ from God. This was Jewish believers Complaining about the GRACE of God. For this Mental Attitude Arrogance and sin the Lord provided for them the [Sin unto Death](#). ([Num 21:4-5](#)) As a result of this Complaining the Lord burned up some of these people with fire but when Moses intervened for them the Lord stopped the burning.

However the Jews continued Complaining and whining and Moses was not pleased with them, and even he succumbed to Complaining Arrogance because Complaining is infectious or contagious. ([Num 11:10-15](#)) However, despite all their Complaining, whining and mewing to Moses and to the Lord regarding the food they did not like they still received incredible GRACE provision. The Lord provided for them Quail as meat when they Complained about Manna and dropped quail all around their camp 1 days journey out from the camp about 3 feet deep. Each of the 600,000 men in the camp gathered about 58 gallons of birds, 18 garbage bags full of birds totaling about 1.14 billion birds collected, fulfilling their desire for meat rather than manna. However the ultimate result was the [Divine Discipline](#) of the [Sin unto Death](#) so that the Complaining ones all died from a plague while the meat was still in their mouths. ([Num 11:31-33](#))

Aaron and Miriam Complained and gossiped and maligned Moses behind his back because they did not like the Ethiopian Woman who Moses had married. They did not approve of her and Moses just took it in stride but the Lord was not pleased at all, He told all three of them to go up to the door of the tabernacle and they did. The Lord told them there that Moses was His man. The appointed one the one chosen, the [JESHURUN](#) believer. The Lord then disciplined the recalcitrant Miriam for a week with leprosy and the only reason she survived at all was

because Moses interceded with the Lord on her behalf. ([Num 12:1-15](#))

From the time of their leaving Egypt God promised the Jews the ‘Land’ to be their home but the Jews Complained about the Giants and would not go into the land to conquer them and take the land for themselves. Therefore as a result of their lack of faith and their Complaining and making excuses they lived and wandered in total poverty in the desert 38 years. ([Deut 1:26-28](#))

Once one becomes aware of another person’s sins he is then vulnerable to multiple disciplinary administrations to himself. Being aware of another persons sins makes one vulnerable to becoming entangled in gossip, maligning, saying “I TOLD YOU SO”, etc., all which demonstrate that he is in fact in for intense [Divine Discipline](#) himself. It is far better to IGNORE the sins of others totally or function according to [Col 3:13](#). When one sins against their opposite gender spouse and they then Complain about the results of the sin, they are in for Divine Discipline for the rest of their lives as a result of being being stupid about such things. The believer will meet people everywhere and when he becomes aware of their categories of sin the tendency is to take that information and pass it on to everyone he knows and this always brings Double or Triple compound Divine Discipline. When the believer becomes aware of the sins of others he is far better off to forget them and thus demonstrate great character.

In the time of Jeremiah, the people of Judah were at one point, weeping in the mountains where they had practiced the lascivious phallic rituals. By their own free will they had rejected the God of Israel, The Lord Jesus, The Christ, their “Right Man” and thereby accepted the cheap substitutes of Idols along with illicit sex. As a result, on the hills while they were still “in bed” with the idols, they started to weep for God and beg for mercy. This was for them maximum misery, frustration and disappointment and thus they cry out, Complaining to God for Mercy to make it stop hurting. The combination of weeping, which is [Emotionalism](#), and supplications, which are rituals without reality, indicates NO true repentance or reversal of their volition. They had NOT turned from Idolatry back to God and they were NOT in the temple crying out to God but were still “in bed” with the and functioning according to the rituals of the idols. They were miserable but still fornicating under the rituals of the idols. They ONLY tried to come back to God because of their misery and wanted him to alleviate their suffering NOT BECAUSE THEY LOVED GOD. This is also the Christian today who has overriding Negative Volition toward Bible Doctrine and does not truly KNOW God therefore cannot LOVE God and yet Complains to him when under pressure asking for deliverance when in fact their pressure is from maximum Self Induced Misery combined with Divine Discipline. ([Ps 38:1-6](#))

### **Complaining, an Expression of Unbelief & Lack of Faith**

There is constant demonstration of failure by believers expressing their unbelief as sin which is in fact expressing unbelief toward the Lord. Murmuring in the bible is always referring to

Complaining and is an expression of unbelief and doubt regarding the Grace Plan of God. Believers receive innumerable unknown and known gifts from the Lord and yet they constantly Complain about these incredible gifts and support. Whenever the believer encounters in his life a place of “NO WATER”, like the Jews at Kadesh Barnea, it simply is because the Lord is waiting to provide “water” by HIS means to satisfy this need. Unfortunately few believers recognize this truth of Grace and seek Human solutions for their lack of “water”. These believers blame others who have responsibility and authority for their lack because when people are experiencing adversity or pressure of any kind and lack Bible Doctrine they inevitably become involved in Transference Arrogance in order to move any responsibility for their situation from themselves to someone else, even the Lord. This is the Christian who says, “Why did the Lord let this happen to me”. ([Ex 17:1-7](#))

God’s promises are given by God with no strings attached and God cannot be GOD if he does not keep his promises. This is the application of the faithfulness and immutability of God which does not depend on human faithfulness nor human stability. Again considering the Jews coming out of Egypt when they were constantly Complaining and blaspheming and deserved nothing, God gave them everything and he WILL do this for every believer. Believers need to recognize the ramifications of constant Complaining to the Lord, for the Jews who Complained about their situation the Lord sent many different systems of DEATH to them and killed all those who Complained against him which in fact was the Jews judging the Lord by Complaining. ([Num 11:1-3](#))

### **Complaining & Authority**

For the advancing believer the issue of [Authority](#) must be settled completely and Complaining against authority by the believer must be stopped immediately. People will Complain about other things but should never question delegated authority in Legitimate Organizations set up by God. When it becomes a question of the authority in the Spiritual Life, which is Bible Doctrine and the Pastor Teacher, this must be settled by God alone and no one else because when it comes to divine authority the matter of response to authority is taken out of man’s hands. When a congregation elects deacons and calls a pastor they are NOT setting up the authority but RECOGNIZING the authority which comes through the spiritual gifts possessed by these MEN. It is not a social position for the men receiving these responsibilities but an opportunity to use the spiritual gifts GOD has given to them. In the Old Testament Scripture the authority of the priests came through the family of Aaron and then through the prophets so that when the family of Aaron failed because of their failure to make Salvation Adjustment to the Justice of God and their resultant overall spiritual decline, God raised up prophets to take their place. ([Num 17:5-10](#))

### **Complaining & Manipulation**

As an illustration, when a man creates a ‘sacred cow’ out of a woman she will begin to dictate how everyone in her periphery will act. When all do not act as the cow thinks they should, she will go to the bull and Complain until the bull removes the offenders. This is a woman becoming a puppet master controlling everyone in her periphery by Complaining. The man who is in authority over the woman and who is in charge of others, who allows a woman to

cause him to drive others away by constant Complaining about them, has not removed the cause nor faced the reality of the situation nor has he been just or fair in the use of his authority.

### Complaining vs Teachability

The believer who has entered into functions under the stages of **Reversionism** and is residing in the Cosmic Dynaspheres is ungrateful and lacks capacity for life and therefore never learns anything from contemporary history nor from his own adversity in life. People who are unteachable lack **Humility** and are saturated with Arrogance and they constantly are Complaining about everything. As a result of being unteachable, they are unable to learn from history and unable to learn from their own failures. These people, who come from every social area and level, do not respond to any type of authority being interlocked into **Authority Arrogance** and are totally self centered also interlocked into Self Righteous Arrogance. The positive advancing believer must not date nor marry them and should have nothing to do with them and the sooner he breaks away from them the happier his life will be. The believer must be teachable from the inculcation and comprehension of Bible Doctrine, from Divine Discipline resulting from his failures, from history and historical disaster and especially from the problems and adversities of others of which he is aware of or shares in. One must be teachable in order to have capacity in life and receive blessing from God because the timing of God is perfect and He withholds blessing until the believer has the capacity for it. Therefore, the key to life and spiritual growth is that the believer MUST BE TEACHABLE. People who are unteachable always assume that they are smarter and better than everyone else and that the only authority which counts in life is theirs and they are the only ones important in life and are therefore totally saturated with and entangled in the Interlocking System of Arrogance.

### Authority & Complaining in or by Groups

No organization can run without 2 kinds of authority, Leadership Authority & Delegated Authority. Policy makers should never have to administer their own policies and there should be others delegated to do this. In addition those who administer should not ever be policy makers but they can be advisers. When these 2 kinds of authority are blended there is inevitable confusion. This is the reason that in the Local Church the policy maker was set up by God in the Pastor Teacher who teaches the Word of God but also there must be delegated authority to administer the policies of the Local Church. When there is a problem in an organization the individual does not go to the highest authority for a solution but he moves through the chain of command to get to solutions. The Leadership Authority as policy maker should never deal with individual problems below his level of command but turn the Complaints back to the one in charge of administering that level. This principle of chain of command is a very important principle and it represents good leadership and administration. On the part of Complainers and others concerned about problems who are upset, poise, good manners and thoughtfulness must be enforced through the function of the chain of command. The chronic Complainer in any organization falls into 1 of 2 categories. The one who Complains under humorous conditions who is the objective Complainer and may have legitimate concerns and even good suggestions. The one who constantly Complains even under good and humorous situations but who is subjective and will always undermine the organization.

Leadership must always make an issue of these subjective Complainers or remove them because if they are permitted to stay in the organization they can only be allowed to remain if they stay under submission to leadership whether they agree with the policy or not.

When Leadership and authority is approached by a group, this group is, at that point, not under proper authority and therefore is functioning in a state of anarchy. They inevitably approach authority to Complain as a group but operate as individuals under fear and anarchy. The group often has a common Complaint but each Complainer has a personal interest involved and thus is in a state of anarchy as well as [Cowardice](#). The function of leadership, in all cases, does not include self justification nor defense of one's policies to those under his authority unless it is in a court of law. Today people have the idea that when people raise some Complaint about something that authority must go down to their level to have a confrontation with them. This is not the responsibility of authority and it pushes authority into a position of being democratic and this seems wonderful to the Complainers but is contrary to the proper function in leadership. When groups Complain to authority figures and leaders the only confrontation which counts is for the leadership to pick out the ring leaders and wipe them out, completely remove them from the organization. Believers must always move to higher authority and function under the [Faith Rest Drill \(5 stages\)](#) putting all matters in the hands of the Lord and making an issue out of the authority of the Lord not the Complaints of man. Complaining by groups about a lack of something denies the principles of [Logistical Grace](#) support from God. The believer must make an issue of Logistical Grace and the authority of the Lord because for the believer the issue is always the OBLIGATION of the Justice of God in providing Logistical Grace to the Righteousness of God in the believer. The conclusion simply is that as long as the believer is alive then God has a purpose for his life and as long as God has purpose for his life HE IS OBLIGATED TO KEEP THE BELIEVER ALIVE under Logistical Grace with food, shelter, clothing, water, Bible Doctrine and time. This principle applies to individual believers and believers in groups as well.

### [Institutional Arrogance & Complaining](#)

When one receives his wages from an organization, civil government or free enterprise business, he must not ever Complain or run down the company. Labor has no right to strike and when they do it is total immorality and the INDIVIDUAL laborer ONLY has the right to quit any job and then after leaving it, he can Complain as much as he wants about it. Labor NEVER has a right, as a group, to refuse to work and then keep others from filling the jobs they refuse to do. Management has the ONLY right to set wages and policy without any interference from those in labor. Any situation otherwise is Complaining Arrogance.

Every organization must have a structured system which allows those who follow the principles and policies set up to succeed. Where the individual assumes that an organization cannot get along without him he assumes he is carrying the organization rather than vice versa. One manifestation of this is Bitterness from interlocking with Mental Attitude Arrogance the other is excessive Complaining. When one enters and becomes part of any organization he must accept the purpose, policy and authority of the organization. The authority may fail or maltreat him but he must remain loyal to the purpose and policy and under the authority or LEAVE THE

ORGANIZATION. Failure in this area is more than just [Pride](#) but is a complex of entangled Arrogance demonstrated by [Bitterness](#) and chronic Complaining. The reality is that Life is unfair and one is bound to be tested in this area of unfair authority from time to time. The way to handle this unfairness in life is to show these others who are unfair that they have no reason to be unfair because of one's dedication and focus on what one is doing. To whine and mew and gripe and Complain is not the way to handle this testing.

The owner or the management of the vineyard in [Matt 20:11-16](#) made a decision to pay all the laborers, those in the labor union, who bargained for their wages at 6:00am, and also those he hired throughout the day without an agreed wage, the same amount. As a result the labor union men Complained about the men working shorter hours getting the same pay as they who worked a whole day. God rejects any aspect of socialism and promotes FREEDOM in every category as THE KEY to the Angelic Conflict Appeal Trial Resolution. The principle is that the ones who invest the money are the ONLY ONES who have a right to make the policy, but the labor union men were thinking in terms of Mental Attitude Arrogance assuming equality existed because of equality of pay. By trying to dictate policy to management about wages, labor unions are constantly guilty of [Blind Arrogance](#) and by trying to stick their nose into the policy of management and tell them how to run their own business they were guilty of the Arrogance of Complaining interlocking with [Institutional Arrogance](#).

All organizations are composed of authority structures and in that structure each individual involved has an Old Sin Nature with prejudices, standards or lack of them, understanding or lack of it. People invariably look to an organization in which they function and expects a fair deal and Americans are particularly upset if they don't get what they want and think of as a fair deal. There are a myriad of constant Complaints of discrimination today concerning NOT being recognized for talent, intelligence, ability, even race and gender or because of a lack of personal advancement in any business, professional organization, government organization, military or Law Enforcement organization or bureaucracy. These Complaints represent entanglement in the Interlocking System of Arrogance with entrance through Institutional Arrogance. When people Complain about the unfairness they perceive around them and directed toward them, it becomes a way of life and this way of thinking as a way of life causes a loss of the ability to correctly orient to life. This is especially true of believers, who have something great to orient to, who lose the cognizance of the principle that GOD CANNOT BE UNFAIR TO THEM because it is incompatible with his perfect essence and character. The believer must always recognize that GOD can only be totally fair and as long as God is fair what the rest of the world does is inconsequential and it should not deter his motivation nor inspire his involvement in the Interlocking System of Arrogance from Institutional Arrogance. In the United States of America there is a snare for both believers and unbelievers because this nation's spiritual heritage is related to the [Laws of Divine Establishment](#), [Divine Institutions](#), Bible Doctrine and Client Nation principles of function and the United States has continually violated all of these. Thus, in the United States of America, prosperity has become a trap both historically and spiritually. Historically it has been a great trap because the people have become soft from prosperity to the extent that they think in terms of saving prosperity even if it means losing a war and freedom. This is what occurred in the wars in Korea, Vietnam and

the Middle East where the people said, especially during the Vietnam War, “as long as I am safe let them die over there but don’t extend the war so that we might be bombed and hurt and lose our prosperity and security over here”. ([Ps 69:22-23](#), [Ps 35:8](#))

One very important thing regarding executive operations in an organization is to NEVER allow one to whom authority is delegated in order to run others, to bully those people under him because he is [Jealous](#), [Prideful](#) or [Petty](#). No person can be a good executive or have any authority over others without objectivity of soul. Many people are unjustly fired from a job, not because they fail to do the job, but because they did not cater to some intermediate supervisor between them and the executive boss, like the department supervisor. This is the person on the job, doing a good job, but who is under an immediate supervisor who cannot handle his authority thus the person is persecuted and becomes the object of Complaints by the supervisor to the executive, who is a complete fool if he cannot balance the Complaints with reality. An executive must learn whether the person being Complained about is doing a good job or not and if he is doing a good job he should be kept on the job and not fired. In addition, people in authority have no right to Complain about those under them and only have the right to fire them and replace them.

### [Complaining & The Military and Law Enforcement](#)

As citizens of the United States every individual citizen has a right to Complain about the government but a soldier in any service has no right to Complain about the situation in the military or the government. To Complain about any administration no matter how bad, as a soldier, is ethically invalid. No professional soldier must ever concern himself with politics and how disastrous these things are to the military. Along with Law Enforcement officers, Professional soldiers have a most difficult time in historical disaster. This also applies to anyone under any authority and if one, in any situation, wants to Complain about his higher authority then he must first resign his position, whether he is in a corporation, military organization, Law Enforcement organization or Local Church. However, citizens of the United States of America DO NOT have the right to attempt to overthrow by violence or enter into conspiracy to destroy the government. This also applies to the spiritual realm and Local Church functions. It is easy to criticize authority until one is placed into that same position of authority and is required to do perform to an effective level in that position. People who criticize authority are arrogant and usually involved in [Egotistical Arrogance](#) and their criticism makes them feel important when in fact they could not do any better, usually not even as good a job, in the same situation. Attitudes toward authority in the United States of America since the 1960s has been drawing very close to anarchy. The people generally fail to realize that without authority there can be NO FREEDOM and many pleasures or other personal interests are impossible without some authority to control and regulate them. Being critical provides a level of pseudo self importance and results in contributing to one’s own self destruction and catastrophe. When it comes to being disoriented to authority, this results in terrible personal and national discipline and is clearly demonstrated by the Irish constantly killing each other over [Religion](#). Today Americans are far worse than the Irish and want the benefits of freedom but not the responsibilities nor the controlling authority.

### Professionalism vs Complaining

Every professional, especially the soldier or Law Enforcement officer must do his job, though he may be under paid, to the best level he can, and if he is a believer as unto or for the Lord. The most important factor to the professional believer must be the knowledge in his own soul that he has done a fantastic job whether it is recognized by others or not, which to him should be of no consequence. However, often when a person does a great job and sees others getting great recognition for doing a much poorer job, it is very tempting to Complain and demand higher recognition. The fact is that the worst thing one can do professionally is to Complain and demand recognition and this is in truth total lack of professional ethics. For the believer with maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul he will know he did the job and did it right and well and that is all that should count for him.

Everyone invariably faces disappointment over the subject of being slighted or unrecognized for his accomplishments or hard work. This has and will continue to occur in athletics, academics, social life, love life, and in all professions. There are many ways for the believer to become disappointed and frustrated in life but there is no excuse for succumbing to them and falling into Self Pity and Complaining about it. When the believer lacks Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul he will be strongly tempted to Complain about the lack of recognition for his efforts and accomplishments. This is unprofessional as far as living the Christian Way of Life is concerned and shows a disorientation to and lack of capacity for life. The believer must remember, *this is the devil's world and life will always be unfair to him as a Christian*, but God will always be fair and he must always remember, “greater is he who is in you (The Lord Jesus, The Christ) than he who is in the world”, the ruler of the world, Satan. It is incumbent on every believer to throw off and reject instantly the idea that he has been overlooked and is not getting credit or is being unfairly treated in some way without recognition. Every individual has ideas about what his life should be like and he WILL live to have at least one experience where he will see someone, who is totally undeserving, take credit for what he has done. With the Metabolized Bible Doctrine the believer accumulates in his soul he has more than enough compensation for all that he does in this life. God has not intended for the believer to shed one tear or utter even one word of Complaint or to run around and act as a readjustment bureau and correct these injustices.

### Complaining & Marriage

Marriages are destroyed by Bitterness and love is thus replaced by hatred so that divorces are the function of bitterness and bitterness is motivated from the influence of Evil and is one of the greatest sins of Arrogance. Bitterness is what caused Satan to ask for an appeal trial which God graciously granted. This is what occurs when the wife is disappointed with the husband OR when the husband is disappointed with the Wife. This often beings in marriage after varying times, 1 hour, 1 day, 1 month or even years after the marriage begins. It is relatively easy to hide, except the bitter one always gossips about the one they are bitter about. This starts with whining or Complaining and leads to Anger which is irrational and this leads to wrath and ultimately Hatred. Slander is the logical result here and leads to malice and all

sorts of attempts to hurt the other. The believer must try to discover the soul of the person he intends to marry, however, this is not always possible or his attempts may be unsuccessful. The key is that one should be around the intended spouse **long enough** so that he will never have to kick himself and say “UGH I went into this blindly” or “I made a terrible mistake”, because this is a huge sign of character weakness. For a man to say he was fooled or deceived by his intended spouse, and he may have been, is weakness and if he is a real man with honor and **Integrity**, he will just carry on in the marriage. The man should never whine about his mistakes with regard to his wife and how he has messed things up by marrying, but he must just carry on and forget it.

When a man marries he must be married to a woman who understands the issue of authority in the marriage and in other areas of life and does not whine or Complain about not seeing her husband because he is busy in his occupation or profession. Married women must be very careful about other people who run down their husbands especially if they started the criticism themselves. Husbands, as male monsters, are very often the basis for legitimate Complaints but this notwithstanding, Complaining about them should never be engaged in by a wife nor allowed to begin by others in her periphery. The more authority the husband has in life the less the wife will see him and the more she must love and support him in every way. Her being involved in the Interlocking System of Arrogance will inevitably destroy her family. When a man has authority and is married the woman shares the authority in terms of understanding his responsibilities and duty. Any woman married to a professional soldier or law enforcement person must never Complain or whine about how much attention she is not getting. When a soldier is in combat his job is to function tactically or logistically and he must do his job without distraction from a whining, Complaining woman at home. One major problem perceived in the military today is the ability to instantly communicate with the wife by means of the technology available to the service man and this should be prohibited totally. The woman can be the most wonderful and most inspiring thing but must always be secondary to duty. If the woman is placed before duty there is no integrity in the man and the relationship will not last. The woman who is honorable and truly loves the man understands this principle. This is the woman who knows that second place is hers and that is the best she can have and she does not whine or Complain about it. The woman who cannot take second place to duty always winds up interlocking with **Psychopathic Arrogance**. The woman who does not take second place to her husbands business or profession is a whining mewing bitch. The one thing which most defeminizes the woman is nagging, whining, mewing and Complaining about minor things she considers inconvenient. The woman should not ever be permitted to get her way with a man by nagging Complaints and if she does she has destroyed his Integrity therefore, a man of integrity and honor will never succumb to nagging no matter how long it lasts. The woman must occupy her time so as not to be a burdensome whiner and Complainer all the time. Class and Character in a woman is a principle of feminine integrity and this great character of soul provides **Flexibility** for a variety of individual or collective disasters and gives the flexibility to endure and over come these disasters. However, the greatest distortion of these principles is when the WIFE is in the military and the husband is to remain at home, even at times with the children. THIS is truly ludicrous since the reason for war and fighting in war is to protect the nation and the loved one's left behind who would be

vulnerable to conquest and destruction by the enemy.

### Complaining & Academics

In the United States of America the system of academics is ineffective and destructive not just because the content today is bad but more so because of the POOR use or complete LACK of authority, discipline and respect in the classrooms. This has resulted because of the total permissiveness required from the teachers who must allow children to express themselves in a class. One does not and cannot ever learn anything by expressing oneself but ONLY by concentrating and listening to what is being taught. The idea that requiring strict discipline, respect and concentration in a classroom setting will repress personalities, do damage to a child and bring on subjectivity by not allowing freedom of expression, is a complete divorcement from reality. The attitude of the nation in this regard has been distorted for a very long time so that people now have Personal Opinions about everything but NO Scale of Values or Frame of Reference upon which to base those opinions. Administrators of schools at every level from preschool through post doctoral higher education must be strong and back the teachers, who in fact should be carefully chosen based on their adherence to professional principles, by requiring and enforcing discipline in the classrooms. The teachers must be strict and intense in their presentations and evaluations and when a student Complains about something in a class then he should be thrown out. The one weakness of this position is that it REQUIRES Integrity on the part of the teachers, which many times is lacking in that profession today. However, this does not give credence to allowing rampant Complaining about the strictness or intensive requirements of a class at any level of education.

Life is a system of authority and the first authority one encounters occurs when he uses his volitional contrary to the principles of life. The child is warned NOT TO TOUCH A HOT STOVE because the parent in authority knows it is HOT and that it will burn the child. When the child decides to do what he damned well pleases and touches it and gets burned he then cries for momma to make it stop hurting. However, she should instead make his gluteus maximus hurt MORE to emphasize the principle of authority. The fact is that when momma burns his butt and then bandages his burned finger, junior then learns from this that LIFE is more fun when he follows the rules whether he agrees with them or NOT. Schools, where the teachers are very tough, result in the child being forced to focus his attention and concentration on the subjects and will bring a better understanding of Authority and Responsibility to the student. When the child goes home and Complains to Momma about the teachers being mean and tough on him and then momma either tries to get the teacher removed or moves her poor abused child to another school, this causes this child to suffer for his whole lifetime. The child will suffer because the principles of discipline in the school are far more important than the academics in the school. The point is that a student at any level must recognize the authority of the teacher BEFORE he can learn anything, and this applies to and extends through his entire lifetime and Complaining about the requirements in ANY CLASSROOM AT ANY LEVEL IN LIFE destroys this principle.

### Complaining & The Local Church

The believer MUST never concentrate on who the Pastor Teacher is or what he is like because

this requires MORE than just listening to and learning Bible Doctrine. The believer often will find real friends in the Local Church and the more of these he has the greater the possibility that when they become offended by the Pastor Teacher or his message they will pass this on to him with their Complaints. People have incorrect ideas concerning Local Church administration and the Pastor Teacher must correct these and at times must do so very vigorously. Therefore, if these incorrect people happen to be one's friends they may decide to wander off from the Local Church where they can get correct Bible Doctrine and will Complain to the positive believer about the Bible Doctrine and malign or run down the Pastor Teacher. At that point the positive believer must remember and concentrate on the Authority of the Pastor Teacher which is derived from the accuracy of the Bible Doctrine he teaches and NOT the complaints of his friends. If a friend leaves the properly functioning Local Church then the positive believer will have to decide whether to follow them or maintain spiritual growth under the Pastor Teacher who presents the accurate Absolute Truth of Bible Doctrine. This test is spiritual growth vs family, friends, loved ones and this test is inevitable for every positive believer. He must therefore be able to concentrate when Bible Doctrine is taught but also when there is some Complaining conspiracy trying to distract him from Bible Doctrine in his Local Church. The command to the positive believer is to make up his mind to follow the one over him in the Spiritual Life NOT those who would distract him from spiritual growth with their Complaining. Once a believer finds a Pastor Teacher under whose teaching he can grow to maturity, one who is his right Pastor Teacher, this one will have spiritual authority over him for his entire life. This authority will persist until something removes that pastor from this life or from the believer's geographic vicinity so that it becomes impossible for him to be taught by them any longer. The command for the positive believer is to STICK WITH BIBLE DOCTRINE even when his Complaining friends GO. The point is clear that Bible Doctrine is vastly more important than any other consideration in life and it is the only way for the believer to glorify and please God in life as a result of having maximum Metabolized Bible Doctrine in his Stream of Consciousness of the Soul.

### Cowardice & Complaining

Cowardice is defined as the inability to think under pressure. Courage, therefore, is the ability to continue thinking under pressure and to function under pressure DESPITE fear. Therefore, as soon as things go wrong in life and pressures arise, if one is a coward he will stop thinking. While he cannot think under pressure he can still function based on Emotion and is thus motivated by Bitterness and Self Pity Arrogance to Complain. Complaining is therefore a complete lack of thought under pressure. For the believer, a [Faith Rest Drill \(5 stages\)](#) malfunction results in human reaction to pressures in life with [Mental Attitude Arrogance](#) and Sinning. Therefore, all Faith Rest Drill (5 stages) malfunctions are inconsistent, irrational and unreasonable being motivated by Mental Attitude Sins such as Bitterness, Vindictiveness, Implacability, Selfcenteredness or Self Pity. Just as the Jews Complained about Moses during the Exodus, rejecting his authority, thereby engaging in malfunctions of the Faith Rest Drill (5 stages) this includes rejection of authority such as:

- ✧ Police authority when stopped in traffic
- ✧ Pastoral authority when doctrine is presented
- ✧ Commanding officer authority when one is full of Self Pity Arrogance

- Teacher or Professor authority when one fails in a classroom setting

Authority is thereby rejected when people fail under pressure which failure results from some FEAR which is absence of normal rational thought. Mental Attitude Sins result in inconsistent and erroneous thinking. The Jews rejected Moses authority on the one hand and made demands on him inconsistent with their rejection on the other, demanding, as leader, that he must give them water. The fact was that Moses, a man, had no special power to provide water at any time. [Reversionists](#), as illustrated by these Exodus Jews, are always inconsistent in their thinking and childish as well and like a child may come and ask that one make it stop hurting. Pressure moves them away from reverse concentration in the 2<sup>nd</sup> stage of the Faith Rest Drill (5 stages) and they are not even able to claim any promises from God. One of the greatest problems in having any level of authority is being the subject of so much irrationality from those under one's authority. When in authority the leader should never explain himself for any reason and the ones under his authority should simply take his instructions and do their job while he keeps thinking but he should never try to explain why he did things the way he did. Failure of the believer to think under pressure produces [Human Viewpoint](#) and Cowardice with a lack of application of principles and reverse concentration as a result of a complete lack of organized rational thought. When people become cowards under pressure there is a total lack of discipline and this can be observed in the Ancient Jews in the Exodus and the People of the United States of America today. ([Ex 17:2](#))

### [Complaining related to Personal Opinion](#)

The believer's Personal Opinion about the one who has authority over him is inconsequential and he often Complains about his job because he has no respect for authority, no understanding of life, no capacity for life and is not functioning under [Personal Love for God](#). In Arrogance one may have an idiotic idea that someone has it easier than he does but this is not ever true because everyone has problems in every field of life and every field has IDIOTS at the top causing these problems. The arrogant individual thinks that how he feels about a boss is more important than any thing in life and if he does not like the boss then the boss should be removed and replaced with and a nicer boss. Many people today are ready to do what the communists demand but will call it some other named ideology because they have lost track of what freedom, life and capacity for life is about. This becomes obvious when they Complain about things which they have no business Complaining about. When they are inefficient on the job, the boss chews them out and then they Complain that he is unfair. A woman marries some guy and loses respect for him and then Complains about him, however, the real solution is for her to SHUT UP instead of spreading filth about him all around her periphery. In marriage no matter how much a man is a jackass he is still the authority in the marriage and when his wife Complains about him to others and undercuts him and tries to destroy him, this undercuts his authority and relegates the woman to the level of a complete jackass and a failure. In families, permissiveness has ruined children and they totally lack discipline and lack respect for authority. These are children who Complain about parents, athletes who Complains about the coach, and those who, on the job as they grow up, Complain about their supervisor. The believer is NEVER to succumb to any temptation to undercut any type of authority and if in his opinion his job is bad and he cannot stand it or his boss, he is to just leave and not

Complain about the authority or the person wielding it.

### Complaining & Revolution

Any system of ratings of one person or group by another is always unfair with prejudice inserted to some degree no matter how fair people may try to be. The world is thus filled with unfairness and because of this there is action and reaction against it and a great state of confusion so that people forget what causes the unfairness but still react against it. This is revolution and it becomes insanity no matter what the initial Complaint may have been so that the usurpation of power always becomes the real objective. Whatever they may be, the grievances always get lost in the shuffle because people always use grievances to gain power whether they are legitimate grievances or not. There will always be grievances until the millennium just like the Complaining during the gas rationing in the 70's where this put power in the hands of bureaucracies and gave scum in society the same right to gasoline as the working man. People always assume that because they have an apparently legitimate grievance they also have a legitimate cause but they inevitably fail to realize in their naivete that some smart person will invariably come along and exploit them and their Self Righteousness just to gain power. This is why the common people start Revolutions but they never control the revolution because they think only in terms of adjustment of grievances while the exploiters of those in the revolutionary middle class are only thinking in terms of power and taking it away from those who have it. To takeover a nation one simply has to pull together all the people and their grievances and build up their Self Righteousness and in a Machiavellian way organize a system to combine all these people and then turn their grievances into a takeover of the nation by this exploitation.

People with grievances, Complaints or personal needs are complimented and flattered by the pseudo interest of conspirators and revolutionists, not realizing that they are being used and exploited for the unlawful functions of Conspiracy and Revolution. These are the malcontent who are in fact a fertile field for revolution. It is only the one who functions under Humility who can avoid being exploited by the Ambitious. Humility and avoidance of involvement in the Interlocking System of Arrogance is the key to circumventing being exploited by others and drawn into conspiracy and revolution. The believer must never allow himself to get sucked into organizations which are revolutionary in order to try to right wrongs because this will inevitably simply intensify the wrongs. Most revolutions are started by the "MORAL" middle class Complaining and demanding a redress of their grievances. This is what resulted when Louis XIV removed the Huguenots from France so that during the reign of Louis XVI the new middle class had major grievances and as a result revolted. There was one of the most concentrated expressions of EVIL of all time in the resulting Reign of Terror. This was ended by Napoleon and a battery of french artillery and under his genius came the Code Napoleon, the French Code of Law, which is still in use in France today. This also occurred in the Middle Class in Russia and the result was the revolution of 1917 in Russia where 100,000 communists took control of MILLIONS of Russian citizens. This also occurred in India and in 1947 when the British gave India their independence MILLIONS were killed within a few hours and millions more died later as a result. Thousands of blacks were slaughtered by the Watusi in Africa repeatedly in a reign of terror because there was NO middle class. The middle class

is the backbone of the nation and if the middle class Complains too much the scum pick this up and have used it time and time again in Human History for revolution.

No matter how great the government may be there will always be those who are discontent even with perfect government and when government is bad smart people are discontent but when government is good and people are discontent they are generally the stupid people. There are always going to be malcontents who reject the authority of human government. If government is excellent and authority is properly administering it then it is the Reversionists saturated with Evil who object to it and there are always [Reversionists](#) in any land or group thus always someone who will always Complain. This is the purpose for the existence of discipline, policy and authority from MARRIAGE to the most complex corporation in free enterprise and in government as well, without regard to its form, in the historical entity called a nation. The reference in [Ps 69](#) is referring to reversionistic believers and unbelievers who plotted revolution against David and it refers to the pleasant things in life such as the routine things and food on the table etc., thus it refers to a secure life that the Reversionists seek to gain from revolution. This is an Imprecatory prayer from David demanding with regard to these reversionists that their EVIL BE PUNISHED and asking God that when they are in prosperity it would become a trap to them.

In a properly functioning society the middle class must be responsible to government AND GOVERNMENT must remain responsible to the PEOPLE. As is painfully obvious in the United States of America today that this has not been occurring in either direction. When the middle class becomes greedy and engages in functions within the Interlocking System of Arrogance and when believers enter the Interlocking System of Arrogance and detonate their grenade of Arrogance the nation begins a decline which, without correction, inevitably leads to total destruction. This is contributed to by the fragmented members of society electing to government positions fragmented individuals saturated with Arrogance who profess to want to correct all the Complaints the people have voiced. This is why the United States of America in the 1980s was into the 3<sup>rd</sup> cycle of Divine Discipline and today in this first ¼ of the 21<sup>st</sup> century is at the end of the 4<sup>th</sup> cycle or has already entered into the early, unrecoverable, 5<sup>th</sup> cycle of Divine Discipline with the inevitable destruction of this nation.

### **National Complaining – The United States of America**

Welfare and socialism are two of the worst forms of slavery which can ever exist in the history of mankind and in this first quarter of the 21<sup>st</sup> century the people in the United States of America are totally slaves to the federal government. The American forefathers founded a system whereby the states would have greater authority than the federal government under the principles of states rights in order to prevent centralized tyranny. The idea was to keep the federal government small so there would be little government and big people and this is totally gone today because the people in American society have been marking time for quite a few generations. In the United States of America today law is used primarily to correct social problems and cater to whichever 1% group Complains the loudest. The concepts and principles of the importance of self determination and taking responsibility for one's decisions has been lost on the people in this nation. The people in the United States of America could learn from

history if they would simply stop being so subjective and open their eyes to reality but in fact they will and are not.

In order to be able to handle any national or historical disaster believers must face and pass the simple and easy testing of life first. Malcontent is always inevitably verbalized and as the saying goes so it is now in the United States of America, “the wheel which squeaks the loudest gets the grease”. It is always the Arrogance of those who are malcontent who make the greatest noise and one of the greatest difficulties in any category of leadership is to NOT succumb to the NOISE from the malcontented people. The people who do the Complaining are most often a very small group, they are called the 1%, and they want policy changes to be made in order to solve the problems or pressures perceived by this 1%. This is how the American government now functions and has for many decades and the legislators now make law and policy to appease the stupidity of the 1% of the people and their discontent. A solid rule in life is to ALWAYS beware of chronic Complainers because they are divorced from and disoriented to life and generally totally ignorant of the principles of Grace. They function completely under [Legalism](#) and Self Righteous Arrogance and their verbalized Complaining becomes louder as their rebellion increases in relationship to the level of hidden Arrogance in their Stream of Consciousness of the Soul. Since Arrogance is an interlocking system of function in the Cosmic Dynaspheres under the principles of EVIL, any entrance into and function under it will motivate many other aspects of Arrogance such as:

- ✧ Self Pity
- ✧ Resistance to authority
- ✧ Vindictiveness
- ✧ Implacability
- ✧ Rebellion
- ✧ even the Violence of Revenge

The reality is that NO nation can succeed in or overcome disaster unless there is great motivation in the majority of the people. Majority motivation in the correct direction only comes through passing testing in both adversity and prosperity. However, people cannot ever be motivated in mass by being subject to soft training and preparation. This is the biggest problem with military training in the United States of America since the 1960's and also in the educational system of this country. When training in any area of life is not tough enough and people can Complain to their administrators or superior officers about unfairness and their mamma's Complain to their senators, representatives or academic leaders, then there is no real motivation and no proper Mental Attitude directed toward success and advancement in life. To prepare for disaster one MUST have the SIMULATED disasters of tough training or the intensity of examination problems to solve in academic situations to prepare for solving problems in the reality of life.

### **Complaining & Hypersensitivity**

A person involved in Arrogance who is [Hypersensitive](#) has many feelers out in his periphery toward the people around him and knows when people do not like him. People not involved in Arrogance always avoid hypersensitive people because nothing ever pleases these people in

any way. Hypersensitive people think only about themselves and have no capacity for love or life and cannot be pleased. They become arrogant and hypersensitive and function by either giving others the silent treatment, saying nothing when addressed or always Complaining about every thing in their life. ([Ps 38:4](#))

In the United States of America today there are no statues of idols nor places for indulging in phallic idolatry but this promiscuous society is involved in a different kind of Idolatry. Idolatry and Fornication always results in mass destruction of capacity for Category I Love, [Personal Love for God](#). When this occurs in the people of a nation, they will inevitably come into contact with God and will be smashed under the 5<sup>th</sup> cycle of Divine Discipline like the Jews in 586 BC. When they come into contact with their Right Man or Right Woman they will also be smashed in category II Love, romance or marriage. This results in it being a triple SMASH because these believers have lost their Category I Love for God and Category II Love in Romance and now they cannot keep their Category III Love in friendships when all they do is Complain about all their troubles. This brittleness of soul is vulnerability and [Hypersensitivity](#) and results in the disintegration of a society. When there are a maximum number of brittle people who demonstrate their brittleness in contact with God, Right Man or Right Woman, and with Friends as hypersensitivity this inevitably results in brittleness transferring from parents to children and vice versa, and toward all contacts and relationships in life and as a result they become totally disoriented to life.

### **Complaining & Emotional Revolt of the Soul**

Jeremiah recognized the fairness and Justice of God and still he Complained to God. This is typical of a believer temporarily disoriented with regard to Grace. It is typical of anyone who is living according to Bible Doctrine and suddenly sees someone who is everything he knows he should not be, therefore classified as “wicked”, apparently having a great time and apparently having great prosperity in his life. These people are, in fact, “apparently” living in happiness but they will die by the sword and they are part of a lawless generation rejecting freedom and the basis for maintaining freedom via the military so that they will inevitably be gruesomely destroyed. In the case of Jeremiah at one point in his life, he had a Right Lobe of the Stream of Consciousness of his Soul filled with Maximum Bible Doctrine, so that his emotion responded to that with capacity for temporal and spiritual life and he operated under the happiness spectrum although he lacked tranquility in his life. His Right Woman, as a conspirator, was bitter, [Jealous](#), vindictive and operating under LUST and Lasciviousness trying to find a substitute for Jeremiah and was most likely convinced that trying to kill Jeremiah was Good. She, being under [Emotional Revolt of the Soul](#), was apparently having a great time in life. Jeremiah, at one point, had become disoriented and most likely his Old Sin Nature was in control at that time. Jeremiah could not reconcile the apparent or pseudo happiness of his conspirators and the fairness of God. The question for him and for every believer is “Why does God let someone whom the believer may consider wrong, wicked or evil, have any level of Happiness”? It is apparent at this point in his life that Jeremiah was very disoriented with regard to the Essence of God and its function toward him, and this is the case for any believer who whines and Complains to God about ANYTHING. Jeremiah said to GOD that he WOULD NOT talk about JUSTICE and JUDGMENTS because he does not think God was handling things

properly. Jeremiah had perfectly understood the Essence of God and had it in the Right Lobe of the Stream of Consciousness of his Soul from his consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine under the [Grace Apparatus for Perception](#) existing at that time. He brought the Essence of God doctrine into his memory center and knew it but at the same time he was disoriented temporarily under Emotional Revolt of the Soul because of his involvement in Self Righteous Arrogance. From his emotion, which lacked knowledge, power, bible doctrine and character, he observed the experiences of the conspirators, who appeared to be happy, and his emotion could not cope with this. His Emotional Revolt of the Soul had blocked the APPLICATION of the doctrine which he in fact KNEW and had Metabolized. Jeremiah's emotion, like all emotion in man, was designed to respond to the content of the mentality of the soul, especially the doctrine concerning the Essence of God, but he was not, and he was in fact Complaining about how the Essence of God was handling the wicked conspirators against him.

This is a form of Emotional Revolt of the Soul which is temporary in believers which originates from the Old Sin Nature's influence on the soul. It comes when the believer gets his focus totally on people to the exclusion of Bible Doctrine and from the recognition of the fact that very often what believers do and what doctrine says are 2 totally different things. God will not bend his character to satisfy the [Revenge](#) of Jeremiah or any believer in this status. Every believer who knows Bible Doctrine will see people and their functions and attitudes and recognize that these people and Bible Doctrine do not align and then they may get upset. The believer is not to presume to Complain to God about these people but he is supposed to stick with and focus on Bible Doctrine and if needed say "To Hell" with these people. The [Love for God](#) is the greater issue than loving or being concerned about people and when these get into conflict, Love for God must be first priority which is only able to be realized through maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul. The believer often forgets a very basic lesson when he lets his focus turn to people, God will always do things HIS way and this is always infinitely better than the believer's way. God's way is the best way but it requires [Grace Orientation](#) to understand it and orient to it. At the beginning of chapter 12 Jeremiah is the one who is miserable because no one can be in temporary or permanent Emotional Revolt of the Soul and not be miserable and he is now out from under a Grace Orientated perspective. IF God had clobbered all Jeremiah's conspirators right then, TODAY God would not have his character intact and believers could not depend on his faithfulness, justice, righteousness or LOVE. However, the character or Essence of God is perfect and therefore He cannot cater to whimsical, disoriented ideas from mankind and He will handle all injustice and pressure in the life of the believer at the RIGHT TIME and in the RIGHT WAY. ([Jer 11:22](#))

When the believer is under temporary or permanent Emotional Revolt of the Soul NO BIBLE DOCTRINE can ever be correctly applied. The fact is that God will never change His character because of any desire of man and He is always fair and just and has great love for all believers and protects his love by NOT acquiescing to their desires. The fact that the Character and Essence of God always remains intact and inviolate means His Integrity and His Love remain intact and this is part of the believer's Eternal Security. The fact is that God does not change

EVEN when the believer sins and fails miserably. The 2 quick verses of [Jer 12:1-2](#) shows what occurs when a believer gets his focus on people and off of God and Bible Doctrine and how it results in a temporary Emotional Revolt of the Soul.

### **Complaining vs Christian FOCUS**

Faith in people as an object often results in [Disappointment or Disillusion](#) and the fact is that NO ONE has any right to be disillusioned with people when they INDIVIDUALLY CHOOSE the object of their faith or trust. The believer has no right to be disappointed or disillusioned when he puts his trust in another person and then is let down by them. If the believer as the subject believes and trusts in some other person and they let him down HE MUST BLAME HIMSELF for it was HE who did the trusting. He cannot run around and weep and wail and Complain about being let down for this is [BLIND Arrogance](#) and making an issue of self. For the believer part of [Maturity Adjustment to the Justice of God](#) is to take responsibility for one's own believings.

The believer with maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul is not disturbed by the Evil saturated personalities in current contemporary history. Those in control of various areas of government who are totally under the influence of Evil simply reflect the volition and thinking of the people they represent. Personal disturbance as a result of aberrant functions of those in control on a local, national or international level is simply a distraction to the learning and application of Bible Doctrine. Personal disturbance results in malfunction of the [Faith Rest Drill \(5 stages\)](#) and the whining and Complaining of [Human Viewpoint](#) thinking as a result of involvement within the Interlocking System of Arrogance, becoming vulnerable to [Reversionism](#) and everything which hinders glorification of the Lord.

Satan has a fantastic strategy which works very well with believers, it is a “focus strategy”. He constantly tries through the Cosmic Dynaspheres to get the believer to turn his focus from God, Bible Doctrine and GRACE onto People and Things. The believer must not focus on people ([Jer 17:5](#)) because when he puts his trust in man when it should be in God he has failed and the plan and policy of Satan has succeeded. When a person disappoints the believer and lets him down by hurting or antagonizing him, he must put all these things into the hands of the Lord and focus on Him. The believer must relate Bible Doctrine to his personal situations and personal failures. However, he is not to become a whiner or Complainer, feeling sorry for himself. He must not focus on self with [Self Pity](#) because relating to life and both friends and enemies with Self Pity is NOT the proper mechanism for the believer growing in the Spiritual Life. Therefore to the extent that the believer spends time in Self Pity, to that extent Satan succeeds in his tactical victory.

### **Complaining & Environment**

Arrogant people always make an issue of their environment always and invariably Complain about it. The Lord Jesus, The Christ is said to have been afflicted, which in fact meant that he received affliction instead of Justice when he did not earn nor deserve this treatment because he was not a criminal. For many different reasons the 6 trials which Jesus was put

through were unfair, unjust and not even legal yet he did not one time Complain about his situation. The silence of the humanity of The Lord Jesus, The Christ during his trials is very interesting in that when Jesus returns to the earth at the 2<sup>nd</sup> advent, his spoken words kill literally millions of people. ([Rev 19:13-15](#)) Others caused Jesus to be taken to the cross, he did not go himself. His being led to the cross is demonstrated by the analogy of the constant offerings of animals being led to the sacrificial altar in the Old Testament Scripture times. The Lord Jesus, The Christ IS the Lamb of God who takes away the sins of the world. During the entire time of Jesus being railroaded to the cross, not once did he Complain. Jesus did not resist and did not Complain but provided the mechanism by which every believer in all of human history was and is able to make Salvation Adjustment to the Justice of God. Therefore, what in the life of any believer is there that he can Complain about?

### Complaining vs Happiness

The believer can do without 3 things in life with regard to being happy:

- ✧ Genius Mentality – Smart people are no more happy than dumb people
- ✧ Physical Beauty – Beautiful people are no more happy than people who lack physical beauty.
- ✧ Perfect or Improved Environment – Weather, living conditions or economic status do not bring happiness.

However, people constantly associate Happiness with these things when in fact they are the least important things in life with regard to happiness. These 3 factors cannot bring happiness to those who have them and cannot cause those who lack them to be unhappy. Having any or all of these things in abundance very often brings anxiety and selfcenteredness and overt Complaining. The reality is that true Happiness is the Absence of involvement in the Cosmic Dynaspheres especially the Interlocking System of Arrogance. Those without these 3 factors often think that if they can acquire even one of them that this will make them happy. In addition being minus any of these things often causes that person to assume that they have been neglected or abused in life. When the believer who lacks these things becomes entangled into the Interlocking System of Arrogance he merges himself into the masses of the whiners, Complainers and criers, so that by this merging, he becomes perpetually miserable and inflammatory material for use by demagogues in gaining or taking power. Degeneracy in any society is a manifestation of the fact that people are unhappy particularly from being entangled in the Interlocking System of Arrogance and this obvious degeneracy advertises their great unhappiness. The truly great society, based on the Absolute Truths of Bible Doctrine, the Laws of Divine Establishment and the Divine Institutions and which receives maximum influence from the pivot of mature believers, is the one which breaks down the barriers between the rich and poor, happiness and unhappiness. As a result the believer who reaches Maturity Adjustment to the Justice of God and has developed the 9<sup>th</sup> Problem Solving Device of Sharing the Happiness of God, the top floor of the Edification Complex of the Soul. This results in, whether he is smart or dumb, beautiful or unattractive, wealthy or poor, his happiness being complete so that

there is no exchange of or involvement with envy at any point. Stability in a society is based on happiness from Absolute Truth and is a state of mind not social, financial nor environmental status. Human beings are not born happy just as they are NOT born free. Being born helpless guarantees that the infant will have a total lack of freedom being under the authority of his parents. In addition infants are born totally ignorant and must depend on others simply to sustain their life. Whether one is happy or not depends on his developed vocabulary and ability to think, read and possibly even write. Therefore, happiness is acquired with or without any of the accouterments of life as a result of the accumulation of Absolute Truth which is to saturate the human soul.

### **Infectious Complaining**

Like the Exodus Jews at Kadesh Barnea who were tested first 1 year after leaving Egypt with a lack of water, the new 2<sup>nd</sup> generation of Jews, who were under 20 years old at the time of the first test, were tested just as the first generation was and they also completely failed the test of their ability to use the **Faith Rest Drill** (5 stages) functions. Instead of claiming the promises of God and using the Faith Rest Drill (5 stages) thus having perfect peace from faith they Complained and revolted against Moses and Aaron AGAIN. These people were children or not even born when the Jews left Egypt, yet they spoke of Egypt just like their parents did. They got the description of Egypt and their Complaining attitudes from what their parents told them in the desert yet their parents DIED in the desert while Complaining constantly. The Complaints of the parents were infectious into the children. They got all their dissatisfaction about their situations and called the desert an EVIL place because of their parents attitudes and they did not consider that this was the place the Lord wanted them to be, therefore, it could not be an EVIL place. This is the believer who looks at life from the Human Viewpoint. They, like the Jews, seek Egypt as a wonderful place which most of those who were Complaining had never been to and like them, the believer today often does not realize the pressures involved in the situations he desires. Children often acquire or develop or inherit characteristics from their parents and learn to Complain in their homes during their upbringing and therefore they have the seeds of failure before they ever know any differently and they often take defeatism directly from their parents. Therefore, it is the parents who have the first opportunity of training their children in spiritual things and clarifying Bible Doctrine OR of making whiners and Complainers out of their children. (**Num 20:2-4**)

In a Local Church Complaining is terribly infectious and if one is to avoid the Interlocking System of Arrogance he must accept the authority of both Bible Doctrine and the Pastor Teacher and listen during the teaching and respect the process but it is his sole decision whether to accept it or not. If one cannot respect the teaching of a Pastor Teacher he must leave that Local Church quietly without Complaint or degradation of the church or the Pastor Teacher. Complaining to others about a Pastor Teacher will undermine his authority and cause others to reject his teaching thereby destroying their Spiritual Life and it will bring the most intensive Divine Discipline to the Complainer.

### Character of God vs Complaining Believers

For 40 years the Jews had addressed God and Moses with Complaining, unbelief and dissatisfaction with every level of divine provision thus, in effect, they constantly maligned God. In 40 years of concentrated carnality and sinfulness GOD WAS ALWAYS FAITHFUL TO ISRAEL. God was constantly faithful to these Jews and God never let go of the Jews even one time and the fact that He did not destroy or eliminate them completely emphasizes the PRINCIPLE OF GRACE and the Character of God. This is Divine Faithfulness in the FACE of human faithlessness. This remains true today and He never leaves, deserts or eternally curses believers but He often will and does provide Divine Discipline, to a very severe level, to try to motivate the believer to return to his Plan. While the 2<sup>nd</sup> Generation Jews were Complaining about everything God provided for them, they did not even know that a very strange gentile believer looked down upon their camp from 3 different mountains and tried to curse them. They could not know this because of their preoccupation with Complaining, criticisms, malignings and blaspheme and did not realize that Satan was trying to completely destroy them. They did not know that The Lord Jesus, The Christ, The God of Abraham, Isaac and Jacob, was the only thing standing in the gap. This remains true of advancing believers in all dispensations and Satan hates the believers who are the representatives of The Lord Jesus, The Christ on this earth. Satan will do everything he can to eliminate a believer especially one with consistent Positive Volition who is consistently advancing with Bible Doctrine as Priority #1 in his life. Believers will never be aware of some of the greatest attacks against them in this life by Satan until these are revealed to them in heaven. This is like the Jews who were totally unaware of the situation regarding Balaam and that this was the GREATEST attack which had come upon them in the 40 years since they left Egypt and it came to them on the plains of Moab. However, God told Balaam not to try to curse these people because they were BLESSED spiritually and therefore NO FORCE OF SATAN COULD TOUCH THEM WITHOUT GOD'S PERMISSION. THIS is the status for all advancing believers in all dispensations and was clearly the case of Job. God permitted the satanic attack as cross examination in the Evidence Testing of Job because of his status in Advanced Maturity Adjustment to the Justice of God.

No matter what the status of the believer, spiritual or carnal, GOD Is faithful to him every second he exists on this earth. If this were not true the believer could not stay alive on this earth for even 1 microsecond after Salvation Adjustment to the Justice of God because the world belongs to Satan, the Prince of the Power of the Air, ruler of this world after the fall of Adam and he would never tolerate believers in his world IF HE COULD AVOID IT. God is, as always, completely faithful and will stand by the believer holding up his Wall of Fire and will not permit him to be removed from this earth nor permit any level of his destruction. ALL of the forces of SATAN, HELL and CONCENTRATED EVIL on this earth today cannot remove a believer from this earth unless the Lord wants to remove him. The only way for the believer to leave this world is under the Will of God. Therefore, if all the forces of Evil, including communism, religious internationalism, the present American government all gathered together to try to remove any one believer from this earth, he could not be removed unless it is the Will of God. Believers MUST consider that since God put up with those recalcitrant Jews for 40 years and provided for them and protected them, maybe, JUST MAYBE, He will put up with the Complaining believer for a time also. Believers must also realize, because of the historical

facts regarding the Jewish preservation during the exodus, that there is NOTHING which any believer today has to Complain about? If he is alive then he is where God wants him and where he will be sustained.

The reality is that the ONLY reason any believers are still here today is because of the Grace of God and Essence of God NOT because they are such lovely people and so much better than anyone else. ([1Pet 5:7](#), [Rom 8:28](#), [Is 41:10](#), [Ps 37:4-5](#), [Ex 14:13-14](#)) God, being immutable, cannot reverse His promises and being perfect justice He MUST keep his word and the closer the believer lives to the Word of God the better off he will be. God has provided more than 7000 promises in His Word which are specifically FOR BELIEVERS and He cannot reverse any one of them. The Cosmic Dynaspheres and Satan cannot reverse God's promises but would certainly like to. Therefore, since Man cannot reverse them and Satan's Systems cannot reverse them either, the only thing left for Satan to do is to TRY to obscure the promises and distract the believer from the supporting Bible Doctrine. He must try to get the believer involved with false doctrine and [Human Viewpoint](#) thinking so that there is no place for Bible Doctrine, God's promises or [Divine Viewpoint](#) in his thinking.

### [Complaining vs the Purpose and Plan of God](#)

Jeremiah was so disturbed by many of the events which occurred after God called him to teach the people that he had to constantly use the [Rebound Procedure](#). God had to say to him, "if you are going to sit around a mope, whine and Complain all the time you cannot be my mouth and speak for me to the people BUT if you use the [Rebound Procedure](#) then you can come back and be my mouth". The believer is supposed to concentrate and listen under enforced and self discipline in order to accumulate Bible Doctrine into the Right Lobe of the Stream of Consciousness of his Soul. If the believer turns his back on the Lord then all of his life he will be a whining, Complaining crybaby and go from one form of sublimation to another in a vain attempt to find some happiness as he enters Reversionism and degrades his Spiritual Life. In between he will want someone, anyone, to pat his head and tell him things will be all right. This is the STUPIDITY of Christian counseling where the believer seeks someone to tell him how to live his life. The only way to solve this situation is the consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. The believer should reflect the *inner happiness* of the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul and his use of the [Faith Rest Drill](#) (5 stages) to handle every problem he encounters in life. This is not putting on a facade or false front but emphasizes the issue is that NO believer can serve the Lord and be a whining Complainer. EVERYONE has problems SO WHAT, what can any believer expect living as a foreigner in this world, having made Salvation Adjustment to the Justice of God and now living in the world ruled by the greatest antagonistic enemy of the Lord, Satan; WHAT ELSE IS THERE TO EXPECT.

It is extremely difficult for the believer to comprehend that nothing which ever happens is unknown to God. In truth the Essence of God is unfathomable to man, however, God has revealed as much about himself as he knows man can comprehend. It is a grave insult to God when the believer asks for help about a situation in his life as if God did not know from Eternity Past what is happening to him and what things he needs to keep on doing. The

incomprehensible fact is that God knew from Eternity Past, so long ago that the human mind cannot comprehend how long ago that was, what each individual in the entire Human Race in all of Human History would be like BUT he still started Human History with Ish and Ishah, Adam and Eve. In addition to knowing every person and every pressure or pleasant situation that every believer would encounter God also provided solutions and capacity for these things. It is far more appropriate for the believer to THANK God for his pressures in life along with the solutions, though he may not immediately see the actual solutions, than it is to Complain and whine to God for HELP regarding a situation. The believer must remember the command, "In ALL things give thanks for this is the Will of God for YOU!" It is amazing how little the believer appreciates that God not only knows him PERSONALLY and perfectly and all of his personal problems, idiocies, weakness, fallacies and failures but that He always has. Therefore, believers who cry, whine and Complain about their personal situations never appreciate the perfection of the plan they are in as imperfect creatures and just never seem to quite clearly understand this Plan of God for their lives. This is a clear demonstration of a lack of orientation to the Plan of God and Grace of God. Within His Grace plan God has already considered every cause and every effect which is related to every other cause and effect which is related to another and another so that the entire course of Human History is known to God from Eternity Past but occurs just as man thinks, wills and does within it. The point is that God already knows the thoughts, motivations, decisions and actions in this life of every individual person and he allows them to occur freely and provides for the ramifications of each of them for each and every person. The believer must understand this and when he does he will never again Complain, whine, break down, feel frustrated, sad, neglected or left out and this is the entire content of [Romans Chapter 8](#).

### Complaining & Pressures when Witnessing

This church in Thessalonika was a blue print church because Paul evangelized them and then provided for them ADVANCED DOCTRINE. ([Acts 17](#)) They were literally turning the whole world upside down, having been trained to go out and reach people everywhere, who then reached other people, which resulted in a saturation of the ancient world with the Gospel of The Lord Jesus, The Christ and advancing believers everywhere under the Plan of God. When the Gospel is presented to the unbeliever there should be NO emotional involvement because this is misleading and in addition the Gospel MUST be presented IN SPITE OF ALL OPPOSITION. The believer who witnesses can expect opposition from both within and without. Before Paul came to Thessalonika Satan tried to cut Paul off at Philippi by arousing religious people there who became upset with Paul for preaching the Gospel and they dragged Paul and Silas into the market place there they beat them and railroaded them before the judge. The judge observed how the crowd felt about these men and threw them into Jail where they were scourged with Roman whips and put into the bottom dungeon. However, while in the lowest dungeon they sang praises to the Lord and held prayer meeting and as a result God shook the jail so that the jailer himself, made Salvation Adjustment to the Justice of God by faith in The Lord Jesus, The Christ that very night. In spite of all this Paul still moved on to Thessalonika and continued witnessing for Christ, he was totally faithful to the Lord and he did not physically feel good because his back had been whipped to the point of having the skin removed but he DID NOT Complain about that but moved on to Thessalonika to continue

evangelizing.

Some Christians have a bad experience when witnessing when someone embarrasses or laughs at them, ridiculing them or some such thing and they give up trying to witness for Christ as a result. Wherever one declares the Gospel HE WILL RECEIVE OPPOSITION AND HAVING A BAD EXPERIENCE OR 2 or 1000 SHOULD NOT EVER CUT HIM OFF FROM WITNESSING. When today, by way of witnessing, one finds self embarrassed or discouraged he MUST get right up and MOVE ON to more witnessing. Even after all the opposition Paul moved right down the Ignatian highway to Thessalonika boldly and continued to witness and this benefited both the Thessalonian believers and PAUL. The most wonderful marvelous message in the whole of Human History, and one which the world absolutely NEEDS, is the Gospel of The Lord Jesus, The Christ. The believer must never give up and stop because of some opposition to it. This Gospel belongs to every human being and it is the DUTY of every Christian to constantly present it whenever he perceives interest in knowing it exists.

In addition, the Gospel must NEVER be compromised or watered down because it is the most marvelous glorious GOOD news in all the world and even when Paul, who had very little personal appeal, gave it to unbelievers wanting to know God, it was very well received. There are 3 things which the believer must avoid in order to NOT hinder the enthusiastic declaration of the Gospel:

- ✧ Deceit
- ✧ Inaccuracy
- ✧ Additions to Faith ALONE

The Gospel must be presented accurately and if there is anything which will ruin the declaration of the Gospel it is to be inaccurate in its declaration. Indicating or implying that the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross was insufficient for salvation is deception and inaccuracy. Implying that the unbeliever must experience [Guilt](#) or feel sorry for his sins, or that he must join a church or that he must be baptized, or that he must keep the law, or that he must walk the isle to the altar or raise his hands or sign a card or yield his body or give money to be saved, is irrational, self motivated and inaccurate. These things take the enthusiasm from the Gospel and it becomes NOT good news when one is led to think he has to give up bad habits to be saved. This not only makes what is presented wrong but also removes any persuasiveness one might have in making an approach with the GOOD NEWS of Salvation in the Gospel. Whatever merit giving up all these things might have, they are not part of [Salvation Adjustment to the Justice of God](#). When The Lord Jesus, The Christ underwent his Substitutionary Spiritual Death HE said, at its completion, "IT IS FINISHED IN THE PAST AND REMAINS FINISHED FOREVER". Therefore, no one can ever add anything to it. The Gospel, the Good News is that all the unbeliever must do is accept this gift from GOD by FAITH ALONE IN The Lord Jesus, The Christ ALONE because it REQUIRES the total ABSENCE of merit on the part of the recipient. To make people think they must DO SOMETHING for Salvation Adjustment to the Justice of God is a strong detraction and deceit from the Gospel and keeps members of the Human Race from Salvation Adjustment to the Justice of God. These things must be avoided at all costs especially when pressure brought to bear during witnessing for Christ.

### Complaining & the Love of God

Despite studying the Love of God and the Dynamics of Love in the Spiritual Life the believer can still have glitches in his Modus Vivendi as a result of the intrusion of Arrogance. People very often want others to love them and dance to their tune and if they don't the person becomes critical, moody, self centered, even distorting Bible Doctrine to Complain about and condemn these others. This occurs often to the point of losing one's Spiritual Life progress and receiving Divine Discipline from the Supreme Court of Heaven, which punishment, IN FACT, comes from the Love of God with approval of the Righteousness of God delivered by the Justice of God. This, in fact, cannot and will not be diminished because of any distortions or aberrations or entrance into the experiences of Self Pity, all which become the means of total entanglement into the Interlocking System of Arrogance. In a Self Righteous Arrogant state the believer excuses self and passes the blame to others whose attention and approbation he is seeking, constantly Complaining about their lack of attention. These retrogressing believers use Bible Doctrine as an assassins dagger, twisting and distorting it, while rejecting it so that they inevitably claim that Bible Doctrine doesn't work when in reality it is working very well in condemning the quirks and aberrations originating from their Old Sin Nature. These believers become critical and Complain to friends, seeking greener pastures in other churches where Bible Doctrine is NOT taught but where everyone is "friendly". Of course, these believer attempt and often succeed in taking their friends along. In all of these distortions and failures of the believer, God's Love has not changed or diminished toward him as he settles into a life of Self Induced Misery and intensifying Divine Punishment from God. This is a result of entering into and progressing through the stages of Reversionism and developing to perfection the Arrogance Skills. As a result the True Love of the Impeccable Humanity of The Lord Jesus, The Christ for the believer is now spurned by the believer. This believer grieves and quenches God the Holy Spirit as a result of his failure to use the rebound procedure and thus becomes consistent in his residence in the Cosmic Dynaspheres. However, in all of this, God's Love is NOT diminished toward him even in the lowest point of his carnality and complaining. In Phil 1:21, Paul says to all Church Age believers, "For ME living, Christ, Dying, Profit or Gain", so the believer must Learn and Live, which is the greatest profit in life because he is to Learn Bible Doctrine and then Live by it and not whine or Complain about any situation or condition which exists in his life.

### Complaining & the Justice of God

Believers in Reversionism residing within the Cosmic Dynaspheres cannot recognize either divine nor human justice. When a reversionistic believer is being judged by the Supreme Court of Heaven, where there cannot be miscarriages in the administration of justice, he will be constantly Complaining that he is being maltreated and wronged and this emphasizes that the Reversionistic believer has no clue about justice. This was the case with Satan standing before the Supreme Court of Heaven after his revolution was judged. The believer does not comprehend that the Point of Reference and Point of Contact for believers with God, is not the Love of God nor His Emotion (which God does not possess) but the Integrity of God where the Righteousness of God dictates to the Justice of God what should be provided for the believer as the result of motivation from the Love of God. This may be blessing or Divine Discipline.

When God judges a reversionist, instead of him recognizing this as judgment and correcting his situation by use of the [Rebound Procedure](#) and beginning the consistent Post Salvation Epistemological Rehabilitation which is required for reversion recovery, he continues to claim that he is correctly functioning and is being unjustly treated. He constantly distorts fact at every turn and he becomes an awful person to be in contact with because he is so Self Righteous that he assumes he can do no wrong. This involvement in Self Righteous Arrogance and the error of assuming rightness in everything he does gives him the strongest implacability, which means he has no capacity for love, freedom, grace righteousness nor anything in life at all. There can be no worse condition than to be associated with an implacable reversionistic believer and have to listen to him Complain about everything.

### **Complaining vs Honor & Integrity**

The Integrity of God and the Honor of God, is not now and cannot ever be violated under the principles of GRACE. The Integrity of God is intact and if the believer is positive toward Bible Doctrine he is in for blessing but if he is under Negative Volition toward Bible Doctrine he is in for cursing as Self Induced Misery and Divine Discipline. However, even being under Divine Discipline cursing the Honor of God is intact and he maintains his integrity by providing this Divine Discipline *to attempt to bring the believer back into the plan, the Power System of God the [Divine Dynasphere](#)*. The believer who is whining and asking “Why does God allow these things to happen to me?”, Complaining that “God is not fair” is answered by his gaining an understanding that God allows these things to happen to him so that God’s own HONOR and INTEGRITY will remain intact.

No matter what happens to any of believer in this life there is no excuse for him to be whining and Complaining. With honor and integrity from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul there is no disaster in life which can destroy the advancing and mature believer. In life the true greatness of a person is determined by their orientation to legitimate authority and their self discipline and concentration, therefore, if one wants to see the real person one must observe how they take their punishment in life:

- ✧ Objectively – taking it with humility and accepting responsibility.
- ✧ Subjectively – looking for excuses, someone to blame and / or rationalizing their actions.

As a result of Self Induced Misery or the punishment of Divine Discipline some believers go backward in their spiritual life entering into and progressing through Reversionism as they whine and Complain about everything and everyone. Some take their Divine Discipline punishment from the Justice of God and profit to the maximum by learning from it. No believer can ever afford any level of Arrogance from [Bitterness](#), subjectivity, cowardice, hatred or vindictiveness when they are being punished by Divine Discipline from the Justice of God. Even innocent Complaints are the mewling of arrogant believers.

In situations of employment, regardless of how incompetent or unfair people in management may be, they are to be regarded as being worthy of ALL HONOR. Regardless of personal feelings, conflicts or difficulties with management the believer is to concentrate on the principle that these people are WORTHY of HONOR because of their authority and position. Therefore, the Mental Attitude of the believer must be such that when they go to work each day their

management is considered worthy of all honor. Believers are NOT entitled to an opinion about how policy is handled or created in the organization they are employed by but are only to do their job as unto the Lord under the established policies and procedures and they have no right to Complain about anything. However, if the believer is dissatisfied with the conduct of management in administering policy in any way, he does have the option to QUIT or STAY in that job. However, he has no right to stir up trouble, raise a fuss, or to criticize or Complain about the boss or manager. If the believer cannot go to work with a good Mental Attitude there is something seriously wrong with his Spiritual Life no matter how bad the situation at his job is or may be. The believer who cannot function in this way is either retrogressing in his Spiritual Life into Reversionism or has not learned how to apply Bible Doctrine effectively. If he gripes, whines, moans and Complains about his job then his Mental Attitude is truly BAD and this overflows into every aspect of his life so that:

- His social life is bad
- He is losing integrity
- He is entangled in the [Motivational Arrogance](#) of [Mental Attitude Arrogance](#)

When one is under the influence of many varied Mental Attitude Sins his [Opinions](#) are generally not worth listening to. Mental Attitude is extremely important and is the primary means of one falling into the Interlocking System of Arrogance and if it is bad on an 8 hour job it will be bad in every aspect of one's life. When one goes to work with a bad Mental Attitude then he has no capacity for life and an incompetent or unfair boss is not the true issue, HE is the issue himself and he needs to be under some level of [Personal Love for God](#) in order to function properly in his job. The principle is that the job itself does not matter, how monotonous or difficult it may be is unimportant, but the reality is that the believer does not have any right to a poor critical Mental Attitude at his job for any reason. Management is the delegated authority on the job, under the principles of the Laws of Divine Establishment as Free Enterprise, and they may fail and distort policy but labor has no right to be distorted in reaction to their failures. ([Col 3:13](#))

Therefore, when one changes his Mental Attitude by entanglement in Mental Attitude Arrogance this change flows into every aspect of his life and he cannot shut it down when the job is over for the day. He will still carry this bad Mental Attitude with him and Complain to anyone who will listen to him about anything which comes to his thinking. A Bad Mental Attitude is the result of involvement in the Motivational Arrogance of Mental Attitude Arrogance and results in Mental Attitude Sins in many categories and thus obviously this believer has something wrong in his soul and will carry this into every aspect of his life. Social life will be ONE LONG SERIES of Complaints and NO ONE ever wants to be around one who constantly Complains. Being “worthy of honor” is to have the Mental Attitude of honor and integrity on the part of the one under authority toward the ones in authority. Sinful man often distorts these divine principles but this does not change nor rescind the principle despite its being completely abused.

### **Complaining in Adversity & Disaster**

The material things which one enjoys in time of prosperity may need to be physically abandoned and immediately forgotten when one is fleeing during historical or national disaster,

or in war. One cannot concentrate on the dangers of historical disaster if he continues to whine and Complain about what material comforts or possessions have been lost. If one finds he is in a group of people who constantly whine about what has been lost he needs to move out of this situation and find those who are focused on the situation as it is in order to be able to survive the adversity. The question for every believer is if he has to leave his home and area and leave all material things behind, is he ready to do that? Prosperity must not make the believer arrogant about his possessions and if he must leave he must simply leave. Material possessions demonstrate how the Lord has blessed the believer but if that prosperity makes him arrogant he cannot even appreciate what he has been given. When the believer faces this issue during a historical or national crisis and the order of the day is to move out he must remember he has not lost the GIVER, the source of all blessings. If the believer has the ability and means of leaving he must recognize that the Lord has graced him with this option and will never leave him.

The Adversity of [Undeserved Suffering](#) such as occurs in disaster, is imputed to the advancing believer as blessing from the Justice of God to accelerate the growth of the believer in the system of God. The believer can have great suffering and adversity and at the same time great happiness in his soul. This relegates suffering and adversity to the position of a circumstance which does not dictate to him his Mental Attitude or any other thing. With Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul his Mental Attitude will not be a slave to circumstances in life. However, if and when he puts himself under the authority resulting from adverse circumstances in life, because of being minus Bible Doctrine, his Mental Attitude will be distorted and he will Complain and fall apart under the slightest pressures. He will become bitter, vindictive and implacable and be ruled as a slave by these circumstances. When the believer has maximum Metabolized Bible Doctrine in the Stream of Consciousness of his Soul then his circumstances in life become HIS SLAVE. The Justice of God is incorruptible and cannot be unfair nor influenced by people and thus is totally fair in his provision of undeserved suffering as testing for blessing. There is no redress of grievance nor can there be any Complaint when the Justice of God provides Undeserved Suffering for the mature believer and to do so would be to claim that his brand of Undeserved Suffering is unfair however, the reality is that because it is undeserved it is meant to be endured. Undeserved Suffering demands that the believer advancing toward or in Maturity Adjustment to the Justice of God, STAND FAST and not retreat, Complain nor try to change the circumstances but use the confidence of the [3<sup>rd</sup> hope](#) and focus on the blessing to come at the Judgment Seat of Jesus Christ. At times the believer in [Maturity Adjustment to the Justice of God](#) may lose focus on the eternal reward and blessing to come to him at the Judgment Seat of Jesus Christ and the Justice of God then provides the Undeserved Suffering to refocus the believer on eternity. The believer is to live his life in the light of eternity and any disaster or catastrophe must be taken in stride using the [Assets](#) provided by God at Salvation Adjustment to the Justice of God combined with maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

When the believer gets his focus on people then he will inevitably move that focus onto things and this is logical in his distorted thinking. When one becomes preoccupied with disaster he

loses the spiritual perspective of [Personal Love for God](#). To the extent one becomes preoccupied with disaster to that extent he does nothing except build [Scar Tissue of the Soul](#). Preoccupation with disaster starts shock in the soul and the greater the shock waves in the soul the greater one becomes divorced from reality. These shock waves then go out from the soul so that the reality of the disaster divorces one from the reality of life which must revolve around the Metabolized Bible Doctrine in one's Stream of Consciousness of the Soul and his ability to recall it and use it under the [Faith Rest Drill \(5 stages\)](#) in reverse concentration. When one goes into shock because of being preoccupied with disaster this is destructive to the Spiritual Life and soul because the mind becomes numb and this is the mind of a coward without thought and with concentration focused on FEAR and Anxiety within the Cosmic Dynaspheres.

### [Complaining in Economic Depression](#)

There is no way to stave off the coming of economic depression to the United States of America in this 21<sup>st</sup> century because it is designed to eliminate the weak individual just like when the weak in a herd of animals are eliminated by predators. Without this purging, a nation saturated with WEAK citizens who have no stability of soul from Metabolized Bible Doctrine is ultimately destroyed internally by its weak. When true disaster hits the United States of America whining and crying by the people will not help in any way and the people of this nation will not ever take credit for their lack of interest in Bible Doctrine as the ultimate cause of the disaster. The WEAK in a society refers to the scum who feed off of welfare and a government who allows them to sit around and just collect a living for doing nothing. When the scum of a society becomes too large they Complain about being have-nots and eventually they will gather in groups or mobs and riot and will ultimately cause revolution and destroy the nation. The system of economic depression is a cyclic system from God where by useless people in a society are removed by starving to death so that the good functional people can work effectively again and bring prosperity back to the nation. The principle and the divine law is that in any nation, especially a client nation to God, the scum must be eliminated for the nation to survive. In the United States of America the government is composed largely of goofy, unrealistic people, themselves scum, who are there to keep some endangered animal or insect species alive while others work to keep on feeding the useless scum of society through welfare programs and socialism. The people, spiritual leaders, national leaders and in fact everyone in the nation should never second guess God in his provision of a system of purification for the nation from its own destructive people. Also, they should never second guess God with regard to the proper structure and function of the nation itself. People in the United States of America think that if 50,000 bums, the scum of society, who can but will not work for a living, die from starvation because the welfare system stops, then this is a huge travesty and reflects on the character of the nation and its people. The true viewpoint, the Divine Viewpoint is that IF anyone refuses to work for \$.50 per hour at any job, then they should die. All the people in the nation, especially those in control of the government, must

avoid [Human Viewpoint](#) thinking, ignoring divine laws regarding the function and activities under the [Laws of Divine Establishment](#) and [Divine Institutions](#), else they thereby bring about the destruction of the nation. Welfare inevitably allows homosexuals to come out of their holes as a result of its liberalism and homosexuality, when it is broadly accepted, in itself destroys nations. In addition many forms of false teaching occur to an intensified state in both historical and natural disasters. This may, in fact, be the underlying cause of the disaster and the intensification of this is a thinking trend, which imagines that if the increase in false teaching grows it will cause the disasters to go away. However, in all cases GOD protects the mature believer who has maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul in time of economic or any national disaster and he therefore has NO RIGHT to Complain. ([Job 5:20](#), [Rom 8:35](#)) Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is the answer to every disaster in life including economic depression therefore, when there is a large growing pivot of mature believers it is the means of recovery from economic disaster for the nation since the individual believer reaching Spiritual Maturity is the only means of such recovery. ([Is 37:30-31](#))

### [Deliverance of the Lord in Adversity & Disaster](#)

When there is Deliverance FROM it is usually individual adversity or disaster deliverance but when there is Deliverance IN it is usually collective deliverance from collective disasters as with Shadrack Meshak and Abendigo in Daniels time. The United States of America must look for collective disaster deliverance to save the United States of America but always remember that for the advancing believer there will always be individual deliverance from or through all disasters. ([Job 5:19-27](#)) All normal individuals would prefer to be delivered FROM disasters and not have to endure the pain, discomfort and inconvenience of the disasters and when deliverance is NOT FROM disaster but IN disaster people often Complain about the difficulties they must face and overcome.

In the United States of America since 1830 the nation has been in debt and it peaked once in the 1980's before President Reagan came to office but his corrections were ultimately of no benefit in this country because when the democratic party gained ascendancy again they again put the country so far in debt that it is literally IMPOSSIBLE to [pay this debt](#) off EVER. This is the economic disaster stated in [Job 5:20](#) and believers WILL be delivered from or through the biggest depression there has ever been in the history of mankind. The United States of America MUST undergo economic disaster and famine if there is going to be a solution to the national crises it is facing. The problem is so great in America that it can only be solved by the nation going through some great historical or national disaster with literally millions if not hundreds of millions of people dying. If the people do not respond with the proper solution to this situation then the nation will have to go through something much worse than economic

disaster which will cause all the national problems to become vastly worse and most likely totally destroy the nation. The United States of America will never be the same nation again and may end up becoming a total welfare nation, totally socialistic or another communist nation and there will be redistribution of wealth and a terrible move of government to seize all power and control all domestic production. The real issue will be power and this will mean violence in the streets like has never been seen here in all of American history. There is no way the people of the United States can avoid some form of disaster because disaster is connected to the solution which could have been mild if the problems had been properly addressed. Now the disaster which must be faced is far greater because the problem has been allowed to get so very much worse and the nation must now break down totally. However, as per the promises of God and functions within the Divine Dynasphere and under the Laws of Divine Establishment the believer with maximum Metabolized Bible Doctrine in his Stream of Consciousness of the Soul WILL survive economic, national, military, natural or any other kind disaster provided he remains on the momentum line, moving through the Divine Dynasphere and functioning within his [Edification Complex of the Soul](#). The principle is that as long as The Lord Jesus, The Christ wants the believer to continue in this life he will come through any disaster. However, The Lord Jesus, The Christ uses historical disaster to remove those believers and unbelievers who continually reside in the Cosmic Dynaspheres because they are part of the degeneracy of the system and would ultimately cause the destruction of the entire Human Race.

### **Complaining vs Crisis preparation**

Believers all have personal problems and have difficulties and tragedies and heartaches and being personal in nature they should not cry about them nor make overt displays about them but carry them by means of the [Faith Rest Drill \(5 stages\)](#) in the way prescribed by the Lord. The believer is to go on consistently and persistently using the time given him as breathing space between the crises of life to take in Bible Doctrine so that he can face his personal problems with the application of Bible Doctrine. The believer is to bring Bible Doctrine into his life in a personal way and be inflexible with regard to the [Essentials of the Christian Life](#) and flexible with regard to ALL Nonessentials. In this way the believer prepares himself for disaster, catastrophe or crisis and no matter how devastating it may be, it will find him prepared. Most believers are stupid about Bible Doctrine and do not realize the value of Bible Doctrine and when these people get into pressure situations in life they cry and whine and plead with God in panic, wanting simple ideas not the complex advanced Bible Doctrine necessary for resolution of the pressures. Before the believer is ready for historical crisis he must be tested extensively and he must have accumulated the Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of his Soul to handle and overcome that testing. This requires consistency in Post Salvation Epistemological Rehabilitation, from engaging in DAILY Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. Believers will be tested under social, professional, business, and personal issues and ALL testing is to be handled exactly the same way by proper use of the complete aspects of the Faith Rest Drill (5 stages). For the believer, pressures, problems and testing are not designed to cause him to

whine and Complain about his status or situation but to accelerate his advance in the Spiritual Life and to prepare him for disaster as a result of his successful use of the Metabolized Bible Doctrine in his Right Lobe of the Soul. God is not and in fact cannot be unfair and is not one who, not liking the way a believer may run his life, spends time spanking him constantly for his failures. In truth and in fact most misery, pressure and adversity the believer experiences in his life is the result of the ramifications he bring on himself because of **his own bad decisions** from a position of weakness, his functions outside the Plan of God and in the Cosmic Dynaspheres. No matter how many times the believer may fail on a day by day basis the key to his Spiritual Life is his attitude toward Bible Doctrine. In the Christian Way of Life SIN or Failure is NEVER the major issue for the believer but GRACE is to always be the major issue and everything the believer is and has is from the GRACE policy of God, unearned and undeserved and he must learn to realize and appreciate that.

### **Prayer for deliverance of a Nation in Crisis:**

In the United States of America there is no way that the executive or legislative or judicial branches of this government will ever save America from anything, especially because of the destruction and degradation caused by them from 2019 through to the 1<sup>st</sup> quarter of this 21<sup>st</sup> century. There is no system nor mechanism developed or thought up by man which can be used in this nation which can deliver America from the total mess which the country has brought on itself and the deliverance and solutions MUST come from GOD.

Effective prayer asking for national deliverance should begin something like this:

“Father, there are believers in the United States of America who are your children and You have a plan connected with them and this national entity and neither the believers nor the nation as a whole, as a part of the principle of divine institutions, deserve anything from you and as believers we must clearly understand and have no illusions about our personal false greatness or that of our nation.”

God only delivers on the basis of his character and not on the basis of national history or heritage and not on the basis of any other factor of human merit. If this nation survives it will do so because God intervenes to deliver it and the people who remain here do so only because of the Grace of God. When the believer asks God for anything for self or another he MUST do so on the basis of GRACE from God and when God answers the request it will ONLY be on the basis of God’s character not his merits. The believer must NEVER whine or Complain to God but simply face facts and only ever demand GRACE compassion from God. He must never become sincere with God, only address GRACE and the function of the character of God. Believers only have the right to address God based on his character and who and what he is and on the basis of the fact that believers have passed the point of propitiation and God is therefore free to love them without being inconsistent with his own holiness / integrity. God can therefore love the believer despite and along with having to clobber him from the requirements of His Absolute Righteousness and the functions of His Absolute Justice. God does not respect the whining and Complaining of those in a nation under pressure or disaster as demonstrated by the incident recorded at Kadesh Barnea where the literal crying to the Lord resulted in the Jews having to wait 39 years to get into the land they were promised. God is

not stupid and does not respond to phony self effacement and when the believer comes to God with prayer he must come with confidence and the doctrine related to God's character which allows him to demand from God that his nation be preserved and cleansed. God can do great things for the mature believer because of His [Propitiation](#) and as a result of the believer reaching [Maturity Adjustment to the Justice of God](#) and His perfect Love is a constant continuous thing toward those mature believers.

Proper prayer addressed to God clears any illusion about self or the nation collectively and recognizes there is no reason or excuse for the people to go before God saying they are wonderful and the nation is wonderful and there are so many wonderful freedom principles being used here that God has to keep them alive because they are such nice people and much nicer than any other nations and God really should consider their value to HIM. Too many believers are just this STUPID in their prayers and say basically, "I am a lovely person and all Americans are lovely people therefore deliver us" and this is the quintessence of stupidity. This demonstrates a total disorientation to the Grace of God and it must be understood clearly and concisely recognize that GOD only provides, blesses and delivers on the basis of HIS CHARACTER and ESSENCE, NOT EVER on the basis of the character of the individual or nation involved or any other factor of human merit or attractiveness. IF this nation or the Ukraine in 2022 or Israel in the future of the tribulation survives it is ONLY because God intervenes to deliver. In the 1960s mature believers in this nation recognized that the country was so far down the drain with regard to engaging in socialism and communism that the nation was already slated for destruction under the 5<sup>th</sup> cycle of Divine Discipline and today in this part of the 21<sup>st</sup> century it is on the very brink of coming to a reality. The nation has remained since the 60s and is still here today and this is ONLY because of the Grace of God. Prayer is legitimate and can be applied to the situation in the nation today and also to anything the believer may ask in petition or intercession BUT IT MUST BE ASKED on the basis of GRACE. Believers must "Come with CONFIDENCE to the throne of Grace" and then God will answer on the basis of his character, who and what he is not who or what the believer may be. A prayer which can be answered is a DEMAND for compassion or mercy which is the Grace of God in action. The believer can only ask on this basis because he approaches the character and essence of God based on who and what God is and what He has provided. The believer must have the recognition that he, as a believer in The Lord Jesus the Christ, has passed the point of propitiation and therefore God is free to provide for him from the motivation of his love without being INCONSISTENT with his Integrity or Holiness. The believer must USE the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul and exercise the [Faith Rest Drill](#) (5 stages) when he approaches God in prayer. Therefore, when the believer comes to God in prayer he can demand things from God but only based on who and what God is and has done and not because of who or what the believer may think he, himself is. He can demand that his nation, which is completely worthless today, be preserved but only through the GRACE policy and functions of the Integrity of God.

### **Complaining, Apostasy & Self Induced Misery**

The inconsistency of a woman who turns against her Right Man is demonstrated when she is negative toward him and then turns and Complains about him to others or quarrels with him.

This is the believer who turns against God and enters the Cosmic Dynaspheres. When the believer is under Negative Volition toward God and Bible Doctrine he has no right to Complain about God. Every time a believer says “Why did God let this happen to me” they are Complaining ABOUT God, about his Plan and about his provision for their life and have in fact rejected and turned against him. Just like the woman who has turned against her Right Man the believer has no right to Complain about God when under consistent Negative Volition toward him. When the believer rejects or neglects Bible Doctrine and therefore The Lord Jesus, The Christ he has no right to expect anything from him and absolutely no right to Complain about what he has received from him, especially his own Self Induced Misery and the deserved Divine Discipline when it comes to him. The people who are indifferent to and neglect or reject Bible Doctrine are the ones who Complain the most just like the Jews in the “Meribah” incidents of Kadesh Barnea. God tried to prepare the Jews to function under the Faith Rest Drill (5 stages) so that they would have the confidence needed to take the land from the Giants but they rejected his testing and Complained constantly. He tried to bring the Jews back around to Bible Doctrine and to Himself but it was totally IN VAIN. Thus these Jews, the entire generation which left Egypt, had to live in the desert for 39 years until they all died off so that the next generation could learn to live by faith and take the land. However, initially these former children of the Exodus Adults, also failed their testing but ultimately recovered and were in fact able to take the land promised them by God. When there is a generation which turns negative to Bible Doctrine and to The Lord Jesus, The Christ it always effects the children who are not taught about God and his plan. When parents do not train their children at young ages when they are most receptive to their instruction and do not communicate Bible Doctrine and Grace principles at that time but instead Complain about the church and the Pastor Teacher who teaches Bible Doctrine they inevitably ruin their children. This results in continuous ongoing apostasy and degeneracy from one generation to the next. ([Jer 2:29-30](#))

### **Grace vs Complaining**

There are 4 areas in which Arrogance rejects Grace which results in Complaining:

- ✧ The Pride of the believer who rejects Eternal Security.
- ✧ The Pride of the believer who succumbs to any pressure or adversity  
He always thinks his suffering and adversities are greater than the Plan of God. He goes through life whining and Complaining about every little thing in life and this is a demonstration of his Arrogance and any person who constantly whines and Complains is also in [Reversionism](#).
- ✧ The Pride of Reversionism  
This believer assumes that his forms of reversionism are greater than Grace blessings from God.
- ✧ The Pride of Pseudo Spirituality  
This believer thinks his system of spirituality is greater than the [Filling of God the Holy Spirit](#).

In the Grace plan and policy of God, when a mature believer has a spouse who is unfaithful he will be vindicated by the Lord through some form of personal, national or historical disaster. When this occurs and as it approaches many people will change their attitude toward this

believer and his presentation of and reliance on Bible Doctrine. This is what occurred for Jeremiah. This is a promise to a man who has to phase out his Right Woman and live under the pressures of great disaster. The point is that the mature believer can rely on the principle that he will know Bible Doctrine and Bible Doctrine will set him free in all situations. The mature believer under GRACE will be freed from the woman who has no capacity for Category II Love and lives totally involved in complete sublimation so that she will completely shatter under coming disaster.

Abraham understood and was totally dependent on the Justice of God knowing that the Justice of God had to do something about the case of Sacrificing his Son and this was Justice Demanding Justice. Abraham did exactly what the Justice of God told him to do, he had a knife out ready to cut the throat of his son and burn his body in sacrifice to God. He had moved to the point, as few people ever have, where Justice Demands Justice and when Justice Demands Justice God provides everything. His willingness to respond to the demands of the Justice of God resulted in Justice Fulfilling Justice and a substitute was provided for Isaac in the sacrifice. This is GRACE in action and believers must understand that Abraham had finally come to the point of recognizing that God always honored his promises. God said Abraham would have an Heir and his name would be Isaac and that his progeny would number greater than the stars in the sky so he knew that if he had to sacrifice Isaac then God would certainly raise him up again since it was through Isaac that the promise was to be fulfilled. The significance of the ram in the thicket is that Justice Demands Justice and Abraham had made perfect Adjustment to the Justice of God and had not Complained about what was being required of him. He had done everything perfectly according to his instructions in every way and in every situation thus his Adjustment to the Justice of God was perfect and therefore Justice Demanded Justice and so Justice Fulfilled Justice. Under GRACE because Abraham adjusted to the Justice of God then God did something about It.

When the Philippians were going to send support to Paul in Rome, Apaphroditis knew that he was very sick and that the chances of him having the ability to be able to return after delivering the offering to Paul could go either way and he might just die in Rome but knowing this he went to Paul anyway. He didn't risk his life but he recognized clearly that the Lord was the only one who could change the trend of his health and enable his return if it was to be. The Philippians were unaware of the seriousness of his illness and thought he was alright and in good shape and thus sent him. Many people spend their whole life Complaining about one little thing or another but Apaphroditis was not a Complainer and had great discomfort but did not Complain about it at all. He placed his life in the hands of the Lord and relied on the Grace of God to handle his health issues so that he could complete his task.

Also, whenever there is controversy and a believer is wronged by another he is not to retaliate but to treat the one who is offensive to him under the principles of Grace. He is to forgive him his wrongdoing and not ever make an issue of it nor bring it up to any other person. [Col 3:13](#) The Person who does this develops greater and greater capacity for love in his soul. When people hate and despise him and malign and judge him and are disagreeable in life he develops a stronger inner happiness. Capacity for Love is NOT developed by relationships with

people whom one loves and who love him but only in relationships with people who hate him. In order to cover any transgression against one, the believer must go to the Lord, not engage in retaliation and he must engage in Grace forgiveness. The person who develops this capacity for love by forgiving the transgression also then refrains from publicizing the transgression of the one who has wronged him. He keeps his mouth shut about them and does not Complain about them and tell others what he wanted to do against them.

Complainers always have a grudge and [Legalistic](#) perspective on life while the [Grace Oriented](#) believer has a generous and gracious perspective and the Complainers will try to reduce the Grace believer to their level. The Complainer judges the Grace oriented believer by his own standards which are legalistic and not GRACE oriented. The Lord Jesus, The Christ rejects the Complainers who are legalistic believers trying to EARN their way into heaven. The standards of Christ are found in his GRACE Plan and Policy and the Complaining believer is always one who engages in some level of legalism such as tithing or taboo avoidance, and thus judges others by their false standards of what is good. Grace should bring Complainers up to a higher level of function in the Christian Way of Life but the Complainers must CHOOSE Grace over legalism in order to achieve this. It is only [Divine Good](#) produced under the Filling of God the Holy Spirit by the believer which can be the only thing which is gracious.

At the end of the Church Age, The Lord Jesus, The Christ will tell his steward the Archangel, ([1Thes 4:16](#)), to call in all the laborers. The rewards for the unbeliever and Reversionistic believers will depended on who and what they are whereas the GRACE payment to the believers who make advances in the Spiritual Life during their lifetime is depended on who and what the Lord is. The purpose of this parable is to indict LEGALISM and those believers who think they should be FIRST in reward in heaven may in fact be last. Like Paul the last apostle, the worst sinner, those believers who are persistent in the Perception, Cognition, Incultation and Metabolization of Bible Doctrine and reach the status of INVISIBLE HERO, will be first in reward. Legalistic believers always think they are getting an UNFAIR deal or Unfair treatment. They constantly Complain that God is not fair to them and are constantly asking God for greater and greater blessings as if he is a Genie and will grant their wishes if they rub him the right way. Their Complaints are always against the character of God. The legalist thinks, like the contract labor union workers of Matthew, that equality of reward should be based on equality of production but the production of the legalist is rarely Divine Good production from Grace but always only [Human Good](#) production under the principles of Evil and involvement in the Cosmic Dynaspheres. The fact is that those believers who produce any level of Divine Good under the Grace plan of God are made far greater than the legalist who produces a lifetime of human good under the principles of Evil in the Cosmic Dynaspheres. The point is to NEVER try to make a deal with the Lord for blessing because being under Grace is the only way to have a daily relationship with God *which brings* blessing and results in production for Him. God, under the functions of his character, GIVES to the believer His rewards and blessings, the BELIEVER does not ever EARN what God gives because the blessing gifts are based totally on God's character NOT the believer's. Therefore, how can any believer ever Complain about what he receives from God under Grace? Again, the point is that the believer NEVER RECEIVES FROM GOD WHAT HE HAS EARNED IN THIS LIFE, and he never

loses when operating on a Grace basis with God. No believer ever has done anything to ever earn or deserve anything from God, EVER! No believers are great because they have done something special in the Christian Way of Life for God. NOTHING the believer can do will ever be the basis for his being able to make a deal with God because everything from God comes based on the character of God and therefore, the believer has no right and no standing ever to Complain about his situation or the circumstances in this life.

When under pressure in life positive believers begin to truly realize that they are NOTHING at all in the Plan of God and everything they have ever been is based on their relationship with the Lord. This in fact is one of the functions of [Momentum Testing \(4 Categories\)](#) for the advancing believer. God is ALWAYS faithful to the believer whether he is in or out of pressure or is Egotistical or humble and it is all based on the character of God and ONLY GOD gets the credit. When the believer comes to the point of understanding GRACE, he invariably looks at himself and realizes that he has always known that no one else is any good but he now sees that neither is he. This produces great soul relaxation in him and puts him in a position where the Lord can begin to use him. The believer should be Totally Thankful that the Lord has never treated him on the basis of what he deserved or he would not even still be living. It is never who or what he is but is always who and what the Lord is and everything in the life of the believer after Salvation Adjustment to the Justice of God is all based on the Lord's character and essence not believer's.

Blessing and Rewards for the believer in time and for eternity all depend on the Sovereign Will of God and the Grace of God and no one ever earns or deserves them. The Legalistic believer always Complains about his reward and therefore is critical of GRACE which is the only factor they cannot afford to criticize. The Grace of God does not produce an envious attitude and the fact in the Christian Way of Life is that while many individuals make [Salvation Adjustment to the Justice of God](#) by GRACE, FEW continue to live by or under Grace therefore FEW are rewarded under the principles of Grace. It is Bible Doctrine which is designed to orient the believer to GRACE and the believer MUST start with an understanding of the character or Essence of God in order to understand the Grace of God and why God gives anything to man. The worst, most disoriented to grace, are believers who take vows and make promises and in fact the greatest sin of Paul was taking a vow in Jerusalem. This was the sin of involving himself in Legalism, for which he was put into prison for more than 2 years. The great enemy of reward for the believer is the great enemy of the believer's production and that is LEGALISM because the legalistic believer ALWAYS fails to understand and operate under the principles of GRACE. ([Matt 20:11-16](#))

### [Complaining vs Capacity for Life](#)

If the believer has capacity for life GOD WILL NOT FRUSTRATE IT but He will provide objects to fulfill one's capacity for life. The believer must look at his life and if he has prosperity from God and is under great pressure in life for some reason then must consider that he is obviously moving ahead in the Spiritual Life possibly even through NO Man's Land under Bravo Grace provisions, a combination of his Logistical Grace support and his Super – Grace Blessing package, and should therefore enjoy it. The believer in The Lord Jesus, The Christ must never

whine and Complain about his Status Quo in life but consider his own capacity for life and what his Status Quo is, basically where HIS OWN VOLITION has put him. There are times in history when there is great persecution of Christians but so far in the United States this is not one of those times but it could be coming. The fantastic thing about the Plan of God is that sooner or later, when the believer attains Maturity Adjustment to the Justice of God his resultant capacity for life will demand an object. God never leaves anything hanging, God ties up loose ends, God never left a believer in Maturity Adjustment to the Justice of God without a place to go and God never leaves a person who has capacity dangling without an object to fulfill it and he never frustrates a person with capacity. There will always be an object when there is a reason for the object. King David is a prime example and though he failed many times, not only did David have capacity but God loaded up David's cup of life with incredible objects for his capacity. David recognized this when he said, “My cup is full to the brim with your grace blessings and CONSTANTLY OVERFLOWS”. Therefore, the conclusion is that God never leaves anyone with capacity for life with an empty cup. No believer in Maturity Adjustment to the Justice of God is ever left with an empty cup and they all are FULL to the BRIM and overflowing. (Ps 23:6) This overflowing of blessing of the believer in Maturity Adjustment to the Justice of God is association, heritage and historical impact blessing which overflows to those around him. The believer must clearly understand, in order to avoid the Arrogance of whining and Complaining, that just as David knew he had capacity he knew “prosperity and Grace and Bible Doctrine would pursue him all the days of his life and when his life was over he would dwell in the house of the Lord FOREVER”. He knew he had capacity and knew that Grace from God was always chasing him down to provide some new thing for his capacity to express itself.

### Complaining & Necessities

There is a minimum standard necessary under which the believer is to have contentment and beyond which he cannot Complain, whine or gripe about the things he may not have in life. The minimum standard of the necessities of life is indivisibly linked with one's capacity for life derived from the level of accumulated Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. The minimum standards needed for the life the believer should bring to him total contentment and maximum happiness. This minimum standard only includes 2 necessities of life, food and clothing and these 2 should make every believer VERY HAPPY, IF and WHEN they have maximum Metabolized Bible Doctrine in the Stream of Consciousness of their Soul. The mature believer recognizes that he does not have to possess very much to be very happy when he is residing in the Divine Dynasphere and functioning in the Plan of God. However, for the believer who has made Maturity Adjustment to the Justice of God there is NO LIMIT to what he can have as part of the Super – Grace Escrow blessings from God for his life in time. Therefore, OBVIOUSLY, the secret to happiness is NOT what one possesses but to what level there has been accumulation of Metabolized Bible Doctrine into one's Stream of Consciousness of the Soul. The believer who Complains or is Jealous of others who have more than he, does not ever understand the principle and reality that what one possesses or does not possess minus the minimum standard needed for life, is never the issue. It is only the level of saturation of Metabolized Bible Doctrine in one's Stream of Consciousness of the Soul which will provide true inner happiness, contentment and stability, even with the barest necessities of

life. This may or may not be the status of any individual believer at this time BUT REMEMBER IT CAN BE, AND HE CAN STILL BE COMPLETELY HAPPY WITH IT. (1Tim 6:7) THEREFORE, IT IS WHAT IS IN ONE'S SOUL WHICH MATTERS NOT WHAT MATERIAL THINGS ONE MAY POSSESS. When the believer lacks food and clothing then he has a legitimate Complaint for God and if he is starving and running around naked that is the only basis for a real Complaint and for demanding that God fulfill HIS OBLIGATION and provide that minimum need. However, with the minimums of food and clothing then the believer has no right to Complain because Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and the believer possessing minimums or maximums provides the same happiness. As the believer accumulates maximum Metabolized Bible Doctrine into his Stream of Consciousness of the Soul and moves toward and into Maturity Adjustment to the Justice of God he receives from God Super – Grace Escrow Blessings beyond imagination and has already developed and deployed the 9<sup>th</sup> Problem Solving Device of Sharing the Happiness of God, thus he should have complete contentment and NO Complaints.

Obviously Logistical Grace support differs greatly from one individual to another and the believer must never be upset or disturbed by another believer's level of Logistical Grace support which may be greater than his. One never has any right to Complain about those who have a lot while he is the one who has not. Being a "have not" does not mean he has failed in the Christian Way of Life and a prime example is that the Apostle Paul, the Greatest Believer in Human History, died completely broke. Every believer receives a different allowance of support in life from the Justice of God. One's occupation or profession in life and what he earns is from God and he cannot earn anything except by the Grace of God and God also has provided the health, understanding, skills and everything else needed to perform well in that occupation. When the believer begins to feel that he has been slighted in some way in life, this is a very dangerous thing for the Christian because under the Royal Family Honor Code the believer is not permitted Self Pity. Many people live a long time in ill health and do not have any terminal disease but they moan and Complain about their problems and aches and pains and this changes their whole personality. They have no Metabolized Bible Doctrine in the Stream of Consciousness of their Soul and have been flighty people all their life feeling and emoting through life. However, Emotion CANNOT ever carry anyone under extreme pressure in life or when he is dying, only maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul will provide the necessary contentment during Dying.

The primary question every believer should ask himself when he finds he is lacking something he desires in this life is, "How long has God known about MY NEEDS?" The only true answer is, "FROM ETERNITY PAST", and the conclusion MUST BE how can he or any believer be concerned or Complain about anything he may think he lacks in this life! People generally have the very bad habit of whining and Complaining about their situation in life and always griping about their life and this is a system of defeatism and a real PAIN in the ASS for those around them. Not only has God known about EVERY need of EVERY believer from Eternity Past, He has also assured the believer, in his Word, that He has already provided for them, AND in the Church Age he has done so in a unique manner. In the Church Age the believer has no excuse for any Complaints because this is the dispensation of the ordinary believer who

has far greater Assets than have ever existed before or ever will again in Human History. For the Church Age believer, as a part of the ULTIMATE key to resolution of the Angelic Conflict, God has provided for the needs of the believer with his very own portfolio of 40 assets for support and protection as he develops and advances in the Spiritual Life. Not only has God known about the needs of every believer from Eternity Past and provided for them but He also knows that every believer must keep his mandates and recognize and submit to his authority, therefore occasionally the believer may need a wake up call from Divine Discipline to remind him to remain in residence in the Divine Dynasphere. (Heb 12:6)

### Solutions to Complaining

The means of avoiding Complaining Arrogance is to avoid being discontented with what one has in this life. Paul said in Phil 4:11, Heb 13:5 that he has learned to "be content in what ever position I am", and that he believes these principles of God's provisions and does not Complain about anything! God does not cater to Complaining believers when He has not and cannot ever forsake or leave them, but has given them everything they need according to what is necessary for their spiritual growth. Believers Complain instead of using doctrine through the Faith Rest Drill (5 stages). Instead of using the 10 Problem Solving Devices, while residing inside of the Divine Dynasphere and thus having inner happiness. Instead they are continually dissatisfied, unless they are in fellowship and executing the plan of God, unless they are investigating with comprehension the principles of Bible Doctrine and expressing Advanced Personal Love for God as Occupation with the Person of The Lord Jesus, The Christ. Believers Complain about their spouse, their money, lack of money, their bills, their health, their jobs, their house, their church, their wants, their situations, their desires, and on and on; never remembering nor relying on GRACE. But the word of God says to give gratitude to God and "in all things give thanks", thus be thankful for everything even suffering and Divine Discipline, because "this is the will of God" for the believer who is positionally in Christ Jesus. (1Thess 5:18). Remember that Complaining about a life with all that God has provided, may end with being under the Sin Unto Death instead of Dying Grace. When the Reversionistic believer has run out of Complaints and whining, God will still be waiting and tapping his foot to bless and provide for him, and even though this person has done everything wrong he is still alive because of GRACE.

A man who goes from Maturity Adjustment to the Justice of God into Negative Volition toward Bible Doctrine and Emotional Revolt of the Soul and Scar Tissue of the Soul in Reversionism will have manufactured his own misery and suffering and if he turns to God he will find no consolation. Consolation for the believer in both time of prosperity and time of adversity is ONLY FOUND in the Metabolized Bible Doctrine in one's own Right Lobe of the soul. Under pressure or disaster conditions Bible Doctrine cannot be learned rapidly enough to enable the believer to develop and deploy the final Problem Solving Device of Advanced Personal Love for God, Occupation with the Person of The Lord Jesus, The Christ. As a result this believer is going to go through the most intensive suffering and the only thing available to him is continued suffering which may diminish IF he recovers slowly and meticulously from his Reversionism. Therefore, the most difficult time to accumulate Metabolized Bible Doctrine into

the Right Lobe of the Stream of Consciousness of the Soul is when one is under intense suffering or pressure. The believer in this status has defeated himself by his own activity of neglecting Bible Doctrine making it impossible for him to use the Problem Solving Devices for blessing and consolation. There is no way to survive the winter of adversity, suffering and disaster without the inner resources of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, which can only be accumulated by daily function under the [Grace Apparatus for Perception](#) during times of relative prosperity. When in Reversionism under Emotional Revolt of the Soul the believer will be too disturbed to function to learn or recall any Bible Doctrine remaining in his soul and God will not wave his magic wand and take away his suffering.

Crying to God demonstrates a LACK of Metabolized Bible Doctrine and faith on the part of a believer because he should be exercising Faith and believing the promises and doctrines of the Word of God instead of crying to God to deliver him from his pressures. Most believers are chronic Complainers and cry babies instead of being believers saturated with maximum Bible Doctrine. Many true believers, who are regenerate and have made Salvation Adjustment to the Justice of God, spend their entire lives crying and moaning about their predicaments when they should be expressing faith and claiming promises and using the entire Faith Rest Drill (5 stages). People who constantly Complain are not solving their own problems and NOT gaining any sympathy from anyone, especially not from God. Believers are designed at Salvation Adjustment to the Justice of God and thereafter to NOT lean on others or depend on them to resolve their problems and all believers are provided with all that which is necessary to effectively resolve their own problems. Therefore, believers are supposed to handle their own problems with what God provided for them from Eternity Past. There is the [Edification Complex of the Soul](#) which is supposed to be a structure in the soul built from the materials of Metabolized Bible Doctrine accumulated over a lifetime. There are [4 Spiritual Skills](#) including [10 Problem Solving Devices](#) developed from the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine and deployed onto the [Forward Line of Troops](#) of the soul to resist Satan's strategies for distraction of the believer set up in the Cosmic Dynaspheres. There is the mandate for believers to reside and function within the Power System of God the [Divine Dynasphere](#) and reject and avoid any involvement with the Cosmic Dynaspheres. When these things are used and functional in the life of the believer he then moves systematically and progressively through the stages of the Spiritual Life and ultimately executes the Protocol Plan of God.

The fact is that the believer cannot ever get ENOUGH Bible Doctrine and if he studies 1 hour per day on Bible Doctrine he has not gotten nearly enough for his single day in this world of the Cosmic Dynaspheres. No matter how hard one tries no believer can ever get enough Bible Doctrine, EVER. However, the more one gets the better off he will be and as he accumulates more Metabolized Bible Doctrine into his Stream of Consciousness of the Soul there will always be some idiot standing around with "[LEGALISTIC TRADITION](#)" coming out of his mouth to attempt to distract him from Doctrine or attempt to evangelize him into the Cosmic Dynaspheres. ([Job 5:1-3](#); [Phil 2:13-14](#))

Joshua lived and enjoyed his life for 40 years under the leadership of Moses and never did he Complain or have any mental attitude sins or Negative Volition. He learned Bible Doctrine and had no vacuum available to fill in his soul with Evil and its false doctrines. Moses, Paul, David and other mature believers all had failures and flaws but in the Right Lobe of the Stream of Consciousness of the Soul they guarded Bible Doctrine. They had maximum Metabolized Bible Doctrine in the Stream of Consciousness of their Soul and thus had inner happiness and were almost always perfectly relaxed in every situation. When God exalts a man and another person tries to destroy him that other will suffer a terrible downfall, this was Pharaoh, King Saul, Nero, etc. This occurs because of the character of God not because of who or what these men were or did in life. It is the result of a lack of Complaining and lack of entanglement in the Interlocking System of Arrogance with a constant FOCUS on the Grace Plan and Purpose of God for their lives including consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

Therefore, when a believer has his eyes or focus on God and has developed both basic and advanced [Personal Love for God](#) he is able to enjoy people and be relaxed around them despite either their great stupidity or their great genius. When one's focus is on people, no matter where he is or what he does, his life will always be out of step with the Plan of God and he will be constantly miserable and constantly Complaining about the wrong things in his life and what others may have done. The believer is to keep any controversy he may have with another just between himself and them and never involve others for any reason. He should never attempt to bring others into the controversy and never Complain to others about the antagonistic person, he should not seek sympathy from others and not seek justification for his position in the controversial situation. He and he alone then must eliminate all others from any involvement in his controversy with another believer. This is one sign of a mature believer who always isolates the controversy.

### [Fear, Worry and Complaining vs Solutions](#)

Worry, not only produces Complaints but also makes a patsy of God because any time one is Complaining about anything he is blaming God for not providing solutions. A worried believer is never rational in his Complaints because worry and fear remove the ability to think and thus produce mental weakness and cowardice. Most often by overlooking the blessing of the moment as a result of trying to anticipate the future, the believer postpones the blessing of the moment or of the day and this then postpones the blessing of the future. In other words today's Bible Doctrine is tomorrow's blessings and if the believer is not happy today he is missing the blessing God gave him for this day and also perhaps postponing the blessing of the future, maybe indefinitely. Accumulation of today's Bible Doctrine with tomorrows Bible Doctrine results in great future blessings. Future blessings anticipated must never destroy blessing already appropriated and such anticipation without realization often produces Bitterness and Complaints which destroy both today's and tomorrow's blessings. Most Christians are totally divorced from reality and want and demand from God blessing in an instant. If they don't get the desired blessing instantly, then, for them, God is not real and Bible Doctrine does not work. Therefore, there is no excuse for fear, worry, Bitterness or Complaints from a

believer. It is under the meager light of a promise, which is a splinter of the light available from Bible Doctrine, that the entirety of Bible Doctrine must begin to be revealed and from effective enlightenment there can be no excuse for fear, worry, Bitterness and Complaining. Hanna had to learn the hard way about her barren status and her husband had another woman and this other woman had a boatload of children but Hanna was Complaining to the Lord because of having no children at all, this is the same situation observed with Sarah, Hagar and Abram. When Hanna finally got the Arrogance out of her soul under the direction of the Lord, she then had one of the most magnificent children of that generation, SAMUEL.

### Complaining vs The Faith Rest Drill (5 stages)

In the beginning the Justice of God toward Abram and all the blessings poured out on him only elicited Complaints from Abram. The most disgusting experience of life is to go all out to help someone and do everything one can to help them and then watch them sit back and malign and judge and Complain about what was done for them. This is the amazing experience of seeing the total depravity of man and the condition of people being NO Damned Good. All people having sinned and possessing an Old Sin Nature have certainly come short of the glory of God. Abram had not been just toward God when he Complained constantly that he did not yet have an heir as promised by God. When one is Complaining he is not waiting and waiting on the Grace of God cannot occur when there are in one's Stream of Consciousness of the Soul, Mental Attitude Sins. Believers may think and even say they are waiting on the Lord but then are constantly Complaining about the situation they are in therefore are obviously NOT WAITING on anything. The Grace of God toward Abram had obviously not caused the reciprocal response of a Grace attitude from Abram toward God in the important matter of having an heir. Believers should learn a very important lesson from observing Abram and his Complaints. The fact is that all Abram did by Complaining, something all believers should carefully NOTE, is POSTPONE the blessing from God for 15 years.

As per the Postulates of Integrity the source is vastly more important than the gift. Therefore the believer must constantly be conscious that to have the source is to have everything but to have everything without the source is nothing. Abram, OBVIOUSLY, had the source and should have been relaxed. He had the best situation in life, protection with provision and blessing, and yet he found time to Complain about some detail of life. Remember that according to David and Solomon throughout the proverbs, in LIFE for the believer in The Lord Jesus, The Christ, EVERYTHING is a detail except Bible Doctrine and its consistent inculcation. When having or lacking details in life disturbs one, the source, The Lord Jesus, The Christ, is not in focus. When the source is not in focus the believer inevitably Complains though he has everything he needs in life from protection and security to maximum blessing. The great question to believers is, HOW can one Complain when he has a guarantee of always having everything? The true answer is, Neglect or Rejection of Bible Doctrine causes him to lose focus on the Plan of God and fail in advancement in the Spiritual Life thus not developing an Occupation with the Person of The Lord Jesus, The Christ, Problem Solving Device #10. When the believer fails to reach a point of focus on the Person of The Lord Jesus, The Christ and maximum Category I Personal Love for God then he will think only of what he does not have. He stops enjoying what he has and can only think in terms of what he does not have. It is

occupation with the source of one's security and provision which is essential and this, as the source of all blessing, is The Lord Jesus, The Christ. The believer who counts his blessings and finds that 1 is MISSING is demonstrating a loss of Category I Love and he has obviously forgotten to count the BLESSOR who is the source of everything worth while in life and also for all of eternity. A Complaining Mental Attitude is a sign of a slipping Spiritual Life and to the extent one is malcontent and dissatisfied and tends to Complain or whine to that extent this is a warning that all is not well in the Spiritual Life and he no longer is making Adjustment to the Justice of God. In his Complaints Abram failed to make Adjustment to the Justice of God and the source of everything for the believer is GOD and he cannot lose the source nor salvation and having the source therefore makes NO Complaint EVER VALID.

### The Faith Rest Drill (5 stages) & Complaining Solutions

The Faith Rest Drill (5 stages) is the solution for recovery from much in the Arrogance complex and any of the myriad of pressures in life and it is simply understanding what God has provided and waiting for the solution without fear or worry. This is not sitting down and waiting for a miraculous deliverance from God but continually moving forward especially in the Spiritual Life as God provides the openings and options to do so. This demands perfect Confidence in God and claiming promises, supporting them with Bible Doctrine principles and forming these 2 into doctrinal rationales to come to doctrinal conclusions to control the situation and solve the problem or pressure. This does not mean one is to sit and wait for God to provide while he does nothing. The doctrinal conclusions as the solution means that God **WILL** provide but the believer must go about his normal business, without what he may perceive as his necessity at the time, and whatever he does, he does without it, and continues to do what he should be doing. He must be totally confident that God will provide whatever is needed at the right time and he cannot Complain about incompetent leaders or adverse situations in his life in order to ensure that the DOCTRINAL CONCLUSION DOES NOT TAKE HIM OUT OF ACTION IN LIFE.

Prior to the exodus and during the attempt to free the Jews from Egypt, when every plague failed to get the Jews out of slavery they Complained to Moses. Moses performed every plague before the elders of Israel BEFORE he went to pharaoh and performed them. In effect there was a dress rehearsal of the whole process, all 10 plagues were unfolded before the Jewish leaders FIRST. All the leaders needed to do was call together their tribe and explain to them what was going to happen each time and how pharaoh was going to constantly say no until the last plague. Then all that the people would have needed to do was SIT back and watch it happen. Instead in between each plague occurrence they Complained and hollered and said Moses was wrong and God was not with him. This is what BELIEVERS even today do, they will go to their Pastor Teacher and want help with a problem in their life and when questioned they say to him, "I know the Faith Rest Drill (5 stages) now what should I do?", and the pastor MUST simply and strongly reply to them, taking them by the arm and leading them to his door while saying "USE IT".

The only crash program which will cause the effective development of the Faith Rest Drill (5 stages) is pressure, adversity, even disaster and devastating trials and totally hopeless situations.

The Faith Rest Drill <sup>(5 stages)</sup> is the means of application which glorifies The Lord Jesus, The Christ and in the midst of great suffering and trials and heartache by the use of Faith Rest, the believer can rejoice. This results in the great inner happiness which comes to the believer in his times of great pressure as a result of his using the GRACE assets given him by God causing cursing to be turned to blessing RIGHT THERE on the spot. In the use of the Faith Rest Drill <sup>(5 stages)</sup> the reality of the Christian Way of Life must become clear in that when the believer has and uses a promise from God there is nothing which God can do except *honor it*. There may be an elapse of time before the promise is fulfilled and things may get WORSE before they get better and when this believer is Complaining about the NOW situation, this will look like a picnic in comparison to what he is begging for God to bring to him. He must relax and wait for the deliverance of the Lord WITHOUT Complaining. Like the Jews traveling out of Egypt and living in the desert for 39 years God will provide even while the believer is murmuring, Complaining and screaming for help. This is Grace which always depends ONLY on who and what God is not ever on who or what believers are. (Ex 16:2-4)

The believer must understand that he will have problems as long as he lives but all problems can and will be solved based on his function under the Faith Rest Drill <sup>(5 stages)</sup> and Complaining about his situation is counterproductive for his Spiritual Life. Functions under the Faith Rest Drill <sup>(5 stages)</sup> built up progressively from maximum Metabolized Bible Doctrine accumulated in the Stream of Consciousness of the Soul produce an inner happiness and mental stability which puts all problems, difficulties and pressures in life into the hands of the Lord and allows the believer to move right on past them. The most incredible thing about the Christian Way of Life is that one can and will often have many problems in life but still have an incredible inner happiness without Complaints. Too many people, especially believers, think that the only way to solve a problem is to get rid of it but this is ludicrous because when a problem is solved by getting rid of it there ends up being more problems which are far greater problems. The believer should enjoy his problems and not try to get rid of them lest he end with far worse problems to have to deal with. Once one gets to know his problems, he should simply relax and enjoy them as the Lord provides for him while he is having the problems. One should not be able to look at a believer and tell if he is having problems in his life and believers should always function just like the disciples who were told by Jesus to get rid of the sack cloth and clean the ashes off of their faces when they were under pressure. The believer should reflect the inner happiness as a result of the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul and from his use of the Faith Rest Drill <sup>(5 stages)</sup>. This is not putting on a false front but is emphasizing the issue that NO believer can serve the Lord and be a whining Complainer. EVERY believer has problems and pressures, SO WHAT. Under the Policy of Grace and by persistent residence in the Divine Dynasphere the Believer can be the happiest, most stable most well adjusted person in this world WITH ALL HIS PROBLEMS.

### Whining & Complaining in Rebound

Rebound is the procedure for recognition and acknowledgment to God of one's personal failures in the Spiritual Life but it also requires that the believer FORGET these failures and continue to move on in his Spiritual Life. (1Cor 16, 1Cor 11:28-31) When the believer fails through carnality he must NEVER whine nor Complain about his failures. The principle is that he is

NOT EVER to cry over the spilled milk of any past failures. Use of the [Rebound Procedure](#) means his failures are totally blotted out and therefore he must forget them. ([Phil 3:14](#)) He must isolate the sin and move forward with continued consistent Post Salvation Epistemological Rehabilitation from Perception, Cognition, Incultation and Metabolization of Bible Doctrine. ([Heb 12:15](#))

### [Reversion Recovery vs Complaining](#)

Believers in [Reversionism](#) are ones who are constantly and consistently Complaining about everything in their lives because they are living a life in abject misery as a result of being involved in the stages of Reversionism. The effects of Reversionism on the Believer are described in [Ps 77](#) and include:

- ✧ God listens to this believer as a result of his GRACE policy and ONLY BECAUSE OF GRACE.
- ✧ In his distress this believer can keep holding up his hands, begging God for deliverance, never tiring of this but his soul REJECTS CONSOLATION as a result of being DEVOID OF BIBLE DOCTRINE.
- ✧ This believer may want to remember about God and have confidence in God but being agitated in [Emotional Revolt](#) of the Soul he can only Complain so that his Human Spirit faints because he is overwhelmed by the suffering **which he has brought on himself** with his Negative Volition toward Bible Doctrine.
- ✧ This believer even accuses God of keeping him from restful sleep in insomnia but it is a result of the agitation of his suffering and Emotional Revolt of the Soul that he cannot even sleep.

It is typical of reversionists to then turn and Complain and blame anyone in any leadership position for whatever they perceive as their perilous situation. They are in hopeless despair and express this as part of their reversionism. The believer must stop and recognize that God has never compromised his Absolute Righteousness nor Absolute Justice in providing his Grace provisions to every believer. However, for reversion recovery to restore the [Edification Complex of the Soul](#), redevelop and redeploy the [10 Problem Solving Devices](#) requires consistent daily function under the [Grace Apparatus for Perception](#), for Cognition, Incultation and Metabolization of Bible Doctrine, under Operation Z and the 4 Rs. In the situation of the Jews coming out of Egypt and out of Slavery and experiencing suffering as a hopeless situation at the red sea they screamed and Complained to God for help and even blasphemed in their reversionism. However, *despite all of this*, God under his Grace Plan and Policy delivered them to safely on the other side of the red sea and destroyed their pursuing enemies. Therefore, God can and will do the same for each and every believer in distress or under pressure in life because of HIS GRACE policy and plan. ([Ps 77:5-6](#), [Ps 77:11-12](#))

Under disaster conditions Bible Doctrine cannot be learned rapidly enough, therefore, the believer who has neglected Bible Doctrine is going to go through the most intensive suffering. The only thing available for him is this continued suffering as he recovers slowly and meticulously from reversionism by the consistent use of the Rebound Procedure and Post Salvation Epistemological Rehabilitation. There can be no removal of his suffering until he

recovers from his [Reversionism](#) and reversion recovery is never instantaneous but it must come first. The inner resources of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul as solutions only result from consistent function under the Grace Apparatus for Perception, daily.

### [Gate #55 – The Arrogance of Retaliation and Revenge](#)

When any military, business unit or any competitive group has great success and victory over its opposition this contributes to their confidence. However, very often it also contributes to their Arrogance and is an offense to the Arrogance of the defeated unit. In order to defeat an Arrogant opponent most often the victor will engage in some form of Retaliation. When the Arrogance of the defeated unit is hurt its Arrogance will retaliate in some way on the victor. This is a very convoluted situation and is very often the cause of many of the problems in local churches and other organizations.

A very important principle to remember is, *when someone is trying to insult one then he should ignore them however, when someone is trying to kill one then he should destroy them,* (Col. Jeff Cooper) and when others are engaged in maligning, one never retaliates. Knowing when to back off, when to kill or when to apologize takes [Flexibility](#) and flexibility requires total lack of Arrogance. Having no Arrogance and nothing to prove to anyone, the believer can then know when to apologize, when to back off and use Bible Doctrine as the solution. If, as a result of backing off or apologizing, people think him cowardly and he knows he is not, of what consequence is that. Being thoughtful of others and being free from Arrogance is always the truly proper and ‘manly’ thing to do. However, the Arrogant one antithetically either backs off only as a result of his cowardice or attacks in Arrogance knowing he can destroy the other in his Retaliation. When a thing is [Nonessential](#) one must never allow Arrogance to enter the picture and determine his actions regarding it.

Above all, Retaliation and Revenge is the Arrogance for vengeance, in which one basically says he can do a better job than God of righting wrongs committed against him. Any time one engages in vengeance or the practice of Revenge it is both blasphemous and presumptuous. It is blasphemous since it is downgrading the Justice of God and it is presumptuous because it assumes personal Revenge function is superior to Divine Discipline from the Justice of God. This one says in effect in his Arrogance that his punishment is better than that of God and that God does not know his business concerning how to meter out justice. He ignores the reality of the Essence of God and lowers himself to the standards of those others against whom he seeks Revenge. Personal Revenge Modus Operandi is a breakdown of the [Faith Rest Drill \(5 stages\)](#) and instead of depending on the Lord this one depends on self to handle the matter where differences exist. This ignores the fact that the Point of Reference for mankind with God is the Justice of God, which is far more capable of dealing with man than anything man can ever come up with. The [Royal Family Honor Code](#) demands that the believer leave Retaliation in

the hands of the Justice of God. ([Deut 32:35](#), [Is 35:3-4](#), [Jer 11:20](#)) One's volition must be involved in doing this but it is an entreated command and a requirement for proper Royal Family of God function. The believer must ALWAYS defer to the Justice of God when tempted to retaliate for wrongs against self. The Lord may choose to discipline the offender in private and the one wronged will not know anything about it but it must always be left in the hands of the Lord. Revenge functions, on the other hand, would make everything public and cause self, as a result of Arrogance, to be glorified by public Retaliation and proving to the world how smart and capable he is in righting this wrong. This is truly Arrogance. By taking matters into one's own hands and retaliating or seeking vengeance the believer interferes with the Justice of God and violates the privacy of the Royal Family of God. Retaliation interferes with the Justice of God punishing another and lowers the one who is retaliating to the standard of the antagonist in the Evil function of Dog eat Dog. There is no honor in this and no standard of Grace where the believer is to place the matter in the Lord's hands while treating his enemy on the basis of his own character through [Impersonal – Unconditional Love for Mankind](#), rather than the character of that antagonist. The rule for the believer is that he should never reduce self to the level of what he despises in others. Revenge and Retaliation functions lower one's norms and standards to the level of Evil resulting in pettiness, implacability, vindictiveness, [Jealousy](#), hatred, [Bitterness](#) and all sorts of Arrogance toward one's antagonist when one should be functioning under Grace. **This does not mean that you should not engage in self defense or defense of persons or property when necessary.**

### [Gate #56 – The Arrogance of Criminality](#)

Universal Criminal Arrogance in the United States of America has been rapidly developing since the 1960s because of the lack of a large pivot of mature believers. As a result of there being very little restraint on the criminal community this Arrogance takes what it wants whether it is property, privacy or life. Meddling gossips, in any situation, are on the brink of criminality having intruded on the privacy of others. Once there has been intrusion on privacy that eventually leads to confiscation of property and this is the criminal and points to the criminal direction of the function of the American government which therefore is obviously criminal. The criminal mind motivates him to take what he wants. If it is a woman, then rape is OK, if it is some material object, then theft is OK, if someone prevents them from getting their way they simply murder them in their mind and this is OK. The criminal mind says that everything he wants is his and no one nor anything can or should keep him from it.

Crime by definition is a violation of human freedom with [Impersonal Unconditional Love for Mankind](#) as the means of relating crime to human freedom. Impersonal Love for Mankind does not mean that one must like, or as the baptists say in their church services 'Love' everyone or even be nice to them. The objective of Impersonal Love for Mankind is to preserve privacy for everyone one meets or knows. For the unbeliever there is the negative approach to crime and freedom with the 5 commandments which are prohibitions for the commission of Murder,

Adultery, Theft, Perjury, and Covetousness. For the believer there is also a positive approach to crime related to freedom and it is summarized within the concept of Impersonal Unconditional Love for Mankind. This is an obligation for the believer under the [Royal Family Honor Code](#) to live and let live thereby allowing others to choose their own path in life without interference whether they choose well or badly. No matter how strong one may appear to be if he is Arrogant and subjective he is vulnerable to weaknesses. The weak then control the strong and the strong become Arrogant and subjective. This is a trend of history and this is how Criminals control the law through intimidation of those who have judicial power.

This Arrogance is inclusive of both Unbeliever Criminals and Believer Criminals. ([Eph 4:28](#)) All criminality is acquired through involvement in the Interlocking System of Arrogance where Believer criminals are those who have fragmented their own lives by using their own volition to enter into the Interlocking System of Arrogance. The criminal is totally preoccupied with self and [Hypersensitive](#) about self. He is a [Self Righteous](#) person justifying what he does through the Arrogance Skill of [Self Justification](#) for his criminal actions. He is [Anti-Authority](#), Anti-Establishment, and very often Anti-God and Anti-Bible Doctrine. This believer can take or leave Bible Doctrine and usually when in serious trouble may be interested in Bible Doctrine for a while until the trouble passes. Any Lawful citizen may be irresponsible without being a criminal but all criminals are irresponsible. Believers, living within the Cosmic Dynaspheres and degenerating down through the stages of [Reversionism](#), are capable of robbery, burglary, kidnapping, shoplifting, mugging, blackmail, larceny, drug activity, prostitution, rape, murder and in effect any criminal act. Criminality often begins with rejection of authority in the home of the parents which results ultimately in rejection of ALL authority. The criminal has a basic sense of insecurity related to the FEAR of Ridicule and Peer Pressure so that he is reduced to nothing, the ZERO state, even when he is NOT actually in it. This insecurity leads the criminal to a status of TRANSPARENCY in which he believes that his worthlessness is obvious to all and everyone perceives it. In this status he often blames others for his real or imagined failures and he has no control over his [Emotions](#) especially anger and hatred. The criminal is always bored and wants excitement, stimulation and to prove his power. This desire for excitement is so great that he demands constant stimulation and living without it is a put down for him. He must have constant stimulation related to crime, sex, torture, alcohol, drugs, making others fear him and eventually only extreme criminal activity related to Torture, Rape, and Murder will bring sufficient stimulation and satisfy his boredom.

Therefore, ***ALL terrorists are criminals and NOT PATRIOTS*** who, because of their boredom, torture and abuse hostages which they have the insatiable lust to hurt. All Liars are not criminals but ALL criminals are Liars and for them, lying is a way of life and they inevitably become pathological liars. Habitual deceit and lying is the total disregard of the criminal for truth in any form and is the standard way for him to deal with the world and lying is part of criminal manipulation. Criminals are totally Arrogant and irrational and strongly motivated by the LUSTS from the Old Sin Nature and are totally involved in LOCKED IN Arrogance and therefore become extremely vulnerable to [Psychopathic Arrogance](#).

### Origin of Criminal Arrogance

Criminals originate from either demon possession or demon influence and all criminality begins with Arrogance and preoccupation with Self and includes both believers and unbelievers. The criminal is anti-authority and anti-establishment and very Self Righteous with their own special area of pseudo or non-virtuous Morality and Fanaticism but this does not restrain their crime but in fact justifies it. This Arrogance leads to sociopathic behavior, becoming a pathological liar, being filled with Inordinate Ambition and being caught up in Achievement Arrogance.

Criminal Arrogance finds its roots in Institutional Arrogance and a total rejection of authority wherever the Laws of Divine Establishment provide legitimate function for authority. As a part of Arrogance involvement criminals are so self centered that they start thinking everything belongs to them. The criminal is a sociopath and pathological liar filled with unrestrained Mental Attitude Arrogance. He is generally covered with a facade of hypocrisy and the smarter the criminal the better the facade. He has no compunction about lying or the use of violence to attain his objective. He recognizes only his own authority, and gives lip service to some of the other authorities but in his soul he despises it. Criminals are created from the DECISIONS of their own volition. There is no such thing as a person becoming a criminal because of his environment and from the worst environments some of the greatest people have arisen and from the best of the best environments come some of the worst criminals. Great examples of this are found in the Bidens and Clintons as criminal administrators of the United States and their entire families. Environment is not an issue in making a criminal and it is the same thing which takes the believer out of fellowship with God, a personal decision. This is also that which makes a Hitler and a moslem fanatic and what brought the islamized Moro people in the Philippines at Mindanao to fanatically attack American soldiers which resulted in the development and deployment of the 1911 45ACP pistol.

Criminality is one of the greatest attacks against freedom and all criminals are saturated and totally entangled in the Interlocking System of Arrogance and functioning under the principles of EVIL. Today this country is filled with criminality at every level of society and though there are probably more communist agents than there are FBI agents operating here, criminality is the greatest threat to American freedom. This is the result in contemporary history of the criminal having no enforced disciplinary restraint, they are NOT PUNISHED. Criminality as the enemy of freedom MUST BE HARSHLY PUNISHED by putting them into slavery and taking them out of society or by executing them. Criminals WILL NOT restrain themselves and their desires and needs are of maximum importance to them above all else therefore the individual citizen or the judicial system and Law Enforcement must restrain them. Criminals lust for another's property, person, and even their life and they WILL NOT restrain these lusts so very often today the law abiding individual intended as a victim must restrain them personally. Therefore in a free society there are those who in their arrogance reject the truth which provides them with freedom and MUST be summarily removed from society by their DEATH. For a very long time in the United States this has not been done and criminals are portrayed as heroes when they are in fact ARROGANT ANIMALS.

Criminal Arrogance is often insanely Arrogant and most insanity is from locked in involvement

in the Interlocking System of Arrogance. As a believer when one rejects all authority under the [Laws of Divine Establishment](#) but has responded to the gospel with faith alone in The Lord Jesus, The Christ alone, he finds himself in a great dilemma where by rejecting authority he is the enemy of the client nation but at the same time the only hope for him is in his regeneration which is the beginning of the Plan of God for that believer. Salvation cannot change the criminal unless it is followed by spiritual growth through consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine and generally the criminal fails at this point being unable to accept the authority of the one teaching Bible Doctrine. For the criminal, accepting ANY authority is an attack on the very Arrogance which makes him a criminal in the first place. The average Pastor Teacher has no chance of teaching Bible Doctrine to this type of person because he is too easily deceived by the criminal. If after Salvation Adjustment to the Justice of God the criminal is genuinely under Positive Volition toward Bible Doctrine this is his only hope for rehabilitation. If he puts on a false front of being positive to doctrine then the Interlocking System of Arrogance will prevail and the career of crime will win out. Traditional psychiatric attempts to solve the problems in a criminal mind have included all the realm of psycho therapy even neuro surgery with all of them proving very ineffective. From the viewpoint of the sociologist the cause of crime is environmental with childhood trauma being its source. Dr. Yokelson and Dr. Samsenoff have disproved this theory and shown that in the same family there will arise criminals and law abiding individuals with the differences being in the soul where decisions are made for or against criminality by the individual. Therefore the Arrogance Factor in crime is the only major issue.

NO ONE SHOULD EVER FEEL SORRY FOR CRIMINALS SINCE THEY REPRESENT A TYPE OF MENTALITY WHICH IS TOTALLY DESTRUCTIVE TO SOCIETY AND FREEDOM. In the courtroom the defense lawyer very often tries to make the jury feel sorry for the criminal and use an appeal to emotion so that the crime is forgotten as well as the victim. Criminals who commit capital crimes should be either drawn and quartered or hung from a tree or lamp post in their front yard and have all the family and neighbors stand around and watch their body disintegrate. A sick society is always soft on crime and is also soft on enemies outside the nation such as communism and islam. The sick society exists because of a multiplicity of systems interlocking within the Interlocking System of Arrogance. Everyone in this kind of society is constantly trying to keep their [Pride](#) inflated despite its being constantly challenged and compressed resulting in a plethora of Mental Attitude Sins. When a whole society exists in this condition and people don't think in terms of principle this is a sign of the impending required destruction of that society.

The make up of the criminal and criminality involves irresponsibility, lack of [Authority Orientation](#), a basic sense of insecurity expressed in violence or abuse in relationships, lack of temper control, constant boredom, recycling of the [Arrogance Skills](#), constant lying and living a LIE. In every generation there are young people whose Arrogance results in immoral criminal behavior and these children must be destroyed to preserve the society. When crime is not controlled and destroyed by the judicial system then FREEDOM instead is destroyed. Criminal Arrogance can be found in all walks of life and all types and persuasions of people. Many nice

people have started their lives functioning under the [Laws of Divine Establishment](#) or in the [Divine Dynasphere](#) of Christianity but eventually move into the Cosmic Dynaspheres through some system of [Morality](#). Many moral people upon becoming involved in the Cosmic Dynaspheres have their morality distorted into Arrogance and they become either a criminal or [Crusader](#). The criminal can be a liar, murderer, revolutionist or terrorist, he uses violence for his benefit or to solve his problems in life and is totally preoccupied with self being anti-authority and totally Self Righteous. There are many believers who are or become criminals and this generally shocks most people. Their criminality can involve murder, rape, theft, and all of the accumulated functions under Evil. As with all criminality theirs is total rejection of any other authority in the life just as occurs in Institutional Arrogance. Criminal Arrogance as an extension of Institutional Arrogance presents these people as pathological liars being sociopathic, asocial or antisocial in their behavior. This becomes a pathological aberration where the criminal is altered by his own behavior.

One of the things which occurs with a people who live in a degenerate society and in fact is a sign of the existence of a degenerate society, is that people forget the victims of crime. By the time of the criminals trial there is developed, as a result of the media distortions and propagandizing, a painting of the criminal in the wrong light, which generates great sympathy on the part of the jury and others involved in the trial toward the criminal. ALL criminals should be considered as one would a mad dog and people forget that he has inevitably performed other criminal acts or murdered one or more people, for which he is NOT on trial, because criminals do not specialize. When the trial finally comes along everyone feels sorry for the actual criminal and those who come to testify against the criminal are always on trial themselves for their character or integrity. Very often the defense attorney for the criminal is given far too great a leeway to try to destroy the integrity and credibility of the testimony of the one who has the courage to speak up against crime. This is degeneracy in every way added to the degeneracy of the media in always being sympathetic toward criminals especially if the criminal is a racial minority member.

One of the great classic indicators of degeneracy in the United States of America in 1979 was the people jumping onto the band wagon of antisemitism, imagining that Israel should relinquish some of their land holdings to Arabs. One of the most amusing things of all, which returns to the Interlocking System of Arrogance and [Conspiratorial Arrogance](#), is where the inadequate teams up with the Arrogant. The Arrogant is conspiratorial toward some system of authority or nation and the inadequate is jealous and not necessarily a good partner for the Arrogant but always joins with him because the Arrogant knows how to attract and win over the inadequate with flattery. In the late 70s, Arafat of the Palestinians and Jesse Jackson who represented a black revolutionary group which is conspiratorial and totally inadequate were going to go around to businesses and make them contribute to the black revolutionaries and if the businesses refused they were going to cut off their business with the Arabs.

The criminal mind rejects all authority in life but this does not mean that a criminal does not give overt acknowledgment to some form of authority and this is a part of his machinations. He uses all authority to suit his own purpose just as he uses people in the execution of any

nefarious scheme. The criminal often appears to accept some authority, that of a psychiatrist, some spiritual authority, and often the criminal mind appears to be positive to the Gospel message and to definitely believe in Christ. Once the criminal mind believes in Christ the issues are very clearly drawn. At that point the criminal faces his real crisis in life assuming that his conversion is genuine. He may have a mind loaded with doctrine but he will not and cannot apply it under reverse concentration because of involvement in the Interlocking System of Arrogance. The Interlocking System of Arrogance cuts off all reverse concentration on spiritual phenomenon, all application of doctrine to any situation.

Criminal Arrogance therefore abuses authority and has no sense of responsibility nor of accountability and without responsibility and accountability there is Tyranny. Criminal Arrogance, therefore, inevitably uses violence to accomplish the purpose of Evil as is clearly demonstrated by the Russian Communists, Chinese Communists, Cuban Communists, islamic moslems, and the “black lives matter” and “antifa” movements and others in the Unites States of America today. In this way violence becomes the lawless abuse of power. This is the criminal who uses a weapon which gives him power over the law abiding citizen. He is misusing the weapon under the concept of illegal power, thus the fault does not lie with the weapon but with the criminal, guns do not have Old Sin Natures only people have Old Sin Natures. By removing the weapon the problem of criminal violence is not solved, however, by execution of the criminal the solution is achieved. Weapons do not kill people, people kill people because their Old Sin Nature is out of control and those who use unjustified violence in any situation MUST BE EXECUTED.

The temptation of Criminal Arrogance is always to go against the Law in cases such as theft, income tax fraud, illicit drugs distribution, and many other categories. All are part of Cosmic Dynasphere I testing and Criminal Arrogance. Criminality is NEVER a matter of environment but a matter of Arrogance and when people cannot compete and satisfy their narcissus complexes in normal things in life such as athletics or other areas, they often revert to criminality. The solution to criminality is to enforce the law, make it work, execute criminals, improve the law, and stop using the law of the nation to try to solve social problems. Criminality, by its nature, is the result of the criminal using his own volition and in Arrogance setting himself ABOVE THE RULES of society, the Laws of Divine Establishment and [Divine Institution](#) functions which protect the whole Human Race. This results (or should under the law of the nation) in the criminal relinquishing all freedoms and rights, and when conviction occurs it should be logically followed by capital punishment in any situation where the crime has resulted in any major attack against volitional freedom, privacy or property. There is a very fine line regarding involvement in the use of violence between being criminal or being justified. Violence which saves one’s life or property or that of others is and should be justified. Violence which seeks to improve the environment relates Crusader Arrogance to Criminal Arrogance.

In consideration of criminal Arrogance, the Arrogant use of power occurs in 3 categories:

- Exploitation == distortion, abuse and violence
- Manipulation == conspiracy and control

- Competition == domination and superiority.

Everything in LIFE which is competitive should stimulate NOT Arrogance but MOTIVATION. Self Righteous people always have something to hide and as a transient or permanent Psychotic the Criminally Arrogant are always Self Righteous. Insensitive Arrogant people will always become violent when given the opportunity. Love can exist with or without sex, Lust can exist only with sex therefore, Rape is a crime of Violent Arrogance not SEX.

The strong man is Arrogant when he depends on his physical strength for winning and Arrogance in the soul destroys the effective strength of his body. This is the derivation of the concept of the strong body and weak mind. The weak mind is NOT stupid but IS Arrogant. A Person very often is proud of his physical strength and this is part of the Arrogance derived directly from EVIL. This is a trend that is always found in certain categories of people and very often leads them into Criminal Arrogance:

- Bullies
- Petty Criminals
- Talented Athletes

Intrusion on the privacy of others is a basic foundational criminal Modus Operandi. It does not bother a criminal to injure others but it bothers him when he is the one who is injured. Understanding this principle brings to light the valid concept that the criminal ONLY understands violence which is perpetrated against himself GREATER than any he is willing to engage in against others. This is also true of criminal nations or societies who try to usurp the status of peaceful societies. Though he is untrustworthy himself the criminal demands that others trust him, if he gains the trust of others he always exploits it. There are more than 70 errors of thinking which occur in the criminal at a very early age from Arrogance involvement and this is a developed phenomenon. Criminals commit crimes by a deliberate act of their free will while being totally in contact with reality and in control of their behavior. They have no concern for their victims and no remorse for any injury they do. In this Arrogance they always try to justify their actions and their intrusion into the privacy of others and seek to justify being totally occupied with self. Political crimes are the worst crimes of all as seen in the Modus Operandi of all communist governments because they effect huge numbers of people. Criminal thinking rejects educational, parental and any authority around them long before they were rejected by the authorities. They rejected coaches before the coach threw them off the team. They rejected the school authority before it had to throw them out. They rejected the parents authority before the parents had to throw them out. While some become criminals others live a lifetime of Self Righteous Anti-Authority Arrogance.

### **Criminality in the Believer**

The criminal often pretends to accept spiritual authority and respond to the gospel of Christ. The response to the gospel is used to enable him to hide in churches and he even may be regenerate but this alone does not change the criminal. This is a hiding place for him until he can become involved in some other criminal activity in life. The only hope for criminality apart from severe social punishment is Salvation Adjustment to the Justice of God and then always the exercise, consistently, of Positive Volition in the Perception, Cognition, Incultation,

Metabolization & Application of Bible Doctrine. It is imperative that the criminal believer function under Positive Volition to Bible Doctrine because he has both the Lord and the society to contend with regarding his escape from criminality. Only Bible Doctrine can truly change a person and the most significant change which must occur in any criminal is gaining respect for authority. The criminal must metabolize enough Bible Doctrine to break him out of criminality and to do this he must accept the authority of the one communicating Bible Doctrine. The criminal may go along with Bible Doctrine teaching as long as it is in agreement with his own ideas, however, once something is taught which goes against his prior trend of thinking his Arrogance may rise up and he will again be unable to accept the doctrine. If his Arrogance prevails and doctrine is not accepted then the authority of the Pastor Teacher will be rejected. However, if he is clear of Arrogance and will accept this teaching as from the Lord and profit from it he will ultimately break out of criminality.

Christian criminals should always, when convicted, be placed in prisons behind bars and if their crimes call for execution they should be the first ones executed. Criminal Arrogance in believers has made suckers out of many other believers. These Christian criminals are liars and are living a LIE under EVIL and use Christianity as a front and should be given maximum penalties. There are criminals however who learn Bible Doctrine and break out of the Interlocking System of Arrogance and pay their debt to society. The con artist who uses members of a Local Church and gets them to testify for his character is saturated with EVIL and deeply in the Interlocking System of Arrogance. The person who goes along with this is stupid, totally ignorant of or totally distracted from Bible Doctrine. When a person gets involved in any criminal activity and is being adjudicated the system must ALWAYS REMEMBER THE VICTIM whose rights were infringed and especially those who have had their right to life ended. *It is a total distortion of Grace to ever help any criminal.* Let the criminal pay the maximum penalty especially if he is a believer since as a believer in The Lord Jesus, The Christ he has had to break many more restraints to commit crimes as a Christian. Arrogance is a major distraction from Bible Doctrine and when a believer begins to learn about Grace he then thinks he can get away with crime from the influence of Evil BUT God will punish him for his violation of the laws of society which are derived from the Laws of Divine Establishment. Today the criminal is not at all restrained and the only restraints which have been provided by the police and judges have been completely removed by criminal intimidation, or simply by stupid LIBERALS making up their own system of laws or how to enforce the law on the street. It is possible for the criminal to be saved by Grace and break out of criminality and the Interlocking System of Arrogance but when the criminal uses Grace and the church as a front for criminality or in an effort to get a reduced punishment they are the lowest scum alive and should be punished to the maximum.

Elijah being brilliant and a mature believer correctly evaluates the historical setting he is in but he related this to his Arrogance and rejected the authority of the Lord who came to speak with

him at the cave and he rejects the lesson given him. Paul in [Romans Chapter 11](#) used Elijah as an example rather than Moses or David or another great mature believer from the Old Testament Scripture because Elijah shocked him more than anyone else. Paul as an unbeliever was the best killer of Christians totally motivated by Self Righteousness and involvement in the Interlocking System of Arrogance. He had great authority, power and incredible success in his youth and as a zealous pharisee he was the greatest persecutor of Christians and killed them by the thousands. He was a murderer and an assassin. However, as a believer in The Lord Jesus, The Christ he could understand the unbeliever doing this because he had done this as an unbeliever but he could not understand Elijah because Elijah did what he did as a mature believer killing the prophets of Baal. This was criminal Arrogance in the mature believer.

### **Criminals vs Arrogant Fundamentalist Christians**

There is no difference between the mind or the thinking of the [Reversionist](#) believer and that of the unbeliever. The same thought pattern which can cause a person to enter into criminal activity can also cause the believer to enter reversionism. Believers need to understand Arrogance completely and the importance of avoiding it as a Christian. When THE great disaster occurs in the United States of America as it must, the criminal mind will become very apparent when there is total failure of the function of law. This very status is on the American doorstep today with the calling for “defunding of the police”. This is characterized also today during the “demonstrations” occurring as the result often of the death of 1 single black man, who was himself a criminal, while opposing police. No one in Arrogance is teachable and the Arrogant ones are totally subjective, thinking too much of themselves. Circumstances of life are not a part of creating criminals or reversionists but Arrogance very much is. Criminals develop extreme deviant thinking patterns which are different than those of any other “normal” persons. Criminals are liars and deceivers with little capacity for love and companionship and they easily and readily commit brutal acts without a twinge of conscience. They disregard the rights of others to live safely while demanding others show them the utmost respect and admiration. Criminal Arrogance is Arrogance in the extreme and it can just as easily be present in the believer as in the Unbeliever. Given the opportunity the believer with this mentality will be just as vicious and vile under the strong influence of Evil as any criminal, only being restrained, as any criminal, by a strong local authority and fear of retribution from the law.

### **Criminality, Non-Systematic Evil & Freedom**

Criminality is a type of NON-Systematic Evil, and simply reflects the degeneracy in a society and the United States since the 1960s has been deeply sinking into and involved in this DEGENERACY. This disorganized Evil is found as Private Violence and is simply another name for DEGENERACY. This is what people who know each other and propose to love each other DO TO EACH OTHER.

- ▲ Child abuse
- ▲ Spousal abuse
- ▲ Rape

This is a violation of the trust on which all human relationships exist and is cruelty exercised on those closest to one, those most vulnerable, least able or inclined to defend themselves from

their supposed loving attackers. This occurs because the one perpetrating this abuse gets a cheap squirt of Approbation from having this POWER over another person. Therefore, Degeneracy is NON-organized or NON-Systematic Evil and in that realm of criminality, Private Violence is the power of Degeneracy. Absolute Truth and Degeneracy can coexist as it did in Sodom and does today in the United States of America because Degeneracy is Disorganized Evil. Therefore, there can be and is an ongoing coexistence between advancing and mature believers and disorganized evil. This results from the existence of the Antithetical functions of Degeneracy and Spiritual Advance. Disorganized NON-Systematic Evil is permitted and exists wherever there is freedom because freedom gives the individual the CHOICE to engage in crime even though this is a bad expression of freedom with wrong decisions from a position of weakness. However, this Degeneracy of Disorganized NON-Systematic Evil generally then opens the way for the rise of Organized Systematic Evil in situations where [National Arrogance](#) is developed. Therefore, Freedom, in its purest legitimate form, says OK so go ahead and commit crimes, however, if one is caught the result will be execution for them and True Orthodox Fundamental Christians readily coexist with these principles and situations. The point is that under FREEDOM when there is active Disorganized NON-Systematic Evil and its degeneracy in a nation believers are still FREE to evangelize and the criminals are also free to evangelize the believer as well and it is FREEDOM of VOLITION and CHOICE which is thereby preserved.

### **Psychology & Criminality**

There is no such thing as psychological recovery from criminality. The criminal uses the psychologist but they are not cured by the psychologist. The criminal learns how to follow the steps required by the psychologist to be released into society so that he can again be involved in crime. The only way to break out of criminality is to change oneself through Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. No one becomes a criminal without having some aspect of being a con artist. A criminal with a facade of a great personality and sweetness uses this to hide his real purpose. The criminal uses what is acceptable in society to accomplish their criminal aims. One cannot ever treat a criminal with kindness for they regard it as weakness and will always take advantage of any gracious treatment. Criminal Arrogance often shows some limited respect for Law Enforcement but never for the judicial system in the courts. The criminal never respects the system which prevents him from continuing his criminality. Psychotherapy therefore produces criminals with insight and does not change the criminal nor extract him from criminality.

### **Jews for the Preservation of Firearms Ownership Article 2018**

Criminality is not a “DISEASE”! It is a personal choice, that quickly evolves into a “way of life.” In interviewing hundreds of violent, convicted felons over a period of several decades, a pattern of dark behavior and attitude becomes obvious:

All criminals view their lives as minute-by-minute. There is seldom any planning, even so far as the following day. They see no point in living, and are fully persuaded that they have no future and thus no fear of imprisonment, nor violent death. They are convinced that they have nothing to lose, and they are right.

All criminals are incessant whiners and [Complainers](#). They use the word ‘unfair’

constantly when rationalizing their sociopathic behavior. They never accept personal responsibility, for anything. They all insist that their ‘felon status,’ ethnicity, religion, ‘disability,’ disease, etc., forever precludes any chance for conventional success or achievement, so there is no point in trying.

All criminals have embraced non-productivity as a permanent lifestyle. None are interested in working at anything legitimate, nor in trying to find a real job. They are unchangeably non-productive, non-contributing, non-tax-paying, unemployable societal parasites. They insist that every bit of social welfare that comes their way is ‘owed’ them.

All criminals thrive in squalor! Though they whine about the places they stay, you’ll find them all living in filth and sordidness, by choice. They are uncomfortable in any kind of decent, orderly world.

All criminals indicate they have absolutely no compunction about engaging in criminal violence. They all harbor a condescending disdain for their victims. They are completely unrepentant and never express the slightest regret, nor concern, for any pain and suffering they cause.

All criminals articulate utter contempt for the middle and upper-classes. They are therefore very sensitive to being ‘disrespected.’

Every criminals is extremely dangerous! None are particularly brave, but all, under the right circumstances, will murder and maim as casually as if they were muffling a sneeze. With them, impulsive behavior is not held in check, as it is with other individuals. They don’t worry about consequences, nor any other aspect of the future. And, they will never change! ‘Rehabilitation’ is a word invented to describe a non-existent phenomenon. There is no such thing, and never has been. Those who naively claim to believe in ‘rehabilitation’ are well advised not to bet their lives on it!”

And, it is all “one-way.” There is no going back, the preceding, though true, is not accepted, nor even talked about, in most of “polite society,” because they are afraid. Operators, however, who are not afraid, must face the truth squarely. And, the believer needs to understand that whatever protection from these predators he may enjoy, he will provide for himself. Sometimes “force,” including lethal force, though regrettable, is acutely necessary and justified in order to preserve innocent life. At times, to save a life, one must end a life. It’s a bitter circumstance, but sometimes there will be no choice.

Both Criminal and [Crusader Arrogance](#) will lead to [Psychopathic Arrogance](#) and divorcement from reality. Criminals demanding rights while in jail is psychopathic Arrogance since criminals have failed to take responsibility for freedom and therefore have destroyed and relinquished their own rights by being involved in criminal activities. Criminals have by definition set

themselves outside the law and therefore have NO RIGHTS under the law. They do this because they are Psychopathic Crusaders.

### Evangelism into Criminality

The criminal knows exactly how to manipulate the normal person and if they cannot use him they will not associate with him. Once a normal non-criminal individual allows a criminal to use him, then HE will take on the characteristics of the criminal becoming bitter, anti-authority and anti-law. The criminal can make the authority which one accepts look bad and by this falsehood cause him to reject authority as well. Criminals do more than rob, kill steal and rape, their biggest function is to make friends with people so that when they are prosecuted these same people, their friends, will stand up for them as being a good citizen and when the criminal is convicted these 'friends' will then reject the law also. The humble person will kick themselves when this happens thinking how stupid they were to be conned by these criminal types. This concept is perpetuated and advanced by the media & film industry when the key character in a film, glorifies their friends, the criminals, who have been killed or prosecuted by the function of the law. The best criminals are very smart and extremely good con artists and the average person will like them and become a puppet on their strings. Not everyone who one thinks likes him and builds him up is in reality his friend. This is the story of the Reluctant Sparrow.

The pivot of mature believers is certainly not by any stretch of the imagination perfect by any means and they commit sins but generally their sins are not abnormal sins. The difference between normal and abnormal sins is the same as that between sin and crime. The person who commits sin related to Arrogance commits crimes and some of the sins related to crime are clearly delineated in the Decalogue. Stealing is a sin but also a crime since it includes the Arrogance where one thinks he has a right to property which belongs to someone else. Murder is also both a sin and crime and is thinking one has the right to take someone else's life which totally destroys their freedom. Rape is a sin and crime whereby it destroys self determination through Arrogance under the idea that one has a right to superimpose his will over someone else's. Intensified sin has an Arrogance factor and this factor is found in selfcenteredness where a person thinks he is more important than anyone else.

Many people involved in crime are not related to these categories of criminality as a result of their being enslaved. As slaves, at some point in time they are taken against their will, kidnapped, and put on narcotic drugs or brainwashed in some manner to control them and force their participation in crime. They start out free but when enslaved by freely available narcotics, which initially gives them a euphoric feeling but when this wears off then they need to come back and get the high euphoric feeling again. Then, before the slavers or kidnappers will give them any more of the narcotic drug they have to agree to do what the kidnappers want. After a while this addict loses the high and the drug simply brings them up to normal function. In this way many people can be and are controlled chemically and this is one way to infiltrate and overcome a nation such as the United States and is why the drug pusher MUST BE EXECUTED. This is a simple concept and if executions start at the bottom eventually the system will fall in on itself and Law Enforcement can find and execute the top of the system.

Unfortunately in the United States of America today and for a very long time this principle has not been understood and the judicial system simply slaps the wrists of drug pushers and releases them after a short jail term. This is a system which encourages them to continue as pushers. America and its legal system is totally divorced from reality today.

### **Restraint on Criminals**

Arrogance can carry the criminal from one crime providing motivation to commit other crimes. Once in the Interlocking System of Arrogance one can develop the criminal mind and when he gets away with a crime one time he is motivated to keep on committing crimes even to the point of murder. This is why the criminal must be executed. However, just because some are guilty and need killing does not mean out of hand killing is the way to handle this problem. Law Enforcement and courts are one way and Divine Discipline from God directly on the nation is another which in the United States is definitely coming. The Lord from his perfection as judge has all the facts in all situations and from his perfect justice sends out perfect Divine Discipline which is called historical disaster and national catastrophe. It is an incredible error of judgment to have sympathy for people who are under disaster conditions because from the Divine Viewpoint this is the higher court overruling a failing system and administering judgment. At other times, the believer may enter a state of mind called imprecation where he would like to get rid of the mad dogs but he must remember that he is not God and cannot play at being God and should not demand that God do so. Trying to do so is another form of **Institutional Arrogance** which moves him deeply into the Interlocking System of Arrogance even as a mature believer. Instead of trying to pray to God to punish the offenders, he must simply leave these things in the hands of God to correct the injustice in His time and in His way. The believer should not get down on his knees and pray for judgment from God on others in any situation because he thinks they need judging. This is Arrogance and he never has all the facts in any situation of judging. Having facts about the declining condition of the nation, especially its domestic policy regarding crime, but with any resident Arrogance or Self Righteousness the believer cannot ever deal properly with those facts. As part of the Royal Family of God in this Church Age the believer is to be informed but is not to take this information concerning life and mix it with Arrogance and distort it into imprecation. Imprecation and the attitude and motive of imprecation changes people completely and they become involved and influenced by a vicious Evil and the Divine Discipline which is directed to them destroys them totally.

When crime is not controlled by the judicial system then FREEDOM is Gone. (See the film "Interview with a Hitman" as an example of the development of criminality in the young.) The only restraint on the criminal is the fear of the legal ramifications of his crime which will deprive him of freedom or other things which he believes are his, especially loss of his own life as punishment for crime. This is a warning to all people as to how criminals MUST be handled since the criminal recognizes no authority at all in life. He is totally locked into Arrogance. Bible Doctrine teaches that criminals must be punished by a system of jurisprudence which starts with the concept that they are innocent until proven guilty. HOWEVER, once proven guilty they must be removed from society either temporarily or permanently. If they have used violence to do something then violence MUST be used to

discipline them. The criminal mind is best illustrated by the passage of scripture dealing with an incorrigible teenager where IF the child who is incorrigible and has rejected his parents authority is proven in court to be so then he is executed. This is how society is protected from the criminal mind. The parents recognize that their child has a criminal mind and will never respect any authority therefore this child must be removed from society.

Criminals are not restricted to selective parts of cities such as slums or high class neighborhoods but function in any part of the nation. This is such because the criminal is one who uses self determination, his volition, to reject Absolute Truth as Bible Doctrine or the [Laws of Divine Establishment](#) without regard to where he lives. It is even possible to be a believer in Advanced Maturity Adjustment to the Justice of God and by one decision go to criminal status of thinking and action. Under involvement with Impulsive Arrogance this is extremely easy. The criminal mentality always moves in fear of apprehension and being restrained or of losing his own life. Criminals have the option of committing or not committing crime. Once they enter illegal criminal activity and use violence there should always be a greater legitimate violence in some aspect of society to destroy them. This must exist as a legal and righteous violence such as in capital punishment which the criminal invariably fears and which is their only true restraint. Criminal death under capital punishment is a deterrent to others who will think a bit more before entering into criminal activity. Once one begins to think like a criminal and rejects the legal means of solving problems he then becomes criminal.

After the fall of Ish (Adam) and Ishah (Eve) the Human Race could not have continued from that point unless God had provided a new system of authority which took cognizance of the Old Sin Nature. This is why common law is against crime but not legitimate business or free will transfers of property. Crime rejects authority and destroys freedom as a result of involvement in the Interlocking Systems of Arrogance. All authority in [Legitimate Government](#) has been specifically designed to protect freedom from crime, NOT from profit making and business as is occurring in the United States. The difficulty in the United States today and for many decades is that there has been rampant crime in GOVERNMENT. Business is not criminal unless in business people cheat others. When you have a [Self Righteous Legalistic](#) degenerate federal government it always fights against correct and legitimate authority and legitimate function in business and in doing this ignores crime, which as a result, inevitably escalates. According to the government and all liberals the villain today in the nation is big business or the military and the whole system of proper Law Enforcement and Judicial functions. When there is a whole nation of people who reject the system of function and authority into which God has locked humanity under the Laws of Divine Establishment and Divine Institutions, they also generally reject the principle that all people are under some authority and all have some responsibility to someone, somewhere or to some institution. Once a people gets outside this system, God must discipline them individually and when a whole nation breaks out of this system of authority then God must institute the cycles of Divine Discipline to try to motivate them to correct this, even up to the 5<sup>th</sup> cycle of total national destruction. This is what happened to the Jews ([Hoseah Chapter 4, The Book of Jeremiah](#)) where they had an incredible rise in crime and ignored Codex III of the Mosaic Law and just like the United States today, and instead of punishing their criminals, they punished those making a profit in business and

when these were punished and the criminals went free they were finally destroyed just as America will certainly be.

### **Criminal Arrogance & Violence**

Establishment violence whether involving military, police or judicial functions, will eventually win against criminal violence and all violence of persons or nations who function under Evil. The violence of criminal nations when initiated eventually destroys those starting it, as demonstrated in the history of both the Nazi and Imperial Japanese empires. Whenever any group uses violence to gain their ends they will inevitably be destroyed by it. Crusaders who ostensibly are working for the betterment of mankind who use violence will be destroyed by their violence. Even having a right, correct or productive objective will always result in these ones being destroyed by their own violence. All violence as a means of problem solving is Arrogance and Arrogance sees violence as a tool while the Laws of Divine Establishment sees reason and freedom as the primary tool. The United States of America has in the past solved problems by reason but the people today have turned to violence for this function. The tool of reason will eventually overcome the tool of violence and this is how England became ruled by parliament and the United States of America by its own constitutional government. Violence is the result of the Old Sin Nature's function in producing temptation in 3 areas under the influence of Evil:

- Sinfulness
- Crime
- Human Good

Liberalism and peace programs invite violence because their kindness and pseudo love are regarded as weakness to be exploited by criminal violence. Any nation which functions too long under liberalism invites violence and this is the current Status Quo in the United States of America. The violent will always try to take advantage of real or imagined weakness and they will torture, rape, exploit, murder, steal, destroy, etc., to accomplish their ends whether they are criminal or altruistic since both result from the influence of Evil. This has occurred in the 70s and much more so today when the media glorifies those involved in criminal activities, mob action, demonstrations, riots, and mass murders.

Whenever a person takes by violence there is always a very real possibility that it will be lost by violence as well. In this world there is always someone stronger, better looking and smarter than one may think he is. When one wins by violence he begins to think he is invincible and invincibility always gets wiped out by AGE. What one consolidates by Bible Doctrine he will never lose. The more problems one solves by violence the more problems he will have BUT the more problems he solves by the application of Metabolized Bible Doctrine from his Stream of Consciousness of the Soul the fewer problems he will have. Anything gained by Arrogance can be lost by a greater system of Arrogance BUT anything gained by application or use of Bible Doctrine from the Stream of Consciousness of the Soul cannot ever be lost and is also gain for eternity.

### **Gate #57 – The Arrogance of Murder**

The motivation for the first murder in history came from Cosmic Dynasphere I, the Interlocking System of Arrogance. Cain was in Cosmic Dynasphere I, therefore he was minus both [Impersonal – Unconditional Love for Mankind](#) and Personal Love for his brother. People who have no capacity for Love are always motivated to ridicule or degrade others. The feelings of others mean nothing to them. Cain wanted God to praise him because arrogance demands praise and flattery and when God accepted his brother's offering he became [Jealous](#). Cain, however, had rejected the Gospel of Christ and was saturated with [Self Righteous Arrogance](#) and Evil.

Arrogance is always associated with Murder. The first murder in history was from a very moral and self righteous individual resulting in his possessing the tragic flaw syndrome. He was so self righteous that he could not restrain himself from murder. People by always thinking self totally right and having animosity, as a result of being saturated with Evil, justify murdering. Cain's action against Able was premeditated murder, from a distorted [Morality](#) and self righteousness arrogance. He had turned his back on the Grace principle and attempted to solve his problem of rejection by God through violence. Cain was a very RELIGIOUS person saturated with and enmeshed in Arrogance and its Evil.

There is and must exist in the thinking of the believer a clear distinction between Murder, Homicide and LEGITIMATE KILLING in the nation. Murder is unlawful killing of another human being with malice or forethought expressed or implied, from motivation of Self Righteous Arrogance in Cosmic Dynasphere I the Interlocking System of Arrogance. [Mental Attitude Sins](#) and Interlocking System of Arrogance involvement with [Conspiracy Arrogance](#), [Crusader Arrogance](#), [Political Arrogance](#), [Ignorance Arrogance](#), [Unhappiness Arrogance](#), [Iconoclastic Arrogance](#), etc., are all motivation for murder. Lawful killing is taking of human life under the direction and functions of the [Laws of Divine Establishment](#) as part of either Capital Punishment for crime or Military Service in Combat to preserve the freedom of the client nation or as personal protection of one's or another's freedom, privacy, property or life. Arrogance will always result in a soldier being a POOR killer and emotional and unprofessional in killing. Good soldiers come back from combat and make great citizens because they kill from Impersonal Love. The Professional Soldier functions impersonally and professionally to preserve the freedom of his nation and should be rewarded for doing a good job at killing the nation's enemies. ([Josh 6:20-21](#), [Josh 8:21-26](#))

### **Gate #58 – The Arrogance of Suicide**

Suicidal Arrogance is absolute and total preoccupation with Self and Suicide is the absolute best

way to voluntarily stop one's momentum in the Spiritual Life and temporal life in general. Suicide is a prime example of a total and permanently locked in preoccupation with Self and total divorcement from reality which results in the taking of one's own life and attempting to usurp the prerogative and authority of God. It is unquestionably the most stupid, imbecilic, idiotic thing a person can ever do because no one can ever know what GREAT things God may have for him later in his life. In addition the facts of existence in this life revolve around the principle that NO HUMAN BEING ever leaves this life on this earth WITHOUT THE APPROVAL OF GOD. The attempt to usurp this prerogative of God is the epitome of absolute arrogance. Many times this arrogance is punished with success so that the believer involved can then stand face to face with the Lord and recognize his supreme stupidity. Many times it is punished with failure and various levels of physical debilitation for the rest of a very long life. In either case the cause is abject stupidity, total saturation in the Cosmic Dynaspheres and total rejection of the Grace and Plan of God.

### **Gate #59 – The Arrogance of Seduction**

Seduction is preceded by a lust or strong desire and this indicates lack of contentment with one's status quo. Therefore believers who become unhappy, possibly miserable, inside the [Divine Dynasphere](#) are then susceptible to being deceived, led astray or seduced into the Cosmic Dynaspheres. Generally people who are unhappy and still in the Divine Dynasphere are on the verge of malcontent. Seduction is never possible without its acceptance by the volition of the one being seduced. There never has been a seduction without the volition of the 'innocent' party being actively and positively involved. No one is seduced without his own volition giving consent to the seduction therefore the excuse of being deceived is never valid. Whether he or she was deceived or NOT the seductee wanted to be seduced and was asking for it to happen. In addition therefore ignorance is NEVER an excuse because people follow volition whether in ignorance or cognizance. Seduction is not possible unless one has erroneous priorities in life therefore the obvious necessity and importance of having your first priority as Bible Doctrine. Seduction is not possible apart from a predilection to occupation with self and arrogance. Consequently, again flattery is the key to seduction and there are many kinds of flattery which can potentially deceive including:

- verbal compliments
- giving maximum attention
- deference apart from respect with hypocrisy
- fornication without love

All of these form a complex of sins involving some aspect of Arrogance. Seduction, therefore, implies Arrogance in motivation in both parties and unfaithfulness to the Plan of God. The One who is seduced spiritually has entered Cosmic Dynasphere I, the Interlocking System of Arrogance, as his motivation and very often Cosmic Dynasphere II, the Interlocking System of Antagonistic Emotional Hatred as his Modus Operandi. Therefore seduction implies an erroneous perspective on life and lack of capacity for Life, Love and Happiness as a result of rejection or

neglect of Bible Doctrine in [Negative Volition Arrogance](#) which interlocks with his entrance into [Reversionism](#).

### **[Gate #60 – The Arrogance of Immorality – Sexual Arrogance](#)**

Sexual Arrogance develops from the toleration of the [Self Righteous Arrogance](#) of [Pseudo Morality](#) and is Sex without Love in arrogant preoccupation with self which results in self centered self gratification. This can be related to phallic idolatry ([Gal 5:19-21](#)) and is the ritual of the physical intimacy of sex without the reality of soul love. In other words this is preoccupation with the body without any consideration of involvement of the soul. Therefore, this precludes love as a motive for sex so that these lusts of the flesh which include sexual immorality and debauchery when combined with any aspect of Idolatry or Witchcraft are the result of demonism as strong demon influence or demon possession. All levels of this result from various levels of Motivational Degeneracy or [Motivational Arrogance](#) derived from Evil which is then active as Functional Degeneracy or [Functional Arrogance](#). This is the Lascivious Trend where people become involved in overt IMMORAL degeneracy.

This Illegitimate Sex is Sex in which total preoccupation with self disregards every factor of virtue or consideration of others. Arrogant people are generally inconsiderate and always preoccupied with self and no matter what they enter into whether it is Sex or [Crusader](#) or [Criminal Arrogance](#) they always manage to make a mess out of their lives with it. These are those believers classified in [2Tim 3:4](#) as LOVERS of pleasure rather than lovers of God. There is nothing wrong with pleasure but putting it before God by engaging in [Lascivious Lawlessness](#) brings disruption and fragmentation into one's life. The human body was originally CREATED for SEX which was originally designed for Pleasure not procreation. God designed SEX for the Human Race as an expression of one of the many manifestations of the LOVE of soul rapport in Marriage between one Man and one Woman as Husband and Wife. Arrogance is inordinate preoccupation with self therefore Sexual Arrogance is simply an extension of Sexual LUST from the Old Sin Nature. Lasciviousness is a trend of the Old Sin Nature and when stimulated by Sexual Lust and then linked with Arrogance produces 3 categories of temptation to engage in Sexual Arrogance:

#### ↪ **Normal Sexual Arrogance**

- Adultery – voluntary sexual intercourse of a married person with one, other than their spouse.
- Fornication – voluntary sexual intercourse of 2 unmarried or not married to each other.

#### ↪ **Abnormal Sexual Arrogance**

- Masturbation – Sexual Self Gratification
- Homosexuality – Sexual activity with one of the same sex
  - ↪ Lesbianism – homosexual relationships between women
  - ↪ Homosexualism – sexual relationships between men

- Incest – sexual intercourse between members of the same family
- Voyeurism – sexual gratification from watching others engage in Sexual intercourse
- ↳ **Criminal Sexual Arrogance**
  - Rape – forcing a person against their will to engage in sexual intercourse
  - Pederasty – adults having sex with children
  - Necrophilia – erotic attraction to or having sex with a corpse
  - Bestiality – Sexual relationship between a human and an animal

In Sexual Arrogance the trend toward lasciviousness in the Old Sin Nature seeks self gratification in some form of sex which is the Arrogance of Immorality or Sexual Arrogance but this does not imply loss of Salvation.

Sexual Arrogance is self centered gratification which is manifest by a variety of sexual sins or crimes. Sexual Arrogance is a devastating area of Arrogance and causes people to fail to properly evaluate situations and to understand what is important in life and thereby lose out on happiness and capacity for every category of life. Sexual Arrogance can be trying to prove physical superiority by having sex with a great many others. Ability in the field of intercourse, however, has nothing to do with a persons status as a person. The underlying principle of this is that Love and sex are related in the thinking however, sex without love is ritual without reality and Arrogance. It is therefore, selfcenteredness, preoccupation with self and involvement in the Interlocking System of Arrogance. Concentrating on self and self gratification is true Arrogance while concentrating on someone else and focusing attention on them is focus on a true love object. The person not preoccupied with self is preoccupied with the true love object and will be thoughtful of the object of his love during sexual intercourse. When this does not occur the person uses sex as a means of self gratification only. This destroys the capacity for all categories of love in this individual. In the male it is seen as polygamy, adultery or fornication and in the female it is seen as promiscuity, adultery or fornication. Emphasis on sex when there is no love is preoccupation with self just as drug addiction and compulsive eating are also preoccupation with self. When there is emphasis on love there is concentration on something totally apart from self, that is someone else. Polygamy and promiscuity are both detrimental to the Spiritual Life as well as destructive to any capacity for love and happiness and will inevitably cause the individual to enter into the Interlocking System of Arrogance. Sex can be a blessing or a distraction and is only a blessing as an expression of love in Monogamy and it is a great distraction as an expression of Arrogance in polygamy or promiscuity.

Along with trying to prove worth through many sexual intercourse activities with many people, men often think that taking advice from a woman in any area is demeaning and emasculating. However, the reality is that manhood is never in jeopardy when a man takes good advice from a woman. For women it is often considered demeaning and defeminizing to submit to a man in the situation of marriage or any other aspect of life where the man has the OBVIOUS authority. A woman's status and femininity are enhanced by submission and response to proper authority NEVER degraded. As a responder the woman is vulnerable to premarital sex which destroys the virtue and values on which compatibility and rapport in marriage are founded. Premarital sex may destroy a potentially wonderful marriage later in life. Generally both the man and the woman enter premarital sex under the Arrogance Skill of [Self Absorption](#).

In addition if a woman is not responding to her husband she will react and this involves the Arrogance skills which will ultimately destroy the spiritual life of the woman through retrogression in the soul. The vulnerable woman often enters the various stages of [Reversionism](#) and engages in a Frantic Search for Happiness where sexual gratification becomes the desired objective. This leads eventually to Blackout of the Soul and Scar Tissue of the Soul and ultimately ends with Reverse Process Reversionism and total destruction of her Spiritual Life.

Polygamy can be having a multiplicity of illegitimate sexual encounters with a number of different women and this is sexual Arrogance. This could be the male who has had multiple wives, *not necessarily at the same time*. Promiscuity as female sexual Arrogance is having multiple illegitimate sexual encounters. It should be obvious that both the male and female can be involved in polygamy, adultery and fornication with multiple sexual encounters both legitimate and illegitimate. ALL ruin the ability to engage in true LOVE. Polygamy and promiscuity are both detrimental to the Spiritual Life as a distraction from Bible Doctrine and also detrimental in the field of developing and having capacity for life, love and happiness. Polygamy is the sexual Arrogance of copulation with many women and marriage with these women is an attempt to make this legitimate. Once the male starts copulating with many women there is no legitimacy and the entrance into the Interlocking System of Arrogance is not worth the stimulation derived from these activities. God keeps many of these individuals alive to show them what jackasses they were by being polygamous. Marriage gives the right to engage in sex and remarriage allows for sex to occur legitimately with more than one woman. One may engage in marriage to more than one woman but this is still polygamy and whether he makes it legitimate sex or NOT the result is always the same. Mankind, both male and female, were designed for [MONOGAMY](#) and anything short of monogamy is going to be destructive to both the body and soul. This multiplicity of wives legalizes copulation in the eyes of the law but does not deliver the individuals from sexual Arrogance and it did not deliver David when the Interlocking System of Arrogance broke him into a shell of a man. One cannot have sex with a number of partners and have capacity for love or be a good parent. Sex can be a blessing or distraction but can only be a blessing as an expression of the true love of soul rapport in monogamy. Sex will be a distraction as an expression of Arrogance in polygamy, promiscuity, adultery or fornication and in effect polygamy is fornication.

This sexual Arrogance leads to sexual distortion and once in the Interlocking System of Arrogance the person becomes vulnerable to other aspects of Arrogance especially within the realm of distorted sex. This includes Homosexuality, Bestiality, Pederasty, ETC. These originate from the Lust patterns which stimulate the Trends and the Old Sin Nature to activate the area of weakness for temptations but they are derived from the Evil of Arrogance in the soul. Preoccupation with sex excludes any capacity for true love whether it involves masturbation, polygamy, fornication, etc., it is sexual Arrogance and results in becoming enmeshed in the Interlocking System of Arrogance. It is preoccupation with the Body and interlocks with [Impulsive Arrogance](#) in incest and fornication and with [Psychopathic Arrogance](#) or Criminal Arrogance in Rape. A nymphomaniac who is in sexual Arrogance has a pathological Arrogance which eventually leads to Reversionism and when this occurs there is

the quadrupling of Divine Discipline from the Arrogance side and Reversionism side together so that the discipline is so great that these women will very often kill themselves. All of these women who live long enough inevitably become psychotic. They are never normal and totally divorced from reality and ultimately have no enjoyment of sex. Illegitimate Sex is anything but happiness and it always includes Complications, Unhappiness and Divine Discipline for life. If sex was happiness and virtuous then the bible would have nothing to say about NOT fornicating. Also there is NO happiness in Personal Love alone and happiness in Personal Love and Sex comes only through Virtue. Personal Love is virtue dependent and is always totally dependent on Impersonal, Unconditional Love. Sexual Arrogance is preoccupation with self but this is not total subjectivity since there is only preoccupation with the frustrated body. Selfcenteredness always results in self gratification and when one cannot get gratification in Sex he often turns to Drugs or Alcohol under his preoccupation with self in Arrogance. Parents who have married based on sexual attraction never make good parents. In sexual Arrogance lust increases and then capacity for love decreases. Sex is a ritual related to the body while true love is related to the soul. Sexual Arrogance can result in destruction of one's life since it prevents proper function in every field of life.

### **King David & Sexual Arrogance**

David's mistresses and wives after he became king were many. ([2Sam 5:13](#)) This was David's primary problem. Polygamy was David's trap and he already had several wives when he began to fornicate with Bathsheba. When David became entangled deeply into the Interlocking System of Arrogance through Sexual Arrogance he became vulnerable to many aspects of Arrogance. One of the first things which happened to David, who had demonstrated throughout his life his exceptional courage starting with the Lion and Bear and moving to Goliath, was a fear of battle. When he became deeply entangled through sexual Arrogance he became an instant COWARD and this was the reason he was in Jerusalem while his armies were at war. This along with wanting to be close to all his girl friends was why he had Bathsheba brought to him and why he raped her, all part of his Arrogance involvement. Being already within the Interlocking System of Arrogance when he met Bathsheba he then became a Murderer when he arranged for her husband, Uriah the Hittite, to be killed in battle and thus he interlocked with Criminal Arrogance. He became also involved in [Blind Arrogance](#) and [Conspiratorial Arrogance](#). The Degeneracy of the Interlocking System of Arrogance involvement can occur at any time and at any level of Spiritual Growth because Arrogance Testing occurs throughout the entire Spiritual Life. Arrogance was the failing of David, Elijah, Paul and Moses all as highly mature believers. By the time David encountered Bathsheba David had already had over 20 years of prosperity as king and sexual Arrogance at this point led him into devastating troubles which included severe distributed Divine Discipline which lasted about 15 years. The last 10 years of his life were relatively quiet except for conspiracies and intrigues which ultimately resulted from his sexual Arrogance and involvement in the Interlocking System of Arrogance. David manufactured his own trouble by entering the Interlocking System of Arrogance and once he entered through polygamy he interlocked with many other areas of the Arrogance complex. Once the leader of the nation begins to commit crimes there is no court which can convict him but the Supreme Court of Heaven does and the result for David was 2 revolutions and the clear demonstration that any male or female who is sexually arrogant makes a terrible parent. This

finally changed when he settled down with Bathsheba with whom he had 4 children and these 2 people made excellent parents and in fact Solomon as a result of this union, became his heir and a great king. He was a terrible parent with Adanijah and Absalom and they both started revolutions against him. Polygamy was David's trap as a result of the many beautiful women he encountered and acquired as king. Michelle daughter of Saul, Abinoium of Jezreel, Abigail of Carmel the incredibly beautiful and intelligent one. Maakaah of Geshur was a favorite wife of David and mother of 2 of the most beautiful children ever to be seen, Absalom and Tamar. Hagath mother of Adanijah was also beautiful but ambitious and tried to use her relationship with David to push her handsome son to the inside track for being king after the death of Absalom. He, in fact, sat on the throne for a very short time in the midst of great royal intrigue and then forfeited his life. Abital and also Eglah. All these women were absolutely incredibly beautiful women among David's wives.

The Sexual Arrogance of leaders such as David invariably results in degeneracy in society in terms of mass involvement in the Interlocking System of Arrogance and thus ultimately in revolution. David was in the Interlocking System of Arrogance from sexual Arrogance and was a terrible father and all his children were potentially great but David as a terrible father never properly directed or guided them to exploit their greatness. David did not receive Divine Discipline and get into trouble within the kingdom because of Bathsheba because he was already in trouble when he met Bathsheba. Bathsheba was the magnificent straw which broke the camel's back but David was already failing in the Interlocking System of Arrogance. David in reality spent too much time in the candy store of sexual Arrogance. Bathsheba, however, was the turning point of his life in every sense of the word. She was the point of discovering what Category II love actually was. Bathsheba was the love of David's life and she bore him 5 children, 1 died at birth but the other 4 lived to be great men and Solomon and Nathan brought us the line of The Lord Jesus, The Christ through Joseph and Mary. However, Bathsheba was the source for his expression of all the Evil which comes from being in the Interlocking System of Arrogance. David had become a weak man and it only took the pregnancy of Bathsheba to bring out all that David was NOT. He was at that point a hollow person not the real man who came to the throne and he had become a coward, weak and a failure, afraid to go to battle because of his being in the Interlocking System of Arrogance. This destroyed the man who David was and left the shell. He was the replica of what his son Absalom would be in the revolution, a shell of a man, big, strong, well built, handsome, personable but having nothing inside. When Bathsheba told him of her pregnancy the Interlocking System of Arrogance functioning inside him caused David the liar, coward, criminal and murderer to come out and then God began to discipline him like no one ever has been disciplined.

Preoccupation with sex caused David in sexual Arrogance to be a rotten husband to his many wives and not even a good lover to his mistresses. It also caused him to neglect his duties as king and as military commander of the finest army of that time. He had 280,000 men and 3 battalions of rangers from the Greek sea peoples all great warriors. He had a system of military knighthood divided into 3 categories and Bathsheba's husband Uriah was a knight of the first class. While the army was besieging Rabbah David was fooling around in Jerusalem

because of his preoccupation with sex as a stimulation to make up for his cowardice. He was even aware of his own cowardice and his sexual Arrogance destroyed all honorable functions of his soul. Because polygamy is a distraction to true love in the soul, David was not capable of loving his wives. Instead David used these women for personal self gratification. Lust made David alert and vulnerable to the phenomenal beauty of Bathsheba who was on the military reservation living in the officer quarters below the great fortress of Zion. David, out on the battlements walking, saw her in her quarters taking a bath and his lust for Sex was stimulated by her fantastic beauty.

### **Sexual Arrogance & God's Gift to the Opposite Sex**

Berachah church and any other church will always have a number of males and females who think they are God's gifts to the opposite sex. To concentrate on self and indulge in self gratification becomes Arrogance while to concentrate on someone of the opposite sex is to focus attention on a true object of love. Love therefore is brought into focus as something which originates and is maintained in the soul not the bodily functions of sexual intercourse. The believer can begin to see that sex is a ritual which relates soul rapport and love to the body but it is the soul love which is the reality, therefore, sex as a ritual must reflect true love found in the soul of the individual. If one is in the Interlocking System of Arrogance God will allow him to fool around there until he is totally weakened and when God hits him with Divine Discipline he must remember that although he cannot stand up under this Divine Discipline he can handle suffering for blessing. Therefore the only real solution for that pain and pressure is to engage in function under the [Rebound Procedure](#) and return to the consistent intake of Bible Doctrine.

As a part of this type of Arrogance, people begin to think of themselves as sex athletes and consider themselves to be unusually great in the field when in reality they are complete and total failures. The only persons great in sex are those involved in monogamous Category II love relationships. This is a love relationship between 2 SOULS and sex becomes beautiful as a ritual and expression and as a satisfaction between one male and female. All the rest is a system of pornographic lies. The person who gets involved in the Interlocking System of Arrogance through sexual Arrogance generally winds up being some type of drug or alcohol abuser and ends up losing his mind or destroying his body through these abuses.

Sexual Arrogance exists in both male and female with different manifestations. In the woman it manifests itself through the seduction of VIP males such as Cleopatra seducing Gaius Julius Caesar, Messelina seducing Claudius, Aspasia seducing Pericles. Many women love to flirt and it used to be a characteristic of southern women but if and when it was taken seriously and a pass was made by a male it was, in the past, found to be just flirtation. This could be characterized as sexual Arrogance and cowardice where the individual is called a Teaser. Male sexual Arrogance is related to the development of a "harem" whether by fornication or polygamy and even involving homosexuality.

Once involved in sexual Arrogance a person enters the complex of the Interlocking System of Arrogance thus interacting and interlocking with other areas of Arrogance where this can result

in:

- ✧ **Rape** == interlocking with Psychopathic Arrogance or [Criminal Arrogance](#).
- ✧ **Christmas Party Fornication** == interlocking with [Institutional Arrogance](#).
- ✧ **Incest** == interlocking with [Impulsive Arrogance](#).
- ✧ **Promiscuity** == interlocking with Blind Arrogance or [Mental Attitude Arrogance](#).
- ✧ **Murder** == interlocking Criminal Arrogance with Conspiracy Arrogance

This is what David did in the murder of Uriah the Hittite.

### **Sexual Arrogance & Destruction of the Life**

Sexual Arrogance can result in destruction of the life as it prevents proper and effective function in every field of life. If one cannot think beyond the realm of his body he has no capacity for life and no ability to truly think, having nothing of any consequence in his soul. In the male and at times in the female, as degeneration increases it turns to criminal deviate sex. A male who looks at a woman with lust always has no capacity for love and vice versa. Males engaging in sex with many women intensify their involvement in this Arrogance. The more women there are the more intense becomes the Arrogance and the lust. This then leads to destruction of thought which leads to loss of integrity, honor, Metabolized Bible Doctrine and therefore inability to engage in application of Bible Doctrine to life. Sex, like drug abuse, destroys thinking and this, like all attempts at self gratification, will ultimately destroy the person. When one destroys thought resulting from Bible Doctrine or the Laws of Divine Establishment or whatever systems of honor and integrity one may have in life, this leaves nothing but emotion which takes over the soul. Once emotion takes over it makes a greater demand for whatever gratification system was being used. When emotion demands more sex performance than the body can handle this causes the person to go to drug abuse or some other thing for gratification and which eventually causes a total destruction of the body. Arrogance has no self discipline and no self control but is always total selfcenteredness. Arrogance in this realm thus destroys what sex is designed to be. Thus unrestrained sex destroys thought and then personal standards and once the standards are destroyed then through sex the emotions are dependent on the results in this temporary system of satisfaction. This results in frustration and then in increased desire for fun so that there is a movement from sex to drugs or other sublimation, until these people are totally destroyed. A woman so involved may not ever have this reality occur to her and she therefore becomes strictly emotional and loses touch with reality and society and destroys herself through sex. This results in total loss of capacity for life and love. A promiscuous woman then can be like a Judas goat leading many other women astray.

One of the great dangers in relationships is that a real man who worships a woman and respects, admires, has romantic thoughts about the woman, is vulnerable to what she says, thinks and writes. Therefore the woman has the greatest human power in the world with the potential of destroying the man but NOT through sex which is ludicrous but through instilling Arrogance in his soul. The woman who seeks to destroy a man by sex usually destroys herself when the man walks away from her.

### Sexual Arrogance & Society

American society is arrogant and part of this is a result of sexual promiscuity and no society ever survives permissiveness in the field of sexual promiscuity. When there is no restraint on the part of individuals in a free society they will destroy the society by sexual Arrogance. Where this sexual Arrogance exists the society is punished and destroyed by God. A society built on honor and integrity, built on standards and virtue, brings romance into focus in order for it to survive. Emotion without thought, sex without love cannot survive and is animalism. This is the history of black Africa and why they were a market for slavery in the first place. Their language was not designed for thought and was only an emotional language. This is why they had been manipulated and used for hundreds of years. If one is going to survive he must have thought and emotion must be related to and subservient to thought. Therefore, where thought is destroyed there is no way of surviving. An arrogant society will either be manipulated or destroyed and will not ever survive long in history. Only Bible Doctrine can rectify this situation through regeneration and then spiritual advance.

Any toleration of homosexuality individually or in a society is totally unacceptable and this aberrant sin is both crime and degeneracy. When homosexuals control or rule any organization the degeneracy is a cancer which will inevitably destroy the organization. To become homosexual one has to be morally degenerate and the degeneracy is totally destructive and has, in the United States, resulted in these individuals demanding pseudo rights. Homosexuals must never gain control of any area in life because the cancer of their degeneracy **MUST BE DESTROYED** lest it destroy the society. Today they are in the arrogant stage and their Arrogance always produces weakness which is vulnerable to flattery and seeks the tolerance of other degenerates. In the early 1900s the homosexual was considered the lowest form of individual in existence in society. They would beg to be jailed just to be protected from those who wanted to destroy them. Homosexuality is first a temptation and then a sin related to volitional degeneracy. In a degenerate degraded society, first there is the psychological acceptance of homosexuality then there is the legal acceptance. A Nation cannot tolerate homosexuality and survive and in a nation there can be sins of sexual lust and the nation still have prosperity but the nation cannot ever survive sins involving the moral degeneracy as homosexuality.

Governments, marriages and love all fail when there is only ritual without reality and this is why in the United States of America freedom has been disappearing since freedom has become today a ritual without the reality found in the Laws of Divine Establishment and Divine Institutions. When the pivot of mature believers is too small and the incidence of Scar Tissue of the Individual Soul collectively becomes too great the result is national involvement in the Interlocking System of Arrogance which produces degeneracy in the Stream of Consciousness of the Soul of the people. When [Scar Tissue of the Soul](#) and the Interlocking System of Arrogance involvement develop and expand such a nation is no longer qualified to function as client nation. This was a historical situation when Elijah became involved in the Interlocking System of Arrogance. He started into the Interlocking System of Arrogance by Impulsive Arrogance then moved into Institutional Arrogance and then to Criminal Arrogance. He was most likely involved also in Psychopathic Arrogance and was totally involved in Self Righteous Arrogance

and Blind Arrogance. However, The one thing he was not involved in was Sexual Arrogance. Sexual Arrogance is one of the worst aspects of Arrogance and it has made monsters out of the people in this nation where they have taken what God has made which is beautiful and distorted it so that they focus on sex only having become involved in [Emotional Revolt of the Soul](#). Sexual Intercourse is a biological function and activity but more than that it is emotional and therefore not rational. The only way for Sex to become rational is to have true soul rapport love and the only way to have this true love is through adherence to the Laws of Divine Establishment and the Divine Institutions. This is the reason for all of the distortions of sex seen in America today and, in fact at this point in time, normal fornication outside of marriage appears almost like morality because of the sexual degeneracy of the people in general. This is a clear demonstration that the people are totally out of line with the true keys to life and love.

### [Gate #61 – The Arrogance of the Crusader](#)

The motivations and policies of politicians and the false doctrines of apostate teachers will often disturb the believer resulting in his entering the Interlocking System of Arrogance. This is where the Interlocking System of Arrogance creates the crusaders of life. Crusader Arrogance is IMMORAL and is rejection of the freedom and rights of others by intruding on another man's privacy. Christian activists are [Legalists](#) and have distorted morality into a system of bullying and persecution to gain their own ends by using others. The fragmentation of the life of a Christian is always recognizable by the individual's involvement in some aspect of activism. These activists, having a fragmented life, will do whatever they can to interfere with the privacy and freedom of others when these [Self Righteous Arrogant](#) Christians think it is contrary to the Will of God. The reality, from which they are totally divorced, is that THESE THINGS ARE NONE OF THEIR BUSINESS. The fact is that NO ONE can change another rational person's mind by standing around in public opposing something and thereby making a fool of themselves. This is not where the impact in Christianity comes from and the ONLY impact of Christianity is through the execution of the Protocol Plan of God and becoming an invisible hero. In this Church Age it must come, NOT through OVERT crusading, but only through the existence of invisible heroes.

Life and history are filled with false doctrine, policies derived from EVIL and wrong motivations and these must not distract the believer from his Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, his divine objective in life and the purpose for his [Logistical Grace](#) support. These concepts must not hinder his momentum in the Plan of God and he must be persistent in the intake of Bible Doctrine. Understanding and accepting the 3 areas of [Absolute Truth](#) is critically important to national life and determining the [Motivational Virtue](#) of the individuals who make up the client nation to God. When the believer or unbeliever says NO to the [Laws of Divine Establishment](#) or the [Divine Institutions](#) he will say YES to the LIE of Satanic Policy which includes such concepts as socialism, welfare or communism, etc. When

the unbeliever says NO to the Gospel of The Lord Jesus, The Christ he will say YES to the satanic LIE of atheism or religion. When the believer says NO to Bible Doctrine he can believe only the LIE of [Human Viewpoint](#) and the doctrines of demons in the policy of Satan, Evil, and its resultant production of [Human Good](#). This results in immersion of the whole national entity in the LIE from EVIL as is clearly demonstrated by the overriding functions of social action, welfare state, redistribution of wealth, acceptance of socialism, islam, and the idea of generally loving everyone, which are integral in the Unites States of America today. When these 3 areas of Absolute Truth are ignored or rejected is it generally from an overriding influence of a strong personality, false teaching and false motivation.

The one involved in Crusader Arrogance uses people to suit his needs and fulfill his plans and objectives for solving the problems of the world. He invades privacy and exhibits viciousness in his persecutions of those who oppose him. This is a preoccupation with self which results in placing personal standards above the law and other establishment principles. This is involvement in [Self Justification](#) the 1<sup>st</sup> [Arrogance Skill](#). This person supports terrorism, assassination, vigilantism, rejection of establishment, in fact anything, in order to get his way. This is demonstrated by those who want to stop such things in society as abortion by contending that there is life in the womb and then bombing to destruction the clinics that provide that service. There is NO personal Sin which is the basis for condemnation before God, it is Adam's Original Sin not ours which condemns before God. Therefore, the same Arrogance that says Life exists in the womb says that the individual is only considered spiritually dead when HE commits a personal sin. Contending that life begins at conception is Self Righteous Arrogance, combining with the [Arrogance of Ignorance](#), Crusader Arrogance, [Arrogance of Emotion](#), [Negative Volition Arrogance](#), Anti-Establishment thinking, Cosmic Panacea concepts, [Religion](#), [Academic Speculations](#) and is an integral part of Satan's System of Evil. Crusader Arrogance involves people who divorce themselves from reality, lack common sense and try to change the world to fit their model. These persons place their personal standards above the law and this interlocks with many other Arrogance systems to move them to attempt to improve life. Christian involved in, Legalistic Religion or Political Social Action or Political Activism are a prime example of this.

### **Crusader Arrogance and Fanaticism**

Eventually the believer residing in the Interlocking System of Arrogance develops an obsession under Self Righteous Arrogance where their desire to superimpose their opinion on a few is expanded to wanting to superimpose their opinions on many others. Under [Personality Arrogance](#) the believer picks something he does not like and distorts Bible Doctrine to the point of supporting his ideas about this thing and his desire to stop its functions or destroy it and claims the bible supports his position. This is rampant in American society today concerning:

- ▲ Abortion
- ▲ Equal Rights
- ▲ Gun registration and / or confiscation
- ▲ Homosexuality
- ▲ Transgenderism
- ▲ Women's Lib

These are people who are **FANATICALLY** trying to get their way so that they can possess Power over others and become the recognized Authority. The driving force for this is POWER LUST derived from the Old Sin Nature. If one can influence enough people he can control those people. This brings to mind the involvement of individuals today which has been made possible by the internet systems of social media who have “influencers” who drive people to purchase or become involved in aspects of society which are in fact inconsequential. This is generally how politicians have been made in the United States of America for many decades. With this comes a pseudo righteous indignation which is totally out of control and is superimposition of ones standards and achievements on others without their consent. This often occurs in a Reaction to some government administration and is what occurred in the Reagan and Trump administrations. In both these cases these true conservative presidents were being run down by both liberals and conservatives because they did not join the band wagon of the party and did not agree with the personal self promoting crusades of other conservatives.

### **Pivotism vs Activism**

When the believer gets away from Pivotism, that is proper functioning in Phase II of the Plan of God to reach Maturity Adjustment to the Justice of God, and moves into activism they have left the Divine Dynasphere and moved into residence and function in the Cosmic Dynaspheres. These believers functioning under Crusader and Self Righteous Arrogance will very often practice civil disobedience which is, in a nation functioning under freedom, the quintessence of Arrogance. Nothing is every solved by protesting and marching but it makes small minded fanatical people feel good about their own self importance. Nothing is ever solved by violence or civil disobedience and violence is never authorized in a client nation to God and Christians involved in civil disobedience have a sense of Arrogance but not a sense of destiny. When considering the number of illegal aliens currently residing in the United States of America in the 21<sup>st</sup> century, one must recognize that this is a new field for evangelism and personal witnessing. These people may be the chance for a new pivot of believers and there are no accidents in life or history and they are here for a reason. Needless to say the United States of America needs this fresh blood.

### **Activism Disaster & Christian Nations**

There is a tremendous emphasis among evangelical Christians for the believer to enter into activism and practice social and political engineering and this trend is found in every aspect of American society. The real problem is that most of these Christians have NO CLUE as to what constitutes the actual Christian Way of Life. The ultimate purpose and function of the Christian Way of Life is to execute the Protocol Plan of God which has absolutely nothing to do with activism. Another aspect of Crusader Arrogance finds Christians involved with vigorous and often illegal activities to achieve political goals. They intrude upon the privacy and freedom of others, destroy property and indoctrinate their own small children to carry signs condemning things which they personally do not agree with. They constantly violate the constitutional rights of others and subscribe to the misconception that the United States of America is a “Christian” nation and this is a misunderstanding of the principles involved in the Priest or Client nation to God. In the priest or client nation to God there MUST BE:

- Freedom

- ✧ Privacy
- ✧ Ownership of Private Property
- ✧ Free Enterprise Economy
- ✧ Small government

In the client nation to God, there will be a certain percentage of believers, Christians, but this does not ever make the nation a “CHRISTIAN” nation. Evangelical Christians want laws passed to make all unbelievers criminals but whatever political and social systems may exist in the client nation, the people must have the right and freedom to make Salvation Adjustment to the Justice of God and to be evangelized for this purpose OR to totally reject God and Christ. These rights must be protected whether one agrees with them or not and whether one accepts the Opinions of others about ANYTHING or not is NOT THE ISSUE. Believers in the client nation must be free to FIND their own Right Pastor Teacher and learn the details of the Essence, Grace and Plan of God and thus have a fantastic historical impact but this IMPACT is to be INVISIBLE and visible activism destroys this potential. The interesting fact is that there are no such things as “Christian Laws” and the Mosaic Law is a perfect example and a perfect pattern because even it is segmented into 3 parts. One part, Codex II, is specifically for the believer including the sacrifices and furniture and whole systematic spiritual development of Sotieriology and Christology. The rest of the Mosaic Law Codex I and III, the Decalogue and the Laws of Divine Establishment, are for ALL people in general to enable them to live in a system of freedom so that they can make their own decisions for success or failure under FREEDOM. Any system which is designed for Christianity is always related to the Protocol Plan of God including the Invisible Assets for the believer’s spiritual growth. Therefore, believers HAVE NO RIGHT TO INTERFERE WITH THE LIVES OF OTHERS IN ANY WAY TO DICTATE HOW THEY SHOULD LIVE, WHAT THEY SHOULD WEAR AND WHAT THEY SHOULD THINK AND SAY.

Religious activism Justifies both Sin and Crime derived from EVIL in order to achieve their religious objectives.

- ✧ Religious Arrogance + Self Righteousness == Religious Activism

When, in any area of life, the objective is destruction of human freedom and developing the resultant tyranny or when the means does not justify the end but creates Sin, Crime or tyranny from EVIL, it must be rejected. Grace and activism are MUTUALLY EXCLUSIVE and GOD never has and never will become involved in activism. Activism is a terrible system under EVIL, a part of the mechanics of the plan and policy of Satan to rule this world and create a pseudo millennium before the 2<sup>nd</sup> advent of Christ and totally apart from God. The believer in The Lord Jesus, The Christ and member of the Royal Family of God must never get involved in any level of Arrogance including activism. Jesus condemned religious activism when speaking with regard to the adulterous woman. Self Righteous Arrogance seeks Self Justification against the truth and twists and distorts the truth when ever it can. In the Church Age, the dispensation of the Royal Family of God, precedence is based on Grace which provides the greatest self motivation to live the Spiritual Life. The issue must always be Grace over Legalism and Arrogance and this is the precedent for the entire Church Age.

There is a protocol concept involved in 1John 1:9, where ‘A Right Thing can only be done in a

Right Way'. Doing Wrong is removed from us by God always at the point of using the Rebound Procedure. Involvement in and function under the Arrogance Skills leads in part to wrongdoing in several ways and ultimately will lead to Reversionism and that to the Sin Unto Death. Wrongdoing encompasses the things one does which are sin but are unknown to him as sin, and this is the greatest disaster of the Spiritual Life. It is rejection of the power of the Spiritual Life given to the believer by The Lord Jesus, The Christ just before he left this earth. Wrongdoing will occur again and again in the life of the believer until there is sufficient spiritual growth from the accumulation of Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul. Wrongdoing encompasses such things as the sins involved in Activism and the Crusader functions of whitewashing the devil's world along with greater involvement in the Interlocking System of Arrogance and its complex of sins and much more.

### Reaction Leading to Crusader Arrogance

One's reaction to situations or individuals manufactures preoccupation with self and results in blaming others for the use of one's own volition in arrogant divorcement from reality, and total loss of common sense, wisdom and discernment. Reaction in life leads to Crusader Arrogance in the local church and the lack of emphasizing Bible Doctrine, and in life in general it leads to social engineering, utopianism, affirmative action, Cosmic Dynasphere I, Interlocking System of Arrogance involvement and in short total distraction from the Spiritual Life and total divorcement from reality. Every Believer must face momentum testing in the area of personal animosity as well as collective injustice. To maintain Integrity during these tests requires confidence toward God and courage toward man, worship toward God and morality toward man, Personal Love toward God and Impersonal Love for Mankind or focus on and saturation in the systems of Motivational Virtue and Functional Virtue. Response to God avoids reaction to mankind and Positive Volition to Bible Doctrine avoids distraction and departure from the Plan of God.

### Crusader vs Criminal

Crusader Arrogance is the opposite side of the coin of Criminal Arrogance and it very often interlocks with Criminal Arrogance by engaging in the process of supporting change through violence and vigilantism. The crusader and the criminal are as internally different as any 2 people can be. The crusader is totally Self Righteous trying to do good with the objective of helping and bettering humanity while the criminal is totally Self Centered trying to use humanity to better himself. Criminals function similarly to the crusader in that they both resent and destroy authority and they both are exceedingly arrogant. The crusader's motivation is Self Righteousness which is Righteous Indignation out of control. When they are offended by something it arouses an arrogant crusaderism whereas the criminal is only interested in self advancement or self enrichment. The crusader's Self Righteous Arrogance is a reaction to something in society which according to his standards is WRONG and must be made right. The criminal and crusader are both bitter toward society. The criminal has bitterness because if he is caught in doing what he wants to do, society is going to prosecute and punishment him. The crusader is bitter against society because they don't play according to his standards the way he wants to play.

Crusader Arrogance interlocks with Criminal Arrogance because many times those involved in being crusaders become criminals in order to gain their objectives and reforms. The Arrogance of taking the law into one's own hands by fomenting revolution, encouraging violence, assassination, kidnapping or other terrorist tactics are some of the ways crusaders become criminals. This is the Self Righteous indignation of the believer who reacts against some unfair system, such as the American evil, the illegal personal income tax system, and then he cheats on tax returns or refuses to pay taxes at all leading to a dishonest relationship with government which is NOT part of the [Royal Family Honor Code](#). The abused citizen is often very vulnerable to entering the Interlocking System of Arrogance in this way as a result of a criminal act perpetrated against himself or a loved one and then reacting with personal individual vigilante tactics as illustrated by the motion picture films "Death Wish" or "Obsession". Make no mistake, there is an individual [God given right](#) to protect one's own LIFE, Property, Privacy and Freedom or that of Loved Ones with the use of violence even to the point of lethal force when necessary and if one does not do so there is something seriously wrong with him. People who claim to be "NON VIOLENT" or "CONSCIENTIOUS OBJECTORS" to war or military service are either fantastic Cowards or the most Self Righteous and Arrogant individuals in existence to the point of Insanity. The believer's true responsibility toward the Lord does not imply irresponsibility toward establishment authority or the nation in general. However, Arrogance bypasses establishment authority in favor of personal retaliation and vengeance and results in breaking the very laws the believer is commanded to UPHOLD. This is the Self Righteousness which can lead to other very disastrous consequences for him.

### **Crusaders, Criminals, Revolution & Terrorism**

Crusader Arrogance is a superimposition of a set of personal standards and achievements on others without their consent. Many conservatives are not conservative from understanding freedom but only because they are afraid of losing something they have gained in life. Liberals are not truly liberal but they want something they do not have and in Arrogance they feel they have a right to take it. Under Arrogance they take the position that the means by which they get whatever they want justifies the end. These people are not qualified to have any more than an absolute minimum to sustain life and it is the greatest mistake in history for the United States of America to feed these low life people, the scum of society, under a welfare subsidy system. In doing so the government is creating a revolutionary scum which is a place for breeding violence as a result of their having no orientation to the [Laws of Divine Establishment](#) principles under which they should be functioning.

Without understanding and adherence to principles derived from Bible Doctrine there can be no change in anyone and when there is no change people become the product of their environment and this is the objective of EVIL. In as much as one is a product of his environment apart from Bible Doctrine he is automatically involved in Arrogance. Arrogance has 2 sides, the people in the ghettos are the most arrogant in the world when they say "we never had a chance and the world owes us" and their Arrogance comes directly from that attitude. The people who come out of the wealthy classes of society say "we have money, wealth and success and are better than most people" and this is an easy slide into Arrogance as well. However, the strangest thing is that overall the most arrogant people are the poor and

this is a result of the way they adjust to life apart from Bible Doctrine. Under this kind of Arrogance it is very easy to join any crusade to overthrow establishment in order to attempt to gain that which is perceived to be lacking in one's life.

Considering crusader Arrogance, the conservative may react to the failure of a liberal government to control Crime as a result of its saturation with Evil and take the law into his own hands to punish the criminal. Arrogance always pushes one to take the law into one's own hands and this leads to an encouragement to [Revolution](#). Therefore, when crime is totally out of control in a society, revolution becomes inevitable, and when crusades get out of control in a society then Revolution is also inevitable. Rebellion is Arrogance and Rejection of Authority whereas [Humility](#) is the recognition of and obedience to authority. Crusaders can, therefore, be nice people who become bitter in their reaction to the failures in a society. When they take the law into their own hands revolution is fomented, violence is encouraged and assassination, kidnapping and terrorist tactics are accomplished. By this means Crusaders very often in their passionate [Fanaticism](#) become criminals and both criminals and crusaders can be involved in terrorism. [Integrity](#), Honor and Justice must rule the people not flattery, Arrogance, and deception, therefore a leader in any area of society must have moral courage not immoral ambition. Revolution is inevitable when the [Arrogance Skills](#) dominate the people in any organization and it is only the incorruptible advanced believers among the people who remain uninvolved. However, Revolution can never advance beyond the Arrogance of the people involved. The crusader gains adherents through promising change while the criminal gains adherents through promising equality and in reality neither change nor equality brings happiness to the people. It takes both the crusaders, who want to solve the problems in a society, and the criminals, who only are interested in self advancement and enrichment, to engage in the violence needed to oppose the government or the society in general in a revolution. Criminals can, and often do, use crusaders and vice versa. Inevitably when the revolution is successful the criminals always kill the crusaders and take over since the crusaders do not share the self advancement and self aggrandizement of the criminals. Primary examples of these basic concepts are seen in the Russian, Chinese and French revolutions, and the destruction of Rhodesia, South Africa and other nations. Therefore, Crusader and Criminal Arrogance as part of the Interlocking System of Arrogance have the strong potential to bring about Revolution, the destruction of a system, and the destruction of establishment principles. This represents the function of Power Politics, that which destroys the system. It is important to remember always that God is not ever involved in any form of revolution. Revolution is a destructive force representing, not only the Interlocking System of Arrogance, but any form of antagonism to authority therefore is involvement in the Interlocking System of Antagonistic Emotional Hatred, Cosmic Dynasphere II.

### **Crusaders, Criminals & Manipulation of People**

The easiest people in the world to manipulate are those who cannot tell the difference between criminals and crusaders. This was President James Carter in support of the revolutionaries in Rhodesia who took over that country and also the communists who took over Nicaragua. Historically it also occurred also when Woodrow Wilson and Franklin Roosevelt allowed communism to remain strong in the world in Russia and China in particular. Conservatives in

this country have become so arrogant that they can be manipulated easily by communist conspiracies. God does not leave believers on this earth to become crusaders. Crusaders are only here to be the unwitting puppets of criminals. Labor unions in this country started out as a crusade to save laborers from unjust work environment and they have since been taken over by the criminals who force management to capitulate to their demands for wages and working environment. These unions are not only organizations to manipulate the working man but also to manipulate and control politicians and gain power in the nation. See the activities of Shawn Fain and the UAW in its crusade to unionize all auto industry workers in order to exercise political voting power to control the nation through the influence on elections. No crusade ever starts without some criminal element seeing a way to use it. The greatest thing for a criminal to use is a crusade which gives him respectability so that he can accomplish his own ends of self enrichment while presenting the appearance of being and doing good for mankind.

In any compromise by the individual of trying to function under both the authority of Evil and that of God the authority of Evil always wins out. This is due to the principle of distraction and also due to Arrogance. When the believer does this he will eventually say NO to the Absolute Truth of Bible Doctrine and thus build up intensified Arrogance and [Scar Tissue of the Soul](#) so that he then believes ONLY the LIE of false doctrine from EVIL in any category and then rationalizes it. This will position the believer to feel [Self Pity](#) when under pressure and then Self Righteousness when in prosperity and together these push him into a [Guilt Complex](#). Then he will attempt to do some 'good deed' to assuage his guilt and this will intensify his rationalization of the need for his greater efforts in doing good things.

### **Crusaders == Criminals**

Crusaders in Arrogance can obviously then become criminals in Arrogance. Elijah ordering the killing of the 400 prophets of Baal is a prime example. This was violence and murder outside the law. Crusaders can easily convert their Self Righteous indignation into terrorism. The injustice and Evil involvement on the part of another never justifies Evil involvement nor injustice on the part of the believer. The citizen who is the victim of crime and then takes the law into his own hands as a vigilante and goes after the criminal is a crusader who will turn criminal if he succeeds. This method of destroying criminals opens the door for greater crime by the destroyer. Only Arrogance wants to be a personal executioner of a criminal and one must remember that no one ever gets away with anything in life under the eyes of the Lord. Again, this most emphatically **DOES NOT** mean one should not protect life and property when necessary. This is self defense and not taking the law into one's own hands. When law abiding citizens either choose by vigilantism, or other means of superseding the law, to become criminal or when lawful citizens are made criminals by irrational and unjust laws then there is no restraint on criminality and, therefore, no differentiation between the criminal and the lawful citizen. Believers, under Logistical Grace, have a responsibility to accept the authority which God has delegated for the Human Race in the Angelic Conflict. When Arrogance is added to any false rationale it will allow one to squirm out from under the law and there will no longer be anyone who is a law abiding citizen. Once, one functions under Arrogance, one removes from his soul respect for authority and any restraint he may have. It is by this means he can then become involved in criminality. ([Rom 13:1-7](#)) There is no authority which exists

on this earth except that which has been delegated by God and those who resist authority will receive judgment from God AS WILL THOSE WHO ABUSE THE AUTHORITY GIVEN THEM BY GOD. Therefore responsibility for the believer is to respect authority wherever it is found and not involve self in anything which may be construed as resisting authority. This type of Arrogance was what occurred when John Calvin took over Geneva Switzerland and executed all of those who opposed his “Christian” standards.

### **Crusaders, Criminals & Destruction of the Nation**

When a lack of differentiation between the criminal and the lawful citizen occurs then there inevitably is anarchy. This destroys freedom, evangelism, privacy, property and the right of the individual to pursue a normal course of life without interference by the criminal. When all law abiding citizens are conditioned or caused to be considered criminals as a result of unjust treatment by government such as with the imposition of unjust taxation systems, cheating on income tax becomes the norm and the society is no longer stable but becomes weak and unstable. This society is then punished by the natural consequences of the violation of the Laws of Divine Establishment and also by the 5 cycles of Divine Discipline from God.

This is where Power Politics (See Lessons on Elijah) gets its start. A self-righteous person, being very arrogant, in his Arrogance, feels that he is an expert on how others ought to run their lives. Therefore he intrudes upon their privacy in order to set up standards for these others to follow. This starts social action, and as a result very often Christians who start out being self-righteous bullies in their own local churches wind up being crusaders. Power Politics, then, is essentially the concept of social action intruding upon the privacy and freedom of others in the name of the greater good. However, Pivot Politics emphasizes thought over action by the application of Bible Doctrine to crises in reverse concentration. Power Politics emphasizes action in the application of violence, tyranny, Arrogance, self-righteousness, revolution and assassination to the crisis, ALL under the principles of EVIL. Pivot Politics emphasizes Stability and Persistence under GRACE; Power Politics emphasizes CHANGE in every area under the principles of EVIL. It is interesting to note that almost always the first thing people want to do when they get some power is to change things in the system they are working in instead of observing and understanding the system first.

Human Good combines with Self Righteous Arrogance for the production from Evil. In the United States of America this is what has occurred for many decades and everywhere one turns people are reacting to various situations so that their Arrogance under prosperity produces Self Righteousness and under adversity or pressure produces Self Pity. Combining this with the desire to do good and sincerely wanting to help one's fellow man, is crusaderism as the result of the influence of EVIL from the Cosmic Dynasphere systems in the soul. This is the source of the bleeding heart liberal crusader attitude. If Satan as a super genius is incapable of ruling the world which he controls, and this is obvious by the overwhelming presence of sin and crime, then no man with any level of genius can do it either.

When man tries to solve the problems of life using his own ability by setting up and devising a system of Self Righteousness there is no solution. All solutions to the problems of life depend

on the imputation of Absolute Righteousness to man at Salvation Adjustment to the Justice of God. This is why it is essential that for a nation to be great it must have the Laws of Divine Establishment functions of Police, Military, Tough and Honorable Judges on the bench and a citizenry who function properly under these laws with honor and integrity. Man is incapable of solving man's problems by Man's standards. Self Righteous Arrogance sets up systems of Morality such as that which is found in Christian bible schools and calls it spirituality and contends that it is the Lord's standard. Self Righteous Arrogance + Human Good production results from the believer having a soul filled with concentrated Evil under systems of pseudo morality. Spirituality cannot ever be morality and these cannot be the same since the unbeliever can be very moral and anything an unbeliever can do cannot be spirituality. Spirituality belongs to the believer only and is an absolute Status Quo not a relative concept. It is the Filling ministry of God the Holy Spirit for each and every believer doing something he cannot of himself do. Morality is designed for the Human Race as a whole and is part of the function under the Laws of Divine Establishment.

A perfect example of this is the whole system of trying to clean the atmosphere of pollution and this is a fantastic demonstration of Human Good production from EVIL. The whole system of OSHA telling businesses what to do and as a result destroying their business is again a production of this EVIL. This is also the Evil American Federal Government trying to compete with Free Enterprise by taking control of industry and not being able to do it. This inability of the Federal Government is because it is composed of individuals who have no sense and less ability as a result of having been elected by those with less sense and ability as a result of the expanded voting franchise to the irresponsible. Free enterprise is made up of great men with great sense, ability and courage while government and its bureaucracies are made up of men with cowardice and idiocy totally lacking in ability. Government CANNOT compete with big business, they are incapable of doing it not being smart enough, courageous enough or honorable enough. They pass laws and pseudo laws called 'regulations' which act as laws, in jealousy telling business what they can and cannot do and by this very means show total injustice. These regulations have nothing to do with necessities for the businesses but are only related to the cheating Evil system of bureaucracies which attack big business under the guise of doing good for the greater number. It is amazing that the basis of American prosperity is still in existence in any form today in this United States of America, a teetering client nation to God, which it totally saturated with almost every aspect of EVIL.

The power of simply being involved in government systems very often produces Arrogance. Some jackass can graduate from a college with a BS degree and get into a bureaucracy and advance into an office in Washington and take their Arrogance to a business system which has been built on moral courage and genius and use this Arrogance and begin to destroy that system with idiotic 'regulations'. These people are not even elected but have moved into a bureau of government, which has been set up by idiotic politicians who do not want to actually do their job, and which is not answerable to anyone in government. Most people who become Politicians are first dishonest then arrogant and then with dishonesty and Arrogance they become hypocrites and thus amoral in their thinking. In this way people without talent or ability with nothing to offer and who would otherwise be total failures in life get into the

bureaus in government and find they have great authority or even if they don't they simply write up a system and set up the policy for the bureau giving themselves authority and power. This systematically destroys the freedom and rights of individuals and of both big and small business. In this manner America has allowed and tolerated the destruction of her military and great business enterprises such as the steel mills which can no longer produce the necessary castings or materials for tanks or artillery pieces to provide for military necessities. Instead we ship resources and scrap metals to Japan and China and have them produce the steel and other necessities for the military because AMERICANS ARE SO ARROGANT THAT THEY THINK THAT LABORERS SHOULD MAKE THE SAME SALARIES AS DOCTORS AND PROFESSORS.

### **Crusader Arrogance as Christian Activism**

Nothing is worse in this life than the supreme Arrogance of Christian Activism. It is not the mission of the individual member of the Royal Family of God in this dispensation to engage in Christian Activism. The impact of Christianity does exist through and as a result of evangelism but most Christians are INCAPABLE of involvement in personal evangelism because they do not even really know HOW to make Salvation Adjustment to the Justice of God without adding some form of Legalism to the process. Therefore, to outlaw a segment of society because they do not adhere to Christian principles would be a total disaster and to force a superficial theory of Christianity on all people is simply tyranny. The ONLY responsibility of the believer with regard to other people is to provide for them a lucid presentation of the true issues of the Gospel of Christ and make it clear to them that Eternal Salvation is ONLY through FAITH in the Substitutionary Spiritual Death of The Lord Jesus the Christ for their sins, thus leaving their acceptance and salvation or rejection and condemnation up to their own volition and God the Holy Spirit.

There have been and are major issues among the people in this country but what the Christians have been hung up on has been PRAYER in the public schools and the legality of abortion which are illogical issues in the first place. With regard to prayer in the public schools, public school is not now and has never been a place for prayer but is supposed to be a place to learn how to Speak ENGLISH, how to understand MATH, the History and Geography of this nation and how to grow up as an individual and live in relationship with others. The whole point of public school is to provide all the people with the opportunity to learn academics and social interaction protocols and it is NO PLACE FOR PRAYER. The most important point here is that there should be NO prayer allowed in public school because when it is allowed then any and all RELIGIONS would expect to be able to pray in their own way publicly. There should be ESTABLISHMENT principles involved in public schools with the Pledge of Allegiance to this nation but NOT prayer. In addition it is no business of any Christian to intrude into the privacy necessary between a patient and their doctor. If a woman does not desire to carry a fetus to term and deliver a child then she should have the right to abort it. The LOGICAL and RATIONAL thinking which should be behind this includes the fact that there is no life in the womb of the mother until GOD imputes Soul Life at Birth, and the fetus can be terminated UNTIL IT HAS THE POTENTIAL TO BE A VIABLE LIVING PERSON THEREFORE THERE SHOULD BE NO ABORTIONS ALLOWED IN THE THIRD TRIMESTER OF PREGNANCY. It is therefore in Arrogance that believers become involved in politics and activism and make issues

of things like Abortion or Prayer in the Public School, which are not true issues in the nation. ISSUES RELATED TO FREEDOM and PRIVACY are what are essential in the nation and the myriad of other false issues created from activism cloud these true issues in this nation. Freedom through military victory, free enterprise, little government for BIG PEOPLE. The Power and Influence of Christianity in any nation is ONLY based on the level of Metabolized Bible Doctrine circulating in the stream of Consciousness of the Soul of INDIVIDUAL Believers. Therefore, the push in any nation under freedom should be for MORE BELIEVERS not more rules and restrictions on freedom. When Believers are minus Bible Doctrine their souls develop a vacuum within which results in the soul sucking in false information from the LIE of Evil and thus becoming filled with garbage and as a result Bible Doctrine is Blotted Out or ERASED. Consequently, these believers often become involved in Crusader Arrogance. The purpose of the Christian in this dispensation is to tell people about the Birth and Death of The Lord Jesus, The Christ as a substitute for ALL the Sins of Mankind from the fall of Adam to the end of human history. As compassion increases culpability contracts and therefore the majority of Christians are caught up in the Arrogance of Activism which is guaranteed destruction of human freedom and is misplaced compassion and a distortion of the wonderful system devised by God.

Believers must be historically informed as to the situation in their nation but must not be doctrinally or arrogantly distracted. It is possible to have the facts of history and be distracted by them and what is actually occurring around one. This is to be distracted by the Interlocking System of Arrogance. The Interlocking System of Arrogance can and does take the true facts of history and causes the believer to be distracted by them and this results in believers crusading and becoming involved in social reform functions to help their fellow man. When one tries to crusade and reform anything in any society he forgets he cannot change the function of the Old Sin Nature. It is possible to restrain the Old Sin Nature but no one can destroy or change the Old Sin Nature nor its functions. It is an absolutely total waste of time to become involved in crusades with their functions of [Human Good](#) and altruism. In addition the believer involved in these things is wasting the time given him by God, which is given NOT to change the Old Sin Nature of other people or get into altruism and crusades but to take in Bible Doctrine and grow up in the Spiritual Life and change his own life. [Logistical Grace](#) support and spiritual advance will provide sufficient opportunity for eventual production to serve the Lord (not for personal aggrandizement or blessing). What He provides is on a Grace basis and within the Plan of God and includes the functions of witnessing, evangelism, communication of Bible Doctrine and proper use of authority but NEVER crusading. Most believers, at some point, want to crusade for something and they would like to change certain things in society and given the opportunity would go wild in changing things. This is never the answer to problems in society and crusading will never save the country. The only real solutions for any country, including the United States of America, are based on consistency in Perception, Cognition, Inculcation & Metabolization of Bible Doctrine by the individual believers in the nation. The believer MUST be historically informed but it is incorrect to be distracted

by Interlocking System of Arrogance involvement where he tries to take the law or authority in to his own hands to rectify a destructive situation. Stability in life demands cognizance without Arrogance and the thinking of the believer must emphasize that The Lord Jesus, The Christ controls Human History even when it seems to be out of control. Believers must remember that they cannot change people or history only The Lord Jesus, The Christ can.

Preoccupation with disaster is one major reason believers peel off from and neglect Bible Doctrine. Disaster very often distracts from Perception, Cognition, Incultation & Metabolization of Bible Doctrine and kills momentum in the Plan of God and becomes or results in demon obsession. Such distraction results in Arrogance which becomes obsessed with problems in life and human solutions just as does every type of crusader. The obsessed person is so preoccupied with the problems and human solutions that the only divine solution is excluded. [Negative Volition](#) toward Bible Doctrine causes the believer to believe the LIE of the policy and plan of Satan, EVIL, as part of this demon obsession. The believer preoccupied with disaster becomes an arrogant crusader full of Self Righteousness which the disaster turns into Self Pity. This Self Righteousness ignores the divine solution found in the pivot of mature believers and looks for Human Good solutions from the motivation of Evil and the talent and abilities of man.

No matter how hard Satan tries to produce good his good always comes 100% from functions under his policy of EVIL, therefore, activism of any kind is completely based in EVIL. No truth can influence [Power Mad Arrogance](#) which is combined with Crusader Arrogance to destroy the impact of Absolute Truth in the souls and minds of people and this is ACTIVISM. One of the key and in fact a most important function in the Christian Way of Life is the consistent use of the [Rebound Procedure](#). The phrase, “Escape from the snare of the Devil” refers to avoidance of perpetual carnality ([1John 1:3](#)) by means of the consistent use of Rebound. Rejection or neglect in using the Rebound Procedure changes the category of a sin so that relatively innocuous sins can become very destructive sins. In this way sins change their relative importance and become a greater category as a result of greater influence from Evil when there is rejection of rebound and as a result of this every stage of [Reversionism](#) is amplified. When a believer is said to be captured by Satan he is actuality involved in perpetual carnality from lack of rebound. As a result, sins which were simple are no longer the same and become greater and greater from Evil influence, until what appears to be innocuous sin becomes a powerful sin ensnaring the believer in a pattern of Evil thinking. This is what occurs in the Arrogance of Activism and what starts out as simply dead human effort works becomes incredibly great functions under Evil. To destroy the [Virtue and Integrity](#) of the unique Spiritual Life in all of human history designed for the Royal Family of God in this Church Age, as a result of unconfessed sin, is the Arrogance of robbing self of capacity for life, love and happiness.

One thing which can destroy the Christian Way of Life faster than just about anything else is SOCIAL ACTION. The Royal Family of God, the “brethren” of The Lord Jesus, The Christ is not here for social action but for personal, individual spiritual advance and growth. To the

extent that the believer becomes involved in social action, trying to white wash the devils world, he is, to that extent, distracted from Bible Doctrine and has the Mental Attitude of [Human Viewpoint](#). He might just as well not be a believer from the standpoint of his thinking. Social action is Self Righteousness and Self Righteousness is Arrogance and it is supreme Arrogance to think anyone or any group of people can change anything in the devil's world. It is more than Arrogance to think one can outwit the devil, who is smarter than man could ever hope to be, and he will, under his plan and policy, finesse the unwitting believer directly into his camp. The believer is here to advance to [Maturity Adjustment to the Justice of God](#) and he must stay out of social action and political activism. Christianity is NOT a CRUSADE AGAINST EVIL BUT IS DESIGNED FOR THE INVISIBLE PRESERVATION OF THE CLIENT NATION TO GOD. Everyone is tempted to crusade about something but this is missing the boat about what the Royal Family of God is actually for and only Metabolized Bible Doctrine will alert the believer to the facts concerning his responsibility as a believer in life. The Apostasy of [Reversionism](#) is an expression of Self Righteousness and is demonstrated by all Human Good efforts and in Paul's day it was keeping the law and today it is social action and crusading.

### [Christian Activism & the Arrogance Skills](#)

The Profile of Christian Activist is illustrated by the scribes and pharisees who were involved in both the [Arrogance Skills](#) and the Interlocking System of Arrogance focused in Crusader Arrogance. The scribes and pharisees were officers of the court, religious leaders and religious activists most likely unbelievers. The Christian activist, however, has achieved [Salvation Adjustment to the Justice of God](#) with all of the benefits involved with that. Yet he is a "religious" activist, regenerated, having prejudice, involved with malice and other actions from the Arrogance skills. He has combined Self Righteous Arrogance with Crusader Arrogance resulting in christian activism which causes a greater function within the Interlocking System of Arrogance complex and the Arrogance Skills.

[Self Justification](#) is the basis for maintaining their status quo and position while they are trying to discredit those whom they oppose.

[Self Deception](#) then uses the [Maladaptive Defense Mechanisms](#) including denial and projection resulting in total divorcement from reality.

[Self Absorption](#) is the basis for projection and is based on the lust of malice and vituperation in an attempt to destroy those whom they oppose.

Christian activism is one of the great illustrations of how all three of the Arrogance Skills coordinate to distract the believer from the protocol plan of God. Under the influence of Evil functions of Christian Activism demand Self Justification. Christian activism contends that the means justifies the end, and therefore, that leads to the greatest possible Self Deception. Then the combination of Self Justification and Self Deception in the believer always results in functioning under the defense mechanisms of Denial and Projection. Denial is always Self Deception because it divorces the believer from spiritual reality and the true content of the infallible word of God. Projection is always Self Justification at the expense of someone else. Self Justification or Projection results in a phenomenal outburst of involvement in the totality of the Interlocking System of Arrogance especially within [Emotional Arrogance](#) and the [Emotional Revolt of the Soul](#) in Reversionism. This, if unchecked, inevitably leads to entanglement in the

Interlocking System of Antagonistic Emotional Hatred, Cosmic Dynasphere II. Christian activism as a part of or driving force into this, is therefore described in the Scripture as dead works or human good as the production of Evil. The inevitable result of this course of action is the locked-in Arrogance of Self Absorption. This combined with Denial and Projection results in the entanglement in [Functional Arrogance](#) with the sins of vituperation, vilification, malice, judging, maligning, gossip, the creation of the public lie, etc.. This is the true manifestation of the Arrogance Skills in Christian Activism. When this intensive entrapment in the Arrogance Skills is added to other aspects of [Motivational Arrogance](#) and Functional Arrogance the spiritual skills are then completely immobilized and replaced by the Arrogance Skills.

This illustration demonstrates that ALL distractions and deviations from the protocol plan of God are justified through the function of the Arrogance Skills. The Self Justification of Crusader Arrogance with its Christian Activism results in Self Deception. Self Deception leads to denial, a total divorcement from the reality of Bible doctrine and acceptance and voluntary function under the Evils of Christian Activism as well as other forms of religious legalism. Self Absorption rejects and reacts to any suggestion that Christian Activism is from Evil. In addition, Self Righteous Arrogance interlocking with Crusader Arrogance also results in Self Justification. Part of the inevitable involvement in Self Deception is being so divorced from reality that the believer takes his own flaws and superimposes them on those around him. ([1John 1:8](#)) This Self-deception leads the believer directly into self-absorption. ([Gal 6:3](#), [James 3:14](#)) Therefore, when the believer sows the Arrogance Skills, he reaps the most miserable life and becomes a [Psychopathic](#) believer. ([Gal 6:7](#), [Hos 8:7](#))

### [Christian Activism and Legislation](#)

When one attempts to legislate compassion he destroys freedom and this results in Pseudo compassion and the misuse of compassion in activism, tyranny, revolution, and crusader Arrogance. The Interlocking System of Arrogance thereby causes the creation of individual flaws and the justification of these aspects of Arrogance which are the motivation for the position the activist holds. Therefore, religious activism justifies sin and crime based on Evil on the basis of achieving “religious” objectives and they proclaim that “The means justifies the end”. Religious activism is most often manifest by the use of the Arrogance Skills to justify and deceive self and enter total divorcement from reality. These individuals will never use the equal privilege nor the equal opportunity of the Christian Way of Life and will never execute the Protocol Plan of God even IF they have entered it, which most likely they have not!

### [Christian Activism & Legalism](#)

The mandate to the believer is to engage in Resistance of the Devil and involves the avoidance of the Arrogance involved in Christian Activism which combines and interlocks Self Righteous Arrogance with Crusader Arrogance and Religious Legalism. To resist the devil the believer must be FIRM in Bible Doctrine and not motivated for activism. It is the Arrogance of Activism which results in the believer becoming HUMANISTIC in his philosophy and thus being caught in [Reversionism](#) where he becomes occupied with temporal solutions to man’s problems. He advocates systems to improve man’s environment, station in life and compliance with systems of legalism rather than his relationship to God. Christian Activism Includes:

- ✧ Social Gospel
- ✧ Social Engineering
- ✧ Social Crusades related to Moral Degeneracy
  - This was the failure of China Inland Missionaries accepting communism in china.
- ✧ Civil Disobedience
- ✧ Violence even to the point of murder
- ✧ Destruction of Private property
  - This is the activist bombing abortion clinics.
- ✧ Even REVOLUTION.

Therefore, one of the greatest signs of the fragmented life of the believer is the disaster of Christians sticking their noses into other people's business rather than presenting the Gospel of Christ.

Without Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the 'loser' believer emphasizes some other mechanism for solutions to man's problems, often political, social or involving some other system and becomes involved in various aspects of Activism. The '[Cogs of Carnality](#)' are a way of referring to the meshing of the "Gears" of persistent carnality which results in moving the believer into the cyclic function of the Arrogance Skills causing him to regress from even the Status Quo of Adult or Mature Believer to that of Loser Believer. By Definition the 'loser believer' bypasses the [Rebound Procedure](#) from a position of Arrogance. As he continues down this road he becomes more involved in the Arrogance Skills and the Interlocking System of Arrogance and deceives self and becomes absorbed with self. All the while rejecting rebound repeatedly and moving down the twisted road to ruin in prolonged carnality heading into [Reversionism](#). As a result, the believer who functions under prolonged carnality very often enters into Christian Activism. Today, in the United States of America there literally are millions of believers involved in activism but this activism has in fact always existed because it goes with Arrogance. ([Prov 16:25](#), [Prov 14:12](#), [Rev 3:1](#))

Christian Activism can be vigilantism and the Modus Operandi of trying to punish criminals outside of the Law and as an emotional and arrogant sin totally wipes out the law. Social Engineering usually comes from [Bitterness](#) and results in trying to change the world to fulfill the concept of self justification from that bitterness. It includes the destruction of property and life and is totally against the word of God. Socialism of any kind including Utopian Socialism with its redistribution of Wealth is Tyranny. Socialism puts all the wealth into the controlling hands of the Government and by this attempts to prevent the FAILURE of the individual by redistribution of this wealth. This whole system was developed by a clergyman in England and is the epitome of Christian Activism. Civil Disobedience, where born again believers go against the government and the law, is also totally against the word of God and is an integral part of EVIL. The Dark side of Morality is where the sincerity of [Legalistic](#) christian activists says that the ends justify the means of accomplishing them. Therefore, Crusader Arrogance is the way to christian activism and vice versa and is justified by the crusader under the concept of helping

the country or the people.

### **Christian Activism & Conspiracy**

This is a combination and interlocking with and **Self Righteous Arrogance** producing a strong or impulsive desire to superimpose one's **Opinions**, principles and standards on others without their consent. These persons believe they have a right to do so because their cause is just under their involvement in **BLIND Arrogance**. Thus they justify using ANY means to gain their objective because their cause is in their thinking, JUST, and when Christians persist in sticking their noses into the business of other individuals or organizations they become involved in Activism which is based totally on EVIL. This often involves **EMOTIONAL** ANGER which is a terrible and destructive sin. Most people think they are RIGHT about things because they are ARROGANT, NOT because they are informed by the Word of God. In Crusader Arrogance the people think their cause is just therefore they think they are justified to invade privacy and destroy private property and even advocate civil disobedience, which is Moral Degeneracy, and will even use FORCE to impose their thinking and system on others. The destruction of private property with violence causes others to lose employment or be driven from their personal environment and this involves BELIEVERS in Arrogance expressing INTOLERANCE and STUPIDITY. Crusader Arrogance ignores the Honorable Judicial System for redressing grievances and it believes in vigilante solutions which bypass governmental law and order. Believers involved in Crusader Arrogance therefore practice civil disobedience and become involved in conspiracies such as:

- Anti Abortion
- Anti Nuclear
- Anti War
- Anti Gun
- Terrorism for Civil Rights
- Environmentalism

Therefore, the believer involved in crusader Arrogance is either:

- Ignorant of Bible Doctrine
- Has Made a false application of Bible Doctrine from EMOTIONAL Arrogance

This believer is therefore playing God and is involved in one of the worst blasphemes ever. The United States of America should not be trying to superimpose its ideals on other nations but should be providing EFFECTIVE PROPERLY PREPARED MISSIONARIES to take the gospel of Christ to them and then TRAIN those new believers to become indigenous pastors and evangelists to their own people. THIS is the greatest failure in the United States of America as a client nation to God.

### **Christian Responsibilities vs Activism**

Christians are often offended by what others do and others are often offended by what Christians do and this always is a totally false issue created by Arrogance. Today, in the 21<sup>st</sup> century, 95% of all believers have pulled the Arrogance pin and as a result have fragmented their own lives. They have become monsters by trying to have their way in many areas of life which the Christian Way of Life has nothing to do with. The Christian has the right, under

freedom, to execute the Protocol Plan of God and become an invisible hero and like all other people the right to his own opinions but must not become involved in Personal Opinion Arrogance. Christians MUST recognize also that people have the right to enter into cults or religions and must also realize that these are the Devils ACE trump card in Human History to distract people from the Absolute Truth of the Gospel and Plan of God and are also the MOST destructive things in Human History. In other words, people have a right to think, say, do and believe what they want to think, say, do or believe. Christians for many past decades in American recent history have entered into a state of insanity as a result of NOT understanding anything about the Plan of God or the Christian Way of Life. The Plan of God emphasizes that the impact of Christianity is always an INVISIBLE IMPACT from believers in [Maturity Adjustment to the Justice of God](#) and not from crusaderism and activism. Christians like all citizens of this nation have CIVIL responsibilities including:

- ✧ Military Service
- ✧ Civil Service
- ✧ Paying Taxes
- ✧ Fulfilling civic responsibilities

However these do not include options for:

- ✧ Violence
- ✧ Intrusion on the privacy of others
- ✧ Destruction of private property
- ✧ Nor ANY form of civil disobedience

Yet Christian leaders constantly advocate these things. The principle of the Separation of Church and State demands that the believer understands his purpose in society in terms of the Purpose, Plan and Will of God for the Church Age believer who is part of the Royal Family of God. The spiritual impact of the Protocol Plan of God not only opposes Christian Activism but assigns it to the Interlocking System of Arrogance, Cosmic Dynasphere I and involvement in Sin, Crime and [Human Good](#) production all from and under functions of EVIL.

The real tragedy is that AS goes the believer SO goes the client nation to God where the client nation is defined in terms of spiritual activity under the [Laws of Divine Establishment](#) and the [Divine Institution](#) freedoms. The Lord Jesus, The Christ anticipated the responsibilities of the Christian in this Church Age when he said “render to Caesar the things which are Caesar’s and to God the things which are God’s”. Therefore, all believers have DUAL responsibilities but these do not include Crusading or any form of ACTIVISM. The principle of the Christian Responsibility to “Render unto Caesar” is his responsibility under establishment activity including the proper functions of:

- ✧ Divine Institutions
- ✧ Freedom
- ✧ Privacy
- ✧ Private Property
- ✧ The Right of self determination
- ✧ Responsibility to serve in the military because all freedom is through military victory
- ✧ Free Enterprise with the inevitable existence of WEALTH and POVERTY side by side.
  - The only interference in Free Enterprise should be by Law Enforcement where

criminality of function exists.

- Separation of Business and State
- Separation of Church and State

The Laws against criminality must be designed to protect citizens against criminality and not make citizens criminals for violation of arbitrary and tyrannical bureaucratic rules.

Render unto God is the Execution of the Protocol Plan of God and manufacturing of invisible heroes and the establishment of a Pivot of Mature Believers which brings blessing by association to the client nation. Christians have the right to evangelize where there is a WILLINGNESS of others to listen but NOT where the doors are shut and there is no desire to listen. The establishment of the Pivot of Mature believers as Invisible Heroes in the client nation to God, brings out the principle of Manifest Destiny which demands blessing by association with these mature believers. ALL 5 of the Jewish priest nations started out GREAT but ALL 5 failed and disappeared from history for the same reason the disappearance of the Pivot of Mature believers. The believers, even there, were involved in religion and activism and failed to execute the Plan of God for the Age of Israel. Therefore, it becomes crystal clear that Activism in the Client nation to God is a cancer and in the Church Age Christian activism is a total failure of the Christian and a sign of the fragmentation of his life. ([Rom 12:2-3](#)) Change for the believer must be in the Thinking of his Soul and based on his advance to Maturity Adjustment to the Justice of God and Beyond. Christian Activism is part of the satanic strategy to distract the believer from fulfilling the Plan of God and is the Human Good production of the Christian trying to improve the world ruled by Satan. ([2Cor 2:11](#), [2Cor 11:3](#), [James 4:6-7](#), [1Pet 5:5-6](#)) These are believers involved in temporal solutions to life when spiritual solutions are available but have been rejected and which are in reality the ONLY solutions.

### **Gate #62 – The Arrogance of Conspiracy**

Conspiracies exist whenever 2 or more people get together in this world and wherever there is one person with Arrogance there is the strong potential for a Conspiracy to exist or develop. When individuals become discontented and are flawed with Arrogance they inevitably become involved in conspiracies. When Arrogance enters into a Conspiracy CRUELTY inevitably results and Arrogant people, whether they are believers or unbelievers, inevitably become cruel and they can be found in all types of organizations. These Arrogant individuals always try to get close to other people in order to undermine someone they do not like and this happens every day and this is their life in Cosmic Dynasphere I. Therefore some of the most vicious cruel people are believers entangled in Arrogance and involved in Conspiracy. If believers involved in [Christian Activism](#) had their way and could control the country they would burn at the stake anyone focused on Grace. In fact a prime example were the Witch Hunts of the Puritans which were examples of Conspiratorial Arrogance among believers involved deeply in Cosmic Dynasphere I.

Therefore, Conspiracy Arrogance is a function of the Mutual Admiration Society in rejecting legitimate authority and forming a Conspiracy against it. Mutual Admiration Societies are conspiracies derived from Evil and based on pseudo friendships and mutual antagonism toward a third party. The overriding principle of Human History is that *the type of leadership that a nation has reflects the attitude of the people in that country*, OTHERWISE The Lord Jesus, The Christ, who controls Human History, would see that other leadership would exist there. Many of the conflicts which exist in a nation exist because there is an administration which is incompatible with the attitude of the people in that nation. This is why from 2016-2020 Mr. Trump had so much trouble in the United States trying to reorient this nation to establishment principles. This is degeneracy and this degeneration is not just IMMORALITY. Conspiratorial Arrogance occurred in the United States of America in the 1979 period where an Arab worked for Arabs along with blacks to form a Conspiracy. The Arrogant Arab and the inadequate Arabs and blacks had combined forming a Conspiracy against free enterprise. They had announced on national TV that they were going to force the giving of money by businesses to black revolutionary organizations or they were going to cut off business with them. This was a crime and blackmail and typical of the Interlocking System of Arrogance moving from Conspiratorial Arrogance to [Criminal Arrogance](#).

In any organization, institution or Modus Operandi of life some form of authority must exist. The Conspiratorial Mutual admiration society is composed of the Arrogant and Inadequate individuals and is based on [PRIDE](#). The Arrogant and Inadequate are 2 parts of [Institutional Arrogance](#) and interlock with it. These are the 2 personality factors in any pseudo love relationship:

- ▲ Arrogant == Conspirator
- ▲ Inadequate == Follower

Both are saturated with pride. The Arrogant ones think they are greater than the system while the Inadequate ones think the system has overlooked their talent and ability. Conspiracy is formed through mutual antagonism to authority and therefore originates from Institutional Arrogance. The Mutual Admiration Society exists only to overthrow legitimate [Authority](#) and therefore these 2 categories of individuals combine forces to fulfill the principle of the weak attacking the strong. The concept that opposites attract is only accurate when Evil is the basis and Conspiratorial Arrogance is Evil. ([Ps 12:2-4](#))

Therefore, Conspiracy Arrogance results from rejection of authority in Institutional Arrogance and results in the formation of a Conspiracy to overthrow the authority and leadership in an institution. It is the real or even the planned overthrow of authority in one's vicinity. This is often done in the name of Christianity, or some "greater good", or simply because one likes it better that way, he may have rejected the Laws of Divine Establishment and believes he is more important than anyone else. In the Conspiracy, the relationship between the 2 personalities is formed through mutual antagonism toward authority Z, and therefore originates as an offshoot of [Impulsive Arrogance](#). X is the Arrogant aggressor in the Conspiracy and the initiator having a Strong personality, being Anti any authority which always challenges his ego and X conspires with Y the inadequate, unappreciated or unrecognized one. X exploits Y through flattery to form the Mutual Admiration Society whose purpose is to overthrow the

legitimate authority of Z. Y is the inadequate follower and just as Arrogant as X but with a weak personality. He is vulnerable to flattery which causes him to overestimate his own value in Arrogance and underestimate Z's authority. Z is the legitimate authority and rejected by Arrogance and the target for the Conspiracy. Both Arrogant and inadequate are entangled in [Motivational Arrogance](#) and filled with [Mental Attitude Arrogance](#) and its Sins.

2 Primary Factors are invariably involved with Conspiracy Arrogance:

- A Total sense of inadequacy
- A Keen sense of competitiveness to take up the slack of inadequacy by criticizing others.

It is some aspect of Arrogance in a person which invariably leads him to join a Conspiracy against a personality who has rejected him in some way and is therefore rejected by him. These people involved in Conspiracy may be antithetical in nature but share a rejection of authority and the person in authority. Through this overt conspiratorial expression of their Arrogance they are personally destroying themselves even if their Conspiracy fails. If their Conspiracy succeeds they are in this way guaranteeing their own unhappiness and have entered into [Functional Arrogance](#) deeply entangled in Evil. All Conspiracy against Legitimate Authority is Functional Arrogance or Functional Degeneracy derived from the principles of Evil and must have a system of Motivation backing it from Motivational Arrogance or Motivational Degeneracy of Mental Attitude Arrogance. Arrogance invariably causes resentment of the authority or the person in authority, [Jealousy](#) results in joining the Conspiracy to destroy the authority. Vindictiveness and Implacability results in planning and executing a Conspiracy. [Self Pity](#) as a result of real or imagined maltreatment or injustice results in an attraction to the Conspiracy to assuage this self pity and correct the maltreatment. Therefore, ALL Conspiracy is derived from Motivational Arrogance from an intensive interaction with Mental Attitude Arrogance and results in a malfunction in thinking on a base level.

There are a myriad of places where one's use of freedom can be focused on the destruction of Authority. This inevitably is the use of one's freedom to destroy one's own freedom and it always begins with Motivational Arrogance which moves directly into Functional Arrogance. This is what becomes Conspiracy and when it moves to actually destroy authority then one has destroyed his own freedom. The essential balance between Authority and Freedom comes only under [Laws of Divine Establishment](#) or Bible Doctrine within the Divine Dynasphere and any involvement in Arrogance always destroys one or the other. Decisions can be made by those in authority to abuse their authority as a result of not knowing how to handle it so that they become a tyrant and also destroy freedom. Decisions can be made from freedom to join conspiracies and destroy authority resulting in Anarchy, also destroying all freedom. This is true in both personal life and in collective life. When conspiracies are formed by the Mutual Admiration Society this always includes Motivational Arrogance from Evil as the Aggressive Subjectivity of Mental Attitude Arrogance. Inevitably when conspiracies are formed by the Mutual Admiration society it also always includes Motivational Arrogance as Passive Subjectivity in the people who are inadequate dupes in the Conspiracy. These Inadequate individuals are always malcontent in any organization and they have no capacity for any aspect of LIFE.

The Inadequate Person proclaims “I HATE YOU”, and the fact that he hates means HE IS ARROGANT and under Motivational Arrogance. What he is in fact saying is, “I HATE YOU so I am going to GET YOU and use violence and Conspiracy to destroy you” all under Functional Arrogance both derived from Evil. This is the detonation of the Arrogance Grenade in his life:

- ▲ Motivational Arrogance or Degeneracy from Evil begins thinking in terms of Mental Attitude Arrogance and Mental Attitude Sins.
  - ▼ Jealousy, vindictiveness, implacability, Self Pity, Guilt, etc.
- ▲ The driving focus is for fun in life and this results in decisions to SKIP the Perception, Cognition, Incultation and Metabolization of Bible Doctrine.
- ▲ This leads to rejection of any and all aspects of authority in one’s periphery.
  - ▼ This person lacks the result from development in the [Authority Envelope](#) of the Divine Dynasphere where he should have developed Enforced Humility and Genuine Humility and a proper Authority Orientation.

The existence of inadequacy in a person means lack of capacity for life in every category. Inadequate persons cannot handle any delegated authority nor the job in which that authority exists and therefore invariably he has been promoted BEYOND his capacity and his capabilities. One cannot have capacity for any area of life without capability in that area of function. Being minus capacity for any aspect of life or function means one also lacks a personal sense of Responsibility and HONOR. This is the person who likes the bigger salary but lacks the capability to perform the job correctly. This category of person is saturating all aspects of American government today and much of business. These are the people who cannot succeed through hard work and persistent effort but know how to flatter those under him to get the work accomplished and those above him to get more power. This is the basis and mechanism of functioning in government, especially bureaucracies today. This one also knows how to undercut those who oppose him or compete with him thereby destroying any possibility of losing his position. This person will be completely miserable in his position and there inevitably will come some situation or condition where he will be totally unable to meet the responsibilities connected with his position. The Arrogance of this person is a guarantee he will not ever be able to sustain friendships so that at some point in his life he will be very lonely. Loneliness is a result of lack of capacity for life and love and this individual cannot sustain a friendship because he is too busy wallowing in self pity.

It is the development of Enforced Humility and Genuine Humility within the [Divine Dynasphere](#) which allows the individual to relax and accept the authority of the one teaching him. If he cannot relax he cannot Learn and being Arrogant and under Motivational Degeneracy he inevitably learns nothing of Bible Doctrine and therefore will never be able to think in terms of Divine Viewpoint.

Often people get so occupied with friends or family that they become insensitive to the feelings of others come even to the point of ignoring Bible Doctrine resulting in the development of Arrogance, selfishness, etc. Often when this occurs it results in the Arrogant and inadequate becoming friends and leaving a group or organization. Thought, motivation and action are brought together in the Mutual Admiration Society. In this situation if the action involves speaking there must be a vocabulary to speak with which falls under the categories of gossip,

slander, maligning, judging, etc. This is the Arrogance which rejects authority in the [Laws of Divine Establishment](#), the Spiritual establishment and every category of authority in the framework of a nation. This is clearly demonstrated by the [Labor Union](#) functions and the problems they have created since their inception in the United States of America. This Arrogance is not only anti-authority but it seeks to destroy authority and has aggressive personalities behind it. Inadequacies, on the other hand, are a form of Mental Attitude Arrogance or Pride which suffers from hangups and is prone to Jealousy, vindictiveness, hatred, implacability, etc. [Hangups](#) in one's soul are manifestations of Evil influence in the soul. Under the circumstance of the existence of the mutual admiration society there is always some third person or group who uses his authority effectively and is the target or catalyst for their retaliation. The object of the mutual admiration society is to attack the ones in authority and usurp them so as to take their place.

Opposites attract when Evil is involved and the Evil is the motivation for their Conspiracy against authority and involves both [Self Justification](#) and [Self Vindication](#). It is very encouraging to know that the Lord eventually destroys all Mutual Admiration Societies because they are Evil in function and combine pseudo love opposites using, and coalescing through, their Motivational Arrogance of Mental Attitude Arrogance and its sins in forming a Conspiracy toward legitimate authority. As a result of this the person in authority usually becomes the target of maligning gossip and judging and even violence.

### **Conspiracy vs Humility**

There is no substitute for true [HUMILITY](#) in life and it is the order of the day for the believer along with being constantly under the [Filling of God the Holy Spirit](#). The believer must know his limitations and rid himself of the Evil of Human Viewpoint thinking that he is better than another person because this is involvement in the Cosmic Dynaspheres. The believer is in effect 2 different persons being one person when under the Filling of God the Holy Spirit and a totally different one when carnal and under the control of the Old Sin Nature. It is the [Rebound Procedure](#) which gives the believer the opportunity when he sins and fails to regain humility and keep moving in the Spiritual Life. When Arrogance emphasizes the LUST functions of the Old Sin Nature for power, approbation, recognition, then comes Conspiracy and all the mental, verbal and overt sins imaginable. Conspiracy occurs in any group of people and results in and from any of the categories of Sin:

#### **Mental Attitude Sins:**

- Hatred
- jealousy
- Vindictiveness
- Implacability
- Revenge Motivation

#### **Verbal Sins:**

- Gossip
- Slander
- Maligning
- Judging

- ✧ Undermining Authority
- ✧ Lying

#### **Overt Sins:**

- ✧ Subversion of others
- ✧ Destroying Authority
- ✧ Violence
- ✧ Activism
- ✧ Terrorism
- ✧ Persecution
- ✧ Destruction of Property
- ✧ Murder

This is a rationalization of Evil contending that the END justifies the means, which is FALSE.

People who try to legitimately improve self avoid Conspiracy Arrogance by doing so. It is Jealousy of what others have or have accomplished which motivates some to criticize others or try to destroy the one who has achieved. Conspiracy Arrogance is the attempt of the inadequate to destroy the achievers. There is a part of being in the Interlocking System of Arrogance complex which is insanity and this person may even be successful in his chosen field but when another comes along who is successful in some other field then he must find a way to degrade or destroy the other person. This leads to Conspiracy when the individual attempt to degrade that one who is the target does not work. This is an effort to destroy the authority or success of the target person by using the help of others. It is normal to be delighted when others succeed in life and enjoy their success and this reflects true Humility. The Arrogant person immediately looks for a way to degrade the successful person to discredit them, undermine their authority and success, or do something to make them look silly. This Arrogant person cannot stand for anyone else to be complimented in his presence nor to be admired or respected. The insanity of the Arrogant one despises anyone who has a good reputation and is truly successful and they therefore go out of their way to try to destroy that person so that others will despise them. This is the process of and reasoning behind the systematic undermining of authority and the one who possesses it. It is also any form of degrading of anyone who is better than the Arrogant one because he is jealous, vindictive and implacable.

#### **Anatomy of Conspiracy**

All Conspiracy is a combination of persons trying to overthrow duly constituted authority consisting of 3 categories or parts:

- ✧ **Plot** == the carefully devised systematic plan to overthrow authority which is the most deliberate part of all conspiracies. The people involved are often busy people with many things to do but often want to move into the position of authority.
- ✧ **Intrigue** == the system of scheming involving petty and underhanded Modus Operandi and is the part or type of Conspiracy which accidentally falls together. It is not a systematic plot and often occurs when people are sitting around talking and begin to criticize and find they agree in their criticism and this leads to Intrigue.
- ✧ **Machination** == the crafty and torturous processes involved to overthrow establishment and harm authority accomplished by those who have nothing better to do in life than

cause trouble.

The best or most efficiently or effectively operated Conspiracy is found where there is a PLOT as the origin and each of the other categories becomes progressively inferior in its function. Conspiracies generally have a few leaders who develop the PLOT and many common people who are pawns or dupes of these few leaders and who carry out the intrigue and machinations. These are ones inevitably manipulated by the Leaders and basically are the stupid ones. Conspiracy was the basis of the most tragic revolution of all time in the Absalom Revolt against his own father, King David. ([2Sam 15:12-13](#)) This was one of the most difficult pressures David ever faced since no one could hurt David like Absalom could. Absalom started in a Conspiracy but the PLOT was not devised by Absalom but there was intrigue where Absalom in complaining against his father was drawn into the PLOT as a DUPE, and then the MACHINATIONS of Saul's relatives who were still around completed the Conspiracy.

### **The Conspiracy of Communism**

Conspiracy has been the basis of many Assassinations in world history:

- ✧ Joash [2Kings 12:19-21](#)
- ✧ Joash's son Amaziah [2Kings 14:17-19](#), [2Chron 25:27](#); and this Conspiracy went from one generation to the next and reached a peak in each generation with the assassination of the target person.
- ✧ The Communist Conspiracy for world domination and to overthrow the free governments of the world especially the United States of America.

The PLOT in this communist Conspiracy has 2 general areas of origin, Russian Communists and Chinese Communists. The Chinese have moved into the Middle East and Africa and today into Europe where they are continuing with the execution of a Conspiracy to overthrow the United States government. In the 21<sup>st</sup> century this has taken the form of germ warfare from the Wuhan CCP virus and the function of DUPES in social unrest and revolution such as the movements of "black lives matter" and "antifa" and all 3 are based on support from Communist China. These CCP plotters have organized systems to destroy the United States and the DUPES are functioning today under Chinese support causing chaos and destruction based on false issues. The communist PLOT involves the introduction of and development of:

- ✧ Liberalism in Theology
- ✧ Socialism in Legislation
- ✧ Liberalism in education
- ✧ Anti War concepts for the nation
- ✧ Changing American culture, music, art, literature, drama, etc.
- ✧ Promoting Drug abuse and addiction
- ✧ Promoting hippies in the 60s and black lives matter, antifa and other revolutionary groups today

It is designed in 2 phases where the Thesis is to conquer by peaceful means while the Antithesis is to conquer by military action or a combination of these and the synthesis is simply the conquest of the United States fulfilling the underlying communist doctrine. The Intrigue involves bringing in the DUPES which are the people of this country who are favorably disposed toward communism or take a soft attitude toward it. The DUPES include those

involved in the machinations of social chaos including:

- ✧ Black lives matter and antifa today.
- ✧ ANYONE in the 1970s who wanted to help out the North Vietnamese and help preserve them instead of wiping them out with one nuclear device.
- ✧ Anyone in favor of the Hard Rock noise and the frenetic jumping around on a floor supposed to be dancing.
- ✧ Anyone who thinks drugs are OK to take when stimulation is desired like legalized Marijuana.
- ✧ Anyone in favor of Gun legislation.
- ✧ Anyone in favor of the big package of socialism and welfare functions.
- ✧ Anything which helps the communist degradation of this nation.

Communists DO NOT want to develop a large number of people in a local communist party in this country because they know how to use the idiotic people in groups like the national counsel of churches, the legislators in government, liberals, peaceniks, etc. They prefer to use NON-communists not related to communism so that the PLOT can continue to move ahead not being connected directly to communism. The machinations are from the communist party in the United States and they are in a long term, multi decade, Conspiracy to overthrow the government in the United States of America, AND THEY ARE SUCCEEDING!

In conspiracies the DUPES are those who run the errands for the conspirators. Today there is the biggest Conspiracy ever in history occurring, started by the Chinese communists with the Wuhan CCP virus. This has been perpetrated on the entire world especially the free nations in the western segment of the world in order to over throw their systems and bring their economies down to the level of the Chinese economy which had been failing and is now dominating several key industries in the world. The American government assisted the progress of the Conspiracy for the Chinese during the influx of the Wuhan CCP Virus and the overreaching control of the government to supposedly prevent its rapid spread. The Chinese have successfully spread this virus throughout the world and have inspired the world people to succumb to communist like rules to potentially prevent its spread. The best part is the DUPES in all world populations are succumbing to this current Conspiracy and bending over for the governments of the world to control their every move.

A sex revolution as part of a Conspiracy is what was to destroy the Jews and is what is also occurring today in America and has been since the early 60s, also instigated by the communists to overthrow this nation. In the 1970s it was factual and today still true that Russian communism and Chinese communism are in a Conspiracy along with islam to conquer America by any means possible. This has been ongoing since the middle 1920s and is now approaching 100 years of Conspiracy against the United States. In the past in this nation and most dramatically today those in administrative positions have done a great deal to further that Conspiracy. [Jeremiah chapter 11](#) is a chapter which could be the explanation of the END of the United States of America. The Register, Orange County Calif, Interview by Len Davis, of General Curtis LeMay, Ret USAF (Paraphrased and added to)

The threat was (and may still be) one of Nuclear Attack by the finest strategic weapon

system in the world, (then Russia now Korea or China). We lack superiority with which to win, the people have no patriotism and no confidence in the leadership of the nation. All racial trouble and draft protests at that time, all demonstrations and marches today are all communist inspired and SUPPORTED. We are at war with communism especially china today and we must do something about it. All the communists have to do along with moslems is to INFILTRATE our police and military systems to the point that they are in control or, as in the case happening today, cause such racial and social uprising which demands defunding and removal of Law Enforcement personnel. The people MUST quit tearing things down and believing everything presented by the liberally controlled media and the legislators and they must investigate and understand the development of the communist methods and how they are being applied today to AMERICA. Our national defense systems are a farce and we must have a system of training with RIDGED disciplinary measures in order to sustain men in combat under team operations. We cannot expect to have strict ridged discipline in the services when civilians are constantly criticizing the military and belittling those in uniform and demanding that women be placed in combat units.

In the 1970s America faced the REAL, but generally unknown, possibility that communism could have taken over this nation; again that same issue is faced today in the early 21<sup>st</sup> century but it is far more real and far more imminent. America has had since that time, and continuing much more today, conspiracies from communism toward the United States and the world in general. In addition there are rampant local conspiracies throughout the nation to solidify maximum power for conspirators in all areas of government. These conspiracies on every level are generally often caused by [Pseudo Intellectuals](#) who function on the farthest points of the Left Liberal Idea spectrum. America has not done very well with regard to the ongoing communist Conspiracy and in the 70s and far more today the Americans living in this country are the dumbest and most naive people who have ever existed. The people resent everything which has ever made America great and accept wholeheartedly everything which aligns with communist and islamic Conspiracy, brain washing techniques, and all things which would destroy America and are part of the ongoing process of self destruction.

### **Conspiracy & Authority**

Conspiracy, which is based on the [Rejection of Authority](#), means authority must break down in the soul of the conspirator first. This may start with [Mental Attitude Arrogance](#) and its accompanying sins such as Pride which entices the [Emotion](#) to revolt against the Right Lobe of the Stream of Consciousness of the Soul so that the people involved decide that they can do the job held by authority better than the one in authority. Believers cannot even concentrate on the bible message being taught in their Local Church unless they accept the authority of the one who communicates it. Once authority is accepted then their function is to OBEY, which is a part of the proper function under the [Grace Apparatus for Perception](#) for putting the information into the Right Lobe of the Stream of Consciousness of the Soul where it can be used in application. Conspiracies to be successful must have a large number of Dupes. The conspirators, of any institution they are involved in, are hard nosed and totally anti-authority and they are generally very clever. They will approach others and proclaim the dangers in the

organization or that the leadership is good “BUT”. The dupes will fall for this every time and some will get involved in the Conspiracy for the social interaction and some because they think they will become smarter than the authority figure (Remember Ishah in the Garden). Dupes are generally led astray in a Conspiracy by the wrong crowd of hard conspirators. Dupes are those believers who never attend bible study consistently and never follow through in any organization. Dupes are those believers who started in an organization with good intentions but began to associate with the wrong crowd and are then sucked into a Conspiracy and totally lose track of their objective in joining the organization in the first place. Dupes put all things before doctrine in the Local Church or in other organizations before policy and procedure. Dupes generally reject the presentation of Absolute Truth in Bible Doctrine or the procedures and policy of any organization. The bible does not compliment or condone Conspiracy in any way and both conspirators and the dupes will be dealt with by God. ([Jer 11:20](#)) The United States of America is and has been the victim and object of a great communist Conspiracy to destroy this nation for more than 100 years and the function of the local churches teaching Bible Doctrine consistently and expositively is the only true defense against it.

### **Conspiracy & Soul Slavery**

One of the signs of being involved in soul slavery is Conspiracy ([Jer 11:9](#)), and it is also a sign of [Emotional Revolt of the Soul](#). When any Conspiracy begins beware of former friends they will become the most aggressive enemies in a moment if they succumb to Emotional Revolt of the Soul and the leading on of a strong conspirator. Consequently, when Bible Doctrine is rejected there is inevitably a Conspiracy that occurs. There has never been a Conspiracy nor a period of apostasy in [Reversionism](#) without first the rejection of Bible Doctrine, some level of Negative Volition toward Bible Doctrine. Generally believers in the past and also today know that they should go to bible class under a prepared expository teacher of Bible Doctrine and some do JUST BECAUSE THEY SHOULD but they do not concentrate nor accept what is taught. Some level of [Negative Volition](#) toward Bible Doctrine in the form of having something more important to do is HOW Conspiracies START. Not attending Bible Doctrine class because, one has in his mind that there is something MORE important than Bible Doctrine means that the emotions demand stimulation and ecstasies and this demand is so strong that the emotion is moving toward ruling the soul. The emotions cannot rule the soul until the emotions get into a Conspiracy with the Old Sin Nature in Emotional Revolt of the Soul. These are the people who make all imaginable excuses for not attending or not concentrating when in attendance. Conspiracy occurs because of a rejection of authority and rejection of Bible Doctrine is rejection of the authority of God. No male has any right to be a Pastor Teacher unless he teaches dogmatically, emphatically with authority using the principles of Isogogics, Categorical Analysis and Comparison and Exegesis of the language and teaches without equivocation. When he does this some will accept and some will reject what has been taught. Once a person starts moving into Negative Volition they enter Emotional Revolt of the Soul and the Conspiracy is on.

The Apostle Paul was a victim of Conspiracy in Jerusalem ([Acts 23:13](#)) where the [Legalists](#) were involved in the PLOT in the tetrahedron as Pharisees and there were 40 Young men who said they would not eat until they could assassinate Paul and these were the DUPES. The judiazers followed Paul everywhere as part of the Machinations to destroy Paul and his ministry.

Jeremiah was also the victim of a family Conspiracy, a personal Conspiracy from his Right Woman, a local Conspiracy from his home town Anathah and also a national Conspiracy and he survived all because of the IRON of [Metabolized Bible Doctrine](#) in the Right Lobe of the Stream of Consciousness of his Soul. The people of this country have for a very long time, especially TODAY, just sit and listened to and accepted a lot propaganda from the news media, in electronic transmissions and in readable propaganda in the news papers and magazines because the 4<sup>th</sup> estate is dedicated to and sold on a system which will destroy America as part of radical liberalism. While they sit around waiting to be enslaved while the governments of Russia and especially communist China are preparing and practicing ways to enslave and destroy this nation, by invasion if necessary. They have in the past and will again, when they overrun this nation, decorate lamp posts with the bodies of people who go against their government for any of a multitude of various reasons.

When any nation especially a [Client Nation](#) reaches a point of prosperity they do so from the provisions of the Grace of God and from following the laws he has ordained for the Human Race. Once prosperity comes to them the people face the test of SOUL Slavery and it inevitably results, when failed, in getting back into overt bondage. The people of the United States of America have for many DECADES been in soul slavery and it is questionable as to whether America will survive the present conspiracies or not. The problem today in the United States is that the interest in Bible Doctrine has waned and it is unlikely that there is even a very minor pivot left to bring this nation back to its greatness. Bible teachers must begin to look for areas where Positive Volition is rising up in order to supply Bible Doctrine to these people and build a greater and greater pivot. You cannot reject Bible Doctrine and survive as an individual nor collectively as a nation. In the 1970s and again today America is at a PEAK of Conspiracy and the Conspiracy functioning today is far greater and far more overt and devastating than it was in the 70s. Every 2 or 3 hundred years some Conspiracy gets moving and runs rampant and there is always Conspiracy in the Human Race. Conspiracy started when Satan said to Ishah, “You won’t really die will you?” Our former president had for 8 years sold us out to both the communists of Russia and China and especially to the moslems of the middle east. He constantly played footsie with islam and red china and this was only stopped when Mr. Donald Trump took office in 2016. Today the democratic party in order to retake power in the government have done unimaginable things to degrade the process of elections and the progress and efforts of Mr. Trump in trying to bring America into a recovery period from the political and economic down trends and failures of past presidents. Their Conspiracy has culminated with the fraud perpetrated through illegal voting and illegal vote manipulations in the 2020 presidential election. This Conspiracy has extended to the mandates from the government for the population to wear masks, restrict their outside movement, maintain large personal space in public, etc., to offset the potential contagion of the Wuhan CCP Virus. This along with government and CCP support of revolutionaries in the ‘black lives matter’ and ‘antifa’ movements are all as a result of the false threat of the Wuhan CCP virus. The Chinese communists are the lowest form of creature on the earth and their viciousness is unbelievable and this is demonstrated by the CREATION AND THEN RELEASE OF THE WUHAN CCP VIRUS TO BRING THE ECONOMIES OF THE WORLD TO THE LEVEL OF THE FAILING CHINESE ECONOMY AND SET THE STAGE OF TAKE OVER OF THE United STATES AND EVENTUALLY

THE WORLD. They have initiated and set their conspiracies into motion to take over every country in the world especially the United States of America in this 2<sup>nd</sup> decade of the 21<sup>st</sup> century. The Chinese communists are moving now with this objective for this nation and the world and they will destroy their opposition in the most brutal ways having publicly announced to the world an “anything goes” war doctrine. The only prevention possible for this takeover is Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul of believers and that requires overwhelming Positive Volition to Bible Doctrine throughout the nation which today is ABSENT.

Never before in American history have Americans been the victims of such intense, concentrated, organized and planned deception as has occurred recently in this country. The media have come to the point of total irresponsibility and all of them are involved in this Conspiracy with VERY FEW exceptions and they can be relegated to a position of total stupidity and are in fact the traitorous DUPES of the Conspiracy. They are the intrigue executors without being plotters. This is tragic and the ONLY thing able to stop this Conspiracy is the growth of a pivot of mature believers from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine by INDIVIDUAL believers.

### **Conspiracy & Power Politics**

By emphasizing CHANGE power politics destroys the authority of the Laws of Divine Establishment and the proper use of freedom under them. One must not ever attack the authority in his place of work because when he is under authority he never gains by changing the authority he is under. If one cannot understand authority in the work place, he cannot understand it is social life. Freedom is essential for functioning properly in and the resolution of the Angelic Conflict and power politics is designed to destroy freedom while pivot politics offers a solution to any and all national crises without tampering with human freedom. The concept and definition of Freedom under the Laws of Divine Establishment includes the principles of freedom as uncoerced and unencumbered Free Will Volition, Privacy, Ownership of personal Property and the sacredness of Life, all under Authority. For this specific purpose, God has ordained systems of authority which he has detailed in Codex I and III of the Mosaic Law to protect and preserve the Human Race. Power politics is social action, muck raking, Crusades, Self Righteousness, violence, terrorism, assassination and revolution all the things which Bible Doctrine totally rejects. Power politics disrupts normal Human Life in the name of Human Good, Self Righteousness and self sacrifice and these destroy human freedom. Pivot politics rejects social action, reforming, crusading, etc., as unnecessary radical surgery and demands the Perception, Cognition, Inculcation & Metabolization of UNCHANGING Bible Doctrine for the changing world.

Change upsets establishment principles and destroys freedom in the name of the “common good” therefore power politics in the guise of Human Good destroys the essential characteristic of life in the Angelic Conflict which is human freedom. Power politics is not only change using Conspiracy but also change using violence whenever it is needed. Whatever the form of government in a nation it is the function understanding of and adherence to the Laws of Divine Establishment principles sponsoring human freedom, whether in monarchy, republic, oligarchy

and maybe even democracy, which results in a good government. The CHANGE which occurs in the functions of power politics for the proposed purpose of resolving a national crisis, in fact destroys human freedom by attacking the Laws of Divine Establishment principles, especially authority, property, privacy and free enterprise. The PIVOT of mature believers in a nation break no laws; sponsor no violence including assassination, terrorism, crime or revolution; confiscates no one's property; do not intrude on human privacy but they will turn the world upside down through the invisible force of Bible Doctrine and the function of the [Royal Family Honor Code](#). Power politics tries to change the leopard's spots while Pivot Politics only changes the direction in which the leopard is moving. Any efforts toward CHANGE or attempted change means destruction of freedom, and both Conspiracy and any form of violence always destroys freedom. Power politics exchanges Evil in an establishment setting for non-establishment Evil and as a result tyranny prevails, clearly demonstrated in the French, Russian and Chinese revolutions. It is social action, distortion of law, Crusades, [Scar Tissue of the Soul](#), Self Righteousness and Human Good ALL derived from Evil. It is violence and [Revolution](#) exchanging freedom for tyranny. The Shaw of Iran was in fact exchanged for the unimaginable Evils of radical islam, the dictator of Nicaragua was exchanged for the tyranny of communism all as a direct result of the interference by the United States of America with the governments in those nations. Conspiracy means disruption of normal life in the name of human good and Self Righteousness and use of Arrogance and self sacrifice to destroy freedom and by this means to destroy responsible government which is changed into the irresponsible government of dictatorship and tyranny. All are vulnerable to power politics because of involvement in Arrogance in the form of [Pride](#). Power Politics uses Human Good as the production of the Evil thinking and motivation therein, while Pivot Politics used Bible Doctrine through Divine Viewpoint thinking for the motivation to produce [Divine Good](#).

Pivot politics emphasizes thought as reverse concentration, and Grace as the provider of a myriad of undeserved things which God does for the believer in time; while power politics emphasizes action, violence, tyranny, Arrogance, Evil, self-righteousness, revolution and CHANGE. Power politics is the believer on a crusade while his soul is full of Scar Tissue of the Soul, with locked in Arrogance, filled with self-righteousness, producing all manner of human good from a saturation with Evil, and distorting law through the advocacy of terrorism or revolution.

### **[Conspiracy Arrogance & Authority Arrogance](#)**

Authority Arrogance is incompetent but always alleges to do a better job than anyone else who possesses authority. In all cases Arrogance attracts Arrogance and [Negative Volition Arrogance](#) is a major part of this picture. When Arrogance has been disciplined by authority it resents authority and often becomes an Arrogant demagogue which seeks to make use of the discontent of others and stands by to sympathize with them and imply that they all receive injustice from authority. Arrogance is always promoted and advanced in an environment of Arrogance and discontent. Without [National Arrogance](#) revolution is impossible and conspirators withdraw into Conspiracy and Conspiracy can only blossom into revolution where the Interlocking System of Arrogance universally exists in a population. National Arrogance is national degeneracy which despises national authority. Individuals in the Interlocking System of Arrogance have neither

capacity for love nor for appreciation for anything in life. In Conspiracy and Revolution the malfunction of justice destroys freedom and the conspirator will eventually destroy himself.

People involved in conspiracies are those who reject authority and the Absolute Truth found in the [Laws of Divine Establishment](#). These persons have moved deeply into the [8 Stages of Reversionism](#) whether they are believer or unbeliever. Every rejection builds more Scar Tissue of the Soul and as the Scar Tissue of the Soul builds pressure increases which result in the construction of stronger Arrogance. As Arrogance increases reality disappears and these people become inflexible with regard to the [Nonessentials of Life](#). The more they say no to any part of the doctrinal Absolute Truth of the Laws of Divine Establishment and [Divine Institutions](#) the more they reject authority and the greater is the build up of Arrogance. As Arrogance builds up there is an increased development of soul [Hangups](#), Neuroses, [Psychoses](#) and therefore a greater desire to set aside anything which opposes one's hangups and Arrogance. When man becomes confused and divorced from reality he wants equality with anything or anyone which challenges his Arrogance. In essence, therefore, he wants equality with God and any other system of authority which challenges his Arrogance and in fact he demands it. By equality he means that he must be recognized as GREATER THAN that which has challenged him. The police represent authority principles and to be able to spit in the face of an officer or publicly abuse him with insulting vocatives makes the Arrogant one feel better in compensation for his hangups and represents his advanced development of [Scar Tissue of the Soul](#). This does not mean that every Law Enforcement officer is a noble part of the police. However, each officer represents a PRINCIPLE of authority which provides for internal freedom for all in a nation. It is this authority which makes it possible for one to have privacy, personal property and security for his life, and have things meaningful in life and therefore always should be given respect.

Today the police are hamstrung by Arrogance in the civil authority above them and by people who malign and abuse them and then influence the judicial system to be prejudiced against them. There has been the recent call by Marxist revolutionaries to "Defund the Police" as the extreme insult to the system of Law Enforcement. The longer this trend continues in society the greater becomes the potential for a first class disaster in revolution or civil war. America will have this disaster because overall, the people ridicule the authority in police and run down military personnel and they are demonstrating that they are total fools. Every bit of Freedom America has had and still has comes from the military and never ever from politicians. Freedom comes from battlefields and never from the halls of government. Americans have prosperity because of free enterprise and men of courage who have met payrolls and were willing to expand and compete. The reality of economics is that prosperity never comes from a government like that of the United States which is saturated with EVIL and which is destroying both business and prosperity. Real, true authority lies with the police, the military, with executives in business and with investors and stock holders but Americans have been trained to think of government as the authority and this is TOTALLY false. The American forefathers and founding fathers set up this republic to have small government and big people and today it is totally opposite with very small people who are basically slaves and very very big government which is now overtly tyrannical. In Arrogance people strive for equality with their maker and in vanity, Pettiness, Jealousy and implacability consider themselves equal with God. God can

and has given mankind overt freedom but cannot ever give equality to anyone because he has provided volition, FREE WILL, to everyone and furthermore, there is no way that the created one is or can ever in any way be equal to the creator. This was Satan's GREATEST Error of thinking.

A dogmatic principle which is essential for all leaders to understand first is that they have been promoted by God and as a result, "To whom much is given much is expected". Therefore, the believer must never get involved with vindictive criticism of ANY person for any reason with or without facts. He must not ever waste his life trying to demote someone in authority whom God has promoted, he must leave this to God. However, IF God gives one responsibility in an organization and authority, then he will have to make decisions for promotion and demotion of those under him. If he gets into a ministry he must ensure he functions in it properly and does not criticize or condemn anyone else. Always remember, when God promotes someone NO ONE can ever demote him. The Ironic fact is that when one personally tries to demote someone whom God has promoted they are the ones demoted. The believer must never use personality, maligning, gossip, or any other pseudo truth to try to demote another person for any reason else he will be placing self under incredible pressure. All too frequently, people with genuine grievances, complaints or personal needs are complimented by the flattering pseudo interest of conspirators and revolutionists not realizing that they are being used and exploited for the unlawful functions of Conspiracy and Revolution. Only the humble can avoid being exploited by the [Ambitious](#). [Humility](#) along with avoidance of involvement in any aspect of the Interlocking System of Arrogance is the key to avoid being exploited by others.

### **Conspiracy Arrogance, Criminal Arrogance & National Arrogance**

Conspiratorial criminals pretend to take an interest in people but the only real interest they have is in self advancement. As the normal individual becomes interested in people around them, they then become interested in history. The conspirator, on the other hand, is Arrogant and preoccupied with himself and gives the impression of interest in others but in fact is not. Their interest in people is in fact for using them to promote self and their agenda. Conspiratorial Criminals have not learned the most basic principle of life which is "If God does not promote you you are not promoted and If God does not demote you you are not demoted". When God promotes a person there is nothing in this world which can demote him. All attempts by individuals or groups to demote someone usually results from Arrogant Jealousy. All attempts at trying to demote a person promoted by God will bring incredible Divine Discipline to the demoters. It will be very interesting to observe the Divine Discipline on those who were constantly criticizing and degrading Mr. Donald Trump during his presidency and continue to do so even now, since he OBVIOUSLY was put into the office of president by God to give the American people a final chance at recovery. There is a huge difference between God's Divine Discipline for a person and his demoting them. When anyone is down in life and under Divine Discipline never ever interfere with them for you will bring onto yourself that discipline which they are to receive and added to that greater Divine Discipline for interfering with God.

National Arrogance is always the molding material for Revolution. The United States of

America is obviously totally saturated with and entangled in all categories of the Interlocking System of Arrogance in the early 21<sup>st</sup> century. America is bordering on an overt all encompassing revolution or civil war, unless it is first destroyed by invasion. When one removes the Laws of Divine Establishment and Legitimate Authority as detailed under them, no matter how bad they are functioning, then revolutionary catastrophe is inevitable. Things which are bad with national government will always be worse as a result of revolution.

‣ **Crusader Arrogance + Criminal Arrogance == Revolution**

Criminals often pretend to be crusaders and by this means form a facade for their own revolution. The criminal uses the crusader to foment the revolution and the differentiation is difficult to determine when these are combined in one person. Such finesse requires maximum Arrogance and leads to vulnerability to all categories of the Interlocking System of Arrogance in this individual. For Conspiracy to be parlayed into revolution the masses of people must be taught to despise establishment authority. This has been being systematically done in American public schools, by liberal media, by liberal drama, in liberal homes, in liberal churches and is a very simple process because the pupils are already Arrogant. Today liberals are even using the entertainment media to promote this and other Evil political agendas. This is accomplished through a system of Arrogance in people who have no great overt responsibility, where it is made very easy to say the government is wrong and I am right.

Arrogance always reacts in life and in reaction the believer is at his worst which usually results in his failure in the Spiritual Life. If one reacts to criminality perpetrated against him, he is on the verge of becoming a criminal. If he reacts to the Conspiracy concepts in the nation and joins a paramilitary militia he IS a criminal because valid Militia function is actually, by definition, serving in any of the branches of the military services of this country. The believer must never ever take up arms against his government. Adding Ambition to Pride results in Evil being intensified by the emergence of revolutionary leadership. In revolution the Criminal gains great power and the masses of people who revolt are dupes and eventually destroyed. The people are promised that they will gain from the revolution but in the end they always lose. In the atmosphere of revolution there is only the advancement of Evil and temporary or semi permanent profit ONLY to the hard core conspirators. Revolution is therefore the Oligarchy of Evil with the people who are forged into the weapon of revolution eventually destroyed by Arrogant manipulation principles.

**Gate #63 – The Arrogance Regarding Institutions / Organizations**

Institutional Arrogance closely interlocks with the function of [Authority Arrogance](#) and [Conspiracy Arrogance](#) in revolting against legitimate organizations which always have 3 fundamental characteristics:

- Authority
- Purpose
- Policy

When one joins any organization or works for an organization he must understand these 3 areas of the organization in order to be able to function properly within that organization. There must be authority over those in the organization and there must be a delineated purpose for the organization and there must be a policy in that organization related to the individual's function in that organization to fulfill the purpose. Institutional Arrogance attacks 1 or more of these 3 principles of organizational Modus Operandi. Institutional Arrogance assigns the greatest importance to self and one's Personal Opinions and causes the individual to engage in Self Righteous Arrogance and thus undermine the organizations AUTHORITY, attacking the organizations PURPOSE and thereby seeking to destroy a Legitimate Organization. This has occurred for many varied organizations in the United States of America as a result of fragmentation of the lives of the people in this nation. In any organization, hiring people who are fragmented and functioning in the Interlocking System of Arrogance will ultimately destroy the organization. This is the terrible tyranny of the American government forcing companies to hire based on gender or ethnicity where very often these people are far LESS qualified for the positions and entangled within the Interlocking System of Arrogance in Self Righteous Arrogance at the very least. In this way the government is responsible for producing fragmented lives, destroying industry and creating management systems instead of promoting leadership and especially destroying the system of government in the United States with its original constitutional checks and balances. At every level of American government today in the 21<sup>st</sup> century there are FRAGMENTED people who have saturated their lives with functioning within the Cosmic Dynaspheres and have fallen through the 8 stages of Reversionism and THEY are making decisions effecting the lives of every individual in the nation and passing laws which have no real function except to DEPRIVE citizens of their God given freedoms. This was tragic in the 1930's, terrible in the 1980's and is a heinous reality today in 1<sup>st</sup> quarter of the 21<sup>st</sup> century. Fragmentation is in every part of American life and society including churches, businesses, social organizations, EVERY LEVEL of Government, Professions, educational systems especially Universities, Police, Fire Departments, Medicine, Engineering, Military, Social and Civic Clubs, and on and on. These people are the "friends" who stab one in the back as quickly as they can for their own benefit and advancement. When functioning in any organization, the process needed to bring about changes in the purpose, policy or operation of that organization, which engages in any function which undermines the organizational authority, is associated with some form of entanglement in Arrogance. Anywhere, in any setting, where there is authority, purpose and policy there is a legitimate organization and it can be and very often is destroyed by Institutional Arrogance.

Institutional Arrogance, is disorientation to life in the realm of any Legitimate Organization. In Education the authority of the professor and administration is rejected by the student under Institutional Arrogance. This is clearly demonstrated by the movements in 2024 of students occupying campus' across the nation in protest of ISRAEL'S position with regard to the Arabic terrorist organizations attacking it. Institutional Arrogance is the source of great danger to any member of the human race, and this includes the believer as well. It is a potent distraction to Bible Doctrine, the spiritual life, patriotism and any form of beneficial Modus Vivendi. Institutional Arrogance can result in any individual being involved in it because everyone has the opportunity of being related in his lifetime to some sort of authority, purpose and policy,

somewhere within the framework of an organization starting with Family. Any time that a person succeeds within an organization and does his job extremely well, he often receives recognition and accolades for it, is singled out for special acclaim, it is at this point he is in danger of this relatively subtle and somewhat sophisticated form of Arrogance, Institutional Arrogance. Effective training, especially military training, must be designed to destroy any Arrogance a person may have. This training must develop great physical conditioning and esprit DE corps but also must remove all illusions about personal importance to the organization. One does not have to like the boss, the supervisor or the drill sergeant nor should one be motivated to do a good job because the boss is nice. The most important factor is the policy, purpose and principles of the Organization and this cannot ever be learned by an individual saturated with Arrogance. One may do very well in an organization but he is never better than the organization. Because one achieves in an organization does not mean he is better than the organization and he must have gratitude to the organization for the support it gives him. One cannot live life without appreciating the organization from which he came.

Institutional Arrogance can exist in ANY organization at any Level. When a person in an organization becomes negative toward the Authority he will inevitably violate the Policy and therefore fail to fulfill the Purpose of the organization. Attacks on an organization's authority generally involve attacks on the person holding the authority because of some level of antagonism toward him. It is Arrogance in a person which leads him to join a Conspiracy against a personality who has been rejected and who has authority. Those involved in the conspiracy may be antithetical types of persons but share a rejection of authority and the person in authority. Through this expression of their arrogance they are personally destroying themselves whether their conspiracy fails or succeeds and they are guaranteeing their own unhappiness by having entered into [Functional Arrogance](#) from the Evil of the Cosmic Dynaspheres. This Functional Arrogance must have a system of motivation derived from [Motivational Arrogance](#) involving some aspect of [Mental Attitude Arrogance](#) and Mental Attitude Sins:

- ▲ ANY Mental Attitude Arrogance results in resentment of authority.
- ▲ [Self Pity](#) as a result of real or imagined maltreatment or injustice results in [Jealousy](#)
- ▲ Jealousy results in seeking a Conspiracy to join.
- ▲ Vindictiveness and Implacability results in joining a conspiracy to destroy the authority.

Institutional Arrogance is failure to recognize what individuals, at a minimum, owe in appreciation and loyalty to the organization they are functioning under, to the institution, to the business, to the team, to the system of discipline, to the system of authority and to the principles which originate such organizations, motivate function within them and perpetuate them. Institutional Arrogance is failure to orient to the institution and to its organizational system and to assume that because one has done well in the organization that he, in effect, makes the institution or the organization, rather than the organization making him. There is often an idea that because a person excels in some field or endeavor he is somehow a superior member of the human race, and that in his success there was no teamwork involved and no

one else had anything to do with it. It never occurs to the Arrogant person that others are involved in his success and that, in effect, it is THE SYSTEM which has caused him to succeed and the approbation that he receives is simply the result of a system or an organization functioning as a whole together. Instead of being grateful for the system and for the organization, the individual becomes not only Arrogant but a deterrent to further progress by that organization and therefore a problem.

The thing which stalls the believer in his advance in the Spiritual Life is [Pride](#) and selfcenteredness and the idea that he might be able to read a book to gain all necessary doctrinal knowledge and thereby become right about all things spiritual. Every believer MUST log time in the study and process necessary for the inculcation of Bible Doctrine and spiritual advance and must NEVER resist doctrines he does not really like. The greatest believer in the Old Testament Scripture was Moses and next was Elijah. They did not resist Bible Doctrine and had reached [Advanced Maturity Adjustment to the Justice of God](#) by accepting Bible Doctrine, but still, they became involved in Arrogance, however, they did not ever resist Bible Doctrine. Elijah started with [Impulsive Arrogance](#) and then when answering the Lord's questions interlocked with Institutional Arrogance saying "I alone am left". He was thinking he was greater than the whole system and Plan of God and even the whole client nation. Because the Lord used him as the spiritual leader in the land and because fire came down from heaven when he asked for it, he suffered from Institutional Arrogance and incredible Pride. In Arrogance he looked at the system and said I am greater than the system. However, the Lord has designed life so that no one is ever greater than the institutions of life, no matter how much corruption might occur in the institution. Within the system of Free Enterprise one is never greater than the corporation which sets up the standards by which he has succeeded. No one is greater than the institutions under which they function and which have set up standards for success which are then used by the individual to reach greatness.

All organizations are composed of authority structures and in those structures individuals wielding that authority have Old Sin Natures, prejudices, human norms and standards or lack of them and some level of understanding or complete lack of it. It is amazing that American people look to an organization in which they function and expect from the organization what THEY, THEMSELVES, consider a "fair deal" and are particularly upset if they don't get what they want. This results in labor union strikes, complaints alleging discrimination because of not being recognized for talent, intelligence or being held back from advancement in any business, professional organization or government bureaucracy. The complaints represent involvement in the Interlocking System of Arrogance with entanglement in Institutional Arrogance. In life one will, at some point, invariably be passed over for someone with inferior talent, less motivation and a poor Mental Attitude, for a promotion or advance in pay. The worst people seem to be the ones who move ahead in the structure of an organization so that those with the least ability and mentality rise to the top and it seems very unfair. People then become bitter and obsessed with the unfairness they perceive as an individual, of the world or the organization they are involved with and this is Institutional Arrogance and a complete breakdown of any understanding of life. [Bitterness](#) involves Self Centered Arrogance and it reacts against any organization, authority or circumstance in life and as a result of this reaction there is no way a

believer in this condition can fulfill the purpose of God for his life on this earth. For these believers there is incredible suffering which occurs as a result of moving into [Reversionism](#). In consideration of where ALL fairness to believers comes from, it is possible to avoid the terrible Arrogance related to Bitterness since no one has any right to be bitter about anything. Bitterness is worse than all the injustice one might suffer because it reflects an Arrogant reaction to a situation. This type of reaction is only overcome through the use of the Metabolized Bible Doctrine in the Stream of Consciousness of one's Soul and establishing a correct relationship with the Lord.

The major problem, in general, regarding the governmental systems of the United States of America at all levels is Institutional Arrogance. In addition the majority of people involved in government function in general, are under Impulsive Arrogance where the individual in an organization is incapable of effectively handling the authority he has. When involved in Institutional Arrogance the individual is believing that he is either indispensable or maltreated in the organization he is functioning in. He believes that the organization cannot survive without his abilities OR the organization does not appreciate his abilities. However, in reality it is the principle of the organization which carries everyone in life and organizations of every type set up systems with standards by which individuals can achieve success. However, this is not the case in bureaucracies where they do not require any level of success or ability but only engage in Impulsive or Institutional Arrogance functions where one possesses an excess of power over and above one's capacity and ability. OSHA in the United States bureaucracy system is generally a prime example of Institutional Arrogance combined with Impulsive Arrogance where the individual agent makes decisions without any achievement in the area of his involvement based on emotional impulse and limited knowledge and which are the result of having more power than he has capacity for. This is the totality of the American government today and it is now and has been for some time based on incompetent and abusive bureaucracy.

In any modern society one of the most dominant entanglement areas in the Interlocking System of Arrogance is through Institutional Arrogance. This is [Authority Rejection](#) in any situation or form and when this occurs the individual assumes he is greater than the organization and seeks to destroy that authority. Everyone has been in some position where he has rejected authority and thinks he has a right to CHANGE its policies to align with his thoughts and views or to criticize the persons in authority because he disagrees with them. This is Institutional Arrogance interlocking with [Blind Arrogance](#) and these will interlock with all the other gates of entry into the Interlocking System of Arrogance. Believers must not ever try to destroy the system they are involved in even if they totally disagree with the system. Any time one tries to use violence or any other mechanism derived from Evil, such as [Conspiracy](#), to change a system, he defeats the purpose for which he had entered into that violence or conspiracy. Conspiracy is just as much from Evil as is violence and when conspiracy tries to remove an authority, if it succeeds, it destroys the system under which the authority is functioning. This is the abject stupidity of calling for "defunding of the police" by the 'Black Lives Matter' revolutionary group in America in the 1<sup>st</sup> quarter of this 21<sup>st</sup> century. Conspiracy rejects the system and by rejection of the system the conspirators ultimately either destroy the system or leave it. If they leave the system and try to establish another system, they cannot form

another system because they rejected the original system and all Authority, and they then self destruct. When one cannot abide a system or an authority figure then he is free to dislike or reject the system but never to try to destroy it and, without an expression of Arrogance, he can leave quietly and move on. If one rejects this and tries to destroy the system he enters the Interlocking System of Arrogance and ultimately will interlock with so many areas in this system that he WILL destroy himself. NO ONE is greater than any [Legitimate Organization](#) or system in which they are involved. Obviously this does not include any criminal, revolutionary or communist system. Once one enters into a system he must function within the framework and principles of that system beginning in life with family and marriage. This last concept regarding marriage does not apply when one is not the initiator of the destruction of the marriage or family system but there are only a very few legitimate reasons for leaving that system. In addition wanting to run away from a situation one does not like in life, in one's job or social life, is also Institutional Arrogance. Leaving because the work environment is unpleasant, or because of the dangers involved with law enforcement or military functions, because of the way one is treated etc., is Institutional Arrogance. Because most aspects of life are related, at some time, to some form of organization the Arrogance of running away from the organization is disorientation to life in any area of legitimate organization function.

### **Categories in Institutional Arrogance**

There are 2 basic categories of individuals in Institutional Arrogance:

- The person who is Successful who distorts his success into a system of presumption, pride or some aspect of Arrogance. This is the presumption that the organization cannot make it without him.
- The person who is Unsuccessful and who thinks his abilities and talents are not appreciated and that he is being discriminated against. This is often considered to be the result of the boss having too many relatives or friends on the job.

Both of these are systems of Arrogance in thinking, rejecting the authority of the organization, whatever kind it might be. This is the person overestimating his ability related to the organization and then becoming bitter because they turn him out for poor performance in his areas of responsibility.

In Institutional Arrogance often the individual assumes he is carrying the organization rather than vice versa and one manifestation of this is Bitterness and the other is excessive [Complaining](#). This is the person who is incompetent in his area of responsibility and because of involvement in other areas of Arrogance he assumes he is not and assumes that others are getting more breaks than he is enabling them to advance. This person overestimates his own value and becomes bitter and disgruntled. Both types of people become a liability to the organization or as a result of their poor attitudes they are careless which results in their becoming a liability to themselves and their own safety. This results from more than just [Pride](#) and is a complex of Arrogance entanglement demonstrated by bitterness and chronic complaining. No one can be happy in life and enjoy life and suffer from Institutional Arrogance and with Institutional Arrogance he will never have capacity for life. Many professional organizations suffer from this type of Arrogance including:

School Systems at all levels

Police Forces

Military Units  
Medical Centers  
Political Organizations or parties  
Entertainment Industries  
Film Industries  
Social Organizations  
Governmental Organizations  
Churches  
Teams

Law Firms  
Engineering firms  
Anti communist organizations  
Ballet Troops  
Orchestras  
Civic Clubs  
Bureaucracies  
Art  
and any other organized area of life.

### **Institutional Arrogance & the Woman**

In the Plan of God the woman's transgression occurred in part as a result of Institutional Arrogance where she rejected both the plan and policy of God thinking she could be smarter than Adam and as smart as God, while Adam under Impulsive Arrogance rejected the Plan of God to be with the woman. By this means mankind failed in part because of a combination of Institutional and Impulsive Arrogance on the part of these parents of the Human Race and this combination required the establishment, by God, of a great many rules for the protection of the Human Race. Just because one disagrees with a policy coming from someone in authority does not mean he is right and they are wrong and this disagreement can come from Institutional Arrogance. To avoid Institutional Arrogance in the Plan of God the believer must understand the Essence or Character of God.

Institutional Arrogance is a basic disorientation to life in the field of authority. Probably one of the greatest areas of malfunction leading to Institutional Arrogance today is manifest in the historical example of the feminist movement in which women are constantly given authority, especially today, which they cannot handle. Marriage is a divine institution designed for all humans, both believers and unbelievers, and is a union between 1 male with 1 female ONLY. Many of the problems of marriage revolve around one or both partners becoming involved in [Legalism](#) and some aspect of [Self Righteous Arrogance](#). This results in these believers ultimately involving themselves in the [Arrogance Skills](#) and Interlocking extensively within the System of Arrogance and its Sins and failing in the Mechanics of [Rebound](#). Women in the organization called marriage may wake up one day and discover they are totally superior to their husbands. They may find that they are smarter, better organized, make better decisions whereas he makes none at all. The temptation for such a woman is to take over leading the marriage. For believers in marriage, happiness and love in marriage depend on acquiring the 2 Categories of [Virtue Love](#) in the Spiritual Life, [Personal Love for God](#) consistently developed to the level of [Occupation with the Person of The Lord Jesus, The Christ](#) and [Impersonal, Unconditional Love for Mankind](#). These begin to be developed initially in the [Adult Spiritual Life](#) and are solidified upon reaching [Maturity Adjustment to the Justice of God](#). Solutions to the problems of marriage for the believer come through taking responsibility for one's own actions and CHANGING SELF and never trying to change the Spouse. The feminist movement is the result of bitter reactions occurring in women in marriage or Impulsive Arrogance which occurs when a woman has been assigned more authority than she can handle in some field of life. This is what has amalgamated in the feminist movement. The feminist movement is

anarchy and idiocy and above all it is Arrogance. This is not to say that women do not have the ability to lead, organize and carry out complex organizational purposes as clearly stated in [Mrs. Beeton's Book of Household Management](#) published in 1861.

### Chapter I – The Mistress

Strength and honor are her clothing, and she shall rejoice in time to come. She opens her mouth with wisdom and in her tongue is the law of Kindness. ***Her children arise up and call her blessed; her husband also and he praises her.*** [Prov 31:25-28](#)

As with the Commander of an Army, or the leader of any enterprise, so is it with the mistress of a house. Her spirit will be seen through the whole establishment; and just in proportion as she performs her duties intelligently and thoroughly, so will her domestics follow in her path. Of all those acquirements, which more particularly belong to the feminine character, there are none which take a higher rank, in our estimation, than such as enter into a knowledge of household duties; for on these are perpetually dependent the happiness, comfort, and well-being of a family. In this opinion we are borne out by the author of “The Vicar of Wakefield,” who says: “The modest virgin, the prudent wife, and the careful matron, are much more serviceable in life than petticoated philosophers, blustering heroines, or virago queens. She who makes her husband and her children happy, who reclaims the one (ugh the husband) from vice and trains up the other to virtue, is a much greater character than ladies described in romances, whose whole occupation is to murder mankind with shafts from their quiver, or their eyes.”

It is the entanglement in arrogance of the woman wanting to be equal to the man and to function on an equal level with a man in all endeavors which degrades her to a position of slavery to her arrogance. Whereas she, under the principles of the Protocol Plan of God, is to be given a position of superiority and honor. When the woman organizes for the specific purpose of doing whatever men do and demands the option to do it, *this results in her losing whatever she could possibly have gained*. This produces Arrogant weak women in politics and this puts women in coal mines, steel mills, construction work and even today in combat groups. Men go to war for the specific purpose of protecting their women and families and home, what happens to this motivation to fight and win when women are in combat groups and being killed alongside the men. Women in combat would be acceptable but ONLY in situations of historical expediency where the nation is under attack and has sustained great tragic losses in the male population and had a large number of females available. Only in historical emergency is it necessary for women to assume jobs such as coal mining or steel mill work or combat units in the military. In addition there is no place in Law Enforcement for women patrolmen on the street. Women in combat outfits move the major issue in the unit from combat to protecting the woman. There is nothing to hinder a woman from success in life in any area but their drive and motivation always results from Arrogance when women organize to accomplish these types of things. It is only the inadequate male who becomes upset by the success of the female. Arrogance makes these men bitter toward the woman who succeeds in their own field of endeavor. Many of the current trends in our society are related directly to Institutional Arrogance and the solution to and means of categorization of these types of social problems is definitively related to the Plan of God.

### **Institutional Arrogance & Troublemakers**

Troublemakers exist whenever and wherever there is dysfunction in any organization. There is always someone, some individual, who is the source of the trouble and dysfunction in any organization. It is inevitable that in any group someone will start trouble once the group reaches a certain size. With the unbeliever trouble makers are inevitably maladjusted to the Justice of God at gospel hearing at which point they open a vacuum in the Stream of Consciousness of the Soul and they draw in a maximum amount of principles from Evil. This replaces all the doctrinal principles and concepts related to the Laws of Divine Establishment and Divine Institutions and all the common sense they ever had. This brings them to **Black Out of the Soul** and **Scar Tissue of the Soul** and eventually, even for the unbeliever **Reverse Process Reversionism**. With the believer his Negative Volition to Bible Doctrine, after Salvation Adjustment to the Justice of God, takes away any restraint on becoming a troublemaker and the same process is invoked. Troublemakers are Petty, **Jealous**, and completely entangled in the Interlocking System of Arrogance, especially those individuals who have inordinate Pride or Inadequacy. These are the source of discord, strife and all the dysfunctions that can occur in any organization. It is maximally destructive to the organization when this person acquires a position of power and in this status quo uses his power as if it were his own instead of the reality of it having been given or delegated to him by the organization which he then endeavors to destroy. A troublemaker is always cunning, deceitful and treacherous in an escalating progression. A contentious troublemaker is one who has a character flaw or series of them which makes him contentious and is the one who is constantly causing strife and is the source of maximum discord. Cunning people are generally stupid but have strong instincts for deceit. Deceitful people are generally smart having an innate ability and intelligence oriented for deceit. However, BOTH are destructive to the organization they function within.

Therefore it becomes obvious that malcontented individuals are very Arrogant and filled with Scar Tissue of the Soul and the expression of this discontent is irrational and Arrogant. Arrogance having originated with Satan who now rules this world, is the basic source of all the problems of mankind. Arrogance inevitably stimulates the Old Sin Nature for the temptations which then can produce all of the Mental Attitude Sins and the people who malign or judge or criticize leadership are very often only reflecting their own condition and personal Arrogance.

### **3 Parts to All Institutions**

For all institutions or organizations in life there are always 3 parts and these include:

- ✧ A System of Authority where there is a responsibility to immediate authority to fulfill the policy and accomplish the objective of the organization.
- ✧ A Policy which is an expression of the purpose of the organization and is executed by the authority in the organization.
- ✧ A Purpose or Objective which is the reason the organizations exists.

Therefore, Institutional Arrogance is rejection and attacking of, in any system or organization, the Authority, Policy, and Purpose or Objective, any one of these or all three. The person in the organization who thinks he is better or smarter than the one in authority is very subjective and is one who overtly accepts authority but in reality only ever accepts is his own subjectivity

and whatever grows out of it especially [Mental Attitude Arrogance](#) in all of its aspects. This is easily demonstrated in any organization where there is overt acceptance of authority but underneath is found competing and looking for a chance to ridicule or condemn the one in authority. This is petty and childish and women are very often involved in this when put under pressure from authority. This is the reason some people don't like Pastor Teachers, General Officers or Company Presidents and generally why labor does not like management. Therefore, Institutional Arrogance first becomes functional in the soul and then as a result it opposes the authority, policy or purpose of the institution. For the believer in this Church Age as part of the Royal Family of God, [The Royal Family Honor Code](#) principle is to simply accept these factors in an organization and function to the best of one's ability under them. Individuals within an organization must realize the level of authority and discipline needed for all involved participants to function under in order for the organization to succeed at all. Every organization must have a structured system which allows those who follow the principles and policies set up to succeed. Free enterprise is one such area involving any business or corporation. One means of avoiding Institutional Arrogance is that in [Humility](#), for every situation in life, the believer must recognize that he is always replaceable.

In Fundamental Christianity there MUST be professionalism and this must include good manners, thoughtfulness of others, Integrity and Honor. Professionalism eliminates any Arrogance, pride, hatred, self pity, or anything which would distract the believer from doing his best in whatever job or occupation he may have. To be professional takes wisdom and great Humility. Any non-professionalism, such as is seen in bargaining for salary or benefits by labor unions, is an indication of the person or group being involved in Institutional Arrogance. The mature believer ultimately recognizes his helplessness in his day by day life and functions. The Lord Jesus, The Christ is the Lord of the armies and regardless of a believer's rank or level of function in the Christian Way of Life HE WILL ALWAYS RECEIVE LOGISTICAL GRACE SUPPORT in life, just as all men in the military receive the constant benefit of military logistics. There is a policy for the believer provided by God and this policy is GRACE and this sets up a system of order and PROFESSIONALISM in the Christian Way of Life which provides objectivity and results in a lack of Arrogance. This MUST occur in all organizations and their policies must demand professionalism.

### **Institutional Arrogance & Labor Unions**

The Laws of Divine Establishment, Bible Doctrine and The Lord Jesus, The Christ always advocate Free Enterprise. The bible opposes government interference with business or industry in ALL cases and situations. Capitalism is not a bad thing as the socialists and communists propose under their influence from Evil but is in fact a Bible Doctrine. Christ himself strongly advocated Capitalism, He as the author of the Bible Doctrine in the [Laws of Divine Establishment](#) is therefore the author of capitalism. Believers must understand that the Laws of Divine Establishment present the fact that the man who starts a business is the ONLY ONE who has the right to say anything about policy in that business. Labor has no right except to WORK and do a job as best they can. Labor has no right for bargaining except when the contract is made. In [Matt 20:1-15](#) the collective Arrogance in the labor union situation is an example of this Institutional Arrogance. In the ancient world vineyards existed exclusively to

make wine and the capitalist owned a complex of Vineyards and he invested his money in this land and his business. He went out every day at 6:00 am and contracted union labor to engage them to work for the 12 hour day. In this passage, these men in the labor union bargained and then agreed to work a 12 hour day for their wages of 1 denarius (a lot of money at that time). This was a good contract and a good bargain for a days wages. Because of the overwhelming amount of work to be done he did this again at 9:00 am then again at 12:00 noon and found more laborers then again at 3:00 pm and found more laborers to work each for what remained of the work day. He went out one last time at 5:00 pm just before the work day was over and acquired more labor to finish the job for a 1 hour day. These other groups of laborers did not have a contract and trusted management under a GRACE system to pay them fairly. Being the owner of the business he HAS THE RIGHT TO DO THIS AND PAY THEM WHATEVER HE WANTED TO. He ONLY contracted with the first group in the morning, the union Labor Men. He, in fact, decided to pay all the men from all the time periods the same amount. The capitalist can set up any policy he wants to since it is his business and his money. When men invest money in business they have the ONLY right to say anything about how it will be run. Labor is stupid and has no right to dictate policy of any kind. When the men were finished for the day and went to receive their pay the first group contracted, the Labor Union Group, were upset because the ones who worked less received the same amount as the ones who worked MORE. In [Legitimate Business Systems](#) under the Laws of Divine Establishment and Free Enterprise, Labor is not EVER to make policy ONLY Capital makes policy and it is TOTALLY a part of EVIL for labor to try to make any policy with regard to anything in any business. This always applies whether it is a small business or a great industrial complex and only the one who invests the money has any right to make policy. The management in any organization is the only one who should make judgmental decisions and NEVER ask anyone for what they think. This is especially true for the Pastor Teacher and if he is not right in his decisions HIS manager, the Lord, knows how to HURT him just right. The policy of this capitalist man was Good and Fair and his decision to pay each group the same was fair and his idea was to get the good workers even those who only worked 1 hour to think he was worth working for and then they might come back at 6:00 am the next day. Most often there is much more wrong with labor than that which is wrong in Management. This capitalist man took his money and put it into his business and had fair policies which worked for his business. The critics of the man's policies were saturated with the influence of EVIL and had an "evil eye". The eye is considered the soul's window, therefore they, having an EVIL EYE, according to the Greek idiom, were involved in thinking EVIL in their soul. The labor union workers complaining about their wages were TOTALLY WRONG and did not understand GRACE, and in fact did not have to understand the man's policies. They contracted for a pay rate for a work day and their only requirement was that they do their job properly. The fact that they drew a salary from a job did not and never does give any laborer the right to complain about the policies of management. EVIL never understands GRACE functions and what this man was doing with his laborers was GRACE. The laborers who came after those at 6:00 am did not earn nor deserve the whole days pay rate but he paid them according to GRACE the whole days wages. EVIL NEVER DOES NOR EVER WILL UNDERSTAND GRACE and unfortunately, even believers who function constantly under the influence of EVIL in the Cosmic Dynaspheres are saved by Grace and never truly understand it. This capitalist business owner's

policy represents a grace principle and he was a grace oriented man. God rejects socialism and promotes freedom in every category as THE key to the Angelic Conflict. This Grace policy was not unfair to the labor union but labor protested even though management had fulfilled its contract to them. The labor union people were thinking in terms of Mental Arrogance assuming Equality of work was a function of Equality of pay. By trying to dictate policy to management about wages, working conditions, hours, etc., labor unions are guilty of Blind Arrogance interlocking with Institutional Arrogance, trying to stick their collective noses into the policy of management and to tell them how to run the business.

By the standards of Grace ones who demand a contract before they will go to work are the same as [Legalists](#) in the Christian Way of Life and are saturated with EVIL in their thinking. They do not depend on management to be fair and must have their contract delineated before beginning work. Independent labor depends on management to be fair and works without a contract. In the case of the Spiritual Life, GOD is management, and he cannot be unfair, he is just and righteous and never has he ever been unfair even once because unfairness would compromise his character. For anyone to try to make a contract with God and to superimpose on God's wisdom and grace their ideas is like a labor union trying to impose their ideas on management as to how to run a business and how to pay labor. This is what the holy rollers and victorious life groups and legalists of every kind do, superimposing their ideas with regard to salvation and spirituality on the Grace Policies of God for the Spiritual Life. The labor union does not control the capital of management and in the current time period the labor unions STEAL from the capitalist. Then they support liberals in government who will help them and use this stolen money to worm their way into government with endorsement bribes to legislators for legislation to promote themselves. Their perspective is EVIL and they demand more when those under NO Contract have received a bonus for their work performance. Management has a right to give a bonus any way and for any reason they desire since management controls the capital and in fact management has the right to end the services of any individual for any reason at any time without explanation or justification.

It is the people in authority in any organization who are supposed to make the policy. The one who invests money as a result has the authority to say what is done with his money and therefore HE alone makes policy and any other situation or structure is EVIL. There are ORGANIZATIONAL functions everywhere in life and the one in charge or in command must make policy and if one does not like the policy that is inconsequential, but he must still follow the policy as long as he is under that command. This is why many people go astray in life and when one is under management in some area of employment, if he does not like policy, it really does not matter. As long as he is taking their money he has NO RIGHT to complain or try to stir up trouble to get his own way, but he is REQUIRED to carry out the policy. HOWEVER, IF ONE DOES NOT LIKE THE POLICY OF AN ORGANIZATION THEN HE HAS THE SINGLE OPTION, ALWAYS, TO LEAVE THE ORGANIZATION. No matter the situation labor, in trying to interfere with the organization and establish policy, is wrong in every case not management and when management has no sense of responsibility or when this has been taken from them by government regulation and labor does not like or agree with the policy, labor can leave, quit, but must, while under the system, follow the policies. The United States

GOVERNMENT and many others as well, have made management dishonest and also made labor EVIL and dishonest. Labor unions do not understand GOOD nor GRACE and they are like believers in [Reversionism](#) and the Evil influence on labor unions results in false standards and Blind Arrogance which makes them cling to their standards instead of yielding to the policies of management.

### **Politics & Capacity for Leadership and Authority**

No matter how much leadership ability or authority one possesses it is all wasted unless he is free from the Interlocking System of Arrogance. One of the great principles of leadership is sensitivity to the needs of others. (See: Leadership Articles in The Military Review, 1980). Great leadership is sensitivity toward others displaying [Humility](#) and [Functional Virtues](#) such as thoughtfulness. There may be a great potential for leadership in an individual in some area but it will never be realized if the person is involved in the Interlocking System of Arrogance. Brown Nosing, catering, suck up POLITICS in business, education or anywhere in society is a function of Institutional Arrogance. The people involved, in general, do not appreciate the system or its organization, which, in fact, gives them their potential for success and they therefore, have no capacity for prosperity. Awarding of promotions in any organization should be based on a recognition of the level of capacity for leadership in the individual and the organization should freeze promotions at a particular level of capacity for every individual. Every person has a maximum capacity level for authority and leadership and when he is moved beyond this capacity he is in Institutional Arrogance and as a result will destroy himself and possibly the system. This is what has been and still is occurring in the United States government, especially the military.

### **Institutional Arrogance & Leadership**

When there is a lack of leadership in any organization it always results in individual PREOCCUPATION WITH SELF. Those with authority in leadership positions must live and think under doctrinal principles including those in the Laws of Divine Establishment and the Divine Institutions for the unbelievers as well, not emotion, Arrogance, confusion, frustration nor reaction. Especially when functioning as a leader, a person must never lose control of his own soul. If leadership does not start in one's own soul he will never have the respect of any others especially those under his authority. Leadership is a principle which MUST thrive in the soul before it becomes an action which inspires and guides others.

In true leadership, there must be freedom from Arrogance and subjectivity and leaders must respect the [Authority](#) over them as part of [Humility](#). On the other hand, the approach of liberal "management" (just management here) is to teach Legalism and hypocrisy from Self Righteous Arrogance. Therefore, the Key to Leadership is [Impersonal Love for Mankind](#) developed as a result of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. Therefore good leadership demands Spiritual Growth from making Bible Doctrine Priority #1 in life. Leadership must establish and clarify authority and all Authority is established through discipline. Leadership must recognize that No One is teachable without having first developed [Enforced Humility](#) under a system of enforced discipline and then [Genuine Humility](#) derived from one's self discipline and that Arrogance is unteachable because

Arrogant preoccupation with self destroys the ability to LEARN Truth. Discipline is therefore the foundation for Leadership. Management is a bureaucratic enforcement of regulations whereas Leadership provides self motivation for efficient functions in Life, Business, Military, or the Local Church. Leadership delegates authority whereas management assumes all authority and stands over a person and BULLIES him. Leadership explains the policies and the desired results and allows the mechanics to be worked out by those under him. Leadership produces Esprit DE Corps, whereas management creates dissatisfaction, conspiracy, gold bricking and dishonesty. Leadership creates Integrity whereas management creates dishonesty. Leadership Inspires Humility whereas management entangles in Arrogance. Therefore, Leadership is desirable while management is destructive. True Leadership includes attributes which must function within the framework of one's individual personality:

- ✧ Objectivity
- ✧ Humility
- ✧ Teachability
- ✧ Grace Orientation
- ✧ Personal Integrity
- ✧ Virtue First from a Relaxed Mental Attitude.
- ✧ Freedom from Arrogance and Emotional Sins.
- ✧ Honor, Integrity, Virtue & Loyalty directed to those under one's leadership or command.
- ✧ Function within one's own personality, without imitation of a role model's personality.
- ✧ Constant self examination for empathy toward subordinates vs neglect of responsibilities.
- ✧ Able to see the big picture of Life, History & Bible Doctrine.
- ✧ A thorough knowledge and professional understanding of whatever area leadership is in.
- ✧ Objectivity and loyalty to those above his level of command.
- ✧ Fairness to his command with freedom from prejudice and Blind Arrogance.
- ✧ Development of executive ability rather than managerial bureaucracy.
- ✧ Ability to Analyze, Organize, Categorize, Systematize, Synthesize and Communicate to those below and above one's rank.
- ✧ Instruction of subordinates to improve motivation and capacity for life.
- ✧ Possession of Confidence, Poise, and Thoughtfulness of others.
- ✧ Possession of Human and Spiritual Self Esteem to offset feeling threatened by pressure from either personnel or malfunctions in the organization.
- ✧ Development of a sense of responsibility for personnel & problems and this related to professional systems of organization.
- ✧ Have the ability to think under stress and pressure.

Arrogance is that which keeps any person from performing the functions of leadership when in a position of Power. Arrogance belongs to all human beings, being brought to us by the fall of Ish and Ishah in the garden and their subsequent development of the Genetic Old Sin Nature, so that the more authority and power one has over people the more Humility he must have to function under the principles of Leadership. The believer must remember that in his life, Authority Orientation does not end when he is at the top of the pile. In positions of maximum authority where there should be humility and leadership, people generally become Arrogant instead. Arrogance in powerful positions is destructive to the ones who have the power and

also to those under their power. Arrogance attached to any level of power destroys freedom and results in utter failure of leadership. Any level of power corrupts easily if not tempered with humility. Spiritual growth to [Maturity Adjustment to the Justice of God](#) increases humility in the believer. God cannot ever use Arrogance since it is the basis for EVIL the Plan of Satan and Arrogance in administration ALWAYS destroys the effectiveness of any leadership which may be there. The believer must always remember the absolute dogmatic principle of the Spiritual Life; “If God does not promote one in any area of life THEN, HE IS NOT PROMOTED”.

The one in command or in a position as head of an organization must be able to think under pressure since this is the one thing that those below him cannot do and in fact are not required to do, because they are simply required to follow orders. The one in the leadership position gives orders because he can think and he has authority because he can think without Arrogance, he has MORAL COURAGE to do the right thing at the right time for the right reasons. Where many people fail in leadership is when they think and relate their thoughts to Arrogance and Pettiness. Soldiers take orders because they cannot think and do not have the necessary background in the military field and therefore are not permitted to think, just to obey. The group leader does not have to be stronger or tougher or better in any way than his subordinates but he MUST be able to think clearly in all situations. The worst thing a person can do to establish his role as leader in any group is to constantly try to demonstrate his physical ability and that he is stronger or tougher than anyone else in the group. A Leader must possess personal integrity which means virtue first and foremost with a STRONG sense of responsibility. A Leader must also possess a Relaxed Mental Attitude and freedom from Arrogance and anything which would destroy his competence. A Leader should never use his position to simply attain promotion or personal prosperity in either the military or business. A Leader surrenders whatever capabilities he may have when his Arrogance and ambition makes him a user instead of a leader.

The production of ANY great accomplishment in life takes a group not an individual. There will be one at the top who has developed a policy and system of organization and others subordinate to him carrying out the policy. It takes a team of all kinds of people to do things properly, to incur any great accomplishment in life, with someone at the top controlling things and motivating those at the bottom. In the spiritual realm, there must be a great interrelationship among believers and those with great authority must be totally sensitive to those under their authority. There must always be the overriding concept of thoughtfulness. Leadership is always an issue of necessity wherever a group is functioning. The most important primary function of leadership is to maintain knowledge concerning those under his authority and of their jobs and to enter into an understanding of their feelings, sensitivities, problems and difficulties in life so that these will not hinder the function of the team from the bottom to the top. This is group competition at its best since the “team”, being well organized, can go against any situation or challenge. People in a group must always function as a team not as individuals and they must all be flexible. Once a group has inculcated authority orientation the one in the leadership position must then recognize that those under him are human beings and in order for him to get the most from them HE must be flexible. Every great thing ever

accomplished is accomplished by a group and those carried away with their authority are functioning in Arrogance and never recognize the group which supports them. When people are carried away with their authority and are Arrogant they become [Inflexible](#) therefore, adding Arrogance to authority destroys the virtue of authority and thus adds inflexibility to it. This is the antithesis of the [Royal Family Honor Code](#) and no group ever succeeds when functioning under Arrogance and inflexibility. Leadership must always enforce discipline but must also always know and understand when to turn back, relax and engage in a sudden startling change of function; there is no book written on this process. The trouble with always going “by the book” is that leadership very often becomes carried away with authority and “the book” never takes cognizance of the people who are under authority as being HUMAN. There must always be thoughtfulness of others and the concept of flexibility which gives drive and motivation and makes a difference between having esprit DE corps and lack of it.

When there is Arrogance in the Stream of Consciousness of the Soul there is destruction of capacity for life and reactions to both people and situations in life. A responsibility of leadership is to face any opposition by those under one’s command and handle the situation OBJECTIVELY. One cannot take responsibility for people in military or business or spiritual life without handling situations objectively. If one becomes subjective in any way feeling sorry for self, giving preferential treatment to some over others, getting emotionally or mentally upset, thinking things are unfair or are disturbed in any way he has lost any leadership potential he may have had. If he cannot take unfair, unjust, unreasonable or irrational criticism he has no right to be in any position of authority or leadership. If he is going to fulfill leadership functions and do it right then he must be able to handle the irrationality of subjective criticism because leaders are blamed for everything. Many of the things people blame the government leaders for are actually the fault of the American public who in their idiocy elected them or allowed them to get away with stealing elections by fraudulent voting practices. Great men are blamed for many things but go right on doing their job, ultimately for the great benefit of this nation, Douglas MacArthur, Chesty Puller, Admiral King, Dwight D Eisenhower, Stonewall Jackson, Robert E. Lee, George Patton and many more possibly including Donald Trump. This does not infer their perfection or infallibility in any way. Anyone who emerges as a great leader must have the sensitivity of a woman in love and also the hide of a Rhinoceros; this was the case with MOSES. People are displaying their personal Arrogance when blaming leadership and authority and the press in the United States of America is ABSOLUTELY Arrogant in trying to run the lives of the people using Fake News and Propaganda. The people in the United States of America have been and continue to be Arrogant in their attitudes and to continuously vote for Arrogant people and this has been and continues to be very destructive to the nation. One cannot survive in life unless he can think in terms of Absolute Truth in any of the 3 categories:

- ✧ The Gospel of The Lord Jesus, The Christ for Unbelievers
- ✧ The Laws of Divine Establishment for both Believers and Unbelievers
- ✧ The Principles and Promises of Bible Doctrine for Believers

Pontius Pilate is a good example of a great dilemma in the area of leadership where his abilities for leadership were canceled because he could not come to any conclusions with regard to Absolute Truth and therefore, his own [Scar Tissue of the Soul](#) destroyed him. Leadership in

a spiritual situation requires competent [Faith Rest Drill \(5 stages\)](#) functions.

The commander who tries to be a buddy to his men or is a martinet and uses his command to advance himself without regard to the welfare of his men, who also displays or functions according to his personal 'feelings' is therefore Arrogant. The great leader always keeps his personal attitudes and feelings out of the picture of his command entirely and he must always remember that Authority means Responsibility. When he has eyes on people and on self in Arrogance the leader therefore loses his flexibility and sense of humor and above all HIS subordination to the source of his authority. Every leader has delegated authority from someone higher than himself and the pastor teacher in this situation loses his subordination to divine authority when he entertains Arrogance in his soul. These pastors will disobey God because they become Arrogant and Arrogance makes them weak. No matter how physically, spiritually or morally strong nor how much courage he may have, Arrogance will make him weak and only one small shot of Arrogance and he has become a weak sister. NO ONE can afford to entertain Arrogance longer than it takes to confess it and be forgiven. Arrogance destroys both true and pseudo greatness and, in fact, it even destroys the greatest of believers. There are times when people deviate from the proper orientation in a spiritual situation but being out of line in these cases is in reality not the issue. When entertaining Arrogance and wallowing in Self Righteousness this person is no longer in control of his command and anything he says is abuse of his authority even though what he says may be TRUE. Even when speaking truth he is still out of line in saying it under the influence of Arrogance having lost his flexibility and sense of humor and his subordination to superior authority, which for the Pastor Teacher is divine authority.

In everything provided by God the emphasis must be on His Absolute Righteousness and Grace. When those under the authority of the Arrogant self righteous leader fail in any way this type of leader puts the emphasis on REPRIMAND and Old Sin Nature failure and NEVER on Grace. These leaders will often insert [Self Righteous Arrogance](#) into exasperation therefore become angry as he considers his subordinates. Because of anger and frustration his own personal feelings will become more important than any other issues especially when it concerns the Pastor Teacher's doctrinal instructions. Many times for the spiritual leader there is no question about the Grace of God providing any needs for him but the petty vindictive irresponsible attitude of those under him can become a snare to him and he will become preoccupied with the people inserting his own personal reprimand in place of a Grace understanding and emphasis. This is what happened to Moses when he reprimanded the people and struck the rock a 2<sup>nd</sup> time for water at Kadesh Barnea!

Leadership cannot afford to be frightened in any disaster or when under pressure and cannot ever afford Arrogance at any level. Having Authority results in a high level of responsibility and demands freedom from Arrogance in every level of leadership. Therefore, obviously, Arrogance destroys leadership in any area and in the spiritual realm one cannot be a pastor and have spiritual authority along with Arrogance. Obviously then, one of the greatest problems for leadership is to keep away from Arrogance and develop, institute and enforce an objective policy. The Lord's servant can have no illusion about himself, no Arrogance, no

involvement in [Reversionism](#) to distract him from Bible Doctrine, no ignorance of the Grace, Policy and Plan of God, no preoccupation with the Details of this life and must never ignore the Integrity of God. Leadership often cannot resist the temptations of Arrogance and often, when a person receives any level of authority, he very often cannot resist its accompanying [Power Lust Arrogance](#). In any leadership function the greater the responsibility and authority the greater must be the minimizing of Arrogance. Personal Arrogance will destroy leadership ability and also any talent and potential for success. Therefore, leadership requires the individual leader to face all opposition OBJECTIVELY never subjectively so that by subordinating all opposition to policy, when it is properly expressed, as in a political situation, will allow the leader to perceive the thinking of those under him objectively. Objectivity requires total freedom from personal Arrogance and total lack of subjectivity.

Leadership appointed by God must be totally dependent on God and Arrogance as an issue in the life must be settled and removed before assuming the leadership role. One cannot have Arrogance with authority and to the extent that anyone in authority in any area is Arrogant to that extent there is ineffectiveness in his leadership. No matter the talent of the one in leadership in any area, if Arrogance is present he WILL fail. Being in a position of Leadership means Arrogance cannot exist in the individual and, in fact, leadership demands humility because leadership always has great authority. Any system of leadership includes authority and there is an accompanying responsibility to use that authority properly. In some cases that authority is used by delegating it and in some cases it is used to protect the weak from bullying by the strong and sometimes the strong from maligning by the weak. Therefore, Authority in leadership must always be properly used and it must be accomplished under a Mental Attitude of total [Humility](#). In leadership one must never become personally involved in use of authority over others since it must always be used under conditions of total objectivity. In the proper use of authority everyone under the authority must be treated alike whether the leader likes or dislikes the individual. When in a leadership position one may dislike some who do a good job but leadership should keep these unlikable ones on the job and often even promote them BECAUSE OF THEIR ABILITY. He may like some who are failing miserably in their jobs but these must be removed lest the organization also fail. Once a person accepts any authority in any situation, at that moment, the leader must instantly set aside any personal prejudice for or against others as well as personal feelings of love, admiration, likes and dislikes. When there is Arrogance present in the individual who has the authority this authority cannot ever be properly handled.

[Bitterness](#), as part of [Mental Attitude Arrogance](#), wipes out leadership potential in all cases and some of the greatest leaders in history lost out because of bitterness. This has occurred in the military, corporations, education, and many other areas. LOVE YOUR WIVES is God's mandate to husbands and NO ONE can love anyone while involved in bitterness. Bitterness is Arrogance seasoned with emotion and it always results in irrationality. Leadership means that there must be wisdom not irrationality and without it there can be no leadership. A person who is free from Institutional Arrogance will never be troubled by Mental Attitude sins especially bitterness. Bitterness is the aftermath or coincident function with Institutional Arrogance. Moving from Institutional Arrogance to Bitterness may cause the infiltration of thought patterns which are

sociopathic in nature. The authority in an organization may fail or maltreat one but this one must remain loyal to the purpose and policy of the organization and under that authority or leave the organization.

A great commander should never even offer to explain or justify his actions or decisions to his subordinates. The subordinate must learn to trust the judgment of a leader so that there will not be necessity for his explaining decisions and actions. There is no place, nor any call, for any subordinate to set self up to straighten out those in authority over him in their thinking or actions. God, himself, will give these leaders a corrective answer and it may or may not come from a believer who has reached Maturity Adjustment to the Justice of God but it will always be based on Bible Doctrine principles. It is always tempting to criticize Arrogant people, however, once one starts this criticism of Arrogance or tries to correct it, it is infectious and he most likely will become Arrogant in criticizing them. Instead, the believer must realize that there is nothing that angers a petty person more than ignoring their [Pettiness](#). When a person has a roadblock for the application of Bible Doctrine they usually end up with pettiness and Self Righteousness as part of the Interlocking System of Arrogance.

Often, uniqueness in one's makeup is associated with the development of Arrogance in that it may cause one to assume that he is in some way special therefore indispensable. God will isolate this believer from the rest of society in order that he may inculcate the principles of [Grace Orientation](#) and their by-product of true Humility. God does not use publicity and public relations gimmicks therefore publicity is no substitute for divine power; it merely becomes a distraction leading one into the various Arrogance functions. Therefore, the true training program of leadership for the crisis demands isolation. Grace orientation produces humility while occupation with people or things and with, or reaction to, disaster produces Arrogance; and in disaster Arrogance produces fear and fear as part of [Emotional Revolt of the Soul](#) destroys all leadership potential needed in disaster.

In the coming inevitable crisis for the United States of America, which has been seriously developing since the beginning of the 21<sup>st</sup> century, the nation will need both great moral and physical courage in both the individual citizen and especially in those with authority in every area. Believers must maintain the knowledge of the SOURCE of both physical and moral courage. Moral courage is by far the greatest asset one can possess in disaster and crisis because THOUGHT is always greater than action. Moral courage is demonstrated by the person who keeps thinking and talking to relieve the pressure of an intense situation. The Greatest moral courage in American history was seen in General Dwight D. Eisenhower and General Douglas MacArthur two of America's greatest national heroes. Moral courage is very hard to spot in individuals. Harry Truman, considered a great American president, was in fact on the other hand, a stupid loud mouth individual who could not, by any stretch of the imagination, understand the genius of Douglas MacArthur. Being clever is not being smart and cleverness can and usually does result in personal self destruction. The believer must have effective thinking for action to be meaningful and physical courage without thinking is Emotionalism and Arrogance. God never uses Arrogant people [EVER](#). A person with Arrogance and physical courage is usually a loud mouthed bully. Believers must have both physical and moral courage

and moral courage must come first from Metabolized Bible Doctrine and be totally minus Arrogance. To be smart and Arrogant is little better than being dumb and Arrogant because Arrogance neutralizes superior intelligence. God's prepared person must have MORAL courage and thus be able to think in terms of principles related to the entire realm of Bible Doctrine. Therefore, the most important attribute for good leadership is Moral Courage first because physical courage, which simply requires action, is always a simple extension of it. Therefore, whether one is male or female, when a crisis comes, the most valuable thing to have is moral courage and it is developed best from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. Moral courage will invariably express itself in correct action when it is needed. Therefore, Positive Volition to Bible Doctrine – Arrogance == Moral Courage.

Leadership cannot afford to become socially dependent on those under one's command because decisions regarding them will then not be objective. Leadership under social dependence tends to OVER REWARD good work and OVERLOOK poor work and results in lapses of discipline in these individuals. Eventually a crisis will occur where leadership must make an independent, objective decision else he becomes simply a bureaucratic spokesman. However, Leadership MUST listen to opinions and advice from others but without having too great a dependence on conferences or group input since this will destroy the ability to make sound independent decisions. The Gift of Leadership is designed to allow the possessor to make the right decision when the group under him could not make that decision for itself. Leadership must never be sucked into bad advice nor manipulated by flattery or patronizing from ambitious underlings. This is a bad influence which should never be considered in decision making lest it result in bad leadership. For the Good of the ORGANIZATION, the Leader must motivate and encourage but not allow any underling to take advantage of any real or assumed friendship which would allow the organization to be used as a personal service for other things. Over involvement and personal familiarity with those under one's authority can lead to destruction of the distinction between leaders and followers through the concept of equalization where everyone becomes a leader. When everyone's opinion is more important than that of the leader the leadership is destroyed. Leadership must function within the realm of one's own personality without his authority being used when there is NO need for it.

The assumption of authority in leadership positions means one is also assuming responsibility for those under his command. No one has the right to accept leadership in any area without having capacity for the resultant responsibility. Having authority over many people but without capacity for life or a sense of responsibility for those under one's command puts that person in total misery. In life this includes areas of Marriage, Athletics, Academics, Business, Military, Government, etc. Each advance or promotion in rank or position means additional responsibility and the individual involved must be ready and have the capacity to accept this additional responsibility. People who have too much authority, beyond their capacity for it, cannot ever live a normal life. No one can live a normal life when he constantly accepts more and more responsibility with greater and greater authority. This clearly delineates an important facet of leadership requirements which is having capacity for the required level of responsibility. Always remember, *“IF THE LORD DOES NOT PROMOTE ONE, HE IS NOT PROMOTED”*. Along with this remember that the Lord does not promote one until he has

capacity for the RESPONSIBILITY involved in the promotion. One gains capacity as a result of spiritual growth from Metabolized Bible Doctrine and also temporally from studying, learning and developing in one's field or occupation. Leaders in all areas of life must and should be limited in their advancement by their capacity for RESPONSIBILITY.

Arrogant leadership wants the authority and rejects the responsibility commensurate with the authority. It is therefore obvious that many people should not advance beyond a certain level, or rank in the military, which is commensurate with their capacity for assuming responsibility. This is why some men should never accept any authority beyond Marriage. The ultimate example of good leadership is the Centurion who asked The Lord Jesus, The Christ for healing for his First Sargent (possibly his son), and understanding authority he told Jesus that Jesus did not have to journey 30 miles to the barracks but just say he was healed and he would be. The ultimate in leadership is strong character and a stable mentality using authority without abuse or distortion while remaining flexible and free from Arrogance using common sense and good judgment derived from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. The truly great leader must be flexible knowing when to crack down and when not to, when to use the book and when to throw away the rule book. The true leader must know when the rules apply and when they can be circumvented. A Good leader is loyal to his subordinates and he assumes responsibility for all those under his command being alert to their function and welfare. This is often a most unusual function of the [Faith Rest Drill \(5 stages\)](#) exercised on behalf of others for their benefit. Believers must use the Faith Rest Drill <sup>(5 stages)</sup> to benefit those in their periphery and it is designed to stabilize one's periphery. Faith Rest must be beneficial to others as well as self and this combines faith rest with the 3<sup>rd</sup> category of the [Super – Grace Escrow](#) blessing package for the believer who has reached Maturity Adjustment to the Justice of God which is Blessing by Association.

### Institutional Arrogance & Military Leadership

In a leadership position one cannot ever afford anger or [Jealousy](#) which are part of [Emotional Arrogance](#) nor [Self Pity](#) or Self Righteousness. Anger as part of Arrogance is demonstrated as such when the spiritual leader comes to the point of expressing solutions for whatever problems may exist with his subordinates by the use of violence. The personal feelings of the one in command are not ever the issue in command functions. The principle is to never become personal in leadership since this is an abuse of authority and the ongoing tragedy of many functions in this nation today. Personal feelings can become the basis for abusing people with obnoxious personalities by bullying, restricting advancement, etc. Now that the military recognizes homosexuals and is recruiting transgenders these degenerate individuals should not take on authority because as a homosexual, functioning under Emotional Arrogance in degeneracy, if there are other homosexuals under his command he will exclude them from obnoxious or compromising duties and the normal individuals will get all the difficult details. Homosexuals cannot be in a military organization without a breakdown and destruction of authority and objectivity. If an officer is a normal heterosexual and there are abnormal homosexuals in his platoon they very well may get ALL the dirty details if he is opposed to homosexuality. As a result of homosexuals now being accepted in the military the United States is now defenseless since this situation destroys all the authority structure set up within

the services. This same situation also occurs when women are allowed into combat units because their commanders may have strong feelings about females and not give the frail females the difficult assignments or duties nor put them into situations which would compromise them in any way. In both situations objectivity and unit cohesion are totally lost and the units so involved become completely ineffective.

Victory in war depends on the function of professional regular army, line outfits, while special limited tactical success depends on the elite military units. There are places for regular, elite and reserve units in properly organized and conducted warfare. There must be discrete lines of distinction so that the person in charge can determine when to use each type of unit. Any person with authority must be able to think categorically in terms of his personnel and their use. One must never take on leadership positions unless he can think categorically about people, and unless he can divorce his emotion from becoming involved with people to whom he must delegate authority. He must understand that he must be able to trust people he does not like based on their abilities and skills not his personal attitude toward them. It takes teamwork and cooperation between line outfits and elite corps to win victories and elitism can become a form of Arrogance unless the concept of team work is maintained. It is acceptable, even good, to have strong Esprit DE Corps but it is completely wrong to become Arrogant about special abilities, functions and special organization membership. Arrogance on either side of the elite or line outfit destroys teamwork. Each sub group in an organization must understand its own worth and its contribution to the desired total overall outcome. Each person has a right to his own military preference but no group or unit can be rejected and not allowed to function to its maximum ability because of Arrogance or stupidity in the leaders. Therefore there must be Esprit DE Corps not Arrogance.

Every group of people in the world have had a better record of great leaders than the United States of America has ever had. The Mongolians, French, Prussians, Swedes, ETC., all have had great leaders as documented in history. The thing which destroys the emergence of a great leader in the United States, apart from a national crisis, is a result of our overriding national characteristic of [Pettiness](#). Patton and MacArthur were always resented and both were truly great leaders. This characteristic of pettiness is why [Legalism](#) is such a strong Anglo Saxon characteristic. Pettiness leads deeper into Arrogance and one cannot have either and be a truly great leader. True Leadership cannot occur where there is Mental Attitude Arrogance and its accompanying Sins because Mental Attitude Sins destroy both moral courage and battle courage as clearly demonstrated throughout history.

Anyone who expresses being disgruntled or dissatisfied and then tries to undermine authority in an organization is enmeshed in the Arrogance Complex. They have interlocked Institutional Arrogance with, at a minimum, [Blind Arrogance](#) and / or [Conspiracy Arrogance](#). When situations occur which cause the believer to be dissatisfied he is to switch to [Impersonal Love for Mankind](#) or he is to physically separate from the individual or organization he is dissatisfied with to prevent the compromise of Bible Doctrine and his entanglement in the Interlocking System of Arrogance. One will never be able to count on anyone who displays any aspect of Arrogance when the pressure is on them. In this status these Arrogant ones will swing to the

other side of the coin which includes Cowardice, Jealousy, Bitterness, etc. When one depends on the comments of others for motivation and function in life he has serious soul kinks and is in real trouble.

One of the great responsibilities of leadership is to face opposition from those under one's command and handle the situation objectively. MacArthur, Eisenhower, Lee, Jackson, Robert Frederick, Sprague, are all examples of men who showed great leadership in the most difficult of times and situations. The ability to think under pressure is not learned in the basic training of military boot camp but is learned as one receives more and more responsibility and authority with rank promotions. Without the ability to properly think under pressure there can be no moral nor battle courage. Leadership MUST always have MORAL COURAGE to do what is right without regard to the consequences or opposition whether in the military, in business, in government, or in the family when raising children. No leader, in any area of life, can be Arrogant and fulfill the RESPONSIBILITIES of leadership. When there is opposition to leadership in an organization the one in command, who has the authority, must be objective and this demands total freedom from Arrogance. Once Arrogance creeps in and the leader takes opposition personally he becomes subjective and loses control and therefore fails and this is why many military men in American history have failed. Because great military men of genius and ability in American history had become subjective and their subjectivity entered into their decisions, to that extent, they became wrong and failed in their functions. Consider the great leadership of Dwight D. Eisenhower and the constant opposition he received from politicians in the United States of America and England and the small minded officers over whom he held command in World War II. Unfortunately, the American military hierarchy and government systems have a way of putting mediocre people in command then have them foul things up totally and then allow them to get away with it; it is extremely fortunate this did not happen in World War II with Dwight D. Eisenhower.

### Institutional Arrogance, Manliness & Femininity

Arrogance is found in the emphasis of the overt physical attractiveness of a person, the level of authority they have above others or their overconfidence. People who are self confident are not Arrogant people and those who possess confidence in their abilities are not Arrogant; only the insecure and petty are Arrogant and it is Arrogant people who assume that confident people are Arrogant. This is the reality of correct thought and its application where one reaches out by faith using a principle with doctrine behind it. The male recognizes his manhood from doctrinal understanding while most men stupidly think they are not really men until they are their own boss. A male cannot be a MAN and be Arrogant at the same time and Arrogance deprives the male of manliness just as Arrogance deprives the female of femininity. Females cannot be feminine and not become 'Ladies' and males can never be manly men with Arrogance in the Stream of Consciousness of the Soul. Contrary to the average person's thinking, submission to authority is not lack of manliness nor lack of femininity.

The good leader, to some, appears to be Arrogant when he is handling situations and pressures and is so confident that people equate this confidence with Arrogance. This is irrationality. They consider his exterior presentation of being stern and tough and call this Arrogance but, in

fact, it is complete confidence. It is the combination of true humility with confidence that brings true greatness in life. The great leader has confidence and exercises authority properly because he is humble. He may not appear to some to be humble and might talk out of the corner of his mouth and speak toughly to the people under him and yet he can still be most humble. Women must always be aware that they have one of the greatest problems of life which appears when anyone who opposes or speaks down to them is considered by them to be “Arrogant”. This confuses manliness in the male or confidence in anyone with Arrogance which are two completely different things. One of the greatest traps for modern women is the problem of assuming that any man who takes charge and straightens them out in their thinking is Arrogant. Women prefer their bible teaching to be from little deprecated, mealy mouthed, sweetness pastors and they want to be wooed and caressed by words instead of having Bible Doctrine and its principles being presented in a straightforward manner blatantly thrust into their face. Never can there be a happily married woman who thinks and functions in this way. An unhappily married woman who intends to stick it out in the marriage, and who should, is the first to take offense at the use of any authority toward her, resenting it and screaming for equal rights and as a result gets involved in other erroneous groups and efforts in life.

### Leadership & Morality

When evaluating leadership, whether spiritual or temporal, *the individual's morality is not ever the issue*. The real issue is integrity and wisdom along with Doctrinal or Laws of Divine Establishment understanding, viewpoint and function. The wisdom of the Mature believer results in his ability to handle maximum authority with minimal Arrogance. This gives one the ability to have extra thoughts about those under their authority concerning their weaknesses, how they feel about things, their strengths and any problems they might be dealing with. Remember, Great People are not necessarily the nicest or sweetest people. In contrast, some of the people most influenced by Evil ever to live have been extremely ‘NICE’ people. Nice people very often have a facade of Self Righteous Arrogance and sweetness and light. Leadership must possess integrity and wisdom along with doctrinal viewpoint or viewpoint from the principles of the Laws of Divine Establishment and Divine Institutions. Rulership does not have to have, nor can it be expected to demonstrate, perfect character since all people have and USE their Old Sin Nature. In rulership integrity and understanding the necessity for freedom are the true essentials.

### Institutional Arrogance & The Unites States of America

Arrogant people who have lost power and try to regain it are not interested in the people or the nation which they serve they only want to regain the power. People who seek to gain control and power in their own nation and seek rulership and power for the sake of assuaging their own Arrogance come up with policies which inevitably destroy freedom and the nation. This is currently and has been the status of the United States of America from before World War II and is especially true today. American foreign policy should have prevented us making treaties with any communist nation which are totally based on the principles of Evil and the only treaties the United States should have had should have been with South Africa and Rhodesia in the 70s. Richard Nixon should never have gone to and recognized the Communist Chinese as a legitimate government. American foreign policy was and still is totally divorced

from morality and reality and only related to expediency and assuaging the feelings of other nations who are totally saturated with Jealousy concerning America. This demonstrates the cowardice and Arrogance of those people establishing the policies. Arrogance in power today leads to degeneracy in power tomorrow, this is demonstrated by the sexual misconduct of Bill Clinton in the White House and the possession of Cocaine by the Biden family in the White House. Arrogance always attacks law and order and establishment oriented organizations and when this attack occurs and is coupled with the inevitable degeneracy there is total disaster. It becomes obvious then that the United States of America since post World War II has for the majority of this time been totally ruled by Arrogance.

### **Institutional Arrogance & The Local Church**

The “management” Pastor Teacher encourages a reliance on himself by regulating the congregation, encouraging counseling, setting up church programs, etc. This congregation tends to either rebel or over respond to the Pastor Teacher and this Pastor Teacher, who has set himself up as a role model, tends to distract them from learning Bible Doctrine. He tries to coerce the volition of all in his congregation invading their privacy by teaching Legalism and hypocrisy from Self Righteous Arrogance.

No one can lead without [Authority Orientation](#) and personal self discipline and all enforced discipline must be endured while training for leadership whether it is fair or unfair. Believers with a spiritual gift involving Leadership can go very far in business or in any organization. Spiritual Growth to Maturity Adjustment to the Justice of God is the greatest help to anyone in any organization especially the leader. There are times when a lack of preparation in a field of endeavor makes a person extremely prone to Arrogance. The more preparation one has in his field the less he will be disillusioned by self and the greater will be his humility, whereas the less preparation the individual has, the more Arrogance presents itself. Leadership is something which one prepares for all of his life and includes the accumulation of technical data in a field along with maximum Bible Doctrine. Good leaders strengthen their professional abilities and those with the spiritual gift of leadership can go to any organization and rise to the top. Paul was the most spiritually prepared man in history and he did not have the worst kind of Arrogance. His lack of [Inordinate Competition Arrogance](#) shows what a truly magnificent person Paul was and no one ever had a greater privilege than Paul, he being the one who actually revealed the entire mystery doctrine for the Church Age.

### **Institutional Arrogance & Family**

Parents are the authority over children and to the extent that they have Arrogance they will fail to use their authority properly in rearing their children. Authority in the parents is the first organization one encounters in life and is in the home and its purpose is to bring the children to adulthood as responsible individuals. The policies by which this is brought about should include the institution and inculcation of the Laws of Divine Establishment, the Divine Institutions, the Gospel of Salvation and the entire realm of Bible Doctrine. This is true also about marriage and the husband’s authority over the wife as well.

### **Gate #64 – The Arrogance of a Lust for Power**

Power is a major issue in life and power lust and power madness are one of the major tragic flaws of individuals involved in the Cosmic Dynaspheres. Power means control and being in control satisfies or assuages the Arrogance of both man and angelic creatures. One of the major forms of pseudo happiness in the Interlocking System of Arrogance is exercising control over others in one's environment. This is the direction and function of Cosmic Dynasphere I, the Interlocking System of Arrogance in Satan's plan and policy. Arrogance factors are always present and when people desire, above all else, power, they have a saturation of their soul with Arrogance. Some aspect of Arrogance is always easy to become entangled and involved with and what matches it and is much more difficult to obtain is POWER. Arrogance destroys all talent, beauty and intellect more effectively than any other thing and even perfect environment, as demonstrated by Ish and Ishah in the Garden of Eden, will not prevent Arrogance and sin. From the start of his life Satan had total perfection being created an adult in perfect intellect, perfect beauty, perfect environment and still he made a bad decision desiring POWER beyond his capacity. Beauty is useless unless someone recognizes that beauty and if great intelligence is possessed but no one recognizes how smart a person is what good is it? If one's status in life is not seen as being above others how is that supposed to satisfy one's Lust. Satan had all these things from the start of his life and he got tired of hearing how great he was and decided he was just as capable of running angelic creation as God and therefore wanted to be as powerful as God. Arrogance was the new factor introduced into creation and Arrogance promotes [Inordinate Ambition](#). The lust for power has its roots in Arrogance and is much more than having the ability to manipulate people. Power Lust does not begin with trying to exercise authority or influence over people but the Arrogance which starts it all is based on preoccupation with self always saying, "LOOK AT ME". It is an inordinate desire for recognition in life and therefore interlocks directly with the [Demand Syndrome Arrogance](#). When one takes the Law into his own hands for vengeance he extracts POWER from the bonifide system of the Law. This creates a Pseudo Pride from this extraction and by this creates a power with which he cannot cope and this sets self up as the law when he is certainly NOT the law. This is true Arrogance. However, this is NOT the case nor the issue in situations of self defense where every individual has a right to defend himself against violence.

The most unstable form of life on earth today is PEOPLE IN MASS and this is clearly demonstrated in the early 21<sup>st</sup> century by the antifa and black lives matter radical revolutionists and their "demonstrations". When people in mass Strike, March or Assemble as a Mob they are the most unstable form of life on the earth. These assemblies allow those involved to be recognized as part of a group but prevent them from being recognized individually. There is nothing more disgusting than a mass of people pulled together by their Arrogance and lust because they associate being thought important, demanding response and being recognized with gaining happiness. Mobs in society cannot function normally for work, in marriage or for the accumulation of wealth but they can rob, steal, rape and murder. Far more dangerous to the

earth than nuclear weapons are MOBS and their functions all start with Arrogance. Mob functions, under the guise of labor union strikes, are declarations of Arrogance and lack of integrity. Being abnormally self conscious about one's personal ability, talent or intelligence is the means for developing Arrogance, and by this, failures in life of the greatest proportions. If one joins into a group in order to make an impression on others, that is Arrogance. When one is Arrogant he loses his [Humility](#) and all happiness in life is related to humility.

Therefore, as a result Power Lust interlocks with Inordinate Ambition Arrogance and [Conspiracy Arrogance](#). There are Christians who do things for others in order to try to make them their slaves or puppets and this tragically is also a demonstration of their Arrogance. This is disguised by their sweet, kind personality but behind it the individual is suffering from POWER LUST Arrogance and is CONSPIRATORIAL in his going about systematically accumulating puppets. This is how fragmentation of lives under the Interlocking System of Arrogance destroys the Local Church, Business corporations, Military organizations, Law Enforcement groups and the entire National Entity. There is always someone who does not know or properly evaluate his limitations and under [Limitation Arrogance](#) joins up with a LUST for power and wants to control his peripheral area whatever its size. Life is too short for this crap and if God wants any believer in power he will put him there and then he will have to WORK diligently to exhaustion to do his job properly there as unto the Lord and to his best ability.

### **[Gate #65 – The Arrogance of Revolution](#)**

[Revolution](#) is the forceful overthrow of [Divine Establishment](#) not just a government or political system by the people governed. It is an overthrow by violence of established authority resulting in a fundamental change in a policy, political organization, a constitution, or a Government and its purpose. It is a form of Evil as a [Conspiracy](#) formed in secret to overthrow the established authority or government which is enacted with the violence of revolution. The American War for Independence of the United States of America was **NOT** a revolution because the American forefathers did not overthrow the established government of England nor did they plot to or try to kill George the king of England, nor did they disturb the parliamentary process of the government of England. The obvious contrast to this is found in the French, Russian and Chinese revolutions and how the leaders of the established governments were in fact publicly executed. Louis was executed in the french revolution and the whole Romanov family was executed in the Russian revolution and in the Chinese revolution any individual who opposed the communists was publicly executed at times by the hand of their own children. The United States of America, however, was born from FREEDOM through MILITARY VICTORY. The Constitution of the United States, which has now been severely violated and almost completely set aside, was and still is the basis for establishing and maintaining FREEDOM above all else for the citizens. In the War for Independence the United States prepared a Declaration of Independence which expressed the grievances of the colonies and which was totally ignored by England and her government. This is the pattern for proper

redress of grievances by a group in a nation ESPECIALLY THIS NATION, and is not EVER to involve the marching and demonstrating which has occurred too often in the United States since the 1920s with the Suffrage movement, and which is the epitome of revolution in the United States today in the 21<sup>st</sup> century.

Very often Revolution can and will occur which no historian will call revolution. The situation and events will contain the secret plan of the Conspirators which is the PLOT and the means of carrying out the PLOT which is the INTRIGUE. In all revolutions there is the antagonism of Evil toward the Laws of Divine Establishment (Prov 17:11). Therefore, in addition, all revolutions are Anti-Establishment and since the Laws of Divine Establishment are from God all revolutions are Anti-God. In a LEGITIMATE Government system the Laws of Divine Establishment provide a correct balance between Authority and Freedom. The Constitution of the United States provides a LEGITIMATE form of Government but the current American government is not following it's guidelines. The principle of Establishment freedom is simply put as:

↳ “Freedom without Authority is Anarchy and Authority without Freedom is Tyranny”

When the balance of Freedom and Authority is destroyed it always results in anarchy which ultimately leads to tyranny. Bureaucracy in government is never held responsible to the ones who appoint them but only to the tyranny it forms within itself. The “rules” it makes are not legitimate laws of government yet they are used to control, coerce and even destroy legitimate functions and freedoms in the nation. In the United States of America to establish law the process is to go through the 3 branches of government and bureaucracy side steps this process and makes up rules of its own without government oversight. In the American system of government when a person violates the law it is the responsibility of the government to PROVE HIM GUILTY. The Internal Revenue Service as a bureaucracy has stepped outside the laws and says the citizen is guilty of rule violation until THE CITIZEN has proven himself innocent. The Bureau of Alcohol, Tobacco, Firearms and Explosives constantly sets up rules to govern the disposition of firearms in public hands totally against the 2<sup>nd</sup> amendment of the constitution and without legislative action. The government of the United States was not ever to be a democracy but was established as a Republic with a Constitutional Government based on 3 houses of Government under a system of Checks and Balances defined clearly in a constitution ALL WHICH HAVE BEEN SET ASIDE.

Revolution uses freedom to destroy freedom, whereas the Laws of Divine Establishment never divorce freedom from Authority and Law. The Laws of Divine Establishment are designed to provide the system for a form of LEGITIMATE Government which establishes authority and law to PROTECT FREEDOM. In contrast, Revolution is anti-establishment, anti-law, anti-authority and ANTI-GOD. Totalitarianism or Socialism is an attempt to destroy freedom and provide EQUALITY, a myth, which is a REAL impossibility. Revolution is ALWAYS a combination of Criminal and Crusader Arrogance, the crusaders provide the motivation for the masses and the criminals provide the leadership and when the revolution is successfully completed the criminals usually destroy the crusaders. Leon Trotsky after the Russian revolution is estimated to have murdered between 25 to 50 million people.

In order to effectively destroy a government, one never attacks the leaders, he must always attack the Establishment Law and Jurisprudence systems through [Public Opinion](#) and destroy them first and then the government will fall. To gain support for the revolution the revolutionary gives pity to the malcontents and allows them to talk about themselves by engaging in functions under the [Arrogance Skills](#). He then exploits the instability in these people, by being friendly and showing pseudo compassion. This moves public opinion to his cause or purpose. There are several things which make a person a revolutionist. Power Lust causes them to become a lawless person, a criminal, while Approbation Lust causes them to become a Crusader. A lawless person finds it easy to sympathize with others and out of their lawlessness the weapon of revolution is forged in the masses of people.

Forceful or violent removal of the Laws of Divine Establishment authority, no matter how poorly it has functioned, WILL result in revolutionary disaster. However, NO Government has any right to infringe on the [Laws of Divine Establishment](#) rights of the individual including and especially the right of Self Determination, the sacredness of Privacy, Property and Life. In the atmosphere of revolution there is, and can only be, the advancement of EVIL. This includes all forms of Socialism, Welfare State functions, all Redistribution of Wealth, all Destruction of law by diluting it with social programs, environmental nonsense and attempts to solve social discontent, the downgrading of the military establishment and the destruction or degradation of Law Enforcement and its functions by going easy on criminals and crime and condemning and ridiculing officers in the judicial system. In revolution the masses of people are promised that they will gain from *change* or revolution and the ones who accept this promise are forged as a weapon for revolution by the arrogance and power lust of getting something for themselves ultimately resulting in increased power in a government devoid of checks and balances.

### **The hard core revolutionist**

Often the hard core revolutionist is a combination of the crusader and criminal with a strong lust pattern. Power Lust, Greed, Ambition, Criminal Lust, Crusader Lust, etc., are all part of his makeup. In revolution the propaganda of Crusader Arrogance is [Equality](#) while the propaganda of [Criminal Arrogance](#) is Freedom from law. Equality and Freedom are both promised to the people in Revolution but neither is ever given. Crusader arrogance functions through socialism which destroys the economic benefits of true Establishment Freedom which always involves Free Enterprise. When the government, as occurs in the United States of America today, produces more jobs and employment opportunities than industry then the people are enslaved. An arrogant nation is vulnerable to revolution and [National Arrogance](#) produces national instability and national irrationality. This is the mechanism for manipulating Public Opinion and drawing the general public into the revolution and the proposed *change* unprotected by the Laws of Divine Establishment. Criminal Arrogance functions through the principle of confiscation and violence destroying the spiritual and establishment benefits and protections for the people and the nation. Human freedom is extremely vulnerable to deception whenever Absolute Truth has been rejected. Revolution is inevitable when the Arrogance Skills dominate the people and only the incorruptibles remain uninvolved. In revolution or any other aspect of life, an arrogant person will only accept an arrogant leader therefore Arrogance Skills

combine with [Defense Mechanisms](#) to provide [Strong Delusion](#) in the people and move Public Opinion into the realm of revolution. Arrogance destroys the ability to lead and also to follow legitimate authority. (2Sam 15:6) Therefore, arrogance attracts arrogance and revolution is promoted by arrogance in its desire for change.

### **[Gate #66 – The Arrogance regarding Political Ideals \(The Jacobin Mentality\)](#)**

Political Arrogance distracts the believer from Bible Doctrine and causes them lose their true purpose as a result of their involvement in politics. Being a politician does not mean one IS Arrogant but it does mean that he will constantly be tempted to it and too many in politics succumb to this temptation. LEGITIMATE Legislation put into effect by politicians must be designed to function according to the Laws of Divine Establishment and Divine Institutions. In the United States of America the congress of the United States is able, and supposed to ONLY, pass laws which are to protect freedom, privacy and property from crime and to define crime and protect the lawful citizen. Governments can and should only go this far with law because when a nation develops a legislative group who in Arrogance with [Scar Tissue of the Soul](#) believe the LIE of satanic doctrines from Evil, and think that they can solve the problems of society with legislation, the nation begins a spiral into degeneracy and destruction. These kinds of laws in effect require all citizens to be nice to certain categories of people because this has been made a law. They must also do certain things for the underprivileged, the minorities and those with particular deviant proclivities, who cannot or simply do not want to, take responsibility for themselves. This is the use of legislative force to change the citizens through interference by the government. In effect these types of laws are designed to destroy the honor of the nation by saying citizens must be nice to the SCUM which are White, Black, Yellow, Red, homosexual, etc., who, in reality, add nothing to the society. Labor Laws are the epitome of Political Arrogance, [Authority Arrogance](#) and [Institutional Arrogance](#). Investors and Management have all the right to set all policy and make all decisions in a business and labor has NO RIGHTS with regard to how a business runs. Political Arrogance which interlocks with [Crusader Arrogance](#) and various Panacea's are both egocentric and anthropocentric resulting in political liberalism. This is man's preoccupation with self and rejection of the [Laws of Divine Establishment](#) solutions to problems of society. Political Arrogance is manifest in such systems as socialism, communism, welfare functions, liberalism, etc. It is a rejection of certain necessary separations for the proper function of freedom including separation of church and state and also of all aspects of free enterprise and state. It is clearly seen in the decline of the integrity of political theory and the political function in the United States of America.

Modern Liberalism is man's preoccupation with self to the exclusion of the Laws of Divine Establishment and the [Divine Institutions](#). Modern Liberalism rejects proper separation of church and state, Free Enterprise and state, maintaining a strong military establishment to preserve freedom and much of the concepts of FREEDOM in general. The United States of America has almost destroyed itself several times by subscription to these principles and much

of it began with Woodrow Wilson who was said by Sigmund Freud to be the “greatest Jackass in History”. Man, in political Arrogance, is constantly, by his own efforts, through politics trying to solve the problems of mankind. Modern Liberalism, with its Human Good solutions, is the quintessence of this Arrogance. Liberalism was once a great system and was based on the underlying principle of tolerance of the views of other’s but is now something totally based on and influenced by Evil and blasphemous. Modern Liberalism today is man’s playing or assuming the role of God. This Arrogance is now totally focused in and saturating the leaders of this nation. Liberal political tenets include socialism, communism, welfare state functions, Arrogant blasphemes rejecting divine truth in the area of establishment and the substitution of human function and human talent for divine solutions. Man's preoccupation with self to the exclusion of God and doctrine forms the basis for Political Arrogance. It destroys human freedom because it attacks Legitimate Establishment authority and the privacy of the individual. This is demonstrated clearly in the bureaucracies of the American federal government and the concepts of big government and little people.

Utopianism is the nihilistic Arrogance of trying to recreate and / or refashion all forms of human existence. This ALWAYS leads to violence, terrorism and revolution under the principle of Social Engineering. These groups claim to want to reshape the world for the betterment of man. Today they exist as organized terrorists worldwide and currently in the Unites States of America as “black lives matter” and “antifa” Marxist revolutionists. This is a result of the State seeking to train children in the public education system to be oriented to the dictates of the state instead of to those of their parents and is always what occurs in Communism, Marxism and Nazism. Human utopia is impossible without Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus, The Christ alone. Freedom, for Utopian socialists, does not provide the desired result. Utopian socialism is totally misguided and based on EVIL and is total Arrogance and the premise of this thinking is anti God and anti freedom. In addition the economic concept of socialism is totally false. The underlying principle of the economy of socialism is that if profit making is removed from the public or individual and given to the government then poverty will be eliminated. The basic falseness of this revolves around the concept that politicians, who also have Old Sin Natures, who are full of Arrogance and greed, know better what to do for the individual than he does. The system of socialism means redistribution of wealth which itself is colossal Arrogance. Eradication of private wealth for the public welfare has NEVER worked in in all of Human History. Freedom, however, allows a person to succeed or fail based on his own motivations and decisions. Socialism seeks to PREVENT Failure and create EQUALITY, which is itself a myth.

In the Unites States of America the principle of States rights represents the Divine Viewpoint and the ongoing overriding federal control represents the Arrogance of tyranny and Evil. Political Arrogance is related to concern about one’s image instead of concern for upholding principle. This Arrogance cannot exist without, and must interlock with, [National Arrogance](#). It is the result of grass roots Arrogance where people vote in Arrogance and elect Arrogant individuals to serve as representatives in political office. These Arrogant elected people could not ever rule in any nation unless the majority voted them in therefore this Arrogance of the majority must be punished by the 5 cycles of divine discipline. Trying to do something to

appease the voting block to gain their vote, making promises to provide things for them which are in fact bad for the country, and, therefore, compromising and destroying the nation is the essence of Political Arrogance. The Arrogance of this and all tyranny overlooks the principle that man was designed to cope with problems and only God is able to solve problems. By abuse of establishment authority all freedom, privacy, property, profit motivation in life, and the whole system of free enterprise is destroyed. Then the nation soon follows.

### **Gate #67 – The Arrogance Regarding the National Entity (Ex 7:10-11:end)**

There were 5 Jewish client or priest nations in the history of the Jews including the:

- ▲ Theocracy from Moses to King Saul
- ▲ United Kingdom from Saul to Solomon
- ▲ Northern kingdom from Jeroboam to Hoshea
- ▲ Southern Kingdom from Rehoboam to Zedekiah
- ▲ Judah from Zerubabel to 70 AD

ALL 5 of these Jewish priest nations started out as GREAT nations but ALL 5 failed and disappeared from history. All failed for the same reason, the disappearance of the Pivot of Mature believers. The failure of any client nation to God is a result of the failure of the people of that client nation and it occurs when they become ACTIVISTS instead of Biblicists. All Jewish client nations and all gentile client nations are destroyed in Human History as a result of rejection of the Absolute Truths of Bible Doctrine, and the doctrinally derived [Laws of Divine Establishment](#) and [Divine Institutions](#). When the believers focus on Perception, Cognition, Inculcation and Metabolization of Bible Doctrine the pivot expands and the nation is preserved and prospered as a result of both Historical Impact and Association blessings provided for the mature believers. Therefore the truism is, “As goes the believer so goes the client nation to God”!

### **The Modus Operandi of a Client Nation**

The 1<sup>st</sup> client or priest nation to God was Israel beginning about 1500 years before Christ from BC 1441 to AD 70, persisting some 400 years longer than the Roman Empire. The Client Nation system was put into operation at the beginning of internationalism which began with the fall of the tower of Babel. God selected a group of people the JEWS and pulled them out of slavery in Egypt where they constantly complained about their situation while they were in slavery. The Jews as smart people, these being always the best complainers, being in slavery constantly complained that they did not have freedom. However, the fact regarding the orientation of the Human Race is that people always want something they do not have. So, when God sent Moses to free them their complaining did not stop even though they then had freedom. Although they wanted freedom, having been in slavery for 400 years they could not fight for their freedom themselves and were therefore incapable of gaining their freedom by their own efforts because they were in essence a totally helpless people. Therefore, God, having chosen them to be his people and serve as his priest nation provided freedom for them

in a miraculous way. Then, as is the nature of human kind, with their freedom they constantly complained about everything imaginable, the food, weather, pursuit of Egyptians, etc. They had been given freedom with a complete change of environment and being out of slavery they wanted what they actually never had in slavery but knew was available back in Egypt. These loser Jews were saturated with Arrogance and their Status Quo was no different in or out of slavery.

Before Client Nation Israel or ANY Client Nation can ever function properly they must win their freedom by fighting for it on battlefields. Because of their saturation with arrogance and their inability to even begin to fight for their freedom God had to remove one entire generation by means of the Sin Unto Death in order that the next generation could be taught to fight for their freedom and to rely on God. 40 years after gaining their freedom, when the Jews occupied the land there were still enemies in the land which was promised to them and the bible explains that this was for the purpose of EVERY GENERATION learning how to fight to preserve their freedom. The newly freed 1<sup>st</sup> generation of exodus Jews were an unhappy people who had rejected the system which God had provided for them and as a result they created their own monumental Self Induced Misery. People, individually or collectively, who create their own Self Induced Misery then search for the balm of Egocentric Arrogance and look for someone to blame for their failings and misery.

Therefore, the first thing which can be learned about Client Nations is that an unhappy people cannot ever form a Client Nation. God has always provided a secular system to stabilize the Client Nation in addition to the Plan of God for the believer. This is a stabilized system in order to enable effective custodianship and dissemination of the Absolute Truth of the Word of God. A Client Nation to God can be any nation at any time in history at any place in this world, and it is distinguished from other nations by God providing for them Absolute Truth as the Laws of Divine Establishment, Divine Institution, Gospel of Christ and the whole realm of Bible Doctrine, which then they can accept or reject. The whole concept of the Client Nation to God is for a group of people to have a stabilized system to handle the Truth provided by God. The first generation of Jews, having been given freedom could not be used to form a Client Nation because they never understood the Decalogue, which was NOT designed to produce a system of legalistic Self Righteous Arrogance like the pharisees used it for, but its purpose was to define FREEDOM:

- You will not steal
  - ▲ Recognizes property and privacy
- You will not commit Adultery
  - ▲ Recognizing privacy and property again
- You will not murder
  - ▲ Recognizing the right to life and sacredness of Life under self determination
- You will love God
  - ▲ Recognizing that he provides everything in life according to his GRACE Policy which you cannot earn nor ever deserve.

The Decalogue defines the sacredness of Life, privacy, property and volition, however it also has concepts of morality in it but the morality here is of no value without that which is not

mentioned in the Decalogue, VIRTUE. The individual must have Virtue First or the Decalogue will not work at all for either the believer or unbeliever in the nation. This is illustrated by the United States Constitution which defines an effective system of legitimate government based on the Laws of Divine Establishment and Divine Institutions but requires INTEGRITY among the people and WILL NOT work without INTEGRITY FIRST! “You will love your neighbor as yourself” is not in the Decalogue nor is “You will respect your parents” and these are demonstrations of Freedom which require a strong sense of responsibility and greater authority than slavery ever did. Authority in slavery comes from force and violence while authority in freedom comes through wisdom, self restraint and a sense of responsibility. The Client Nation to God can never function effectively as a Client Nation until and unless the balance between freedom and authority with responsibility in both is understood and accepted as Truth.

Once the 2<sup>nd</sup> generation of Jews who came out of slavery into freedom had learned, after 39 years of living in the desert, the lesson of individual restraint and individual responsibility they who were left alive were to form a Client Nation to God and were required to FIGHT to establish their freedom and then to preserve it. Once any individual or group of people establish a system based on individual restraint and responsibility then they must fight to gain and maintain their freedom. They ultimately discover that one cannot keep freedom without fighting those who seek to destroy it and this results in the development of the entire concept of the military establishment. Economic functions which sustain a nation must also be free so that each individual must be free to decide for himself whether or not to accumulate capital and to take his capital and go into business. He must be free without any interference to expand it if he has the ability even to the level of Monopoly or to cause it to fail so that another can take its place. In the system of government currently functioning in the United States of America the elected legislators have developed a system which is based on the concept of continually passing laws to justify their existence. In justifying their existence they have lost their sense of responsibility. In fighting for freedom the people recognize that everyone has a right to go as far as their ability and volition will take them economically in business without being dishonest or criminal, the only areas where government interference in business is to be permitted. The people who take the greatest risks in business are those who provide capital and pay wages in payroll. Those who seek employment from these individuals as Labor have ABSOLUTELY NO RIGHT to interfere in any way with the options and decisions of management or capital in setting policy for the business. Under any system of true legitimate freedom there will always be those who become GREAT and those who fail miserably and the fact is that those who become GREAT are always a minority. Once an individual or group has fought for freedom they add, or recognize, something which has been occurring coterminously, the 2<sup>nd</sup> category of Absolute Truth the Gospel of The Lord Jesus, The Christ. FREEDOM is what provide the People in the Client Nation with the opportunity to use their freedom as uncoerced volition to accept or reject The Lord Jesus, The Christ as savior. This is the Plan of God, the Purpose of the Existence of Man on this earth and the ultimate solution to the Angelic Conflict Appeal Trial.

### **The United States of America & Arrogance Today**

The people of the United States of America have lost the real perspective of life and of this

nation because Americans have become a totally Arrogant people. They have lost the concept of being in the right place at the right time with the RIGHT SYSTEM, the Power System of God, the Divine Dynasphere. With Rejection of the Right System, and living outside it in the Cosmic Dynaspheres this paradise of the United States of America has become totally miserable. The historical reason, which has been systematically removed from the perception of the people, that the United States of America has had such great prosperity in every area of life, such as the best food, best medical care, best education system (long past), etc., is that this country was based on principles of the Laws of Divine Establishment and Divine Institutions derived from Bible Doctrine and the individuals in the country carried their own happiness with them wherever they went.

Under Client Nation arrogance in a governmental system such as was originated in the United States, the problem originates with extending the voting franchise to the irresponsible people. This inevitably results in silly laws because silly people are elected to government office by silly voters. This production of Demigods and arrogant bureaucracies for this nation has resulted in abject distortions, often total rejection, of the constitutional principles upon which this government was founded. Functions in a client nation demand INTEGRITY, HONOR, VIRTUE, A SENSE OF JUSTICE and A SENSE OF RESPONSIBILITY UNDER FREEDOM in a maximum number of people, and these are to be the voting people, the RESPONSIBLE part of the people. Involvement in the Interlocking System of Arrogance neutralizes integrity, caters to the privileged or more vocal groups, demands equality for those who do not deserve it at the expense of everyone's freedom. Therefore, Client Nation Arrogance destroys human freedom, all functions of evangelism, accurate bible teaching, and indigenous missionary enterprise. Client Nation Arrogance is the collective involvement of the majority of the Client Nation's citizens in the Cosmic Dynaspheres. The primary principle is "AS GOES THE BELIEVER SO GOES THE CLIENT NATION TO GOD". Therefore, it is the individual believer, with his personal decisions, who determines the future of the client nation for his children and grand children and all of the people who come later.

### Pivotism in the Client Nation:

Pivotism describes the believer in The Lord Jesus the Christ living in the Divine Dynasphere, the Power System of God, and advancing to Maturity Adjustment to the Justice of God to form the pivot of mature believers which provides blessing for the client nation. It is this blessing by association which results in blessing and prosperity for ALL kinds of people in that nation. When the pivot of mature believers shrinks then the spin off of immature or apostate believers moving into the Cosmic Dynaspheres eventually destroys the nation. In any declining nation, especially a client nation to God like the Unites States of America, historical circumstances can be observed as the nation degrades but these are only the symptoms of the underlying problem of failure of believers to consistently reside in the Divine Dynasphere and make advancement in the Plan of God. Therefore, the true cause for the decline of a Client Nation and its involvement in National Arrogance is indifference by the individual believer to Bible Doctrine which results in consistent residence and function within Cosmic Dynasphere I, the Interlocking System of Arrogance. In the contemporary history of this client nation, the Unites States of America, which IS saturated today with National Arrogance, and whether it survives as a Client

Nation at all depends totally on the believers in this nation. Labor Unions, management bureaucracy, government bureaucracy, poor education systems and crime are not to blame but ONLY the believer who neglects or rejects Bible Doctrine.

The establishment of the Pivot of Mature believers as Invisible Heroes in the client nation to God, brings out the principle of Manifest Destiny which demands blessing by association with these mature believers. The tragedy is that for some time now there have been very few MATURE believers in this nation. The United States of America needs a large pivot to deliver this nation and in 1985 (the time of this lesson being taught) the nation was already into the 3<sup>rd</sup> cycle of Divine Discipline. Today in the first quarter of the 21<sup>st</sup> century the United States is either at the very end of the 4<sup>th</sup> cycle of Divine Discipline or actually in the unrecoverable position of the beginning of the 5<sup>th</sup> cycle of Divine Discipline and ultimate destruction of the United States. Looking back on history it is clear that in 1985 the United States gained a reprieve from God under the 5 cycles of Divine Discipline because of the development of a larger pivot but that has again shrunk to almost nothing today and there is, in fact, no pivot only a bare remnant of mature believers as [Jeshurun](#) left.

Francis Chafer said Christians should join activist groups and become involved in civil disobedience and this was a statement reflecting total EVIL. Chafer proclaimed that the power of Christians comes from being a groupie joining a group of activists and storming city hall with their demands. The ideas of Chafer involved getting a group together and getting power from the group, this is EVIL, just like is clearly illustrated in the Black Lives Matter and Antifa movements and whoever rises up next for liberalism. These are the idiotic people even fundamental Christians who MARCH to Washington or any other government center to protest or demonstrate (which in fact is an unconstitutional action tolerated by this illegitimate government since the early 1900s and especially in the 1960s). In reality under the Protocol Plan of God, the [Power System of God](#), the only thing which can save the United States is the individual believer's personal attitude toward Bible Doctrine. If there is a resurgence of a pivot, then the nation will be perpetuated but if it continues to shrink as it has been since the 80s the believer can join any group he wants to and he will not get accomplish anything toward the deliverance of this nation. Pet ideas and political candidates whether bad or good or even GREAT cannot and will not save this country, it is only the individual and his attitude toward The Lord Jesus, The Christ and Bible Doctrine. According to Pastor R. B. Thieme III, "One man cannot destroy this nation and One man cannot deliver it".

Teen aged children in the 80s were in great danger and needed above all else straight Bible Doctrine as they do today but today there is almost NO PLACE for them to even get it. It is not available in their home, not in school, and especially NOT in most of the Local Churches which, in any case, they do not attend. The 80s was the time of "JUST SAY NO" but unless the person was a believer with some Metabolized Bible Doctrine in the Right Lobe or an unbeliever functioning strongly under the doctrinal principles of the Laws of Divine Establishment and Divine Institutions they would never say NO to anything. This results because All Arrogance gravitates to becoming interlocked with [Pleasure Arrogance](#). There is nothing wrong with having pleasure in life or having leisure time in life BUT Arrogance

demands nothing but entertainment. This has developed to the point over the past 40 years so that this current young adult generation has to have a CELL PHONE or VIDEO GAME in their possession to entertain them constantly and they demand instant gratification for everything they desire! These are the children in Elementary and Jr High schools who become drug addicts. Public School is today, and has been for some time, a ZOO for keeping the little monsters out of the parents hair for a day, but none of them are even learning ENGLISH nor MATH, nor NATIONAL HISTORY nor anything about any decent literature or music of the past. This is a strong reflection of fragmentation of the lives of children based on the Arrogance of the previous generation, their parents the YUPPIE, HIPPIE generations. The United States of America has been in GRAVE danger since the 60s and this was exacerbated in the 80s and now may bring about the destruction of the nation in the new millennial 20s.

In the United States of America we have prospered for our whole history as a result of following principles of Free Enterprise, the Laws of Divine Establishment, Divine Institutions, Free Evangelization and moreover by the formation of a pivot of mature believers in The Lord Jesus, The Christ. It is possible that some other nation will become the client nation to God in the near future and when this occurs there will be great envy and jealousy throughout this nation. One can see this in a small part in what happened as a result of the Liberal American attitude toward Rhodesia and South Africa and how liberals, being very jealous of these nations, instigated their ultimate downfall. No nation especially a client nation must ever establish foreign policy whereby it tries to change the government systems in other areas of the world. This is what the United States under the influence of the national and world counsel of churches has constantly done and it has absolutely no right, just like the individual who functions under legalism has no right to try to change people. The Client Nation with its freedom of evangelism and the build up of the Local Church with positive believers is established so that it will send out missionaries to provide the information regarding the Gospel of The Lord Jesus, The Christ and for those who accept The Lord Jesus, The Christ the Bible Doctrine for their Spiritual Life. Then this provision of absolute Truth from the Gospel of Christ, Bible Doctrine and the Laws of Divine Establishment and Divine Institutions, to the believers in these other nations will, while retaining all 4 categories of freedom in that nation, allow the people there to begin to change their own nation. When a nation cannot function under the principle of the “Freedom – Authority” balance, without regard to the type of government they may have, they simply cannot make it and can never be a Client Nation to God or IF they have begun under this principle and cannot maintain that status then they will not be able to retain their Client Nation status.

The application to believers in the Church Age is that when both believers and unbelievers can be led astray from the protecting rules and principles of God, this WILL result in destruction of their client nation status. This is the means of destruction of and ruin for the believer, involved in apostasy and degeneracy, and unbeliever both and the client nation itself. The Interlocking System of Arrogance especially Self Righteous Arrogance in both foreign and domestic policies has produced incredible degeneracy in the American people and the government. Therefore, what is actually wrong with this country is generalized involvement in the Interlocking System of Arrogance. The people today are not the American people whose

Humility was manifest so many times in the past but now the people are saturated with Arrogance which destroys the true nature of anything. A Nice person who becomes Arrogance is no longer nice and a nation which becomes Arrogant no longer has the characteristics upon which it was built. Arrogance destroyed Israel several times in the past and resulted from this same pattern whereby the people generally became Arrogant and entered into the Interlocking System of Arrogance and were thereby deprived of Bible Doctrine by their own volition. Americans today like the Jews of the past have been led astray by rejection of Truth and believing only the LIE of Evil. The Jews were repeatedly ruined under the first 4 cycles of Divine Discipline and at least 3 times historically and they were then destroyed under the 5<sup>th</sup> cycle of Divine Discipline:

- ✧ 721 BC the northern kingdom was destroyed by the Assyrians
- ✧ 586 BC the southern kingdom was destroyed by the Chaldeans
- ✧ 70 AD Judea the last Jewish client or priest nation was destroyed by Rome and remains so even to this very day.

All of these followed the same pattern which the people in the United States of America are following today which has been saturating the citizens for many decades. Americans have developed and persist in entertaining greater and greater Arrogance and complete entanglement in the Interlocking System of Arrogance. The interesting thing is that many people like to relate this Arrogance to the level of national prosperity but such is not the case. The reality of life is that the MOST Arrogant people in Human History have come right out of the slums and gutters of society and the Scum of Life have more Arrogance than the aristocracy ever has. Historically, aristocracy is formed based on ability and in that respect has some excuse for a high degree of self confidence, which the scum do not have. The SCUM of society, right out of the ghettos and gutters, are always the most Arrogant people alive.

Witnessing by believers in The Lord Jesus, The Christ to the unbeliever gives the unbeliever the opportunity to make Salvation Adjustment to the Justice of God, these regenerate people who then ultimately advance to contribute to the pivot of Mature believers preserve the nation. However, the size of the spin off of reversionistic and Arrogant believers cause the nation to be disciplined and even destroyed. Divine Discipline is designed as a warning to the believer that he is functioning outside of the Protocol Plan of God for this Church Age. He is possibly carnal, reversionistic or both and may also be Arrogant and thus is not functioning under the Will of God, therefore, his status is displeasing to God. Believers are either executing the Spiritual Life of the Church Age and preserving the nation through the blessing which comes from association with them or living in perpetual carnality and under the Evil of the Interlocking System of Arrogance, Cosmic Dynasphere I. This inevitably results in individual and collective degeneracy contributing to the self destruction of the nation. There is a National Arrogance which is almost completely incomprehensible and yet is blatantly present today in the United States. It is the Arrogance of thinking that by doing ‘good things’, as bleeding heart liberals, man can solve the problems of this country and also those of the world. Client Nation Arrogance is often demonstrated when the people of the client nation, think they are better than any other nation because of their PAST greatness. This involves the individual citizens of the nation and the Government of the nation being without any shred of honor,

integrity or adherence to the Laws of Divine Establishment and Divine Institutions. This is the United States of America today. American integrity was once based on relationship with the Integrity of God and when a man, under his own integrity, gave his word this was his bond based on his honor. This has long since been lost in this nation. The principle of national integrity is to be focused with an emphasis regarding the FUNCTION of a Government not the TYPE of the government. Monarchy, Oligarchy, Republic, Democracy (this latter one is NEVER good) it does not matter the type but it is the function of the people of the nation thinking they are above other nations which contributes to National Arrogance.

Nations, like individual believers, become strong through the collective consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine by its citizens and are weakened by the influence from and saturation with the Evil policies of Satan in the citizens. Satan is responsible for the condition of any nation where God must eliminate them from history under the 5<sup>th</sup> cycle of Divine Discipline. If an Evil nation is not to be used to judge or discipline other nations then it must be removed by God lest it infect the nations of the world with its saturated Evil. Nations can start with great spiritual revivals and become spiritual giants with great prosperity and global impact and in some short 200 years become totally saturated with Evil. It is then that the 5<sup>th</sup> cycle of Divine Discipline is called for and inevitably administered. This occurs when Evil becomes the Modus Operandi of the nation. This is the Status Quo of the United States of America today in the 21<sup>st</sup> century.

Wisdom and Honor in its population is what makes any nation great and both come from consistency in Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine. When the government of the nation attacks doctrinal positions and principles, the mature believer MUST NEVER BACK DOWN. When there is a government functioning under the influence and principles of Evil, they always attack the rich. This is what occurred in the French and Russian revolutions and like our government in the United States of America has been and continues doing to both wealthy individuals and big business since the end of World War II (unless they are supportive of the liberal socialistic – communistic agenda, ie George Soros and others). This is evidenced as principle from Bible Doctrine and a documented fact of history. The rich become rich by being a blessing to the nation and establishing Free Enterprise economy and the largest percentage of those who become rich have become rich because of common sense, courage, integrity and honor. The rich in the United States of America have been attacked by the government since Franklin Roosevelt. It is Evil in the policies and procedures of the American government which has destroyed the initiative of the natural gas companies, oil companies and for that matter, all industry in the United States of America. The immoral Evil government has prevented oil and gas exploration for many years and industry has been forced to employ incompetent, unmotivated individuals who have formed labor unions demanding higher and higher wages and shorter and shorter working hours. Then industry is blamed instead of the interfering government with the inability of American industry to compete in the world market. Today the government is forcing the closure of fossil fuel electric generation plants to save the environment which will inevitably cause electrical shortages throughout the nation and contribute to its collapse. The American government has become saturated with EVIL as a

result of allowing the expansion of the voting franchise to stupid, ignorant, irresponsible, Arrogant people. In a reality based government, only responsible people, those who own businesses, real property or have served in the military should ever be able to say what occurs in the government by any means, especially voting to elect representation. As there is a continued growing movement in the United States of America toward socialism one can recognize that the welfare state functions which are engaged in today are the exact antithesis of what should occur in life and in a good government. People who will not work for their living should be allowed to starve to death and rid the country of themselves. CHARITY is a wonderful and beneficial aspect of the function in a properly functioning client nation but LIFELONG welfare support is completely IDIOTIC.

Lawlessness in any nation is the population rejecting Truth in the 3 categories of, the Laws of Divine Establishment, the Gospel of Christ and Bible Doctrine. The people inevitably therefore, fall into the Interlocking System of Arrogance which is degeneracy and into Reversionism which is apostasy. These believers fail to fulfill the principle of [2Thess 1:12](#) “that The Lord Jesus, The Christ may be glorified in You”. In national and individual apostasy and under national Arrogance the people enter extreme lawlessness as a Self Righteous reaction and the function of involvement in the Interlocking System of Arrogance. National Arrogance places an emphasis on government administration in terms of Arrogance as opposed to [Humility](#) and also the population’s function under Hoi Poloi Arrogance as opposed to the Laws of Divine Establishment.

There is no possible means by which the Evil influence of today’s media can be changed without the people in general developing a positive attitude toward Bible Doctrine, which in fact is the only thing which will turn this nation around. As a result of a lack of a pivot of mature believers, all of the things which are developing today will end in the total destruction of this nation and God will raise up another new client nation in the world. The reality is that very few Mature believers will ever be in any history book but it is these unknown mature believers in all periods of Human History which create, turn around and provide for the perpetuation of client nations and their influence and impact results in great prosperity for the generations to come.

### **Client Nation Arrogance vs Political Arrogance**

Client nation Arrogance must be distinguished from [Political Arrogance](#). Political Arrogance involves individuals with [Inordinate Ambition](#), people seeking power and position or both in the client nation or any nation, but doing so from inside the Interlocking System of Arrogance. Client nation Arrogance is much worse and is the COLLECTIVE grass roots Arrogance of the citizens of the client nation. Political Arrogance is a specialized group in Arrogance while Client Nation Arrogance is generalized in the whole population. However, individual situations of Arrogance are also part of client nation Arrogance. This occurs in the people who think the government owes them something in life when in fact the only thing the government owes a person is freedom to succeed or fail.

To orient to reality in a client nation one must recognize that client nations to God are always

under attack by the false concepts of racism and class distinction. This should never be an issue in the United States of America under the American Constitution, however, the Constitution of the United States of America has been almost totally set aside in the 21<sup>st</sup> century. The American Constitution, if it were followed as the supreme law of the land, would prevent ever making an issue of race or class and when a person or group makes these an issue it is their deep seated Arrogance and stupidity merged together. These groups totally lack an understanding of the Laws of Divine Establishment functions and Divine Institutions within the United States.

It is very difficult for God to bless gentile nations of the world through a gentile client nation. Gentiles are difficult to bless because the demonstrations, marches and riots, which have occurred in the past and are very prevalent again today in the United States, are focused against the policies of government, motivated by Arrogance, in order to destroy the things which are the most profitable and provide the greatest benefit for ALL citizens. Socialism being accepted in any nation makes it very difficult for God to bless the gentiles and it is a destroyer of nations not a reason for blessing. A gentile client nation has a great deal of difficulty blessing gentiles both in the nation itself and also outside the nation as a result of these things. In the declining gentile client nation there is inevitably malfunction of its missionaries which become corrupt because of their stupidity, which is as a result of their lacking Bible Doctrine in the Right Lobe of the Soul. Along with this there is the inevitable distortion of evangelism, which occurs in the nation itself, for the same reasons, thereby limiting the size of the pivot of mature believers to support the nation and the missionaries.

The United States of America, as a client nation, has principles on which it must depend which can result in the preservation or destruction of the nation. This nation has overwhelmingly failed in its missionary function of presenting the Gospel to other peoples of the world. The government here then tries to apply socialist principles to these other peoples, and in their unmitigated Arrogance tell their leaders how to run their own culture. In addition there has been miserable failure by missionaries where after their presentation of the Gospel they are lost in their purpose. Missionaries today don't understand that their job is the presentation of the entire realm of Bible Doctrine and the building of indigenous ministers to teach their own people. Both seminaries and local churches have saturated missionaries with Self Righteousness and Legalism and they have failed miserably. This results in the missionary bringing a spiritual curse after Gospel presentation by including hypocrisy and Self Righteousness in his missionary functions. There is NEVER compatibility between Grace and Self Righteousness and American missionaries have gone to other countries and taken the Gospel but have also taken incredible Self Righteous Arrogance. If American missionaries had not done this exact thing in China, the Chinese would not today be under communism. Missionaries, inevitably and undeniably, put their nose into things they do not understand nor need to be involved in and then FAIL in teaching Bible Doctrine after the presentation of the Gospel of Christ. In essence they provide the Gospel of The Lord Jesus, The Christ and then try to turn these people into the imbeciles Americans have become.

In addition the American government has totally failed the people by building up bureaucracies

which have no ability nor experience in business but are in positions to control business both big and small and are not accountable to the voters of the nation for their decisions and actions. Those who are in charge of these bureaucracies are Self Righteous little demigods in their realms, controlling and bullying the industry of this nation. These are all things which are based on and motivated by Evil in this nation and the source is the Arrogance in the nation permeating the vast majority of the people. Under the Plan of God the uncontrolled Arrogance of a nation especially a client nation requires either total destruction and removal from history or devastating national disaster to change the attitude of the people. In the United States of America the people in general are and have been a totally petty and saturated with pettiness even from the time of George Washington to the present. American people try to bully others into thinking, saying, doing, wearing and acting as they do. They stick both their individual and collective noses into the personal business of others and constantly, on a more grand scale, other nations. Believers, people in general, and nations as a collection of people, with the wrong type of thinking in the Stream of Consciousness of the Soul from Arrogance will always bring judgment from the Justice of God.

The believer must be able to determine the difference between Patriotism and Arrogance. Believers who are under consistent Positive Volition toward Bible Doctrine and who have advanced in the Spiritual Life love this nation and have a right to and in fact must criticize its policies when they are wrong. Patriots who love the United States of America and would die for it, as believers, must recognize that the foreign and domestic policies of the United States have been and continue to be motivated by, derived from and saturated with EVIL beyond description. The believer must be patriotic but also OBJECTIVE and he must not be Arrogant about the United States of America. The believer oriented to reality must not ever think Americans are the greatest people in the world, since obviously they continue to prove they are not. When one is objective about something he will not be Arrogant about it. In the United States of America the overriding collective Arrogance must be removed to preserve this nation and ONLY the Justice of God can do this.

The word (gr) Shub = Stupidity and is entrance into Cosmic Dynasphere I the Interlocking System of Arrogance with its myriad of systems or gates of entrance and / or into Cosmic Dynasphere II the Interlocking System of Antagonistic Emotional Hatred. These are Satan's power systems to control this world and the Human Race in it. When enough believers (as has occurred in the United States of America) have entered into the Cosmic Dynaspheres the nation WILL BE DESTROYED as a client nation to God IF it does not recover. This had begun long ago with the restlessness of the communists in Russia, China, Cuba and Korea and lack of moral courage in the United States to engage them and destroy them. There has been a fantastic desire of the people under communism for Absolute Truth. They are in a vacuum and realize that a state under Marxist principles cannot do very well and there is a very GREAT hunger in the souls of these people as demonstrated clearly in recent contemporary history in the Ukraine. There has been, and will continue to be, a tremendous evangelistic ministry into communist countries as demonstrated by what has occurred in the Ukraine because God always honors Positive Volition at God Consciousness and the desire to hear the Gospel of Christ. Now all that is needed are missionaries who have a strong foundation in Bible Doctrine and

understand clearly their true purpose and function.

### **Factors involved in National & Client Nation Arrogance**

Instead of penetrating into the depth of the Mosaic Law, where The Lord Jesus, The Christ is revealed, the Jews simply scooped off the surface superficialities of the law and combined these superficialities with their own Arrogance and Self Righteousness causing for them, a total disaster. This same pattern is what has been occurring in client nation United States of America. Americans became first an Arrogant people, then a Self Righteous people. Americans go to nations of the world and say “Become a democracy like us!” despite the fact that **America is not and never was supposed to be a democracy at all** and democracy is in fact the absolute worst form of pseudo organized government. People wanted to know why the Iranians attacked our embassy, why Arabs destroyed the world trade center towers, crashed a plane into the pentagon and why for 40 years they and many other Arabic groups have become terrorists against everything America stands for. These Americans do not realize that America has shown them how to do this. America has shown them and all the nations of the world how to be Arrogant and Self Righteous and this is a total disaster for any people. Under the Plan of God with The Lord Jesus, The Christ controlling history sooner or later disaster will come to any Arrogant Self Righteous people; this is with a total certainty the people in the United States of America especially today.

Never in the history of man have so many Bleeding Heart, Do Good, Liberals been gathered together in one geographic location as in the United States of America since at least the 1960s and more likely since Woodrow Wilson was in office. The fact is that the number of these STUPID people, today in the beginning of the 21<sup>st</sup> century, has FAR exceeded any nightmare expectations which could have occurred in the 1960s. Never have there been so many confused people wondering why things are happening and what in fact IS happening to this nation and the world. The people in this nation are SOFT in their soul because they are under a maximum Influence of EVIL, the policy and system of Satan for ruling and controlling this world. EVIL is the sum total of the genius of Satan related to his **BLIND Arrogance** and never has nor can ever work effectively. However, notwithstanding this principle, the people of the United States of America continue to pursue a course of Evil in every aspect and facet of life. The welfare state of 1975 was the worst in American history to that point, there never has been a good one, but the principles of the welfare state which are in practice today supporting illegals and all other scum is FAR, FAR Worse. The communists use welfare state ideals and functions to destroy western societies BUT when they take over a people and have individuals who cannot be used in their concept of society they EXECUTE them or put them in work camps to starve to death while they work and DIE. The welfare state is a totally vicious system based on and motivated by EVIL and creates, out of the people, an incredibly CANCEROUS group who are totally and completely WORTHLESS, willing to do nothing as long as the government provides for them. Then they SCREAM to the liberals in government, who will always listen, about their rights if the government does not provide for them. These people are LEACHES and the greater the number of leaches in a nation the faster a nation goes down in history. When this leach population is encouraged by government handouts eventually they turn around and destroys the nation which feeds it through revolution. This is

HISTORICAL FACT and the United States has the largest leach population ever present in all of human history, far greater than what existed in the 1960s and 70s and far greater even than in ancient Rome before its fall.

The population in the United States has great influence on the molding of thinking, policy and attitude in the nation BECAUSE the government has allowed an expanded voting franchise to go along with the leach population. As a result of this, people are shocked when terrorists strike, or nations destroy American embassies, or use forbidden weapons on United States soil or when illegals just walk in and take up residence and demand to be totally supported by the government. The United States has historically invited the smallest, weakest nations in the world to attack it. This has occurred because of a lack of understanding that National STRENGTH is the secret to freedom and world peace. Americans are deluded with social Gospel concepts and therefore are SATURATED WITH EVIL and because of this have failed to understand in any way that these disasters have been invited and there has been a universal BEGGING for the small nations in South America and Africa to shake their fists in anger at the United States. They have been invited to do this by showing them that America is weak and pathetic and the great power which existed in 1945 is just a hollow shell today. America invites envy and violence and BEGS for it in the manner in which both domestic and foreign policy is conducted. Never has a nation had so much blessing and not known what to do with it, clearly demonstrating a total lack of national capacity for life as a result of overwhelming rejection of all Bible Doctrine principles. The facts that in 1975 the Cambodians took a US merchant ship and in 2001 terrorists bombed with planes the world trade center towers and that idiots constantly kill in mass innocent people on the streets and the elected officials are constantly wanting to get rid of guns, and in fact want to repeal the 2nd amendment, and many other global incidents clearly demonstrates a total lack of understanding of what freedom is and how it must be conducted and protected.

If a nation does not have universal military training and does not show toughness and moral courage with its law and does not have people oriented to REALITY in government but only caters to LEACHES this means that eventually the people all think like LEACHES and eventually they will be destroyed by the LEACHES. ***When Americans revel in idiotic pseudo music like RAP and the representatives of the nation BOW to islamic leaders and cow tow to communist leaders. When governmental officials participate in illegal unconstitutional marches and demonstrations and the state department leaves ambassadors to be killed when they could be easily saved. When the person responsible has the unmitigated GAUL to think she is qualified to be president of the country. When the president during all this is not even a citizen nor an American in any semblance of the term. The nation, as a whole, has demonstrated lack of capacity for living and a desperate BEGGING to GOD for TOTAL destruction.*** Americans have done everything needed to bring upon this nation the types of disasters which are occurring today and there WILL BE FAR MORE AND FAR WORSE. Americans have invited these national disasters with the same stupidity which gives the people in this nation NO CAPACITY for life. They have had for many decades, generation after generation of IMBECILES, hatched by generation after generation of LEACHES. This is the reason it is a shock to Christians when they realize that the application of Bible Doctrine REQUIRES TOUGHNESS and COMPASSION at

the same time. The problem is being tough and compassionate at the same time is confusing and difficult and it in fact depends on WHICH DOCTRINE one uses for which application. Just because there are apparently a great number of believers in this country does not mean they have any knowledge or understanding of the principles of the Doctrines of God, or if they do have it, know which to use in which situation. Christians do not generally know when to be tough and when to be compassionate. When the believer can straighten out this principle of when to be tough, compassionate, aggressive or passive and when to speak or not speak, then they have learned the principle in Ecclesiastes that there is a time for everything.

- ~ *There is a time for war and when it is the time and it is a JUST war it is then GOOD*
- ~ *There is time for peace and when it is the time and can be maintained by STRENGTH it is then GOOD*
- ~ *There is a time to LOVE within the Integrity Envelope of the Divine Dynasphere*
- ~ *There is a time to FIGHT under the Laws of Divine Establishment principles of FREEDOM*

Fundamentalist Christians have generally lost the understanding of the variations in doctrine and their varied application and they must maintain Flexibility in dealing with all facets of life and in applying doctrine properly.

In considering client nation functions there is a principle which must always be recognized and addressed. There will always be provided by God, *Bible Doctrine Before Disaster*. In other words, there must always be recognized the importance of Pre-Disaster Bible Doctrine Teaching for the stability and continued existence of the client nation. The Lord Jesus, The Christ, the God who controls Human History, never disciplines, destroys or brings catastrophe to any portion of the Human Race without first providing a chance to avoid it. This means there will ALWAYS be a PRE-DISASTER PRESENTATION OF Truth in all categories. For any student who can properly interpret contemporary history this is what had occurred in the United States in the later 60s through the 80s and into the 90s when this nation should have been destroyed. At that time many members of the liberal media presented clear and proper secular descriptions and elucidations of the principles of the Laws of Divine Establishment more than ever before. This along with an intensive presentation of accurate Bible Doctrine from a few properly prepared and oriented Pastor Teachers was America receiving Truth through the News Media, Periodicals, Television media and the rare local church. This nation, at that time, was being saturated with the presentations of Bible Doctrine from the principles of Establishment Truth and Biblical Theology. This was PRE-DISASTER Bible Doctrine Teaching. This resulted in a build up of a strong and large pivot which provided a reprieve temporarily for the United States of America. When this Bible Doctrine presentation occurs, as it will again, to reject this Truth, by both the believer and unbeliever, will result in the nation ignoring the last trumpet call to save itself. These are like Wake Up America programs but America was not then and is not now actually asleep but had in the past and today has again rejected these Truths. This was then and will be at some point, the presentation of the Gospel of Christ, the entire realm of Bible Doctrine and the Laws of Divine Establishment and Divine Institution Truths throughout the nation and when this occurs again, the people with their own volition will determine the fate of this nation. When a nation's people consistently and continuously say NO to the Truths of the entire realm of Bible Doctrine including the Gospel of Christ and the Laws of Divine Establishment and Divine Institutions, they will come to believe ONLY the LIE of the Cosmic

Dynaspheres derived from EVIL. Once the LIE is believed and Truth is again heard it is absolutely meaningless to the hearers. This is why so many women are excited about and join into the feminist movement, which is the most unfeminine thing for any woman. This is why White people join with the Black Lives Matter groups. This is why people are accepting islam, homosexuality, democratic party concepts of socialism and bureaucratic rules set above CONSTITUTIONAL LAW, and so much more. What was and is wrong with America was and is not Carter, Kennedy, Clinton, Obama, Pelosi, Biden, Sanders, Fonda or Nader or any other individuals who are anti-American to the core and who do not have the best interest of the nation at heart from the standpoint of the Constitution and the Word of God. It is the American sitting at home or in bible study rejecting Truth constantly and consistently. These people become BLIND to Truth as a result of having believed so much of the LIE over so long a period of time. The principle remains though, that the widespread presentation of Truth especially by liberal media will be the last trumpet call of deliverance for America. God never judges a person or client nation unless first the people have had opportunity of “repentance”, which is a change of thinking, with regard to Truth and to accept Truth and to recover and perpetuate their recovery.

When a nation is not prepared for a crisis it takes much more effort to come through the crisis. America is not prepared in any way to maintain its national sovereignty today. This is demonstrated clearly by the trend of accepting law and military oversight from international organizations like the United Nations, a complete system of insanity from EVIL. When a nation goes into economic crisis and there is no preparation such as no gold standard to fall back on nor any true concept of economics the nation will take a very long time to recover, if it can recover at all. This is evident in the obvious failure of the European Union, the collapse of the Greek economy, the collapse of the economies of several of the South American nations and the continued down trend in every aspect of America’s national function. Under the American Constitution, Americans do not work for the national government, it is supposed to be what works for the citizens to protect freedom, privacy, property and life. When the unbelievers reject these principles of the Laws of Divine Establishment and Believers follow the trends of their The Old Sin Nature it results in perpetual carnality, Arrogance, all motivated by Evil, with the Old Sin Nature controlling the soul at all times. Therefore in such a nation very few Believers reach the high ground of Maturity Adjustment to the Justice of God, the time of attainment of maximum blessing from God. This results in unrestrained criminality both nationally and internationally and in the client nation this destroys:

- ✧ Establishment freedom of uncoerced volition
- ✧ Privacy which is the basis for self determination
- ✧ Sacredness of property
- ✧ Sacredness of life
- ✧ Legitimate Law which is to provide freedom and self determination rights for citizens
  - (this has certainly occurred in the United States of America today)

As a result the citizens in a client nation without Bible Doctrine and the principles of the Laws of Divine Establishment and Divine Institutions live in a situation of unhappiness with their freedom totally destroyed by tyranny, criminality and terrorism. This results in a loss of vigor

in the people and lack of the recognition of each day being the Day that the Lord has made. These people are the epitome of Arrogance, Selfcenteredness and [Self Absorption](#), degeneracy and depravity. In addition this results in the suffering in the animal kingdom and the Divine Discipline punishment for this situation takes the form of drought and lack of proliferation of both domestic and wild animals. This Arrogance from Evil destroys the strength and virtue of the people in the nation. The irony is that under the Laws of Divine Establishment the Believer and unbeliever both have used the freedom provided by these same Laws to reject them and destroy themselves. This is the actual means of destruction of the client nation to God.

In the 5<sup>th</sup> cycle of divine discipline to the client nation the overriding principle is, “as goes the Believer so goes the Client nation to God”. The application of true Bible Doctrine from God totally contrasts legalism which is false doctrine. When Believers are in a state of Arrogance, perpetual carnality, fragmentation and [Reversionism](#) instead of Spiritual Growth, judgment from God WILL bring escalating Divine Discipline. This is the state of affairs in the United States of America today and the Pivot of Mature Believers no longer exists and this nation will ultimately crash and burn without it. Most Believers, Unbelievers, and Politicians, all live in a state of Living the LIE, which results from Outside Pressures of Life being converted into Stress in the Soul. ([Hos 4:2-3](#)) [Time Magazine #29 Oct 1979](#), in the book “Breaking Ranks” by Morgan Podhoretz; his statements illustrate the saturation of the Interlocking System of Arrogance in the United States of America and the Blind Arrogance of the smaller groups in radicalism. This has been permitted to VASTLY expand in the 1<sup>st</sup> quarter of this 21<sup>st</sup> century. The Interlocking System of Arrogance is devastating to the believer not only with regard to his lacking Bible Doctrine and lacking the functions of the [Faith Rest Drill \(5 stages\)](#) involving reverse concentration but it also destroys common sense and the ability to associate reality with Divine Viewpoint and eventuates in [Psychoses](#) and Neuroses and total divorcement from reality.

The IDEA that crises will change people is FALSE and they never have or will change people overall. The only change which can come into the life of anyone is through believing Truth instead of rejecting it. The CRISES of life will make no change in the basic weaknesses and Human Viewpoint anthropocentric philosophies of individuals. A clear definitive demonstrated of this in United States history is that for some 100 years NO ONE EVER REMEMBERS THE VICTIM IN CRIME. When the court procedures begin and are dealing with an obvious criminal no one remembers the victim but they want the criminal to only serve a light sentence or NONE and somehow to get out of his punishment altogether. People forget the victim for the same reason they are not changed by crises, they are emotional and hypocritical putting on a great front but NEVER changing. Our jails are full of some of the worst criminals in history but these are rotated back onto the streets constantly instead of being executed for their crimes. This constantly occurs because ONCE people believe the LIE they will NEVER remember victims of crime. When people believe the lie they are overly concerned that the criminal’s rights be observed. The disillusion of these people resides in the fact that the CRIMINAL HAS NO RIGHTS. As a result of setting himself above or outside the RULES (LAWS) of SOCIETY under the Laws of Divine Establishment, he forgoes and relinquishes his RIGHTS by the function of his own volition. When a person falls into believing only the LIE his IQ goes down to about

minus 20 and his stupidity level is unbelievable. The only hope for the United States is positive response to personal witnessing and evangelism and the subsequent Perception, Cognition, Incultation and Metabolization of Bible Doctrine by all believers. This is the only way to bring the people back to the Truth of the Laws of Divine Establishment and Divine Institutions. The FACT is that rejection of Truth in the client nation has both personal and national consequences. Personal consequences for the individual can mean the Lake of Fire for the one who rejects The Lord Jesus, The Christ as savior. For the individual rejecting the Laws of Divine Establishment it can mean national degeneracy, becoming enmeshed in the Interlocking System of Arrogance or national reversionistic apostasy along with the unbeliever's rejection of the Gospel and believer's rejection of Bible Doctrine. National Consequences for the client nation to God can mean historical crises where God administers the 4 cycles of Divine Discipline to the nation. It can mean also total historical and national disaster where God administers the 5<sup>th</sup> cycle of Divine Discipline to the nation completely destroying it.

When a nation gets out of line with the Plan of God for the Angelic Conflict Appeal Trial as a result of too much degeneracy from entanglement in the Interlocking System of Arrogance or too much apostasy from Reversionistic rejection of Truth and it stays out of line, then God punishes it with national capital punishment. One of the signs of Evil and Arrogance saturating any nation is the fact that the government, whether an individual ruler or dictator or a group governing body is saturated with, motivated by and functioning totally under Evil and Arrogance. This is the underlying reason the Nazis came into existence because Hitler would never have gotten anywhere near to ruling Germany without he and Germany in general being totally under EVIL influence. Part of Germany's national Evil was antisemitism and in connection with this there was murder, rape, theft of property and the destruction of many people and this was heinous sin. Evil can express itself in Sin, Crime and Human Good productions but Antisemitism in every aspect is a true and overt expression of PURE EVIL. This is one of Satan's strong policies, to destroy the Jews, so that God cannot keep the covenants he has made with them. The fact that the German people were ready to become antisemitic was indicative of the EVIL already existing in Germany and Hitler merely became the representative of the majority of Germans. Therefore it is obvious that Evil responds to Evil. It is also obvious that a people get what it deserves in its form of Government Administration.

It is important to remember that a national Administrator, Ruler or Leader ALWAYS represents the attitude of the people. In Germany the people say they did not like Hitler but this was a total lie. The German Army liked Hitler because they surrendered their marvelous Prussian Honor Code, which was designed from the Word of God, to be under Hitler's rule. Prussian generals were predominately strong protestant Christians from the end of the 30 years war starting with the Teutonic Knights who were very strong with regard to Bible Doctrine. They then built up one of the most fantastic officer corps codes ever devised based on Bible Doctrine but they sold this out to Adolph Hitler. They sold out because they had something which Hitler also had and which ruined both of them; Arrogance! Dictatorships in any nation demonstrate that the Nation is Suffering from Arrogance. The dictator is always Arrogant and represents the principle that though he may have gained his Arrogance in one way and the

people in another the nation in general is Arrogant. Arrogance is the Basis for all degeneracy and a dictator cannot come into power unless the people have degenerated in their mental processes and overall activities. When a dictator exalts himself he is reflecting an attitude which could not exist in any national entity apart from a common malady with the people; Arrogance. The Interlocking System of Arrogance explains why people in a nation ALWAYS deserve the leadership which they get. When any nation is going to be destroyed it “Stands in Line” to be destroyed just as the Jews ‘Stood in Line’ to be destroyed by Hitler. This is something which inevitably happens to a people and as a result they then always seem to stand in line to be destroyed when it is going to occur. There is a category of national representative in the United States depicted by Carter, Clinton, Obama, Biden and Pelosi, which drive the democratic party and many others before them, which the people SEEM to resent. Yet the majority of the people in the United States vote in this type of representation which brings in Carter, Clinton, Obama, Biden and these others and the representation which has repeatedly made completely insane Pelosi speaker of the House of Representatives. Therefore, WHAT IS PRESENT in American representatives in government, AMERICANS DESERVE and while they can blame the representatives for ‘THEIR’ plans and policies the people must in fact collectively blame themselves.

The Interlocking System of Arrogance involves the historical principle that no nation has a leadership or administration which it does not deserve and if it does not deserve its leadership for some reason then that leadership will be removed. This is the explanation for Mr. Donald Trump being forced out of the presidency of this country in 2020. This is why there are passages in the Old Testament Scripture where the people are told to HUMBLE THEMSELVES. Believers are to consistently engage in repentance and develop Humility, meaning a change of thinking and attitudes from Arrogance to Humility. Inside Arrogance was the first sin committed by any creature, Satan’s original sin of [Pride](#). The first sin committed by a human creature was Rejection of [Authority](#) or Disobedience. Both are a result of the infiltration of Arrogance into the thinking. The rulership or administration of any nation, spanning the spectrum from democracy to dictatorship, always represents the attitude of the People of the nation. The dictator is no different in principle than the people in his country and Hitler was a dictator and represented an attitude in Germany, as did Stalin in Russia, as did Mao in China and Castro in Cuba and Khomeini in Iran and Carter, Clinton, Obama, Franklin Roosevelt, and many others in the United States of America with this nation leaning strongly toward socialistic democracy. Sooner or later the Arrogance and wickedness of those in any nation, here in the United States; the moslems, Pakistanis, communists, the leaders in the democrat party; will catch up with them. The Lord Jesus, The Christ controls human history and the Justice of God will right all wrongs one way or another. In Iran the Shah of Iran, although a dictator, did a great thing for his people and brought them out of the Stone Age with the development of their natural resources and if these were destroyed those people would end up starving to death and falling back into the stone age from whence they were dragged. This is in fact what the great Barry Goldwater suggested be done during the Iranian crisis of the 1970s. Before God disciplines a nation especially a client nation there is PRIDE or some other form of Arrogance which precedes national destruction under the 5<sup>th</sup> cycle of Divine Discipline. In fact before any kind of a fall there is always Arrogance underlying it. ([Prov 16:18](#))

There was a dictator in Nicaragua, an HONORABLE man, but his people were totally Arrogant and he was removed by the American CIA to make way for the Sandinista regime, a group totally saturated with Evil under agrarian reform which was a communist conspiracy, and this honorable man moved to Florida to make way for this Evil parallelism. The Shah of Iran was removed because he was TOO GOOD for the Iranians and he had done more for Iran than anyone since Cyrus the Great, but he did not reflect the attitude of his people, thus he had to go. No people ever have a leadership which they do not deserve. These were Honorable Men as DICTATORS and the Arrogance of the people required that they be removed so that their Arrogance could be manifest in their leadership. This is a consistent principle of history and The Lord Jesus, The Christ controls history and this principle demonstrates his perfect justice. No nation ever gets into a status it does not deserve including places like Vietnam and Cambodia which have been a centers for demon possession for a very long time. These, along with India and Africa, have been the demon possession centers for all of the 19<sup>th</sup> & 20<sup>th</sup> centuries. Believers must not ever succumb to and sympathize with the weeping and wailing of others for people in oppression throughout the world without understanding some doctrinal principles related to this situation. Everyone is sympathetic to starving, suffering people, even animals, but this does not change the facts of history and the fact is that no people have leadership which they do not deserve including Client nation United States of America. This is a general principle such that the attitude of the majority of the people is reflected in their leadership as is clearly demonstrated today by the total mental incompetence of Joseph Biden and the abject and obvious INSANITY of Nancy Pelosi and this again was clearly demonstrated by the total rejection of Mr. Donald Trump.

Those who control the politics in this nation form the real conspiracies which exist in this country including the realms of both Communism and Religion. The National Counsel of Churches is and has been for more than 50 years, the most conspiratorial and Evil oriented organization of people in the United States totally functioning under communist ideals. The most vicious conspiracies in any nation always involve religion or some other form of fanaticism. [Fanaticism](#) implies that the people involved have the ability to concentrate on one main idea and the fanatic with this ability to concentrate always wins over the person who does not have any such concentrating ability. Therefore, a people get what they deserve in history EXCEPT where a pivot of spiritually mature believers is large enough to overrule this principle and make GRACE the issue. This is how a client nation is preserved to have another chance and is what occurred with the Northern Kingdom of Israel, in the time of Elijah, being perpetuated for another 150 years, NOT because of Elijah who degenerated into Arrogance, but because there were 7000 mature believers in the pivot. ([1Kings 19:18](#)) People in a nation must humble themselves with regard to leadership and must retain Humility to drive out Arrogance and keep good leadership.

When nothing of the Grace provisions from God are applied in a nation then the Integrity of God expressed through the Justice of God from motivation by the Love of God must judge the nation according to the direction of the Righteousness of God. In this type of nation there is always extensive involvement in the Interlocking System of Arrogance which starts with Self

Justification and continues through Self Deception and then cycles back through all the Arrogance Skills. Considering this nation and its government saturated with Evil, the only thing that has preserved it to this point is (Heb) Jeshurun, the small remnant of mature believers because the pivot has declined and disappeared. This was the case in 1997 concerning the United States of America and its government and its population of pseudo Christianity and it has become far worse in the early 21<sup>st</sup> century. (Hosea 4:2) This has been the result of the overwhelming outside pressures of life being converted into inside pressures of universal stress in the souls of the citizens. When there is no pivot and no (Heb) Jeshurun as occurred in the Northern kingdom of Israel, there is nothing left in the nation to preserve it and this status inevitably results in overwhelming violence as has been being clearly demonstrated in the illegal and unconstitutional demonstration marches of the ‘black lives matter’ and ‘antifa’ revolutionary movements. (Hosea 4:3)

In the United States of America since the early 20th century the foreign policies have been designed to destroy any conservative establishment oriented government and to turn over such nations to communism. This is the ultimate of national Arrogance and stupidity. National Arrogance was about to destroy the United States of America in 1979 and it was also present in the 1960s with the rise and Arrogant functions of minorities with their concepts of Racism. This again occurred, but at a far greater level, in the early 21<sup>st</sup> century with racial riots, mass shootings, and idiotic governmental desires to include Illegal Aliens in society without any accountability. When people demand things for their race, gender or sexual preferences they make an issue of those things and they reject the system under which all must live and this becomes a point of Arrogance. This is liberalism, it is a ghastly Self Righteous Arrogance and these people want to CHANGE the function of the American way of life and by so doing to ultimately totally destroy the system and the nation.

### FAKE News – The Lie

AGAIN!! When the believer neglects or outright rejects Bible Doctrine he can easily be led astray into believing the LIE of Satan’s plan and policy and thereby enter into either the apostasy of Reversionism and / or the degeneracy of the Interlocking System of Arrogance and / or the antagonism of the Interlocking System of Antagonistic Emotional Hatred. The Interlocking System of Arrogance resists the gracious opportunities believers have been given to see personal problems along with national problems and start their own solutions based on the Bible Doctrine which has been given to help analyze and resolve these situations. Arrogance rejects Bible Doctrine and when in the Interlocking System of Arrogance individuals and groups can take true facts and convert them by distortion into false conclusions. In the United States of America the news media always does this since the 1960’s and is vastly worse today and they totally slant the news and even edit out the true facts. The Interlocking System of Arrogance is one mechanism which tries to destroy the Laws of Divine Establishment and Divine Institution systems which are the basis for all stability in life and the logistics by which believers are supported so that they can choose to advance in the Spiritual Life.

There will be periods of historical disaster in client nations throughout the Church Age and there cannot be client nations to God without them facing historical and national disaster at

some time. When involvement in the Interlocking System of Arrogance, which forms degeneracy in the Spiritual Life, or involvement in the Interlocking System of Antagonistic Emotional Hatred, which forms antagonism toward the Plan of God, is added to the apostasy of Reversionistic rejection of Truth, this disaster is inevitable. In a client nation to God when the Laws of Divine Establishment, including freedom and its relationship to Authority, Uncoerced Volition, Privacy, Property and Life, is rejected by the people becoming anti Law Enforcement, anti Military and anti Free Enterprise, as has been occurring as a result of the functions of our government, then both believer and unbeliever accept the LIES of satanic policy because of having first rejected Truth. When the unbeliever rejects the Gospel he has rejected absolute Truth related to his eternal salvation and thus believes a Lie in fields related to it such as the many varied forms of religion, and this also contributes to national disaster. When the believer rejects or neglects Bible Doctrine then he comes to believe the Lie of satanic policy, such as being nice to moslems and communists, supporting social action and socialism, redistribution of wealth, welfare state functions, toleration of homosexuals, black lives matter more than others, etc. All these Lies which people come to believe under demon obsession or demon influence or in some cases demon possession, belong to the plan and policy of Satan, EVIL. No one ever believes the LIE until they have first rejected the Truth. Any time collectively the population of a nation enters into gross entanglement in the Interlocking System of Arrogance it becomes vulnerable to any of the aspects of Arrogance, therefore, there will be periods of disaster and this IS degeneracy which is the state of the collective souls of the people.

When people believe only the Lie, they may move from one category of Lie to another but the people never truly change in any way. Any observable change is only a superficial manifestation of the resulting hypocrisy. As long as people reject Truth they will continue believing the LIE and although there may be a sweeping storm of emotion in their lives this will eventually calm as a result of being drained by crisis. As a reversionist or functionary in the Interlocking System of Arrogance they may react to obvious injustice but such reaction does not change the pacifist, liberal, criminal, socialist, communist, revolutionist or radical because they still believe the underlying LIE from EVIL.

The greatest negative impact on Human History and one of the greatest tragedies in the United States, from before the 1960s on through today, is that believers continue to reject and resist Bible Doctrine. Bible Doctrine is Absolute Truth Divinely inspired and put down in writing and preserved for more than 3500 years of Human History. When anyone says No! No! No! to the Absolute Truth of Bible Doctrine he builds greater and greater Scar Tissue of the Soul in his Reversionistic functions. Each layer of Scar Tissue of the Soul increases his entanglement in Arrogance in the Stream of Consciousness of his Soul and also intensifies it as well. This combination of Scar Tissue of the Soul and Intensified Arrogance means that the believer inevitably begins to be able to ONLY believe the Lie. One of the greatest of these LIES, which has been perpetrated on this nation, is that social action is the answer to social problems. As a result many believers, instead of having an individual personal life before the Lord, get involved in social action systems and this results in many believers becoming bleeding heart, do good liberals. This is the reason in the 1970's so many problems in the central government of the United States of America appeared where there were a series of believers administering the

government and each had believed only the Lie from EVIL and had become victims of the trends toward social action and of their own Arrogance and [Sincerity](#). Many Christian or Religious organizations are simply designed for social action and the largest is most likely the National Council of Churches of America which is in fact a communist based social action organization and has been and still is systematically destroying this country. The parent organization of the world council of churches has been documented to support the most Evil systems of violence in the world while claiming and promoting pacifism. Social action is a vicious thing where man collectively, by his own efforts, tries to solve his own problems. Christianity however, always emphasizes the individual and says that the believer can do something for his country and for others but it must be done individually. The individual believer must start at Salvation Adjustment to the Justice of God and grow in grace through Perception, Cognition, Inculcation & Metabolization of Bible Doctrine until he reaches Maturity Adjustment to the Justice of God where he, as a result of receiving his Super – Grace Escrow blessings from God, supports his nation through Blessing by Association and Historical Impact Blessing. This is how the Jeshurun maintain the failing nation. Because social action and systems of group therapy have become so popular today the unbeliever is very distracted from the necessity for Salvation Adjustment to the Justice of God and subsequent spiritual growth.

### Universal Military Training

As a result of the prominence of liberal concepts from involvement in Arrogance, nations become saturated with principles from EVIL and enter into degeneracy. AGAIN!!! Man by mans efforts cannot solve his problems individually nor collectively, and thinking that he can is the Evil of Arrogance demonstrated by [Political Arrogance](#). This Arrogance in the client nation cancels the principles of freedom through military victory. The principle of Freedom through military victory is set aside or stomped on by the degeneracy of Political Arrogance which thereby destroys the ability of a people to defend their country through the military establishment. A nation can be a prosperous business nation like Ammon or the Hittite Empire and still lose everything through military defeat. The only prosperity that is safe and solid and continuous comes from Free Enterprise combined with Universal Military Training. Universal Military Training as well as the concept of the essential nature of military training is a biblical principle. Under the Laws of Divine Establishment pertaining to Divine Institution #4, Nationalism, all freedom comes through military victory. Human panaceas to the problems of life are anthropocentric, degenerate and Arrogant. When a nation is infected with liberal solutions to life's problems, degeneracy from the evil of the Interlocking System of Arrogance results. This is exactly what has occurred in the United States of America which has become an incredibly Arrogant nation. This results in inevitable divine discipline where Evil is brought against Evil which has been demonstrated clearly in the increase of home land terrorism (9/11/2001 and many others) and civil unrest (Mass Shootings, Black Lives Matter & Antifa revolutionary tactics). The United States of America has become an Evil, Arrogant nation and MUST be disciplined by God. Therefore, individual involvement in the Evil of the Interlocking System of Arrogance results in collective involvement in the same and this results in national degeneracy. Degeneracy of a nation means that only The Lord Jesus, The Christ can deliver such a prideful and Arrogant nation IF it can be salvaged. This is a pattern of the nations of mankind and has occurred throughout history all the way back over 4000 years. Such

deliverance, as in our current case, does not depend on the military but only on the size of the Pivot of Spiritually Mature Believers which today the United States is seriously lacking. At the writing of this 4<sup>th</sup> edition of the Interlocking System of Arrogance, the United States of America in 2024 does NOT have a pivot but only a remnant of [Jeshurun](#) believers left. When a nation is in a state of national Humility, all freedom in the nation comes through military victory. However, being in a state of National Arrogance sets aside the Laws of Divine Establishment so that freedom and deliverance must come directly from The Lord Jesus, The Christ who controls history. ([James 4:6](#), [1Pet 5:5](#)) Therefore, as an Arrogant client nation the United States of America today can only be delivered by the Lord, Jesus Christ, by the people, individually, entering into a relationship with him and then growing inside the Grace Plan of God and gaining knowledge of God and using EFFECTIVE prayer. In ancient times the horse was the best weapon for a nation's military, however whether in ancient times or current modern times, no victory can be accomplished without blessing from The Lord. The war horse can be equipped for battle, but the victory for the believer or the client nation is dependent on the Lord and when there is involvement in Arrogance the best military equipment is totally useless.

### Disaster Survival

God often also judges a nation by various forms of disaster and this is a category of judgment against Arrogance in the people. In time of disaster or pressure one cannot ever make an issue of self and survive. Arrogance emphasizes the importance of man whereas Bible Doctrine emphasizes the importance of God. Therefore, the believer must come to the place of thinking Bible Doctrine in order to overcome all pressure in life and survive disaster situations. If the pressure is not truly a real disaster then the people will not face their Arrogance and gain Humility but will continue to be involved in and even increase their saturation and entanglement within Arrogance. Natural disasters, such as hurricanes, volcanoes, tornadoes or earthquakes, and National Disasters such as economic disaster of depression or recession, civil unrest even to revolution or civil war, and military defeat can all be judgment from God for National Arrogance. Suppose these judgments are from God for the explicit purpose of bringing people back to sanity and Humility in a specific region of a nation. Then, the bleeding heart, do good liberal government comes along under extraordinary EVIL and says that they will take up the slack for all the losses people have experienced so that there is no sting from the judgment, this then results in NO check on that regional Arrogance. The United States of America has experienced this exact situation repeatedly during the disasters of hurricanes Sandy 2012 in New Jersey and Katrina 2005 in Louisiana and also the disastrous oil spill off the Padre Island in TX in 1979, and many others. These were unquestionably a part of the cycles of Divine Discipline for those parts of this nation and this has been and continues to be the way our government interferes with Divine Discipline for a region of this nation with its system of social action. In the Plan of God, the government which interferes with Divine Discipline is then eventually and inevitably destroyed and the whole nation goes down along with it. The only way the reality of this becomes clearly visible is when it is viewed from the standpoint of National Arrogance. Americans have become an extremely Arrogant people. Historically and based on biblical principles, when the people in a nation collectively become saturated with Arrogance then God MUST remove them from the Human Race in order to prevent the world

wide spread of their Arrogance, like a cancer, which can universally spread and thus ultimately destroy the whole race. God must remove nations saturated with Arrogance so that their Arrogance will not spread to other peoples of the world and cause them to reject opportunities for Salvation Adjustment to the Justice of God. Just as Satan fell so nations fall for this reason. Many passages of scripture explain that by being a 'stiff-necked people' it is Arrogance which will bring their destruction.

The existence of a pivot of mature believers along with The Lord Jesus, The Christ controlling Human History overrules the failure of other believers and unbelievers in a nation. However, when the pivot declines, as it has today, with a waning of interest in God, Grace, Christ and Bible Doctrine, then the nation is subject to serious Divine Discipline. Believers must keep in mind that no matter how incompetent man (Joe Biden, John Fetterman) is The Lord Jesus, The Christ is totally competent and overrules all false motivation in Human History to bring about his will and execute his plan. This occurred with the Dutch and British going into South Africa where there was greed as motivation but The Lord looked down on this area and converted this into a great establishment system where missionary function flourished converting many of the indigenous blacks to Christianity. God can convert any and all human bungling or intentional deception in history to allow his perfect will and purpose to be accomplished. The believer must remember this when he tries to get onto a soap box and crusade for anything. If the spiritual leaders fail, as they have been, and IF the pivot of mature believers is still large enough, then The Lord Jesus, The Christ, who controls Human History, will preserve the client nation in historical crisis.

Salvation Adjustment to the Justice of God is THE prerequisite to becoming a member of the pivot of believers who in maturity provide support for the nation and there must be a major part of the population in this status for the nation to be a client nation to God. One reason a Pivot of Mature Believers is needed is that the demand for power always exceeds the need for power in any area. The United States of America has power in government in the 3 branches and in local governments and because of distortions and abuses of this the governmental system has developed extensive, uncontrolled bureaucracies which usurp power. The authority in American government is based in only a relatively few individuals. The people in the nation constantly cry for recognition and special treatment and by this manifest complete Arrogance in their demands which are designed specifically to cause a change thus make an impact on the nation and its policies and functions. When Arrogance is added to this demand, violence and other unnecessary actions occur, as observed in the demonstrations and riots which have been occurring with increased frequency and greater violence since the 1960s and dramatically more so since 2008. In addition the excess of power existing beyond the demand results in conflicts for that power. Conflict for power always results in 2 destructive categories of activity in Human History. Self destruction of the nation as we see occurring here in the United States of America since 1946. Overt destruction of the nation from outside enemies and this has been coming to us since the 1960s. Self destruction of the nation results from a maximum number of bad decisions from positions of weakness and Arrogance in the struggle for power. Overt destruction is a failure to see the need for integrity and moral strength in the Judicial and Law Enforcement functions and especially in the maintenance of an effective military establishment

in the nation. This is clearly demonstrated today with judges becoming sociologists and the judicial system's failure to execute criminals and the most recent idiotic release of criminals as a result of the imagined dangers of the WUHAN FLU VIRUS infection. Law Enforcement is the only protection from enemies within the nation and all criminals are enemies of the nation. The Military is the only protection against enemies outside of the nation. Therefore because the United States of America is universally despised internationally and not respected by even the smallest nations today she NEEDS a very strong military establishment. The Biblical principle of Freedom comes from the idea that a nation must be functioning under Humility and not universally Arrogant and thus must have proper Law Enforcement and proper function of the Military Establishment. Both the overt and self destructive actions in the nation can only be averted by the existence of a large pivot of Mature Believers in the nation, which the United States does not possess today. The principle is and always will be where there is a Large Pivot there is blessing and where there is a small pivot there is destruction. In the REALITY of Human History there are no true tragedies because a person and a collective people are the result of their own decisions, good or bad. Legislation cannot ever be designed to control the Interlocking System of Arrogance which is incredibly devastating. Control of Arrogance must always be a matter of personal volition, authority orientation for people in general, and grace orientation through the perception of Bible doctrine for the believer specifically. NO NATION IS INVINCIBLE. No nation ever survives its saturation and complete entanglement in the Interlocking System of Arrogance and resultant collective degeneracy. It takes both Arrogant believers and Arrogant unbelievers to destroy any nation.

No one can have Arrogance involvement and properly handle a disaster. The correct principle to function under is to always be historically informed and never be doctrinally distracted. Stability in life especially in disaster demands cognizance without Arrogance. In any pressure or disaster situation the thinking of the believer must emphasize the fact that Jesus Christ controls Human History, personally and collectively. As part of the Royal Family of God the believer must remember to be informed but never be distracted by historically relevant information because the reality is that only Christ can change history. It is Arrogance for any believer to think he can even change any small aspect of history. In a believer's individual lifetime, when historical disaster threatens any of the categories of life, the believer must not become distracted by his occupation with the apostasy and human failure which has resulted in and perpetuates the problem. The believer should always be thankful for and rejoice in the fact that The Lord Jesus, The Christ controls Human History through the mature believers, which when numerous enough, will perpetuate the client nation. Preoccupation with disaster is demon obsession and the individual believer or collective population in general can become demon obsessed and in Arrogance become occupied with the pressures and problems in life instead of with Christ the solver of problems. Preoccupation with hovering disaster always is a distraction to the Christian Way of Life because it is only Arrogance which permits disaster to become a distraction. The darkness of preoccupation with disaster as a distraction for the believer from Bible Doctrine and the principle of Logistical Grace provision must be dispelled by residing in the light of the Word of God. Every form of hovering disaster is a threat to some principle in Logistical Grace but it is in the doctrinal principles of Logistical Grace where the believer will find absolute protection in disaster. Preoccupation with disaster starts with

Arrogance and produces more Arrogance in the form of selfcenteredness which branches into Self Pity and Self Righteousness. Negative Volition toward Bible Doctrine as a result of distraction causes the believer in the Royal Family of God to come to believe the LIE of the policies and plan of Satan rather than the Grace Plan of God and Arrogance is the major causative factor in this. The believer preoccupied with disaster also becomes not only distracted but also preoccupied with Human Viewpoint PSEUDO SOLUTIONS requiring his time, energy, money and everything about his whole being. This has repeatedly occurred in the past and is now occurring again in the United States because the nation has one obvious hovering disaster of an overwhelming national debt and a government of administrators who STEAL elections. Jesus of Nazareth, The Christ controls Human History and as goes the believer so goes the United States of America and the only thing which has kept hovering disaster from becoming historical catastrophe is the Jeshurun mature believers. However, the reality is that there is no longer a functional Pivot of Mature believers remaining and the nation is teetering on the brink of absolute total disaster.

### Arrogance & Revolution vs Humility

As has been explained over and over again, the cause of National Failure starts with Believers and spreads to everyone in the nation and ultimately Arrogance is the underlying issue. God has a plan for the lives of every believer after Salvation Adjustment to the Justice of God and God is perfect therefore his plan is perfect. It is impossible for a Believer with his The Old Sin Nature to execute the Spiritual Life of the Church Age on his own power. God's plan demands that the Believer, when he fails, use the [Rebound Procedure](#) and keep moving forward in the plan by means of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine under the [Grace Apparatus for Perception](#) and [Filling of God the Holy Spirit](#). God has therefore provided the means of execution of the plan and these means are delineated in Bible Doctrine. Arrogant types also never think before they act and as a result they never really get ahead in life until they acquire the antithesis of Arrogance, [Humility](#). Doctrine CAN bring the believer to the point of Humility but this is not always the result. Many believers can learn Bible Doctrine and understand it clearly then stimulate Humility or Arrogance. In a declining society there will always be maximum Arrogance and when a society is declining and degenerates the balance of Arrogance is profoundly greater in the lower class of the people and the most Arrogant people are LOWER CLASS people not the wealthy. Relaxed Mental Attitude, self discipline, orientation to discipline and authority are signs of true Humility. There is more Arrogance among the poor than the rich because there is less self discipline and authority orientation among the lower classes. This does not mean that the poor cannot pull themselves up and make great leaders. Today the issue in the lower classes is the world owing something to them and seeing this attitude the bureaucracy of our government comes along with their bleeding heart do good liberal functions and agrees that this is correct thus FEEDING their Arrogance. Arrogance is most evidently found in the scum of societies and mobs and the ones who March in opposition to authority as we have seen in the 2012 "OCCUPY" groups and the Black Lives Matter and Antifa groups today. This is why revolutions occur and this low class Arrogance is the inevitable origin of revolution. Revolution is the [Impulsive Arrogance](#) of scum and lower classes or like in the French Revolution, the middle classes, and Revolution always starts from Arrogance and is always impulsive.

Conspiracies are a combination of both Arrogance and a loss of freedom. As a rejection of authority, conspiracy is Arrogance and this Arrogance as a loss of freedom will be replaced by 1 or more of 5 things:

- Anarchy
- Power Struggles
- Revolution
- Violence
- Many aspects of Evil

### Rejection of the Laws of Divine Establishment

A Young man marries his teenage sweetheart right out of high school then he gets a movie contract and becomes famous. Once he becomes famous and the babes with more sophistication start flattering him he immediately dumps his high school sweetheart wife. The nation under the Laws of Divine Establishment functions made him successful and his wife and sweetheart stood by while he as an Arrogant idiot without talent kept trying but once he became successful he drops her. This same pattern exists in every field and profession today. The system in the military of Officer Efficiency Ratings is totally based on Evil and does not promote leadership ability in any way for officers. This is still a system and the definition for success is still here but it requires incredibly great patience in order to move ahead and much more character to do so than if the system functioned properly and focused on leadership. Men who are persistent and patient in this system will be shocked when they are the only ones prepared in unusual ways for war. This same thing occurs in the Free Enterprise system today with regard to young executives and their promotion. The system may be bad but if one is persistent and determined he can still succeed.

The system which is comprised of the full structure of the Laws of Divine Establishment is still to be found in:

- Marriage
- Honorable function of Law Enforcement
- Honorable function of military
- and other areas as well

The norms and standards are still there but this is a difficult time and the person who has character as an unbeliever or Bible Doctrine as believer will make it if they are persistent. This system is still in every part of life but the problem is that when people reach the top of their profession they reject the system and this is one form of Arrogance which is very destructive. Today when a man becomes king or president or a legislator he thinks he is above the law while these are the ones who should be stringently for the law more than anyone else but in order for this to occur they must be minus Arrogance.

Arrogance makes the individual have a greater opinion of self than he has any right to. The counter balancing system for Arrogance of having an objective sense of humor is gone because good humor is now replaced by vulgarity and suppressed by political correctness and hypersensitivity. Vulgarity is poor humor and is the easiest to produce and requires no

thinking or ability at all. The unbeliever has only his sense of humor to level himself off in this system of Arrogance. The believer has the whole structure of Bible Doctrine to keep him in line if he is willing to accept and apply it. Very often a good sense of humor is all that can offset discouragement with the historical or national situation when degeneracy is prevalent. The younger generation today is much more prone to discouragement than the World War II generation and there was much more then than now to be discouraged about. The people in general have lost track of good humor and the Laws of Divine Establishment and Divine Institutions orientation today. In addition there is less Bible Doctrine taught today than ever before therefore both the believer and unbeliever find themselves at a distinct disadvantage when trying to cope with the rampant national degeneracy.

In the United States there has been and continues to be the attempt at total destruction of the Divine Institutions and the Laws of Divine Establishment including Freedom, Privacy and Property by criminality and by Governmental interference including the imposition of immoral and illegal taxation and arbitrary unconstitutional legislation. Loss of Freedom, as it has been and continued to be occurring, inevitably results in loss of national strength and is a result of rejection of both the Laws of Divine Establishment and Divine Institutions along with Bible Doctrine. Divine punishment for a nation in this status quo in the Old Testament Scripture times took the form of Drought and Weather Difficulties and today this country has been having the strangest weather patterns ever. Spiritual Freedom is what is given to the believer by God to execute His Plan, Will and Purpose for his life and it is systematically being lost as a result of his Negative Volition toward Bible Doctrine and the Plan of God. Without spiritual freedom there can be NO temporal freedom since the Laws of Divine Establishment and Divine Institutions will have also been destroyed. Therefore, when the Laws of Divine Establishment and Divine Institutions have been universally rejected there is always destruction of national freedom. Freedom is DEFINED in the Laws of Divine Establishment for both believer and unbeliever and also in the [Royal Family Honor Code](#), which is exclusively for the believer. Freedom is defined and related to and cannot be divorced from privacy and property and must function under the umbrella of authority. In the United States of America in the 21<sup>st</sup> century freedoms have been and continue to be taken from the people slowly, insidiously, gradually and surely by the functions of a federal government saturated with EVIL. At every turn privacy is violated and property is confiscated, with the authority of government being totally abusive in Arrogance clearly demonstrated in the functions of each and ever bureaucracy.

The Laws of Divine Establishment sponsor freedom as the basic function of the Human Race and never divorce freedom from authority, privacy or property. When one seeks in any way to destroy authority, privacy or property that one is opposed to freedom and has given support to tyranny. Freedom cannot exist without a system of delegated authority nor without privacy or property. For many decades, which is particularly obvious today, the American government has continually tried to destroy freedom by infringing on property and privacy in many areas of life. The deprecation of the police officer and the people being permitted to call them pigs as they did in the 60s is part of this and based in EVIL. The people so involved committed the worst crimes imaginable in the destruction of their own freedom. These idiotic people could not do these things and claim police brutality were it not for their living in the atmosphere of

freedom, however, in the course of saying and doing such things they were and are in fact destroying the system which allows them to engage in this idiotic behavior. In the Laws of Divine Establishment there is also the concept that profit is a legitimate system and motivation for life. This is the underlying basis for Free Enterprise as a legitimate economic system. For the federal government to continually try to destroy profit systems is totally based in EVIL and based on this fact alone the federal government has been for many decades totally ANTI-GOD. The Laws of Divine Establishment allow people to live and let live under privacy. Privacy is the environment for the function of freedom and possession of property and is the legitimate system of possession under freedom and everyone has the right to own whatever property he may desire and can afford to legitimately possess. Both Logistical Grace and Super – Grace blessings are very often related to property as part of the Laws of Divine Establishment system and includes ownership of all types of tangible things. In other words under freedom the individual has a perfect right to his things as his own property as long as he has not acquired them by violating some other persons property or privacy and is not a criminal.

### Liberalism & National Arrogance

Since World War II the people of the United States of America have been degenerating in thought as individuals and as a nation. Manifest destiny has become degeneration in this time period. The prime example is the liberal Pseudo Intellectual who is completely divorced from reality and always cries peace when there can be no peace. The American people have lost perspective as a nation and priorities as individuals in the nation. They have constantly and consistently allowed national integrity and freedom to be compromised in every way possible and, in fact, have done everything possible to totally destroy it. Political representatives cannot be totally blamed for this since they reflect the majority thinking of those who vote them into office. Always remember the principle that NO nation ever has a leadership or administration that it does not deserve. It was the United States of America which rearmed Russia in WWII and it is the United States of America which had caused at least 2/3 of the people of the earth to enter into the slavery of communism since at least Franklin Roosevelt was in office. Americans have totally lost sight of the fact that all freedom comes from military victory and freedom has always been purchased by the blood of those in military service just as Salvation is purchased by the ‘blood’ (the Substitutionary Spiritual Death) of The Lord Jesus, The Christ on the cross. The believer must remember that Freedom is a principle of Bible Doctrine and the invention of God in order that the Human Race can have the option to fulfill its purpose in creation and continue its destiny until the Lord is finished with human history. There is no freedom in China, Russia, Cuba or any nation under islam and this is by the design of Evil, the System of Satan. It is often correct to blame politicians and their policies of liberalism for the destruction of freedom as they continue to push this nation into socialism, which is tyranny and the first stage of destroying any nation. Socialism is based totally on Evil with its welfare state functions and the inevitable rise of Self Righteousness. The underlying idea is to attempt to improve man’s environment by interference with industry and confiscation of property as evident in any graduated taxation system above a straight 10% or 15% and many more such functions from EVIL.

Liberalism produces Arrogance and assumes the prerogatives of God and thereby destroys

freedom with the ploy of [Equality](#). This MYTHICAL Equality is the greatest enemy of freedom and these 2 principles cannot coexist. Freedom and Equality cannot coexist because they are mutually exclusive. People today have been propagandized and brainwashed to think that equality must replace freedom and the individual must surrender his freedoms for the betterment of the majority of people in society. Equality is simply a system which destroys Freedom and the necessity for taking responsibility for all personal decisions. It is a system of Arrogance for those who want instant success without the process of gaining it by working for it in any area of life. Equality is a ploy used by communism and socialism and brings on eventual slavery and tyranny whereas freedom brings with it the uncoerced use of volition to allow one to go as high or LOW as he may WANT to go in life. This is also reality in the spiritual realm where after Salvation Adjustment to the Justice of God, the only true point of equality in human existence, the attitude of the individual believer toward Bible Doctrine determines his direction and level of advancement in the Spiritual Life. With consistent Positive Volition toward Bible Doctrine he can move to [Maturity Adjustment to the Justice of God](#) and receive phenomenal escrow blessing in time and for eternity. With Negative Volition toward Bible Doctrine he can move into [Reversionism](#) and eventually reach the ultimate in Divine Discipline, the [Sin Unto Death](#), where he is taken out of this world in total misery, totally useless to God. (The individual EXISTS in this life for the purpose of God in resolution of the Angelic Conflict and demonstration that his character is indivisible therefore, if the individual believer is of no use in this endeavor he is summarily removed from this life.) In eternity, after the Judgment Seat of The Lord Jesus, The Christ, the evaluation setting for all believers in this dispensation of the Church Age, there will be incredible variations in the Status Quo of believers because there is no EQUALITY on earth nor is there to be EQUALITY in heaven. Equality is a MYTH and the variations that exist in life under freedom are based on decisions made from the use of personal volition by the individual.

Freedom demands that no government have absolute power ONLY LIMITED DELEGATED POWER. Limited Delegated power means there will be responsibility in government where as absolute power corrupts and makes government irresponsible. So it can be seen in the government of the United States of America in this 21<sup>st</sup> century. The American government has been infected by the liberal insanity of Marxist socialism, welfare functions with the inevitable resultant destruction of human self determination. The basis for prosperity is and has always been Free Enterprise in business without government control but the government of the United States has constantly tried to usurp the function of business throughout the nation. Some of the manifestations of this insanity include the attitudes with regard to illegal aliens, southern border security and islam invading this nation today. In addition there has been a dramatic decline in the size and preparedness of the military in all areas. As a direct result of government interference in domestic business there has been a decline to the point of complete inability of the United States to produce and maintain the logistics needed for a strong military. There has been also the rise of cults, holy rollers and Marxism (black lives matter and antifa) along with the government interference with business. In addition there are the constant attempts, some successful and some failing, at legislation restricting Gun ownership and possession in all forms which ultimately makes it easier for criminals to themselves acquire guns and commit crimes and for the government to totally and tyrannically control the people.

In the realm of “gun control” there is the rise of the debaters technique where people use terms and concepts such as the “Saturday night special” and “assault weapons” to cause emotional, irrational responses in the public to promote the idea that GUNS are bad and the cause of crime. There is also rampant disrespect for police officers and insanity from the courts in their judgments which include such things as recognition of homosexual marriage and transgender rights in institutions and in addition the early release of criminals who should have been executed in the first place. As a result of all this and more in this nation today the whole economic system is collapsing with a current federal national deficit of some 30 TRILLION dollars so that the nation stands on the brink of destruction economically and militarily and as a result of the idiocy of the present domestic and foreign policies. The United States of America is in grave danger of and has actually already entered into minor revolutions with greater revolutions on the horizon and this nation is in fact in terrible times.

The down trends in history and difficulties found in any nation are explained by the functions of the individuals who reject the Absolute Truth of the Laws of Divine Establishment, the Divine Institutions and the believers who reject properly presented Bible Doctrine. This is why the people are overtaxed and overburdened and have lost Free Enterprise along with the status of America being the greatest nation on earth. As a result the nation is vulnerable to and in fact is being systematically destroyed by communism and islam. At the same time it is destroying its friends as a result of having no effective foreign policies all while destroying itself internally because of a lack of effective domestic policies. The administration today by constantly overruling logical military functions, gives away to enemies the physical means by which they can destroy the American military. This is just the same as before World War II when America sent scrap metal to Japan loading it onto ships in San Pedro harbor and it was later used to kill Americans. Mr. Nixon gave away the inertial guidance system for controlling missiles, computers innovations and knowledge in every tactical and strategic area to the Russians and this was total insanity. Liberal religious organizations, like the National and World Council of Churches, believes this is a great thing and that there will be peace in the world as a result of giving away the means for the self defense of this nation. People operate this way because of the development of Black out of the Soul and Scar Tissue of the Soul from falling through the stages of [Reversionism](#) and deep entanglement in the Interlocking System of Arrogance. No matter how smart or how great the talent and ability these people may have, they will only believe the LIE from Evil because of residing in the Cosmic Dynaspheres. They distort Absolute Truth to form false concepts and this is the basic reason there is so much trouble in this world. The majority of people in the United States are hardened in their souls from maximum [Scar Tissue of the Soul](#) including the minorities, illegals, the congress including the senate and the judicial representatives and except for very rare historical instances the president of the United States and they believe ONLY LIES. Mr. Trump almost salvaged the presidency from this failing.

Authority is abused by a central or federal government saying that if one has used his freedom to accumulate much personal property this is wrong. In reality, individuals possessing great amounts of property including financial wealth demonstrate that they have used freedom properly. The government is designed and supposed to guarantee the SECURITY of that

property TO THOSE WHO HAVE EARNED IT. The big objective of all bleeding heart, do good liberals is to take the property from the wealthy and give it to the downtrodden poor scum of society. This was Robin Hood, Friar Tuck and Little John and they were in fact criminals, not heroes. Even Jesus has said that we would have the poor with us always since some people in societies are never motivated to work and accumulate property but, instead, they just want to be critical of those who have it. These poor, pathetic, worthless critics are saturated with Arrogance because they see others pass them by in life. They are highly competitive although very inefficient and as a result of lacking self discipline they never advance to any significant level in life. Therefore, they spend their time complaining about those who do and try to find ways to confiscate or steal the property these successful others have accumulated by their hard work or intelligent application of the principles of Free Enterprise. This is the function of the bureaucracies in the American government. In this nation, the most stable organizations are focused on Free Enterprise. Free Enterprise is the greatest and most stable thing mankind has ever had and the American federal government is constantly stealing, through illegitimate taxation and legislation, from all citizens and businesses thereby subverting this stability. Corporate tax is stealing, graduated income tax is stealing, taxes on savings and retirement is stealing and a straight percentage income tax is the only fair system since it does not destroy the incentive for advancement in life.

The bureaucracies of the government of the United States of America such as in OSHA, BATFE, EPA and ALL the others are totally saturated with Arrogance and liberal and very often feminist and they set standards and rules and play God with the freedoms of the people in this nation, individually and as groups and businesses. They accuse based on “rule” violation on the one hand but defend their positions based on liberal anti-establishment legalism on the other. They crack down on industry for rule breaking and as a result they destroy it and along with it, the prosperity of the entire nation. All bureaucracies in general are a terrible national disaster and demonstrate a decline in a country because degeneracy of the nation sets in through bureaucracies which are not responsible to anyone. Bureaucracies are a system of complete Arrogance and being not responsible to the people or government they are systems of overt tyranny. Liberalism is based on Evil, the Satanic policy of ruling this world, total Arrogance and is blasphemous against the Integrity of God. The Integrity of God tells us that Legislation must come from duly elected governmental representatives and is to be against criminality and specifically designed to preserve freedom but it must never be a system of appointment and rule setting outside of law which would inevitably outlaw any system of courage or Free Enterprise and this is what the United States government has constantly done. Men of courage and integrity and honor who put all that they have on the line to build a business into a conglomerate even into a monopoly, which is, in fact, a great establishment organization, should never be penalized for this courage and integrity with corporate or business taxation. All of the greatness and prosperity of this nation has come from capitalism and Free Enterprise and none has ever come from liberalism nor EVER from politicians. The federal governments constantly steals from the people, this overtly occurred by removing the nation from the gold standard backing for currency and then by printing money which has no value and represents nothing of value, both which are based on EVIL, dishonest, even criminal. The proper function of government is not to ever seek to destroy or take over any business enterprise because it is

successful or to support it when it is failing. The government is supposed to protect the rights of business and their property and freedoms in order that they can go on and on, as far as possible under a free economy or fail completely and collapse from not being able to handle better organized competition. ONLY when there is dishonesty in business should the government crack down on it. A properly functioning government does not link with organized crime, as our government has, and leaders must never open doors for criminals, such as the Middle Eastern or African terrorist groups or the resident labor unions, all headed by criminals. All criminal syndicates in the world are supported directly or indirectly by the United States of America and this similarly applies to the communists of the world even islam, all whose primary objective ironically it to destroy this nation.

### **Mass Arrogance**

When a people become Arrogant it is clearly demonstrated by the acceptance of things which are anti-establishment such as homosexuality, transgender individuals, live ins vs marriage, legalized 'recreational' drugs, interference with the freedom, privacy and property of lawful citizens and businesses, and many more factors. There also arise great masses of people who are totally lazy and refuse to work making demands for government support and subsidies. The people who have authority inevitably become irresponsible because of being intimidated by these groups. This is mass Arrogance. Only Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and the return of the national function under the Laws of Divine Establishment and Divine Institutions can act as a catharsis as well as insulation against this Arrogance. The United States of America is today faced with its total national failure as a result of total locked in mass national Arrogance. The working man demands greater and greater wages which they very often are getting and most certainly do not deserve. This occurs even to the extent of their salaries being greater than that of professionally trained individuals despite the fact that the professional has to sacrifice and prepare and work hard to attain and keep his position. When this occurs there is mass Arrogance in the land and this results from the working man overestimating his own worth in terms of the functions of the Laws of Divine Establishment. When the working man has a greater income than a college professor or doctor or engineer or a company or field grade officer in the military there is something seriously wrong in the nation. God's judgment is then seen in the form of economic recession or depression. In the United States of America the government has been holding off depression by false systems of manipulation of the currency, therefore, as a result of this, in order to correct this Status Quo, God is going to have to override the government and thereby bring the nation roughly and forcefully back to its senses. When the United States of America finally has its coming inevitable economic depression it will be horrendous.

When a brick layer makes more than the dean of a college there is Arrogance in the nation. Laborers can be very content in doing great work and have great happiness as believer or unbeliever under the Laws of Divine Establishment but in this nation labor has been brainwashed to think that having a large income is the only road to happiness and a fat bank account is the only indicator of success. This nation has universal mass Arrogance today and this is demonstrated in the widespread overestimation of one's worth. This can be observed in all areas of society not just labor, it occurs also with the lawyer or doctor who charges tens of

thousands of dollars for their services when they should be charging much less in order to serve the public better. All individuals at all levels have overestimated themselves almost out of existence, to the point that God cannot afford to keep us in this world. National Arrogance in the United States has even overestimated the value of this nation out of the competition in world markets. In the United States of America today it costs \$7-\$10 to ship a small package across the country while similar materials can be purchased from China or India with little no shipping costs at all, despite these items also having to be shipped in this country when they arrive here. Americans can count on the fact that although America may destroy itself with mass Arrogance, the world will continue on without it and as a nation it will be totally forgotten by history. Remember, there is no biblical reference to the United States of America in the book of Revelation! People, very often in Arrogance, use other people for their personal advantage and then drop them immediately from memory and so will it be that no one will remember the United States of America since, historically speaking, America is a very young nation. American is at this time no longer the greatest nation in the world but is still the youngest nation but it is also the most Arrogant and stupid nation of history because of pseudo National PRIDE. Be assured, the Plan of God rolls right on despite all the Arrogance of the individual unbeliever, immature or mature believer or any nation involved in mass Arrogance.

Malfunction of the [Faith Rest Drill \(5 stages\)](#) produces Arrogance which includes the worst of all Mental Attitude Sins and it makes weak people out of strong people. With this comes [Selfcenteredness](#) which attaches erroneous importance to the individual who engages in it. Malfunction of Faith Rest results in rejection of duly constituted authority and as a result the individual becomes his own authority, even when in an organization or group. In American society this is what has been done to Law Enforcement since the 1970's by the people and courts saying that the average citizen, especially the criminal, is much more important than the police officer. Thus in America when a criminal is involved in a crime Law Enforcement has to be extremely careful to observe the 'RIGHTS' of the criminal, and the people and judicial system need to be nice to them because the villain is not the criminal who is lying, stealing, raping, murdering, and cheating it is the honorable police officer who is at fault. The FACT of life is that the criminal as such PUTS HIMSELF OUTSIDE OF THE SYSTEM OF RIGHTS IN ORDER TO ENGAGE IN CRIME THEREFORE DOES NOT HAVE ANY RIGHTS AT ALL EXCEPT THE ASSUMPTION OF INNOCENCE UNTIL PROVED GUILTY. Because occasionally some innocent person is erroneously arrested or convicted the American judicial system requires that everyone must now be nice to all criminals and judiciously recognize their rights. This is TOTALLY irrational and completely idiotic but above all this is MASS Arrogance. Every large city and even many small cities in the nation have suffered since the 1970's from mass Arrogance aided by the media and the false reporting of crime and glorification of criminals. The reality is that by requiring police and courts to cater to the criminal and his "rights" this system has turned these human beings into animals and allowed them to function as animals.

The mass Arrogance in a society in time of disaster goes instantly into mass hysteria. This has been clearly demonstrated by the incredible inordinate FEAR instilled in the population by the false and exaggerated media reporting related to the mortality rate caused by the Wuhan CCP Virus in 2020. In disaster those who have run down the police and spit on them and ridiculed

them invariably will shout “HELP POLICE”. The Authority which is rejected and destroyed in Arrogance is authority unavailable under disaster conditions and this status in the United States is far beyond how bad this was in 1980 at the time of these lessons being taught. The police should be honored since they are the last stand for protecting life, freedom, privacy and property and the judicial and governmental systems MUST allow the police system to handle its own failures and never should the public or the courts be involved especially using civilian oversight. The police system must be allowed to regulate themselves so as to maintain good professional standards similar to how the military must also regulate itself. If there is failure for Law Enforcement to regulate themselves properly then those in police authority, the chiefs and captains, MUST be relieved and prosecuted. Also, there should never be any category of “minority” individuals as a majority in any police department. In the American system of Law Enforcement even the lowly patrolman on the beat is an OFFICER and should be respected and treated like one and when they get out of line the Law Enforcement system should courts martial them just like the military. One of the absolute worst and in fact most tragic things involved in regulation of police function is a civilian oversight or review board inevitably made up of goofy bleeding heart do good liberals. In addition an incomprehensible situation today in Law Enforcement is the unionization of the police so that the criminals in the union hierarchy now control the police and enforce the laws. The same officer who is respected, honored and trained in normal times, in time of disaster will be there to help. However, under the public review system present today as a result of the Arrogance of the involved people being beyond comprehension, when disaster occurs the police will certainly ignore the pleas for help by the people. This occurred in 2020 with the cry by the revolutionary protesters of the black lives matter and antifa movements to disband the police and it resulted in over 100 officers resigning in the Seattle Police Department alone with the result that those in charge were now scrambling around not knowing what to do without sufficient officers on duty. American society has lost its respect for authority and has allowed for the training of its children by the most insane people in the world, liberals. This category of individual is in total divorcement from reality, which thereby causes the children also to lose respect for authority.

This is today, in the United States of America, Mass Arrogance and the only solution is found in Absolute Truth in the form of Bible Doctrine for the believer or proper understanding of and function under the Laws of Divine Establishment and the Divine Institutions by everyone. The only way to get the Metabolized Bible Doctrine into the Stream of Consciousness of one’s Soul is through Salvation Adjustment to the Justice of God. Therefore, the only answer to mass Arrogance is a spiritual solution composed of Salvation Adjustment to the Justice of God and Temporal Adjustment to the Justice of God by the consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine or focus on and orientation to the Divine Institutions and the Laws of Divine Establishment.

### Real Degeneracy & Mass Arrogance

Real degeneracy is not sexual in nature nor does it involve murder or other heinous acts but REAL degeneracy is MASS Arrogance. It is the news reporter or news group overestimating their power and setting themselves up as God trying to manipulate the outcomes in the nation through distorted reporting rather than reporting the FACTS of incidents in the society. It is

the mass of people in the nation overestimating their worth and value apart from the Principles of the Word of God. This is the underlying principle of socialism which has opened the way for communism to conquer this country. It is amazing how many people accept this as the correct or proper way of life and do not recognize that the only difference between communism and socialism is simply the communist application of violence to control the population. As time passes in our nation, more and more violence or threats of it are used erroneously by government to intimidate and control the people by the instituting of illegitimate legislation. A prime example is the threatening of the population with removal of government benefits or incarceration if there is lack of compliance with the unconstitutional “RULES” regarding the false attempts to contain the spread of the Wuhan CCP Virus of 2020. Just before total violence is to be used to control the people and when a government is going to go the way of communism they first intimidate then confiscate. Then when that runs out and becomes ineffective they use violence to remove dissidents. The major problem among the people in free societies today is Arrogance in the “have-nots” who are those who feel they have been deprived of the “better things” in life. This is vicious and there is absolutely no reason people should ever think they should have a better position in life than they have earned on their own initiative. People should never have a guaranteed income from the government or from any industry under labor union demands, demanding better living conditions just because they have been raised in a ghetto all their life and as a result refuse to work for their livelihood. The Arrogance from liberal theology along with the interaction with the EVIL of socialism has driven these concepts deeply into the thinking of the people of this nation. The whole process of American education has been distorted into a system of brainwashing from liberalism and socialism. It is liberalism which says man is the most important thing in human history. Socialism says that the individual is important and because of that he should not have to work for a living if he does not want to and the state should provide a living for him. However, communism, which is the ultimate end game of socialism, says the individual is very important but only as a deceit and in that system they exploit Arrogance in individuals and their system turns men back to animals. Communism says the individual is important as long as he can work according to the requirements of the state and when he cannot or does not comply with state developed rules they are to be either executed or forced to work until they die in labor camps. Communism has exploited American Arrogance from Franklin Roosevelt to present day with incredible success and for more than 100 years the plan for the conquest of America has been constantly advancing.

Degeneracy is Arrogance which begins with the [Motivational Arrogance](#) of [Mental Attitude Arrogance](#) and Degeneration is the overt manifestation of this Mental Attitude. This is clearly demonstrated in our recent history by the people who would vote for or accept socialized medicine on the basis of having very little money to pay for medical care. This IS the Arrogant selfcenteredness of the people in this country today. Individuals must be free to choose their own doctors and most people do not appreciate what a doctor in any field must endure to complete his education and reach his goal. In all cases, Free Enterprise medicine means quality medicine but many would prefer to sell out for socialized medicine and accept the poorer quality free service all the while destroying the nation. The true fact is that socialized medicine can, in itself, destroy a nation in as little as one (1) generation. It is far

better to have freedom and medical bills which need to be paid in installments than have FREE medical care.

The believer involved in Arrogant self centered suspicion transfers his own motivation to those who are innocent in his periphery. The perfect illustration of this were the Prosecutors of the Watergate Incident who transferred to innocent people their own selfcenteredness, Arrogance and motivation and were simply out to destroy anyone and everyone related to Richard Nixon. This is again demonstrated in current times in the special investigations first by Mr. Mueller concerning President Donald Trump and later in the FBI raids on his residence and subsequent prosecutions while allowing Joe Biden and his son to go on without investigation and unpunished for their corruption. The press was out to ostracize Mr. Nixon because he prosecuted Elger Hiss who was a hero of the Press but a blatant communist and traitor to the United States of America. They finally got Nixon and when they did, everyone associated with Nixon no matter how innocent, were also prosecuted. This is exemplified by the situation of a personal friend of Col. R. B. Thieme Jr., Pastor of Berachah Church, who paid over 250,000 dollars in lawyer fees to clear his own name. However, the accusations, although he was eventually cleared of all of them, ruined his political career. The evil of Watergate was incredible and the law was twisted and distorted and the guilty went free and the innocent were destroyed. This is what always occurs where Arrogant self centered suspicion transfers their own motivation to the innocent. This is the travesty of the media and democratic party opposing every good thing Mr. Trump had tried to accomplish for this nation and now 3 years later they are attempting to duplicate what he actually was accomplishing but cannot.

When there are a large number of people functioning under the Interlocking System of Arrogance in society it results in the general public being vicious and degenerate as a part of Mass Arrogance. In the United States of America today there is killing of domestic animals for “FUN” without reason. The degeneracy and depravity of people, therefore, results in suffering in the animal kingdom without their understanding why and without any recourse. Domestic Animals have no ability to understand cruelty, neglect, abuse and rejection by their masters to whom they give the utmost loyalty, love and devotion. The Interlocking System of Arrogance effects all social life, including marriage as an institution and every organization in life. When in the Interlocking System of Arrogance the [Faith Rest Drill \(5 stages\)](#) malfunctions in every stage. The Interlocking System of Arrogance not only loses control of all situations and circumstances but also of self so that individuals, whether in Reversionism or any level of spiritual growth even up to [Advanced Maturity Adjustment to the Justice of God](#), reacts in the same way. Therefore, one cannot tell the difference between a spiritually mature believer or Reversionist when they are under the influence of the Interlocking System of Arrogance. There is in fact no way to even tell if the person is a believer or an unbeliever. The Interlocking System of Arrogance also destroys capacity for life and happiness. The believer in Maturity Adjustment to the Justice of God can have already received the 5 immediate categories of the Super – Grace blessing package, including great wealth and promotion and social life and still be completely miserable without capacity to enjoy any of these because of his involvement in the Interlocking System of Arrogance. When this occurs as a generalized condition in the population of a nation, it is doomed.

One reason for such degeneracy today is mass Arrogance related to the vanity of people in the form of the pseudo racial issues, which, in the United States of America, cannot and do not really exist. They are promoting the idea that “We are as good as you”, when no one has said they are better than anyone else in the first place. This is the “black lives matter” group of revolutionists. The people who think they have a right to the wealth someone else has accumulated through great planning and effort, these people are totally under the influence of EVIL and involved in Mass Arrogance. The idea in the 80s that the oil companies need to share their wealth with the people was insanity and EVIL and pure Arrogance. The principle of reality is, if you don’t want to work what right do you have to demand from anyone or any business a piece of the profits. Consider the Curse which the Lord put on Adam in the Garden after his Fall ([Gen 3:17-19](#)) where man is to work at physical labor for the sustaining of his life until he dies. If a person won’t scrub floors for 10c per hour he has no right to anything except to starve to death or die of exposure. The downtrodden are Arrogant and are those who won’t work for a living but will steal for a living to make a dollar, these are ones who are saturated with Arrogance. One individual’s failure, even the greatest of men, does not and cannot hinder the Plan of God nor does it destroy a nation. Neither will one individual’s successes, EVEN A TRULY GREAT MAN, help the Plan of God nor can it save a failing nation. However, the United States of America is today faced with National failure and National locked in Mass Arrogance and in the Plan of God is almost certainly slated for imminent destruction as a direct result of National Arrogance.

### **Freedom & National Arrogance**

Again, Freedom is a principle of Bible Doctrine and the invention of God so that the Human Race can fulfill its divine purpose and destiny in the resolution of the Angelic Conflict. Freedom must be understood in terms of the sanctity of Life, Volition, Privacy and Property under legitimate delegated Authority. In the United States today there is a conflict of vision between what the bible says; individuals must take responsibility for their own decisions; and what the liberal says; the government must make all decisions for the people. This eventuates in freedom being given away by those who acquiesce to government demands for security and therefore law abiding citizens become criminals as a result of choosing for themselves. This destroys the major Issue for which man was put on this earth that being the Freedom to Choose in all aspects of Life, especially for or against the Plan of God and The Lord Jesus, The Christ and subsequently the Christian Way of Life. The only solution to the development of this system of tyranny in this United States of Socialism with its Laws designed to appease 1% of the population, with activism and overdeveloped compassion is the enlargement of the Pivot of Mature Believers developed ONLY by execution of the Protocol Plan of God in the Sophisticated Spiritual Life.

Freedom has as its basis privacy, property and an umbrella of divinely delegated and properly functioning authority. Antithetically, equality is a system for conquest leading to the development of tyranny. Believers can choose to function to advance in the Spiritual Life by consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine or be under Negative Volition to Bible Doctrine and enter Reversionism. This can only take place IF people

possess freedom. There is, therefore, as a result of true freedom in both time and eternity, great inequality on earth and will also be in eternal heaven. Equality is a mechanism used to destroy freedom and is a myth while freedom is a reality as an invention of God to demonstrate his position in the Angelic Conflict as superior and correct. As a client nation to God, the United States of America, and any nation in reality, by ignoring this fact puts that nation on the agenda for great national crisis and disaster. The basis for American prosperity is and always has been big business under Free Enterprise, and not government control of business. Some of the manifestations of this national insanity include:

- ✧ Graduated Income tax not 10% or 15% for every citizen.
- ✧ Evil Foreign policy as the attitude toward Rhodesia and South Africa in the 70's
- ✧ Evil Appeasing Attitude toward China, Russia, Cuba, and all Arabic Countries
- ✧ Evil Critical Attitude toward ISRAEL especially under Obama
- ✧ Weakness toward Iran
- ✧ Weakness with regard to criminals and capital punishment
- ✧ Weakness with regard to illegal aliens and southern border security
- ✧ Weakness with regard to all countries supporting terrorism
- ✧ Evil Functions of OSHA, EPA BATFE and all Bureaucracies in general
- ✧ Liberal Motivated Decline of the military
- ✧ Cancellation of the B1 Bomber under Carter
- ✧ Evil use of the military for social experiments with homosexuals and females in combat
- ✧ The rise and toleration of religious cults
- ✧ The rise of holy rollers and the "tongues" movement in Christianity
- ✧ ALL restrictive Gun legislation
- ✧ The EVIL INSANE derogatory attitude toward police and military
- ✧ Allowing an illegal president to be elected and continue in office and to make executive order laws without judicial or legislative interaction
- ✧ Persistently permitting the violation of constitutional mandates for the redress of grievances by citizens by allowing marches and demonstrations
- ✧ Allowing a communist backed political party to STEAL elections
- ✧ Allowing mentally incompetent individuals to hold high political office such as Joe Biden, John Fetterman.
- ✧ Many many other areas.

Freedom in its simplest form is found in the principle of Live and Let Live. Freedom is a legitimate system of self determination and the environment for the proper function of volition. It is self determination and exemption from necessity along with self fulfillment as the privilege and franchise of the Human Race. It is exemption from any arbitrary control as is generally found in most of the laws of the government of the United States of America passed in the past 70 plus years which are arbitrary controlling and tyrannical. In the United States of America there is now a very EVIL and immoral government demonstrated by the democratic party control and failure of the theoretically "conservative" republican party to do anything to oppose them. Freedom is based on 3 principles, any of which, if nonexistent, causes destruction of freedom. These include self determination in free use of volition, privacy and the right to possess lawfully and legitimately acquired property. In scripture the whole purpose

of the Palestinian Covenant is the designation of property which will belong to the Jew during the millennial reign of Christ on this earth. Today and throughout [The Church Age](#) only what the Jew can conquer and hold in the middle east can belong to him. Both today and in the past the Jews had to use their military to HOLD their property as all other people and nations have had to do. This is the purpose of the military establishment, to maintain the ‘property’ of the national entity and to ensure the FREEDOM necessary to have privacy and to individually possess property in the national sphere. Functioning properly under military establishment principles also means that there must be established a system for protecting the property of all individual property owners in the national entity. Unless a person owns real property or has some personal possessions he will have no sense of responsibility as a member of the Human Race. It is not a necessity to own “real property, land” but simply owning anything will provide the first concept of responsibility. This is in fact one very good reason for making teenage children work for something they want so that they appreciate possessing and take responsibility for properly using that which they have worked for. Property is a truly great issue in life, much more than most people realize, and is a fundamental underlying issue of freedom and responsibility. This is the reason government confiscation of ANY property is truly a function based in EVIL, including the theft involved in an arbitrary system of taxation such as in the United States of America. If an individual is irresponsibly free he can be either a moronic idiot or psychopath, having the idiotic concept that freedom means he can do whatever he wants to do all the time. Property, monetary wealth, personal possessions, etc., all are a part of freedom and instill the concept of RESPONSIBILITY. This is why the Swiss have the greatest government in history with total states rights where the cantons in Switzerland are practically self governing and along with this, universal military training which goes from age 16 to 47, unless a person volunteers for longer terms. There is constant weapons training for the people and the soldier takes his issued weapon HOME with him even after being discharged and when on active duty they have a pass book which records where they have trained weekly and qualified monthly with their weapons. Every male is part of the military with great military fortifications so that no country wants to interfere with their system and their Free Enterprise functions. When the United States goes out as a client nation to God, the only nation which could possibly qualify for client nation status would be Switzerland where there has been an incredible evangelical movement. When the United States of America goes down as client nation there will always be another nation which is elevated to that status because The Lord Jesus, The Christ is still controlling Human History.

Why does the United States, as a client nation to God in the times of the gentiles, malfunction? It is not based on the president nor the congress but on the people themselves and their total lack of integrity and disorientation to the Laws of Divine Establishment, Divine Institutions and Bible Doctrine. The United States is a nation of individual freedoms and as a result of its failure as a nation, blame must be placed on the people since the nation’s Status Quo reflects the way the people are thinking. It is painfully obvious that the people of the United States of America, having in the past had great freedoms, do not in any way any longer understand freedom. They don’t even understand the status of human volition as the uncaused, cause of human function, ie. the principle of live and let live. The people fail to understand the principle of privacy which is the environment for the function of freedom. When a person

makes a decision to accept the Substitutionary Spiritual Death of The Lord Jesus, The Christ, it is not required that they do anything else. They have a right to make this decision on their own without any interference which, in fact, would be a form of tyranny. Every believer has a right to come to bible study and inculcate Bible Doctrine and decide for or against Christ and bible doctrine without anyone interfering or intruding on their privacy no matter what they do for a living, their economic standing, how they dress or for any other reason. Every believer and also every unbeliever has a right to privacy and if the unbeliever is interested in the Gospel or the believer in Bible Doctrine they have a right to come to where it is proclaimed and hear it without interference. The only exception to this is the criminal who has, as a result of his own decisions, NO RIGHTS at all under the system of authority in a society, having voluntarily violated the concept of freedom and moved himself outside the RULES or Authority of the society. The American has forgotten the principle of property and this principle has disappeared in the United States of America. This is not only land but property is anything that is legitimately acquired or possessed. The right to use and enjoy, benefit or dispose of anything that can be subject to individual ownership is property, it is the right to ownership of tangible things. Americans have lost track of the issue of property and the basis for the great prosperity in the United States is PROPERTY. The confiscation of property by the government and destruction of private property is therefore, obviously, an attack on freedom. Government regulations regarding anything which one can possess or use is a violation of freedom and privacy in all areas of property. If anything attacks privacy it attacks property and in attacking these it destroys freedom. Americans have lost the concept of PROPER function of LEGITIMATE authority which is actually designed to protect freedom not regulate individuals. Authority such as is delegated by God to governments is NEVER to be used to try to solve social problems with legislation but to simply protect the Life, Volitional Freedom, Privacy and Property of its citizens from enemies within and outside of the nation. This authority is there ONLY to execute criminals and destroy aggressive nations. Freedom is based on the understanding and observation of the mandates of God found in Bible Doctrine including the Divine Institutions and the Laws of Divine Establishment.

The alleged objective of socialism is to make everyone equal and accepted. However, no one is ever born equal to any other but he is born free as a self determining individual. In the United States of America, citizens are born into a (relatively) free nation, a client nation to God, therefore they have (in the past had) great personal freedom but not at birth nor any time thereafter do they ever have equality. Socialism alleges to make everyone equal and under this concept they reduce everyone to the lowest common level, moron status, and then come in and conquer them installing communism as their function. Freedom is the reality which must exist for the proper appreciation of and function under both spiritual and human heritage. Freedom cannot and does not guarantee equality but guarantees OPPORTUNITY and thereby ensures INEQUALITY. Under a system of freedom one can use his freedom to advance to success or go down to failure and the government must NEVER interfere with this process.

Equality says there is no success and no failure and therefore provides no motivation for improvement. This is the current system in childhood athletics where every child receives a trophy or award for PARTICIPATION. Equality says everyone will be made the same through

legislation and every person will be forced to be this way and as a result this totally destroys freedom. The problem in the United States of America is that the people have for many decades been brainwashed to think in terms of equality. This has become a form of Arrogance and divorces one from reality. With freedom a person can take his freedom and move with it and his rights under common law in society, which is beautifully defined by the American constitution, to a level of greatness or failure BY HIS CHOOSING. Unfortunately, for a very long time, the courts have been defining things in society in terms of equality and possessing 'civil rights' which is good as long as this does not distort or destroy freedom. However, in the process they have consistently tried to make everyone equal. Any system of trying to tell people that they are all equal is EVIL. People, while being unequal, can be very happy and this has been demonstrated many times over in history, in the times of the Antoine Caesars, in the Edwardian era of England, etc. Under a system which forces equality on everyone nothing in any area of life would be of any interest to anyone as a result of everyone completely lacking motivation since there would never be winners and no losers. There is and must be under freedom, therefore, inequality in all areas of life, clearly demonstrated by training, intellect and motivation, so that some can be better than others at various things from athletics to business to academics and science. Legitimate competition in any area produces and demands inequality and in competition a person must DEMONSTRATE that he is better than others in some specific area. Consequently, in every aspect of life the secret to contentment and stability is in the mentality of the soul, so that under Salvation Adjustment to the Justice of God, KNOWING in an ABSOLUTE way that when one dies he will be face to face with the Lord provides freedom from fear and confidence in the future. Knowing that one can face death means that he can also face life and as a result of Salvation Adjustment to the Justice of God dying is in fact as Paul has said "extreme profit". Because of this and understanding that people are not equal, Bible Doctrine gives, to anyone who is consistent with its intake, inner peace, happiness and blessing. This is the solution which will bring about national success and it must structure the whole underlying concept of the nation and when this occurs there will be quality in evangelism, missionaries and local church functions and great national stability.

The Umbrella of authority is of no value in society without the individual adhering under enforced discipline to it developing thereby Enforced Humility as virtue. The concepts of bleeding heart do good liberals like Ralph Nader, today's environmentalists, and their ilk, who want to save all of mankind from being killed on the roads or by what is in our medicine cabinets or under our kitchen sinks, are [Self Righteous](#) and an incredibly great danger to freedom and these people personally have no concept of freedom nor of authority. They are totally Arrogant and self centered and freedom is, in their thinking, only for themselves not anyone else. They consider the individual not competent to control his own life by his own decisions. God, knowing how man would be, gave to the Jews in their Mosaic Law the definition of freedom in the Decalogue which is, in fact, the Freedom Code by defining violations to freedom such as:

- ✧ Stealing == attack on property
- ✧ Murder == attack on privacy and the freedom of self determination
- ✧ Love of God == encouragement of authority

Equality is the device of the Arrogant and the conspiracy of Satan in disorientation of the sociopathic individual while freedom is the true motivation of the Grace or Establishment Orientated good citizen whether believer or unbeliever. Forced or Legislated equality is the policy of tyrants and also the desire for the realization of a pseudo millennium of Satan. Freedom is the underlying principle of the policy of God in creation of the Human Race to resolve the Angelic Conflict and is therefore totally opposed by all aspects of the EVIL policy of Satan. God placed man on this earth in order for man to have the opportunity under freedom to make the decision for his plan of Grace in the Divine Dynasphere or for Satan's Plan of Evil and Good under the tyranny of the Cosmic Dynaspheres. Freedom must have divinely oriented content of thought and this is spiritual and revealed in the bible as Codex I and III of the Mosaic Law. Freedom without authority is ANARCHY and authority without freedom is TYRANNY. Freedom without the authority from Bible Doctrine is antinomianism and authority without freedom from Bible Doctrine is legalism. The people of any nation must be mature to enjoy freedom and this is the basic function of the client nation to provide the freedom and means of maturing under responsibility to authority for all citizens in that nation.

This overflows into the spiritual realm, the only area where any equality can temporarily exist in life. All believers begin their Spiritual Life EQUAL in union with The Lord Jesus, The Christ and there is no racial nor gender nor social distinction. However, as will occur in all things in life, some will advance in the Spiritual Life and some retrogress in the Spiritual Life, therefore, they are not in any imagined way ultimately equal. There is also a principle under freedom in the function of the local church of never asking for financial support, money. If the Lord wants the Local Church to continue the congregation will give from freedom and if he wants it to shut down as a result of failure of the Pastor Teacher to properly present Bible Doctrine then lack of funds will do just that. This is how the local church must operate in order to properly serve the Lord.

In Israel there had been some truly great failures in the past recognized by Paul:

- ✧ Failure of unbelievers to attain Salvation Adjustment to the Justice of God by faith alone in The Lord Jesus, The Christ alone as he was revealed at that time but instead trying to obtain salvation by the human effort works of keeping the Mosaic Law.
- ✧ Failure in every generation of believers who did obtain Salvation Adjustment to the Justice of God to advance to Maturity Adjustment to the Justice of God, because of their involvement in the Interlocking System of Arrogance and interest in power politics rather than pivot politics, thereby contributing to the degeneracy which brought on the 5 cycles of Divine Discipline the last which removed the client nation status of Israel in 70 AD.
- ✧ Personal degeneracy of both believer and unbeliever as a result of their involvement in the Interlocking System of Arrogance.

The United States of America today, like Israel of the past, is saturated with Arrogance and trapped in the Cosmic Dynaspheres. In Arrogance the American government assumes that it has a right to tell other nations how to run their business despite the fact that it cannot run this nations business properly. American foreign policy is one of Self Righteousness and hypocrisy and is designed to tell other nations who their friends should and should not be. In the United

States of America there is this Arrogance which vacillates between [Self Pity](#) as communism and islam close in and Self Righteousness as it tries to tell the world how to run their business despite, having miserably failed in its own society since the at a minimum the 1960s. America has had the constant escalation of both crime, youth gangs and today now the influx of terrorism both foreign and domestic in origin and finally the beginnings of overt revolution in the actions of the “black lives matter” and “antifa” revolutionists. There are now social and political uprisings and the interference of the democratic party with legitimate national functions in elections and judicial functions. Arrogance and insanity are involved with each of these functions. It is the volition of the individual which brings him to insanity and also to criminality and behind both is found the Interlocking System of Arrogance in the general masses of the people.

The Jews could not get away from the Interlocking System of Arrogance and their Self Righteousness of attempting to keep the Mosaic Law for salvation. They, in their own minds, were individually more important than any system of authority and they rejected the Laws of Divine Establishment and all the systems of authority ordained by God. They thereby destroyed their own freedoms, privacy, property and the umbrella of protection from ordained authority. They then discovered that freedom without authority is anarchy and anarchy cannot maintain national integrity. The United States of America is about to discover the same lesson. Then they gave authority to the pharisees and discovered that authority without freedom is tyranny. America has already accomplished something very similar to this in giving authority to those who function in society OUTSIDE the rules of our system, criminals. The Jews oscillated from a system of anarchy to one of tyranny. Between these extremes is found the solution and there must be a balance between authority and freedom just as that which is laid out in the Constitution of the United States. The Jews, and many other nations as well, went from anarchistic freedom to tyrannical authority and when one part is knocked out the other fills the void. This is what occurs in people saturated within the Interlocking System of Arrogance. The Interlocking System of Arrogance first rejects freedom then when there is only authority and no freedom under tyranny Arrogance rejects the authority and this then results in REVOLUTION. Then this again causes the rise of anarchy and with it constant national instability which can only be stabilized by the spiritual factors in the founding principles and which are the basis of the constitution of the United States of America.

### **National Arrogance and Prosperity**

Prosperous people can very easily get into the Interlocking System of Arrogance beginning with [Motivational Arrogance](#) and its [Mental Attitude Arrogance](#) and then moving through any of the entrance gates. Prosperous people minus authority enter into the Interlocking System of Arrogance and become conspirators to overthrow good government so that they can have more power. This is George Soros, Bloomberg, Nancy Pelosi, Romney and Cuomo of New York to mention only a very few. These types fail to see in their selfcenteredness and megalomania that every blessing they have is from this good government UNDER GOD. Because they have rejected the source of their blessings they only want the power and authority provided by it. This is what has happened in the United States for decades and the trends in this direction are found in Labor Unions, People in general, Government officials, prosperous business men, etc.

One of the great tragedies of the Vietnam war was that the people here at home had great prosperity and did not want war to spread here thinking that they might lose their prosperity and have to make sacrifices. This occurred first in the Korean War and was the reason Truman made one of the most awful decisions in history when he pulled MacArthur off from one of the greatest tactics of all time in the Inchon Envelopment. This completely destroyed the military of the north Koreans and they were out of the war when china intervened. The United States could still have wiped out China and North Korea but harry Truman in his supreme stupidity and incredible political Arrogance did not want to disrupt prosperity at home. He was AFRAID that there might be a much larger war and would not permit bombing across the Yalu river and thus restricted the war to a brush war which only the Chinese communists could win. Chinese communists are a vile people saturated with the principles and functions of EVIL and persist in being the greatest enemies on every front of the United States. When America joins with them in any way or any American administrators even smile at them or drink with them or even shake their hands, this is a sign of true degeneracy in this nation and this country has given millions in tax payer's money to them and other enemy nations to try to bribe them into friendship. The United States could have destroyed Red China in the Korean war and the Inchon envelopment was one of the most brilliant tactics in history and it became, at that time in the past, an objective of the press and government mediocrity to suppress the incredible genius of Douglas MacArthur.

As a result the controllers in this nation kept the prosperity here and our prosperity advanced to more prosperity so that in the Vietnam war there was a double standard of warfare. American troops were subjected to situations where they could only be defeated and annihilated while the public could continue its Arrogant degeneracy ignoring the fact that in war it MUST BE an all out effort of all citizens to WIN. The people should have demanded the use of nuclear weapons and there should be a deep hole in North Vietnam where the south china sea could flow in. There should be no such thing as North Korea and there should be NO North Vietnam and there should be NO CUBA and America should not only still control the panama canal but have put all of those people back in the jungle where they belong. The people in this nation have not had this type of thinking since the end of World War II and the people here are restrained by their own degeneracy. It is how a person thinks which determines degeneracy what he does is a reflection of how he thinks whether it is patriotism, conspiracy or the revolution of power politics in any form.

Prosperity becomes a trap to a nation when it results in entrapment of the people in the Interlocking System of Arrogance. When people are prosperous and lose their focus on the source or the origin of that prosperity they lose the ability to have dominating thought expressed through sub-dominate emotion. They fail to combine thought with emotion properly and this is reflected in their culture, Modus Operandi and their lack of spiritual function, and ultimately then the nation destroys itself. No nation is ever removed from Human History by an outside source but national destruction is always the result of internal degeneration and all nations destroys themselves from inside first before conquest occurs. When any nation is destroyed in history the believer must remember that there was an internal principle or factor of degeneracy which led the way to their destruction. Therefore, in any nation, prosperity

becomes a trap when it results in the collective involvement in the Interlocking System of Arrogance and lust for power, recognition and inordinate authority. The people of the United States of America MUST open their eyes because this is the status of this nation today and in fact has been for a very long time.

There is a snare in the United States of America where its spiritual heritage, being related to Laws of Divine Establishment, Divine Institutions, Bible Doctrine and principles of client nation function, has been in the past and is continually being set aside and violated. In the United States of America prosperity has become a trap both historically and spiritually. Historically it is a trap when people become soft from prosperity to the extent that they think only in terms of saving prosperity and maintaining security even if it means losing a war engaged in to preserve freedom. People said during the Vietnam War, “as long as I am safe let them die over there but don’t extend the war so that we might be bombed and injured and lose our prosperity”. Virtue as courage toward man and circumstances is only developed in the [Divine Dynasphere](#) and therefore, Arrogance prohibiting residence in the Divine Dynasphere destroys virtue. This inevitably produces cowardice so that the executives in most of the Free Enterprise companies in the United States today are cowards and are afraid to use their economic influence to change government functions. In the United States, Americanism has been lost and will continually lose more by allowing illegals aliens into the nation and giving them welfare benefits and the right to vote and more rights and freedoms than even citizens. No matter how great the government, or magnificent the freedom or how much prosperity exists from Free Enterprise or how great the military establishment is in protecting freedoms and no matter how great the Law Enforcement and jurisprudence functions are in protecting the rights of the individual citizens NO NATION CAN SURVIVE COLLECTIVE Scar Tissue of the Soul from mass Reversionism and Mass Arrogance.

### **National Arrogance and the Integrity of God**

The United States of America has been in the same status from 1970s to today and the people want political reform without relating it to the Integrity of God. They want peace and prosperity based on the Self Righteousness of liberalism rather than [Adjustment to the Justice of God](#). The answer to the problems in the United States of America is not in political reform or contacting the government administrators with mail or phone messages but only in the functions of large groups of people making Adjustment to the Justice of God. Political reform is meaningless without the Integrity of God no matter who the administrators of the nation are. Nations rise and fall, especially client nations, based on their relationship to the Integrity of God. The United States, became a great nation based on its citizens having a relationship to the Integrity of God, and many past generations had a large pivot of maturing believers which were adjusted to the Justice of God. There is no system of government or political reform which can do anything except destroy a nation unless it is related to the Integrity of God. Believers in The Lord Jesus, The Christ are missing the boat totally if they constantly function as political activists. Perception, Cognition, Incultation & Metabolization of Bible Doctrine is the only answer for the situation in these United States since this alone relates the individual and thereby the nation to the Integrity of God. Anyone who thinks they can change the American government is a FOOL since it has been for a very long time and continues to be

immoral and completely under the influence of Evil. Assassination, as a method of change, is a stupid, sinful, idiotic concept as well. When any leader is assassinated one of two things happens, either the one who takes over for him is FAR WORSE than he was OR he is considered a martyr and his agenda is wholeheartedly followed even by those who opposed him. There is not now and has not ever been any way to change the American government not even by casting your ballot since from before the time of Franklin Roosevelt up to today voting has been extended to the irresponsible in the nation today even to non-citizens and the entire system has been subverted by FRAUD. The only true way to preserve a nation, especially the client nation of the United States of America, is for the people to collectively relate to the Integrity of God properly and recognize that The Lord Jesus, The Christ controls Human History. This is essential at this time because when a nation fails to function under the Laws of Divine Establishment and Divine Institutions, as the United States of America has been doing, the only means of deliverance is from intervention by The Lord Jesus, The Christ. History shows nations rising and falling and until the people in the United States understand that the basis for their national heritage is spiritual, this nation will continue failing. The only reason our system of government ever worked was because of the believers in the nation who were related to the Integrity of God and Adjusted to the Justice of God.

In the United States of America in 1976, and much more so today, it was and is not possible to elect someone to the presidency who can change the direction of this nation because the problem is NOT in the White House ONLY nor the congress, nor the supreme court but it reflects the infection of [Reversionism](#) and Arrogance in the diseased souls of the people. It is unimaginably worse today so that the only thing which will change this situation is Salvation Adjustment to the Justice of God, consistent use of the [Rebound Procedure](#) and attaining [Maturity Adjustment to the Justice of God](#) by the INDIVIDUAL BELIEVER. The only way to change things in the client nation is to accumulate a maximum level of Metabolized Bible Doctrine into the Stream of Consciousness of the Souls of individual believers with the resultant development of the Pivot of Spiritually Mature believers who collectively support the nation by means of blessing by association with them. These mature believers will receive their Escrow blessings for time in the form of 5 temporal categories of Super – Grace blessing which will be the support of the nation. The only way for a nation to prosper and advance in history is for there to be this relationship by the people in the nation with the Integrity of God. There must also be the Unbeliever's relationship with the Integrity of God through thorough comprehension of and consistent adherence to the doctrinal principles of the Laws of Divine Establishment and Divine Institutions above all other concepts. All the problems in our society related to homosexuals, gun control, violence, abortion, etc., are manifestations of what is below the surface in every individual in the form of apostate Reversionism and saturation within the degeneracy of the Interlocking System of Arrogance. Education is not the answer to these problems but has been at every level, formed into a system of contribution to them by the systematic indoctrination of children and young adults with principles derived directly from EVIL. The fact is that some people should not be highly educated because when a person is educated beyond their capacity, intelligence or potential they become unhappy for the rest of their life. People who are educated beyond their capacity or level of intelligence find themselves with college degrees and when employment is not forthcoming in their field they

cannot bring themselves to do what they consider menial jobs. This is a situation rampant in the United States today. The fact and reality is that these people should have learned a trade and worked at it to enable them to have a life of contentment and this would have been, for this person, proper adjustment to life with stability and true inner happiness. Legislation is also abused in this way and legislators try to solve the problems of life in society by creating laws to force people to function under what they consider a proper standard for living. These things all contribute to National Arrogance.

There have been national social difficulties in the United States of America for many decades just as had occurred in Judea in the time of Christ and the people there were enthusiastic and sincere just as the idiotic liberals are today. People, especially in mass, are NO DAMNED GOOD because man, as an individual, is totally depraved because of the existence of his Old Sin Nature so that by gathering people together that multiplies this tendency toward total depravity. The failing of American society and this nation is found in catering to this depravity because of involvement in Reversionism and saturation with Arrogance in the average individual and especially the representatives in the government. The ONLY answer is the Integrity of God. The true principle with regard to the Plan of God is that times of prosperity, happiness, depression, disaster, whatever the historical climate, either pleasant or adverse, are inconsequential to the Justice of God, THEREFORE, the Plan of God rolls on whether man, individually OR collectively, fails or succeeds. The believer who follows the Plan of God, will in all historical circumstances be blessed, especially during adverse circumstances. In times of adversity and disaster, Arrogance always comes up with human solutions such as the federal government under FEMA trying to take up the slack for regions of the country experiencing disaster situations, legislators trying to solve social problems with legislation, the Supreme Court trying to do Human Good in the sense of encouraging socialism instead of properly adhering to and maintaining the principles of the American Constitution. The concept of a greater good for the greater number is a system of functioning under incredible and tyrannical EVIL demanding the production of incredible levels of Human Good. This influence of Evil in the United States of America is the motivation for the function of both believers and unbelievers. When there are attempts made to try to establish EQUALITY in a society, freedom must first be destroyed and then there is supposed to be equality. However, people, despite these overwhelming efforts, are still not equal but instead there is a new system of Evil in tyranny which exploits all of them. Therefore, logically, a government trying to solve social problems by making everyone equal is functioning under a system which is saturated with Evil and devoid of freedom.

When Abraham Lincoln, as president of the United States and as believer in The Lord Jesus, The Christ, violated the constitutional principles that the federal government is to be the servant of the people and does not make any earth shaking decisions, this was the beginning of the failing of the United States as a nation. Today the federal government acts as a GOD in the United States and uses federal funds, which are tax payer's money, to destroy the freedom of the tax payer and blackmail the states. This money is used in the establishment and continued function of bureaucracies which destroy the tax payer's ability to pay taxes by destroying businesses. Lincoln started this by calling up 50,000 volunteers to force several

states into a form of action which HE desired purely for his political expediency. The issue for Abe Lincoln was never freedom for black slaves because he did not consider them his equal as was clearly demonstrated in the Lincoln – Douglas debates. Every state had a right to have or not have slavery and the federal government had NO RIGHT to start political reform under a system of violence. The fact is that VIOLENCE only has a valid use when police use it for stopping the criminal's Modus Operandi, when Courts use violence as punishment for certain "capital" crimes and when the military is defending the integrity and freedom of the nation. The federal government had no right to invade the south to force the southern states to do what Lincoln wanted them to do. Under the American constitution the states had the right to independently decide what they wanted to do concerning slavery. Whenever the federal government uses violence once and gets away with it that is, and it was for the United States, the beginning of tyranny and from 1865 to the present America has had growing tyranny in the federal government. Lincoln started a precedent which says in effect that political reform without the Integrity of God is acceptable. John Wilkes Booth attempted to fight this EVIL with the unmitigated EVIL of assassination. Fighting Evil with Evil is always wrong and the only true power and dynamic for this nation, a client nation to God, and for every believer individually is spiritual and based on GRACE. As a people, Americans are too full of Arrogance and their own temporal solutions and must recognize the essential nature of the Integrity of God as the ONLY SOLUTION. The only thing which will either save or destroy this nation is the Integrity of God. The ideas of the people in the United States of America are totally saturated with the EVIL of LIBERALISM and Marxist Socialism and are not in any way related to Bible Doctrine, the Integrity of God nor to even freedom but focused on seizing greater political power by appealing to the irresponsible masses and promising desired things to one or the other of the most outspoken groups. The 2 greatest and most detrimental attributes of these people are Self Righteousness and involvement in the Interlocking System of Arrogance which are inevitably cowardly and as a result the United States of America has become a nation of cowards in Self Righteousness and constantly strives to appease and acquiesce to both communism and islam. American should have never sent one grain of American wheat to Russia, she should never have gone to Russia with any aid or help and not one ford motor company representative should ever had shown them how to build trucks. America should never have given them the atomic bomb information nor should Nixon have ever given them the inertial guidance system for ballistic missiles, nor should anything ever have been given to the Chinese communists who now constantly STEAL whatever military and scientific technology they can without any repercussions. When American military commanders met with the North Vietnamese at the conference table in Hanoi they should have slapped them silly and when they were told to sign a treaty on our terms and they refused they should have put a knife through their hand and nuked them out of existence. America is today a nation of Self Righteous Arrogant cowards and the only thing saving this nation is the relationship of the remaining few [Jeshurun](#) believers to the Integrity of God.

If the Integrity of God is not involved in the prosperity and historical blessing of a nation then that prosperity is false and built on sand. All welfare, socialism and communism are attempts at political reform apart from the Integrity of God so that no nation under these systems can ever enjoy freedom and possess historical prosperity. Socialism, liberalism and welfare are an

illusion and the fantasy of maladjustment to the Justice of God. As all Arrogant people, the citizens in the United States, manifest themselves with Self Righteousness and Liberalism and these are always interlocked together. No person who is politically or theologically liberal can ever understand Bible Doctrine as a result of having rejected the Absolute nature of Bible Doctrine and / or the Laws of Divine Establishment and Divine Institutions. Liberalism is from and based completely on Evil and is an enemy of freedom and an infection in the nation which must be destroyed for the nation to survive. Liberalism is a whore, soliciting your freedom, and then taking it from you. The key issue in this nation today is the Integrity of God vs the Self Righteous Arrogance of the liberal because ALL true freedom and liberty, having been invented by God, comes from the Integrity of God. A Person could be a slave picking cotton on a plantation in the south and have liberty and freedom because his master has evangelized him and he is now part of the Royal Family of God under spiritual freedom. There were many slaves before the civil war who were Adjusted to the Justice of God and had better environment than their great grandchildren have TODAY. Half of the people in the first century of the Roman Empire were slaves and many of them went all the way to the point of Maturity Adjustment to the Justice of God. ([The Book of Philemon](#))

Liberals provide the propaganda from Evil which gives the impression that the whole system of freedom approves of being without house, home or job and running loose in the streets. Today Blacks and Hispanics have been and continue to be exploited by politicians functioning under a saturation with EVIL and they are manipulated in the name of freedom and civil rights, being used to bring about political reform without the Integrity of God. Until the people, both individually and collectively, are adjusted to the Justice of God they cannot ever understand this. The simplicity of the Plan of God is that there cannot be a nation with prosperity or freedom without relationship with the Integrity of God. The American holiday of Thanksgiving is based on a principle of not being able to have freedom and prosperity in a nation without relationship to the Integrity of God. Neither communists nor moslems have any integrity and Americans must never trust them because they make treaties and agreements ONLY for the purpose of using these to gain time to increase their momentum to defeat their enemies, the United States of America. Therefore, there can never be any such thing as freedom or national blessing apart from Adjustment to the Justice of God in every possible category.

### **The Stages of Development of the Client Nation:**

Once a nation has a system of government and functions based on Virtue then they must learn to fight in warfare to gain and maintain their freedom through military action. In additions there must be consistent function under the Laws of Divine Establishment to maintain and protect freedom both internally with Law Enforcement under Legitimate Judicial systems and under a strong Military Establishment for protection against external threats to freedom. To sustain itself there must be developed a legitimate economic system in the Client Nation where people must not be prevented from accumulating capital and must be FREE to start businesses based on their own initiative without government interference even if the business develops into a monopoly. Economy under freedom takes care of itself and is self regulating and some people go broke because their system of business is inefficient and some people make a big success because their system of business is efficient. Inevitably all monopolies break up

naturally in the course of legitimate economic activity. However, when the government comes in and breaks up a monopoly this is a sign of Self Righteous Arrogance in the government which is far more destructive to freedom than any economic monopoly. The legitimate government should not and must not even attempt to regulate business but MUST regulate crime and when there is crime in business it must be dealt with summarily.

Freedom is difficult for people to enjoy because free people must be relatively mature to enjoy it at all. The fact is that freedom requires more self restraint and self imposed responsibility than ever is needed in slavery. In the freedom of the United States of America the arrogant individual finds himself constantly demanding that the government regulate people with whom he disagrees or dislikes. These arrogant twits desire that the government pass laws to regulate the social interactions of people NOT involved in crime and to solve all of their problems. As is occurring today when there are too many frivolous laws and laws which violate freedom and make lawful people criminals, the people ignore them all and thus become lawless. Therefore for a nation to become and remain a Client Nation there must be:

- ▲ A strong economy
- ▲ Dedicated honorable public servants especially in the Judicial and Military systems.
- ▲ Concepts of Freedom & Authority with individual responsibility and integrity ([Romans chapter 13](#))

Putting all of this together does not create the Client Nation but simply provides the structure under which it can exist. It is the understanding and development of principles for function under the Laws of Divine Establishment and Divine Institutions which make whatever the system of government set up may be, LEGITIMATE, and this can lead to establishing the function of the Client Nation to God.

Freedom is in fact designed specifically to allow people in the Client Nation to HEAR the Gospel of Christ and then Accept or Reject it. Then they are enabled under freedom to take the Gospel outside the Client Nation in missionary functions to other nations. Also, under freedom every person who accepts the Gospel of Christ then has a right to function in his life to advance to Maturity Adjustment to the Justice of God by the consistent inculcation of Bible Doctrine. This is to occur within any given national entity which functions under any Legitimately Based system of Government and is the sole basis for resolving the Angelic Conflict. This then results in the development of the Pivot of Mature believers who then sustain the Nation under their Escrow Blessing package. Even with effective development and function under the Laws of Divine Establishment and Divine Institutions no nation can be sustained without the development and understanding of the Bible Doctrines of God from scripture. This is, in fact, what establishes the Client Nation. The separation of church or religion and state or government is essential in any legitimate nation because this provides the OPTIONS of freedom regarding Christianity and religion. Once church and state are amalgamated the great option for freedom along with evangelism is destroyed. This has been the great mistake of many European and South American countries whether the adopted system of 'religion' was good or bad and is illustrated and exemplified by the muslim dominated nations of this world. Freedom must extend self determination in the area the spiritual life and enable the free presentation and hearing of the Gospel of Christ and the free acceptance or rejection of it.

### **Proper Government**

In the United States of America under our system of Constitutional Republic, many Believers enter the Interlocking System of Arrogance by advocating democracy, oligarchy or tyranny as a desired form of government. The United States of America has this National Arrogance from the failure of its representatives in allowing a build up of bureaucracy which has no accountability to the people and which cannot, does not want to and will not, uphold the Constitution. This demonstrates the Decline of the HONOR and INTEGRITY of the People and therefore their elected Representatives in government.

There are 3 forms of “GOOD” government and 3 forms of “BAD” government from a biblical perspective.

#### Types of government

<u>Good</u>	<u>Bad</u>
<b>Monarchy</b>	<b>Dictatorship</b>
Rule of one man for the good of all	Rule of one man for his personal benefit
<b>Aristocracy</b>	<b>Oligarchy</b>
Rule of a group for the common good	Rule of a group for personal benefit
<b>Republic</b>	<b>Democracy</b>
Rule of responsible people for the common good	Rule of irresponsible people for personal benefit
	<b>Anarchy</b>
	Lack of Authority and Rule by anyone

Tyranny under dictatorship is the system used by the Russians all the way back to the czars not including Catherine the Great. Democracy, which is constantly erroneously touted as the American system of government, is just controlled or bribed Anarchy and Anarchy is lack of rule by anyone. It is interesting to note that invariably when Anarchy occurs it will ultimately collapse and its collapse DEMANDS Dictatorship and Tyranny to replace it.

The American education system is and has been preparing the children of this nation to accept the total tyranny of the out of control federal government and its agenda of socialism ultimately leading to communism. The American system was set up in such a way that the federal government is supposed to be the SERVANT of the people with certain administrative responsibilities but no jurisdiction over the people except in time of war to provide the army and fulfill certain governmental responsibilities such as collection of taxes to maintain a standing army, etc. The federal government was the servant of the people and the power of government was to reside in the states but the Lincoln by instituting the war between the states destroyed the principle of state's rights totally. As a result of a lack of understanding of this 2<sup>nd</sup> war for independence, the erroneous concept entertained by the people is that it resulted in blacks being freed from slavery, whereas, the Truth is that all races, black, white, red, yellow and brown were actually placed into abject slavery to a federal governmental system which sets itself above the law of the American Constitution. The federal government has taken the power designed to reside in the individual states and put that concentrated power of government in Washington instead of retaining the decentralized power in the states.

In addition there is a basic underlying failure of the people to understand communism, socialism, democracy and anarchy. *Communism is simply ENFORCED Socialism while Democracy is DEMAND Socialism. Communism produces Dictators while Democracy produces Demagogues.* Whatever the form of Socialism, it always destroys FREEDOM. Socialism is a mess of pottage whereby ignorant people exchange their freedom for perceived pseudo security. They give up what is real for what is unreal. Under socialism there is no freedom and where there is no freedom there is neither security nor prosperity therefore the importance of Truth as in [John 8:32](#). Under any form of socialism Salvation Adjustment to the Justice of God and

ability to execute the Protocol Plan of God, is lost to all.

In the United States of America today, for the majority of the people, their freedom is not important to them only their security and safety and when disaster occurs because of invasion or revolution they will be shouting, “better to be red than dead” or “islam is for peace”. The people of the United States of America have for many decades no longer considered freedom important. They want security and safety and to be bought into one of the worst systems in history, SOCIALISM, which is in reality saturated Satanic Evil. Socialism does not guarantee security and Social Security is the very basis of total insecurity for the older citizens in this nation. There is no economic security in it because the government does not have the ability to properly administer any funds and they have long ago dissipated the social security funds which people have contributed to. They used the funds for other reasons and they now have to pull in funds from other areas and charge more for it and this is a total disaster from every conceivable perspective. Socialism is trading freedom for pseudo or alleged security since there is no security in socialism or any other government form of that sort. Americans have, therefore in fact, traded their heritage of freedom for the mess of pottage called socialism. In the name of peace these people focused on socialism are also guaranteeing another great world war to come and this started with Jimmy Carter and had become much worse under Obama and is almost certainly inevitable under Biden. Peace making overtones are simply a form of political hysteria because the people of this nation, since the 60’s, are frightened and insecure and fail to see that freedom demands RESPONSIBILITY at every level. One cannot ever think in terms of human security and appreciate freedom because personal safety is and can never be an issue when freedom is in danger. Thinking security over freedom is the slavery mentality and the slavery mentality is always Arrogance, vanity, selfcenteredness and security consciousness and in the United States of America since the 60’s the entire population has had the slavery mentality. From this combination of Selfcenteredness, Arrogance, [Self Pity](#) and [Fear](#) comes the irrationality of the slavery mentality. The slavery mentality belongs to Americans of all racial backgrounds in the apostasy of the 20<sup>th</sup> and early 21<sup>st</sup> centuries. As a result of this it is inevitable that government representatives will be blamed for the sinfulness, pride, fear, panic, Self Pity and cowardice of the people.

When man is under pressure he always forgets the value of freedom and if he is given freedom after slavery there must be developed capacity for that freedom but capacity for freedom demands relationship to the Integrity of God through Metabolized Bible Doctrine or Laws of Divine Establishment and Divine Institutions. The more childish a population becomes the more that capacity for freedom disappears from their souls. A childish population is saturated with [Pettiness](#) a status which has existed in this country for a very long time. Freedom must have content of thought which must come from Absolute Truth and this is what gives freedom the highest possible value. Only Perception, Cognition, Incultation & Metabolization of Bible Doctrine OR understanding and adhering to the Laws of Divine Establishment and Divine Institutions can provide for the individual such appreciation. The people, in the United States of America, have developed the slavery mentality and thus live under the slavery fostered by big government and little people rather than the way and purpose for which the American fore fathers founded the nation. This saturated Arrogance destroys any true or valid scale of values

resulting in the slavery mentality. The believer cannot have a system of priorities which are compatible with the Plan of God and remain under occupation with self in Arrogance. The subjectivity of the unbeliever can only be remedied by the objectivity of Perception, Cognition, Incultation & Metabolization of the Bible Doctrine principles contained in the Laws of Divine Establishment, Divine Institutions or in the Gospel of The Lord Jesus, The Christ leading to consistent concentration on the entire realm of Bible Doctrine and the functions of the [Faith Rest Drill \(5 stages\)](#). No Government can prosper without freedom loving people. No freedom loving people can be perpetuated without Truth, related to Economy, Government, and every part of the Laws of Divine Establishment and Divine Institutions. No aspect of Truth can influence power mad Arrogance which when combined with [Crusader Arrogance](#) functions to destroy the impact of Truth in the souls and minds of people, and is what occurs in all [Activism](#). Where the influence of Truth brings freedom to people the government becomes the servant of the people instead of their MASTER. This was the foundation for the beginning of this nation. When any group of people become unruly, in a state of revolt, they have used their freedom to reject [Legitimate Authority](#). This is abuse of freedom and once legitimate authority is rejected it will always eventually result in anarchy. When a group becomes a revolting group they are under the influence of FEAR, Arrogance AND Self Pity. It is because of involvement in Arrogance that believers reject Bible Doctrine and unbelievers reject the Laws of Divine Establishment. Because of pressure from adversities they fill up with Self Pity from fear and from operating under the slave mentality. Their fear results in succumbing to overriding emotion so that when under pressure and they lack courage as a result of being unable to think under pressure and having given up residence in the [Divine Dynasphere](#) for residence in Cosmic Dynasphere I.

Prior to World War II, Madam Chang Kai Shek was the wife of Chinese General Chang Kai Shek who was one of the greatest men in that period of history. She was very supportive and defensive of her husband since many things were said about him which were very derogatory. In her comments she had pointed out that General Stillwell did more to arm and support Chinese communists than any other single person and was probably responsible for the eventual take over of mainland china by the communists. It is unfortunate that Americans don't know more about their own history and the players in it and how stupidly this country has handled itself in the historical period since World War II. Both Madam and General Chang Kai Shek were mature believers in The Lord Jesus, The Christ and understood more about history and what was occurring in their contemporary history than most other people, especially those in the American military. They, in fact, predicted many of the disasters which have since occurred. Many men, like Stillwell had, take the attitude that they, being men, are infinitely more superior to all women and thereby fail to recognize brilliance and establishment Truth in superior females. There have been incredible heinous crimes committed by American governmental representatives in ever politically recognizing COMMUNIST CHINA as a nation and this should never have occurred in any way, at any time. These crimes are only exceeded by the stupidity of the thinking of the American people who no longer think like Americans but demonstrate incredible Arrogance found in both low and high classes of people in this country. Americans have developed an incredible Arrogance in this society and especially in the representatives in government and the United States now has the same difficulties which existed

in China during Stillwell's tour there. The principles which caused the disasters in China and the take over by communism are the same principles which have been operating in this nation for decades. The primary cause of these difficulties is the involvement of the people in general in the Interlocking System of Arrogance. If anyone has inordinate ambition and is then accelerated into a position where inordinate ambition can relate to Arrogance it makes him blind to the true impact of his life which, in effect, is causing the greatest production of Human Good totally based on the influence of EVIL. It is the Self Righteousness and complete Arrogance of the believer in The Lord Jesus, The Christ at this time which has caused many contributions to the disasters now faced in this nation.

Evil, as a process of thought, is the ultimate source of national destruction and it inevitably brings on the 5<sup>th</sup> cycle of Divine Discipline to the people of a nation collectively saturated with it. When divine judgment occurs on a recalcitrant nation and the Divine Discipline reaches the level of the 5<sup>th</sup> cycle it cannot be averted. When the 5<sup>th</sup> cycle begins HELPLESSNESS is the only thing which can function and it cannot in any way be averted. There is no way to understand any disaster in history if the believer is under the influence of Evil. In addition being under the influence of Evil he cannot ever cope with any disaster and the only result of trying to cope with disaster in this status is to ADD disaster to disaster. This is the source of drug abuse where these people have no understanding of real problems and only seek an easy way out of their problems under the personal stimulation of sublimation. Evil therefore never understands Grace functions and divine discipline or divine deliverance.

### **Government Function & National Arrogance**

The ideal and only legitimate forms of government are the existence of organized civil power compatible with human freedom under the Divine Institutions and Laws of Divine Establishment and free of social opposition from Evil with its Human Good productions. The ideal government type is one which follows the Laws of Divine Establishment and enforces these principles to protect individual and collective life, freedom, privacy, property and the pursuit of happiness where one can accumulate things for self. Power and authority must be based on and regulated by the principles in the Divine Institutions under the overriding mandates of the Laws of Divine Establishment and not seized by an administrator for personal aggrandizement. The greatest trouble which can occur in any nation from its government is from either a self serving tyrannical dictator or functioning in a democracy.

A tyrannical dictator, who is not enlightened and does not follow the Laws of Divine Establishment, in Arrogance, assumes that he is an authority in himself often equating his power with that of GOD. He does not consider that his authority comes from God and as a result he takes freedom away from citizens based on his own whims. He cannot, however, ever destroy the blessing to the believer who is under his rule who has reached the status of Maturity Adjustment to the Justice of God.

In a democracy the people rule by popular opinion and voting and direct the functions of the nation based on their personal desires, whims or wants for their own personal benefit.

Our system of government in the United States of America is designed as a Constitutional Republic and the only way public officials can be elected PROPERLY is to limit the vote to RESPONSIBLE INDIVIDUALS who have demonstrated their responsibility. The voting franchise should be restricted to MALES over 25 years of age who have served in the military, who run a business or own real estate property. Bringing anyone else into the election process results in the voting becoming immediately meaningless because the imbeciles who run for office are voted for and elected by their own kind, imbeciles who vote for them. This is and has been the status of the United States of America today and for some time which is demonstrated by the BLACKS who voted for Obama just because he was BLACK and the women who voted for H. Clinton just because she was a woman and people who vote democrat or republican just because their parents did. Client Nation Arrogance is related to the function of Government in the nation but in the United States of America it is also invariably related to the form of Government. This has resulted because American citizens and representatives make constant reference in every area of government to the 'Democracy' which is, in fact, the result of the degradation and degeneration of the status of the American Republic. This degeneration has been caused by the failure of elected representatives and Arrogance in the formation of and government function under bureaucracies, all as a result of the phenomenal Arrogance in the franchised population. This type of situation always results in loss of freedom, break down in Evangelism, lack of Bible Doctrine teaching, and failure in Missionary Enterprise which is the whole purpose for a client nation existing.

It is, therefore, extremely destructive for the client nation to have people running for office who are irresponsible. It is also supremely destructive for the client nation to have people casting their votes for these people running for office who also are totally self centered and irresponsible. When the nation gets to the point of the population being collectively involved in the Interlocking System of Arrogance, the status of National Arrogance and the resultant degeneracy, the people and therefore those in political office are totally irresponsible. Irresponsibility in government administration is always a reflection of the status of the people of that nation, especially in a democratic form of government such as a Republic, where people express themselves through the voting franchise.

*Article:* Charles Reese, Pensacola Journal, Nov 10 1970. "The "GAME" of government in Washington is to appeal to greed, envy, and stupidity to mask a massive theft of liberty by government. The question with regard to capital is 'WHO should spend earned capital?'"

The government under Jimmy Carter pushed in a "windfall profits tax" which is completely unconstitutional and totally motivated from the influence of EVIL. TAXES on profits are taxes on MONIES already earned and ALREADY taxed and do not effect the gross revenue of the companies being taxed. Under LEGITIMATE Free Enterprise systems businesses DO NOT PAY TAXES but simply collect tax monies from Consumers! In reality all business or corporate taxes are taxes on the American people as INDIVIDUALS. Contrary to the propositions of socialism, the imminent threat to the freedom of the American people is from GOVERNMENT not from private industry at any level. The representatives in the American government today do not believe in liberty and constantly try to subvert the underlying principle of the American War for Independence which is that ALL POWER AND ALL RIGHTS RESIDE IN THE PEOPLE.

They try, many times successfully, to constantly sell to the people the idea that all rights reside in the government and that the government will dole out whatever portions it chooses. In order to SELL tyranny and dictatorship they paint industry as evil. Not only is liberty indivisible so also is power indivisible. A society in which the corporation is NOT free is one in which the PEOPLE are not free. If government is given power to rule corporations it has also been given power to rule the people as slaves. Socialism and Communism infiltrating the thinking of Americans has built an inherent trust of government and a distrust of corporate business. However, the reality is that it is Government not business which is the threat to life and liberty. This is a simple expression of the Laws of Divine Establishment. When this nation was founded, the founders distrusted central government, and in forming a federal government they gave it almost NO POWER. What power it possessed was diversified in a system of checks and balances between the 3 branches of the new American government. The power actually was given to the states and once this States Rights power was reversed, initially by Lincoln and more emphatically by Franklin Roosevelt, this was the beginning of the end for all American freedoms. If America still had states rights the governor of a state could ORDER all federal income taxes to be diverted to the state treasury and held in escrow until the federal government stopped oppressing the people. In this way the federal government could no longer practice the immorality of bribing states with federal funds. Taxation is not wrong but the money taken from the citizens as taxes was, at the time of this lesson, being used to bribe the states to enforce a 55 mph speed limit on major roads. Whenever federal tax payer's funds are provided for any reason to any entity, including state governments, they always come with conditions. As a result of this trend in the American governmental system freedoms have been removed and very few remain.

When civil power contradicts the word of God it subverts and denies the source of its own authority. One of the most difficult and dangerous things in Human History is to hold rulership authority in a national entity on any level because the ruler is responsible directly to the source of that authority. And whether he knows God and that God exists or not, he WILL BE called to task for his responsibility to God and receive Divine Discipline if he has not carried out his duties properly. This is obviously completely ignored today in the government of the United States of America. It is impossible to determine which is most difficult in life, being a Pastor Teacher or being a ruler of a nation at any level. Human Arrogance and rejection of authority leads to anarchy and human power in anarchy leads then to despotism and tyranny. Christian obedience to the defacto authority inevitably leads to true civil and spiritual freedom. The elevation of honor, integrity and virtue in compliance with the Laws of Divine Establishment will accomplish more than revolution ever could no matter how justifiable the revolution appears to be. An excuse can always be found for revolution because people have Old Sin Natures and one can always justify revolution on the basis of any corrupt authority which exists. As the believer assimilates Bible Doctrine he controls his own Old Sin Nature a little better but even with Bible Doctrine in the soul he can still be corrupted by the allure of great power and as a result engage in anti-doctrinal activities. Power always corrupts Arrogant people and when given power the Arrogant become tyrants. Corrupted power is the foundation of communism or fascism and both are systems of socialism which inevitably turn to and rely on violence for control of the people and both are systems of collective Arrogance.

The Nazi holocaust is a red herring and the Russian and Chinese communists use this historical event to distract the world from the Evils which are the basis of communism and the Nazis are basically gone but communism, along with islam, are the greatest world threats today.

United States of America which began its history as a republic has become a socialistic democracy through the degeneracy of collective involvement in the Interlocking System of Arrogance. There is gross lack of Humility in all the people and a permeation of Arrogance in the citizens. This condition is necessary for [Political Arrogance](#) to exist and therefore interlocks with Political Arrogance. In the United States of America today the level of degeneracy and Arrogance of the people individually and also collectively as a nation can be observed by looking at those elected by the people. The Arrogance of the elected representatives, considering themselves to be above the law and they being ELECTED to office, reflects directly the Arrogance of the people of the nation. If, over the years, people in a nation have said NO to the Absolute Truth of the Laws of Divine Establishment, then when it comes time to vote and elect a government they will always, in Arrogance, vote for advancing their own self interest and gaining more personal support from the government. If you open a voting franchise to irresponsible people in a society, it is inevitable that you will get irresponsibility in government and this is the status today of the United States of America. This had its beginning in the early 1900's and now is suppurating with the desire by liberals to allow non-citizen "ILLEGAL ALIENS" to vote as well. Any system which gives the majority an opportunity to express itself in time of apostasy and degeneracy is obviously going to result in the wrong people in control of the system. The American government has been failing in its function as a government as a result of trying to adjust people in their social life to each other in order to appease the population and for the elected to retain their elected office. This is not, by any stretch of the imagination, the purpose of government.

The Constitution of the United States of America is the most perfectly devised instrument of government in modern history. This Constitution demands integrity from all citizens of the nation, especially from those who exercise the voting franchise. The American Constitution is greater than the Magna Carta because it demands more INTEGRITY from the citizens than any other document in Human History outside of the Word of God. The terrible Truth and overriding fact is that it cannot and will not ever work without personal integrity residing in the people. It stands as a CHALLENGE and if any generation of the citizens of the United States of America completely lack integrity the nation will be destroyed and the first stage of this imminent destruction is degeneration into some form of democracy. Without integrity on the part of both believer and unbeliever as citizens the Constitution cannot and will not function. The Magna Carta demanded integrity on the part of the Barons of England, the RULERS, not the people. Therefore, it cannot in any way be compared to the Constitution of the United

States of America so that in fact, there is no statement of freedom, responsibility and integrity in Human History which can compare to this American Constitution. When the people of this nation lose their integrity, which they obviously have, they have in effect lost their loyalty to the United States of America and above all their honor. The Constitution of the United States of America demands HONOR in every stage or phase of American life, whether you live in the ghetto, a highrise condo or a vast estate, and the people of this nation have LOST this.

A man who has maximum authority or power is no stronger than the people that advise him. When a person has great authority and is weak as most of our presidents have been since Theodore Roosevelt, these men are no stronger than the advice they receive. This authority thus falls to the advisers not the elected representatives and these advisers have been running the United States of America for a great deal of its history, and has been the status totally and completely in the majority of this 21<sup>st</sup> century so far. These people, who are by default in charge of the government, are conspiratorial, socialistic, communistic, now even moslem and all are anti-American. All have and continue to sell this country out for their own personal benefit because of their divorcement from reality thinking that communism or islam is greater than freedom and Americans, for some incomprehensible idiotic reason, admire one or the other or both of these. Many individuals and government administrators are under pressure from the national council of churches or the united nations both a cancer to all societies in human history, especially American. Weak people are thereby elected by weak voters and the advisers to these electees are stronger than those they advise and by their advising assume control of the power of the nation. Only very rarely can strong people be elected because the voting population generally fear them and this is another reason why Donald Trump was a good candidate for president and was a great president and also why he has had so much continued opposition by both political parties and much of the people. This is why any election system never has and never will work properly and why the perfect form of government is an enlightened absolute monarchy such as when The Lord Jesus, The Christ rules the earth for 1000 years in the millennium.

What is 'BEST' for this country has not been an issue to the representatives in the United States government since Herbert Hoover left office and since Hoover the nation has survived ONLY because The Lord Jesus, The Christ controls Human History and because of the number of mature believers in the pivots and because America has, in the past, properly fulfilled specific client nation functions. This client nation is in a state of hovering disaster today and descending rapidly into that disaster. There never was a gasoline shortage in the 70s and it was totally a department of energy conspiracy or system for controlling the people just as the panic instilled by the government concerning the Wuhan CCP virus was in 2019. Rationing of anything and restricting public gatherings is totally a manifestation of Evil and rationing means that any useless person can receive at any given time the same thing that any contributing person can get. These both destroy freedom and set up a system of equality making everyone equal to the scum and dregs of society who get the same consideration as honorable contributing members of society get. Rationing is always from Evil but may be a necessity during time of War, as a temporary measure, to prevent depleting of essential resources for the

war machine but otherwise is totally based on EVIL. This situation of the 70s is the same as the current requirement by the government for Auto or Health Insurance purchased either voluntarily on the open market or mandated through the government. It is the same as the government through their “rules” or “regulations” telling the people that they must wear a mask in public or keep 6 feet away from other people or receive a vaccination for the pseudo emergency caused by the Wuhan CCP Virus of 2019. Rationing and forced compliance is a system of tyranny against the people of the nation. Americans have been under hovering disaster since the 1960’s and the people of this nation either don’t know it or know it and react to it by ignoring it with a total divorcement from reality.

The Sole REAL purpose of government is to protect and guarantee freedom, self determination, privacy, property and life to the individual and to support Free Enterprise and protect it from [Criminality](#) and [Crusader Arrogance](#). This provides the environment for attaining what ever is related to one’s own motivation and volition. This proper government purpose is always totally destroyed by the principles of socialism. For mankind, freedom mainly exists in 2 spheres:

- ✧ Human Life – as a result of the Divine imputation of soul life to the biological life of the fetus at physical birth.
- ✧ Spiritual Life as a result of the Divine imputation of the Righteousness of God at Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus, The Christ alone.

Therefore, believers have human freedom and spiritual freedom and both are courtesy of:

- ✧ Military victory whenever the nation is functioning under the principles of God detailed in the Laws of Divine Establishment and Divine Institutions
- ✧ The Lord Jesus, The Christ controlling Human History.

Always with Self Righteousness comes hypocrisy. There are police officers in Law Enforcement who now have very little power and when they unionize, which they all have done, the unions being controlled by criminals now result in the police being controlled by criminals. People who use violence in committing crimes, kidnap or take hostages, push drugs, should be publicly executed no matter what is promised to them to get them into custody and secure their cooperation in arresting others. A moral government always honors its Law Enforcement officers and encourages them, and does not discourage them by honoring and giving criminals rights which in reality they do not have. A moral government builds up its military and does not degrade it and use it for social experimentation. A moral government never gives handouts to scum nor tells companies that they have to give jobs to hippies, stupid and unqualified people, or people to fill a racial or gender quota and that they have to hire them and then can’t fire them. American is immoral in government and in the citizens as well and is Arrogant, Petty and Self Righteous and therefore, the United States deserves to be destroyed. The ONLY things which can deliver this nation from its own self induced destruction are the development of a large pivot of mature believers and the fact that The Lord Jesus, The Christ controls Human History.

Freedom as an invention of God is an underlying principle permeating all Bible Doctrine and Freedom must exist with privacy in order for their to be free, uncoerced self determination.

This is, in fact, why the human soul is invisible. It is essential that individuals possess property and the government NEVER have a right ever to intrude on the property of citizens in any way with any rules and even if a person wants to kill himself by driving junk vehicles without brakes he has a right to do that and if others die in the crash it was their time to leave this life under a Divine decision. There is an ongoing attack on police officers by the citizen who is the first one to call police when there is trouble in his periphery. Today there is a fulfillment of the principle that people are ON THEIR OWN having destroyed Law Enforcement by acquiescing to liberal bleeding hearts being concerned about criminals. The people have been encouraged over and over again to take the steps needed to protect and defend themselves in what ever way they can by CONSERVATIVE Law Enforcement personnel and government representatives because of the violence of criminal gangs, terrorists and now overt revolutionists on our own streets. Today there is not enough presented in the media about the cases where people kill criminals when they have been attacked. There has been an ongoing effort by liberals to confiscate firearms which is totally unconstitutional and an invasion of freedom and privacy by taking away personal property. Over all these abuses is an authority and all the authority situations in this society have been distorted by giving authority to those who should not ever have it, such as labor and their unions, students and enlisted men.

Administration in the government in this country (it is certainly not LEADERSHIP) instead of following the Laws of Divine Establishment available to both believer and unbeliever and instead of standing by principles of freedom, is producing the superimposition of the tyranny of socialistic order and welfare state functions on the nation through deception of the American people. The People applauded when the government forced parents to bring their child for medical care when they opposed it, this is an attack on freedom. During the “Wuhan CCP Virus ‘pandemic’” people felt safer because the government told them to wear masks in public, stay at least 6 feet away from other people, and to not leave their own home unless it was essential, all which is a total overreach of government and total infringement on freedom. If government can force medical care on the people then there is a precedent for legally usurping parental authority and jurisdiction over the child which may become crucial because even now there is the ongoing propagandizing of children with socialism and communism and sexual deviance in the public education system. The courts can and will use this precedent to say that the individual has no self determination in what they will accept or reject and thereby have no control over their own children. The next step is that all children belong to the state and this is the end of a nation’s freedom. When parental authority is destroyed the most basic orientation to life is also destroyed. The home, school, church are all legitimate places to exercise authority over children and in these entities it is not to be done for bullying as a device of Evil but for TRAINING as a preparation for life. It will not be long in this United States before the STATE in big government will remove any opportunity to TRAIN one’s own children. Counteracting this trend is the purpose of preparatory bible classes in the local churches. In properly training a child whenever one or a group of children become unruly they MUST be corrected and a lesson taught about the principles which have been violated and it is this correction which gives them orientation to life and a chance to develop capacity for all aspects of life. These children will become great as a result of their orientation to authority

and to freedom. However, they must also be thoroughly inculcated with what constitutes LEGITIMATE Authority in any given situation. When the church has no chance to bring the Gospel or Bible Doctrine to the children and parents have no chance to exercise authority over their children and train them there WILL be provided welfare state functions in which all children will belong to the state. This is superimposed on the people through deception and an appeal to the people in this area has been and still is a simple one, where everything the government wants done to deceive the people is said to be “the greater good for the greater number” which is ABSOLUTE TOTAL EVIL. It has been people like Ralph Nader who have instigated the removal of freedoms for just this purpose with the pushing in of more and better “safety” features in consumables such as:

- Seat Belts in cars
- Air Bags in Cars
- Child proof caps on medicines
- and much more.

Instead of Free Enterprise making adjustments, the ‘Naders’ of society have instigated them. Therefore it is painfully obvious that as government becomes bigger and bigger there is and will continue to be less and less freedom and greater and greater tyranny.

The American government is infected by the insanity of Marxist socialism, welfare state functions and destruction of self determination through bureaucratic agencies such as OSHA, EPA, BATFE, etc., which in fact intend to destroy everything they touch. This government is immoral and it is illegal according to the constitution for our representatives to do most of the things they have done since long before the 1970s. If one owns have a gas field or oil field one can sell that gas or oil for any price he wants and the government should not be able to regulate it, but they do. There should be incentives to look for other fuel or other energy sources and there should be thousands of atomic energy plants and foundries but these are not compatible with OSHA and EPA ‘rules’ so they do not get constructed or when they exist they are shut down. These rules were put into place without the proper governmental system of LEGISLATION through elected representatives. Having firearms is part of the individual’s right to defend himself against criminality, but ever so much more than that, it is essential to keep government tyranny in check and the government has no LEGITIMATE legal right to regulate firearms in any way. If a person is in agreement or supportive of ANY TYPE OF GUN CONTROL, including registration, licensing, requiring training, etc., such as already exists then HE IS SUPPORTIVE OF TYRANNY.

The Modus Vivendi of strong delusion leads to the function of Error so that every client nation in the Church Age destroys itself through the ERROR of national [Black out of the Soul](#) and [Scar Tissue of the Soul](#) and degeneracy from involvement in the Interlocking System of Arrogance, long before some outside nation administers the 5<sup>th</sup> cycle of Divine Discipline. The 5<sup>th</sup> cycle of Divine Discipline is not a sudden national military disaster until the nation, over a period of time, destroys itself from within. In today’s world, all embassies in all nations are spy centers for intelligence gathering for their parent nation. Every nation who accepts an embassy from another recognizes that in that embassy there are a number of intelligence operatives. Since 1945 the World has been spying on each other through their embassies. But NO nation in the

world has ever 'ACCEPTED' and permitted another nations master spy system to function without reprisal except the United States of America. In addition to the embassies America has accepted, in its total imbecility and divorcement from reality, it has accepted and HOUSED the UNITED NATIONS the greatest master spy organization ever to exist in the history of the world. None of this is by any stretch of the imagination 'proper' governmental function, especially not for a client nation to God.

### **Individual Integrity & National Arrogance**

There is NO decision of any INDIVIDUAL which ever hinders the recovery of a national entity because the recovery depends on who and what God is not who or what any individual or group is. No matter how great a believer ever becomes spiritually he must never assume that the Plan of God revolves around his success or failure. This is the epitome of human Arrogance and makes it impossible for this individual to function properly with any level of authority. The individual believer's success or failure during a national crisis has an effect on the client nation status based on whether he has reached Maturity Adjustment to the Justice of God or not. Upon reaching Maturity Adjustment to the Justice of God he receives his Escrow Super – Grace blessing package which is supportive for the nation but IF he fails in his Spiritual Life and in the Plan of God and is required to be the recipient of Divine Discipline from God this is also reflected in a loss of support for the nation. People who have fear in the Stream of Consciousness of the Soul will not help the client nation either in prosperity nor in disaster. This is typical of people who reach the top in life and have great prosperity or success but do so without Bible Doctrine. They constantly run frightened and fear losing what they have gained. No matter their rank or position they are totally insecure. As a result they become preoccupied with the potential for their own death from their developed Scar Tissue of the Soul and increased Arrogance. Loss of collective public integrity is the direct result of national entrance into the Interlocking System of Arrogance. The Interlocking System of Arrogance is degeneracy and in the collective population of the United States of America it has distorted this republic into an Arrogant socialistic democracy. This is the final step before the fall of this nation into total anarchy and revolution, the reality of which, in fact, has been demonstrated by the illegal and unconstitutional riots and 'demonstrations' of the past decade.

Things in the United States of America have been so bad politically since the 1960s that now every small group wants a piece of the power and everyone is saturated with Arrogance. The level of involvement in the Interlocking System of Arrogance in this country is almost unbelievable and lack of professionalism and responsibility in government had reached a high in 1979 but in this 21<sup>st</sup> century has far exceeded that. Some believers are so prejudiced and so mixed up that instead of seeing and following doctrinal principles they are distracted by selfcenteredness in their own field of interest. If they are in labor they are focused on labor and the benefits they can extract from being in labor. If they are in federal bureaus then they focus on that and the power they can derive from establishing rules for others to follow. Even Free Enterprise conservatives are very mixed up and have failed to assert themselves and take a stand against government interference in business. Therefore, even before the 1979 period the oil companies and big auto manufacturers had been pushed around like little children. Those like Nader and the liberal press have had more influence on the nation than anything else in

American history, all to the extreme national detriment.

Student protests in the 1960's and the 80's demonstrations against the draft and war and the 'antifa' and 'black lives matter' movement demonstrations in the 21<sup>st</sup> century and the fomented riots resulting from these were and are illegal, unconstitutional and absolutely Arrogant to the core. Among these protesters there was and is NO OBJECTIVITY. During these 80's protests the students involved sounded like the citizens of Iran speaking against Shaw of Iran in the United States of America. The student protesters of the 60's were totally subjective and did not understand the principles of the Laws of Divine Establishment in any way and the necessity to totally support their nation when at war. In 2024 the students protesting in support of establishing a totally EVIL islamic Palestinian nation and opposing Israel defending its national sovereignty are clueless as to the reality of the principles behind these situations. A Military Draft is not slavery as they had claimed in the 80s, it is an essential function of government along with universal military training that must exist in order to protect the freedoms in a nation. The republic demanded by the Constitution of the United States of America is honorable. The democracy which results from the involvement of citizenry in the Interlocking System of Arrogance is based totally on EVIL and is a fine vernier over anarchy. Because America has become an Arrogant it has become a nation with its every function based on and influenced by EVIL. The level of Evil underlying every function in this nation is clearly seen in the interference and the ultimate destruction of the people of Rhodesia and South Africa and by the support of those communists who terrorized the people in those nation and others in South and Central America.

A nation always gets what it deserves under the principle of The Lord Jesus, The Christ controlling Human History. The United States of America has been, for at least 70 years, begging for its destruction. The people are actually appealing to God through their attitudes and actions, asking that he destroy this nation in the most horrible of ways. They generally have not learned the abilities needed, nor developed the capacity, to go it alone in life and they instead remain constantly dependent on other people and use them as crutches in life. They depend on situations and when they find a nice situation then they don't want it jeopardized and don't want the boat rocked by such things as the principles of freedom and fighting, stopping and destroying communism and islam. Communist leaders know very well that most people in this nation are afraid of fighting for freedom and deathly afraid of war and as a result of this know they can be blackmailed by means of their fear of difficulty and disaster. Just as the people have lost the ability to go it alone when they are hurt and when they face personal disaster, they can no longer, as a nation of individuals, make decisions based on honor in times of difficulty and no longer have the ability to both live and die with honor and integrity. The United States of America is obviously an apostate nation with its only hope found in Bible Doctrine. The only preparation for the disasters coming to this nation and which it is presently on the very brink of, is found in Metabolized Bible Doctrine which must be saturated into the Stream of Consciousness of the Soul of the individual believer. This is the only source of the ability and capacity to be able to go it alone. The believer must be able to go it alone in life and this can be wonderful when there is capacity as a result of maximum Bible Doctrine in the Stream of Consciousness of the Soul which results in a gain of prosperity

in all areas of life. Without capacity for life and the prosperity which one may gain, life is meaningless and in fact brings misery for him. The believer must avoid selfishness and Arrogance and MUST BE inflexible about the [Essentials](#) of life which are based on Bible Doctrine, and totally inflexible about all nonessentials and must totally avoid divorcement from reality which is the inevitable result of involvement in the Interlocking System of Arrogance.

### **National Integrity & Its Leadership**

There is a historical principle that every nation has a leadership which it deserves and if it does not deserve its leadership for some reason then that leadership is removed. Past Leaders, although being dictatorial, in Iran and Nicaragua were removed from their countries because the people did not deserve them as leaders and these leaders were too good for those people. The Truth of this was observed when the Iranians in the United States in the late 70's constantly were demonstrating against the Shah of Iran. The Shah had to be removed because he did not reflect the attitude of his people in their incredible Arrogance. This is why there are passages in the Old and New Testament Scripture commanding the people to HUMBLE THEMSELVES. Repentance (a change of thinking) and Humility actually mean changing one's attitude from Arrogance to [Humility](#).

The greatest testing is still to come to believers in this nation and the greatest test of distraction is where believers become very enthusiastic in the election process about some candidate who they perceive as one who will solve all or their problems. The choice for believers is generally between 1 of 2 evils and in effect becomes putting trust in a man and as the bible clearly states, "Cursed is the man who puts his trust in Man and blessed is the man who puts his trust in the Lord". It is also very easy to become distracted from Bible Doctrine in times of disaster. This nation has been living during times of hovering disaster for a very long time where many disasters have already touched down and now the beginnings of many devastating future disasters can be observed. There have been Political disasters in the treaties with communist and moslem nations. Also military disasters in the Korean war, Vietnam war and Afghanistan War and the dramatic reduction of military strength and still there is total failure by the people to realize that all freedom comes from military victory and America now has a military which is smaller than what existed prior to World War II. America has constantly compromised with communism in Russian and China, two of the absolute greatest systems from Evil in the history of the world, along with the single greatest system of Historical Evil found in islam and this can only bring disaster to the United States.

America has had bureaucracy disasters, the greatest tragedies in the nation for the lives of the people, where the government has been competing with big business since Franklin Roosevelt. However, the government cheats in this competition by passing bureaucratic 'RULES' against Free Enterprise and big business so that the inefficiency of big government wins every time over the greatness of big business efficiency and Free Enterprise. In Free Enterprise those who are inefficient are punished with failure and bankruptcy and destruction. Those who are efficient move on and up to great success and profit. Free Enterprise is therefore a system of the courageous and efficient surviving and the men with brains, courage, and power are the only survivors in big business. Our federal government is the antithesis of this where the

inefficient and those saturated with EVIL survive and do so by cheating and using the legitimate legal system and distorting it into tyranny based on EVIL against big business. The pseudo oil shortages and rise of oil prices starting in the 1970's was not caused by the oil companies but the Evil inefficiency of the government bureaucracy, the department of energy, which was one of the greatest Evils in government at that time. Because people realize that this and many other such things are the result of government failure, they will focus on trying to find the solution to the problem by promoting their chosen candidate for office. There is no candidate nor any person in the entire history of the world who can solve the problems of this nation because it is functioning totally under the Satanic Cosmic Dynaspheres. There is however a very definite solution but this is readily set aside by the distraction caused by elections. Many believers enter into political involvement and become enamored with different candidates and various social action propositions as a result of becoming INVOLVED to the point that they will be distracted from the real solution. The only true solution to a nations difficulties is related to the Doctrine of Election and the function of the believer in moving from [Salvation Adjustment to the Justice of God](#) to [Maturity Adjustment to the Justice of God](#) by consistent Post Salvation Epistemological Rehabilitation from daily Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

### **5 Cycles of Divine Discipline & National Arrogance**

[Flexibility](#) is what the believer absolutely must have in life especially the Spiritual Life. It keeps him from becoming demon obsessed but because he is a believer, he cannot ever be demon possessed. However, he can and very often is demon obsessed, believing ONLY the LIE of Evil, Satan's plan, policy and function through involvement in the apostasy of [Reversionism](#) and the inevitable development of [Scar Tissue of the Soul](#). By consistently saying "NO" to Bible Doctrine and building up Scar Tissue of the Soul in Reversionism he also builds up a deeper involvement in Arrogance and as greater levels of the LIE enter his soul and he believes ONLY the LIE and this is the "strong delusion" of [2Thes 2](#). The threat of historical disaster for any generation can hover for a full generation without occurring and today it can be observed to have been hovering every day for many decades but it has not occurred yet. The believer must be very careful when he observes disaster hovering over the nation as it does now and since the 1960s. Today it actually hovers over the entire world and though it hovers it does not strike. Disaster is only restrained in a client nation to God by the pivot of mature believers and by the fact that The Lord Jesus, The Christ controls Human History through that pivot. Since 1932 when Franklin Roosevelt came to office disaster has been hovering over the United States and gaining in destructive power but this country has never really had it strike as yet. The people of the United States have never really suffered in this country as other nations have since the great depression of the 30s, although during World War II there was a degree of sacrificial suffering with God as the motivation. Americans have not known what it is like to have total lawlessness where one can only rely on one's own abilities in order to protect himself. This situation now seems to be on the very near horizon today in this first quarter of the 21<sup>st</sup> century.

### **Divine Discipline for National Arrogance**

Any nation which falls into national Arrogance MUST BE PUNISHED. If the pivot of mature

believers is large enough then the nation will survive if it is not then it will be destroyed. If the nation under discipline is to survive then it will be punished SEVERELY and in so doing the INCOMPETENT people will be brought to the top. God uses highly incompetent and terribly Arrogant people to discipline any nation saturated with national Arrogance. One only needs to observe the Obama and Biden administrations and Democratic party functions for more than 16 years to clearly see this trend in America. The combination of greatly incompetent people in civil or temporal administrative positions and a totally competent spiritual leadership is what is essential for the cycles of Divine Discipline to result in the nation being preserved and NOT destroyed. In the United States of America today there is very little in the way of competent spiritual leadership but that can change. God will use any available competent spiritual leader in order to provide the discipline for the nation but maintain the client nation's survival. There must be a great Humility factor in any chosen leader of the spiritual life. No nation is invincible and no nation survives its population's involvement in the Interlocking System of Arrogance and the resultant national degeneracy. The believer under Positive Volition toward Bible Doctrine and the Plan of God, must always consider, "Am I an Arrogant believer contributing to the fall of my nation", if so he must focus more on Bible Doctrine and this is the only effort which will deliver the nation.

### Reasons for National Destruction

As a nation the United States should have been destroyed many times over as demonstrated by:

- ✧ The Arrogance of the media
- ✧ The imbecility of the administration
- ✧ The insanity of bureaucracies
- ✧ The violation of every principle of the Laws of Divine Establishment
- ✧ The violation of every principle of the Divine Institutions
- ✧ The overall acceptance of Welfare state functions
- ✧ The Rampant Socialism in government
- ✧ The Systematic degradation of the military
- ✧ The Catering to minorities who have no understanding of freedom
- ✧ The Systematic Destruction of Free Enterprise
- ✧ The Soft attitudes toward communism and islam.
- ✧ The IDIOTIC Support of islamic and communist nations
- ✧ The population totally divorced from reality
- ✧ The propagandizing and brainwashing of children throughout their public education
- ✧ The toleration of Marxist revolutionists unconstitutionally "Demonstrating"

As a result of these and many other factors the people have been and are now subject to any petty dictator who comes along such as R. Nader, F. Roosevelt, B. Obama or J. Biden and N. Pelosi because of the apostasy and degeneracy of this country. In this country both believers and unbelievers live life in the apostasy of Reversionism and divorced from reality in various stages of the degeneracy of the Interlocking System of Arrogance. This is a nightmare for all apart from consistent inculcation of Bible Doctrine. Treaties made with communist or moslem nations are sell outs by the American government to these countries and will never bring peace but only slavery to the citizens here. The norms and standards of the Integrity of God are

perfect and eternal and transferred from infinity and eternity into concepts which man can grasp as the Laws of Divine Establishment and Divine Institutions. In order to honor the Integrity of God the believer must fight for his freedoms against the communists and moslems and any others who want to take them from him. In spite of the incredible disasters, which are hovering like tornadoes waiting to blow this country away, the people here still exist and function to some degree normally because The Lord Jesus, The Christ controls Human History. Apparently there is still enough of a small remnant of mature [Jeshurun](#) believers to sustain the United States for a little more time. The United States has had some military disasters in the Korean, Vietnam and Middle East Wars but never the total disaster which it is on the brink of today. Because of a nonexistent pivot and because The Lord Jesus, The Christ now controls Human History and because America generally still has a good attitude toward the Jews along with a very few good missionaries the nation has been sustained as a client nation. However, when a nation absorbs into its culture the concept of the importance of "What is Appropriate" it causes the people to lose the dynamism of their culture. When a person cannot say something because he might or will "offend" someone and there are a maximum number of people standing around waiting to be offended, the nation is involved in maximum National Arrogance. This is the Status Quo in the United States of America today.

Contradictions cannot exist in the Plan of God and anything which contradicts the Spiritual Life hinders the Believer in his attempts to execute the Plan. Arrogance is a major contradiction of the Protocol Plan of God for the Church Age and a primary reason for failure of the Church Age Believer and by extension his nation. Arrogance wipes out any wisdom accumulated in the Stream of Consciousness of the Soul from Metabolized Bible Doctrine. Wisdom cannot coexist in any way within the Arrogance Complex and Arrogance as a complex of sin and degeneracy is insidious and pervasive and all encompassing. All distortions of the Spiritual Life result from the Arrogance of the Believer who rejects the life of Wisdom under the Protocol Plan of God for the Church Age and the [Royal Family Honor Code](#). In Arrogance there is always a pervasive compromise with carnality which is destructive to the individual Believer and the client nation because there can never be a compromise with God. True wisdom, which is the result of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine, cannot survive or coexist with the Arrogance systems derived from EVIL. In order to learn this concept many times the Believer must suffer intensive divine punishment as a result of rejection of and failure to use the [Rebound Procedure](#) while the Lord is bringing down the national entity as a result of the attack of religion. This rejection with involvement in religion brings judgment from the Integrity of God in order to preserve the next generation of the client nation. Those who seek wisdom as a result of the execution of the Spiritual Life get their warnings from the failure of other contemporary Believers. Unfortunately in the United States of America today the children are indoctrinated in a myriad of aspects of Evil and do not receive any input of Bible Doctrine in their homes or Local Churches and thus the "next generation" seems to be lost already.

As part of the human race, all having the genetic old sin nature, every individual is prone to overrate his successes and enter into the Interlocking System of Arrogance. People are prone to overemphasize what they do and relegate it to being the cause of their success whenever

possible. Even one small success in the life of most Christians will last them all their lives as a motivation to promote more of their own success. All of the Human Race is in a system designed by God called the Laws of Divine Establishment which defines success and when a person does succeed and thinks they are the reason for their own success they have rejected God's system entirely. A primary example are entertainers who financially succeed and gain tremendous approbation in a system where people can without coercion go to be entertained by them and then these entertainers reject the establishment system which has brought them success and turn to liberalism, socialism, communism and anti-establishment concepts and principles. This is CLEARLY and OBVIOUSLY evident in the constant liberal dribble which comes from Hollywood with regard to the status of this nation and the function of the Trump administration. Any person who is a citizen of the United States of America and a communist is an Arrogant SOB. This is the one country in the world where the Laws of Divine Establishment and Divine Institutions can give a person success and yet these people once they have become successful then turn around and reject the system. If this is not ARROGANCE nothing is.

In the Age of Israel many of the prophets could clearly see the coming of the fall of Israel while today in the United States of America the mature believer can clearly see the coming of the fall of the United States of America as it continually degenerates into a socialistic communist country. This is easily observed in the liberal press coverage and promotion of Obama, Biden, and other idiotic high administrators in this government and their coterie and their agenda for the destruction of this nation in all areas including the military degradation. In addition there have been a plethora of unconstitutional demonstrations which degenerated into great riots and disasters. Also there is the failure of most American men to understand their DUTY to serve in the military. This has grown much worse since the Vietnam war where POLITICIANS held the military back and allowed south Vietnam and Cambodia to be overtaken totally by communism just as the government did in eastern Europe after WINNING World War II. There is the destruction of industry in all areas in the United States since that same time and until the Trump Administration it had been impossible for American industry to compete in the world markets and is now again that way. There has been the insidious consistent attempts at the nationalization of industry which always results in greater failure of industry overall. There exists in the American government systems of bureaucracy which are responsible to no one but only to the Arrogant ideas of those in control of them and this colossal Arrogance absolutely demands national destruction. The United States of America will go down as a nation if the people continue to permit the continued existence and function of these bureaucracies in the government. It should have been clear that bureaucracies were of absolutely no value and could do nothing good by observation of the Bureau of Indian Affairs and how it functioned and the corruption which started during the administration of Ulysses Grant and which has come down to the present times in all other bureaucratic functions. There can never be bureaucracies in a properly functioning republic based on the integrity of the people since the bureaucracies do not answer to the people. Both cannot survive together and either bureaucracies will destroy the republic or the republic will stop bureaucracies. This is exactly the same as the principle that there cannot be tyranny and freedom in coexistence and a Republic as a government promotes freedom and Bureaucracies are in their very nature

tyrannical.

When the civilians in government permitted the United States Army to be an experimental ground for psychologists and psychiatry they began the destruction of the first line of defense for freedom. In the United States there are constant attacks by the government on Free Enterprise and business, on the military and on the freedom, privacy and property of the individual. It is painfully obvious that American citizens are being squeezed daily into a tighter mold of tyranny as they constantly lose more freedom and this is aided by a socialistic Marxist media. The nation faces disaster in all areas of society and no one seems to realize that almost everything which public officials have done in the last 70+ years has resulted in greater and greater tyranny and betrayal of their own nation. In this light Benedict Arnold looks like a saint. Things had improved to some small extent under the administration of Mr. Trump but with the theft of his reelection the United States is now back on the very brink of total disaster and national destruction and it is a question of which will come first, a communist takeover of the nation, another all out World War or a Civil War in this country. If it is a War, this WILL destroy America because the young people of America have no will or ability to fight and the people in general have no character or ability to become involved in supporting a war effort. The American people do not believe there is anything worth dying for and this is seen because they generally have no ability to truly live a rewarding life. No nation can win a war against communism or islam unless the whole nation is involved in and supportive of such a war. America will not be able to maintain its freedoms in the next big war unless the civilian population along with the military are both totally involved. At this time the United States of America is surely being methodically and systematically destroyed as a nation and unless The Lord Jesus, The Christ who controls history overrules the folly of this nation and there is a revival in the sense of unbelievers turning to the Gospel of Christ and believers returning to Bible Doctrine to become part of the pivot, America will most certainly EXIT history in total disgrace.

In the United States of America the foreign policy has been and still is like Ephraim was, like a silly dove making friends with or bribing the nations functioning under Evil, and kissing the feet of those who oppose the customs, principles and Judaeo-Christian heritage of America. This passage in Hosea describes the United States of America totally and perfectly today. This analogous position is observed in the fall of Moab. ([Is 16:6](#), [Is 28:1-3](#), [Ez 7:10](#), [Hos 7:10-14](#)) The loss of “priest or client nation” status is from individual and collective Reversionism and saturated National Arrogance. The United States of America as a priest nation is following the pattern of maladjustment to the Justice of God as detailed in [Rom 1:18-32](#). Production is needed to maintain the priest status of the nation and this can only result from the consistent, accurate teaching of Bible Doctrine by Pastor Teachers and the Positive Volition response to this by the Royal Family of God in the nation. In addition, this effort must be broken down into congregational organizations never Denominational organizations. Maturity Adjustment to the Justice of God by the Royal Family of God in the nation can and, in fact, is the only means to maintain the status quo of a priest nation. The question ultimately becomes “how large is the pivot of mature believers and is it large enough to preserve the priest nation?” For the United States of America, so far today in the 21<sup>st</sup> century the overwhelming answer is clearly NO.

The Justice of God will not tolerate sin in the individual believer nor collectively in the client nation therefore the importance of the Rebound Procedure for the carnal believer and his recovery from the Interlocking System of Arrogance and Reversionism. This applies to the Church Age believer just as it did to the Jewish believer in Israel and GOD will not tolerate carnality nor Interlocking System of Arrogance involvement nor Reversionism. When the believers collectively become involved in Reversionism and the Interlocking System of Arrogance there are 2 systems from God which work under the Justice of God to remove them. Under Reversionism as a result of consistent Negative Volition to Bible Doctrine, there is a shrinking of the pivot of mature believers and an expansion of the spin off of negative believers which WILL BE destroyed by the Justice of God with administration of the 5<sup>th</sup> cycle of Divine Discipline on the nation as a whole. This is the status of the United States of America today as she stands on the brink of such disaster. However, the believer under consistent Positive Volition, who forms the Pivot or is part of the remnant of [Jeshurun](#) believers, however small or large, is protected and preserved by God in all cases. Entanglement in the Interlocking System of Arrogance produces a degeneration in the individual and the nation as a whole. This plus the enlarged spin off of unbelievers and reversionistic believers is a guarantee of historical disaster and destruction for the client nation. Once the [Rebound Procedure](#) ([1John 1:9](#)) is universally being used by the individual believers the Divine Discipline from God can be removed ([1Cor 11:31](#)) OR it can be continued as a cursing which will result in greater blessing. In historical disaster when there is a large enough pivot of mature believers in the client nation, national cursing can be turned to blessing and there can be national recovery. This can result in collective rejection of the Interlocking System of Arrogance and recovery from Reversionism by the individuals in the population. In this case there must be a sort of collective and consistent use of the rebound procedure by individual believers with a continuation of the disaster or catastrophe for a time as they continue to recover with persistence in Positive Volition toward Bible Doctrine. In this case, once there is recovery the 3<sup>rd</sup> and / or 4<sup>th</sup> cycles of Divine Discipline may continue but from that disaster comes a very great blessing resulting in a very strong generation of people.

In the United States of America the government and the banking system have worked very hard to prevent economic depression, this has been and continues to be an INTERFERENCE with the Divine Discipline from God and this is never tolerated by God. Economic disaster is exactly what this nation needs to cause it to wake up. No gentile believer will be spared Divine Discipline from the Justice of God for sin, antisemitism or any involvement in Evil, however, involvement in these things and any resulting Divine Discipline for believers does not entail loss of their salvation. Neither will any gentile client nation to God be spared the cycles of Divine Discipline for national failure and rejection of Bible Doctrine, the Laws of Divine Establishment and Divine Institutions.

In this period of history in the Church Age, there is restraint on EVIL from the ministry of God the Holy Spirit and The Lord Jesus, The Christ controlling Human History through the believers who reach Maturity Adjustment to the Justice of God and form a pivot in a nation. The loss of this restraint with regard to any nation can be related to the Interlocking System of

Arrogance producing a category of degeneracy such as was demonstrated by Hitler's Nazis, the Russian, Chinese, Cambodian, and Cuban Communists, Islam, and the myriad of other "religions" and organizations like the national and world counsel of churches. The destruction of the peoples who are taken over by these systems is not because of a lack of restraint in these historical times but because The Lord controlling Human History MUST administer discipline to these nations for reasons essential to perpetuation of the Angelic Conflict and the Human Race. This disciplinary destruction is essential in order that others can be free to choose to advance to Maturity Adjustment to the Justice of God under their own individual Positive Volition. This dispensation of the Church Age has such divine restraint on Evil as a result of the function of Client Nations, whereby God the Holy Spirit makes it possible for believers to reach Maturity Adjustment to the Justice of God and from this pivot for the client nation to properly function. In addition and most especially because the Lord is in control of all of human history.

No nation is ever destroyed and removed from history without their overwhelming collective entanglement in the Interlocking System of Arrogance by the population first. Some will be guilty of one category of Arrogance and some another but overall the population will be seriously entangled in the Arrogance complex. In a crisis these individuals cannot stand together. When any group decides to resist the enemy because they have things in common and if there is any one of the categories of the Interlocking System of Arrogance involved with any of the people, when under combat conditions or in guerrilla warfare they will fold up and destroy each other. One of the best things involved in a good military system of training is that there must be the inculcation of discipline to the point of extreme boredom in order to prepare people for the antithesis of boredom which is the great crisis of any combat. Every organization has discipline in some form but it is RARELY inculcated discipline except in some parts of the military or places like Berachah Church in Houston Texas. Inculcated discipline is essential for handling any situation under pressure especially that of combat. If at the end of military basic training one still resists authority he is not fit for combat service and is unquestionably saturated with incurable Arrogance. National Arrogance is a fundamental source of and very often the reason for war as divine judgment against the nation. Arrogance is first the result of a saturation of the individual's soul with influence from Evil, and this is often related to a nation's pride. When pressure is put on that nation's pride it submerges and pushes to the surface Arrogance, vindictiveness, and implacability. This results in war under false pretenses and is the ultimate demise of Arrogant nations. Nations should always fight for Freedom never for Arrogance.

This may seem to be a cruel, harsh statement but remember, when it is one's turn to face personal disaster or for his nation to face the greatest historical disaster of all of its history and national life, when under the greatest pressure in crisis or disaster, loved ones cannot help no matter how close they may be or how wonderful the relationship. Saving money for a rainy day brings one to the rainy day not knowing what to do. The believer must put first priority on Perception, Cognition, Inculcation & Metabolization of Bible Doctrine and must depend always on the inner resources of Bible Doctrine. The best thing one can do for his children is to make sure that they have Bible Doctrine in their Stream of Consciousness of the Soul and

that this will be the foundation for their very personality. Often parents say they want to leave a better world for their children but in reality all one can really do is leave them the best of this world which is Bible Doctrine. Parents must do things for the children based on the absolute necessity for them being Bible Doctrine saturating their Stream of Consciousness of the Soul. There is no substitute for it and no substitute for making it available. Arrogance blinds believers and it must be realized that the only hope for any child is Metabolized Bible Doctrine as a foundational resource in their soul. If one has children who completely fail in life he can very often blame himself as a parent, especially if he allowed them get involved in one of the “christian service” organizations, because these will never give anyone enough Bible Doctrine to face even minor personal disaster.

The believer in The Lord Jesus, The Christ as part of the Royal Family of God, must always remember he is a part of a greater perfect plan where he makes up only a very small part of that plan. When any believer tries to promote himself above the plan by entering into the Cosmic Dynasphere I the Interlocking System of Arrogance or Cosmic Dynasphere II, the Interlocking System of Antagonistic Emotional Hatred, saying in effect that he is more important than the plan, and then allows this to filter down to other believers, these are all saturated with and functioning in Arrogance. The believer must consider that to him has been given the greatest opportunity in human history. This is why it is very often necessary for the slate of history to be cleaned and a Client Nation to be totally removed and a new nation brought up to take its place and begin again with the spiritual vigor necessary to fulfill the Plan of God. When Individual believers in this client nation to God fail in any way, they must not stay out of fellowship under carnality very long nor ever run contrary to the Righteousness of God. Being part of this Plan of God the believer must never promote self beyond the Plan of God for his life and must always remember that IF GOD DOES NOT PROMOTE HIM, HE IS NOT PROMOTED. If one imagines self to be greater than the Plan of God for his life he IS in the Arrogance Complex and therefore not in support of his nation.

One of the signs of coming destruction of the Client Nation to God is degeneracy of the People which results in animal abuse and suffering without any recourse on their part. This is a sign of degeneracy and the imminence of the 5<sup>th</sup> cycle of Divine Discipline to the nation. Divine punishment on a nation in the Old Testament Scripture times often took the form of Drought and Famine which dramatically effected the animal kingdom and explains how the 5<sup>th</sup> cycle of discipline was described with regard to animals. However, domestic animals suffer in a more personal way through cruelty from degenerate owners. Domestic animals have no ability to understand cruelty, neglect, abuse and rejection by their masters to whom they give the utmost in loyalty and devotion. The degeneracy of this type of person results in animal suffering without their being able to have understanding and without any recourse on their part. In addition, when God judges a nation under the cycles of discipline, all consensus regarding freedom is gone in that nation, and in any such ‘group’ the ‘consensus’ reduces thought and decision making to the lowest common denominator. In this case the Arrogance of self preservation takes precedence over the principles of the Laws of Divine Establishment and Bible Doctrine pertinent to the Gospel and the Church Age. Thus the involvement in the Interlocking System of Arrogance results ultimately in involvement in the Interlocking System of Antagonistic

Emotional Hatred and destroys the strength, integrity and virtue of the people both believers and unbelievers. ([Hos 4:3](#)) Unbelievers, in rejection of authority under the Laws of Divine Establishment principles, convert the outside pressures of life into inside pressure of stress in the soul. Believers who reject Bible Doctrine also convert the outside pressures of life to inside pressure of stress in the soul so that neither can ever deal with the pressures of their own lives. Therefore, no nation can ever survive the rejection of the Laws of Divine Establishment and Divine Institutions nor the rejection of Bible Doctrine by believers.

The Interlocking System of Arrogance involvement destroys the ability and function of reverse concentration therefore blocking or eliminating any application of Metabolized Bible Doctrine to the experiences and situations of life. Reaction against Evil is normal but over reaction makes the believer vulnerable to involvement in Arrogance. The believer has the right to be incensed by the degradation and degeneration of the United States of America today but not to become so involved in overreaction that he puts himself into the Interlocking System of Arrogance by joining organizations which propose revolution. When within the Interlocking System of Arrogance the believer cannot properly interpret the facts of history. Spiritual stability demands cognizance without Arrogance therefore overreaction to disaster and Evil is a matter of Arrogance. Weak leaders in the hands of unscrupulous men are the tools for the destruction of a prosperous nation. This is the national situation in the United States under Joe Biden as a fraudulent president. Arrogant people always underestimate others, especially those with authority or power. Therefore Arrogance is a vicious sin which divorces one from the reality of life. When this is applied to Arrogant nations they are inevitably humbled by the nations which they insult and underestimate just as the United States of America is today.

Freedom and Authority must coexist and authority must always come before freedom. Love must come before desire and if these are reversed the believer is in Arrogance. If love precedes desire this one is in some stage of Humility. When the general population mixes these concepts up it results in the client nation endangering its status with God. This is another principle under which the United States of America may be removed as a client nation to God. America is held together today only because of the status as a client nation and because of a Constitution which sets freedom above all else but the representatives in government and judicial functions consistently choose to no longer follow this phenomenal system because of their involvement in the Interlocking System of Arrogance. This is a loud harbinger of the coming of national destruction to the United States of America.

### **5 Cycles of Divine Discipline on the Client nation**

In the destruction of the client nation divine punitive action is divided into 5 cycles of divine discipline, the first 4 which are designed to WAKE the people of the nation to their degenerate Status Quo and the imminent destruction about to be unleashed upon them in the 5<sup>th</sup> cycle. These are found in the [Old Testament Scripture](#):

- |                       |   |
|-----------------------|---|
| ↗ <b>Lev 26:14-17</b> | 1 <sup>st</sup> cycle a warning that the nation is in trouble |
| ↗ <b>Lev 26:18-20</b> | 2 <sup>nd</sup> cycle intensified divine punishment           |
| ↗ <b>Lev 26:21-22</b> | 3 <sup>rd</sup> cycle intensification of punishment 1&2       |
| ↗ <b>Lev 26:23-26</b> | 4 <sup>th</sup> cycle intensification of punishment 1, 2 & 3  |

↪ **Lev 26:27-46, Deut 28:49-67**

5<sup>th</sup> cycle the complete destruction of the nation.

However, no nation, especially a client nation, is ever destroyed and removed from history apart from a saturation within the nation of national Arrogance and not without a GRACE period as last call for recovery.

### **1<sup>st</sup> Cycle**

In the 1<sup>st</sup> cycle of Divine Discipline on the nation Authority is the greatest issue and the Laws of Divine Establishment must be followed. Free Enterprise goes hand in hand with Christianity in Human History and it must be preserved and adhered to above all other economic considerations to avoid this Divine Discipline. In the first cycle of Divine Discipline one of 2 things will occur, some level of Military Disaster in Defeat or some level of Economic Disaster.

### **2<sup>nd</sup> Cycle**

In the 2<sup>nd</sup> cycle of Divine Discipline on the nation all of the things mentioned for the 1st cycle of Divine Discipline are **Intensified 7 fold**. Arrogance and the misuse of authority and power under Evil always go hand in hand. This results in the degradation or destruction of the legitimate government of the client nation. This nation will be again more intensely defeated in battle and ALSO then suffer greater economic disaster. Many times war or economic adversities are supposed to be a catharsis to cleanse nations of Arrogance as degeneracy and Reversionism as apostasy.

### **3<sup>rd</sup> Cycle**

The 3<sup>rd</sup> cycle of Divine Discipline on the nation results from consistent generalized Negative Volition to Bible Doctrine and national involvement in the Interlocking System of Arrogance. This results in an **ADDITIONAL 7 fold increase** in the Divine Discipline previously mentioned in the 1<sup>st</sup> and 2<sup>nd</sup> cycles. In addition to this, there is unrestrained violence and subjection to terrorism added to the Divine Discipline for the nation.

### **4<sup>th</sup> Cycle**

In the 4<sup>th</sup> cycle of Divine Discipline on the nation (**Prov 3:34, James 4:6, 1Pet 5:5**) the nation is saturated with Arrogance and the other cycles have not stopped the advancement of Arrogance in the nation and as a result God will again increase all the discipline on the nation from the first 3 cycles an **ADDITIONAL 7 fold**. This nation is basically no longer in control of its own destiny or functions and is under the outside control of one or more other nations, physically or economically. In a nation in this Status Quo, when individuals die their remaining loved ones become very upset and disturbed.

### **5<sup>th</sup> Cycle**

In the 5<sup>th</sup> cycle of Divine Discipline on the nation once entered there can be no recovery. There is extreme prolonged suffering and eventual removal of the client nation status which God had graciously provided. Under the 5th cycle of Divine Discipline God breaks the Arrogance of the nation. When a client nation has in its population a maximum number of people saturated with Arrogance who instead of perpetuating Truth in the world through missionary activity they perpetuate Arrogance throughout the world so that this could eventuate

in the degeneracy of the entire world, then God MUST remove them. God cannot permit the subversion of the entire Human Race with Arrogance and the resultant termination of the Angelic Conflict. God will never permit this therefore He WILL first destroy that nation as he did with the Hurrians, Hittites, Amorites, Canaanites, etc. Genghis Khan wiped out whole regions of people not because he wanted to but because of their Arrogance and as a judgment from God. However, God did not permit the Great Khan to go into all of western Europe even though the Khan already knew about all of western Europe from his fantastic spy system.

The salt principle of national preservation is emphasized by the fact that knowledge of all the realms of Bible Doctrine for the believer and the doctrinal principles of the Laws of Divine Establishment and Divine Institutions for the unbeliever are what preserve the nation under the overriding control of The Lord Jesus, The Christ. When people become animals this results in all animals being out of control. When there is no capital punishment in the animal kingdom then all animals are out of control. When there is no capital punishment in human society then the people are also out of control as well. Lack of consistent presentation of the Absolute Truth of Bible Doctrine results in social degradation in the nation and national Arrogance. *When the 5<sup>th</sup> cycle of Divine Discipline is engaged the Lord first removes those who teach Bible Doctrine then separates the believers with consistent Positive Volition and spiritual advance from those in the apostasy of Reversionism and the degeneracy of the Interlocking System of Arrogance.* God often uses a powerful nation saturated with EVIL to destroy a nation which has lost its salt through the apostasy of Reversionism and the degeneracy of the Interlocking System of Arrogance. This is Evil 1 being used to destroy Evil 2.

### **National Arrogance, Reversionism & Pride**

**Pride** rejects the principle that The Lord Jesus, The Christ controls history. In [Dan 4:37](#) Nebuchadnezzar rejected the control of history by The Lord and was severely disciplined and his recovery allowed him to recognize the Truth of history. There are [5 cycles of Divine Discipline](#) which occur as a result of National Arrogance and [Reversionism](#) and the 2<sup>nd</sup> cycle is Divine Discipline against the economy of the nation where Pride is the greatest untoward aspect. In a nation in this status, when there is economic depression or recession, when the economy is falling apart, the chief characteristic sin of the people related to this failing is PRIDE ([Lev 26:19](#)) The most frequent reason for RECESSION or DEPRESSION is government administrators interfering with the economy in some way trying to avoid the depression or correct the failing economy. They try to juggle the monetary system, they interfere with business by the formation of regulations to control everything, they interfere with supply and demand with pseudo supply, and most importantly they support failing businesses with taxpayer funding. The Laws of Divine Establishment say that in any viable economy Free Enterprise MUST PREVAIL. When there is a recession or depression under Free Enterprise it is to eliminate the unfit and improve the quality of SERVICE rendered by craftsmen and labor. An economic recession or depression should NEVER be interfered with EVER because it is for the good of the nation but in the United States of America for many decades there have been ‘children’ in Washington D.C. trying to juggle the economy and prevent economic disaster. They interfere with the economy and then blame every failing on big business. They do not even realize that when there is government interference with Free Enterprise, that in itself is

making the situation far worse and the nation is preparing for a far more devastating cycle of Divine Discipline. THIS IS PRIDE which is one of the major causes of this type of Divine Discipline judgment. The United States of America will have another great depression whether the ‘children’ in control of the government interfere or not and whether they like it or NOT. When they try to solve a recession or depression by manipulating inflation by the printing and distribution of more currency (which value is based on NOTHING), all this does is make the situation far worse and ultimately will make it last longer when it finally occurs. ([2Chron 32:26](#), [Is 9:9](#))

The true answer and solution to these distortions by government is Humility in government, a far fetched dream for American government today. In this floundering economic case, in government, there is pride when there is no pressure on the nation but when pressure is put on the nation then government begins to violate the Laws of Divine Establishment in trying to regulate economy with legislation and steal taxpayers finances to solve the problem. Legislation is not designed to solve social problems NOR to REGULATE ECONOMY. Legislation is specifically and only to be designed to protect FREEDOM so that people have the option of FAILING or SUCCEEDING, having every right to do either. Legislation also ensures the continuation of the right to privacy and property and to carry on legitimate business, WITHOUT GOVERNMENT INTERFERENCE. When these principles are violated it is the result of national pride and always is related to the destruction of the nation. The United States of America today is either at the very end of the 4<sup>th</sup> cycle of Divine Discipline or already in the beginning stages of the 5<sup>th</sup> cycle. In looking at the level of government interference with business, personal life and freedom during the Wuhan CCP Virus fraud this pattern is clearly demonstrated again. The people administering government now believe they can regulate and control everything in life and this is bringing the nation to the brink of destruction and outright conversion to communism.

This National Pride can be demonstrated by looking back in scripture to MOAB for a prime example. ([Is 16:6](#)) In this case Pride was there and without pressure there is no problem in the nation, however, when pressure is put on the nation then pride releases both mental and verbal sin complexes. Anger is the mental sin but with it there is IDLE BOASTING. Whenever there is Arrogant pride among a people in a national pride situation there will always be [Counterpart Sins](#) present including boasting and anger. National pride is intimately related to the administration of the 5<sup>th</sup> cycle of Divine Discipline. ([Is 28:1-3](#), [Ez 7:10](#), [Hos 7:10-14](#)) This is what occurred in Ephraim because they were a very proud tribe. As long as there is no pressure when a person or nation is under pride things are functional. Many times pride under the pressure of Divine Discipline prevents the reversionistic person or nation from turning around and going back to God. This was the obvious problem clearly demonstrated in the United States of America after the terrorist disaster of 9/11/2001 when Americans began to turn to God but within 6 months fell back into their patterns of Arrogance. Pride is a sin where the person is begging for trouble and will make all the trouble he, himself, can handle without anyone adding to it. All proud people are SILLY people, all proud nations are also SILLY nations and they are both lacking any sense. There is also a totally unknown quantity concerning what may ‘sprout’ from the pride being pressured by adversity or crisis. This is the

foreign policy of Israel calling on Egypt in ancient times and today our foreign policy in the United States of America for many decades making treaties with communists and giving money and support to enemies. This is reversionism and pride is a sin of reversionism and a part of [Motivational Arrogance](#) of [Mental Attitude Arrogance](#). The result for Ephraim was that Assyria was then sent by the Lord to subdue them. The result for the United States of America might be Russian or Chinese communism being sent for subduing American or even Arabic islam.

### **Preparation for the Crisis**

The crises and coming disasters for the United States of America are real and the signs of this can be observed in the daily news media reporting unconstitutional demonstrations, riots and mass shootings where there is total rejection of and opposition to authority with an acquiescence and even support by government officials for this EVIL. All this occurs as a result of mismanagement by the government and its idiotic policies as a result of no one in government administration today having any moral courage to oppose these things. The American economic system is on the brink of total collapse and overall the people in general have no concept of the reality of this. In June of 2023 the government is proposing raising the DEBT ceiling for the United States federal government to 51 TRILLION dollars and today in August of 2024 the federal deficit is beyond 31 TRILLION dollars. This is so ludicrous that it is absolutely incomprehensible. To repay this debt, IF YOU could repay \$1,000,000 per DAY, would take 139,726 YEARS. Every working American would have to pay more than \$11,000 per year for the rest of his or her ENTIRE LIFETIME. The crisis or disaster when it comes to the United States of America is going to be unbelievably devastating and the people keep hearing from the government that there is no real problem and life keeps moving on in a pseudo reality fog of ignoring the problems as they keep presenting themselves, multiplying and ultimately becoming increasingly worse. Just as the storm came suddenly upon the disciples and Jesus in the boat without warning so great disaster comes suddenly without warning. ([Luke 8:22-24](#), [Mk 4:35-39](#), [Matt 8:23-26](#)) Only a person with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, like the man who sees a great calm on the seas, would know that when situations are so very calm, like they have been for 4 or more decades in the United States of America, things are in reality desperately difficult and a terrible disaster will be forthcoming. The reality of success vs failure in disaster is that the believer does not need knowledge of the nature of the impending disaster nor of the proposed or imagined human solutions but only maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul to enable him to deal with it.

The United States of America has been receiving warnings for DECADES about the disaster to come to this nation. She is now face to face with it in the form of economic collapse, invasion by illegals, moslems, criminals, terrorists and spies, potential war with China and Russia, the usurping of power and authority by a prior non-citizen president and his cronies in government, the fraudulent taking of power through a manipulated election and installing a mentally incompetent man in the office of president, the destruction of the core freedoms of the nation and the total ignoring and subversion of constitutional law by members of the congress and the judicial and executive branches of government. These warnings are and have been totally ignored and the disaster looms on the immediate horizon. Believers will only be able to ride

out this storm with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and this could be great FUN for these mature believers. There are many means of preparation for disaster and many ways to make plans to weather the coming storm, most which are inevitably destroyed by the disaster, so that when people prepare for disaster their preparations are very often swept away. They may accumulate wealth for disaster, gold or diamonds or isolate themselves from society moving to a secure place where they have provisions for the storm but these all can be swept away in an instant. The only real help in time of crisis is what the believer has stored in the Stream of Consciousness of his Soul. God uses prepared people and this is what is demonstrated in great crises where the prepared people are inculcated with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. No human preparation can avoid catastrophe in time of disaster it is ONLY divine faithfulness and divine deliverance which counts.

Current Law Enforcement, in general, is so cut off from interracial interaction that they do not and will not go into certain ghetto areas of cities today which have become totally lawless areas. Because of this there is a level of despair on the part of many of the people who live in these areas which cannot be appreciated and which can potentially turn into Positive Volition toward the Gospel and Bible Doctrine. This despair results from being victims of gangs in a totally lawless situation where law cannot and does not protect them and where liberalism has made it almost impossible for the law to function properly there. Liberalism wherever it goes creates Arrogance and when one reacts to that Arrogance with his own Arrogance it does not solve but in fact intensifies the problems. This can be observed today in the “black lives matter” and “antifa” groups, where the revolutionary potential of these people is absolutely phenomenal and many are already organized and armed for that purpose and this is one sign of their great despair. The Laws of Divine Establishment explain clearly that for people to arm for the purpose of trying to resolve national problems by violence and force is ridiculous and totally unfruitful. Revolution is a great form of Evil and the United States of America is and has been on the verge of a number of revolutionary situations since before the 70’s. This is the result of having the weakest of all governments which caters to any special group or minority thereby creating a huge problem of potential revolution. One possible reason for this problem being allowed by God to be created may very well be the provision under freedom for the opportunity for proper evangelism in these volatile areas of this nation. God makes even the wrath of man to praise him and the Liberals have created a disastrous situation which can result in bringing many to Christ. It takes a disastrous situation for certain types of evangelism to exist and have a positive effect on the unbeliever. The believer must never allow personal prejudice, Arrogance or the intensity of a problem to cause him to lose his spiritual alertness. Involvement in Arrogance will destroy the ability of any believer to reach these people who must be reached with the Gospel of Christ. The believer must avoid Arrogance to do this job and also must be [Flexible](#) in order to solve the existing problems there. Neither the color of skin nor the origin of the race has anything to do with Old Sin Nature functions when it comes to the efforts based on Evil being used to solve national problems.

The resolution of personal small inconveniences will be what determines whether the believer can make it or not in the inevitable national disasters coming to America. In the United States

of America individuals have these petty problems constantly because of simple rejection of Absolute Truth in one form or another and then believing only the LIES from Evil while residing in the Cosmic Dynaspheres under strong delusion. Unfortunately for many people the only thing which will count in the coming disasters, which in fact they will not possess, is Bible Doctrine. There is no sense in being upset at the inconvenience and pressure caused by disaster because if the believer understands anything about history he has seen historical tragedies which most people cannot imagine happening in their time. However, it is possible these may be coming to this nation in the very near future. The mature believer must have a sense of humor and must keep a low profile until the Lord promotes him or brings him to the point of stepping in to handle things in disaster. Meanwhile his primary objective and priority must always remain that he is consistently learning Bible Doctrine. When pressure and adversity comes in normal life the believer must not fail these simple tests because of Arrogance and he must never overestimate his worth in relationship to the things around him. He will often feel that what he thinks, does and feels must be heard and that his opinion is important and must be heard. This is Arrogance and he must remember that he must keep a low profile until and if the Lord puts him on the white horse to run things.

Preoccupation with disaster produces Blind Arrogance in the form of FEAR and Self Pity, selfcenteredness and distortion of the Truth in any situation leading to Self Righteousness. When people become preoccupied with disaster no matter how good they are they become sociopathic and some even become Psychopathic. Therefore, preoccupation with disaster in effect becomes demon obsession. This type of Arrogance becomes obsessed with the problem rather than with the problem solver, The Lord Jesus, The Christ. The believer cannot be demon possessed but he can be demon obsessed when there is too much occupation with or focus on the things which are occurring in this life. Preoccupation with disaster is a distraction to the understanding of both Logistical Grace and Super – Grace blessings because it is a distraction to Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine. The thinking of the believer must be in terms of Bible Doctrine not in terms of historical catastrophe. The Arrogant person will always vacillate in life depending on the circumstances of life since every Arrogant person is a slave to his circumstances. This is personal instability and when anyone vacillates between Self Pity and Self Righteousness this person is a sociopathic, neurotic or psychotic individual and, unfortunately, this is the majority of American society today. Arrogance inevitably rejects the Truth and one cannot avoid being a sociopath if he does not understand and function under ABSOLUTE Truth. If the Truth is incredible and beyond one's ability to comprehend with faith, he will move invariably into the realm of sociopathic Modus Vivendi.

At Salvation Adjustment to the Justice of God, God sets up the grace pipeline for the believer to be able to provide support for his advance to Maturity Adjustment to the Justice of God. This spiritual advance of believers is the only hope in the United States of America for recovery from the rampant degeneracy and apostasy of this nation. The reality of the situation is that America is totally helpless and caught up in a disaster of its own making and the Interlocking System of Arrogance has blinded the nation to its situation. The only hope is that believers will continue advancing to Maturity Adjustment to the Justice of God and thereby, from the

benefit of their historical impact and association blessing, support the nation. This, unfortunately for this nation at this time, is not an instant miraculous occurrence where the situation will be all sweetness and light but, on the contrary, there will be very hard times. However, EVEN in hard times the believer in Maturity Adjustment to the Justice of God is still blessed by the Justice of God and this is the basis for preservation of the nation in any times of disaster. Unfortunately, for the United States of America today, being a nation almost totally divorced and divested from the Laws of Divine Establishment and Divine Institutions the only hope left for the nation is deliverance by The Lord Jesus, The Christ himself.

The oscillations which constantly occur in life always cause the individual to ignore the divine solutions to both individual and collective problems or pressures found in doctrinal perspicacity and the establishment of the pivot of mature believers. ([Rom 11:4](#)) Distraction means lack of concentration and lack of concentration means cowardice which is absence of thought under pressure. In contrast, courage, the ability to think under pressure, is what is called reverse concentration. Elijah, as a mature believer, became a coward and ran from Israel when he became subjective about the warning threat of Jezebel. Instead of applying the doctrine of [Logistical Grace](#) he applied selfcenteredness and preoccupation with apostasy. Instant distraction became instant ignorance and this became instant Arrogance, which became instant selfcenteredness and this became instant cowardice. Ignorance is Arrogance and Arrogance cannot cope with life and under pressure like that of Elijah, Arrogance becomes Self Pity alternating with Self Righteousness as the pressure subsides. For the believer, as part of the Royal Family of God, life is to be based on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul because, “as a man thinks in the Right Lobe of the Stream of Consciousness of his Soul so he is” ([Prov 23:6-7](#)).

All historical disaster is also related to Negative Volition to Bible Doctrine and The Lord Jesus, The Christ. Rejection of Christ as savior means rejection of Bible Doctrine which is the mind or thinking of Christ. ([1Cor 2:16](#)) The longer or more often people say no to evangelism and thus to Christ the more they build [Scar Tissue of the Soul](#) and therefore the more Arrogance saturates the soul so that when the LIE comes along from Evil, they believe it and the Lie in the time of Elijah was the religion of Baal brought into Israel by Jezebel. When the believer believes the Lie of the Cosmic Dynaspheres he turns against Christ, the God of Israel and Lord of the Church. In rejection of Christ and the Thinking of Christ in Bible Doctrine (1Cor 2:16) the Laws of Divine Establishment and Divine Institutions are set aside and thereby any principles related to these are destroyed. This is demonstrated in the madness of a population and when they begin to take lives and rampantly destroy or steal property as we see in the riots in our recent past and the unrestrained looting which was permitted to occur. This is madness and to permit this madness means that there is nothing remaining of the Laws of Divine Establishment restraint. There has not been, but should have been, police coming on the scene to kill the looters in mass, shooting them down right where they are found. Shooting pillagers and looters is the only viable means of controlling riots because these people are insane and when they steal, loot and find vulnerable people, they always maltreat these people, resulting in Rape and Murder. This has occurred many times in the history of the world and it is a viciousness from Evil and a terrible anarchy brought on by Scar Tissue of the

Soul and Arrogance. It starts with sane people but Arrogance and Scar Tissue of the Soul takes these normal sane and often nice people and turns them into the monsters who loot, pillage, rape and murder. This is the CLEAR OBSERVABLE DEMONSTRATION today that there is NO DIGNITY OF MAN EXCEPT WHERE GOD HAS PROVIDED RESTRAINT THROUGH THE LAWS OF DIVINE ESTABLISHMENT AND MORAL AND SPIRITUAL COURAGE FROM BIBLE DOCTRINE. ON THE CONTRARY, MAN AS HE FUNCTIONS UNDER THE CONTROL OF HIS OLD SIN NATURE, IS VICIOUS, EVIL AND VILE AND THERE IS ONLY THE TOTAL DEPRAVITY OF MAN.

### Evil --> Arrogance

EVIL produces Arrogance which results in SIN, CRIME and / or Human Good. In fact Evil is a system of thinking, a plan, a policy belonging to Satan to rule this world and control the Human Race. Evil as thought results in Arrogance leading to either Sin and Crime, a secondary desired result of Satan's plan or Human Good the production and primary desired result of his plan. Since the citizens of the United States generally no longer possess honor and integrity, the constitution, in reality, is not functioning at all and in its place is both EVIL and the DEGENERACY of the Interlocking System of Arrogance. The total Arrogance of the public is what has set aside and destroyed the function of the constitution of the United States of America. There is only one way to perpetuate honor and integrity in this nation and that is through Bible Doctrine and PRIVATE education and neither is doing the job because of rejection of both by the people. In the beginning of the 21<sup>st</sup> century Private Education has been on the rise in the United States and this is for the benefit of the nation but it is not encompassing enough of the children who, being under public education systems, are constantly being indoctrinated with the concepts of Evil found in liberalism and socialism.

All liberals have a large coloring of Arrogance because of their relationship with the principles of Arrogance. It is impossible to divorce an Arrogant principle in Motivational Arrogance from an Arrogant function in Functional Arrogance and this is why the dominance of liberalism in any nation inevitably leads to degeneration and destruction. The only solution to all of this again is Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul of each individual Believer. All Conspiracy is rejection of authority and in this nation today it is the authority of God which has been constantly rejected. Believers today reject, ignore, or otherwise substitute something for Bible Doctrine which is the authority of God. Rejection of authority is more than Arrogance it is the inevitable destruction of whatever area of life is involved.

Sin and Evil are totally different in many ways fundamentally Evil is an overriding policy while sin is the result of succumbing to the influence of evil. However, there are situations where Sin and Evil meet. Invariably these meet at the point of Arrogance which joins Sin through Evil under Revolt. Fortunately the Laws of Divine Establishment and Bible Doctrine actually meet as well for the positive believer to combat this situation. Welfare state functions are from EVIL and in fact have destroyed the whole population of nations. Welfare state functions are TOTALLY REJECTED BY THE WORD OF GOD WHILE CHARITY IS TOTALLY ACCEPTABLE. Welfare destroys the moral fiber and character and integrity of the citizens of the nation.

Welfare state functions produce slaves to government and result in a degenerate people. However, where Bible Doctrine and Laws of Divine Establishment meet it is both a product of Evil and sinful for the believer to neglect destitute members of his own family. The bible always rejects socialism which inevitably leads to government intrusion on the privacy of the people in a nation and therefore destroys the freedom therein. Therefore it is obvious that welfare is derived from Evil and sinful while charity is Christian and a Laws of Divine Establishment function and this orientation must not be distorted in the nation.

The British have had a system in the past which put them far ahead of the United States. It was their system of aristocracy where the Aristocrat becomes great through a system of honor and integrity. Despite England currently having a far worse state of government, they have at least some perpetuation of honor and integrity in their people. The United States has done this through the teaching of Bible Doctrine and through education and both of these have been failing as a result of a lack of interest by the people on the one hand and the corruption of liberalism on the other. The greatest Arrogance in societies is not found in the aristocracy but in the so called common man. The common man when led by Arrogant others very quickly thinks of self as being persecuted. They are or quickly become Arrogant people and very easily moved to this Arrogance by pressure from instigators or as a result of their demand for equality. The common man today demands executive pay for menial jobs OR executive jobs and promotion to the top of an organization without any qualifications or ability OR demands that the government take care of him and this is deep seated Arrogance. The greatest Arrogance in life is found in 2 areas of societies. Usually not in the aristocrat since it is stupid for him to be Arrogant since he has already achieved and having Arrogance is totally unnecessary for him. This does not mean that the aristocracy does not have Arrogance from time to time and it usually comes to aristocracy in the generations which follow and inherit from the achievements of the preceding Aristocrat. The common man is by far a greater snob than the aristocrat. The unattractive person is also guilty of terrible Arrogance but this is usually hidden. People generally assume that attractive persons and aristocrats are Arrogant because everyone envies them. This, in effect, says that only aristocrats and attractive people have Old Sin Natures and this is obviously false. Nothing is worse than a government, media or a dramatic culture glorifying the common man. A prime example is the 1978 film "The Deer Hunter" which is typical of our society's trends glorifying those who have no motivation to advance or think and have no meaning, definition or purpose in life except to prove they are something when they are nothing. The answer to this trend is found in Christianity which takes a believer out of the gutter, palace or any area of Arrogance and puts him in a place of meaningful living and the development of [Humility](#). Life has meaning and purpose and definition for the believer as a member of the Royal Family of God and in the last ½ of the book of Romans the [Royal Family Honor Code](#) can be found. This Royal Family Honor Code answers every problem of government, society or spiritual life in every nation.

The plans and machinations of nations whose function is based totally on Evil, if unhindered, would result in a world of slavery for the entire human race or its inevitable complete destruction. In the creation of the Human Race it is the purpose of God to demonstrate that his character is always totally integrated in its function. He uses mankind to demonstrate that

his LOVE motivates his functions which must be based on the Norms and Standards of his Absolute Righteousness and which are executed by the absolute FAIRNESS of his Absolute Justice. Therefore, when a nation becomes so saturated with Evil and so involved in the degeneracy of the Interlocking System of Arrogance and the apostasy of Reversionism, God must remove them from history. This Evil has come to the United States of America in the form of:

- ✧ Terrorism
- ✧ Socialism
- ✧ Communism
- ✧ Welfare State functions
- ✧ Pseudo Equality of mankind
- ✧ Redistribution of Wealth
- ✧ Man by his own efforts trying to solve his problems
- ✧ Slavery
- ✧ and much more!

### **National Arrogance & Christian Values**

The believers greatest enthusiasm must be related to the provisions of [Logistical Grace](#) support from God for his life. This world is ruled by Satan, the believer has rejected Satan's plan and policy and functions under the plan and policy of God. Therefore the primary question is, how long could a believer last in this world under the control and rulership of such a VASTLY superior antagonistic creature? Without Logistical Grace the believer could not last even one single moment in this world ruled by Satan after making Salvation Adjustment to the Justice of God. God provides the time, atmosphere, environment, life support systems, doctrine, purpose, motivation and momentum for the Christian Way of Life. *It is imperative to recognize and realize that after Salvation Adjustment to the Justice of God, He, God, is responsible for the life of the believer and obligated to provide for his support with Logistical Grace whether he is advancing or retrogressing in or totally ignoring the Spiritual Life.* Considering this, it is clearly easy to realize that the vast majority of believers are kept alive by God in order to test those few who advance to Maturity Adjustment to the Justice of God and beyond. This client nation United States of America is still in existence not because of big evangelistic meetings or revivals nor because people all over the nation go to church on Sundays. It is not the number of believers in the nation which matters but the number of believers who are advancing to or have reached or exceeded [Maturity Adjustment to the Justice of God](#) and are contributing to the support for the nation. The ONLY way to accomplish this advance is through consistent, persistent, daily Post Salvation Epistemological Rehabilitation from Perception, Cognition, Inculcation and Metabolization of Bible Doctrine under the teaching of one's own right Pastor Teacher. There are only a very few reasons why this nation has been preserved for the last 65-75 years:

- ✧ The Lord Jesus, The Christ controls Human History
- ✧ There are enough believers to form a sustaining remnant of maturity in the Plan of God.
- ✧ In general this nation still provides proper consideration for the Jews.

Even when the nation is under intensive divine discipline there are always those who still reach Maturity Adjustment to the Justice of God and come to the point of [Occupation with the](#)

**Person of The Lord Jesus, The Christ.** The Justice of God extends to and provides for believers in a client nation in 2 ways, Fantastic Grace blessings for the believer who reaches Maturity Adjustment to the Justice of God OR incredible Divine Discipline for those who fail in the Spiritual Life. The believer must always remember that God has provided the mechanism for recovery from the devastation of the degeneracy of the Interlocking System of Arrogance or the apostasy of Reversionism through the use of the 1<sup>st</sup> Problem Solving Device, the **Rebound Procedure.** Believers, therefore, have been given the option of living the Spiritual Life provided by God or not doing so and whichever way they go totally depends on their own personal volition and how long it takes them to get the 3 Spiritual Skills on line in the Stream of Consciousness of the Soul. The Alternative to the Spiritual Life is to use the **Arrogance Skills** and produce the “Wood, Hay and Stubble” of Human Good, Sin, or Crime from Evil as a result of becoming involved in liberalism, activism, socialism and all systems of whitewashing the world ruled by Satan. The believer has incredible options for the Spiritual Life based on his attitude toward Bible Doctrine. Unbelievers are to live and function under the Laws of Divine Establishment and Divine Institutions, which are, in fact, based in Bible Doctrine for them, while the Believer is to be executing the Spiritual Life through consistent Perception, Cognition, Inculcation, Metabolization and Application of Bible Doctrine. If this does not occur the client nation is destined to failure and destruction. The United States of America today is in great trouble and believers should recognize that in the eschatology of the coming dispensation of the Tribulation there is NO MENTION OF THE UNITED STATES of AMERICA.

The greatest unexplored form of degeneracy is **Arrogant Self Righteousness** and it is the person who is motivated from Self Righteous Arrogance who has found a cause to espouse who adds more to the degeneracy of the nation than any immoral person. The immoral person is at least honest and not so much providing for extreme national degeneracy but keeping others busy and giving them something about which to gossip. America has been in desperate times since the 1960s and the situation is far worse today with regard to national degeneracy. Historically many of the people who had accepted socialism in Germany were fantastic believers and some of the most establishment oriented people in the world before the Nazis. Some of these as believers in The Lord Jesus, The Christ included the commander of the German army making the first breakthrough of the Maginot Line, Erwin Von Vitzlauer who was in fact in command over Rommel. Other believers who were in the German high command included General Ludvick Beck, Count Von Bernstorff and others. Many of the military leaders of Germany gathered together to draft a government declaration which was to be announced after the death of Hitler. Book: To Kill the Devil, Attempts on the Life of Hitler by Herbert Maloy Mason Junior. They put a government policy together written in 1944 but it was never publicly read. This was to be the new policy of the German Nation which was never to be heard:

- ✧ The restoration of the full majesty of the law.
- ✧ Government must avoid arbitrary fact and follow the law just as the people.
- ✧ Restoration of Justice.
- ✧ The Judge is not to create law but to apply and administer the law.
  - *(One of the great failings of the judicial system of the United States of America.)*
- ✧ Lawbreakers will receive just punishment and individuals and property will be protected.
- ✧ No Mob Justice no personal revenge.

- ✧ End corruption restoring the foundations of a moral society in every sector of life.
- ✧ No more persecution of Jews.
- ✧ Molding the family again into the nucleus of the national community
  - This requires parents, home, Christianity and cooperation of churches.
- ✧ Clearing up Nazi lies regarding economic and military facts.
  - Lies of government are borne on cowardice and lust for power.
  - Success and maintaining a national position and happiness of the people and individual's peace of soul can only be built on Truth.
- ✧ Freedom of intellect, conscience, faith and opinion is to be restored.
- ✧ Complete separation of Church from the State with operation based on the individual's own beliefs.
- ✧ The State itself shall be based on Christian attitudes in word and deed.
  - We owe to Christianity the evolution of the white peoples and our capacities to contend with the bad instincts within us.
- ✧ Tolerance toward other faiths and free thinkers as demanded by Genuine Christianity.
- ✧ Churches given full leeway to be active in Christianity, education and public welfare.
- ✧ The press under a code of honor must observe the laws of decency.
- ✧ A new Education System based on Children having a natural recognition of true and false.
  - This system will relinquish first to parents and then the schools and will give simple basic elementary knowledge to children honestly and without divisiveness.
    - (*this is NOT the system of the United States of America today nor in recent past*).
  - This education will be based on Christian foundations without violating Christian laws of tolerance of other beliefs. It will be allowed to evolve quietly and protected from constant basic changes and upheavals.
    - (*also not the United States of America's system today*).
- ✧ Courage and responsibility must be what drives the administration of the state.
  - Clear lines of responsibility must be restored and the freedom for independent decisions.
  - There must be a minimum of writing (paperwork) and administrators must do the right thing in the simplest way.
  - Luxury has no place in public office and the place for comfort is in private dwellings.
- ✧ We must remember that the state has no inexhaustible means and lives only by what its citizens accomplish and make available to it and it cannot give out to individual citizens more than it has available from the productive power of its citizens
  - (*Where comes the 51 trillion+ debt in the United States of America?*)
- ✧ Promises true or false must not be made about economic well being.
  - Cheap promises that the state can do everything are unscrupulous demagoguery and the state is YOU with your resources and strength and the administrators of the state are merely YOUR trustees.
- ✧ Restoring the German nation can only occur in a climate of LAW, DECENCY and FREEDOM.
- ✧ Stable currency restoration.
- ✧ A sound public budget, a basic prerequisite of a stable economy (*NOT IN THE USA*) with

expenses maintained within the limits of the REAL income of that state and its regions drawing from the citizens.

- To reestablish a sound fiscal order will require will power, renunciation and struggle but the fiscal order is most important and an indispensable basis of sound currency and economic life.
- Sound currency depends on the value of all savings and without it there cannot be foreign trade which is essential.
- Taxes will be high but there must be careful decision as to how that tax money is spent and done so thriftily.
- Greater importance on leaving citizens the necessities of life rather than the state administering supplies to them.
  - (*This is the Welfare of the USA*).
- Removal or cutting off of all bureaucracies and their spending including the Nazis.
  - (*BATFE, OSHA, HEW, EPA, ETC.*)

The voice of true Germany and the United States of America must demand that the order and the commandments of God be respected. The voice of true Germany and the United States of America is the voice of Christian doctrine our Bible Doctrine. To assume that the future could be built on unhappiness of others is in error and suppression of human dignity is a terrible error and these roots go back to the treaty of Versailles. Along with Freud we must agree that Woodrow Wilson was the silliest man ever to live. We must always allow each person a sense of honor and what we want for self we must grant for others. For peace to last international confidence in the new Germany is essential. Confidence cannot be forced or attained by talk and we understand that all leaders of state must want the best for all their people and an end of conflict with constructive prospects for the future. We must be guided by God's commandments and must follow these even when extremely difficult. {Signed by Field Marshal Eric Von Vitzlaben written by the Prussian Officer Corps which had as its most basic tenet Christian doctrine from the days of Prussian knights in Poland.}

This was never published because Hitler was not killed and because The Lord Jesus, The Christ controls Human History. This document lines up with Bible Doctrine and the thinking of the forefathers of the United States of America in establishing the government on this continent. This document was 11 years too late for Germany and after the "Night of the Long Knives" was the last chance that Germany had to change. This night was the last warning Germany had that they were being exploited by SOCIALISM just as occurred in 1917 when the Russians were exploited by it. The systems were the same and the Evil was the same and there is no difference between Bolsheviks and Nazis.

This is the warning Americans have been living under in the United States of America for many decades even before World War II. These ideas had resided in the minds of famous German officers for many years and yet even though they could think these things their country was led astray. The one overriding thought found in these words was the fallacies of SOCIALISM and WELFARE STATE, and this same disease has infected and spread throughout the world and its

contagion is beyond description. The people begin their degeneration in 2 areas, they accept socialism in the welfare state and also Christian doctrine with the 2 being antithetical. The wall of what is right and wrong between these is broken down by part of the Interlocking System of Arrogance. This wall breaking is demonstrated in the rise of social action like that fostered by the national and world council of churches since the 1920's, and this was only hindered in its advance by World War II which brought a relief from the implications of this policy but not from the preaching of it. The Methodists ultimately led the way in the United States with many others followed along. In the 1970s there had been a Neo-Arrogant Self Righteousness which is based on social action and welfare state function and has nothing to do with Christian doctrine. It requires one to 'become involved' and stick one's nose into other people's business and tell them how to run their lives. This has been magnified and infiltrated from pseudo Christian roots into the American state department where there is the presumption to tell other nations how to run their governments. Every nation the United States tries to tell how to run their business is ultimately taken over by communism. The United States of America presumed to tell Cambodia how to run their business and their people have been exterminated by Chinese and North Vietnamese communism.

No nation ever goes down under the 5<sup>th</sup> cycle of Divine Discipline without complicity from the people of that nation. Adolph Hitler had absolute control of Germany through the violence of the Gestapo and SS. However, Austrians voted to have Hitler come in and take over their nation when they were in economic crisis. The people of Germany put Hitler in Power and long before Hitler became an evil dictator the people had rejected Truth which in fact opened the door for Hitler. This also occurred in Russia where the people rejected Truth Long before Lenin and a measly 100,000 hard core Bolsheviks came into power. *Therefore, national leadership reflects only what the people are willing to accept or believe and therefore reflects the thinking of the People.* In a republic which has degenerated into a socialistic democracy (the United States of America) NO ONE can attach full blame to any failures of the nation to the representatives in the government since having such representation is the decision of the majority of the people in the nation (until recently with the advent of blatant election fraud being the new system of gaining power). When the majority of the people consistently reject Truth in any of the 3 forms they then can ONLY believe and accept the LIE which is the policy and plan of Satan, EVIL. From their faith in the Lie, such as welfare or socialism, they elect to power those who will promote the Lie thereby resulting in the imminent destruction of the nation. There is a LIE which has been around for at least 3000 years expressed best by the Romans in "Vocs Populii Vocs Dae", "The Voice of the People is the Voice of God." This is saying basically that majority public opinion is Truth. However, the reality of such a statement is found in the contrary position of "The voice of the people is a voice and NOTHING MORE". Society and nations must function under the Status Quo of the principle that "Truth Must Prevail" and thereby life will have virtue, freedom, purpose and definition as far as the client nation is concerned. Unless Truth prevails a Nation lives in vain. To the apostate in the client nation the Romans also say "Life without learning is DEATH" and learning must be with regard to Absolute Truth. Learning Bible Doctrine believing Truth, receiving the Gospel is, therefore, the true strength of any nation.

Life today is that which is in a cruel world where satanic policies are dominant and only slightly frustrated by Bible Doctrine. Life in this client nation to God has been in the process of self destruction for many decades and history demonstrates that every client nation has done this long before any military conquest occurs. Every time there is a problem the government comes up with a human based solution which in fact simply intensifies the problem because it is not based on Establishment Principles. There can be no solutions to the absolute dysfunction of this nation until many people die from starvation or are killed in mass in natural or military disaster. The problem in the nation is based on the THINKING or lack thereof in the people individually. This is what the federal government causes when people, through their own Arrogant thinking, Arrogant public opinion and misguided voting, allow the hypocrisy and Self Righteousness of the welfare state to exist, it being one of the all time greatest hypocrisies of history and life.

In a client nation to God there must be the ability and freedom to set up the Local Church so that Bible Doctrine can be taught so that believers can advance to Maturity Adjustment to the Justice of God and form a pivot, the key to prosperity, blessing and preservation of the client nation IF THEY DESIRE THIS. The Local Church is also to send out missionaries for evangelizing other nations. This breaks down when the government, like that in the United States, sends out state department people, congressmen and senators to tell other nations they will not receive financial help unless they do what they are told to do. Woodrow Wilson did this first in Mexico and forced American standards on them in his incredible Self Righteous Arrogance and hypocrisy. It is now interesting to reflect on how Mexico in the recent past was demanding so much from the United States of America at the border and was and is still sending criminals to America in mass and is in fact demanding they be accepted unconditionally. That is until Mr. Trump took office, but that time is now past again. It was this nations pride, vanity and Arrogance in telling Rhodesia and South African how to run their business when they were in fact the greatest bastions of freedom in Africa if not the world at that time. The funny thing is that America does not try to tell Russia or China how to run their business and totally ignored the devastation which occurred in Cambodia and ignored the travesties of having lost the Vietnam and Korean wars to communism because of a lack of moral courage as a nation. The inconsistency, hypocrisy and Self Righteousness of the government and this nation as a whole is completely obvious and this is a major part of the degeneracy in this client nation. These functions are as degenerate in their Self Righteous function and Modus Operandi as is the immorality in the form of the sexual distortion in homosexuality.

Client nations are also required to send out missionaries to give other peoples a chance to express their Positive or Negative Volition toward the Gospel of Christ and Bible Doctrine but are not to try to tell those people how to run their business. One of the overwhelming mistakes of the United States has been allowing missionaries to go to other countries who confuse Christianity with civilization and then try to “civilize” the people and get the tribal chief to give up his extra wives, or clothe his people, etc. This same thing also occurs in local churches in America where the people and pastor try to tell the congregation how to dress or groom themselves or engage in other social interference. The only thing necessary in going to

any local church is to go in with Positive Volition for learning Bible Doctrine which provision in fact is the ONLY purpose for the Local Church. The client nation also is to provide a haven for Jews whether believer or unbeliever because God punishes antisemitism in every case and demands protection for the Jews. The believer in The Lord Jesus, The Christ also is responsible to present the Truth of the Gospel of Christ without coercion or distortion added and let the results remain with God and this is how the functions of freedom can be observed and preserved in the nation and prevent national arrogance from arising.

### **Virtue, Honor, Integrity & Client Nation Arrogance**

The greatest issue involved in the factors regarding the status of the Client Nation is VIRTUE. It is Virtue Morality vs Arrogance Morality or Self Righteous Arrogance in the people. Virtue is always the major issue with the formation and continued existence of the Client Nation and as long as virtue exists the Authority – Freedom interaction under the Laws of Divine Establishment will function properly and morality will be based on virtue. However, if Virtue is lost by an arrogant generation in a Client Nation living consistently within the Cosmic Dynaspheres this causes special Divine Discipline in the 5 cycles for the nation.

National Arrogance produces a nation of restless and unhappy people who lack integrity, honor and objectivity and can neither appreciate nor evaluate the accouterments of happiness or prosperity for they are without capacity for either. The United States has been approaching and is, in fact today, in crisis because the people are in the disaster of saturated public Arrogance. The missing link in American life is Integrity and Honor based on the principle of Humility and freedom from the Interlocking System of Arrogance. This nation was founded on the principle of Integrity and Honor in the population and is failing today as a result of a lack of these attributes in the overall population.

### **Attitudes of People under National Arrogance**

**Self Serving** characterizes both believers and unbelievers being derived from Self Absorption.

**Entitlement** results in blinding people concerning their functioning under the Arrogance Skills where they feel entitled to do whatever they want, to pursue any lust pattern, even to engage in Criminality.

**Self Gratification** as the need to fulfill one's wishes and deepest desires instantly without consideration for others or the ramifications of such fulfillment.

**Outside Problem Solutions** coming from big government instead of from personal volition, freedom and privacy based on Metabolized Bible Doctrine.

Unrealistic Expectations results from becoming a society obsessed with solutions based on magical thinking.

**Unrestrained Modus Vivendi** feeling exempt from the rules of God so that one can pursue any desires and fulfill any personal wish which results in:

- ✧ Murder and other serious crimes against freedom which must be, but are not, punished by execution
- ✧ Incorrigible Teenagers who when found guilty must be, but are not, executed.
- ✧ Activism in all forms and venues which reject freedom, privacy, sacredness of property and life, and exists on the basis of the irrationality of Emotionalism and basically supports Socialism whereby the government has solutions for all problems.

The only thing which can preserve a people in any great city, state or nation where Arrogance develops is MAXIMUM level of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul of one (1) or more believers. If the United States of America is to be preserved from the impending historical disasters which are overtaking it there must be a change in the attitude of the average believer so that Bible Doctrine can be accumulated in their souls. One can do great things for others who are experiencing personal adversity but these others can have an attitude of being totally ungrateful when their personal crisis is over. One president of the United States of America, having an attitude of bleeding heart do good liberalism, pardoned the men who ran from military service during the Vietnam War, this made him also a traitor. To pardon anyone who refuses military service is to make self a traitor and demonstrate total ignorance of the principle that all freedom comes through military service and their victory in battle. There is widespread universal ignorance of the fact that all the blessing that exists in this country is as a result of those who have given their lives through military service. This was CLEARLY demonstrated in the ungratefulness of the population toward those in the military returning home during the Vietnam war. Politicians in the United States being focused primarily on maintaining their political position, almost always ruin the nation, whereas, it is the man in the military uniform which delivers the nation. People may be ungrateful toward those who serve and protect their nation but God will remember these men who have functioned in life under the doctrinal principles of the Laws of Divine Establishment and have served their country in the armed forces. Inevitably, historically, especially in the United States of America, once the national crisis is past no one appreciates the doctrines related to the ones who delivered them from the crisis. The history of the United States of America is that of a single politician destroying all the good done by military victory. If the United States of America is to continue as a nation it will be because of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul of the believers and not because of any politician.

### Degeneracy & Divine Discipline

Historically every instance of Divine Discipline which occurs to the United States, as a client nation to God, as well as each believer individually in this client nation, is related to these principles:

- ✧ Being saturated with National Arrogance which has replaced the correct function under the Laws of Divine Establishment in this nation.
- ✧ Abandonment of the Free Enterprise system.
- ✧ Rejection of the principle of freedom through military victory and downgrading even degrading the Military.
- ✧ Subverting and Liberalizing the jurisprudence system which is specifically designed to

control crime.

Everywhere one may look, in all segments of society and all functions in the nation, the Interlocking System of Arrogance is destroying this client nation to God. In every corner of the world there is a degrading and destruction of the nations of the world, including this nation, because of their degeneracy. DEGENERACY is not immorality, and immorality is only a manifestation of it. Degeneracy lives in the soul of every individual as the Interlocking System of Arrogance. Just as God has in the past used Assyrians and Chaldeans to punish client nation Israel so in this time in history He has used and will continue to use the communists and moslems to scourge the nations of the world, especially the United States of America. Many of the nations which have been destroyed internally and which have fallen to tyranny and with which, in our liberal policies, the United States sympathizes, in reality are degenerate and have entered nationally, collectively, into the Interlocking System of Arrogance. Nations existing under these conditions, including the United States, must be destroyed so that future generations have the freedom and opportunity to receive The Lord Jesus, The Christ as savior. As a result of the degeneracy of the nations in the western hemisphere, the United States is now cut off to the south because all countries south of our borders, from Cuba across central America including El Salvador, Nicaragua, Guatemala, Panama and Mexico are all locked in as a ring of communism.

Anyone who has the attitude of wanting something for nothing and who does not want to follow the Laws of Divine Establishment in earning their own way is Arrogant. Anyone who goes on and continues to live by welfare support is consistently Arrogant. These are the people who are most inclined to snobbery and have formed their own aristocracy of WORTHLESSNESS. When labor unions can negotiate with management and win so that if they work they receive full pay but if they do not work they still get 80% of their pay there is an aristocracy of EVIL developed there. These form a snobbery under the Interlocking System of Arrogance which is what has occurred in the United States. People in this nation have rejected the Laws of Divine Establishment and Divine Institutions overall and elected those who neither understand nor accept establishment freedom. This is epitomized in Carter, Clinton, Obama and especially Biden. When there are irresponsible and totally incompetent people elected to government offices in the legislative and executive branches and when there are those appointed to the Courts in the judicial field who do not enforce the law in terms of the United States constitution but interpret it in terms of socialism and welfare function then there is total irresponsibility in government. THIS is the United States of America today. Because this trend has not turned around as a result of believers in the nation having Positive Volition toward Bible Doctrine and forming a larger pivot there have already been 4 stages of degradation in effect for the United States. This is the case which can be observe today with the people of the nation being:

- Deprived of Truth as a result of individual personal Negative Volition
- Led Astray as a result of rejection of Truth being only able to believe the LIE from Evil
- Ruined under 4 cycles of national Divine Discipline, the current status quo
- Destroyed under the 5<sup>th</sup> cycle of national Divine Discipline, coming soon to a neighborhood near you!

### The LIES of Evil

The United States of America has lasted longer than the 5 years predicted at the time of the presentation of these original lessons. This was, apparently and obviously, a reprieve from God based on the Positive Volition in believers generated at that time. HOWEVER, the country is right back, with greater intensity, to the same situation which had been occurring in the late 1970s and early 80s. There is again such incredible Negative Volition toward Absolute Truth and total acceptance of the LIES of EVIL with disillusion and deception rampant in the society so that the nation is literally on the very BRINK of self destruction. The Lord Jesus, The Christ controls Human History and no nation ever falls without his approval and there is degeneracy in all nations but that which exists in the United States of America today is a far greater and more devastating degeneracy. Consider Iran from the 70's and Czechoslovakia, Hungary, Romania, Russia and China and that all were saturated with degeneracy from the Interlocking System of Arrogance and once the degeneracy set in nothing could stop the destruction of those nations. This is the Status Quo in the United States of America which was given a final opportunity for recovery, to some extent, with the election and strong administration of President Trump. However, this has passed because the people have failed to wake up and collectively have had NO change of thinking and believers continue to express a strong Negative Volition toward Bible Doctrine and fail because of making only minuscule if any advances toward Maturity Adjustment to the Justice of God. In effect this was most likely the FINAL warning from God. Believers must persist in doctrinal intake forming a greater pivot and on the part of the unbeliever there must be understanding and function under the principles of the Laws of Divine Establishment and Divine Institutions else the United States will follow other fallen nations. However, have confidence, the downfall of the United States as a client nation will not stop Human History nor even slow the Plan of God in any way. The Plan of God will not terminate because of an individual's or nation's failure and fall nor will it be stopped by any presumed World War or nuclear disaster. History will ONLY end with the 2<sup>nd</sup> advent of The Lord Jesus, The Christ and the completion of his millennial reign on this earth. The earth will eventually be destroyed but not by man or any of his devices, inventions or stupidity but only by Christ who controls Human History.

All Divine Discipline comes from the Justice of God which is ½ of the Integrity of God and the Omniscience of God knows all facts of all things and the Justice of God is perfect in its fairness in his execution of Divine Discipline. God never has even one time in all of Human History ever judged any nation or individual in an unfair way. The Justice of God is perfect and he is eternal and his justice has functioned properly from Eternity Past. The rise or fall of America will not effect the continuation of Human History since Jesus Christ will not permit any nation or individual to go beyond a certain point of degeneracy from the Interlocking System of Arrogance and this has been put into the Divine Decree from Eternity Past. Since the early 1900's the Lord has been tapping his foot with impatience and holding back the collective national Divine Discipline for the United States, but it WILL come whether from economic, military, natural, outside historical disasters or pressures from communism or islam, or all of these combines, but understand, most certainly IT WILL COME. It will come to America because the people of the United States of America are no longer the American People of the past but today are saturated with degeneracy from the Interlocking System of Arrogance and

apostasy from [Reversionism](#) and as a result, this nation MUST be disciplined.

### [Labor Union Attitudes](#)

There are cliches of Socialism which have infiltrated the thinking and function of the people of this nation one of which is the right of labor to STRIKE. The whole system of unionism and striking is one of the greatest attacks of the EVIL of socialism on Free Enterprise which is part of the Laws of Divine Establishment. In the work force of any business there are no 2 people doing the same job who should receive the same wage since one will most certainly be better at his job than the other. Because of unions there is a superimposed system of tyranny called Equality of Wages which has been developed. This destroys all incentive for labor in business to be doing a good job. Everyone knows the inconvenience and dangers of labor strikes and few question the right to strike but in reality this is based totally on EVIL. The blame for abuses of this pseudo “right” are most often placed on the bungling and abuses of men who are in control of the strike. The right to strike has been legalized in the United States of America but it is impossible to find a moral, ethical or biblical sanction for labor strikes in any code. Under the biblical principles of the Laws of Divine Establishment the worker has a right to quit his job even workers in mass or in unison but this is not striking unless some force or threat of force is used to prevent the business from filling the vacated jobs. The essence of a strike is BLACKMAIL in the form of a coercion to force an unwilling exchange or inhibit a willing exchange. No person nor any group of persons has any moral right to force themselves on an employer at a price which they have set for themselves nor to forcibly preclude the employer from hiring others at the price he chooses to set. No 2 people are equal in any aspect of life, nor are they entitled to the same wage for even the exact same job and no 2 people have the same mental attitude on the job when doing the same thing and no 2 have the same ability or skill for doing that job. The whole underlying concept of a labor strike is a system of tyranny which hurts the striking man much more than the business. When one believes in the right to engage in labor strikes this is comparable to saying one endorses monopoly power for the sole purpose of excluding business competitors. It is like saying Government control over business is preferable to voluntary exchange between buyers and sellers who are free to accept or reject the offering prices set by the sellers. Sanctioning the right to strike says “might makes right” and deep in the concept of the right to strike is the notion that an employee has a right to continue an engagement once he has begun it as if the engagement is his own personal property. The reality is that the right to a job which has been vacated, even temporarily as in a strike, is no more valid than the right to a job one never held. The inconvenience to individuals and dangers to the economy as a result of labor strikes should not be blamed on the bungling, ignorance or evil of the men manipulating the strikers but the censor should be directed at the FALSE IDEA that there is a Right to Strike. This whole idea is sloppy ridiculous thinking of the so called moral individuals saturated with [Self Righteous Arrogance](#) for their own causes.

### [Slavery vs Freedom](#)

Slavery in all nations which function under a system of freedom will eventually be voluntarily eradicated but should NOT occur through legislation and NEVER through violence. When violence is used to free slaves it always gives a very erroneous impression to those being freed.

The American 2<sup>nd</sup> War for Independence gave a very bad impression to the freed slaves in the south and it was totally and completely wrong. It was exploited by radical republicans clearly demonstrated by the disastrous things which occurred in the south after the war. These enslaved people were told that they were equal with all others as a result of having been freed. However, they did not ever learn to understand the “Responsibility” which comes with freedom. There have been great exceptions to this lack of understanding including Booker T. Washington, or George Washington Carver who, understanding the responsibility of freedom, tried to warn their people but their warnings went unheeded. These people, as will all in Arrogance, only listen to flattery and not ever to the Truth and these negroid peoples have, since the end of the civil war, been constantly flattered by legislators, who only desire to stay in office and keep them under another form of total government slavery. They have never understood the Truth that under the principle of freedom one has a right to advance in life and can advance but never by being given anything for nothing. What most people fail to understand about freedom, whether they have been slaves or have always been free, is that each individual also has a RIGHT to FAIL totally and destroy himself. Free people have responsibility which goes with freedom and individual self determination must in a nation be merged into collective self determination. When engaged in a position of employment and not doing the work properly that individual should and MUST be terminated from the job because of lack of competence in that job. Never is there a right to be compensated for incompetence in a free society. The American free society has wiped out its own freedom by giving monetary and logistical help to those who are incompetent. When the government supports these incompetent people, in effect they are told that they are owed a living and they have no responsibility for their failures under this system of “freedom”. When these categories of people, under this type of a system of government support of incompetence, learn that there is responsibility which goes with freedom they inevitably must learn it the hard way by starving to death or dying in the streets from their own violence. American current ongoing domestic policy is totally anti-constitutional and anti-Laws of Divine Establishment and anti-Divine Institutions and when any person is fired from a job he has absolutely NO RIGHT to be reemployed despite his incompetence. People must learn responsibility and that having freedom demands responsibility. When fired from a job it should not and must not ever be because of race, gender or any other factor except that the worker is an incompetent, poorly motivated person or because that particular job requires too high a level of function or skill for him and he should be placed in a lower level job. In our society under the present conditions, Arrogance is the problem and collective racial Arrogance is what we see in the United States of America today instead of collective self determination. There should be no [Hangups](#), [Pride](#) or [Bitterness](#) but only the use of self determination in doing a good job and advancing in the temporal realm and also self determination in consistently taking in Bible Doctrine to advance in the spiritual realm.

Revolution appeals to [Mental Attitude Arrogance](#) especially Bitterness and these MAKE A GREAT COMBINATION DERIVED FROM EVIL. There are no black, brown, red or yellow men in this country who have any right to Bitterness about anything. Arrogance is what makes these people bitter as a result of their having listened to constant political flattery. Everyone in this country has a right to freedom and self determination but all must recognize the problems

which Freedom brings as a result of every person having an Old Sin Nature. It is too easy to fall into Mental Attitude Arrogance resulting from Evil and express Bitterness toward anyone in authority. God has a plan for the life of every believer and it does not include Arrogance, in fact, in the Plan of God, his system of function excises these trends. Anyone who comes from an economically insufficient background has no right to any Mental Attitude Arrogance especially not Bitterness. For the believer in The Lord Jesus, The Christ, God has a perfect plan for his life and this never goes contrary to any government where any form of freedom exists as a result of functioning under the Laws of Divine Establishment. Rome, as a republic, had no freedom and only as an empire did freedom flourish in Rome similar to what occurred under the monarchy of England. The United States of America as a republic has had great freedom but this freedom can only continue to exist and persist as a result of Honor and Integrity in the people. Unfortunately for America, there is a greater and greater lack of Honor and Integrity in the people. Freedom can exist under all forms of government and is precious and far more important than Arrogance, Hangups and even than life itself.

### Mental Attitude Arrogance

Even the most Arrogant of people whether intelligent, ignorant or even stupid eventually realize at some time in life that they have failed, most likely AGAIN. Of all the sins or failures possible in the Human Race the ones a person pays for the most are those in the Interlocking System of Arrogance and within that realm, Mental Attitude Arrogance with its Mental Attitude Sins especially Pride which encompasses the worst of all. More believers are disciplined for Mental Attitude Sins than anything else in life and most of them are not even aware that they and their Mental Attitude Sins are a pain in the neck for God. For most of these believers there has to be one real crisis or some unusually tragic event to allow them a final chance to straighten out their thinking and remove themselves from Arrogance. Arrogance has better hindsight than foresight and as a result of saturated National Arrogance in the United States of America the people have been taught to relate to things after the fact especially by the entertainment media. This country desperately needs graphic public execution of criminals by hanging from lamp posts or the trees in their own yards or by drawing and quartering them on the sidewalks of their home towns. Liberalism in all forms is Mental Arrogance and is therefore not related to reality with liberals always being:

- ✧ Anti Law Enforcement
- ✧ Anti Law and Proper Judicial Function
- ✧ Pro Criminal and ignore the victims of crime
- ✧ Anti Military

### Impulsive Thinking & Actions

When a society degenerates the majority of the Arrogance is found in the lower classes and is the real reason revolutions occur. This situation is, in fact, the origin of revolution. Revolution is the Impulsive Arrogance of scum and the lower class of citizens or, like in France, the middle class. Revolution always starts from Arrogance and is always impulsive and once begun it becomes impossible to withdraw the impulsive actions. An impulsive action cannot ever be withdrawn or apologized for and it will never help to try to reconcile the results of the impulsive actions. One will always pay dearly for impulsive acts and the only

way to NOT repeat impulsive actions is the consistent Perception, Cognition, Incultation, Metabolization & Application of Bible Doctrine.

The point and lesson here is to always THINK BEFORE ENGAGING IN ACTION. If one is moved to action by impulse as motivation 9 out of 10 times he will be wrong and the 10<sup>th</sup> he will have only slight justification if any. If one is considering doing something impulsive or violent he must think first because everything he does in life which is good must come from thought not impulse and emotion. If one is motivated by thought with regard to his actions he has a chance in life because it is inevitable, if he has inculcated Bible Doctrine, that he will be motivated by Divine Viewpoint. Arrogant individuals never think before they act and they never make any advances in life until they acquire Humility. In all cases the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine can bring one to the point of [Humility](#) if he retains residence and function in the [Divine Dynasphere](#). However, many believers often become Arrogant about the Bible Doctrine they learn and Doctrine, when learned, can stimulate either Humility or Arrogance. The day for the toleration of impulsive action is gone and it is inevitable, in a declining society such as in the United States, that there will be maximum Arrogance and maximum Impulsive Actions as a result.

### [Invincibility & Client Nations](#)

The believer in the client nation, especially here in the United States of America, often receives the erroneous impression that they are invincible and that God is on America's side. Nothing could be further from the Truth at this time in history since America is in fact under the Cycles of Divine Discipline. The people of the United States of America have an Arrogance which infers that they cannot be destroyed or conquered. Both nations and individuals who are Arrogant and or Self Righteous always feel that God is on their side and that the Justice of God will always rule in favor for them against anyone else. The only way for God to change this erroneous opinion individually or nationally is through the administration of very severe Divine Discipline which NO ONE should ever desire. This especially applies to the Jew, who because of past relationship with God, often assumes, in Arrogance, a partiality toward them by God. They assume an invincibility and that the Justice of God will always rule in their favor in history. Because of past relationship with God the citizens of the client nation United States of America always assume that God will never judge this country and the United States of America will go on forever. Both are erroneous. God is impartial in the function of his justice. Blessings, both individually and nationally, come from the impartiality of God and the believer should thank God for his impartiality. It is the impartial person who has capacity for life and love and all greatness, in any area of life, starts with impartiality, while Arrogance is the thing which will destroy everything in life. Therefore, one cannot be Arrogant about anything in life and be good at anything.

### [Liberalism & Minorities](#)

In the United States of America as a result of the population being saturated with Arrogance there is the overriding rejection of authority and abuse of freedom by the people. America has, as a result, adopted welfare systems, socialism and communist functions as solutions to national social problems. These things have chipped away at freedom destroying it bit by bit with only

abusive authority left. The situation is such that whoever the national representatives may be they take more and more power without accountability and this once great nation moves closer to absolute tyranny in the name of the greater good for the greater number. This can only be changed by the development of a pivot of mature believers to become the preservative of the nation. Unfortunately there may not be sufficient time for this to occur in the United States today. In the past the United States has been one of the most stable nations of the world but since the early 1900s it has been extremely unstable. This has occurred as a result of allowing people, in their Arrogance, to call themselves “minorities” and to demand things be given to them which they do not deserve and cannot on their own earn. This is WRONG and based on EVIL because they should be required to prove themselves in society in order to receive the things they are demanding. The majority of people in “minorities”, including illegals aliens and moslems, today are disruptive, criminal and disoriented to reality in life and if their standards are accepted this nation will end up being no better off than THEIR fore bearers in Africa and the middle east. America will then become part of the animalism of their enslavement. This is the reason that the communist conspiracy has encouraged the people in the United States to reject and depart from America’s Anglo Saxon heritage which accepts Jews and all races and welcomes them in the name of freedom WITHOUT LOWERING ITS STANDARDS OR CHANGING ITS HERITAGE. Most of the crime occurring in this nation occurs by blacks, browns, illegals and moslems and their standards of life do not come up to the standards America has had during its history. Educationally, public schools have been required by federal funding and guidelines to lower their standards, demonstrated by the Common Core principles instituted under Obama. Americans had been told many decades ago that a second inferior language must be accepted and used in the public schools and as a result of this, the nation will fail as has occurred historically in all multi lingual nations and the people will be reduced to living in a social jungle. There are rumors of teaching children in history that the American War for Independence occurred because ENGLAND did not want slavery and the United States did. This is the Arrogance of blacks trying to rewrite history to gain greater ascendancy in the nation.

The American bleeding heart do good liberal has been destroying the United States of America since the early 1900’s. While the sincere, do good liberal who is pleasing of personality, the promotional people of Self Righteousness, the maudlin emotionalist of distorted love, always impresses others and themselves, GOD is never impressed and never approves of them. At the very moment that one becomes involved in the Interlocking System of Arrogance at any level and jumps onto his Self Righteous high horse, he loses the approval of and relationship with God. As his Self Righteousness is stimulated by others he starts to think he is great and the next thing to occur is that he now judges and maligns others who do not measure up to HIS greatness. The people in general, in the United States of America are a Petty, Arrogant people and are very unamerican, without good common sense and without a relaxed sense of humor having no ability to laugh at self and other aspects of life. Americans today are a Self Righteous people and have the temerity to go to other nations and blackmail them into compliance with America’s demands, clearly demonstrated by what occurred in Rhodesia, South Africa, Nicaragua, etc. Americans today are full of Arrogance and Self Righteousness and this nation today is, in reality, a socialistic welfare state. The American government at every turn

is throttling and destroying every form of freedom and is a tyranny to the people. The government constantly caters to the so called “minorities” and these have become a ‘[Religious](#)’ Self Righteous people saturated with Evil. American believers are an extremely Arrogant people with the average fundamentalist Christian explicitly showing this in HIS [Emotional Revolt of the Soul](#) functions. These believers are proud of their own sacrifices and their erroneous opinions and are in desperate need of truly relaxed Enforced Humility but this is only developed within the [Divine Dynasphere](#) which they do not, in any way comprehend. Americans must stop having illusions of greatness and stop overstepping authority and becoming tyrannical and abusing others. With the development of Humility the people can stop being critical, gossipy vindictive maligners, and stop trying to build happiness on another’s unhappiness learning to live and let live under true freedom. It is only with Humility that people can begin to see a true perspective of life.

Doing good for others is a competitive game in this country and when one person or group is doing good then another has to out do them with more good. This is what is demonstrated in government representatives seeing one person start to try to save the children by opposing the 2<sup>nd</sup> amendment then another one has to try to do more good such as adding taxes to ammunition and firearms and requiring federal licensing for purchase privileges, ETC. This is what has occurred in every area of American Constitutional freedoms as they are regulated, eroded and destroyed. [Human Good](#) is a competitive production system and a wrong kind of competition being totally fueled by the principles of EVIL under Satan’s plan. This is again one politician trying to start a system of helping the people and then others try to out do that person and when everyone tries to help, the people who are the object of this ‘help’ become totally HELPLESS. When there are not enough things to do good about these liberals dig up things to FEEL good about. They engage in doing such things as giving homosexuals special rights including the idiocy of the right to homosexual marriage or gender transformations based on a young child’s desires. The Jews in the Old Testament Scripture followed the word of God and simply executed homosexuals and even God executed whole city states in Sodom and Gomorrah and the many nations derived from the Canaanitish Religion. Believers under consistent Positive Volition toward Bible Doctrine are out of the competitive market as a result of the Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and must never try to out do others.

[Negative Volition Arrogance](#) is the general trend and major problem in any client nation which begins the client nation on its path to failure and downfall. Client nations have great prosperity from following the Laws of Divine Establishment related to freedom and Free Enterprise in the economy, with sanctity of privacy and property of individuals and leaving charity to individual volition rather than trying to force charity on the general population through the tyranny of welfare state functions as the liberals constantly do. This is what changes the patriotism of citizens in a client nation into resentment. This is where there abounds [Scar Tissue of the Soul](#) development and therefore Interlocking System of Arrogance involvement and the ramifications on the nation are far reaching. Then there develops rampant immorality with general acceptance of all varieties of sexual distortion from bestiality and homosexuality to gender modification along with others trends which are not ordinarily

accepted in a society (this is not inferring that these do not exist in all societies). As a result of generalized Reversionism and Arrogant degeneracy, society accepts these things and becomes very sympathetic to crime and criminals and antagonistic toward Law Enforcement with the result that there is intimidation and thus failure in the courts to uphold justice. The judges being intimidated no longer enforce the law but make their own law and turn back into society criminals who have no respect for law and thus no restraint on their tendencies to crime, the result is immoral degeneracy. This has been occurring in the United States of America since, at the very least, the 1960's and criminals generally have their way in court since the people won't convict and remove them from society by execution. Liberal ideas permeate society and the courts and they will not execute criminals and as a result crime is rampant and prisons are overcrowded with criminals who should have been executed. As a result the prisons have become a training ground for more effective CRIME. This makes Law Enforcement terribly difficult with officers being caught between intimidated judges and the resentful general public and always being considered the ones in the wrong. It is much more difficult to be in Law Enforcement on patrol than it is to be in the State Department or function as President of the United States. It is very easy to become bitter about this and this no one can afford this Bitterness at any time in history. Bitterness is one way in which people slip into Blind Arrogance and then interlock into the entire System of Arrogance.

### Bureaucratic Attitudes

In the American government today, small minded, inconsequential people, who have no right to pride or any level of Arrogance, enter into the bureaucracies of government and immediately have the greatest Arrogance imaginable. This has formed a bubble in our society which must break and when it does there will be disaster throughout the nation. Whether it is the bureaucracy related to health and education or firearms and explosives or environment or welfare or even the American Indian, they are all inherently destructive to the nation and not authorized by the American Constitution. It is possible to ultimately balance the American budget by canceling all bureaucracies and firing all their employees along with canceling all federal grant programs. The underlying problem in this Constitutional Republic is that the American government has extended the voting franchise much too far and needs to limit this franchise to responsible people as it was originally designed. It must remove the irresponsible from voting since they have been and will continue to always outvote the responsible people for their own self interest not having a care about the welfare of the nation. The people in government offices are as imbecilic as those who have elected them and they don't usually know much about the nation and how it is supposed to function but they are constantly panicking with regard to their own position and what they must do to keep it. In past history, by not supporting Rhodesia against communism, America is responsible for the deaths of millions of wonderful white and black people. This same thing also occurred in South Africa, Russia, China, Korea and many other areas of the world.

### Anti-Free Enterprise Attitudes

Many people fail to recognize that it is someone's ability which makes it possible for many others to have jobs and materialistic things in life. People have lost the ability to be appreciative of these things, as a result of having lost capacity for life. When a person is truly

appreciative he is not jealous of the one who makes it possible for him to succeed. Petty people run around and say that large companies do not, but should, SHARE their profits with the people and the people claiming this are truly saturated with Evil. These great companies must put their profits back into equipment and not give them to the people nor the government. Since they have not been able to do this and because of the trend toward Arrogant jealousy and vindictiveness, and because of the arrogance of labor unions, businesses in the United States of America have totally lost out in world markets and manufacturing. This also occurred in England before and after WWI where their machinery was totally degraded and needed to be replaced and because the industry could not do it they were failing in world markets. America is now where England was at that time. However, because of the efforts of Mr. Trump and his administration the United States of America began to bring business and manufacturing back into the country, however, the fraudulent theft of the 2020 election by the democratic party curtailed this completely. Germany rebuilt their machinery with new equipment and outproduced England in world markets after World War I. This also has occurred in Japan, where the American military has proposed moving their warship construction to at this time, and is occurring today in China both WHO have been outproducing America since the 1970s. This is the result of the American government forcing companies to give all their profits back to the people or to the government via corporate taxation thereby being unable to put anything back into upgrading the companies. The average person has a hard time seeing life from the executive view of capitalism and from the view of those who have to meet the payrolls and as a result they become imbecilic people encouraging EVIL in the nation.

### Tyrannical Attitudes

The tyrannical dictator at any level will always “exalt” himself from the incredible Arrogance which comes with exercising too much power. This is the basis of function of all tyrants. Any time a nation has a tyrannical dictator the people may not have voted or selected him for his position but still he represents the Status Quo of the thinking and attitudes of that people in history. ([2Thes 2:4](#)) A dictator always represents the attitude of the people of his nation with regard to Truth in the form of the Laws of Divine Establishment, Divine Institutions or Bible Doctrine. [Dan 5:20](#) is the classic passage of the word of God which relates [Scar Tissue of the Soul](#) to the Interlocking System of Arrogance in the tyranny of Nebuchadnezzar. Involvement in the Interlocking System of Arrogance results eventually in total rejection of Bible Doctrine, the Laws of Divine Establishment, the Divine Institutions, and any Absolute Truth in any category and thereby builds concentrated Scar Tissue in the Right Lobe of the Soul. This was the revolution which overtook Nebuchadnezzar and it was punishment from God for his Interlocking System of Arrogance involvement related to Scar Tissue of the Soul. One of the final Jewish kings, Zedekiah, in the southern kingdom of Judah just before the 5<sup>th</sup> cycle of Divine Discipline was administered is also related to this subject. ([2Chron 36:12-13](#)) Jeremiah had authority in the spiritual realm which the king did not possess and when he went to the king and taught him doctrine Zedekiah did not accept that authority nor the doctrine. The Interlocking System of Arrogance produced rejection of Bible Doctrine so that Zedekiah said ‘NO’ over and over again and this intensified his Arrogance and demonstrated that in the cases of Negative Volition Arrogance, the Interlocking System of Arrogance and Scar Tissue of the Soul always go together and this combination is the basic interaction of degeneration and

apostasy. Apostasy is the Negative Volition toward Bible Doctrine of Reversionism and when combined with involvement in the Interlocking System of Arrogance degeneracy it destroys the individuals or nations who engage in it.

### **National Arrogance & Public Demonstrations and Marches**

The very IDEA of publicly demonstrating against some concept or idea is an EVIL system and these people are simply MOBS, thoughtless, useless mobs, controlled by someone who has a plan and wants power. Public Demonstrators always reflect total involvement in the Interlocking System of Arrogance and many, even though they think they are doing things right, are involved in Blind Arrogance. Nothing is accomplished by demonstrations or marches and the correct way to redress grievances, issues and problems in our government under the United States Constitution is through written opposition as petitions and the use of the principle of Debate of Issues and opposition to policy and redevelopment of policy which are legitimate functions involving intellect, rationalism and thought. However, DEMONSTRATION is a mob function which goes forth based on Emotion and Arrogance and is totally EVIL.

It is ultimately the people who control the Status Quo of a nation and by watching the media interviews of people in the nation one must recognize that the IDIOTS he sees being interviewed for their opinions are the majority. If these people actually even have a rational logical thought they cannot express it. This is the mechanism behind how revolutions get started, when the majority of the people have thoughts that things are wrong but cannot express these and then they get excited and emotional about them. This is the result of stimulation by someone who wants more power and who moves the people to violence for correction of their perceived wrongs. Unfortunately, violence cannot ever solve anything. If there is some actual cause for grievance and the people become involved in marching and demonstrating against it, with rioting and looting added it, there is something seriously wrong with that cause. When people can demonstrate against government it is an advertisement of Arrogance in the nation and an abject failure of that government domestically. The American forefathers founded a nation and set up a system for the redress of grievances and never should there be redress grievances by marching or demonstrating, which is in effect a mob action and is totally unconstitutional. This 'mob action' is irrational and divorced from reality and intensifies whatever problems are thought to be involved. Individuals should be able to make their grievances known personally and groups should select a representative to present their petition for redress but no American President nor any other government official should ever be intimidated by a mob no matter how good or bad they may seem to be. Whatever a demonstrating mob's desire may be, the demonstration alone should tell the representatives in government that they should move in the opposite direction to what the mob wants. If the mob does not disperse immediately when told to do so the true reason for the demonstration, a desire for greater power, will begin to be understood more by the government. The demonstration mob is designed by [Conspirators](#) for intimidation no matter what the cause may be. When people gather in a mob for any reason it is to try to intimidate other people into their viewpoint and they are saying in effect "we have no logical arguments and want simply to scare the hell out of you", This is illogical, irresponsible, irrational and based completely on EVIL and must be dealt with harshly just as Captain Napoleon Bonaparte did in the French

revolution.

### **National Arrogance and Abuse of Those Under Divine Discipline.**

There is a great deal of involvement in the degeneracy of the Interlocking System of Arrogance in “3rd world” nations. The problem is not that they lack prosperity and not that America should be sharing it’s with them. Their problem basically is that they are a totally degenerate block of people on the whole with very few exceptions and this collective degeneracy expresses itself in great [Jealousy](#) and the HOPE of and DESIRE for the destruction of the United States of America. In their Arrogance they stand by as vultures and wait for the fall of the United States and hope to come in during the fall and steal and rape and appropriate and thereby gain from the fall of America. They fail to comprehend that the communist powers in the world are waiting to enslave them and use them in any way possible when the road block of the United States of America is removed. They do not in any way understand this principle of reality because they are collectively locked into the Interlocking System of Arrogance. They stood up in the UN and applauded Castro in his insanely Evil anti-God, anti-United States propaganda speeches full of communist ideals, all antagonistic to the United States. This is the result of being in the Interlocking System of Arrogance and when America is down and the momentum seems to be going in the direction of communism then the most obvious characteristic of Arrogance is to ‘kick’ the one who is down. The United States since the 60’s has become more and more weak in military, spiritual, establishment and governmental functions. When the Jane Fondas and ‘Black Lives Matter’ people of this world have a voice and are given attention by the media this trend becomes blatantly obvious. When little upstart rulers like Castro can ‘kick’ the United States of America and get away with it then it is even more obvious that the Interlocking System of Arrogance in the 3<sup>rd</sup> world is expressing itself in a typical way. This Arrogance divorces even the believer from reality and causes him to participate in any form of mass cowardice against those who are down.

Believers in the United States of America are even now being constantly ‘kicked’ by 3<sup>rd</sup> world nations and they have discovered that with [Antisemitism](#) they can ‘kick’ the Jew. To interfere with the function of Divine Discipline in any area in history is to invite disaster to self plus a life of future misery and punishment. This is why believers are commanded to NOT gossip or malign others. No believer can afford to be antisemitic but the inadequate believer in his Arrogance must find some way to compensate for his inadequacy by finding something to ‘kick’ and therefore he ‘kicks’ the Jews who are historically under the ongoing 5<sup>th</sup> cycle of Divine Discipline. Arrogance is also Jealousy of true success and the true successes of Jews in western Europe and the United States of America arouses the antagonism of many believers in their Arrogance. The Palestinians have done nothing with the land they occupied in Palestine but when the Jews turned it into a paradise then they wanted it back. Today in the entire world and especially the United States of America Antisemitism is being fomented and demonstrated by protest marches in support of the Palestinians and AGAINST the Jews and this is not only individually and nationally suicidal but is complete stupidity and a person can be very smart and do something very stupid by becoming involved in it.

Jewish Arrogance began with rejection of the Laws of Divine Establishment which was a

destruction of their freedom. It resulted in involvement in the Interlocking System of Arrogance where some believed in The Lord Jesus, The Christ but instead of advancing to Maturity Adjustment to the Justice of God they entered into reversionism from rejection of Bible Doctrine Truth. They had a complete breakdown in the areas of degeneracy within the Interlocking System of Arrogance. This has been the situation in the United States of America at the very minimum since the 1960's. Apart from individual regeneration during the Age of Israel the Jew cannot participate in the covenant promises of the future for Israel. They are historically under Divine Discipline because of the Interlocking System of Arrogance and they make a perfect target for the Arrogant person to 'kick' while they are down. This was the grave error of Adolph Hitler who was weak and functioned under Psychopathic Arrogance as a predominate part of his involvement in the Interlocking System of Arrogance in which he lived under demon possession.

The true conservative is NOT the individual who owns property and is trying to defend it nor one who has children and is now trying, out of a guilt complex, to provide something better for them nor one who realizes suddenly that the world is not good. The true conservative, as an unbeliever, must have a clear understanding and adherence to the Laws of Divine Establishment and Divine Institutions and their functions and these must be related to freedom and its 5 interlocking concepts of the sanctity of:

- ✧ Life
- ✧ Uncoerced Volition
- ✧ Privacy
- ✧ Property
- ✧ Functioning Under the Umbrella of Authority

In addition they must avoid any tampering with the Jew in any form of Antisemitism, personal or collective. It has become very popular in this United States of America to be antisemitic and this is always a result of involvement in socialism. One of the greatest socialistic experiments in Human History was Nazi Germany in 1932. Read the Book or see the Movie "The Blue Max" and the sequel "The Blood Order". This book details how Bruno Stachle gets back into the German Luftwaffe and is anti-Nazi to the core and then joins a group to help get Jews out of Nazi Germany. All the way through this narrative there was conservatism accepting socialism not fighting it and as socialism continued and began to snowball the Jews then were persecuted. The welfare state which alleges to redistribute wealth always despises the Jew. Jews are generally successful and even if not they make a perfect goat to cover the mistakes of socialism. Attacking the Jews individually and nationally is a sure fire way to complete national destruction.

### National Arrogance and Organized Evil

All dictatorships always come out of DEGENERACY which destroys Laws of Divine Establishment principles and this is Disorganized NON-Systematic Evil but this Degeneracy brings Organized Systematic Evil into play. So that when any nation comes to the point of degeneracy, where there is this uncontrolled Arrogance factor and destruction of the Laws of Divine Establishment functions in that nation as Non-Systematic Evil, then usually some tyrant or dictator moves into power and the Crime from EVIL is now primarily committed by the

Government under his systems of Organized Evil. This is the situation in many South American, Middle Eastern countries and Communist Russia and China. ORGANIZED Evil is demonstrated in a tyrannical dictatorship or any other form of tyrannical government. In these systems, petty crime does not generally occur and violence and all degeneracy and all disorganized evil is eliminated by tyrannical Government because all CRIME becomes BIG crime which occurs on an organized basis by the Government itself under Organized EVIL. This was Nazi Germany, Russian Communism and especially the ongoing nature of Chinese Communism. Organized Evil always tries to produce GOOD and invariably uses a facade of Pseudo or Human Good and tries to become a substitute for Regeneration and thus it produces or inevitably becomes some form of RELIGION and both domestic and foreign Policy is based in that religion. Therefore this organized Evil which occurs as the result of the total breakdown of a nation under National Arrogance removes private or public violence and petty crime and petty criminals on the streets BECAUSE ALL crime and ALL violence is then perpetrated by the GOVERNMENT. This was the appeal that the communists who were taking over China made to the missionaries there promising to stop the degeneracy in the society if they endorsed communism to the people. Therefore it becomes clear that the one thing the dictator always does is take away individual FREEDOM which is what allows disorganized evil to operate. In addition his system must destroy all sources of Truth because Evil in an organized form is composed only of LIES and cannot coexist with Truth. The individual believers, who are set apart by their personal level of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, are the people Organized Evil must remove.

Legitimate Government can only be a power for God when Category I Truth of the Laws of Divine Establishment and Divine Institutions are the basis for the principles and policies under which it operates and which are carried out by those in control of the government. Therefore, legitimate government must provide military establishment to defend the freedom of the nation against crime from outside its borders as well as Law Enforcement and Judicial functions to protect from crime within the borders. Thus the importance of the Pivot comes to light because when there is no pivot in a nation there can be NO legitimately functioning Law Enforcement and Judicial system to protect the rights of the people in the nation. There will inevitably be PRIVATE AND PUBLIC VIOLENCE and from these 2 there will be degeneracy and apostasy and this is used to put a tyrannical dictator into power. This was the case in Germany with Hitler, Russia with Lenin, China with Mao, Cuba with Castro and many other nations. For these nations in degeneracy there can be 2 results:

- ▲ God can give a DYING Divine Discipline and destroy the nation as he did with the 5 cities of the Pentapolis of Sodom and Gomorrah.
- ▲ God can give a LIVING Divine Discipline where there is developed a tyrannical dictatorship as is clearly illustrated in the communist nations and moslem controlled nations.

### Organized Systematic Evil persecutes Truth.

The principle is that while Bible Doctrine Orientated believes can coexist with Disorganized NON-Systematic Evil under a system of Freedom, however, they cannot coexist in a society where there is Organized Systematic Evil under a system of tyranny. There has been a total

and complete social degeneracy in the United States of America since the 60s and mature believers have been able to coexist with it even to this point of the 21<sup>st</sup> century. There is ability for this coexistence to occur because FREEDOM is the overriding factor. Disorganized NON-Systematic Evil MAY persecute the Truth but this occurs under Freedom. However, when Organized Systematic Evil comes into play it ALWAYS persecutes the Truth and Bible Doctrine and is the reason many believers are then martyred. The Organized Systematic Evil of the French Government persecuted the Huguenots and almost totally destroyed France by removing their entire middle class industrial base. Once Organized Systematic Evil comes along and the believer tries to evangelize the government then seizes him and executes him. Lenin and Stalin when they were in power they murdered 20,000,000 people almost instantly. The Chinese communists through the People's Courts murdered somewhere 20,000,000 people in 1 year and somewhere in the neighborhood of 120,000,000 after that. This was not Disorganized NON-Systematic Evil which can and does function in a free society but was Organized Systematic Evil which shut down freedom in those societies. The "strong man", the tyrant, rises out of Disorganized NON-Systematic Evil excesses because ALL PEOPLE are going to SIN and ARE going to choose degeneracy and he suppresses this by destroying the freedom which allows them to engage in it. By doing this the dictator substitutes Organized Systematic Evil where the government suppresses sin in private life but engages in sin as a function of Government.

### **The Power of Organized Systematic Evil is Government**

When a Client Nation (The United States of America today) has too much degeneracy and Disorganized NON-Systematic Evil and this is not controlled by the Laws of Divine Establishment under the Divine Institutions and the people go soft on crime and homosexuality then a dictator WILL rise up to suppress the degeneracy. This is what occurred with the American missionaries of China Inland Missions who HELPED the Chinese communists take over china because the communists closed down the opium dens and houses of prostitution and gambling. It was the DEGENERACY in china which allowed the communists to take over China.

All islamic countries with their strict laws against crime and strict punishment for it, have in these same countries the GOVERNMENT committing unspeakable crimes. The Organized Systematic Evil of government uses governmental authority to destroy freedom, confiscate property and execute and murder behind the facade of the greater good for the greater number. Therefore, Organized Systematic Evil is characterized by Self Righteous Arrogance in the rulers of the nation when there is uncontrolled collective National Arrogance in the people. Disorganized NON-Systematic Evil is characterized by Criminal Arrogance when there is a legitimate government system under the Laws of Divine Establishment and Divine Institutions based on Freedom. Therefore, it is only an enlarged pivot of mature believers and the effective function of the Laws of Divine Establishment and Divine Institutions with Free Enterprise and both an effective Military and Law Enforcement establishment developed which function to hinder the effectiveness of Organized Systematic Evil and thus prevent the rise of dictatorship.

### **National Arrogance Factors & Solutions**

The client nation and in fact every nation depends on the Divine Institutions and the Laws of

Divine Establishment, as found in the Mosaic Law, for sponsoring freedom under properly delegated and administered authority in mutual support. Freedom without authority is anarchy or Antinomianism and Authority without freedom is tyranny or Self Righteous Legalism. In addition to the Laws of Divine Establishment and Divine Institutions there must also be the spiritual factors of Evangelism, advance to Maturity Adjustment to the Justice of God, correct and effective missionary activity and provision of a haven for the Jews during the times of the gentiles in any client nations. These principles concerning the observance of the Laws of Divine Establishment and the preservation of the Jews are related to the entire population of the nation. Evangelism results in individuals becoming believers and their subsequent spiritual advance to Maturity Adjustment to the Justice of God forms the sustaining pivot which preserves the nation and the preserved nation functions to evangelize other nations with missionaries. It is the PRIVILEGE given by God to believers, unknown, obscure, obfuscated by Evil, to live out their lives in unknown areas of the nation to take in Bible Doctrine and reach Maturity Adjustment to the Justice of God and form the pivot, the true basis of the preservation of the nation. While God sees the whole picture and heaven knows the totality of events, the world will never know of these effects because the Christian privilege is not a public relations or front page news function. The believer must never try to advertise himself with social action because this is only Human Good production motivated from EVIL like the Methodists and world council of churches constantly do. This results in distraction of the believer from Bible Doctrine by social action which produces Black out of the Soul and Scar Tissue of the Soul as a result of neglect of Bible Doctrine and therefore results in intensified Arrogance and believing the LIE of the social Gospel.

Beyond AD 70 the Jews cannot function as a client or priest nation and it was national involvement in the Interlocking System of Arrogance which destroyed their privilege to function as such. In this Church Age if the pivot of mature believers is large enough the nation will be secure and prosperous and functional as a Client or Priest nation to God. In historical crises the size of the pivot determines the outcome of the catastrophe. If the pivot is large enough the client nation is delivered either from or through historical crisis and the facts of Bible Doctrine are then fulfilled because The Lord Jesus, The Christ controls Human History in this case through the pivot. However if the pivot is too small and the spin off of Reversionism and involvement in the Interlocking System of Arrogance is too large, the nation is destroyed by the administration of the 5th cycle of Divine Discipline as historical disaster. The 5<sup>th</sup> cycle of Divine Discipline always culminates in an outside nation conquering the client nation. However, long before any outside nation conquers a client nation the people have destroyed themselves from within so that their ability to resist an outside power is nullified. This is what occurred in Poland, Norway, Latvia, Estonia and all others in central Europe when attacked first by German Nazis and then by Russian communists. However when a nation is destroyed by this 5<sup>th</sup> cycle of Divine Discipline the COLLECTIVE PIVOT OF MATURE BELIEVERS OR THE INDIVIDUAL (Heb) JESHURUN BELIEVERS ARE ALWAYS DELIVERED. In May 1940 when France was easily and quickly overrun by the Germans some escaped and became the FREE FRENCH. This also occurred in Poland, Norway and Holland and always there will be those who survive the disaster of national destruction and may even turn the tide of the 5<sup>th</sup> cycle. By returning to fight for freedom and reestablish the principle that FREEDOM only exists and is

maintained by MILITARY Victory under the Laws of Divine Establishment the nation can be reestablished. This is also the story of Jeremiah and the remnant pivot of 586 BC. ([1Kings 19:18](#))

In addition the principle of GRACE before JUDGMENT is ALWAYS in play and includes a period of intense doctrinal teaching (R. B. Thieme Jr. 1959-2002) before judgment occurs in the nation. The Pivot that preserves the nation in national crisis and disaster is formed in the client nation as a result and on the basis of the teaching of Bible Doctrine which precedes the disaster. This is most likely what occurred in the United States of America after World War II up to 2002 in the 53 years of the ministry of R. B. Thieme Jr., and is what the Pastor Teachers of today must be considering as their responsibility! Very often historical crisis and disaster is a good thing since it acts as a catharsis for the nation, cleansing the client nation of its spin off of apostate reversionism and those involved in the Interlocking System of Arrogance degeneracy. With historical crisis and disaster the nation is supposed to be humbled which then results in removing from within it the degeneracy of the Interlocking System of Arrogance. It then must become positive toward Authority under the Laws of Divine Establishment and the Divine Institutions for it cannot recover without this. This can be military recovery with victorious fighting for freedom as a result of those who have the ability to lead emerging and their authority being respected and their policies and principles put into operation. There must also be the function of labor, without the interference of union regulations, working hard to produce the weapons of war under their respect for the authority of supervisory management so that production reaches a maximum level under this system. As a result of all of these things, at the level of the general population, there is recovery and the believers involved come to realize, through this adversity, the importance of Perception, Cognition, Incultation and Metabolization of Bible Doctrine and respond to it. This is the totality of national recovery and a complete analysis of how these principles pulled together can be found in "The Assyrian Crisis" Lessons from [R. B. Thieme Jr. Bible Ministries](#).

In any client or priest nation when the pivot is too small and Negative Volition toward Bible Doctrine with its resultant incidence of involvement in Reversionism and the Interlocking System of Arrogance involvement is too great, then the nation MUST be destroyed. In the Church Age such a client nation must be removed by the 5<sup>th</sup> cycle of Divine Discipline and replaced by another gentile client nation who is qualified from the standpoint of having an overriding emphasis on FREEDOM and the proper function under the Divine Institutions, the Laws of Divine Establishment, evangelism, spiritual growth, missionary functions and security for Israel. Therefore, there is no substitute for Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and happiness comes from Absolute Truth in the Soul which brings capacity for life and whatever blessing may come. The human mind is helpless to cope with life apart from Absolute Truth and it is the failure to accept Truth which brings about individual and national pressures, adversities, catastrophes and disasters.

The United States of America is inevitably headed for great historical disaster. No one knows when or how soon it will occur since this is a command decision by the Sovereignty of God alone. Since The Lord Jesus, The Christ controls Human History He has held back from the

United States great military, economic, social, and political disaster for a very long time but when they finally touch this nation there will be unimaginable disaster. He has given positive believers an opportunity to reach Maturity Adjustment to the Justice of God in the Grace period when these disasters have been blocked and with persistence any believer can reach and occupy the pivot of mature believers through consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine. When the historical disaster and catastrophe hits this nation those in the apostasy of reversionism or saturated in the degeneracy of the Interlocking Systems of Arrogance will be totally destroyed by the disaster. The Divine Viewpoint is that one cannot perpetuate a client nation without an occasional catharsis because the nation must be cleansed of that which would destroy it. Therefore, the apostate and degenerate must be removed by historical catastrophe or disaster if the nation is to be perpetuated and this perpetuation depends on the size of the pivot of mature believers just as it did in Elijah's Time with the 7,000 positive believers hidden in the caves. If the nation is destroyed under the 5<sup>th</sup> cycle of Divine Discipline, the Pivot always survives and it will ultimately join with or form another client nation to God.

It is a privilege for the believer to participate in saving the nation he lives in and to evangelize and send out missionaries. He will know that by Perception, Cognition, Incultation & Metabolization of Bible Doctrine and advance to Maturity Adjustment to the Justice of God he can have maximum impact on Human History without publicity and without recognition or approbation. This is a Grace system which demands complete and total Humility on the part of the believer who must maintain his residence and function within the [Divine Dynasphere](#). To accomplish the desired end each believer must function under Humility and accept the authority of their individually chosen "right" Pastor Teacher. The Bible Doctrine he learns will constantly challenge him under the ministry of God the Holy Spirit and tear down his Arrogance, vanity and pride and expose him for what he is as weak, helpless and hopeless without The Lord Jesus, The Christ. The result is that without any fanfare, publicity, recognition or approbation from the government, society or friends that individual believer can save the nation. Not by crusading, voting or running to change it all and especially not by violence, revolution or rejection of the Laws of Divine Establishment but by learning Bible Doctrine and growing in Grace and forming the unseen but historically real pivot of mature believers. Rhodesia, South Africa, Israel and Taiwan all went down in history because of a lack of Evangelism and then Bible Doctrine being taught, along with many other nations which were honorable in their beginnings, because no nation can survive without their pivot of mature believers. This is what it means to be "elected to privilege" ([Rom 8:28](#)) and these believers will never be rewarded, accepted or approved in their own historical time but this is not why they should strive for Maturity Adjustment to the Justice of God. Every believer should do this for glorification of The Lord Jesus, The Christ as part of the Plan of God under Humility not Arrogance and not from [Inordinate Ambition](#). Ambition when under control is desirable but it can become a distraction to the Plan of God when it relates to [Crusades](#) and approbation. Those who build up ideas into a crusade for anything are in fact only seeking approbation for themselves.

In life some reality is visible to believers and some not and they must avoid being preoccupied

with the wrong reality of life. When one sees the distorted things which are occurring in life he can become preoccupied with what he sees around him. When he is preoccupied with what he sees around him rather than what he knows from Bible Doctrine his life becomes utterly useless. This creates a vacuum in the soul and into this vacuum comes the desire for approbation, recognition or greater power and its use to correct the distortions occurring in his periphery. This results in trying to prove something and developing a multitude of Hangups along with saturation within the Arrogance complex. Therefore, under these conditions, not only has he failed as a believer in The Lord Jesus, The Christ but in addition to that failure he has abused his privilege as a believer and thereby contributes to the DOWNFALL of the client nation of which he is a part.

All Believers have the opportunity to advance to Maturity Adjustment to the Justice of God and fulfill the “election to privilege” functions as a result of the imputation of the Absolute Righteousness from God at Salvation and the provision of Logistical Grace support. When many believers do this, the conditions in the nation improve. However, the believer in Reversionism is always trying to change history by joining some group for a crusade or using some human effort system comparable to salvation by works and as a result expends a lot of wasted energy and has a complete failure to use and recognize the Plan of God under the concept of “election”. In the failing client nation preoccupation with disaster by the believer will rapidly destroy him and preoccupation with disaster inevitably leads to Arrogance involvement. Arrogance under pressure leads to [Self Pity](#) which destroys by distortion Absolute Truth converting it into something false. In addition being preoccupied with disaster leads to distortion of any possible accuracy of analysis of the situation turning it also into something false. There usually is no single individual who keeps a nation going but it is the whole pivot and the pivot is all that prevents any hovering disaster from touching the nation. Thus the obvious precarious position of client nation United States of America in this early 21<sup>st</sup> century.

In this early 21<sup>st</sup> century historical setting, with the United States of America still as a client nation, the situation is unbelievably horrible and far worse than it was in 1979 when then there was even then impending or hovering disaster. Considering this Truth the application to the problem and answer is found not in trying to solve the national problems with human solutions nor in trying to ensure the election of a prominent conservative to the presidency, but is found in [Rom 11:5](#). It is the existence of the pivot of mature believers which does the preservation. The “elect” have a potential privilege to save their country by advancing in the Plan of God through consistent persistent Perception, Cognition, Inculcation & Metabolization of Bible Doctrine so as to saturate their Stream of Consciousness of the Soul with maximum Metabolized Bible Doctrine. Their reaching Maturity Adjustment to the Justice of God does 2 things:

- It fulfills the part of the Plan of God which glorifies God and thus provides 6 categories of Super – Grace blessing for that individual believer.
- Part of this blessing includes Historical Impact and Blessing by Association with benefits that deliver the client nation from disaster.

**The historical reality of mankind is that God ALONE delivers and man, as a result of his**

**involvement in Arrogance, Emotionalism and Reversionism, manufactures the disasters and failures from which he must be delivered.** It is the incompetence of man and his Old Sin Nature functions under motivation from Evil stimulating his Lust Patterns with power and approbation lust which creates the problems. When man makes the problems ONLY God can solve the problems. No social action is of any benefit as the solution to historical disaster and the church, the Royal Family of God, has not ever been called to social action, only to spiritual advancement to Maturity Adjustment to the Justice of God and beyond. Unless the individual believer is motivated to consistently learn Bible Doctrine on a daily basis there is no hope for the client nation United States of America. As goes the believer's attitude toward Bible Doctrine so goes this client nation. The United States has already drifted too far off course to rectify the national crisis situation by any other means except through the pivot concept found in Elijah's time ([1Kings 19:18](#)). There were 7000 believers at that time who perpetuated the northern kingdom of the client nation Israel for 150 years NOT Elijah who failed miserably. The Lord Jesus, The Christ controls Human History and the Integrity of God cannot permit the United States of America to continue indefinitely under the degeneracy of the Interlocking System of Arrogance and the apostasy of Reversionism in rejection of Absolute Truth and believing the LIE from Evil. Therefore, any possibility of national recovery now depends on the believer's attitude toward Bible Doctrine on a consistent basis and the sovereign decision of The Lord Jesus, the Christ in his control of human history, however, it may very well be too late to change the trends of the overriding Negative Volition of both believers and unbelievers to Bible Doctrine principles.

#### **Gate #68 – The Arrogance of Antisemitism**

Antisemitism is certainly entrance into the Interlocking System of Arrogance thinking GOD needs help in disciplining the Jews and assuming superiority over the Jews and ultimately trying to destroy them. The longer one says no to any form of Absolute Truth the greater is the Arrogance in his Stream of Consciousness of the Soul and that Arrogance which rejects the truth also believes the LIE of Evil, Satan's policy to rule humanity. Once one believes Lies about the Jews he is subject to incredible Divine Discipline under the principle of Antisemitism. Many people think they can solve the problems of this nation by getting rid of all who are part of a specific group such as homosexuals or Jews or moslems. The problem today in the general population is the total involvement in the Interlocking System of Arrogance and this is what has brought the United States so close to the point of national destruction. ([Rom 11:19-20](#)) The gentile believer, as part of the [Great Inversion](#), assumes superiority over the Jewish unbeliever because the Jews are the branches of the God's olive tree of his Plan which have broken off. Because God continues to discipline the Jew the spiritual RED NECK gentile believers look down their noses at the Jewish unbeliever saying they are getting what they deserve because of the crucifixion of Christ. God put the judgment of the 5<sup>th</sup> cycle of Divine Discipline on Israel as a result of many things especially but not limited to their consistent violation of their own system of law but NOT THE CRUCIFIXION. Because Jews are under the

5<sup>th</sup> cycle of Divine Discipline it does not infer that they are inferior to gentile believers. Contempt for those under a historical 5<sup>th</sup> cycle of Divine Discipline is the same Interlocking System of Arrogance which divorces the believer from all other forms of historical reality and repudiates the [Royal Family Honor Code](#). The crucifixion was a RESULT of the Interlocking System of Arrogance collectively among the Jews and this is the exact same situation demonstrated clearly in the United States of America but more so today than ever before. The terrible fact is that if The Lord Jesus, The Christ would come to the United States of America today he would be crucified here as well. None of these concepts holds any weight in the false justification for the formation of or involvement in Antisemitism.

The gentiles as believers in Christ are wild olive branches grafted in to the olive tree of the Plan of God by means of Grace and, as a result, immensely benefit from Grace. Grace is often distorted by the Interlocking System of Arrogance which often makes it impossible for the believer to even benefit from Salvation Adjustment to the Justice of God in life on this earth. Gentiles, who are in fact racially inferior to the Jews, erroneously assume superiority to them because they have been benefited by Grace and this is a distortion of Grace. This is the same as the criminal who tries to get out of paying the penalties of the law for his crime because he is or has become a Christians and a 'Grace' person. This assumption in all disillusioned believers is based on Arrogance arrived at because of receiving divine blessing and unless the believer continues to inculcate Bible Doctrine he rationalizes Grace blessing into a system of human superiority. For the person, who is blessed by God because of Logistical Grace and then at spiritual maturity receives from God his Escrow Super – Grace blessings, to suddenly have all these blessings and then look at them and say 'I am better than you' because of the blessings, is totally entangled in Arrogance. No one is superior because he has received blessings but Arrogance assumes superiority, as a result of the accumulation of greater temporal accouterments, and inevitably takes credit for the blessings. Arrogance also is the source of hatred in despising those who are superior and as a result the gentile believer falls into the trap of Antisemitism. The believer must not let the Interlocking System of Arrogance lead him into the trap of Antisemitism. It is the worst of all sins leading into many other Mental Attitude, Verbal and Overt sins, and WILL result in EXTREME Divine Discipline for that believer.

Very often, when God starts to impute Logistical Grace support or Escrow Super – Grace blessing from his justice to his Righteousness, which He has given to believers at Salvation, believers forget that the Righteousness of God in them is the recipient and assume that some personal system, talent, function, [Self Righteousness](#), [Morality](#) or even their effort in coming to church on Sunday is the basis for it. The fact is that people assume that by doing things they think are good, God will give them good luck and good fortune. By faith ALONE in the Substitutionary Spiritual Death of The Lord Jesus, The Christ the believer has been grafted into the Plan of God while the Jewish unbeliever is broken off from it by his lack of FAITH. This clearly illustrates why the believer should never ridicule or attack Jews in Arrogance or become in any way Antisemitic nor in any way ever do anything which glorifies Adolph Hitler. In World War II the United States Military should have been tasked with totally destroying Hitler and then destroying the Russians. The Russians only had strength to fight Hitler because the

United States provided everything for them to do so. Any Neo-Nazi movement today is as totally derived from and saturated with the principles of Evil as anything can be and Nazis are based on the same Evil as communists and the fact that they fought each other means nothing. They stand for the same principles of welfare and socialism and eventually using violence to control the people, and both came up through tyranny and the Interlocking System of Arrogance.

Paul in Romans anticipates the Arrogant thinking of gentile believers, distorted from involvement in the Interlocking System of Arrogance, and expects that it will evolve into many historical distortions. One such distortion is that the Jews have failed and as a result they have been broken off as branches so that gentiles can be included as it were grafted onto the tree of God. In addition Arrogance distorts and destroys any concept of blessing and its source so that gentile believers involved in the Interlocking System of Arrogance distort their Grace blessing converting it into Divine Discipline for their [Egotism](#) and Self Righteousness as the reason for receiving such blessings. Once the gentile believer enters the Interlocking System of Arrogance, he, with his Arrogant presumption resulting from such residence, will conclude falsely, without logic or reason, that everything related to blessing is due to his personal efforts. Not all gentile believers are Arrogant or become involved in the racial Arrogance of Antisemitism where this Arrogance is also a manifestation of their [Reversionism](#). This is only those gentile believers who are distorting Grace blessing into racial superiority. Interlocking System of Arrogance involvement both exploits and abuses those under Divine Discipline. When involved in the Interlocking System of Arrogance one has a tendency to bully and who is easier to bully than those individuals or groups obviously under Divine Discipline. When under Divine Discipline people have been robbed of any strength or retaliation ability by the very nature of their Divine Discipline.

Arrogance not only divorces the believer from reality but also causes him to participate in the mass cowardice of 'kicking' someone or some group when they are down. 'Kicking' or abusing by malice or maligning, Jews, when they are down under the 5<sup>th</sup> cycle of Divine Discipline, is one of the most disastrous and destructive and suicidal functions of Human History; just ask Adolph Hitler or the Assyrian Empire. God does not permit man to interfere with his Divine Discipline of any individual, group or nation under the 5<sup>th</sup> cycle of Divine Discipline, this, as Antisemitism, brings down severe repercussions directly from God. These repercussions are a part of the Abrahamic covenant from God to Abraham and that is an UNCONDITIONAL promise. ([Is 54:17](#)) To interfere with Divine Discipline from God on another is to invite disaster to self and begin a life of unimaginable misery and punishment. Therefore, no believer in The Lord Jesus, The Christ can afford Antisemitism, unfortunately, this is one of the most common problems for the believer entangled in the Interlocking System of Arrogance. Believers involved in the Interlocking System of Arrogance are often also inadequate and to compensate for this inadequacy they become Antisemitic. No matter how great the IQ, Arrogance not only divorces one from reality but guarantees stupidity even where great potential perspicacity exists. Antisemitism is often a demonstration of the abject stupidity of those with a high intelligence. For any BELIEVER to assume that the problems of this world are caused by the Jews is not only inane and fatuous but idiotic and imbecilic. Therefore it is obvious that Arrogance

destroys perceptive ability, capability, rejects the authority of scripture and its teachers and resents ability in others. Therefore, any entrance into the Interlocking System of Arrogance results in irrationality and interlocks instantly into the whole realm of Mental Attitude Arrogance.

Ignorance produces Arrogance and therefore it is the ignorance of the spiritual heritage of Israel which produces the Arrogance of Antisemitism and this has destroyed the conservative position in the United States of America. Since Franklin Roosevelt the conservatives have had very little to say about government in the United States of America and only the bleeding heart do good liberal, the imbecile, the stupid, the person who takes Human Good production based on Evil and parlays it into government operations, has had any impact on government, while the conservatives have become mixed up in Antisemitism. In the 70s and 80s every good media source of conservatives had some very good conservative articles and then they would publish some article about Antisemitism which canceled out all the good. Antisemitism has been destroying all the conservative groups in the United States for many decades and as a result they do nothing for this nation because they are a bunch of mixed up conspiracy oriented people. This is a system of Arrogance where those involved imagine, 'we are right and the whole world is wrong', but no matter how right anyone may be he cannot ever become Antisemitic and stay right about anything. Antisemitism TOTALLY wipes out any clear thinking about conservative issues. Therefore the conservatives are as responsible for the destruction of this nation as the worst wild eyed radical liberal. When there is lack of understanding of the Jew there can be no understanding of history at any level. The liberal academic idea that the Greeks must be understood is imbecilic since they became immorally degenerate in their own time and their men of genius were MORONS in comparison to the Jews. All western civilizations are a farce and meaningless apart from the Bible Doctrine of the scriptures and this is the unique heritage of Israel. The great men of Greece cannot ever stand up in comparison to Moses, Isaiah, Jeremiah, David or Paul, they don't even come close to being in the same ball park with them. It is satanic influence from the Interlocking System of Arrogance which turns people against the Jew, especially in this dispensation of the Church Age, when he is down under the 5<sup>th</sup> cycle of Divine Discipline. God is disciplining Israel for their failures and because of the Big Blot Out and he does not need help from any disoriented, mixed up, believer and if the believer does not understand Israel he is truly in grave trouble.

### Antisemitism & Salvation

The Jews collectively today are under Divine Discipline and God needs no help in that discipline and it is Arrogance to think one can help God in this area or any area where He holds the totality of the prerogatives. This idea of helping God was prominent thinking in the Roman believers, however, in this Church Age gentiles are not saved by God because they are better than Jews. The fact is that racially Jews are far superior to gentiles and with regard to Salvation Adjustment to the Justice of God, race, gender nor social status has never had anything to do with salvation. Therefore, the inferior gentiles, are saved because of the Grace Plan of God and when The Lord Jesus, The Christ was on the cross all human sins were imputed to Him and then Judged in Him and he paid the total required price of accepting all Divine Discipline for them. Because of Positive Volition at God Consciousness unbelievers are

given, as part of the Grace Plan, the opportunity to hear the gospel of Christ, to understand its significance, and to respond to it by faith alone. This is the same system for the Jews now in this Church Age, the time of their Big Blot Out, where they have consistently rejected Christ. Faith in The Lord Jesus, The Christ results in salvation, not any human effort works or superiority one may assume to have.

It is Christ who sustains the gentile and Jewish believer in life under Logistical Grace and thus no believer ever has any right to the Arrogance of presumed superiority over anyone else especially the Jew. The rationale associated with Logistical Grace can prevent the believer from entering the Interlocking System of Arrogance and also get him out when he falls in. Gentiles are saved because of who and what Jesus Christ is and what he did on the cross, not because of some imagined superiority over the Jews. Jews are saved in this exact same way. This imagined superiority inevitably results in persecution of the Jews. Salvation as a Grace issue is based ONLY on the Substitutionary Spiritual Death of Christ on the cross for all races. The bible simply says, "Whosoever believes" and this eliminates any consideration of superiority or inferiority in this life as the means for acquiring eternal salvation. Arrogance produces a Legalistic Self Righteousness which becomes a distraction to an appreciation of the Grace blessings received and the rationale of Logistical Grace. All Grace blessings come to the believer by being directed by the Justice of God to the Righteousness of God imputed to him at Salvation Adjustment to the Justice of God. This, for EVERY believer, is a Judicial Grace imputation not an imputation because of some attribute possessed or some reason the recipient may think he deserves it. No believer receives any blessing because he is superior in race, economic or social status or for any other reason. He receives ALL Grace blessing from the Justice of God imputed directly to the imputed Righteousness of God, motivated by the Love of God and based on the Sovereign decisions of God, and for NO OTHER REASON.

### Equation of Hope vs Antisemitism

Each part of the Equation of Hope Plan of God has a support factor. These support factors are not based on the believer deserving anything from God in any way.

In the X Radical the fetus receives Soul Life imputed to its format soul AT PHYSICAL BIRTH, a Grace gift from God, and also receives Adam's Original Sin imputed to its genetic home in the human body, the Old Sin Nature, resulting in Human Life in the newborn and the simultaneous condemnation of Spiritual Death. This results in every human being having the potential for salvation and in this part of the Plan of God there is the total support from the Laws of Divine Establishment and Divine Institution principles and the Freedom delineated therein, in order that he can be evangelized and make a decision without coercion FOR or AGAINST God and his plan.

In the Y Radical after the expression of Faith ALONE in Christ alone the new believer has benefited from the 1<sup>st</sup> judicial imputation of all his personal sins to Christ on the cross and then the 2<sup>nd</sup> judicial imputation of the Righteousness of God to him at the very moment of HIS Salvation. Judicial imputations do not have a home or target in the recipient and the imputation is not and cannot be earned or deserved by the recipient.

In this aspect of the Plan of God, Logistical Grace is the support from God and gives believers the needed life sustaining provisions for his spiritual advance to Maturity Adjustment to the Justice of God while living in the world ruled by Satan. In this area the believer must have support from the Divine Institutions and the Laws of Divine Establishment and the Freedom provided therein to enable him to take in Bible Doctrine on a consistent basis. This accumulated Metabolized Bible Doctrine, in addition to the Logistical Grace from God to keep him alive, provides for his needs to allow him to consistently advance to Maturity Adjustment to the Justice of God.

In the Z radical, after reaching Maturity Adjustment to the Justice of God through accumulating maximum Metabolized Bible Doctrine into the Stream of Consciousness of the Soul, the believer still has the support from the Divine Institutions, the Laws of Divine Establishment and Logistical Grace. Added to this is the unimaginable blessings of his Escrow Super – Grace blessings which can merge with Logistical Grace blessing forming Bravo Grace support for his continued progress through the No Man’s Land of Intermediate Spiritual Maturity to the point of qualifying for his Escrow Ultra Super – Grace blessings. These Grace blessings directly from God are in 6 magnificent categories where the Eternal Life imputed to the believer at Salvation Adjustment to the Justice of God is added to the 6 categories of our Super – Grace blessings and results in the potential for great blessing in eternity and thus to glorify God forever.

Therefore, in the Plan of God the believer has the Divine Institutions, the Laws of Divine Establishment, Logistical Grace and Super – Grace in 6 categories and at each Incremental Step in his spiritual growth a support factor is added to sustain the believer by the Plan of God under the increased pressures from life in this world ruled by Satan. Therefore the ROOT of the Tree, The Lord Jesus, The Christ, supports the believer and THE BELIEVER DOES NOT SUPPORT THE ROOT. The believer depends totally on the Plan of God, THE PLAN OF GOD DOES NOT DEPEND ON THE BELIEVER. Therefore, Antisemitic focus by anyone, especially a believer, is a rejection of the entire principle of Grace, by which he is saved in the first place, and a booming, screaming, begging request for enhanced Divine Discipline from the Justice of God. (Is 54:17) Not all gentile believers are Arrogant and not all gentile believers become involved through Interlocking System of Arrogance in Antisemitism but those who do suffer immensely.

### **Antisemitism & Divine Discipline**

Antisemitism at any level brings down severe repercussions on those individually or collectively who engage in it. (Is 54:17) To interfere with Divine Discipline from God is to invite disaster to self and is a request for a life of great misery and punishment. Antisemitism is one of the major thrusts of Satan to destroy the Jews and thus prevent God from honoring his unconditional promises to the Jews and to enable him to introduce his pseudo millennium to the world and it includes the whole realm of socialism and the welfare state functions. It is a satanic plan, anti-God, anti-Christian and a saturation of Human Good with entanglement into the Interlocking System of Arrogance all from the influence of EVIL.

The gentile believer who in Arrogance becomes guilty of Antisemitism causes a shrinking of the Pivot of mature believers in a nation and therefore loss of client nation status with the result of both individual and collective:

- Divine Discipline for carnality
- Divine Discipline for reversionism
- Historical disaster in time
- Loss of maturity blessing in time
- Loss of eternal blessing and reward
- Loss of client nation status because of a shrinking pivot of mature believers
- BUT **NOT** loss of salvation.

However, there is no implication regarding the loss of salvation for any believer at any time since this is impossible. Therefore, gentile believers must avoid Antisemitism and the Interlocking System of Arrogance in order to protect and preserve their client nation. Since God has judged Israel in the past he must also judge the gentile, whether believer or unbeliever, and his nation for Antisemitism. This is similar to God punishing the believer for Gossip, Maligning and Judging others. The unbeliever Jew will be punished in time and then in eternity in the Lake of Fire but the believer who engages in judging Jews will be judged only in time albeit very severely. The primary failure of the Jew was rejection of The Lord Jesus, The Christ, the God of Israel, and involvement in the Interlocking System of Arrogance which produced national degeneracy. This is the same national status currently in the United States of America. In this country the people in general are in a saturated state of involvement in the Interlocking System of Arrogance and therefore in total moral or immoral degeneracy. If God judges the unbeliever in his Arrogance and degeneracy, and he does, he certainly will also discipline his own children the believers. If God judged Israel with the 5<sup>th</sup> cycle of Divine Discipline he WILL judge the gentile believer and the gentile client nation especially for Antisemitism. Antisemitism is part of a whole system of degeneracy under the Interlocking System of Arrogance. The only difference in the administration of judgment for this by the justice of God is that the believer will never be judged in eternity and the unbeliever will be judged in both time and eternity. Therefore, one of the heaviest, most intense systems of judgment from God is with regard to Antisemitism. God has stated emphatically that He will never tolerate anyone but himself dealing Discipline to Israel. ([Is 54:17](#)) Neither will He ever tolerate any interference with the 5<sup>th</sup> cycle of Divine Discipline as he administers it. Therefore, He will never tolerate anyone or any group trying to get into the action of discipline for the Jew with Antisemitic activity. Both the individual Jew or any Jewish nation being singled out for some form of retaliation is absolutely forbidden and anyone who becomes involved in this gets maximum Divine Discipline. This is what has been happening with conservatives in the United States of America who have in the past been stupid and guilty of Antisemitism.

The issue before God in this Life is not ever race, social status or gender but the issue is always Grace. Grace is the policy of the Justice of God to bless or provide for the believer in The Lord Jesus, The Christ in time under 2 categories, Logistical Grace and special Escrow Super – Grace blessings. Divine blessing to the gentile should never be distorted into the Arrogance of racial superiority. On the other hand Divine Discipline, such as Jewish

PUNISHMENT from God, does not imply Jewish racial inferiority but does point to their denial of the Jewish spiritual heritage and rejection of the God of Israel, The Lord Jesus, The Christ. Jews in [Reversionism](#) have caused the loss of their Priest or Client nation status in history and the periodic recurrence of Holocaust situations for the Jews. The believer especially must never look down his nose at those who are being punished by the Justice of God. Focus and emphasis should and must be FEAR, NOT Arrogance as one examines others and their situations involving Divine Discipline. Just like the Jewish unbeliever is maladjusted to the Justice of God through rejection of The Lord Jesus, The Christ as savior so the gentile believer becomes maladjusted to the Justice of God through rejection or neglect of Perception, Cognition, Incultation and Metabolization of Bible Doctrine. The major difference here revolves around the consequences which are to the Jewish Unbeliever the Lake of Fire for eternity while for the neglectful believer it is Divine Discipline in time.

Antisemitism is always subject to severe Divine Discipline and when combined with reversionism and involvement in Interlocking System of Arrogance this is doubled. If one finds self in the Interlocking System of Arrogance and moving down through the Stages of Reversionism as a result of Antisemitism this is Double Double Toil and Trouble. The Lord Jesus, The Christ is the only savior, He is the origin of the Jews, the preserver of the Jew, the disciplinarian of the Jews and the God of the Jews. Therefore, when the Jew rejects Christ, he is rejecting all his heritage and everything related to history, his origins and in fact HIMSELF. This is why when too many Jews in this way reject themselves, they step out of self and into the Interlocking System of Arrogance and end up standing in line in some holocaust, such as under the Nazis, to die. Antisemitism is motivated by both the Interlocking System of Arrogance as national degeneracy and Reversionism as national apostasy. Divine blessing from the Justice of God often lulls the believer into rationalization and distortion of Grace into a system of Arrogance in the Interlocking System of Arrogance thinking he deserves the blessing and the Jews deserve the suffering. Once Arrogance sets in Grace, as a policy, doctrine and system of thought, is ignored, resisted, rejected and at the very least distorted. People expect to be “Graced out” of their difficulties when they defy authority and become Antisemitic. The fact that any believer remains alive in this world one instant after making Salvation Adjustment to the Justice of God is a result of the Grace of God and because both individually and collectively he treats the Jews properly. The use of authority by those in power positions or rulership positions is also a Grace function and holds with it incredible responsibility to God DIRECTLY who constantly evaluates their functions therein.

The loss of client nation status in the church age by the Jews results in only gentile nations being called to be client nations in this dispensation. The dispersion and holocaust judgments occur for the Jews when there exists a concentration of [Blackout of the Soul](#) in individual Jews in any period of Human History such as occurred in the period of the 3<sup>rd</sup> Reich. This eventuates in the all encompassing belief of the LIE from Evil with development of a hardness of the Right Lobe of the soul from the production of maximum [Scar Tissue of the Soul](#). This eventuates in the INABILITY to believe Truth even when faced with it. This results in consequences to the gentile believer, who in his Arrogance becomes guilty of Antisemitism.

If a believer rejects what is taught in Bible Doctrine, especially about Israel, and believes Antisemitism, saying NO to the Bible Doctrine, then he will come to believe ALL the LIES about Jewish conspiracies to conquer the world. Once he believes that LIE from Evil he will not only want to attack the teacher of Truth but will enter into Antisemitism which is much more dangerous and is what has been in the process of destroying the United States of America. Much of the Antisemitism of Human History has come from believers NOT unbelievers, therefore the believer must veer off when he starts to become antagonistic to Jews. Antisemitism is merely a perfect pattern illustration for what happens to people who reject the teaching of truth in any venue and who go out and gossip, malign and try to destroy the truth presenters.

### **Gate #69 – The Arrogance Involving Possessions**

When the believer is given prosperity he must be able to leave it all behind when he has to flee in the face of disaster or revolution. Some love their possessions so much they will never leave them and this is Possession Arrogance. Possessions, all of these and much more, Books, videos, antiques, cars, guns, paintings, etc., are simply details of life and at times must be left behind when it is necessary to flee during disaster or crisis. Flexibility gives the perceptive application to separate self from things which have been enjoyed and loved. It is imperative that life continue in order to fight to rebuild in disaster, crisis or against a conspiracy and revolution to see that these things do not happen again, therefore the believer must be able to walk away from possessions. At some time in life one may have to face the issue of whether he is doing the Will of God and following Bible Doctrine or Sitting with his possessions.

It takes great humility to realize that possessions and treasures are temporal blessings from GOD and God can replace them in greater kind. The greater the capacity from Bible Doctrine the more one will enjoy possessions as the GRACE Blessings which they are. However, believers must be always ready to say that he will follow the giver and can leave behind the gifts. The one who gave these things to be enjoyed for a while is infinitely more important than that which has been given. If one is too slow in deciding to retreat when disaster occurs he may get caught while trying to leave and lose both possessions and even life. In any national or natural disaster believers must remain alert and must remain totally flexible. The key to this alertness and flexibility is to always choose the giver not the gift. The positive believer cannot lose the source unless he becomes too preoccupied with the gifts and cannot leave them. The Believer must be flexible enough to walk out of the house with what he can carry and be gone. There is nothing one possess which the Lord cannot take from him in a moment and neither is there anything which one can lose or which can be taken from him which the Lord cannot replace EVEN BETTER in a moment of time. The believer cannot afford to allow any THING he possesses to occupy his soul to the extent that he forgets the giver ([Postulates of Divine Integrity](#)).

Metabolized Bible Doctrine saturating the Stream of Consciousness of the Soul causes the believer to appreciate the giver and this is the same thing which tells him to ‘Get the hell out of Dodge’ when the situation requires it. If he follows the one who is the source of all things in and including his life he will never lose the source. There is nothing he possesses which he can indefinitely hold on to in life and if the Lord decides to take something from him it is simply gone. The source of all logistics and all blessings for the believer is the Lord and no one likes to be torn from their prosperity and possessions but in national crisis one must be able to leave it all behind if necessary. Whatever one is and however he has succeeded in life all of his prosperity is from the Lord and he must be ready and able to leave it. Prosperity should not and MUST NOT make the believer arrogant about his possessions. Possessions simply show how the Lord has blessed the believer but if prosperity has made one arrogant he will not even be able to appreciate what he has been given. When the chips are down and the believer faces this issue in a national crisis and the logical order of things is to move out he must remember he has not lost the giver the source of all blessings. The Lord always provides GRACE Solutions for the positive believer in disaster and crisis and will never leave him, therefore, by leaving possessions behind he is in fact losing nothing. [Humility](#), [Flexibility](#), objectivity and the application of Logistical Grace, the Plan of God and the Essence of God rationales to name but a few are the key to survival in disaster and crisis and also in future prosperity.

### [Gate #70 – Iconoclastic Arrogance](#)

Iconoclast – An Icon is an Idol therefore an Iconoclast is a person who destroys Icons, Images or Idols. Iconoclastic Arrogance is to worship, idealize, over emphasize a single person or small group with a different or “BETTER” idea for improving man’s or one’s own plight in life. Then to turn on them when they do not fulfill the expectations of what should be done and destroy or attempt to destroy them. When this occurs it is very often totally without the image even knowing of the existence of the idolatrous worship. This Arrogance takes people in one’s environment and forms them into IDOLS. Then the Idolized person or group with Old Sin Natures shows their Old Sin Nature and shocks the IDOLIZER so that the IDOLIZER looks for flaws and when they are found the IDOLIZER tries to destroy the FLAWED IDOL. This Arrogance is one of creating out of unreality one’s very own idol and relating it to reality and then reacting to its supposed failures and then destroying it. This is all done in one’s own thinking and makes anyone who comes in contact with him a potential victim when he seeks to destroy them. This is one’s Arrogance in assuming that a person or group can make him happy therefore interlocking with the [Arrogance of Unhappiness](#) and it results in his setting them up as an idol in his soul. Disappointment with people in general always results from the [Arrogance of Disillusion and Disenchantment](#). The more one is around the idol he has created the more he sees that they are just like the rest of the people around him and in seeing the flaws of the idol, he then goes about developing a process for destroying the idol.

This person who has been made into an Icon has an Old Sin Nature like any other person and when the iconoclastic individual discovers the flaws of the idolized victim his own [Self Righteousness](#) and [Legalism](#) and becomes disenchanted with the victim and begins the process of destroying them. This is the Arrogance of Disillusion and Disenchantment, Iconoclastic Arrogance and the [Feet of Clay Syndrome](#). This is a part of People Testing which is caused by a problem of the displaced [Virtue](#) of worship directed toward people. The only reason to recognize the flaws of another person is to ignore them and practice the virtue of [Impersonal Love](#) by keeping one's mouth shut about them. When considering the creation of an idol out of someone else, the [Arrogance Skills](#) can only do 1 of 2 things, put self on a pedestal of pseudo greatness or put someone else on an iconic pedestal. Usually this Arrogant person places self on a pedestal and then looks for some other qualified person to be up there with him. This eventually ends when the feet of clay of the other are discovered and they are then rejected and even destroyed figuratively in the mind of the Arrogant one or literally in life through the verbal sins of gossip, slander, maligning or the overt sins of violence and criminality. Iconoclastic Arrogance and the Feet of Clay syndrome are the inevitable result of the Fragmented life of the believer living in the minefield of Carnality always living under the control and function of the Arrogance Skills of [Self Justification](#) and in the blindness of [Self Deception](#). The Arrogant reaction of Idolizing and then rejecting one's own Idol is the vanity of transferring the blame for one's fragmented life to an innocent party by operating under [Denial and Projection](#) interlocking with [Transference Arrogance](#). Once this blame begins as disillusion, disenchantment or disappointment with the Idol there is created the motivation and Modus Vivendi for slander, maligning, judging and every form [Motivational Arrogance](#) from EVIL which is destructive to the Idol. The Feet of Clay syndrome is the Arrogant Irrationality of rearranging the Doctrine of [Hamartiology](#) to be compatible with personal Self Righteousness and Legalism just as the Pharisees did with Jesus and the Apostles. When Iconoclastic Arrogance is parlayed into evil obsession it totally abandons the greater Grace of of the spiritual life for the EVIL of the Cosmic Dynaspheres.

Self justification is the first of the Arrogance Skills and the power source for Iconoclastic Arrogance and the desired destruction of the Idol. The Idol was created as a role model but the only justification for the believer looking for or finding a Role Model is in the Person of The Lord Jesus, The Christ while he was in Hypostatic Union. Seeking and developing any other role model ultimately results in Self Righteous Arrogance and a believer who functions totally under the influence of Evil in the Name of Good. This is what ultimately brings Self Justification to the Iconoclast. Self Justification leads to Self Deception and inevitably results in [Self Absorption](#) and then these cycle back to the beginning of the Arrogance Skills, repeat and even reverse. This continued cycling of the Arrogance Skills very often results in the [Crusader Arrogance](#) of christian activism and doing pseudo or [Human Good](#) in the name of God so that Evil is thereby justified. The result is the attempt to bring all others into line with one's way of thinking and even to the point of killing any who oppose that one way of thinking. This is the Modus Operandi and Modus Vivendi of islam and communism both. Stalin in the name of the good for the greatest number killed many more than 12 Million people and Mao did the same thing killing more than 25 million.

Believers who enter the status of loser begins with reaction which is where Arrogance destroys what Arrogance creates. A prime example is this Iconoclastic Arrogance where the believer who creates the idol, later destroys it. This is subjective preoccupation with others resulting in disenchantment and disillusion with a role model when the actual humanity or feet of clay of the idol is seen. Whether there are real or imagined sins or flaws in the idol, it always results in attempted or actual destruction of the person who is the Idol. Iconoclastic Arrogance in transferring the blame of personal failures to the Idol to justify self and to blame another is the dark side of [Morality](#) found in [Legalism](#) related to the 3 Arrogance Skills. This is therefore, lying to self and becoming totally preoccupied with self. Iconoclastic Arrogance, therefore, destroys friendship, romance and marriage and the true christian fellowship of Bible Teaching from the right Pastor Teacher along with Fellowship with God the Father and The Lord Jesus, The Christ.

In divorcing self from reality, Arrogant thinking creates an image of perfection superimposing it on a person or organization creating an idol of illusion and enchantment. The illusion is Self Deception through Arrogance. When one over rates people it is a sign of personal Arrogance and divorcement from reality. This created Icon is an unreal and misleading image created by the Arrogant volition and thinking of a person who IS Arrogant and may not recognize he is Arrogant in [Blind Arrogance](#). This Arrogant person has abnormal illusions because Arrogance is always subjective and inflexible with regard to [Non-Essentials](#) and it must be creative in the field of subjectivity and it, completely alone, creates an image in another for worship. Accompanying the illusion created by Arrogance is the state of being enchanted by the illusion which is created from one's Arrogant subjective thinking. These illusions can in fact take this person to the point of [Psychosis](#). Once the illusion disappoints the Arrogant one, his reaction is disillusion and disenchantment and this Arrogance ignores the reality of universal human sin or failure because it has created an image of this other person without it or without realization of it. Therefore it is creating an image which does not and, in reality, cannot exist. It is possible to have this imaginary image of a person so strong in one's thinking so that when they die before the feet of clay are seen the Arrogant person then falls totally into a completely psychotic state. This has to be classified as maximum subjectivity in Arrogant thought. Arrogant subjective people in preoccupation with self spend their lives following this pattern of ignoring reality and engaging in serious levels of [Hamartiology](#). Love, respect and admiration related to [Humility](#) and reality are normal and not to be confused in the understanding of this concept of Iconoclasm.

Arrogance and Iconoclasm tend to depart from [Impersonal – Unconditional Love](#) and move to Personal Love resulting in the rejection of many people. The real secret to capacity for love, life and happiness is to have maximum Metabolized Bible Doctrine saturating the Stream of Consciousness of the Soul, in the sphere of Humility. Love, respect and admiration relate to reality, humility and capacity, therefore, humility is the protection against the most subtle and common place functions of Arrogance. Humility never destroys romance and true love but Arrogance fantasizes romance, honor and integrity into an image of unreality which cannot and does not exist in the devil's world and then, when disappointed or disillusioned by it, destroys or attempts to destroy it. Once this occurs and the image has been destroyed the first new

person who comes along who is nice and sweet as a person is then latched onto and the whole system starts over. When frustrated Arrogance like this occurs as a result of finding the feet of clay in another, one chooses the first person who soothes that frustration to replace the destroyed idol. This Arrogance then again creates an idol of perfection, the image of unreality, then again discovers the reality in the idol and again reacts to it. The greater the Arrogance and Self Righteousness the greater the demand for perfection in others. The Iconoclast never has capacity for Love because there is no capacity for true personal love without having Impersonal – Unconditional Love for Mankind in general and maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. Arrogance is never the basis for Personal Love but results in reaction to the sins of another and demonstrates that this Arrogant person has no capacity for love and is in fact dangerous.

Once a believer as an iconoclast reacts to the Idol he has created and there begins the cycling through the Arrogance skills, this involvement results in vituperation, malice, vindictiveness, revenge Modus Operandi, etc., to destroy the one set up as an idol and this may go even so far as violence and murder. Antagonism toward the feet of clay of the Icon is caused by Self Righteous Arrogance. The Arrogant believer takes the believer who is spiritual and observes him at some time out of fellowship in some form of presumed lasciviousness and the Arrogant believer sees this and enters the trap of the obsession of the Arrogance Skills. This entrance begins a system of destroying the Icon and eventually destroying any others who are like him through some activity involving [Christian Activism](#). The most devastating effect of Iconoclastic Arrogance is for the Iconoclast to create the Idol, worship the Idol and then seeing flaws in the Idol, destroy the Idol. Iconoclastic Arrogance often results in a life of permanent fragmentation and perpetual misery and these believers always end up as heretics. The Arrogance of the Iconoclast is blinded to the reality of HIS total failure established in trying to set up and then destroy the Idol.

The principle is that Arrogance Destroys what Arrogance creates. [Unrealistic Expectations](#) and [Role Model Arrogance](#) are both part of Iconoclastic Arrogance. When anyone departs from the Role Model pattern set up by the Iconoclast they are then destroyed by the iconoclast. The individual who functions under Iconoclastic Arrogance destroys his own Spiritual Life and is subject to Divine Discipline from the Supreme court of Heaven and often this is double and triple compound discipline and it results in incredible misery and suffering. It involves the rapid march through the 8 stages of [Reversionism](#) with total destruction of the Spiritual Life. This is a great tragedy when one realizes that all believers in this Church Age as Royal Family of God have been given the same equal opportunity and equal privilege to execute the Protocol Plan of God for their life in time. This problem is one which can only be solved by the provisions from and function of the Essence of God in Time.

### **Principles involved in Iconoclastic Arrogance**

The job of Christians is NOT to become involved in Crusader Arrogance by interfering with religion or destroying its property in the form of Icons or Idols. Believers as Ambassadors for Christ are to communicate the truth of the Gospel of Christ and accurate Bible Doctrine and NOT destroy property. The Iconoclast is an idiot who destroys property because he resented it

or was offended by it or thinks he is serving GOD. Iconoclastic Arrogance today is different than in the past and iconoclasts today are civilized enough to NOT destroy the property of religious churches and they, at least to some small degree, respect the property of others and to some slight extent authority as well. Today Iconoclastic Arrogance it is best defined as subjective preoccupation with OTHER PEOPLE and is the counter part of the Arrogance of Unhappiness which is SUBJECTIVE preoccupation with SELF.

This basically involves resenting anyone whose sins are different from one's own SINS. Iconoclastic Arrogance is thus completely divorced from reality in human relationships where the Arrogant believer uses romantic illusions or some other form of admiration or deluded idealism and fashions in his mind an idol of perfection which ONLY exists in his own mind and does not even approach the true reality of the person idolized. This idol created by Arrogance could involve a romantic, spiritual, physically beautiful, personable, kind or good image which results in disillusion when it fails to fulfill the expected results. The connection with the Feet of Clay syndrome results in an idolatrous delusion based on the Arrogance of Subjectivity.

For happiness, contentment and blessing the believer must realize that he cannot change others but can only CHANGE SELF. Many believers often try to change people they love and people they can't stand being around in hopes of improving both categories. This is an Arrogant attitude and results in them being so busy with involvement in Crusader Arrogance that they never think of changing self. Changing self requires function in and execution of the Protocol Plan of God. IF the believer is functioning under the progressive levels of Personal Love for God then he will take people as they are but IF he is not functioning under Personal Love for God at any level then people will make him miserable as long as he lives. One cannot change people to conform to one's personal standards and IF one tries long and hard enough he will become as childish, stupid, foolish, imbecilic as the infant believer and if he has any spiritual advance developing in his life it will be wiped out. ([Eph 4:14](#)) The changes one can make in self are those which make it possible to live with other "OBNOXIOUS" people and tolerate and love people and MUST be related to Bible Doctrine. Only by changing self through advance and execution of the Protocol Plan of God can the believer avoid Iconoclastic, Unrealistic Expectations and Role Model Arrogance and all of the levels of their interactions in the Interlocking System of Arrogance. These are all pins in the Arrogance grenade which will result in the believer having a totally fragmented life if they are pulled. Changing self is a matter of consistent Positive Volition toward Bible Doctrine and consistent Post Salvation Epistemological Rehabilitation from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. There are no vows or promises to start doing something to change self and one DOES NOT do it on his own but it is done FOR HIM by the Grace of God and his fantastic provisions under the Mystery Bible Doctrine of the Church Age IF the believer will be self disciplined enough to be consistent with his intake of Bible Doctrine. Changing self is a matter of learning and relying on the Omnipotence of God, the [40 assets](#) given at Salvation Adjustment to the Justice of God and the [4 Spiritual Skills](#). Changing self is a matter of execution of the Protocol Plan of God by which the believer is manufactured into an invisible Hero. One cannot change people by imposing on them impossible standards as a part of Role Model Arrogance, using standards which one cannot and does not keep himself. This is why

marriages explode because each spouse has a grenade and each pulls the pin and rolls it under the other causing fragmentation of the marriage. The believer cannot react to the failures, flaws and sins of others through Iconoclastic Arrogance. A shocked wife tries to change or destroy the idol she created when she married. A shocked husband goes to the local pub and tells the bar tender that he cannot understand women. In addition, having children very often means the children will roll their mini grenades every day under both parents.

### **Mental Attitude Sins & Iconoclastic Arrogance**

Iconoclasm also interlocks with [Bitterness](#) and [Mental Attitude Arrogance](#) as [Motivational Arrogance](#). This is the vanity of blaming someone else for the fantasizing of one's own Arrogance. This believer shifts the blame for personal failures to any other when in fact HE did the fantasizing and HE is the Arrogant one having created the idol and then having gone about destroying it. This is the most subtle but most vicious form of Arrogance which takes the Arrogance one possesses, no matter his IQ, and turns all aspects of his thinking into subjectivity. It is impossible to have any capacity for life or love with this thinking in one's soul. This is one easy way to enter [Psychopathic Arrogance](#). It is impossible with this type of thinking to appreciate Bible Doctrine because this thinking is subjectively distorted into one's own Arrogance system. This is also the function of creating an idol out of Arrogant thinking, then worshiping it in the sphere or circumstances of unreality, then blaming it for not being God and then destroying it with one's own Arrogant reaction of disillusion and disenchantment. Only God is perfect and man is not only imperfect and sinful but falls under the category of [Hamartiology](#) called total depravity. Depravity is the possession of totally Arrogant thinking. Degeneracy is not actions or vulgarity but is thinking in terms of categorical Arrogance. Therefore, entering Iconoclastic Arrogance is first accomplished totally by a person's own thinking and entering into Motivational Arrogance; this could be called AUTO-Arrogance.

### **The Interlocking of Iconoclastic Arrogance**

When in the Interlocking System of Arrogance the believer can 'interlock' with all systems of both Motivational Arrogance and [Functional Arrogance](#) and ultimately shock himself with what he does.

### **Self Righteous Arrogance**

Iconoclastic Arrogance interlocks with the instability of the Arrogance complex which is oscillation between [Self Righteous Arrogance](#) and [Self Pity](#). Self Righteous Arrogance can perform many types of good deeds but cannot compete with the imputed Righteousness of God the basis for justification at Salvation Adjustment to the Justice of God and the basis for divine blessing after Salvation Adjustment to the Justice of God. The book of Romans defines the role of the imputed Righteousness of God so that there is no excuse for being distracted into a system of Self Righteous Arrogance which competes with the Plan of God.

### **Authority & Institutional Arrogance**

Since the idol created by this Arrogance is often associated with authority this makes the person vulnerable to [Institutional Arrogance](#) and [Authority Arrogance](#).

### Disillusion, Disenchantment & Unhappiness Arrogance

Since the person involved in Iconoclastic Arrogance is also involved in the Arrogance of Disillusion and Disenchantment and is basically unhappy he must also be associated with the Arrogance of Unhappiness. Often when people are unhappy they look for someone to make them happy and that someone becomes the idol and when that idol lets them down they become disenchanted with it and are again unhappy and then destroy it and look for another to make them happy. It is very difficult to go into the Interlocking System of Arrogance by Iconoclastic Arrogance and not be involved in Arrogance of Unhappiness. Nothing can make these individuals happy and they always inevitably react to the target which they think will make them happy.

### Iconoclastic Arrogance & Crusader Arrogance

The reaction of Disillusion and Disenchantment also links with Crusader Arrogance since the crusader is a frustrated, Self Righteous Arrogant person. He is one who has shot down so many idols he has given up on idols and now wants to reform groups or improve the world. The object of the crusade is to punish the idol or idol group for being human and sinning, or offending his Self Righteousness when he discovers their feet of clay. This is the greatest distraction to the study of Bible Doctrine since teachers of Bible Doctrine are very often made into idols but all have an Old Sin Nature which is inevitably discovered all too quickly.

If one puts a person on a pedestal because of romance, friendship, marriage, etc., he surrenders his happiness to that person. They WILL disappoint him because of his admiration of them and he will become disillusioned regarding them if he is lacking sufficient Metabolized Bible Doctrine in his Stream of Consciousness of the Soul. Then he will lose or destroy his own Spiritual Life. He then will have no capacity for life, all because there is no response in the soul of the other to all the situations or problems in the life of the Arrogant one. This is Disillusion and Disenchantment, and when one creates the pedestal and puts a person on it he will eventually see their feet of clay and become Disillusioned and Disappointed and try to destroy them. Love then turns to hate and this believer is so far from the Spiritual Life it is disgusting. He often starts with the Arrogance Skill of Self Absorption and when he sees their faults and is totally disappointed then he pulls them from the pedestal and attempts to destroy them. He will judge, malign, and even come to the point of malice in his attempts to destroy them. He thereby moves from Love to motivation for Revenge for the disappointment they have caused him. Then he cycles back to the 1<sup>st</sup> Arrogance Skill of Self Justification and moves again into Self Deception in order to complete his destructive dealing with this individual who may well have done nothing wrong. This is a true danger to the Spiritual Life and the Arrogance Skills will cycle both forward and backward until this believer is not distinguishable from the unbeliever. Reacting in this manner to someone makes the reactor the loser in the Spiritual Life and when he thinks he is right under self justification he then becomes the greater loser.

The person whom has been placed on the pedestal and then torn down and has become the subject of attempted destruction will be far better off than the iconoclast because they will be receiving blessings due to his reaction to them. This is where iconoclasts enter Denial and

rejection and do not see self in the doctrinal mirror of the soul since in this state, the [7th Stage of Reversionism](#) is destroying and erasing all Metabolized Bible Doctrine and the mirror of the soul no longer exists. When Iconoclastic Arrogance has resulted in malice and the true desire is to destroy the idol it often leads to violence and even murder. There is now no distinguishing the iconoclastic Believer from the unbeliever. This has become obsessive EVIL and will truly destroy the Arrogant believer. This Obsessive EVIL can again become Crusader Arrogance from self absorption again cycling back through the Arrogance Skills. This Status Quo lacks capacity for Life and has Evil motivating and influencing emotion which then takes over control of the soul in [Emotional Revolt of the Soul](#) as a response to improper thinking from the Arrogance Skills. In the Arrogant one moving back to Self Deception strength is added to his Legalism and Arrogance because the one on the pedestal is wrong and the iconoclast is convinced he is right and thus enters into [Christian Activism](#) and by this means fragments his own life. As a result, he will receive warning discipline from God under the law of volitional responsibility as a result of his involvement in reversionism continuing. His reaction turns love into hatred, bitterness and vindictiveness and disillusion become malice and lust for revenge, and by this means from his own volition he allows another to control his life and emotions.

This kind of reaction to another person based on Unrealistic Expectations, Role Model Arrogance, and / or Iconoclastic Arrogance, results in the rate of forgetting exceeding the rate of learning and the 7 compartments of both the Left Lobe and Right Lobe of the Stream of Consciousness of the Soul being covered up by [Scar tissue of the Soul](#) resulting in a LOSS or ERASURE of all Metabolized Bible Doctrine from the Stream of Consciousness of the Soul.

### [Iconoclastic Arrogance & Maladaptive Defense Mechanisms](#)

The believer who enters the process of Iconoclastic Arrogance creates a system of Self Righteousness and constructs from this new environment the inability to use the [Problem Solving Devices](#) and sets himself up as a role model. This comes from [Denial](#) and [Projection](#) as well as pseudo self esteem. These 2 false principles cannot ever win the [4 Battles of the Soul](#). Iconoclastic Arrogance results from the syndrome of getting eyes on people thereby creating a role model out of someone until reaction to them occurs and then SELF is set as the role model which can do no wrong. This Self Righteous Arrogance always contradicts the Protocol Plan of God and always ends up in Denial. This Self Righteous Arrogance creates an environment with denial where the Arrogant one cannot be wrong. Their idolized role model is then inflated under the defense mechanism of [Idealization](#). When this occurs while in Self Righteous Arrogance, unreality is created to keep this role model on the pedestal but, sooner or later, the feet of clay start kicking. Then when the flaws are seen the iconoclast finally wakes up and reacts to the one set as role model which results in disillusion, Disenchantment, and eventually denial.

This very often results in [Autistic Fantasy](#) which as ineffective daydreaming is a substitute for reality. Now the Self Righteous Arrogance of the creator of the role model, does everything possible to run down or destroy the role model who unwittingly showed their faults. In essence they go out of their way to totally destroy them, because as a result of living under the

influence of the [Maladaptive Defense Mechanisms](#) these Arrogant iconoclasts are unimaginably vicious. Then as a result of the rejection of the role model or discovery of their feet of clay this Arrogant iconoclast uses the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred as well as the lust pattern system of the Old Sin Nature to accomplish a total loss of at least 3 of the 4 Battles of the Soul. This results in Unrealistic Expectations where the one in Self Righteous Arrogance expects all others to share their views and when this does not occur they enter into a greater level of Self Righteous Arrogance where they blame others for their own faults and flaws. These flaws must be corrected and the only possible way to do so is to look long and hard into the mirror of Bible Doctrine in the Stream of Consciousness of the Soul. The Unrealistic Expectations of the believer under Maladaptive Defense Mechanisms of [Repression](#) and [Denial](#) not only blames others for their visible state but becomes aggressive under legalism to change others to conform to their expectations. Unrealistic Expectations and the Maladaptive Defense Mechanisms in an individual cause him to fail to realize that there is only one person he can change and that is himself.

### **Biography of the Aggressor**

Through the [Lust Patterns](#) of the Old Sin Nature 2 systems of Obsessive Evil are Manufactured which go together and reinforce each other functioning generally under one or more of these Arrogance entry gates, Unrealistic Expectations, Role Model Arrogance or ICONOCLASTIC Arrogance. An Obsession is the domination of one's thoughts and feelings by a persistent image, idea or desire. The Image is the Role Model created from one's Arrogance of soul. The Idea is that this role model is the greatest thing ever to come into the world and this thinking is counterproductive to the Spiritual Life. The Desire is a lust from the Old Sin Nature which rejects the mechanics of the Spiritual Life and includes Power Lust and Approbation Lust. The mechanics involve finding a believer who is loved, honored and adored by others. This believer or any person for that matter, is put on a pedestal in the mind of the Iconoclast which, at first, seems innocent, but is definitely misguided love or admiration for another person because of one's personal [Legalism](#).

The problem here is that when a person is placed in the position where it is now assumed that they do not have an Old Sin Nature and are in fact perfection incarnate then the person placing them in that position begins to assume that they also are perfect because they have created or recognized this perfection in the idol. Then, at a later time, the discovering of the feet of clay or failings of this icon results from their supposed position of Superiority. Admiration of others who have made great accomplishments is a good thing as long it is related to [Humility](#) and the Norms and Standards from Bible Doctrine. However, this well intentioned function has a dark side where the Old Sin Nature gains control of the soul and the 3<sup>rd</sup> Arrogance Skill emerges, [Self Absorption](#), and without the consistent use of the [Rebound Procedure](#) that believer finds himself set deeply into the Arrogance Skills and Cosmic Dynasphere I, the Interlocking System of Arrogance.

The shock wave occurs for the iconoclast occurs when it is discovered that there is no Old Sin Nature compatibility with his created Idol. This is a negative reaction and sinful in discovering the feet of clay and turning disillusion into malice. It is the trend of the Old Sin Nature

toward Legalism and Arrogance which reacts to the shock of seeing the incompatibility with the idol where the idol seems weak and immoral while the iconoclast sees himself as strong and moral and he then becomes MORE Arrogant and uses all his efforts to destroy this Role Model Idol. It is primarily the shock of seeing the Idol fail in any way that destroys the precept of the perfection of the Idol and from this then comes the whole system of Vituperation and Vilification creating Malice, Bitterness, Implacability, Vindictiveness, Public Lies, etc, to punish the idol for failing to fulfill the standards of the iconoclast and thereby hurting the Iconoclast. This Arrogance, therefore, can be the basis for all the worst sins and even the basis for Murder as the worst of the Overt Sins.

This magnified Arrogance places a Bitterness in the Soul which is only satisfied by destruction of the Idol. This then results in the discovery of tremendous power never seen or used before and the iconoclast becomes stimulated by it and this power becomes the evil obsession of Arrogance with the attitude that the Idol deserves destruction. When this attempted destruction works it then stimulates the Legalistic Arrogance of the iconoclast and is a great part of the 2<sup>nd</sup> Arrogance Skill of Self Deception. This stimulating power DEMANDS use and thus the Arrogant believer now demands stimulation from the use of this Evil power to destroy all the bad things in the world. The iconoclast now looks for other experiences of [Revenge](#) from this Evil and the destruction of others who are in his eyes obviously wrong in life. This results in the Justification of Sin and Crime derived from Evil in the name of doing good things. These Arrogant believers now AGGRESSIVELY LOOK for people toward whom they can react and then destroy. By this means they then justify their Evil coercion to bring as many as possible in line by any means possible. However, this always results in an empty throne but the power is still there to destroy others and the use of this provides great approbation for the job the iconoclast is doing in getting rid of these bad ideas, bad people and bad things. When Role Model Arrogance is followed by Iconoclastic Arrogance in the Aggressor there is Self Fragmentation of the Spiritual Life in the Minefield of Carnality. God the Holy Spirit therefore no longer controls the Soul of this believer but the Old Sin Nature controls the Soul where there is then carnality and entrance into the 8 Stages of [Reversionism](#).

Very often when others see what has been done to destroy the idol and when they condone it, this adds to the approbation lust of the Iconoclast. A single and often simple thought can make or break the believer and the power of Evil Influence is so strong it can attract the best believer and the resulting Arrogance then attempts to destroy or align all others in his periphery to his false standards. A great part of this problem for the believer begins with building Doctrine on Experience rather than on the study of the Word of God. This legalism and the power of Evil introduces new stimulation into the life of the Self Righteous Arrogant believer and if this evil power becomes admired by others it is then disguised as being “GOOD” for everyone. This approbation results in the Self Righteous Arrogant believer being totally entangled in Cosmic Dynasphere I, the Interlocking System of Arrogance and rejecting the necessity for involvement in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine which is the true Spiritual Life. The Admiration of the ‘Mob’ then makes an idol of the Arrogant Iconoclastic believer and the power of Evil multiplies the functions of the [Arrogance Skills](#) in all of these people. This explains the unimaginable tyranny which occurs

when a FEDERAL government becomes too powerful and takes over a country by systematically enslaving its people as has been occurring in the United States of America. The more power the government takes from the people the more Evil it becomes involved with. This is clearly stated in the Constitution of the United States of America which does not trust Big Government and does everything possible to prevent its existence. Unfortunately the great American Constitution has been largely set aside today for bleeding heart liberal socialism and welfare functions, ie giving greater power to the federal government.

### **Iconoclastic Arrogance & Reality**

All Arrogance is subjective and subjectivity divorces self from reality to varying degrees especially in human interaction. This Arrogance takes normal people, all who possess feet of clay, flaws or faults in some area of life, and assigns to them a role which they cannot possibly perform because no one is perfect, despite the Arrogant person wanting to see them as perfect. Reality is that NO human being ever enters this life apart from possessing a genetically transmitted Old Sin Nature and NO ONE has lived their life without at some point, probably many, having acquiesced to the temptations thrown up by the Old Sin Nature. Some who are involved in this Arrogance may even have to go back in history to find their idol when they are wallowing in some level of psychosis. Even the most totally subjective, self centered, Arrogant people will have at some time an OBJECT for their personal worship. In this way, by the use of their own volition mixed with their Arrogance and their unrealistic perspective of life, they create their own Idol monster. Obviously, this is always an illusion created by foundering in unreality, but all Arrogance is always divorced from reality. Arrogant people are often under the illusion of Self Deception and as a result of being subjective these illusions are created within their human soul. This illusion and the Arrogant misconception about another person, becomes the delusion of imposing on the conscious mind an IDOL which cannot, does not, and will never exist.

This is not normal human admiration or respect and all normal people admire things which are compatible with their Norms and Standards but this is the antithesis of normal admiration, respect and love for others. This is an Arrogant delusion and the subjective creation of an idol in the thinking and emotion of the Arrogant soul. Not only does the Arrogant person take another HUMAN BEING and create this idea of perfection around them but also he becomes fixed in the illusion that the idol he has imagined in his soul, can do no wrong. When one loves other people in friendship or romantic love he does so knowing their flaws and failures and accepting them for who and what they are. No one ever loves another without sooner or later finding the flaws, faults and fallacies of the other. In every case in order to perpetuate that love one has to treat the object of love as a PERSON not as a IDOL. It is Impersonal Unconditional Love for Mankind as a **Functional Virtue** developed in the Power System of God, the Divine Dynasphere which causes one to treat those whom he loves, those who fail him personally and those who fail generally in sin, AS AN INDIVIDUAL PERSON. If this person has made Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus the Christ alone then the additional consideration is that they too are recipients of the imputed Righteousness of God. In every case, when one has illusions about another person and creates in his soul an IDOL based on this other person, sooner or later the idol will crash in one's

thinking when they unintentionally ignore or offending him in some minor way. All Arrogant individuals, being intrinsically hypersensitive, will invariably find what they consider the FEET of CLAY, flaws or faults, of their self created Idol and then begin systematically to engage in processes to destroy that Idol.

The true insanity of Iconoclastic Arrogance is BLAMING the IDOL, which one has himself created, for what he has done in his own soul. Invariably people will be disappointing but it is the Arrogance of the person who becomes disillusioned and disenchanted with other persons. The one who has put this other into a position as an idol, is offended by his own exaggeration of their ever present flaws and becomes antagonistic toward them. It is almost humorous were it not so destructive that this Arrogant person always blames the Idol for having been created by HIM and principle is that Arrogance never takes responsibility for being Arrogant. Thus the decision to create an Idol centered around another human being is a decision from a position of weakness, from residence in Cosmic Dynasphere I the Interlocking System of Arrogance under Iconoclastic Arrogance.

Iconoclastic Arrogance is the old story of Arrogance inevitably solving all its problems by violence, physical, mental or verbal, and this is solving a problem with another problem. Arrogance has no patience and does not believe in any parliamentary form in relationships and therefore always resorts to some level of violence. It is a violence of thought from some aspect of [Motivational Arrogance](#) which follows into the development of Iconoclasm. Therefore, it is Arrogance to idolize people and a production from Evil as [Functional Arrogance](#) to engage in Iconoclasm. Admiration of others is normal, LOVE of others is normal and an expression of Honor, Integrity and Good Norms and Standards in true love is NORMAL. Disappointment is normal and people inevitably disappoint, but Disillusion and Disenchantment is abnormal and involves the creation of something which does not exist and the Iconoclast has thereby gone from reality to unreality. God is to be worshiped because he is PERFECT, people are to be loved even though they are NOT perfect. To be disenchanted with people is Arrogance and to be disenchanted with God is Blasphemous. Therefore, subjective preoccupation with self interlocks with Iconoclastic Arrogance as subjective preoccupation with others.

### **Results of Iconoclastic Arrogance**

Whenever the believer engages in iconoclastic Arrogance his own Tragic Flaw is displayed and HE DESTROYS HIMSELF. Receiving Divine Discipline can add to his misery but is designed to awaken the believer to his status in a fragmented life. The believer destroys himself with sin and Divine Discipline is designed to wake him up from this sinful status. Every sin has its areas of violation of natural laws and has repercussions and when one sins he subjects SELF to these laws and repercussions and many times this person thinks he is under Divine Discipline but he is simply wallowing in his own Self Induced Misery resulting from the violation of the natural laws from sinning. Divine Discipline is actually a GRACE function from God designed to give the believer a shove back toward the Plan of God and the Spiritual Life functions. Divine Discipline is a reminder that the believer must be objective about life and therefore use the [Rebound Procedure](#) and recover instantly from failure or sin. Sin results in manufacturing one's own unhappiness and misery from DECIDING to Sin and thus leaving the System of God,

the [Divine Dynasphere](#), and entering into the systems of Satan, the Interlocking Systems of Arrogance and Antagonism. The Arrogance of rejecting one's own idol or icon is the vanity of [Transferring](#) the blame for one's own failures to an innocent party. Thus, disillusion combines with the Hypocrisy of Idol manufacturing and then transfers the blame to the idol. The IDOL is innocent of what he is being blamed for and even if the idol has sinned, that is a problem only for the IDOL, NOT THE ICONOCLAST, nor is it his prerogative to evaluate the Idol. Therefore, residing in a fragmented system under strong Evil Influence the iconoclast destroys what he has created.

Arrogant romantic women can Idolize Men and even Marry them to later discover their Old Sin Nature and after close intimate contact they clearly see the feet of clay and REACT to them which may result in divorce in a very short period. In every case the creation of an idol out of another person results in the believer beginning the fragmentation of his life by entering the Interlocking System of Arrogance. The Arrogant reaction then becomes vindictive, implacable, bitter, filled with hatred and antagonism and resentment. When this happens to a woman in marriage toward her husband who is her authority she destroys not only her marriage but also her own life which becomes a life of total misery.

Christians may idolize the Pastor Teacher or Evangelist (the evangelistic spiritual gift has an aspect of attractiveness toward people and a leadership quality which draws people to them). This often occurs when the individual believer idolizes the Pastor Teacher who feeds the congregation Bible Doctrine accurately. However, the Pastor Teacher is not a very good icon or idol because his feet of clay show quickly as a result of his being observed frequently OR this occurs as soon as he teaches something with which that member of the congregation disagrees or dislikes. This brings strong reaction, disillusion and disenchantment resulting in turning away from the correct accurate teaching of Bible Doctrine. Destruction of this Pastor Teacher idol means rejection of the Bible Doctrine he is teaching and thus rejection of the Plan of God, Will of God and Purpose of God for one's life. This is one reason that a large percentage of apostate believers exist today and is a major cause of the rejection of Bible Doctrine.

When a child does this regarding parents and becomes disillusioned with parents and rejects parental authority that child is going to have the most unhappy miserable life imaginable and the only thing which can change this for him is execution of the Protocol Plan of God. For the unbeliever the only solution to this kind of Arrogance is to function within and under the Bible Doctrinal principles of the Laws of Divine Establishment and Divine Institutions and this is a HARD road to recovery because this person is filled with antagonism, hatred and motivated for revenge.

Therefore, Iconoclastic Arrogance destroys:

- ✧ Friendship
- ✧ Romance
- ✧ Marriage
- ✧ Business Relationships

- Professional Relationships
- Local Church Relationships

### The Bad Combination

The Arrogance of Unhappiness inevitably interlocks with Unrealistic Expectations and Role Model Arrogance moving the individual into Iconoclastic Arrogance. Here these combine to form the tragic flaw of the double standard in the Christian Way of Life by which people justify their own sins while judging, slandering and condemning the sins of others. In addition the tragic flaw of Self Righteous Arrogance interlocks with this entangling the individual believer into Legalism, Personality, Morality, Authority, Compulsive, Conspiracy, Crusader, Christian Service and Transference Arrogance.

### Prevention or Avoidance of Iconoclastic Arrogance

First and foremost, Arrogance never takes the responsibility for being Arrogant and many areas of involvement in the Interlocking System of Arrogance interlock directly with Blind Arrogance. For the believer in spiritual adulthood there should never be any reaction to other people with Disenchantment and Disillusion because the spiritual adult believer must take all people as they are including other believers. Each stage of spiritual adulthood is characterized by increasing Personal Love for God to the point of Occupation with the Person of The Lord Jesus, The Christ, therefore ‘God Emphasis’ must take precedence over ‘People Emphasis’. Therefore, the ultimate protection against Iconoclastic Arrogance is for the believer to advance into the realm of Maturity Adjustment to the Justice of God.

### Gate #71 – The Arrogance Regarding Role Models

Role Model Arrogance is in reality part of Iconoclastic Arrogance. The “ROLE” is the proper or customary function of a person, where society and people in general have assigned proper, customary functions to certain activities in life such as husbands, wives, teachers, politicians, Law Enforcement officers, Military men, Pastors, public servants, ETC. When one departs from his Role Model he is condemned, ostracized, criticized, judged, slandered, rejected, and maligned. People in a society in general have a predilection for everything to be in its proper place and to be operating under its “proper function” and invariably resent any deviation from what they have set as “proper function” in any form. Thus society invariably always develops a double standard, one for the Role Model and one for the Role of Self. While a person may excuse himself for his own sins, failures, and flaws he inevitably condemns any Role Model for identical sins, failures and flaws thus this is another aspect of Iconoclastic Arrogance or an interlocking into Iconoclastic Arrogance. Role Model Arrogance under the feet of clay syndrome of Iconoclastic Arrogance results in the believer imposing impossible, unrealistic or unreasonably perfect standards on others which he should never do because it ignores the fact that every individual has an Old Sin Nature and continues to use it even after Salvation Adjustment to the Justice of God. ([1John 1:8-10](#)) Therefore, this system of Denial, justifying one’s own sins and

condemning the Role Model's Sins, is failure in the Christian Way of Life.

In every soul of every person the Old Sin Nature's trends are antithetical and a person can oscillate between these trends. The trend toward Legalism results from entanglement in much of the Arrogance complex especially [Self Righteousness](#) and ends in the [Dark Side of Morality](#). The Old Sin Nature trend toward legalism is the conversion of morality into a pseudo Spiritual Life by combining it with Arrogance. This is the Arrogance which comes to those who try to keep the Decalogue, the 10 Commandments, for salvation or spirituality. Legalism is a Self Righteousness, which is part of both the Interlocking System of Arrogance and the Arrogance Skill of [Self Justification](#) which is the beginning of the entrance and cyclic function within the [Arrogance Skills](#). Legalistic, Arrogant, Self Righteous people are always users. The Old Sin Nature trend toward lasciviousness results from the Arrogance of Self Indulgence and inevitably interlocks tightly with [Pleasure Arrogance](#).

Role Model Arrogance gravitates to the Old Sin Nature trend of Self Righteous Arrogance and Legalism and manufactures a hypocrite out of oneself and a victim out of the Role Model. Role Model Arrogance rejects the fact that one cannot change anyone but self and an outstanding example is the believer who places emphasis on the pastor over the message. Iconoclastic Arrogance results in [Unrealistic Expectations](#) and combines these into Role Model Arrogance. Thus, the double standard of Role Model Arrogance originates from the Old Sin Nature's trend toward Legalism. The bad combination of Unrealistic Expectations, Self Justification and Role Model Arrogance with [Self Deception](#) results in a polarization of the Old Sin Nature trend toward legalism resulting in total [Self Absorption](#), thus completing a cycle in the Arrogance Skills functions.

Role Model Arrogance manufactures legalists, hypocrites, and Self Righteous Arrogance all as a result of the formation of its victims in its function. Role Model Arrogance is a part of the fragmentation of Arrogance in the life and also manufactures LOSER believers who not only have their eyes on self but also on other people in general. This removes the possibility of using the greatest of all Problem Solving Devices, [Personal Love for God](#), in its varying progressions of development up to and including [Occupation with the Person of The Lord Jesus, The Christ](#). Role Model Arrogance, therefore, creates hypocrisy in the clergy and legalism in their congregations. When functioning under Role Model Arrogance the clergy and congregations of any Local Church will be distracted from what is important, the mystery Bible Doctrine of the Church Age, and by which the Protocol Plan of God is executed. Without the consistent Post Salvation Epistemological Rehabilitation from persistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine there can be no solutions to nor understanding of the combination of Unrealistic Expectations and Role Model Arrogance which interlocks with Iconoclastic Arrogance and HOW THEY WORK. Therefore, Role Model Arrogance distracts congregations from Bible Doctrine by placing emphasis on the personality of the pastor rather than the content of his message. The only [Essential](#) in any Local Church congregation is the accurate content of the expository teaching of the Word of God by the Pastor Teacher which is the only means of spiritual growth and execution of the purpose, plan and Will of God for one's life. Simply put, it is never the man but ONLY the message.

Role Model Arrogance interlocking with Unrealistic Expectations has 3 focusing results:

- ↪ **Eyes on Self**
  - A Double standard used to justify self by rationalizing one's own sins and ignoring both moral and immoral degeneracy in self.
- ↪ **Eyes on People**
  - Condemning their sins and failures with envy, bitterness hatred, revenge, gossip, maligning, slander, [Inordinate Ambition](#), Inordinate competition.
- ↪ **Eyes on Things**
  - Arrogant resentment of others who possess greater material assets or have more approbation from people which one does not receive.

One terrible result of this is the Arrogant frustration of the resentment which results from seeing the wicked prosper which very often distracts the believer from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine and execution of the Protocol Plan of God.

[Heb 12:2](#) mandates that the only Role Model for the Believer is The Lord Jesus, The Christ in Hypostatic Union, and to make anyone else a Role Model is entering into Iconoclastic Arrogance, Role Model Arrogance, and Unrealistic Expectations Arrogance. This will also inevitably result in his function totally in the Arrogance Skills and is basically the origin of [Christian Activism](#) and [Crusader Arrogance](#). As a result, Christian Activism and Crusader Arrogance are 2 of the most destructive systems in Life destroying the Spiritual Life and Freedom simultaneously.

When a believer puts any other person on a pedestal he surrenders his happiness and control of his life to that person. If one gives love to another and that person disappoints for any reason so that he becomes disillusioned he is in danger of losing his entire spiritual life in one shot. In the Spiritual Life wealth is measured in terms of the quantity of Bible Doctrine available as the thinking currency of the soul and any reaction to someone who is loved is like being trapped in a mine field full of explosives any one of which could fragment both the believer and his Spiritual Life. The REAL Danger comes from involvement in the 3 [Arrogance Skills](#) since any reaction to others always includes Self Justification, Self Deception and Self Absorption. Being involved in Unrealistic Expectations, Role Model, and Iconoclastic Arrogance the believer can easily, often instantly and entirely, destroy his own Spiritual Life. A Reaction as a result of having Unrealistic Expectations makes him vulnerable to [Disillusion and Disenchantment](#). A Reaction related to Role Model Arrogance makes him vulnerable to the [Feet of Clay Syndrome](#). Iconoclastic Arrogance makes one vulnerable to the power and [Approbation Lust](#) of the Lucifer syndrome where one locks in to the idea that he is completely right and as a result he comes to the first 2 Arrogance Skills and ultimately total Self Absorption. When one surrenders the custody of his life and happiness to someone he loves or admires he permits them to control his responses in life and as a direct result of this 2 things invariably happen:

- ↪ God the Holy Spirit does not control his life and he is in a mine field and anything he does will be destructive apart from his use of the [Rebound Procedure](#).
- ↪ The Old Sin Nature controls his soul and anything he does in this status is like stepping

on one of those fragmentation mines.

Rectification of this status quo always begins with [Rebound](#) and the recovery of the [Filling of God the Holy Spirit](#) and the Spiritual Life and above all recovery of [Humility](#) from engaging again in consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. ALWAYS remember when involved in any aspect of the Interlocking System of Arrogance, “God makes war against the Arrogant believer” ([James 4:6](#)) and nothing is more Arrogant than a believer who has tried to solve a wrong doing with a Sin of Arrogance. This results in the soul becoming covered with [Scar Tissue](#) which will destroy all personal relationships including marriage.

Any society has applied perfunctory status’ to functions in life and when there is deviation from these general patterns the people then begin to try to destroy those individuals involved in these distortions and deviations. Therefore, societies always have a double standard and this becomes a destruction of the Grace Principles of the Plan of God. By this means, Role Model Arrogance causes believers to fail due to lack of Personal Love for God and Impersonal – Unconditional Love for Mankind including and especially the one whom they have set up as an icon. These believers have not reached [Maturity Adjustment to the Justice of God](#) and are NOT functioning under [Occupation with the Person of The Lord Jesus, The Christ](#) and as a result they begin to self destruct. The SELF – Destructive principles of Role Model Arrogance include:

- ✧ Role Model Arrogance manufactures hypocrisy in the clergy and legalism in the congregation therefore the evil function of the Feet of Clay Syndrome and Iconoclastic Arrogance.
- ✧ Role Model Arrogance ignores the basic Bible Doctrines that all believers must have and as a result continues a rate of personal sinning which is compatible with their ignorance of Bible Doctrine or compulsive from the lust pattern stimulation of the Old Sin Nature.

Without consistent Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine the freedom of self determination is destroyed. Both the privacy of the priesthood and the environment for cognition of Bible Doctrine is replaced by some form of spiritual tyranny which drives people away from Christianity. Role Model Arrogance often distracts whole congregations from Bible Doctrine by by emphasizing personalities within the congregation or the personality of the Pastor Teacher over the doctrinal message. This is one result of entanglement in the Interlocking System of Arrogance where believers always get hung up on personality and forget about Bible Doctrine. Therefore both Role Model and Iconoclastic Arrogance are a total lack of taking responsibility for anything, including everything which they are doing to destroy their own Spiritual Life and that of anyone who knows them.

Role Model Arrogance is one of the easiest of all ways to get out of fellowship and loose out in the Spiritual Life. Grace is the means provided by GOD, by which the believer can begin to use his volition and relate that volition to the Spiritual Life. Therefore, the believer must never use his volition to put any person on a pedestal above God or his Word, since this will inevitably cause a [Reaction and Distraction](#) in his Spiritual Life plunging him head first into the stages of Reversionism. Everyone likes to be loved but no one wants to be manufactured into

an Icon since, and having any level of common sense, he should know he will assuredly disappoint someone at some time.

### **Gate #72 – The Arrogance Involving Christian Service**

Christian Service performed within the Cosmic Dynasphere as Human Good is motivated by and the production from Evil and glorifies only self. It is considered spiritually useless wood, hay and stubble to be burned at time of the resurrection of believers in each dispensation, prior to the believer entering eternity. For the Church Age believer this occurs at the Judgment Seat of Jesus Christ, where each believer is evaluated as to what he has done with his time provided by God in this life. Christian Service is NOT the means of fulfilling the Plan of God but it is the result of fulfilling the Plan of God by consistent residence and function in the [Divine Dynasphere](#). The Arrogance involved in Christian Service occurs when there is a LOSS of momentum in the Spiritual Life from lack of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine and a focus on doing things for God or for pseudo spirituality. Even legitimate Christian Service can be a distraction to momentum in the Spiritual Life. When this occurs the service being performed will CAUSE further loss of momentum and destroy the Spiritual Life and the quality of the production as well. In fact, Christian Service is often erroneously substituted for momentum in the Spiritual Life. However, Christian Service MUST ALWAYS be the RESULT of momentum in the Spiritual Life and its efficacy requires first passing [Momentum Testing](#). Christian Service must NEVER BE perceived as spirituality, a means of spiritual momentum or the means of advancement in the Spiritual Life.

Inside the Divine Dynasphere the [Power System of God](#), there can be NO [Human Good Production](#) or “Works” and ALL PRODUCTION in the Divine Dynasphere is the RESULT of momentum in the Power System of God from maximum Metabolized Bible Doctrine in the Right Lobe and the Filling of God the Holy Spirit AND not the cause of momentum or spiritual growth. The Power System of God and the Protocol Plan of God cannot allow any Human Good production to infiltrate it BECAUSE all human good is the production of the individual when residing and functioning under the Plan of Satan in the Cosmic Dynaspheres. Therefore, the Power System of God pushes out any Human Good production or “works” so that the Christian Way of Life is NOT PRODUCTION of any kind. The Christian Way of Life has PRODUCTION which is only the RESULT of momentum in and advancement by means of consistent residence in the Divine Dynasphere. The real point is that there can be NO LEGITIMATE OR ILLEGITIMATE CHRISTIAN PRODUCTION AS A MEANS TO ANYTHING in the Protocol Plan of God. The Protocol Plan of God does not say “DO IT” but it does say “LEARN IT”. The Plan of God, the Power System of God does say IF one advances in the system from consistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine then the production he engages in will count for some level of blessing for Eternity, ([1Cor 3:12-15](#)), Gold Silver, Precious Stones.

Christian Service Production within the Plan of God has a proper place but it requires momentum from Metabolized Bible Doctrine and power from the Filling of God the Holy Spirit which results in advancement in the Plan of God prior to engaging in ANY production. Therefore, there is NO SUCH THING as Salvation or Spiritual Advancement because of Human Good Deed Efforts, Works or Production. Those who work for salvation or relative advancement in spirituality cannot ever answer a single simple question which is “HOW MUCH OR HOW GOOD MUST YOU BE TO BE GOOD ENOUGH”? In Christian Service arrogance when the believer engages in Human Good Production being out of the Protocol Plan of God this cannot be part of the Plan of God simply because this production is part of the Good from Evil of the Plan of Satan and is motivated by the principles and policies of EVIL. This does not imply that ALL Human Good Production is of no value but on the contrary Establishment Human Good efforts are essential for the preservation of mankind but still of no value in the Plan of God. However, ALL production which occurs while in residence in and functioning under the Plan of God is Divine Good which is based on consistent Post Salvation Epistemological Rehabilitation and the Filling of God the Holy Spirit. When the believer tries to DO something to maintain his status in the Plan of God and to receive enhanced blessing from God he is WRONG. For the believer, ALL spiritually beneficial service, works, production, morality, dynamics of personality, etc., are results of living and advancement under momentum in the system of God, the Divine Dynasphere. Therefore, life for the believer outside the Power System of God then becomes a hopeless mess and when people start working to gain approbation from God they ARE totally OUTSIDE his system.

### Christian Service Arrogance & Cosmic Dynasphere I

The total preoccupation with self which occurs with involvement in Cosmic Dynasphere I the Interlocking System of Arrogance inevitably interlocks some believers into the Power System of Satan through Christian Service Arrogance. This generally results from an interlocking with Self Righteous Arrogance motivated by Evil thus has an involvement with the Motivational Arrogance of Mental Attitude Arrogance such that working for God is considered the Christian Way of Life. The level of arrogance a person must have to consider that he can DO anything to gain entrance into or add to the Plan of God or to gain approval from God and thus EARN his way into heaven is beyond imagination. These people, including many believers, do not comprehend the idea of SPIRITUAL DEATH and being totally unable to do anything, to have any association with or relationship with God. The believer at Salvation Adjustment to the Justice of God is GIVEN spiritual life in order to have relationship with God but NOTHING he can ever DO can advance that relationship. In Christian Service Arrogance, the Human Good Production involves learning how to be NICE to people and find new areas where one's efforts can be considered good deeds to assuage one's guilt ridden conscience. Therefore, preoccupation with Christian Service and Christian Fellowship IS Arrogance and results in a LIFE entangled in the Interlocking System of Arrogance. This results in a total LOSS of any momentum in the Spiritual Life, assuming some existed at some point, and because of preoccupation with self these believers reject Bible Doctrine. This especially occurs when Bible Doctrine contradicts their focus on the necessity for and validity of Human Good efforts to maintain spirituality and advance in the Spiritual Life.

These people have rejected The Lord Jesus the Christ or neglect Bible Doctrine as believers but are not all out raising hell and partying but many are out working for God and doing what they consider great things for God. Since they do not have time for Bible Doctrine their neglect is Negative Volition Arrogance and entrance into the 8 Stages of Reversionism. In the Spiritual Life, it is not what one DOES but what he thinks which motivates, inspires and results in momentum in the Spiritual Life. This is the reason that the development of Humility under the Authority Orientation is so very essential in the Plan of God. Authority Orientation makes it possible for the believer to be teachable and understand that GOD is perfect, his plan is perfect and God is not depending on ANYONE to engage in puny Human Good efforts to make his plan work. Once the believer loses momentum from neglect or rejection of Bible Doctrine he will inevitably develop a GUILT complex as a reaction to his terrible lifestyle and all his failures. Then a Cosmic Dynasphere Evangelist will come along, some friend usually, and explain to him that his problem was spending all his time listening to Bible Doctrine and no time DOING THINGS for GOD. This is Christian Service Arrogance. (However, understand that there is Human Good Production which involves legitimate necessary functions in life but it is production OUTSIDE of the Protocol Plan of God for the believer. It occurs when any believer or any unbeliever functions in life based on adherence to the Laws of Divine Establishment and Divine Institutions and which production is always rewarded by God but ONLY IN TIME.)

### Full Time Christian Service

EVERY believer in The Lord Jesus, The Christ is in full time Christian Service, from the point of his making Salvation Adjustment to the Justice of God to his death, by virtue of simply his being a Believer. There is no such thing as dedication to full time Christians service and this is an emotional suckers stunt designed to focus the believer's attention on some type of work or effort needed around the Local Church. Dedication to full time Christian Service does not and cannot make one any closer to God nor does it put one in full time service because he is already there. Being part of the Royal Family of God in this Church Age, means full time service for all, but it requires Post Salvation Epistemological Rehabilitation to enable the use of one's Production Skills effectively in this service. Before a believers can function in any Christian Service capacity he must learn how to properly and effectively SERVE. Putting the service before the accumulation of Metabolized Bible Doctrine in the Right Lobe of the Soul will result in a HUGE bonfire at the Judgment Seat of Jesus Christ where all that effort and work will be deemed Human Good and burned. There are 5 categories of Christian Service and all are related to a maximum accumulation of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

### Spiritual Gift Related

Every believer is provided with one or more different spiritual gifts by God the Holy Spirit at the point of Salvation Adjustment to the Justice of God and some spiritual gifts require extensive preparation to begin to function properly like:

- ✧ Evangelism – which functions OUTSIDE the Local Church for the presentation of the Gospel of Christ to GROUPS of unbelievers.
- ✧ Pastor Teacher – which functions inside the Local Church for the presentation of all aspects of Bible Doctrine to the congregation of believers.

As the believer grows in the Spiritual Life and accumulates a maximum level of Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul he becomes aware of what his spiritual gift is and it becomes more and more functional.

All aspects of legitimate Christian Service must be performed while the believer is residing within the Divine Dynasphere and under the Filling of God the Holy Spirit and then is rewardable at the Judgment Seat of Jesus Christ. All service of any kind when performed within the Cosmic Dynaspheres is classified as Human Good and will be destroyed “as if by fire” at the time of the resurrection of the believer, for the Church Age believer at the Judgment Seat of Jesus Christ. (1Cor 3:11-16) Consider and clearly understand that the Cosmic Dynaspheres are the mechanics of rulership devised and used by Satan to control mankind in this world and part of this is the production needed to counterfeit the millennium before the 2<sup>nd</sup> advent of The Lord Jesus, The Christ. This production from the source of Evil is Human Good and obviously then CANNOT be part of the Grace Plan of God in any way. All legitimate Christian Service is most effective when the believer has spiritual momentum and has moved through the Sophisticated Spiritual Life and the stages of Spiritual Adulthood of:

- ✧ Spiritual Self Esteem
- ✧ Spiritual Autonomy

## ✧ Spiritual Maturity

It is upon reaching Spiritual Maturity where the spiritual gifts of believers become truly functional and effective in the Protocol Plan of God. However, believers must understand clearly that their Service is no substitute for MOMENTUM in the Spiritual Life which ONLY comes from the consistent [Filling of God the Holy Spirit](#) and Perception, Cognition, Incultation and Metabolization of Bible Doctrine. The believer MUST understand that his Christian Service DOES NOT FULFILL the Protocol Plan of God and hustling and doing good things in a Local Church or Christian organization DOES NOT MEAN he is engaged in spiritual advance. Spiritual Momentum and Advancement in the Christian Way of Life only comes from the accumulation of a maximum level of Metabolized Bible Doctrine into one's own Stream of Consciousness of the Soul. Service efforts are NOT spirituality and they are all too often executed when out from under the Filling of God the Holy Spirit causing them to be only Human Good productions most often from the influence of Evil. The Arrogance of Christian Service results from involvement in the Cosmic Dynaspheres and functioning in the various stages of [Reversionism](#). However, even legitimate Christian Service, mandated by the word of God, very often becomes a distraction to the execution of the Protocol Plan of God through the Arrogance of the believer substituting that service for Perception, Cognition, Incultation and Metabolization of Bible Doctrine. The fact is that the average Christian involved in the Cosmic Dynasphere is a doer without Metabolized Bible Doctrine in his soul and his works are thus DEAD WORKS production resulting from Evil influence as part of the Cosmic Dynaspheres function. ([Heb 9:14](#)) Since the "dead works" are Human Good production under the Plan of Satan, Evil, the believer obviously cannot serve God with dead works. ([Heb 6:1](#)) Therefore, all Christian Service without momentum in the Protocol Plan of God is Human Good production from Evil and DEAD Works. It is, therefore, the quintessence of human arrogance to assume that Christian Service, apart from Metabolized Bible Doctrine and the Filling of God the Holy Spirit, is pleasing to God. It is involvement in the Interlocking System of Arrogance which substitutes service for the legitimate execution of the Protocol Plan of God and thus produces Human Good dead works emphasizing service to the exclusion of Perception, Cognition, Incultation and Metabolization of Bible Doctrine. By this means Arrogance destroys the true priorities of the Protocol Plan of God and substitutes Human Good which is never the means of execution of the Protocol Plan of God. Therefore, there are 3 categories of Production, Works or Service executed by the believer in the Church Age:

- ✧ Service as a MEANS, being Human Good Works under motivation from Evil as the Arrogance of Christian Service as illegitimate *spiritual* service not rewardable and the issue in the Indictment of the Unbeliever at the Great White Throne Judgment.
- ✧ Service as a Result, being Human Good Works based on motivation from and adherence to the Laws of Divine Establishment and Divine Institution principles as legitimate *temporal* service rewardable in one's lifetime.
- ✧ Service as a RESULT, because of [Progression in the Spiritual Life](#) from accumulation of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul as Divine Good Works and legitimate *spiritual* service rewardable in both time and eternity.

There is nothing wrong with working or production as Christian Service. However, God does not evaluate the production based on its RESULTS but based on its SOURCE. God considers whether production by the believer is the RESULT of functioning within the Divine Dynasphere or the result of functioning outside of the Divine Dynasphere and in the Cosmic Dynaspheres. God looks at whether the production is the result of the believer operating under the Plan of GRACE or the Plan of EVIL. Christian Service when it is Divine Good is legitimate and rewardable in the Spiritual Life and there are mandates regarding it but the principle is that the END result does not justify the Means, the result of production does not justify the source of that production. If the Means of Production by the believer results from the plan and policy of Evil under the Cosmic Dynaspheres the production is spiritually useless though it may be temporally beneficial, but it will ultimately be destroyed for the Church Age believer at the Judgment Seat of Jesus Christ. If the Means of production results from the Plan and Policy of God, GRACE, under the Divine Dynasphere then the production is valuable for the believer for both temporal and eternal blessings. The Divine Good Christian Service production which results from advancement in the Spiritual Life DOES NOT destroy momentum in the Spiritual Life. Therefore, it is the consistent daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine which guarantees:

- The Purity of motivation and service.
- The Quality of production in that service.
- The Humility of function in that service.

Christian Service outside the Plan of Satan, Evil, Cosmic Dynasphere I, is legitimate production with glorifies God because God can only be glorified by the believer's function within the Divine Dynasphere. Christian Service within the Plan of Satan, Evil, the Cosmic Dynaspheres is illegitimate production with only glorifies SELF thought it may very well be temporally beneficial and rewardable in time.

Momentum in the Christian Way of Life is dependent on consistent function within the Power System of God the Divine Dynasphere not getting out and DOING THINGS USING ONE'S OWN EFFORTS. Christian Service is a legitimate function but is and must be a RESULT of spiritual growth and advance in the Protocol Plan of God. Living and functioning in the Divine Dynasphere will provide the motivation, energy, function and ability to fulfill the mandates regarding production in the Spiritual Life. God may provide the believer with a wonderful ministry in one of the Christian organizations or in a Local Church and it very well may be one which is not public in any way but is based on proper motivation so that he will reach a higher capacity for Christian Service. Whatever service is rendered as a Christian it is to be as unto the Lord and not for praise, recognition, self glorification and it must be the INEVITABLE result of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine which is the motivation from the Word of God. However, if and when the believer does receive recognition for his efforts and Divine Good production he must be very careful not to destroy the fine balance between residing and functioning in the Power System of God and his production being the result of this residence and succumbing to Arrogance.

### **Succumbing to Christian Service Arrogance**

Many succumb to Christian Service Arrogance by focusing on witnessing or serving a church or

missionary functions in some way and neglect Bible Doctrine and Spiritual Growth. This is putting the Cart before the Horse. Many service organizations are legitimate but are often staffed by loser believers who function in the Cosmic Dynaspheres leading others into spiritual decline. In contrast to the arrogance of service and as a result of [Perception, Cognition, Inculcation, Metabolization and Application of Bible Doctrine](#), Gate #5 of the Divine Dynasphere, many wonderful Christian works can occur. All Christian Service to be meaningful MUST come from the believer in Maturity Adjustment to the Justice of God where the Royal Ambassadorship has the power from Spiritual Maturity to function properly in service when placed in its proper priority. Perpetuation of Christian Service in or outside the Local Church when not accompanied by maximum Metabolized Bible Doctrine will result in the Arrogance of Christian Service. Many outside organizations make the huge mistake of discouraging Believers from learning Bible Doctrine under their Right Pastor Teacher. This results in an emphasis on production and service to the exclusion of spiritual advance from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine which thereby prevents proper Application of that doctrine to production and service. Service without Maturity Adjustment to the Justice of God is the disaster of Christian Service Arrogance.

Christian Service Arrogance is one of the worst and the most subtle distractors to fulfilling the Plan of God and glorification of The Lord Jesus, The Christ. It is an arrogance and ignorance of doctrine which assumes that man's actions can please God and therefore bring divine blessing. Arrogance substitutes human ability for divine blessing from the Integrity of God. In the process Grace is obscured. Christian Service is NOT momentum for advance in the Spiritual Life, nor spirituality, nor glorifying to God, nor, in fact, of any value to the immature believer. Therefore, Legitimate Christian Service is ALWAYS the result of momentum and spiritual advance not the cause of it. Momentum in the Spiritual Life ONLY comes from Perception, Cognition, Inculcation, Metabolization, and Application of Bible Doctrine. The results of momentum include [Personal Love for God, Occupation with the Person of The Lord Jesus, The Christ](#), finding the Right Man or Right Woman, [Advanced Impersonal Love for Mankind](#), Personal Love for Friends AND Christian Service.

There is no spiritual merit in Christian Service when it is conducted under the umbrella of the Cosmic Dynaspheres. It is, in fact, highly combustible material for the Judgment Seat of Jesus Christ (I like to think of it as FUEL for the Lake of Fire which I am sure it is NOT!). If one is functioning in the Cosmic Dynaspheres when he tries to function in Christian Service it becomes completely meaningless. It can be a huge distraction when it is part of [Self Righteous Arrogance](#) and Preoccupation with self. It can occur in or out of the Local Church and even legitimate service, until the believer reaches Maturity Adjustment to the Justice of God Super Grace, is basically of no spiritual value. Arrogance will always emphasize SERVICE of many and various kinds to the exclusion of the incultation and application of Bible Doctrine to circumstances in life.

The believer who properly functions in ranks may be out of sight in the Christian community and may not have any worldly recognition but is never out of God's Sight. His production reflects the Metabolized Bible Doctrine in his Stream of Consciousness of the Soul. He is free

from arrogance and its counterparts and from the influence of Evil and Reversionism. He serves the Lord in his own quiet way without trying to brag or impress others about what he is doing. He is free from approbation and power lust and his head is never turned by complements. He is unknown to others but is well known by the opposition, Satan and the Fallen Angels or Demons. He carries his generation in history as a spiritual atlas and is a blessing to all those associated with him and enjoys perfect happiness and blessing in life. The believer in ranks has a true perspective regarding service as a believer. He knows that Christian Service is not what HE DOES FOR THE LORD but what the LORD'S Grace DOES FOR OTHERS THROUGH HIM. He sees Christian Service as a channel for an expression of Grace rather than the means of making points with the Lord. Therefore, Christian Service must reflect spiritual growth and progress in the Spiritual Life and this only occurs when there is maximum Metabolized Bible Doctrine in his Stream of Consciousness of the Soul. Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul therefore exploits the balance of residence of the Filling of God the Holy Spirit and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. *Therefore, the Christian Way of Life is **NOT** activity nor productivity but is CONDUCTIVITY where believers are transmitters of the Grace of God not creators of production.*

### **Results of Christian Service Arrogance**

As a result of involvement in Christian Service Arrogance, Believers who are often involved in legitimate service functions in organization in and outside of the Local Church neglect or become inconsistent in the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, being carried away with what they are doing as "SERVICE". This is often a result of being propagandized through flattery, being told how wonderful their service efforts are. If the believer puts their Christian Service before the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine they are living fragmented lives and ARE involved in Cosmic Dynasphere I, the Interlocking System of Arrogance. Apart from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine there can not be execution of the Protocol Plan of God and therefore NO distribution of Escrow Blessings for time thus no Glorification of God no matter how many human good deeds or acts of service are performed. The Arrogance of Christian Service is the erroneous conclusion from the false doctrine that Human Good efforts and works helping mankind ARE the MEANS of fulfilling the Plan of God for one's life. When any service, legitimate or not, results in a loss of the daily Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, this believer, in arrogance, has substituted his own HUMAN GOOD EFFORTS for learning Bible Doctrine which means loss of correct priorities and thus failure to fulfill the Protocol Plan of God. Works and Production in the Spiritual Life MUST ALWAYS be the RESULT of spiritual growth and are NEVER the MEANS of it. [\(Luke 14:11\)](#) Involved in Christian Service Arrogance will be the loser believer, living a fragmented life under Divine Discipline, who is HUMBLLED by God. It is the believer who humbles himself who will be exalted because he is TEACHABLE and has inculcated a maximum amount of Bible Doctrine and will thus become an INVISIBLE Hero with both visible and invisible [Divine Good](#) production.

### **Gate #73 – The Arrogance of Disregarding One’s Limitations**

The fragmentation grenade of life is the Interlocking System of Arrogance, Cosmic Dynasphere I. Every believer is a walking grenade with the potential for a totally fragmented and destroyed life and any entrance into the Interlocking System of Arrogance, Cosmic Dynasphere I pulls the pin to begin the fragmenting of his life. One way to pull the pin on the grenade and fragment one’s life is to NOT KNOW ONE’S LIMITATIONS! Everyone has personal limitations to his physical and mental abilities and MUST recognize them. It is no disgrace to have limitations but it is the arrogant individual who does not know his limitations and who always crosses the boundary into areas he does not have capacity to handle as a result of influence from his Old Sin Nature’s LUSTS. If one does not know his own limitations he will sooner or later pull the pin of the Arrogance grenade and totally fragment his own life. Knowing your limitations transfers your dependency on self to dependence on the Grace of God. Not knowing your limitations leads to intensification of one’s involvement in any level of Arrogance especially [Inordinate Ambition](#) related to the “cosmos” the devil’s world and Inordinate Competition related to [Legalism](#) and self-absorption. Not knowing one’s limitations results in an emotional dependency and distraction from the protocol plan of God which becomes the tragic flaw of the adult believer. The adult believer is vulnerable to the most subtle yet powerful temptations to become distracted from God’s will, plan, and purpose for his life. The distraction failure of the adult believer becomes the rapid decline to the loser believer.

Arrogance, as a real or imagined sense of superiority, distorts life and the true [Perspective](#) of human frailty and it never recognizes its limitations. These are ones who have an IMAGINED sense of superiority and they are the ones who become [Psychotic](#) because they are intrinsically flawed. One day they profess love for another and the next they won’t even carry on conversations with those near them. From Arrogance comes presumption and from presumption comes [Self Righteousness](#) and a false sense of superiority and destiny. A False sense of destiny means the believer will never execute the plan or purpose of God for his life. This as part of [Mental Attitude Arrogance](#) is thus part of the MOST BASIC motivational sin of human life and the foundation for all the fragments in the life of the believer. This not knowing one’s own limitations also includes extending beyond the barrier of professionalism. This is subjective preoccupation with self, [Self Absorption](#) and therefore involvement in the [Arrogance Skills](#) which destroys capacity for [Happiness](#) and also frustrates the execution of the Protocol Plan of God for the Church Age.

### **Knowing Your Limitations**

There is a subtlety to the Arrogance seen in the person who feels threatened by someone else who in some way seems superior and as a result never knows his own limitations. The person who feels threatened by others will never know his limitations or understand his rapid decline from the adult to the loser believer. This is because the believer who feels threatened by people or circumstances lives in the status of the [Arrogance of Unhappiness](#) through perpetual carnality and never knows his own limitations. Therefore, he never relates his limitations to

problem solving devices. Not knowing one's limitations also interlocks with the Arrogance of Inordinate Ambition and Inordinate Competition, which means it is impossible to pass Providential Preventative Momentum Testing Suffering <sup>(5 Categories)</sup>. However, a person who knows his limitations will never feel threatened by others or circumstances and transfers the false dependence on self to dependence on God and Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul. True [Humility](#) is knowing one's limitations and living with them in contentment. Contentment is part of [Problem Solving Device #9](#), Sharing the Happiness of God, and is deployed onto the [Forward Line of Troops](#) of the SOUL in the [Spiritual Autonomy](#) stage of the Sophisticated Spiritual Life. Sharing the Happiness of God belongs to all believers who fulfill Spiritual Adulthood and reach [Maturity Adjustment to the Justice of God](#). The person who feels threatened by people or circumstances lives in the status of the [Arrogance of Unhappiness](#) through 2 factors:

- ✧ The status of Perpetual carnality related to the function under the [3 Arrogance Skills](#), the Interlocking System of Arrogance and the Interlocking System of Antagonistic Emotional Hatred minus any use of the [Rebound Procedure](#). ([1John 1:9](#))
- ✧ Not knowing his own limitations he never relates them to the function of the [Problem Solving Devices](#) and this leads to emotional dependence on others and developing and believing false doctrine.

Without the 10 Problem Solving Devices developed from Metabolized Bible Doctrine and deployed onto the Forward Line of Troops of the soul the believer goes NOWHERE in the Christian Way of Life and in fact loses his Spiritual Life [Reverting](#) back to a status identical to when he was an unbeliever. God's thoughts ([1Cor 2:16](#)) and ways are clearly delineated in Bible Doctrine and believers are not left in the dark about them. When the believer begins to think how great he, himself, is he begins to destroy his own Spiritual life by using the [3 Arrogance Skills](#) to think with. The great challenge to believers is to begin to think with Bible Doctrine and then to make their ways God's ways. The Arrogance skills and Arrogance and Emotional sins, mingled with unreality in life, destroy the things in life which make the individual important in life, the [Virtue](#) and Morality based on [Metabolized Bible Doctrine](#) in the Stream of Consciousness of the Soul. Any time the believer inserts [Human Good](#) as Human Effort Works into the Divine Plan he will succumb to the Antagonism and Arrogance Complexes, their Sins and Skills.

### **Illustrations of Limitation Arrogance**

The Application of [Humility](#) in one's own life is to KNOW one's own limitations. This was Napoleon's Arrogance failure in invading Russia. Hitler was involved in a fragmented life totally in the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred along with being under demon possession and did not know his limitations and constantly interfered with a BRILLIANT German General Staff and was the direct cause of Germany Losing World War II in Europe. He was afraid, because German Armor was so very successful in the invasion of France when they moved so rapidly, that the allies had formed a TRAP for them as they moved forward and thus transferred his FEAR to his commanding officers and made them STOP. This was the ONLY reason Dunkirk was able to be evacuated and more than 250,000 men were saved. Hitler's invasion of Russia and his refusal to allow German retreat from Stalingrad was also part of his Limitation Arrogance interlocking with

## Transference Arrogance.

Moses was probably the greatest all around genius ever to have lived and one of the physically strongest men ever to live yet he entered into the Interlocking System of Arrogance when he attempted to Liberate the Jews the 1<sup>st</sup> time. He tried to eliminate them from slavery by turning to violence and force thus entering into the Interlocking System of Arrogance and becoming a fragmented person. It took God 40 years to put Moses back together so that GOD not Moses could liberate the Jews. He had to learn his own limitations and learn humility to become God's servant and then liberate the Jews.

### Gate #74 – The Arrogance of Personal Achievement

In the Plan of God and System of God, Achievement belongs to God, [Happiness](#) belongs to the believer but this is only true for the believer functioning in the [Divine Dynasphere](#). Achievement belongs to GOD while contentious selfish ambition belongs to the individual residing and functioning in Satan's Cosmic Dynaspheres. The believer is not commanded to be an OBVIOUS achiever and inspire people to live in the Cosmic Dynaspheres, he is here to be an invisible achiever relaxed by promotion from God and wary of the Interlocking System of Arrogance. Instead of Occupation with the Person of The Lord Jesus, The Christ and living and advancing in the Divine Dynasphere this Cosmic, Obvious Achiever is more concerned with the OPINIONS of his contemporaries and is susceptible to flattery from others and Arrogance becomes his Motivation from Evil. Arrogance motivates him to strive to get ahead beyond his friends and to compete with them striving to surpass them. For this reason, all his decisions made are from a position of Weakness in Achievement Arrogance. ([James 3:15-16](#)) Living in the Cosmic Dynaspheres under Demon and Evil influence causes the believer to be focused on his own success and trying to keep up with others in Achievement Arrogance. This is the blaspheme of taking achievement and promotion away from God and putting it into one's own hands. Achievement Arrogance destroys human happiness and replaces it with ambition and contentious selfishness. Arrogance motivates the individual to strive for success and to "Play the Game" to get ahead in life. In the process of playing the Success game and the believer trying to move up in that system, Bible Doctrine is neglected. His Royal Priesthood is neglected as is representing himself before God, and VIRTUE development is ignored. Happiness is distorted and this believer may come to Pseudo Self Esteem because of his success but it is an EMPTY Self Esteem because the soul is empty of the TRUTH of Bible Doctrine. This is not the concept of Working Hard to get ahead in life which is the reality of doing your job as unto the Lord. This is the Arrogance of competing in every aspect of life from [Inordinate Ambition and Competition](#) with the anything goes attitude, so that success and achievement are false and characterized by great personal unhappiness which extends to others in one's periphery. When achievement comes from God He provides happiness with it and ONLY God can provide these together in his power system of the Divine Dynasphere.

The believer's only real Achievement must and always will be measured in terms of his execution of the Protocol Plan of God, OR NOT. Achievement belongs to God and if God does not promote the believer he is not promoted. ([James 4:8-10](#)) Achievement Arrogance pulls the pin in the Arrogance Grenade in the believer's life and inevitably fragments his life as a result of his having invariably become interlocked with Inordinate Ambition Arrogance and Inordinate Competition Arrogance. Achievement Arrogance, as all Arrogance does, destroys capacity for life, happiness, contentment and mental stability and replaces it with the fragments of Arrogance as a result of the Old Sin Nature controlling the soul. The Old Sin Nature lust patterns stimulate the Trends of the Old Sin Nature to motivate for the production of Sin or [Human Good](#) from the Area of Weakness or Area of Strength respectively. Every believer has the potential to be a walking Arrogance grenade ready to explode into a myriad of categories of Sin or Human Good and when he CHOOSES to pull the pin and enter into Arrogance, he does explode and fragments his entire life. Involvement in the Interlocking System of Arrogance at any level is pulling that pin which allows the Old Sin Nature to freely tempt to produce Sin or Human Good related to the lust patterns and trends therein. When Arrogance entanglement begins and the life becomes fragmented then all Legitimate Christian Service is destroyed and any production which the believer engages in is then converted into the Human Good of "Wood, Hay and Stubble" to be destroyed at the Judgment Seat of Jesus Christ. Fragmentation of the Christian Way of Life must be avoided and the believer must recognize that the entire Interlocking System of Arrogance has the potential to activate the process of fragmentation of one's life just like pulling the pin of a fragmentation grenade.

Failure in developing [Motivational Virtue](#) in the Divine Dynasphere results in [Motivational Arrogance](#) from [Mental Attitude Arrogance](#). ([James 4:6](#), [1Pet 5:5-6](#)) This results in involvement in Achievement Arrogance and [Inordinate Ambition and Competition](#). Therefore, all the decisions which he makes are from a position of weakness in Achievement Arrogance and any happiness derived from his residence and function within the Divine Dynasphere is set aside. Then obviously there is a huge difference between the relaxed personality which comes from living in the Divine Dynasphere and the Brittle personality which is the result of living within the Cosmic Dynaspheres. Although these differences may not always be obvious to others, they become clearly apparent when the Arrogance Grenade fragments one's life. Inevitably, once the believer starts thinking in terms of Arrogance under Mental Attitude Arrogance, his life will fragment along the lines of his predilection for subjective or objective manifestations of Arrogance. It is by this means that the believer may become a [Fanatic](#) or a fool or maybe even both. The believers lust for ascendancy and success destroys his true Scale of Values related to Bible Doctrine and is the direct result of his desire to outdo his contemporaries or to compensate for his real or imagined inferiority. Many people in society have deep seated inferiority complexes and this cannot occur without them being Arrogant and involved in some area of Inordinate Competition. This period of the Church Age is one of the most exciting times to live in Human History and many individuals waste their time with envy of anyone doing better in any area of life than they. It is acceptable to compete in any field but NOT from the basis of involvement in Arrogance because this always distorts and destroys the achievement. Competing objectively with hard work and persistent self discipline is an effective means of achieving success in any field. However, there is no permanence to any success or

achievement, even in personal relationships, when there is involvement in any level of Arrogance because there is a LACK of Capacity for the success based on Truth.

Flattery exists as a LIE from Evil or part of a LIE and once one believes any LIE they enter into the Interlocking System of Arrogance and as a result they are then vulnerable to being controlled by anyone who flatters them. In avoidance of involvement in the Interlocking System of Arrogance care must be taken to ensure not going overboard and thereby failing to complement the great successes of those who have excelled in achieving in life. Complementing people who do things which are great is something which all believers should do in recognizing those who have great achievement. However, the believer who achieves great things in life must recognize 2 principles:

- Whatever was accomplished, was accomplished because of the involvement with and support from the Lord.
- Without the Lord there is no achievement whatsoever for believers.

Achievement must never be a source of Arrogance because the believer is only able to achieve because of his application of the Metabolized Bible Doctrine and its principles stored in his own Stream of Consciousness of the Soul and as a result must not be susceptible to spiritual failure because of his achievement. Remember, Moses, David, Paul and Elijah all failed after great achievements because they walked through an entry gate into the Interlocking System of Arrogance.

The believer must accumulate his own Metabolized Bible Doctrine into his own soul and when he makes bad decisions to reside in the Cosmic Dynaspheres he begins with involvement first with Motivational Arrogance. This most often begins with some aspect of Mental Attitude Arrogance but inevitably moves into the [Functional Arrogance](#) of Inordinate Ambition and Competition Arrogance. This believer feels threatened by all sorts of people for all sorts of reasons in all sorts of circumstances. He tries to find security in success and achievement and it is false because he lacks the ability to conceptualize principles to support him, which only comes from maximum Bible Doctrine in the Right Lobe of the soul. The believer must come to realize that his only security is the Lord. Involvement in Mental Attitude Arrogance is Motivational Arrogance and this motivates him to strive for success and compete with his friends. Motivational Arrogance causes him to use people to excel and surpass his contemporaries and he believes he will never be happy until he does and he assumes his only happiness comes from accomplishing this. He wants to wield power and control people and accept admiration and approbation from them. The believer who fails to accumulate Metabolized Bible Doctrine into the Right Lobe of the Stream of Consciousness of his Soul rejects Logistical Grace and exchanges Spiritual Self Esteem for Cosmic Dynasphere functions. He tries to transcend, surpass, out do, achieve and attain ascendancy by living in the Cosmic Dynaspheres. This Arrogant lust for success destroys his true Scale of Values derived from Metabolized Bible Doctrine and blasphemes the very priesthood which has been given to him by God. He cannot function as a royal ambassador representing The Lord Jesus the Christ to mankind because he has no Spiritual Self Esteem nor [Functional Virtue](#) in any category thus he is a LOSER. In his desire to out strip his contemporaries he destroys his [Personal Sense of Destiny](#) which helps develop his Spiritual Self Esteem. Therefore, entanglement in Inordinate

Ambition Arrogance thus becomes a disaster for him. There is nothing wrong with wanting to succeed and this is normal but when linked with the Interlocking System of Arrogance then the whole system of Christian epistemology and conceptualism is lost.

Of course people do things on their own and get promoted and become prosperous but this is most often NOT God promoting them because God only promotes to the level of one's capacity and capacity can only increase as a result of consistent Post Salvation Epistemological Rehabilitation from Perception, Cognition, Incultation and Metabolization of Bible Doctrine. Therefore, Capacity and Happiness belong to the believer who reaches or exceeds Spiritual Self Esteem. Spiritual Self Esteem, Spiritual Autonomy, Spiritual Maturity are possible only for the Believer WHEN he is operating in the Divine Dynasphere and has reached the Integrity Envelope of the Divine Dynasphere. Living under the Interlocking System of Arrogance and the influence of EVIL the believer can be exceptionally and unusually prosperous and can succeed but he has no capacity for this and it only produces maximum Self Induced Misery. When a believer leans on any other individual or some form of success, prosperity or achievement for happiness it will always elude him. He may acquire these things in his life but will never have happiness because his soul is BLANK lacking Metabolized Bible Doctrine and, in fact, acquiring these things with a blank soul subverts ever getting into Spiritual Self Esteem, Spiritual Autonomy or Spiritual Maturity. When one achieves without Spiritual Self Esteem, Spiritual Autonomy or Spiritual Maturity his achievement is invariably empty and by this means Achievement Arrogance destroys human happiness and replaces it with goading ambition. The major thrust of the Christian Way of Life under the royal priesthood is for the soul of the believer to be saturated with Metabolized Bible Doctrine. Since Achievement belongs to God only GOD can provide Achievement with Happiness but this can only occur with consistent residence inside the Divine Dynasphere, the Protocol Plan of God, and maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

### **Gate #75 – The Arrogance of Pseudo Generosity**

The arrogance of pseudo generosity finds a person giving or being generous because of his preoccupation with himself, his desire for attention, his desire for approbation, his desire to ingratiate himself with others, or his attempt to buy happiness or friendship. This also occurs very often to ingratiate himself to others, in order to “buy” friendship and happiness. This bribing for friendship is engaged in for the ultimate of self promotion in life. Pseudo Generosity Arrogance is trying to buy friends by giving them something. The Motivation for giving anything to anyone must always be Virtue dependent. The principle of genuine generosity and the function of genuine generosity are found in 2Cor 9:7+11 which says you will be enriched in all things because of your generosity of mind. Generosity is a mental attitude rather than a function in giving. Generosity, therefore, is in the soul, not in the overt function. But arrogance ignores the soul and distorts generosity into a system which satisfies preoccupation with self. The courtesy and generosity of a truly noble individual may render

him vulnerable to unscrupulous manipulation by those he is generous toward. The arrogance of pseudo generosity, is in effect, where people try to buy their friends. When one is buying friends he is obviously living in a world of arrogance rather than in the divine Dynasphere. Outside the divine hydrosphere the believer resides in the Cosmic Dynaspheres where he is hypocritical and double dealing, and cannot practice the virtues of life such as love and generosity. Legalistic believers often give under human good functions, then turn on the recipient of their generosity and throw it up to him saying, “after all I’ve done for you!”. Therefore, Arrogance destroys capacity for life, for love, for happiness, for blessing, for generosity, and for development of any virtue.

True Generosity is from the Soul or Mind and therefore is something inside coming out to those in one’s periphery. Appreciation of generosity always results in believer recipients giving thanks to God for those who have been generous toward them. Generosity is a part of the design, the plan and the purpose of God and is a commemoration of Grace. Christ generously gave Himself on the Cross to provide the potential for the salvation of mankind and both His Divine and Human character were involved. God gives in Grace because of His character because of who and what He is. Therefore, to avoid the Arrogance of Generosity the believer must also give on the basis of his own character which must be based in Metabolized Bible Doctrine accumulated into his Right Lobe of the Soul. Consequently generosity is both an extension and a manifestation of what is in one’s soul. Giving thus reflects Grace does not make an issue of the gift nor of SELF. Generosity derived from Arrogance or Emotional Revolt of the Soul reduces the generous act to a bribe for love, advancement, approbation, good behavior, etc., and results in giving with strings. Therefore, true generosity expressed Impersonal, Unconditional Love which emphasizes the character of the giver, not that of the recipient.

“Generosity of mind” then results in an overt manifestation of giving which is a mental attitude inside one’s soul. Consequently, because of one’s generosity of soul, there is the act of thanksgiving to God from those who benefit from it. Giving is often a test when one gives to something he instinctively does not like. Generosity can include giving of money, love, manners, thoughtfulness, etc. Therefore, the whole concept of capacity for life in the mature believer is generosity. The generosity of the believer who has reached Maturity Adjustment to the Justice of God is like him banking treasure an honorable foundation for his future in Phase III of the Plan of God, Eternity.

Therefore, generosity, giving expresses the principle of grace which depends on the character of the giver not the recipient. Therefore Generosity is extended because of who and what one is, not because the needy deserve it. The primary issue in true generosity is one’s stability of character under operation Grace. Therefore the more generous a person is the more often he is reminded of GRACE and a generous person gives without strings or hope of gain. For the believer to produce divine good requires maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and the Filling of God the Holy Spirit therefore Grace Generosity construction of the Edification Complex of the Soul as a result of consistent function under the Grace Apparatus for Perception. Generosity is a system of thinking, from which one makes decisions based on the proper attitude of Grace Orientation.

Generous people habitually give because they already have a generous mental attitude and for them it is simply a matter of deciding where to give and when. People without this generous mental attitude are calculated or stingy in their giving, expecting something in return for their generosity. ([Prov 11:24-25](#))

### **Gate #76 – The Arrogance of Martyrdom**

There is always one ARROGANT system open to every believer and it is found in Martyrdom Arrogance. Under Martyrdom Arrogance the nice thing is that one does not have to be killed for it but, in fact, he makes everyone around him wish they were dead. Martyrdom Arrogance interlocks readily with the [Arrogance of Unhappiness](#), [Self Righteous Arrogance](#), [Self Pity Arrogance](#) and many other areas. This unhappy person is the martyr and he knows that no one loves him, cares for him, is ever even a little bit nice to him or pays any attention to him. He develops a [fanatically](#) subjective introversion and the only possible way for him to receive any attention is to develop this martyr attitude where he seeks to control his environment by making everyone else miserable unless they comply with and are answerable to him, the martyr. He tries to make everyone miserable by developing [GUILT](#) in them because they neglect him or pity him. Every organization of any kind has someone involved in Martyrdom Arrogance and they are the ones who vacillate between Self Righteous Arrogance and Arrogance of Unhappiness.

The Martyrdom Complex always is found accompanying the Arrogance of Self Righteousness. Martyrdom lives under the illusion of ongoing personal unjust treatment. These believers feel sorry for themselves and seek sympathy from anyone and everyone. They believe that they are never treated fairly but they are extremely critical and judgmental of others who *obviously* didn't know how badly these believers are abused. They suffer from [Jealousy](#), possessiveness, moodiness, Self Pity, and many of the other aspects of Arrogance. Martyrdom Arrogance must have a HERO who can do no wrong to match the view of themselves.

Rarely does martyrdom accomplish anything for anyone or any system. The consistent use of the [Rebound Procedure](#) to keep moving in the Spiritual Life with Perception, Cognition, Inculcation and Metabolization of Bible Doctrine is the Key Solution to the Martyrdom complex ([1John 1:9](#), [1Cor 11:28-31](#)). The Martyrdom Complex is constantly redefining human relationships and misinterpreting fellowship with GOD in terms of always being right and everyone else being wrong. These believers are never more frustrated than when someone is convinced that they are wrong about something. Involvement with Christian Activism, Civil Disobedience, Social Engineering, and therefore Attacking the State or Government interlocks these believers with [Crusader Arrogance](#). [Rom 13:1-11](#) tells us that God has ordained Government for a purpose and it may fail but the believer is not ever to even try to superimpose Christianity over Government because presenting and teaching the Gospel and Bible Doctrine must occur without coercion toward the hearers so as NOT to destroy freedom, which

is a KEY issue in the Angelic Conflict Appeal Trial. Freedom is under attack when Christians try to Christianize government. No government can be half slave and half free and maintain freedom and this has destroyed France, Spain, and is currently destroying the United States of America.

Christian Objectives are to Grow in grace, to witness for The Lord Jesus, The Christ and to execute the unique Spiritual Life of the Church Age INDIVIDUALLY. As long as there is separation of Church and State freedom for witnessing and spiritual growth is in place. England is no longer a client nation to God because there is NO LONGER SEPARATION OF CHURCH AND STATE AND THE CHURCH IS SUPPORTED BY THE GOVERNMENT. France, Italy, Spain, and other nations have had the government supporting the Church which is a total compromise to FREEDOM. In the United States of America there has been a push by Believers under the “Moral Majority Movement” trying to destroy separation of Church and State which will totally destroy freedom in the same manner as slavery would. Witnessing for The Lord Jesus, The Christ, which is the responsibility of all believers, can never involve coercion, badgering or trying to force others to believe. All responsibility to the unbeliever stops after the issue of the gospel is made clear to them and then it becomes a private matter between the unbeliever and GOD and every person must make their own individual decision. Martyrdom often comes from trying to Christianize the state instead of witnessing for Christ. Blessing for the believer and the State comes from Believers who EXECUTE the Spiritual Life under the [Filling of God the Holy Spirit](#) and from function under the [Grace Apparatus for Perception](#), in consistent Perception, Cognition, Inculcation, Metabolization and Application of Bible Doctrine.

The self humiliation of believers trying to please God is ridiculous and blasphemous. Self immolation by burning as martyrdom is a destruction of the physical and Spiritual Life but boasting about the proposed martyrdom is yet a stronger destruction. Neither of these is any way to glorify God and both are systems of Arrogance. There are the 3 [Arrogance Skills](#) and sins of the Interlocking System of Arrogance which are all involved in Self Immolation as pseudo martyrdom and self glorification. Martyrdom becomes a system of Arrogance when the believer performs, attempts or boasts about it while in carnality in an attempt to glorify self. Martyrdom was popular in the early church where believers who wanted to be forgiven sins or to advance in stature in the Church would give themselves up to martyrdom for self glorification. When the Supreme Sacrifice of Martyrdom is suffered by any believer without his function under [Virtue Love](#) and the Filling of God the Holy Spirit it is NOTHING, gains nothing, or is even worse than nothing being blasphemous.

No ONE has freedom without the Privacy and right to make his own personal decisions without being scrutinized by the State. Believers who keep trying to Christianize the state are in fact destroying human freedom rather than witnessing for Christ and allowing God the Holy Spirit to do his work. True Martyrdom Principles are key to understanding martyrdom:

- ✧ Self imposed martyrdom is NOT martyrdom.
- ✧ True Christian Martyrdom involves and depends on the antagonism of those who are against Christianity and therefore involves the volition of Others.
- ✧ Carnality includes Arrogance in the functions of Activism and by this develops the wrong

reasons for antagonism.

- The American Government today is NOT overtly antagonistic to Christianity YET. (It was beginning to be so under Obama).

What is often claimed as martyrdom is NOT martyrdom but only the misunderstanding of the disoriented believer. The believer is not here to Christianize the government which would then be a system of destruction of human freedom which would result in crusader violence in the name of Christianity. He is not here to enter into social activities which would persecute others for not believing in The Lord Jesus, The Christ. As a believer in the Royal Family of God in the Church Age he is here to make the Gospel of Christ clear to all unbelievers who express an interest, by word or action. The Motivation of the Spiritual Life should be all aspects of [Motivational Virtue](#) directed toward God to develop and operate under [Functional Virtue](#) directed toward man. 2 Key aspects of this system include [Personal Love for God](#) and [Impersonal Unconditional Love for Mankind](#). When the Supreme sacrifice of the DEATH of the Human Body glorifies God it is ONLY by the believer under the Filling of God the Holy Spirit and as a result of maximum persecution by others.

### [Gate #77 – The Arrogance Regarding Personal Opinion](#)

Privacy as a principle demands freedom of thought and the preservation of the right to one's own opinions about anything and everything. Just as one can possess money and other tangible personal property which belongs to him personally, he also has thoughts in his Stream of Consciousness of the Soul which belong to him exclusively and no one has a right to attempt to change them. In possessing these personal opinions, which may be false, he must never let them become a matter of Arrogance and refuse to turn loose of them when he perceives they are wrong. Holding to wrong opinions results in his becoming subjective in his approach to Truth especially Bible Doctrine, the Divine Institutions and the Laws of Divine Establishment. Freedom of thought is one of the greatest principles of freedom and not only does one have a right to his opinions but if he remains objective in his thinking he has a right to change them as the Absolute Truths of Bible Doctrine enlightens him. It is easier to be [Flexible](#) when objective about thinking and thereby change one's opinions when they are corrected by Absolute Truths. False impressions or opinions must not ever be corrected by the outside influence of spiritual bullying which violates the [Royal Family Honor Code](#) and produces a permanent casualty in the Angelic Conflict.

The expression of his opinion by a student in a classroom, or any other person for that matter, is worth nothing to anyone unless their opinion is REQUESTED and if it is NOT requested they should simply KEEP THEIR MOUTH SHUT. While a person may value his own opinion it is not necessarily the view of the rest of the world that they also value his opinion. Even possessing good judgment one must never assume, from [Blind Arrogance](#), that his opinion matters for any reason. The erroneous idea that personalities will be repressed and damage

done to them bringing on subjectivity by not allowing freedom of opinion expression has resulted in the collective attitude of the United States being distorted for a very long time so that people who have opinions but NO Scale of Values feel justified in expressing them constantly to everyone.

It should not be one's position to want to change anything in his periphery based on his personal opinion. The only opinion which ever counts is God's opinion. The selfcenteredness of Personal Opinion Arrogance seeks to establish personal opinion over doctrinal or organizational standards or policy. When a citizen votes for and elects someone into public service office this is his right and in fact his duty to express his opinion by his vote. Since all individuals have opinions which are personally developed, God has made this concept a command as part of the Royal Family Honor Code. When a believer begins to think his opinions are more important than those of others, which is normal if he has very strong opinions, and he is dogmatic about things because he has come up with this personal opinion and has nurtured it and display it as frequently as possible, this is a form of Arrogance. The believer must remember that *Arrogance + any Personal Opinion == a human jackass*. [Disillusion](#) or Disenchantment Arrogance places personal opinion above Bible Doctrine and ignores the universal implications of hamartiology (SIN). There is a great difference between Bible Doctrine and personal opinion about anything. When thinking is based on Bible Doctrine then the believer must stand fast under those principles but if the thinking or opinion is of his own making then it must be subject to change and modification from the influence of Bible Doctrine. This requires from the believer flexibility and understanding of the differences between [Essentials and Nonessentials](#) in life and especially the Spiritual Life. The Royal Family of God is specifically prohibited from ever being entranced by their own thinking or opinions, which may be fantastic to the individual believer but in fact are simply pseudo wisdom. The believer must be careful to not be confused, thinking that learning something is only his personal accomplishment and that no one else can ever learn these same things. He must learn to distinguish what is Bible Doctrine and what is personal opinion. BIBLE DOCTRINE IS ALWAYS CORRECT, but personal opinion may not EVER be correct and one's opinions about people can often result in schisms between them. One often thinks that because he has an opinion he is smarter than others and being so much smarter his opinion is on a par with Bible Doctrine and therefore he will never tolerate any antithetical opinion of any sort. This prevents believers from fulfilling the Royal Family Honor Code and they, thereby, set aside the [Integrity](#) of the Royal Family of God and get into some kind of conflict with other believers. This occurred in Rome and the Roman Christians were some of the weakest believers of that time. The Roman churches needed a smart strong man and as a result Paul was assigned to Rome and because he was an authority in the ancient church he was placed there by God to stop all the schisms in the groups in Rome.

In the profession of Law Enforcement and in the Military an officer has no right to sound off and criticize his superiors or the policy of his commanders while he is part of the profession or organization he serves in. If he wishes to criticize he must first leave the organization, resign, and then he can criticize the organization based on his experience. In any organization if, while one is serving the organization, he considers it correct to criticize the organization then

he is totally saturated by Arrogance. The believer must always consider his position before he speaks his opinion because often this expression will stimulate the thinking of others or result in other inordinate criticism. Therefore, he must not express personal opinions about anything whenever it suits him. He should not even criticize others when they oppose, with their opinion, Bible Doctrine. He must also be responsible about giving opinions and never give opinions to stupid people. He must not express his opinions if they might destroy authority or if they may occur in a situation which would result in rudeness. Many if not most personal opinions are best not expressed at all, especially when one gains the Status Quo of [Maturity Adjustment to the Justice of God](#). This is especially true regarding proper respect for authority regarding the police officer or soldiers in the military if one has at some point been treated poorly during interaction with them. Often these situations result in one expressing a right opinion but being wrong in doing so simply because he chose to express it at a wrong time.

The believer cannot function under the Royal Family Honor Code by being an Arrogant wimp. Wimpy people have nothing to offer and when other people agree with them they are all off and running having the most subtle Arrogance imaginable. Take Arrogance away from anyone and they are [Teachable](#) but in contrast, being entangled in Arrogance is why many people are not ever teachable. These Arrogant people have a thought, idea or opinion and think it is so great that they believe they are the smartest people around. This is what hinders fulfilling the Royal Family Honor Code and destroys a good sense of humor, one's relationship with the Lord and is also how [Legalism](#) creeps into the picture. This is how the believer becomes Legalistic and tabooistic and, in fact, how whole denominations are developed around this status quo. When a pastor becomes involved in this, it begins with his opinion, and he then pushes it on others and this ultimately becomes a denomination. The only thoughts of any person, at any time, in any situation, which are significant are those founded in the Absolute Truths of Bible Doctrine. When this has been removed as a result of [Negative Volition](#) or some other consideration they are thereby robbed of any thoughts regarding Truth and the only thing left is personal opinion which comes from their Reversionism. Therefore, Arrogance + Personal Opinion == [Reversionism](#) resulting from the strong influence from Evil. As Royal Family of God one's Spiritual Life demands that he face the reality of the devils world and the fact that there must be superimposed on and saturated into all believers, the thinking of The Lord Jesus, The Christ, Bible Doctrine. ([1Cor 2:16](#))

In contrast dominating personalities in any organization or profession must beware of setting their personal, and too often erroneous, opinions against the legitimately constituted and delegated authority or policy of the organization. This is the selfcenteredness of Personal Opinion Arrogance rather than focus on the Truth. These people seek to establish personal opinion over doctrinal or establishment standards, or the policy or authority of any organization. This is where there is an interlocking of [Personality, Blind, Institutional](#), Personal Opinion and [Conspiracy Arrogance](#). The believer must avoid allowing PERSONAL OPINION to become at odds with Bible Doctrine and the unbeliever must avoid allowing PERSONAL OPINION to become at odds with the Laws of Divine Establishment and Divine Institution principles. This is one mechanism whereby people become involved in the absolute EVIL of [Antisemitism](#).

Often a male, through his great Arrogance and false norms and standards, creates an image of masculinity from some stupid strong clod he admires. This “HE MAN” image is in essence a nonessential personal opinion and his being inflexible about such an image results in huge distortions in his life. This is one of the most stupid things any person can do, that is to set up an image of someone he admires and then try to emulate that image. Instead of emulating the overt flair of another person one should try to emulate their plodding consistency in learning their job and functioning effectively in it. This Arrogance has become blatantly obvious in women who want to be firemen, coal miners, combat soldiers, police officers, etc., and they are always Inflexible With Regard to Nonessentials.

### **Personal Opinion Arrogance – Weak vs Strong**

Believers are weak because of some aspect of Negative Volition to Bible Doctrine and thus are in some stage of Reversionism. They cannot distinguish between Essentials vs Non Essentials in their Spiritual Life and are totally flexible with regard to the essentials of Bible Doctrine and totally inflexible with regard to non essentials of the myriad DETAILS of life. This is the believer who gets into the tongues movement and any believer who is consistently under Positive Volition toward Bible Doctrine must totally separate from this apostasy since they are an Emotional disaster. The Arrogant person divorced from reality is the weak believer who has frustration from his own Mental Attitude Arrogance and Sins saturating his thinking. He is carried away in Arrogance with the importance of his opinions and is very inflexible about his opinions despite them being divorced from reality and 99% in error, inaccurate and totally incompatible with the Absolute Truths of Bible Doctrine. He is motivated to bear grudges and function under Revenge and therefore is a sociopath having no Metabolized Bible Doctrine in the Stream of Consciousness of his Soul. Reversionism has shut off any possibility of implementing principles from Bible Doctrine and he is ignorant of the Royal Family Honor Code thus unaware of the imputations and structure of the Plan of God. This believer does not understand nor use the principles of Logistical Grace designed to support his advance to Maturity Adjustment to the Justice of God and is ALWAYS flexible, choosing what he thinks is acceptable and what is not, with regard to the essentials of Bible Doctrine. There is therefore always an error in his application of Bible Doctrine with no common sense and no understanding of reality and he MUST be avoided by the believer who functions under consistent Positive Volition at all times.

Personal Opinion Arrogance is one of the great occupational hazards of the weak believer. Strong believers are oriented to reality while the weak believer is not as a result of the weak believer being Inflexible about the Nonessentials of opinions and totally flexible about Bible Doctrine. The weak believer is always trying to convert the nonessentials into a rigid form of orthodoxy instead of recognizing them as a ductile system of opinions. This inflexibility with regard to nonessentials keeps him from being oriented to reality and therefore, being divorced from reality, he will tend to judge, malign and criticize others based on his nonessential opinions. Being divorced from reality involves a form of Arrogance in which he thinks that his most inconsequential opinions are the most important things in life. This means that his superimposition of nonessentials over Bible Doctrine causes him to be forced into the position

of judging, bullying, intruding on the privacy of other believers and rejecting the concept of live and let live under the [Laws of Divine Establishment](#) Freedom principles. No advancing believer can live life as unto the Lord with such interference from weak believers which becomes like high volume static on the radio and a great distraction to the Spiritual Life. This attempted Arrogant superimposition of the weak believers standards over those of God and onto the Royal Family of God is the epitome of Personal Opinion Arrogance.

In addition and obviously, weak believers are minus Bible Doctrine being unquestionably more interested in their own nonessential opinions while strong believers are plus Metabolized Bible Doctrine from daily consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine. Each of these has an occupational hazard regarding the [PRIDE](#) they develop as a result. The Pride of the strong believer is that he knows so much Bible Doctrine that he has learned to distinguish essentials from nonessentials. Unless this pride is countered by [Impersonal Love](#) he will have a very intolerant attitude toward weak believers. On the other hand weak believers don't recognize their lack of Bible Doctrine as a weaknesses but consider this a strength and assume this because of their ignorance of Bible Doctrine. The strong believer assumes that his strength is in effect the weakness of the weak believer, which is in fact a Truth, but then he loses his objectivity and fails to realize that God has accepted both weak as well as strong believers into his plan. The strong believers pride results in him looking down on the weak believer with contempt.

The more one advances in the Spiritual Life the more flexible one must become with regard to application concerning Nonessentials and the more tolerant one must become of the weak believer. The advancing and mature believer becomes more aware that weak believers are confused about what to be flexible about and what to be inflexible about. Weak believers are invariably flexible about the essentials of Bible Doctrine, the Divine Institutions and the Laws of Divine Establishment because of ignorance of any or all of these. They are inflexible about nonessentials, all the details of life, which they are totally aware of and which are tantamount to personal opinions because of false norms and standards and involvement in Arrogance and subjectivity. As a result they think they must show others how strong they are and always take a stand on inconsequential or stupid things.

Although Alcoholism can be a source of national disaster ([Joel 1:4-6](#), [Is 28:1-9](#), [Jer 13:12-17](#)), and drunkenness is related to the sins of Arrogance and often the motivation for drunkenness is in fact involvement in some area of Arrogance, there is no biblical prohibition on drinking alcohol. If eating and drinking certain foods was sinful, then it would be virtuous to avoid these things BUT this is not the case. Therefore, to observe such a taboo, which in essence is a personal opinion, would be virtuous IF these things were actually a part of EVIL, however, they are NOT! Unfortunately these things are often distorted by Evil, and the truth is that avoiding them is not [Virtuous](#) since there is no prohibition on eating or drinking anything. Eating and drinking are not functions from Evil but [Legalism](#) always latches on to these forming taboos with its opinions derived from Arrogance. All legalists are Arrogant and have rejected some form of authority and substituted their own authority in some nonessential matter. When one comes into contact with a believer who makes essentials flexible and rejects the dogmatic

inflexibility of them then separation from him is Essential. However, when these disoriented believers make nonessentials inflexible they can be tolerated **IF** they are consistently growing in the Spiritual Life.

There is an additional command to the strong believer, that he should be sensitive and thoughtful, exercising the Virtue of [Impersonal Love for Mankind](#), and awareness that others have feelings and even though these others may be Arrogant or subjective they still have feelings. The strong believer is able to be sensitive and consider the circumstances of the weak believer whose ignorance of Bible Doctrine results in numerous nonessential opinions and judgments. As one grows up in the Spiritual Life and becomes aware of other people and their feelings, he is commanded to make the feelings of others a greater priority than his own feelings. It is a great temptation to obliterate Arrogance in others especially when one has greater physical and mental strength than they, however, the greatest strength is required to not destroy them but to tolerate them.

Always remember and consider that overt confidence and self consciousness in the soul of the mature believer is not Arrogance since he is acutely aware of the true fact that he is a mature believer. To the mature believer it is quite a burden to see and hear weak believers babbling nonsense based on ignorance of Bible Doctrine. The weak believer is weak because he possesses minimal Metabolized Bible Doctrine in his Stream of Consciousness of the Soul which is combined with maximum Arrogance to enable the formation of inconsequential opinions about the superficialities and details of life. Therefore the strong mature believer must carry a heavy burden by tolerating the silly and inconsequential without refuting these nonessential opinions in order to make the issue ONLY about Bible Doctrine.

### **Personal Opinion Arrogance & Arrogant Presumption**

Personal Opinion Arrogance, which occurs extensively among people who are considered to be successful, comes from an Arrogant presumption of the success or superiority of people who have qualified by some nonessential standard as being successful. They may have been interviewed, they may be wealthy, they may have won some contest, they may have come into public notice and achieved public attention for some inconsequential reason, like entertainers. This injects them into Arrogance when they have been considered successful and have achieved some pseudo success in life. Very often people who are brilliant or successful in certain fields and ignorant in others assume, as a result of their Arrogance, that they are or can be expert in any field or subject. Being brilliant in their field and as a result of their developed Arrogance they feel qualified to express an opinion on any subject which may arise. For these people it is absolutely impossible for them to simply say “I don’t know”. Very often there is a great entertainer or artist who becomes inflexible in nonessentials by assuming in Arrogance he is an expert on politics or sex or some other field. In reality he knows less than anyone else about these things and anyone who is as divorced from reality as entertainers certainly knows nothing about either politics or sex.

Momentum for this flaw comes from success in one field which when linked with Arrogance assumes expertise in every field of endeavor or interest. This Momentum is most often linked

with the pride in their success, assuming that they are actually an expert in some field. American news media has contributed to this fiasco by constantly interviewing successful or famous people and interrogating them concerning things about which they know nothing and about which they are not qualified to express any opinion. Because they are famous, successful, generally wealthy, Arrogant and inflexible with regard to nonessentials they come up with far fetched ideas which are then taken for being Truth. Only Personal Opinion Arrogance presumes, when one is successful in one area, that a person is qualified or expert enough to express opinions in other areas.

### **Gate #78 – The Arrogance Regarding Public Opinion**

*Vox populi non adaequalus ut Vox Dei*, that is, the voice of the people does not equal the voice of God. The proper attitude is *Vox populi adaequalus ut vox et prater a Nehile*, that is, the voice of the people is equal to a voice and nothing more. Very often the voice of the people is a voice of nothing more than the expressions of the Old Sin Nature. The voice of the people is the sum total of the function of their Old Sin Natures in the area of arrogance, selfcenteredness, selfishness and the vicious Evil of [Self Righteousness](#). Public opinion is a voice stuck in the throat. Public opinion cannot change anything any time especially in a historical or national crisis. Public opinion never has changed anything nor solved any problems in all of Human History. Public opinion is the Self Righteous Arrogance and justification for bureaucrats to change things without going through the functions of proper thinking and proper legislation. Public opinion is one of the most meaningless aspects of Human History. Mobs are formed in response to public opinion and they are always destructive and are used to overthrow establishment authority and power. A Mob is the most vicious evil thing that any person can become involved with. Public opinion is one of the greatest weapons of the Mob but as a force for change it is no greater than the weakest person who has an opinion in the masses. The weakest person is always a moron thus public opinion is the expression of morons.

The Old Sin Nature is always the instigator of unrest in any nation where a saturation of Evil results in Sin + Arrogance from this Evil and also results in Human Good + Arrogance with Revolution being the quintessence of these actions from the Influence of that Evil. [Crusader Arrogance](#) provides the motivation and justification for all forms of unrest and revolution. It is [Criminal Arrogance](#) which provides the leadership for all forms of revolution which is derived from Evil. Dissatisfied people always exist in any organization as malcontents and these dissatisfied people who function under the [Arrogance Skills](#) provide the power for revolution. There is incredible power for EVIL when public opinion rejects the function of authority orientation and substitutes on an individual basis the 3 Arrogance Skills, the Interlocking System of Arrogance and its Sins and the Interlocking System of Antagonistic Emotional Hatred and Emotional Sins. This is Public Opinion Arrogance and Lust and it creates a power which some demigod will come along and snatch up. This power has no virtue, no facts nor reason

and is a weapon forged from strong delusion. Truth from Bible Doctrine, the Laws of Divine Establishment and the Divine Institutions are the only protection against that public opinion arrogance and revolutionary arrogance. [National Arrogance](#) which results in or from Public Opinion Arrogance is, therefore, the molding material for revolution.

The arrogant individual who is sensitive to public opinion will often go through formalities of requesting his desires from those in authority above him and even show deference and respect for them but being sensitive to public opinion will always follow and place the expectations of the public and his own needs above those of his organization. Many people spend their whole life bending this way and that to make sure everyone thinks well of them. They are divorced from reality and no one can go through life having everyone think well of them. A person cannot spend his whole life falling apart because someone dislikes him. If one, especially as a believer under Positive Volition to Bible Doctrine, is disturbed because someone does not like him, he is not living life as unto the Lord and will never have happiness nor understand the Christian Way of Life. These people inevitably became entangled with and distracted by public opinion and the “protocols” of their society. They are distracted from exercising consistent Positive Volition toward Bible Doctrine because of potentially being ostracized by society. Unfortunately, ignorance is the basis for the overall general functions in society, especially today, but this type of believer thinks more of the approbation he receives from people than the approbation available from God. Invariably he is a sweet, humble, nice person but with his own type of raging arrogance.

### **Gate #79 – The Arrogance of the Public LIE**

What removes the FEAR of Divine Discipline? The obvious answer is, entrance into the Interlocking System of Arrogance, because when people lose their fear of God and Awe of His Integrity and His Divine Discipline they have become locked into Arrogance. There is a GREAT difference between Advanced Personal Love for God, [Occupation with the Person of The Lord Jesus, The Christ](#) and the false assumption that you can be “BUDDY BUDDY” with God saying “Jesus is my friend and he would never hurt me”. God’s Grace plan demands that the more mature the believer becomes the GREATER and MORE INTENSE his Divine Discipline must be. When a mature believer gets out of line by leaving the Grace Plan of God and moving into the Cosmic Dynaspheres, his Divine Discipline must be severe else all the infant and adolescent believers will think that this is OK and they will follow him. People of the United States have believed the LIE of the Satanic plan and policy of Evil with its Human Good production, because they have rejected Absolute Truth in all 3 categories for a very long time. The American people accept liberal, communist, islamic, religious propaganda LIES. Roman catholic followers accept mandates from the Pope of the Roman church almost as if he is GOD while the Truth is that he may not even get to heaven upon his death. The people accept these along with many other LIES of the Cosmic Dynasphere systems of Satan. People everywhere REVERE, believe and accept the LIE of EVIL but this cannot occur if one believes the Truth.

The great struggle in the United States is at the grass roots level and a reflection of this struggle is demonstrated by the overpowering success of liberalism, radicalism and all forms of anti-Americanism with its total irresponsibility in government. This would not be possible if the people accepted Absolute Truth because when one accepts the LIE it enslaves him in the worst type of slavery, Soul Slavery, but the ABSOLUTE Truth of Bible Doctrine will set him free. Therefore, when Absolute Truth is rejected ONLY the LIE is and can be accepted and inculcated and the soul is put into slavery under the LIE and under Old Sin Nature control. The issue at this time in the United States is whether or not a person accepts any Truth. If there is a principle of Truth with which one disagrees he must fall back on his respect for [Authority](#) and accept the point of Truth and endeavor to understand it better. He must never reject the authority of those over him, especially those teaching Bible Doctrine in the Local Church. It is extremely important to understand and realize that in any area where one rejects Truth they will believe the LIE first in that area. This explains why so many fundamentalist Christians have involuntarily become stupidly eclectic and why there is so much inconsistency in what Christians believe because they accept one principle as Truth and reject others as part of believing the LIE from EVIL. In the failing Christian the conflict of these various concepts being accepted or rejected is only resolved by accepting a compromise from EMOTION which is illustrated by the false doctrine of “Loving the Brethren” or “Loving Mankind”. There is a true doctrine of loving the brethren but this is not with an emotional love but with an [Impersonal Unconditional Love](#) thereby allowing all others to exercise their own volition in their own lives. Unfortunately, this is the only way to reconcile the great conflict of thought in the average believer who accepts some Truth and rejects other Truths and as a solution it is universally rejected. Once the LIE is let into the soul it compromises all Truth. This is why most Christians with their great conflict of thinking find it necessary to get involved in some emotional social life or some helping mankind organization to compensate for their inability to reconcile their Truths.

Principle of the Public LIE is that anyone can say anything about anyone else and someone will always believe it. (Review the first several years of the Trump Administration and the allegations of Russian collusion, the false impeachment attempts, his responsibility for the incursion into the congress and many other claims posed against him). The originator of a Public LIE is either irrational from emotional sins, saturated with Evil from the Interlocking System of Arrogance involvement or mentally ill and a pathological liar. Regarding the person who originates the Public LIE, their volition is always involved and therefore, the law of volitional responsibility applies even to the mentally ill who obviously have a strong divorcement from reality. However, this liability does not terminate with the originator of the LIE but extends inevitably to those who believe it also. The myriad of reasons for anyone believing the Public LIE are found in the Interlocking System of Arrogance. Therefore there is an Evil motivation in the origin of the LIE and also in believing it. The Public LIE is the place of compatibility for every form of Evil and the saturation of every form of garbage into the subconsciousness. If one originates the Public LIE, [Power Lust](#) and [Emotional Lust](#) are the source of it and his desire or intention is to control the people concerned in the LIE. The LIE is designed to create an environment to control and manipulate others. There are several categories of the Public LIE:

- ✧ Spiritual destruction with slander
- ✧ Implacable believers taking revenge
- ✧ Political destruction of enemies by vilification
- ✧ Ideas that socialism works
- ✧ Ideas that the planet will be environmentally destroyed
- ✧ Freedom can exist without military victory
- ✧ Antisemitism
- ✧ Freedom means and requires EQUALITY

Only Perception, Cognition, Inculcation & Metabolization of Bible Doctrine can offset the Public LIE.

### **Arrogance & Living The LIE**

To tell a LIE is a sin, to BE a LIAR is living a STATUS QUO involving Sin, Crime and/or Human Good from Evil in Cosmic Dynasphere I, the Interlocking System of Arrogance or Cosmic Dynasphere II, the Interlocking System of Antagonistic Emotional Hatred. In the Cosmic Dynaspheres the believer will live a LIE, although he has been designed for the Divine Dynasphere and Absolute Truth. Believers thereby live constantly under the system of Satan. Unless the believer resides and functions in the Divine Dynasphere his LIFE IS a LIE, and he is living as any unbeliever would live. Being a Liar the believer resides and functions inside Cosmic Dynasphere I the Interlocking System of Arrogance where he grieves God the Holy Spirit and also in Cosmic Dynasphere II the Interlocking System of Antagonistic Emotional Hatred where he quenches God the Holy Spirit. ([1Thes 5:19](#)) Under these circumstances the believer IS a LIAR and also is living a LIE in contrast to having engaged in the Sin of Lying. The Sin of Lying makes the believer Carnal while being in the Status Quo of being a LIAR and living a LIE inevitably and ultimately makes the believer Anti-Christ and entangled in the Cosmic Dynaspheres.

Arrogance lives on flattery, a LIE, and therefore always believes THE LIE from Evil. Anyone in the Interlocking System of Arrogance, no matter how he enters, becomes weak spiritually and mentally and is vulnerable to universal Interlocking in the Arrogance system and especially susceptible to FLATTERY. This is why in the mutual admiration society, the inadequate individual always joins in a conspiracy against authority with the Arrogant individual as a result of being led astray by flattery from the Arrogant. However, flattery is only the first step and once the LIE of flattery is believed, then the next step is to vote in an election as a liberal or to begin thinking he is going to fix all the nations problems by following some liberal agenda. Once flattery is believed then one comes to believe whatever the current LIE is. The LIE changes from generation to generation, an example is a quote from Hillary Clinton: “We simply have too many guns and if as many people were dying from a disease as are from shootings we would have been doing something about it”. The reality is that the deaths in this country from gun violence is VASTLY exceeded by the deaths from MEDICAL MALPRACTICE MISTAKES. Once one believes one LIE he will believe the rest of the LIES one at a time. When he begins to believe LIES his mind freezes up when Truth is presented in any form especially Bible Doctrine Truth. His buildup of [Scar Tissue of the Soul](#) causes the Truth

to literally bounce off of the soul in total rejection. Arrogance must then go on the offensive and move into flattery and apologies for all sorts of supposed wrongdoing and these types of people can be sincere yet live totally in a LIE. When presented with the antithesis of flattery, the insulting dogmatic reality of who and what a person is, this causes these [Hypersensitive](#) individuals to begin to spread LIES about these Truth sayers. Arrogance on the offensive becomes critical of others and maligns, judges and intrudes on the privacy of others.

Especially those individuals who are involved in the “[Big Blot Out](#)”, who have rejected the Truth of the Gospel, can only understand and believe LIES. Once a person thinks in terms of LIES no matter how brilliant they are, they are completely handicapped by this thinking and this is why so many smart people are totally divorced from reality. This is why college professors are LIBERAL having had great educations but having believed so many LIES as a result of their Arrogant rejection of the Truth. When one starts with a good IQ and strong perspicacity and builds LIE upon LIE his entire premise for life is a LIE and all of his conclusions are LIES whether he reaches them logically or illogically. He might do this syllogistically, illogically, inadvertently, or even deliberately but the conclusions are still erroneous even as the process and rationale is erroneous. This is the problem in the United States of America and is what turns Americans into duplicates of frightened eastern European people. This anticipates opposition, which in fact is good, because people do not change easily and need outside pressures to do so (the actual reason believers receive [Momentum Testing](#) from God). People may change their speech, mannerisms, clothing, houses, means of transportation but they cannot in fact change their Old Sin Nature which resides in every human being today and has also resided in every person’s ancestors back to Adam and Eve. The Old Sin Nature never changes and when you say no to the Truth it is inevitable that you will build up Arrogance from rejecting Truth and this is a natural law of function and the Modus Operandi of Homo Sapien. However, the Old Sin Nature can be suppressed in its functions by saturating the soul with Metabolized Bible Doctrine the Absolute Truth from the Thinking of Christ. ([1Cor 2:16](#))

When believers reject or resist Bible Doctrine they cause [Blackout of their Soul](#) and built up [Scar Tissue of the Soul](#) allowing the LIE from Evil to saturate the Stream of Consciousness of the Soul. This explains the Christian movements of Holy Rollers and pseudo speaking in Tongues and why Christians run roughshod over Pastor Teachers as a result of legalism and try to control them. When people say no to what is being taught in the local church as accurate Bible Doctrine they will try to undercut the Pastor Teacher wherever Truth is taught. The basis for this is Arrogance and the more they say NO to Truth the more they pump up personal self esteem and parlay this into strong Arrogance, very often [Blind Arrogance](#) hidden to the person himself, the deeper they become entangled in the LIE and the Interlocking System of Arrogance. Most people are not even remotely aware of the all encompassing principles of Arrogance and as a result not aware of their own personal Arrogance. Arrogant people who don’t recognize Arrogance in themselves are constantly calling others Arrogant who don’t agree with them or who have used legitimate authority to direct or control them.

This is a constant ongoing problem which makes it understandable as to why friends turn

against one another and oppose the Laws of Divine Establishment and Divine Institutions. This is the reason that people who start out oriented to the Laws of Divine Establishment and Divine Institutions end up becoming liberal in their thinking and Modus Operandi supporting socialism. With their own self determination they reject Truth and then believe the LIE. A situation can occur when even the unbeliever seems to change his thinking when he has been exposed to the Laws of Divine Establishment and Divine Institutions Truth and has rejected them totally. They then come to believe the LIES of Evil in communism, socialism, welfare state functions, Equality, Criminal Rights, etc. There is more to this than just the Old Sin Nature being involved and there will always be someone who is out to destroy the believer who functions under the Absolute Truth of Bible Doctrine and also the unbeliever who functions under the Laws of Divine Establishment and Divine Institutions. However, the believer must never take time to have concern about those people because as part of the Royal Family of God with The Lord Jesus, The Christ his business is to learn Bible Doctrine from the Pastor Teacher who teaches it properly while ignoring those people who try to destroy him. Anyone who teaches Truth will be despised by those who live within this system of LIES. When a person says no to the Truth of Bible Doctrine or the Laws of Divine Establishment and Divine Institutions, sooner or later, as Scar Tissue of the Soul builds up, the Truth is no longer the issue but the person who teaches it becomes the issue. So that once one believes the LIE they spend their whole life living in the LIE. Every human being has an Old Sin Nature and his function under the influence of Evil through the Old Sin Nature is never the issue but the true issue is Absolute Truth. No one will ever be perfect in this life and sins as a result of Old Sin Nature function are only an issue between the believer and God so that when he simply cites or names or acknowledges them to God, He, GOD, ALWAYS forgives them. ([1John 1:9](#)) No one can resist Absolute Truth without believing the LIE and the LIE may vary from time to time but once one believes one LIE he will believe any LIE. As a result of rejecting the Truth, once one builds up Scar Tissue of the Soul it is far easier to believe what is the LIE than what is Truth.

### **Gate #80 – The Arrogance of Pseudo Spirituality**

Spirituality is simply and ABSOLUTELY the [Filling of God the Holy Spirit](#). The Filling of God the Holy Spirit is essential for Spiritual growth and provides the momentum for achieving the objective of Spiritual growth and is the POWER of God for the believer, its being the first gate of the [Divine Dynasphere](#). This is the ENTRANCE of the believer into the Power System of God which occurs immediately at [Salvation Adjustment to the Justice of God](#), which unfortunately he can lose as a result of any carnality. Human power is not and cannot be the energy for God's system and a numb skull believer can be under the Filling of God the Holy Spirit just as quickly and easily as a genius. ([2Pet 2:1-5](#)) One cannot enter or move ahead in the System of God without INCULCATION of KNOWLEDGE of God through Perception, Cognition, Inculcation and Metabolization of Bible Doctrine which can only occur under the Filling of God the Holy Spirit. All knowledge of God, even the comprehension of the reality of the Gospel of The Lord Jesus, The Christ, comes through the ministry of God the Holy Spirit

under the [Grace Apparatus for Perception](#), Operation Z. Grace and Peace for the believer are multiplied through the KNOWLEDGE OF GOD not through:

- ✧ Working for God
- ✧ Witnessing for God
- ✧ Human self sacrifices
- ✧ Personality changes

### **The Breath of the Spiritual Life**

The Filling of God the Holy Spirit is LIKE breathing and is analogous to breathing. Either one is Alive and is breathing or he is DEAD and Not Breathing. Either one is in the Divine Dynasphere under Gate #1, the [Filling of God the Holy Spirit](#), or is outside in the Cosmic Dynaspheres. In Cosmic Dynasphere I, one is grieving God the Holy Spirit and being out of fellowship in carnality under Operational Death, NOT breathing. In Cosmic Dynasphere II one is quenching God the Holy Spirit and is actively Antagonistic to God and again NOT breathing. **Therefore the believer must understand that physical LIFE and physical DEATH are mutually exclusive and that he is either ALIVE and BREATHING or DEAD and NOT BREATHING. If he is dead he is not alive and if he is alive he is not dead! Spirituality is analogous to physical LIFE and DEATH and is an absolute and being Spiritual is mutually exclusive from being non-Spiritual. EITHER one's soul is under the control of God the Holy Spirit or one is Carnal and under the control of the Old Sin Nature. These are mutually exclusive and there are NO DEGREES of Spirituality.** Therefore, Spirituality is NOT relative and when people make Spirituality relative it results in very few of these people executing the Protocol Plan of God and thus being unable to RESPOND to any outside pressures in life but always reacting to them and fragmenting their own life. One's state of fragmentation and living in the Cosmic Dynaspheres is analogous to cessation of breathing. The ONLY recovery for the believer who has stopped breathing in the Spiritual Life is the CPR (Christian Procedural Rebound) of the Spiritual Life, the [Rebound Procedure](#) and to then keep moving in Post Salvation Epistemological Rehabilitation. The principle is that the believer MUST NOT hold his breath by rejecting Bible Doctrine.

### **Spirituality vs Emotionalism**

Godliness is synonymous with true Spirituality, momentum and maturity in the system of God and Spirituality is NOT emotional nor ecstatic and both Romans chapter 16 and 2<sup>nd</sup> Corinthians chapter 6 are serious warnings regarding this. Most evangelism related to Cosmic Dynasphere I, the Interlocking System of Arrogance, comes from believers who are under Emotional Revolt of the Soul in reversionism such that their emotion has Priority #1 in their life. This is not normal emotion which is designed to respond to the MENTALITY functions of the Right Lobe of the Stream of Consciousness of the Soul. Emotion cannot, in fact is not designed to think and does not contain Bible Doctrine, is not logical nor rational and feels its way through life to ascertain what is real or unreal, true vs false and therefore CANNOT be involved with the Spiritual Life nor Spirituality. ([Rom 16;17-18](#)) Believers do not need to glad hand others or be part of social organizations to move forward in the Spiritual Life and those who are, are emotional slaves, like those who are in slavery being addicted to narcotic drugs. ([2Cor 6:11-12](#))

The Corinthians received FACE TO FACE teaching from Paul and others and as Paul and these others continually learned Bible Doctrine and taught them it had NO EFFECT on these people. This is the status of most believers today in the United States of America being, like the Corinthians, in Emotional Revolt of the Soul. Emotions are DESIGNED to respond to Knowledge, Norms and Standards, Priorities in the Right Lobe of the Stream of Consciousness of the Soul and this is not the Church Age characteristic of the Filling of God the Holy Spirit, which is the ABSOLUTE of Spirituality. There is NO EMOTION with the Filling of God the Holy Spirit and the believer can be in pain, depressed, elated etc., and be under the Filling of God the Holy Spirit and Spiritual. The bottom line is, HOW THE BELIEVER FEELS ABOUT ANYTHING HAS NOTHING AT ALL TO DO WITH THE CHRISTIAN WAY OF LIFE IN THE CHURCH AGE. Only in the millennium when The Lord Jesus, The Christ is again present and reigning on earth will ecstasies and emotion be part of the Filling of God the Holy Spirit and Spirituality. All passages in the scripture regarding emotion and ecstasies related to Spirituality are millennial and eschatological passages.

In the Church Age The Lord Jesus, The Christ is absent from the earth, seated at the right hand of God the Father in heaven and therefore the Filling of God the Holy Spirit is related to the absence of Jesus Christ from the earth and has been given to believers in this Church Age to INSTRUCT them in all the aspects of the System of God. In addition as a result of the Baptism of God the Holy Spirit, which occurs ONLY in this Church Age, every believer is in union with The Lord Jesus the Christ and part of the Royal Family of God. In fact, this dispensation was intercalated or inserted into history separating into 2 parts the Age of Israel for the explicit purpose of extracting a Royal Family for The Lord Jesus, The Christ.

### Distortions of Spirituality

The difficulty with true Spirituality is making the believer understand the ABSOLUTE character of Spirituality so as to not engage in false standards for Spirituality as:

- Considering Dress and Clothing – people are judged by their dress in several ways:
  - Rich vs Poor – in the 30s no one wore jeans unless they were poor but today some IDIOTIC females will pay HUNDREDS of dollars for a pair of jeans with manufactured HOLES in them.
- Considering Grooming – this does not apply today either since even the film industry in the 21<sup>st</sup> century has taken to making their males in starring roles appear on screen unshaven looking DIRTY and UNKEMPT, and the females to wear male clothing and have unkempt hair styling.

Spirituality is not determined either by DRESS or GROOMING but only by the Mental Attitude of the individual and his functions to remain under the Filling of God the Holy Spirit. What rags or fine accouterments one puts on his body for dress nor whether he bathes regularly or not has anything to do with Spirituality. This is obviously only a matter of good or bad judgment but is not ever an indication of Spirituality. Some actually consider that wearing only black is Spiritual and bright colors indicate a lack of Spirituality. Others consider that Women wearing makeup to enhance their looks indicates a lack of Spirituality and that these women are “SCARLET” woman, prostitutes. The reality is for the woman, wearing or not wearing makeup is only a matter of personal choice and has nothing to do with their

Spirituality or lack of it. Neglecting Grooming is thought by some to indicate Spirituality as seen in the hippy culture. These were in reality children, who never oriented to life regarding one of life's major principles, authority. Their reaction to authority and rejection of it was shown by their disdain for society in their dress and grooming but one can dress and groom like a hippie and still be Spiritual. The only true issue and exception to this is for young people whose parents INSIST on a dress code and children living with parents must follow the dress code set up by the parents. Also when a person accepts employment with a company who has a dress code he must also follow it along with students in an educational institution who must follow the dress code of the institution.

The content of one's speech is not an indication of Spirituality but some consider that the use of cliches or 'Spiritual' language or biblical vocabulary is an indication of Spirituality such as:

- ✧ God willing
- ✧ Praise the Lord
- ✧ Old English pronouns of Thee and Thou etc.

Many consider it necessary to engage in special mannerisms, posture and facial expressions and develop or demonstrate a sweet personality to be Spiritual. However, it is essential that Believers learn to distinguish between mannerisms, speech content, posture, facial expressions and personalities and the true Spirituality of other believers. The principle is that Personality and Spirituality must be distinguished from each other. Believers are MANY in personality but Spirituality is the same for all and is ONLY the Filling of God the Holy Spirit. There are a myriad of misconceptions about How to be Spiritual including:

- ✧ Yielding
  - This is in fact the use of the Rebound Procedure when needed to restore instantly the Filling of God the Holy Spirit.
  - [Rom 6:13](#), [Rom 6:19](#), [Rom 12:1](#) are not talking about YIELDING but they involve the concept of maturity from momentum in the Spiritual Life so that yielding is legitimate to use in these passages but it is much better translated OBEDIENCE and God has a system and believers must obey the mandates of the system.
- ✧ Dedications
  - To full time service is ridiculous and indicates ignorance since ALL believers from Salvation Adjustment to the Justice of God in this Church Age are already in full time Christian service as Royal Priests and Royal Ambassadors for Christ.
- ✧ Methods of Prayer
  - Prayer has a protocol which must be followed and there are no variations in how prayer is to be offered and for what reasons it can be offered.
- ✧ Giving, and other production efforts
  - The truth is that production never results in Spirituality but is always the RESULT OF CONSISTENT Spirituality. Divine Good production, production involving GOD, the only production in the Christian Way of Life which has any spiritual value, is only the RESULT of Spirituality and momentum in the Spiritual Life, NEVER THE MEANS.
- ✧ Self Crucifixion
  - This confuses positional truth which results from the Baptism of God the Holy

Spirit with Christian Modus Operandi and this is not ever an experience at all.

- Adhering to Taboos
  - No drinking, smoking, dancing, mixed bathing, etc., the interesting thing is that people living under the Taboo system who discover that Taboos are not Spirituality instantly slough off the taboos and become involved in lascivious lawlessness and constantly raise hell in their lifestyle.

The reality of the fallacy of Tabooism is that anything an unbeliever can do cannot be the Christian Way of Life. The Christian Way of Life is a supernatural way of life executed by the believer when “SPIRITUAL” ie. *under the Filling of God the Holy Spirit* in the system of God the Divine Dynasphere. No two believers have attained the same level of Spiritual growth and the distortions of ideas of what spirituality is come from the fact that the Filling of God the Holy Spirit will *manifest* itself in different ways at different levels of Spiritual growth. The Legalistic bullying which occurs by Tattooists is a great deterrent to salvation and spiritual growth in others and spreads confusion as to what constitutes Spirituality and Christianity. The result is that those who respond to this become involved in Self Righteous Arrogance while those who react to it become involved in conflicts, Bitterness, Disillusion and often antinomianism. Reaction to taboos and other aspects of pseudo Spirituality will put the new believer into the Cosmic Dynaspheres and he will be starved of Bible Doctrine and will have been driven from the Christian Way of Life by legalism.

### Spirituality by Relativity

This system is used by those who consider themselves Spiritual because their sins are more respectable than the sins of others. Here, subtle sinfulness is compared to OBVIOUS overt sinfulness which results in false rationalizations concerning Spirituality. This includes the delusion that there are DEGREES of Spirituality when in fact Spirituality is an ABSOLUTE Status and there can be NO degrees. However, the manifestations of Spirituality in Christians may be very different based on the DEGREE or LEVEL of their Spiritual Growth. Any sin instantly puts the believer out from under the Filling of God the Holy Spirit and into the Cosmic Dynaspheres thus the importance of the understanding of and consistent use of the Rebound Procedure.

### Spirituality by Ecstatics

This is also a false pseudo system of Spirituality illustrated by the tongues movement and it is based on the emotions not being under control of the mentality of the soul. Emotions as responders are to be under the control of the mentality of the Right Lobe of the Stream of Consciousness of the Soul for appreciation of thought regarding many things in life. Emotional Revolt of the Soul results in ecstatics which are simply stimulation without thought or Norms and Standards and this is assumed, by the holy rollers and tongues Christians, to indicate Spirituality. In reality what is regarded as being a Spiritual experience is simply a state of being involved in some level of the Cosmic Dynaspheres, under extreme demon influence or, as unbelievers in the tongues movement, under demon possession. These are also the believers who very often think they may have lost their salvation because they do not feel saved. Emotion is not a criterion for Salvation nor for Spirituality and the Christian must ALWAYS ONLY evaluate his Christian experience and life by what the bible says NOT by what he feels. Whenever there is a conflict between these two things, the BIBLE IS ALWAYS RIGHT.

Therefore, Christians can be Spiritual and depressed or despondent or jumping for joy and dancing in the streets (Like David did but hopefully not naked) and many Christians have even have tried, and some have succeeded, in taking their own lives as a result of their confusion. Spirituality is therefore not a ritual and not related to participation in programs but in fact is the true LINK between the moment of Salvation Adjustment to the Justice of God and the true function of the believer in the System of God, the Divine Dynasphere.

### **Gate #81 – The Arrogance Regarding Prayer**

Prayer is a weapon for the believer that he must learn about and know thoroughly so that he can be effective when using it like any other weapon. Most ineffective prayer comes from Arrogance and false motivation resulting in improperly using it. One must know the weapon and also have proper motivation else the weapon will be totally ineffective. Arrogance produces both false motivation and discouragement with regard to effective prayer function. Prayer can be incredibly effective but the believer must know what he is doing when he prays to God. Therefore, there is a Prayer Arrogance which often involves people who pray a lot who do it simply to glorify self. When prayer is not answered it is usually the result of involvement in Arrogance, carnality or [Reversionism](#) causing failure to be under [Filling of God the Holy Spirit](#). ([Eph 6:18](#)) This can include any aspect of [Mental Attitude Arrogance](#) and its accompanying sins ([Ps 66:18](#)) and is a real problem for people who are very Arrogant and are not even aware of their own pride and vanity under [Blind Arrogance](#). It often takes some pressure in life to bring out their Arrogance and selfcenteredness. When involved in this Blind Arrogance there is the insidious infiltration of the Influence of Evil into the believer's thinking. ([Job 35:9-13](#))

### **Malfunction of Prayer**

The teaching of Bible Doctrine initially results in (gr) 'gnosis' or academic knowledge entering the Human Spirit and being moved instantly into the Left Lobe of the Soul by God the Holy Spirit under the [Grace Apparatus for Perception](#). Attempting to apply 'gnosis' to situations and circumstances in life results in [Legalism](#), [Inflexibility](#), insensitivity and intolerance all which compounds one's Arrogance. At the 'gnosis' stage of assimilation of Bible Doctrine, the Believer understands the concepts of Bible Doctrine and then faces the issue of faith, the acceptance or rejection of these concepts. Rejection of Bible Doctrine is one of the reasons for malfunction in prayer as a result of:

- ✧ Lacking understanding of the mechanics of prayer
- ✧ 3 categories of Ignorance from rejection of or indifference to Bible Doctrine
- ✧ Wrong Priorities in life
- ✧ Involvement in the Labyrinth of the Interlocking System of Arrogance

Therefore, the resultant [Black out of the Soul](#) with the inevitable influence of Evil explains why prayer is not answered. If one prays when frightened or in a state of Cowardice, [Self Righteousness](#), [Self Pity](#) or [Guilt](#) his prayers will not be heard. [Mental Attitude Arrogance](#)

with its Mental Attitude Sins and any involvement in the Interlocking System of Arrogance resulting from any form of carnality and [Reversionism](#) destroys prayer effectiveness and these are the greatest enemy of Prayer. ([Ps 66:18](#)) As Arrogance intensifies the believer can only believe the LIE of the Satanic Policies in EVIL, many which include the principles of socialism, communism and liberalism but also old false concepts regarding prayer. Therefore, when one is involved in Self Righteousness he has false superficial concepts about prayer and will judge others in their function of prayer. When one is involved in Self Pity he will use prayer groups to unload his problems and try to get others to pray for him. This is an abuse and distortion of prayer and a lack of understanding of the greatness of the weapon God has given us. No one under the influence of Evil ever asks for God to guide or help them and because of the Arrogance from Evil in man, God never answers when they cry out for help and in this Status Quo Arrogant man shares the discipline of Satan. ([Job 35:9-13](#)) When the believer says NO to the Absolute Truth of Bible Doctrine and the Laws of Divine Establishment and Divine Institutions he is building up [Scar Tissue of the Soul](#) and by this means intensifying Arrogance resulting in his being restricted to believing only the LIE from EVIL. This completely cuts off the function of prayer in his life.

### [Gate #82 – The Arrogance of Idolatry](#)

The 1<sup>st</sup> commandment prohibits soul slavery the 2<sup>nd</sup> commandment prohibits the overt manifestations of soul slavery. Idolatry both mental and overt is forbidden for the believer. ([Ex 20:3-4](#), [Ex 23:24](#), [Deut 4:28](#), [Deut 5:7](#), [Deut 6:14](#), [Deut 7:16](#), [Deut 8:19](#)). Idolatry, as spiritual adultery, is an attack on Category I Love, and beyond God there is nothing. ([Jer 3:8-10](#), [Ez 16:9](#), [Ez 23-33](#), [Ez 23:24-28](#), [Rev 17:1-5](#)). Soul slavery or idolatry of mind precedes idolatry of practice. ([Judg 2:10-14](#), [Ez 14:7](#), [Ex 20:3-4](#)) No one ever practices idolatry unless they are first in soul slavery, therefore, in every case in every country where there are idols they do not need a flag. A flag symbolizes freedom whereas idols symbolize slavery. India, China, and many other nations being inundated with idols are nations of slavery. Idolatry results from rejection of The Lord Jesus, The Christ producing [Black out of the Soul](#), [Scar Tissue of the Soul](#) and [Emotional Revolt of the Soul](#). ([Rom 1:18-25](#)) Demons operate to control man through idols and idolatry, ([Zech 10:2](#)) therefore Idolatry is the devils communion table. ([1Cor 10:19-21](#)) Since Idolatry is associated with Emotional Revolt of the Soul and soul slavery it produces a [Psychotic](#) condition and this FEAR psychosis is described by [Jer 50:38](#). Idolatry is also related to the [Sexual](#) sins of the phallic cult and all idolatry seeks to separate Right Man from Right Woman thus destroy Divine Institution #2. ([1Cor 6:9](#), [Ez 22:3-18](#), [Ez 23:37-49](#)) Idolatry causes national disintegration and is a basic reason for the administration of [National Judgment](#). Phallic Idolatry is the overt expression of soul idolatry and the soul in slavery is not at all interested in the concept of Right Man / Right Woman and has moved beyond God. God designed Divine Institution #2, Marriage between one *Right Man and Right Woman* and moving beyond God results in rejecting this concept. Both freedom of soul and freedom of body are gone when involved in any form of Idolatry. Phallic idolatry involves sexual indiscretions and aberrations

and total rejection of Divine Institution #2 principles with sublimation in place of true happiness.

### **Entrance into Idolatry**

Idolatry occurs in many forms and is not necessarily kneeling before some statue or symbol. A nation in the midst of destroying themselves is in the midst of spiritual idolatry. When this occurs Idolatry becomes a rampant part of the society and as it continues it brings an end to the nation. These people are generally under **Negative Volition** toward Bible Doctrine and God and are required to be judged by God as a result. They are Judged for rejecting the Lord and replacing him with Idol worship as a result of their Negative Volition. In the nation where society does not look favorably on the various forms of Idolatry and the people are not permitted to worship Idols but still have concepts of Idolatry in their minds this mental idolatry is equivalent to mental adultery while overt Idolatry is equivalent to overt adultery. When Idolatry has become rampant in a society, as it is in the United States of America today, this is the OVERT sign of **National Apostasy and Degeneracy**. In this Church Age in Client Nation United States of America believers have the same relationship with The Lord Jesus, The Christ, being Royal Family of God he being head of the church, as the Jews had at the time of the writing of the book of Jeremiah. Under the concept of marriage there is ONLY 1 Right Man for 1 Right Woman and in the spiritual realm The Lord Jesus, The Christ is the Right Man for both Israel in the Age of Israel and the church, the Royal Family of God, in this Church Age. This is the reason that any believer in the Church Age entering into idolatry is accepting a cheap substitute and is why Idolatry is always analogous to ADULTERY. The process of rejecting God and Bible Doctrine by believers is a gradual process first beginning mentally, then leading to overt rejection or neglect of Bible Doctrine and God, then going in for some form of Idol worship. The Result is that when believers reject Bible Doctrine or unbelievers reject the Gospel of Christ, by going after idols, they are going after NOTHINGNESS. Idols of all sorts and categories are NOTHING and EMPTINESS. (**Deut 32:21**)

All believers must choose from their free will volition either apostasy, degeneracy, idolatry and unfaithfulness to God or Grace and Spiritual Advance. When they have chosen to stand under idolatry, apostasy and unfaithfulness there are certain specific divine laws which apply to them. If they choose to step over to the other side under Grace there are very different laws which apply to them. The laws on the Grace side relate to blessing and happiness while the laws on the apostasy side relate to cursing and Divine Discipline. Believers who engage in consistent bible study with focus and concentration are on the Grace side and those who do not will end up on the Apostasy side. Believers on the apostasy side will always attempt to influence people on the Grace side to come over to apostasy and they are very often successful. However, this rarely works in reverse. Whatever side one chooses to live within determines which divine laws are applied to him from God. If he, as a believer, wants Divine Discipline he can choose it, if he wants blessing from God he can choose that also. Choosing the Grace side results in perfect happiness from the daily function under the **Grace Apparatus for Perception** and erection of the **Edification Complex of the Soul**. Choosing the Apostasy side brings totally misery in rejection of Bible Doctrine and acceptance of the functions of Idolatry, Apostasy, Degeneracy, both moral and immoral, or any other Sublimations. This results in perfect misery and

**SLAVERY TO THE DETAILS OF LIFE.** The question arises obviously, “What are the Details of Life” which will enslave this believer. To discover this simply read the Proverbs of Solomon and David and you will uncover the key to the Spiritual Life since these 2 great men came to the conclusion that EVERYTHING is EMPTINESS and EVERYTHING in life is a Detail except BIBLE DOCTRINE.

As a result of being under Negative Volition to Bible Doctrine believers do not enjoy any of the sublimation they choose to be involved in. When involved in things which are considered to comprise sublimation both the Negative Volition and Positive Volition believers will be stimulated by these things. However the people under Negative Volition to Bible Doctrine depend on this stimulation for happiness and it usually does not bring it and even when it does it does not last. Therefore, whatever the type of stimulation or sublimation when there is Negative Volition to Bible Doctrine it will not be enjoyable. The difference between a slave and a non-slave regarding details in life is the use of Negative Volition toward Bible Doctrine and Positive Volition toward the sublimation vs the opposite. When there is Positive Volition to Bible Doctrine the things considered to be sublimation will never ruin the life of the believer and he will not depend on these for happiness. There is a great difference between being enslaved or not to the things of sublimation in life and these things are usually completely innocuous things. The principle is that anything which conflicts with the teaching of the word of God, to which one succumbs, will inevitably destroy his life. These sublimation in life are not necessarily immoral or improper things of life but the things one enjoys which could cause him to be distracted from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

In the book of Ephesians it says that EMPTINESSES result from [Black out of the Soul](#) and [Scar Tissue of the Soul](#) as a result of consistent [Negative Volition toward Bible Doctrine](#). This describes the cause of the vacuum building up in the soul which results from falling into reversionism which then sucks in the false doctrines of demons derived from Evil and related to Idolatry. Idolatry is the overt manifestation of false doctrine in the souls of believers. ([Rom 1:21](#)) The problem with the people in the United States of America today is that they are and have been for some time consistently functioning under Negative Volition toward the truths of Bible Doctrine. When under Negative Volition toward the Bible Doctrine truths of the [Laws of Divine Establishment](#) and [Divine Institutions](#) or the Gospel of Christ or any of the myriad of principles of Bible Doctrine, these people WILL gravitate toward and pick up a cheap substitute in the doctrines of Demons, derived from Evil, the policy of Satan. The worst cheap substitute and a form of modern idolatry into which the believer can go “Whoring” is the ‘Tongues Movement’. This also includes a simple program of some kind such as “CHRISTIAN EDUCATION” in some form. It includes all the systems of getting people together as “Christians” in various organizations and programs which is simply like getting the YMCA into the church. The local church is designed SPECIFICALLY for the purpose of communication of Bible Doctrine and nothing else. All of these other things popular today in Christian circles are CHEAP substitutes and unfortunately there are very few churches in the United States of America today which stick strictly to the teaching of Bible Doctrine as their primary function. There is NO Substitute for Bible Doctrine and this nation has been in a state of Apostasy and

Degeneracy for MANY decades and the phony public relations [Human Viewpoint](#) techniques so prominent in Christianity today have nothing whatsoever to do with Christianity. Bible Doctrine is the only way to enter into [Occupation with the Person of The Lord Jesus, The Christ](#) which is Advanced Category I Love for GOD and that is the only way to completely avoid Idolatry. Faithfulness to The Lord depends on Bible Doctrine resident in the souls of both the Pastor Teacher who presents it and his congregation who are to receive it from him. It is essential for the local church to get Bible Doctrine out to as many believers as possible in whatever ways are possible because capacity to function under the Plan of God and to love God depends totally on Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the believer's Soul. The fact is that people go to idols because they reject Bible Doctrine. Rejection of Bible Doctrine results in Black out of the Soul and Scar Tissue of the Soul which is where Idolatry inevitably gets its start. Therefore, Idolatry is a manifestation that the believer has no interest in and does not care for Bible Doctrine. The tongues movement has nothing to do with Christianity and it is one of Satan's functions to distract people from Bible Doctrine. This is the same for all the sincere, bleeding heart liberal functions in and outside of local churches and all the one shot dedications to God. These are simply many various ways to get away from Bible Doctrine, line by line, verse by verse under the [ICE](#) principles of analyzing scripture and teaching Bible Doctrine. Idolatry is therefore called Spiritual Fornication. ([Jer 3:6-10](#), [Ez 16:23-43](#), [Ez 23:24-28](#), [Rev 17:1-5](#)) Therefore it is important to understand that in accepting a cheap substitute for the Lord believers accept the floozy of Idolatry which causes them to become EMPTY, NOTHING AND COMPLETELY WORTHLESS. This results in empty frustrated lives which lack basic or advanced Category I Love, as [Personal Love for God](#) or [Occupation with the Person of The Lord Jesus, The Christ](#).

The concept of teaching and appealing to the lascivious trends of the Old Sin Nature explains the trends of today and the phallic idolatry which is so prevalent today though not recognized as such. No one just JUMPS into the phallic idolatry. They come under the influence of one or more false teachers who are in [Emotional Revolt of the Soul](#) then the people enter into Emotional Revolt of the Soul and they respond first to the teaching of these false teachers and then go out and engaged in phallic idolatry as sublimation to relieve their frustrations, which it does not. When there is a whole generation of people who have become slaves to false teaching then God takes them with their soul slavery and puts them into bondage slavery since they do not understand nor are they fit to exercise freedom. This is another primary reason for the 5<sup>th</sup> cycle of Divine Discipline to completely remove a nation from history. It can take 2 or more generations for a people to enslave themselves to false teaching and engage in the apostasy and degeneracy associated with phallic idolatry. However, there is and always will be a COUNTER to the false doctrine and idolatrous functions toward which people are drawn and it comes in the form of the teaching of expository Bible Doctrine. The principle is that "You will know the Absolute Truth (3 categories) and the Absolute Truth will make you free". If, however, the people reject this truth they then put themselves into a slavery of the worst kind, Soul Slavery. When this occurs then in his Justice, God takes those in this soul slavery and literally drops them into Human Bondage slavery. For the Jews the first time they went from SOUL BONDAGE to HUMAN BONDAGE in 40 years 626 to 586 BC and they remained in human bondage for 70 years. This inevitably begins with Negative Volition toward Bible

Doctrine and God resulting in Emotional Revolt of the Soul leading to [Black out of the Soul](#).

When a person is a believer with Maximum Metabolized Bible Doctrine in all of the compartments of the Right Lobe of the Stream of Consciousness of the Soul then there is no way he can ever have any 'god' beyond The Lord Jesus, The Christ. God has proclaimed to man that "BEYOND ME there is nothing" and this is basic Grace and basic Freedom. There is no way to know this apart from the understanding of Bible Doctrine and accumulation of Metabolized Bible Doctrine into the Right Lobe of the Stream of Consciousness of one's Soul. Idolatry does not start by someone manufacturing an idol like a golden calf but it starts by having the calf in one's thinking initially in soul idolatry. In Israel during the exodus the Jews were willing to give up all their Jewels and gold, which God had enabled them to take from Egypt as a BLESSING to them, to be melted into a full sized golden calf and it took a LOT of gold to do this. Therefore they first had soul idolatry with free bodies and this is the same today with the vast majority of believers. Today especially most Christians are slaves in their soul to [Legalism](#), [Human Viewpoint](#), [Emotionalism](#), etc. Mental or soul idolatry or soul slavery is unfaithfulness in or rejection of Category I Love. It becomes very clear therefore that the 1<sup>st</sup> commandment is directly related to the Angelic Conflict as a prohibition of mental or soul slavery from mental or soul idolatry.

In the 2<sup>nd</sup> Commandment, OVERT Idolatry is prohibited. The prohibition is against making any idols which resembled any angel, bird, animal, fish or plant to worship. The ancient people who practiced idolatry always worshiped the female form as Venus, Aphrodite, Ishtar, Ashterah, Ashtarte, all of these were representative of a goddess of Love and Murder combined. The Thugees of India worshiped Cali and were the greatest crime syndicate in all of Human History. They worshiped Cali the goddess of Love and of Murder and they learned many very interesting ways to commit murder. Functioning under strong doctrinal principles the British broke up this syndicate. In the 2<sup>nd</sup> commandment a prohibition is against bowing and when the soul is in slavery the volition operates according to the pattern of slavery and in this pattern an idolater bows to something as a god he has carved or created himself or which some other human being has. The idiocy of this is the slavery formed from it. The soul is in slavery while the body is free but the enslaved soul is bowing to a god which has been manufactured by another human being. This is the typical disorientation to reality of soul slavery. Today, in our pseudo sophisticated society our idols are a bit more difficult to recognize, however, when a believer bows from his own volition he has enslaved himself. When the believer bows down the soul is enslaved while the body is free and the free body is made to be subservient to the enslaved soul. Therefore the soul inevitably enslaves the body just as is clearly demonstrated by the individual producing incredible Self Induced Misery from failing in the Plan of God. The Idol manufactured by someone is NOTHING and the body enslaved by the soul bows to NOTHING and thus becomes an enslaved body. A degenerate or soul enslaved people, like those in the United States today, always have some form of overt manifestation of their soul slavery as some form of idolatry. Believers cannot bow to idols and respond to God and this is why He is said to be a possessive God and this is again why idolatry is considered spiritual adultery.

Therefore, no one jumps into the middle of Idolatry they work into it gradually with a change or distortion of their mental attitude and then an engage in overt action. They manufacture Apostasy out of their Negative Volition toward Bible Doctrine and their [Reversionism](#). Out of apostasy they then manufacture some form of Idolatry to substitute something for the worship of God and The Lord Jesus, The Christ. Their unfaithfulness starts as a [Mental Attitude](#) and when any believer goes under Negative Volition toward Bible Doctrine they lose all capacity for life and therefore develop Black out of the Soul. This results in ERASURE of all Bible Doctrine they may have accumulated which leads to the production of Scar Tissue of the Soul leading to the creation of an information or knowledge vacuum in the soul into which NO TRUTH can ever enter, thus they do not ever think of God. With the development of the vacuum in the soul there begins the infiltration of the false doctrine of demons, the LIE of EVIL, the plan and policy of Satan, and with this an overt manifestation of IDOLATRY. Instead of thinking about the Lord believers then think about idols and when they are in trouble and have problems they ask their idols for help. When you ask help from NOTHING you get nothing when you try to love NOTHING you have only frustration.

The relationship between the thinking of idolatry and practicing it is a very fine line and having idolatry in the Right Lobe of the Stream of Consciousness of the Soul occurs long before it is overtly practiced. When a person consistently thinks a certain way they will eventually ACT on that thinking. The Tablet of the Right Lobe is specifically the Frame of Reference of the Right Lobe of the Stream of Consciousness of the Soul. ([Prov 3:3](#), [Prov 7:1-3](#)) When one thinks in certain ways his thoughts are written in his Frame of Reference and when he recalls those thoughts he brings them out into the conscious mind for action. The policy maker for an individual is therefore his Frame of Reference and Norms and Standards of the Right Lobe of the Stream of Consciousness of his Soul and this is where his life actually occurs. The vacuum caused by the Black out of the Soul as a result of consistent [Negative Volition toward Bible Doctrine](#) results in drawing the LIE of EVIL into the soul. Into this soul vacuum are drawn these Satanic LIES and false doctrine concepts and these are deposited into the Frame of Reference and Norms and Standards of the Right Lobe of the Stream of Consciousness of the Soul thereby modifying the content of the soul. They are then brought back for action when the LIES are recalled from memory and this is how idolatry begins in the believer's soul. This focus on EVIL thus results in [National Disintegration](#) when a maximum number of people write false concepts, the LIES from EVIL, onto the tablet of the Right Lobe of their Stream of Consciousness of the Soul. Then when they use these recalled LIES and false doctrine concepts to establish national policy these EVIL based policies begin the process of national disintegration. This is then:

- ✧ Operation Sublimation and drinking the 'wine' of sublimation.
- ✧ Emphasis on Parties and Social Life to the exclusion of Bible Doctrine.
- ✧ Emphasis on the details of life resulting in slavery to them.
- ✧ Emphasis on the greatest good for the greatest number.

If one is on top of or in control of the details of life he will have a great time in life but if he is under an emphasis on the details he will be enslaved to them. This is what occurs when people constantly try to engage in "keeping up with the Joneses".

The manner in which anyone gets into idolatry is the same manner in which people get into sublimation during holidays like Christmas. Initially the soul gets out of phase with Category I Love and the Soul and Body ultimately get out of phase with Category II Love. When the believer consistently says NO to Bible Doctrine he will keep on building up total unhappiness. When this occurs it results in sublimation since a substitute is needed for the lack of Bible Doctrine and any source is welcomed for stimulation in the production of presumed happiness. When substitutes are constantly picked up as in phallic idolatry (today there still are phallic cult functions but the overt idols have been dropped because this society is a bit more sophisticated). When 'NO' is persistently expressed toward God and Bible Doctrine from free will God will eventually say "OK go your own way, you have been building up misery and are not fun to be around and are making yourself constantly miserable so have at it". He will allow this to go on and on to the point of NO RETURN thus requiring the Sin Unto Death to be administered to the individual and when the client nation as a whole is in this situation, this is the cause for the national Sin Unto Death, the 5<sup>th</sup> cycle of Divine Discipline. Believers under negative volition toward God and Bible Doctrine move through a process of doing 3 things under Negative Volition:

- ✧ Disregard God
- ✧ Neglect God
- ✧ Forget God

This is what always causes the believer to trust in the LIES of the policy and plan of Satan. This vacuum set up in the soul from Negative Volition DEMANDS false doctrine, it DEMANDS something to fill the vacuum. True, accurate Bible Doctrine teaching breaks and smashes false doctrine in order to rebuild the believer. False teaching stimulates the soul but does not teach and does not rebuild the soul. Once the believer starts down the path of rejection of God there comes to him, like the illicit fornicator, committing the violence and rape of idolatry, Divine Discipline or the 5 cycles of Divine Discipline to the nation. Once a person chooses to mess around with pseudo lovers they start into the apostasy of phallic idolatry by picking their partners but once this goes on for a period of time they are forced to fornicate with partners they did not pick in RAPE. When a believer is consistent under Negative Volition over and over again there comes a point in time when they no longer can change this attitude and must be removed from life lest their attitude 'infect' the unbelievers in their periphery and prevent their salvation.

Idolatry is forbidden in the 1<sup>st</sup> and 2<sup>nd</sup> commandments of the Decalogue, ([Ex 20:3-4](#), [Ex 23:24](#), [Deut 4:28](#), [Deut 5:7](#), [Deut 6:14](#), [Deut 7:16](#), [Deut 8:19](#)) and in fact it was forbidden before idolatry existed. God knew that the Jews and in fact all believers would be unfaithful and warned them about it even before they became aware of it. Idolatry provides an excuse for promiscuity and produces fear and Psychosis. ([Ez 22:3-18](#), [Ez 23:37-49](#), [1Cor 6:9](#), [Jer 50:38](#)) When people are going in the wrong direction from what God has designed for man the result is psychosis therefore much of psychosis is the result of people who have walked away from some facet of the design of God. Idolatry is so very important to understand because when a believer leaves the one who provides freedom for him there is only left vanity which is Emptiness and Idols. Therefore, the believer cannot walk away from the one who provides freedom for him and have anything but worse slavery than he ever imagined he could have.

By choosing to be involved in any aspect of Idolatry the believer is choosing a slavery which is the greatest imaginable slavery because by their own free will they choose to be slaves to Idols. The nation involved in overt idolatry generally has a leader or system of government composed of a weak individual or group running the land providing susceptibility to the LIES of Evil on a national basis. The Lord Jesus, The Christ is the source of the perfect Grace of the Father. Without Christ there is nothing, therefore, Idols as substitutes for God and Christ are Nothing. Having turned away from the living word, The Lord Jesus, The Christ, there is NOTHING and when one has nothing he has only Idolatry. Idolatry like adultery always results in destruction or catastrophe. Adulterous fornication is physical or mental unfaithfulness in category II Love and idolatry is spiritual adultery where there is unfaithfulness in Category I love.

In turning from the Lord to idols the believer turns to something which is totally unable to benefit them and is not at all profitable for them and cannot bring any degree of happiness to them. There are many things which can bring some degree of happiness in life including materialistic accumulation, social life, romantic life but IF one does not have a Category I Love relationship in which he is faithful to the Lord these things, which might have some happiness, profit or blessing, will simply cause him to be MISERABLE. Whatever he may be reaching for in life instead of The Lord Jesus, The Christ DOES NOT PROFIT him in any way. Therefore, Idolatry is something which substitutes for developing Category I love and this brings with it a multiplying of unhappiness. The Lord Jesus, The Christ is so wonderful, perfect, stable, fantastic in his love for the believer that when the believer accepts a cheap substitute for the Lord, even the ANGELS are shocked. If angels are shocked over the unfaithfulness of the believer toward The Lord when involved in idolatry then maybe the believer should be shocked at himself. Angels can also have fear. If angels are shocked and aghast when observing idolatry then those involved individuals should be even more fearful at their infidelity toward Christ and their intimate relationship with a cheap substitute of idols of wood or stone under Satan's policy of EVIL.

Forsaking the Living God is in effect exchanging him for an imaginary god, actually a man made god hence Idolatry. Idolatry is, therefore, a life of cheap substitutions for God. The believer going negative to the Lord and Bible Doctrine is using the freedom which God has given him to enter into to the bondage of Idolatry. Idolatry in societies today is represented by and practiced by a focus on the Details of Life and the fantastic misery and self destruction which comes from making this one's focus in life. The entrance into the functions of Idolatry involve the use of personal volition to tear off the bands of protection from the Lord including the [Laws of Divine Establishment](#) and [Divine Institutions](#). This is what has occurred in the United States of America in the generations after World War II and is clearly seen in the anti authority attitudes of the 60s and 70s in our history but is definitively worse today in the revolutionary tendencies of the 21<sup>st</sup> century. While rejecting the Lord and Bible Doctrine and worshiping idols believers are consistently denying this protection in their minds. The attitude of the Lord toward Idolatry and his command with regard to idols and idolatry are found in [Ex 34:13-14](#).

Ritual without reality is mental adultery and the reality of Christian ritual is found in the

teaching of Bible Doctrine. Therefore, rejection of Bible Doctrine while accepting or adhering to the ritual results in the first stage of Idolatry, Mental Idolatry. Today, for many people, the holidays of Christianity are ritual alone. Lent when it comes up in the Roman church makes people feel better about themselves giving them a clean feeling because they change their behavior pattern for 40 days. It is the observance of religious ritual such as penance for sins which simply gives a psychologically assuaging to a guilt complex. Under these rituals the person is NOT cleansed for cleansing comes only from 2 sources, Salvation Adjustment to the Justice of God and [Rebound Adjustment to the Justice of God](#). Believers today as in the time of Jeremiah reject Bible Doctrine and as a result have no capacity to love The Lord Jesus, The Christ and thereby are involved with many different forms of idols throughout their lifetime. At sometime in life each individual believer must use his own volition to acquire Bible Doctrine principles when and where he can. People who want Bible Doctrine will go through hell and high water to get it but those who give lip service to it are only using it to try to get something from God.

### **Substitution & Despondency in Idolatry**

The Lord Jesus, The Christ died on WOOD, the Cross, for our salvation but Wood in any form is no substitute for the person. When The Lord Jesus, The Christ was on the cross it was the PERSON on the cross who counted. When one takes the PERSON off of the cross he is therefore already involved with FALSE DOCTRINE. Then one fashions a cross out of wood or gold or silver or stone and WEARS IT AROUND HIS NECK and then worships a piece of wood called a CROSS, this is IDOLATRY and APOSTASY. NO CHUNK OF WOOD, METAL OR STONE WILL TAKE THE PLACE OF JESUS CHRIST THE GOD / MAN AND SAVIOR. Every person in an organization who wears a cross around his neck is false and apostate and he is just as much involved in idolatry, [Legalism](#) and religion as the northern kingdom of Israel was. Every now and then people in sorrow or self pity will sit in front of a window which allows light to come through the window and put the shadow of a cross on the wall and become ecstatic about this or entranced by it. One can drive along places and see signs in juxtaposition forming a cross or its shadow and often people stare in wonder at these. These people become emotionally stimulated by these shadows and in effect are fornicating with shadows. One cannot get comfort of any permanence from a shadow or juxtaposition of materials forming a cross. The shadow is NO Comfort at all and there are many shadows in life which people try to use but only The Lord Jesus, The Christ can satisfy. Thus for the believer in the Royal Family of God no shadow will ever take the place of Category I Love, Basic [Personal Love for God](#) and Advanced Personal Love for God, [Occupation with the Person of Christ](#).

Deriving comfort from wood (in essence fornicating with wood) or from a shadow is either [Self Pity](#) or self induced sublimation. Worship means love, does one love wood and stone, the material details of life in modern idolatry, or does one love The Lord Jesus, The Christ? It must be one or the other. If one loves The Lord he will respond to him through consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, which is the THINKING of Christ ([1Cor 2:16](#)) accumulated by functioning under the [Grace Apparatus for Perception](#). With Bible Doctrine saturating the soul and building the [Edification Complex of the Soul](#), then he will also build from this Metabolized Bible Doctrine capacity for life and love. Category I

Love for God puts everything in its proper perspective but pseudo love and slavery to the details of life distorts everything in life and for this reason some will have wide emotional swings during holidays and inevitably engage in the sublimation of apostasy and idolatry and the Immoral Degeneracy of illicit fornication. They are under Negative Volition to God as a result of rejection of Bible Doctrine and Right Lobe malfunction.

No one negative toward The Lord Jesus, The Christ can get very far into idolatry or sublimation without becoming despondent. Despondency of those who have Negative Volition toward Bible Doctrine is a warning from the Lord to turn back to Bible Doctrine. Some of the reasons for despondency are physiological, some environmental but SOME are simply a warning signal from God saying to the believer "Turn around and come back to Me". After Salvation Adjustment to the Justice of God there is only one kind of love which matters at all and that is the Category I Love of [Basic](#) and [Advanced](#) Personal Love for God. This love can only be achieved with persistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine to the point of [Maturity Adjustment to the Justice of God](#). Nothing for the Christian must EVER come before The Lord and *when anything or anyone does this is a form of Idolatry*. This is slavery to the DETAILS of life. The only way to avoid this trap is through the daily intake of Bible Doctrine. This is the concept of the thief caught in the act of stealing where the thief analogy brings home the objective recovery from idolatry which is spiritually adultery. Shame is the Mental Attitude of Idolaters caught talking to an idol of wood or stone because idols cannot provide help in time of trouble or disaster. Confusion is the Mental Attitude of the caught thief and also the idolater who depends on the idol for something when the idol is nothing and can give nothing. Disgrace is the Mental Attitude of the thief when apprehended and is also the life of the Idolatrous nation. Therefore, Idolatry connotes the disappointment and frustration which comes to idol worshipers as a result of the failure of the details of life to provide happiness.

Those involved in idolatry are never helped in disasters or catastrophes in life because there is nothing there to help them. In time of disaster the idols they worship cannot help them, they are NOTHING. They are totally without resources in their souls for dealing with disaster as a result of being the ones who rejected Bible Doctrine and therefore they have no excuse. NO SOUL RESOURCES in time of trouble, problems, heartache, disaster, catastrophe defines the Idolater so that frustration from idolatry brings shame and confusion to the individual and the nation as well. In the nation saturated with idolatry all the leaders or rulers and the people as well are totally without the soul resources of Bible Doctrine to deal with any type of problem or disaster in life. They will talk to a tree, a piece of wood, an IDOL of some sort even a piece of stone or metal as an idol and expect help in time of trouble. This is the United States of America Today and all believers functioning under Negative Volition try wood, stone and metal and when trouble comes they always cry out to the Lord again for help. The whole time they have been engaged in idolatry yet they think God, The Lord Jesus, The Christ, has been sleeping, neglecting them and ignoring them and their needs. These believers then DEMAND that the Lord himself SAVE them, deliver them RIGHT at that very MOMENT. There is never anyone more demanding than a believer in trouble who is lacking Bible Doctrine or who is in a disaster. There is no one who wants more of the Grace of God and knows less about the

Grace of God than this Negative Volition believer under pressure. Obviously then this Mental Attitude and expectation of deliverance by idols inevitably results in despondency in the individual.

Idols are impotent and the believer always has free will to love God under the daily function of the Grace Apparatus for Perception yet he chooses through his free will not to. This results from Negative Volition creating in the believer spiritual impotence. The disastrous foreign policy of the Jews in Judah, changing their foreign policy from depending on the Lord to depending on Egypt, is the result of Negative Volition to Bible Doctrine where the Jews involved in Phallic Idolatry turned to Egypt for security because they had no confidence in their idols ability to help them. They depended on Egypt for help and security on the outside while they depended on idols for help on the inside. What very often happens when a person is involved in idolatry and is let down by his idol, he keeps on going back again to other, different idols and NONE OF THEM ever satisfy. The apostate idolater cannot be satisfied as a result of his infidelity to The Lord Jesus, The Christ, therefore, he must fake it when he comes to the idolatrous rituals of his time. Any believer who talks about loving God or Jesus but does not consistently take in Bible Doctrine may fool the people around him but he never can fool God. As an application to LIFE remember that whatever legitimate grievances exist in life, NEITHER APOSTASY NOR IDOLATRY ARE EVER JUSTIFIED.

The Arrogance of [Reversionism](#) with Self Righteousness is creative and brings the person to the point of involvement in demonism. Evil becomes creative in the manufacture of idols whereby people can make contact with demons. In these situations Evil creates its own gods and the [Self Righteous Arrogant](#) reversionist therefore does this for himself, setting himself above the Essence of God, distorting the attributes of God into ridiculous images of human or animal power. Following this total lack of common sense, which has resulted from Maladjustment to the Justice of God, the arrogant man declares that the images he has created are gods. The false doctrine which man can manufacture from the influence of Evil on his Stream of Consciousness of the Soul has application to this as well. The fact that man can even think he can manufacture gods is the quintessence of arrogance and complete blaspheme. This Arrogance of reversionism always seeks to corrupt the incorruptible and the creativeness from Evil always seeks to destroy the thinking of others. The idea that creature power, no matter how great, can ever supersede creator power is arrogance as evidenced by the fall of Lucifer and his followers. ([Rom 1:23](#))

### **Modern Idolatry**

In the United States of America today for the most part there are not idols on the hill tops like the Jews, IN THEORY. In reality the same situation exists in the United States, where the Jews had BAAL siting over a furnace, Americans have Television sitting on floors, cell phones, ipads and computers which can access any and all media at any time. One must consider that in society today the FAST CROWDS are the IDOLS, which are always picking up a new crop of Girls to worship them. They had Astarte and we have pornography printed, videos, and today even LIVE STREAMING. The true failure of the believers in this nation is found in their constant NEGLECT of spending time in the Perception, Cognition, Inculcation and

Metabolization of Bible Doctrine. Unless a person is on his death bed and cannot move he should be in bible study class or listening to Bible Doctrine wherever he happens to be. As this extends and continues into the functions of Overt Idolatry with its physical and spiritual fornication and unfaithfulness the results is a people totally lacking NOBILITY. Degenerate people have no nobility nor any romanticism and as a result of this very few people will ever link up with their Right Man or Right Woman. One cannot remove the nobility of individuals through moral or immoral degeneracy and have anything left. “Auld Lang Zine” means remembering the people one has loved and having the nobility to do so. Not everyone is capable of this and as a result many are not capable of proper function in the communion ritual of the Lord’s Table in Christianity.

It is CLEARLY demonstrated in the younger generations today, far more extensively than it was in the 70’s and 80’s, that they totally lack integrity, nobility and romanticism. People in the United States used to have nobility of character and romanticism in the 30’s and 40’s and this was demonstrated by the music they enjoyed. The music as it came out of Africa enunciates this great difference in the people. The generation after World War II has lost much from its fathers generation but the generation of children from the children born after World War II have lost more and the generation of children’s children today has lost everything and are totally divorced from reality. Even in dancing Americans have long ago lost their nobility along with their culture and this is also blatantly demonstrated by a lack of patriotism and lack of discipline in schools and athletics. Today both music and dancing definitively reflects the insane gyrations of the people involved in narcotic induced trance like states and in phallic idolatry. The situation in the 70’s was tragic and that generation should have had to fight World War III but it was avoided most likely by the Positive Volition generated at the time by the teaching of these lessons by R. B. Thieme Jr. However, today, with the overwhelming lack of interest in Bible Doctrine the world is again on the very brink of World War III as a result of the biological warfare engagement by the Chinese release of the Wuhan Virus onto the world. The generation which was maturing in the 70s was mostly a GUTLESS generation and should have made all Americans ashamed but the generations after that are vastly worse and bring with them more than shame even TOTAL DISGUST with regard to their attitudes. The level of cowardice in this current generation is beyond imagination and this can be easily demonstrated by the people who lack biblical perspective from Metabolized Bible Doctrine. Even the Peace symbol used by the hippies of the 60s and 70s was a sign of being a traitor in the United States of America. If a person drinks VODKA, the Russian National Drink, they are a traitor and must if they support patriotism switch to English gin. It is a travesty what has happened to this nation and in 2019 America moved into the midst of a tyrannical display of government restrictions of individual movement and even business functions as a result of overreaching governmental restrictions because of the Wuhan CCP Virus. This is as a result of being totally saturated with the idolatry of occupation with the details of life above all else.

There is always some system available which is picked up immediately and around which sublimation is constructed. In Jeremiah’s day it was Phallic Idolatry with both physical and spiritual fornication and today it is the same thing but without the IDOLS and STATUES. There are many systems in place today from television to radio to internet with its social media

and government, media and “on line” sales tracking and advertising and manipulation of what can be found by media corporations controlling the internet searches all which put forward Satan’s Propaganda. Currently in the United States of America the country has begun the development and reliance on AI, Artificial Intelligence to determine better what the individual wants and needs. In essence there is a JUG of Sublimation for everyone and some people know how to handle their JUG because of Capacity from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul but most do not.

### **Ritual vs Reality**

As in Judah so also today in Christianity believers put up a smoke screen for God trying to fake him out by going through all the rituals imaginable but under their smoke is the desire for involvement in Idolatry. Ritual, Emotionalism, Sublimation, etc., all do this without reality.

‣ Deceitfulness + Unfaithfulness == Treachery.

Today the groups who claim to be “speaking in tongues” is the worst thing that anyone can become involved in as a form of idolatry and apostasy. It is either psychological idiocy or demon possession. Anyone who claims to speak in tongues is either a Liar, a demon possessed person or a psychologically confused and mixed up person, because this function has no spiritual connotation of any kind. Speaking in tongues is a sign of strong apostasy and rejection of Bible Doctrine just as fornicating in phallic idolatry was a sign of **Negative Volition** toward Bible Doctrine.

This is the stage in any nation which anticipates the total self destruction of the people. They come under Negative Volition toward Bible Doctrine and lose capacity for loving God. This brings on the Black out of the Soul which creates a vacuum in the soul and results from the formation of Scar Tissue of the Soul. The Vacuum then draws in a NOTHING so that they worship a NOTHING. Idolatry is called the Devil’s Communion table because in the Communion ritual the purpose is to remember the Lord (**1Cor 10:19-21**), but when involved in idolatry these believers remember NOTHING, having the NOTHING LIE of idols and idolatry on their mind. In effect this is remembering EVIL and thus Satan.

### **Idolatry & Love**

A question one must answer for himself is, “Whom or What do you worship”? If a woman has a Right Man and he has initiated toward her then she can worship him but this requires capacity for love which she may or may not have. Many women fear being a responder to a man even though they were designed for it. Another question is “On what do you concentrate and think the most about, what in effect is your IDOL”. Anything one worships apart from God in Category I Love is apostasy and false worship. Any man whom a woman worships apart from her Right Man reflects her involvement in pseudo Love. An idol is nothing and when an idol is worshiped then nothing is worshiped and nothing loved. When one is in love with nothing then he gets nothing back. If one gets nothing from loving and concentrating on nothing a vacuum is created in the soul and this draws into it things to make him totally miserable. This is what has happened to the JEW and what has been happening to the people in the United States for many decades. God constantly provides a challenge to all believers to use their volition to do some thinking and concentration. Joshua said **“For me and my house**

**we will serve the Lord”**. This requires only one thing, maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul from consistent use of the [Grace Apparatus for Perception](#), Operation Z in the Perception, Cognition, Incultation and Metabolization of Bible Doctrine. [Mental Attitude Arrogance](#) and its Sins which produce Self Induced Misery are always intensified in Category II Love and destroy the divine design of these relationships. Category II Love is designed for maximum happiness and love but in the practice of Idolatry it results in maximum misery for both.

A woman who finds her Right Man and then becomes involved in idolatry of one sort or another will still have her Right Man saturating her soul because he is the one God has made just for her. However, he will be surrounded by her many Mental Attitude Sins and as a result she will Hate him. The Right Man will always be in her soul but as a result of lacking the capacity for Loving him she surrounds him with Mental Attitude Sins resulting in a very strong HATE response all resulting from her unfaithfulness, her slavery to the details of life and becoming involved in Idolatry. This is what occurred for Jeremiah and his Right Woman where her hatred of Jeremiah was so great that she conspired to murder him.

### **Idolatry & Emotion**

Lacking doctrinal content in the Right Lobe of the Stream of Consciousness of the Soul is a result of one's entrance into the 8 stages of [Reversionism](#) with Negative Volition causing a Black out of the Soul and Scar Tissue of the Soul. This results in the Emotion beginning to dictate to the Mentality of the Right Lobe, which is supposed to dominate the soul with proper thought, and this apostasy results in Idolatry. This is the beginning of brittleness of soul where the emotion begins to overrun the soul and control it. This [Emotional Revolt](#) of the Soul is also the road to [Psychoses](#).

Self Mutilation is always Passion gone astray and it comes from emotion often combined with passion. There is nothing wrong with either passion or emotion if they are properly oriented, but when they go to self mutilation there is a definite problem. This was definitively OUTLAWED by the bible. ([Lev 19:28-29](#), [Deut 14:1-2](#)) Had the women in these passages been alive during the 5<sup>th</sup> cycle of Divine Discipline they would have followed the forbidden mourning customs of self mutilation. This self mutilation is the influence and infiltration of heathen customs into the funeral customs of the Jews where only the women engaged in this self mutilation. They would do this because of the disorientation and misuse of emotion as a result of involvement in Phallic Idolatry and this is an indictment of the women of that time. Idolatry always involves self mutilation along with illicit sex and this self mutilation had moved into the customs of the funeral for the Jewish people. The people of Judah were so involved in Apostasy that they had destroyed some of their very beautiful funeral customs by the use of these ridiculous hideous customs. With normal emotional functions the customs for funerals were good for the survivor of the deceased. They were often beautiful and were very good at bringing the survivor of the deceased back into the normal activities of life after losing a close loved one. Self mutilation is not normal nor biblical and is not part of the DOCTRINAL system but is an aberrant emotional function related to idolatry. Because of their involvement in and practice under phallic idolatry they had destroyed their stability and capacity to have normal

emotion. Not related to funeral customs a clear demonstration of the involvement of the people in America with Idolatry is the growing acceptance of the self mutilation of Transgender surgical transformation of males to females and females to males, with acceptance of this being driven into the thinking of the children today.

There is a capacity for emotion just like every other capacity in life and the people involved in systems or organizations like the “tongues movement” have lost all capacity and direction for their emotion and are totally out of line. Anyone who has capacity for love in Category II Love, intimate love, must have emotion involved. Love is mental but must have properly oriented and responding emotion and the emotion, as it was designed, appreciates these mental functions of the soul. A person must have ‘virginity’ of emotion to have great capacity for love. The person must not take their emotions and spread them out all over every idiot who comes into their periphery. This is where teen aged children start to get mixed up and think they need more dates, social activities and even sexual experiences rather than needing to go to bible class all the time. If one dissipates her emotions on a bunch of idiots she will never have discernment and will certainly be unhappy for the rest of her life. She will undoubtedly marry an idiot and be unhappy whether she remains married to him or not. Emotion has capacity to appreciate good things in life because or as a result of:

- ✧ Being able to respond to good music while others respond to bad music.
- ✧ Having good emotions which respond to the mentality of the soul while others have bad emotions which try to run the soul.
- ✧ Having capacity for life while others do not.

Capacity for life therefore involves proper orientation of the emotions of the soul but one is not born with properly oriented good emotions. Good emotions are developed along with capacity for life from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which establishes correct Norms and Standards and a stable Frame of Reference in the soul. Every facet of Bible Doctrine develops capacity for life in the mentality of the soul and also in the emotion of the soul. People with good emotions are never bored, never unstable, never lack discernment, never sublimate at parties or social gatherings. The person with good emotions may go to a party as a master of the details of life and have a wonderful time while other people may go simply to sublimate which results in their having a hangover in the soul. People in the ‘tongues movement’ always have disoriented, disorganized emotion patterns and are generally unstable individuals looking for a place to throw their instability and relieve their frustrations. The ‘tongues movement’ is a great example because of the number of people who are hooked into it. It is strictly a satanic distortion and a distraction to the Christian Way of Life and at best it is an emotional farce and at worst it is demon possession. In either case it is one of the most vicious apostasies derived from EVIL in the United States today. Those involved are sublimating and totally miserable in all aspects of their life and are restless, unstable, bored, mixed up people.

### **Idolatry & Freedom**

For the believer, Spiritual Freedom demands:

- ✧ That he follow the commands of God.

- ✧ That he fight against outside and inside foes.
- ✧ That he recognize the rights, privacy and property of others.
- ✧ That he adhere to the things specified in the Decalogue.
- ✧ That he avoid idolatry in any of its many forms and slavery to the details of life.
- ✧ That he avoid all conflicts between pleasures and Bible Doctrine studies.

God is the source of freedom, salvation, blessing and Grace and Freedom is essential for the resolution of the Angelic Conflict and to provide the opportunity to appreciate and enjoy the Grace of God and his blessings of Grace. Freedom is the basis of everything important in this life. Therefore, the Freedom provided by God for the Human Race must be protected. Freedom begins in the soul and idolatry is prohibited because it results in soul slavery. God can provide freedom for the bodies of people but he cannot free the souls because soul freedom revolves around the function of one's volition as a positive function toward [Absolute Truth](#). In this Church Age the ritual of the Eucharist or the communion service is designed to stimulate positive volitional function from the soul toward the truth of Bible Doctrine. Believers properly observing the communion table are more patriotic than anyone because they recognize that the Plan of God and God the Son's execution of that plan is the true basis for freedom and liberty.

“No other Gods” in the Decalogue indicates that there can be false gods in the minds of people in many different ways. False gods are always created by the soul when it is in slavery. False gods are the direct inevitable result of [Emotional Revolt of the Soul](#). When the soul revolts against what God has designed and the emotions wipe out the authority of the Right Lobe that soul is looking beyond God for something else. Unfortunately for these souls there is nothing beyond God and according to the book of Corinthians, Idols ARE nothing. If people go, in Emotional Revolt of the Soul, beyond God into nothing they must draw upon their own resources and false gods are a figment of the imagination as a result of Emotional Revolt of the Soul. Since the emotion has no knowledge, doctrine or character but is only an appreciator of things brought to it by the soul when initiated by the Mentality of the Right Lobe, anything originating from the emotion in revolt is FALSE. Once a person jumps into nothing (idolatry) he has placed himself into soul slavery. The idol is nothing and Satan himself tries to pick up on this nothing and do something with it for distraction of the believer and subversion of the Unbeliever. [1Cor 10:19-21](#) describes Satan's communion table which is Idolatry in any form and behind any idol is a demon or corps of demons waiting to engage in influence of the believer's soul or control of the unbeliever's soul by possession.

There cannot ever be true overt freedom without soul freedom to enable its appreciation. Without freedom of soul individuals will abuse freedom of body but when they possess freedom of soul they can then enjoy freedom of body. Therefore, when a person or group rejects God and engages in idolatry as both overt and soul idolatry then the 1<sup>st</sup> 2 commandments are violated, therefore FREEDOM is gone and is replaced by soul slavery. When idolatry in any form is prohibited it always involves and becomes the focal point of conspiracy to effect some aspect of CHANGE to enable idolatry. As a result of Negative Volition toward Bible Doctrine and the imminent Emotional Revolt of the Soul which brings on Black out of the Soul there is no capacity for any aspect of life and no enjoyment of the freedom and privacy of the royal

priesthood for the believer in this Church Age. Believers have double freedom in the Church Age, in the United States of America, where there still is some small freedom guaranteed by the American Constitution there is also the spiritual freedom of the Royal Family of God Royal Priesthood. This freedom also infers the privacy of the priesthood to live life as unto the Lord without coercion or interference in any way. When there is, as there is in the United States today, a mass stampede into phallic idolatry the concepts of “Live and Let Live” are destroyed. Therefore, systematically privacy and freedom are totally destroyed. Rejection of the Absolute Truth from Bible Doctrine results in a lack of capacity for freedom in the nation and lack of ability to respond to the Love of God by the believer.

### **Idolatry & Psychosis**

What causes a person to become so mentally distorted that they enter into some form of **Psychosis**? Phallic Idolatry begins with somewhat normal sex, even group sex or exhibitionistic sex but nevertheless close to normal. This however eventually leads to totally abnormal sexual practices which results in the one's involved becoming psychotic. This psychotic state is entered by rejection of Absolute Truth and allowing the emotion to control and dictate to the soul as a result of Emotional Revolt of the Soul, which is a totally abnormal situation. This abnormal condition in Judah resulted in human sacrifice which was designed to arouse the involved individuals for more intense sexual experience in totally abnormal people and in addition, supposedly, to placate the gods. This same effect is true of those involved in the “tongues movement” where the emotion dictates to the Right Lobe of the Stream of Consciousness of the Soul. In these cases the Emotion starts into wide swings so that capacity for life is lost and replaced by frustration. The emotion seeks to break through the frustration by various forms of sublimation, SEX for those in Phallic Idolatry, drugs or alcohol for those prone to addiction, and other forms of sublimation as well. When sex is used for sublimation to break the frustration of the emotion some stimulus must be added to the sex activities to prevent frustration there. The whole idolatry factor always includes Demon Possession, strong Demon Influence and in some cases Human Sacrifice all designed to enable the ecstatic functions in individual or group sex orgies. This inevitably leads to Psychosis.

### **Results of Idolatry**

When the believer has failed to complete construction of his **Edification Complex of the Soul** and he lives in a beautiful home with all the accouterments of life constantly surrounding him what is often brought into this home is APOSTASY as Idolatry. In Judah, where there were cases of rampant idolatry, God destroyed the palaces, homes and temple because the people in these were minus the Edification Complex of the Soul and under Negative Volition to Bible Doctrine and were positive toward Apostasy. The ultimate Destruction is not the pulling down of the walls of the buildings but occurs in the souls of those living in these structures or attending them.

The Backlash of Idolatry is that unfaithfulness in either Category I Love or Category II Love never brings happiness. The believer cannot be unfaithful to the Lord and be happy as a believer. One cannot be unfaithful to one's Right Man or Right Woman and be happy. Unfaithfulness ALWAYS **boomerangs**. In the Old Testament Scripture when believers became

involved in idolatry there were deadly consequences. The initial destruction of the worship in the Phallic Idolatry of Baal in the Northern Kingdom occurred because King Jahu entered into a treaty with the Rechabites, famous fighters of the ancient world and strong believers under strong Positive Volition to Bible Doctrine. Jahu was one of the MOST FAMOUS chariot drivers in history and when they came to Samaria they killed everyone who was loyal to Ahab and then deceived the people by telling them that though Ahab served Baal a little Jahu would serve him much more. They then went into the houses of Baal and isolated all the phallic idolaters and killed them all. *As a result of the policy of their king Jehonadab the Recabites from one generation to another always understood that one could choose either for Bible Doctrine and happiness OR the details of life and misery and engaging in sublimation only clouds the issues.* Jehonadab knew that to love God one must have Bible Doctrine and if he loves God based on Bible Doctrine he will have capacity for that love and for all aspects of life. Therefore, rejection of Bible Doctrine means lack of capacity for Category I Love. ([Pet 1:8](#)) The Recabites had this capacity and therefore they were truly GREAT in Category II Love and this was an important reason they did not want to be involved in Idolatry.

The common people who are apostate, idolatrous and involved in the phallic cult are all filled with the intoxication, inebriation and drunkenness of self inflicted misery. These people are trying to find happiness outside of the divine design where a person can look for substitutes but the only thing which will be found is frustration, misery and unhappiness. Idolatry will destroy people rather than deliver them. Collective idolatry results in mass destruction as a result of a complete lack of Category I Love capacity. The believer involved in idolatry puts himself into slavery. Inevitably, no one ever gets into slavery to the details of life without some other person ultimately taking the place which he wanted to have in life and only Bible Doctrine can head this off.

Rape in the Old Testament Scripture is often set as analogous to the 5<sup>th</sup> cycle of Divine Discipline on a nation where there then is literal rape of the women and the traumatic effects of the rape of the nation. The point is that ultimately the wages of fornication where volition is involved is to wind up in fornication where volition is NOT involved. In the case of Judah and the client nations of the Church Age, God will observe their unfaithfulness and idolatry for a very long time but this inevitably will be the ultimate cause of their destruction. When a nation goes down and out of history under the 5<sup>th</sup> cycle of Divine Discipline it is a HORRIBLE time but this always purges the nation of the national counsel of religious leaders which pervert the proper teaching of Bible Doctrine to the people. In Category I Love God makes love to the believer through Bible Doctrine and as he absorbs Bible Doctrine he receives God. God provides doctrine daily for any believer who expresses Positive Volition and he can either respond to it or NOT. There is NO Substitute for Bible Doctrine and all the emotionalism and human effort works systems will not take up the slack for a lack of Metabolized Bible Doctrine. Bible Doctrine is provided by God in order that while He is NOT visible or seen the believer can still love him. This is the greatest failure of Christianity today, which has been in a great state of apostasy for many DECADES. Christianity is saturated with sipping of the wine of Sublimation including the emotionalism of ‘Tongues movements’, licentious idolatry similar to the past, Christian education systems, church programs, ETC., all which fail to consistently

present accurate Bible Doctrine to the believers involved. Generally most Christians have outright rejected Bible Doctrine and therefore are NO Pleasure to God. The same thing which is demonstrated in the Old Testament Scripture passages regarding Judah and their failure occurs in Anathema Maranatha (**1Cor 16**) and IF the believer in the Royal Family of God chooses to reject Bible Doctrine he will live the most miserable life, though he will still be a believer. When the crisis inevitably comes to this United States of America those who are faithful in taking in Bible Doctrine will have the IRON of the soul from the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of their Soul to survive the Crisis. Those who do not have the IRON of the soul but who have turned their back on Bible Doctrine and accepted the substitutes of sublimation in Sex, Drugs, Religious Idolatry and many other forms will inevitably be destroyed.

As a result of involvement in some form of idolatry there is in the 5<sup>th</sup> cycle of Divine Discipline where the Population to be Judged will be in 4 categories but there will still be survivors as those who have Positive Volition toward Bible Doctrine:

- ✧ Many will DIE from disease, (like the Chinese CCP Wuhan virus of 2019) and the diseases will include venereal disease, alcoholism, drug addiction, other various idolatrous function diseases, even psychoses from [Mental Attitude Arrogance](#). They will suffer excruciating pain from diseases and then die.
- ✧ Many will die in military disaster under military defeat as a result of failure of the nation to maintain properly prepared military systems. This will result in a fantastic slaughter of people and there will be NO ONE left to bury the dead. An unarmed population of civilians, are vulnerable to whichever invaders get there first and an unarmed people are people in slavery to the strong. In the United States of America today there is the FALSE propaganda of the liberal in citing “crime studies” and recommending the confiscation of firearms from the people to lower crime. An unarmed population cannot protect itself from crime nor from a tyrannical government nor can an unarmed nation protect itself from other invading groups or nations. It is vital that a nation be armed and that their military organizations be constantly kept up to date. When the military is to go into operation in war, any civilians who get in the way should be executed by firing squad and then the military continue to complete its job of wiping out the enemy wherever they may be as the “CHRISTIAN” thing to do according to Bible Doctrine. It is very often false teachers in organizations such as the national counsel of churches that condemn the military and cause their degradation. This is what occurs whenever a people start to decline with or without idolatry in place, and this is the United States of America today.
- ✧ Many will die in famine which is lack of food as a result of economic disaster or depression and they will die of starvation and from the destruction of the economic system of the land. This is economic disaster of any kind or the starvation of the people from being under siege. ([Lev 26:29](#), [Deut 28:49-57](#))
- ✧ SLAVERY will be the result for those who survive and are taken as slaves and they often die as slaves.

In addition there are 4 kinds of destroyers God will use to attack the bodies of those involved in idolatry. The idolaters will be killed by weapons during military encounters. They will be

left to lie where they died and carrion animals and birds will eat their flesh.

DEFENSELESS WOMEN will be defenseless because the carrion eaters of the vultures, dogs and wild animals are eating the flesh of their dead men. Invading armies will slaughter many men and leave the women defenseless and then the armies will move on the women involved in idolatry and then they will be involved in fornication against their volition. Though they have been engaged in the idolatry of illicit sex, over and over they still will not want this rape. The strongest of the women with the best health will, as a result of this constant rape, in a very short time become weaker. They will finally give up in their soul and die. In RAPE the soul becomes involved in sex whereas it was not involved in idolatrous fornication but in rape it is PUNISHMENT added to the sex. In these cases the torture of body is so very great but the torture of soul is even greater and they simply give up their life as a result of it. The Hebrew word for Corpse also means Idol and this is a PUN by God in scripture because when people start in idolatry they are already making themselves corpses. They become walking psychological corpses and they become literal corpses during the 5<sup>th</sup> cycle of Divine Discipline.

When there are a maximum number of people NOT functioning under the principles of God in the Laws of Divine Establishment and Divine Institutions and with Right Man / Right Woman relationships there is universal fornication and degeneracy. The heritage provided for believers from Eternity Past is to be acquired as a result of the daily function under the [Grace Apparatus for Perception](#) which they reject for Idolatry. By the Grace of God believers in a client nations accumulate a great deal of wealth and details of life but when they are involved in idolatry they are already spending their wealth on idolatry. As result they lose their wealth and their systems of sublimation as well. At the time of the administration of the 5<sup>th</sup> cycle of Divine Discipline to the failing nation, this wealth would still be present but it would be lost as “SPOILS” to the conquering nations. There would be loss of wealth, and all material things along with the idols and all that the people have leaned on as a crutch.

The judgment of God on idolatry in the client nation results in the brittle jug of sublimation being smashed by the 5<sup>th</sup> cycle of Divine Discipline administered to the nation so involved. Under consistent [Negative Volition](#), believers will pass the point of no return in their rejection of Bible Doctrine then, therefore, as a result of becoming brittle in soul, they also must be smashed. Of their own free will they empty the Jug of Sublimation, of their own free will they therefore, under freedom, became Brittle Jugs themselves. They existed in freedom when they came to the point of being smashed and when they are smashed under the 5<sup>th</sup> cycle of Divine Discipline they cannot ever be used again. Like the people in America today, Judah had freedom and abused it and abuse of FREEDOM invariably destroys FREEDOM. Therefore like the valley of Topheth in Judah or a potters field of past times, this nation will ultimately be filled with broken shards of people which cannot ever be used again. Therefore, one of the basic reasons for the administration of the 5<sup>th</sup> cycle of Divine Discipline is Apostasy and rejection of Bible Doctrine, ([Jer 7:24-29](#), [Jer 13:10+11](#), [Jer 13:17](#), [Jer 15:5-6](#), [Jer 17:27](#), [Jer 35:13](#)) and another is the manifestation of this apostasy in Idolatry ([Jer 2:27-30](#), [Jer 3:9](#), [Jer 7:17-20](#), [Jer 13:10](#), [Jer 17:1-4](#))

## Recovery from Idolatry

An apostate believer, in order to recover, must start at the beginning with basic Bible Doctrine again and basic doctrinal principles in order to regrow into the Spiritual Life. The process involved in developing Black out of the Soul and Scar Tissue of the Soul in effect erases Bible Doctrine from the Right Lobe of the Stream of Consciousness of the Soul and to recover from this status, Bible Doctrine must be replaced in an orderly fashion to allow the application of advanced doctrines later in one's growth. The only hope for these believers is to get off the alcohol of sublimation and idolatry and get onto the nourishing milk of the word of God. The principle is that once one acquires something which is a perfect fit in the soul, he must STAY WITH IT, and avoid idolatry and its practices. From the Goblet of Idolatry every sip of wine is fornication, apostasy, Self Induced Misery and at the bottom is the 5<sup>th</sup> cycle of Divine Discipline for the nation or the Sin Unto Death for the individual. The Lord constantly "knocks" on the believer's door for recovery asking the failing believer to return to him. This is Grace provided for recovery. Recovery begins with the decision to use the Rebound Procedure which restores the Filling of God the Holy Spirit, a return to fellowship with God, but once under the Filling of God the Holy Spirit the believer must still choose to either:

- Return to the mountain for idolatry functions
- Leave the mountain and consistently go to bible study.

Recovery from apostasy or degeneracy is NEVER EASY but God has provided in Eternity Past a mechanism for recovery from these and idolatry. Recovery becomes a reality through attaining Category I Love where capacity for this is provided through the daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine. As the Grace Apparatus for Perception, Operation Z, functions daily in the believer's life, Scar Tissue of the Soul is removed from the Soul and thereby recovery begins. Once the believer begins recovery and is under the Filling of God the Holy Spirit there must be constant decisions to engage in Perception, Cognition, Incultation and Metabolization of Bible Doctrine. Which way he decides determines whether he will ever have capacity for loving God. After the use of the Rebound Procedure there must be consistent Positive Volition toward Bible Doctrine so that under the Filling of God the Holy Spirit he can take in Bible Doctrine and begin to move toward Maturity Adjustment to the Justice of God again. When it is read in scripture "Humble Yourselves" it is an urgent command to the believer as a result of time being very short prior to the administration of the 5<sup>th</sup> cycle of Divine Discipline for that nation. This is the Grace warning and Grace opportunity for recovery from the degeneracy of Idolatry. This is the Grace Option of Salvation Adjustment to the Justice of God and a command to orient to Grace for the Unbeliever. For people who are locked into Negative Volition toward Bible Doctrine it is a command or appeal to change to Positive Volition toward Bible Doctrine. Without Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul circumstances will inevitably impose upon one misery and frustration causing gravitation toward sublimation and ultimate self destruction. Positive Volition toward Bible Doctrine is the ONLY way to achieve happiness in life and get out of the destruction of Idolatry.

Believers are constantly trying to whitewash their Old Sin Nature by deceiving God by giving him lip service in following ritual and attending Bible Study Class without concentration nor Positive Volition. This is totally deceitful to God. They leave bible study and return again to idolatry then come back again for the rituals and the bible study but WITHOUT REBOUND AND WITHOUT ANY ORIENTATION TO DOCTRINE. As a result, for any difficulties or problems in life, they have no solutions as a result of a lack of Bible Doctrine in the soul. In only giving lip service to God and the system set up by God it is like the black man trying to wash the black out of his skin and the leopard trying to wash the spots off his skin. The principle of reality is that ***NO ONE can ever play games with God EVER!*** The dumb person who tries to deceive others only gets dumber. Only Grace has found a way to wash black out of the skin of the Ethiopian and the spots off of the leopard.

The only solutions for the believer within his Spiritual Life and for man in history are found in the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. For all believers the underlying principle is that from one's own free will volition he must respond to Grace and doctrine but, very often, he will not do it. Grace can solve the problems of idolatry, apostasy and degeneracy but the people will not turn to Grace and there is no system of Human Effort or Good Deeds which can take even one idolatrous spot from the leopard or one spec of idolatrous black from the negroid skin nor any one failure from the Old Sin Nature. When it comes to human solutions it is hopeless, as the (gr) Elative Conclusion says, "Human solutions are no solutions and Divine solutions are the ONLY Solutions".

When Nebuchadnezzar deposed Koniah and took him to Babylon as a prisoner all the divine laws came due for Judah at the same time and there was a fantastic saturation of Self Induced Misery. The accumulated practice of sublimation and phallic idolatry began to place maximum pressure on the people. At the same time there was such a fantastic accumulation of Self Induced Misery that it enhanced their antagonism and brought them back around to Jeremiah. This time of evil so shocked many of the population that they turned to Bible Doctrine after Koniah was removed. This is especially true of the young people who were eventually in the death march to Babylon. (**Ps 119**) It very often takes national and personal catastrophe before some people, individually or collectively, realize the value of Bible Doctrine and then it is almost too late for their recovery.

### **Gate #83 – The Arrogance of Legalism**

Legalism is a "stumbling block" or "obstacle" to the Christian way of life because it is a distraction to the Christian way of life and the Perception, Cognition, Incultation and Metabolization of Bible Doctrine. The functions of Legalism in judging, maligning and slandering other believers is putting an obstacle in their way and is the operation of **Self**

[Righteous Arrogance](#) and polarized Legalism. This judging is blasphemy, because it interferes with the disciplinary functions of God, and with understanding and using the [Problem Solving Devices](#) by the individual believer being judged. Such interference always brings judgment to the legalist ([Matt 7:1-3](#)) in the intensive form of Triple-compound Divine Discipline.

Man always wants to deal with man on the basis of Legalism, it is the nature of man to deal with man on this basis and is an obvious result of the function of the Old Sin Nature's Area of Strength producing Legalistic Self Righteousness. When someone is nice to another person they are nice back to them and when someone is not nice the other person is not nice back, this is Legalism. Generally speaking everyone treats people on the basis of whether or not they have earned or deserved their approval and universally they make all people earn the approbation they receive and this is both Legalistic Self Righteousness and [Egotistical Arrogance](#). Most of the people one likes or responds to in a pleasant way have EARNED this response by something they have Said or Done for him. This is where Christianity makes a GREAT change and where the Mature Christian's attitude toward people becomes relaxed. The Christian is to mind his own business and treat people as The Lord Jesus, The Christ would treat them rather than how he would generally treat them on the basis of function under the control of his Old Sin Nature. This is the reason King David, when given a choice of 3 disciplines chose the one which God administered directly rather than the 2 where man was involved in administering it.

Involvement in Self Righteous Arrogance results in interlocking with Legalism, the vanity of the unique experience with erroneous emphasis on human achievement. Legalism expressed through Self Righteous Arrogance includes:

- ✧ Salvation by Human Efforts, Achievement or “works”.
  - Salvation Adjustment to the Justice of God is by faith alone in the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone and nothing more or less else the unbeliever become entangled in Arrogance and not have salvation.
- ✧ Spirituality by Human Efforts or “works”.
  - Assuming greater levels of spirituality because of something the individual feels or does when spirituality is an absolute based on whether the believer is controlled in his soul by God the Holy Spirit or by the Old Sin Nature.
- ✧ Blessing from God based only on:
  - Human achievement
  - Self Sacrifice
  - Morality
  - Giving
  - Conforming to a church program
  - Participation in some ritual.

Self Righteous Arrogance is the motivation while Legalism is the function from that motivation for the believer in this level of Arrogance. Legalism is:

- ✧ The pomposity resulting from the energy of the flesh human works or efforts.
- ✧ The blaspheme of a Christian's human effort works being substituted for provisions from

the Grace of God.

- The insolence of replacing [Divine Assets](#) provided by God for the Spiritual Life with the conceit of pretensions from human abilities.

The irrationality of Legalism is the same as much of what is found in the [Arrogance of Morality](#). When Self Righteous Arrogance malfunctions and shocks the individual believer it results in a conceited conclusion that Bible Doctrine does not work and that the Plan of God has failed because the believer has himself failed. Therefore, Self Righteous Arrogance and Legalism interlock resulting in the conclusion that the Plan of God succeeds or fails on the basis of what the believer does rather than the truth that success in the Plan of God is ONLY and TOTALLY based on who and what God is and what he provides. Legalism establishes false standards and measures spiritual success based on compliance with these false standards just as the Jewish religious contention that salvation or spirituality is based on keeping the Mosaic Law, a concept which is refuted in both the book of Romans and Galatians. Legalism includes the superimposition of false standards on others and then judging them for non-compliance. Legalistic Arrogance is a system derived from EVIL resulting in bullying where one assumes he is totally right and others are always wrong. Legalism is why at least 80% of believers never reach Maturity Adjustment to the Justice of God and glorification of God.

The perfect illustration is the Old Sin Nature of an [Iconoclastic](#) Aggressor, who may have a trend toward Self Righteous Arrogance from Legalism, thinking that this is compatible with the idolized object of admiration while, in fact, it is not. The idolized one, who is the victim, may have a trend toward antinomianism, (lasciviousness) and when the Aggressor eventually sees the antithesis of trends as the [Feet of Clay](#) of his idol it causes resentment resulting in a conflict with his idol. It must be remembered that the Self Righteous Arrogance of the aggressor placed the idol on the pedestal in the first place because people involved in [Self Absorption](#) cannot admire another without putting them on a pedestal. The Aggressor, who is the Arrogant iconoclast, then reacts to the apparent failings of his idol and his Old Sin Nature polarizes and tries to build Doctrine on his experience and this is FALSE DOCTRINE and, ultimately, will destroy the soul of this believer. The Arrogant iconoclast never blames himself for destroying the Idol but blames the Idol, created by his own fantasizing in total irrationality, for its failure to measure up to his false standards. This is the origin of Legalism. This aggressor is extremely vulnerable to antagonism with anyone who does not fit their pattern of Legalism. This is exactly what happens to Legalistic theologians who are always self righteous. When the legalist sins they move toward the opposite trend of antinomianism and this causes resentment in their compatriots. This whole system of Legalism controls believers who are forced into a system where it is inferred that if one is not involved in the Interlocking System of Arrogance and Self Righteousness then he is not saved at all. Legalism is Arrogance which always builds up a system of values which are contradictory with the Word of God. Legalism and [Virtue](#) are totally mutually exclusive. Virtue has the power and ability to forgive whereas Legalism is only able to condemn based on false pseudo spiritual standards. It is inevitable that people who enter Christianity and bring with them their personal taboos will eventually admire someone who is part of the congregation who is also restrained by the same taboos but only until they see the feet of clay of that person and then they will try to destroy them. Legalistic people must [Justify](#) their actions and in that justification they move into the 2<sup>nd</sup>

Arrogance Skill entering [Self Deception](#) resulting in total Self Absorption which eventually destroys themselves. They enter into a system where they equate Salvation Adjustment to the Justice of God with things besides Faith alone in The Lord Jesus, The Christ alone.

A plan is no stronger than its weakest link and there are NO WEAK LINKS in the Grace Plan of God BECAUSE Grace excludes all human merit, ability, good deeds, Legalism, self righteousness and ALL Arrogance. Legalism is the enemy of Grace and there is no place for Legalism in the Plan of God. All Legalism and Human Good are associated with Arrogance or [Pride](#) and Arrogance is also the great enemy of Grace. There are 4 areas in which Arrogance rejects Grace:

- ✧ The pride of the believer who rejects Eternal Security. To reject Eternal Security one has to be the most Arrogant person in existence and think his sins are greater than the Grace of [GOD](#).
- ✧ The Pride of the believer who succumbs to the pressures of his ADVERSITIES. This believer thinks his sufferings and adversities are greater than the Plan of God. ([2Cor 12:7](#))
- ✧ The Pride of the [Reversionist](#) who assumes his reversionism is greater than Super – Grace blessings from God. He assumes that the non-permanent pseudo blessings of Satan are greater than anything God can provide and until he is face to face with death he never gives Bible Doctrine a single thought.
- ✧ The Pride of pseudo spirituality where these believers think their energy of the flesh, human good deed efforts or works for spirituality are greater than the true function of God the Holy Spirit in their life and very often in Arrogance they become involved with the “tongues” movement, or with taboo-ism, or various other categories of Legalism.

Legalists are always unhappy and very often that is the reason they go to church because they hope going to church will make them happy. Pride often goes with Legalism and with pride goes its counterparts and NO ONE can ever have this [Mental Attitude Arrogance](#) without total misery in their life.

When prayer is used as a Problem Solving Device, that believer will try to control other believers through the coercion of their volition through prayer. Legalism causes fear as part of [Emotional Arrogance](#) and Self Righteous Arrogance and is always wrong and these believers are totally saturated with Arrogance and will never be teachable. There is no greater system of TYRANNY than that which Legalism imposes on Christianity. This is why all persons are to be given their privacy and especially why believers should be LEFT ALONE so as to be able to figure out the Christian Way of Life for themselves from Bible Doctrine which they individually metabolize. [Scar Tissue of the Soul](#) as stage 7 of Reversionism results from injury and damage to the Stream of Consciousness of the Soul which inevitably is derived from [Negative Volition](#) toward Bible Doctrine resulting eventually in [Black out of the Soul](#). There then develops a vacuum in the soul which sucks false doctrine, the LIES from Evil, into the soul and in turn stimulates the [Arrogance Skills](#) and causes the Stream of Consciousness of the Soul to be emptied of [Metabolized Bible Doctrine](#).

Role Model Arrogance is the function of the double standard of assigning customary, but impossible, standards to a role model and then reacting when the Role Model cannot live up to these standards and systematically destroying the Role Model. By the destruction of the Role Model the believer sets up a system of pseudo perfection in his own soul by thinking to himself “I could never do that”. Role Model Arrogance and Unrealistic Expectations combine to form the tragic flaw of Legalism which is "Self Absorption". The fragmented life of Legalism rejects the policies of God and enters into Mental Attitude Arrogance and Sin and just as the Spiritual Life is a system of thought the Arrogance Skills are also a system of thought which gives one the Power to Destroy another or oneself. Therefore Role Model Arrogance & Unrealistic Expectations have 3 results:

- ✧ “Eyes on Self”, Self Absorption with a double standard to justify self and rationalize one’s own sins and ignore the polarization of Arrogance which results on the one hand in Legalism and on the other Antinomianism. Eyes on self is very often Moral Degeneracy judging Immoral Degeneracy but can occur in reverse.
- ✧ Eyes on People, Self Justification which is a double standard used by Self Righteous Arrogance to express Vituperation and Vilification.
- ✧ Eyes on Things, Arrogant resentment of others who possess material things which one does not possess and because of this Arrogance he is quick to jump on any band wagon which promotes redistribution of wealth.

The fragmented believer with a trend toward Self-righteousness and Legalism enters into the sinful sphere of slander, gossip, maligning, judging, unrealistic expectation, and Role Model Arrogance. This Self Righteous Legalistic believer contends that one cannot commit the sins of lasciviousness and lawlessness and be a Christian,” Those believers and unbelievers with a trend toward lasciviousness and lawlessness react to the arrogance of Legalism and often renounce or reject Christianity and because of this reaction they associate Self-righteous Arrogance and Legalism with:

- ✧ Bible doctrine and they reject Bible doctrine.
- ✧ The local church, and therefore, they stop going to church.
- ✧ Christians in general, and avoid Christians in general.
- ✧ Hypocrisy, and become critical of polarized Legalism.

The reaction of Legalism to antinomianism results in the heresy of faith plus human effort works for salvation and spirituality by human effort works. This Legalism erroneously contends that believers who commit the sins of antinomianism and who perpetuate this fragmentation are really not saved in the first place because they didn’t add something to faith. The result of this polarized fragmentation of Legalism versus antinomianism means the failure of believers on both sides to execute Will, Plan and Purpose of God and therefore fail to Glorify God.

The first sin by a rational creature occurred infinitely long ago in Eternity Past before our human parents were even created. Lucifer the Son of the Morning was God's perfect Creation holding the highest position of any creature as the honor guard of The Lord Jesus the Christ himself. Isaiah tells us that his Arrogance was demonstrated when he proclaimed the 5 ‘I

Wills' culminating with "I will make myself like the Most High". He didn't use the word God in this proclamation because he was already in revolt against the Creator. When any believer reaches the point of cycling the Arrogance Skills in the Stream of Consciousness of the Soul and condemning other believers who do not have the same legalist trends they do, they in effect say "I will make myself like the most high". ALL Believers do think differently! The real question is WHAT do they think and WHY do they think differently? They can very often be involved in the Arrogance Skills and try to use Prayer as a Problem Solving Device when it is not. When a believer is out of fellowship and in Legalism and is locked in Arrogance, God the Holy Spirit prays for that person with Groanings which cannot be uttered in order to give them a fighting chance to extricate themselves from the Legalism. Unfortunately their own personal prayers are basically ignored by God.

The Mosaic Law in part has a code of human freedom which belongs to both believer and unbeliever alike in Codex III and it includes all the things necessary for the function of a country and government, to provide freedom and not tyranny. The Mosaic Law had virtue if one didn't get into Arrogance, Legalism or Emotion. The Arrogance of Legalism results in wrongdoing which in some cases erroneously indicates that Faith in The Lord Jesus, The Christ results in Salvation BUT the believer has to abide by all the rules of the Mosaic Law. This Legalism results in confusion from false doctrine along with false concepts of the post salvation Spiritual Life especially for this Church Age. People who are involved in Legalism, Arrogance and Self Righteousness are always users. Legalism always means Arrogance and Arrogance + Legalism always results in 'wrongdoing'. These believers, after salvation, only know they must earn their way in the Spiritual Life through some system such as keeping the Mosaic Law or being strictly Moral for them to maintain Spirituality.

The Mosaic Law is NOT part of the Spiritual Life of the Church Age but it is designed for all humanity as a system of social order for both believers and unbelievers and was designed and provided by God to keep humanity from self destruction. Morality is NOT spirituality but is a system to preserve all humanity. However, Morality has a dark side which is Legalism and Self Righteous Arrogance both which are destructive to the Spiritual Life. Arrogant Morality when it involves Legalism can be wrongdoing and is one of the most destructive forces in the Spiritual Life and the only thing which is equally destructive to the Spiritual Life is entanglement in Arrogance or Emotional Antagonism. These all can lead to [Activism](#) and other distortions of the Spiritual Life.

### **Moral Degeneracy the Result of Legalism**

Degeneracy is defined as decline from standards considered normal, reversion from divine standards, sinking to a state below normal for the Protocol Plan of God and the Christian way of life. Religious Legalism unchecked results in Moral Degeneracy which expresses itself in the various sins and functions of both [Motivational Arrogance](#) and [Functional Arrogance](#). This results in the individual seeking to control and change others to conform to his pattern of Legalism. This Legalistic believer will use any process to cause others to conform to his Legalism and this results in some level of Functional Arrogance especially Christian Activism

which invariably includes the destruction of property, civil disobedience, violence, and even murder. Individually the legalist in moral degeneracy engages in some of the various sins of asceticism such as commitment of heresies, extreme self-denial, self-mortification, abstinence from normality, and abnormal austerity. Thus moral degeneracy substitutes human energy and power for the ability, energy and power of God the Holy Spirit in the life of the Christian. The only way any believer can fulfill and execute the Plan of God is by means of the Power given to him under the Filling of God the Holy Spirit and from the consistent Perception, Cognition, Inculcation and Metabolization of Bible doctrine. Moral degeneracy always functions by way of the Arrogance Skills and justifies Human Good, Sinful or Criminal action as a result of the strong influence of EVIL from functioning under the Cosmic Dynaspheres by distorting morality into a system for justifying tyranny from Evil.

Moral degeneracy follows the pattern of post-salvation Fragmentation involving Implosion, Explosion and Reversion. Moral degeneracy always confuses morality with spirituality. While morality is legitimate and necessary for the proper function of the Laws of Divine Establishment and Divine Institutions, it is not only a part of the Christian way of life but a part of all human life. Moral degeneracy as a distortion combines morality with arrogance in the fragmented life, and contends that such modus operandi is spirituality. Therefore, the religious Legalistic believer never discovers that which is above morality, namely, Virtue and Grace. Moral degeneracy is the persistent involvement of the believer in the Interlocking System of Arrogance and his decline through the 8 stages of [Reversionism](#). The predominant characteristic of moral degeneracy is the tendency in Motivational Arrogance of the believer to judge others. This judgment by the Legalistic believer solves nothing and is only his own efforts in trying to convert the immorally degenerate believer into becoming morally degenerate believer. ([Rom 14:8-13](#))

Moral Degeneracy always receives the most awful judgment from God, because it is a slanderous, judging, maligning, gossiping type of sinning, accompanied by all the Motivational Arrogance sins. Therefore, if the believer has a trend toward Legalism, he will commit sins related to moral degeneracy, Motivational Arrogance, and the overt sins of Functional Arrogance. Moral Degeneracy always involves Self Righteous Arrogance and the fragmented believer. This Self Righteous Arrogance establishes both non-pertinent and false standards, and seeks to impose these standards on other believers as well as on unbelievers. This polarized Self Righteous Arrogance with its Religious Legalism seeks to Christianize a nation through Crusader Arrogance and Christian Activism. The desire is to pass “Christian” laws which by default makes all unbelievers criminals and thus destroy fundamental freedom. This sets aside the [Laws of Divine Establishment](#) and [Divine Institutions](#) and ignores the separation of church and state, and causes all unbelievers to be made subject to persecution or turned into criminals.

### [Gate #84 – The Arrogance of Religion](#)

Religion is an antithetical system to Grace devised by Satan in which man by his own human good deeds, efforts and merit seeks to gain eternal salvation or the approbation of God. It is a Satanically inspired counterfeit to God's Grace of Christianity. Religion is the greatest part of the devils strategy to distract the individual from the Plan of God and Salvation Adjustment to the Justice of God. It has been created by the devil to counterfeit the system for relationship with God. Religion therefore distracts the unbeliever from the Gospel of Christ and the Laws of Divine Establishment and Divine Institutions provided by God for the salvation and protection of man. Religion distracts the believer from consistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Inculcation and Metabolization of Bible Doctrine leading him into either Moral or Immoral Degeneracy and Antagonism toward God. One of Satan's greatest strategies is to convert Christianity into 'religion' in the eyes of the people. Christianity is NOT a religion but a relationship with God through or based on the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross for all human sins. Religion is a means of using Arrogance to subvert others into the devil's system of conspiracies and religion is a primary means of Satan distracting believers from the Absolute Truth of Bible Doctrine and the reality of the true Christian Way of Life. Christianity is a GRACE relationship were the believer enters the Royal Family of God through the [Baptism of God the Holy Spirit](#) at Salvation Adjustment to the Justice of God obtained ONLY through faith alone in The Lord Jesus, The Christ alone. Religion is, by contrast, man seeking to gain the approbation of God through his own plans, works, systems or deeds. Many people have no talent but are full of good deeds and therefore are attracted to religion to give them purpose for producing these inherent good deeds. Religion as a principle represents and clearly demonstrates the incredible Evil of the genius of Satan and it has many counterfeits to the Grace Plan of God. These counterfeits of religion include:

- ↗ **False Gospel** ([2Cor 4:3-4](#))
- ↗ **False Ministers** called "clergy" ([2Cor 11:13-15](#))
  - These are often the sweetest wimpiest jackasses and often wear clerical garb and speak in soft dulcet tones about nothing because they know nothing, think nothing and say nothing and do it beautifully.
- ↗ **False Doctrines** ([2Tim 4:1-3](#))
- ↗ **False Communion** ([1Cor 10:19-21](#))
- ↗ **Pseudo Spirituality** ([Gal 3:2-23](#), [2Thes 2:8](#))
- ↗ **False Righteousness** ([Matt 19:16-28](#))
  - This is the [Self Righteousness](#) from the Interlocking System of Arrogance.
- ↗ **False Modus Vivendi** ([Matt 23:13-36](#))
  - Very often widows get into the situation where they are conned and robbed by religious types. All con artists get people to believe that their ideas are the only truth and these people always have a hidden area of great Arrogance. They never

appear to be Arrogant and always appear sincere and right but in fact are never right and always wrong.

↪ **False Power & Dynamics** ([2Thes 2:8-10](#))

- This is demonstrated by the “Holy Rollers”, “Tongues” movement who are Satan's own royal regiment and involve any believers who have ever claimed to speak in tongues.

↪ **False Gods** in the systems of Idolatry. ([2Thes 2:3-4](#))

↪ **False Teachers** of his policy and doctrines. ([Gal 4:17-18](#), [2Tim 3:5-7](#))

- They have phony hypocritical facades talking about brotherly love and world peace and disarmament, and use human public relations and [Legalistic](#) flirtations to court believers. They always appeal to human Arrogance ([2Cor 10:12](#)) and they promote [Idolatry](#) as part of the devils communion table. ([Hab 2:18-19](#)) In addition they promote Self Righteousness in both believers, who succumb to their system, and the unbeliever as well and this will continue throughout the Church Age but peak in the tribulation.

↪ **False Teaching**

- False teaching, in the presentation of Bible Doctrine or the Gospel of Christ, based on emotion and experience rather than the content of the word of God which is applying experience to Doctrine. This type of false teaching should never confuse the believer who has been persistent in the Perception, cognition, inculcation and metabolization of bible doctrine.

Arrogance is found in religion trying to change the world through [Activism](#) and rejecting the concept that the purpose of the Christian is to witness and bring people to [Salvation Adjustment to the Justice of God](#) through faith alone in The Lord Jesus, The Christ alone. The Believer involved with religion in [Self Righteous Arrogance](#) has a moral facade to cover his Arrogance. Religion is THE MOST implacable EVIL related to mankind. Murder is both a SIN and a Crime related to Cosmic Dynasphere involvement and the rejection of the Laws of Divine Establishment and is very often manifest in the functions of religion. All religions and cultures of the ancient world used human sacrifice and murdered to gain the approbation of and to appease a false god and all totally rejected the principles of GRACE. Evil as the plan and policy of Satan to rule this world started at the fall of Adam and Religion is a major part of this to produce distraction to the truth of the Christian Way of Life. Religion is, in fact, a system designed by Satan to keep people away from making Salvation Adjustment to the Justice of God. Arrogance and hypocrisy contradict accurate Bible Doctrine and these produce religious superficiality. Christianity is not by any stretch of the imagination a religion because it is God seeking man and finding him through his volitional acceptance of the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross while religion is man trying to gain the approval of God through his own efforts and sacrifices. One of the greatest causes of inadequacy in the stress known as psychosis is religion. This nation is saturated with religion and religion is the worst thing for any nation and the success of the attacks of religion in any nation is a cause for divine national destruction.

Ritual without reality is demonstration of RELIGIOUS Arrogance, Self Righteousness and Works

Righteousness all guaranteed to place the unbeliever involved in the Lake of Fire forever. Religion is skimmed off from Christianity and distorted through Self Righteous Arrogance and used to distract people from the Plan of God and the believer from the Christian Way of Life. The religion which was the operation of Phallic Idolatry in the ancient world, has the same motivation as those who are involved in the Tongues Movement today and when unbelievers are involved in the tongues movement it inevitably involves demon possession. "Speaking in Tongues" is a fake and has ALL the ingredients of religion which are destructive. By attempting to equate man with God religion demonstrates [Scar Tissue of the Soul](#) which is Arrogance and rejection of divine authority and involves the ludicrous conclusions and self limitations of personal rationalism. To ascribe to God human characteristics is to not understand him at all. It is also Arrogance and ignorance of Bible Doctrine which assumes that man's works and actions can please God and bring blessing. Religion invariably involves the 4<sup>th</sup> stage of reversionism, [Emotional Revolt of the Soul](#) and Self Righteous Arrogance. Arrogance is demonstrated in religion when people ignore the basic principles of separation of church and state resulting in the destruction of the most important factor in life, FREEDOM. Worship directed toward Man is a distortion of [Rom 14:8-13](#) and total Arrogance and Stupidity and is Religion by definition. As a result of the influence of religion from the national council of churches and liberalism every liberal thinks he has the absolute panacea solution for the problems of the human condition. As a result a majority of the people of the United States of America have come to think of themselves in terms of a spiritual narcissism where they consider themselves to be the favorites of a PARTIAL God.

One of the greatest problems in interpretation of the New Testament Scripture is that pastors do not know the original languages especially the prepositions which are rarely properly understood. No one can be accurate in presenting a passage if they do not understand the original languages. The pastors who do not understand the original languages must depend on someone who does and often will not do so because of their personal Arrogance. This is often the underlying basic cause of Religious Arrogance, involving the teaching the bible from an emotional basis or erroneous interpretation resulting in false doctrine which can be and has been perpetuated over centuries in a [Denominational](#) setting.

In any system of Ecumenical Religion, the leadership always exalts itself, setting self above or over everything and everyone. At times this leadership itself becomes worshiped instead of the true God, The Lord Jesus, The Christ. In many cases the religious leader sets himself above God and takes the position that what he proclaims supersedes what is found in the Word of God. All so called Christian organizations have this process just as the Roman Catholic religion definitively does and the National Counsel of Churches. They set up systems of pseudo salvation and pseudo spirituality in order to maintain control over their members. In the National and World Counsel of Churches the underlying principle is one of pacifism. They espouse to be extremely opposed to war or military functions in any way and want to establish world peace and brotherhood, a concept contrary to what Jesus even said in his time on this earth. Then, in total hypocrisy, they turn around and take their members monies and provide arms and support for terrorists and revolutionaries throughout the world. The Interlocking System of Arrogance and Ecumenical Religion are mutually exclusive with the Protocol Plan of

God and the Spiritual Life of the Christian. Religion is hostile to Christ and in opposition to the entire Triune God and through many systems exalts itself over God. The fact is that religion opposes The Lord Jesus, The Christ and the protocol set up in his plan for the function of believers in time.

Ecumenical religion as the world system in the tribulation is an overt system of Satan Worship. However, once one gets involved in any religious system it is inevitable that he will become involved in worshipping some human being, again as a distortion of [Motivational Virtue](#), and NO human is worthy of worship. Nothing is worse for any human being than to be worshiped by other members of the Human Race. This means those worshipping are Arrogant having no capacity for LIFE, LOVE, HAPPINESS or BLESSING, and the one receiving the abnormal adulation is also Arrogant and has no capacity for LIFE, LOVE, HAPPINESS or BLESSING. More than the simple fact that some are worshipping another human being is that this has an adverse effect historically and is a great tragedy invariably resulting in historical disaster. Respect, love appreciation, friendship toward others are all acceptable but NEVER worship of human beings. The only thing which comes from a human being which could be involved with worship is the Bible Doctrine which comes from the accurate teaching by the Pastor Teacher but it is the principles and doctrine worshiped NOT the Pastor Teacher..

Maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul provides the principles of Absolute Truth for the believer who functions under consistent Positive Volition in the Protocol Plan of God. When people lack Truth they inevitably succumb to a fascination with POWER and develop a respect for power which invariably destroys their freedom. When one develops an abnormal attitude toward power it is because he has no concept of the principles of freedom derived from Category I TRUTH of the [Laws of Divine Establishment](#) and [Divine Institutions](#). As a result, it is inevitable that he will become irrational and move deeper into Arrogance with [Emotional Revolt of the Soul](#) in Reversionism and into [Psychopathic Arrogance](#) where there will be worship of a person. Therefore, people who worship another person do so from the Arrogance of their own soul. This strange form of Arrogance results when they find they cannot compete with the power of the person they worship and thus they succumb to it emotionally and worship him as part of the Modus Operandi of some form of religion. There is a huge difference between loving, admiring, being close to some and worshipping someone. This all links with RELIGION which makes it legitimate and a part of worship so that sooner or later, once idolatry or Satan worship in any form because of Demonism begins, it is inevitable that people look for a person with power to worship.

Religion, the worst thing to happen to the Human Race, and Satan Worship are both extremely destructive to people and brings CRIME out in the world beyond imagination. This occurs when the public attitude rejects Truth and will not engage in the necessary punishment to remove criminals from society permanently, Capital Punishment, and therefore, criminals feel no restraint. However, when crime becomes a part of a system of of worshipping a pseudo god and gaining pseudo Eternal Life under a false principle of satanic religion, then even capital punishment is NO restraint. This is islam and the ecumenical religion of the Tribulation which

will spawn the greatest period of violence in the history of mankind. (Rev 16) Religion is the consistent sponsor of War and Violence at all levels of society while preaching peace and brotherly love at any cost and under religion there is:

- No compassion
  - ▲ Normal people often have compassion on others no matter what stupid thing they do or say but under a religious system, such as islam or that in the tribulation, people will not feel compassion for others unless they have Metabolized Bible Doctrine in their Right Lobe of the Stream of Consciousness of the Soul.
  - ▲ People depend on the kindness of others developed under the Laws of Divine Establishment with the concept of compassion for strangers and respect in keeping control over one's own expressions when one encounters STUPID ideas.
- No thoughtfulness
  - ▲ People can often be thoughtful of others because they are treated as individual persons under the Virtue of [Impersonal – Unconditional Love](#) and have capacity for life.
  - ▲ People are therefore not laughed at, ridiculed nor criticized because of their ideas nor persecuted because of those ideas.
- No Tolerance
  - ▲ People are not treated as individual persons but as achievers or failures, attractive or ugly, smart or dumb, etc.

As a result of the preoccupation with self which is derived from all aspects of [Motivational Arrogance](#) within the Interlocking System of Arrogance, as [Functional Arrogance](#) develops this moves people to the worship of power and those people who wield it. However, the one who worships power will NEVER appreciate freedom and his entire life is characterized by false motivation with ambition for more power and success and the desire for more approbation. Worshiping power brings strong desire for greater personal power. People who are greedy want money because money is to them power and people want success because this is power as well thus interlocking with [Inordinate Ambition & Competition Arrogance](#). The rulers of islam throughout its history have used this religion exclusively to control people in many nations. A few of these rulers of islam combined their Religion with Military power as the most irresistible force in history and almost conquered the world in the 6<sup>th</sup> century AD.

Religion always produces Zealots as a result of appealing to Arrogance and religious people in Arrogance are always zealous to KILL believers who function under the Absolute Truths from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of their Soul. This is the NATURE of Religion which is based totally on EVIL and which is antithetical to Christianity which is based totally on GRACE as presented in the New Testament Scripture. Christianity is not dependent on anything a person can do and is not a religion but is a personal relationship with God based on faith in the Substitutionary Spiritual Death of The Lord Jesus, The Christ for all sin. Religion is man seeking the approbation of Man or God through is zealous Arrogant function. Therefore, Religion, as a principle, represents the Evil Genius of Satan to counterfeit the Plan of God and draw worship to himself and away from The Lord Jesus, The Christ.

Religion is a system of Organized Evil and is a great weapon in the hands of dictators for persecution. Most modern dictators do not use this weapon but islamic dictators use this principle constantly. The whole system of Organized Evil expressed in Religion is classically illustrated in 6<sup>th</sup> century AD with the rise of islam and all islamic nations have this fantastic system under Fanatics. Within the framework of Religion as Organized Evil there are counterfeits:

- ▲ Gods ([2Thes 2:3-4](#))
- ▲ Gospel ([2Cor 4:3-4](#))
- ▲ Ministers ([2Cor 11:13-14](#))
- ▲ Evangelists
- ▲ Doctrines ([2Tim 4:1](#))
- ▲ Communion Table ([1Cor 10:19-21](#) – Idolatry)
- ▲ Spirituality ([Gal 3:2-3](#))
- ▲ Righteousness ([Matt 19:16-28](#))
- ▲ Power ([2Thes 2:8-10](#))
- ▲ Modus Vivendi ([Matt 23:13-16](#))

Europe has a strong historical trend of a rise of dictatorships in those countries but they have little toleration of Disorganized NON-Systematic Evil as CRIME and a tendency to accept readily Organized Systematic Evil as RELIGION but this has generally NOT been so in the United States of America in the past. However, the United States of America has come under the strong influence of the EVIL in religion such as existentialism and [Denominationalism](#) and other philosophical religious concepts from European thinking which WILL lead to Organized Systematic Evil in this nation as well. Europe has been and will continue to be susceptible to Organized Systematic Evil which is founded in all religious systems. One of the GREATEST powers of Organized Systematic Evil is to combine the internal political power with religious power so that the control of this power is able to move throughout the entire world by means of Missionaries for Religion. It is by this means that through Religion spreads the influence of Organized Systematic Evil.

Self Righteous Arrogance seen among fundamental believers results in their becoming [Inflexible](#) because of interlocking with many areas of Motivational Arrogance in [Mental Attitude Arrogance](#) as a system of and from EVIL which is most common among believers. Self Righteous Arrogance very often takes some form of [Morality](#) minus [Virtue](#). However, Virtue First is the requirement of the Divine Dynasphere and VIRTUE can only exist within the Divine Dynasphere. Therefore, Morality minus Virtue is an expression of individual Arrogance. The most painful people to be around are the Inflexible Self Righteous believers who are some of Satan's greatest emissaries or evangelists.

Religion Penetrates into areas where it has NO LEGITIMATE AUTHORITY and extends its influence which is based on Evil where political power cannot penetrate:

- ▲ Governments of Nations where no separation of religion and state exists.
- ▲ Languages where it has no authority because it does not THINK or communicate in

that language.

- ▲ Citizens being driven in any nation to destroy their freedom of choice.

World Peace is one of the foremost motives of Religion as the satanic attempt to bring about the utopia of a pseudo millennium before and apart from The Lord Jesus the Christ. However, religion cannot bring peace to the world because it is the ultimate source of wars, historically, biblically and prophetically. ONLY an enlarged pivot of mature believers in Orthodox Christianity can provide any interlude of peace as occurred during the Antoine Caesars from 92 to 196 AD. In contrast religion, in its fight for the downtrodden lazy scum individuals of a society advocate civil disobedience. The worst thing for any Christian to become involved in is Social Action or Civil Disobedience. The Christian is to advance in the Spiritual Life through persistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine to Maturity Adjustment to the Justice of God and beyond to enter the pivot so his nation will be blessed by association.

### **Gate #85 – The Arrogance of Denominationalism**

The Evil involved with denominational religion is exemplified by the distorted translations and interpretations of many passages in the Bible. One such example is found in John Chapter 19 where the crucifixion of The Lord Jesus the Christ is being described in detail by the later Apostle John. The hill on which Christ was crucified was called “Golgotha” and the Hebrew term Golgotha is a transliteration from the Aramaic (ar) gulgulta both meaning skull. The Hill was said to or designated to look like a human skull. Over the centuries this landmark has been obliterated by the ravages of time and basically cannot be pinpointed although that is an inconsequential thing in any case. The problem in the text of **John 19:17** is that the original languages used here should have been “Translated” skull 2 times or it should have been transliterated 2 times but the translation and transliteration was mixed together which causes confusion and is a distortion of how the scripture was originally written. The 2 terms used for the hill of the crucifixion were (gr) Kranion and (heb) Golgotha and this would have been the proper transliteration with “skull” being the proper translation. However, the Latin word for “skull” is (lat) calvaria and as a result of the Roman Catholic distortions of the original text many now consider the hill of the crucifixion of Christ as “Calvary”. This occurred when the Pope of the time told Jerome to come up with a translation for this thus the Roman Catholic Church calls this hill Calvary. One reason it is a very bad thing for any protestant hymnal to have “Calvary” within its text because the Huguenots and Valdencians, who were a great Christian people in the past were persecuted and slaughtered by the thousands by the Roman Catholic Church because they would never use this Latin word for Golgotha found in the Vulgate. The concept is that when a man talks about “Calvary” he is under the influence of the Papacy and the Evil of denominational religion, but when he talks of Golgotha he is under the influence of the Word of God. The incredible fact is that in the original scripture there is not one single word of LATIN and the original bible is only written in Hebrew, Chaldean,

Greek, and Aramaic. Pontius Pilate wrote out the inscription for the headboard for the “cross” of Jesus large enough so that people could see and read it from the walls of Jerusalem during the crucifixion. However, he did not write it in Latin though he was as Roman as one could be by his training. This points to the fact that IF God were behind the Roman catholic church, or any religion of any kind, Pilate could have written the headboard in Latin ONLY!

The basic underlying factor in denominational religion is a total rejection of the mandate by the Word of God that all churches function autonomously in order to prevent Arrogance in any developed hierarchy of leadership. Religious Hierarchy Arrogance results in doctrinal distortion eventuating in false doctrine being taught with the addition of [Legalism](#) and tabooism as the basis for the teaching. Today there are 2 basic systems violating Freedom, privacy and property, both Religion and Government. However, there is restraint on these functions as a result of existence of a PIVOT of mature believers (no longer in the United States of America) and the CLIENT NATION functions under the ministry of God the Holy Spirit and The Lord Jesus, The Christ controlling Human History. The purpose for the laws and rules of God regarding the human race in history is to ensure that people have the opportunity to decide between the Grace Plan of God vs the Evil Plan of Satan and other various issues in life as part of the Angelic Conflict Appeal Trial.

People are stupid when it concerns keeping and protecting their own privacy. It has been considered a virtue by Evil for others to know one’s personal business and intrude on his privacy in every way. The major functionary in this area has been religion in the name of God, [Human Good](#) or some other false objective. Therefore, in the name of religion there is gross intrusion into the lives of people and destruction of their Freedom. Ecumenical religion in any form is totally antagonistic to Freedom. Ecumenical religion always has a nice FACADE of doing good for everyone and in many religions the Modus Operandi of public confession to a priest or allowing mixed religious marriage only after counseling by a minister or another couple under direction of the “priest”, is put forward as helping the believer to remain “good”. Ecumenical religion as the National and World Counsel of Churches comes and demands to know one’s income so they can properly assess your giving responsibility to the church, another intrusion on privacy and destruction of Freedom. There never has been nor ever will be a DENOMINATION of any kind, a group of churches gathered together for any reason, which does not in principle and for its very survival intrude on the privacy of the members and thereby become an attack on the Freedom which is the very basis for the resolution of the Appeal of the Angelic Conflict trial. Religion has always been the enemy of Freedom, whether Roman Catholic, Presbyterian, Greek Orthodox, Methodist, Southern Baptist, or any of the cult religions. They establish a set of standards revolving around [Self Righteous Arrogance](#) which are then imposed on the members by the church so that there is a compromise of their privacy and destruction of their right of self determination, which inevitably means loss of Freedom. The fact that churches band together in a religious group is, in itself, an attack on Freedom. When privacy is attacked this is an attack on Freedom, so that when private property is attacked, including possession of finances, it is an overall attack on Freedom. This is also demonstrated by Government who in the name of Self Righteousness or the “Greater Good for the GREATER Number”, also directly attacks Freedom, privacy and

personal property. This has been demonstrated in America by:

- ✧ Ralph Nader's and many other group's environmental efforts
- ✧ Having to reveal your income when running for public office
- ✧ Graduated Income Tax
- ✧ Registration of Firearms
- ✧ Mandatory Auto Insurance
- ✧ Mandatory Health Care
- ✧ Many other situations

The key to understanding Human History is understanding that God created man WITH Freedom to resolve a question of conflict between fallen angels and his Justice. One of the greatest issues in history has always been how much property one owns or how much money one makes but neither government nor religion has any right to do what they are doing now in interfering with these areas of life. With regard to religion there very often is a gross intrusion on privacy and from the standpoint of government this occurs to a greater extent today than ever before. In the United States of America having a Social Security Number and having information concerning one's personal life in any way entered into some computer somewhere is a total violation of privacy but the people constantly and willingly allow this to occur. The government has openly revealed that it and other private organizations are tracking the information from individual cell phones, email, internet usage, GPS data from vehicles, ETC., under the guise of doing good things for the people and protecting the nation from terrorism and crime. The Law Enforcement system has installed video cameras on every street corner to identify the owners of vehicles by the photograph of the license plate number. The reality is that if the government truly wanted to halt terrorism in the world and actually protect the United States from terrorism there would no longer be any habitable areas in the Arabic middle east. These governmental intrusions are total violations of privacy and Freedom and most law abiding citizens have their entire lives computerized in government centers today.

The Word of God in the New Testament Scripture with Church Age doctrine specifies that the local church will be autonomous which is equivalent politically in the United States of America to State's Rights. No local church is ever to hook up with another local church to form a common church government. The final authority in church function after the death of the apostles was to be the Pastor Teacher of that one local church. The design was such that there should be many local churches with different people in them under the authority of ONE single Pastor Teacher. These people are not denied fellowship on an individual basis with members of OTHER local churches but they are NEVER to bring them under one church government which would destroy self determination in the spiritual realm. This is exactly what has occurred in the American government system and was feared by the American founders with the insidious development of big federal government which causes this same amalgamation in the political or civil realm. This is a time of declining Freedom and escalating tyranny, but even with this escalation of tyranny the individual retains the right to Salvation Adjustment to the Justice of God through Faith alone in The Lord Jesus, The Christ alone without persecution, for the time being in this nation. The individual also still has the right to refuse Christ and reject him as savior without retaliation from religion, church or government. Lack of this Freedom is the

underlying Evil demonstrated by the religion of islam which says that people must convert or die. Unfortunately, the Freedom in America today has been forced within definitive limitations, far greater than ever before in this nation's history. There needs to be, and has always been, a limitation on Freedom with regard to crime, which in fact is a violation of the Freedom of others, therefore this limitation is required in order to allow for coexistent Freedoms of groups in a nation.

American national Freedoms have been shrinking day in and day out but even with this there will always be the opportunity throughout the world for Salvation Adjustment to the Justice of God through faith in Christ alone. However, even today in some areas of the world there is severe persecution and even execution when the expression of faith in Christ does exist. This is inevitable when one believes in Christ under conditions of maximum tyranny. Islam is an extreme example of denominational destruction of Freedom. There always has been maximum tyranny under the fanatical tenets of islam where there is no Freedom and never was and this pertains to a lesser extent to all religions. Islam has been a system of tyranny from its inception and is in effect a world domination ideology, similar in every way to communism, under the guise of a religion. In the United States of America the very distortion of Freedom through the infiltration of liberalism has caused the acceptance of islam even in this country and it is growing and is leading to the disintegration of much of the American system of life. Dealing with islam and being a missionary to moslem people is the most difficult thing in the world and many missionaries have been martyred as a result of trying to bring Christ to them. The fanaticism of islam is incredible and people who lived in Iran prior to World War II knew that there were certain "HOLY DAYS" when they were not safe anywhere so they had to lock themselves in their homes until those days passed. The fanaticism of these "HOLY DAYS" is analogous to the fanaticism of the Moros in the Philippines in WWI in their attempts to destroy American troops. The opposition of islam to Christianity and to Freedom in general has been more intensely manifest in certain historical periods. In the middle ages it was overwhelmingly manifest when islam almost conquered the world. In the United States of America the rise of liberalism gives islam the opportunity to be tolerated here although it, itself, will not tolerate anything. Liberalism used to mean toleration but instead it only tolerates the viper which eventually destroys Freedom. Many times in history religion and tyranny have been synonymous on LOCAL levels:

- Roman Catholics of Spain in persecuting the Jew.
- Roman Catholic persecution of the Huguenots in France.

Religion on an organized scale may appear sweet and tolerant in the beginning but as it grows it eventually becomes totally intolerant and tyrannical as is demonstrated by the national counsel of churches' attitudes toward fundamental Christianity.

### **Gate #86 – The Arrogance Involving Dormant Faculties**

{Acknowledgment: Although the majority of the information in this entire book has been

extracted from notes I have personally taken on bible studies delivered by Pastor R. B. Thieme Jr., in this segment I collaborated with Pastor Robert K Lyon of Sapulpa OK, in the development of this segment of the Interlocking System of Arrogance.}

Dormant Faculty is a term used in the secular realm to describe hidden, unknown or undeveloped mental and physical abilities which are not being used but are capable of being activated.

- ✧ **DORMANT** is an adjective describing a state or status marked by a suspension of activity, temporarily devoid of external activity, being in abeyance, yet capable of being activated. Abeyance is a status or state or condition of being temporarily set aside, a state of inactivity or not being used. It is a suspension or cessation of a plan or action and with regard to thinking or mental activities or abilities; it can be considered a status quo of a lack of productive thought which results in being devoid of appropriate action to gain a desired objective.
- ✧ **FACULTY** is an acquired or innate, natural, special or inherent ability, capability or power to do or function such as found in the senses, any of the powers of the mind such as will, reason, or instinct, a natural aptitude.

When in a dormant state therefore whatever faculties are being considered are in effect suspended and inactive. Having suspended faculties reduces the thinking processes to instinct and limits or destroys capacity for increasing mental accumulation of pertinent information related to an objective. Dormant Faculties, in the view of secular humanity, are therefore considered to be human abilities both physical and mental which have been suppressed or forgotten and individuals who seek to rekindle these faculties do so in the hope of gaining some great mental or physical advancement. In part this is true but it also is a distortion of truth used by Satan and his Cosmic Dynasphere systems to recruit individuals into his plan to function under his system of Evil. In fact, activated dormant faculties are a [Reversion](#) of the individual from using the Right Lobe of the Stream of Consciousness of the Soul for thought and decision BEFORE action to allowing Old Sin Nature control of the soul and [Emotional Revolt of the Soul](#). When these are developed by an individual they open the door for satanic control of the individual's life by either intensive demonic influence based on EVIL or actual demonic possession and control of the individuals body and all of his abilities.

### **Development, Effects and Dangers of Dormant Faculties**

[Rom 7:18-25](#) explains the Carnal Death of the Believer or Cosmic Death resulting from Carnality which deals with three categories of failure:

- ✧ Post-salvation influence from Evil which results in
- ✧ Post-salvation sinning ([1John 1:6](#), [1John 1:8](#), [1John 1:10](#))
- ✧ Post-salvation human effort or [Human Good Production](#) outside the [Divine Dynasphere](#) of the Protocol Plan of God.

This carnal death of the believer may be classified in three ways:

- ✧ The temporal death of the believer
  - The believer out of fellowship with God

- ✧ The cosmic death of the believer
  - The believer involved in functioning under the Cosmic Dynaspheres of Evil, the Plan of Satan.
- ✧ The fragmented death of the believer
  - The believer involved in various aspects of degeneracy from involvement in the Interlocking System of Arrogance.

[1Cor 3:1](#) describes carnality by referring to the carnal believer as an [INFANT](#). Infant as a description of believers is a reference to a believer who has not advanced in the Spiritual Life from the point of his Salvation Adjustment to the Justice of God or one who has ceased his advance in the Spiritual Life as a result of becoming a persistently carnal believer. Here the DORMANT FACULTIES of an infant human being are equated with the status of FACULTIES in a carnal believer. There is no spiritual momentum in the life of a carnal believer. The seven compartments of the consciousness are only partially active in an infant human being and this also applies to an infant believer or one who as a result of his persistent carnality reverts to infancy status. Therefore it is simple to see that the thinking faculties of an infant human being are either unused, or unable to be used or suppressed as:

- ✧ A DORMANT Frame of Reference – Nothing is written on it to distinguish reality from unreality.
- ✧ A DORMANT format Memory Center – Nothing of value is contained here to be recalled when needed.
- ✧ A DORMANT Vocabulary Storage area – No technical knowledge based on stored individual technical words with technical meaning designed to facilitate learning and understanding.
- ✧ A DORMANT Categorical Storage center – No accumulated knowledge arranged in groupings or categories for more ready access for application to problems for solutions.
- ✧ A DORMANT Conscience – A complete lack of reality oriented Norms and Standards upon which thought, decision and action is based where there is therefore inability to effectively distinguish good from bad, moral from immoral, spiritual from carnal.
- ✧ DORMANT Wisdom – Nothing has been learned, nothing can be recalled therefore nothing can be applied to life and situations or problems in life.

The unbeliever, who rejects the Lord Jesus, the Christ at the point of gospel hearing has isolated himself from the plan of God. He will go through life, either miserably or gloriously but after his life is ended he will eventually be called for the Great White Throne Judgment and inevitably be relegated to the Lake of Fire. This individual is living and functioning under the processes described in the [Equation of Despair](#). [1Cor 2:13-14](#) explains that spiritual information is presented by the communicator of bible doctrine to spiritual beings, individuals who have made Salvation Adjustment to the Justice of God and now possess the [Filling of God the Holy Spirit](#), who teaches that doctrine to the regenerated Human Spirit in the believer in The Lord Jesus, The Christ. These things are foolishness to the unbeliever because he lacks the regenerated Human Spirit and cannot comprehend these spiritual concepts. They are additionally foolishness to the persistently carnal believer, in carnal death, because his soul is

under the control of the Old Sin Nature and because he has lost the Filling of God the Holy Spirit his Human Spirit cannot be taught Bible Doctrine putting him in the status of having Dormant Faculties. For the believer who has been constantly persistent in maintaining his carnality he is unable to understand spiritual data just like the infant human being is unable to understand complex technical subjects. Therefore this carnal believer, under the spiritual death resulting from constant residence and function in the [8 stages of reversionism](#), is like an infant human being having Dormant Faculties and absolutely NO ORIENTATION to the Plan of God.

The believer who has retrogressed into DORMANT FACULTIES has done so as a direct result of carnal, temporal, cosmic, or fragmented death and this is the function of the believer's own personal volition converting temptation from the Old Sin Nature into sinfulness. Decisions to engage in sin automatically place the believer inside the Cosmic Dynasphere systems of Satan, functioning under the Equation of Despair, therefore living in temporal death. Upon entrance into the Cosmic Dynaspheres and being under the control of the Old Sin Nature and involved in Emotional Revolt of the Soul this believer is completely entangled in, functioning in, the degeneracy of the Interlocking System of Arrogance and the apostasy of Reversionism. When the believer enters the Cosmic Dynaspheres as a result of his volition accepting temptation and engaging in sin, he is in the status of stalling or abeyance of his spiritual life. When he refuses to use the Rebound Procedure of [1John 1:9](#), he enters into function under the [3 Arrogance Skills](#) of self-justification, self-deception, and self-absorption. This inevitably results in interlocking with many various aspects of the systems of Arrogance. As [Negative Volition](#) persists in the believer as he continues under carnality without the function of rebound he develops a [Black Out of the Soul](#) where his Negative Volition begins to erase any bible doctrine he has accumulated in his soul. Lacking any Absolute Truth from doctrinal information to respond to, the Emotions Revolt in the soul and take over soul functions from the Mentality of the Right Lobe and provide stimulation for the believer in place of thinking. In this Emotional Revolt of the Soul the believer builds greater and greater [Scar Tissue of the Soul](#) which in fact prevents his accepting any spiritual information in the form of Bible Doctrine he may hear or be exposed to. This then LOCKS the believer into a pattern of rejection of Bible Doctrine under Locked In Negative Volition where he becomes incapable of learning or understanding any Absolute Truth and ONLY capable of accepting the LIES of Satan's Cosmic Dynasphere plan and policy, EVIL.

Dormant Faculty functions reach a zenith when the soul is completely devoid of all Absolute Truth, unable to accept truth, and has developed a vacuum which desperately needs to be filled. This vacuum sucks in ONLY LIES and false information known as Doctrines of Demons or the Plan and Policy of Satan, EVIL. This false information then is processed into the believer's frame of reference, his norms and standards, vocabulary center, memory center, and no truth is able to be absorbed. Thus, the believer's mind is in a state of having its Faculties in a Dormant Status Quo. In this status of mind everything related to the spiritual life and Plan of God become DORMANT, any previously learned Bible Doctrine is completely erased. ([Eph 4:17-18](#)) Therefore based on the use of one's personal volition one enters into Dormant Faculty status by either rejecting God and the Gospel of Christ therefore being unable to comprehend spiritual phenomenon OR rejecting Bible Doctrine as a believer and living

persistently in carnality. This puts the proper functions of the Soul into status quo of dormant or inactive and causes improper functions in the soul where Emotions dominate the soul in Emotional Revolt of the Soul so that the Old Sin Nature controls the soul resulting in its saturation with the degeneracy of the Interlocking System of Arrogance and / or the apostasy of Reversionism. Having Dormant Faculties a believer is unable to advance in the Spiritual Life and will never reach [Maturity Adjustment to the Justice of God](#).

Placing one's soul into the status of Dormant Faculties results in opening up the vacuum of the soul for all aspects of EVIL which result, for the believer, in extreme influence and pressure from evil and for the unbeliever, as a result of his rejection of Absolute Truths, the potential for demon possession. The entire Interlocking System of Arrogance of Satan utilizes Dormant Faculty production to engage in complete control of the individual so involved. ([Prov 23:7](#)) Having set up Dormant Faculties the entire thinking of the individual is effected, whether he is a carnal believer or unbeliever, that person only considers their own human abilities as solutions to life's problems and adversities. King Saul sought to determine future events in War by attending a seance with the witch at Endor. Like Saul even today there are "spiritualists" serving under the doctrines of Satan. In so doing they actually believe in the horoscope to determine events in their lives. Or they pay for palm readings, or order prayer cloths touched by some idiotic personality who only has a huge materialism lust pattern. They attend motivational churches with female preachers in hope of acquiring some pseudo-happiness or explanation for the empty hole that is in their soul. The empty hole is the result of their own Negative Volition producing DORMANCY of their soul FACULTIES. Some put great stock in dreams and some claim to have visions like "heaven is real" reports, some claim to be directed personally by God, hearing God speak to them. One of the great deceptions of Dormant Faculties is a belief in extra sensory perception for providing insight into the thinking of others or future events, disembodied spirits, speaking with the dead, etc. Dormant Faculty development does not open a person to greater enlightenment but instead locks them into slavery under Satan's cunning and diabolical control of mankind.

These individuals, under the misconception of what dormant faculties actually are, seek to be able to determine future events by mental visions or some form of extra sensory perception (ESP) activities. They engage in what they consider touch or faith healing, out of body experiences, and many other supernatural functions. In reality this opening up of or relinquishing the soul's thinking apparatus does not bring in greater or more fantastic mental and physical abilities but in fact subjects the individual to soul and body slavery to strong demonic influence or demon possession. Satan is the sponsor of both the apostasy of Reversionism and the degeneracy which is a result of function in the Interlocking System of Arrogance. When a person rejects Absolute Truth in the form of the gospel of Christ as an unbeliever, the [Laws of Divine Establishment](#) and [Divine Institutions](#) as either believer or unbeliever and the whole realm of Bible Doctrine as a believer, they have used their Negative Volition in such a way as to enter into the 8 stages of reversionistic apostasy. As them move through these stages, they will be caused to revert to complete rejection of any Absolute Truth. This would include the truths of the Laws of Divine Establishment and Divine Institutions and all truths of Bible Doctrine. For the believer in The Lord Jesus, The Christ in this status quo

of advanced reversionism he is now completely functioning under Demon Influence using the doctrines of demons, the EVIL of the policy of Satan, in his daily life AND CONVINCED THAT THIS IS REALITY AND TRUTH. For the non-believer in Christ this total saturation with EVIL principles eventually results in demon possession.

Attempting to activate “Dormant Faculties” provides a rapid entrance into all phases of the Cosmic Dynaspheres the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred, compatible with the trends of that person’s Old Sin Nature as a result of his soul being completely controlled by the Old Sin Nature and being dominated by his emotion in Emotional Revolt of the Soul. In these situations, where the body is brought under total control of the soul, the soul is then given to Satan by means of the satanic mass and it’s or other ceremonies. Persons can become disembodied spirits like what is taught in the false cult religion of Theosophy which recognizes the Adept and engages in “Healing” functions, out of body experiences, and many other pseudo “SPIRITUAL” things. The Theosophical Adept lays hands on the afflicted person to heal what ever is their illness. I had personally been to several of the meetings of the Theosophical Society in Illinois when I was studying for my professional degree many years ago in Chicago. I had heard stories there of how advanced healers had allegedly reached into the bodies of individuals to physically remove problems or dysfunctional anatomic parts. It is the ADEPTATION of theosophy in which there may be a disembodied spirit and the potential for and often the reality of demon possession unless the person involved has personally made [Salvation Adjustment to the Justice of God](#). Adeptation is the sending of the soul into space to determine what others are doing or thinking. This also occurs in what is called ESP, Telepathy, Spiritism and Super-naturalism. In this unlawful function of what is called isolation of “Dormant Faculties” the key consideration is that it occurs completely by positive use of personal volition but the thing which is missing is AUTHORITY ORIENTATION. This is impossible when the Laws of Divine Establishment function properly or when there is consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. Anything which orients a person to authority makes it impossible for this unlawful isolation of these supposed “dormant faculties” to occur. This also is what occurs in seances involving a demon possessed medium where the MIND of one person can take control of the minds of others. Mental telepathy, thought transference or mind reading are also related to this facet of Demon Possession. This is the mind of one person strongly influencing or hypnotizing another to such a degree so as to impart knowledge not previously known. This often begins with simple parlor game activities like using a ouigi board to determine what one should do. One factor which should be emphasized when considering the Interlocking System of Arrogance is that every entrance into that System is related to either *DEMON POSSESSION OR DEMON INFLUENCE WHEN THERE IS REJECTION OF AUTHORITY ALONG WITH REJECTION OF TRUTH AS OCCURS WITH THE BELIEVER OR UNBELIEVER*. Unlawful isolation of supposed “dormant facilities” very often results in individuals entering into abnormal sexual and / or criminal activities and the abnormal use and abuse of power. In many demonic cult religions it is still today related to and involved with phallic idolatry without the involvement of the traditional idols of ancient times.

This can involve passive submission to Demons accomplished through illicit Drugs such as LSD

or through other functions such as the Hindu Soma Mysteries of Sucha and Monti or the Ancient Lavid Vapors of the Oracle of Delphi. Any system of mesmerism including the Whirling Dervishes of the Sudan and in our time the unbeliever's participation in the Tongues Movement are also part of this pattern of function. Emotional Revolt of the Soul as part of the 8 stages of reversionism and Emotional Arrogance are ways that passive submission to demons begins. There must be some object of idolatry or system of "religion" in addition to this and it is still often related to human sacrifice under idolatry. Warnings against demonism and human sacrifice, which are totally prohibited in scripture, are found in [Lev 17:7](#), [Deut 22](#), [Deut 32:17](#), [Ps 96:5](#) and these include prohibitions of child sacrifice. ([Ps 106:37-39](#)) Demon possession was the basis for the administration of capital punishment ([Lev 20:27](#)) and this is the necessary assertion of authority for the control of demonism in any nation. The Lord Jesus, The Christ controlling human history restrains demonism and the greatest defense against demonism for anyone is Salvation Adjustment to the Justice of God and the Absolute Truth of Bible Doctrine resident in the Stream of Consciousness of the Soul. It is the residence of God the Holy Spirit indwelling the believer after Salvation Adjustment to the Justice of God which prevents demon possession from occurring. It is the believer possessing an accumulation of Maximum levels of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul which is insulation for him against demon obsession and influence. Demons are powerless to change the course of Human History ([Is 19:3](#)) but can have a great influence on both the believer and unbeliever individually and collectively as part of Satan's attempts to win the Angelic Conflict.

Therefore in essence the exploration and activation of "Dormant Faculties" in the individual is a result of his using his own volition to reject truth, accept the satanic LIES of EVIL, and willingly come under demon influence or demon possession and is NOT a means of ascending to a higher plane of existence or reaching a state of mental superiority over others. It is however a mechanism for both the believer and unbeliever to put himself into SOUL SLAVERY under satan's plan and policy and for the unbeliever to potentially be subject to body slavery under demon possession. For the believer this WILL result in the inevitable extreme Divine Discipline of the administration of the Sin Unto Death. For the unbeliever his life will be one of total confusion, complete lack of orientation to reality and unimaginable misery.

### **The Grace of God vs Dormant Faculties**

There are three Grace provisions for mankind of Absolute Truth.

- ✧ The Laws of Divine Establishment and The Divine Institutions
- ✧ The Gospel of Christ
- ✧ The entire realm of Absolute Truth found in the Bible Doctrines of Scripture

When these are rejected by man several things result:

- ✧ Warning, Intensive and Dying Discipline for the individual
- ✧ 5 cycles of Divine Discipline for a national entity especially the Client Nation

Entrance into the eight stages of the apostasy of [Reversionism](#) or the degeneracy of the Interlocking System of Arrogance, whether as an individual person or collectively in a National Entity, results from a saturation of the people with active Dormant Faculties from rejection of

Truth. For an entire society then, saturation with Dormant Faculties sustains a condition in the general population where the [Laws of Divine Establishment](#) and the [Divine Institutions](#) cannot be understood and applied as truth resulting in the required administration of all 5 of the cycles of Divine Discipline for the nation. ([Hos 4](#)) When a person or group as in a nation functions based only on dormant faculties there is no recognition of the real problem, therefore there is no seeking the real solution the Divine Solution. Therefore, the retrogressing of the individual to the use of Dormant Faculties causes the reality of degeneracy and apostasy to go unrecognized. The problem for the believer is that in the process of reestablishing dormant faculties all compiled Bible Doctrine is erased from the right lobe of the stream of consciousness. For the unbelievers in the client nation it is the understanding and dependence on the Laws of Divine Establishment and Divine Institutions which is eliminated. Under Dormant Faculty functions both groups no longer can believe Absolute Truth because they cannot assimilate truth any longer. Dormant Faculties accept and inculcate ONLY false doctrine and false dogma of EVIL under the plan of Satan. Both cosmic believers and unbelievers therefore operate under demon influence, with some unbelievers subject to demon possession, where both are under demon obsession. In addition their reality becomes a system of complete deception and LIES directly from the EVIL of the policies of Satan. The attempts at development of pseudo or false Dormant Faculties provides an accelerated advance into the Interlocking System of Arrogance and 8 stages of Reversionism. For the believer all spiritual advance is halted, all Metabolized Bible Doctrine is erased from the soul and this leaves only Emotion with Old Sin Nature control as the alternative to a life of Wisdom provided by Bible Doctrine under the Grace Plan of God. Under the influence of revived Dormant Faculties a believer will conclude that everything they once learned and believed regarding the Absolute Truths of God's Grace plan was nothing but another system of human thought and therefore a myth. In short attempts at activation of presumed false or pseudo dormant faculties can lead the believer into such blindness of soul that Satan wins the victory over the ignorant believer and holds him in the grip of his power under the Cosmic Dynaspheres.

There is reference made to Demons in [Matt 8:31](#); [Mark 5:12](#); [Rev 16:14](#). The original Greek words here almost always refer to a disembodied spirit or refer to a specific category of demons determined by the context as in, [Matt 7:22](#), [Matt 9:33-4](#), [Matt 12:24-8](#); [Mark 1:34](#), [Mark 1:39](#), [Mark 7:26-30](#); [Luke 4:33-35](#), [Luke 4:41](#), [Luke 8:27-35](#), [Luke 11:14-20](#); [John 8:48-52](#); [1Cor 10:20-21](#). Another Greek word used in [Matt 8:16](#), [Matt 8:28](#), [Matt 8:33](#); [Mark 5](#); [Matt 15:22](#) means to be demon possessed or to be tormented by a demon, or to be influenced by a demon. There is a distinct difference between Demon Possession and Demon Influence. Demon possession is defined as demon invasion of the physical body which can occur for the unbeliever only. Generally, this occurs through involvement in some form of idolatry such as phallic idolatry or some form of pseudo contrived religion. In contrast, demon influence is the demon invasion of the soul with the EVIL concepts of Satanic thought. Satanic thought generally is not expressed in terms of things considered bad or sinful or destructive, but in terms of improving this world, doing nice things for mankind and supporting bleeding heart do good crusades. It is the false thinking comprising the policy and principles of EVIL by which Satan operates. Demon influence is not possible unless the believer enters into, by use of his own personal volition, the Cosmic Dynasphere systems of Satan and proceeds to return to

functions under his Dormant Faculties under which the he becomes “isolated” from reality and the Grace plan of God. This influence is initiated by rejection of scripture, bible doctrine, and often involves the use of illicit drugs to alter mental perceptions of reality. In all cases, all demonic activity requires human free will consent. This human consent for demon possession may only involve some bad decision which has been made, so that the demon can invade the body of the unbeliever, but only the unbeliever. The unbeliever can invite demon possession by decisions that can include involvement in:

- ✧ Idolatry ([1Cor 10:19-21](#))
- ✧ Drug addiction ([Gal 5:20](#))
- ✧ Religious reversionistic sensitivity, dabbling in the occult, consulting mediums, the function of necromancy ([Is 8:19](#))
- ✧ Idolatry such as phallic cult activity ([Is 2:6](#), [Luke 8:2](#))
  - Demonic orgiastic response, auto-eroticism, lesbianism, homosexuality, verbal response demons, promiscuity demons, group orgies, human sacrifice, and unrestrained sexual lust

The believer cannot be possessed by demons because of the protection given him from the indwelling of the Godhead and the imputed Righteousness of God provided at Salvation Adjustment to the Justice of God. Since the believer cannot be directly controlled by demons the only remaining attack to which the believer is susceptible is to line him up with Satan's policy and plan by accepting a strong influence from EVIL. In the religions of man demon possessed people can become disembodied because the body is turned over to Satan by invitation. Such a person begins to participate in the idea and unseen incident of sending the soul into space to determine what others are doing which in fact may be simply 2 demons communicating about different spacial occurrences, one indwelling the body of the person receiving the information from the other. Demon possession can occur for an unbeliever during seances where the participant thinks he is communicating with the dead departed soul of someone when in fact the medium is possessed by an engostromuthos demon speaking through the medium. Astrology is another area of demon influence and or possession.

There is nullification of the potential for demon influence, possession or obsession found in [Authority Orientation](#) especially [Bible Doctrine Orientation](#), and for the unbeliever the orientation to the Laws of Divine Establishment, the Divine Institutions, and most importantly the Grace of God. Anything which orients one to authority makes it impossible for the system of control by Satan to work. Socialism, as part of the Evil plan of Satan, could never have gained a foothold in the United States, nor destroy objectivity in Court decisions, nor destroy the Police and Law Enforcement, nor the military, nor the sovereignty and freedom of this Nation, if there had been strong authority orientation, adhered to by the majority of citizens and taught to subsequent generations. The Laws of divine establishment and the four divine institutions can not be destroyed if authority orientation is the predominant thinking pattern. Authority is therefore necessary to restrain demonism. But today Christians and unbelievers both have a different thought pattern which encourages demon influence and is the inevitable result of having returned to the status of Dormant Faculties in their souls.

Under demon influence, obsession or possession the mind of one person can both influence or hypnotize or mesmerize another person or large group of persons to such a degree so as to impart knowledge not previously known. This may be the coordinated function of many demons over the entire group. This is clearly demonstrated by the activities of faith healers, the emotional charismatic and tongues movements, the mesmerizing motivational speeches of women in drawing huge crowds of mental cripples, or the sweeping propagandizing of millions of people with the dogmas of socialism, Marxism and communism.

### **Results of Dormant Faculty Development**

For King Saul the involvement in the practice of necromancy was the cause of his personal judgment and administration of the Sin Unto Death as an end to his life. ([1Chron 10:13-14](#), [2Kings 21:2-3](#)) In addition there is the story of Balaam and his involvement with Balak king of the Moabites and their attempts to curse the Jews of the Exodus. ([Num 21-31](#))

In the time of the exodus of the Jews in the 40<sup>th</sup> year after leaving Egypt when the Jews were about to come to the Jordan river and then cross into the land promised them by God, an incident occurred which they were completely unaware of. Balak the King of Moab had been defeated by the Amorites who took possession of the Plains of Moab. The Jews in moving toward their entry point in the land defeated the Amorites and encamped on the Plains of Moab. This caused Balak to become terribly frightened that Moab would be NEXT on their conquest list. He understood Spiritual Power and knew that the Jews had some level of spiritual power which others did not and that to defeat them he would have to use an opposing spiritual power. Considering that the Jews had the spiritual power from the GRACE Plan of God Balak decided to pursue using the spiritual power of EVIL and sought one Balaam, a well known wizard in his time, to curse the Jews so he could defeat them. Ancient manuscripts discovered in the 20<sup>th</sup> century describe Balaam as a Hittite and it was well known that the Hittites were ardent practitioners of demonism. It is through Balaam which a better understanding of Dormant Faculties can be derived.

As this story of Balam unfolds it becomes more clear that this reflects an ongoing tragic story and that it is very true even today, in that if Satan wants to get a special job accomplished he uses believers to do it. All the believer has to do is have ignorance of Bible Doctrine from rejection or neglect of Bible Doctrine. This puts him under the [8 stages of reversionism](#) and living on his emotions under Emotional Revolt of the Soul with emotions through the Old Sin Nature controlling the soul. Invariably his Negative Volition to Bible Doctrine inserts him also into Cosmic Dynasphere #1 the Interlocking System of Arrogance where he is susceptible to complete control by Satan. 1<sup>st</sup> Timothy chapter 4 describes EVIL as The Doctrine of Demons, by which believers and unbelievers are controlled by the policy and plan of Satan. The absence of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul opens up the Soul for the influence by this demonic doctrinal system. Therefore in entering reversionism through [Negative Volition toward Bible Doctrine](#) and progressing through

the stages of reversionism a Black Out of the Soul is built up as Negative Volition persists and Emotional Revolt of the Soul occurs literally ERASING any and eventually all previously metabolized Bible Doctrine from the Right Lobe of the Stream of Consciousness of the Soul. This is true for believers concerning the entire realm of Bible Doctrine and for the unbelievers concerning the Laws of Divine Establishment and Divine Institutions. In addition then the build up of Scar Tissue of the Soul from persistent Negative Volition PREVENTS THE INTAKE OF Absolute Truth from BIBLE DOCTRINE including the Laws of Divine Establishment and Divine Institutions. Having the soul blacked out to truth creates a vacuum in the Right Lobe so that ONLY the LIES of Satan's policy of EVIL are SUCKED into the soul as the Doctrines of Demons. It therefore becomes impossible for this believer, or unbeliever under Negative Volition toward Absolute Truth, to believe anything except the LIES of the EVIL policy and plan of Satan and they cannot accept or even acknowledge Absolute Truth as TRUTH. This is Demon Influence or Satanic Influence from the doctrines of Evil. Therefore the believer must take heed of 1<sup>st</sup> Timothy chapter 4 which ends with the dogmatic statement that the believer "MUST KNOW BIBLE DOCTRINE". The most important thing in the Christian Way of Life the highest priority of the Christian Way of Life is that believers MUST KNOW DOCTRINE.

Where there is the indwelling of God the Holy Spirit or the presence of The Lord Jesus, The Christ Demons cannot enter or remain. When The Lord Jesus Christ came to the demon possessed man the demons begged him saying, "Don't cast us out" but when Jesus kept saying 'get out', 'get out', 'get out, the Demons said "Let us go indwell these swine", because they could not be where Christ was present. There can be no demon possession of the believer only demon pressure or demon influence and this comes through the Right Lobe of the soul and the result is very often mental illness as psychosis where believers under demon influence very often become Psychotic. Under Emotional Revolt of the Soul pressure, believers can become neurotic and when this is unchecked can ultimately lead to the psychosis caused by intensive demon influence. The tragedy is that the once the believer enters into the trend toward psychosis he no longer has the ability to learn Bible Doctrine as a result of the incredible level of Scar Tissue of the Soul he has built up. This results in the final stage of Reverse Process Reversionism and the intensity of demon influence is tantamount to what unbelievers call activation of Dormant Faculties in this individual. Therefore, it is Negative Volition toward Bible Doctrine, God, the Gospel of Christ and the Laws of Divine Establishment and Divine Institutions which begins the retrogression to Dormant Faculties in the individual. The point is that it is a complete waste of time to try to present Bible Doctrine to a psychotic believer to try to help them. The reality and fact is that the only way to help people is through their volitional intake of Bible Doctrine. They must want to take in Bible Doctrine and understand the Plan of God because ONLY GOD can help these people. Unfortunately, people at this point of involvement in reversionism and the retrogression to dormant faculties have used Negative Volition so persistently and so strongly that they CANNOT TAKE IN DOCTRINE ANY LONGER, they are functioning under soul faculties as if they were an infant again.

It is the word of God which helps people and changes them and in reality NO PERSON can help any other person in any situation under any condition. In fact, many Christians HINDER people by giving them sympathy and attention when what they need is consistent Bible

Doctrine. If it is not possible to get Bible Doctrine to a person to help them then it is a dead issue to try anything else to help them. Therefore, the person who has reached a point of psychosis and who has their Right Lobe perceptive valve scarred and closed so that they cannot let Bible Doctrine in, has no hope. Invariably, most psychotic people got into this situation in the first place because they hate Bible Doctrine. They did it to themselves, they rejected truth, opened up their soul to the retrogression to a status of Dormant Faculties and allowed the doctrines of demons in willingly. This gave them a status of complete divorcement from reality, thus psychosis. For these people the only thing which the believer can do to help is engage in persistent prayer for them which does not violate their volition and is a prayer for recovery of their mental perceptive ability and recognition of the importance and value of Bible Doctrine.

The Lord Jesus, The Christ indwells every believer in this Church Age and though the believer may be carnal and is quenching or grieving God the Holy Spirit, God the Holy Spirit still indwells him also and therefore a demon cannot possess a body where God indwells. Greater is he that is in you, God the Holy Spirit, The Lord Jesus, The Christ, God the Father, than he that is in the world, Satan ruler of this world. Believers battle incredible unseen forces against which they are completely helpless and were it not for God's provision NO BELIEVER COULD SURVIVE as a believer in this world of Satan. Believers often think they are great, wonderful, fantastic, and when they start thinking this way they have disoriented themselves to GRACE and the reality of the powerless status they have on this earth. The mature believer, the great believer by bible standards is just as helpless as any other believer except that he has maximum residence and understanding of Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul and therefore knows how to use God's power. There is a fantastic unseen battle occurring in the lives of believers and this is very often why Christians seem to be so goofy and mentally tied up in all sorts of knots. Christians fight an incredible spiritual warfare which the unbeliever does not fight at all and they are under fantastic pressure as a result.

A prime Old Testament Scripture example of this is Balaam who lived in Mesopotamia. Balaam's father Beor was a renowned Wizard who could and did curse and bless people and nations and his curses and blessings were fulfilled. Balaam followed in his father's footsteps and was the best known wizard in the world at that time and he also was very successful in cursing and blessing people and especially nations. Both Balaam and his father Beor were demon possessed and there were demons which had served Satan within this family for a very long time. However, at some point before this story begins Balaam expressed Positive Volition at God Consciousness and Positive Volition at Gospel Hearing and made Salvation Adjustment to the Justice of God. Balaam was in the past demon possessed but his Salvation Adjustment to the Justice of God and regeneration eliminated demon possession in him. However, his Right Lobe retained an incredible level of demon influence pressure from his LUSTS. Balaam's Old Sin Nature had an incredible materialism and wealth lust which he had spent his entire life fulfilling with his cursing and blessing of people and nations for others in exchange for large sums of money. Balaam, as a believer, had no demon influence pressure until he opened the door for it by catering to his materialism lusts and neglecting or rejecting the Word of God. Balaam wanted more than anything to be an extremely rich man and he loved money more

than anything in the world. [1Tim 6:10](#) says, “The LOVE OF MONEY is the root of ALL KINDS or CATEGORIES of EVIL” and EVIL is the sum total of the plan and policy of Satan embodied in the functions of the Old Sin Nature. Balaam, as a believer, had his own genetic Old Sin Nature and this had strong lusts in the area of materialism and this lust fed into and stimulated his Old Sin Nature trends so that his area of weakness developed strong temptation to SIN. When the lusts through the trends of the Old Sin Nature motivate the Area of Strength temptation to produce Human Good is what results. However, when God the Holy Spirit controls the soul the lusts and trends are suppressed and out comes Divine Good production and the big conflict in the life of Balaam was Divine Good vs Human Good.

The Lord comes to Balaam and tells him directly NOT to go to Moab despite the incredible offer of wealth and the entreaties of the high ranking nobles of Moab. Balaam ultimately decides he is going to go to Moab and try to figure out a way to earn the incredible payment that Balak King of Moab has offered to him. The Lord even tries to stop him 3 times on his trip to the mountains of Moab but Balaam ignores even these attempts. Upon arriving and meeting with Balak, Balaam tries 3 different times to curse the Jews but the Lord only puts blessings in his mouth. It is clearly obvious that, like believers today who reject Bible Doctrine taught by their Pastor Teacher, Balaam completely rejected the word of God delivered to him DIRECTLY by the Lord repeatedly placing himself in a situation of carnality but also under extreme demon influence through the voluntary retrogressing to the status of Dormant Faculties in his soul. Balaam’s rejection of the commands of the Lord, entering into carnality, coming under Emotional Revolt of the Soul and moving backward to the status of dormant faculties in his soul puts him immediately under the control of the area of weakness of his Old Sin Nature which was involvement in occult powers and Demonism. In so doing the level of demon influence in his soul reached a maximum. Being unable to curse the Jews he told Balak to send beautiful women into the camp of the Jews to distract them and then attack. What he did not consider was that by the time the attacks occurred many of the Jews who had succumbed to these Moabite women had made Rebound Adjustment to the Justice of God and were ready to fight. As a part of his reward Balaam did earn a great deal of money and was also made a prince of Moab and was therefore required to participate in the attack on the Jews on the plains of Moab. It was at this time that he was removed from this life under the Sin Unto Death Divine Discipline when the Jews defeated the Moabites, the inevitable result of a believer becoming involved in the retrogression of soul to the status of Dormant Faculties.

In Acts chapter 8 there is an exact parallel to Balaam where Simon the Sorcerer was also a Wizard and had in the past been demon possessed and did all sorts of miraculous things and bewitched the people of Samaria. In [Acts 8:13](#) Simon himself made Salvation Adjustment to the Justice of God but then in [Acts 8:21](#) sinned and got out of fellowship in carnality. Peter Warned him to get back into fellowship or he would be subject to the Sin Unto Death Divine Discipline, exactly the same fate of Balaam.

The Sovereignty of God said directly to Balaam “DO NOT GO TO MOAB”. Under the Negative Volition his Soul Balaam Said “I AM GOING”. God PERMITS Balaam to Go, because Absolute

Righteousness will not interfere with man's volition. This would violate the very premise of setting up the appeal demonstration for Satan and the fallen angels in the Angelic Conflict Trial. However, the Love of God warned Balaam 3 times but as is to be expected Balaam fails to heed these warnings so that the Justice of God ultimately had to administer Divine Discipline for Balaam as the Sin Unto Death. When persistent Negative Volition exists in the believer GOD will not override this Negative Volition. [2Pet 3:9](#) clearly indicates that it is the sovereign Will of God that all members of the Human Race be saved. If God would override Negative Volition of the unbeliever the whole world would be saved and the purpose for man existing in the first place would be negated. For the unbeliever the Justice of God operates in judgment and for the believer the Justice of God operates in Divine Discipline when there is persistent Negative Volition. The unbeliever who is persistent in his rejection of the gospel will suffer the judgment of the Great White Throne and as a result spend eternity in the Lake of Fire. For the believer who consistently rejects Bible Doctrine and remains in carnality the Divine Discipline will systematically intensify until it reaches the point of the Sin Unto Death and that believer is removed from this life BUT is then face to face with the Lord for eternity. Both have, by their own volition, retrogressed in their soul to the status of Dormant Faculties such as in the infant.

As a result of his consistent Negative Volition Balaam was insane, psychotic, completely irrational and this is the same madness of believers in any generation of any dispensation who consistently function outside the Will of God. Balaam was insane to put material possessions, money, success, power and wealth before spiritual things but this is normal for unbelievers. However, what is NORMAL in the unbeliever is abnormal for the believer and it is ABNORMAL for the believer to desire these things over a solid spiritual status in life because he is a NEW creature in Christ where God has given him wonderful permanent things both seen and unseen which he must become cognizant of. Therefore when a believer opposes the Will of God he develops serious mental illness, insanity or psychosis. The believer does not have to run around and act ridiculous and say idiotic nonsensical things to be Insane, all he must do is move himself out of the Will of God and then STAY THERE. Therefore, when a believer becomes mentally ill his mental illness occurs most often as a result of ignoring Bible Doctrine, the stated Will of God, because of persistent Negative Volition. When the believer becomes psychotic as a result of his Old Sin Nature and his emotions controlling the soul, he begins to do irrational things just like Balaam did. ([2Pet 2:15-16](#)) Therefore it is obvious that there is a very strong correlation between Demon Influence on the believer and psychoses and insanity and with regard to the unbeliever, Demon Possession definitely produces insanity. This happened also to King Saul who became Manic Depressive and then psychotic when he went contrary to the Will of God and sought advice from a necromancer.

Balaam's insanity came from his own persistent Negative Volition in opposition to the directive Will of God. ([Num 22:12](#)). Balaam was as mad as the hatter in Alice and Wonderland because the Ass now speaks to him and he does not even blink an eye at this. ([Num 22:30](#)) His insanity becomes obvious when he speaks to the Ass and tells her that if he had a sword he would kill her right there. Only a real nut ball would kill a faithful, loyal ass in the ancient world for this was the means of transportation of Kings and a very expensive commodity. People, like Balaam, who are insane can often see truth when it is pointed out to them but

then they go right on without it. Thus the true uselessness of presenting Bible Doctrine to the psychotic individual.

Demonism in any form saturating a nation brings the fifth cycle of discipline to that nation. ([Is 29:4](#), [Is 47](#), [Jer 27:6-10](#)) In addition, Satan and demons are often used by God in the administration of the Sin Unto Death for reversionistic believers. ([1Cor 5:5](#), [1Tim 1:19-20](#)), and often for divine discipline. ([Luke 22:31-32](#), [Ps 109:6-13](#)) where Satan and demons can be used to provide warning discipline. ([1Tim 3:6](#)) As a result of the supernatural power Satan possesses, he is often the source of disease, death, and “miracle” cures. As a result of demon possession, many abnormal abilities can occur and abnormal activities result where Satan according to [Ps 109:6-13](#) uses demons to:

- ✧ Blind through religion [v7](#)
- ✧ Shorten life span [v8a](#)
- ✧ Remove people from authority [v8b](#)
- ✧ Exercise the power of death [v9](#)
- ✧ Persecute children [v10](#)
- ✧ Remove wealth [v11](#)
- ✧ Cause general antagonism to the believer [v12](#)
- ✧ Cut off posterity to the 2<sup>nd</sup> generation [v13](#)
- ✧ Kill when permitted, [Heb 2:14-15](#), [1John 3:8](#), [1John 3:12](#), [Job 1:12](#), [Job 1:18-19](#), [John 8:44](#)
- ✧ Execute believers under the Sin Unto Death, [1Cor 5:5](#), [1Tim 1:19-20](#).
- ✧ Be the source of demon induced illness or diseases, [Job 2:6-8](#); [Matt 12:22](#), [Luke 13:16](#), [Acts 10:38](#)
  - Mental diseases, [Mark 5:1-13](#)
  - Inability to speak under demon possession, [Mark 9:17](#), [Luke 11:14](#)
  - Deafness, [Mark 9:25](#)
  - Blindness, [Matt 12:22](#)
  - Convulsions, [Mark 1:26](#), [Mark 9:20](#), [Luke 4:35](#)

When Satan orders the removal of a demon induced illness and the person appears to be cured the one who is practicing as a healer appears to be legitimate and gains a strong following. Through demon possession Satan can cause the inducement of a variety of abnormal behaviors:

- ✧ Convulsions, [Mark 1:26](#), [Mark 9:20](#)
- ✧ Abnormal violence, [Matt 8:28](#)
- ✧ Abnormal strength, [Mark 5:4](#); [Luke 8:29](#)
- ✧ Raving and abnormal screaming, [Mark 5:5](#)
- ✧ Self-mutilation, [Mark 5:5](#)
- ✧ Foaming at the mouth, [Mark 9:20](#)
- ✧ Public Nakedness, [Luke 8:27](#)
- ✧ Living among corpses, [Mark 5:3](#)
- ✧ Excessive continuous grinding of the teeth, [Mark 9:18](#)
- ✧ Attempting self destruction, [Matt 17:15](#)

Within the emotionally saturated ecstatic tongues movement in Christian circles is found the believer who is completely entrapped in both the Interlocking System of Arrogance and 8 Stages of Reversionism under Emotional Revolt of the Soul and also the unbeliever who is under demon possession both alleging to speak in languages, often said to be “angelic”, which are not understood by man. This pseudo gift of speaking in languages not known to the individual continues to be perpetuated by Satan for his use in the Tribulation. ([2Thes 2:8-12](#)). When there is involvement of unbelievers under demon possession in this pseudo spiritual gift the mechanics are related to the function of possession by an engostromuthos demon. ([Is 8:19](#), [Is 29:4](#), [Rev 16:13-14](#)) For believers involvement in this ecstatic [Emotional Revolt of the Soul](#) system of speaking in tongues it is designed by Satanic as a distraction to the consistent intake of Bible Doctrine. ([2Cor 6:11-12](#), [Rom 16:17-18](#)) Involvement in the tongues movement today It is an entrapment pulling the believer toward involvement with and practice using only Dormant Faculties.

The reality of dormant faculty regression and the resultant demon possession, influence and or obsession explains supernatural phenomena including such things as faith healing, speaking in tongues, the rise of certain world rulers who obviously function based on EVIL, wars, antisemitism, contacting the dead, and many other activities. Demons attempt to distract believers and entrap unbelievers through ‘religious’ activities, culture and pseudo-intellectualism. When a believer lacks doctrinal truth he has opened himself up to the retrogression to the status of and function under Dormant Faculties, where lacking the TRUTHS of Bible Doctrine, EVIL is able to infiltrate and saturate his soul.

### [The Solution to Arrogance](#)

The believer who functions under consistent Positive Volition toward Bible Doctrine and the Grace Plan of God is protected from Cosmic Dynasphere Evangelism as a result of having a maximum accumulation of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul and by the use of the [10 Problem Solving Devices](#) when he sees he has inadvertently pulled the pin of the Arrogance grenade. The Believer may have heavy seas of Pressure, Adversity, Difficulty, even PROSPERITY, with Troubles, Calamities, Sorrows, the extremities of life and if his life is fragmented in Arrogance he will break up and sink in these heavy seas of adversity. The believer cannot maintain progress in the Spiritual Life when he has fragmented his life by involvement in the Interlocking System of Arrogance. However, if the believer is consistent in his use of the [Rebound Procedure](#) and functions consistently under Post Salvation Epistemological Rehabilitation from Perception, Cognition, Incultation and Metabolization of Bible Doctrine then he will weather the storms of life.

## The Escape

It is the responsibility of the individual's Volition to resist temptation from the Old Sin Nature thus resist the devil and his strategies to control the Human Race. ([James 4:7](#)) It is the responsibility of the individual's Volition to make the decision to use the Rebound Procedure and leave the Cosmic Dynaspheres if he has failed in some way and fallen into it. Therefore it is imperative that the believer learn and consistently use the Rebound Procedure to avoid the Cosmic Dynaspheres or escape from them when he becomes involved in them from personal failure to reject temptation. An essential key to this process is the effective teaching of Bible Doctrine from a properly prepared and oriented Pastor Teacher. ([1Pet 5:1-9](#))

All Pastor Teachers, like shepherds, are to lead their sheep to the food and water of the pasture but he does not go around grabbing each one by the neck and forcing him to eat and drink. The eating of the spiritual food of Bible Doctrine is a volitional choice from the privacy of the priesthood of the believer and results from [Teachability](#) developed from Humility in the Divine Dynasphere. Rejecting Bible Doctrine and eating the spoiled food of the Doctrines of Demons or resisting Bible Doctrine is developed from involvement in Arrogance. The sheep in the congregation of any local church must orient to the Authority of both Bible Doctrine and the Pastor Teacher who teaches it accurately and cease trying to promote self in any aspect of life. The principle for the believer is that when God does not promote one he is NOT promoted and forcing this issue results in the [Arrogance of Achievement](#) again entangling the believer within the Interlocking System of Arrogance classroom. The problem is that for the believer Achievement belongs to God while Happiness belongs to the believer IF he is consistently residing in the [Divine Dynasphere](#). ([1Pet 5:7](#)) However, Demon influence and living in the Cosmic Dynaspheres causes this concept to be distorted into "Achievement belongs to ME therefore I will be happy ONLY as long as I succeed". This is a fallacy and disorientation to reality. The believer must also understand the difficulty in consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine under the same Pastor Teacher. In order to be able to constantly listen to the same Pastor Teacher all the time and concentrate on the Bible Doctrine he is teaching requires Motivation and great Self Discipline and a clear understanding of where his is going in the Spiritual Life and what the big picture is. Therefore he must be constantly Alert to maintain residence in the Divine Dynasphere. Self Discipline is required to remain in the Divine Dynasphere and is a major part of any success in life in general. Therefore, Demon Influence can only be avoided through consistently living in the Divine Dynasphere and functioning consistently under the [Grace Apparatus for Perception](#), Operation Z with the 4 Rs of perception: ([1John 3:4-9](#))

- ✧ Reception – Faith Perception
- ✧ Retention – Metabolization of Bible Doctrine
- ✧ Recall – Application of Bible Doctrine to life
- ✧ Resist – Stand fast in stability of thinking and function in the Divine Dynasphere.

Without Absolute Truth fertilizing the thinking of the soul there is no possibility of [Virtue](#) being developed as a standard in the Conscience. ([Ps 25:8-9](#)) The believer learns from Absolute Truth

what Sin and Failure is, what happiness and salvation is and what the Plan of God for the believer is and how to be happy with people and in circumstances. God can and will instruct the sinner but those deeply involved in the Interlocking System of Arrogance are unteachable thus the reality of the extreme difficulty for these believers to recover from Arrogance. [Self Righteous](#) people cannot learn anything because they already know it all. ([Prov 11:2](#)) The Message of Elihu to Job in [Job 33:16-17](#) emphasizes that it is only Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which protects us from Arrogance.

The many entrances into Arrogance inevitably begin with a [Motivational Arrogance](#) of [Mental Attitude Arrogance](#) with Mental Attitude Sin but once in, the system then moves quickly to interlock the individual with any of the other categories of Arrogance. No matter how one enters he is vulnerable to all the levels of Arrogance. If he remains outside the Interlocking System of Arrogance he is, obviously, not vulnerable to the system UNTIL HE ENTERS IT. Once a person becomes Arrogant and enters into the system it controls his thoughts, decisions, motivations and actions. This is Degeneracy and it takes only moment of [Negative Volition](#), which may be the result of [Pride](#) or any other aspect of Mental Attitude Arrogance, which then leads to either Moral Degeneracy or Immoral Degeneracy. ([Prov 11:2](#)) Once in the system it is possible and likely that one can become a criminal, psychopath, distorted sex maniac, conspirator, anti establishment activist or a revolutionary among other disdainful things. The [Rebound Procedure](#) will extricate the believer from the Interlocking System of Arrogance but this does not mean the person will not turn right around and rapidly reenter the system. For the believer to remain outside the Interlocking System of Arrogance requires his consistent use of the [4 Spiritual Skills](#) and all of the Stages of the [Faith Rest Drill \(5 stages\)](#). In order to avoid constant failures and persistent residence in the Interlocking System of Arrogance the believer must follow up Rebound with consistent personal use of the Grace Apparatus for Perception for Perception, Cognition, Incultation and Metabolization and Application of Bible Doctrine. Deeply entrenched within the labyrinth of the Interlocking System of Arrogance there are members of organizations like the national council of churches, religious denominations and the bureaucratic government as a result of their ignorance of or failure to use the Rebound Procedure. The Degeneracy resulting from involvement in the Interlocking System of Arrogance is not the same as [Reversionism](#) although they do overlap in many areas. They are, however, 2 different aspects of believers failing where entrance into either involves foremost some level of REJECTION OR NEGLECT OF TRUTH in any of the 3 categories:

- ✧ Gospel of Christ for the unbeliever
- ✧ Bible Doctrine for the believer where there is failure to be consistent in the Perception, Cognition, Incultation and Metabolization of Bible Doctrine therefore failure in the function under the Grace Apparatus for Perception.
- ✧ Laws of Divine Establishment & Divine Institutions for both believer and unbeliever.

Both the Believer and unbeliever can be reversionistic and under negative volition toward truth and entrance into the Interlocking System of Arrogance is inevitably caused by the believer initially moving into Arrogance under some level of Negative Volition Arrogance. Historically, many great believers like David, Elijah, Moses, Paul, etc., as believers in Maturity Adjustment to the Justice of God entered this Arrogance system as rapidly as the immature believer. Once

in the Interlocking System of Arrogance and being vulnerable to all the rest of the Arrogance Complex the believer might even think of self as a great believer because of functioning under some system of [Morality](#) which he has substituted for true spirituality. However, morality has nothing to do with spirituality. This morality he is so very proud of in the Arrogance system is in fact very unstable and can cause interlocking with many other aspects of Arrogance. ([Job 33:16-17](#), [Ez 7:10](#))

If one is not rapidly moving to get out or stay out of the Interlocking System of Arrogance he should fear the Divine Discipline from God which can lead to the [Sin Unto Death](#) under Negative Volition Arrogance and a degradation of his Spiritual Life as he slides down through reversionism. If one is in the Interlocking System of Arrogance and he is able to extricate himself, he does so only by having respect for the proper things in life. He can avoid the Divine Discipline which comes from the Interlocking System of Arrogance by [Respect for and Orientation to Authority](#) especially that of God and the mandates of his word. As an unbeliever the only true mandated issue in life is the Gospel of The Lord Jesus, The Christ for salvation. As a believer the only true issue and the key to the Spiritual Life is consistent Perception, Cognition, Incultation and Metabolization of the whole realm of Bible Doctrine in scripture. For both this includes a respect for and function under the [Laws of Divine Establishment](#) & [Divine Institutions](#) doctrinal principles from scripture. As an unbeliever the only way to break out of the Interlocking System of Arrogance is by means of the acceptance of and adherence to the Absolute Truth in the Laws of Divine Establishment, Divine Institutions and the Gospel of Christ for regeneration as a result of choosing Salvation Adjustment to the Justice of God. As a believer the only means to break out of the Interlocking System of Arrogance is by persistent and consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine and the frequent consistent use of the Rebound Procedure and the Faith Rest Drill (5 stages) techniques. Arrogance is only restrained by Positive Volition toward doctrine and respect for God which can and should include fear of Divine Discipline from God. Fear of punishment is a legitimate restraint on the believer until he reaches [Maturity Adjustment to the Justice of God](#). Once a believer approaches or reaches Maturity Adjustment to the Justice of God then the level of responsibility existing there along with the development of [Occupation with the Person of The Lord Jesus, The Christ](#) results in the fear of punishment no longer being a major issue. This occurs because of the development of capacity for Maximum Category I Love motivation which replaces any fear as a restraint on involvement in the Interlocking System of Arrogance.

Therefore the divine solution to Arrogance is 2 fold:

- **Pre-salvation Solution of Regeneration** through faith alone in The Lord Jesus, The Christ alone resulting in [Salvation Adjustment to the Justice of God](#) and initial entrance into the [Divine Dynasphere](#), the Protocol Plan of God as a part of the Royal Family of God in this Church Age. This results in God the Holy Spirit creating a new human spirit for each believer thus regenerating him as the one who has accepted the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross for all human sins which provided the potential for Eternal Salvation.

- **Post Salvation Solutions** through the Spiritual Mechanics of the Protocol Plan of God which include the use of the 2 Power Options of Filling of God the Holy Spirit and Perception, Cognition, Incultation and Metabolization of Bible Doctrine and the 4 Spiritual Skills. This adds the development and deployment of the 10 Problem Solving Devices onto the Forward Line of Troops of the soul resulting in the execution to completion of the Protocol Plan of God. This believer then reaches Maturity Adjustment to the Justice of God and may move beyond to Advanced Maturity Adjustment to the Justice of God. The Direct Escrow Super – Grace BLESSING from God is intensified for the believer who moves from Maturity Adjustment to the Justice toward Advanced Maturity Adjustment to the Justice of God. Divine Discipline for Sin is also intensified here as a result of the Self Righteousness of the believer who falls into a Mental Attitude revolving around Arrogance.

### Recovery from Arrogance

Believers must rethink their priorities and establish a permanent Scale of Values related to the Irrevocable Assets provided by God at Salvation Adjustment to the Justice of God for their life support and related to the Christian Way of Life within the Divine Dynasphere. Spending even a single hour of the day in the Cosmic Dynaspheres is tragic and they must develop the sense, even a reflex action, for using the Rebound Procedure to keep short accounts of their failings. Then they must keep moving ahead in the Spiritual Life with Post Salvation Epistemological Rehabilitation from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. There are those believers who, in their Arrogance, think they do not sin which John clearly refuted a long time ago. (1John 1:8-10) This clearly reveals the necessity for and mechanics of the Rebound Procedure which is to be PRIVATE between the believer and God even if he has hurt other people. However, when a believer has caused problems for others he should correct the situation but NEVER proclaim his sins to them. Rebound is a “procedure” based on the Substitutionary Spiritual Death of Christ on the cross during the judgment of all sins by God the Father in the humanity of Christ. Just as there is NO MERIT in faith for Salvation Adjustment to the Justice of God there is NO MERIT in acknowledging sins to God, and Rebound is only the believer recognizing the efficacy of God’s judgment, so that God can be faithful and justified in forgiving those named sins.

### Orientation to the Christian Way of Life

Paul’s answer to the believer living in this world ruled by Satan is in Phil 4:11, explaining that the believer is to BE CONTENT with whatever circumstances he is in. In 1Tim 6:6-8 Paul also said, Godliness or Spiritual Maturity, is a means of great profit when accompanied by contentment. The minimum standard for the believer in this life is simply having enough food and proper clothing which should bring to the believer contentment. There are many types of lust and many levels of involvement in Arrogance and in Heb 13:5, the believer is told to let his lifestyle be free from the LOVE OF MONEY, and be content with what he has, for He, God, has said, that He will never leave the believer and He will never forsake him. This is not inferring that believers should have a lifestyle free of money and live in poverty under extreme asceticism, because without money one cannot have any lifestyle to speak of. However, one’s personal lack of great prosperity OR the prosperity of another person should never distract the

believer from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. Whether a person functions under Evil or Grace and whether he is an advancing winner believer or a reversionistic loser believer, that should never be the source of distraction for any other believer. Believers may in fact classify some people as functioning under EVIL but this in reality is NONE OF THEIR BUSINESS but it is possible that it will occur, especially if these others push the believer and fail to give him his privacy. There are always many reasons for these kinds of attitudes some valid and some imagined. One must never become involved in Mental Attitude Sins or Lusts including [Jealousy](#) or [Bitterness](#) or Envy which will instantly pull the pin of the Arrogance Grenade and deeply entangle him in the Interlocking System of Arrogance and result in fragmentation of his own life. The only prosperity in life which really counts originates from execution of the Protocol Plan of God and subsequent distribution of the Escrow Super – Grace Blessings for time which have been deposited for each believer by God in Eternity Past. When the believer has these blessings distributed to him, he will have contentment plus prosperity which perfectly FITS his capacity in life. Every believer should always be aware that God does not prosper all believers in the same way and He knows the capacity each has for various levels and types of prosperity and knows that if He gives some believers certain things they would be totally miserable because they lack capacity for those things. When the believer receives blessing from God, only things which align with his capacity are provided and all that believer must do is stay within the framework of the capacity which God provides by KNOWING HIS OWN [LIMITATIONS](#).

The real prosperity for the Christian functioning in the Protocol Plan of God is related to understanding the [10 Problem Solving Devices](#) and the [10 Unique Characteristics of the Church Age](#) and using them, building a solid [Edification Complex of the Soul](#), living and functioning consistently withing the [Divine Dynasphere](#) AND consistently using the 40 Assets provided for every believer by God at the point of his making Salvation Adjustment to the Justice of God. Most individuals when they have temporal prosperity are totally miserable but always put on a front of great happiness while inside they are completely distraught and constantly worrying about losing their material possessions. Without capacity, prosperity is meaningless and useless and a source of great irritation and unhappiness, but when God provides prosperity, aligned with one's capacity which has developed from consistent Post Salvation Epistemological Rehabilitation, it brings fantastic happiness. This is why the Word of God emphasizes CONTENTMENT with what one has and having minimal temporal assets should bring contentment because there is a capacity aligned with these things and developed from Perception, Cognition, Incultation and Metabolization of Bible Doctrine, which is absolutely fantastic when it comes. Therefore, true prosperity for the believer is always related to his spiritual assets though there will be other aspects of and advances in prosperity as he advances and **Progresses in the Spiritual Life**.

The only way for the believer to avoid total entanglement in the Interlocking System of Arrogance, Cosmic Dynasphere I is by advancing to Spiritual Adulthood and reaching the point of [Basic Personal Love for God](#) within the [Integrity Envelope](#) beginning with Problem Solving Device #7. The believer will build an appreciation for what God has provided as he moves through spiritual youth but a Personal Love for God does not truly begin until he reaches the

level of spiritual adulthood. This can continually advance into an [Advanced Personal Love for God](#) as Occupation with the Person of The Lord Jesus, The Christ when the believer reaches Spiritual Maturity. Consequently the 7<sup>th</sup> and 10<sup>th</sup> Problem Solving Devices do not become truly effective as Problem Solving Devices until the believer reaches Spiritual Adulthood and then moves into Maturity Adjustment to the Justice of God. Along with the basic Personal Love for God when the believer reaches Spiritual Self Esteem and has friends and even a romantic love he must have also developed a solid [Impersonal Love for Mankind](#) to enable this love of other people to function properly. Therefore, the only the escape from or means of avoidance of entanglement in the Cosmic Dynaspheres is execution of the Protocol Plan of God. ([Prov 16:18](#), [Prov 11:2](#), [Prov 29:23](#), [Is 13:11](#), [James 4:6](#), [1Pet 5:6](#)) The definite command for the believer is to STOP being Arrogant and STOP lying against or about Bible Doctrine because this is [Self Deceit](#) and Arrogance. ([James 3:14-16](#)) It is only Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which is to be the standard of thinking for the believer and this is the only means of developing the Divine Viewpoint of Life. ([Rom 12:3](#))

### **[Solution to National Arrogance](#)**

The only check on mass or [National Arrogance](#) is the understanding of and adherence to the [Laws of Divine Establishment](#) and [Divine Institutions](#) for the entire population and a consistent positive attitude change for believers regarding Perception, Cognition, Incultation & Metabolization of Bible Doctrine. Only [Metabolized Bible Doctrine](#) in the Stream of Consciousness of the Soul and function under Laws of Divine Establishment can act as a catharsis for existing Arrogance as well as insulation against Arrogance. Every person has an Old Sin Nature and sooner or later each must face this as an issue. There is no way to crusade against Arrogance and, in fact, as soon as one crusades in any way he enters into Arrogance. Laws cannot be passed against the Old Sin Nature function nor Interlocking System of Arrogance involvement because legislation is not designed to control the Interlocking System of Arrogance which is so very devastating to both believer and unbeliever. The ONLY Solution to avoiding the entrance into the Interlocking System of Arrogance is a matter of PERSONAL VOLITION and [Authority Orientation](#) in the Human Race in general. The function of Bible Doctrine in the form of the Gospel and then the entire realm of Bible Doctrine from the scripture is supposed to have as its impact on the individual a change in his own personal life. It is absolutely impossible to apply Bible Doctrine, no matter how much Bible Doctrine one has learned, if there is Arrogance in the Stream of Consciousness of the Soul. Arrogance will not permit the transfer Bible Doctrine from the Left Lobe of the soul to the Right Lobe of the Stream of Consciousness of the Soul and Arrogance will not allow Metabolized Bible Doctrine to be deployed where it is applicable to situations in life and can be used as solutions. It is possible to learn a great deal of Bible Doctrine and take great pride in it and by this means also become Arrogant.

Within the Interlocking System of Arrogance the believer does not need to have developed [Scar Tissue of the Soul](#) to believe the LIE from EVIL and fail in the application of Bible Doctrine. However, the development of Scar Tissue of the Soul instantly results in the [Faith Rest Drill \(5 stages\)](#) being cut off and Bible Doctrine not being applied. In victory the mature believer uses the 5 stages of the Faith Rest Drill and succeeds in avoiding the Interlocking System of

Arrogance. In failure the mature believer malfunctions under the 5 stages of the Faith Rest Drill and therefore fails. The mature believer, being the greatest in the use of the Faith Rest Drill <sup>(5 stages)</sup>, malfunctions in Faith Rest BECAUSE OF Arrogance. Therefore, even the greatest believers can get caught in Arrogance. Consequently, victory in the Spiritual Life by mature believers often enters them into Arrogance and they carry this Arrogance to the point of defeat and malfunction of the Faith Rest Drill <sup>(5 stages)</sup>. This occurs because invariably the believer is ALWAYS most vulnerable to defeat after great victory and the source of the defeat will be found in the Interlocking System of Arrogance. God is fair and works for each individual believer and the believer DOES NOT WORK FOR HIM. God knows what he is doing and the believer cannot do anything to advance the Plan of God and always needs God's help and He does not EVER need ours. The point is that the little Bible Doctrine which the believer can know is nothing compared to what God knows. Applications made from this simple principle will force one into Humility and thus protect him from Arrogance and therefore he will have the potential to have capacity for life, love and happiness. Arrogance in any form closes down the Faith Rest Drill and as a result the Metabolized Bible Doctrine in one's Stream of Consciousness of the Soul cannot be drawn out as Doctrinal Principles or Doctrinal Rationales for application to situations in life.

As a result of the 2 imputations from God to the individual at physical birth one can see clearly how wise God is and how stupid man is and can then relate one's life to God and NEVER to other believers. Absolute Righteousness in each believer is also a great insulator from Arrogance in his life if he simply remembers that he has been given this at the point of faith alone in The Lord Jesus, The Christ alone and could never have earned nor deserved it. Arrogance is the most dangerous and detrimental DISTRACTION to Bible Doctrine because it provides so many ways to distort Bible Doctrinal principles. One must always be cognizant that the Plan of God rolls right on despite all of the Arrogance of any individual believer in any stage of spiritual growth or any nation whether operating properly as a client nation to God or wallowing in mass Arrogance. It is imperative to remember that the Plan of God was designed and laid out in Eternity Past and God took into consideration EVERY SUCCESS AND FAILURE EACH INDIVIDUAL WOULD ENGAGE IN when he formulated His plan. No one is indispensable in the service of the Lord and no human being can ever conclude that God cannot get along without him. Undoubtedly the worst conclusion anyone can ever come to is that the world and God cannot get along without him. This results from failure to use reverse concentration on Bible Doctrine in any pressure situation. Because of this failure to learn the lesson that divine plans can only be executed by divine provision resulting in divine glory great believers are very often be set aside as spiritual leaders. God must therefore assign to these Arrogant spiritual leaders Divine Discipline in the form of demotion. This is failure and total Arrogance and the failure of mature believers is very often Arrogance. The Interlocking System of Arrogance does not need the development of Scar Tissue of the Soul from involvement in Reversionism to lock the believer in and blind and trap him. Whenever one uses his volition in any situation, he is held accountable by the Justice of God, whether he knows he is doing wrong or not, because God gave him volition specifically to resolve the angelic conflict. Therefore, entrance into the Interlocking System of Arrogance by even the most obscure means is still a very good reason for intensive Divine Discipline administered by God to the believer.

The biography of the WALKING GRENADE found in [2Tim 3:2-7](#) is the story of the fragmented life and this is describing believers. Advancing believers under consistent Positive Volition toward Bible Doctrine are therefore commanded to AVOID these fragmented believers because they will destroy one's Spiritual Life. Fragmentation from Arrogance involvement results in the believer, when exposed to Bible Doctrine, never learning the Absolute Truth of Bible Doctrine because the fragmentation from Arrogance RESISTS metabolization or Acceptance of Bible Doctrine. The devastating result is that without Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul there can be NO momentum in the Spiritual Life.

## Conclusions

It is extremely important for the believer to understand that Arrogance is what started the Angelic Conflict Revolution in eternity past and it began in the THINKING of Lucifer, son of the morning, the most beautiful, capable and intelligent of creatures ever created by God. This Arrogance was developed, after the Angelic Conflict Trial Appeal was granted, into a planned system of ruling this world with a policy known as EVIL. This Plan and Policy of Satan has functions which both angelic and human beings are expected to operate under and thereby produce "GOOD DEEDS". The operational mechanics for function under EVIL, the Plan of Satan, to produce Human Good by human beings are found within the Cosmic Dynaspheres. These are the power spheres of the Plan of Satan, which consist of the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred. It is truly imperative for the Christian to understand that this entire world RUNS ON A SYSTEM BASED ON THE INTERLOCKING SYSTEM OF ARROGANCE, Cosmic Dynasphere I, designed to enable the production Human Good deeds apart from any involvement with GOD. This intricate system of deception and distraction for the believer not only INTERLOCKS within itself but also INTERLOCKS with Cosmic Dynasphere II, the Interlocking System of Antagonistic Emotional Hatred and the 8 Stages of Reversionism for the explicit purpose of halting and then destroying the Spiritual Life of the believer. This then, obviously, prevents his spiritual advancement and functionality as a witness for the prosecution in the Angelic Conflict Appeal Trial, the SOLE PURPOSE for human beings to exist. Once there is entrance by some level of Negative Volition toward the principles of Bible Doctrine which then moves the individual into one of the myriad "Gates" of the Interlocking System of Arrogance there is immediate interaction and interlocking with many other areas of Arrogance which serve to DISTRACT the believer from his proper function in the Spiritual Life under the Protocol Plan of God. This entrance into Arrogance functions interlocks with Reversionism which will systematically remove any accumulated Metabolized Bible Doctrine from the believer's soul and replace it with principles of EVIL. In addition when there is persistent resistance to Bible Doctrine and function within the Interlocking System of Arrogance this eventually leads to "interlocking" with the Interlocking System of Antagonistic Emotional Hatred where the believer's Arrogance functions are expanded so that he becomes a direct antagonist to Bible Doctrine and the Plan of God and God himself, an ENEMY of God. (James 4:4-7)

It is the believer's responsibility to RESIST involvement with the power spheres of Satan, the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred, and continue living within the power sphere of God, the Divine Dynasphere. Several things will weaken the believer's resistance to these attacks of Satan with all his strategies:

- ✧ Succumbing to involvement within the Interlocking System of Arrogance with its resultant Christian degeneracy
- ✧ Adherence to False Doctrine (1Tim 4:1)
- ✧ Involvement in Cosmic Dynasphere II the Interlocking System of Antagonistic Emotional Hatred with its tie into Emotional Revolt of the Soul.
- ✧ Being drawn into the 8 Stages of Reversionism and neglecting the Spirituality Envelope of Problem Solving Devices #1 & #2.

Obviously the believer must learn the Absolute Truth of Bible Doctrine so that he can think in terms of this Truth and avoid the FALSE issues of the Cosmic Dynaspheres. Truth as Metabolized Bible Doctrine saturating the Right Lobe of the Stream of Consciousness of the Soul modifies the Stream of Consciousness of the Soul and alters the Memory, Categorical Storage, Norms and Standards, Frame of Reference and all compartments of the Right Lobe of the Soul to enable the thinking of the believer to be altered into Divine Viewpoint. However, rejection of the TRUTH of Bible Doctrine at any level results eventually and inevitably in any previously Metabolized Bible Doctrine being systematically ERASED from the Stream of Consciousness of the Soul and replaced with the LIES of the doctrines of demons derived directly from the Policy of Satan, EVIL. Once the believer thinks in terms of TRUTH he then has the needed integrity to function properly behind the [Forward Line of Troops](#) of his soul consisting of the [10 Problem Solving Devices](#), the Spiritual Mechanics of the [4 Spiritual Skills](#) while consistently residing in the [Divine Dynasphere](#) and functioning through the completed construction of the [Edification Complex of the Soul](#). Therefore, Christian [Integrity](#) is mandated in the Protocol Plan of God and is obtained by:

- Accumulation of the Absolute Truth of Bible Doctrine
  - Using the [Grace Apparatus for Perception](#), Operation Z to engage the 4 Rs of Reception, Retention, Recall and Resistance to the Cosmic Dynaspheres
  - Therefore, Knowing, learning, standing by the truth in all cases
- Development of thought as [Divine Viewpoint](#) thinking from Maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

Thus Metabolized Bible Doctrine circulating through the Right Lobe of the Stream of Consciousness of the Soul is the **ABSOLUTE PRIMARY ESSENTIAL** in the Christian Way of Life to enable the believer to resist and overcome involvement in the Cosmic Dynaspheres and to recover from any involvement in the [Stages of Reversionism](#). The principles contained in this document regarding the Interlocking System of Arrogance cannot and MUST NOT be minimized because their subtlety in attracting the believer to reside within that sphere of influence is rarely understood by Christians and results in the destruction of the potential of their Spiritual Life. In addition because of the influence of the invisible hero Mature believer on his nation and on history in general the overall involvement in Arrogance by Christians prevents their rise to [Maturity Adjustment to the Justice of God](#) and thus results in national destruction and historical disaster. Without consistent post salvation epistemological rehabilitation from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine the believer cannot advance in the Spiritual Life and will live a totally distorted and miserable life. Everything in life after Salvation Adjustment to the Justice of God, all happiness, all meaningful things, all the means of handling problems and pressures in life, all worthwhile things, come from the accumulation of a maximum level of Metabolized Bible Doctrine in the believer's own Right Lobe of the Stream of Consciousness of the Soul along with ALL potential Eternal Blessings. This is also true for the unbeliever on a limited basis, who has rejected The Lord Jesus, The Christ, when he accepts and functions under the doctrinal concepts involved in the [Laws of Divine Establishment](#) and [Divine Institutions](#), but his blessings exist ONLY for his lifetime. The result of maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul of the believer is the development of the [Integrity](#) of the believer

necessary to stand behind that Forward Line of Troops to resist the attacks of Satan and consistently move forward in his Spiritual Life to Maximum Glorification of God. No matter where the believer is in his life HE WILL BE SUSTAINED by God until he has used up the provision of his EQUALITY of Opportunity and Privilege to complete the Execution of the Protocol Plan of God. To accomplish this execution he must use the Power of God the Father, God the Son, and God the Holy Spirit, related to residence, function and momentum within the Divine Dynasphere.

No spiritual progress is possible when the believer becomes involved in the EVIL of the Cosmic Dynaspheres of Satan, the [Interlocking System of Arrogance](#) and the [Interlocking System of Antagonistic Emotional Hatred](#) and functions under the [3 Arrogance Skills](#) to the destruction of his Spiritual Life as he progresses through the Stages of reversionism. Such involvement simply and inevitably makes him totally miserable and negates any potential [Divine Good](#) influence he might have on himself, his friends and loved ones, his nation and on history.

### **The Fragmented Life**

The tragedy of the fragmented life is that GOD has provided an incredible amount of protection to prevent the believer fragmenting his life and becoming a LOSER Believer. It is the Loser believer, failing to Execute the Protocol Plan of God due to an overriding [Negative Volition](#) toward Bible Doctrine who has a totally Fragmented Life as a result of his being totally ignorant of God's Plan, Purpose and Will for his life in this Church Age.

The Grace provision of God as protection for the believer to avoid fragmenting his life includes:

- ✧ [40 Divine Assets](#) given each believer at Salvation Adjustment to the Justice of God.
- ✧ The Unique [Mechanics](#) of the Spiritual Life in this Church Age.
- ✧ [10 characteristics of the Church Age](#)
- ✧ [10 Problem Solving Devices](#) of the Church Age
- ✧ [4 Spiritual Skills](#)
- ✧ God's Power System, the [Divine Dynasphere](#).
- ✧ Mystery Bible Doctrine of the Church Age
- ✧ The Grace Mechanics for Post salvation Epistemological Rehabilitation including the Grace Apparatus for Perception, [Operation Z](#) and the 4 Rs of Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine to life.

Every individual lives long enough to be able to make decisions regarding The Lord Jesus, The Christ and his Spiritual Life, IF he CHOOSES to have one, therefore every believer CHOOSES his own life as a believer. The Winner Believer makes Good decisions from a position of Strength which results from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and its use in application to his life {(gr)[Sophia](#) – Wisdom}. Winners use the Grace Provision from God and engage in Daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine and Live in the Sphere of Power and Blessing from God, the Divine Dynasphere. The Loser believer makes BAD decisions from a position of weakness lacking Bible Doctrine in the Right Lobe as a result of CHOOSING to live within the Cosmic Dynaspheres in the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred thus leading a totally fragmented life and he remains

(gr) Nepios, a physical adult who is childish and fragmented. Therefore, the Loser believers pull the pin of the Cosmic Dynasphere Grenade using their own volition and as a result fragment their own life therein.

**Recovery from the fragmented life:**

Recovery from the Fragmented life of living and functioning in the Interlocking System of Arrogance must begin with the most basic Problem Solving Device, #1, [The Rebound Procedure \(1John 1:9\)](#) This initiates the process of recovery but subsequent to using the rebound procedure the believer MUST KEEP MOVING forward in the Spiritual Life through consistent Post Salvation Epistemological Rehabilitation.

The Tragedy of the Spiritual Life is that MANY if not MOST believers never make use of the **40** Assets provided by God to prevent fragmentation of one's life and therefore never execute the Protocol Plan of God through consistent Post Salvation Epistemological Rehabilitation. The result for this fragmented believer is his being completely IGNORANT of the provisions of God for his life to enable his spiritual growth. Every believer makes a single choice at Gospel Hearing for or against Salvation Adjustment to the Justice of God but then, as a believer, he must make consistent daily choices based on his establishment of priorities in life. The winner believer who makes Good decisions from a position of Strength chooses to become a mature believer and invisible hero. He CHOOSES to use the Grace provisions of God and engage in the daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine and engage the Rebound Procedure when needed and continuously move on in his Spiritual Life. Loser believers who CHOOSE to make Bad decisions from a position of weakness end up remaining childish believers with totally fragmented lives and thereby fail to acquire their [Escrow Blessings](#) in 6 categories for time and their Escrow Blessings for all eternity.

## [Introduction to Arrogance Reference Material](#)

This document concerning Arrogance is for all believers and even unbelievers to give to them an understanding how one uses his own volition to destroy his own temporal and spiritual life. However, it is NOT a simplistic treatise on arrogance but requires understanding of some very complex and advanced principles of Bible Doctrine which I have attempted to include here. Therefore, this segment of the 3 part document regarding the Interlocking System of Arrogance is the reference material which basically is information to support and solidify accurate concepts of the Christian Way of Life and help provide a solid background for understanding how involvement in Arrogance can disrupt and distort the Spiritual Life, destroying the effectiveness of the believer in his service to Christ. Within this 3<sup>rd</sup> section is a compilation of such reference material providing clarification regarding the [Power System of God](#) – the Divine Dynasphere, the [10 Problem Solving Devices](#), the [Edification Complex of the Soul](#), the degradation resulting from the Apostasy of [Reversionism](#), and many other fundamental considerations in the Christian Way of Life.

## The 10 Problem Solving Devices

### **#1 – Rebound Procedure**

(1John 1:9, 1Cor 11:31, Rev 3:19, 2Tim 2:25, Eph 4:22, Heb 9:12-15, Heb 12:11-15, James 1:21, Phil 3:13, Jer 3:13, Lev 4, Prov 28:13, Ps 32:5, Ps 38:18, Ps 51:1-4, Rom 12:1, Rom 6:12-13) A Grace procedure to recover from sin requiring the believer to name, site or acknowledge his sin to GOD directly functioning under his Royal Priesthood representing himself to God.

### **#2 – Filling of God the Holy Spirit**

The indwelling of God the Holy Spirit for every believer in this Church Age plus the Royal Priesthood of each and every believer makes it possible for the believer to be under the Filling of God the Holy Spirit. This is the primary power source of the Grace Plan of God. the teacher of Bible Doctrine under the [Grace Apparatus for Perception](#), Operation Z.

### **#3 – Faith Rest Drill**

5 stages of progressively developed nonmeritorious [Faith Rest](#)

- ↗ Faith Perception
- ↗ Claiming Promises from God
- ↗ Supporting Promises with Metabolized Bible Doctrine Principles
- ↗ Forming Bible Doctrine Rationales
- ↗ Coming to Bible Doctrine focused conclusions

### **#4 – Grace Orientation**

The opening of the [Orientation Envelope](#) of the Plan of God which begins development of an understanding and appreciation of the Grace Policy and Grace Plan of God. See “[To an Understanding of Grace](#)”

### **#5 – Bible Doctrine Orientation**

The closing of the [Orientation Envelope](#) of the Plan of God which focus’ the believer’s understanding on the necessity for continued development of consistent Post Salvation Epistemological Rehabilitation from persistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine the only means for spiritual growth.

### **#6 – Personal Sense of Destiny**

Increased levels of Metabolized Bible Doctrine in the Soul provide an understanding that as long as the believer lives, God has a plan and purpose for his life in time AND has provided all necessary support for his function in that plan.

### **#7 – Personal Love for God**

This is the opening of the Integrity Envelope of the Plan of God and the primary [Motivational Virtue](#) of Love for God which only results from maximum Metabolized Bible Doctrine in the soul.

### **#8 – Impersonal / Unconditional Love for Mankind**

This is the closing of the Integrity Envelope of the Plan of God and the primary **Functional Virtue** of toleration of the failures, flaws and quirks of others providing a solid orientation to the **Divine Institutions** and the **Laws of Divine Establishment**.

### **#9 – Sharing the Happiness of God**

This is the culmination or maximized development of inner happiness, contentment and mental stability from **Progress in the Spiritual Life** as a result of the accumulation of Maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

### **#10 – Occupation with the Person of The Lord Jesus, The Christ**

This is the complete development of the Love for God as Advanced Personal Love for God from maximum Metabolized Bible Doctrine in the Soul usually referred to as Occupation with the Person of The Lord Jesus, The Christ.

For a more complete descriptions see **“Understand the Problem Solving Devices”**

## **Problem Solving Devices on the Forward Line of Troops**

### **CREATION OF PROBLEM-SOLVING DEVICES**

## The Problem Solving Devices & The Gratitude Gauge

The gratitude gauge is an invisible measure in the soul that indicates the progress of the believer's rapport and relationship with God. The gauge assesses incremental increases of capacity in the spiritual life. Each increment reflects one of the ten problem-solving devices deployed on the FLOT line of the soul. The gauge registers "1" when the believer employs rebound. When the believer metabolizes doctrine, he advances by spiritual growth to the highest reading of "10"—occupation with Christ. At this pinnacle of the spiritual life the mature believer achieves maximum capacity for virtue, honor, and integrity; for life, love, and happiness; and the divine viewpoint necessary to solve problems and glorify God to the maximum.

### **The Edification Complex of the Soul**

For those familiar with the Edification Complex of the Soul devised by R. B. Thieme Jr. in his presentations of Bible Doctrine over the course of some 53 years this layout of the Edification

Complex of the Soul is based on his EARLY studies in combination with his later descriptions of the Edification Complex of the Soul, it is a compilation of ALL that he said concerning the structure of the Edification Complex of the Soul. (FF)

### **Foundation**

**The Filling of God the Holy Spirit**, this is Power Option #1, the ultimate power of the Spiritual Life initially provided for the believer at Salvation Adjustment to the Justice of God when God places the believer into his Divine Dynasphere but must be maintained by consistent use of the Rebound Procedure ([1John 1:9](#)).

### **1<sup>st</sup> Floor**

**Grace Orientation**, comprehending and accepting that Salvation Adjustment to the Justice of God is by faith alone in the Substitutionary Spiritual Death of The Lord Jesus the Christ alone and cannot ever be earned, deserved nor added to lest Salvation never be acquired. Understanding in addition that provision for the life of the believer and his function in the Plan of God is based on the WORK of GOD not the believer's efforts. ([Gal 5:21](#))

### **2<sup>nd</sup> Floor**

**Authority Orientation – Humility & Teachability**, this is the opening of the Virtue Envelope of [Gate #3](#) of the Divine Dynasphere with the development of Authority Orientation under adherence to the Laws of Divine Establishment and is the basis for Virtue with the development of Enforced Humility from Enforced Discipline leading to the development of Genuine Humility from Self Discipline, the Humility Envelope as foundational virtue.

### **3<sup>rd</sup> Floor**

**Bible Doctrine Orientation**, this is the clear understanding that from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine comes the Application of Bible Doctrine to life and that this is the primary *[ESSENTIAL](#)* in the Spiritual Life.

### **4<sup>th</sup> Floor**

**Personal Love for God**, this is the primary Motivational virtue of [Gate #6](#) of the Divine Dynasphere and [Problem Solving Device #7](#) as part of the Integrity Envelope of the Spiritual Life developed only by KNOWING God from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

### **5<sup>th</sup> Floor**

**Impersonal, Unconditional Love for Mankind**, this is the primary Functional Virtue of the Integrity Envelope of ([Gate #6](#) of the Divine Dynasphere and [Problem Solving Device #8](#), and initially develops from the motivation from Personal Love for God and an understanding of and adherence to the principles of the [Divine Institutions](#) and [Laws of Divine Establishment](#) under the concept of Live and Let Live.

## **6<sup>th</sup> Floor**

**Relaxed Mental Attitude**, this is a complete lack of Motivational Arrogance, Mental Attitude Arrogance and Mental Attitude Sins as a result of the believer approaching or reaching Maturity Adjustment to the Justice of God from consistency in Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

## **7<sup>th</sup> Floor**

**Mastery of the Details of Life**, this is a complete understanding that everything in one's life is a detail and basically inconsequential in the Protocol Plan of God where Bible Doctrine is the only ESSENTIAL in the Christian Way of Life, so that the believer is content when he has the details and content when he lacks the details recognizing that the SOURCE of the details is vastly more important than the details themselves.

## **8<sup>th</sup> Floor**

**Sharing the Happiness of God**, is developed from a Relaxed Mental Attitude with maximum inner happiness, contentment, stability and peace as a result of the accumulation of a maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul providing capacity for life

### Grace Apparatus for Perception – Operation Z

**Operation Z** is the structured involvement and mechanical process of learning Bible Doctrine based on the Filling of God the Holy Spirit under his mentorship ministry and with the believer functioning under Positive Volition Faith as a non-meritorious system of perception. It begins when the Pastor Teacher teaches Bible Doctrine which God the Holy Spirit takes, when Positive Volition exists on the part of the believer, and moves into the Human Spirit. Simultaneously God the Holy Spirit moves this Doctrine from the Human Spirit into the Left Lobe of the Soul, in order for it to become academic knowledge, (gr) gnosis, for academic comprehension. Here the understood or comprehended Bible Doctrine is staged for the believer to use his volition to accept or reject it on the basis of nonmeritorious Faith. Accepting the Bible Doctrine by faith results in its being transferred again by God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul becoming “epignosis” knowledge or Metabolized Bible Doctrine. In the Right Lobe of the Stream of Consciousness of the Soul accumulation of this “metabolized” or accepted Bible Doctrine then saturates the compartments of the soul and transforms the soul of the believer. It eventually becomes sufficient in its accumulation and acceptance for application to life as wisdom, (gr) sophia. This process is a GRACE benefit from God and is therefore labeled the [Grace Apparatus for Perception](#).

This is the mechanic for the Perception, Cognition, Incultation and Metabolization of Bible Doctrine for the believer based on the ministry and Filling of God the Holy Spirit under [Operation Z](#). This involves the Concepts and Principles of the 4 Rs:

#### 4 Rs of Perception, Cognition, Incultation and Metabolization of Bible Doctrine

- ▲ Reception – the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine under Stage 1 of the Faith Rest Drill (5 categories)•
- ▲ Retention – the Faith transfer of the learned Bible Doctrine under the ministry of God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul where it is stored as memory, vocabulary and categories of Bible Doctrine modifying the Frame of Reference and Norms and Standards of the soul.
- ▲ Recall – the Faith application of Bible Doctrine by the:
  - Claiming one or more of the 7000+ promises of God in the bible.
  - Using doctrinal principles to support these promises.
  - Developing doctrinal Rationales from the combination of these promises and

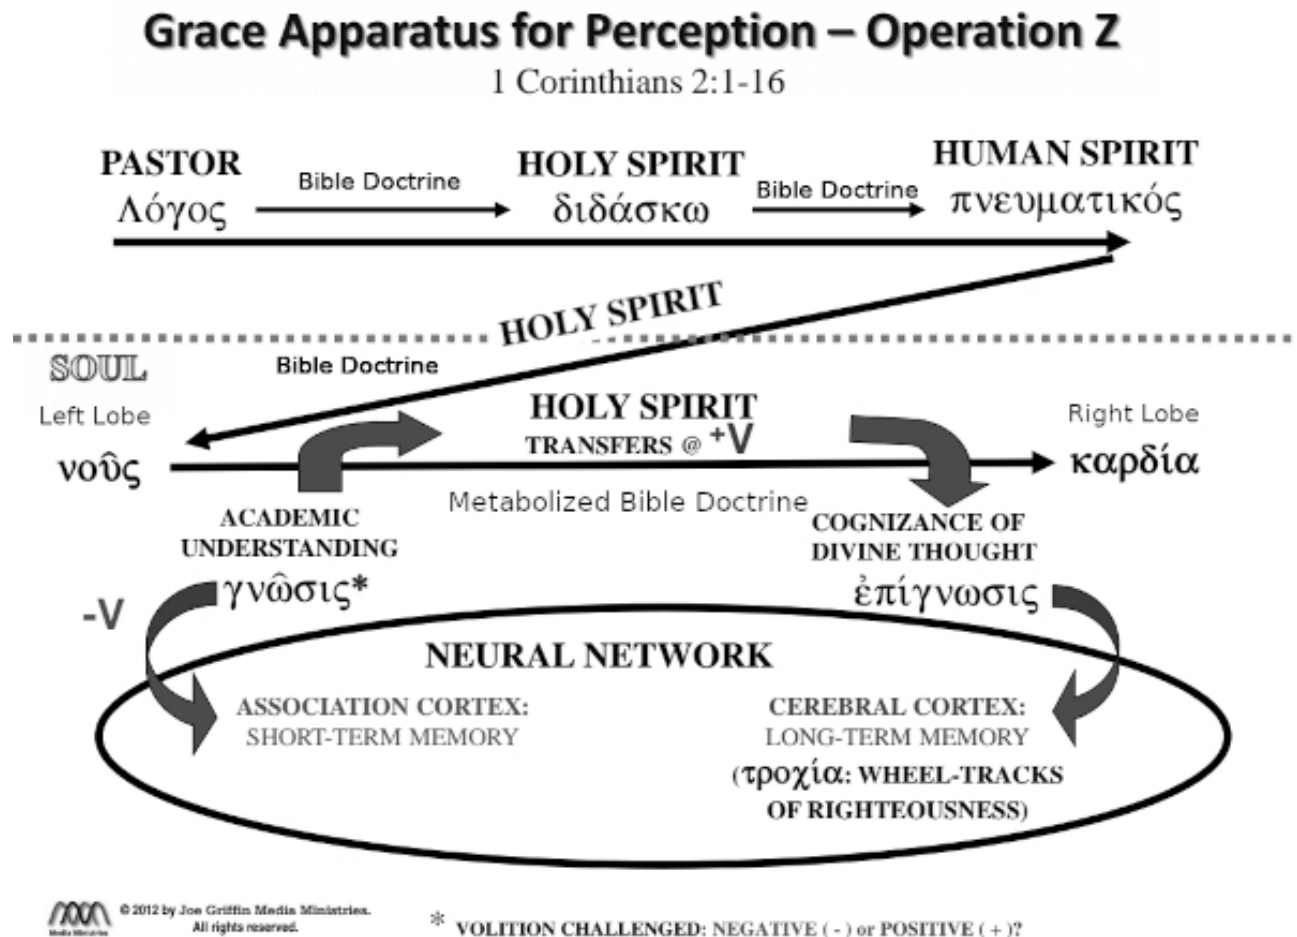

principles.

- Reaching doctrinal conclusions to control or overcome the situation.
- ▲ Resistance – to the influence of Evil and temptations from the Old Sin Nature to engage in functions within the Cosmic Dynaspheres.

### **Malfunction of the Grace Apparatus for Perception**

If one does not transfer academic knowledge accumulated in the Left Lobe of the Soul into the Right Lobe of the Stream of Consciousness of the Soul by faith he cannot develop Divine Viewpoint thinking to apply to situations. When a believer tries to apply what has been accumulated in the Left Lobe of the Soul as academic knowledge he always ends with Human Viewpoint thinking because the Left Lobe of the Soul merges this knowledge into his background conscience and unbeliever Norms and Standards to provide application. Therefore, one cannot apply Bible Doctrine from the Left Lobe of the Soul to any situation as (gr) gnosis because he will apply it in a Human Viewpoint application because the application would be drawn from the background conscience built up from childhood to the point of Salvation Adjustment to the Justice of God. For application of Bible Doctrine to circumstances in life the believer needs to draw on the Norms and Standards of his Right Lobe of the Stream of Consciousness of the Soul where Bible Doctrine has been “metabolized” by faith and then come to Divine Viewpoint Doctrinal conclusions from these Norms and Standards. This emphasizes the importance of the completion of FAITH PERCEPTION under Operation Z the Grace Apparatus for Perception. Even clearly understanding a situation or circumstance in life but NOT merging this understanding into the Bible Doctrine of the Plan of God metabolized into the Right Lobe of the Stream of Consciousness of the Soul by FAITH will result in failure to come to effective solutions. This results every time when Bible Doctrine is not metabolized into the Right Lobe of the Stream of Consciousness of the Soul by faith and cycled in the Right Lobe of the Soul to modify the Frame of Reference and Norms and Standards so that there will only be Human Viewpoint available for application from background Norms and Standards and Frame of Reference, NO Divine Viewpoint.

## Grace Apparatus & Operation Z

Return to the [Table of Contents](#)

### Faith Rest Drill (5 stages)

#### Stage #1 – Faith Perception

Under the ministry of [God the Holy Spirit](#) and functioning through the [Grace Apparatus for Perception](#), Operation Z the believer under Positive Volition motivation inculcates Bible Doctrine and by faith acceptance of it metabolizes it into the Right Lobe of the Stream of Consciousness of the Soul as (gr) Epignosis Doctrine. This Metabolized Bible Doctrine is then available to be used for application to the situations and circumstances of his life.

#### Stage #2 – Claiming Promises

From the [Metabolized Bible Doctrine](#) in his Right Lobe of the Stream of Consciousness of the Soul the believer extracts any of the over 7000 promises from God found in the scripture to stabilize his thinking when he is under outside pressure from adversity or prosperity in his life.

### **Stage #3 – Adding Supportive Doctrinal Principles**

From the [Metabolized Bible Doctrine](#) in the Right Lobe of the Stream of Consciousness of his Soul the believer adds individual inculcated (gr) Epignosis Bible Doctrine principles to the promises to support them in order to further stabilize his thinking under pressure.

### **Stage #4 – Forming Bible Doctrine Rationales**

From the [Metabolized Bible Doctrine](#) in the Right Lobe of the Stream of Consciousness of his Soul the believer takes the combined Promises of God and the Principles of Bible Doctrine and merges these with Categories of Bible Doctrine to form Rational Thinking as Doctrinal Rationales to solidify his Divine Viewpoint thinking under the outside pressures of life.

### **Stage #5 – Reaching Bible Doctrinal Conclusions**

From the Promises, Principles, Categories and Rationales of Bible Doctrine recalled and developed from the [Metabolized Bible Doctrine](#) in the Right Lobe of the Stream of Consciousness of his Soul the believer then reaches Doctrinal Divine Viewpoint Conclusions which SOLVE whatever the problem may be and CONTROLS whatever circumstance or situation he finds himself under.

Return to the [Table of Contents](#)

### **Reversionism**

This is truly a 9 stage process in the soul of the believer where he reverts to a status in his Spiritual Life which is equivalent to his being an Unbeliever as a result of rejection of Bible Doctrine. It is a reversal of priorities, attitudes, affections, accompanied by the destruction of impersonal love, and a change in his manner of operation and personality to what it was prior to Salvation Adjustment to the Justice of God. This entry as does the entrance into the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred begins with some level of Initial Negative Volition toward Bible Doctrine and includes:

- ✧ Initial Negative Volition toward Bible Doctrine
- ✧ Reaction & Distraction from the Spiritual Life
- ✧ Frantic Search for Happiness
- ✧ Operation Boomerang
- ✧ Emotional Revolt of the Soul
- ✧ Locked in Negative Volition
- ✧ Black Out of the Soul
- ✧ Scar Tissue of the Soul
- ✧ Reverse Process Reversionism

### **Definition of Reversionism**

To revert means: to come or go back, as to a former condition, period, or subject, to return to an ancestral type. Reversionism is the believer returning to the condition or ancestral type

which he occupied prior to making Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus, The Christ alone. ([2Pet 2:20-21](#), [James 4:4](#), [1Tim 1:19](#), [2Tim 2:13](#), [2John 9](#), [James 1:22-24](#), [Prov 14:14](#), [Hos 10:2](#))

### **Preliminary Negative Volition toward Bible Doctrine**

This is the initial rejection, disinterest or indifference of the believer regarding the realm of Bible Doctrine from scripture, and also of the unbeliever with regard to the Bible Doctrine principles related to the [Laws of Divine Establishment](#) and [Divine Institutions](#) provided for the protection of the Human Race by God.

### **Reaction and Distraction**

This believer tends to react to obnoxious or irritating individuals, groups, organizations, situations, circumstances or conditions in his life instead of using Bible Doctrine and Impersonal Unconditional Love for Mankind to respond to them and focus on the Plan of God and Purpose of God for his life.

### **Frantic Search for Happiness**

The believer who is consistently reacting to situations and individuals in his life discerns that his life is one of misery and becomes determined to find some system or thing which will bring him happiness.

### **Operation Boomerang**

The believer Frantically searching for Happiness has not achieved what he sought by focusing on the details of life but has invariably provided greater Self Induced Misery for himself. This causes intensification of Negative Volition toward God's Grace system and a greater Reaction to circumstances in his life with a huge intensification of his search for something that will bring him happiness.

### **Emotional Revolt of the Soul**

Emotion, which is designed to RESPOND to the thinking of the soul, as a result of involvement in the prior stages of reversionism revolts and takes control of the soul forcing the mentality of the soul to the side.

### **Locked In Negative Volition**

At this stage of reversionism the Negative Volition of the believer interlocks with [Negative Volition Arrogance](#) and possibly [Negative Volition Antagonistic Emotional Hatred](#) so that he

tends to become saturated in Arrogance and possibly totally antagonistic and HOSTILE toward Bible Doctrine, God and the Grace Plan of God.

### **Black Out of the Soul**

Locked in Negative Volition prevents the acceptance of Bible Doctrine so that it cannot be metabolized and this sets up a vacuum in the Soul which must be filled with information and thus draws in information but the only thing left to assimilate are the LIES of the principles of EVIL, the Plan of Satan.

### **Scar Tissue of the Soul**

The believer accumulating the LIES of EVIL causes his soul to become damaged and scarred and therefore unable to learn, process, accept or circulate Bible Doctrine.

### **Reverse Process Reversionism**

This is the PEAK of Christian Apostasy, and often Degeneracy and Antagonism toward the Grace Plan of God with total acceptance of the Plan of Satan driving him back into a Status Quo equivalent to the unbeliever but still possessing Eternal Life Salvation.

## National Debt

This file shows what needs to occur as of June 2023 regarding the situation concerning repayment of the national debt!

How Much is 1 Trillion Dollars.....REALLY?						
	One	One	One Hundred	One	One	One
One	Hundred	Thousand	Thousand	Million	Billion	Trillion
1	100	1,000	100,000	1,000,000	1,000,000,000	1,000,000,000,000
How many years to spend 1 Trillion Dollars at 1 Million Dollars per DAY!?!?						
Days / Year	Dollars / Day	Dollars / Year	Years / Trillion			
365	\$1,000,000	\$365,000,000	2739.73			
Starting in 3BC when Jesus was Born how much longer to spend 1 Trillion Dollars?!?!?						
Jesus' Birthday	Current Year	Elapsed Years	Years Left to spend it ALL!!			
3	2023	2026	713.73	Spending \$1,000,000 per day!!!		
How Long to repay the National Debt at the proposed Ceiling of \$51 Trillion?!?!?!?!?						
Days / Year	Dollars / Day	Dollars / Year	Years to Repay			
365	\$1,000,000	\$365,000,000	139,726			\$51,000,000,000,000
Proposed Lifespan	Average US Citizen's Age	Lifespan Remaining	Current US Population	Working US Population	Debt / US Citizen	Amount Repaid / Year
76.4	39	37.4	333,300,000	128,346,299	\$397,362	\$10,625
The working population in the US will be repaying \$10,625 PER YEAR for the next 37.4 years, for some that will be the rest of their lives to pay off the national debt if they start today!!!!						
It is a good thing the Chinese have 1,455,610,219 people cause it will be easier for each of them when China takes over the US!

### [The Cogs of Carnality](#)

This graphic is a fantastic depiction of the results of Motivational Arrogance moving the believer into Functional Arrogance and various levels of PRODUCTION under Evil and eventuating in his DEVOLVING into Antagonistic Emotional Hatred as he OOZES down through the 8 stages of Reversionism and enters Cosmic Dynasphere II.

## **8 Characteristics of the Plan of God**

- ▲ **Purpose** – For the Believer to Glorify The Lord Jesus, The Christ by Achieving tactical victory in the Spiritual Life through spiritual momentum from consistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine.
- ▲ **Objective** – For the Believer to advance in the Power System of God, the Divine Dynasphere to Maturity Adjustment to the Justice of God and complete construction of his Edification Complex of the Soul again by means of Spiritual Momentum.
- ▲ **Policy** – Grace as the administrative system of the Plan of God for the Church Age believer who is part of the Royal Family of God in contrast to believers in other dispensations which are FAMILY of God.
- ▲ **System** – The Divine Dynasphere, the POWER SYSTEM of God
  - With 3 Categories of Virtue First as priorities in the Plan of God.
    - △ Humility – Basic Foundational Virtue directed toward Authority
    - △ Motivational Virtue – ALWAYS directed toward God as a function of the Royal Priesthood but which must be predicated by Knowledge of God from consistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine.
    - △ Functional Virtue – Always directed toward Man and Circumstances in one's life as a function of the Royal Ambassadorship
- ▲ **Point of Reference** – the Justice of God as ½ of the Integrity of God or Holiness of God which is composed of 2 attributes:
  - Justice of God
  - Righteousness of God
    - △ What the Righteousness of God demands the Justice of God must execute under motivation from the Love of God.
- ▲ **Authority** – Bible Doctrine, the Word of God with delegation of this authority to the spiritual gift of Pastor Teacher with proper preparation, training and study to communicate principles of GRACE under this authority.
- ▲ **Result** – Good decisions from a position of strength by the believer which provides for personal control of one's own life, learning to treat all people as individual persons and with the development of a Personal Sense of Destiny.
- ▲ **Enemy** – Satan's Cosmic Dynaspheres, the Power Systems of Satan with his plan of EVIL and his production in that plan of Human Good, Sin or Crime.

### **Priorities of the Power System of God**

As the believer advances from Spiritual Infancy in his development in the Spiritual Life he continues to change his priorities of life based on his level of inculcated and Metabolized Bible Doctrine. He will progressively set priorities so that his focus in life remains primarily on his Spiritual Life and his Spiritual Growth. These priorities are part of the details needed to successfully execute to completion the Protocol Plan of God. The priorities of the Power System of God, the Divine Dynasphere, the Protocol Plan of God include:

- In the Plan of God, **Mandates First**
- In the System of God, **Virtue First**
- In the Purpose of God, **Christ First**
- In the Policy of God, **Grace First**
- In the Objective of God, **Momentum First**
- In the Authority of God, **Bible Doctrine First**

The believer who does not maintain the priority of the Objective of God by consistent Post Salvation Epistemological Rehabilitation from Perception, Cognition, Incultation and Metabolization of Bible Doctrine has put other things first in his Spiritual Life and will NOT advance and will inevitably become a LOSER believer, losing his eternal rewards but NOT his salvation.

### **Mandates of the Power System of God**

In addition the Power System of God has Mandates which must become the 1<sup>st</sup> priority of the believer:

- 1<sup>st</sup> – LEARN Bible Doctrine in the system.
  - ▲ Therefore the first factor in the Power System of God is to constantly make good decisions from a position of strength, within the Divine Viewpoint developed from Metabolized Bible Doctrine inculcated into the Right Lobe of the Stream of Consciousness of the Soul.
- 2<sup>nd</sup> – Retain personal control over one's own life.
  - ▲ If believers do not use Metabolized Bible Doctrine to control self then they have NO CONTROL over their lives.

## Doctrinal Rationales

God keeps the believer alive for a reason and no believer could ever survive in the world ruled by Satan without God's Logistical Grace support. The believer is a royal priest and must take responsibility for representing himself before God in both successes and failures. He is a royal ambassador and is delegated the responsibility of representing The Lord Jesus the Christ to Mankind in his thinking and overt actions.

The Development of the function of the believer under the Faith Rest Drill <sup>(5 Stages)</sup> ultimately comes to where he can take Bible Doctrine promises provided by God from the Word of God and combine them with Bible Doctrine Principles and form these into Bible Doctrine Rationales to be used to come to Divine Viewpoint, Bible Doctrine Oriented, conclusions about the situations or circumstances in his life and there by to SOLVE all his life's pressures, adversities and problems. Some of the Bible Doctrine Rationales are:

## Cosmic Dynasphere Comparison

Cosmic Dynasphere I	Cosmic Dynasphere II
Prehistoric Life of Satan in the Angelic Conflict	Historic Life of Satan in the Angelic Conflict Appeal Trial
The Interlocking System of Arrogance	The Interlocking System of Antagonistic Emotional Hatred
Motivational & Functional System of Arrogance	Motivational & Functional System of Antagonism
<i>When the believer gets into functions under EVIL he must realize that he is personally MOTIVATED to do so.</i>	
Arrogant Emphasis on Preoccupation with Self	Antagonistic Emphasis on People, Circumstances, God, Grace & Christ
<i>The Believer in Cosmic Dynasphere II has a BAD Attitude toward people, circumstances and with antagonism toward God, Christ, Grace and God's priorities:</i> <i>Plan of God - Mandates first</i> <i>System of God - Virtue First</i> <i>Purpose of God - Christ first</i> <i>Policy of God - Grace First</i> <i>Objective of God - Bible Doctrine first</i>	
A System of Interlocking Arrogance	A System of Interlocking Antagonism, Emotionalism and Hatred
<i>Cosmic Dynasphere I is the key to understanding our original parents who were occupied with SELF. If Ish had been occupied with The Lord Jesus, The Christ he would have rejected the fruit and left the woman to be cast outside of the garden. If The woman had been occupied with The Lord Jesus, The Christ she would have rejected the conversation with the pet indwelt by Satan.</i> <i>When persistently residing in the Cosmic Dynasphere I, the Arrogance system, when the area of arrogance involvement is challenged by TRUTH, this results in entrance into and residence in Cosmic Dynasphere II, the Antagonism system which produces terrible Antagonisms toward Truth, God, Jesus Christ, People and Circumstances</i>	
Targets the Ego, the Self Consciousness of the soul emphasizing self to the exclusion of Others	Targets The Lord Jesus, The Christ, Bible Doctrine, God, People, Circumstances of life.
Emphasis on Self in contrast to God	Emphasis on Human Viewpoint in contrast to

Cosmic Dynasphere I	Cosmic Dynasphere II
	Divine Viewpoint
Emphasis on Satan's Attitude at his Fall	Emphasis on Satan's Attitude at his Appeal of the Judgment of God & the Creation and Fall of Man
<i>At the time of Satan's Fall, Lucifer had more advantages than any other creature who had ever lived or ever will live and his preoccupation with self at his fall is represented by the functions in Cosmic Dynasphere I the Interlocking System of Arrogance. His attitude regarding everything concerning the creation and fall of man (thus at his Appeal being Granted) is represented by the functions in Cosmic Dynasphere II the Interlocking System of Antagonistic Emotional Hatred because he is the GREATEST Hater or Antagonist of God ever to exist.</i>	
The Attitude, Philosophy, Principles of the Policy of Satan to Rule Angelic Creation during the Revolution of the Prehistoric Angelic Conflict.	The Attitude, Philosophy, Principles of the Policy of Satan to Rule Human Creation after the approval of his Appeal, during Human History.
Cosmic Dynasphere I involvement results in inculcation with the Attitude and thinking of Satan PRIOR to Man's Creation	Cosmic Dynasphere II involvement results in inculcation with the attitude and thinking of Satan AFTER God granted his appeal & the creation and fall of Man
Reflects Satan's Policy and Philosophy as Ruler of Fallen Angels	Reflects Satan's Policy and Philosophy as Ruler of this World & Fallen Man
Results in Slavery to Self	Results in Slavery to Satan

## The 10 Characteristics of Spiritual Adulthood

- **Tranquility of Soul**
  - ▲ From Metabolized Bible Doctrine accumulated into the Right Lobe of the Stream of Consciousness of the Soul
- **Stability of Mentality**
  - ▲ From Metabolized Bible Doctrine accumulated into the Right Lobe of the Stream of Consciousness of the Soul
- **Composure Marked by Self Assurance**
  - ▲ Accompanied by Tranquility and Stability in the Soul from Metabolized Bible Doctrine accumulated in the soul which will cause the believer to engage in self evaluation and come to the recognition of personal sin and the necessity for the consistent use of the rebound procedure.
- **Grace Orientation to Life**
  - ▲ Causing the believer to KNOW that all that he is and has is provided by God and any and all suffering and adversity in his life has a purpose in the Plan of God for HIS BENEFIT, ([Rom 8:28](#)) and while one might not know the cause he can, in the Protocol Plan of God, the Divine Dynasphere, the [Power System of God](#), handle the effects.
- **Bible Doctrine Orientation to Reality**
  - ▲ Causing the believer to recognize that Bible Doctrine is the only [ESSENTIAL](#) in the Christian Way of Life and that no matter what the cause of suffering or adversity may be or the fact that the results of that suffering COULD make him a very miserable person the misery is eliminated by the Metabolized Bible Doctrine which provides for him Orientation to Reality under the Protocol Plan of God.
- **Good Decisions from a position of Strength**
  - ▲ The result of maintaining consistent Post Salvation Epistemological Rehabilitation which brings Spiritual Advancement or Recovery in the midst of adversity or suffering which brings great blessing from avoiding entanglement in the Interlocking System of Arrogance or Interlocking System of Antagonistic Emotional Hatred.
- **Personal Control of One's Life**
  - ▲ Results because of consistent residence and function in the Divine Dynasphere so that whatever the initial cause of any adversity or suffering may be the believer handles his own life with happiness, peace, tranquility and integrity from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and function under the [10 Problem Solving Devices](#).
- **Personal Sense of Destiny**
  - ▲ Understanding clearly that God is perfect and has a plan which is perfect and because of the believer having made Salvation Adjustment to the Justice of God, he is inextricably in that plan and part of the Royal Family of God PERMANENTLY and this carries him through ALL the outside pressures of life.
- **Cognitive Expansion from Metabolized Bible Doctrine**
  - ▲ Results from moving into Spiritual Adulthood and developing from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul,

Cognitive Self Confidence, Cognitive Independence, and Cognitive Invincibility as he progresses through Spiritual Self Esteem to Spiritual Autonomy and eventually Spiritual Maturity.

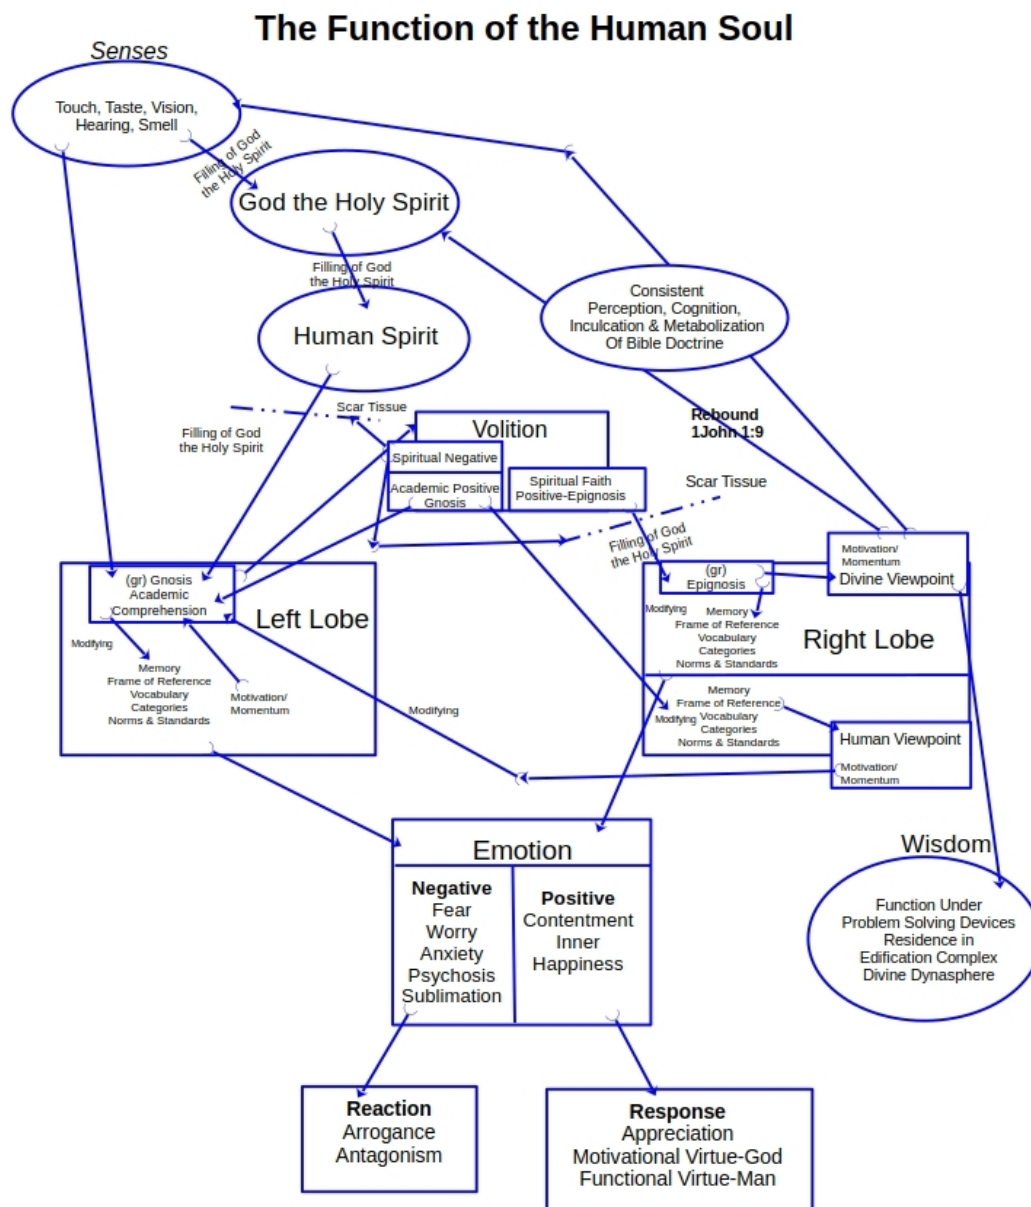

- **Poise and Command of Self**

- ▲ NO MATTER how long adversity or suffering may last or how intense the it may be, the duration and the intensity, like the cause, is inconsequential for the believer residing in the Plan of God, the Power System of God, the Divine Dynasphere because he recognizes his status as Royal Family of God and his permanent residence in the GRACE Plan of God.

### Passages Concerning Arrogance

1Chron 10:13-14; Therefore Saul died for his reversionistic treachery against God; in which he was unfaithful to the LORD against the word of the Lord which he did not systematically daily guard, nor keep the command of the LORD, and also for asking counsel from a demon possessed medium, seeking or searching for her. But he had not searched for the LORD for 16 years. Therefore the LORD caused him to slowly die under the Sin Unto Death, and caused to transfer the kingdom over to David the son of Jesse.

1Chron 28:20; Then David said to his son Solomon, Be strong and courageous, therefore be decisive, do not fear, do not lose your poise, for the Lord MY GOD is with you in blessing by association, he never fail you he will never forsake you until the work for the service for the house of the Lord is completed. (Logistical Grace)

1Cor 2:5; That your FAITH or Bible Doctrine cannot or should not, stand or be or exist in the wisdom of men or demon influence, but in the power of God the Divine Dynasphere.

1Cor 2:9-14; But just as it stands Written (Is 64:4), or to use the language of Old Testament Scripture, "Things which Eye has not seen nor ear has heard (empiricism) nor things which have not entered into the Right Lobe of man (rationalism) all the things which God has prepared for those who Love him (Advanced Believers in Reciprocal Love for God) these have not entered their Right Lobes. For to us, the God has revealed them (His plans) to us by means of or through the instrumentality of God the Holy Spirit, for the Spirit searches or investigates all things even the Deep things from God. For who among men or mankind inherently knows or understands the thoughts, motives, memories, deliberations or reflections of a man or all mankind except by means of the spirit of rationalism or empiricism which is in man, even so the thoughts of God no unbeliever knows except the spirit of God or God the Holy Spirit. Now we have not received or do not receive the source and seat of human discernment or the cosmic spirit but the Human spirit or divine source of discernment from the source of God, that we might have inherent and permanent knowledge of the things (Bible Doctrine) having been freely or graciously given to us under the authority of God. Which divine wisdom or spiritual phenomenon things or Bible Doctrine we also speak or teach or communicate by categories, not in words or categories taught by human wisdom, but in words or categories that are taught by or from the source of God the Holy Spirit; explaining or combining with the Human Spirit to teach, spiritual things or phenomena or doctrine to a spiritual apparatus or spiritual persons. But the natural or Soul-ish man or unbeliever (dichotomous) does not grasp or acquire or receive knowledge of the spiritual phenomenon or things or doctrine of or from the Spirit of God, to him they are foolishness or absurd to him, furthermore he is not able to learn or acquire or obtain knowledge of the spiritual phenomenon or the gospel, because they are discerned, understood or perceived spiritually or from the source of God the Holy Spirit.

1Cor 2:16; For, Who has known the thinking of the Lord that we should instruct him, (NO ONE) but we keep on having the thinking of Christ.

1Cor 3:1; "And I brethren cannot speak to you as to spiritual persons, but as to persons under the control of the Old Sin Nature"

1Cor 3:3, For you are still carnal, for since there is jealousy and fragmentation among you, are you not carnal? Are you not walking like unbelievers?

1Cor 3:11-16; For no man can lay any foundation ever again, other than the one which already is laid, which is Jesus Christ. Now if any one keeps on building upon this foundation: gold {Divine Good}, silver {Divine Good}, precious stones {Divine Good}, wood {human good}, hay {energy of the flesh}, stubble or straw {human good}. Every or each man's work or production shall become manifest obvious or evident for the ONE (1) day of the rapture or resurrection of the church at the Judgment Seat of Jesus of Nazareth, the Christ which shall declare, reveal or show it, because the day shall receive revealing, be uncovered, in, with or by means of fire. And, the fire shall test the quality of every man's production. If any believer's work or production which he has built upon

the foundation in time remains or stands up having been built on the function of the 3 Spiritual Skills, and it will, he shall receive a reward of conveyance of escrow Surpassing Grace Blessings for Eternity. If any believer's work or production shall be burned, and it is, he shall suffer loss of Escrow Surpassing Blessings and Reward for Eternity, But he himself shall be saved yet so as through fire. Do you not KNOW that your body keeps on being the temple of God and that the Spirit of God keeps on dwelling or cohabiting in you?

1Cor 4:9; For it seems to me or I have concluded, that The God has placed or exhibited us as the Apostles & Pastor Teachers; in the arena LAST of all, as it were, as men or gladiators condemned to death. Because we are or have become under observation as a spectacle to the world {unbelievers}, and to angels, and to men {carnal believers}.

1Cor 5:5; To turn such a one over to Satan for the destruction of his flesh, that the spirit may be delivered from this unpleasantness during the future day of the Lord Jesus.

1Cor 6:9; Do you not know that the unbeliever {does not have the imputed righteousness of Christ} shall not inherit the kingdom of God? Be not deceived! Neither fornicators {in phallic cult}, nor idolaters {extremely religious judges}, nor adulterers {outside of phallic cult sex}, nor homosexual, nor abusers of themselves with mankind {another Greek word for a type of homosexual or pedophile},

1Cor 10:12; Therefore let any one who thinks that he stands having learned a great deal of Church Age doctrine, take heed of the Old Testament Scripture and put together the practical application with the doctrine lest he fall.

1Cor 10:19-21; What do I mean then, that a thing sacrificed to idols is anything, or that an idol is anything, But I say that the thing which the gentiles sacrifice, they sacrifice to Demons, not to God, and I do not want you to become sharers in demons. You cannot drink the cup of the lord and the cup of demons, you cannot partake of the table of the lord and the table of demons.

1Cor 10:22; Shall we provoke the Lord to jealousy? Are we stronger than he?

1Cor 11:18; For in the first place, when you come together in your church, I hear that schisms [fragmentations] exist among you.

1Cor 11:28-30; A person ought to examine himself (Rebound) before he eats of the Break or Drinks of the Cup. For anyone who eats and drinks without recognizing the Body (Perfection of JC in HU) of the Lord, eats and drinks judgment to or on himself. That is why many among you are weak and sick and a number of you have fallen asleep (Sin unto Death [1Thes 4:15])

1Cor 11:31-32; And if we keep on judging ourselves rightly or accurately (1John 1:9) and nothing else, but we (Corinthians) are not and should be, we will not receive judgment from the Justice of God. But when we are judged by the Lord, we are being disciplined so we will not be condemned with the World.

1Cor 12:13; For by means of One Spirit, God the Holy Spirit, we were all baptized into One Body, whether Slaves of free, greek or Jew for we were all made to drink of one spirit, for the body is not one part but many parts.

1Cor 13:1; If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a sounding brass or clanging cymbal.

1Cor 13:4; Virtue-love is not jealous.

1Cor 13:5-8; Impersonal Unconditional Love does not behave dishonorably does not seek her own things, is not easily provoked, does not THINK EVIL, it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things. Love ie Filling of God the Holy Spirit, never fails; but if there are gifts of prophecy they shall be totally abolished; whether there are the gift of tongues they will

cease before the abolishing of other temporary spiritual gifts AD70; Or the gift of knowledge it will be abolished.

1Cor 14:35; And if they (ladies) are willing or desire to learn anything of Mystery Bible Doctrine from someone, they should and some do, they should ask their husbands at home the question about what they are learning, for it is improper, disgraceful, against protocol for a woman to speak and disrupt leadership in church.

1Cor 15:21-22; For since by man came death, by man came also the resurrection from the dead, For as in Adam all die, so also in Christ shall all be made alive.

1Cor 15:34; Awaken from your drunken stupor of Human Viewpoint to righteousness, or come to your senses righteously, after being deceived by blurred doctrinal thinking or strong delusion from deception; and cease sinning. For some believers have acquired no knowledge of God though available. I speak this to your humiliation or shame in time or this life.

1Cor 15:36; You ignorant unthinking ones! What you sow does not come to life unless it dies.

1John 1:3 (The purpose of converting oral tradition into written BD); What we have both seen and heard we also report to you, in order that YOU also may keep on having fellowship with us, furthermore, our fellowship is also with the Father, and with his Son, JC.

1John 1:4; In fact these things we write in order that our state of happiness might potentially be completed or fulfilled continually in you with the result that in time and eternity you might be Sharing the Happiness of God.

1John 1:6; If we contend, assert, maintain, claim, that we have fellowship with Him, God the Father & The Lord Jesus, The Christ and we keep walking in darkness in Cosmic Dynasphere I, the Interlocking System of Arrogance and Cosmic Dynasphere II, the Interlocking System of Hatred, We keep on lying to ourselves and we do not live or practice the Truth, Bible Doctrine. (The First Illusion of Interlocking System of Arrogance Cosmic Dynasphere involvement)

1John 1:8; If we say we have no Old Sin Nature or Do Not Sin, being in Denial and Projection, we are deceiving ourselves and the truth or Metabolized Bible Doctrine is NOT in us with No knowledge of the recovery procedure.

1John 1:9; If we Believers would acknowledge, admit, name, cite, confess our personal Post salvation sins, maybe we will and maybe we will not; He, GOD the Father, always keeps on being Faithful or dependable and Justified or Righteous, with the result that he might (IF we will do this he ALWAYS WILL) forgive, cancel, pardon us our sins and cleanse or purify us from all unknown wrongdoing or wickedness or unrighteousness

1John 1:10; If we say that we have not sinned, we make GOD out to be a liar and the truth of his word is NOT in us.

1John 2:9-11; When anyone asserts, claims, maintains, contents, that he is in the light (Divine Dynasphere) and hates his fellow Believer, he continues to be in the darkness (Cosmic Dynaspheres) until now. He who loves his fellow Believer resides in the light (Divine Dynasphere) and there is no cause for ruin or reason for stumbling in it (Divine Dynasphere). When anyone hates his fellow Believer he is in the Darkness (Cosmic Dynaspheres, Black Out of the Soul and Scar Tissue of the Soul) and he walks in the Darkness (Residence and function in the Cosmic Dynaspheres) and he does not know where he is going (his life has lost direction) because the darkness has blinded his eyes (Black Out of the Soul).

1John 2:13; I am writing you fathers (Mature Believers) because you know him who was from the beginning, I am writing you young men, Believers advancing in the Divine Dynasphere, because you have overcome the evil one the Lure of Satan the Cosmic Dynaspheres; I have written you infants, New Believers responding to Basic Bible Doctrine, because you have come to know the Father through Personal Love for God. I have written you fathers,

Mature Believers, because you have come to know him through Occupation with the Person of The Lord Jesus, The Christ, who was from the beginning of the virgin birth, I have written you young men, Believers with Momentum, because you are powerful from consistent residence and function in the Divine Dynasphere, and the word of God remains in you and you have overcome the evil one the distractions from the Cosmic Dynaspheres.

1John 2:15-16; Stop loving Cosmic Dynasphere I, the Interlocking System of Arrogance, or anything related to the Cosmic Dynaspheres, if anyone, the Believer in Cosmic Dynaspheres, keeps loving the Cosmic Dynaspheres, the Motivational Virtue of the love for the Father as Personal Love for God the Father and the Functional Virtue of Impersonal Love for Mankind is not in him, because all that is in Cosmic Dynaspheres I & II, the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred, the Lust from the flesh, the Old Sin Nature attack to control the soul, lust from the eyes as thinking of Motivational Degeneracy from Evil from arrogance in the distorted mentality of the soul and the arrogant pattern of life in the Functional Degeneracy from Evil of Cosmic Dynasphere I, with its false Scale of Values in Cosmic Dynasphere residence and function, is not from the Father but from the Cosmic Dynaspheres.

1John 2:18; Students it is the last favorable time to use the Divine Dynasphere, and just as you have heard that Antichrist will come (In the Tribulation) even now in the Church age many antichrists (Believers in the Cosmic Dynaspheres) therefore we have come to realize that it is the last favorable time to advance in the Divine Dynasphere to Gate 8

1John 2:27; and as for you the anointing of the indwelling and Filling of God the Holy Spirit which you received from him abides in you, and you have no need for any one to teach you; as his anointing teaches you about all things by taking the Bible Doctrine you perceive and makes it a reality in life, and is true, and is no lie, just as it has taught you, abide in him.

1John 3:4-7; Every Believer who commits or does sin also does lawlessness leaving the Divine Dynasphere & enters the Cosmic Dynaspheres, in fact sin is lawlessness, Cosmic Dynasphere involvement. Indeed you know that He, The Lord Jesus, The Christ, the unique one, was revealed at the 1<sup>st</sup> advent, in order that he might carry away our sins having been judged for all of them and in fact sin was not in him. When anyone, any believer, resides in IT, the Divine Dynasphere, he is NOT sinning; when anyone sins, thus residing in the Cosmic Dynaspheres, he has not seen him, The Lord Jesus, The Christ, lacking Perception, Cognition, Incultation and Metabolization of Bible Doctrine; nor has he come to know him from Metabolized Bible Doctrine not having Motivational Virtue directed toward God. My dear Children, believers in John's nonresident congregation, let no one deceive you, when anyone performs righteousness having a priority of Virtue First as Motivational Virtue toward God and Functional Virtue toward man, from residence and function in the Divine Dynasphere, he is Honorable, just as He, The Lord Jesus, The Christ, in the prototype Divine Dynasphere is honorable.

1John 3:8; When any Believer commits a sin he has become the Agent of the devil (from the devil) for the devil has sinned from the beginning, for this reason the son of God was revealed or appeared, (1<sup>st</sup> Advent) that he might destroy, void, nullify the works of the devil.

1John 3:9; At the Moment that anyone is born from God at Salvation Adjustment to the Justice of God, He is NOT sinning, because his Seed, God the Holy Spirit, keeps residing in It the Divine Dynasphere, furthermore he is not able to sin in the Divine Dynasphere because he has been born from God.

1John 3:12; Not as Cain, who was motivated from that Evil one, Satan, and consequently he murdered his brother with a sacrificial knife, and why or for what reason did he murder him with a sacrificial knife? Because his deeds, functions, actions keep on being evil while his brother with Absolute Righteousness from God whose deeds kept on being honorable, virtuous, righteous in expression of Bible Doctrine to fulfill his responsibility to God.

1John 4:19; We (The Winner Believer) love in true virtue love or Impersonal Unconditional Love for Mankind, because he (God) first loved us (in E Past)

1John 5:5

v5: and this is the victory which has overcome the world, the Cosmic Dynasphere our faith. who is this person who has overcome the Cosmic Dynasphere, no one else but he who believes that Jesus is the Son of God.

1John 5:16-17; If anyone sees a brother sinning a Sin face to face with or leading to Death, he shall ask and he God will give Life to those who commit sin not leading to or terminating in Death, there is a sin terminating in Death, I do not say you should pray for this sin. All wrongdoing (Modus Operandi of the Believer in the /cds) is Sin, and yet there is sin NOT terminating in death ( because of rebound)

1John 3:1-2; Concentrate on or Understand how great a love complex, the Divine Dynasphere, the father has given to us in the Royal Family of God, that we should be designated children or Students of God, and we are students of God under divine authority and training, obligated to learn Bible Doctrine & Glorify God, therefore the Cosmic Dynaspheres do not understand nor recognize us, because it Cosmic Dynasphere disciples did not understand nor recognize him Jesus of Nazareth, The Christ in Hypostatic Union in the Divine Dynasphere. Beloved, Royal Family of God, we are now children, students of God, and what we will be in the future (Phase III) has not yet been revealed or manifest, we know, however, that if he should appear (resurrection of the Church is imminent) we shall be similar to Him in our Resurrection Body (not identical) because we shall see him (resurrected Jesus of Nazareth, The Christ) just as he is.

1John 5:18; We have learned that anyone born from God does not sin, but He, Jesus of Nazareth, the Christ who was born from God, guards or protects the Believer in the Divine Dynasphere, and the Evil one, (Satan and the Cosmic Dynasphere) does not touch him (Believer in the Divine Dynasphere )

1Kings 12:19; So, as a result, Israel has been in rebellion against the house of David to this day.

1Kings 13:4; And when the king heard the saying of the man of God, which he cried against the altar at Bethel, Jerobo'am stretched out his hand from the altar, saying, "Lay hold of him." And his hand, which he stretched out against him, dried up, so that he could not draw it back to himself.

1Kings 18:40; Then Eli'jah said to them, "Capture or Seize violently the prophets of Ba'al using whatever force needed; let not one of them escape." And the people responded immediately and they violently seized them; and Eli'jah took them down to the brook Kishon, and slaughtered them there.

1Kings 19:10; And He replied, "I have most certainly been extremely zealous for Jehovah, the God of the armies; for the people of Israel have deserted or forsaken your covenant of the Laws of Divine Establishment and rejection of Jesus of Nazareth, The Christ as the God of Israel thus Bible Doctrine, they have pulled down and destroyed your altars, and slaughtered your prophets with the sword; and I, even I myself alone remain; and they constantly seek my life, to violently take it away."

1Kings 19:18; Furthermore I will leave seven thousand in Israel, all that have not bowed a knee to Ba'al, and every mouth that has not kissed him by engaging in all the aspects of the phallic cult."

1Pet 1:4-5; We have or obtain an inheritance incorruptible and undefiled that does not fade away reserved for us in heaven, who are kept or protected by the power of God through the Faith Rest Drill <sup>(4 categories)</sup> in salvation or deliverance as Salvation Adjustment to the Justice of God, ready to be revealed in the last times.

1Pet 1:7; That the proof or testing of your faith or doctrine, being much more precious than gold which is perishable even though your faith is tested by fire in extreme adversity may be found to result in the praise, honor and glory at the revelation of our Lord Jesus of Nazareth, the Christ

1Pet 1:8; Even though you have not seen him, Jesus of Nazareth, The Christ, yet you love him, and though you do not see him now but believe in him you greatly rejoice with happiness inexpressible and full of Glory

1Pet 1:12; It was revealed to them that they were not serving themselves but you, in these things which now have been announced to you by those who preached the good news to you by means of God the Holy Spirit sent from heaven, things into which angels have an insatiable desire to bend down and concentrate on.

1Pet 1:17-19; And if you address as father the one who impartially judges according to each mans work, conduct yourselves in fear or approach therefore in respect, during the time of your stay on this earth. knowing that you were not redeemed with perishable things like silver and gold, from your futile way of life inherited from your ancestors, but with the precious blood of Christ, a Lamb without spot, and without blemish.

1Pet 2:1; Therefore get rid of all evil and all deceit, all hypocrisies, and jealousies, and all evil speakings {slander, gossip, meandering}.

1Pet 2:6-8; For contained in the scripture (Is 28:16), "Behold, I lay in Zion a choice stone, Jesus of Nazareth, The Christ God of Israel, a precious cornerstone, Jesus of Nazareth, The Christ in Hypostatic Union, and he who believes in him will not be disappointed." Therefore this precious value is for you who believe, but for those who do not believe, (Ps 118:22) "The very stone which the builders, the Jews in Israel as client nation, have rejected this one has become the very cornerstone," and (Is 8:14) "A stone of stumbling, a rock of offense"; for they, the unbelieving Jews, stumble because they are disobedient to the word and to this judgment they were decreed in their unbelief.

1Pet 2:9; You are a chosen or elect race (Church Age Believers & No racial distinction), you are a royal priesthood (Representing Self to God), you are a holy nation (Client Nation), a people for God's own possession ( Royal Family of God ) , that you may proclaim the virtues or excellencies of Him (Christ in Hypostatic Union) who called you out of Darkness into his marvelous light (Divine Dynasphere).

1Pet 2:13-14; Subordinate yourselves for the Lord's sake to every human institution, whether to a king as supreme, or to a governor as sent by him, for punishment of those who do evil and recognition of those who do good.

1Pet 2:16; Live as free men, yet without using your freedom as a pretext for evil; but live as servants of God.

1Pet 2:17; Have respect for all men in authority {in context means men in proper positions of authority}. Love {have a relaxed mental attitude - no jealousy, bitterness, etc.} toward the family of God.

1Pet 2:18-19; Servants, Labor, be submissive to your masters, management, executives or capital investors with all respect for their authority, not only to the good and gentle boss but also to the unreasonable, unfair, falsely opinionated or perverse one. For this is GRACE, if, for the sake of conscience toward God, anyone bears up under sorrows when suffering unjustly.

1Pet 2:20-24; For what credit is there, if when you do wrong or sin and are rejected and harshly treated for it but you endure it with patience; SO WHAT GOOD IS THIS? But if when you do what is good or right and are rejected and suffer for it as an innocent victim and you endure that with patiently, This is GRACE from God. For you have been called for this purpose of being rejected, because Christ also suffered AS A SUBSTITUTE for all of you, leaving you an example of how to handle unfair, unjust uncalled for rejection, so that you should follow in his footsteps. He committed no sin; no guile was found on his lips. Who when he was reviled and insulted, he did not revile or insult in return trading insult for insult; While he suffered, he did not threaten; but he kept on entrusting himself to him, God the Father, who judges justly; and He (Jesus Christ) himself carried our sins in his own human nature body on the cross that we might die to sin and live to righteousness (of God) for by his wounds we are healed ( Salvation Adjustment to the Justice of God through faith alone).

1Pet 3:15-16; but set apart the lord Christ in your hearts the Right Lobe of the Stream of Consciousness of the Soul and always be prepared to make a defense to any one who asks you a word concerning your confidence in you with Grace Orientation and Occupation with the Person of Jesus of Nazareth, the Christ . Be having an intrinsically good conscience (write vs wrong) so that in things in which you are slandered or maligned, those who

malign your intrinsic good conscience in Christ may be put to shame

1Pet 5:1-4; Therefore I exhort you Pastor Teachers, as a fellow Pastor elder and a witness of the sufferings of Christ and also a partner of the the glory that is to be revealed. FEED the flock of God among you serving as an overseer, not because you must but because you are voluntarily willingly, not greedy for money but EAGER to serve. Not as domineering over those entrusted to you but being a pattern to the flock, a model of momentum through Perception, Cognition, Incultation and Metabolization and Application of Bible Doctrine. And when the chief Shepherd, The Lord Jesus, The Christ, appears at the Rapture and Judgment Seat of Jesus Christ, you, Pastor Teacher who is faithful in teaching expository Bible Doctrine, will receive the unfading wreath or crown of glory which will never fade away.

1Pet 5:5-6; Likewise you younger (immature Believers) submit yourselves to the Pastor – Teacher, the elder, all of you others in the congregation fasten to one another or clothe yourselves with humility towards one another, being oriented to the Grace of God, because God makes war against the arrogant Believer but gives grace to the Humble Believer. Therefore be grace oriented or Humble yourselves under the Mighty or Powerful or ruling hand of God (Divine Dynasphere Residence) and his delegated authority, that he may exalt or Promote you in the proper time.

1Pet 5:7; Cast all your anxieties from terrorism on him, because he keeps on caring and providing for you.

1Pet 5:8-9; Attain Spiritual Self Esteem, Be stabilized, sober, vigilant, self disciplined, in the Divine Dynasphere, be on the alert from Perception, Cognition, Incultation and Metabolization of Bible Doctrine, because, your enemy or adversary the Devil prowls around like a hungry roaring Lion , a carnivore, seeking someone to devour. Hold your ground against him, resist him being strong or stabilized in Bible Doctrine, knowing that the same experience of suffering and pressures which cause worry is found by your fellow believers throughout the world.

1Sam 1:10; She and only she, Hannah was deeply distressed with bitterness of the soul from mental attitude sins and she offered a false imprecatory prayer of intercession to the Lord to get even with Peninnah, and weeping she kept on weeping bitterly from frustrated anger toward Peninnah.

1Sam 2:3; Do not multiply conversation with gossip and maligning or judging from mental attitude sins of great arrogant pride, Nor let Insolent arrogance proceed out from your mouth; for the Lord Jehovah is a God of omniscience, by him works and deeds are examined.

1Sam 17:28; And Eli'ab his handsome eldest brother kept listening to the whole conversation of David when he spoke intensively to the men and realized that his little brother was about to accept the challenge; and Eli'ab's anger was inflamed by his jealousy against David, and he said, "For what reason have you come down from the mountains of Bethlehem? And with whom have you abandoned those few sheep in the wilderness? I know your arrogance, and the deformity of the Right Lobe of the Stream of Consciousness of your Soul; for you a child have come down to watch us fight."

1Sam 17:47; and that all this multitude or assembly of cowardly maneuvering men of the armies of Israel, may know that the LORD not with sword and not with the spear shall deliver; the battle is the LORD'S and he, God, will give you into our hand."

1Sam 18:6-9; And it came to pass as they were coming home, when David returned from the slaughter of the Philistines, the women came out of all the cities of Israel, singing and dancing, to meet King Saul, with timbrels, with songs of joy, and with instruments of music because they are protected by their strong military. And the women sang in antipathy answering one another as they sang, "Saul has slain his thousands, and David his ten thousands." And Saul was completely enraged, because the lyrics in the song displeased him or were evil in his eyes or thinking; he said, "They have ascribed to David ten thousands, and to me they have ascribed thousands; and what more can he have but the kingdom?" And Saul became jealous of David from that day on.

1Sam 18:10-12; And on the next day Demon Influence rushed upon reversionistic Saul and was permitted by God

along with his reversionism discipline, and he raved within his house, while David was playing the lyre with his hands, as he did at other times. Saul had his spear in his hand; and Saul cast the spear, for he said, "I will smite David and pin David to the wall." But David evaded him on two other different occasions. And Saul was afraid of David, because the LORD was with him but had departed from Saul.

1Thes 4:16; For the lord himself shall descend from heaven with a universally loud voice, a command, with the voice of the commanding archangel, with the military trumpet for assembly of the angels of God, and the Dead in Christ (dead Believers) will rise, for the benefit of the believer, first.

1Thes 5:18

v18: (Command) YOU In everything or all kinds of things give thanks and Do NOT display lack of Gratitude for this is the will of God in Christ Jesus for you.

1Thes 5:19; (Command) YOU habitually Stop Quenching, Squelching, Hindering, Thwarting, Dampening or Suppressing God the Holy Spirit, get out of His Way!

1Tim 1:3; Since I nicely ordered, commanding you to stay where you are, remain behind at Ephesus while I went to Macedonia, in order that you may instruct by direct command and order with authority certain persons under legalism, religionism, reversionism, evil not to teach heretical false doctrine.

1Tim 1:19-20; Be having and holding or keeping the Bible Doctrine in the Human Spirit and Soul and keeping good of intrinsic value Norms and Standards of Bible Doctrine in the conscience, free from evil, which good conscience or Norms and Standards some reversionistic Believers have rejected, cast off, thrust away or repudiated, have suffered shipwreck concerning their Bible Doctrine being in reversionism with influence from evil resulting in bad Norms and Standards. (cut the happiness from God out of your life) Among whom are Hymenae'us a gossip and maligner and Alexander, who keep on being in reversionism and under the influence of evil, whom I have delivered over to Satan in order that they might be taught the hard way by pain and discipline not to blaspheme.

1Tim 2:1-2; First of all therefore I request or summon, that petitions for urgent needs for others or self, prayers of intercessions and thanksgivings be made for all mankind. On behalf of Rulers (Kings) and all who are in authority, (legislative and judicial government branches) that we may lead an undisturbed and tranquil life in all of our post salvation Spiritual Life with Integrity.

1Tim 2:6; Jesus of Nazareth, The Christ, Who having given himself in exchange as a redemptive ransom from the slave market of sin, a substitute on behalf of everyone; His, God the Father's, testimony to be given in his own times or dispensations, OR at the proper time of Gospel Hearing.

1Tim 2:11-12; Let the High Class or High Quality Woman repeatedly learn Bible Doctrine in quietness or quietly, in silence, receive instruction without contention, with concentration, thoughtfulness, and entire, total, complete subordination or submissiveness, tranquility, lacking Mental Attitude Sins, at successive regular intervals from a teacher with authority. But I, Paul, absolutely do not ever permit or allow a woman to teach a congregation from the pulpit in the Local Church, Bible Doctrine especially to the adult male, nor to EVER usurp or have or exercise authority over a true Man, but she must be constantly quiet or learn in silence with good manners, self control, respect for authority in the local church, not distracted mentally, concentrating on Bible Doctrine.

1Tim 3:6; Do Not be an immature Believer or neophyte lest having received Blind Arrogance he might fall into the condemnation of the devil,

1Tim 3:16; And by consent of all with everyone in agreement, great is the Mystery Doctrine of the Church Age, with reference to becoming God Like, He, the unique One Christ Eternal God, who became visible from the virgin birth to the ascension and session at the right hand of God the Father, by means of the flesh of his humanity, the same one Christ in Hypostatic Union at the 1<sup>st</sup> advent, was vindicated, justified and treated as just by means of God the Holy Spirit, he was carefully scrutinized and observed by angels from his birth to his session at the right

hand of God the Father, he was proclaimed, by many heralds communicating with the authority of the King of Kings, among the nations, he was and still is the object of Faith in the world of satan's rulership, always resulting in individual eternal salvation, and he was taken via the ascension up into the place of Glory.

1Tim 4:1; But that same God the Holy Spirit, who during the 1st advent, vindicated the incarnate Jesus of Nazareth, the Christ (1Tim 3:16), explicitly communicates or teaches or reports, that in latter periods of Time, the dispensations of the Royal Family of God and completion of the Age of Israel, Between the 1st & 2nd Advents, some Believers in the Royal Family of God, fail and will become apostate in reversionism, standing away from revolting against, abstaining from, departing from, rejecting, withdrawing from The TRUE Bible Doctrine as a result of Demon Influence, constantly paying attention to, concentrating on, applying the mind to, adhering to, being occupied with fallen angelic deceitful demon teachers communicating the Doctrines from Demons, EVIL and the Cosmic Dynaspheres.

1Tim 5:21; I Solemnly warn or charge you before The God the Father, the author of the Plan of God and source of all grace, and before Christ Jesus and before the elect angels, that you to remain alert, guard, protect and preserve these principles leadership from Bible Doctrine, apart from or without prejudice, habitually doing nothing by a spirit of partiality.

1Tim 6:3-4; If and it is true, any one teaches you otherwise, a different doctrine in opposition to this context and continually does not concur with the sound doctrines, namely those doctrines of the words of our Lord Jesus Christ, even the teaching of doctrine pertaining to Spiritual Maturity and residence in the Divine Dynasphere or "godliness", or the balance of residence; Absolutely, from rejection of Bible Doctrine and The Lord Jesus, The Christ, He has automatically received blind arrogance in the Interlocking System of Arrogance, and is cycling in the Arrogance Skills, being stupid, knowing, understanding, comprehending, perceiving nothing, not one thing or zero about the mechanical functions of Bible Doctrine; as a result of his Metabolized Bible Doctrine being erased from his soul which is covered with Scar Tissue of the Soul. Furthermore, in contrast, he, as expected, has a morbid craving, obsession, with self and an excessive vicious fondness for controversy and verbal conflict, from which originate jealousy, discord, evil speculations, malignings or verbal sins, strife, abusive language, evil speculations. Consequently constant friction between persons of depraved mind (resulting from cycling of Arrogance skills) and deprived of doctrine (when you cycle the arrogance skills it builds scar tissue on the soul and deprives you of more doctrine) who assume that the spiritual life is a means of profit, but the spiritual life is a means of great profit, where the Protocol Plan of God glorifies God in both Time and Eternity and is the resolution of Angelic Conflict, when accompanied by Sharing the Happiness of God, and contentment

1Tim 6:6-8; But in contrast to false prosperity, Godliness, Maturity Adjustment to the Justice of God with balance of residence of God the Holy Spirit and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, associated with contentment, Mental Attitude capacity for life KEEPS ON BEING a great means of prosperity. For, you see, nothing have we, believers, brought or carried into this life or world, not one thing, and it is certain and obvious, that neither are we able to carry anything outside or off of this world. Now having and holding edible and nourishing varieties of foods and a respectable change of clothing, with these let us, or we shall, as believers in Maturity Adjustment to the Justice of God Super Grace, have our capacity for life and contentment with our foods and clothings.

1Tim 6:10; For you see, the LOVE of money, avariciousness, keeps on being a root of all those different categories of evil, through or by which love or money or monetary reversionism certain reversionistic believers in management or any others, by intensely desiring, striving, longing or lusting for money, have swerved, deviated from, gone astray or away from, being perverted from the doctrine and they will spend their life having skewed, impaled or gutted themselves with many types of pain or torments of soul and body from the Intensive Divine Discipline of the 8 stages of reversionism.

1Tim 6:17; Be commanding, exhorting and with authority instructing in application for their benefit, those Rich Ones, in the congregation in this present dispensation of the Church Age, that they be not arrogant, nor set their confidence upon the uncertainty of wealth or riches, but set their confidence on God who richly provides, furnishes us as believers in Maturity Adjustment to the Justice of God Super Grace for our advantage all things abundantly for our pleasure and enjoyment.

2Chron 10:19; So Israel has been in rebellion against the house of David to this day.

2Chron 25:27; From the time when he turned away from the LORD they made a conspiracy against him in Jerusalem, and he fled to Lachish. But they sent after him to Lachish, and slew him there.

2Chron 32:26; However Hezekiah humbled the pride of his Right Lobe of the Stream of Consciousness of the Soul, both he and the inhabitants of Jerusalem, so that the wrath of the LORD did not come upon them in the days of Hezekiah.

2Chron 36:12-13; And he Zedekiah did evil in the sight of the Lord and he did not humble himself before and accept the authority of Jeremiah the Prophet who spoke for the Lord. He also revolted against king Nebuchadnezzar who made him promise in the name of God to be loyal to him, but he stiffened his neck (STS) and hardened his heart (STS) refusing to turn to the God of Israel.

2Cor 2:3; And I wrote as I did, so that when I came I might not suffer pain from those who should have made me rejoice, for I felt sure of all of you, that my joy would be the joy of you all.

2Cor 2:11; In order that no advantage be taken of us by Satan for we are not ignorant of his schemes or devices or strategies (thoughts and people to distract us and remold our personality for conformance with the CDS).

2Cor 2:12-13; When I came to Tro'as to preach the gospel of Christ, a door was opened for me in the Lord; but my mind could not rest because I did not find my brother Titus there. So I took leave of them and went on to Macedo'nia.

2Cor 4:3-4; And even if our gospel is obscured (Unclear to those hearing it) it is obscured to those who are perishing or lost (Unbelievers) in whose case the god of this world (Satan) has blinded the thoughts of the Unbelievers (Black Out of the Soul) that they might not see the light of the gospel which is the glory of Jesus of Nazareth, the Christ who is the exact image of God.

2Cor 4:15; For all these things are for your benefit, for the purpose that the grace having been multiplied to more and more people may cause the giving of thanks to abound to the glory of God.

2Cor 5:1; For we know that if the earthly tent our human body we live in is destroyed in physical death, we have a building from God in the Resurrection Body, a house not made with hands, eternal in the heavens.

2Cor 5:10; For we must all appear before the Judgment Seat of Jesus of Nazareth, the Christ, that each one may be evaluated or recompensed for his deeds or accomplishments through or in the temporal body according to or face to face with what he has accomplished whether good of intrinsic value, execution of the Spiritual Life by advance to Maturity Adjustment to the Justice of God, as valuable Divine Good from function under the 3 Spiritual Skills or worthless Human Good production and everything related to carnality, failure to rebound, and failure to execute the spiritual life derived from Evil.

2Cor 5:17; Therefore if anyone is in Christ and you as a Believer in the Church Age are, he is a NEW spiritual species, Old things have lost their power, Behold, New things (Spiritual Life) have come.

2Cor 6:8; in honor and dishonor, in ill repute and good repute. We are treated as impostors, and yet are true;

2Cor 6:11-12; Oh you Corinthians we, Paul, Timothy, Apollos, teach you Bible Doctrine, our Right Lobe of the Stream of Consciousness of the Soul is enlarged with Bible Doctrine and we teach from Metabolized Bible Doctrine in the Stream of Consciousness of our Soul. You are not limited or hindered from learning Bible Doctrine and spiritual growth by us your teachers but you are limited by your own emotional pattern.

2Cor 7:5-10; For even when we came into Macedo'nia, our bodies had no rest but we were afflicted at every turn -- fighting without and fear within. But God, who comforts the downcast, comforted us by the coming of Titus, and not only by his coming but also by the comfort with which he was comforted in you, as he told us of your longing, your mourning, your zeal for me, so that I rejoiced still more. For even if I made you sorry with my letter, I do not regret it (though I did regret it), for I see that that letter grieved you, though only for a while. As it is, I rejoice, not because you were grieved, but because you were grieved into repenting; for you felt a godly grief, so that you suffered no loss through us. For godly grief produces a repentance that leads to salvation and brings no regret, but worldly grief produces death.

2Cor 7:16; I rejoice and have inner happiness therefore, because I now have perfect confidence in you all that you will stick with solid Bible Doctrine teaching, though it was not possible in the past.

2Cor 8:22; And with them we are sending our brother whom we have often tested and found earnest in many matters, but who is now more earnest than ever because of his great confidence in you.

2Cor 9:7+11; Each one according as he has determined by means of his Right Lobe of the Stream of Consciousness of the Soul, so give not from distress of mind nor compulsion of emotion, for God loves a Gracious generous giver. You will be enriched in all things because of your generosity of mind.

2Cor 10:2; I beg of you that when I am present I may not have to show boldness with such confidence as I count on showing against some who suspect us of acting in worldly fashion.

2Cor 10:4-6; for the equipment and weapons of our conflict are not human attributes but the attributes of unseen divine power from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul given by God to destroy Satan's fortifications or strongholds of EVIL; attacking, assaulting and demolishing Cosmic Dynasphere thoughts of thinking Human Viewpoint and Human Good and every subjective arrogant or proud thought obstacle which attacks the objective that is the objective knowledge of God in Divine Viewpoint, and making a prisoner every Cosmic Dynasphere or Human Viewpoint thought bringing it under the authority of Christ, holding in readiness as an instant reaction force, garrisoning the soul with Bible Doctrine to punish every deviation or disobedience of reversionism from obedience of reversionistic Human Viewpoint, when your obedience of daily function of the Grace Apparatus for Perception has been fulfilled by attaining Maturity Adjustment to the Justice of God.

2Cor 10:12; Not that we venture to class or compare ourselves with some of those who commend themselves. But when they measure themselves by one another, and compare themselves with one another, they are without understanding.

2Cor 11:2; I am jealous for you with a godly jealousy, for I have betrothed you to one husband that to Christ I might present you not as a chaste virgin but also as a pure virgin.

2Cor 11:3; But I am afraid unless as the serpent deceived Eve by his craftiness, deceive your minds that you will be led astray from the simplicity, virtue and purity of devotion to Christ.

2Cor 11:13-15; For such men are false apostles, deceitful workers, disguising themselves as apostles of Christ, and no wonder even Satan himself disguises himself as an angel of Light, therefore it is not surprising that his servants disguise themselves as the servants of righteousness, whose end shall be according to their deeds.

2Cor 11:17; (What I am saying I say not with the Lord's authority but as a fool, in this boastful confidence;

2Cor 11:24-33; From the Jews, 5 times I was beaten, 39 times with a lash, Three times I was beaten with rods (roman punishment), Once I was stoned (killed and recussitated by God), 3 times I was shipwrecked, a night and a day I was adrift in the sea. In traveling often in perils of water, of robbers, in perils of my own countrymen, by the heathen, in the city, in the wilderness of the desert, of the sea, perils among false brethren, In weariness, in painfulness, in sleeplessness, in hunger, and thirst and fasting, in cold and nakedness, Besides those things which were without, that which came upon me daily the care of all the churches. Who is weak, and I am not weak? Who is made to fall, and I am not indignant? If I must boast, I will boast of the things that show my weakness. The God and Father of the Lord Jesus, he who is blessed for ever, knows that I do not lie. At Damascus, the governor under King Ar'etas guarded the city of Damascus in order to seize me, but I was let down in a basket through a window in the wall, and escaped his hands.

2Cor 12:1-10; It is not expedient for me to glory, I will come to visions and revelation of the Lord. I knew a man in Christ (Himself) about 14 years ago whether in the body I cannot tell or out of the body I cannot tell (only aware of where he was not his status) such a one was caught up to the 3<sup>rd</sup> heaven. I knew such a man whether in the body or out of the body I cannot tell, God knows, was caught up to paradise and heard unspeakable words. On behalf of this man I will boast, but on my own behalf I will not boast, except of my weaknesses. Though if I wish to boast, I shall not be a fool, for I shall bespeaking the truth. But I refrain from it, so that no one may think more of me than he sees in me or hears from me. Therefore that I, Paul, be not elevated or glorified by means of or because of the surpassing greatness or abundance of revelations, for this reason to keep me from being arrogant from the past and that overflowing into my life or over elated exalting myself, there was given to me for my benefit, a thorn in the flesh (constant physical irritation or ailment of some kind), an angel demon from the source of Satan that he might enter into battle and buffet or punch me, to keep me from being over elated and exalting myself. On behalf of this thorn in the flesh, I began to exhort and fervently and intensively begging, pray to the Lord, 3 times that it, the thorn demon, might depart, shear off or stand off from me. But, He (God) had communicated to me in the past with the result that I had this information metabolized, "My Super Grace keeps on being sufficient or always produces contentment for you, for the inherent omnipotent power has been and keeps on being fulfilled by means of weakness (in Paul), with the GREATEST PLEASURE to the HIGHEST DEGREE therefore, I will dogmatically boast in the sphere of my weaknesses, in order that the omnipotent power of Christ may take up quarters or bivoauc upon me. Therefore, because in Status Quo Super Grace, the omnipotence of Christ takes up quarters on me, I take pleasure, am well contented with infirmities of physical illness and loss of health, in the sphere of insults or malignings, in the pressures of needs and lack of the details of life in disasters, in persecutions from religion or legalism, in distresses or anguish from disappointment in human relationships from those whom you love, for Christ's sake, for on the occasion I am weak or helpless, at that time and only at that time, I keep on being strong.

2Cor 12:7-10; And For this reason, (function of the arrogance skills) that I should not begin to become Arrogant, (recycling arrogance skills) because of the extraordinary quality of revelations that were given to me for my benefit, there was given to me a thorn in the flesh, an angel from satan (thorn demon) that he might torment me, that I should not even begin to become arrogant. (Doctrinal Orientation related to Grace Orientation) On behalf of this thorn in the flesh, I began to exhort and fervently and intensively begging, pray to the Lord, 3 times that it, the thorn demon, might depart, shear off or stand off from me. But, He (God) had communicated to me in the past with the result that I had this information metabolized, "My Super Grace keeps on being sufficient or always produces contentment for you, for the inherent omnipotent power has been and keeps on being fulfilled by means of weakness (in Paul), with the GREATEST PLEASURE to the HIGHEST DEGREE therefore, I will dogmatically boast in the sphere of my weaknesses, in order that the omnipotent power of Christ may take up quarters or bivoauc upon me. Therefore, because in Status Quo Super Grace, the omnipotence of Christ takes up quarters on me, I take pleasure, am well contented with infirmities of physical illness and loss of health, in the sphere of insults or malignings, in the pressures of needs and lack of the details of life in disasters, in persecutions from religion or legalism, in distresses or anguish from disappointment in human relationships from those whom you love, for Christ's sake, for on the occasion I am weak or helpless, at that time and only at that time, I keep on being strong.

2Cor 12:20; For I am afraid that when I come I may find you not to be what I wish, and that there may be strife,

jealousy, anger, flared tempers, disputes, slandering, gossips, arrogance, hence a congregation in a state of confusion.

2John 9; Everyone who advances in knowledge out of bounds and does not remain in the field of play of the Divine Dynasphere by means of the Bible Doctrine of The Lord Jesus, The Christ does not have fellowship with God, he who remains with Bible Doctrine, this same one has a close relationship with the both the Father and the Son.

2Kings 12:19-21; Now the rest of the acts of Jo'ash, and all that he did, are they not written in the Book of the Chronicles of the Kings of Judah? His servants arose and made a conspiracy, and slew Jo'ash in the house of Millo, on the way that goes down to Silla. It was Jo'zacar the son of Shim'e-ath and Jeho'zabad the son of Shomer, his servants, who struck him down, so that he died. And they buried him with his fathers in the city of David, and Amazi'ah his son reigned in his stead.

2Kings 14:17-19; Amazi'ah the son of Jo'ash, king of Judah, lived fifteen years after the death of Jeho'ash son of Jeho'ahaz, king of Israel. Now the rest of the deeds of Amazi'ah, are they not written in the Book of the Chronicles of the Kings of Judah? And they made a conspiracy against him in Jerusalem, and he fled to Lachish. But they sent after him to Lachish, and slew him there.

2Kings 21:2-3; And he did what was evil in the sight of the LORD, according to the abominable practices of the nations whom the LORD drove out before the people of Israel. For he rebuilt the high places which Hezeki'ah his father had destroyed; and he erected altars for Ba'al, and made an Ashe'rah, as Ahab

2Pet 1:12-21; Therefore or because of this, (shocks which came to Peter), I will always be ready (God uses prepared men), to keep on reminding you concerning these things (Perception, Cognition, Incultation, Metabolization, and Application of Epignosis Bible Doctrine) although you know them and having become mentally stabilized, or firmly supported, or sustained, by means of Bible Doctrine which has come to or is always with you. Moreover I consider it my duty, my solemn responsibility to the lord and those I teach, as long as I am in this body (tabernacle or TEMPORARY shelter of soul), to stir you up or turn you on, by means of repetition of doctrine. Because I know that the laying aside of my tabernacle or human body (temporary residence for my soul) is imminent, just as our lord The Lord Jesus, The Christ has made it clear to me. In fact (Peter recognizing he was going to die soon), I will always be diligent that you may have and hold the doctrine at any and all times after my death or departure, in order that you might remember these doctrines for application. (Peter shouted as he came into the congregation) For we have not followed cleverly invented myths when we made know to or taught you the Power of the coming of our Lord The Lord Jesus, The Christ. But when He (The Lord Jesus, The Christ on the mount of transfiguration Matt 16:28) received from the immediate source of God the Father, Honor (humanity) and Glory (deity), and there came such a unique voice in this was carried or transmitted to Peter by his Majestic Glory of God the Father, "This is my beloved Son, with whom I am well pleased". Furthermore we (Peter James and John) heard this voice which was being transmitted or carried from Heaven, when we were with The Lord Jesus, The Christ on the holy mountain of God (mount of Transfiguration). And we keep on having and holding a more reliable prophetic doctrine. Regarding which doctrine, you do well or honorably to keep on giving attention as to a lamp shining in a dark place until the day dawns and the morning star arises in the right lobe of the Stream of Consciousness of your Soul. Know or Understand from study this, as a solution, first before dealing with any problems, that ALL prophecy of scripture DOES NOT originate or come into existence from one's personal or private explanation. For Prophecy or eschatology was never produced by the design, will, scheme or purpose of mankind, but holy men of God (human authors) communicated or expressed themselves in writing, as they were being carried along by God the Holy Spirit.

2Pet 2:1-5; But there were false prophets also among the people in Jeremiah's Day, just as there will be false teachers among you in Peter's Day, who will secretly bring in damnable or destructive heresies, even denying the Lord who bought them under unlimited atonement, and bring upon themselves swift destruction of the Soul. And many will follow their licentiousness, and because of them the way of truth will be reviled. And in their greed they will exploit you with false words; from of old their condemnation has not been idle, and their

destruction has not been asleep. (divine Judgment on the Fallen Angels who Fornicated with Human Females, Gen 6) For if the God himself did not spare, the angels having sinned (now in prison for Gen 6:2, bne Ha Elohim), and he did not spare them, but by means of chains of thick darkness having incarcerated or imprisoned them in Tartarus he delivered them to judgment being constantly guarded. But he, God, preserved Noah, a preacher or herald of righteousness with seven others when he brought a flood upon the world of the ungodly.

2Pet 2:15-16; Forsaking or abandoning the straight road or normal Christian life with consistent Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine they have become deluded or deceived from series Negative Volition toward Bible Doctrine; they have pursued the way of life of Balaam, the son of Be'or, who loved reward, gain or wages from wrongdoing or unrighteousness under materialism lust, but he had a rebuke because of his very own transgression violating the Will of God; a ass unable to normally speak with a man's voice, who preached eloquently with human speech or voice in the sphere of mankind and had forbidden the insanity, madness or psychosis of the Prophet.

2Pet 2:20-21; For if and it is true, unbelievers, after having already escaped from the ultimate source of defilement of the False Teaching Evil of the Cosmic Dynaspheres the Doctrine of Demons having rejected this false doctrine (1Tim 4:1), by means of the epignosis knowledge of our Lord and Savior Jesus Christ in the gospel, they are again involved, entangled or interwoven by this false Doctrine now listening intently as the result of a change in their Right Lobe of the Stream of Consciousness of the Soul and which they have rejected at {before} gospel hearing by their own Negative Volition and are {now} constantly overcome and defeated; the latter end or last state of {(ff) believer} reversionism has, from their own free will volition, become with permanent results far worse for them than the first of the unbeliever with common sense when they rejected false teaching, they now being minus all common sense. For it would have kept on being better for them, slave victims of false teaching, not to have fully known (epiginosko) the way of imputed righteousness of the gospel of Christ for salvation, than after having fully known, by free will, to turn away from authority of the holy or sanctified commandment (1John 3:23) having been delivered to them for their advantage.

OR v21 For it would have been better for the unbeliever never to have known the way of righteousness of epignosis gospel than having known the gospel to turn back from the holy commandment for Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, The Christ alone through Negative Volition, delivered to them in witnessing or evangelism.

2Pet 2:22; It has happened to them according to the correct proverb, The dog returns back to his own vomit, and the sow the female pig after being washed returns to wallowing in the mire.

2Pet 3:9; The Lord is not slow about his promise from his integrity as some count slowness, but He is patient toward you, not wishing for any to perish (all to have Salvation), but for everyone to come to a change of thinking about Salvation through Faith alone in Jesus of Nazareth, The Christ alone.

2Pet 3:13; But according to his promise we wait for new heavens and a new earth in which righteousness dwells.

2Sam 5:13; Meanwhile David took more mistresses and wives from Jerusalem, after he came from Hebron; therefore more sons and daughters were born to David.

2Sam 15:6; Consequently, Ab'salom behaved in this manner to all of Israel who came to the king for justice; so Ab'salom stole by deception the Right Lobe of the Streams of Consciousness of the Soul of the men of Israel.

2Sam 15:12-13; Now while he was offering sacrifices as a hypocritical facade of religion, Absalom sent for Ahith'ophel the Gi'lomite, David's advisor or counselor, from his home town of Giloh. Therefore the conspiracy gained momentum, and the general public kept coming to Ab'salom in constantly increasing numbers. And a intelligence officer who had been sent (by Joab) to David, reported (here in summary), "It has happened the Right Lobe of the Stream of Consciousness of the Soul of the people of Israel follow Absalom, the revolution has begun."

2Sam 19:40-43; The king went on to Gilgal, and Chimham went on with him; all the people of Judah, and also

half the people of Israel, brought the king on his way. Then all the men of Israel came to the king, and said to the king, "Why have our brethren the men of Judah stolen you away, and brought the king and his household over the Jordan, and all David's men with him?" All the men of Judah answered the men of Israel, "Because the king is near of kin to us. Why then are you angry over this matter? Have we eaten at all at the king's expense? Or has he given us any gift?" And the men of Israel answered the men of Judah, "We have ten shares in the king, and in David also we have more than you. Why then did you despise us? Were we not the first to speak of bringing back our king?" But the words of the men of Judah were fiercer than the words of the men of Israel.

2Thes 1:12; so that the uniqueness of the celebrityship of our Lord Jesus may be glorified in you NOW having maximum Metabolized Bible Doctrine in your Stream of Consciousness of the Soul, and you in him, according to the norm and standard of the grace of our God the Father and the Grace of the Lord Jesus Christ.

2Thes 2:2; In order that you, believers in the Royal Family of God in the Church Age in historical crisis or catastrophe, not be easily disturbed, agitated, mentally shaken or unstable in your mind, from the source of your Left Lobe of the Soul nor or not even so nervous, agitated or disturbed that you scream, neither through or by an attractive personality (or a demon spirit) teaching you false doctrine, nor by verbal teaching of false doctrine, evil policy, bad motives by false teachers, or wrong pastor teachers, nor through a forged letter or written teaching or epistle purporting to be from us, to the effect or alleging that the day of the Lord, the 2<sup>nd</sup> advent of Christ, has come or is here now, you being in the tribulation.

2Thes 2:3; Let no one in any way or by means of any one's norms and standards superimpose them on you and thoroughly beguile, lead astray, delude or deceive you OR let no one thoroughly deceive you with their norms and standards, manner of life or conduct in any way and lead you astray into reversionistic revolution against God, Since the Day of the Lord, the tribulation and 2<sup>nd</sup> Advent of Christ cannot come unless, these things must occur first chronologically, the Departure or Resurrection or Rapture of the Church age believers has come first, and the man of the lawlessness of revolution against God or who is lawless, as the anti Laws of Divine Establishment dictator of the revived roman empire as the son of or the one doomed to annihilation, destruction or ruin indwelt by Satan, shall be revealed in the tribulation (Rev 13:1-10, 16:13-14, Dan 7:17, 11:38, 11:31)

2Thes 2:4; The man of lawlessness, who is constantly a hostile enemy opposing and in total arrogance exalting or lifting himself above or over everything that is called, designated or related to the Lord God, or all that is the object of worship or every so called god related to ecumenical religious activity, with the result that he, the Dictator, or his statue image, is caused to sit or installed in the temple of God in Jerusalem, duplicating the glorification of Christ at the right hand of God the Father, proclaiming himself to be God or displaying himself as God. (Matt 24)

2Thes 2:8-10; And then, at that time of the tribulation after the resurrection of the church, the lawless one, dictator of the Revived Roman Empire and leader of ecumenical religion, will be revealed, whom The Lord Jesus, The Christ will consume, destroy, kill and take away with the truthful breath of his mouth, like a nerve gas, in fact, he shall neutralize, wipe out, render powerless by means of the bright glorious glamorous appearance and display of his presence at the 2<sup>nd</sup> advent. (Rev 19:15,19-21) This is the one, the man of lawlessness the dictator of the Revived Roman Empire, whose presence or presentation in history is in accordance with or according to the norm or operational power or activity or Modus Operandi of Satan, himself, in the sphere of all power of religion, revolution, and social action and by means of extra natural phenomenon in the spiritual realm including miracles, healings, pseudo speaking in tongues, etc., and even wonder miracles of the lying propaganda as satanic doctrine infiltrating the Right Lobe of the Stream of Consciousness of his Soul. And In the sphere of or by means of all delusion or perpetual deception of wickedness, deceitfulness, injustice, falsehood or unrighteousness or wrongdoing as maladjustment to the Justice of God, to those citizens of the client nations both believers and unbelievers, who are being led astray, deprived, ruined or utterly destroyed just as the unbelievers will be in the tribulation by the man of lawlessness, because they did not receive, accept or embrace the Agape Mental Emotionless Love for the truth as Bible Doctrine or Laws of Divine Establishment in order that they might be delivered or saved.

2Thes 2:11-12; Therefore God sends upon them a strong delusion, to make them believe what is false, so that all

may be condemned who did not believe the truth but had pleasure in unrighteousness.

2Tim 1:7; For THE God has, to our advantage, dogmatically, absolutely not given to us, as Pastor Teachers who have a local church, the life or state of mind of cowardice (Timothy having been a coward), but of inherent inner power from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and reciprocal or virtue love for God, Impersonal Love and a Relaxed Mental Attitude for Mankind (Rom 5:5, Gal 5:22), and the sound mentality of wisdom and of self control and self discipline.

2Tim 1:9; This one, Jesus of Nazareth, The Christ, who, in 1 instant of time, has eternally saved us at our making Salvation Adjustment to the Justice of God through faith alone in Jesus Christ alone, the one having in the past called or invited or elected us to the privileges and benefits of Grace as Royal Family of God who have reached Maturity Adjustment to the Justice of God Super Grace which continues into the present, into a holy station of life set apart, NOT EVER UNDER ANY CIRCUMSTANCES according to our works or productions but according to his own privately possessed prefabricated or predetermined plan even GRACE which has been given to us in Christ Jesus before the times of the ages or dispensations, before Human History began.

2Tim 2:13; IF we as reversionistic believers under the influence of evil, are not believing, being unfaithful by neglecting or rejecting Bible Doctrine, and some believers are, He abides or remains faithful {the title of this hymn}." For you see, He, Jesus of Nazareth, the Christ, can not deny Himself {In Union with Christ we are part of Him} Tim.

2Tim 2:25; In grace orientation, humility, meekness, and gentleness, freedom from pride and arrogance, when necessary, exercise correction through disciplinary action, toward those reversionistic believers who resist or are in opposition to sound doctrinal teaching, so that perhaps The God may hopefully give to them a consistent change of mind toward Bible Doctrine for the purpose of achieving maximum epignosis or metabolized knowledge of The Truth or Doctrine.

2Tim 3:2-7; For reversionists in any nation under the 5 cycles of Divine Discipline or the end of any dispensation having intensive apostasy, will inevitably become lovers of self in Self Righteous Arrogance, lovers of money in Greed Lust willing to do anything for money, overtly Proud Braggarts, Involved in the Interlocking System of Arrogance with an inner arrogance of soul, abusive, Slandorous Blasphemers, Disobedient with reference to Parents, ungrateful, devoid of gratitude ones, anti establishment ones. Ones with no capacity for love resulting in abnormal affection pseudo love of selfishness or abnormal sexual activity; implacable; unpacifiable, irreconcilable, malicious gossips; without self discipline lacking self control and mastery of self; savage, violent, brutal; despising haters of both Moral and Divine Good not loving the Plan of God, Traitorous, dishonest, treasonous, disloyal, treacherous; rash, reckless, precipitous, thoughtless; having become conceited, puffed up with hot air bullshit deluded pride from self love, lovers of pleasure rather than lovers of God, religious, having from the past and continuing to hold to the external mold or form of Piety or Pseudo Godliness although they have denied, disregarded, renounced or repudiated the inner inherent power of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul of that same experiential sanctification of Maturity Adjustment to the Justice of God Super Grace or Ultra Super Grace, also be turning yourself away or avoid these reversionistic evangelists of evil. For out of or among these apostles of apostasy or evangelists of evil are those which worm or creep or insinuate into those same houses, Local Churches, in order to sell satanic doctrines of evil, and take captive or captivate silly weak willed women or reversionistic believers in the systems of Evil and False doctrine, because they have been piled up, burdened, overloaded and overwhelmed with sins from poor judgment and as a result saturated with misery from Divine Discipline and Self Induced Misery and led on or carried away by evil as prisoners of reversionism and by various kinds or categories of Lusts. These reversionists, always learning false doctrine from some evangelist of evil who is a teacher and so they are never able to come into a full epignosis knowledge of the absolute truth of Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

2Tim 3:2-4, "For persons [Church Age believers] will be lovers of self [Interlocking System of Arrogance], lovers of money, boastful, arrogant, abusive, disobedient to parents, ungrateful, wicked, without virtue love, unforgiving, malicious gossips, without self-control, brutal, not lovers of God, haters of divine good of intrinsic value,

treacherous, rash, thoughtless, conceited, lovers of pleasure rather than lovers of God,

2Tim 3:5-7; religious, having an overt appearance of godliness in the hypocrisy of legalism, having from the past and continuing to hold to the external mold or form of Piety or Pseudo Godliness although they have denied, disregarded, renounced or repudiated the inner inherent power of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul of that same experiential sanctification of Maturity Adjustment to the Justice of God Super Grace or Ultra Super Grace, also be turning yourself away or avoid these reversionistic evangelists of evil. For out of or among these apostles of apostasy or evangelists of evil are those which worm or creep or insinuate into those same houses, Local Churches, in order to sell satanic doctrines of evil, and take captive or captivate silly women or reversionistic believers in the systems of Evil and False doctrine, because they have been piled up, burdened, overloaded and overwhelmed with sins from poor judgment and as a result saturated with misery from Divine Discipline and Self Induced Misery and led on or carried away by evil as prisoners of reversionism and by various kinds or categories of Lusts. These reversionists, always learning false doctrine from some evangelist of evil who is a teacher and so they are never able to come into a full epignosis knowledge of the absolute truth of Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

2Tim 4:1-3; I adjure, give a solemn command under penalty of courts martial or execution to, charge you, Timothy, under oath, in the presence of The God and of Christ Jesus, who is inevitably destined to judge the dead unbelievers at the Great White Throne Judgment and evaluate the dead and living believers at the Judgment Seat of Jesus Christ, (John 5:22, 27) both with reference to his appearance at the rapture of the church and with reference to his kingdom at the Great White Throne Judgment. As a herald of the King, make a public proclamation, delineate the plan and policy of the King of Kings from the original languages of the canon of scripture; stand by, be alert and stick to studying and teaching in time of opportunity when it is convenient and in time of no opportunity when it is not convenient; publicly reprimand, discipline, punish when necessary; convict, privately rebuke, reprimand, discipline face to face when out of line; exhort, help, comfort, cheer up, incite by words or advice, encourage through Bible Doctrine; be steadfast, tenacious, fixed in purpose, unshakable, immovable, unfailing in fulfilling the ministry by studying and teaching the word of God by means of Bible Doctrine. For the generation or time will be when people will as a result of strong Negative Volition to Bible Doctrine NOT endure, bear up with, put up with, listen willingly to accurate sound healthy public teaching of Bible Doctrine, but they, believers under Negative Volition in reversionism under the influence of evil, according to their own personal lusts regarding false doctrines, will accumulate to themselves false teachers to suit their own lusts because they have an itch in their faculty of hearing and are constantly anxious to hear new false doctrines.

2Tim 4:6-8; For you see even now, EMPHATICALLY, I, Paul, an Ultra Super Grace believer, am already being poured out as a libation during this process of dying grace; this time under dying grace on this earth, of my striking the tent, hoisting the anchor, being unyoked from life, being released, my departure from life is standing by, at hand, imminent. I have desperately fought with all my spiritual weapons in the campaign of the Angelic Conflict, that noble, honorable fight of combat, seizing and holding the high ground of Super-Grace and Ultra Super-Grace, I have finished, carried out or completed the race course of life in the past and not left anything unfinished and have no regrets of any kind, I have Guarded and retained therefore, preserved that which is believed, the inestimably valued Bible Doctrine resident in my Stream of Consciousness of the Soul, maintaining the High Ground of Ultra Super-Grace. In the future in Phase III, eternity there is laid up, stored away, preserved or reserved for me a decoration wreath or medal of that righteousness (Dikaiousune) because of total fulfillment of Maturity Adjustment to the Justice of God spiritual progress from Super-Grace to Ultra Super-Grace to Dying Grace, which the Lord Jesus of Nazareth, The Christ, the totally objective righteous evaluator or judge who will award or give to me on that day at the Judgment Seat of Jesus of Nazareth, The Christ and not to me only but also to all those Super-Grace and Ultra Super-Grace believers who love his appearing at the exanastasis or rapture of the church, having Occupation with the Person of Jesus of Nazareth, The Christ in time.

2Tim 4:14; Alexzandros the Metal Smith showed or exhibited on certain occasions, demonstrating or giving proof of many categories of EVIL to me even at my trial in Rome; the Lord Jesus of Nazareth, the Christ, shall pay back or remit to him according to his deeds.

Acts 5:1-10; But a certain man (Believers) named Ananias with Sapphira his wife, sold a possession, in competition with Barnabas and kept back part of the price while presenting the impression they were giving all; his wife also being privy to it or knowing along with him; and brought a certain part, and laid it at the apostles' feet. So Peter said, "Anani'as, why has Satan filled your right lobe (demon influence), to lie to God the Holy Spirit and to keep back some of the price of the land"? "While it remained unsold, did not the property remain your own? And after it was sold was the profit under your control? Why is it that you have put this deed or conceived this thing in your right lobe? You have not lied to man but to God." And Ananias hearing these words fell down, and gave up the spirit {died}. And great fear came on all them that heard these things. And the young men arose, wrapped up the body in swaddling clothes or death wraps, and carried him out, and buried him. And it was about the space of three hours after, when his wife, not knowing what was done, came in. And Peter answered unto her, "Tell me whether you sold the land for so much?" And she said, "Yes, for so much." Then Peter said unto her, "How is it that you have agreed together {with your husband} to tempt the Spirit of the Lord?" "Behold, the feet of them which have buried thy husband are at the door, and shall carry you out." Then fell she down straightway at his feet and yielded up her spirit {also croaked on the spot}. And the young men came in; found her dead; carrying her forth and buried her by her husband.

Acts 5:14-18; And believers were the more added to the Lord; multitudes both of men and women.) Insomuch that they brought forth the sick into the streets, and laid them on beds and couches, that at a minimum the shadow of Peter passing by might overshadow some of them. There came also a multitude out of the cities round about unto Jerusalem, bringing people who were sick, and them which were under the control of demons and they were healed individually one by one. Then the high priest rose up; and all they that were with him (Sadducees - Ruling Class); and were filled with jealousy. And they seized the apostles violently (Beat them when they were arrested), and put them in the common prison.

Acts 5:19; But the angel of the Lord by night opened the prison doors, and brought them forth, and said,

Acts 5:28; saying, "Did not we straightly command you that you should not teach in this name {in the name of Jesus}? And, behold, you have filled Jerusalem with your doctrine, and intend to bring this man's blood upon us."

Acts 7:9; "And the patriarchs moved with envy or Jealousy, one of the worst sins, sold Joseph into Egypt into slavery. But God was with him,

Acts 8:9-24; But there was a certain man, called Simon, who before time in the same city used sorcery and practiced miracles from demon possession, and bewitched the people of Samaria, giving out that he himself was some great one. To whom they {the Samaritans} all gave heed or great attention, from the least to the greatest, or all walks of life in the city, saying, "This man is the great power of God, the highest gnostician with a divine spark." And to him they kept on regarding him as the greatest person in the city, because for a long time he had bewitched or amazed them with sorceries. But when they believed Philip preaching the things concerning the kingdom of God, and the person of Jesus of Nazareth, the Christ, they were baptized over and over, both men and women. Then Simon himself believed also. And when he was baptized with water, he continued hanging around like a shadow with Philip, and kept on being astounded or amazed, beholding the miracles and signs, which were done. Now when the apostles who were at Jerusalem heard that Samaria had received the word of God, they sent unto them Peter and John. Who {the apostles}, when they were come down, prayed concerning them, that they might receive the God the Holy Spirit. (For as yet He [God the Holy Spirit] was fallen upon none of them [like Old Testament saints like the disciples]. Only they were baptized in the name of the Lord Jesus.) Then laid they their hands on them, and they received the Holy Spirit. And when Simon saw that through laying on of the apostles' hands the Holy Spirit was given, he offered them money. And kept on saying, "Give me also this power, that on whomsoever I lay hands, he may receive the Holy Spirit." But Peter said unto him, "Your money will be your destruction, because you have thought that the gift of God may be purchased with money." "You have neither part nor lot in this matter. For your heart is not right in the sight of God." "Change your mind therefore of this your wickedness or SIN, and pray God {I John 1:9}, and perhaps the thought of your heart may be forgiven you and it will be." "For I perceive that you are in the gall of bitterness or frustration, and in the bond or slavery to iniquity or misery." Then answered Simon, and said, "Pray you to the Lord for me, that

none of these things which you have spoken come upon me."

Acts 10:38; how God anointed Jesus of Nazareth with the Holy Spirit and with power. Who {Jesus} went about doing {divine} good, and healing all that were oppressed of demons for God kept on being with Him."

Acts 13:44-46; And the next Sabbath day almost the entire city came together to hear the Word of God or Bible Doctrine. But, When the Jews {unbelievers with negative volition} saw the crowds they were filled with Envy or Jealousy, and they began contradicting, speaking against, criticizing the Bible Doctrine spoken by Paul (Rejection) contradicting and blaspheming or they reviled or lied about him. Then Paul and Barnabas spoke dogmatically with confidence, and said, " It was necessary that the word of God should first have been spoken to you {Jews} but seeing you put or thrust it (Gospel) from the ultimate source of yourself or emphatically rejected it {negative volition}, even judging yourselves unworthy {make human good or the Law, the issue for salvation} of everlasting life; because you have; we now turn to the Gentiles."

Acts 13:45; But, When the Jews {unbelievers with negative volition} saw the crowds they were filled with Envy or Jealousy, and they began contradicting, speaking against, criticizing the Bible Doctrine spoken by Paul (Rejection) contradicting and blaspheming or they reviled or lied about him.

Acts 17:5; But the Jews which believed not or were not persuaded with regard to Jesus of Nazareth, the Christ, were moved with envy or became jealous, associated with, for the purpose of using them, certain evil men or unemployed troublemakers of the marketplace, and formed a mob or rabble, and incited a riot or caused a commotion or disturbed the peace, and assaulted or destroyed or tore down the house of Jason, and sought to bring them (Paul and Silas) to the people.

Acts 23:12-13; And when it became day, certain of the Jews banded together, and bound themselves under a curse, saying again and again that they would neither eat nor drink till they had killed Paul. And they were more than forty which had made this conspiracy.

Col 3:2; Set your mind or be intent on or keep thinking objectively about the things above not on things which are on the earth (make every day Christmas)

Col 3:13; Be tolerant of or put up with one another as believers and graciously forgiving and forgetting one another. If anyone has a complaint against anyone else, just as Christ forgave you, so also graciously forgive them!

Col 3:18; Wives be subordinate or keep on voluntarily yielding yourselves to your husbands as is protocol or fitting or proper in the lord (right thing in the right way)

Col 3:19; The Noble Men keep {impersonally} loving the woman {relaxed mental attitude} and stop being bitter face to face with her.

Col 3:20; The children keep obeying the parents in all things for it is to your advantage.

Col 3:25; For he who does wrong will receive the consequences for that wrong and there is no partiality.

Dan 3:8-12; For this reason at that time certain Chaldeans came forward and brought charges against the Jews. They responded and said to Nebuchadnezzar the king: "O king, live forever! "You yourself, O king, have made a decree that every man who hears the sound of the horn, flute, lyre, trigon, psaltery, and bagpipe, and all kinds of music, is to fall down and worship the golden image. "But whoever does not fall down and worship shall be cast into the midst of a furnace of blazing fire. There are certain Jews whom you have appointed over the administration of the province of Babylon, namely Shadrach, Meshach and Abed-nego. These men, O king, have disregarded you; they do not serve your gods or worship the golden image which you have set up."

Dan 4:37; Now I, Nebuchadnezzar, praise and exalt and honor the King of heaven, The Lord Jesus, The Christ; for all his works are doctrine and his ways are justice; furthermore he is able to humble those who walk in pride.

Dan 5:20; But when his (Nebuchadnezzar's) heart was lifted up in Interlocking System of Arrogance in institutional arrogance, then his mind became hardened so that he behaved arrogantly, therefore he was deposed from his throne, and his glory was taken from him;

Dan 6:4; Then the presidents and the satraps sought to find a ground for complaint against Daniel with regard to the kingdom; but they could find no ground for complaint or any fault, because he was faithful, and no error or fault was found in him.

Deut 1:6; Be strong and courageous, do not be afraid nor tremble, for the Lord your God is the one who goes with you HE will never fail you, HE will never forsake you.

Deut 1:26-28; "Notwithstanding, you would not go up, but rebelled against the command of the LORD your God; and you complained in your tents with verbal sins when Caleb and Joshua insisted that they should go, and said, 'Because the LORD hated us he has brought us forth out of the land of Egypt, to give us into the hand of the Amorites, to destroy us. Why shall we go up? Our 10 brethren have discouraged our Right Lobes, saying, "The people are greater and taller than we; the cities are great and walled and fortified up to heaven and you cannot get over them; and moreover we have seen the sons of the Anakim the Giants from 8 to 10 feet tall there."

Deut 4:28; And there you will serve gods of wood and stone, the work of men's hands, that neither see, nor hear, nor eat, nor smell.

Deut 5:7; "You shall have no other gods before me.

Deut 6:4-6; Shamah Israel Adanai (Jehovah) Elohenu Adanai Echod; Hear, concentrate, start learning and focus attention OH Israel; Jehovah (Jesus of Nazareth, The Christ) is our Eternal God, Jehovah (Jesus of Nazareth, The Christ) is the Unique One of the 1<sup>st</sup> advent, virgin birth and Hypostatic Union, (Is 9, 52, 53 Burnt Offerings) and you shall love the LORD Jesus of Nazareth, The Christ your God with all your Right Lobe of the Stream of Consciousness of the Soul, and with all your soul through advance to Maturity Adjustment to the Justice of God from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, and with all your concentration in worship and Perception, Cognition, Incultation & Metabolization of Bible Doctrine, And these doctrines which I am commanding you today shall be in your Right Lobe of the Stream of Consciousness of the Soul; and you shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise.

Deut 6:14; You shall not go after other gods, of the gods of the peoples who are round about you;

Deut 7:16; And you shall destroy all the peoples that the LORD your God will give over to you, your eye shall not pity them; neither shall you serve their gods, for that would be a snare to you.

Deut 8:19; And if you forget the LORD your God and go after other gods and serve them and worship them, I solemnly warn you this day that you shall surely perish.

Deut 14:1-2; "You are the sons of the LORD your God; you shall not cut yourselves or make any baldness on your foreheads for the dead. For you are a people holy to the LORD your God, and the LORD has chosen you to be a people for his own possession, out of all the peoples that are on the face of the earth.

Deut 24:16; "The fathers shall not be put to death for the children, neither shall the children be put to death for the fathers; every man shall be put to death for his own sin. (The Law of Culpability)

Deut 28:49-57; The Lord will bring a nation against you (SPQR) from afar from the ends of the earth as the eagle

swoops down a Nation whose language you will not understand. A nation of stern countenance, who shall not regard the person of the old or show favor to the young, and shall eat the offspring of your cattle and the fruit of your ground, until you are destroyed; who also shall not leave you grain, wine, or oil, the increase of your cattle or the young of your flock, until they have caused you to perish. And It (Roman Army) shall besiege you at all your gates, until your high and fortified walls in which you trusted come down throughout all your land and it (Romans) shall besiege or attack all your towns throughout all your lands which the Lord has given you. And you shall eat the production of your own body, the flesh of your sons and of your daughters, whom the LORD your God has given you, in the siege and in the distress with which your enemies shall distress you. The man who is the most tender and delicately bred among you will grudge food to his brother, to the wife of his bosom, and to the last of the children who remain to him; so that he will not give to any of them any of the flesh of his children whom he is eating, because he has nothing left him, in the siege and in the distress with which your enemy shall distress you in all your towns. The most tender and delicately bred woman among you, who would not venture to set the sole of her foot upon the ground because she is so delicate and tender, will grudge to the husband of her bosom, to her son and to her daughter, her afterbirth that comes out from between her feet and her children whom she bears, because she will eat them secretly, for want of all things, in the siege and in the distress with which your enemy shall distress you in your towns.

Deut 31:3-5; The LORD your God, The Lord Jesus, The Christ, himself will go over before you; he will destroy these nations before you, so that you shall dispossess them; and Joshua will go over as your leader at your head, as the LORD has spoken. And the LORD will do to them as he did to Sihon and Og, the kings of the Amorites, and to their land, when he destroyed them. And the LORD will give them, the Canaanites, over to you, and you shall do to them according to all the commandment which I have commanded you.

Deut 31:6; Be strong and courageous with a stable mentality (Think, Concentrate and Apply Bible Doctrine) do not be afraid nor tremble (control the emotions) because of or before the enemy, for the Lord your God, The Lord Jesus, The Christ, is the one who goes with or before you, He will never fail you, He will never forsake or cause you to fail because you have Eternal Security.

Deut 31:8; Therefore the Lord is the one who advances ahead of you, taking care of you in any disaster, He will be with you from Metabolized Bible Doctrine in your Stream of Consciousness of the Soul, He will never fail you nor cause you to fail (forsake you), DO NOT FEAR NOR BE SHATTERED NOR BE AFRAID NOR LOSE YOUR POISE NOR BE DEMORALIZED NOR PANIC NOR BECOME DISORIENTED IN BATTLE.

Deut 32:17; They sacrificed to demons not to God, to gods whom they had never known, to new gods that had come newly up, whom your fathers had never feared.

Deut 32:21; They, Jews in every generation under the Big Blot Out, have moved me the God of Israel to jealousy with that which is NOT or negative god in Idols; they have forgotten and provoked me Jesus of Nazareth, The Christ the God of Israel to anger with their emptiness or vanity with Idols. So I, Jesus of Nazareth, The Christ, the God of Israel, will make them the Jews jealous with those who are not a people the gentiles; I will provoke them to anger with a foolish nation a gentile client nation operating on grace not human ability.

Deut 32:35; Retaliation or Vengeance is mine, and retribution belongs to me for the due time when their foot will slip; for the day of their calamity is near, and the impending things of judgment which shall come upon them are hastened as they move toward their apostasy.

Eccl 1:1-2; The words of the The Man with the Message, The King, the son of David, king in Jerusalem. Emptiness of Emptiness, says the The Man with the Message, Emptiness of Emptiness! All is Emptiness.

Eccl 1:12-14; I, Solomon, the The Man with the Message have been king over Israel in Jerusalem. And I applied my thinking mind or devoted myself to study, to seek, to search out and to explore by academics or wisdom all things that had been or are done under heaven; What a heavy burden of self discipline, an unhappy business, a difficult thing that God has given to or laid upon the sons of men to be occupied with or exercise. I have seen

everything, all the works, that are done under the sun; and behold, all of them are Meaningless or Emptiness and I found myself chasing or FEEDING on AIR or the Wind.

Eccl 3:8; (There is) a time to love principles of Divine Viewpoint and Bible Doctrine (Not People), and a time to hate false principles or false doctrines like communism or ecumenicalism; a time for war, and a time for peace.

Eccl 6:2; A mature believer who had made Maturity Adjustment to the Justice of God to whom God gives riches, wealth, possessions and honor, so that he lacks nothing for his soul of all that he desires as Ultra-Super Grace blessings, BUT God does not give him the power to enjoy them, (apart from Bible Doctrine) but a stranger enjoys them as part of the Divine Discipline from God; this is emptiness, futility and meaningless calamity of evil as a disease of thinking in reversionism.

Eccl 6:9; Better is the SEEING of the Eyes, perception of Bible Doctrine, than the wandering of the soul lusts in reversionism, for this also is meaningless or emptiness and chasing after or feeding on the wind.

Eccl 6:11; For there are many thoughts which increase vanity, greater futility and meaninglessness or emptiness of reversionism, what therefore is the advantage of this to man?

Eccl 8:2-5; I Say keep the command of the king (government) because of the oath to God, do not be in a hurry to revolt against him, do not join in an evil matter, revolution, for he will do whatever he chooses, since the word of the king is authoritative who will say to him “where are you going”, he who keeps the royal command will experience no evil, for a wise right lobe knows the proper time and procedure.

Eccl 9:3; This is an evil in all that is done under the sun, that one fate comes to all; also the hearts of men are full of evil, and madness is in their hearts while they live, and after that they go to the dead.

Eccl 9:4-8; For he who is reckoned among the living there is hope or he has something to look forward to for a live dog is better than a dead lion. For the living know that they will die. But the dead do not know anything. They {the dead} no longer have a reward. For even their memory has died. Their {pseudo} loves, their hates and their jealousies have already long since perished. Therefore, they no longer have a share in all that is done under the sun. Go, eat your bread in gladness, and drink your wine in joy for your action was long ago approved by God. Let your clothes always be washed, and your head never lack ointment.

Eccl 9:9; Enjoy living with the right woman who you have loved all the days of your life of emptiness (unbeliever or reversionistic believer) the Right Woman whom he has given you under the sun (Believer & Unbeliever) all the days of your life of emptiness, for this is your portion in life, and in your work or toil, profession, occupation, in which you are laboring or working under the sun.

Eccl 12:8; Emptiness of Emptiness, everything is emptiness, says the man with the message, all is empty.

Eph 1:4-6; Just or even as He, God the Father, chose or elected us as Royal Family of God for himself in him (Jesus of Nazareth, the Christ) before the foundation or beginning of the world, Eternity Past, for the purpose that we should keep on being set apart to God or holy and even unblemished or blameless before or in the presence of him, God the Father, through the agency of LOVE. In love or by means of virtue love having pre-designed us for the purpose of adoption, with the result of the appointment of adult sons for Himself through Jesus Christ according to the benevolent grace purpose from the source of His will, resulting in recognition or praise of God's Glory from the source of his grace from which he has pursued us with grace in the one having been loved (Jesus of Nazareth, the Christ).

Eph 2:2; in which sphere you once walked, according to the lifestyle of the KOSMOS the Cosmic Dynaspheres, according to the ruler of the power of the air or atmosphere of this world, (John 12:31, 14, 30, 16:11, 2Cor 4:4), the spirit, Satan, that is now operational and working in the believer sons (Gal 3:26) of disobedience.

Eph 2:8-9; For by Grace you have been saved now with the result that you keep on being saved always, through faith alone in The Lord Jesus, The Christ alone and that Salvation, not from yourselves, nor anything you do IT IS the gift of God, not as a result of works, that no one should be arrogant or ever boast going beyond his limitations.

Eph 3:10; that through the church the manifold wisdom of God might now be made known to the principalities and powers in the heavenly places.

Eph 3:19; And Come or Get to know the surpassing knowledge Love for Christ, which goes beyond Gnosis Academic Knowledge being Epignosis function of the 3 Spiritual Skills of Filling of God the Holy Spirit Metabolized Bible Doctrine and 10 Problem Solving Devices, so that we may be filled (Eph 5:18 Filling of God the Holy Spirit), resulting in all the unique fullness of blessings from the source of God.

Eph 4:14; In order that, we, believers, may no longer be, or stop being, stupid, imbecilic, childish, foolish, FRAGMENTED, spiritual morons, immature adults as long term believers in reversionism and under the influence Evil producing only Human Good, being tossed here and there and destabilized by waves of reversionistic thoughts as a ship in heavy stormy seas, being carried here and there or driven out of control because of FRAGMENTATION OF THE LIFE, by every wind of false doctrine teaching, by the dice playing or trickery of men in cheating or teaching false doctrines of demons (1Tim 4:12), or cunning deception for the purpose of leading us astray easily through Marxist principles, face to face with their cunning method of deception for the scheming of deceit.

Eph 4:17-18; This therefore I have explained and make an emphatic demand by means of the Lord, that all of you reversionistic Believers no longer continue walking just as also the gentile reversionistic unbelievers keep walking by means of the worthlessness, futility or the vacuum or nothingness of their mind from Black Out of the Soul. Their minds having become darkened in their way of thinking or understanding from Blackout of the Soul or by way of their thinking, having been alienated, estranged, excluded from the Life of God from Scar Tissue of the Soul, because of the ignorance which keeps on being in them and because of the ignorance which is in them because of the hardness or scar tissue of their Right Lobe.

Eph 4:19; Who while having become become callous with Scar Tissue of the Soul have betrayed themselves to permiscuous debauchery, resulting in the practice of very kind of immorality in the sphere of insatiable lust.

Eph 4:22; In order that you lay aside, not allow your Old Sin Nature to control your life through the use of the Rebound Procedure, which as belonged to the Norms and Standards of your former manner of life and is constantly corrupt and depraved according to the deceitful lusts,

Eph 4:23-24; But in contrast to the carnal status, (v22) receive restoration by the Breathing, inhale and exhale of Bible DoctriJerne, by your minds, and for the purpose that you, yourselves, clothe your soul with the new in species pertaining to man, Bible Doctrine, which having been called into being according to the standard of God which brings order out of chaos in true fairness and justice in the sphere of GRACE Orientation and piety, fidelity, devotion, to the Absolute Truth of Bible Doctrine.

Eph 4:26; Although you may have become indignant or angry because of some hostility toward you, in spite of that sin, nevertheless stop this sinning do not allow it to become chain sinning; the sun must not ever go down or set on your angry mood, the perpetuation of your anger.

Eph 4:27; and Stop doing what you are already doing in giving room or opportunity to the Devil by living in the Cosmic Dynaspheres, to the Great Slanderer, the Ruler of this World.

Eph 4:28; Let the thief no longer steal, but rather let him labor, doing honest work with his hands, so that he may be able to give to those in need.

Eph 4:30-32; Furthermore Stop Grieving GHS, The God, by means of whom you have been sealed to the Day of

Redemption. All bitterness, both anger and wrath, both quarreling and slander must be removed from you along with all malice. But become kind toward one another, (Grace Orientation) compassionate (Impersonal Love for Mankind) even forgiving each other, just as God also, by means of The Lord Jesus, The Christ has forgiven us.

Eph 5:3; But fornication and any abnormal sex or any other aspect of a Frantic Search for Happiness should not even be mentioned among you, as is proper with reference to the Royal Family of God.

Eph 5:16; constantly Redeeming or buying time through Perception, Cognition, Inculcation, Metabolization and Application of Bible Doctrine and attaining Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul with Filling of God the Holy Spirit, because the Days are evil

Eph 5:20

v20: Be thankful for all things in the sphere of our Lord Jesus of Nazareth, The Christ to God even the Father.

Eph 5:23-33; Because the husband is the HEAD or ruler of the wife just as Christ also is head or ruler of the church he himself is the savior of the body, the body of the woman by his love care and tenderness. But as the church is subject to Christ, you wives are also subject to your husbands in all things, that having purified her, the Royal Family of God, he might consecrate or dedicate her by means of the washing from the water from or with the word of Bible Doctrine, that he, himself, Jesus of Nazareth, The Christ, might present the splendid glorious church to himself not having stain of no Old Sin Nature in the Resurrection Body, nor wrinkle of Good and Evil or any such category of things related to the devils world, that she the Royal Family of God might be holy in ultimate sanctification and blameless with relationship to lack of Good and Evil. Even so husbands should love their wives as their own bodies. He who loves his wife loves himself. For no man ever hates his own flesh, but nourishes and cherishes it, as Christ does the church, because we are members of his body. "For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh." This mystery is a profound one, and I am saying that it refers to Christ and the church. However each one of you also individually, let you husbands, so love your own wife as he loves himself, and the wife see to it that she respects her husband.

Eph 6:10-17 (command for the believer-the Armor from God); Therefore in the future keep on becoming strong in the Lord (Interlocking of the Gates of the Divine Dynasphere) even by means of the Rule of his Endowed power (Divine Dynasphere). Put on or wear for yourselves the full armor of God that you might be able to hold your ground against the tactics of the Devil, Because our combat is not against flesh and blood human beings, but against rulers, the demon general officers, against authorities, the demon commissioned officers, against the world rulers of this darkness, the demon ambassadors to capitals of the world rulers, and against the Spirit forces of evil the rank and file demons. *Because of this Angelic Conflict pick up and put on the whole armor from God, in order that you may have the ability to resist in the evil day of attack, even after having achieved everything by reaching Maturity Adjustment to the Justice of God, to oppose the forces of Satan through No Man's Land and at advanced Maturity Adjustment to the Justice of God during Evidence Testing.* Stand fast therefore, after having buckled your bauldritch around your waist by means of Metabolized Bible Doctrine resident in the Right Lobe of the Stream of Consciousness of the Soul, also after having put on the body armor of righteousness. Also having put on combat boots on your feet with the equipment of the gospel even peace or reconciliation. In addition to All this Armor, having picked up and carried the shield of Faith with which you may be able to extinguish all the missiles of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the word of God.

Eph 6:18; With all prayer and petition pray at all times in the power of God the Holy Spirit, and with this in view be alert with prayer, for all the saints with all persistence and petition.

Ex 5:17-18; But he, Pharaoh, said, "You are idle, you are idle; therefore you say, 'Let us go and sacrifice to the LORD.' Go now, and work; for no straw shall be given you, yet you shall deliver the same number of bricks."

Ex 14:13-14; And Moses spoke, being a courageous leader able to think under pressure, saying to the people, "Fear not, Fear not, You shall not be afraid, You yourself must take a stand on doctrine, stand fast in place be stabilized and concentrate on doctrine and see or watch the physical deliverance of the LORD, which he, God, will do or manufacture for you this day from Grace; because what you see, the Egyptians, today, you will not see again, see them any more forever and ever; or because the Egyptians whom you have seen today you will never see again not ever. The LORD Jehovah, Jesus of Nazareth, The Christ, God of Israel, himself, will fight for you, while you 2,000,000 Jews keep your damned mouths shut, no more whining and crying no more hysteria."

Ex 16:2-4; And the whole congregation, ALL of the people of Israel murmured against Moses and Aaron in the desert, and said to them, "Would that we had died by the hand of the LORD in the land of Egypt, when we sat by the giant outdoor kettle where we cooked our meals of miserable carrion scraps and worms and snails for food and ate disgusting food to the full; for you have brought us out into this desert to kill this whole assembly by starvation." Then the LORD said to Moses, "Behold, I will rain bread from heaven for ya'all, (While they were complaining against Moses and Aaron); and the people shall go out and gather a day's portion every day, for the purpose or in order in order that I may test them, whether they will obey my instructions or not.

Ex 17:1-7 (The last test before WAR); All the congregation of the people of Israel moved on from the wilderness of Zin by stages, according to the commandment of the LORD, and camped at Reph'idim (the place of refreshment); but there was no water for the people to drink. Therefore the people complained (Meribah) with Moses, and said, "Give us water to drink." And Moses said to them, "Why do you find fault with me? Why do you tempt the Lord (to destroy them totally)?" The people at meribah thirsted for water and complained against Moses and said why have you brought us up from Egypt to kill us and our livestock with thirst. So Moses earnestly prayed to the LORD, "What shall I do to these people? They are almost ready to stone me." And the LORD said to Moses, "Get out in front of the people (where you make a better target for stoning), taking with you some of the elders of Israel; and take in your hand the rod with which you struck the Nile, and go. Behold, I will stand before you there on the rock in Horeb; and you shall strike the rock, and water shall come out of it, that the people may drink." And Moses did so, in the sight of the elders of Israel. And he called the name of the place Massah and Mer'ibah, because of the testing and complaining of the children of Israel, and because they put the LORD to the proof by saying, "Is the LORD among us or not?"

Ex 20:3-4; "There shall not be to you personally any other gods beyond me. "You shall not manufacture out of existing materials for yourself any graven or sculpted image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth;

Ex 20:23-24; You shall not make gods of silver to be with me, nor shall you make for yourselves gods of gold. An altar of earth you shall make for me and sacrifice on it your burnt offerings and your peace offerings, your sheep and your oxen; in every place where I cause my name to be remembered I will come to you and bless you.

Ex 34:13; You shall destroy their altars, and break their images, and cut down their groves for you shall worship no other god, for the LORD your God, whose name is possessive, is a possessive God and you belong to him,

Ez 7:10; "Behold, the day is coming as the 5th cycle of Divine Discipline to any nation saturated in the Interlocking System of Arrogance! Your doom has gone forth, the rod of Divine Discipline has blossomed because the Interlocking System of Arrogance has sprouted.

Ez 14:7; For any one of the house of Israel, or of the strangers that sojourn in Israel, who separates himself from me, taking his idols into his heart and putting the stumbling block of his iniquity before his face, and yet comes to a prophet to inquire for himself of me, I the LORD will answer him myself;

Ez 16:9; Then I bathed you with the water of Bible Doctrine and thoroughly washed off your blood of hopelessness from you, and anointed you with oil.

Ez 16:23-33; "And it came to pass after all your wickedness; woe, woe to you! says the Lord GOD, Then you have built yourself a house of prostitution, and made yourself a lofty place in every street bringing an orgy into your house of prostitution. You have built a house of prostitution at the head of every street and prostituted your beauty, offering yourself to any one who passes by, and multiplying your whoredom being a prostitute with your own house. You also committed fornication with the fat Egyptians, your lustful neighbors, and you have increased your whoredoms to provoke me. Behold, therefore, I have stretched out my hand against you, and diminished your ordinary food, and by your free will delivered you to the those who hate you, the lesbian daughters of the Philistines, who were ashamed of your lewd behavior. You played the whore also with the fierce Assyrians, because you were insatiable and unsatisfied; Yes, you played the whore with them, and still you were not satisfied. You have moreover multiplied your fornication also with the land of Caanan unto Chaldea; and even with this you were not satisfied. "How weak is your Right Lobe of the Stream of Consciousness of the Soul, says the Lord GOD because of lack of function under Grace Apparatus for Perception, seeing you did all these things, the work of a ruling whorish woman no longer a responder; building your house of prostitution at the head of every street, and making your house in every square. Yet you were not like a harlot, because you scorned hire. You are like an Adulterous wife, who receives strangers instead of her husband, giving herself away no longer a prostitute! Men give money to all prostitutes; but you gave money to all your lovers, bribing them to come to you from every side for your harlotries.

Ez 22:3-18; You shall say, Thus says the Lord GOD: A city that sheds blood in the midst of her, that her time may come, and that makes idols to defile herself! You have become guilty by the blood which you have shed, and defiled by the idols which you have made; and you have brought your day near, the appointed time of your years has come. Therefore I have made you a reproach to the nations, and a mocking to all the countries. Those who are near and those who are far from you will mock you, you infamous one, full of tumult. "Behold, the princes of Israel in you, every one according to his power, have been bent on shedding blood. Father and mother are treated with contempt in you; the sojourner suffers extortion in your midst; the fatherless and the widow are wronged in you. You have despised my holy things, and profaned my sabbaths. There are men with you who plan to shed blood, and men in you who eat upon the mountains; men commit abusive perverted sex in your midst. In you men uncover their fathers' nakedness; in you they humble women who are unclean in their impurity. One commits abomination with his neighbor's wife; another incestuously defiles his daughter-in-law; another in you defiles his sister, his father's daughter. In you men take bribes to shed blood; you take interest and increase and make gain of your neighbors by extortion; and you have forgotten me, says the Lord GOD. "Behold, therefore, I strike my hands together at the dishonest gain which you have made, and at the blood which has been in the midst of you. Can your courage endure, or can your hands be strong, in the days that I shall deal with you? I the LORD have spoken, and I will do it. I will scatter you among the nations and disperse you through the countries, and I will consume your filthiness out of you. And I shall be profaned through you in the sight of the nations; and you shall know that I am the LORD." And the word of the LORD came to me: "Son of man, the house of Israel has become dross to me; all of them, silver and bronze and tin and iron and lead in the furnace, have become dross.

Ez 23:24-28; And they will come against you with weapons, chariots, wagons, and a company of people who fight, and they will set themselves up against you in every side with buckler and shield and helmet, and I shall commit the judgment to them and they will judge you according to their customs. And I will direct my indignation against you, that they may deal with you in fury. They shall cut off your nose and your ears, and your survivors shall fall by the sword. They shall seize your sons and your daughters, and your survivors shall be devoured by fire. They shall also strip you of your clothes and take away your fine jewels. Thus I will put an end to your lewdness and your harlotry brought from the land of Egypt; so that you shall not lift up your eyes to the Egyptians or remember them any more. For thus says the Lord GOD: Behold, I will deliver you into the hands of those whom you hate, into the hands of those from whom you turned in disgust; For thus says the Lord Jehovah, "Behold, I will deliver you into the hands of those whom you despise, having not accepted responsibility for your acts thus refusing to rebound, into the hands of those from whom your soul has torn itself away

Ez 23:37-49; They have committed adultery, and blood is upon their hands; with their idols they have committed adultery; and they have also even offered up their sons to pass through the fire of the child sacrifice of the phallic

cult whom they had borne to me. Moreover this they have done to me: they have defiled my sanctuary on the same day and profaned my sabbaths. For when they had slaughtered their children in sacrifice to their idols, on the same day they came into my sanctuary to profane it. And lo, this is what they did in my house. They even sent for men to come from far, to whom a messenger was sent, and lo, they came. For them you bathed yourself, painted your eyes, and decked yourself with ornaments; you sat upon a stately couch, with a table spread before it on which you had placed my incense and my oil. The sound of a carefree multitude was with her; and with men of the common sort drunkards were brought from the wilderness; and they put bracelets upon the hands of the women, and beautiful crowns upon their heads. "Then I her Right Man the Lord said to her that was debilitated or made old by adulteries from excess fornication now will her fornicating itself being unfaithful to the Right Man go on fornicating? For they have gone in to her, as men go in to a harlot. Thus they went in to Oho'lah and to Ohol'ibah to commit lewdness. But righteous men shall pass judgment on them with the sentence of adulteresses, and with the sentence of women that shed blood; because they are adulteresses, and blood is upon their hands." For thus says the Lord GOD: "Bring up a host against them, and make them an object of terror and a spoil. And the host shall stone them and dispatch them with their swords; they shall slay their sons and their daughters, and burn up their houses. Thus will I eradicate lasciviousness from the land, that all women may take warning and not commit lasciviousness as you have done. And your lewdness shall be requited upon you, and you shall bear the penalty for your sinful idolatry; and you shall know that I am the Lord GOD."

Ez 28:12-13; "Son of man, raise a lamentation upon the king of Tyre a demon possessed man, and say to him, thus says Jehovah Elohim: "You were the greatest of all creature perfection, full of wisdom and perfect in beauty. You were in Eden, the garden of God in the third heaven even the throne room; every precious stone was your covering, carnelian, topaz, and jasper, diamonds, beryl, and onyx, sapphire, carbuncle, and emerald; and wrought in gold was your suit or garment and coverings and your vocal cords or voice were prepared in you on the day that you were created.

Ez 28:14-17; You (Satan) were the anointed cherub who guards (the Throne room of heaven), I (God) placed you there, you were on the holy mountain of God, you walked in the stones of Fire. You were blameless perfect in your ways from the day you were created until unrighteousness was found in you. By the abundance of your slander or gossip or malign, they filled your inner life with violence, your motivation and thought pattern was filled with violence (as terrorists) And you sinned (Is 14:14) therefore I have cast you out as defiled from the mountain of God, I have excluded you oh Guardian Cherub, from the midst of the stones of fire. Your Right lobe was lifted up (arrogance) because of your beauty, you were corrupted because of your glamour and wisdom or intelligence, I have cast you to the earth, I have placed you before kings so that they may see you.

Ezra 3:12-13; But many of the priests and Levites and heads of fathers' houses, old men who had seen the first house, wept with a loud voice when they saw the foundation of this house being laid, though many shouted aloud for joy; so that the people could not distinguish the sound of the joyful shout from the sound of the people's weeping, for the people shouted with a great shout, and the sound was heard afar.

Gal 2:11-13; But when Peter was come to Antioch I braced or opposed or resisted or stood up against him to his face before the church because he {Peter} was found after investigation to be in the past and kept on being so, wrong or blamed or standing condemned, for legalism infiltration, according to divine viewpoint. For before that, when certain ones or men came from James with a legalistic purpose, he {Peter} did habitually eat or dine in the company of Gentile Believers. But when the legalistic Jewish Believers arrived, he {Peter} made a strategic withdrawal and gradually, secretly, quietly, separated himself from the Gentiles keeping on fearing them who were of the circumcision the legalistic Jewish Believers. And the other Jewish Believers dissembled or acted likewise or spoke from behind a false front or face or to become a hypocrite with him. Insomuch that Barnabas also was carried away with their legalism or two-faced-ness or hypocrisy!

Gal 2:16; Nevertheless, knowing that a man does not receive justification by means of the works of the Law (Mosaic Law), but through or by instrumentality of faith in Jesus of Nazareth, the Christ alone, even we (Peter & Paul) who are Believers have believed in Jesus of Nazareth, the Christ, that we might receive, once and for all,

justification by Faith Alone in Jesus of Nazareth, the Christ alone, and not by the works of the LAW, since by the works of the law, NO MORTAL MAN will be justified.

Gal 2:21; I do not keep on canceling, frustrating or voiding the grace of God. For if righteousness comes by the law, and let us assume it does, then Christ is dead, has died, in vain!

Gal 3:1-23; Oh Asinine stupid Galatians, who has hypnotized or given you the evil eye, that Before whose eyes Jesus Christ has been publicly displayed crucified among you! I could rest my case on this one point only, I desire to learn from you and only you, once and for all, did you receive in a point of time God the Holy Spirit by means of the works of the law, or by means of the hearing of faith, or the willingness or desire to listen? Are you so stupid? {Yes we are so stupid!} Having begun in the sphere of the Spirit, are you, yourselves, now made perfect by means of the work the flesh? Have you suffered so many things in vain? If so indeed in vain. Therefore He who keeps on giving graciously un-bountifully to you, to your advantage, God the Holy Spirit and {Who} works with effectiveness providing both natural and supernatural abilities inside of you, does He do it by the works of the law or by the hearing of faith or the willingness or desire to listen? (Gen 15:6) Even as Abraham believed in The God, and it was credited to him in a point of time for Divine Righteousness know you therefore {by study} that they out from the source of faith or born again believers the same ones are the adult sons of Abraham. And the scripture {Genesis 12:3} foreseeing that God would habitually justify in the same way, the heathen or Gentiles out from the source of faith preached or announced before in history, the gospel unto the advantage of Abraham "In you {Abraham through Jesus of Nazareth, the Christ} shall all nations be blessed." So then in conclusion, they out of the source of faith receive blessing in association with The Believing Abraham. For as many as are under the works of the law are under the curse of the Mosaic Law. For it is written in the past and stands written forever {Deuteronomy 27:26}, "Cursed be all ones that fail to keep on abiding in or adhering to all things, which are written in the past and stands forever, in the book of the law (Codex 1, 2, & 3) to do them". But that no one receives justification in the sphere of the law in the sight of God evident for (Hab 2:4) "The justified ones shall live out of the source of faith." And the law is not of faith. "But, the man that having done them, shall live, in the future, in them." {Leviticus 18:5} Christ and only Christ has once and for all redeemed or purchased us (Believers) out from the slave market of the curse of the law. For it is written in the past with the result that it stands written forever {Deut 21:23}, "Under a curse is every one who keeps on hanging on The Wood having become a curse for us." For the purpose that the blessing of Abraham might once and for all come to pass on the Gentiles for their benefit, in union with Jesus Christ with the result that we might once and for all receive the promise of the Spirit through the instrumentality of faith. Brethren, I keep on speaking from the human viewpoint but though a human's contract, yet if it be confirmed in the past, with the result it continues to be a contract forever, then no man keeps on voiding it or a Divine Dynasphere to it. (Parenthetical) (Now to Abraham and his Seed {Christ & Believers in union with him} were the promises once and for all forever made. He said not to seeds as of many {Racial or physical birth Jews} but as of one and to your Seed which is Christ.) And this I keep on saying that the Abrahamic covenant that which was ratified or confirmed in the past by God with the result that it keeps on being ratified forever before the Mosaic law, under the authority of God in Christ, the Mosaic law which was four hundred and thirty years after can not annul or abrogate with the result that the promise becomes void! For if the inheritance is based on the law it is no longer based on promise but God gave it to Abraham by means of promise {and He will NOT renege}. Why the law or What is the purpose of the {Mosaic} law? It was added for the sake or purpose of defining the transgressions (to see sin as transgression of God's laws) having been ordained or arrangements precisely made in a point of time through the instrumentality of angels in the hand of a mediator (the preincarnate Jesus Christ), until the Seed (of the woman Gen 3:15, the incarnate Jesus Christ) should decide to come to whom the promise was made. Now the mediator of the law is not a mediator of THE one God but God (Jesus of Nazareth, the Christ) is one in essence. OR Now the mediator of the law is not of one party only, whereas God is One party only. Is the law then against the promises of God? Let it not be so or It is not so! For if there had been a law given which could have given life but there isn't, verily divine righteousness should have been in the past from the source of the law! For the scripture (Deut 27:26) has concluded all humanity is under the Old Sin Nature, that the promise by faith in Jesus of Nazareth, the Christ might be given to them who believe to their advantage. But before faith came to the Jews in the beginning of the Church Age, we were constantly or habitually kept or jailed under the Law and therefore shut up or closed out in a prison cell, from the possibility of with reference to faith which as a

result of departing from the law should be here in after revealed.

Gal 3:24; Therefore the Law was our custodian slave to bring or escort us to an understanding of Christ, in order that we might receive once and for all justification by volitional faith.

Gal 3:28; There is Neither Jew nor Gentile (NO racial distinctions), there is neither Slave or Freeman (NO social distinction), there is neither Male nor Female (NO gender distinction), but you are always in absolute status quo of one in Christ Jesus.

Gal 4:17-18; They {the legalistic Jews} keep on zealously courting you {tell you HOW GOOD YOU are doing} but not honestly. Yes, they would separate you {from Paul and his teaching of Grace} that they might affect you. But good to be properly courted when I am present. And, not only when I am present with you!

Gal 5:9; A little leaven leavens the entire lump.

Gal 5:17-18; For you see, the Old Sin Nature rises up in protest against the indwelling God the Holy Spirit and the indwelling God the Holy Spirit wars against the Old Sin Nature for these are constantly opposed to each other with the result that you may not do the things which you desire. But if you are led by the Spirit you are not under the law.

Gal 5:19-20; Now the works of the flesh are evident, they are fornication (Sexual sins) abstain from Fornication, idolatry, sorcery, enmity, strife, jealousy, anger, selfishness, dissension, party spirit,

Gal 5:21; envy, drunkenness, carousing, and the like. I warn you, as I warned you before, that those who do such things shall not inherit the kingdom of God.

Gal 5:22; But the Fruit of God the Holy Spirit is Love, Happiness, Tranquility (in time of disaster) , Patience, Kindness, Goodness and Faithfulness

Gal 5:25-26; for if we live by means of the Filling of God the Holy Spirit let us also advance by means of the spirit, let us not become arrogant challenging each other being jealous of each other.

Gal 6:3; For if anyone thinks he is something when he is nothing (and we do) he leads his own mind astray, he deceives himself and Doctrine is not in him. (Self Deception)

Gal 6:7; Be not deceived God is not mocked whatever a person sows so shall he also reap. they who sow to the wind will reap the whirlwind\

Gen 1:1; In a beginning which was, without a beginning, not a beginning, in a segment of Eternity Past, there always existed elohim, and God (elohim) Created out of nothing the heavens and Planet Earth.

Gen 1:2 (Chaos); But the Earth had become desolate, and empty, packed in ice, (No animal, plantlife, preadamic, invisible unformed) with darkness above the Ice (No Light nor heat) upon the face of the Raging Waters, But the Spirit of God, radiated Heat to melt the Ice Pack, upon the face of the waters,

Gen 1:3-31; And Elohim the father said, Light BE and Light Was, Elohim saw that the Light, Good, and elohim caused to separate between the light and between the darkness (caused by Angelic Fall), And elohim called the light Day, but the Darkness he called Night, and so it became evening getting darker, and the morning became dawn getting lighter, (the first cycle is) DAY ONE. And Elohim communicated, "Atmosphere Be, in the middle of the Waters, and become a cause of dividing between the lower waters on the earth and Heavenly, upper waters, And Elohim the Son manufactured the Atmosphere out of something and caused to separate between the waters under the atmosphere and the waters above the atmosphere, and so it came to pass, or was done as previously described. And Therefore God designated the atmosphere Heaven, So it became evening getting darker and it

became Dawn, getting lighter, Day 2. Then Elohim said Waters below the atmosphere, Be Assembled into boundaries (one place), and now dry land be seen, and so it came to pass as described. and So Elohim (all three agreed) called the Dry Land Earth, and the Gathering together, Collection into one Place, waters within their boundaries, he called oceans, seas or Bodies of Water, therefore Elohim saw, Good. And elohim said, Dry Land cause to Sprout or grow vegetation, self perpetuating plantlife yielding Seed, producing fodder for animals and food for mankind, causing to produce seed according to its own species, and fruit tree producing fruit according to its own species, whose seed is within it on the earth, and so it came to pass as described. And So the Dryland of the Planet Earth caused to spring up (on a self perpetuating basis), vegetation, plantlife causing to produce seed according to its own species and also the tree producing fruit whose seed was within it according to its own species therefore elohim saw that it was Good. So it became evening getting darker, and it became Dawn getting lighter, Day Three. And Elohim, (God) Said, "Light Bearers (our solar system) Be, in the expanse of the heavens, to cause to divide between the day and between the night, also to become for signs, and to become for seasons, and for days and for years. And let them become for light bearers in the heavens, to cause to give light to the planet earth and so it came to pass as described. So elohim constructed out of light, the 2 great categories of Light Bearers, [1-Sun a Star + 2-Planets], namely the Greater light for the dominion of the day (Sol Star) and both the Lesser light (Planets) and the already existing stars for the dominion of the night, and Elohim the Son gave them (Sun and planets) to the atmosphere of the heavens to provide light on planet earth, consequently. And one category to rule over the day and the other category in the night, and to cause to divide between the light and darkness, and elohim saw that it was Good. So it became evening getting darker (earth rotating again) and it became morning getting lighter, Day 4. And elohim decrees "The waters (in their boundaries) be prolific with aquatic Life, living creatures, and birds fly above the earth on the face of the atmosphere of the heavens (close to the earth). And Elohim (The Son) created out of nothing the giant whales, and every other aquatic living moving creature with which the waters abounded, according to their own species, and above the water every bird with wings according to their own species, and elohim saw that it kept on being good. And Elohim (The Trinity) blessed them saying, reproduce and multiply and fill the waters in the oceans with your own kind, And to the Birds he commanded, Multiply in or over the planet earth. And elohim decreed the Earth cause to spring up the Living Creature animals on the land, according to its own species, domesticatable animals, reptiles along with insects, and wild animals of the land according to its own species, and So it came to pass as previously described. And Elohim constructed the wild animals of the land according to its own species, domesticated animals according to its own species, and all the reptiles (worms, insects, etc) of the ground according to its own species, and elohim saw that it was Good. Elohim (trinity) decreed, "Let us manufacture (Adam) the Human Race personslities in the shadow image of our essence after our pattern of personalities, and they shall rule over the birds of the heavens, the fish of the sea, and over the domesticated animals, and over all the earth (Lower creation),and over all the reptiles creeping and gliding over the earth (insects and snakes). So Elohim (trinity) Created out of nothing the Adam (Soul) in His shadow image, in the image of Elohim created out of nothing He (God) Him (Adam), created he Them Male and Female souls, Right Man and Right Woman in Soul only. And Elohim blessed them abundantly, therefore elohim said unto them, "reproduce and multiply and fill the earth, both dominate and subdue it and rule over the fish of the sea, the birds of the heavens and every living animal moving on the land". And Elohim decreed, behold, I have given you all plantlife producing and scattering seeds, which is on the surface of the Earth, and every tree which in it the fruit of the tree producing seeds, to you it shall be for food. And to every beast of the earth (Mammals), and to every bird of the air (Fowls), and to everything that creeps or glides (Snakes & Insects etc) which in it has life, every green plant for food, and so it came to pass as previously described. And Elohim saw everything which he had manufactured out of something (Restored) and behold very Good, And so it became evening becoming darker, and it became dawn getting lighter the 6th Day.

Gen 2:7; (God's Provision for Man's Soul); And the Jehovah Elohim formed or designed the male body (Man) out of the Dust from the Ground and Breathed into his nostrils the Breath or Spark of Life of Soul Lives (man and woman) and The Adam, Man only became a Soul having life. (Woman's Body created later)

Gen 2:17 (The Test); And from the Tree of the Knowledge of Good and Evil you MUST not eat from it, because in the day that you eat from it Dying (spiritually), you will die (physically). DEAD DEAD

Gen 3:1-3 (Satanic Agent); Now the Serpent the hissing one, was, more crafty or clever than any lower creature of the field that Jehovah Elohim had manufactured (out of something) and he said to the woman, "Have you heard, or is it really True, that Elohim, God, has said, "You shall not eat of every tree of the garden". And the woman replies to the serpent "From the Fruit of the trees of the Garden we may eat but from the fruit of the tree in the middle of the Garden", Elohim has Said' "you shall not eat from it neither shall you touch it, lest you die." (Satan Speaking Rev 12:9) And the Serpent said to the Woman, "No, definitely you will never die, For Elohim keeps on knowing that the day you eat from it, then the eyes of your soul will be opened, and you shall become like Elohim, knowing Good and Evil. And when the Woman kept on seeing that the tree was good for food and that it was an object of desire for the Eye, and the Tree being desirable to make one wise, causing one to be knowing, she took from the tree's fruit and she kept on eating it over and over. Then she gave also to Her Man with her and He also did keep on eating.

Gen 3:15 (Salvation promise); and I will put enmity or hostility or antagonism between you (serpent) and the woman (Salvation Promise – Grace before Judgement), between your seed, offspring, descendant (fallen angels & unbelievers) and her seed, offspring, descendant (JC & believers), and HE (Jesus of Nazareth, The Christ) shall crush your (Satan) ruler-ship or headship (operation footstool), and you (Satan) shall crush His heel (Spiritually Dead Jesus of Nazareth, The Christ judged on the cross for SIN).

Gen 15:6; Now He, Abraham, being motivated for Salvation Adjustment to the Justice of God, had been caused to believe by means of common grace and Efficacious Grace 50+ years before through faith alone, in Jehovah, Jesus of Nazareth, The Christ and he, God the Father, had computed it to be credited to him for imputed Absolute Righteousness of God.

Gen 34:25-26; On the third day, when they were sore, two of the sons of Jacob, Simeon and Levi, Dinah's brothers, took their swords and came upon the city unawares, and killed all the males. They slew Hamor and his son Shechem with the sword, and took Dinah out of Shechem's house, and went away.

Gen 49:5-7; Simeon and Levi are brothers; weapons of violence are their swords. O my soul, come not into their council; O my spirit, be not joined to their company; for in their anger they slay men, and in their wantonness they hamstring oxen. Cursed be their anger, for it is fierce; and their wrath, for it is cruel! I will divide them in Jacob and scatter them in Israel.

Gen 49:6; O my soul, come not into their council; O my spirit, be not joined to their company; for in their anger they slay men, and in their wantonness they hamstring oxen.

Hab 2:18-19; What profit is an idol when its maker has shaped it, a metal image, a teacher of lies? For the workman trusts in his own creation when he makes dumb idols! Woe to him who says to a wooden thing, Awake; to a dumb stone, Arise! Can this give revelation? Behold, it is overlaid with gold and silver, and there is no breath at all in it.

Heb 2:14-15; since therefore the children share blood and flesh, he also himself JC took hold of blood and flesh in the Hypostatic Union of the virgin birth, in order that he through Spiritual Death he might neutralize the one who has the power of Spiritual Death that is the devil. and deliver all those who through fear of death were subject to lifelong bondage.

Heb 6:1; Therefore having graduated from the elementary Doctrine of Christ, let us (Believers) advance ourselves to maturity through the grace status, not again laying the foundation (Gospel Doctrine), changing our minds (repenting) about dead works or human good (related to salvation)

Heb 6:4-6; For in the case of those who have not been enlightened (Common grace) and have tasted the heavenly gift (Fair shake of Salvation Adjustment to the Justice of God through faith in The Lord Jesus, The Christ alone) and have been made partakers of God the Holy Spirit in the Spiritual Life, And have tasted for themselves the noble Doctrine of God (Royal Family of God ) and his powers of the age to come (Millennial powers for Church

Age Believers); then having fallen away it is impossible to renew them again with reference to a change of mind (Rebound is impossible) while they again crucify to themselves the son of God (Perpetual carnality) and expose him to public shame)

Heb 9:12-15; And not by means of the blood of goats and young bulls the Leviticus offerings, but by means of his own blood (figurative) he our great high priest entered into the holy of holies once and for all having procured eternal redemption for us. For you see if the blood of goats and bulls and the ashes of the red heifer, the animal sacrifices of atonement and rebound, which becomes ceremoniously unclean continue purifying with reference to the ceremonial cleansing of the flesh and they do, How much more than ceremonial cleansing through the shedding of animal blood shall the blood of Jesus of Nazareth, the Christ who through his eternal divine essence has offered himself without blemish and impeccable to the God the Father, purify by an expiatory offering, our conscience from dead works to serve the living God. And because of this, Jesus of Nazareth, The Christ becoming true humanity and went to the cross without Adam's Original Sin nor personal sin, accomplishing redemption, by means of a new contract or covenant he is mediator, a death having occurred for the purpose of redemption from the transgressions against the first covenant, in order that they having been called may take into their possession the promise of eternal inheritance,

Heb 9:14; How much more than ceremonial cleansing through the shedding of animal blood shall the blood of Jesus of Nazareth, the Christ who through his eternal spirit (divine essence) has offered himself without blemish (impeccability) to the God, purify by an expiatory offering, our conscience from dead works to serve the living God.

Heb 12:2; Be concentrating on or Occupied with the person of The Lord Jesus, The Christ our prince ruler, even the one who brings the attainment of Super-Grace, Ultra Super-Grace, Dying Grace, and Surpassing Grace objectives, the originator, pioneer and perfecter of our doctrine which was in the Stream of Consciousness of his Soul, who because of his exhibited Absolute Happiness of God he endured the cross disregarding or despising the shame and he has sat down in the past with the result he remains seated at the right hand of the throne of God the Father the highest place of honor

Heb 12:3; For I say through the grace which has been given to me to everyone which is among you, Stop thinking of self in terms of Arrogance, beyond what you ought to think, but think in terms of sanity as god has assigned to each one of us a standard of thinking from Bible Doctrine.

Heb 12:6; For you see, whom the Lord Loves he disciplines or punishes and he skins alive with a whip every son whom he receives by grace or welcomes home.

Heb 12:11-13; For the present moment all discipline from God seems painful or grievous rather than joyous or pleasant not bringing inner mental happiness; nevertheless, in spite of the pain and affliction or sorrow coming from Divine Discipline, after rebound and reorientation (1John 1:9, Rom 8:28, 1Thes 5:18) it, the Rebound, yields the peaceful fruit of righteousness to the advantage of those who have been trained by it. (Is 35:3) {a command} Therefore lift up your drooping shoulders and hands which hang down and strengthen your weak Paralyzed feeble knees by the consistent use of the rebound procedure (Prov 4:26) and make straight paths for your feet thus avoiding Mental Attitude Sins, so that what is lame may not be put or turned out of the way but rather let yourself receive healing and restoration of your Spiritual Life depending on whether you isolate your sin or NOT!

Heb 12:14; Orient to the peace of reconciliation between man and God from Salvation Adjustment to the Justice of God, and orient to THE holiness of positional truth, without the peace of reconciliation from salvation or holiness of positional truth being in union with Christ, no one will see God.

Heb 12:15; Constantly being responsible for yourself, (Sin), see to it that no one comes short of or fails or comes below the standard of or falls back from, be deficient of the standard of the Grace of God, with arrogance skills applying sins from the arrogance complex to experience, and that not one root of bitterness as a Mental Attitude Sins (Sin and Evil combined) springing or sprouting up causes internal trouble, distraction and Emotional Revolt of

the Soul or relapse into the Cosmic Dynaspheres and through this Evil relapse, many are contaminated or defiled by the excrement of your soul. (bitterness is a reaction sin of arrogance and reflects self absorption)

Heb 13:1; Let brotherly love continue.

Heb 13:5; Let your conversations, way or manner of life be without or free from covetousness, the lust patterns of the Old Sin Nature or love for money, power, details of life etc; keep on being CONTENT with what you possess or such things as you have and hold, for He, God, Himself has said in the past with the result that it stands written forever *"I will never abandon or desert you or neither will I ever forsake or desert you in any point of Time,* (Deut 31:8 Isaiah)

Heb 13:6; with the result that being bold or confident with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul We will say with confidence (Ps 118:6) *the Lord is my helper in Logistical Grace and I will not be afraid of anything in life or death, of anything which man shall be able to do to me*".

Heb 13:7; Be concentrating on them, Pastor Teachers, those who spoke to you the word of God; consider the outcome of their life, and imitate their faith.

Heb 13:17; Keep obeying those pastors who themselves are ruling over you and submit to their authority; for these same ones, Pastor Teachers, keep being alert for the benefit for your souls, as those who have to render an account. Keep obeying them that they may do this accounting with joy and not with groaning for this accounting with groaning will be unprofitable for you.

Hos 4:1-6; Hear, listen and concentrate and learn and apply the doctrine of the Lord Jehovah, Oh you citizens of Israel (North Kingdom); because the Lord Jehovah has a court case or lawsuit or controversy against the inhabitants of the client nation, (a charge against the Ministers & Believers) Because NOTHING of Bible Doctrine or Laws of Divine Establishment truth is being taught and accepted, therefore nothing of Grace is being applied, there is NO knowledge of or nothing of knowing God in the Land or client Nation (the Result). Instead of doctrine, truth, grace and knowledge of God, there is false business practices of swearing and lying, dishonesty, deception, lack of morality and virtue, murder and getting away with it, stealing, breaking in to rape (All Sex crimes), every possible category of violence and oppression resulting in total lawlessness. Therefore the Land shall mourn or lament and all People are miserable under the cycles of discipline; and the citizens of the client nation live in misery, loss of national courage, discontent, unhappiness without character succumbing to vibrant personalities, with freedoms destroyed by criminality and governmental tyranny, all those living in the nation loose all categories of vigor and strength, privacy and property, becoming feeble without character, arrogant, self centered and self absorbed; along with the domestic animals, birds and fish of the sea are abused and taken away or destroyed. Only Let no one find fault or quarrel from mental attitude sins expressed as verbal sins resulting in Self Induced Misery, as well as activism denial & projection, and let no one offer criticism of anyone who teaches Bible Doctrine, or blame others for actually your citizens are of the type who complain, vilify, and contend or cause strife against the priests who communicate Bible Doctrine. Therefore You People of the Client Nation have stumbled and shall fall from Perpetual Carnality in the daylight because of Rejection of Bible Doctrine after hearing, so that even the prophet will stumble with you in the night darkness because of failure to teach Bible Doctrine, prophets teach "Peace, Peace where there is no peace" (Jer 6:14, 8:11, Ez 13-16). Therefore, I will destroy your mother, the nation itself. My people or nation are destroyed because of LACK of Knowledge of Doctrine, because you have rejected knowledge of Bible Doctrine, therefore I will reject you from being my priest nation or client nation, since you have forgotten or neglected the doctrine of your God, I will also neglect your children in future generations.

Hos 4:2; Instead there is Lying (Self Deception), Lack of Morality and Virtue, Murder and getting away with it, breaking in to commit adultery (Rape), every possible category of violence and oppression (blood touching blood)

Hos 4:3; Therefore the Land mourns; and the citizens of the client nation live in misery, discontent, unhappiness, with freedoms destroyed by criminality and governmental tyranny, all those living in the nation loose all categories

of vigor and strength becoming arrogant, self centered and self absorbed; along with the domestic animals, birds and fish of the sea, were abused and taken away.

Hos 7:10-14; Though the pride of Israel testifies against him; yet they do not return to Jehovah their God, nor seek him, for all this. Ephraim is like a dove, silly and without sense, calling to Egypt, going to Assyria. As they go, I will spread over them my net; I will bring them down like birds of the air; I will chastise them for their wicked deeds. Woe to them, for they have strayed from me! Destruction to them, for they have rebelled against me! I would redeem them, but they speak lies against me. They do not cry to me from the heart, but they wail upon their beds; for grain and wine they gash themselves, they rebel against me.

Hos 8:7; They sow to the wind and reap the whirlwind. The standing grain has no heads, it shall yield no meal; if it were to yield, outsiders would devour it.

Hos 10:2; Their heart is false; now they must bear their guilt. The LORD will break down their altars, and destroy their pillars.

Is 1:3-5; (Even) The Ox knows and understands it's owner but the Jews do not know The Lord Jesus, The Christ as their owner, and (even) the Jackass or Donkey knows it's masters feeding trough, but believers in Israel, particularly Judah, do not know, consider or understand doctrine or where to get it. (Luke 2:12). Alas, sinful nation having rejected Christ, a people breaking down under a heavy weight of unpardonable sin of rejection of Christ, a progressing seed of evil passed on to their children ignoring Christ, arrogant children who are corrupters saturated with legalism! They have abandoned or forsaken the LORD in apostasy from false doctrine, they have provoked the Holy One of Israel, The Lord Jesus, The Christ, therefore now receiving Divine Discipline, they are utterly estranged becoming spiritual morons. Where will you still be struck again, and you will continue in revolution? Your whole head is sick, and the Right Lobe of the Stream of Consciousness of the Soul if weak

Is 2:6; (Having rejected Salvation Adjustment to the Justice of God) Therefore you, The Lord, have forsaken your people as a group bringing judgment in administration of the 5th cycle of Divine Discipline from the Chaldeans and pressure on Israel in the tribulation, the house of Jacob, because they are filled or saturated with the religions and false doctrines from the east and of soothsayers under demon possession like the Philistines, and they clapped their hands pleasing themselves by making alliances with foreign countries, the children of the revived roman empire of the tribulation.

Is 8:14; Therefore he will become a sanctuary to the believer in Salvation Adjustment to the Justice of God, but a stone of stumbling and a rock of offense to both houses of Israel the northern and southern kingdoms who are unbelievers, both a snare and a trap to the inhabitants of Jerusalem.

Is 8:19; And when they say to you, Isaiah, "Seek those who have familiar spirits or demons, the mediums and wizards, under demon possession, who speak through the medium peeping and muttering," should not a people consult or seek advice from their God who is alive for the living rather than from people who are the dead and cannot advise?

Is 9:9; and all the people will know, Ephraim and the inhabitants of Samarium, who speak in pride and in arrogance of heart:

Is 11:13; Then the jealousy of E'phraim of Judah shall depart , and those who harass Judah shall be cut off; E'phraim shall not be jealous of Judah, and Judah shall not harass E'phraim.

Is 13:11; Thus I will punish the world for it's evil and the wicked for their iniquity, I will also put an end to the Interlocking System of Arrogance related to the proud and I will humble the pride of tyranny.

Is 14:12-14 (Satan's Thinking); How have you fallen from heaven oh Shining One (Morning Star or Day Star, the most beautiful creature from God) Oh day star from the morning, on son of the Dawn, you are cut down to the

earth, you that once laid low the nations. Because you said in your Stream of Consciousness, "I will ascend into the 3<sup>rd</sup> heaven (replace God), I will raise my throne above the shining one's (angels) the stars of God (getting them on his side by persuasion), I will sit on the mount of the assembly (Supreme Court of Heaven trial area) in the recesses of the north (he will change God's Mind). I will ascend above the heights of the clouds (winning the Appeal Trial) I will make myself like the most high (take the authority from God)

Is 16:6; We have heard of the pride of Moab, an excessive pride; even of his arrogance, his pride, and his anger his idle boasts are false.

Is 19:3; Then the spirit of the Egyptians will become demoralized within them, also I will frustrate their strategy so that they will resort to demons and the ghosts of the dead through necromancy and the mediums and spiritists of demon possessed counsel.

Is 28:1-3; Woe to the proud crown of the drunkards of Ephraim, and to the fading wreath of its majestic beauty, which is on the head of the fertile valley of those overcome with wine! Behold, the Lord has one who is mighty and strong; like a storm of hail, a destroying tempest, like a storm of mighty, overflowing waters, he will cast down to the earth with violence. The proud crown of the drunkards of Ephraim will be trodden under foot;

Is 28:4-9; and the fading flower of its glorious beauty, which is on the head of the rich valley, will be like a first-ripe fig before the summer: when a man sees it, he eats it up as soon as it is in his hand. In that day the LORD of hosts will be a crown of glory, and a diadem of beauty, to the remnant of his people; and a spirit of justice to him who sits in judgment, and strength to those who turn back the battle at the gate. They, Ephraim have erred through or also reel with wine and stagger with or are out of the way through strong drink; the priest and the prophet reel with or have erred through strong drink, they are confused or swallowed up with wine, they stagger with or are out of the way through strong drink; they err in vision, they stumble in giving judgment. For all tables are full of vomit and filthiness, there is not a clean place on the tables or the floor. To whom shall he teach knowledge, to whom shall be caused to understand the doctrine of the message, those children just weaned from the milk, NO! those children just taken from the mothers Breast? NO!

Is 28:16; therefore so communicates Adanai Jehovah or thus says the Lord GOD the Father , "Behold, Concentrate, I, God the Father, am He who has laid a foundation setting up a decree in Zion regarding David's greater future Son, The Lord Jesus, The Christ, a stone, a perfect rock of testing or a tested or proven rock or stone, (40 years of testing in the Desert) a valuable honorable battlement, a cornerstone a prince of Honor, ruling the 2 elections to privilege, Israel and the Church, through the 1<sup>st</sup> advent of Jesus of Nazareth providing salvation, The Christ and his resurrection, ascension & session at the right hand of God the Father, for a secure foundation: 'The one who has believed in him WILL NOT PANIC NOR BE DISTURBED.'

Is 29:4; Then deep from the earth you shall speak, from low in the dust your words shall come; your voice shall come from the ground like the voice of a ghost, and your speech shall whisper out of the dust.

Is 29:9-14; You yourself, Be shocked and astonished or amazed, blind yourselves and be blind with Scar Tissue of the Soul! Be drunk, but not with wine in the holocausts; they stagger, but not from strong drink but from judgment and are mentally defeated! For the LORD has poured out upon you a life and spirit of deep sleep because of the Big Blot Out from the Interlocking System of Arrogance and Scar Tissue of the Soul, He has shut your eyes oh prophets, He has covered your heads, OH seers (another type of Prophet). Therefore the entire vision of the 1<sup>st</sup> advent shall be to you like the words of a sealed book totally obscured by your Negative Volition. Which when they give it to one who is literate, saying, "Please Read this," he will reply, "I cannot read it for it is sealed." (these are those who understood it and rejected it with Negative Volition). And when they give the book to one who illiterate, saying, "Please Read this," he will reply, "I cannot read." (These are those who did not understand it and did not want to understand it) Then the Lord said: "Because this people draw near with their mouth and honor me with their lips worshiping as from Codex II saying the right words and offering the right sacrifices but rejecting that which they were saying and doing, but they remove their Right Lobe of the Stream of Consciousness of the Soul from me at the 1<sup>st</sup> advent and their respect for me instead of believing in me is the

commandments of Codex I and III learned by rote memorizing. Therefore, behold, I will once again deal wonderfully with this people of Israel, doing wonderfully a wonderful thing restoring Israel at the 2<sup>nd</sup> advent in spite of the big blot out and its judgments; therefore the wisdom of their wise men shall perish, and the intelligence of their intelligent shall perish and vanish in the holocaust of the big blot out judgments."

Is 31:6; Return to him, The Lord Jesus, The Christ, from whom you have revolted and defected, O citizens of Israel.

Is 33:6-7; and he, Jesus of Nazareth, The Christ, will be the stability of your times, a wealth of salvation, a wealth of wisdom from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, and a wealth of knowledge in use of Bible Doctrine to orient to current circumstances; the fear of the LORD is his treasure. Behold, their brave military men cry in the streets during historical or national catastrophe, the ambassadors of peace weep bitterly.

Is 35:3-4; Strengthen the weak hands, and make firm the feeble knees. Say to those who are of a fearful heart, "Be strong, fear not! Behold, your God will come with vengeance, with the recompense of God. He will come and save you."

Is 37:30-31; "And this shall be the sign for you: this year eat what grows of itself, this is deliverance, and in the second year what springs of the same; then in the third sow and reap and plant vineyards and eat the fruit thereof. And the remnant of the House of Israel who have escaped those who did not succumb to terrorism, shall again increase by taking the root downward planting Bible Doctrine in the Stream of Consciousness of the soul during 5<sup>th</sup> cycle of discipline, and bear fruit upward.

Is 41:10; Fear not, for I am with you, do not anxiously look around for help, for I am your God, surely I will strengthen and give you power from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, definitely I will help you with Logistical Grace, most emphatically I will sustain you with the right hand of my righteousness or my victorious right hand.

Is 43:7; Even every one (Homosapein) who is called by my name, I have created his soul out of nothing, for my glory, I have formed him out of something, yes I have made him different personality and body but out of the same Essence of the Soul.

Is 44:20; He feeds on ashes; a deceived heart has turned him aside and he cannot deliver himself, nor say, 'Is there not a lie in my right hand?'

Is 45:4-7; The Lord God of Israel, who called you by his name for the sake of Jacob my servant, even Israel my elected one to privilege, I have call you by my name, I have given you a title of honor. I am the LORD, and there is no other, besides me there is no God; I gird you, though you do not know me, that men may know, from the rising of the sun and from the west, that there is none besides me; I am the LORD, and there is no other. (Jesus of Nazareth, The Christ Creator) Forming or Sculpting the Light or Bible Doctrine and creating out of nothing Lucifer the prince or originator of Darkness, I am the one manufacturing out of Bible Doctrine prosperity and creating out of nothing the evil one, Lucifer the source of EVIL, (synopsis of History), I, Jehovah, am the still one manufacturing out of history all of these things in MY PLAN.

Is 45:18; For thus (adanai) the Lord has communicated, the one that created out of nothing all three heavens of the Universe, The God (Trinity) himself the one who formed the earth (sculpting it with Ice) and restored HER for habitation and stabilized her to prevent her destruction, he created her not a waste, he reformed or sculpted restoring Her to be inhabited for a blessing, I am the Lord (JC) and there is No Other celebrity.

Is 53:3; He, Jesus of Nazareth, The Christ, was the recipient of insults, imprecations, hatred, implacability, vindictiveness and antagonism of all types, and forsaken or rejected by men who said they loved him; a man of

adversities, and kept on genuinely knowing afflictions and catastrophes; brokenhearted by the rejection and like a leper caused to hide his face from men because of scorn (Lev 13:45) and we were caused to hide and cover our faces from him because of his disfigurement (Is 52:14) he was the one receiving condemnation and despising and repudiation totally by society, and we unbelievers did not add up the facts about him and did not value him.

Is 54:17; No weapon that is fashioned against you, Israel, shall prosper, and every tongue that accuses you in judgment Christ as the judge of the Supreme Court of Heaven shall judge or condemn. This is the heritage of the servants of the LORD and their righteousness or vindication is from or has its source in me or is my business, decrees Jehovah the LORD."

Is 59:13; Transgressing or rejecting the Laws of Divine Establishment, and denying the LORD, rejection of the gospel, and turning away from following our God, rejection of Bible Doctrine, speaking oppression and talking about revolution, conceiving and uttering Human Viewpoint from the Right Lobe of the Stream of Consciousness of the Soul, lying words we have conceived.

Is 64:6; All of us have become like one who is unclean and all of our righteousnesses are like menstrual rags, furthermore all of us wither like a leaf and our iniquity or perversity of reversionism and respectable sins like the wind carries us away to Divine Discipline followed by the Sin Unto Death.

Is 65:1-2; (Jesus of Nazareth, The Christ the God of Israel speaking) I have permitted myself to be sought by those gentiles with Positive Volition at God Consciousness, who did not ask for me having no spiritual heritage and not knowing whom to believe in for Salvation Adjustment to the Justice of God; I have permitted myself to be found through gospel hearing by those who did not seek me under the name of Jesus of Nazareth, The Christ being gentiles. I Jesus of Nazareth, The Christ God of Israel have said, "Here am I, here am I," to a nation, Client Nation Israel, that did not call on my name. I, Jesus of Nazareth, The Christ the God of Israel, continuously, desperately intensively have spread out my hands all day long to this rebellious nation of Jews with Negative Volition to the gospel and the resultant Big Blot Out, who in every generation keep on walking in ways not for the ultimate good of the Equation of Hope Plan of God, according to or after their own thoughts and machinations in the Big Blot Out.

James 1:21; Therefore having put away or removed all pollution, filthiness and rank growth or overflow of demonic wickedness through rebound, Receive, through stage 1 of the Grace Apparatus for Perception Reception, and Retain or implant through stage 2 of the Grace Apparatus for Perception Retention, in the sphere of humility and teachability the impregnated word, which is able to deliver or save your souls through stage 3 of the Grace Apparatus for Perception Recall for application, (experiential sanctification, construction of the Edification Complex of the soul).

James 1:22; But keep on becoming doers through reception and retention of Bible Doctrine resulting in Doing or application of the word, and not hearers only receiving building up gnosis doctrine, deceiving or deluding yourselves.

James 1:23-24; For if any one is a hearer of the word only developing gnosis and not a doer engaged in retention and recall, he is like a man who observes his natural face in a mirror as Bible Doctrine in the Left Lobe of the Soul; for once he has looked at himself in the mirror of gnosis reception without epignosis retention and goes away he has immediately forgotten what category of person he is.

James 1:25; But he the one having looked intently through Positive Volition toward Bible Doctrine into the perfect law, the law of liberty or freedom, and having persisted or persevered in the function of the Grace Apparatus for Perception, that one having become NOT a hearer of oblivion that rejects doctrinal teaching and forgets but a doer of assigned occupation that learns and applies doctrine after Salvation Adjustment to the Justice of God to reach Maturity Adjustment to the Justice of God, this believer shall be HAPPY blessed in all of what he does

James 3:14; But if you have bitter jealousy, contentiousness and self serving inordinate ambition in the Right Lobe

of the Stream of Consciousness of your Soul, Do Not Become OR STOP BEING ARROGANT, Stop Boasting and Lying about or against the Absolute Truth of Bible Doctrine. (self deception) (Bitterness is assigned to all arrogance sins)

James 3:15-16; This pseudo or distorted wisdom is not that which comes down from above from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, but is what is on the earthly related to demon influence and propaganda of the Cosmic Dynaspheres, Natural related to Human Viewpoint and psychological living substituting Human Viewpoint for Divine Viewpoint, and demonic related to demon possession of the unbeliever where this believer is thinking like an unbeliever. For where jealousy as motivation and contentiousness or selfish inordinate ambition exists there is disorder, instability in the life and every evil function involving the Interlocking System of Arrogance and the Interlocking System of Antagonistic Emotional Hatred.

James 4:2; You continue to lust (killer lust) you do not have doctrine so you murder (self justification, self deception, self absorption cycling) furthermore you are jealous, consequently you are not able to attain the PSD's and you quarrel and fight.

James 4:3; If you have bitter jealousy and inordinate ambition in your right lobe, STOP being arrogant, STOP lying against the truth.

James 4:4-7; You adulteresses in reverse process reversionism do you not know that love of the Cosmic Dynasphere or the world, keeps on being alienation from God, therefore whoever has decided their options from Volition to be a lover of the Cosmic Dynasphere or world appoints himself the enemy of God. Or do you presume (Subjective thinking of the Believer) that the scripture speaks for no reason face to face with or against your jealousy, (Worst Sins) the spirit, who dwells permanently in us, deeply loves or pursues us with love. Moreover He gives Greater Grace or super-grace, therefore it, the Old Testament Scripture, says in Proverbs 3:34 "The God makes War against the Arrogant Believer, But he gives Grace to the Humble Believer". Therefore be subordinate or submit to The God with residence & function in the Divine Dynasphere resist or oppose the devil and the Cosmic Dynasphere and he will flee from you.

James 4:8-10; Draw near to The God through Gate 4 of the Divine Dynasphere by means of Perception, Cognition, Incultation, Metabolization & Application of Bible Doctrine and he will draw near to you, cleanse your hands you sinners through rebound and purify your right lobes you hypocritical double minded people from the pollution of evil of Human Viewpoint thinking. (the alternative) Be afflicted miserable and lament and weep. Your Laughter will be turned to grief and your happiness turned to dejection.

James 4:10

v10: Therefore humble yourselves under the mighty hand of God, in order that he might promote you.

James 4:13-15; Come now, you who say, "Today or tomorrow we will go into such and such a town and spend a year there and trade and get gain"; whereas you do not know about tomorrow. What is your life? For you are a mist that appears for a little time and then vanishes. Instead you ought to say, "If the Lord wills, we shall live and we shall do this or that."

Jer 2:27-30; Who say to a tree or piece of wood as an idol, 'My father,' and they say to a stone as an idol for worship, 'You have given me birth, I owe my life and being to you.' For they have turned their back on me and walked away from me with total rejection under Negative Volition, and not turned their face to me with Positive Volition. But in the time of their pressure they will say to The Lord Jesus, The Christ the God of Israel, 'Get up, wake up from your sleep and you yourself cause us to be delivered RIGHT NOW!' (sarcasm) Where are your gods that you manufactured for yourself from your own free will out of wood and stone from your Negative Volition toward me? Let your gods of wood and stone arise, if they can deliver you in your time of trouble; for the number of your cities are the number of your gods, O Judah. "Why do you, Judah, quarrel, complain, bitch against me? All of You have already rebelled, revolted against me, says the LORD. In vain have I chastised, punished or disciplined your children, discipline under authority which is for their benefit they have not seized or

grasped; your own sword which you had to defend yourself has turned around and destroyed yourselves and devoured your only hope, your prophets, like a ravening lion.

Jer 3:6-7; The LORD deliberately said also unto me in the days of Josiah the King: "Have you been caused to study what apostate, backsliding, defecting revolting Israel the northern kingdom of Ephraim has done or manufactured out of Negative Volition to Bible Doctrine, idolatry, frustration, misery, destruction of the 5th cycle of Divine Discipline, she has revolted against God, gone up on every high mountain and under every green tree for all aspects of Phallic Idolatry, and there at that place she fornicated, was raped, involved in illicit and perverted sex in Phallic Idolatry? And I, the Lord God of Israel, said from thinking and offering GRACE, "After she, the northern kingdom, has done all these things, I said 'return to me'; but she, the northern kingdom, did not return, and her treacherous sister Judah studied it.

Jer 3:8-10; I, Jeremiah, saw, perceived and kept on studying all the causes of unfaithfulness for the fall of Ephraim the Northern Kingdom (Hosea, Amos, Isaiah Etc) whereby backsliding faithless Israel committed intensive adulteries as a nymphomaniac in a Frantic Search for happiness, I had sent her away and I had given her a decree of divorce, a writing of cut off or letter of phase out in the 5<sup>th</sup> cycle of Divine Discipline; BUT, her treacherous, faithless, deceitful sister Judah did not concentrate in occupation with God lacking capacity for category I Love, but she too ended up practicing prostitution as a professional under idolatry. And it came to pass as her enjoyment of the idolatry functions faded, through the shouting or screaming of her fornication, though not satisfied still faking it, and she, Ephraim, polluted and seduced the land, she committed adultery desperately trying fornicating for fun with stone and the wood. And yet because of all this Self Induced Misery of Ephraim, her treacherous, deceitful, unfaithful sister Judah who observed all this, did not return to me with the whole Right Lobe of the Stream of Consciousness of her Soul, but only with deceitful pretense, says the LORD."

Jer 3:13; Only name cite or acknowledge your iniquity, wrong actions in rebound (1John 1:9) that you have, overstepped the law, revolted, rebelled in the soul, transgressed against the Lord your God, and have intensely disbursed, scattered, your intimate ways to loathsome strangers, fornicating around indiscriminately, under every green tree, and you have not obeyed my voice from Bible Doctrine thus lack capacity for love, says the Lord.

Jer 5:23; But this people has a calloused and revolutionary Right Lobe of the Stream of Consciousness of their Soul; they have turned aside from Bible Doctrine and departed from Laws of Divine Establishment.

Jer 7:17-20; Do you not see what they are doing in the cities of Judah and in the streets of Jerusalem? The children gather wood, the fathers kindle fire, and the women knead dough, to make cakes for the queen of heaven; and they pour out drink offerings to other gods, to provoke me to anger. Is it I whom they provoke? says the LORD. Is it not themselves, to their own confusion? Therefore thus says the Lord GOD: Behold, my anger and my wrath will be poured out on this place, upon man and beast, upon the trees of the field and the fruit of the ground; it will burn and not be quenched."

Jer 7:24-29; But they (Believers in Israel) did not hear Bible Doctrine or obey, nor incline their ear to concentrate on Bible Doctrine (-Vol to all Bible Doctrine) but they walked in their own councils of arrogance and in the stubbornness of their evil right lobes (Perpetual carnality and Scar Tissue of the Soul), therefore they went backward into reversionism and not forward. Since the day their ancestors came out of the Land of Egypt (BC 1441) until this day (586 BC) I have sent my servants the prophets, daily rising up early and sending them. and Yet they did not listen to me in Bible Doctrine (-Vol) nor incline their ear in concentration on Bible Doctrine, but stiffened their necks through Scar Tissue of the Soul (arrogance of the Soul) they did more evil than their ancestors before them. "So you Jeremiah shall speak all these words to them, but they will not listen to you. Furthermore, You shall call to them, but they will not answer you. And you shall say to them, 'This is the nation that under Negative Volition toward Bible Doctrine did not obey the voice of the LORD their God, and did prophesy from doctrine because they do not accept correction being no longer teachable; Doctrine has perished; and has been cut off from their lips thus they are without Divine Viewpoint. Cast off your high priest crown and throw it away; and take up your lamentation on the highest bare mountain or start crying on the bare mountains beyond the tree line, for the LORD has both rejected and forsaken this generation of his wrath, 2 generations which will be

judged.'

Jer 11:9; Again the LORD said to me, "A conspiracy or revolt is discovered among the Leading Men of Judah in the Plot and the common inhabitants of Jerusalem as pawns in the intrigue.

Jer 11:20; But, O LORD of hosts, who judges righteously, who tests or puts on trial the emotions and the Right Lobe of the Stream of Consciousness of the Soul, let me see thy vengeance upon them, for to thee have I committed my cause.

Jer 11:22; Therefore thus says the LORD of the armies: "Behold, Therefore I will keep on causing to indirectly punish them; the vigorous conspiring men without self discipline, Authority Orientation, and without Metabolized Bible Doctrine shall die by the sword in battle; their sons and their daughters shall die by famine or economic depression;

Jer 12:1-2; Defender of RIGHT causes, Righteous, objective, fair, just, and always this way, are YOU, O LORD, IF I would complain with you, and I am strongly complaining this once; Yuck! I will talk intensively to you of Justice or Judgments. What is being known or I do not understand or Why the way of the wicked with unjust cause in conspiracy advance, flourish, prosper in the Anathoth conspiracy? Why do all who being treacherous of character keep on being treacherous of action enjoy prosper?

Jer 13:10-11; The worthless people; with strong Negative Volition, unwilling to hear my words, who stubbornly walk after or follow their own Right Lobe imagination for mental adultery and have gone after other gods in overt phallic adultery to, knowingly from their own free will, be enslaved to them and worship them instead of The Lord Jesus, The Christ the God of Israel; shall even be like this girdle, which prospered for nothing under temporary happiness of illicit fornication. For as the girdle, Judah, responds and clings in perfect fit to the loins of a man, The Lord Jesus, The Christ, so I caused the whole house of Israel and the whole house of Judah to cling to me, says the LORD, that they might be for me a right people, for a name, Jisrael, Jeshurun honorable prince of God, a day by day appreciation of who and what The Lord is as a result of daily response to God and discovery of his grace, character, stability and function under the Grace Apparatus for Perception, and a crown of reflected glory from their completed Edification Complex of the Soul, but they would not listen.

Jer 13:12-17; "Therefore, because they would not hear, You shall speak what is in your mind to them this word of Bible Doctrine: `Thus says the LORD, the God of Israel, "Every wine skin, jar or jug shall be filled to the brim with the wine of misery, frustration and unhappiness as a result of Negative Volition to doctrine.'" And they have already said what is on their mind to you, `Do we not indeed ALREADY know that every jug will be filled with the wine of misery, frustration and unhappiness?' Then you shall say to them, `Thus says the LORD: "Behold, I will fill, as a result of their free will drinking, with intoxicated drunkenness of Self Induced Misery, all the inhabitants of this land who know what they are doing to themselves: the kings who sit on David's throne, the priests, the prophets, and all the inhabitants of Jerusalem. And I will smash into small pieces them one man against his counter part or a Right Man against his Right Woman, even the fathers and the sons at the same time, the LORD says, I will continue not having compassion nor spare nor pity them, nor express cherishing love in mercy, not making LOVE from giving Bible Doctrine, that I should not destroy them.'" Hear, understand, concentrate and from volition OBEY and be caused by Bible Doctrine to be alert and desire more; be not proud, avoid the Interlocking System of Arrogance and Arrogance Skills, for the LORD God of has communicated through Bible Doctrine intensively to the soul. Give glory, from the accumulated Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul building the Edification Complex of the Soul, to the LORD your God of Judah, The Lord Jesus, The Christ, before he brings the darkness of catastrophe and disaster shattering the vessel nation under the 5<sup>th</sup> cycle of Divine Discipline, before, from your own volition, you cause your feet to stumble and fall, again and again upon the dark mountains of Phallic Idolatry, and while you waste your time waiting for the light of happiness he turns it into the shadow of death and decreed it gross darkness of unhappiness from Eternity Past under the 5<sup>th</sup> cycle of Divine Discipline. But if you, Judah, will not from your own volition listen with concentration under the Grace Apparatus for Perception, my soul will weep in secret places because of your involvement in the pride of the Interlocking System of Arrogance and Arrogance Skills

involvement destroying capacity for love; my eyes with tears weeping they shall intensely overtly constantly weep, because the Lord's flock, his Right Woman people is carried away captive.

Jer 15:5-6; "For who will have compassion or provide comfort for you, O Jerusalem, who will lament for or console you? Who will turn back to ask about your welfare, if you are alright? You who have rejected, cast out, abandoned, left and forsaken me from your own volition says the Lord, you constantly keep engaging in a pattern of backward movement, therefore I will stretch out my hand to strike and destroy you under the 5<sup>th</sup> cycle of Divine Discipline; I have received an exhausting weariness of soul from grieving because of love sickness.

Jer 15:16; I recognize your authority, Your doctrines were discovered, found and acquired and I ate or assimilated or devoured them into the Stream of Consciousness of the Soul as a result of consistent function under the Grace Apparatus for Perception Operation Z and as a result your words or Bible Doctrines became to me a source of superabundant inner happiness, and the overt expression, a delight, to my Frame of Reference in my Right Lobe of the Stream of Consciousness of the Soul, because your name was engraved in my soul, I have been called by your name since salvation, Oh Lord Adanai, God of the Armies.

Jer 17:1-4; "The sin or missing the mark of Judah, as a result of Negative Volition toward Bible Doctrine rejecting their spiritual heritage, is firmly permanently written with a pen of iron for names; with a point of diamond for sculpting images as signs of apostasy, it is engraved and sculpted on the table of their heart, and on the horns of their altars as names of false gods, As they, the parents, remember, in the memory of their Right Lobe of the Stream of Consciousness of the Soul the false norms and standards of Idolatry, their children so do they remember their heathen altars where the names of gods are engraved with the iron pen, and their Ashteras by every green tree of the goddess' of sex, murder and war upon the high hills of the Baal or Moleck Sanctuaries, on the mountain of the Baal sanctuary in the field of Jerusalem. I will give for spoils of the 5<sup>th</sup> cycle of Divine Discipline, a little at a time all your wealth and all your treasures and your high places of Baal sanctuaries for the sin of phallic idolatry throughout all your territory or on the borders of your lands. (Jer 22:20) You Judah yourself, shall discontinue and you shall slip, cease or break loose and that by means of your own self from the act of possessing your wonderful heritage possessions, in overt experience from Metabolized Bible Doctrine and the Edification Complex of the Soul, which I gave to you from Eternity Past, and I will cause you serve your enemies, the Chaldeans, in slavery in a land, Chaldea, which you do not know happiness, for you have kindled a fire in my anger from brittleness of your souls which shall receive ignition for a very long time for Judah under the 5<sup>th</sup> cycle of Divine Discipline and for the Unbeliever forever in the Lake of Fire."

Jer 17:5; Thus says the Lord, cursed, receiving unhappiness because of Negative Volition function, is the person, courageous male hero or exquisitely beautiful female, who uses his volition and puts his trust in mankind and establishes a pattern from free will Negative Volition toward any part of the Plan of God and depends on the flesh, the Old Sin Nature, male sexual ability, or some gimmick for his strength or as a crutch (the basis of attraction), whose Right Lobe turns away from the Lord and his design into the Cosmic Dynaspheres and Occupation with People in Human Viewpoint through a series of activities.

Jer 17:27; But if you do not listen to me, to keep the sabbath day holy, and not to bear a burden and enter by the gates of Jerusalem on the sabbath day, then I will kindle a fire in its gates, and it shall devour the palaces of Jerusalem and shall not be quenched."

Jer 27:6-10; And now I have given all these lands into the hand of Nebuchadnezzar, the king of Babylon, my servant, and I have given him also the beasts of the field to serve him. All the nations shall serve him and his son, Nabonitis, and his grandson, Belshazzar, until the very time of his own land comes; then many nations and great kings shall serve themselves through him" "But if any nation or kingdom will not serve this Nebuchadnezzar king of Babylon, and put its neck under the yoke of the king of Babylon, I will punish that nation with the sword, with famine, and with pestilence, says the LORD, until I have consumed it by his hand. So do not listen to your prophets, your diviners, your dreamers, your soothsayers, or your sorcerers, who are saying to you, 'You shall not serve the king of Babylon.' For it is a lie which they are prophesying to you, with the result that you will be removed far from your land, and I will drive you out, and you will perish.

Jer 35:13; Thus says the LORD of hosts, the God of Israel: "Go and tell the information which you now have firmly in mind regarding the Recabites, Arab Gentiles, and say to the men of Judah and the inhabitants of Jerusalem, Will you not eagerly grasp quickly seize disciplinary admonishing instruction or repetitive categorical teaching and hear, listen, concentrate on and obey my words of Bible Doctrine?" says the LORD.

Jer 50:38; A drought upon her waters, that they may be dried up! For it is a land of images, and they are mad over idols.

Job 1:12; And the LORD said to Satan, "Behold, all that he has is in your power; only upon himself do not put forth your hand." So Satan went forth from the presence of the LORD.

Job 1:18-19; While he was yet speaking, there came another, and said, "Your sons and daughters were eating and drinking wine in their eldest brother's house; and behold, a great wind came across the wilderness, and struck the four corners of the house, and it fell upon the young people, and they are dead; and I alone have escaped to tell you."

Job 2:6-8; And the LORD said to Satan, "Behold, he is in your power; only spare his life." So Satan went forth from the presence of the LORD, and afflicted Job with loathsome sores from the sole of his foot to the crown of his head. And he took a potsherd with which to scrape himself, and sat among the ashes.

Job 3:20; Why is light given to him that is in misery, and life to the bitter in soul,

Job 5:1-3; "Call now upon God for help; is there any one who will answer you? To which of the holy ones, creatures of integrity, will you turn? For he who is maladjusted to the Justice of God is a fool who is destroyed by bitter complaining or excessive bitching, and the one who is maladjustment to the Justice of God is destroyed by jealousy. I have seen the fool, the maladjusted believer, taking root settling down somewhere in the neighborhood and his home is decayed in a moment, lacking happiness in any way.

Job 5:2; For he who is maladjusted to the Justice of God is a fool who is destroyed by bitter complaining or excessive bitching, and the one who is maladjustment to the Justice of God is destroyed by jealousy.

Job 5:19-27; From six crises, catastrophes or disasters, he will deliver or rescue you, mature Believer, furthermore in seven the evil of satanic Doctrine will not meddle with nor touch you. In famine or economic disaster he will redeem or purchase or preserve you, Mature Believers, from death, In war or military Disaster from the power of the sword in battle, you will be protected and hidden, delivered from the lash of the tongue in social disasters from maligning, neither will you be afraid of *destruction, violent death, ruin, oppression, tyranny*, when it comes because of Dying Grace. You will relax and laugh with a sense of humor from Relaxed Mental Attitude from Bible Doctrine in the Stream of Consciousness of the Soul at violent physical death and at economic depression because of dying grace and super grace in time, neither will you be afraid of wild animals or violent death nor any dangerous instruments of death. For your contract will be with the weapons of the battlefield the artillery or weapons of destruction of the military, and the wild animals of the field which kill man like conventional weapons will be at peace with you and pass you by, or will not destroy you until the Lord is ready for you to die. Therefore you will know that your human body is in a state of prosperity in peace while dying (Mature believers die with minimum pain) and you will visit your home in heaven and not fear forfeit of your rewards or blessings And You will also know from application of Bible Doctrine that your seed will be numerous and the pivot great and that the Human Race will continue on and be able to adjust to your death and the nation perpetuated and your spiritual offspring shall be as the grass of the earth from blessing by association and historical impact. You will come to your grave in full vigor at the peak of your life for the mature believer, like a shock of corn comes in its season as the Timing and Plan of God in Grace is perfect. Behold this doctrine of Death and Dying Grace,

we have researched, investigated and studied it, so it is, Hear and learn it and know it applying it for yourself for your own good.

Job 7:11; "Therefore I will not restrain my mouth; I will speak in the anguish of my spirit; I will complain in the bitterness of my soul.

Job 10:1; I loath my own life, I will give vent to my complaint, I will speak in bitterness of my soul.

Job 26:13; By his wind the heavens were made fair; his hand pierced the fleeing serpent.

Job 33:16-17; When He opens the ears of men through Perception, Cognition, Inculcation & Metabolization of Bible Doctrine and he seals their instructions because of their motivation and self discipline of enforced or genuine humility converting gnosis to epignosis. In order that he may turn man aside from his Divine Discipline and protect them from the Interlocking System of Arrogance

Job 33:16-17; When He opens the ears of men through Perception, Cognition, Inculcation & Metabolization of Bible Doctrine and he seals their instructions under the Faith Rest Drill (4 categories) because of their motivation and self discipline of enforced or genuine humility converting gnosis to epignosis in order that he may turn man aside from his Divine Discipline and protect them, Man, from the Interlocking System of Arrogance

Job 35:9-13; Because of a multitude of oppressions (reversionistic discipline) they cry out for help to other people, because the arm of the mighty is stretched out to them. But no one under the influence of evil says, "where is God my maker who gives songs in the night and teaches us more than the beasts of the earth, and makes us wiser than birds of the heaven". There they cry out but mankind does not answer because of the pride or arrogance of evil men, surely God will not listen to an empty cry nor will the almighty regard it, because of Pride of Evil Men.

Job 38:4-7;"Where were you when I laid the foundation of the earth? Tell me, if you have understanding. Who determined its measurements -- surely you know! Or who stretched the line upon it? On what were its bases sunk, or who laid its cornerstone, when the morning stars sang together, and all the sons of God shouted for joy?

Joel 1:4-6; What the cutting locust left, the swarming locust has eaten. What the swarming locust left, the hopping locust has eaten, and what the hopping locust left, the destroying locust has eaten. Awake, you drunkards, and weep; and wail, all you drinkers of wine, because of the sweet wine, for it is cut off from your mouth. For a nation has come up against my land, powerful and without number; its teeth are lions' teeth, and it has the fangs of a lioness.

John 1:14; And the word or Logos, the Living Word, The Lord Jesus, The Christ, became flesh in Hypostatic Union and pitched a tent or tabernacled or temporarily lived among us at the 1<sup>st</sup> advent and we have seen or beheld his glory, his deity, the glory as of the only or uniquely born one from the father, full of grace and doctrine (John 3:16).

John 3:16; For you see, THE God loved the world (Human Race) SO MUCH or IN THIS MANNER from the Integrity of God, with the result that He (God) gave His son, the uniquely born one, in order or with the result that anyone who believes in him (Faith alone in Jesus of Nazareth, The Christ alone) WILL NOT perish and WILL have eternal life.

John 3:18; He who believes in Him (JC the son of God) is NOT judged (for sin which is judged on the Cross, but only for his success or failure in the SL) but he who does not believe has been judged already, because he has not believed in the Person of the Uniquely born Son of God.

John 4:9-14, The Samaritan woman said to him, "How is it that you, being a Jew, ask me for a drink, my being

a Samaritan woman?" For Jews have no dealings with Samaritans. Jesus answered her, "If you knew and you should know and will know the gift of God with absolute certainty, and who it is that is saying to you, 'Give me a drink,' you would have asked him (Jesus of Nazareth, The Christ), and he would have given you living water." The woman sarcastically said to him, "Sir, you have nothing to draw water with, and the well is deep; where do you get that living water? Are you greater than our father Jacob, who gave us the well, and drank from it himself, and his sons, and his cattle?" Jesus said to her, "Every one who drinks of this well water will thirst again, but whoever drinks of the water that I shall give him will never thirst; the water that I shall give him will become in him a well of water springing up to eternal life."

John 6:36; But I said to you that you have seen me and yet do not believe.

John 6:47; Truly, I give or say to you an absolute truth of doctrine, he who believes in me, Christ, has eternal life.

John 8:3-6; Now the scribes and pharisee's arrested or took into custody, a woman caught or seized in the very act of adultery and forced her to stand before a large crowd in a courtroom. Then they said to Him (Jesus,) "Rabbi or Teacher, this woman was caught in adultery in the very act. The Law of Moses commands us to stone such a woman, then they turned to Jesus and said, YOU THERE, YOU THERE, what do you say. They were using this question in order to have a basis or grounds to accuse or indict him condemning him to death, and Jesus, therefore, bent his body (Body language) and started to write in the ground with his finger the 10 commandments (rejection of Legalism and activism) Ex 31:18

John 8:7; Now when they persisted in asking him (JC) he straightened up and said to them "He who is without an Old Sin Nature among you, let him be the first one to throw a stone at her".

John 8:32; You will know the Bible Doctrine (truth) and the Truth of Bible Doctrine shall make you free (To execute the Spiritual Life under the Royal Family Honor Code)

John 8:44; You are from your father the Devil (Humans in the Cosmic Dynasphere I & II) and the policies of your father you wish to accomplish or keep on desiring to do, (religious self righteous people) He was a murderer from the beginning furthermore he does not stand in the truth because there is no truth or Bible Doctrine in him, Whenever he communicates the Lie, he speaks or communicates from his own person or system for he is a liar and the father of lies.

John 8:48-52; The Jews answered him, "Are we not right in saying that you are a Samaritan and have a demon?" Jesus answered, "I have not a demon; but I honor my Father, and you dishonor me. Yet I do not seek my own glory; there is One who seeks it and he will be the judge. Truly, truly, I say to you, if any one keeps my word, he will never see death." The Jews said to him, "Now we know that you have a demon. Abraham died, as did the prophets; and you say, 'If any one keeps my word, he will never taste death.'

John 10:1-21; "As Final Authority, a Point of Doctrine, I keep on communicating a principle to you for your advantage, he who does not enter into the sheepfold, Israel during the time of Christ, the Royal Family of God during the Church Age, through the door, the false shepherds of the religious leaders, but keep on trying to climb up again and again by some other way elsewhere, the same ones, the religious leaders, are thieves using the strategy and craftiness of false doctrine from EVIL and physical violence. He, The Lord Jesus the Christ, who has the right to, enters in through the door, He keeps on being the true shepherd of the sheep. To him, The Lord Jesus the Christ, the true shepherd, the Door Guard, God the Holy Spirit, opens the door; the sheep listen and obey his voice, the Gospel of Salvation, and He, the True Shepherd, The Lord Jesus the Christ, calls his own sheep according to a norm or standard of the Name or Person of the only savior, and He continues to lead them out of the Sheepfold into the pasture of Bible Doctrine in Phase II of the Plan of God until the end of the millennium. And when He, The Lord Jesus the Christ the True shepherd, cast out, threw out, or brought out all his own personal sheep, he goes before them providing the pasture of Bible Doctrine, and the sheep desire to follow him always, for they know from consistent Perception, Cognition, Incultation and Metabolization of Bible

Doctrine his voice and will never forget him. And a stranger, a person they cannot ever love who belongs to another system, ie. religion, they will not follow because they do not want to follow religion, but they will avoid and separate from the ultimate source of the Stranger and his false doctrine having fed in the pasture of Bible Doctrine, because they do not have inherent knowledge of the voice of strangers, the false doctrines of religion. This allegorical similitude comparison of shepherds and religion spoke Jesus at this point of time for their benefit, but they, the religious leaders, did not understand that principle nor the Bible Doctrine which he was communicating to them. Then Jesus again said to them, "As final authority, a point of doctrine, I say to you, I keep on being forever the door of ingress to the sheepfold in the 1<sup>st</sup> advent. All that ever came before me, Pharisees, Scribes, Chief priests and Sanhedrin with their religion, are thieves, robbing (sheep) by the strategy of false doctrines and robbers, stealing (sheep) by using violence; but the sheep did not follow them. I keep on being the OPEN door of salvation and there will never be another; if anyone, any human being, in a point of time, enters through me, The Lord Jesus the Christ, into the Plan of God, he shall be saved and this point of time is perpetuated forever as Eternal Security, and he shall enter in the future into, and find or discover the pasture of categorical Bible Doctrine. The thief, Satan and religious people, who uses strategy to steal, comes, not being in the Plan of God, only to steal sheep through the use of false doctrine, to kill through the use of force or physical violence, to destroy through the use of total ostracism to eliminate human freedom by coercing volition; but in contrast I am come in order that they might keep on possessing forever everlasting life, and in order that they might keep on having MORE ABUNDANTLY Eternal Life based on maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul. I, The Lord Jesus the Christ, even I keep on being, there never will be a time when I am not, the perfect shepherd with perfect body and soul. The perfect shepherd lays down or lays aside his own soul on behalf of the sheep, the Human Race (Substitutionary Spiritual Death for sin). He who is a hireling, a religious leader scribe, pharisee and chief priest, and not the shepherd, whose own the sheep are not, perceives the trend of the wolf (Rome) in the process of coming (30 AD) and they desert, leave (70AD) the sheep and flee; and the wolf seizes, tortures and destroys the sheep with violence and scatters into slavery those who survive (5<sup>th</sup> cycle of Divine Discipline). He, the religious leader, flees because he is a religious leader and indifferent with regard to the fate he brought on the sheep. I keep on being, always will be, there never will be a time when I am NOT the good shepherd with perfect symmetry and coordination of mind and body, deity and humanity in Hypostatic Union; I keep on knowing, always have known, by name, from observation, experience and intimate contact, and keep on loving, the MINE, Believers in The Lord Jesus the Christ who are his sheep, furthermore they potentially know from experience and observation and can love, me as a result of Metabolized Bible Doctrine in their Right Lobe. In Eternity Past, even as the Father keeps on knowing from observation, experience and intimate relationship and loving, me even so I keep on knowing from observation, experience and intimate relationship and love the Father; and I, The Lord Jesus the Christ, placed my soul as payment, on the line, as a substitute for the sheep. And other sheep of the same kind, gentile believers in the Church Age, I keep on and always will be having, that are not of this fold, the dispensation of Israel; them also, Church Age Believers, it is necessary for me to lead out into the Green pastures of Phase II of the Plan of God, and they, themselves, will in the future Church Age, hear my voice, the Gospel message, and obey, receiving benefit from moving through the 2<sup>nd</sup> DOOR of EGRESS for Salvation Adjustment to the Justice of God. There shall be one fold under positional sanctification and one shepherd, The Lord Jesus the Christ. Because of this prophecy, there being another kind or category of sheep in another dispensation with 1 fold and 1 shepherd, my Father, God the Father, keeps on throughout all of Human History loving me, The Lord Jesus the Christ, because, operating within the framework of the Plan of God, I place my soul down as payment for all human sins, in order that I might receive it, my soul, at a point of time during resurrection again. No one, human or angelic, removes my human soul from the ultimate source of me, but in contrast, I lay or put it down on the line from the ultimate source of my own volition, I keep on having volitional authority to lay it down, and I also have volitional authority to receive it again, this is the commandment of the whole Plan of God the Father, I have received in Eternity Past from the immediate source of my father.

John 10:27-30; My sheep hear my voice and I know them and they follow me. I give eternal life to them, and they cannot ever, shall never perish neither is anyone ever able to snatch them out of my hands. My Father (Humanity speaking) who has given them to me is greater than all, and no one is able to snatch them out of my father's hands. I and my father are one

John 12:31; Now judgement is upon this world, now the ruler of this world shall be cast out

John 13:17; IF, you know and understand the principles of doctrine taught in the foot washings and the purpose behind it, and you do, inner happinesses belong to you, IF you do the same doctrine or apply the bible doctrines to life, maybe you will and maybe you will not.

John 13:34; A new commandment I give to you, that you love one another; even as I have loved you, that you also love one another.

John 14:30; I will no longer talk much with you, for the ruler of this world is coming. He has no power over me;

John 15:12; "This is my commandment, that you love one another as I have loved you.

John 15:17; This I command you, to love one another.

John 15:23; He who hates me also hates my father.

John 16:2; They will put you out of the synagogues; indeed, the hour is coming when whoever kills you will think he is offering service to God.

John 16:11; Concerning justice, the act of judgment, because the prince ruler of this world, Satan, is to be judged at the 2<sup>nd</sup> advent of Jesus of Nazareth, The Christ by the Justice of God.

John 16:12-15; I ( Jesus of Nazareth, the Christ ) have yet many things to say to you but you are not able to comprehend them now. But when he the spirit of truth (energizer) has come, he will instruct or guide you into all truth or doctrine, for he will not speak from his own initiative but whatever he hears he will communicate and he will disclose to you things which are coming in the future, He will glorify me, he shall take of my doctrine and he shall communicate it to you. All things which the father has are mine therefore I remarked, "he takes of mine and will communicate it to you.

John 17:13; But now I (Jesus of Nazareth, the Christ in Hypostatic Union addressing God the Father) come face to face with you, and these things (Bible Doctrine) I am communicating in the world that they (Believers) might keep on having my happiness (Jesus Sharing the Happiness of God) having been fulfilled in themselves (execution of the Spiritual Life of the Church Age).

John 17:17; (Demand, Command to God the Father) Sanctify, set them believers under Positive Volition toward Bible Doctrine apart, by means of the entire categorical system of your Absolute Truth of Bible Doctrine, your Word, the Source of Bible Doctrine keeps on being, always is and always was the Absolute Truth.

John 17:19; And for their sake I consecrate myself, that they also may be consecrated in truth.

John 19:17; So they received possession of Jesus. And he, Jesus, lifted up the heavy burden of the cross and by means of himself kept on carrying it despite the pressure and his weakness, he went outside of the gate of the city, Jerusalem, (Lev 16:27, Heb 13:12) to a place being designated or Said of a skull, which is transliterated from Hebrew Golgotha.

Josh 3:7; And the LORD said to Joshua, "This day I will begin to exalt or magnify you in the sight of all Israel, in order that they may know that, as I was with Moses, so I will be with you.

Josh 6:20-21; So the people shouted, and the trumpets were blown. As soon as the people heard the sound of the trumpet, the people raised a great shout, and the wall fell down flat, so that the people went up into the city, every man straight before him, and they took the city. Then they utterly destroyed all in the city, both men and women, young and old, oxen, sheep, and asses, with the edge of the sword.

Josh 7:1; But the men of Israel committed a trespass in regard to the accursed things of Jericho, Cherem; for Achan the son of Carmi, son of Zabdi, son of Zerah, of the tribe of Judah, took some of the accursed things; and the anger of the LORD burned against the armies of Israel.

Josh 8:1; And the LORD said to Joshua, "Do not fear or be dismayed or lose your poise; take the entire army with you therefore assemble it, advance against Ai; behold, I have given it into your hand all the king of Ai, the people, the city, and the land;

Josh 8:21-26; And when Joshua and all Israel saw that the ambush had taken the city, and that the smoke of the city went up, then they turned back and smote the men of Ai. And the others came forth from the city against them; so they were in the midst of Israel, some on this side, and some on that side; and Israel smote them, until there was left none that survived or escaped. But the king of Ai they took alive, and brought him to Joshua. When Israel had finished slaughtering all the inhabitants of Ai in the open wilderness where they pursued them and all of them to the very last had fallen by the edge of the sword, all Israel returned to Ai, and smote it with the edge of the sword. And all who fell that day, both men and women, were twelve thousand, all the people of Ai. For Joshua did not draw back his hand, with which he stretched out the javelin, until he had utterly destroyed all the inhabitants of Ai.

Josh 24:15; And if you be unwilling or it seems evil to you to serve the LORD, choose you this day whom you will serve, whether the gods your fathers served in the region beyond the River, or the gods of the Amorites in whose land you dwell; but as for me and my house, we will serve the LORD."

Jude 11; Whoa to them for they have gone the way of cain (Violence murder and terrorism, approbation, lust and jealousy) they have rushed to illegal profit, or ran greedily to the deceit of Balaam's error, and abandoning themselves to materialism lusts, they have been destroyed in Corah's revolution.

Judg 2:10-14; And all that generation also were gathered to their fathers, Caleb and Joshua; and there arose another generation after them, who did not know the LORD lacking Bible Doctrine nor the works which he had done for Israel and did not understand Category I Love. And the people of Israel did what was evil in the sight of the LORD and served the Ba'alim a system of Idolatry gods; and they forsook, were unfaithful to the LORD Jesus Christ, the God of their fathers, the one who had brought them out of the land of Egypt; and they followed other gods, from among the gods of the peoples who were round about them, and bowed down to them; and they provoked the LORD to anger. They forsook, were unfaithful to the LORD, and served the Ba'al and the Ash'taroth. So the anger of the LORD was kindled against Israel, and he gave them over to plunderers, who plundered them; and he sold them into the power of their enemies round about, so that they could no longer withstand their enemies.

Lam 3:15-20; He (God) filled me with bitterness (blaming God for it), he made me drunk with venom of the soul. He, God, has broken my teeth with gravel, he has made me to cower in the dust; You have removed My soul, it has been rejected far off from prosperity, tranquility and happiness in reversionism, ie blessings from the Maturity Adjustment to the Justice of God , and I have forgotten happiness and The Good, the doctrine of the equation of hope as the Plan of God in PROSPERITY; so I say, "My strength has perished, and so has my Hope 3 or expectation of the 7<sup>th</sup> imputation is from the LORD." Remember my afflictions from reversionism and restlessness, the bitterness and poison of absinth or wormwood as venom of my soul from incarceration, I will remember. Surely My soul still has them in remembrance and it is bowed down or humbled within me:

Lam 3:21-24; This DOCTRINE I recall to mind, therefore I, Ultra Super-Grace believer Jeremiah, have confident expectations or faith under pressure (HOPE) in time of disaster. It is because the grace expression of the Lord, His gracious unfailing love or mercies which never ceases and are never exhausted, that we are not CUT OFF or Consumed, His Gracious Mercies or functions of temporal security from logistical support, never cease for His compassions never end or fail, they, Logistical Grace support functions, are renewed every morning, His faithfulness continues. (logistical grace is received 1 day at a time and is intensified in Super-Grace B) (what

GOD has promised HE will deliver) The Lord is my portion says my soul in Occupation with the Person of Jesus of Nazareth, The Christ in Super-Grace, therefore I am caused to have absolute confidence in Him in the midst of pressure. (part of virtue is personal love directed to GOD, impersonal love directed to man, confidence directed to GOD, courage directed to man)

Lam 3:25-26; The Lord is good to those who endure patiently in absolute confidence of hope or trust in him, to the soul who constantly seeks Him ( Positive Volition toward Bible Doctrine ) great is his faithfulness. Good it is to STAND STILL be silent and wait for the deliverance of the Lord.

(This is the faith rest drill used in adversity with integrity {spiritual strength} from constant +volition for perception, cognition, metabolization and application of Bible Doctrine)

Lev 17:7; So they shall no more slay their sacrifices for satyrs, after whom they play the harlot. This shall be a statute for ever to them throughout their generations.

Lev 18:28-29; You shall not make any cuttings in your flesh on account of the dead or tattoo any marks upon you: I am the LORD. "Do not profane your daughter by making her a harlot, lest the land fall into harlotry and the land become full of wickedness.

Lev 20:27; "A man or a woman who is a medium or a wizard shall be put to death; they shall be stoned with stones, their blood shall be upon them."

Lev 26:19; Then I will also break down the arrogance of your abuse of power, I will make your sky like Iron (Drought - Economic Disaster, Inflation first and then Depression), and your earth like Bronze.

Lev 26:29; No one devoted, who is to be utterly destroyed from among men, shall be ransomed; he shall be put to death.

Luke 4:5-7; And the devil took him up, and showed him all the kingdoms of the world in a moment of time, and said to him, "To you I will give all this authority and their glory; for it has been delivered to me, and I give it to whom I will. If you, then, will worship me, it shall all be yours."

Luke 4:33-35; And in the synagogue there was a man who was possessed and held by the spirit of an unclean demon; and he screamed out with a piercing cry, "Ah! Leave us alone, what do we have to do with you, Jesus of Nazareth? Have you come to destroy us? I know who you are, the Holy One of God." But Jesus told him, saying, "Be silent, and come out of him! OR Shut up and get out!" And when the demon had thrown him down in the midst of the people, he came out of him, having done him no harm.

Luke 4:41; And demons also came out of many, crying, "You are the Son of God!" And rebuking them, he would not allow them to speak, because they knew that he was the Christ.

Luke 8:2; and also some women who had been healed of evil spirits and infirmities: Mary, called Mag'dalene, from whom seven demons had gone out,

Luke 8:22-24; One day he got into a boat with his disciples, and he said to them, "Let us go across to the other side of the lake." So they set out, and as they sailed he fell asleep. And a storm of wind came down on the lake, and they were filling with water, and were in danger. And they went and woke him, saying, "Master, Master, we are perishing!" And he awoke and rebuked the wind and the raging waves; and they ceased, and there was a calm.

Luke 8:27-35; And as he stepped out on land, there met him a man from the city who had demons; for a long time he had worn no clothes, and he lived not in a house but among the tombs. When he saw Jesus, he cried out and fell down before him, and said with a loud voice, "What have you to do with me, Jesus, Son of the Most

High God? I beseech you, do not torment me." For he had commanded the unclean spirit to come out of the man. (For many a time it had seized him; he was kept under guard, and bound with chains and fetters, but he broke the bonds and was driven by the demon into the desert.) Jesus then asked him, "What is your name?" And he said, "Legion"; for many demons had entered him. And they begged him not to command them to depart into the abyss. Now a large herd of swine was feeding there on the hillside; and they begged him to let them enter these. So he gave them leave. Then the demons came out of the man and entered the swine, and the herd rushed down the steep bank into the lake and were drowned. When the herdsmen saw what had happened, they fled, and told it in the city and in the country. Then people went out to see what had happened, and they came to Jesus, and found the man from whom the demons had gone, sitting at the feet of Jesus, clothed and in his right mind; and they were afraid.

Luke 11:14-20; Now he was casting out a demon that was dumb; when the demon had gone out, the dumb man spoke, and the people marveled. But some of them said, "He casts out demons by Be-el'zebul, the prince of demons"; while others, to test him, sought from him a sign from heaven. But he, knowing their thoughts, said to them, "Every kingdom divided against itself is laid waste, and a divided household falls. And if Satan also is divided against himself, how will his kingdom stand? For you say that I cast out demons by Be-el'zebul. And if I cast out demons by Be-el'zebul, by whom do your sons cast them out? Therefore they shall be your judges. But if it is by the finger of God that I cast out demons, then the kingdom of God has come upon you. But if I by the little finger or tiniest power of God the Father, instantly cast or throw out with great violence and power demons and I do, therefore then the kingdom of God on Earth has come to you.

Luke 11:27-28; Now it came to pass that while he (JC) was teaching these things (Luke 11:14-17), a certain popular woman from the audience interrupted having spoken up with shouting with a loud voice she said to him (JC) "Happy is the woman whose Womb carried you, and the woman whose breasts gave you suck (fed him as an infant)". But Jesus, himself, replied 'Wrong' or 'On the contrary', happinesses belong those who keep on hearing and guarding and therefore retain the word of God, Bible Doctrine in the Stream of Consciousness of the Soul, they are the ones who are blessed.

Luke 12:24-26; Consider the ravens: they neither sow nor reap, they have neither storehouse nor barn, and yet God feeds them. Of how much more value are you than the birds! And which of you by being anxious can add a cubit to his span of life? If then you are not able to do as small a thing as that, why are you anxious about the rest?

Luke 13:16; And ought not this woman, a daughter of Abraham whom Satan bound for eighteen years, be loosed from this bond on the sabbath day?"

Luke 13:28; There you will weep and gnash your teeth, when you see Abraham and Isaac and Jacob and all the prophets in the kingdom of God and you yourselves thrust out.

Luke 14:11; For everyone who exalts himself (including through the Arrogance of Christian Service) will be humbled under the Law of Volitional Responsibility being a loser living a fragmented life, and he who humbles himself shall be exalted (True Humility Gate 3 of the Divine Dynasphere)

Luke 15:7-10; I tell you, that or in the same way there will be more happiness or joy in heaven over one sinner who changes his mind toward the gospel of Jesus of Nazareth, The Christ than over ninety-nine righteous persons who presume to need no repentance. "When you are invited by any one to a marriage feast, do not sit down in a place of honor, lest a more eminent man than you be invited by him; and he who invited you both will come and say to you, 'Give place to this man,' and then you will begin with shame to take the lowest place. But when you are invited, go and sit in the lowest place, so that when your host comes he may say to you, 'Friend, go up higher'; then you will be honored in the presence of all who sit at table with you.

Luke 16:18; "Every one who divorces his wife and marries another commits adultery, and he who marries a woman divorced from her husband commits adultery.

Luke 16:25; But Abraham said, `Son, remember that you in your lifetime received your good things, and Laz'arus in like manner evil things; but now he is comforted here, and you are in anguish.

Luke 17:25; But first he must suffer many things and be rejected by this generation.

Luke 22:31-32; "Simon, Simon, behold, Satan demanded to have you, that he might sift you like wheat, but I have prayed for you that your faith may not fail; and when you have turned again, strengthen your brethren."

Mark 1:26; And the unclean spirit, causing him convulsions and crying with a loud voice, came out of him.

Mark 1:34; And he healed many who were sick with various diseases, and cast out many demons; and he would not permit the demons to speak, because they knew him.

Mark 1:39; And he went throughout all Galilee, preaching in their synagogues and casting out demons.

Mark 3:22; And the scribes who came down from Jerusalem said, "He is possessed by Be-el'zebul, and by the prince of demons he casts out the demons."

Mark 4:35-39; On that day, when evening had come, he said to them, "Let us go across to the other side." And leaving the crowd, they took him with them in the boat, just as he was. And other boats were with him. And a great storm of wind arose, and the waves beat into the boat, so that the boat was already filling. But he was in the stern, asleep on the cushion; and they woke him and said to him, "Teacher, do you not care if we perish?" And he awoke and rebuked the wind, and said to the sea, "Peace! Be still!" And the wind ceased, and there was a great calm.

Mark 5:1-13; They came to the other side of the sea, to the country of the Ger'asenes. And when he had come out of the boat, there met him out of the tombs a man with an unclean spirit, who lived among the tombs; and no one could bind him any more, even with a chain; for he had often been bound with fetters and chains, but the chains he wrenched apart, and the fetters he broke in pieces; and no one had the strength to subdue him. Night and day among the tombs and on the mountains he was always crying out, and bruising himself with stones. And when he saw Jesus from afar, he ran and worshiped him; and crying out with a loud voice, he said, "What have you to do with me, Jesus, Son of the Most High God? I adjure you by God, do not torment me." For he had said to him, "Come out of the man, you unclean spirit!" And Jesus asked him, "What is your name?" He replied, "My name is Legion; for we are many." And he begged him eagerly not to send them out of the country. Now a great herd of swine was feeding there on the hillside; and they begged him, "Send us to the swine, let us enter them." So he gave them leave. And the unclean spirits came out, and entered the swine; and the herd, numbering about two thousand, rushed down the steep bank into the sea, and were drowned in the sea.

Mark 5:12; and they begged him, "Send us to the swine, let us enter them."

Mark 7:26-30; Now the woman was a Greek, a Syrophoeni'cian by birth. And she begged him to cast the demon out of her daughter. And he said to her, "Let the children first be fed, for it is not right to take the children's bread and throw it to the dogs." But she answered him, "Yes, Lord; yet even the dogs under the table eat the children's crumbs." And he said to her, "For this saying you may go your way; the demon has left your daughter." And she went home, and found the child lying in bed, and the demon gone.

Mark 9:17; And one of the crowd answered him, "Teacher, I brought my son to you, for he has a dumb spirit;

Mark 9:18; and wherever it seizes him, it dashes him down; and he foams and grinds his teeth and becomes rigid; and I asked your disciples to cast it out, and they were not able."

Mark 9:20; And they brought the boy to him; and when the spirit saw him, immediately it convulsed the boy, and

he fell on the ground and rolled about, foaming at the mouth.

Mark 9:25; And when Jesus saw that a crowd came running together, he rebuked the unclean spirit, saying to it, "You dumb and deaf spirit, I command you, come out of him, and never enter him again."

Mark 9:33-37; And they came to Caper'na-um; and when he was in the house he asked them, "What were you discussing on the way?" But they were silent; for on the way they had discussed with one another who was the greatest. And he sat down and called the twelve; and he said to them, "If any one would be first, he must be last of all and servant of all." And he took a child, and put him in the midst of them; and taking him in his arms, he said to them, "Whoever receives one such child in my name receives me; and whoever receives me, receives not me but him who sent me."

Mark 10:35-45; And James and John, the sons of Zeb'edee, came forward to him, and said to him, "Teacher, we want you to do for us whatever we ask of you." And he said to them, "What do you want me to do for you?" And they said to him, "Grant us to sit, one at your right hand and one at your left, in your glory." But Jesus said to them, "You do not know what you are asking. Are you able to drink the cup that I drink, or to be baptized with the baptism with which I am baptized?" And they said to him, "We are able." And Jesus said to them, "The cup that I drink you will drink; and with the baptism with which I am baptized, you will be baptized; but to sit at my right hand or at my left is not mine to grant, but it is for those for whom it has been prepared." And when the ten heard it, they began to be indignant at James and John. And Jesus called them to him and said to them, "You know that those who are supposed to rule over the Gentiles lord it over them, and their great men exercise authority over them. But it shall not be so among you; but whoever would be great among you must be your servant, and whoever would be first among you must be slave of all. For the Son of man also came not to be served but to serve, and to give his life as a ransom for many."

Mark 15:10; For he, The Lord Jesus, The Christ, was aware that the Chief Priests had delivered him over to the Romans because of jealousy,

Matt 4:1-10; Then Jesus was led up by God the Holy Spirit into the wilderness to be tempted by the devil, Satan. And he fasted forty days and forty nights, and afterward he was extremely hungry or famished. And the tempter (Satan) came and said to him, "If you are the Son of God and of course you are, command that these stones to become loaves of bread." But he answered and said, "It is written in Old Testament Scripture, 'Man shall not live by bread alone, but by every word that proceeds from the mouth of God.'" Then the devil, the antagonist, the accuser, took him to the holy city of Jerusalem, and had our Lord stand on the pinnacle of the temple, or Herod's Portico 450' above the valley and said to him, "If you are the Son of God, and of course you are, throw yourself down; for it is written, 'He, God the Father, will give his angels charge concerning you,' and 'On their hands they will bear you up, lest you strike your foot against a stone.'" Jesus said to him, "Again it is written, 'You shall not tempt the Lord your God.'" Again, the devil took him to a very great height or highest of mountains, and showed him all the kingdoms of the world and their glory; and he said to him, "All these I will give you, if you will fall down and worship me." Then Jesus said to him, "Begone, Satan! for it is written, 'You shall worship the Lord your God and him only shall you serve.'"

Matt 5:17; "Think not that I have come to abolish the law and the prophets; I have come not to abolish them but to fulfil them.

Matt 5:32; But I keep on saying, as the final authority on this doctrine, unto you for your advantage, that who ever puts away or divorces his wife, except for or on the grounds of fornication or adultery, causes her to receive adultery; and whoever marries an illegitimately divorced woman commits adultery.

Matt 6:22-24; If your eyes, reflecting what you think, are the animation of the inner beauty of the Body, being without blemish and are healthy from consistent Filling of God the Holy Spirit and maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul providing momentum in the Spiritual Life, maybe they are and maybe NOT, then your whole body will be animated with great inner beauty. But if your eye

reflects Mental Attitude Sins from the influence of evil residing in your soul, your whole body will be full of darkness as reversionistic Blackout of the Soul, If therefore the light within you is darkness, you know only about the Cosmic Dynaspheres and imitate the unbeliever, how great is that darkness. No one can serve 2 masters, either he will hate the one and love the other or he will be devoted to the one and despise the other, you cannot serve God and Mammon, the Chaldean God of money, avarice and desire.

Matt 6:26-27; Look at the birds of the air, they do not sow they do not reap or work for their food neither do they gather into barns or accumulate capitol profit as in free enterprise and yet your heavenly father feeds them. Aren't you not worth more than or of greater value than the Bird? Of course you believers are! And which of you by worrying, having a lack of confidence in God and cowardice toward man, can add 18 inches to his height

Matt 6:34; Therefore DO NOT WORRY about the next day, tomorrow, for tomorrow will take care of itself (God provides EACH day one at a time in his faithfulness). Each day has its own brand of Evil which is sufficient of itself (temptations) take care of today's evil first.

Matt 7:1-2; (Command) YOU Stop Judging, gossiping, maligning, verbally trying to run another's life, therefore you are without excuse, every man among you who passes judgment, for in that you judge another you condemn them and you do the same things yourself, for IF you who judge practice the same things you will receive double Divine Discipline. OR Judge not that you RECEIVE NOT double Divine Discipline judgment, maybe you will and maybe you will not depending on whether you JUDGE others. For in the way or by which judgment that you judge (the sins you mention), you will be judged in triple compound Divine Discipline, and with what or by which measure you measure it out in judging another, the same will be measured back to YOU! Why do you make a superficial scrutinizing critical maligning observation of the speck or splinter that is in your brother believer's eye, but do not evaluate your own life by the norm and standard of Bible Doctrine and notice the log that is in your own eye?

Matt 7:15; "Constantly be on Guard and Aware of false prophets, religious leaders, who come to you in sheep's clothing but inwardly are ravenous wolves.

Matt 7:22; On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?'

Matt 8:12; In contrast while the mature adult sons of the kingdom, the promises from God not yet fulfilled, the racial Jewish unbelievers, will be thrown or cast out into outer darkness; in that place of the outer darkness of the Lake of Fire there shall be weeping or crying with total breakdown of poise in total eternal frustration and grinding of teeth."

Matt 8:16; That evening they brought to him many who were possessed with demons; and he cast out the spirits with a word, and healed all who were sick.

Matt 8:23-26; Nevertheless, when he boarded the ship, the Positive Volition student believer disciples followed him. And so look what happened, instantly a great force 12 storm originated, on a calm sea, on the sea of Tiberius, with the result that the ship was covered by and being swamped by the waves; but he, Jesus of Nazareth, The Christ continued sleeping with a Relaxed Mental Attitude. And consequently they, his disciples, came to him as quickly as possible and they aroused and awakened him, shouting and screaming again and again at him, "Lord, Lord, Lord, (meaning God or Deity); Rescue, Deliver or Save US, we are about to perishing, being destroyed, wrecked." And so as a result he, Jesus of Nazareth, The Christ, said to them, disciples aboard ship (while the storm continued), "Why are you disciples cowards, afraid, You short time trusters or men short of or having little faith rest?" At that time then after reprimanding the disciples, when he arose and stood up at attention he reprimanded with his voice the winds and the sea; and it became in a single moment a great calm.

Matt 8:28; And when he came to the other side, to the country of the Gadarenes, two demoniacs met him, coming out of the tombs, so fierce that no one could pass that way.

Matt 8:31; And the demons begged him, "If you cast us out, send us away into the herd of swine."

Matt 8:33; The herdsmen fled, and going into the city they told everything, and what had happened to the demoniacs.

Matt 9:4; But Jesus, aware of their thinking and knowing their thoughts, said, "Why do you think Evil , slander, in the Right Lobe of the Stream of Consciousness of your Soul ?

Matt 9:33-34; And when the demon had been cast out, the dumb man spoke; and the crowds marveled, saying, "Never was anything like this seen in Israel." But the Pharisees said, "He casts out demons by the prince of demons."

Matt 10:36-38; And A person's greatest enemies shall be they, the members of his own household or family, even husband and wife;. When anyone loves father or mother more than the sword of Bible Doctrine or Me, Jesus of Nazareth, The Christ, is not worthy of me, the one loving son or daughter more than the sword of Bible Doctrine, or me, he is not worthy of me, And he who does not pick up his cross putting Bible Doctrine first, going against social tradition, and follow after me through the daily function of the Grace Apparatus for Perception, is not worthy of me.

Matt 11:11; Truly as final authority, I say to you, among those born of women there has not been a greater man than John the Baptist; notwithstanding, in spite of naming the greatest, he who is least in the kingdom of heaven is greater than John the Baptist.

Matt 11:15-17; He who keeps on having his ears, let him keep on listening. "But to what shall I compare this legalistic religious generation? It is like children sitting in the market places and sulking and complaining, saying to their friends about the treatment they are getting from their friends, `We played music for you, and you did not dance; we mourned and wept unto you, and you did not lament.'

Matt 12:22; Then a blind and dumb demoniac was brought to him, and he healed him, so that the dumb man spoke and saw.

Matt 12:24-28; But when the Pharisees heard it they said, "It is only by Be-el'zebul, the prince of demons, that this man casts out demons." Knowing their thoughts, he said to them, "Every kingdom divided against itself is laid waste, and no city or house divided against itself will stand; and if Satan casts out Satan, he is divided against himself; how then will his kingdom stand? And if I cast out demons by Be-el'zebul, by whom do your sons cast them out? Therefore they shall be your judges. But if I cast out demons by means of God the Holy Spirit, then the kingdom of God has come upon you.

Matt 15:22; And behold, a Canaanite woman from that region came out and cried, "Have mercy on me, O Lord, Son of David; my daughter is severely possessed by a demon."

Matt 17:15; "Lord, have mercy on my son, for he is an epileptic and he suffers terribly; for often he falls into the fire, and often into the water.

Matt 18:1-3; At that same time the disciples came to Jesus, saying, "Who is the greatest in the kingdom of heaven?" And Jesus called to him a little child, and he put the child in the midst of these disciples, and He, The Lord Jesus, The Christ, said to them, "A Point of Bible Doctrine I keep on saying to you for your advantage, If or unless you disciples be converted through Salvation Adjustment to the Justice of God and regeneration, maybe you will and maybe you will not be, and at that point, for your benefit, have made Salvation Adjustment to the Justice of God (John 3:36) and you become AS or LIKE a little child, maybe you will and maybe you will not depending on your volition, you, Judas, nor anyone else will never enter the kingdom of heaven.

Matt 18:23-35; Therefore, the kingdom of heaven may be compared to a certain king who wished to settle accounts for his administration. And when he began to settle the accounts which were outstanding, there was brought before him one of his bureaucrats or administrators who owed him \$10,000,000. And since he did not have the means to pay this account the king commanded him to be sold, along with his wife and children and payment made against his account. Therefore the Bureaucrat or administrator, fell down and prostrated himself before the king saying "have patience with me and I will pay all". And the King of that administrator had compassion, therefore he released him from his debt and he canceled the entire loan. (This is GRACE function) But that same bureaucrat having departed discovered one of his fellow bureaucrats who owed him 20 dollars, so he seized him by the throat and began to strangle him saying over and over, "Pay me back what you owe me". And this fellow bureaucrat fell down and began to beg him saying, "Have patience with me and I will repay you. However he was not willing to do the same thing which had been done to him, and he went and threw the debtor into prison until he could pay. So when his fellow bureaucrats had observed what had happened they were deeply grieved and came and reported to the king what had transpired. And having summoned him, his King said to him, "You Evil bureaucrat, I canceled all your debt because you begged me, Should you not also have had mercy on your fellow bureaucrat as I have had mercy on you. And his king having become angry, handed him over to the Torturers, to be tortured every day until he could pay all that he owed. So shall my heavenly father also do to you if each one of you does not forgive his fellow Believer from YOUR right lobe.

Matt 19:4; He answered and said to them, "Have you not read that he who made them from the beginning made them male and female, (Gen 1:27)

Matt 19:9; But I say to you: whoever divorces or puts away his wife, except because of her fornication, and marries another, commits adultery."

Matt 19:16-26; Then one {rich young ruler} came to Him {Jesus} and said, "Good {good of intrinsic value} master or teacher of doctrine {not 'Lord'}, what good things {salvation by works} must I do to gain or obtain eternal life {rejecting the Lord}?" He {Jesus} replied to Him {ruler}, "Why do you question Me about what is 'good of intrinsic value'? There is Only One who is good of intrinsic value. (God, Jesus of Nazareth, The Christ for Salvation Adjustment to the Justice of God) If you want to enter into eternal life, assuming you do, keep the commandments {reject Me as Lord, then look at the commandments to see your condemnation}." "Which ones?" he {ruler} asked. Jesus alleged, "You will not murder, You will not commit adultery or fornicate, You will not steal, You will not perjury, keep on honoring your father and mother' {probably guilty of the korban gimmick in Matthew 15:1-9} and love your neighbor as yourself." Lev 19:18, 34, Mark 12:29-31 The young man said to him {Jesus}, "I have kept or guarded all these things. What am I still lacking?" Jesus said to him for his advantage, "If you wish or want to be perfect, go or depart, sell once and for all, all your possessions and give to the poor (not salvation) and you will have treasure in heaven. In fact then come {express faith (Matthew 11:28)} and follow Me {regeneration Matt 19:28}." When the young ruler heard this he went away being constantly filled with sorrow or grieved, for he possessed a great deal of property. Then Jesus said to His disciples, "A point of truth or doctrine, it is difficult but not impossible for a rich person to enter the kingdom of heaven {they tend to depend on wealth and rely on works}." "Again I {Jesus} say, it is easier for a camel to go through the eye of the needle gate in the city, than for a rich person to enter into the kingdom of God." When the disciples heard this they were utterly astonished, and replied, "Who then can be saved?" (They in fact were total dummies) Jesus stared or glared at them and said, "This {salvation by works} is impossible with mankind, but with the Integrity of God all things are possible."

Matt 19:27-30; Then Peter, having answered or replied as a result of many questions not in the context, said to Him, "Behold, WE {Peter was the talker but ALL the Apostles were in on this thought having discussed this prior} have abandoned or forsaken or given up everything or all THINGS and followed You. What therefore shall WE have or will there be for us?" And so Jesus replied to them (Peter and all the disciples in blind arrogance), "Truly I say to you {point of doctrine}, that you who have followed Me in regeneration, (all but Judas Iscariot) (Open Parenthesis discussing rewards in eternity) when the Son of Man shall sit on the throne of His glory, you also (including Paul who replaces Judas) shall sit upon twelve thrones, judging the twelve tribes of Israel, and every one that has forsaken houses, or brethren, or sisters, or father, or mother, or wife, or children, or lands or

businesses for My name's sake shall receive a hundred-fold {maximum reward}(Close Parenthesis) also even you shall inherit everlasting life." But many (that are) first (in the vineyard) (1<sup>st</sup> century Believers Matt 20:10) Shall be last in blessing and reward, and many last (Believers) shall be first in blessing and reward.

Matt 20:1-15; "For the kingdom of heaven is like a capitalist who went out early in the morning to hire laborers for his vineyard; and when he had bargained with the labor union laborers for a denarius a day, he sent them into his vineyard. (6:00 AM) And going out about the third hour (9:00 AM) he saw others scab labor standing idle in the market place not part of the labor union; and to them he said, 'You go into the vineyard too, and whatever is right I will give you.' So they went and trusted him. Going out again about the sixth hour (12:00 noon) and the ninth hour (3:00 Pm), he did the same thing. And about the eleventh hour (5:00 pm) he went out and found others standing; and he said to them, 'Why do you stand here idle all day?' They said to him, 'Because no one has hired us.' He said to them, 'You go into the vineyard too.' And when evening came (6:00 pm), the owner of the vineyard said to his steward, 'Call the laborers and pay them their wages, beginning with the last group, up to the first group the union men.' And when those hired about the eleventh hour (5:00 pm) came, each of them received a denarius in GRACE. Now when the first came, they thought with EVIL thinking that they would receive more; but each of them also received a denarius. And when those in the labor union received their wages at the end of the day they began to complain against management and the capitalist. saying, 'These last men worked only one hour, and you have made them equal to us (this is wrong they have been in fact made superior) who have endured and carried the burden of the day and the scorching heat.' But he replied to them and said, 'Partner, I am doing you no wrong; did you not bargain, AGREE to a contract, with me for a denarius? Throwing the payment onto the ground the Owner said, "Take what is yours, and get out of here"; I WILL GIVE to this last group what I want to give as I give to you UNDER GRACE. Is it not lawful for me as a capitalist to do what I desire with my own capital, YES IT IS!, or are you jealous because I am generous, or is your eye or perspective evil because I am Good (agathos intrinsic good). (Jesus Christ said) Therefore the last (believers who learn Bible Doctrine) will be first, and the first (believers in Interlocking System of Arrogance) last."

Matt 20:16-29; Jesus Said, "So the last in the field will be first in reward, and the first in the field the Legalists shall be last in reward." For many shall be called but few shall be chosen." And as Jesus was about to go up to Jerusalem, he took the twelve disciples aside, and on the way he said to them, "Behold, we are going up to Jerusalem; and the Son of man will be delivered to the chief priests and scribes, and they will condemn him to death, and deliver him to the Gentiles the Romans, to be mocked and scourged and crucified, and on the third day he will receive resurrection." Then the mother, Salome, of the sons of Zeb'edee, sister to Mary mother of Jesus, came up to him, with her sons, James and John, Bowing down and kneeling obsequiously before him she asked him for something, making a request. And he said to her, "What do you want?" She said to him, "Command that these two sons of mine may sit, one at your right hand and one at your left, in your kingdom." But Jesus answered, "You do not know what you are asking. Are you able to drink the cup that I am to drink?" They said to him (Blind Arrogance), "We are able." He said to them, James and John, "You will drink my cup, but to sit at my right hand and at my left is not mine to grant, but it is for those for whom it has been prepared in the past with the result that it stands prepared by my Father." And when the ten heard it, they were indignant with the two brothers. But Jesus called them to himself and said, "You know that the rulers of the Gentiles that is the Romans, lord it over them, the jews, and their great men in command of the province, exercise authority over them. It shall not be so among you, some are already acting like romans; but whoever would become great among you must be your servant, and whoever wills to be first among you shall be your slave; just as the Son of man did not come to be served but to serve, and to give his life as a ransom for the many." And as they, Jesus of Nazareth, The Christ and the disciples, went out of Jericho, a great mob followed him, out of curiosity.

Matt 20:30-34; And behold, two blind men sitting helplessly, having been dumped out of life, by the roadside, when they heard that Jesus was passing by, they shouted, "(Kurioi, Deity) Lord, Grace us OUT, or Have mercy on us, Son of David, (perfect humanity)!" And the mob, with their Blind Arrogance, censored and severely reprimanded or rebuked these same 2 blind men, that they might shut up or keep silent; but they began to shout out all the more loudly, "Lord, Grace us out, deliver us, Son of David!" And Jesus having stopped momentarily summoned them, and said, "What do you wish what do you desire me to do for you?" They said to him, Jesus

of Nazareth, The Christ, "Lord, that our eyes may be opened, given sight." So Jesus had and was moved with compassion, instantly touched their eyes, and at immediately once they recovered their sight with absolutely perfect vision and with grace humility followed him wherever he went.

Matt 22:21; They said, "Caesar's." Then he said to them, "Render therefore to Caesar the things that are Caesar's, and to God the things that are God's."

Matt 23:13-36; "But woe to you, scribes and Pharisees, hypocrites! because you shut the kingdom of heaven against men; for you neither enter yourselves, nor allow those who would enter to go in. Woe to you, scribes and Pharisees, hypocrites! for you traverse sea and land to make a single proselyte, and when he becomes a proselyte, you make him twice as much a child of hell as yourselves. "Woe to you, blind guides, who say, 'If any one swears by the temple, it is nothing; but if any one swears by the gold of the temple, he is bound by his oath.' You blind fools! For which is greater, the gold or the temple that has made the gold sacred? And you say, 'If any one swears by the altar, it is nothing; but if any one swears by the gift that is on the altar, he is bound by his oath.' You blind men! For which is greater, the gift or the altar that makes the gift sacred? So he who swears by the altar, swears by it and by everything on it; and he who swears by the temple, swears by it and by him who dwells in it; and he who swears by heaven, swears by the throne of God and by him who sits upon it. And Jesus then dealt with them and this is what he said to them "Whoa to you scribes and pharisee's hypocrites for you tithe mint, dill, and cummin (Perfumes) and you have neglected the weightier provisions of the law, Justice Mercy and Faithfulness, but these are the things which you should have done without neglecting the others". (Sarcasm) You blind guides, you strain at a gnat and swallow a camel. (Extreme Pickiness) Whoa to you scribes pharisee's and hypocrites for you cleaned the outside of the cup and the dish, but inside they are full of robbery (stealing from the people) and self indulgence (no rule by law). You blind pharisee's first clean up the inside of the cup and dish so that the outside of it may become clean also (Clean up your own souls with BD in the SC). Whoa to you scribes pharisee's and hypocrites, you are like whitewashed tombstones, which on the outside you appear beautiful (lovely language used) but inside you are filled with dead men's bones and all uncleanness (religion). Even so you too outwardly appear righteous to men (phonies) but inwardly you are full of hypocrisy and lawlessness. "Woe to you, scribes and Pharisees, hypocrites! for you build the tombs of the prophets and adorn the monuments of the righteous, saying, 'If we had lived in the days of our fathers, we would not have taken part with them in shedding the blood of the prophets.' Thus you witness against yourselves, that you are sons of those who murdered the prophets. Fill up, then, the measure of your fathers. You serpents, you brood of vipers, how are you to escape being sentenced to hell? Therefore I send you prophets and wise men and scribes, some of whom you will kill and crucify, and some you will scourge in your synagogues and persecute from town to town, that upon you may come all the righteous blood shed on earth, from the blood of innocent Abel to the blood of Zechari'ah the son of Barachi'ah, whom you murdered between the sanctuary and the altar. Truly, I say to you, all this will come upon this generation.

Matt 25:30; And cast the worthless servant into the outer darkness; there men will weep and gnash their teeth.'

Matt 26:58; But Peter followed him at a distance, as far as the courtyard of the high priest, and going inside he sat with the guards to see the end.

Matt 27:18; For he, Pilate, knew that because of envy they, the religious leaders, had brought him, Jesus, to the Praetorium.

Matt 27:46; And about the 9<sup>th</sup> hour Jesus Shouted, 'ali ali lama sabakthanie' (Ps 22:1) "My God, My God, Why have you forsaken me",

Neh 8:10; Then he said to them, "Go your way, eat the fat and drink sweet wine and send portions to him for whom nothing is prepared; for this day is holy to our Lord; and do not be grieved, for the joy, inner happiness, Relaxed Mental Attitude of the LORD is your strength."

Num 5:14-18; and if the spirit of jealousy comes upon him, and he is jealous of his wife who has defiled herself;

or if the spirit of jealousy comes upon him, and he is jealous of his wife, though she has not defiled herself; then the man shall bring his wife to the priest, and bring the offering required of her, a tenth of an ephah of barley meal; he shall pour no oil upon it and put no frankincense on it, for it is a cereal offering of jealousy, a cereal offering of remembrance, bringing iniquity to remembrance. "And the priest shall bring her near, and set her before the LORD; and the priest shall take holy water in an earthen vessel, and take some of the dust that is on the floor of the tabernacle and put it into the water. : And the priest shall set the woman before the LORD, and unbind the hair of the woman's head, and place in her hands the cereal offering of remembrance, which is the cereal offering of jealousy. And in his hand the priest shall have the water of bitterness that brings the curse.

Num 11:1-3; And the people complained in the hearing of the LORD about their misfortunes; and when the LORD heard it, his anger was kindled, and the fire of the LORD burned among them, and consumed some outlying parts of the camp. Then the people cried to Moses; and Moses prayed to the LORD, and the fire abated. So the name of that place was called Tab'erah, because the fire of the LORD burned among them.

Num 11:4-6; Now the rabble the scum who were among them had a greedy desires; and the people of Israel also wept again, and said, "Who will give us meat to eat! We remember the fish (slave food) we ate free in Egypt, the cucumbers, the melons, the leeks, the onions, and the garlic (To make it palatable); but now our appetite is gone, and there is nothing at all to look at except this miserable manna."

Num 11:7-9; Now the manna was like coriander seed, and its appearance like that of bdellium. The people went about and gathered it, and ground it in mills or beat it in mortars, and boiled it in pots, and made cakes of it; and the taste of it was like the taste of cakes baked with oil. When the dew fell upon the camp in the night, the manna fell with it.

Num 11:10-15; Moses heard the people weeping throughout all their families, every man at the door of his tent; (the anger of the LORD burned hotly), and Moses also was displeased. Then Moses said to the LORD, "Why have YOU afflicted your servant? And why have I not found favor or Grace in YOUR sight, that you does lay the burden of all this people upon me? Did I conceive all this people? (great sarcasm) Did I bring them forth as a woman giving birth to the child, (Greater sarcasm), that you should say to me, 'Carry them in your bosom, as a nursing father carries the suckling child, to the land which you did swear to give their fathers?' Where am I to go to get or buy enough meat to give to all this people? For they weep unto me saying, 'Give us meat, that we may eat.' I am not able to carry all this people alone, because the burden is too heavy for me. If you will deal thus with me, because it is your fault, just kill me violently out of hand at once, if I have found favor in thy sight, let me not see my wretchedness, get rid of me right now."

Num 11:31-33; And there went forth a South East wind (Ps 78:26) from across the Persian *gulf* and scrub Arabic desert peninsula country from the LORD, and it brought quails from the direction of the red sea, and let them fall beside the camp (10 miles across), about a day's journey on this side and a day's journey (20 to 30 Miles) on the other side, round about the camp, and about two cubits (36 inches) high above the face of the ground. (An area about 50 miles in diameter) And the people stayed out all that day, and all that night, and all the next day, and gathered the quail; he who gathered least gathered ten homers (640 quarts, 20 bushels); and they spread them out for themselves all around the camp. And while the raw meat was yet between their teeth being chewed, before it was consumed, the anger of the LORD was kindled against the people, and the LORD smote the people with a very great plague.

Num 12:1-15; Then Miriam and Aaron maligned, gossiped, judged Moses because of the Ethiopian woman whom he had married, for he had married a Ethiopian Princess either a Caucasian or Eurasian woman; and they said, "Has the LORD indeed spoken only through Moses? Is he the only teacher among us who knows the word of God? Has he not spoken through us as well?" (all the people agreed and this started the revolution) And the LORD heard it. Now the man Moses, in his personal life, was very humble with a Grace Orientation Mental Attitude, more than anyone or any person on the face of the earth. And suddenly the LORD said to Moses and to Aaron and Miriam, "Come out, you three, to the tabernacle of the congregation." And the three of them came out

in front of many thousands of the people. And the LORD came down in a pillar of cloud, and stood at the door of the tabernacle, and He called Aaron and Miriam; and they both came forward. And He, the Lord, said, "Hear now my words: If there is a prophet among you, I the LORD will make myself known to him in visions, I will speak with him in dreams. Not so with my servant Moses; (he is faithful in all my house more than any other Jew living) (Heb 3:2+5) With him I speak to him mouth to mouth clearly, even with Moses seeing me, and not in dark speeches of dreams and visions; and the similitude form of The Lord Jesus, The Christ manifest shall he behold. Why then were you not afraid to speak against my servant Moses?" And the anger of the LORD was kindled against them, and he departed; and when the cloud departed from outside the tabernacle, and behold, Miriam became leprous, as white as snow. And Aaron looked at Miriam, and behold, she was leprous, dying slowly and horribly. And Aaron ran from the tabernacle entrance back to Moses and said to Moses, "Alas, my lord, do not punish or lay the sin upon us because we have done foolishly and have sinned. Let her, Miriam, not be as one dead, of whom the flesh is half consumed when he comes out of his mother's womb." And Moses cried to the LORD saying, "Heal her now, O God, I beseech thee." And the LORD said to Moses, giving instructions, "If her father had spit in her face, she should not be shamed but only seven days? (Miriam is like a child, childishly maligning from jealousy, envy, self pity etc., and God will deal with her as a child should be dealt with) Let her be shut up outside the camp seven days, and after that she may be brought in again." So Miriam was shut up outside the camp seven days; and the people did not set out again on the march until Miriam was brought in again. (her leprosy was gone)

Num 14:1; And then all the congregation lifted up their voices, raised a loud cry; and the people wept all that night.

Num 14:2-4; And all the people of Israel complained against Moses and Aaron; the whole congregation said to them, "Would that we had died in the land of Egypt! Or would that we had died in this Desert! Why does the LORD bring us into this land, to fall by the sword? Our wives and our little ones will become prey; would it not be better for us to go back to Egypt?" And they said to one another, "Let us choose a captain, and go back to Egypt."

Num 14:21-38; but truly, as I live, and as all the earth shall be filled with the glory of the LORD, none of the men who have seen my glory and my signs which I wrought in Egypt and in the wilderness, and yet have put me to the proof these ten times and have not hearkened to my voice, shall see the land which I swore to give to their fathers; and none of those who despised me shall see it. But my servant Caleb, because he has a different spirit and has followed me fully, I will bring into the land into which he went, and his descendants shall possess it. Now, since the Amalekites and the Canaanites dwell in the valleys, turn tomorrow and set out for the wilderness by the way to the Red Sea." And the LORD said to Moses and to Aaron, "How long shall this wicked congregation murmur against me? I have heard the murmurings of the people of Israel, which they murmur against me. Say to them, 'As I live,' says the LORD, 'what you have said in my hearing I will do to you: your dead bodies shall fall in this wilderness; and of all your number, numbered from twenty years old and upward, who have complained against me, not one of you shall come into the land where I swore that I would make you dwell, except Caleb the son of Jephun'neh and Joshua the son of Nun. But your little ones, who you said would become a prey, I will bring in, and they shall know the land which you have despised. But as for you, your dead bodies shall fall in this wilderness. And your children shall be shepherds in the wilderness forty years, and shall suffer for your faithlessness, until the last of your dead bodies lies in the wilderness. According to the number of the days in which you spied out the land, forty days, for every day a year, you shall bear your iniquity, forty years, and you shall know the postponement of my promise' I, the LORD, have spoken; surely this will I do to all this wicked congregation that are gathered together against me: in this desert they shall come to a full end, and there they shall die." And the men whom Moses sent to spy out the land, and who returned and made all the congregation to complain against him by bringing up an negative report against the land, the men who brought up an negative report of the land, died by plague before the LORD. But Joshua the son of Nun and Caleb the son of Jephun'neh remained alive, of those men who went to spy out the land.

Num 16:8-11; And Moses said to Korah, "Hear now, you sons of Levi: It is a small a thing to you that the God of

Israel has separated you from the congregation of Israel, to bring you near to himself, to do service in the tabernacle of the LORD, and to stand before the congregation to teach doctrine to them; and that he has brought you near him, and all your brethren the sons of Levi with you? And would you seek the priesthood also? Therefore it is against the LORD that you and all your company have gathered together; what is Aaron that you complain against him?"

Num 16:12-15; And Moses sent to call Dathan and Abi'ram the sons of Eli'ab; and they said, "We will not come up. It is a terrible thing that you have brought us up out of a land flowing with milk and honey (Egypt), to kill us in the desert, in order that you can also make yourself a prince over us? Moreover you have not brought us into a land flowing with milk and honey, nor given us inheritance of fields and vineyards. Will you put out the eyes of these men? We will not come up." And Moses was very angry, and said to the LORD, "Do not respect their offering. I have not taken one ass from them, and I have not harmed one of them."

Num 17:5-10; And it shall come to pass that the rod of the man whom I choose shall blossom; thus I will make to cease from me the murmurings or complaining of the people of Israel, which they murmur against you." And Moses spoke to the people of Israel; and all their prince leaders gave him rods, one for each prince leader, according to their fathers' houses, twelve rods; and the rod of Aaron was among their rods. And Moses laid the rods before the LORD in the tabernacle of witness (the Tabernacle Witnessed to the Person and Work of The Lord Jesus, The Christ). And it came to pass on the next day Moses went into the Tabernacle of witness; and behold, the rod of Aaron for the house of Levi had budded and put forth buds, and produced blossoms, and it yielded ripe almonds. Then Moses brought out all the rods from before the LORD in the holy of holies, to all the people of Israel; and they looked, and each man took his rod. But the LORD said to Moses, "Put back the rod of Aaron Because the testimony for preserving as a sign against the sons of revolution that you may put an end to their grumblings against me, so that they should not die the Sin Unto Death."

Num 20:2-4; There was no water for the new congregation, the next generation; and they assembled or gathered themselves together AGAIN against Moses and against Aaron. And the people contended with, complained to and opposed Moses rejecting his authority, and thinking they spoke saying, "Oh that we had died under adverse conditions by the Sin Unto Death, when our contemporaries of the first generation of the exodus died before the LORD! Why have you, Moses, caused to bring the congregation of the LORD into this desert, that we and our cattle might die here, losing both our life and property wealth?

Num 21:4-6; From Mount Hor they set out by the way to the Red Sea, to go around the land of Edom; and the people became impatient on the way. And the people spoke against God and against Moses, "Why have you brought us up out of Egypt to die in the wilderness? For there is no food and no water, and we loathe this worthless food." Then the LORD sent fiery serpents among the people, and they bit the people, so that many people of Israel died.

Num 22:12; And God said to Balaam, "You shall not go with them; you shall not curse the people, for they are blessed."

Num 22:30; Then the ass said to Balaam, "Am I not your ass, don't I belong to you, upon which you have ridden since I have been yours, all your life long to this day? Have I ever failed you?" And Balaam admitted, "No."

Phil 1:15; On the one hand, certain or specific ones, the category of arrogant reversionists, are now declaring or making know the policy of the king as a herald for the king, The Christ, even because of arrogance or jealousy and discord, certain or specific ones, the category of advancing believers, on the other hand also because of good motivation.

Phil 1:20-21; According to my earnest expectation, waiting calmly and humbly under authority and orders, and intense concentration on Bible Doctrine as Priority #1 and daily function under the Grace Apparatus for Perception focusing on Bible Doctrine taught, and resultant confidence expectation that in nothing, in the various aspects of

life, shall I be put to shame or disgraced, but with integrity of Maturity Adjustment to the Justice of God and the Royal Family Honor Code resulting in courage, confidence and total relaxation toward God, even now being in Super-Grace B, as always Ultra Super-Grace, and in all stages of Maturity Adjustment to the Justice of God, THE unique Christ shall be magnified or exalted in my person alive on earth in time, whether by my living in Maturity Adjustment to the Justice of God or by my dying under dying grace. For you see, or As I, Paul in Super-Grace B, see it, for me, as far as I am concerned, Living or to continue living, is (ellipsis) Occupation with the Person of Jesus of Nazareth, The Christ; likewise dying is unusual Gain, great Profit, Riches of Glory, Magnetism beyond life in eternity.

Phil 2:2; Bring to completion, by your pressing on, advancing, moving through Super-Grace B into Ultra Super-Grace, my Sharing of the Happiness of God, in order that you might have the same thinking, in Super-Grace B, No Man's Land, from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, of the same category of things, having and holding, or maintaining from the past into the present, the same Love of Reciprocal Love for God, Occupation with the Person of Jesus of Nazareth, The Christ, united in the Filling of God the Holy Spirit in soul rapport, intent concentrating on the one purpose or objective of advance to the high ground of the Spiritual Life, Ultra Super-Grace.

Phil 2:5; (YOU THE SUPER GRACE BELIEVER ENJOYING R&R BLESSINGS IN SUPER GRACE A) Have this attitude or Keep objectively thinking this Metabolized Bible Doctrine in your Stream of Consciousness of the Soul in No Man's Land within yourselves, that which was (ellipsis) also resident in the Stream of Consciousness of the Soul of the Humanity of Christ Jesus

Phil 2:13-14; for it absolutely always is and keeps on being The God the Holy Spirit who, has been from Salvation Adjustment to the Justice of God to the present time, at work in all you believers, both to will or purpose, producing desire and motivation to take in Bible Doctrine in No Man's Land, and to do, execution of the intake of Bible Doctrine for spiritual growth, above and beyond his, God's, will and good pleasure reaching Ultra Super-Grace. Press on and Keep on doing all things in advance through Super-Grace B to Ultra Super-Grace without sullen discontent, argumentation, bitching, complaining, having or being tempted to a sloppy Evil Mental Attitude, which puts down and undermines someone in authority.

Phil 2:14-16; Press on and Keep on doing all things in advance through Super-Grace B to Ultra Super-Grace without sullen discontent, argumentation, bitching, complaining, having or being tempted to a sloppy Evil Mental Attitude, which puts down and undermines someone in authority. In order that you yourselves might become (because of your historical impact) faultless, blameless, not censored by God for reversionism, in Ultra Super-Grace EVEN undiluted by evil, pure or innocent without evil, full of integrity from Metabolized Bible Doctrine, children under the discipline and authority of God, not a disgrace to society, harmless in the sense of Laws of Divine Establishment, being patriotic, pro military, pro Law Enforcement, Pro free enterprise, anti communist, etc with obligation under the Laws of Divine Establishment in the areas of morality and patriotism, child students of a Father God, in the midst of a crooked, unscrupulous, dishonest not influenced by the Laws of Divine Establishment or Bible Doctrine, and a depraved, perverse, misshapen generation under the influence of Evil, among whom you believers in Maturity Adjustment to the Justice of God keep shining in your generation as a light giving body with radiance of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul in the world under satan's rule, *Be concentrating on*, hold onto or hold fast, give attention to, focus on by means of the daily function under the Grace Apparatus for Perception, *the word of life*, Bravo Grace which sustains the life of the Super-Grace B Believer, moving into Ultra Super-Grace, *in order that I (Paul)* having a personal interest in you, *may have a basis for Esprit De Corps and boasting*, with reference to THE Unique day of Christ, the rapture of the church, that I have not run or advanced to Maturity Adjustment to the Justice of God, Ultra Super-Grace, for no profit nor have worked very hard or struggled to exhaustion in personal study for no purpose.

Phil 3:13; Members of the Royal Family of God, I even I consider, estimate or evaluate myself even myself, objectively, as not yet to have attained, overtaken, seized, reached and held the deliberate objective according to the specified Norms and Standards of the Grace Apparatus for Perception, the ultimate of Pleroma, Advanced Maturity Adjustment to the Justice of God, however, now one thing on which I concentrate, constantly forgetting

or deliberately assigning to oblivion those things which have already happened and lay behind, the things of the great sins related to reversionism as a handicap, and constantly and eagerly vigorously pursuing advancing or straining or pressing toward, the front or what lies ahead, through the function of Grace Apparatus for Perception as the Ultra Super-Grace objective.

Phil 3:14; I keep on advancing, pressing and closing in toward the next goal or objective of Ultra Super-Grace across no man's land, for the purpose of the reward, wealth, success in Super-Grace and Surpassing Grace packages of blessings and decorations belonging to that upward or highest station or position in life of potential blessing at the Judgment Seat of Jesus of Nazareth, The Christ from that self same God, God the Father by means of Christ Jesus.

Phil 3:15; Therefore, as many as (are) already fully developed, believers in Maturity Adjustment to the Justice of God in Super-Grace A or B, let us, Super-Grace believers, continue objective thinking of Divine Viewpoint from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. In fact if you are thinking somewhat differently and have a different Mental Attitude or hold different opinions toward anything, and you are, The God, as the ultimate source of revelation will reveal through the immediate source of Bible Doctrine and your right Pastor Teacher, even that to you for your benefit and in your interest.

Phil 3:16; However the objective or status to which we have already attained or reached in Super-Grace status, by that same function of the Grace Apparatus for Perception, let us under strict discipline, keep marching, advancing in step, with others, in ranks by means of enforced & genuine humility and academic discipline to the next objective of Ultra Super-Grace, by the same rule or standard or sphere of action or daily function under the Grace Apparatus for Perception with regard to the sum total of Bible Doctrine in the Canon of Scripture, in persistent Momentum in the Spiritual Life.

Phil 3:18-19; (Alternative to Effective Rebound for Believers); For many reversionistic believers keep walking from the past and making wrong decisions falling into various stages of reversionism and under the influence of evil, concerning, with reference to whom I have constantly, regularly, repeatedly communicated to ya'all honestly, faithfully many, many times and now, even though momentarily weeping for former friends and Christians, I continue, faithfully, to communicate that these not taking responsibility, have made themselves the enemies of the cross of That Same Christ. (1Sam 28:16) (The reversionists as enemies of the cross), Whose termination, cessation or conclusion of this life keeps on being or is ruin, the destruction which one experiences from administration of the Sin unto death discipline, whose god is his emotion in Emotional Revolt of the Soul and emotional arrogance, who have a way of life which is to glory in their shame or dishonor, or whose fame comes by cheating, lack of integrity and dishonor from involvement in the Cosmic Dynasphere #2, who keep on thinking and form and hold opinions about human viewpoint or earthly things being under the influence of evil from Satan's policy and plan.

Phil 3:21; who shall change or transform the form of the body of our humble station, contamination or humility (Old Sin Nature in our Human Body), into conformity with the Resurrection Body of his glory according to the operational power from which the same one, Jesus of Nazareth, The Christ, keeps on being able to bring into subjection all things to himself (Angelic and Human)

Phil 4:4; Keep on having and Sharing the perfect Happiness of God by means of the Lord at all times, once more I repeat the COMMAND, keep on having and Sharing the Happiness of God.

Phil 4:7; In fact that hidden spiritual prosperity of Maturity Adjustment to the Justice of God, Super-Grace and Ultra Super-Grace from the source of The God, which rises above every human mind, thought or human capacity of thinking surpassing all understanding, will garrison or mount guard over and supply the logistics of Bravo Grace for the Right Lobe of the Stream of Consciousness of your Soul and your motivations or thoughts by means positional sanctification from the Baptism of God the Holy Spirit in Christ Jesus.

Phil 4:11-13; Not because I am speaking with reference to poverty or adversity for I have come to learn from Bible Doctrine, I am to keep on being self sufficient with contentment and happiness in whatever circumstances. In fact,

I have come to know both how to live in degradation or adversity and get along with humble means and I also know how to function in success or in prosperity in all places and all circumstances I have been instructed in the past with the result that this instruction stays with me, having learned the secret both how to be well fed or face plenty and hunger and how to prosper or be in abundance and how to be in poverty. "I can do everything through Him, Christ, who keeps on pouring the power into me". (Bible Doctrine)

Phil 4:19; And My God will keep on fulfilling your every need on the basis of the riches of his glory by agency of Christ Jesus.

Prov 1:22; How long silly ones totally involved in the details of life, will you fail to match my perfect standards, you inadequate nonexistent, reversionistic, stupid imbecilic, idiotic believers under constant Divine Discipline, how long will you be stupid ones and love ignorance or stupidity regarding Bible Doctrine? (Reversionism Stages 1-3) How long will you engage in thought patterns of stupid senseless babbling, where mockers delight themselves in mocking and scorners delight themselves in scorning and those ridiculing delighting themselves in ridiculing and dimly viewing Bible Doctrine? (Reversionism Stages 4-6) AND How Long stupid fools, who have great ability, perspicacity, high IQ, great personality, leadership ability, talent and physical ability and depends on these attributes which become weakness, will you have hatred or despising of knowledge of Bible Doctrine the STRENGTH of GOD and the discipline needed to acquire it.

Prov 3:3; Let not mercy or grace in action and truth of doctrine leave you; bind them about your neck or carry it with you constantly, write them on the tablet of your Right Lobe of the Stream of Consciousness of the Soul as Metabolized Bible Doctrine.

Prov 3:7; "Do not become wise in your own eyes, fear the Lord and turn aside from evil".

Prov 3:12; for the LORD reproves him whom he loves, as a father the son in whom he delights.

Prov 3:13; Perfect happinesses, inner and overt, belongs to the man or person who finds or learns doctrine and develops wisdom as application from doctrine in the Right Lobe Stream of Consciousness of the Soul, and the man who gains understanding with Metabolized Bible Doctrine in the Frame of Reference.

Prov 3:14-15; for the acquisition or profit of Bible Doctrine is better than the acquisition or profit of silver and the gain thereof is greater than the gain of fine gold. She, Bible Doctrine, is more precious than rubies or jewels, and all the things or details of life you can desire cannot compare with her.

Prov 3:31-32; Do not intensely envy or have intense jealousy of, the oppressor, bully or gossip, the man of violence and do not retaliate with his ways; for the perverted man minus Bible Doctrine, who has the details of life as his focus, is an abomination to the LORD, but his secret of Bible Doctrine is with the righteous.

Prov 3:33-35; The curse of the LORD's is on the house EVIL of the wicked carnal or arrogant believer constantly under the influence of Evil, the Family living constantly in the Cosmic Dynaspheres but he blesses the house of Establishment, the believer who has maximum Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul dwelling with Logistical Grace and super-grace where there is the imputed Righteousness of God. He, the Lord, is caused to mock or ridicule, reject or discipline, makes war against the arrogant scorning scoffer who is habitually constantly indifferent to Bible Doctrine, but he gives GRACE to the humble believer. The wise who has teachability from function under enforced humility having developed genuine humility, who reaches Spiritual Maturity from Perception, Cognition, Inculcation and Metabolization and Application of Bible Doctrine will inherit honor or the reward of Divine Good in super-grace blessings, but fools who are in Interlocking System of Arrogance and Negative Volition to Bible Doctrine carry away dishonor and shame bringing life to ruin and misery.

Prov 3:34, He, the Lord, mocks or ridicules the arrogant scoffer, but he gives grace to the humble believer.

Prov 6:16-19; These are 6 things which the Lord hates or abhors this ugliness; yes 7 which are an abomination to his essence or attributes. Involvement in Interlocking System of Arrogance or pride (Mental Attitude Arrogance and Sins), a Lying Tongue (Verbal Sins); Murder or Hands which shed innocent blood (Overt Sins), Mutual Admiration Society forming Conspiracy or Revolt with the Right Lobe of the Stream of Consciousness of the Soul devising the thoughts of evil from the Interlocking System of Arrogance lacking discipline and interacting with sin or human good from Evil; Feet that are quick to run to Evil in reversionism forming conspiracy under Maladjustment to the Justice of God. A false witness who utters lies (perjury) or slanders (Verbal Sins); and a person who causes dissension and spreads discord among believers

Prov 6:32; But the one who keeps fornicating with the wrong woman is in a worse condition than the one having to restore financial loss because he is destitute in the Right Lobe of the Soul, he that seduces her corrupts his own soul with Scar Tissue of the Soul and Reverse Process Reversionism. Eph 4:18-19

Prov 6:34; For jealousy makes a man furious, and he will not spare when he takes revenge.

Prov 7:1-3; My son, keep my words and treasure up my commandments with you; keep my commandments and live, keep my teachings as the apple of your eye; bind them on your fingers, write them on the tablet of your heart.

Prov 8:13; The Fear or Respect for the Lord or Occupation with the Person of The Lord Jesus, The Christ is to HATE Evil. The pride of Evil in the Interlocking System of Arrogance also the Evil Modus Operandi, the perverted mouth involved in Evil and the Interlocking System of Arrogance (the liar who functions under delusion and uses lies to destroy another) I hate.

Prov 10:12; Hatred stirs up strife, but love covers all transgressions.

Prov 11:2; When pride as Mental Attitude Arrogance comes in via Interlocking System of Arrogance then comes dishonor, but in contrast, with the grace oriented (3 Categories) believers oriented to the Plan of God there is Wisdom from knowledge of or Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

Prov 11:24-25; One man gives generously yet gains even more; another man is stingy and comes to poverty. A generous man will prosper, and he who refreshes others will himself be refreshed.

Prov 13:10; Through arrogance comes strife but wisdom is with those who receive instruction of Bible Doctrine

Prov 13:16-17; Every wise believer acts with Bible Doctrine but a fool or reversionist communicates foolishness. A wicked messenger falls into adversity or discipline for reversionism, but a faithful ambassador brings healing and Salvation Adjustment to the Justice of God from proper witnessing.

Prov 14:12; There is a way, a lifestyle involving Activism which seems right to a person, but it's end is the way of Carnal Death

Prov 14:14; A perverse reversionistic man will be filled with the fruit of his own ways and finally begins to bore himself, and a good honorable mature believer from the Metabolized Bible Doctrine inside himself is not depending on emotion which depends on Metabolized Bible Doctrine in his Right Lobe.

Prov 14:30; Tranquility, Happiness a stabilized mentality in the Right Lobe of the Stream of Consciousness of the Soul from Metabolized Bible Doctrine is the life of the body, (Metabolized Bible Doctrine gives good health to the body) ; Mental Attitude Sins such as Envy or Jealousy is a rottenness to the bones (Poor health)

Prov 15:16; Better is a little reverence for the Lord than great wealth and misery.

Prov 15:17; Better is a horrible, unpalatable, dinner or dish of cabbage where category 1 love toward God or 2

Personal Love toward another, (gr) Agape Mental Attitude and (gr) Philos Rapport LOVE is; than a stall or grain fed fated ox and the perfect Chateaubriand or fillet steak accompanied by Hatred from Mental Attitude Arrogance and Mental Attitude Sins resulting in total misery.

Prov 15:33; The Respect for the Lord, Occupation with the Person of The Lord Jesus, The Christ, is the maximum instruction and accumulation of Metabolized Bible Doctrine leading to wisdom, and before honor there is the Humility of Grace Orientation.

Prov 16:18; Arrogance or Pride precedes destruction and before there is any kind of a fall there is a lifestyle of pride or arrogance of spirit in the Interlocking System of Arrogance the Strongest of Satanic Attacks.

Prov 16:23; The mind of the wise makes his speech judicious, and a Divine Dynasphere persuasiveness to his lips.

Prov 16:25; There is a way which seems right to a man, but its end is the way to death.

Prov 16:29; 29: A man of violence entices his neighbor and leads him in a way that is not good.

Prov 17:1-8; Better a dry crust with peace and quiet than a house full of feasting and strife; A slave who deals wisely will rule over a son who acts shamefully, and will share the inheritance as one of the brothers. The crucible is for silver, and the furnace is for gold, and the LORD tries hearts. An evildoer or liar listens to wicked lips; and a liar pays attention or listens to other liars. He who mocks the poor insults his Maker; he who is glad at calamity will not go unpunished. Grandchildren are the crown of the aged, and the glory of sons is their fathers. Excellent speech is not fitting for a senseless fool; much less is lying lips fitting to a national leader, ruler or prince with a code of honor. A bribe is like a magic stone in the eyes of him who gives it; wherever he turns he prospers.

Prov 17:11; A rebellious man seeks only evil.

Prov 18:22; Whosoever finds their right woman receives Grace from the Lord

Prov 22:8; He who sows wickedness reaps trouble and the rod of His (Gods) wrath is ready. (Supreme court function)

Prov 23:6-7; Do not eat the food of a selfish man who does not want to share his bounty with others; or desire his delicacies; for as a person thinks in the right lobe of his soul ([heb] nephesh = soul), so he is; He says to you "Eat and drink my food and beverage!"; but his Right Lobe of the Stream of Consciousness of the Soul is not with you but in fact against you and despises you.

Prov 23:15-16; (Father now speaking to his son having disciplined him properly and applied Metabolized Bible Doctrine from his own Right Lobe) My son, if your Right Lobe of the Stream of Consciousness of the Soul is wise having maximum Metabolized Bible Doctrine in the Frame of Reference and Norms and Standards resulting in Divine Viewpoint, my heart or Right Lobe will rejoice even my very own. Yes my reins or emotions shall rejoice when your lips speak what is doctrinal.

Prov 23:17; Do not let your Right Lobe of the Stream of Consciousness of the Soul envy sinners, but respond to the Lord with occupation of the LORD all the day.

Prov 23:29; A persons arrogance will bring him low but a life style of humility will attain honor. (Self justification)

Prov 24:1; Be not continuously intensely envious or jealous of, or have ANY Mental Attitude Sins toward, the evil person, believer or unbeliever, who habitually lives under the Old Sin Nature and appears to profit by it and has the Human Viewpoint of life, because it will result in intense Self Induced Misery; neither extremely intensely

desire or long, without possibility of satiation, to be with them and participate in the details of life to the exclusion of Bible Doctrine;

Prov 24:19; Do not be continuously kindled or mentally burn with intense irrational anger or jealousy or envy yourself because of unbelievers or carnal believers influenced by evil who appear to be prosperous, having a good time or are successful or happy, do not be intermittently intensely jealous in spurts, of those who APPEAR to you to be wicked reversionists.

Prov 25:6-7; Do not put yourself forward, displaying your Mental Attitude Arrogance and pride, assuming equality and equal authority, in the presence of the king during a state banquet or royal function and stand not in the place at the head of the table with the higher ranking people in authority; for better it is to be told, "Come up here," than that you should be put lower in the presence of the prince whom your eyes have seen in jealousy, approbation or power lust.

Prov 26:12; See or observe a man who is wise in his own eyes with Mental Attitude Arrogance or Self Righteous pride and Mental Attitude Sins who is a trouble maker? There is more hope for the FOOL, the believer without Bible Doctrine, than for him.

Prov 27:3-4; The heaviness of a stone, The weight of sand, but a fool's anger is heavier than both. While Wrath is fierce or cruel and anger is outrageous or a flood, but who is able to stand before envy or jealousy.

Prov 28:13; He, the believer rejecting Bible Doctrine, who produces Human Good when he conceals or covers or intensely rationalizes his sins feeling sorry for them will not prosper, but he, the believer, who names, acknowledges, citing the case of the cross or throws the emphasis of his sins back to the cross where it was already judged and forgets the sins, will obtain mercy or compassion.

Prov 29:23; A persons arrogance will bring him low but a spirit of humility will attain honor.

Prov 31:25-28; Beauty and glamour of soul is her clothing, she shall laugh from being double graced by God from Bible Doctrine and her Right Man at the next day having a Relaxed Mental Attitude. Her mouth she opens with wisdom from bible doctrine, and on her tongue the law of grace, she has a capacity for life from Metabolized Bible Doctrine and can carry on an interesting conversation without vilification. She is alert to the way of her house administering a pleasant home for her Right Man and keeps it clean and organized. Her children arise up and bless her, call her blessed, her Lord, her Husband also praises her, She is loved by her children and husband.

Ps 5:8-9; Lead me, O LORD, in your grace righteousness because of my enemies; make your way smooth before me. There is nothing true in what they say; their soul or inner part is destruction from mental attitude sins, their throat is an open grave which stinks of the rotting corpse of their mental attitude sins, they flatter with their tongue.

Ps 8:3; When I look at thy heavens, the work of thy fingers, the moon and the stars which thou hast established;

Ps 10:2-4; In arrogance or pride the reversionist hotly pursues the afflicted; let them be trapped in the plots and conspiracies which they have devised. For the wicked reversionists have boasted over the desires of his Right Lobe of the Stream of Consciousness of the Soul, and the criminal in arrogance has maligned the Laws of Divine Establishment and LORD. The wicked reversionist in the pride of his face does not seek him (God); in all his thoughts he says, "There is no thinking about God."

Ps 12:2-4; They, the Mutual Admiration Society, speak what they think in the form of evil, as motivation then application and function from the motivation, each one the arrogant, gossip and judger, to his friend, the inadequate one, vindicating themselves; the arrogant and inadequate speaks rationalizing or vindicating themselves with a lip of braggings or flatteries in order to or as they slander or destroy one in authority, and with a doubled Stream of Consciousness of the Soul do they speak, the reversionist under evil influence vindicating self making

Self Righteous Arrogance the self confidence of this evil person, motivating the functions of judging, slander, maligning and condemnation of others. Jehovah shall destroy or root out all flattering lips, the tongue of the reversionistic believers that speaks arrogant things from the motivation of the mental attitude sins of pride and arrogance etc. Who (the mutual admiration society) has thought or said, "With our tongue expressing judgment, slander and gossip we will overcome, prevail or put down, our lips are our own, we have a right or it is our duty to use our mouth to do this; who is lord or has authority over us?"

Ps 22:1; My God, My God why have you forsaken me?

Ps 23:4; Also, when in this life, I, *as a believer in Maturity Adjustment to the Justice of God*, walk through or in a valley overshadowed by physical death, I cannot, will not, and do not fear anything about the manner of my death, about harm, malignancy, sting of death, violence of death from another person's or any category of evil, because or since you, Jesus of Nazareth, The Christ as God, are with me (reciprocity), Your rod of Blessing from Divine discipline from the Justice of God and your staff of Blessing and protection from Divine Deliverance and Bible Doctrine from the Justice of God, They both console and comfort me.

Ps 23:6

v6: Emphatically, as the basis for confidence, benefit, good of intrinsic value, or prosperity and unfailing love or grace shall pursue me all the days of my life, and (when my life is over) I will dwell in the house of the Lord forever

Ps 25:8-9; The Plan of God depends on the Integrity of God; these together with the essence of God is perfect Divine Good, and Honorable is Jehovah, God the Father & God the Son & God the Holy Spirit; therefore he will cause to teach by discipline, the ones inclined to live by the Old Sin Nature producing Sin, Evil and Human Good, His ways or Modus Operandi. He guides or leads in the wagon tracks of righteousness (Ps23) the humble believer who avoids the Interlocking systems of Arrogance, through or by means of the Logistical Grace provision of Bible Doctrine from Justice of God and discipline, consequently he teaches, through constant repetition the positive believer with humility, his road or Path of Bible Doctrine and righteousness

Ps 27:4-6; One thing, which is my first priority, have I desired or asked or petitioned of the LORD, and that will I constantly seek after; in order that I may dwell permanently in blessing and relaxation, in the permanent house of the teaching of Bible Doctrine of the Lord, all the days of my life, in order that I may perceive and permanently understand the Glory and Grace of the Lord. For in the day of trouble or pressure or disaster, HE, God, in grace, will hide or conceal me as a treasure in the temporary shelter of his promises; in the secret or prophetic nature of his categorical doctrines (especially christology & sotierology) he will hide or conceal me, he has stabilize me up high upon the rock of salvation with blessing and Eternal Security. And now (even as a fugitive) I will be promoted above my enemies who are all around me and try to destroy me; and I will offer in his tabernacle Levitical sacrifices of joy and I will spontaneously sing alone; I will also play the string instrument and sing and make music to the LORD.

Prov 29:23; A persons arrogance will bring him low through involvement in the Cosmic Dynaspheres but a life of humility in the Divine Dynasphere will attain honor.

Ps 31:7; I will rejoice overtly and have inner happiness in your mercy or grace in action and steadfast love because you have seen my affliction and you have taken heed of the troubles of my soul, my adversities.

Ps 32:5; I will acknowledge or name or cite or cause to make know my sin to you God the Father and my guilt or sin I opened up to you OR I did not or WILL NOT cover up or hide my guilt or sin or depraved action, and I have decided or said to myself "I have been caused to acknowledge or cite or name my transgression to the Lord", and YOU completely forgave or lifted up and carried away the Guilt or Depravity of my sin in Interlocking System of Arrogance. Selah, NOW REST and THINK ABOUT IT while GOD acts in Logistical Grace.

Ps 33:18-19; Behold the eye of the Lord is on them (Believers) who are occupied with or respect, fear, stand in

awe of him, on those who have confidence or trust in his unfailing love or grace. To rescue or deliver their soul from death (dying grace) and to keep them alive in economic depression or historical disaster (or other adversity or suffering).

Ps 35:8; Let destruction come upon him unawares; and let the net which he hid catch himself; into that very destruction let him fall.

Ps 37:1-2; {An acrostic Psalm of David} Do not fret, become resentful, no mental attitude sins, or react yourself because of evildoers the Unbeliever reversionist who habitually lives under the Old Sin Nature and is a “NICE GUY” but break out of this mental attitude sin process, do not become intensively envious or jealous toward wrongdoers! For the apparently prosperous unbeliever will soon (relative to eternity) be circumcised, cut down like the grass and wither and be dead like the green herb (2nd death).

Ps 37:4-5; Make coquettish love to the Lord being totally occupied with the Person of Jesus of Nazareth, The Christ, and he will give you the deepest desires of the Right Lobe of the Stream of Consciousness of your Soul. Roll your whole pack of troubles onto the LORD; Slam your troubles onto him and leave it there, and he will do or bring to pass the work of Divine Good solutions and blessing.

Ps 37:24; When or although he, the Super-grace Believer, falls into carnality and the Cosmic Dynaspheres, he shall not be completely or utterly cast down, he cannot lose his salvation, because the Lord is the one who sustains him with his hands of gracious giving for both Temporal Security and Eternal Security.

Ps 38:1-6; Oh lord do not cause me to be punished in your anger, or discipline me in your wrath, (This was post Bathsheba Discipline), for your arrows have sunk deep into me causing inner pain and your hand has come down on me hard causing surface pain. Because of your wrath there is no health in my body, there is no health in my bones because of my sin. For my iniquities have passed through my head moving into psychosis, like a heavy burden of mental pressure of guilt and psychosis, they are too heavy for me. My wounds have a bad odor and stink psychologically from complaining or moping, they have festered in my state of being smart but foolish from arrogance (He made the decisions which caused the trouble), I am bent (but not broken), I am bowed down very low, I am humbled or shriveled by discipline, all the day my manner of life is meaningless or constantly dark (worst part of Divine Discipline).

Ps 38:8; I am debilitated and terribly feeble, I scream because of the groaning of my Right Lobe

Ps 38:18; (his Halt) Therefore I will admit, cite, name, declare or acknowledge all my sin (not Human Good nor Evil), because of your grace, I am worried troubled, concerned, uneasy because of my sin against You (God)

Ps 51:1-4; Have mercy on me, O God, according to your steadfast love, mercy or grace policy; according to the greatness of your compassion blot out my transgressions. Wash away all my iniquity, and cleanse me from my sin! For I acknowledge my transgressions, and my sin is continually before me constantly in my face from what occurs in my installment discipline. Against you and you only, Oh God, I have sinned, I have manufactured from Interlocking System of Arrogance what is evil in your sight, so that you are vindicated when you speak in judgment and justified when you pronounced judgment and perfect when you render a judicial decision.

Ps 56:1-2; Be gracious to me Oh God for people keep snapping at me (vilification and revenge Modus Operandi). All day long my enemies are attacking me, they are many who fight against me in Arrogance.

Ps 56:3+4; The Day that I am constantly afraid I will trust in you and in your doctrine, slamming my troubles on you in faith to stabilize my thinking. In God, I will praise or believe his doctrine, in God and his doctrine I have put my trust without any fear. What can man do to me?

Ps 56:5-10; Every day they distort my words everything I say; all their thoughts are against me for evil with hatred, jealousy implacability and every Mental Attitude Sin possible. They incite a mob against me, they stalk

me and seek to ambush me, they stalk me while I am still free to walk the city. And they wait for a chance to kill me, Because of iniquity, nothingness, my reversionism there is no deliverance for them who attack the reversionist, they shall not escape; in anger cast down the philistine peoples, O Elohim! You have kept track of or written my fugitive life in reversionism in Nob and Gath; my tears are being put in your bottle as your mourning! Are they not in your book as warnings that recovery is only from Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine? Then my enemies will be turned back or fall back in the day when I call in reversion recovery. In This I have confidence, that Elohim is for me. In Elohim (the Trinity), I will praise doctrine, in the Jehovah Jesus of Nazareth, The Christ I will praise doctrine,

Ps 66:18

v18: If I cherish sin or regard wickedness in the right lobe of the stream of consciousness of my soul, the Lord will not hear me nor listen to me, when I pray.

Ps 69:22-23; Let their own table of their spiritual heritage or their Modus Operandi or Modus Vivendi become a snare to them; and with reference to their prosperity let it become a trap. Let their eyes be darkened in the Big Blot Out, that they see not being blinded to truth; and cause their loins to tremble continually being deprive of reason or thought because of fear or cowardice, or have Central Nervous System break down.

Ps 73:21-22; Thus my heart or Right Lobe was grieved based on knowledge in the Frame of Reference, norms and standards and viewpoint, when I was pricked or stuck in my emotions, I was stupid and ignorant, I was like a beast toward you.

Ps 77:1-10; For the music director, according to the style of Jeduthun, the Kings Seer a prophet and teacher of doctrine; a Psalm of Asaph. My voice to Elohim, Triune God, to Elohim I continuously scream or cry aloud from the depths of despair in intense suffering, My voice unto Elohim even God as a result of the intensity of my suffering and He was caused to give ear or listen to me because of Grace. In the day of my extreme trouble, distress, catastrophe or adversity I diligently and sincerely sought the Lord my sovereign master in the night. My hand is stretched forth in begging and supplication in the night and my hands did not at any time ever become slack or weary in my seeking; my soul refused, was unwilling to receive, rejected consolation or comfort as a result of being in reversionism. I wanted and tried to remember Elohim but was too agitated, upset, disturbed in the Emotional Revolt of the Soul of reversionism, I kept on complaining and my Human Spirit fainted and was overwhelmed having brought this on myself . [Selah] You, God, hold the guards of my eyes, my eyelids, open in insomnia; I am so deeply, terribly disturbed or troubled that I cannot speak coherently from confusion of mind, as Divine Discipline; I have from thoughts put together evaluated, considered the days of old, of the deliverance of the Jews at the Red Sea, the years of ancient times, (better and happier days under Bible Doctrine). I will try to call to remembrance my song accompanied by stringed instruments in the night as moments of past happiness, special good times of the past; I kept on complaining in my Right Lobe of the Stream of Consciousness of the Soul which was devoid of the inner resources of Bible Doctrine, I made a most vigorous diligent inquiry into my human spirit finding no Bible Doctrine. (Scar Tissue of the Soul) "Will the Lord reject, or thrust me away forever, removing my salvation, and will he not ever cause to enlarge, increase or be gracious to me or to take pleasure in me again? (Emotional Revolt of the Soul) Has his steadfast love or grace in action ceased forever? Has his word or doctrine failed or come to an end, from one generation to another? (Reversionism) Has God neglected or forgotten to be gracious? Has he in anger closed down or withdrawn his mercies compassion?" [Selah, I Rest from exhaustion] Then I said, "This reversionism with Frantic Search for happiness, Emotional Revolt of the Soul, Blackout of the Soul, Scar Tissue of the Soul and intensified pressure from escalating Divine Discipline makes me sick or causes me physical Illness, Oh for the years of function under the Grace Apparatus for Perception, of the right hand of the Most High, the Edification Complex of the Soul, Grace Orientation, Relaxed Mental Attitude, Capacity for Life, Sharing the Happiness of God and Maturity Adjustment to the Justice of God, (which in intensive Divine Discipline has changed)."

Ps 77:11-20 (Reversion recovery); I will be caused to remember in reversion recovery from persistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, the grace deeds of the LORD on behalf of man; because or on account of reversion recovery I will remember from the former times your wonderful ways of grace

deliverance at the Red Sea. I will meditate or concentrate on the teaching of Bible Doctrine, all your wages or payoff of grace at the red sea deliverance, I will no longer complain but change converting complaints into Divine doctrinal Viewpoint concerning your doings, your actions, your functions; I will in recovery, even discourse on your deeds. Oh Elohim your way is Holiness. Who is great like Elohim? You and only you God the Father, The El or GOD, who constantly manufactures out of grace answers for the reversionist, a wonderful thing, the red sea deliverance & my reversion recovery, you have caused to make known your grace omnipotence among the people Israel. You have redeemed or freed from slavery in Egypt and delivered at the red sea with your arm your people, the sons of Jacob and Joseph. [Selah-Pause] The waters of the red sea or marsh sea saw you, Oh Elohim, God the Father, God the Son, God the Holy Spirit, The waters saw you, they danced, twisting and turning back upon the Egyptian Armor of Pharaoh destroying them, the depths were agitated boiling back onto the path. (Parenthesis) The dense clouds with water, Bible Teachers with Doctrine, intensely poured down water, teaching Bible Doctrine intensely; the skies gave out a voice of Thunder, the communication of Bible Doctrine by Moses and his voice commands to the Jews (Ex14:13-14) and in singing (Ex 15:1-19); your arrows or catapult stones or lightning shoot every which way, here and there, scattered everywhere missing the mark, with no one paying attention. The voice of your extremely clear thunderous teaching of Bible Doctrine is in the whirlwind of the unstable believer in Emotional Revolt of the Soul ; your lightning flashes illuminate the inhabited earth of the Jews; the Earth trembled and the Earth quaked. In the Red Sea your way, your Grace path in mighty waters; the grace markings of your footprints as a result of holding back the red sea, were not understood. (Parenthesis Closed) You have led your people like a flock of dumb sheep by the strong authoritative hand of Moses and Aaron.

Ps 89:15-17; Happinesses to the people or nation who keep knowing from one generation to the next, the sound or blast of the trumpet in universal military training or WAR, Oh Jehovah, they shall march and advance while concentrating and thinking in discipline in the light or doctrine of your face or presence or countenance. They shall express happiness in your person all day long from Occupation with the Person of Christ, and in your imputed righteousness they shall be happy or exalted. For you, The Lord Jesus, The Christ, are the object of glorying of their power of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul; because by your Grace You will cause us to be promoted.

Ps 96:5; For all the gods of the peoples are idols; but the LORD made the heavens.

Ps 104:30; When thou sendest forth thy Spirit, they are created; and thou renewest the face of the ground.

Ps 106:37-39; They even sacrificed their sons and their daughters to the demons; they shed innocent blood, the blood of their sons and daughters, whom they sacrificed to the idols of Canaan; consequently the land was polluted with the blood of human sacrifice. Therefore they became unclean in their function of demon possession, and played the prostitute in the phallic cult by their deeds of human sacrifice.

Ps 109:6-13; Appoint a wicked man against him; let an accuser bring him to trial. When he is tried, let him come forth guilty; let his prayer be counted as sin! May his days be few; may another seize his goods! May his children be fatherless, and his wife a widow! May his children wander about and beg; may they be driven out of the ruins they inhabit! May the creditor seize all that he has; may strangers plunder the fruits of his toil! Let there be none to extend kindness to him, nor any to pity his fatherless children! May his posterity be cut off; may his name be blotted out in the second generation!

Ps 116:15; Precious, the number 1 priority, in the sight of the lord is the death of his set apart Godly ones in Maturity Adjustment

Ps 118:22; The ROCK, Jesus of Nazareth, The Christ, which the builders rejected, the Jewish Nation separated from the Integrity of God at the 1<sup>st</sup> advent, have totally rejected, has become the head of the corner or corner stone, head of Israel son of David and ruler of the church (Acts 4:11-12, 1Pet 2:4, Mk 12:10).

Ps 144:15; Happinesses of super-grace belongs to the people who are in such status of super-grace!

Happiness belongs to the people whose God is the The Lord Jesus, The Christ!

Rev 1:7-8; Now Behold or Consider or Listen carefully and remember with concentration and perception under Filling of God the Holy Spirit, He, Jesus of Nazareth, The Christ, will certainly return to the earth coming with clouds of innumerable people in great armies who will return with him at the 2<sup>nd</sup> advent, and every set of eyes of every person living on the earth will see him in omega glory, every Jew in the category of those Jews of history involved in the Big Blot Out specifically of the tribulation (Zech 12:12, John 19:37) who have pierced him; and all tribes of Jews, with reference to the promised land, shall beat their breasts in extreme mourning and tribulation and wail in lamentation over him. Yes, I believe it. "I, Jesus of Nazareth, The Christ the God of Israel and only savior, always have been and always will be the Alpha God of Israel and the Omega savior in Hypostatic Union," says the Unique Lord Our God (Kurios ho Theos == Adanai Eloheanu), both He who is; Jesus of Nazareth, The Christ in Hypostatic Union in the 1<sup>st</sup> advent; and He who was from Eternity Past Eternal God and is certainly coming at the 2<sup>nd</sup> advent in Hypostatic Union the unique omnipotent all powerful one the alpha and omega.

Rev 3:1; I know your production says the lord to the church, you have a reputation which you are living but you are dead from prolonged carnality.

Rev 3:14-20; "And to the messenger, future pastors of the church in La-odice'a write: `The Amen, The Lord Jesus, The Christ the only savior, the God of doctrine and who controls human history, the faithful and true witness in the 1<sup>st</sup> Advent of the Grace of God, the ruler prince of God's creation of the Royal Family of God in the Church Age, communicates these things. I am cognizant of, have known your behavior and production in the Christian Modus Vivendi and Modus Operandi in the doctrinal content of your Stream of Consciousness of the Soul, that you are neither cold (unbelievers) nor hot (Mature Believers in the Divine Dynasphere). Oh would that you were either cold, unbelievers, or hot, Mature believers. So therefore because you are Lukewarm reversionistic believers in the Cosmic Dynaspheres and carnal, apostate, evil servants of satan, in fact neither cold, unbelievers, nor hot, mature believers, I am about to vomit you out of my mouth administering the Sin unto death. Because you say, I am rich, I have prospered, in fact I have become very wealthy in the prosperity test, and I need nothing (Flunking the Prosperity Test with Wrong priorities); In fact you do not know that you are miserable without capacity for prosperity living in the Cosmic Dynaspheres, and despicable, insignificant, pitiful no happiness from prosperity living in the Cosmic Dynaspheres and impotent, poor, beggarly with spiritual poverty and weakness in the Cosmic Dynasphere lacking capacity for prosperity, and blind without Perception, Cognition, Incultation and Metabolization and Application of Bible Doctrine in the Cosmic Dynasphere, and naked without uniform of honor with no virtue nor integrity in the Cosmic Dynasphere. Therefore I, The Lord Jesus, The Christ through John, counsel or advise you for your benefit, to begin to buy or purchase, for re-entrance into the Divine Dynasphere from Perception, Cognition, Incultation and Metabolization and Application of Bible Doctrine, from me something of value manufactured from the gold of Bible Doctrine the thinking of The Lord Jesus, The Christ, refined though the HEAT of FIRE of inspiration and canonicity, in order that you may potentially become spiritually and materially prosperous in Maturity Adjustment to the Justice of God Super Grace, and to wear white garments of the uniform of honor preceding the eternal uniform of glory in order that you may clothe yourself residing in the Divine Dynasphere, and by so doing the terrible shame, embarrassment and confusion of your disgraceful, horrible, spiritual nakedness, lacking the uniform of honor while residing in the Cosmic Dynaspheres in time may not be revealed at the Judgment Seat of Jesus Christ, and colirium the eye salve of historical trends to rub in your eyes for the understanding of historical trends over a period of time. Those whom I love, I punish and correct by Divine Discipline; therefore being lukewarm in reversionism, GET HOT, REPENT or change your mind about Bible Doctrine and recover and advance to Maturity Adjustment to the Justice of God. Behold, I have stood at the door and keep on knocking with warning Divine Discipline; if any one has heard my voice in Bible Doctrine and has opened the door through daily function under the Grace Apparatus for Perception, I will enter face to face with him and have dinner or fellowship with him, and he with me.

Rev 12:4; Then his Tail (Power) dragged him away (Presalvation revolution in heaven) and 1/3 of the stars of heaven (Fallen Angels) in fact he God threw them away from heaven and down to Earth. And the dragon (Satan) stood before the Woman (Virgin Mary) anticipating the Child in order that when she gave birth He (Satan) might devour or destroy the Child ( Jesus of Nazareth, the Christ )

Rev 13:6; And he, the dictator of the Revived Roman Empire, and he opened his mouth in blasphemies against God, to slander or blaspheme his name and person and his memorial tabernacle to the Substitutionary Spiritual Death of Christ in heaven, and those believers especially Jews, who tabernacle in heaven.

Rev 16:13; And I saw 3 unclean evil spirits, kosmokrator demons, causing a bad smell of demon possession in the world like the plague frogs of Egypt (Ex 8:14), small with a big voice or public speakers with nothing behind them, to persuade through conspiracy deceiving the rulers of the entire world, to invade Palestine (Eph 6:12, Dan 10:13, 20), out of the mouth of the dragon or Satan the great slanderer and out from the mouth of the wild beast dictator ruler of the revived roman empire the united states of western Europe and out from the eloquent speech of the mouth of the false prophet dictator of Palestine and the Antichrist; 3 unclean spirits like frogs came forth.

Rev 16:14; For these kosmokrators are and always will be the invisible spirits of demons performing extra natural phenomenon, miracles or miraculous signs, who go abroad as satanic ambassadors to gather the kings of the entire earth, to gather or mobilize or assemble them in the middle east, for the battle, war or campaign to destroy Israel the Armageddon campaign on the day of the great war of that God, The Lord Jesus, The Christ the Omnipotent one at the 2<sup>nd</sup> advent.

Rev 17:1-5; Then one of the seven angels who had the seven bowls came and said to me, "Come, I will show you the judgment of the great harlot who is seated upon many waters, with whom the kings of the earth have committed fornication, and with the wine of whose fornication the dwellers on earth have become drunk." And he carried me away in the Spirit into a wilderness, and I saw a woman sitting on a scarlet beast which was full of blasphemous names, and it had seven heads and ten horns. The woman was arrayed in purple and scarlet, and bedecked with gold and jewels and pearls, holding in her hand a golden cup full of abominations and the impurities of her fornication; and on her forehead was written a name of mystery: "Babylon the great, mother of harlots and of earth's abominations."

Rev 19:11-15; Then I saw heaven opened (2<sup>nd</sup> advent), and behold, a white horse! He who sat upon it is called Faithful and True, and in righteousness he judges and wages war. His eyes are like flame and fire, and on his head are many crowns or diadems of Kings; and he has a name inscribed on him which no one knows except himself. He is clothed in a military cloak or robe dipped in blood, and the name by which he is called is "ho logos", The Word of God. And the armies of heaven, arrayed in fine linen, white and clean, followed him on white horses. From his mouth comes a sharp sword with which to smite the nations, and he will rule them with a rod of iron; he will tread the wine press of the fierce wrath of God the Almighty.

Rev 20:10-15; Then the devil code named Gog who has deceived them, Magog (Millennial unbelievers) were also thrown into the lake of fire burning with sulfur where both the beast (dictator of the Revived Roman empire) and the false prophet (Jew who was False Messiah) were located, and they will be tormented day and night forever in the lake of fire. Then I saw a great white throne and him who sat upon it; from his presence earth and sky fled away or were destroyed, and no place was found for them in the eternal state. And I saw the Dead (Unbelievers at the Last Judgement) the Great (Older or higher rank who had longer time on earth) and Small (Younger or Lower Rank who had little time on earth) and these are standing before the throne (JC is the Judge) and the Books of works or Human Good were Opened, and another kind of Book was opened, which was the Book of Life, and the dead were judged on the basis of what was written in the books (Book of Works vs Book of Life) on the basis of or with reference to their works or deeds. The Sea Gave up it's dead (drown unbelievers), Death and Hades gave up the dead which were in them (those unbelievers died and went there), and they were judged on the basis of their works or deeds. And Death and Hades were thrown into the lake of fire, this is the 2<sup>nd</sup> death, the Like of Fire. When (if) anyone's name was NOT found written in the Book of Life, he was thrown into the lake of fire.

Rev 21:6; And he said to me, "It is accomplished, time is over! I am the Alpha and the Omega, the beginning (John 1:1) and the end. I will give to those who thirst from the springs of the water of life without cost.

Rev 22:13; I am the Alpha and the Omega, the first and the last, the beginning and the end."

Rom 1:18-32; Because Just Moral Anger, protecting from evil, from God, is being revealed from the Supreme Court of Heaven against all acts or thoughts of nongodliness (Ungodly), and AntiJustice of mankind from Salvation Maladjustment to the Justice of God, heathenism, of those who suppress or reject the Truth of God or the Salvation Gospel, through Antijustice Unrighteousness of salvation maladjustment to the Justice of God, Because, the reason for the wrath of God due to Negative Volition at God Consciousness and Gospel Hearing, what is known about The God, Jesus of Nazareth, The Christ, at God Consciousness, is conspicuous, manifest, evident, perceived and perspicuous, clearly understood, within them, or Revealed in their soul. For THE God made it evident or has revealed himself to them for their advantage (Unbelievers - 5 systems of perception or mechanics of God Consciousness). for since the creation of the world his own invisible attributes, his eternal power, his divine nature or the Essence of God have been clearly perceived being perspicuous and clearly understood through things which he has created, namely both his eternal power the omnipotence of God, and his divine nature or essence, for the purpose of being or so that they, the whole Human Race, are without excuse or defense against the Justice of God at God consciousness. Because (the reason for the wrath of God toward those maladjusted to the Justice of God at salvation) when they knew God as a result of the common grace ministry of God the Holy Spirit at gospel hearing, they did not honor with Positive Volition and Faith alone in Christ as God, nor did they feel obligated to thank him, in fact as a result of their negative volition or maladjustment to the Justice of God, they received worthless evil thoughts in their evil deliberations or rationalizations, and their deliberately ignorant right lobe receives darkness in the past and present. Although they claimed to be wise they became fools, saltless, insipid [These are Smart People who are DUMB] their right Lobe receives darkness although they claimed to be wise. And they, the unbeliever reversionists, exchanged the Glory or Essence of the Incorruptible, Imperishable, Eternal God for an image or copy in the form or appearance of corruptible, mortal, perishable mankind, and soaring birds and powerful quadrupeds and snakes and reptiles resulting in degenerate Humanizing of God. Therefore, as a result of the maladjustment to the Justice of God as unbeliever reversionism, the Justice of God handed or delivered them over to judgment, in the various multiple lusts of the Right Lobes of the Stream of Consciousness of their Soul; to impurity, immorality, sexual promiscuity, uncleanness, namely alienation from God, that their own bodies might be degraded or dishonored among themselves. For they unbeliever reversionists who exchanged the Truth of the Gospel of The God for the Lie or false assertions of evil satanic doctrines, and they showed reverence or respect or ritual worship of demonism, possession, human sacrifice, etc and served the Creature Satan or his perversions to their disadvantage, instead of or rather than the Creator, the Lord, Jesus of Nazareth, The Christ, who is blessed and whose integrity and all attributes are inviolable forever; Amen, I believe it with total confidence and am sure of the truth of it. Because of this, Negative Volition rejection of the truth of the doctrine of the gospel at God Consciousness and / or Gospel Hearing, The Justice of God in action, handed them, who are maladjusted to the Justice of God, over for judgment, not stopping their sins, to dishonorable, disgraceful, degenerate, degrading passions of sexual perversions. For not only their degenerate females exchanged the natural or normal function of the woman in sex with a man for that which is unnatural or contrary to natural function in Lesbianism. But also in the same manner even the degenerate or perverted males after they abandoned the natural or normal function of sex with the female, through deliberate volition, burned or become inflamed in their sexual lust or desire one toward another, males with homosexual males working out homosexual lusts from the past accomplishing perverted shameless acts and duly receiving back in their own persons the DUE or JUST penalty or judgment of their perversion which was inevitable from the Justice of God. And since or in so far as they, the unbeliever reversionist, rejected with Negative Volition after testing or examining in full knowledge the epignosis gospel and having the God at God Consciousness, resulting in maladjustment to the Justice of God causing unbeliever reversionism, The God, Jesus of Nazareth, The Christ, delivered or handed them over for judgment, in time and eternity, to a worthless mind filled with satanic evil, destroying their genius, to do those evil things which are not proper. Having been or being saturated or fully possessed or influenced by all anti justice through salvation maladjustment to the Justice of God; By Cat I intentional practice of evil wickedness in a state of evil; By Cat II inordinate desire of any kind such as greed, insatiability, avariciousness in the Frantic Search for Happiness; By Cat III depravity or degeneracy, malignity, function of evil, quality of evil, outworking or practice of all EVIL; including being full of jealousy, full of murder, full of strife, full of discord, full of contentiousness, full of dissension, troublemakers accompanied by and full of treachery as instinctive cunning or intelligent deliberate deceit, full of evil craftiness, they have become slanderers or gossips. They are backbiters, maligners,

detractors, gossips, slanderers haters of God, violently insolent, haughtily arrogant, disrespectful, implacable, overbearing, boastfully presumptuous, braggards, fabricators or contrivers of evil, with reference to parents disobedient ones, Evils of Socialism without understanding related to Laws of Divine Establishment or any spiritual connotation, senseless, foolish, stupid, ignorant ones with Black Out of the Soul, contract breakers, faithless, perfidious lacking personal integrity, untrustworthy, without natural affection, unloving, devoid of love instincts, unmerciful, unsympathetic, uncompassionate, inexorable, never pacified or appeased or reconciled to authority, Such are those unbeliever reversionists, who completely and fully with total cognizance and perception know the ordinances or legal requirements of the Justice of God as the gospel of Jesus of Nazareth, The Christ along with Establishment or Doctrinal Truth, that those who practice such evil reversionistic things of heathenism from the past through the present keep on being deserving of physical Death through maximum justice from the Justice of God as the Sin Unto Death, (Rom 13); these unbeliever reversionists not only do the same things but also continue to give hardy endorsement or approval to those who also practice them. (this demands execution)

Rom 1:21; Because (the reason for the wrath of God toward those maladjusted to the Justice of God at salvation) when they knew God as a result of the common grace ministry of God the Holy Spirit at gospel hearing, they did not honor with Positive Volition and Faith alone in Christ as God, nor did they feel obligated to thank him, in fact as a result of their negative volition or maladjustment to the Justice of God, they received worthless evil thoughts in their evil deliberations or rationalizations, and their deliberately ignorant right lobe receives darkness in the past and present.

Rom 1:23; and they, the unbeliever reversionists, exchanged the Glory or Essence of the Incorruptible, Imperishable, Eternal God for an image or copy in the form or appearance of corruptible, mortal, perishable mankind, and soaring birds and powerful quadrupeds and snakes and reptiles resulting in degenerate Humanizing of God.

Rom 1:26-27; Because of this, Negative Volition rejection of the truth of the doctrine of the gospel at God Consciousness and / or Gospel Hearing, The Justice of God in action, handed them, who are maladjusted to the Justice of God, over for judgment, not stopping their sins, to dishonorable, disgraceful, degenerate, degrading passions of sexual perversions. For not only their degenerate females exchanged the natural or normal function of the woman in sex with a man for that which is unnatural or contrary to natural function in Lesbianism. But also in the same manner even the degenerate or perverted males after they abandoned the natural or normal function of sex with the female, through deliberate volition, burned or become inflamed in their sexual lust or desire one toward another, males with homosexual males working out homosexual lusts from the past accomplishing perverted shameless acts and duly receiving back in their own persons the DUE or JUST penalty or judgment of their perversion which was inevitable from the Justice of God.

Rom 1:28; And just as they did not see fit to have God in their knowledge any longer [negative volition at God-consciousness], God delivered them over to a depraved mind to do the things that are not proper

Rom 1:29-32; Having been or being saturated or fully possessed or influenced by all anti justice through salvation maladjustment to the Justice of God; By Cat I intentional practice of evil wickedness in a state of evil; By Cat II inordinate desire of any kind such as greed, insatiability, avariciousness in the Frantic Search for Happiness; By Cat III depravity or degeneracy, malignity, function of evil, quality of evil, outworking or practice of all EVIL; including being full of jealousy, full of murder, full of strife, full of discord, full of contentiousness, full of dissension, troublemakers accompanied by and full of treachery as instinctive cunning or intelligent deliberate deceit, full of evil craftiness, they have become slanderers or gossips. They are backbiters, maligners, detractors, gossips, slanderers haters of God, violently insolent, haughtily arrogant, disrespectful, implacable, overbearing, boastfully presumptuous, braggards, fabricators or contrivers of evil, with reference to parents disobedient ones, Evils of Socialism, without understanding related to Laws of Divine Establishment or any spiritual connotation, senseless, foolish, stupid, ignorant ones with Black Out of the Soul, contract breakers, faithless, perfidious lacking personal integrity, untrustworthy, without natural affection, unloving, devoid of love instincts, unmerciful, unsympathetic, uncompassionate, inexorable, never pacified or appeased or reconciled to authority, Such are those unbeliever reversionists, who completely and fully with total cognizance and perception know the ordinances or

legal requirements of the Justice of God as the gospel of Jesus of Nazareth, The Christ along with Establishment or Doctrinal Truth, that those who practice such evil reversionistic things of heathenism from the past through the present keep on being deserving of physical Death through maximum justice from the Justice of God as the Sin Unto Death, (Rom 13); these unbeliever reversionists not only do the same things but also continue to give hardy endorsement or approval to those who also practice them. (this demands execution)

Rom 2:1; Therefore for this reason, the Justice of God judging heathenism, you keep on being inexcusable, without excuse, without defense before the Supreme Court of Heaven, oh man, everyone of you, double standard Self Righteous people, who keep on gossiping, maligning and judging another; for in which sphere you pass judgment upon another, the immoral or heathenistic person, you condemn yourself, because you who keep judging are practicing the same things.

Rom 2:22-24; You Self Righteous ones who keep on saying that a man under the law must not fornicate (Ex 20:14), do you fornicate? You who constantly or persistently are disgusted by or abhor or detest or despise idols, do you rob idol temple banks or treasuries? You Self Righteous arrogant legalistic people who habitually boast in the law, through violation of the law do you dishonor The God? Consequently, "The Reputation or Integrity of The God, because of you Self Righteous arrogant legalistic ones, constantly keeps on being slandered, maligned, blasphemed among the individual Gentiles or nations", just as it stands written with results that go on forever (Is 52:5).

Rom 3:20; Therefore by means of the works of the law, no flesh or human being shall ever be vindicated or justified before or in the presence of the Integrity of God, for through the Mosaic Law is full knowledge or consciousness or discovery of sin.

Rom 3:21-28; But now the Righteousness of God as part of the Integrity of God, apart from the law has been revealed or made known, being confirmed by the law and the prophets in the Old Testament Scripture. That is the Absolute Righteousness of God, part of the Integrity of God, through faith in Jesus Christ for everyone in the Human Race who express nonmeritorious faith. (Parenthesis) For there is no distinction between spiritually dead Jews or Gentiles; All mankind have done wrong or sinned and come short of the glory of the Essence of God (Parenthesis) Receiving vindication or justification gratuitously as a gift without payment by means of the instrumentality of his consistent grace, through or by means of the redemption or purchase of slaves or by paying ransom, which is in Christ Jesus. Jesus of Nazareth, The Christ whom The God the Father has appointed or publicly displayed or predetermined that which propitiates or expiates, as The Mercy Seat of the Ark of the Covenant, through faith in Jesus of Nazareth, The Christ as instant Adjustment to the Justice of God, by means of his blood the work of Jesus of Nazareth, The Christ bearing our sins and being judged by God the Father. For a demonstration of his, God the Father's Righteousness  $\frac{1}{2}$  of His Integrity, because of the passing over of the previously committed sins from the Old Testament Scripture times because of the holding back or delay of judgment or clemency from The God Face to face with or For a demonstration of his Righteousness  $\frac{1}{2}$  of the Integrity of God at the present decisive epoch of time of crisis the Church Age where Israel cannot be a client nation, in order that he might be just having consistency of justice, even when he justifies, vindicates or declares righteous anyone by means of or anyone who has faith in Jesus of Nazareth, The Christ. Where then, considering what has been stated before, is that boasting? It has been shut off or shut out or excluded in the past and is continually or perpetually. By what principle or rule governing our actions is boasting excluded? By that principle of works? Definitely NOT but by the principle of faith. Therefore we, mature believers strictly logically conclude expressing the facts without emotion then that mankind is justified or vindicated acquiring the Righteousness of God by faith alone in Jesus of Nazareth, The Christ alone apart from or without the deeds or works of law.

Rom 4:2; For supposing or assuming that Abraham has been justified or vindicated by means of works of every action of keeping the law (it is not true), he has grounds or a basis for boasting around people but not face to face or before or in the presence of God.

Rom 5:10; (Reconciliation Afortori); For if while we were hostile enemies we were reconciled and changed toward The God by means of the Substitutionary Spiritual Death of his Son, and it is true, much more to a greater

degree, having been reconciled, we shall be delivered in or by means of his life having a resurrection body in ultimate sanctification

Rom 5:12; Therefore in conclusion or for this reason, just as through one man, ADAM, THE Original Sin of Adam and THE Old Sin Nature, entered into the world, (created originally with the universe and after its destruction as a result of the Angelic Conflict restored for man), and so THE Spiritual Death through Adam's Original Sin imputed to the Old Sin Nature and so this spiritual death from Adam's Original Sin spread, through Adam & Subsequent Procreation and Pregnancies, to all mankind, because all the Human Race sinned genetically or in a point of time when Adam sinned and Acquired the Old Sin Nature.

Rom 6:12; Therefore STOP letting the Old Sin Nature to continue ruling, after Salvation Adjustment to the Justice of God, with absolute sovereignty or authority in your mortal bodies, that you should obey the same Old Sin Nature with its trends toward sin, Human Good and Evil.

Rom 6:13; Neither or do not, place your body's members, including your hands, feet, tongue and brain, under orders as weapons of unrighteousness, in sin, Human Good or evil, in service to the Old Sin Nature; but consistently place yourselves, through the chain of command of Bible Doctrine, under orders to the God as those who are perpetually alive, under Retroactive and Current Positional Truth, from deaths, and the members of your body, including your brain, as weapons of righteousness to the God.

Rom 6:19; I am speaking or communicating dogmatically using this perfect human illustration of slavery, because of the weakness, sickness, infirmity or imperfection of your FLESH the Old Sin Nature. For just as you have from physical birth to Salvation Adjustment to the Justice of God, have yielded or put your human body and soul members under orders as slaves to the impurity, anarchy or lawlessness of the Mental Attitude Sins, Old Sin Nature's lusts and trends toward Sin and Human Good resulting in anarchy or lawlessness of evil, even so now, after Salvation Adjustment to the Justice of God with Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul as believer ambassadors for The Lord Jesus, The Christ, yield or put your body and soul members including your brain, under orders as slaves to the imputed Righteousness of God and developed righteousness from Metabolized Bible Doctrine resulting in the experiential sanctification of Maturity Adjustment to the Justice of God.

Rom 7:18-25; Certainly, in fact, I know that there does not reside in me, that is, in my human body with its Old Sin Nature, any intrinsic good, for the resolve, wish, desire, will or purpose is constantly present in me to please and do the will of God, but the honorable accomplishment or execution of my purpose is negative. For the intrinsic good which I desire, purpose or resolve to do from emotion or sincerity on certain intervals, I do not do, But the evil which I do not desire or resolve to do, this I keep on practicing or accomplishing. Now if what I do not desire, purpose or resolve to do, the same I keep doing, I am no longer the one bringing it about or accomplishing it, but the Old Sin Nature which dwells or resides within me. Consequently, I have discovered this rule of action or principle residing in me, that when I, wish, desire, purpose, resolve to do the honorable thing, the principle of evil is always present residing in me. For along with other believers under Positive Volition, I am pleased or delighted in the Bible Doctrine from the source of the God, in the Stream of Consciousness of my Soul, but I see another principle of a different kind, namely of opposition, in the members of my human body, campaigning in antagonism against the principles of Bible Doctrine in the Left Lobe of the Stream of Consciousness of my Soul and so bringing me into captivity making me a prisoner to the principle of the Old Sin Nature the same being in the members of my body. I am a totally miserable reversionistic believer under Divine Discipline from the Justice of God! Who will rescue me in my helplessness and drag me from this danger and incredible misery from the human body, with its Old Sin Nature, of this temporal or carnal death? Grace belongs to the God (the solution to all inner conflicts of the believer), through Jesus of Nazareth, The Christ our Lord! So then, on the one hand, I myself am obligated to serve, with my mind or Stream of Consciousness of the Soul, the law or principles or objectives or doctrines of God relating to experiential sanctification and Maturity Adjustment to the Justice of God, but on the other hand with my Old Sin Nature, I impulsively serve the law or principles of the Old Sin Nature.

Rom 8:5

v5: For those believers who keep on being dominated by the flesh, the Old Sin Nature, being carnal or reversionistic, keep thinking about and concentrating on the things of the flesh the trends of the Old Sin Nature toward Sin, Human Good and Evil, but in contrast, those mature believers under Positive Volition to Bible Doctrine, who are dominated by God the Holy Spirit keep thinking about and concentrating on those doctrines from God the Holy Spirit.

Rom 8:28; THEREFORE, WE, Consistently Advancing Believers in or moving toward Maturity Adjustment to the Justice of God, HAVE LEARNED DOGMATICALLY, SUDDENLY REALIZED, LEARNED TO KNOW or PERCEIVE from reverse concentration, IN FACT, THAT TO THE ADVANTAGE OF ONLY THOSE MATURE OR MATURING BELIEVERS persisting in Occupation with the Person of Jesus of Nazareth, The Christ, WHO LOVE THE UNIQUE GOD, from Reciprocal Love for God Motivation, HE, GOD, CAUSES ALL THINGS, Blessing, Adversity, and Undeserved Suffering in time , to continue TO WORK TOGETHER FOR THE GOOD OF INTRINSIC VALUE, Execution of the Equation of Hope Plan of God, TO the advantage of THOSE, both individual mature believers and the client nation, Believers only, WHO ARE ELECTED ACCORDING TO PRIVILEGE, Royal Family of God, forming the pivot, AS A PART OR ON THE BASIS OF A PREDETERMINED PLAN (Execution of the Equation of Hope Plan of God,  $X + Y + Z = \text{Maximum Glorification of God}$ ).

Rom 8:32; THE GOD THE FATHER WHO DID NOT EVEN SPARE HIS VERY OWN UNIQUE ADULT SON, Jesus of Nazareth, The Christ in Hypostatic Union, BUT HE, GOD THE FATHER, ON BEHALF OF, INSTEAD OF, IN PLACE OF ALL OF US, DELIVERED HIM, Jesus of Nazareth, The Christ, OVER through judicial imputation of all personal sins TO THE PUNISHMENT OF *SUBSTITUTIONARY SPIRITUAL DEATH* JUDGMENT as an act of justice, as a substitute; it is surprising that you cannot understand this logical concept; HOW SHALL HE, God the Father NOT ALSO, WITH HIM, Jesus of Nazareth, The Christ, FREELY OR GRACIOUSLY OR BENEFICIALLY IN GRACE GIVE TO US from the Justice of God THE ALL THINGS as temporal blessing, He DOES. (ALL Grace Blessings in time)

Rom 8:35; (rhetorical question) Who shall divide or separate us from the Lord Jesus of Nazareth, The Christ and his love for us? (answer NO ONE) Shall extreme circumstantial pressure afflictions or oppressions of historical disasters, or pressure of mental anguish, or persecution because of Maturity Adjustment to the Justice of God, or deprivation of food, or nakedness from being deprived of clothing, or natural dangers, or suffering from military defeat or disaster, or revolution, or crime or violence?

Rom 8:38-39; Therefore, I, Paul, stand convinced, that neither any aspect of death nor life, neither fallen angels (or elect) nor high ranking ruling demons ie principalities, or all human powers, neither present things nor future things, neither any lofty concepts of arrogance of anything residing in the height of stellar space, ie Heaven, nor extreme poverty including the depth of Hell, nor any other created being, shall have the power to be able to separate us; especially believers in Maturity Adjustment to the Justice of God; from the Love of God the Father which is in Christ Jesus our Lord.

Rom 9:19-21; Therefore You will say to me, "Why does he (God) still find fault? For who has resisted his will or purpose?" On the contrary mankind oh Mankind, you, who are you who answers back to God? Shall what is formed say to him who formed it, "Why have you made me like this?" For does not the potter (God) possess authority over the clay (Mankind) from the same lump to make on the one hand a vessel for the purpose of Honor and on the other hand a vessel for the purpose of Dishonor, Of course he does.

Rom 9:30; (lit Therefore what shall we say) Therefore, to what conclusion are we forced? That the high quality Gentiles who did not strive for, run after or pursue Self Righteousness have attained, overtaken, acquired without their effort, divine righteousness in fact that is, even the Absolute Righteousness which is from the source or by means of faith in The Lord Jesus, The Christ?

Rom 9:31-32; But in contrast the racial Jew, Israel, who seeks or strives after or purses Self or Works Righteousness based on or by keeping the great Mosaic Law has not accomplished nor attained the purpose of the law. (Salvation Adjustment to the Justice of God through faith in Jesus of Nazareth, The Christ alone Codex II,

Function of freedom in the client nation Codex I & III and to provide bases for evangelism and spiritual advance to Maturity Adjustment to the Justice of God and missionary actions from the client nation and to demonstrate the fality of Self Righteousness for blessing and salvation). Because Why? Because they absolutely did not pursue or did not seek it, salvation, by means of the first single act of faith, but as it were by means of their many works or by keeping the law; they have seen yet still tripped or stumbled against or over that Stumbling Stone or Rock of stumbling Jesus of Nazareth, the Christ.

Rom 10:3; For or as a result of not knowing or constantly being ignorant of the righteousness that comes from God, and by seeking to establish or confirm what does not exist to God, their very own Self Righteousness, they have not been obedient nor subordinate not submitting to authority and rejecting the gospel and God's righteousness. (They have not been obedient to the Righteousness of God)

Rom 10:19; But Again I say, did Israel ever fail to know or understand? Of course NOT. First Moses speaks as a permanent witness about Israel from the exodus to AD70 and even to this day (Deut 32:21), "I, Jesus of Nazareth, The Christ God of Israel, will provoke and make you, Jews, jealous over a no nation, not a client nation, thus a gentile nation; over a dull stupid nation lacking understanding I will make you, Jews, angry."

Rom 10:20-21; Then next witness Isaiah, (Is 65:1) having maximum clear moral courage without loss of sanity or emotion not being stupid, is so very bold as to say; "I, Jesus of Nazareth, The Chris the God of Israel, have been found by those gentiles, without Jewish missionaries, who were not looking for me or who did not know or understand how to seek me; I became manifest or known to those gentiles with Positive Volition at God Consciousness for their interest who did not ask about me." But in contrast, face to face to Israel he Jesus of Nazareth, The Christ says in the past continuing into the present, (Is 65:2) "Day in and Day out I spend all my time in evangelizing the Jews who have already rejected the gospel presented in codex II and by the prophets, every day of every generation I have extended an imploring desperate last chance gesture with my hands, facing a client nation of Israel of disobedient Jews rejecting Jesus of Nazareth, The Christ and obstinate and stubborn beyond description nation of people in the Big Blot Out with accumulated Scar Tissue of the Soul, for Salvation Adjustment to the Justice of God."

Rom 11:4

v4: But what says God or is the divine answer or response to him, Elijah? (1Kings 19:18) "I have left behind in a place of honor as a rear guard and reserved to myself an honorable pivot of seven thousand people who are of such a character because of their being believers in Maturity Adjustment to the Justice of God that have not bowed a knee to Ba'al."

Rom 11:8-10; Just as it stands written having been inspired by God the Holy Spirit (Deut 29:4, Is 29:10, Is 6:9-10), THE God of Israel, Jesus of Nazareth, The Christ, has given them the unbeliever Jews only, in the spin off of reversionism and apostasy, a state of mind of stupefaction and insensibility from arrogance in the big blot out, Black Out of the Soul, Eyes for the purpose of not seeing thus no concentration and ears for the purpose of not hearing thus no perspicacity or perception of the 1<sup>st</sup> advent of Jesus of Nazareth, The Christ, down to this very day, existing throughout the age of Israel and Church Age and through the tribulation. Also (in addition to Moses, Isaiah & Elijah) David says, "May their table of spiritual heritage in their scriptures be for a snare and for a trap causing maximum Negative Volition, and a stumbling block of the 1<sup>st</sup> advent especially the cross, the big blot out, and so for a retribution of just punishment for them historically in the holocaust judgments and eternally. Let their eyes be darkened for the purpose of NOT seeing (Quote from the Hebrew Torah), and cause the backs of the Jews to always bend constantly under the big blot out judgments. (Quote from Greek Septuagint) "

Rom 11:11; Therefore, I, Paul, say (in a rhetorical question expecting a negative answer), They, Jewish believers and unbelievers, did not stumble under the Big Blot Out, so as to fall under the 5<sup>th</sup> cycle of Divine Discipline did they? Of course or definitely NOT! But through their reversionistic apostasy transgression of defection from their spiritual heritage and the salvation message belonging to them the salvation message belongs to the Gentiles, in order that they, the Jews, might be provoked and stimulated to emulation of faith in Jesus of Nazareth, The Christ.

Rom 11:14; If in some way or some how, I shall provoke or stimulate to emulation my flesh the racial Jews jealous, and might save some of them.

Rom 11:15; Now or For if their rejection, the 5<sup>th</sup> cycle of Divine Discipline in AD70 which destroyed the client nation status of Israel, has become THE reconciliation of the world, and it has, what will be their acceptance but life from the dead (resurrection of the nation and all Jewish believers at the 2<sup>nd</sup> advent)?

Rom 11:19-20; Some of You, arrogant gentile believers, will say then, "The Branches were broken off in order that I a gentile believer might be grafted in." (sarcasm) Quite Right, That is SO true, but you don't have the whole story, because of their unbelief and rejection of ALL the Laws of Divine Establishment principles and the Gospel of Jesus of Nazareth, The Christ and Bible Doctrine and client nation functions, They, client nation Israel of the past and the unsaved jews, were broken off, but you, believing gentiles, stand fast because of faith in Jesus of Nazareth, The Christ, in contrast to the Jewish unbeliever and are supported by Logistical Grace and through all doctrines including those of the Faith Rest Drill (4 categories) . Stop arrogant thinking in error from inside the Interlocking System of Arrogance, but start voluntarily becoming respectful and keep thinking in terms of respect or fear the Divine Discipline from God.

Rom 11:33-34; Oh! THE inexhaustibility of THE abundant wealth, both of THE wisdom, the total self knowledge and omniscience and THE foreknowledge (not emotion) of THE God, How unfathomable beyond our ability to estimate or inscrutable are his decrees and how his Highway or road or way of life or Modus Vivendi the attributes and policies of God are untrackable! For who has know the mind or thinking or understanding of the Lord Jesus of Nazareth, The Christ (Is 40:13, 1Cor 2:16) or who has become his adviser or counselor.

Rom 12:1; Therefore, I (command) urge, encourage, exhort, seek to persuade you, NOW, believers in the Royal Family of God, by means of God's rational compassionate sympathetic mercies of grace blessing from the Justice of God, that you constantly place your bodies under orders as a living holy sacrifice, by using the rebound procedure constantly and the resultant Filling of God the Holy Spirit, this is acceptable and well pleasing to our God; which is your rational and spiritual service or worship.

Rom 12:2+3; Stop being conformed to this world (Arrogance Skills) but be transformed by the renovation of your thinking (Spiritual Skills), that you may prove what the will of God is, namely the good of intrinsic value, the well pleasing (execution of the Protocol Plan of God) the mature. (invisible impact Maturity Adjustment to the Justice of God) For I say or communicate through the grace (the policy of God for mankind and for blessing for believers) which has been given to me, to everyone, all believers in the Church Age, who is among you who have the potential for becoming invisible hero's and part of the pivot, STOP persisting in over thinking of self in terms of arrogance and arrogance skills in your thinking, beyond the point of what you ought to think, but think objectively in terms of sanity, bible doctrine, for the purpose of being rational without illusion about self or others, as the God has assigned to each one of us a standard of thinking from Bible Doctrine as the Royal Family Honor Code.

Rom 12:9-10; Your Impersonal Love for Mankind should be non hypocritical and must function without hypocrisy; hate, detest, avoid always despise the evil as policy of Satan as ruler of the world and the function of the Old Sin Nature as ruler of life, adhere to the good of intrinsic value Plan of God; With reference to your brotherly or Impersonal Love, be devoted with a family affection to each other; with reference to your honor the Royal Family Honor Code, let each one esteem others in the Royal Family of God more highly than self, thus make it a matter of honor to give precedence to others in the Royal Family of God.

Rom 12:19; Beloved believers with Absolute Righteousness loved by God, Stop avenging or never avenge yourselves or Never take your own revenge, instead, give place to the punishment from the Justice of God, for it stands written (Deut 32:35) "Punishment belongs to me, the Justice of God, I will repay the obligation of you being wronged, says the Lord"

Rom 13:1-7; Let every soul (thinking area) be in subjection to governing authorities for there is NO authority except from God and those which exist are established by God. Therefore he who resists authority has opposed the ordinance of God (Laws of Divine Establishment) and also they (Believers) who have opposed will receive condemnation on themselves (discipline from God). For rulers are not a cause of fear for Good behavior (establishment Good) but for evil, do you want to have no fear of authority then do what is Good and you will have praise from the same, for it (Government authority of Establishment) is a minister from God to You for Good, but if you do what is EVIL you should be afraid for it (Government) does not bear the sword for nothing or in vain (capital punishment), for it is the minister of God an avenger who brings wrath on those who practice evil. Therefore it is necessary to be in subjection of authority not only because of punishment for rejection of establishment but for conscience sake but because of this you also pay taxes, for they in authority are servants of God devoting themselves to this thing, render to all what is due them, Tax where tax is due, custom where custom is due, honor to whom honor, respect to whom respect.

Rom 13:8-11; Owe nothing to anyone, do not have a personal sense of obligation in all relationships, except to tolerate (love) each other of the same category as other believers, for when he tolerates (loves) the believer with a different personality or opinion as part of his duty under the Royal Family Honor Code with Impersonal Love and toleration with respect for the Righteousness of God imputed by God to all believers, he who tolerates (loves) the other believers has fulfilled the Mosaic law. For instance, this part of the Decalogue referring to crime, You will not commit adultery the sin of fornication and the crime of stealing another man's property, his wife; you shall not murder; you shall not steal; you will not commit perjury in court; you will not lust; and if there is any other commandment it is summarized and epitomized in this principle, Namely, You shall love your neighbor as yourself. The Love required by the Royal Family Honor Code, namely Impersonal Love, does not produce evil to a neighbor or those in our periphery, therefore the love is the fulfillment of the law and the Royal Family Honor Code. This do also, in addition to your responsibility to the Laws of Divine Establishment government and believers under the Royal Family Honor Code, by having known, from consistent Perception, Cognition, Inculcation & Metabolization of Bible Doctrine, the period of time, that it is already, time for you to wake up, through cognizance of pertinent Bible Doctrine, from sleep of apathy, ignorance, indifference, disorientation to history and reality of contemporary events from reversionism and apostasy. For you see now, our deliverance, the entire Royal Family of God, in the rapture of the church, is nearer to us now than when we first believed;

Rom 13:13-14; Let us keep walking, under the Royal Family Honor Code and Filling of God the Holy Spirit with maximum Metabolized Bible Doctrine in our Stream of Consciousness of the Soul, honorably or behave properly; as in the daytime or light of eternity, not in rioting in rejection of other's authority as part of group discipline, nor in sin or carnality and evil, carousing, drunkenness or partying to the point of ignoring the Spiritual Life as rejection of personal volitional authority thus lack of self discipline; not in fornication normal or abnormal sexual promiscuity and not licentious thinking or sensuality, not in discord or contention from Mental Attitude Sins nor jealousy from lack of self discipline. But put on the Lord Jesus Christ by consistent Perception, Cognition, Inculcation & Metabolization of Bible Doctrine to the point of Maturity Adjustment to the Justice of God and entrance into Status Quo Super-Grace and Occupation with the Person of Jesus of Nazareth, The Christ, and STOP making provision for or giving forethought to the Old Sin Nature because of Lusts or distractions from Bible Doctrine in crusades or by persons or business or anything which involve sin, Human Good or evil.

Rom 14:4; You there, Who are you, who do you think you are, the one who keeps judging the (female) domestic slave belonging to another? To his own Lord, Jesus of Nazareth, The Christ, he stands firm and stabilized with steady advance without emotion to take the objective under maximum pressure under discipline and authority or he becomes a casualty falling or being slain in the battle from reversionism. For the Lord has the power to cause him to stand fast to hold his ground and when you judge stand he will.

Rom 14:8-13; For just as when we, believers in Maturity Adjustment to the Justice of God, live, we live to the Lord, so also when we, believers in Maturity Adjustment to the Justice of God, die under dying grace; we die for the Lord, so not only if we live maybe we will and maybe we will not based on the timing of God, but also if we die when life is over, we are the Lord's. You see, for this reason, Christ died, and lived, in order that or for the purpose that he might be the Lord over both dead and living. But You there, weak, legalistic and antinomian

growing and reversionistic believers, why do you always judge, malign, gossip about your fellow Believer, or you also strong believer why do you despise or regard your fellow weak Believer with contempt as their not being as spiritual as yourself? For all believers, the Royal Family of God, shall be present or stand by under orders at the Presiding Judgment Seat or Tribunal Throne of The God, Jesus of Nazareth, the Christ. For it stands written, (Is 45:23) "As I keep on living, having perfect attributes and essence and integrity, and By myself I have sworn the Lord communicates, 'Every knee shall kneel in genuflex to me, Jesus of Nazareth, The Christ, and every tongue in every language shall confess to the God the Father.'" So Therefore, each one of us, the Royal Family of God, shall give an account to God, Jesus of Nazareth, The Christ, concerning himself. Therefore let us, from our own motivation of Bible Doctrine in our Stream of Consciousness of the Soul, not, from now on judge each other but rather distinguish, prefer, or determine this, instinctively and instantaneously, not to place an obstacle, distraction or trap in front of his fellow weak Believer.

Rom 14:10; But You there, weak, legalistic and antinomian growing and reversionistic believers, why do you always judge, malign, gossip about your fellow Believer, or you also strong believer why do you despise or regard your fellow weak Believer with contempt as their not being as spiritual as yourself? For all believers, the Royal Family of God, shall be present or stand by under orders at the Presiding Judgment Seat or Tribunal Throne of The God, Jesus of Nazareth, the Christ

Rom 16:17; Now I urgently keep on appealing to, exhorting, comforting, encouraging, beseeching or energetically urge you advancing or mature Believers in the Royal Family of God, keep your eyes on or mark or be discerning or take critical notice of being alert with regard to, those weak believers who keep on causing dissensions, divisions, apostasies and temptations or strife and hindrances or offenses, trapping by causing enticement of people to get out of fellowship contrary to the Bible Doctrine which you have consistently learned from a Pastor Teacher, IN FACT, keep avoiding, shunning, separating yourself or turning away from them.

Rom 16:18; For such reversionistic believers do not obey or serve as slaves to our Lord Jesus of Nazareth, the Christ but their own emotional empty hidden responder patterns serving themselves, and by good, pleasant, bland words or sweet speaking masking a fraudulent purpose and clever speeches or smooth and flattering speech of hypocrisy false teachers deceive or seduce away from truth into error, the Right Lobe of the Stream of Consciousness of the Soul of those ignorant of Bible Doctrine

SS 1:13; My beloved (RM) is to me a pouch of Murr which lies all night between my breasts

SS 2:4; He has brought me to the House of Wine (Dining Out) and his banner over me is Love (protection)

SS 4:6; Until the Day blows away, when the shadows flee away I will go to the mountain of Murr to the Hill of frankensense (fragrance of Memories)

SS 8:6-7 (Shepard Lover Speaking after rescuing her from the Harem of Solomon); Stamp me like a Signet ring on your Right Lobe, as a signet ring on your arm (body) For Cat 2 Love is as strong as death, Jealousy is as cruel as the Grave, Love's Flame is like a flame of Fire and is the Flame of the Lord (passion of Soul and Body). Many Waters are not able to extinguish the Fire of Category 2 Love nor can flood waters inundate it, If a man were to give all of the wealth of his estate for Category 2 Love it would be rejected.

Titus 3:3; For we were at one time ignorant, disbelieving, being deceived, constantly enslaved to various kinds of lusts and pleasures, passing the time in wickednesses and jealousy, being detested and hating one another of the same kind [believers].

Titus 3:5; NOT by or on the basis of or out from the source of works, production, function of human abilities, Human Good, or human talents, by means of relative righteousness of Human Good which we have done, but according to the norms and standards of HIS MERCY or GRACE WORKING on our behalf, He saved us, through or by means of the washing even regeneration even the renewing of being again put into a new species, under the agency of God the Holy Spirit.

Zech 4:6; Then he said to me, "This is the word of the LORD to Zerub'babel: It is not by might, nor by power, but by my Spirit, says the Jehovah God of the Armies.

Zech 10:2; For the teraphim utter nonsense, and the diviners see lies; the dreamers tell false dreams, and give empty consolation. Therefore the people wander like sheep; they are afflicted for want of a shepherd.

### The Reluctant Sparrow

There once was a little young sparrow who lived in the northern states of this great nation. It was a delightful summer with warm sunshine in the day with some cleansing rain shower occasionally to wash the dust from his wings. There was plenty of food in worms and fruit on the trees as the spring and summer unfolded and this sparrow was exceedingly pleased with his life and circumstances. As summer turned to fall and the weather became a bit cooler his friends the other older sparrows began to ready themselves for the long flight south to warmer climate and to avoid the chill of winter in the north. The little sparrow however did not want to go through all the effort to fly all that way just yet. The fruit on the trees was ripe and much had fallen to the ground and there was plenty to eat and still some warm places to sleep. As fall continued and the weather got colder and the fruit rotted away finally the little sparrow decided he might just have to endure the long flight south. So one particularly bleak day with great clouds in the sky and a strong chill in the air he began his flight south. As he flew along the weather turned very cold and it began to snow very hard. He fought his way through the icy cold snowy wind but eventually his wings froze over with the moisture from the snow and he plummeted to the ground. Fortunately for him he landed with a splat on the back of a large cow. The cow trying to avoid the irritation of the cold sparrow on his back shook him off into a large fresh cow patty. The little sparrow raised his head from the stench of the manure thinking how terrible and embarrassing it was to be covered with fresh cow manure. Suddenly he realized that his wings were thawing and he was warming up even though the snow was falling even harder. So to celebrate his incredible good fortune he stuck his head up above the manure and began to sing a sweet and pleasant sparrow song. Nearby, a vigilant barnyard cat heard the pleasant singing and began to search for its source. Finding the sparrow stuck in the fresh cow manure he instantly plucked him out and cleaned him off and promptly ATE HIM.

The moral of the story is:

It is a prudent insightful thing to Plan Ahead in your life.

HOWEVER!!!

If your plans fail and you find yourself deep in the SHIT of life remember that those who sometimes put you in the SHIT are not always your enemies.

If find yourself deep in the SHIT of life remember to keep your mouth shut because all of those who get you out of the SHIT are not always your friends.

## Postulates of Divine Integrity

Advantage == Integrity of God

Advantages == blessing from the Integrity of God

Potential + Capacity == Advantages

Potential == Imputed Absolute Righteousness

Capacity == Metabolized Bible Doctrine acquired from the Grace Apparatus for Perception

### Personal Postulates:

There are no advantages to the advantages without the advantage.

If you have the advantage you have the advantages

Without the advantage there are no advantages.

Disadvantages and Maladjustment to the Advantage cannot cancel THE ADVANTAGE.

Potential + Capacity == Advantages

### National Postulates:

No nation can have the advantages without the advantage.

A nation without the advantage loses its advantages

No nation can recover its advantages without the advantage.

Loss of both the advantage and advantages removes that nation from Human History under the 5th cycle of Divine Discipline

Potential + Capacity == Reality

Potential does not become reality without capacity

Potential from Salvation Adjustment to the Justice of God with imputation of Absolute Righteousness + Capacity from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul resulting in Maturity Adjustment to the Justice of God == Reality of Blessing from God.

Potential + Capacity == Advantages

Potential == Imputed Absolute Righteousness

Capacity == Metabolized Bible Doctrine accumulated from consistent function under the Grace Apparatus for Perception

Advantages == Blessing from the Justice of God

While the Righteousness of God imputed at Salvation Adjustment to the Justice of God is the potential, Bible Doctrine perceived through the function of the Grace Apparatus for Perception is the capacity for and reality of unimaginable Blessing from the Justice of God.

Potential + Capacity == Reality.

Imputation of the Righteousness of God + Daily Grace Apparatus for Perception function and maximum Metabolized Bible Doctrine built up in the Stream of Consciousness of the Soul == Reality of reaching Maturity Adjustment to the Justice of God and the resultant Blessings in time and eternity.

Potential is provided through Salvation Adjustment to the Justice of God

Mechanics include the imputation of the Righteousness of God and the resultant believer's justification

Capacity is developed through progress in spiritual growth by means of daily Grace Apparatus for Perception function thus perception of Bible Doctrine.

Reality occurs when the growing believer attains spiritual maturity and is thus in Maturity Adjustment to the Justice of God.

Potential + Capacity == Reality

Potential == Imputed Absolute Righteousness at Salvation Adjustment to the Justice of God

Capacity == Consistent Perception, Cognition, Incultation & Metabolization of Bible Doctrine using the Grace Apparatus for Perception.

Reality == Blessings from the Justice of God at Maturity Adjustment to the Justice of God in 5 categories.

*Many people have blessings for which they have no capacity*

*This nation of America has freedom for which the people have no capacity*

*This is due to propaganda infiltrating the education system and every source of media and entertainment*

*Americans do not appreciate their prosperities and have no Frame of Reference for them and no understanding of how they relate to the Integrity of God.*

*THEREFORE: America is in the process of totally losing all of them.*

## Personal Postulates:

There are no advantages to the advantages without the advantage.

## The Advantage

Capacity from Metabolized Bible Doctrine

Reality of Maturity Adjustment to the Justice of God

or

Imputed Absolute Righteousness as potential

Comprehension of Bible Doctrine as capacity

Maturity Adjustment to the Justice of God as objective of reality

If you have the advantage; *Absolute Righteousness imputed at Salvation Adjustment to the Justice of God and Perception, Cognition, Incultation & Metabolization of Bible Doctrine for capacity and maximum Adjustment to the Justice of God for reality*; you have the advantages

Without the advantage; *Absolute Righteousness imputed at Salvation Adjustment to the Justice of God and Perception, Cognition, Incultation & Metabolization of Bible Doctrine for capacity and maximum Adjustment to the Justice of God for reality*; there are no advantages, no blessings from the Justice of God.

Disadvantages and Maladjustment to the Justice of God cannot cancel the Advantage, imputation of Absolute Righteousness at Salvation Adjustment to the Justice of God

Therefore: Potential + Capacity == Advantages

## National Postulates

No nation can have the advantages; blessing by association with a large pivot of mature believers, without the advantage, a large pivot of mature believers with total relationship with the Integrity of God.

A nation without the advantage; having a small or shrinking pivot of mature believers, loses its advantages, blessing by association with a large pivot of mature believers.

No nation can recover its advantages; *blessing from the Integrity of God by association with a large pivot of mature believers and imputed Absolute Righteousness and capacity from comprehended Bible Doctrine and reality of Maturity Adjustment to the Justice of God*, without the advantage; *potential of Absolute Righteousness capacity from learning of Bible Doctrine and*

*reality from Maturity Adjustment to the Justice of God by an enlarged or large pivot of mature believers.*

**Loss of both advantage and advantages removes that nation from Human History through administration of the 5th cycle of Divine Discipline as a result of Atrophy of the pivot of mature believers which always results in national disaster.**

**Dispensation** – An administrative period of Human History under the auspices of God. A divine categories of human history; therefore, both the divine outline and the divine interpretation of human history. A period of time during which a particular revelation of God's mind and God's will is operative, and during which man is tested as to his obedience to that specific manifestation of God's will, purpose, and plan.

**Divine discipline** – The punitive action taken by the justice of God under his Grace Policy to correct, punish, encourage, train, and motivate the believer's free will toward the plan of God for all dispensations. This occurs collectively for nations under the 5 cycles of Divine Discipline.

**Divine Dynasphere** – God's Power system for the believer in the Church Age with 8 areas or gates of entry and function including:

- ▲ *Filling of God the Holy Spirit*
- ▲ *Basic Christian Modus Operandi* of Faith Rest & Perception, Cognition, Incultation and Metabolization of Bible Doctrine
- ▲ *Authority Orientation* producing Enforced & Genuine Humility
- ▲ *Orientation Envelope* of Bible Doctrine Orientation to reality and Grace Orientation to Life
- ▲ *Advanced Christian Modus Operandi* using the entire Faith Rest Drill (5 Stages) and consistent function under the Grace Apparatus for Perception
- ▲ *Integrity Envelope* of Motivational Virtue – Personal Love for God and Functional

Virtue – Impersonal, Unconditional Love for Mankind

▲ *Testing Envelope* for Momentum Testing in the Spiritual Life

▲ *Maturity Envelope*.

**Divine Good** – Production in the Spiritual Life of the advancing or mature believer under the Filling of God the Holy Spirit.

**Divine Institutions** – The systems created by God for the proper function and protection of the Human Race in the Angelic Conflict to allow a resolution of the Angelic Conflict appeal trail. There are 4 Divine Institutions including, Freedom (Volition), Marriage, Family, and Government each with its own specific area of and structure for function.

**Divine Viewpoint** – A system of thinking, values, problem solutions and orientation of the Right Lobe of the Stream of Consciousness of the Soul of the believer based on maximum Metabolized Bible Doctrine in the soul providing God's Perspective of human life based on GRACE. This is the THINKING of The Lord Jesus the Christ. ([1Cor 2:16](#)) This thinking system results in Confidence ([2Cor 5:1](#), [2Cor 6:8](#)), Stability ([Phil 4:7](#), [2Thes 2:2](#)), Inner Happiness and Contentment ([Phil 2:2](#)), Grace Orientation, Capacity to Love God and a Relaxed Mental Attitude toward people ([1Cor 13:4-8](#), [1John 4:19](#)).

**Dying Grace** – This is the final and highest form of blessing in the life of the believer who has reached Maturity Adjustment to the Justice of God and is part of his Super – Grace blessing package. It is the provision of extraordinary blessing and happiness during dying. ([Ps 116:15](#)) The believer in Maturity Adjustment to the Justice of God transitions from Living Grace to Dying Grace and walks his final journey through the Death Shadowed Valley ([Ps 23:4](#)) accompanied by the Lord in harmonious rapport with him. This walk through the death shadowed valley for the mature believer is one of inner peace and tranquility.

**Election** – The recognition by God before creation in Eternity Past of those who would make Salvation Adjustment to the Justice of God and the Sovereign Free Will decision of God to set apart for privilege these individuals based on their own free will decisions to make Salvation Adjustment to the Justice of God through Faith alone in The Lord Jesus the Christ Alone.

**Enforced Humility** – The Status Developed from accepting and functioning under required conformity in any system of discipline instilled and based on the proper function of some organizational authority outside the individual.

**Essentials** – The absolute truths in life of the gospel of Christ, the Laws of Divine Establishment, and all other Bible Doctrines

**Epignosis** – Bible Doctrine which is clearly understood having been transferred into the Left Lobe of the Soul by God the Holy Spirit which is then ACCEPTED by faith and moved by God the Holy Spirit into the Right Lobe of the Stream of Consciousness of the Soul.

**Equation of Hope** – In order to reduce the size of this document the graphic file concerning the Equation of hope can be viewed and downloaded at: [Equation of Hope](#)

**Equation of Despair** – In order to reduce the size of this document the graphic file concerning the Equation of Despair can be viewed and downloaded at: [Equation of Despair](#)

**Evil** – The plan and policy of Satan to rule this world. It is satanic THINKING and satanic doctrine. ([Matt 9:4](#), [Gal 6:3](#)) Under Satan's plan production results from thinking, Functional Arrogance or Functional Antagonism result from Motivational Arrogance or Motivational

Antagonism. Sin, Crime & Human Good result from THINKING. One cannot DO EVIL but he can THINK Evil and produce under that system.

**Evidence Testing** – This is testing only for the believer who has reached Maturity Adjustment to the Justice of God and continued through No Man's Land to Advanced Maturity Adjustment to the Justice of God where he has reached the pinnacle of the Spiritual Life and is where his Spiritual Life is brought up before the Supreme Court of Heaven as a PRIMARY witness for the prosecution, The Lord Jesus, The Christ, to be subjected to cross examination by Satan who attempts to discredit his entire spiritual life.

**Expiation** – Payment of or cancellation of an unpayable debt, it describes the result of the Substitutionary Spiritual Death of Christ on the cross with regard to the unpayable penalty of human sin.

**Fear** – A part of [Emotional Revolt of the Soul](#) which is antithetical to Courage and [Poise](#) and the believer is constantly commanded to NOT FEAR anything at any time. ([Deut 31:3-6](#), [2Tim 1:7](#))

**Genuine Humility** – The Self Discipline which results in voluntary volitional conformity to the ABSOLUTE AUTHORITY of the Sovereignty of God and Bible Doctrine principles including the Laws of Divine Establishment, Divine Institutions and the entire content of Bible Doctrine developed as a result of properly functioning under Enforced Humility to develop Self Discipline.

**Gnosis** – is academically understood or comprehended Bible Doctrine as a result of the teaching ministry of God the Holy Spirit but which cannot be used in application to life's experiences having not at this point been accepted by faith.

**Grace** – The plan and policy of God toward mankind which is all that God can do for man which he CAN NOT earn nor deserve based on the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross.

**Grace Apparatus for Perception** – The mechanic for the Perception, Cognition, Incultation and Metabolization of Bible Doctrine for the believer based on the ministry and Filling of God the Holy Spirit under [Operation Z](#). This involves the Concepts and Principles of the 4 Rs:

- ✧ Reception – the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine under Stage 1 of the Faith Rest Drill (4 categories)•
- ✧ Retention – the Faith transfer of the learned Bible Doctrine under the ministry of God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul where it is stored as memory, vocabulary and categories of Bible Doctrine
- ✧ Recall – the Faith application of Bible Doctrine by the:
  - Claiming one or more of the 7000+ promises of God in the bible.
  - Using doctrinal principles to support these promises.
  - Developing doctrinal Rationales from the combination of these promises and principles.
  - Reaching doctrinal conclusions to control or overcome the situation.
- ✧ Resistance – to the influence of Evil and temptations to function within the Cosmic Dynaspheres

**Hamartiology** – The study of Sin.

**Human Good** – The function or production by man of anything benevolent or thought to be superficially beneficial for the Human Race resulting from operating under the principles of the

satanic plan and policy for this world, EVIL, all accomplished apart from God and out from the Power System of God.

**Human Viewpoint** – A system of thinking, values, problem solutions and orientation of the Soul of either the believer or unbeliever based on involvement with EVIL which is totally antithetical to Divine Viewpoint thinking, values, problem solutions and orientation based on GRACE as revealed by the Word of God.

**ICE** – This is an acronym for Isogogics, Categories, Exegesis as analytical tools in the overall method of interpretation of scripture where Isogogics is interpretation of biblical text within its historical context, Categories is classification of Bible Doctrines according to subject matter based on comparisons of scripture with scripture, Exegesis is a grammatical, etymological, syntactical and contextual analysis of scripture from the original Greek, Hebrew and Aramaic languages.

**Jeshurun**, (heb) – The remnant of mature believers who have persisted in their advance into and beyond Super Grace Statue Quo in the face of a declining number in the Pivot of the nation.

**Judgment Seat of Jesus Christ** – the time after the exit resurrection of the Church Age believers, the Rapture of the Church, prior to the beginning of the Tribulation, the end period of the Age of Israel, where The Lord Jesus, The Christ will judge or evaluate every Church Age believer for his performance, his use of the time given him in this life to execute the Protocol Plan of God. Each Church Age believer will be called to give an account of himself and will receive rewards based on his spiritual advance and Divine Good production during his lifetime.

**Justification** – to vindicate or declare righteous, it is a judicial act of vindication of the believer as a result of having received and possessing the Righteousness of God at Salvation Adjustment to the Justice of God. ([Rom 3:20-28](#))

**Kardia** – Greek for Heart referring to the Right Lobe of the Stream of Consciousness of the Soul.

**Laws of Divine Establishment** – Laws or rules God has ordained for the survival, protection and freedom of the human race during the course of human history to allow completion of the Angelic Conflict appeal. They provide the freedom to fulfill the divine plan as ordained in the divine decrees and are designed and directed toward both believer and unbeliever.

**Legitimate Organization** – this includes any organization including systems of government which understand and adhere to the principles of the Laws of Divine Establishment and Divine Institutions in their establishment of Authority structure, Organizational Purpose and the Policies to support these.

**Logistical Grace** – The provision of support for every believer designed to provide for him everything needed to keep him alive in the world ruled by Satan in order that he might have the opportunity and choice of advancing in and executing the Protocol Plan of God.

**Loser Believer** – The loser believer combines emotional sins of the Interlocking System of Hatred and arrogance sins of the Interlocking System of Arrogance and functions under the 3 Arrogance Skills. He has problem solving incompetence resulting in perpetual carnality and has severely neglected or totally rejected Bible Doctrine and as a result is the Enemy of the Cross, the Enemy of God, and has become a Hater of God. ([John 15:23](#))

**Maturity Adjustment to the Justice of God** – Is the result of the believer fulfilling the Plan of God and his purpose in life of consistent and persistent Perception, Cognition, Incultation and

Metabolization of Bible Doctrine moving from Salvation Adjustment to the Justice of God and spiritual infancy through progressive stages of development to Spiritual Maturity having accumulated a maximum quantity of Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul. It is where he receives a package of 6 categories of incredible blessings for his life in time and a guarantee of special blessings for his life in eternity.

**Metabolized Bible Doctrine** – Bible doctrine which has been taught, understood academically and accepted by faith under the ministry and Filling of God the Holy Spirit therefore usable for application to life's experiences.

**Momentum Testing** – 5 Categories of Suffering for blessing and enhanced momentum in one's advance in the Spiritual Life occurring in varying stages of the Sophisticated Spiritual Life with Providential Preventative Momentum Testing Suffering beginning at Spiritual Self Esteem and having 2 levels in Spiritual Autonomy and intensified Momentum Testing in Intermediate Spiritual Maturity culminating in Evidence Testing in 1 of 2 categories in Advanced Maturity Adjustment to the Justice of God. These 5 initial categories include testing from:

- Thoughts
- People
- Systems
- Disasters
- Prosperity

occurring in one's interactions in life.

**Nous** – (Gr) the Left Lobe of the Soul where academic comprehension or understand of Bible Doctrine occurs when it is perceived.

**Non-Essentials** – The accoutrements and accouterments of life, the DETAILS of life, over and above Bible Doctrine.

**Operation Z** – The structured involvement and mechanical process of learning Bible Doctrine based on the Filling of God the Holy Spirit and Positive Volition Faith as a non-meritorious system of perception on the part of the believer. It involves God the Holy Spirit providing Bible Doctrine to the Human Spirit when it is taught by a qualified prepared Pastor Teacher. This Doctrine is then in addition transferred to the Left Lobe of the Soul for academic comprehension where it is staged for the believer to accept or reject it on the basis of Faith. Accepting the Bible Doctrine by faith results in its being transferred by God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul for saturation of the compartments of the soul and eventual application to life. This process is a GRACE benefit from God and is therefore labeled the [Grace Apparatus for Perception](#).

**Organizational Humility** – Conformity to a systematic plan, policy and purpose developed under some system or organizational function in life based on the delegated authority from God and the Divine Institutions.

**Poise** – Humility under pressure, therefore humility is not only the [Foundation of Virtue](#) but gives the ability to THINK under pressure thus provides for the development of [Courage](#) and courage and poise are the covering of thinking with glory. Poise is part of the [Functional Virtue](#) of Courage and is a category of Courage giving one the ability to think under pressure which is the definition of true Courage. Poise is very important in Academic Discipline so that when one hears things he disagrees with or cannot grasp initially there must be poise, ie. no reaction, no disturbance, to distract others concentrating on what is being taught. Poise as the

ability to think under pressure requires concentration and having concentration ability when learning Bible Doctrine carries over into every aspect of life so that whatever one does in life he will be able to concentrate on. Facing Pressures in life with Poise means that there is concentration to focus the problem ON TO Bible Doctrine whether it is the result of prosperity or adversity in life. Courage with Poise and Concentration transfers knowledge which is in the soul onto the situation no matter what the subject matter is nor the situation. Poise and Concentration brings with them Objectivity which is expressed as good manners and thoughtfulness about others. This is the ability to NOT make an issue of self so others can learn or enjoy. Poise is the combination of Objectivity in life, therefore [Enforced Humility](#), with [Courage](#) and is therefore a clear manifestation of Courage. ([Deut 31:8](#), [Josh 8:1](#)) When the believer loses his Poise he inevitably succumbs to [Fear](#) and decisiveness is lost and decisions will be BAD Decisions from a position of weakness as a result of his having left the Divine Dynasphere and entered into the Cosmic Dynaspheres. ([1Chron 28:20](#))

**Problem Solving Devices** – The mechanics for overcoming all pressure, adversity, disaster and testing in the life of the believer as he advances in the Spiritual Life. There are 10 Problem Solving Devices including; Rebound, Filling of God the Holy Spirit, Faith Rest Drill, Grace Orientation, Bible Doctrine Orientation, Personal Sense of Destiny, Personal Love for God the Father, Impersonal Love for Mankind, Sharing the Happiness of God, Occupation with the Person of The Lord Jesus, The Christ.

**Problem Solving incompetence** – Failure to develop and deploy the 10 Problem Solving Devices and then use them to apply Metabolized Bible Doctrine from the Right Lobe of the Stream of Consciousness of the Soul to the circumstances of life.

**Providential Preventative Suffering** – 4 basic or preliminary categories of [Momentum Testing](#) with Suffering for Blessing when the believer enters into Spiritual Young Adulthood and has reached Spiritual Self Esteem as a result of developing a Cognitive Self Confidence in Bible Doctrine and God from consistency in his Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

**Propitiation** – this is an offering to satisfy or appease and is a description of the Substitutionary Spiritual Death of Christ on the cross as payment for all human sins which satisfied the Righteousness of God and appeased the Justice of God. ([1Pet 1:17-19](#))

**Rebound Adjustment to the Justice of God** – The Grace process provided by God for the believer to be able to be restored to fellowship with God and regain the Filling of God the Holy Spirit for Perception, Cognition, Incultation and Metabolization and Application of Bible Doctrine and function under the Royal Ambassadorship for Christ. ([1John 1:9](#), [1Cor 11:31](#))

**Reconciliation** – it is removal of a barrier between 2 antagonists, it describes all that Christ did in his Substitutionary Spiritual Death on the cross for all human sins to remove the barrier of antagonism between man to God and includes:

- ✧ Unlimited Atonement
- ✧ [Propitiation](#)
- ✧ Expiation
- ✧ Redemption

**Reverse Process Reversionism** – The final stage of reversionism in the soul of the believer where he now subject to the ultimate Divine Discipline of life, the Sin Unto Death as a result of being useless to God as a witness for the prosecution in the Angelic Conflict appeal trial. It

is a saturation of the soul with the Moral Degeneracy of Legalism or with the Immoral Degeneracy of Antinomianism from an interaction with the Interlocking System of Arrogance.

**Reversionism** – This is truly a 9 stage process in the soul of the believer where he reverts to a status in his Spiritual Life which is equivalent to his being an Unbeliever as a result of rejection of Bible Doctrine. It is a reversal of priorities, attitudes, affections, accompanied by the destruction of impersonal love, and a change in his manner of operation and personality to what it was prior to Salvation Adjustment to the Justice of God. These stages are:

- ✧ Initial Negative Volition toward Bible Doctrine
- ✧ Reaction & Distraction from the Spiritual Life
- ✧ Frantic Search for Happiness
- ✧ Operation Boomerang
- ✧ Emotional Revolt of the Soul
- ✧ Locked in Negative Volition
- ✧ Black Out of the Soul
- ✧ Scar Tissue of the Soul
- ✧ Reverse Process Reversionism

**Right Lobe of the Stream of Consciousness of the Soul** – Is called the (gr) Kardia or Heart in the scripture and is the residence of Metabolized Bible Doctrine in the soul of the believer from which this doctrine can be applied to life.

**Royal Family of God** – Is the title and station given to the believer in The Lord Jesus, The Christ in this dispensation of the church age which has been inserted into Human History in order to Christ to have a royal family for his royal patent of King of Kings and Lord of Lords his titles for his battlefield royalty having achieved a strategic victory in the Angelic Conflict as a result of his Substitutionary Spiritual Death for all human sin on the cross. This is the result of every believer at the point of Salvation Adjustment to the Justice of God being placed into union with Christ by means of the ministry of the Baptism of God the Holy Spirit.

**Salvation Adjustment to the Justice of God** – In the relationship between God and Man in Human History man must adjust to God and must do so according to the standards of the Righteousness of God under the auspices of the Justice of God. In other words man must adjust to God through his justice in order to have a relationship with God. This can only occur for mankind by Faith alone in The Lord Jesus, The Christ alone at the instant of Salvation.

**Sanctification** – the act of setting something or someone apart, a term used to designate something or someone being SET APART for GOD’S special purpose. It includes:

- ✧ Positional – a permanent status of every Church Age believer starting at Salvation Adjustment to the Justice of God where he is placed by God the Holy Spirit into positional union with The Lord Jesus, The Christ. ([1Cor 12:13](#))
- ✧ Experiential – the believer’s progressive execution of the Spiritual Life in the Protocol Plan of God from Salvation Adjustment to the Justice of God to his physical death. ([John 17:19](#), [John 17:17](#))
- ✧ Ultimate – the believer receiving his Resurrection Body which glorifies The Lord Jesus, The Christ for all eternity. ([Phil 3:21b](#))

**Scar Tissue of the Soul** – This is the distortion of the soul as a result of persistent Negative

Volition toward Bible Doctrine which results from Emotional Revolt of the Soul where the emotions no longer respond to the Right Lobe but now control it, Black out of the Soul where all previously metabolized Bible Doctrine is systematically erased and replaced by Human Viewpoint Evil of the plan and policy of Satan. This makes it unlikely that the believer will respond to Bible Doctrine at any time.

**Sin unto Death** – The death of the believer who has rejected God, Bible Doctrine and the Spiritual Life of the Church Age for function under the plan and policy of Satan, EVIL. This results in his no longer being useful in the Plan of God as a witness for the prosecution in the Appeal of the Angelic Conflict Trial therefore being taken out of this life by God under a system of maximum misery.

**Sophia** – Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which is available and possible to use in application to life's situations, conditions and experiences.

**Spiritual Adolescence** – The status of spiritual growth between spiritual infancy which occurs at Salvation Adjustment to the Justice of God and spiritual adulthood which occurs when the believer has accumulated enough Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul to have developed Grace Orientation to life and Bible Doctrine orientation to reality. (See [“Progressions in the Spiritual Life”](#) for further clarification of stages of spiritual growth.

**Spiritual Adulthood** – The status of the believer who has accumulated enough Bible Doctrine in the Right Lobe to have developed and deployed the Adult Problem Solving Devices of a Personal Sense of Destiny, Personal Love for God the Father and Impersonal Love for Mankind onto his Forward Line of Troops of his soul. (See [“Progressions in the Spiritual Life”](#) for further clarification of stages of spiritual growth.

**Spiritual Infancy** – The status of the believer immediately following Salvation Adjustment to the Justice of God and remaining until there has been sufficient Bible Doctrine intake to provide a basic understanding of the Spiritual Life in the Plan of God. (See [“Progressions in the Spiritual Life”](#) for further clarification of stages of spiritual growth.

**Spiritual Skills** – Include the Filling of God the Holy Spirit, Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, 10 Problem Solving Devices developed and deployed onto the Forward Line of Troops of the soul and complete execution of the Protocol Plan of God.

**Spirituality** – The ABSOLUTE status of the believer being under the Filling of God the Holy Spirit or NOT as a result of consistent use of the Rebound procedure after personal carnality to restore this status.

**Super Grace** – The Level of Direct Blessing for the believer who has reached Maturity Adjustment to the Justice of God where he receives 6 categories of EXTREME or SUPER Grace blessing from God as a result of his execution of the Protocol Plan of God. These blessings include Spiritual, Temporal, Association, Historical, Heritage and Dying blessings.

**Surpassing Grace** – The Level of Direct Blessing for the believer in eternity who has demonstrated his successes in execution of the Protocol Plan of God in time by accumulation of a maximum level of Metabolized Bible Doctrine into his Stream of Consciousness of the Soul and therefore is the recipient of unimaginable blessing and reward for all eternity.

**Temporal Adjustment to the Justice of God** – The process which is supposed to occur in the believer on a daily basis resulting in consistent and persistent Perception, Cognition, Incultation

and Metabolization of Bible Doctrine to the point of Maturity Adjustment to the Justice of God and beyond.

**The Church** – The Body of Christ, the sum total of all believers in the Church Age from approximately 30 AD to the removal of all believers at the rapture of the church which is at the beginning of the Tribulational Period of the end of the Age of Israel

**Ultra – Super Grace** – The Level of Direct Blessing for the believer who is persistent in his progression in the Spiritual Life after reaching Maturity Adjustment to the Justice of God and receiving his Super – Grace package of blessings, where he is the recipient of a 2 fold increase in blessing which is beyond imagination in time despite extreme pressure in life.

**Undeserved Suffering for Blessing** – As the believer advances from spiritual infancy to Spiritual Maturity by the consistent accumulation of Metabolized Bible Doctrine in his Stream of Consciousness of the Soul, in order for this doctrine to be of any value to him in application to his life he must be able to access and use it. Therefore as different levels of spiritual advance occur different levels of testing are provided by God to allow the believer to use his accumulated Metabolized Bible Doctrine in application to the tests. This testing is designed to enhance and accelerate the spiritual advance of the believer and move him ever closer to completion of the Protocol Plan of God. This testing occurs as several categories and at different levels of intensity including 8 Systems or Levels of Testing in 9 Categories:

- ↗ **Basic Spiritual Testing** (3 Categories) – Old Sin Nature, Cosmic Dynasphere I & II
- ↗ **Providential Preventative Suffering** (4 Categories) – Preliminary Momentum Testing
- ↗ **Momentum Testing** (4 Categories) – Basic – Intermediate – Advanced
- ↗ **Evidence Testing** (2 Categories) – Regarding God, Regarding Man & Circumstances

**Virtue** – The quality of the individual based on the content of his soul and the decisions and actions he makes in life which includes:

Motivational Virtue

*Personal Love for God*

*Confidence toward God*

*Worship toward God*

*Genuine Humility toward God*

*Inflexibility regarding God & Bible Doctrine*

Functional Virtue

*Impersonal Love for Mankind*

*Impact Virtue – Sensitivity toward All others*

*Impact Virtue – Thoughtfulness toward All others*

*Impact Virtue – Courtesy toward All others*

*Impact Virtue – Good Manners toward All others*

*Impact Virtue – Accommodating to All others*

*Impact Virtue – Kindness to All others*

*Impact Virtue – Understand toward All others*

*Impact Virtue – Lack of prejudice toward all others*

*Courage toward Man*

*Morality toward Man*

*Enforced Humility toward Authority*

*Flexibility regarding every detail of life*

**Virtue Love** – Personal Love for God the Father and Impersonal Love for Mankind

**Winner Believer** – This is the believer who maintains a consistent residence in the Divine Dynasphere as a result of his use of the IRF (Instant Reaction Force) of the Rebound Procedure to recover from failures enabling him to be consistent in his Post Salvation Epistemological Rehabilitation from daily Perception, Cognition, Inculcation, Metabolization and Application of Bible Doctrine to his life.

**Wrongdoing** – Wrongdoing encompasses all sin which we either do not recognize as sin or have forgotten about after committing those sins. It is functioning outside the Plan of God with rejection of the power of the Spiritual Life given to us by The Lord. Wrongdoing encompasses such things as the sins involved with whitewashing the devil's world and greater involvement in the sins of the Interlocking System of Arrogance or Interlocking System of Hatred.
